.*Te Yoga Tibet me ngā Whakaakoranga Huna, me ētahi atu*

te uara o te *pukapuka Autobiography a Yogananda* nā te mea ko tētahi o ngā pukapuka torutoru i te reo Ingarihi mō ngā tāngata whakaaro nui o Īnia kua tuhia, ehara i te mea nā te kairipoata, nā te manene rānei, engari nā tētahi o ō rātou iwi me ō rātou whakangungu - arā, he pukapuka *mō* ngā yogi *nā* tētahi yogi. Hei whakaaturanga mātakitaki i ngā mea whakamiharo ngā oranga me ngā mana o hou Hinitū hunga tapu, te pukapuka kua hiranga e rua i te wā tika me he mea pumau tonu. Ki tōna kaituhi rongonui, i mōhio ahau ki a ia i Īnia me Amerika, kia mihi nui, kia whakawhetai hoki ngā kaipānui katoa. Ko tana tuhinga oranga rerekē tētahi o ngā mea tino whakakitenga i te hohonutanga o te hinengaro me te ngākau .Hinitu, me te taonga wairua o Īnia, kua whakaputaina i te Hauāuru

He mea whakahīhi ki ahau te tūtaki ki tētahi o ngā tohunga whakaaro nui, ko tōna hītori oranga tēnei e kōrerotia ana i konei - arā, ko Sri Yukteswar Giri. I puta mai tētahi āhua o te tangata tapu whakahirahira hei wāhanga o te tuhinga matua o taku *Yoga Tibetan me ngā Kaupapa Ngaro* . **1-1** I Puri, i Ōrissa, i te Whanga o Bengal, ka tūtaki ahau ki a Sri Yukteswar. Ko ia te upoko o tētahi whare karakia marino e tata ana ki te takutai moana i reira, ā, ko tana

mahi nui ko te whakangungu wairua o tētahi rōpū. o taitamariki ngā ākonga. Ia i whakapuakina hihiri te hiahia i roto te oranga o te ngā tāngata o te Kotahitanga Ngā Whenua me ngā whenua o Amerika katoa, me Ingarangi hoki, ā, i pātai mai ki ahau mō ngā mahi i tawhiti, inā koa ko ngā mahi i California, a tana akonga matua, a Paramhansa Yogananda, i .arohaina nuitia e ia, ā, i tonoa mai e ia i te tau 1920 hei karere māna ki te Hauāuru

He mārīe te āhua me te reo o Sri Yukteswar, he ataahua te aroaro, ā, e tika ana kia whakanuia e .tōna rangatira

i whakaae noa mai ngā akonga ki a ia. Ko te hunga katoa i mōhio ki a ia, ahakoa nō tōna ake haporī, kāore rānei, i whakanui i a ia. E maumahara ana ahau ki tōna tinana roa, tika, ā, he tangata whakahihi, he kākahu tae kōwhai tōna, he rite ki te kākahu o te tangata kua whakarērea ngā mahi o te ao, i a ia e tū ana i te tomokanga o te whare karakia hei manaaki i ahau. He roa, he āhua miro tōna makawe, ā, he pahau tōna mata. He pakari tōna tinana, engari kikokore me kua pai te āhua, me tāna taahiraa hihiko la i a i whiriwhiria hei tāna wāhi o whenua wāhi noho te tapu te tāone o Puri, te wāhi e haere mai ai ngā tini Hindu karakia, e tohu ana i ngā kawanatanga katoa o Īnia, i ia rā ki te haerenga ki te Temepara rongonui o Jagannath, "Ariki o te Ao." I Puri i katia ai e Sri Yukteswar ōna kanohi mate, i te tau 1936, ki ngā tirohanga o tēnei āhua rangitahi o te orange, ā, i haere atu ia, me te mōhio kua haria tōna tinana ki te mutunga wikitoria. He tino harikoa ahau ki te tuhi i tēnei whakaaturanga. ki te teitei āhua me tapu o Hīri Yukteswar. Ihirangi ki noho tonu tawhiti mai i te te tini, i tuku ia i a ia anō me te kore herekore, me te marino ki taua orange tino pai i tukuna e Paramhansa Yogananda, tana akonga, kua whakaahuahia mō ngā tau maha. Taku Ngā mātua me Moata Te ora

Ko ngā āhuetanga motuhake o te ahurea Īnia kua roa e rapu ana i ngā pono mutunga kore me te akonga-guru e haere tahi ana **1-2** whanaungatanga. Nāku ake ara i ārahi ahau ki tētahi tohunga whakaaro nui, rite tonu ki a te Karaiti, nāna nei i whakairo tōna oranga ataahua mō ngā tau maha. Ko ia tētahi o ngā rangatira nui o Īnia anake

te taonga e toe ana. I puta mai i roto i ia whakatipuranga, kua tiakina e rātou tō rātou whenua mai i te aituā o Papurona me Ihipa.

Ka kitea e au aku maharatanga tuatahi e hipoki ana i ngā āhuatanga tawhito o tētahi whakatupuranga o mua. I puta mai ki ahau ngā maharatanga mārama mō tētahi oranga tawhiti, he yogi **1-3** i waenganui i ngā hukarere o Himalaya. Nā ēnei tirohanga o mua, mā tētahi hononga kore-ahu, i homai he tirohanga ki ahau mō te heke mai.

Kāore i peia atu i roto i tōku hinengaro ngā whakama o te tamarikitanga. I te pouri ahau, i te kore e taea e au te hikoi, te whakapuaki rānei i ahau anō. I ara ake ngā ngaru inoi i roto i ahau i taku kitenga i te ngoikore o tōku tinana. I puta puku mai tōku oranga kare ā-roto kaha hei kupu i roto i ngā reo maha.

I roto i te pōhēhē o ngā reo, ka taunga haere taku taringa ki ngā kupu Bengali hurihuri a tōku iwi. He whānuitanga whakamīharo o te hinengaro o te pēpi! Ki te whakaaro pakeke he mea iti noa ki ngā taonga takaro me ngā matimati.

Nā te kaha o te hinengaro me te kore aro o tōku tinana i kawē mai i ahau ki ngā momo tangi uaua. Ka maumahara ahau ki te miharo o te whānau whānui i tōku mamae. He maha atu anō hoki ngā maharatanga harikoa e whakaemi mai ana ki ahau: ko ngā awhi a tōku whaea, me aku nganatanga tuatahi ki te kōrero puku me te takahanga pēpi. Ko ēnei wikitoria tōmua, e warewarehia wawetia ana, he pūtake tūturu tonu nō te whakapono ki a au anō.

Ehara i te mea ahurei aku maharatanga whānui. He maha ngā yogi e mōhiotia ana kua mau tonu tō rātou hinengaro whaiaro me te kore e whakararururuhia e te whakawhiti nui ki te "ora" me te "mate". Mena he tinana anake te tangata, ko tōna ngaronga ka waiho ko te wā whakamutunga ki te tuakiri. Engari ki te mea i kōrero pono ngā poropiti i roto i ngā mano tau, ko te tangata he āhua kore tinana. Ko te uho pumau o te whaiaroaro tangata he hononga poto noa ki te tirohanga ā-hinengaro.

Ahakoia he rerekē ngā maharatanga mārama o te pēpitanga, ehara i te mea tino onge. I a au e haereere ana i ngā whenua maha, kua whakarongo ahau ki ngā maharatanga o mua mai i ngā ngutu o ngā tāne me ngā wāhine pono.

I whānau mai ahau i te tekau tau whakamutunga o te rautau tekau mā iwa, ā, i pau aku tau tuatahi e waru ki Gorakhpur. Koinei tōku wāhi whānau i ngā Porowini Whakakotahi o te raki-mā-rāwhiti o Īnia. Tokowaru ā mātou tamariki: tokowhā ngā tama, tokowhā ngā kōtiro. Ko ahau, ko Mukunda Lal Ghosh **1-4**, te tama tuarua me te tamaiti tuawhā.

He iwi Bengali a Pāpā rāua ko Māmā, nō te iwi *kshatriya* . **1-5** I manaakitia rāua ki te āhua tapu. Kāore i puta noa te aroha o tētahi ki tētahi, he marino, he whakaute. Ko te noho tahi a ngā mātua te pūtake o te ngangau hurihuri o ngā oranga taitamariki e waru.

He tangata atawhai, he tangata whakahihī, he tangata pūmau hoki a Pāpā, a Bhagabati Charan Ghosh, i ētahi wā. Nā te aroha nui ki a ia, heoi i pupuri mātou tamariki i tētahi tawhiti whakaute. He tohunga pāngarau me te tohunga arorau tino pai ia, ā, i ārahihia ia e tōna hinengaro. Engari he kuini ngākau a Māmā, ā, i ako ia i a mātou mā te aroha anake. I muri i tōna matenga, i whakaatu nui atu a Pāpā i tōna ngākau aroha o roto. I kite ahau i taua wā ka huri pinepine tōna titiro ki tōku māmā.

I te aroaro o Whaea i pā mai ai te reka me te kawa ki a mātou i te tīmatanga o te mōhio ki ngā karaipiture. te *Mahabharata* me *ramayana* **1-6** i whai rauemi i karangatia ki tūtaki te ngā āhuatanga ohorere

o te whakahaere i te ture. Tohutohu me whiu i haere ringa i roto ringa

I ia rā, i tukuna e Māmā he tohu whakaute ki a Pāpā, māna mātou e whakakakahu āta i ngā ahiahi hei manaaki i a ia i te hokinga mai i te tari. He rite tonu tōna tūranga ki te tūranga perehitini tuarua, i roto i te Ara Rerewe o Bengal-Nagpur, tētahi o ngā kamupene nui o Īnia. Ko tana mahi he haereere, ā, i noho tō mātou whānau ki ētahi tāone i tōku tamarikitanga.

I pupuri a Māmā i te ringa tuwhera ki te hunga rawakore. He tangata atawhai hoki a Pāpā, engari ko tana whakaute ki te ture me te tikanga i tae atu ki te tahua moni. Mō te rua wiki, i pau i a Māmā te moni nui atu i te moni whiwhi a Pāpā ia marama ki te whāngai i te hunga rawakore.

"Ko tāku noa iho tēnei e tonono atu nei, kia kaua e nekehia ō koutou aroha ki tētahi rohe e tika ana." Ahakoa te riri mārie a tana tāne, he mamae ki a Māmā. I tonono ia i tētahi kāreti tereina, me te kore e tohu i tētahi whakahē ki ngā tamariki.

"Haere rā;" ahau am e haere ana atu ki taku whaea kāinga." Tawhito whakamutunga!

Ka pakaru mātou i roto i ngā tangihanga miharo. I tae mai tō mātou matua keke i te wā tika; i kōrero pōhewa ia ki a Pāpā i ētahi kupu whakaaro nui, kāore i ruarua i riro mai i ngā tau kua pahure. I muri i te kōrero a Pāpā i ētahi kupu whakamarie, ka hari a Māmā ki te tuku i te tekesi. Nō reira ka mutu te raruraru anake i kitea e au i waenganui i ōku mātua. Engari e maumahara ana ahau ki tētahi kōrero motuhake.

"Tena koa homai he tekau rūpī mō tētahi wahine rawakore kua tae mai nei ki te whare." He mea whakatenatena anō te menemene a te whaea.

"He aha i tekau rūpī ai? Kotahi te nui." I tāpiri atu a Pāpā i tētahi whakamārama: "I te matenga ohorere o tōku pāpā me ōku koroua, ka pā mai te rawakore ki ahau mō te wā tuatahi. Ko taku parakuihi anake, i mua i te hiko māero ki taku kura, he panana iti. I muri mai, i te whare wānanga, i tino hiahia ahau, ā, i tonono ahau ki tētahi kaiwhakawā whai rawa mō te āwhina kotahi rūpī ia marama. I whakakahore ia, me te kī he mea nui tonu te rūpī."

"Aue te kawa o tō mahara ki te whakakorenga o taua rūpī!" ka puta te whakaaro o te ngākau o Māmā. "E hiahia ana koe kia mahara mamae hoki tēnei wahine ki tau whakakorenga i te tekau rūpī e hiahiatia ana e ia?"

"Ka toa koe!" Me te tohu tawhito o ngā tāne kua hinga, ka whakatuwherahia e ia tana pēke moni. "Anei tētahi moni tekau rūpī. Hoatu ki a ia me te ngākau aroha."

Ko te tikanga, ko te kī tuatahi a Pāpā he "Kāo" ki tētahi tonono hou. Ko tōna waiaro ki te wahine tauhou i nā te tere o te kukume i te aroha o Māmā, he tauira tēnei o tana tūpato. Ko te kore e whakaae wawe - he mea noa iho tēnei e kitea ana i te hinengaro

Wīwī i te Hauāuru - he whakahonore noa iho i te kaupapa o te "whakaaroaro tika." I kitea tonutia e au he whakaaro nui, he taurite hoki a Pāpā i roto i ana whakatau. Ki te mea ahau Ahakoa i taea e ia te whakaū i aku tono maha me te whakamahi i tētahi, i ētahi rānei tautohe pai, i tino taea e ia te whakatutuki i te whāinga i hiahiaitia e au, ahakoa he haerenga hararei, he motopaika hou rānei.

He tino kaha te whiu a Pāpā i āna tamariki i ō rātou tau tōmua, engari ko tōna waiaro ki a ia he tino Spartan ia. Kāore ia i haere ki te whare tapere, hei tauira, engari i rapu i tana whakangahau i roto i ngā mahi wairua me te pānui i te *bhagavad gita* . 1-7 Ka karohia e ia ngā mea papai katoa, ka piri tonu ia ki kotahi tawhito takirua o hu tae noa ki rātou i koretake. Tōna ngā tama i hokona ngā motuka i muri I whakamahia whānuitia ēnei, engari i makona tonu a Pāpā ki te waka tere mō tana haerenga ki te tari i ia rā. He mea tauhou ki a ia te kohikohi moni hei pupuri mana. I muri i tana whakaritenga i te Peeke Tāone o Calcutta, i whakakahore ia ki te pupuri i tētahi o ōna hea hei painga mōna. Ko tana hiahia anake he mahi ā-iwi i tōna wā waatea.

I muri i ētahi tau i muri i te reti o Pāpā i runga i te penihana, ka tae mai tētahi kaikaute Ingarihi ki te tiro tiro i ngā pukapuka a te Kamupene Rerewe o Bengal-Nagpur. I kitea e te kaitiro tiro miharo kāore a Pāpā i tonono mō ngā pōnahi kua tomuri te wā.

"Ia i mahi te mahi o toru ngā tāne!" te kaikaute i kōrerotia te kamupene "Ia kua rūpī 125,000 (mō

"\$41,250.) e nama ana ki a ia hei utu." I hoatu e ngā āpiha he haki ki a Pāpā mō tēnei moni. Kāore i tino aro atu ia ki tēnā, ā, kāore i warewarehia e ia te whakahua i te whānau. I muri tata mai ka pātaihia ia e tōku teina pōtiki, e Bishnu, ā, i kite ia i te moni tāpui nui i runga i te tauākī peeke.

"He aha koe ka harikoa ai ki te hua o te ao?" te whakahoki a Pāpā. "Ko te tangata e whai ana i te whāinga o te whakaaro kotahi, kāore ia e harikoa ki te hua, kāore hoki e pouri ki te ngaronga. E mōhio ana ia ka tae mai te tangata ki tēnei ao me te kore moni, ā, ka haere atu me te kore he rūpi kotahi."

PĀPĀ

Bhagabati Charan Ko Ghosh
He Ākonga o Rāhiri Mahasaya

I te tīmatanga o tō rāua marena, ka noho aku mātua hei akonga mā tētahi rangatira nui, mā Lahiri Mahasaya o Benares. Nā tēnei hononga i whakakaha ake te āhua noho tapu o Pāpā. I whakaae a Māmā ki taku tuahine matamua, ki a Roma: "Kotahi noa te wā i te tau māua ko tō pāpā e noho tahi ai hei tāne, hei wahine, kia whānau ai ā māua tamariki."

I tūtaki tuatahi a Pāpā ki a Lahiri Mahasaya mā Abinash Babu, **1-8** he kaimahi i te tari o Gorakhpur o te Ara Rerewe o Bengal-Nagpur. I whakaako a Abinash i aku taringa taitamariki ki ngā kōrero whakamīharo mō ngā tāngata tapu o Īnia. I mutu tonu tana kōrero me te whakanui i ngā kororia nui o tana ake guru.

"I rongo koe i ngā āhuetanga tino rerekē i riro ai tōu matua hei ākongā nā Lahiri Mahasaya?"

I tētahi ahiahi raumati mangere, i a māua ko Ābinash e noho tahi ana i te pāmu o tōku whare, ka pātai mai ia i tēnei pātai whakamere. I ruru ahau i tōku mahunga me te ataata o te tumanako.

"I ngā tau kua pahure ake nei, i mua i tō whānautanga, i tonu ahau ki taku āpiha matua—ki tō pāpā—kia homai he wiki whakatā mai i aku mahi i Gorakhpur kia toro atu ai ahau ki taku guru i Benares. I tawai tō pāpā ki taku mahere."

"'Ka huri koe hei tangata whakaponu nui?' ka pātai ia. 'Kia arotahi ki tāu mahi tari mēnā kei te pirangi koe ki te anga whakamua.'"

"I a māua e hoki ana ki te kāinga i taua rā, i te ara ngahere, ka tūtaki māua ki tōu pāpā i roto i te amo. Ka tukuna e ia āna pononga me tana waka, ā, ka tūtaki ki ahau. I a ia e whai ana ki te whakamarie i ahau, ka tohu ia i ngā painga o te whai kia angitu i te ao. Engari i rongo māua i a ia me te nenge. I mea anō tōku ngākau: 'Lahiri Mahasaya! Kāore e taea e au te ora me te kore e kite i a koe!'"

"I haria mātou e tō mātou ara ki te taha o tētahi mara marino, i reira tonu ngā hihi o te rā i te ahiahi e taupokina ana e ngā ngaru roa o te tarutaru mohao. I tū mātou me te miharo. I reira i te mara, he torutoru noa ngā iāri mai i a mātou, ka puta whakarere mai te āhua o taku tohunga nui! **1-9**

"'E Bhagabati, he tino kaha rawa tōu kaha ki tāu kaimahi!' I rangona tōna reo i roto i tō mātou taringa miharo. I ngaro atu ia me te mea ngaro, pērā i tōna taenga mai. I runga i ōku turi, i karanga ahau, 'Lahiri Mahasaya! Lahiri Mahasaya!' Kāore tō pāpā i nekeneke i te ohore mō tētahi wā poto.

"'E Ābinaha, ehara i te mea ka tukuna atu e au he whakaaetanga *ki a koe*, engari ka tukuna atu e au he whakaaetanga ki a *au anō* kia haere ki Benares āpōpō. Me mōhio ahau ki tēnei Lahiri Mahasaya nui, e kaha ana ki te whakaputa i a ia anō i ngā wā

katoa e pai ai ia hei inoi māu! Ka tangohia e au taku wahine, ka tono atu ki tēnei rangatira kia tīmata tāua i tana ara wairua. Ka ārahi koe i a tāua ki a ia?"

"Ae rā.' I kī ahau i te hari i te whakautu whakamiharo ki taku inoi, me te tere me te pai o te huringa o ngā mahi.

"I te ahiahi i muri mai ka haere māua ko ō mātua ki Benares. I te aonga ake ka eke māua i tētahi kāreti hōiho, me kātahi i a ki hikoi mā roto whaiti ngā ara ki taku te tohunga motuhake kāinga. Te tomo tāna iti

I roto i te rūma noho, ka piko mātou ki mua i te rangatira, me te tū rite tonu ki tōna tūnga rēmana. Ka kimo ia i ōna kanohi koi, ka titiro matatau atu ki tōu pāpā.

"E Bhagabati, he tino kaha rawa tōu mahi ki tāu kaimahi!' He rite tonu āna kupu ki ērā i kōrerotia e ia i ngā rā e rua i mua atu i te mara o Gorakhpur. I tāpiri atu ia, 'E koa ana ahau kua tukua e koe a Ābinahi kia toro mai ki ahau, ā, kua haere tahi kōrua ko tāu wahine me ia.'"

"I roto i tō rātou harikoa, i whakaurua e ia ō koutou mātua ki te mahi wairua o *te Kriya Yoga* . "**1-10** Tōu pāpā ā, ko au, hei akonga tuakana, he hoa piripono mai i te rā whakamiharo o te kitenga. I aro nui a Lahiri Mahasaya ki tō whānautanga. Ka tino honoa tō orange ki tōna ake: e kore rawa e mutu te manaakitanga a te rangatira."

I wehe atu a Lahiri Mahasaya i tēnei ao i muri tata mai i taku taenga mai ki reira. Ko tana pikitia, i roto i tētahi anga whakapaipai, i whakapaipai tonu i tō mātou aata whānau i ngā tāone maha i whakawhitia ai a Pāpā e tana tari. He maha ngā ata me ngā ahiahi i kitea ai māua ko Māmā e whakaaroaro ana i mua i tētahi wāhi tapu i hangaia noatia, e tuku ana i ngā putiputi i toua ki roto i te whakapiri rākau sandalwood kakara. Me te parakihe me te maira me ō mātou karakia kotahi, i whakahonoretia e mātou te atuata kua kitea katoatia i roto i a Lahiri Mahasaya.

Tōna pikitia i a he e hira ake ana awe i runga taku te ora. Hei ahau i tupu, te whakaaro o te rangatira i tipu tahi me ahau. I roto whakaaroaro ahau e pinepine kite tana whakaahua whakaahua puta mai mai i tōna iti anga, ā, ka tango i tētahi āhua ora, ka noho ki mua i ahau. I taku ngana ki te pā ki ngā waewae o tōna tinana kanapa, ka huri, ka noho anō hei pikitia. I te hekenga o te tamarikitanga ki te tamarikitanga, ka kitea e au a Lahiri Mahasaya kua hurihia i roto taku hinengaro mai i he iti whakaahua, kua whakatōkia i roto he anga, ki he te aroaro ora, te aroaro mārama. He maha aku inoi ki a ia i ngā wā o te whakamātautau, o te pōhēhē rānei, i kitea ai e au tana ara whakamarie. I te tīmatanga i pouri ahau nā te mea kua kore ia e ora tinana. I taku tīmatanga kia kitea tōna ngaro i ngā wāhi katoa, kāre au i tangi anō. He maha āna tuhituhi ki āna ākonga i hiahia nui ki te kite i a ia: "He aha koutou i haere mai ai ki te tiro i ōku wheua me ōku kikokiko, i a au e tata atu ana ki tō koutou *kutastha* (tirohanga wairua)?"

I te waru o oku tau, i manaakitia ahau ki tētahi whakaoranga whakamiharo nā te whakaahua o Lahiri Mahasaya. Nā tēnei wheako i whakanui ake taku aroha. I a au i te whenua o tō mātou whānau i Ichapur, Bengal, i pāngia ahau e te korara Āhia. I tino pouri ahau; kāore e taea e ngā tākuta te mahi kāore he mea. I te taha o tōku moenga, ka tohu mai a Māmā me te pōuri kia titiro ahau ki te pikitia o Lahiri Mahasaya i te pakitara i runga ake i tōku mahunga.

"Kōpiko ki a ia i roto i tōku hinengaro!" I mōhio ia he ngoikore rawa ahau, kāore hoki e taea te totoro atu ōku ringa hei mihi. "Ki te whakaatu pono koe i tō aroha, ā,

ki te tuturi hoki ki tōna aroaro, ka ora koe!"

I titiro atu ahau ki tana whakaahua, ā, ka kite ahau i tētahi māramatanga kanapa e taupoki ana i tōku tinana me te tinana katoa. rūma. I ngaro atu taku whakapairuaki me ērā atu tohumate kāore e taea te whakahaere; kua ora ahau. I taua wā tonu ka kaha ahau ki te piko ki raro, ki te pā ki ngā waewae o Whaea hei whakamihi i tōna whakapono nui ki tana tohunga. I pēhi tonu a Whaea i tōna mähunga ki te pikitia iti.

"Āe Kei ngā wāhi katoa E te Kaiwhakaako, ahau whakawhetai koe tērā tōu mārāma kua kua ora taku tama!"

I kite ahau kua kite anō hoki ia i te mura kanapa i ora tonu ai ahau i tētahi mate e mōhiotia ana he mate whakamate.

Ko tētahi o aku taonga tino utu nui ko taua whakaahua anō. Nā Lahiri Mahasaya tonu i hoatu ki te Matua, he wiri tapu tōna. He mīharo te takenga mai o te pikitia. I rongo ahau i te kōrero mai i te akonga tuakana o te Matua, a Kali Kumar Roy.

Te āhua nei i whakarihariha te rangatira ki te whakaahuahia. I tana whakahē, i tangohia he whakaahua rōpū mōna me tētahi rōpū whakaponu, tae atu ki a Kali Kumar Roy. He kaiwhakaahua mīharo nāna i kite ko te pereti e whakaatu ana i ngā whakaahua mārāma o ngā ākonga katoa, he wāhi takoto kau noa iho i waenganui, te wāhi i tumanakohia e ia ka kitea ngā āhua o Lahiri Mahasaya. I kōrerohia whānuitia tēnei āhuatanga.

I whakamanamana tetahi tauira, he tohunga whakaahua hoki, a Ganga Dhar Babu, kāore te tangata i rere atu e mawhiti i a ia. I te ata i muri mai, i te noho a te guru i roto i te tūnga rōhi i runga i te paepae rakau me I muri i a ia, ka tae mai a Ganga Dhar Babu me āna taputapu, ā, i te whai i ngā mahi katoa kia angitu ai, ka whakaatu puku ia i ngā pereti tekau mā rua. I kitea wawetia e ia te tohu o te paepae rakau me te pereti i runga i ia pereti, engari kua ngaro anō te āhua o te rangatira.

Me ngā roimata me te whakapehapeha pakaru, ka rapu a Ganga Dhar Babu i tana guru. He maha ngā hāora i mua i te wā i mutu ai te wahangu o Lahiri Mahasaya me te kōrero hapū:

"Au am Wairua. Ka taea tōu kāmera whakaata te kei ngā wāhi katoa Kāore e kitea?"

"E kite ana ahau kāore e taea! Engari, e te Ariki Tapu, e hiahia ana ahau ki tētahi pikitia o te temepara tinana, te wāhi e noho mokemoke ana, ki taku tirohanga whāiti, taua Wairua."

"Haere mai, kātahi, āpōpō ata. ahau ka tū mō koe."

I arotahi anō te kaiwhakaahua i tana kāmera. I tēnei wā, ko te ahua tapu, kāore i hipokina e te ngaro ngaro, he koi tonu i runga i te pereti. Kāore te rangatira i tū mō tētahi atu whakaahua; i te iti rawa, kāore au i kite i tētahi.

Kua tāruatia te whakaahua i roto i tēnei pukapuka. Ko ngā āhua ataahua o Lahiri Mahasaya, he rite ki te ao whānui, kāore e whakaatu ana i tōna iwi. Ko tōna harikoa nui ki te hononga ki te Atua e kitea paku ana i roto i he āhua mea ngaro menemene. Tōna ngā kanohi, haurua tuwhera ki tohu he ingoa te ahunga i runga te te ao o waho, kua haurua te kati. Kāore rawa ia i te mōhio ki ngā maunu rawakore o te whenua, ā, kua ara tonu ia i ngā wā katoa ki ngā raruraru wairua o ngā kaitono i whakatata mai ki te tiki i tana taonga.

I muri tata mai i taku whakaoranga i te kaha o te pikitia a te tohunga, ka puta he tirohanga wairua whai mana ki ahau. I a au e noho ana i runga i taku moenga i tētahi ata, ka taka ahau ki roto i tētahi moemoeā hohonu.

"He aha kei muri i te pōuri o ngā kanohi kua katia?" I puta kaha mai tēnei whakaaro hohonu ki roto i tōku hinengaro. I puta tonu mai he hihi nui o te māramatanga ki roto i tōku titiro. Ko ngā āhua atua o te hunga tapu, e noho ana i roto i te tūnga whakaaroaro i roto i ngā ana maunga, i hangaia pērā i ngā pikitia kiriata iti i runga i te

he mata nui o te kanapa i roto i tōku

rae. "Ko wai koe?" i kōrero ahau me te

reo nui.

"Ko mātou ngā yogi o te Himalaya." He uaua ki te whakaahua i te urupare a te rangi; i tino harikoa tōku ngākau.

"Āe, e hiahia ana ahau ki te haere ki ngā maunga o Himalaya, kia rite ki a koe!" Ka ngaro te tirohanga, engari ka horapa haere ngā hihi hiriwa i roto i ngā porowhita e whānui haere ana ki te mutunga kore.

"He aha ko tēnei whakamiharo kanapa?"

"Ko Iswara ahau. **1-11** "Ko au te Māramatanga." He rite te

reo ki ngā kapua e haruru ana. "E hiahia ana ahau kia

kotahi tātou!"

Mai i te memeha haere o tōku harikoa atua, i whakaorangia e au tētahi taonga pumau o te hihiri ki te rapu i te Atua. "Ko ia te Harikoa mutunga kore, te Harikoa hou tonu!" I mau tonu tēnei maharatanga i muri i te rā o te mataora.

He mea whakamiharo tētahi atu maharatanga o mua; ā, he pono tonu, nā te mea kei a au te koha tae noa mai ki tēnei rā. I te atatu, i noho māua ko taku tuahine matua, ko Uma, i raro i tētahi rākau *neem* i tō māua kāinga i Gorakhpur. I āwhina ia i ahau ki te ako i tētahi pukapuka ako Bengali, i te wā e kore ai ahau e titiro atu i ngā kākā tata e kai ana i te hua margosa pakari. I amuamu a Uma mō te whewhe i tōna waewae, ā, ka tiki i tētahi ipu hinu. I pania e ahau tētahi wahi o te hinu ki tōku ringaringa.

"He aha mahi koe whakamahi rongoā i runga he hauora ringa?"

"Āe, e Hine, kei te pēhia ahau e te whewhe āpōpō. Kei te whakamātautau ahau i tō hinu ki te wāhi e puta mai ai te whewhe."

"Koe iti tangata teka!"

"E te tuahine, kaua waea ahau he tangata teka tae noa ki koe kite he aha ka tupu i roto te ata." Te riri kī tonu ahau.

Kāore a Uma i miharo, ā, e toru ana whakahi a Uma. I rangona he whakatau pakari i roto i tōku reo i a au e whakahoki puhoi ana.

"Mā te mana o te hiahia i roto i ahau, e mea ana ahau āpōpō ka pā mai he whewhe nui ki tēnei wāhi tonu i runga i tōku ringa; ā, ka pupuhi *tō whewhe kia rua te rahi o tōna rahi o nāiane!*"

I te ata ka kitea ahau e te whewhe pakari i te wāhi i tohua; kua rua te rahi o te whewhe o Uma. Me te hamama, ka oma atu taku tuahine ki a Māmā. "Kua riro a Mukunda hei kaimatai!" Me te kaha o te whaea, ka ako mai ahau kia kaua rawa e whakamahia te mana o te kupu hei mahi kino. Kei te maumahara tonu ahau ki tana tohutohu, ā, ka whai ahau i taua tohutohu.

Taku kohuatia i mā te pokanga i rongoatia. He kitea koha, maui nā te tākuta tapahi, ko te whakaatu i tēnei rā. I runga

taku matau ringaringa ko he pumau whakamaumahara o te mana i roto tāne mātotoru kupu

Ko aua kīanga māmā noa iho, ā, te āhua nei kāore he kino ki a Uma, i kōrerotia me te aro nui, he nui te kaha huna hei pahū pērā i ngā poma, hei whakaputa i ngā pānga tino tika, ahakoa he kino. I muri mai ka mārāma ahau ka taea te whakamahi tika i te mana wiri pahū o te kōrero hei whakaora i te orange o te tangata i ngā uauatanga, ā, kia mahi ai me te kore he koha, he riri rānei. **1-12**

I neke tō mātou whānau ki Lahore i te rohe o Punjab. I reira ka riro mai i ahau tētahi pikitia o te Whaea Tapu i roto i te āhua o te Atua Wahine a Kali. **1-13** I whakatapua e ia tētahi wāhi tapu iti noa i runga i te taupee o tō mātou kāinga. I tino whakapono ahau ka whakamanahia aku inoi katoa i roto i taua wāhi tapu. I a au e tū ana i reira me Uma i tētahi rā, ka mātakitaki ahau i ngā manu tukutuku e rua e rere ana i runga i ngā tuanui o ngā whare i tērā taha o te ara whaiti rawa.

"He aha kei koe nā reira ata noho?" Uma panaia ahau me te takaro.

"Kei te whakaaro noa ahau ki te mīharotanga o te homaitanga mai e te

Whaea Tapu o taku e tono atu ai." "Ki taku whakaaro ka hoatu e Ia aua

manu tukutuku e rua ki a koe!" Ka kata whakahi taku tuahine.

"He aha kāore?" ahau tīmata wahangu ngā inoi mō tā rātou te pupuri

Ka takarohia ngā kēmu ki Īnia me ngā manu aute, ā, he mea hipoki ō rātou aho ki te kāpia me te karāhe i hurihia. Ka ngana ia kaitākaro ki te tapahi i te aho o tōna hoa whawhai. Ka rere te manu tukutuku kua wetekina ki runga i ngā tuanui; he tino ngahau te hopu. I a māua ko Uma i runga i te taupee, te āhua nei kāore e taea te tiki mai i tētahi manu tukutuku kua wetekina ki ō māua ringa; ka iri noa iho tōna aho ki runga i ngā tuanui.

I tīmata te whakataetae a ngā kaitākaro i tērā taha o te ara. Kotahi te aho i tapahia; i rere tonu mai te manu tukutuku ki taku taha. I tū tonu mō tētahi wā, nā te mea i memeha haere te hau, ā, i ranea hei here pūmau i te aho ki tētahi tipu kākati i runga i te whare i tērā taha. I hangaia he koropiko tino pai mō taku hopukanga. I hoatu e au te taonga ki a Uma.

"He aituā tino rerekē noa iho, ehara i te whakautu ki tāu inoi. Ki te tae mai te manu tukutuku kē ki a koe, kāti ka whakapono ahau." Ko ngā kanohi pōuri o te tuahine he nui ake te miharo i ana kupu.

I haere tonu aku inoi me te kaha whakaharahara. Nā te kukume kaha a te kaitākaro

kē atu i ngaro ohorere ai tana manu tukutuku. I anga mai ki ahau, e kanikani ana i te hau. Nā taku kaiawhina āwhina, te tipu kākati, i mau anō te aho manu tukutuku ki te koropiko e tika ana hei hopu māku. I hoatu e au taku tohu tuarua ki a Uma.

"Ae, e whakarongo ana te Whaea Tapu ki a koe! He mea whakamiharo rawa tēnei māku!" ka oma atu te tuahine, pērā i te kuao e matakū ana.

Taku A te whaea Mate Ā, Te Ngā mea ngaro Amulet

Taku whaea nui rawa hiahia i te te marena o taku kaumātua teina "Āe, āhea ahau tirohia te kanohi o

"E te wahine a Ananta, ka kitea e au te rangi i runga i tēnei ao!" He maha aku rongonga i a Māmā e whakapuaki ana i ōna kare ā-Īnia kaha mō te pumau tonu o te whānau.

Tekau mā tahi ōku tau i te wā i taumau ai a Ananta. I Calcutta a Māmā, e harikoa ana ki te tiro tiro i ngā whakaritenga mō te marena. Ko māua anake ko Pāpā i noho ki tō māua kāinga i Bareilly i te raki o Īnia, te wāhi i nekehia atu ai a Pāpā i muri i ngā tau e rua ki Lahore.

I kite ahau i mua i te ataahua o ngā kawa marena mō aku tuahine tokorua, a Roma rāua ko Uma; engari mō Ananta, hei tama matamua, he tino matatini ngā mahere. He maha ngā whanaunga i manaakihia e Māmā, e tae mai ana i ia rā ki Calcutta mai i ngā kāinga tawhiti. I manaaki ia i a rātou i roto i tētahi whare nui, hou i te 50 Amherst Street. Kua rite katoa ngā mea - ngā kai reka o te hakari, te torona harikoa e haria ai a Teina ki te kāinga o te wahine marena hou, ngā rarangi rama kanapa, ngā arewhana me ngā kamera kātene nunui, ngā tira waiata Ingarihi, Kōtimana me Īnia, ngā kaiwhakangahau ngaio, ngā tohunga mō ngā kawa tawhito.

I roto i te wairua harikoa, i whakamahere māua ko Pāpā ki te whakauru atu ki te whānau i te wā tika mō te hui whakanui. Heoi, i mua tata atu i te rā nui, ka pā mai he moemoeā whakamataku ki ahau.

I Bareilly i waenganui pō. I a au e moe ana i te taha o Pāpā i te marae o tō mātou whare iti, ka oho ake ahau i te haruru rerekē o te kupenga namu i runga i te moenga. Ka wetekina ngā ārai ngoikore, ā, ka kite ahau i te āhua aroha o tōku whaea.

"Whakaarahia tō pāpā!" He reo hāmama noa iho tōna. "Eke ki te tereina tuatahi e wātea ana, i te whā karaka i tēnei ata. Kia tere ki Calcutta mēnā ka kite koe i ahau!" Ngaro atu ana te āhua wairua.

"E Pāpā, e Pāpā! Kei te mate a Māmā!" I oho tonu ia i te matakū i roto i tōku reo. I tangi ahau i te rongonga i te rongo kino.

"Kaua e manukanuka ki taua moemoeā o roto i a koe." I whakakahoretia e Pāpā tētahi āhuetanga hou. "Kei te ora pai tō whaea. Ki te tae mai he rongo kino, āpōpō tātou e haere ai."

"E kore rawa koe e muru i a koe anō mō te kore e tīmata ināiane!" Nā te mamae ahau i kī atu ai me te kawa, "E kore rawa hoki ahau e muru i a koe!"

I puta mai te ata pouri me ngā kupu mārāma: "Kei te tino mate a Māmā; kua whakaroahia te marena; haere mai ināiane tonu."

I haere māua ko Pāpā me te pōrearea. I tūtaki mai tētahi o ōku matua kēkē ki a

māua i te huarahi i tētahi wāhi whakawhiti. I haruru mai tētahi tereina ki a māua, e tū mai ana me te piki haere o te tirohanga. Mai i taku ngangau o roto, ka puta ake he whakatau ohorere ki te peke atu ki runga i ngā ara rerewē. I te mea kua ngaro kē ahau i tōku whaea, i whakaaro ahau kāore e taea e au te tu atu ki tētahi ao kua korekore noa iho. I aroha ahau ki a Māmā hei hoa tino aroha ki te ao. Ko ōna kanohi mangu whakamarie ko taku piringa pono i roto i ngā aituā iti o te tamarikitanga.

"E ia engari anō ora?" ahau mutu mō kotahi whakamutunga pātai ki taku matua kēkē

"Ae, kei te ora ia!" Kāore ia i whakaroa ki te whakamārama i te pouri i roto i tōku mata. Engari kāore au i whakapono ki a ia.

I tō mātou taenga ki tō mātou kāinga i Calcutta, ko te mea anake i tūtaki ai mātou ki te mea ngaro whakamiharo o te mate. I hinga ahau ki te āhua tata kore ora. He maha ngā tau i pahure i mua i te taenga mai o tētahi houhanga rongo ki roto i tōku ngākau. I te pakarutanga atu i ngā kūaha o te rangi, ka karanga atu aku karanga ki te Whaea Tapu. Nā āna kupu i whakaora whakamutunga ōku patunga e pupuhi ana:

"Ko au tēnei i tiaki i a koe, i ia oranga, i ia oranga, i roto i te ngākau aroha o ngā whaea maha! Tirohia mai i roto i aku titiro ngā kanohi mangu e rua, ngā kanohi ataahua ngaro, e rapua nei e koe!"

I hoki māua ko Pāpā ki Bareilly i muri tata mai i te tahunga tinana mō te mea i arohaina. I ia ata, i ia ata, ka haere ahau ki tētahi haerenga whakamaumaharatanga pouri ki tētahi rākau *sheoli nui* e whakamarumarua ana i te tarutaru maeneene, kakariki-kōwhai i mua i tō mātou whare iti. I ngā wā rotarota, i whakaaro ahau kei te horapa ngā putiputi *sheoli mā* ki runga i te aata tarutaru me te aroha nui. I a au e whakaranu ana i ngā roimata me te tomairangi, ka kite pinepine ahau i tētahi māramatanga rerekē o te ao e puta mai ana i te ata. Ka tau mai ngā mamae nui o te hiahia ki te Atua ki ahau. I tino kukumea ahau ki ngā maunga o Himalaya.

I toro mai tētahi o ōku whanaunga, i muri i te haerenga i ngā pukepuke tapu, ki a mātou i Bareilly. I whakarongo puku ahau ki āna kōrero mō te nohoanga maunga teitei o ngā yogi me ngā swami. **2-1**

"Me rere tāua ki ngā maunga o Himalaya." I tetahi rā, kāore i pai te whakaaro o taku tono ki a Dwarka Prasad, te tama a tō mātou rangatira whenua i Bareilly. I whakakitea e ia taku mahere ki tōku tuakana, i tae mai nei ki te kite i a Pāpā. Engari i kata māriri ia mō tēnei mahi koretake a tētahi tamaiti nohinohi, i tino tawai mai a Ananta ki ahau.

"Kei hea ko tōu karaka kākahu? Koe kāore e taea kia he swami kāore tērā!"

Engari i tino harikoa ahau i āna kupu, kāore i te māranga. I puta mai he pikitia māranga mōku e kopikopiko haere ana i Īnia hei mōneka. Tērā pea i whakaarahia e rātou ngā maharatanga o tētahi ao o mua; ahakoa pēhea, ka tīmata ahau ki te kite me te ngāwari o taku mau i te kākahu o taua tikanga mōneka tawhito.

Taku whaea

He Ākonga o Rāhiri Mahasaya

"I mutu te mahi ki ahau i tō whaea." I tawhiti tonu ōna kanohi i te aroha mō te wā katoa. "Kāore au e whakaae ki ngā mahi a tētahi atu wahine."

Tekau mā whā marama i muri i te matenga o Māmā, ka rongo ahau kua waiho mai e ia tētahi karere nui ki ahau. I reira a Ananta i tōna moenga mate, ā, kua tuhia e ia āna kupu. Ahakoa i tono ia kia whakapuakina mai ki ahau i roto i te tau kotahi, i whakaroa taku tungāne. Kua tata ia te wehe atu i Bareilly ki Calcutta, ki te marena i te kōtiro i whiriwhiria e Māmā māna. 2-2 I tētahi ahiahi ka karanga ia i ahau ki tōna taha.

"E Mukunda, kua roa ahau e mangere ana ki te tuku atu i ngā kōrero tauhou ki a koe." He reo ngāwari te reo o Ananta. "Ko taku wehi kei whakaoho i tō hiahia ki te wehe atu i te kāinga. Engari ahakoa pēhea, kei te kī tonu koe i te ngākau nui o te Atua. I taku hopu i a koe i a koe e haere ana ki ngā maunga o Himalaya, ka tino whakatau ahau. Kaua e whakaroa i te whakatutuki i taku kupu whakaari tapu." I homai e tōku tungāne tētahi pouaka iti ki ahau, ā, i tukuna atu e ia te karere a Māmā.

"Kia waiho ēnei kupu hei manaakitanga whakamutunga māku, e taku tama aroha, e Mukunda!" te kī a te whaea. "Kua tae mai te wā e tika ana kia kōrerotia e au ētahi

huihuinga whakamiharo i muri i tō whānautanga. I mōhio tuatahi ahau ki tō ara i whakaritea i a koe e pēpi ana i roto i ōku ringa. I haria koe e ahau i taua wā ki te kāinga o taku tohunga i Benares. Tata huna i muri i te mano tini o ngā ākonga, kāore i taea e au te kite i a Lahiri Mahasaya i a ia e noho ana i roto i te whakaaroaro hohonu."

"I a au e pārekareka ana ki a koe, i inoi ahau kia kite mai te tohunga nui, kia homai he manaakitanga. I te kaha haere o taku tono karakia puku, ka whakatuwherahia e ia ōna kanohi, ā, ka karanga mai kia whakatata atu ahau. Nā ētahi atu i hanga he ara mōku; ka piko ahau ki ngā waewae tapu. Nā tōku ariki koe i whakanoho ki runga i tōna uma, me te whakatakoto i tōna ringa ki tō rae hei iriiri wairua i a koe."

"E te whaea, ka noho tāu tama hei yogi. Hei miihini wairua, ka haria e ia he tini wairua ki te rangatiratanga o te Atua."

"I harikoa tōku ngākau i te kitenga kua whakaaetia taku inoi ngaro e te tohunga matau-katoa. I mua tata atu i tō whānautanga, i kī mai ia ka aru koe i tana ara."

"I muri mai, e taku tama, i mōhiohia tō kitenga i te Māramatanga Nui e māua ko tō tuahine, e Roma, i te mea i kite māua i a koe e kore e nekeneke i runga i te moenga mai i te rūma i muri mai. I whakamāramahia tō mata iti; ko tō reo i tangi mai me te ngākau rino i a koe e kōrero ana mō te haere ki ngā maunga o Himalaya ki te rapu i te Atua."

"Nā ēnei ara, e tama, i mōhio ahau kei tawhiti tō ara i ngā wawata o te ao. Nā te huihuinga tino motuhake o tōku ao i kawe mai he whakaū anō - he huihuinga e akiaki ana i taku karere i te moenga mate. "

"He uiuinga tēnei ki tētahi tohunga i Punjab. I a tō mātou whānau e noho ana i Lahore, i tētahi ata ka tomo ohorere mai te pononga ki roto i tōku rūma."

"E te wahine rangatira, he rerekē *sadhu* **2-3** ko konei. Ia e tohe ana tērā ia "tirohia te whaea o "Mukunda."

"I pā mai ēnei kupu ngāwari ki roto i ahau; i haere tonu atu ahau ki te mihi ki te manuhiri. I a au e piko ana ki ōna waewae, ka kite ahau kei mua i ahau tētahi tangata pono a te Atua."

"E Māmā,' ka mea ia, 'e hiahia ana ngā rangatira nui kia mōhio koe kāore e roa tō noho ki te whenua. Ko tō mate e whai ake nei ko tō mate whakamutunga.' **2-4** I noho puku ahau, ā, i taua wā kāore au i rongo i te matakū engari he wiri o te rangimārie nui. Hei whakamutunga ka kōrero mai anō ia ki ahau:

"Ko koe te kaitiaki o tētahi taonga hiriwa. Kāore au e hoatu ki a koe i tēnei rā; hei whakaatu i te pono i roto i aku kupu, ka puta te taonga ki ō ringaringa āpōpō i a koe e whakaaroaro ana. I runga i tō moenga mate, me ako e koe tāu tama matamua, a Ananta, kia puritia te taonga mō te tau kotahi, kātahi ka tukuna ki tāu tama tuarua. Ka mārāma a Mukunda ki te tikanga o te taonga mai i ngā rangatira. Me whiwhi ia i te wā e rite ana ia ki te whakarērea ngā tumanakohanga katoa o te ao, ka tīmata tana rapunga nui ki te Atua. Kia mau tonu te taonga mō ētahi tau, ā, kia tutuki ai tana mahi, ka ngaro atu. Ahakoa ka puritia ki te wāhi tino ngaro, ka hoki mai anō ki

tōna pūtake."

"I tuku ahau i ngā mahi atawhai 2-5 ki te tangata tapu, ā, piko ana ki mua i a ia me te whakaute nui. Kāore i te tango i te he whakahere, ka haere atu ia me te manaakitanga. I te ahiahi i muri mai, i ahau e noho ana me ōku ringa kua piko ki te whakaaroaro, ka puta mai he taonga hiriwa i waenganui i ōku ringa, pērā i tā te *sadhu* i oati ai. ki roto te ngā ringa o te Mutunga kore. Haere rā, taku tamaiti; te Ao tūroa whaea ka tiaki koe."

I puta mai he mura o te māramatanga ki ahau me te pupuri i te amulet; he maha ngā maharatanga moe i ara ake. Ko te amulet, he porotaka, he tawhito, he mea whakapaipai, i kapi katoa i ngā reta Sanskrit. I mārāma ahau nō ngā kaiako o ngā oranga o mua, nā rātou i ārahi i ōku hikoinga. He tikanga anō tērā; engari kāore e taea te whakaatu katoa i te ngako o te amulet.

Kāore e taea te kōrero i roto i tēnei upoko mō te ngaromanga o te taonga i waenganui i ngā āhuetanga tino pōuri o tōku ao; ā, mō tōna ngaromanga i tohu i te whiwhinga o tētahi tohunga makutu i ahau.

Heoi, nā te mea i aukatia ngā ngana a te tamaiti nohinohi kia tae ki ngā maunga o Himalaya, ka haereere ia i tawhiti i ia rā, i ia rā, i runga i ngā parirau o tana taonga tuku iho.

Te Tapu Ki E rua Ngā Tinana

"E Pāpā, mēnā ahau kupu whakaari ki whakahoki kāinga kāore te akiaki, mei ahau tango he te mātakitaki haerenga ki "Ko Benares?"

Kāore i te maha ngā wā i aukatia ai e Pāpā taku aroha nui ki te haereere. I tukua ahau e ia, ahakoa he tamariki noa ahau, kia toro atu ki ngā tāone maha me ngā

wāhi haereere. I te nuinga o te wā, kotahi, neke atu rānei o ōku hoa i haere tahi mai me ahau; ka haere mātou me te whakamarie i runga i ngā urunga tuatahi i whakaratohia e Pāpā. Ko tana tūranga hei āpiha rerewē i tino pai ki ngā tāngata haereere o te whānau.

Matua i oatitia ki hoatu taku tono te utu whakaaro nui Te muri rā ia i karangatia ahau me puritia

i waho he haere hoki-mai pāhi mai i Bareilly ki Benares, he tau o rūpī ngā tuhipoka, me e rua ngā reta.

"He take pakihi tāku hei tonu marena mā tētahi hoa o Benares, a Kedar Nath Babu. Engari kua ngaro tōna wāhi noho. Engari ki taku whakaaro ka taea e koe te tuku atu i tēnei reta ki a ia mā tō tātou hoa noa, a Swami Pranabananda. Kua eke te swami, taku teina, ki tētahi taumata wairua teitei. Ka whai hua koe i tana noho tahi me koe; ko tēnei reta tuarua hei kupu whakataki māu."

A te Matua ngā kanohi kanapa hei ia tāpirihia, "Te hinengaro, kāore atu anō ngā rerenga mai i kāinga!"

I haere atu ahau me te hihiri o ōku tau tekau mā rua (ahakoa kāore te wā i whakaiti i tōku harikoa ki ngā tirohanga hou me ngā kanohi tauhou). I te taenga atu ki Benares, ka haere tonu ahau ki te whare o te swami. I tuwhera te tatau o mua; i haere atu ahau ki tētahi rūma roa, rite tonu ki te whare tira i te papa tuarua. He tangata pakari, he whitiki anake tōna, e noho ana i roto i te tūnga rōhi i runga i tētahi papa teitei ake. Ko tōna mahunga me tōna mata kāore i te mirohia he ma; he ataata harikoa e takaro ana i ōna ngutu. Hei whakakore i taku whakaaro kua uru atu ahau, ka mihi mai ia ki ahau me te mea he hoa tawhito.

" *Baba anand* (harikoa ki taku e aroha nei)." I tino mihi mai ia me te reo tamariki. I tuturi ahau, ka pā ki ōna waewae.

"Kei te koe Swami Pranabananda?"

I pōkaikaha ia. "Ko koe te tama a Bhagabati?" I puta mai ana kupu i mua i taku wā ki te tango i te reta a Pāpā i taku pōke. I te miharo, ka hoatu e au ki a ia te reta whakamōhio, he mea kāore e hiahiatia ana ināianei.

"Ae rā, ka kimihia e au a Kedar Nath Babu māu." I ohorere anō ahau i te tohunga tapu i tana matakite. I titiro ia ki te reta, ā, i kōrero aroha ia ki tōku mātua.

"E mōhio ana koe, e rua ngā penihana kei te whiwhi ahau. Ko tētahi nā te taunakitanga a tōu pāpā, nāna ahau i tonu i mua." i mahi i roto te rēriwe tari. Te ētahi atu ko nā te taunakitanga o taku Rangi "E te Matua, mōna i oti ai i ahau aku mahi o te ao nei i runga i te ngākau pono."

I kitea e au tēnei kōrero he tino pōuri. "He aha te momo penihana, e te rangatira, e whiwhi ana koe i te Matua i te Rangi? Ka maka moni ia ki roto i tō uma?"

Ka kata ia. "Ko te tikanga he penihana o te rangimārie mutunga kore - he utu mō ngā tau maha o te whakaaroaro hohonu. Kāore au e hiahia moni i nāianei. Kua ea katoa aku hiahia rauemi torutoru. Ā muri ake ka māranga koe ki te hiranga o te penihana tuarua."

I te mutunga ohorere o tā māua kōrero, ka noho pōuri te tangata tapu. Ka taupokina ia e te hau rite ki te sphinx. I te tīmatanga ka kanapa ōna kanohi, me te mea kei te kite i tētahi mea whakamere, kātahi ka memeha haere. I whakama ahau i tana kōrero poto; kāore anō ia kia kōrero mai ki ahau me pēhea taku tūtaki ki te hoa o Pāpā. Me te kore e māharahara, ka titiro ahau ki te rūma takoto kau, he takoto kau engari ko māua anake. Ka titiro mangere ahau ki ōna hu rakau, e takoto ana i raro i te nohoanga papaaho.

"E te rangatira, **3-1** "Kaua e manukanuka. Ka tae mai te tangata e hiahia ana koe kia kite i a koe i roto i te hawhe haora." I pānui te yogi i ōku hinengaro - he mahi kāore i te tino uaua i taua wā!

I hoki anō ia ki te wāhangu ngaro. I whakamōhio mai taku mātiti kua toru tekau meneti te roa. I ara ake te swami. "Ki taku whakaaro kei te tata atu a Kedar Nath Babu ki te tatau."

I rongo ahau i tētahi e piki ake ana i ngā arawhata. Ka ara ake te pōhēhē ohorere; ka rere ngā whakaaro i roto i te pōhēhē: "Me pēhea rā te karangatanga mai o te hoa o Pāpā ki tēnei wāhi me te kore he karere hei āwhina? Mai i taku taenga mai, kāore te swami i kōrero ki tētahi atu engari ko au anake!"

I puta whakarere atu ahau i te rūma, ā, i heke iho i ngā arawhata. I waenganui o te whare ka tūtaki ahau ki tētahi tangata kikokore, kiri mā, he roa waenga. Te āhua nei kei te hohoro ia.

"Kei te koe Ketara Nāti Pāpu?" Te harikoa tae taku reo.

"Āe. Ehara ianei koe i te tama a Bhagabati i tatari mai nei ki te whakatau i ahau?" Ātaata ana ia me te āhua hoahoa.

"E te Ariki, pēhea mahi koe tupu ki haere mai konei?" ahau whatu pōhēhē te riri i runga tāna kāore e taea te whakamārama te aroaro

"He mea ngaro ngā mea katoa i tēnei rā! Neke atu i te kotahi hāora ki muri, i mutu taku kaukau i te awa o Ganges i te wā i Swami Pranabananda whakatata atu ahau. ahau whai kāore whakaaro pēhea ia i mōhio ahau i i reira i tērā wā.

"Kei te tatari mai te tama a Bhagabati ki a koe i roto i tōku whare noho,' ka mea ia. 'Ka haere tahi tāua?' Ka whakaae harikoa ahau. I a māua e haere tahi ana, ka taea e te swami i roto i ōna hu rakau te tere ake i ahau, ahakoa he hu hikoi pakari ēnei i mau i ahau.

"Kia pēhea te roa e tae mai ai koe ki tōku kāinga?' I tū ohorere a Pranabanandaji ki te pātai mai i tēnei pātai ki ahau.

"Mō haurua he haora.

"He mahi anō tāku i tēnei wā.' Ka titiro pōuri mai ia ki ahau. 'Me waiho koe e ahau ki muri. Ka taea e koe te haere mai ki tōku whare, kei reira māua ko te tama a Bhagabati e tatari ana ki a koe.'"

"I mua i taku kaha ki te tautohe, ka oma tere atu ia i ahau, ka ngaro atu i roto i te

mano. I hikoi tere tonu ahau ki konei."

Tenei whakamārama anake kua piki ake taku pōhēhētanga ahau i uiuia pēhea roa ia i a mōhiotia te swami

"I tūtaki māua i ētahi wā i tērā tau, engari kāore i tata nei. I tino harikoa ahau ki te kite anō i a ia i tēnei rā i te *whare kaukau* ."

"Au kāore e taea whakapono taku ngā taringa! Am ahau ngaronga taku hinengaro? I mahi koe tūtaki ia i roto he tirohanga, rānei i mahi koe ina hoki

kite ia, pā tāna ringa, me whakarongo te oro o tāna waewae?"

"Kāore au i te mōhio he aha tāu e akiaki nei!" Ka whero tōna riri. "Kāore au e teka ana ki a koe. Kāore koe e mārama ana mā te Swami anake ahau i mōhio ai kei te tatari mai koe ki ahau i tēnei wāhi?"

"Āe, kāore anō taua tangata, a Swami Pranabananda, i ngaro atu i ahau mai i taku taenga mai i te haora kua taha ake nei." I kōrero pōuri ahau i te kōrero katoa.

I puare nui ōna kanohi. "Kei te noho tātou i tēnei ao rauemi, kei te moemoeā rānei? Kāore au i whakaaro ka kite ahau i tētahi merekara pēnei i roto i tōku ao! I mahara ahau he tangata noa iho tēnei swami, ā, ināianei "Ka kitea e au ka taea e ia te whakaputa i tētahi atu tinana, ā, ka taea e ia te whakaoti i taua tinana!" I haere tahi māua ki te rūma o te tangata tapu.

"Tirohia, ko ngā hū tonu ēnā i mau ai ia i te *ghat*," te kī a Kedar Nath Babu. "He whitiki anake tōna i kakahuria, pērā i taku e kite nei i a ia i nāianei."

Hei te manuhiri piko i mua i ia, te tapu tahuri ki ahau me he whakahihiri menemene.

"He aha koe i miharo ai ki tēnei mea katoa? Kāore te kotahitanga ngawari o te ao whakamiharo e huna ana i ngā yogi pono. Ka kite tonu ahau, ka kōrero ki aku ākonga i Calcutta tawhiti. Waihoki, ka taea e rātou te whiti i ngā arai katoa o te ao maori i runga i tā rātou e hiahia ai."

He ngana pea ki te whakaoho i te hihiri wairua i roto i tōku uma taitamariki i whakaititia ai ahau e te swami. ki kōrero ahau o tāna ngā mana o wheturangi reo irirangi me pouaka whakaata. 3-2 Engari engari i roto i te hihiri, i pā mai he wehi nui ki ahau. Nā te mea i whakaritea ahau kia rapu i taku atua mā roto i tētahi guru motuhake - a Sri Yukteswar, kāore anō kia tūtaki ahau ki a ia - kāore au i te hiahia ki te whakaae ki a Pranabananda hei kaiako māku. I titiro ruarua ahau ki a ia, me te whakaaro mēnā ko ia, ko tōna hoa mahi rānei i mua i ahau.

Swami Pranabananda
"Te Tapu Ki E rua Ngā Tinana"

He Whakanuia Ākonga o Rāhiri Mahasaya

I whai te rangatira ki te whakakore i tōku manukanuka mā te titiro whakaara i te wairua, me ētahi kupu whakahihiri mō tana guru.

"Rahiri Mahasaya i te nui rawa yogi ahau ake tonu atu i mōhio. Ia i Atuatanga Āe anō i roto te puka o kikokiko."

Me he mea ka taea e tētahi ākonga te whakaputa i tētahi atu āhua kikokiko i runga i tōku hiahia, he aha ngā merekara ka taea te aukati i tōna rangatira?

"Māku e kōrero atu ki a koe te utu nui o te āwhina a te tohunga. I whakaaroaro ahau me tētahi atu akonga mō ngā hāora e waru i ia pō. I mahi mātou i te tari tereina i te awatea. I te uaua o taku mahi i aku mahi tari, i hiahia ahau ki te whakatapua i tōku wā katoa ki te Atua. Mō ngā tau e waru i tohe tonu ahau, i whakaaroaro i te haurua o te pō. I puta mai he hua whakamiharo; i whakamāramahia tōku hinengaro e ngā tirohanga wairua whakaharahara. Engari he arai iti tonu i waenganui i ahau me te Mutunga Kore. Ahakoa te ngākau pono o te tangata, i kitea e au kua whakakahoretia te hononga whakamutunga e kore e taea te whakakore. I tētahi ahiahi i haere ahau ki Lahiri Mahasaya, ā, i inoi ahau mō tana inoi atua. I haere tonu aku tonu i te pō katoa.

"E te Karakia Āngera, kua tino mamae tōku wairua, ā, kāore e taea e au te tu atu ki te ao me te kore e tūtaki kanohi ki te kanohi ki te Aroha Nui!"

"He aha kēne ahau mahi? Koe me whakaaroaro atu anō tino hohonu.

"Kei te inoi atu ahau ki a Koe, e te Atua, e tōku Ariki! E kite ana ahau i a Koe e whakakite ana i tōku aroaro i roto i te tinana; manaakitia ahau kia kite ahau i a Koe i roto i Tō āhua mutunga kore!"

"I totoro atu te ringa o Lahiri Mahasaya me te tohu atawhai. 'Ka taea e koe te haere ki te whakaaroaro. Kua inoi ahau ki a Brahma mōu.' **3-3**

"I te mea kua hikitia ahau, ka hoki ahau ki tōku kāinga. I roto i te whakaaroaro i taua pō, ka tutuki te Whāinga mura o tōku ao. Ināianei kei te pārekareka tonu ahau ki te penihana wairua. Mai i taua rā kāore anō te Kaihanga Harikoa kia huna i ōku kanohi i muri i tētahi arai o te pohehe."

Ki tonu te mata o Pranabananda i te māramatanga atua. I uru mai te rangimārie o tētahi ao kē ki roto i tōku ngākau; kua ngaro katoa te wehi. I whakapono anō te tangata tapu.

"I muri i ētahi marama, ka hoki ahau ki Lahiri Mahasaya, ka ngana ki te mihi ki a ia mō tana homaitanga mai i te koha mutunga kore. Kātahi ka kōrero ahau mō tētahi atu mea."

"E te Guru Atua, kāore e taea e au te mahi i roto i te tari. Tukua ahau kia haere tonu. Kei te haurangi tonu ahau i a Brahma."

"Tonoa he penihana mai i tō kamupene."

"He aha te take ka hoatu e au, i te

tīmatanga o taku mahi minita?" "Kōrerotia

ō whakaaro."

"Te muri rā ahau i hangaia taku tono Te tākuta i uiuia te whenua mō taku wawe tono

"I te mahi, ka kite ahau i tētahi kare ā-roto tino kaha e ara ake ana i roto i tōku tuaiwi."

3-4 Ka horapa katoa ki roto i tōku tinana, kāore au e tika mō te mahi i aku mahi.

"Kāore he pātai anō, i tino taunaki te tākuta i ahau kia whiwhi penihana, ā, kāore i roa ka riro mai i ahau. E mōhio ana ahau i mahi te hiahia atua o Lahiri Mahasaya mā roto i te tākuta me ngā āpiha o te rerewē, tae atu ki tōu matua. I whakarongo aunoa rātou ki te tohutohu wairua a te tohunga nui, ā, i tuku i ahau kia ora i roto i te hononga pumau ki te Mea Aroha." **3-5**

I muri i tēnei whakakitenga whakamiharo, ka noho puku a Swami Pranabananda mō te wā roa. I a au e haere ana ki te whakatā, me te pā atu ki ōna waewae me te whakaute, ka manaaki ia i ahau:

"Kei te ara o te whakarērea me te yoga tō orange. Ka kite anō ahau i a koe, me tō matua, ā muri ake nei." Nā ngā tau i tutuki ai ēnei poropititanga e rua. **3-6**

I haere tahi māua ko Kedar Nath Babu i te pōuri e haere mai ana. I tukuna atu e au te reta a Pāpā, ā, i pānuihia e taku hoa i raro i te rama o te tiriti.

"E kī ana tō pāpā kia tangohia e au tētahi tūranga i te tari o tana kamupene tereina i Calcutta. He mea ahuaureka te tumanako ki tētahi o ngā penihana e whiwhi ana a Swami Pranabananda! Engari kāore e taea; e kore e taea e au te wehe atu i Benares. Āue, kāore anō kia rua ngā tinana mōku!"

3-1 : *Kōto Mahasaya* ko te wā nā e he tau o Īnia hunga tapu i arohia ahau. Ia whakamāori "iti e te rangatira."

3-2 I tōna ake ara, kei te whakaū te pūtaiao ā-tinana i te mana o ngā ture i kitea e ngā yogi mā te pūtaiao hinengaro. Hei tauira, he whakaaturanga tērā tāne kua pouaka whakaata ngā mana i i hoatu i runga Whiringa-ā-rangi 26, 1934 i te Kingi Te Whare Wānanga o Rōma. "I pēhi a Tākuta Giuseppe Calligaris, he ahurangi hinengaro-ira, i ētahi wāhi o te tinana o te tangata, ā, ka whakautu te tangata me ngā whakaahuatanga poto o ētahi atu tātanga me ngā mea i te taha kē o te pakitara. Taku I whakakorea Rererangi Ki te taha Te Himalayas

"Waiho tō akomanga i runga i tētahi take iti noa iho, ka whakaeke atu i tētahi kāreti iti. Tū ki te ara iti e kore ai tetahi o tōku whare e kite i a koe."

Koinei aku tohutohu whakamutunga ki a Amar Mitter, he hoa kura tuarua i whakaaro ki te haere tahi māua ki ngā maunga o Himalaya. I whiriwhiria e māua te rā e whai ake nei mō tā māua rerenga. I tika ngā mahi whakatūpato, i te mea i mataara tonu a Ananta. I whakatau ia ki te whakakore i ngā mahere mawhiti i whakapaetia e ia ko te mea nui rawa atu i roto i tōku hinengaro. Ko te amulet, pērā i te rewena wairua, i mahi puku i roto i ahau. I waenganui i ngā hukarere o Himalaya, i tumanako ahau ki te kimi i te rangatira nona te mata e puta pinepine mai ana ki ahau i roto i ngā moemoeā.

I Calcutta te kāinga o te whānau i tēnei wā, te wāhi i nekehia tūturutia ai a Pāpā. I runga i te tikanga a ngā tāne Inia, i kawea mai e Ananta tana wahine marena ki tō mātou kāinga, kei te 4 Gurpar Road ināiane. I reira, i roto i tētahi rūma iti i runga i te tuanui, ka whakaaroaro ahau i ia rā, ka whakarite i tōku hinengaro mō te rapunga atua.

I tae mai te ata whakamiharo me te ua nui. I te rongonga i te haruru o ngā wira o te waka a Amar i te huarahi, ka hohoro taku here i tētahi paraikete, i ētahi hu, i te pikitia a Lahiri Mahasaya, i tētahi kape o te *Bhagavad Gita*, he aho o ngā poroporo inoi, me ngā whitiki e rua. I makahia e au tēnei paihere mai i te matapihi o taku papa tuatoru. I oma ahau ki raro i ngā kaupae, ā, i taha atu i taku matua kēkē, e hoko ika ana i te tatau.

"He aha ko te te whakahihiri?" Tōna titiro haereere whakapae i runga taku tangata

I ataata atu ahau ki a ia, kātahi ka hikoi ki te ara iti. I te tikinga mai i taku putea, ka tūpato ahau ki a Amar. I peia atu mātou ki Chadni Chowk, he pokapū hokohoko. Mō ngā marama kua penapenahia e mātou te moni kai hei hoko kākahu

Ingarihi. I te mōhio ka taea e tōku tuakana atamai te mahi hei kaitirotiro, ka whakaaro mātou ki te tinihanga i a ia mā te kākahu Pākehā.

I a mātou e haere ana ki te teihana, ka tū mātou ki te taha o tōku whanaunga, a Jotin Ghosh, ko Jatinda taku ingoa. He tangata hou ia, e hiahia ana ki tētahi tohunga i ngā maunga o Himalaya. I kakahuria e ia te hūtu hou i a mātou e whakarite ana. I huna pai mātou, i tumanako mātou! I roto i ō mātou ngākau te harikoa nui.

"Ko tā mātou e hiahia ana inaiane i he hū kānawehi." I arahina e au ōku hoa ki tētahi toa e whakaatu ana i ngā hū rekereke rapa. "Ngā tuhinga o hiako, i whiwhi anake mā roto te patunga o ngā kararehe, me kia ngaro "I tēnei haerenga tapu." I tū ahau i te huarahi ki te tango i te taupoki hiako o taku *Bhagavad Gita*, me ngā whitiki hiako o taku sola topee (pōtae) i hangaia i Ingarangi.

I te teihana i hokona e mātou he tīkiti ki Burdwan, ā, i reira ka whakamahere mātou ki te whakawhiti ki Hardwar i te taha o ngā puke o te Himalaya. I te tīmatanga o te rere o te tereina, pērā i a mātou anō, ka whakapuaki ahau i ētahi o aku tumanako whakahīhi.

"Whakaarohia!" ka puaki taku ihu. "Ka whakatōkia tātou e ngā rangatira, ā, ka wheako i te wairua pōuri o te hinengaro ao. Ka whakakīia ō tātou kikokiko ki te aukume nui, ā, ka whakatata mai ngā kararehe mohao o ngā Himalayas ki a tātou. Ka rite noa ngā taika ki ngā ngeru whare ngāwari e tatari ana ki ā tātou mirimiri!"

Nā tēnei kōrero—he whakaahua i tētahi tirohanga i whakaarohia e au he mea whakamīharo, i roto i te kupu whakarite me te kupu tūturu—i puta ai te ataata hihiri mai i a Amar. Engari i tahuri ke atu a Jatinda i tana titiro, ka anga atu mā te matapihi ki te whenua e oma haere ana.

"Kia toru ngā wāhanga o te moni." I mutu te wahangu a Jatinda me tēnei whakaaro. "Me hoko e tātou katoa tāna ake tīkiti i Burdwan. Nō reira, kāore tetahi i te teihana e whakaaro kei te oma tahi tātou."

I whakaae ahau, kāore i te whakaaro nui. I te ahiahi ka tū tō mātou tereina ki Burdwan. I tomo a Jatinda ki te tari tiki; i noho māua ko Amar ki runga i te papa. Tekau mā rima meneti māua i tatari ai, kātahi ka pātai atu, kāore i whai hua. I a mātou e rapu ana i ngā taha katoa, ka karanga mātou i te ingoa o Jatinda me te matakū nui. Engari kua memeha haere ia ki roto i te pōuriuri e karapoti ana i te teihana iti.

I tino ohorere ahau, ā, i tino ngoikore ahau. Kia whakaae mai te Atua ki tēnei wā pouri! I tino pōrearea te wā aroha o taku rerenga tuatahi i whakaritea kia whai i a Ia.

"E Amar, me hoki tāua ki te kāinga." I tangi ahau pērā i te tamaiti. "He tohu kino te wehenga arohakore o Jatinda. Kua takoto te tikanga kia hinga tēnei haerenga."

"Ko tēnei tōu aroha mō te E te Ariki? Kāore e taea koe tū te iti whakamātautau o he tinihanga hoa noho?"

Nā te whakaaro a Amar mō tētahi whakamātautau atua, ka tau te ngākau. I

whakahoutia e mātou a mātou anō ki ngā mīti reka Burdwan rongonui, *ki te sitabhog* (kai mā te atua wahine) me *te motichur* (ngā nati pērara reka). I roto i ētahi haora, ka eke mātou ki Hardwar, mā Bareilly. I te whakawhiti tereina i Moghul Serai, ka kōrero mātou mō tētahi take nui i a mātou e tatari ana i runga i te tūāpapa.

"E Amar, tērā pea ka uiuitia tatatia tāua e ngā āpiha o te rerewē. Kāore au e whakaiti ana i te pūkenga o tōku tungāne! Ahakoa te mutunga, e kore au e kōrero teka."

"Katoa ahau pātai o koe, Mukunda, ko ki pupuri tonu. Kaua kata rānei menemene i te wā ahau am e kōrero ana."

I taua wā tonu, ka whakatata mai tētahi āpiha teihana Pākehā ki ahau. Ka tawhiri mai ia i tētahi waea, ā, ka mārama tonu ahau ki tōna tikanga.

"Kei te koe oma atu mai i kāinga i roto te riri?"

"Kāo!" I harikoa ahau nā āna kupu i whiriwhiri ai ahau i āhei ai ki te whakautu mārama. Ehara i te riri engari ko te "pōuri nui rawa atu" te take, i mōhio ahau, mō aku whanonga rerekē.

Kātahi ka tahuri te āpiha ki a Amar. Nā te pakanga whakaaro nui i whai ake, kāore i taea e au te pupuri i te whakaaro taumaha, te whakaaro pōuri i tohutohuhia e au.

"Kei hea te tama tuatoru?" Ka whakatangihia e te tangata te reo mana ki roto i tōna reo. "Haere mai; kōrerotia te pono!"

"E te Ariki, kua kite ahau kei te mau koe i ngā mōhiti kanohi. Kāore koe e kite ana ko tāua tokorua anake?" Ka menemene whakahihi a Amar. "Ehara ahau i te tohunga makutu; kāore e taea e au te karanga i tētahi atu hoa."

I tino āwangawanga te āpiha i tēnei whakahihi, ā, ka rapu ia i tētahi atu wāhi whakaeke. "Ko wai tō ingoa?"

"Ko Tāmati tōku ingoa. He tama ahau nā tētahi whaea Ingarihi, ā, he matua Īniana kua tahuri ki te whakapono Karaitiana." "Ko wai te ingoa o tō hoa?"

"Au waea ia "Thompson."

I tēnei wā kua eke te harikoa o roto ki tōna taumata teitei; i haere noa ahau ki te tereina, me te whiowhio mō te wehenga. I whai mai a Amar me te āpiha, he tangata whakapono, he tangata ngāwari hoki. kia whakanohoia mātou ki tētahi wāhanga Pākehā. I tino mamae ia i te whakaaro ki ngā tama tāne e rua, he haurua-Ingarihi, e haereere ana i te wāhanga i whakaritea mō ngā tāngata whenua. I muri i tana putanga mārire, ka takoto ahau ki runga i te nohoanga, ka kata nui. I whakaatu taku hoa i te harikoa me te harikoa i te tinihanga i tētahi āpiha Pākehā tawhito.

I runga i te papaaho i whakaaro ahau ki te pānui i te waea. Nā tōku tuakana, i penei te kōrero: "Tokotoru ngā tama tāne Bengali i roto i ngā kākahu Ingarihi e oma atu ana i te kāinga ki Hardwar mā Moghul Serai. Tēnā puritia rātou kia tae mai rā anō ahau. He utu nui mō ā koutou mahi."

"E Amar, i kī atu ahau ki a koe kia kaua e waiho ngā rārangi wā kua tohua ki

roto i tō whare." I titiro whakahe ahau. "Mehemea kua kitea e te tuakana tētahi i reira."

I whakama taku hoa ki te whakaae i te pana. I tū mātou mō te wā poto ki Bareilly, te wāhi i reira a Dwarka I tatari mai a Prasad ki a mātou me te waea mai i a Ananta. I ngana maia taku hoa tawhito ki te pupuri i a mātou; i whakatenatena ahau i a ia kāore i ngāwari te whakahaere i tā mātou rerenga. Pērā i tētahi wā o mua, ko Dwarka

i whakakahoretia taku pōwhiri ki whakatakotoria whakamua ki te Himalayas.

I a mātou e tū ana i te teihana i taua pō, ā, e moe ana ahau, ka whakaarahia a Amar e tētahi atu āpiha e pātai ana. I pāngia hoki a Amar e te ataahua o "Thomas" me "Thompson." I haria mātou e te tereina ki te taenga mai o te ata ki Hardwar. I tū mai ngā maunga whakahihī i tawhiti, he mea whakamīharo. I oma tere mātou i roto i te teihana, ā, ka tomo ki te herekoretanga o te mano tini o te tāone. Ko tā mātou mahi tuatahi ko te huri i ō mātou kākahu taketake, i te mea kua uru atu a Ananta ki roto i tō mātou āhua Pākehā. I taumaha te whakaaro kei te hopukina ahau.

I te mea he mea tika kia wehe atu i Hardwar i tēnei wā tonu, ka hokona e mātou he tīkiti hei haere ki te raki ki Rishikesh, he whenua kua roa nei e whakatapua ana e ngā waewae o ngā rangatira maha. Kua eke kē ahau ki te tereina, ko Amar ia i whakaroa i runga i te papaaho. I tū ohorere ia i te karanga a tetahi pirihiimana. Nā tō mātou kaitiaki kāore i manakohia mātou i arahi ki tētahi whare iti o te teihana, ā, i riro i a ia te tiaki i ā mātou moni. I whakamārama mai ia me te ngākau māhaki ko tana mahi he pupuri i a mātou kia tae mai rā anō tōku tuakana.

Te ako tērā te ngā tamariki e haere ana ki waho ūnga i a kua te Himalayas, te āpiha e pā ana he rerekē kōrero

"E kite ana ahau kei te porangi koe ki te hunga tapu! E kore rawa koe e tūtaki ki tētahi tangata nui atu i te Atua i kite ahau." inanahi noa iho. I tūtaki tuatahi māua ko taku tungāne āpiha ki a ia i ngā rā e rima kua pahure. I a mātou e tirotiro haere ana i te taha o te awa o Ganges, e tirotiro ana i tētahi kaikōhuru. Ko ā mātou tohutohu he hopu i a ia, ahakoa ora, ahakoa mate. I mōhioia ia e whakaahua ana i a ia anō he *sadhu* hei pahua i ngā manene. I mua tata atu i a mātou, ka kite mātou i tētahi āhua e rite ana ki te whakaahuatanga o te tangata hara. Kāore ia i aro ki tā mātou whakahau kia mutu; ka oma mātou ki te hinga i a ia. I te whakatata atu ki tōna tuara, ka mau taku toki me te kaha nui; kua motu katoa te ringa matau o te tangata i tōna tinana.

"Kāore he tangi, he titiro rānei ki te patunga whakamataku, ka haere tonu te tangata tauhou i tana tere me te miharo. I a mātou e peke ana ki mua i a ia, ka kōrero mārie ia."

"Au am kāore te kaikōhuru koe kei e rapu ana.

"I tino whakama ahau i te kitenga kua whara ahau i te tangata o tētahi tohunga ahua atua." i mua i ōna waewae, ka inoi ahau ki a ia kia murua mai ōku hara, ā, ka tukua atu e ahau taku potae hei whakamutu i ngā rerenga toto nunui.

"E tama, he hē noa iho tēnā nāu.' Ka titiro atawhai mai te tangata tapu ki ahau. 'Rere atu, kaua e whakahe i a koe anō. Kei te tiaki ahau i te Whaea Aroha.' Ka panaia e ia tōna ringa e iri ana ki roto i te pūtake, ā, nā! ka piri tonu; ka mutu te

rere o te toto, kāore i te mārāma.

"Haere mai ki ahau i raro i te rākau i roto i ngā rā e toru, ā, ka kite koe kua ora rawa ahau. Nō reira, e kore koe e pouri."

"Inanahi, i haere māua ko tōku teina āpiha ki te wāhi kua tohua. I reira te *sadhu* , ā, i tukua māua kia tirohia tōna ringa. Kāore he koha, he tohu whara rānei i puta mai!"

"Au am e haere ana mā roto Rīhikehi ki te Himalayan ngā mokemoke. Ia manaakitia mātou hei ia kua wehe atu tere tonu. ahau

te rongo tērā taku ora kua kua whakateiteitia mā roto tāna te tapu."

I mutu te kōrero a te āpiha me te whakapūtanga karakia; i tino nekehia ia e tana wheako ki tua atu i ōna hohonutanga noa. Me te tohu whakamiharo, ka homai e ia ki ahau he tapahi tānga mō te merekara. I roto i te āhua pōhēhē o te momo nūpepa whakahihiri (kāore i ngaro, aue! ahakoa i Inia), he paku whakanuia te putanga a te kairīpoata: i tohu i te mea *kua* tata tonu te motu o te upoko!

I tangi māua ko Amar mō te ngaronga o te yogi nui i taea te muru i te hara o tōna kaitukino i roto i te huarahi rite ki tā te Karaiti. Ahakoa te rawakore o Īnia i ngā rautau e rua kua pahure ake nei, he taonga atua tonu tōna; i ētahi wā ka tūtaki pea ki ngā "whare teitei" wairua i te taha o te ara, tae noa ki ngā tāngata o te ao pēnei i tēnei pirihimana.

I mihi mātou ki te āpiha mō te whakamama i tō mātou hoha ki tana kōrero whakamiharo. Tērā pea i kī ia he nui ake tōna waimarie i a mātou: i tūtaki ia ki tētahi tangata tapu kua whakamāramatia, kāore he uaua; kua mutu tā mātou rapunga pono, ehara i te mea i ngā waewae o tētahi rangatira, engari i roto i tētahi teihana pirihimana kino!

I tata tonu ahau ki ngā maunga o Himalaya, ā, i roto i tō mātou hereheretanga tae noa mai ki tēnei wā, ka kōrero ahau ki a Amar kua rua ngā whakaaro e hiahia ana ahau ki te rapu herekore.

"Kia mawhiti tāua ina puta he wā. Ka taea e tāua te haere mā raro ki Rishikesh tapu." Ka menemene ahau me te whakatenatena.

Engari i te tangohanga o te pūtea i a māua, ka huri tōku hoa hei tangata pouri.

"Mehemea ka tīmata tātau i tētahi hikoi i runga i tētahi ngahere morearea pēnei, me mutu tātau, kaua i te tāone o te hunga tapu, engari i roto i ngā puku o ngā taika!"

I tae mai te tungāne o Ananta rāua ko Amar i muri i ngā rā e toru. I mihi aroha a Amar ki tōna whanaunga. Kāore au i rongo i te pai o taku noho; kāore he mea i riro mai i a Ananta i ahau, he riri nui.

"E mārāma ana ahau ki ō kare ā-roto." I kōrero whakamarie mai tōku tungāne. "Ko tāku noa e tono atu nei kia haere tahi māua ki Benares kia tūtaki ki tētahi tangata tapu, ā, kia haere tonu ki Calcutta kia toro atu ki tō matua e pouri ana mō ētahi rā. Kātahi ka taea e koe te tīmata anō i tāu rapunga i tētahi rangatira i konei."

I uru atu a Amar ki te kōrero i tēnei wā hei whakakore i tana hiahia ki te hoki tahi ki Hardwar. I te pai ki a ia te mahana o te whānau. Engari i mōhio ahau e kore rawa ahau e whakarērea te rapu i taku guru.

Tō mātou pāti kua mau mō Benares. I reira ahau i a he takitahi me inamata whakautu ki taku ngā inoi.

I whakaritea e Ananta tētahi mahere mohio. I mua i tana kitenga i ahau i Hardwar, i tū ia ki Benares ki te tono ki tētahi tohunga karaipiture kia uiuitia ahau i muri mai. I oati te tohunga me tana tama ki te āwhina i ahau ki te ārai i te ara o te *sannyasi*. ~~4-~~

I haria ahau e Ananta ki tō rāua kāinga. I mihi mai te tama, he taitama harikoa, ki ahau i te marae. I whaikōrero roa ia ki ahau mō tētahi kaupapa whakaaro. I te mea he mōhio matakite tana mō tōku heke mai, i whakahē ia i taku whakaaro he mōneka ia.

"Ka tūtaki tonu koe ki te aituā, ā, e kore e kitea e koe te Atua, ki te tohe tonu koe ki te whakarērea ō kawenga noa! Kāore e taea e koe te mahi i ō karma o mua **4-2** me te kore he wheako o te ao."

Ka puta ake ngā kupu ora tonu a Krishna ki ōku ngutu hei whakautu: "Ahakoa ko ia he kino rawa te karma e whakaaroaro tonu ana ki ahau, ka tere te ngaro o ngā pānga o āna mahi kino o mua. I a ia e noho whakahīhī ana, ka tere tana whiwhi i te rangimārie pumau. E Arjuna, kia tino mōhio koe ki tēnei: ko te tangata e whakawhirinaki ana ki ahau, e kore rawa ia e ngaro!" **4-3**

Engari nā ngā tohu kaha a te taitama i whakakorikori i tōku whakapono. Me te kaha o tōku ngākau i inoi puku ahau ki te Atua:

"Tena koa whakaotia taku pōhēhētanga, ā, whakautua mai ahau, i konei tonu, ināianei tonu, ki te mea e pai ana koe kia noho ahau i te orange o te tangata whakarērea, o te tangata ao rānei!"

I kite ahau i tētahi *sadhu* kanohi rangatira e tū ana i waho noa i te pā o te whare o te tohunga. I rongo pea ia i te kōrero hihiri i waenganui i te matakite me ahau, nā te mea i karanga mai te tangata tauhou ki ahau ki tōna taha. I rongo ahau i te mana nui e rere ana mai i tōna marino. ngā kanohi.

"E tama, kaua e whakarongo ki taua kuware. Hei whakautu i tāu inoi, e mea mai ana te Ariki kia whakaū ahau ki a koe ko tō ara anake i tēnei ao ko te ara o te tangata whakarērea."

Ki miharo hei puna hei te whakawhetai, ahau menemene harikoa i tēnei whakatau karere.

"Haere atu i taua tangata!" te karanga mai a te "kuware" i te marae. I ara ake te ringa o taku kaiārahi tapu hei manaaki, ā, ka haere māriri atu.

"He rite tonu te porangi o taua *sadhu* ki a koe." Nā te tohunga mahunga hina tēnei tirohanga ataahua. I titiro pōuri mai rāua ko tana tama ki ahau. "I rongo ahau kua wehe atu hoki ia i tōna kāinga ki te rapu i te Atua."

I tahuri atu ahau. Ki a Ananta i kī atu ahau kāore au e whai wāhi atu ki te kōrero ki ō mātou kaihautū. I whakaae tōku tungāne kia haere tonu mātou; kāore i roa ka haere mātou ki Calcutta.

ahau tū i muri taku kaumātua teina, Ānata.

Ko te Hakari Rā Whakamutunga i whakanuia e Sri Yukteswar, Hakihea, 1935. Kei waenganui taku Guru e noho ana; kei tōna matau ahau, i te marae nui o tōna whare karakia i Serampore.

"E te Kaitirotiro, me pēhea koe i kite ai kua oma māua ko ētahi hoa tokorua?"
I tukuna e au taku hiahia nui ki a Ananta i a māua e hoki ana ki te kāinga.
Ātaata ana ia me te whanoke.

"I tō kura, i kitea e au kua wehe atu a Amar i tana akomanga, kāore anō kia hoki

mai. I haere ahau ki tōna kāinga i te ata i muri mai, ā, i kitea e au he rārangi wā
kua tohua. I te haere noa atu te pāpā o Amar."

waka me i kōrero ki te kaiārahi

"Kāore taku tama e eke tahi māua ki tana kura i tēnei ata. Kua ngaro atu ia!"
te aue a te pāpā."

"I rongo ahau i tētahi kaiārahi teina, e kī ana, i eke tō tama me ētahi atu tokorua, he hūtu Pākehā ō rātou, ki te tereina i te Teihana o Howrah,' te kī a te tangata. 'I hoatu e rātou ō rātou hu hiako hei koha ki te taraiwa tekesei.'"

"Nō reira ahau i a toru ngā tohu-te wātaka, te tokotoru o ngā tama, me te Ingarihi ngā kākahu."

I whakarongo ahau ki ngā kōrero a Ananta me te harikoa me te riri. Kāore i tino tika tō mātou atawhai ki te kaiārahi!

"Ae ra, i tere tonu ahau ki te tuku waea ki ngā āpiha o te teihana i ngā tāone katoa i whakarārangihia e Amar i roto i te rārangi wā. I tirohia e ia a Bareilly, nō reira i waea atu ahau ki tō hoa a Dwarka ki reira. Whai muri i ngā uiuinga i roto i tō mātou rohe o Calcutta, i rongo ahau i ngaro te whanaunga a Jatinda i tētahi pō engari i tae mai ki te kāinga i te ata i muri mai i roto i ngā kākahu Pākehā. I rapu ahau i a ia, ā, i karanga atu ahau i a ia ki te tina. I whakaae ia, me te kore e aro ki taku āhua hoa. I a au e haere ana, ka arahina e au ia ki tētahi teihana pirihihama, kāore i te mōhiotia. I karapotia ia e ētahi āpiha i whiriwhiria e au i mua mō ō rātou āhua nanakia. I raro i ō rātou titiro whakamataku, i whakaae a Jatinda ki te whakamārama i ana whanonga ngaro."

"I tīmata ahau ki te haere ki ngā maunga o Himalaya me te wairua harikoa,' tana whakamārama. 'I whakakīia ahau e te hihiri i te whakaaro ka tūtaki ahau ki ngā rangatira. Engari i te wā tonu i kī ai a Mukunda, 'I a mātou e harikoa ana i roto i ngā ana o Himalaya, ka miharo ngā taika, ka noho ki te taha o mātou pērā i ngā ure ngawari,' ka tio taku wairua; ka puta mai ngā pata werawera i tōku rae. 'Ā, he aha rā?' i whakaaro ahau. 'Ki te kore e whakarerekētia te āhua nanakia o ngā taika mā te mana o tō mātou wairua wairua, ka atawhai mai rātou i a mātou ki te atawhai o ngā ngeru whare?' I roto i tōku hinengaro, kua kite kē ahau i ahau anō hei tangata noho pūmau o te puku o tētahi taika - e tomo ana ki reira, ehara i te mea ko te tinana katoa te mea e tomo ana, engari mā ngā wāhanga o ōna wāhanga maha!'"

I memeha haere taku riri mō te ngaromanga o Jatinda i roto i te kata. Ko te kiriata whakakatakata i muri mai i runga i te tereina i tika mō te mamae katoa i pā mai ki ahau. Me whakaae ahau he iti nei te harikoa: kāore hoki a Jatinda i mawhiti i te tūtakitanga ki ngā pirihihama!

"Ananta, ~~4-4~~ "He kuri tiro tiro koe i whānau mai!" Kāore i kore he riri i roto i taku titiro whakakatakata. "Ā, māku e kī atu ki a Jatinda e koa ana ahau kāore ia i akiakihia e te wairua tinihanga, e ai ki te āhua, engari nā te hinengaro tupato o te tiaki i a ia anō!"

I te kāinga i Calcutta, i tono aroha mai a Pāpā kia kaua e haereere noa tae noa ki te mutunga o aku akoranga kura tuarua. I a au e ngaro ana, i whakatakoto aroha ia i tētahi mahere mā te whakarite i tētahi tohunga tapu, a Swami Kebalananda, 4-5. kia haere mai ki te whare i ngā wā katoa.

"Te tohunga ka kia tōu Sanskrit kaiako," taku matua i panuitia me te māia.

Matua i tumanakohia ki whakamātau taku whakapono ngā wawata nā ngā tohutohu mai i he i ako tohunga whakaaro Engari i huri mārīre ngā tūāpapa: ko taku kaiako hou, i tawhiti atu i te tuku i ngā mea ngoikore hinengaro, i whakaoho i ngā mura o taku wawata-Atua. Kāore i te mōhiotia e te Matua, ko Swami Kebalananda he ākonga whakahīhi nā Lahiri Mahasaya. He mano tini ngā ākonga o te tohunga tino pai, ā, i kukume puku atu ki a ia. nā te kaha o tōna aukume atua. I muri mai ka ako ahau he maha ngā wā i whakaahua ai a Lahiri Mahasaya i a Kebalananda hei *rishi*, hei tangata mārāma rānei.

I karapotia te mata ātaahua o taku kaiako e ngā makawe miro ataahua. He māia ōna kanohi pouri, he mārāma, he rite ki te kanohi o te tamaiti. Ko ngā nekehanga katoa o tōna tinana pakupaku i tohuhia e te whakaaroaro marino. He ngawari, he aroha tonu, ā, i mau tonu ia i roto i te hinengaro mutunga kore. He maha o ā mātou hāora harikoa i pau i roto i te whakaaroaro hohonu *Kriya*.

He tohunga rongonui a Kebalananda mō ngā *shastra tawhito*, arā, ngā pukapuka tapu: nā tōna mātauranga i tapaina ai ia ko "Shastri Mahasaya," te taitara e karangatia ana ia. Engari kāore i tino kitea taku ahunga whakamua i roto i te mātauranga Sanskrit. I rapu ahau i ngā whai wāhitanga katoa ki te whakarērea te wetereo noa, me te kōrero mō te yoga me te Lahiri Mahasaya. I whakaae mai taku kaiako i tētahi rā mā te kōrero mai i tētahi mea mō tōna ake orange me te rangatira.

"Onge noa iho waimarie, ahau i āhei ki noho tonu tata Rāhiri Mahasaya mō tekau ngā tau Tōna Benares Ko te kāinga taku whāinga mō te haerenga tapu i ia pō. I reira tonu te guru i roto i tētahi rūma iti o mua i te papa tuatahi. I a ia e noho ana i roto i te tūnga rōhi i runga i tētahi nohoanga rakau kāore he tuara, ka whakapaipaihia ia e āna ākonga ki te haurua porowhita. Ka kanapa ōna kanohi, ka kanikani i te harikoa o te Atua. He haurua tonu te katia, e titiro ana mā roto i te porowhita karu o roto ki roto i tētahi porowhita o te harikoa mutunga kore. Kāore ia i te tino kōrero roa. I ētahi wā ka aro atu tana titiro ki tētahi ākonga e hiahia ana ki te āwhina; ka ringihia ngā kupu whakaora pērā i te rerenga mārāma.

"I puāwai mai te rangimārie e kore e taea te kōrero i roto i ahau i te tirohanga a te rangatira. I whakakīia ahau e tōna kakara, me te mea nō te putiputi rēmana o te mutunga kore. Ko te noho tahi me ia, ahakoa kāore he kōrero mō ngā rā, he wheako i whakarerekē i tōku ao katoa. Mēnā ka ara ake tētahi ārai e kore e kitea i te ara o I roto i taku arotahi, ka whakaaroaro ahau ki ngā waewae o te guru. I reira ka ngāwari te hopu i ngā āhua ngoikore rawa. Kāore au i kite i ēnei tirohanga i te aroaro o ngā kaiako iti iho. He temepara ora te rangatira nō te Atua, ā, i tuwhera ngā tatau ngaro ki ngā ākonga katoa mā te aroha.

"Ehara a Lahiri Mahasaya i te kaiwhakamāori pukapuka o ngā karaipiture. Kāore he uaua ki a ia te ruku ki roto i te 'whare pukapuka atua.' I pupū ake te pahuka o

ngā kupu me te pupuhi o ngā whakaaro mai i te puna o tōna mōhiotanga katoa. I a ia te clavis whakamiharo i iriti i te pūtaiao rapunga whakaaro hohonu i whakauruhia ki roto i ngā *Veda i ngā tau kua pahure ake nei* . **4-6** Mēnā ka tonoa ia kia whakamārama i ngā momo taumata o te hinengaro i whakahuatia i roto i ngā tuhinga onamata, ka menemene ia ka whakaae.

""Ka pāngia ahau e aua āhua, ā, ka kōrerotia atu e au ki a koe taku e kite nei.' Nō reira, he tino rerekē ia i a ia te ngā kaiako ko wai tuku karaipiture ki mahara me kātahi hoatu whakamua kāore i tutuki ngā whakarāpopototanga.

""Tena koa whakamāramahia ngā whiti tapu ina puta te tikanga ki a koe.' He maha ngā wā ka hoatu e te tohunga puku tēnei tohutohu ki tētahi ākonga e tata ana. 'Māku e ārahi ō whakaaro, kia tika ai te whakamaoritanga.'

i whakapuakina.' Pēnei i tuhia ai ngā tirohanga a Lahiri Mahasaya, me ngā whakamārama maha a ngā ākonga.

"Kāore te rangatira i tohutohu i te whakapono pononga. 'He angaanga noa iho ngā kupu,' tana kī. 'Whiwhia te whakapono ki te aroaro o te Atua mā roto i tō ake hononga harikoa i roto i te whakaaroaro.'"

"Kāo mea he aha te ākonga raruraru, te tohunga i tohutohuhia *Kiria Yoga* mō tōna otinga.

"E kore te kī yoga e ngaro tōna whai huatanga ina kore ahau e noho ki te tinana hei ārahi i a koe. Kāore e taea te here, te whakakōpiri, me te wareware i tēnei tikanga, i runga i te āhua o ngā whakaaweawe ariā. Me haere tonu i tō ara ki te whakaoranga mā *Kriya*, ko tōna mana kei roto i te mahi."

"Ki ahau nei, ko *Kriya* te taputapu whakaora tino whai hua mā te mahi whaiaro kua whanakehia i roto i te rapunga a te tangata mō te Mutunga Kore." I mutu a Kebalananda me tēnei whakaaturanga pono. "Mā te whakamahinga, ko te Atua mana nui, e huna ana i roto i ngā tātanga katoa, i whakakikoruatia ki te kikokiko o Lahiri Mahasaya me ētahi o āna ākonga."

I te aroaro o Kebalananda i puta ai tētahi merekara rite ki tā te Karaiti nā Lahiri Mahasaya. I tētahi rā, ka kōrerotia e taku kaiako tapu te kōrero, me ōna kanohi e matara atu ana i ngā tuhinga Sanskrit i mua i a mātou.

"Nā te akonga matapo, nā Ramu, ahau i whakaoho. Me kore ianei e mārama ōna kanohi, i a ia e mahi pono ana ki tō tātou ariki, e mura ana te Atua i roto i a ia? I tētahi ata ka ngana ahau ki te kōrero ki a Ramu, engari i noho ia mō ngā hāora manawanui e whakapūmau ana i te guru ki tētahi *punkha rau nikau i hangaia e te ringa*. I te putanga atu o te tangata karakia i te rūma, ka aru ahau i a ia."

"Ramu, pēhea roa whai koe kua matapo?

"Mai i tōku whānautanga mai, e te rangatira! Kāore anō ōku kanohi kia

"I te aonga ake ka whakatata māia a Ramu ki a Lahiri Mahasaya. I tata whakama te akonga ki te tono kia tāpirihia te taonga tinana ki tōna taonga wairua."

"E te Ariki, kei roto i a koe te Kaiwhakamārama o te ao tūroa. Kei te inoi atu ahau kia kawea mai e koe Tōna māramatanga ki roto i ōku kanohi, kia kite ai ahau i te kanapa iti o te rā."

"E Rāmu, kua whakangawari tetahi ki te whakanoho i ahau ki tētahi tūranga

uaua. Kāore he mana whakaora i ahau.' "'E te Ariki, ka taea e te Mutunga

"He rerekē rawa tēnā, e Rāmu. Kāore he rohe o te Atua! Ko ia te kaiwhakakā i ngā whetū me ngā pūtau kikokiko ki te kanapa ora ngaro - ka taea e ia te kawē mai i te kanapa o te tirohanga ki roto i ō kanohi."

"I pā te rangatira ki te rae o Ramu i te pito i waenganui i ngā tukemata. "4-7 "Kia arotahi tō hinengaro i reira, me pinepine waiata te ingoa o te poropiti Rama 4-8 mō whitu ngā rā Te

Kebalanānda i wahangu mō he wā poto, kātahi kua utua he atu anō he whakanui i tōna guru.

"I roto i ngā merekara katoa i mahia e Lahiri Mahasaya, i kitea nuitia kāore ia i tuku i te mātāpono whakapehapeha kia pāngia e te ki te whakaaro ko ia anō he kaha whakatupu. Nā te tino tukunga kore ātete, i taea ai e te rangatira te rere noa o te Mana Whakaora Matua mā roto i a ia.

"Ko ngā tinana maha i whakaorangia whakamiharotia e Lahiri Mahasaya, ā, i te mutunga ka tahuna ki ngā mura o te ahi. Engari ko ngā oho wairua puku i mahia e ia, ko ngā ākongā rite ki a te Karaiti i hangaia e ia, ko āna merekara mutunga kore."

He "Kakara "Hāta Tapu" Ngā Whakaaturanga Tōna Ngā Mea Whakamiharo

"Ki ia mea i reira ko he wā, me he wā ki ia kaupapa i raro i te te rangi."

Kāore i a au tēnei whakaaro nui o Horomona hei whakamarie i ahau; i tirotiro haere ahau i te mata o te tohunga kua whakaritea mōku i roto i ngā haerenga katoa mai i te kāinga. Engari kāore taku ara i tutaki ki a ia tae noa ki te otinga o aku akoranga kura tuarua.

E rua tau te roa i waenganui i taku rerenga me Amar ki ngā maunga o Himalaya, me te rā nui o te taenga mai o Sri Yukteswar ki tōku ao. I taua wā, i tūtaki ahau ki ētahi tohunga whakaaro nui - te "Tangata Tapu o te Hinu Kakara," te "Taika Swami," a Nagendra Nath Bhaduri, te Kaiwhakaako Mahasaya, me te kaipūtaiao rongonui o Bengali, a Jagadis Chandra Bose.

E rua ngā kupu whakataki mō taku tūtakitanga ki te "Tangata Tapu Hinu Kakara", he rangitahi tētahi, he whakakatakata tētahi .

"He māmā te Atua. He uaua ngā mea katoa. Kaua e rapu i ngā uara tino tika i roto i te ao tūroa ."

I a au e tū puku ana i mua i te whakapakoko o Kali i te temepara, ka āta uru mai ēnei kupu whakamutunga ki roto i tōku taringa. I taku tahuritanga, ka tū atu ahau ki tētahi tangata roa, ko tōna kākahu, ko tōna kākahu rānei, e whakaatu ana i a ia he *sadhu e kopikopiko ana* .

"Kua tino uru koe ki roto i te pōhēhētanga o ōku whakaaro!" ka menemene ahau me te whakawhetai. "Ko te pōhēhētanga o ngā āhuetanga pai me ngā āhuetanga whakamataku o te taiao, e tohuhia ana e Kali, **5-1** kua pōhēhē ngā mahunga whakaaro nui ake i ahau!"

"He tokoiti noa iho te hunga e whakaoti ana i tana mea ngaro! Ko te pai me te kino te panga wero e whakatakotoria ana e te ao ki mua i ngā mātauranga katoa te rite ki te sphinx. Nā te kore e ngana ki te whakaoti, he maha ngā tāngata e utu ana i ō rātou oranga, he whiu ināiane pērā i ngā rā o Thebes. I konei, i reira, kāore he tangata teitei mokemoke e karanga ana i te hinganga. Mai i te *maya* **5-2** o te takirua

ka hutia e ia te pono piripono o te kotahitanga."

"Koe kōrero me te whakataunga, e te rangatira."

"Kua roa ahau e whakamahi ana i te whakaaroaro pono, te huarahi tino mamae ki te whakaaro nui. Ko te tiro tiro i a koe anō, te aro tonu ki ngā whakaaro o te tangata, he wheako tino kino, he wheako pakaru hoki. Ka pakaru te whakapehapeha nui rawa atu. Engari ko te tātari pono i a koe anō ka mahi pāngarau hei whakaputa i ngā matakite. Ko te huarahi o te 'whakaaturanga i a koe anō', arā, ko ngā mihi takitahi, ka hua ake he whakapehapeha, he tino mohio ki te tika ki a rātou anō."

tūmataiti ngā whakamārama o Atua me te ao whānui."

"Te Pono whakaiti ka reti, kāore ruarua, i mua i pērā whakakake te taketake." ahau i te pārekareka te kōrero.

"Kāore e taea e te tangata te mārama ki te pono mutunga kore tae noa ki te wā e wetekina ai ia i ngā whakapehapeha. Ko te hinengaro tangata, kua hurahia ki te paru rautau, e kī ana i te oranga whakarihariha o ngā tinihanga o te ao."

Ka memeha haere ngā pakanga o ngā papa pakanga i konei, ina whawhai tuatahi te tangata ki ngā hoariri o roto! Kāore he hoariri mate o ēnei, hei hinga i te kaha whakaharahara! Kei ngā wāhi katoa, e kore e matakū, e whai ana i te tangata ahakoa i te moe, me te mau patu huna, e whai ana ēnei hōia o ngā hiahia kuware ki te patu i a tātou katoa. Ko te tangata kore whakaaro ko te tangata e tanu ana i ana kaupapa, e tuku ana ki te aituā noa. Tērā pea he āhua kē atu ia i te ngoikore, te rakau, te whakama?"

"E te Ariki, kāore koe i te aroha ki te marea e pōhēhē ana?"

I noho puku te tangata whakaaro nui mō tētahi wā, kātahi

ka whakahoki whakarara.

"He mea whakapoauau te aroha ki te Atua e kore e kitea, te Putunga o ngā Tikanga Katoa, me te tangata e kitea ana, e āhua nei kāore he mea i a ia! Engari ko te auahatanga he rite ki te arai. Ka hohoro te huraina e te rangahau ā-roto te kotahitanga o ngā hinengaro tangata katoa - te whanaungatanga pakari o te hiahia whaiaro. I tētahi taha, e kitea ana te whanaungatanga o te tangata. Ka whai mai te ngākau mahaki miharo i tēnei kitenga e piki haere ana te taumata. Ka pakari ake hei aroha ki ōna hoa, e matapo ana ki ngā kaha whakaora o te wairua e tatari ana ki te tūhuratanga."

"Te hunga tapu o ia tau, e te rangatira, whai whatu rite koe anō mō te ngā pōuri o te ao."

"Ko te tangata papaku anake ka ngaro te aro ki ngā mamae o te oranga o ētahi atu, i a ia e totohu ana ki roto i tōna ake mamae." I kitea te ngawari o te mata mārō o te SADHU. "Ko te tangata e mahi ana i Mā te werohanga i a ia anō me te maripi koi ka mōhio ia ki te whānui o te aroha whānui. Ka tukuna ia i ngā tono turi o tōna ake wairua. Ka puāwai te aroha o te Atua ki runga i taua oneone. Ka tahuri te mea hanga ki tōna Kaihanga, ahakoa he take kē atu i te pātai i roto i te mamae: 'He aha, e te Ariki, he aha?' Mā ngā whiu whakarihariha o te mamae, ka peia te tangata ki te Aroaro Mutunga Kore, ko tōna ataahua anake hei kukume i a ia."

I roto māua ko te tangata whakaaro nui i te Temepara o Kalighat i Calcutta, i haere atu māua ki te mātakitaki i tōna ataahua rongonui. Me te tohu ā-ringa, ka whakakorea e taku hoa tūpono te mana whakapaipai.

"Ngā pereki me moata waiata mātou kāore rangona rangi; te ngākau tuwhera anake ki te tangata waiata o te noho."

I hikoi mātou ki te taha o te rā ataahua i te tomokanga, i te wāhi i reira te mano tini o te hunga karakia e haereere ana i reira, i reira hoki.

"He taitamariki koe." I tirotirohia ahau e te tangata whakaaro nui me te whakaaroaro. "He taitamariki anō hoki a Īnia. Ko ngā *rishis tawhito* 5-3 i whakatakoto i ngā tauira oranga wairua e kore e taea te whakakore. E ranea ana ā rātou kupu tawhito mō tēnei rā me te whenua. Kāore i tawhito, kāore hoki i te koretake ki ngā mahi tinihanga a te taonga, kei te hanga tonu ngā ture whakahaere i a Īnia. Mō ngā mano tau - neke atu i te mea e hiahia ana ngā tohunga whakama ki te tataui! - kua whakamanahia e te Wā ruarua te uara o te Vedic. Tangohia hei taonga tuku iho māu."

I a au e poroporoaki ana ki te *sadhu whaikōrero* , ka whakakitea mai e ia tētahi

tirohanga matakite: "I muri i tō wehenga atu i konei i tēnei rā, ka puta mai he wheako rerekē ki a koe."

I whakarērea e au te rohe o te temepara, ā, ka haereere noa iho. I taku tahuritanga i te kokonga, ka tūtaki ahau ki tētahi hoa tawhito - tētahi o aua tāngata kōrero roa, ā, kāore e aro ki te wā, engari e awhi ana i te mutunga kore.

"Ka tukuna koe e ahau i roto i tētahi wā poto nei, ki te kōrero mai koe i ngā mea katoa i tupu i roto i ngā tau e ono o tā tāua wehenga."

"He aha he whakahē! ahau me haere koe inaianei."

Engari i pupuri ia i tōku ringa, me te tuku mai i ngā kōrero iti. I rite ia ki te wuruhi kai kino, i whakaaro ahau me te kata; i te roa o taku kōrero, ka nui haere tana hiahia ki te hongī i ngā kōrero. I roto i ahau ka inoi ahau ki te Atua Wahine a Kali kia hangaia he huarahi mawhiti.

I whakarērea ahau e taku hoa. I whakapūha ahau i te ngākau mārie, ā, ka piki ake taku tere, me te wehi kei hoki anō ahau ki te kirika nui. I te rongonga i ngā takahanga tere i muri i ahau, ka tere ake taku tere. Kāore au i maia ki te titiro whakamuri. Engari me te oma tere, ka hoki mai te taitama ki ahau, me te awhi harikoa i taku pakihīwi.

"I wareware ahau ki te kōrero ki a koe mō Gandha Baba (te tangata tapu o te hinu kakara), e whakapaipai ana i tērā whare." I tohu ia ki a ia. he kāinga e torutoru iāri te tawhiti. "Tūtaki ki a ia; he mea whakamere ia. Tērā pea he wheako rerekē tāu. Haere rā," ā, ka mahue atu ahau e ia.

te matapae rite tonu mō te *sadhu* i te Temepara o Kalighat ki roto i tōku hinengaro. Nā te mea i tino miharo ahau, ka tomo ahau ki te whare, ā, ka arahina ahau ki tētahi rūma noho nui. He mano tini te tangata e noho ana, mai i te Rawhiti ki konei, ki reira i runga i tētahi whāriki matotoru karaka. I tae mai tētahi kōrero hāhā ki tōku taringa:

"Tirohia a Gandha Baba i runga i te kiri reparo. Ka taea e ia te hoatu i te kakara maori o tetahi putiputi ki te tangata kore kakara." kotahi, rānei whakaora anō he memenge puawai, rānei hanga he tangata kiri whakaputa ātaahua kakara."

I titiro tika atu ahau ki te tangata tapu; ko tana titiro tere mai ki ahau. He tangata momona, he pahau, he kiri mangu, he kanohi nunui, he kanapa.

"E tama, harikoa ahau ki te kite i a koe. Kōrero mai tāu e hiahia ana. Kei

te hiahia koe ki te hinu kakara?" "He aha ai?" Ki taku whakaaro he rite tana kōrero ki te tamariki.

"Ki te wheako i te huarahi merekara o te pārekareka ki ngā hinu kakara." "Te whakamahi i te Atua hei hanga kakara?"

"He aha o ia? Atua e hanga ana hinu kakara ahakoa pēhea."

"Āe, engari ka hangaia e Ia ngā pounamu rau rau ngoikore hei whakamahi hou, hei maka atu rānei. Ka taea e koe te whakaputa putiputi?"

"Au whakatinana ngā hinu kakara, iti hoa."

"Kātahi ka kakara ngā wheketere ka haere i waho o pakihi."

"Ka tukua e au kia mau tonu tā rātou mahi! Ko taku ake kaupapa he whakaatu i te mana o te Atua." "E te Ariki, he mea tika kia whakamatautauria te Atua? Kāore ianei ia e mahi merekara ana i ngā mea katoa, i ngā wāhi katoa?" "Āe, engari me whakaatu anō hoki e tātou ētahi o Ana momo auaha mutunga kore."

"Kia pēhea te roa i eke ai koe ki te matatau i tō mahi toi?" "Tekau mā rua tau."

"Mō te hanga kakara mā te ara whetu! Te āhua nei, e taku tangata tapu, kua tekau mā rua tau koe e moumou ana mō ngā kakara ka taea te hoko mā te utu iti noa i te toa putiputi."

"Ngā hinu kakara memeha me ngā putiputi."

"Ngā hinu kakara memeha me te mate. He aha ai me ahau hiahia tērā e e pai ana te tinana anake?"

"E te Kaiwhakaaro, kua pai tōku hinengaro ki a koe. Tēnā, totoro mai tō ringa matau." I mahi ia i tētahi tohu manaaki.

E torutoru putu noa iho te tawhiti atu i a Gandha Baba; kāore he tangata i tata mai ki te pā atu ki tōku tinana. I totoro atu tōku ringa, kāore te yogi i pā atu.

"He aha te hinu kakara e hiahiatia ana e koe?"

"Rōhi."

"Kia reira nō reira."

I tino ohorere ahau i te putanga mai o te kakara rōhi i waenganui o tōku nikau. Me te ataata, ka tangohia e au tētahi putiputi nui, mā, kāhore he kakara, mai i tētahi

vase tata.

"E taea rānei te whakakī i tēnei putiputi kakara

kore ki te hāmana?" "Kia pērā."

I pupū tonu mai te kakara o te hāmana i ngā rau. I mihi atu ahau ki te kaimahi merekara, ā, i noho tahi māua ko tētahi o āna ākonga. I whakamōhio mai ia kua ako a Gandha Baba, ko Vishudhananda tōna ingoa tūturu, i ngā mea ngaro whakamiharo o te yoga mai i tētahi tohunga i Tibet. Ko te Tibetan

yogi, ahau i kua whakamanahia, i a i tutuki te tau o i runga he mano ngā tau

"Kāore tana ākonga, a Gandha Baba, e mahi tonu ana i ana mahi kakara i roto i te reo māmā noa iho nei i kite koe." I kōrero te ākonga me te whakahīhī ki tōna rangatira. "He rerekē rawa ana tikanga, e rite ana ki te kanorau o ngā āhua. He mīharo ia! He maha ngā mema o te hunga mātau o Calcutta kei roto i ana akonga."

I roto i ahau ka whakatau kia kaua ahau e tāpiri atu ki a rātou. Kāore au i pai ki tētahi tohunga "whakamiharo" rawa. Me te mihi atawhai ki a Gandha Baba, ka wehe atu ahau. I taku haerenga ki te kāinga, ka whakaaroaro ahau ki ngā tūtakitanga rerekē e toru i puta mai i te rā.

I tūtaki mai taku tuahine, a Uma, ki ahau i taku

tomokanga atu ki te tatau o tō mātou huarahi

Gurpar. "Kei te tino ātaahua haere koe i te

whakamahi i ngā hinu kakara!"

Kāore he he kupu, ahau i nekehia tana ki kakara taku ringa

"He aha he ātaahua rōhi kakara! Ia ko rerekē kaha!"

I whakaaro ahau he "tino rerekē", ā, ka ata whakatakotoria e ahau te putiputi kakara whetu ki raro i ōna ihu.

"Āe, he aroha nōku ki te hāmāna!" Ka hopukina e ia te putiputi. Ka pā mai te miharo whakakatakata ki tōna mata i a ia e hongī ana i te kakara o te hāmāna mai i tētahi momo putiputi i mōhio pai ia he kore kakara. Nā āna tauhohenga i whakakore taku whakapae nā Gandha Baba i whakaoho he āhua whakaaro-ā-roto, ā, ko au anake ka taea te rongo i ngā kakara.

Nō muri mai ka rongo ahau i tētahi hoa, i a Alakananda, he mana tō te "Tangata Tapu Hinu Kakara" e hiahia ana ahau kia riro i ngā miriona o Āhia e matekai ana, me Ūropi anō hoki i ēnei rā.

"I reira ahau me ētahi atu manuhiri kotahi rau i te kāinga o Gandha Baba i Burdwan," te kōrero a Alakananda ki ahau. "He hui whakanui nui. Nā te mea i kīia he mana tō te yogi ki te tango i ngā mea mai i te hau, ka kata ahau ki te tono atu ki a ia kia puta mai ētahi tāneriki kāore i te wā. I taua wā tonu ka eke te *luchis* ⁵⁻⁴ "I pupuhi ngā mea i runga i ngā pereti rau panana katoa. I kitea i roto i ia kōpaki taro he tānerini kua tihoretia. I ngaua e au taku ake me te matakū, engari i kitea he reka."

I muri i ngā tau, ka mārama ahau, mā te mōhio ā-roto, ki te huarahi i tutuki ai i a Gandha Baba āna whakatinanatanga. Āue! Ko te tikanga, kāore e taea e te ope hiakai o te ao te toro atu.

Ko ngā momo whakaohoooho ka pā ki te tangata - te pā, te tirohanga, te hongī, te whakarongo, me te hongī - ka puta mai i ngā rerekētanga wiri o ngā irahiko me ngā porotona. Ko ngā wiri ka whakahaeretia e ngā "lifetrans," ngā kaha ora ngawari, ngā kaha pai ake rānei i te ngota e utaina ana ki ngā ariā pā e rima - ngā matū.

Nā te whakahāngaitanga o Gandha Baba i a ia anō ki te kaha o te ao mā roto i ētahi mahi yoga, ka taea e ia te ārahi i a ia anō. ngā lifetron ki te whakarite anō i tō rātou hanganga wiri me te whakapūmau i te hua e hiahia ana. Ko āna hinu kakara, āna hua me ētahi atu merekara he whakatinanatanga tūturu o ngā wiri o te ao, ehara i te mea he kare ā-roto i puta mai i te hipnotisi. 5-5

He mea whakamiharo ngā mahi merekara pērā i te "Hāngai Hinu Kakara" engari kāore he painga ki te taha wairua. He iti noa iho ngā kaupapa i tua atu i te whakangahau, he peka ke atu ēnei i te rapu pono ki te Atua.

Kua whakamahia te whakamoe e ngā tākuta i roto i ngā pokanga iti hei momo chloroform hinengaro mō te hunga ka pāngia e te rongoā whakamoe. Engari he kino te āhua whakamoe ki te hunga e pāngia ana e te whakamoe; ka puta he pānga hinengaro kino ka whakapōrearea i ngā pūtau roro i te wā roa.

Ko te whakamoe he takahi i te rohe o te hinengaro o tētahi atu. Kāore he hononga o ōna āhuatanga rangitahi ki ngā merekara e mahia ana e ngā tāngata whai mātauranga atua. Kia ara ake i roto i te Atua, e te hunga tapu pono, ka hurihia tēnei ao moemoeā mā te hiahia e hono tahi ana ki te Kaimoemoeā Ao Auaha.

Ka whakahēngia e ngā rangatira te whakaaturanga whakahirahira o ngā mana rerekē. I kata te tohunga matakite o Pāhia, a Abu Said, ki ētahi *fakir* i whakahīhi ki ō rātou mana whakamiharo ki te wai, ki te hau, me te wāhi.

"He pai hoki te noho o te poroka i roto i te wai!" te kī a Abu Said me te tawai mārie. "He ngāwari te rere o te kākāriki me te kākāriki i te rangi; kei te taha rawhiti me te taha hauauru te Rewera i te wā kotahi! He tangata pono." ko ia ko wai noho i roto tika i roto i tana hoa ngā tāne, ko wai hoko me hoko atu, engari anō ko kāore rawa "Mō tētahi wā poto noa iho, wareware noa ki te Atua!" I tētahi atu wā, i whakapuaki te kaiako nui o Pāhia i ōna whakaaro mō te oranga whakapono penei: "Kia waiho atu ngā mea kei roto i tōu mahunga (ngā hiahia me ngā wawata whaiaro); kia hoatu noa atu ngā mea kei roto i tōu ringa; ā, kua rawa e oma atu i ngā whiunga o te raruraru!"

Kāore te tohunga whakaaro nui i te Temepara o Kalighat, kāore hoki te yogi i whakangungua ki Tibet i makona i taku hiahia mō tētahi guru. Kāore tōku ngākau i hiahia ki tētahi kaiako mō ōna mōhiotanga, ā, i karanga ake ia i tana ake "Bravos!" i te mea he mea karanga noa mai i te wā wahangu. I taku tūtakitanga ki tōku ariki, i whakaakona ahau e ia mā te tauira rangatira anake te mehua o te tangata pono.

Te Taika Swami

"Au whai kitea te Taika Ā Swami wāhitau. Tukua mātou toro ia āpōpō."

Nā Chandi tēnei whakaaro manaaki, tētahi o ōku hoa kura tuarua. I hiahia nui ahau ki te tūtaki ki te tangata tapu, i mua i tōna noho hei mōneka, i hopu, i whawhai hoki ki ngā taika ki ōna ringa tahanga. He kaha te hihiri o te tamaiti ki ēnei mahi whakamiharo i roto i ahau.

I te ata o te rangi i muri mai, ka tino makariri te takurua, engari i haere harikoa māua ko Chandi. Whai muri i te nui o te hopu manu koretake i Bhowanipur, i waho o Calcutta, ka tae māua ki te whare tika. E rua ngā mowhiti rino i te tatau, ā, he tino kaha te tangi. Ahakoa te ngangau, ka whakatata mai tetahi pononga me te haere mārīre. Ko tana mahi whakakatakata menemene te tikanga tērā ngā manuhiri, ahakoa tā rātou haruru, i kore mana ki whakakorikori te marino o te kāinga o te hunga tapu.

I te rongonga i te riri puku, i mihi māua ko taku hoa ki te karangatanga mai ki te rūma noho. Nā te roa o tā māua tatari ki reira i puta ai ngā āwangawanga. Ko te

ture kore tuhituhi a Īnia mō te tangata e rapu ana i te pono ko te manawanui; ka taea e te rangatira te whakamātautau i te hiahia o te tangata ki te tūtaki ki a ia. Kei te whakamahia noatia tēnei mahi tinihanga hinengaro i te Hauāuru e ngā tākuta me ngā tākuta niho!

I te mutunga ka karangatia māua ko Chandi e te pononga, ka tomo māua ki tētahi whare moe. Ko te Sohong rongonui **6-1** I runga i tōna moenga a Swami e noho ana. I pā mai te kitenga atu i tōna tinana nui ki a mātou i tētahi āhua rerekē.

Me ngā kanohi pūkohu, ka tū māua, kāhore he kupu. Kāore anō kia kitea e māua tētahi uma pēnei, tētahi uaua rānei e rite ana ki te whutupōro. I runga i te kaki nui, ko te mata nanakia engari marino o te swami i whakapaipaihia ki ngā makawe rere, ki te pahau me te ngutu. He tohu o ngā āhuatanga rite ki te kūkupa me te taika e tiaho ana i roto i ōna kanohi pouri. Kāore ia i te kākahu, engari he kiri taika i tōna hope uaua.

I te taenga mai o māua reo, ka mihi atu māua ko taku hoa ki te mōnehi, me te whakapuaki i tō māua whakamihi ki tōna pūkenga i te ao ngeru whakamiharo.

"Kāore ianei koe e kōrero mai ki a mātou me pēhea te pehi i te kararehe nanakia rawa o te ngahere, arā, ngā Bengal rangatira, ki ō mātou ringa kau?"

"E aku tama, kāore he aha ki ahau te whawhai ki ngā taika. Ka taea e au te mahi i tēnei rā mēnā e tika ana." Ka kata ia, pērā i te tamaiti. "E titiro ana koutou ki ngā taika he taika; e mōhio ana ahau he ngeru pōrearea rātou."

"E Swamiji, ki taku whakaaro ka taea e au te whakamōhio i tōku hinengaro papaku ki te whakaaro he ngeru pōrangi ngā taika, engari me whakapono rātou ki tēnei?"

"Ae rā, he mea nui hoki te kaha! Kāore e taea te tumanako kia wikitoria te pēpi e whakaaro ana he ngeru whare te taika! He patu rawaka māku ngā ringaringa kaha."

I tono ia kia aru mātou i a ia ki te taupee, ā, i reira ka pā ia ki te taha o te pakitara. Ka hinga tetahi pereki ki te papa; ka titiro matatau mai te rangi i roto i te niho ngaro o te pakitara. I tino ohorere ahau i te miharo; ko te tangata ka taea te tango i ngā pereki moata mai i te pakitara totoka me te whiu kotahi, i whakaaro ahau, me tino kaha ki te tango i ngā niho o ngā taika!

"He tokomaha ngā tāne he kaha tinana pērā i ahau, engari kāore tonu i te māia. Ko te hunga he pakari tinana engari kāore i te kaha hinengaro, ka hemo pea i te kitenga noa i tētahi kararehe mohao e pekepeke noa ana i roto i te ngahere. He rerekē rawa te taika i roto i tōna nanakia me tōna nohoanga tūturu i te kararehe hākoritanga e whāngaihia ana e te opium!"

"Heoi anō, he tokomaha ngā tāngata kaha rawa kua matakū rawatia, ā, kua korekore noa iho i mua i te whakaekenga a te Bengal rangatira. Nō reira, kua tahuri te taika i te tangata, i roto i tōna ake hinengaro, ki he āhua ngoikore pērā i te ngeru pōrearea. E taea ana e te tangata, he tinana pakari tōna, he whakatau tino kaha, te huri i te tūnga o te taika, me te akiaki i a ia kia whakapono he korekore ia e taea te tiaki i a ia anō. E hia ngā wā kua mahia e au tēnā!"

I tino whakapono ahau ka taea e te titana i mua i ahau te mahi i te hurihanga o te taika-ngeru. Te āhua nei kei roto ia i te wairua ako; i whakarongo māua ko Chandi me te whakaute.

"Ko te hinengaro te kaipupuri o ngā uaua. Ko te kaha o te patu hama e whakawhirinaki ana ki te kaha e whakamahia ana; ko te kaha e whakaatuhia ana e te taputapu tinana o te tangata e whakawhirinaki ana ki tana hiahia kaha me tana maia. Ko te tinana he mea hanga, he mea tautoko hoki e te hinengaro. Mā te pēhanga o ngā kare ā-roto mai i ngā orange o mua, ka uru mārire ngā kaha, ngā ngoikore rānei ki roto i te hinengaro tangata. Ka whakaatuhia ēnei hei tikanga, ka whakatōkia hei tinana e hiahiatia ana, e kore rānei e hiahiatia. Nō te hinengaro te ngoikore o waho; i roto i te porowhita kino, ka ārai te tinana e herea ana ki te tikanga i te hinengaro. Ki te tukua e te rangatira ia ia ki te

ki te whakahaua e te pononga, ka noho rangatira te tangata whakamutunga; ka waiho anō hoki te hinengaro hei pononga mā te ngohengohe ki te whakahau a te tinana."

I tā mātou tono, ka whakaae te swami whakamīharo ki te kōrero mai i

tētahi mea mō tōna ake orange. "Ko taku wawata tuatahi he whawhai ki

ngā taika. He kaha tōku hiahia, engari he ngoikore tōku tinana."

I puta mai he ohorere i roto i ahau. He mea whakamīharo te kitenga atu i tēnei tangata, "he pakihiwi Ātaratana tōna, e kaha ana ki te pikau," kua mōhio ia ki te ngoikore.

"Nā te manawanui tonu ki te whakaaro mō te hauora me te kaha i wikitoria ai ahau i tōku hauātanga. He nui ngā take e whakanuia ai e au te kaha hinengaro whakahihiri i kitea e au ko ia te mea tino kaha ki te hinga i ngā Bengali rangatira."

"E whakaaro ana koe, e te Swami, ka taea e au te whawhai ki ngā taika?" Koinei te wā tuatahi, me te wā whakamutunga, i tae mai ai te wawata rerekē ki tōku hinengaro!

"Āe." I menemene ia. "Engari he maha ngā momo taika; ko ētahi e kopikopiko ana i roto i ngā ngahere o ngā hiahia tangata. Kāore he painga wairua e puta mai i te patu i ngā kararehe kia kore e mōhio. Engari kia toa koe i ngā kaipahua o roto."

"Mei mātou whakarongo, e te rangatira, pēhea koe kua hurihia mai i he kaiwhakamarie o ngahere ngā taika ki he kaiwhakamarie o ngahere ngā ngākau nui?"

Ka wahangu te Taika Swami. Ka puta te tawhiti ki roto i tana titiro, ka karanga i ngā kitenga o ngā tau kua pahure. I kite ahau i tana uauatanga hinengaro ki te whakatau me whakaae rānei ki taku tono. Hei whakamutunga ka menemene ia hei whakaae.

"I te taenga o tōku rongonui ki tōna taumata teitei, ka puta te haurangi o te whakapehapeha. I whakatau ahau, ehara i te mea ko te whawhai noa ki ngā taika, engari ko te whakaatu i a rātou i roto i ngā momo mahi tinihanga. Ko taku wawata he akiaki i ngā kararehe nanakia kia rite ki ngā kararehe kua whakangawaritia. I tīmata ahau ki te mahi i aku mahi whakamīharo ki te aroaro o te iwi, me te angitu whakamīharo."

"Kotahi ahiahi taku matua i tomo taku rūma i roto whakaaroaro te wairua

"E tama, he kupu whakatūpato tāku. Ka whakaorangia koe e ahau i ngā mate e haere mai ana, e puta mai ana i ngā wira huri o te take me te pānga."

"He tangata whakapono koe ki te ao tūroa, e Pāpā? Me whakaaetia rānei te whakapono tūpuna kia whakakore i ngā wai kaha, i aku mahi rānei?"

"Ehara ahau i te tangata whakapono ki te ao tūroa, e tama. Engari e whakapono ana ahau ki te ture tika o te utu, e ai ki ngā karaipiture tapu. Kei roto i te whānau ngahere te riri ki a koe; i ētahi wā ka pā mai he utu ki a koe."

"E Pāpā, miharo ahau ki a koe! E mōhio ana koe ki te āhua o ngā taika - he ataahua engari he nanakia! Ahakoa i muri tonu i te kai nui o tētahi mea whakarihariha, ka mura te hiahia o te taika i te kitenga i tētahi kai hou. He anitere harikoa pea, e rere ana i runga i te tarutaru o te ngahere. I a ia e hopu ana, e ngau ana i te kōhao o te korokoro ngohengohe, ka reka noa te kararehe kino i te toto e tangi puku ana,

me haere tōna wairangi ara.

"Ko ngā taika te momo tino whakarihariha o te ngahere! Mā wai e mōhio? Tērā pea ka werohia e aku whiu ētahi whakaaro nui ki roto i ō rātou mahunga matotoru. Ko au te tumuaki o te kura whakaoti ngahere, hei whakaako i a rātou ki ngā tikanga ngawari!"

"Tena koa, e Pāpā, whakaarohia ahau hei kaiwhakangawari taika, kaua rawa hei kaipatu taika. Me pēhea e taea ai e aku mahi pai te whakararu i ahau? Kei te inoi atu ahau kia kaua e whakahaua ahau kia whakarerekē i taku āhua noho."

I aro katoa māua ko Chandi, e mārama ana ki te raruraru o mua. I Īnia, kāore te tamaiti e ngāwari noa te takahi i ngā hiahia o ōna mātua.

"I roto i te wā puku, ka whakarongo a Pāpā ki taku whakamārama. I muri mai ka whakapuaki ia i taku whakamārama, ā, i whakapuakina e ia me te ngākau nui."

"E tama, kei te akiaki koe i ahau ki te kōrero i tētahi matapae whakamataku mai i ngā ngutu o tētahi tangata tapu. I whakatata mai ia ki ahau inanahi i a au e noho ana i te whakamahau i taku whakaaroaro o ia rā."

""E hoa aroha, kei te haere mai ahau me te karere mō tāu tama whawhai. Tukua ia kia mutu āna mahi nanakia. Ki te kore, ko tana tūtakitanga ki te taika ka hua ake i ōna patunga kino, ā, ka whai muri ko te ono marama o te mate whakamate. Kātahi ka whakarērea e ia āna tikanga o mua, ka noho hei mōneka.""

"Kāore tēnei kōrero i miharo ahau. I whakaaro ahau ko Pāpā te patunga whakaponokore a tētahi tangata tinihanga."

I whakaae te Taika Swami i tēnei me te tohu manawanui kore, me te mea he kuware. I a ia e noho puku ana mō te wā roa, me te mea kāore ia i te mōhio ki tō mātou aroaro. I tana tīmatanga i te miro iri o tana kōrero, ka puta whakarere mai me te reo ngawari.

"Kāore i roa i muri i te whakatūpato a Pāpā, ka toro atu ahau ki te tāone matua o Cooch Behar. He mea hou ki ahau te whenua ataahua, ā, i tumanako ahau ki tētahi huringa okiokinga. Pērā i ngā wā katoa, ka aru mai te mano pākiki i ahau i ngā tiriti. Ka rongo ahau i ētahi kōrero hāhā:

"Koinei te tangata e whawhai ana

ki ngā taika mohaoao.' ""He waewae

ōna, he pūtake rākau rānei?""

"Tirohia i tāna kanohi! Ia me kia he whakatinanatanga o te kingi o ngā taika ia anō!

"E mōhio ana koe ki te mahi a ngā tamariki o te kāinga, pērā i ngā putanga whakamutunga o te nūpepa! Āe, te tere o te horapa o ngā pānui whaikōrero a ngā wāhine i ia whare ki ia whare! I roto i ētahi haora, kua oho te tāone katoa i tōku aroaro."

"I a au e okioki ana i te ahiahi, ka rongo ahau i te haruru o ngā waewae o ngā hōiho e oma ana. I tū rātou i mua i tōku kāinga. I haere mai ētahi pirihimana roa, he pōtae tō rātou."

"I ohorere ahau. 'E taea ana ngā mea katoa e ēnei mea o te ture tangata,' i whakaaro ahau. 'E whakaaro ana ahau mēnā ka whakawakia ahau e rātou mō ngā mea kāore i te mōhiotia e au.' Engari i piko ngā āpiha me te ngākau māhaki rerekē.

"E te Ariki, kua tonoa mātou ki te manaaki i a koe i runga i te ingoa o te Piriniha o Cooch Behar. E koa ana ia ki te karanga i a koe ki tōna whare kingi āpōpō."

"I whakaaroaro au mō tētahi wā mō tēnei tirohanga. Mō tētahi take ngaro, i tino pouri ahau mō tēnei whakararuraru i taku haerenga marino. Engari nā te āhua inoi a ngā pirihihima i whakaohoho ahau; ā, i whakaae ahau kia haere."

"I te aonga ake, i pōhēhē ahau i te haria mai i tōku tatau ki roto i tētahi kāreti whakahīhi e tōia ana e ngā hōiho e whā. I pupuri tētahi pononga i tētahi maru whakapaipai hei tiaki i ahau i te werawera o te rā. I pai ahau ki te haerenga pai i roto i te tāone me ōna taha ngahere. Ko te uri kingi tonu i te tatau o te whare kingi hei manaaki i ahau. I tuku mai ia i tōna ake nohoanga koura, me te ataata e whakanoho ana i a ia ki runga i tētahi tūru he hoahoa māmā ake."

"Tērā pea ka utua e au tēnei ngākau atawhai katoa!' i whakaaro ahau me te miharo nui. I puta ake te whakaaro o te rangatira i muri i ētahi kōrero noa iho.

"Kī tonu tōku tāone i te kōrero pakiwaitara ka taea e koe te whawhai ki ngā taika mohao me ō ringaringa tahanga anake. He pono rānei?"

"Ia ko tino pono.

"Kāore au i te whakapono! He Bengali nō Calcutta koe, i whāngaihia ki te raihi mā o te tāone. Kia pono mai; kāore ianei koe i whawhai ki ngā kararehe kore tuaiwi, e whāngaihia ana ki te opium?' He nui, he whakatoi tōna reo, he āhua porowini te reo.

"Au kua whakamanahia kāore whakautu ki tāna whakahāwea pātai.

"Ka wero atu ahau i a koe kia whawhai ki taku taika hou, ki a Raja Begum. **6-2** Ki te taea e koe te ātete angitu i a ia, te here i a ia ki te mekameka, me te waiho i tana whare herehere kia mōhio, ka riro i a koe tēnei Bengal kingi! Ka hoatu hoki he mano rūpī me te maha atu o ngā koha. Ki te kore koe e pai ki te tūtaki ki a ia i te pakanga, ka whakanuia e au tō ingoa puta noa i te kawanatanga hei tangata tinihanga!

"I pā mai ana kupu whakahihi ki ahau, pērā i te pupuhitanga o ngā matā. I pupuhi atu ahau me te whakaae riri. I a ia e tū ake ana i te tūru i roto i tōna harikoa, ka hoki whakamuri te rangatira me te ataata nanakia. I mahara ahau ki ngā emepara o Rōma i harikoa ki te whakanoho i ngā Karaitiana ki ngā papa tākaro kararehe."

"Ka whakaritea te whakataetae mō te wiki e haere ake nei. Aroha mai kāore e taea

e au te tuku whakaaetanga ki a koe kia mātaki i te taika i mua atu."

"Mēnā i wehi te rangatira kei ngana ahau ki te whakamoe i te kararehe, kei whāngai puku rānei i a ia ki te opium, kāre au i te mōhio!"

"I puta atu ahau i te whare kingi, me te harikoa i kite ahau kua ngaro te maru kingi me te kaata whakakakahu ."

"I te wiki i muri mai, i whakarite pai ahau i tōku hinengaro me tōku tinana mō te whakamātautau e haere mai ana. Nā taku pononga ahau i ako ai i ngā kōrero whakamiharo. Ko te poropititanga whakamataku a te tangata tapu ki tōku matua i horapa noa atu, ā, i te haere tonu. He maha ngā tāngata o te kāinga noa i whakapono kua hoki mai tētahi wairua kino, i kanga e ngā atua, hei taika i tango i ngā āhua rewera i te pō, engari i noho hei kararehe whiu i te awatea. Ko tēnei taika rewera te mea i tonoa mai hei whakaiti i ahau."

"Ko tētahi atu putanga auaha ko ngā inoi kararehe ki te Rangi Taika i tutuki ai he whakautu i te āhua o Raja Begum. Ko ia te taputapu hei whiu i ahau - te tangata maia, he waewae rua, he tino whakato i ki te momo taika katoa! He tangata huruhuru kore, he niho kore e maia ki te wero i tētahi taika he ringa maikuku, he waewae pakari! Ko te paitini kukū o ngā taika katoa i whakaititia - i kīia e te hunga kāinga - kua nui te kaha ki te whakahaere i ngā ture huna, me te hinganga o te kaiwhakangahau taika whakakake."

"I whakamōhio mai anō taku pononga kei te noho te rangatira hei kaiwhakahaere mō te pakanga i waenganui i te tangata me te kararehe. Nāna i tirotiro te hanganga o tētahi whare tiaki-uaua, i hangaia hei wāhi mō ngā pakanga." ngā mano. Ko tana pokapū puritia Rāia Pēkamu i roto he tino nui rino whare herehere, karapotia i te taha o tētahi rūma haumarua o waho. Ka hamama tonu te herehere i tētahi raupapa o ngā hamama toto. I whāngaihia ia kia iti noa, hei tahu i te hiahia nui. Tērā pea i tumanako te rangatira kia waiho ahau hei kai utu!

"I te rongonga i te pao o ngā pahu e kī ana i te whakataetae ahurei, i hoko tīkiti te mano tini o te tāone me ngā tāone iti. I te rā o te pakanga, i tahuri atu ngā rau nā te korenga o ngā tūru. He tokomaha ngā tāne i pakaru mā roto i ngā whakatuwheratanga o te tēneti, i kīkī rānei i ngā wāhi katoa i raro i ngā taiwhanga."

I te whakatatanga o te kōrero a te Tiger Swami ki tōna taumata teitei, ka piki haere taku harikoa; i wahangu rawa hoki a Chandi.

"I waenganui i ngā pahūtanga haruru nui mai i a Raja Begum, me te ngangau o te mano e maku ana, ka puta puku atu ahau. He iti noa iho ōku hope, engari kāore he kākahu i tiakina e au. I whakatuwherahia e au te pūtu o te tatau o te rūma haumarua, ā, i raka marietia e au i muri i ahau. I rongo te taika i te toto. I pekepeke ia me te haruru nui i ana pae, ā, ka tukuna mai e ia he powhiri whakamataku. I wahangu te hunga whakarongo i te wehi nui; i rite ahau ki tētahi reme ngākau mahaki i mua i te kararehe e riri ana."

"I roto i te wā poto noa iho, i roto ahau i te whare herehere; engari i taku

patukitanga i te tatau, ka tūpato mai a Raja Begum ki ahau. I haehaetia rawatia tōku ringa matau. Ko te toto tangata, te kai tino reka e mōhiohia ana e te taika, i taka ki roto i ngā awa whakamataku. Te āhua nei kua tata te poropititanga a te tangata tapu te tutuki."

"I oho ake ahau i te ohore o te whara kino tuatahi i pā mai ki ahau. Te peia atu i te I taku kitenga atu i ōku maihao toto i te werohanga ki raro i te kakahu o tōku hope, ka whiua e au tōku ringa mau ki te whiu pakaru wheua. Ka hoki whakamuri te kararehe, ka hurihuri i te tuara o te whare herehere, ka peke whakamua me te wiri. Ka tau mai taku whiu pūoro rongonui ki runga i tōna mahunga.

"Engari ko te reka o te toto o Raja Begum i rite ki te inu waina tuatahi e haurangi ana ki te tangata kua roa e kore e kai. I te mea he hamama nui, ka nui haere te riri o te kararehe. Nā te koretake o taku tiaki i te ringa kotahi i ngoikore ai ahau i mua i ngā maikuku me ngā niho. Engari i whiua e au he utu whakamataku. I a māua e totohe ana tetahi ki tetahi, ka tohe māua mō te mate. He nui te ngangau o te whare herehere, i te mea ka maringi te toto ki ngā taha katoa, ā, ka puta mai te mamae me te hiahia whakamate i te korokoro o te kararehe."

"Pūhia ia! 'Patua te taika!' Ka ara ake ngā hamama i te hunga whakarongo. Nā te tere o te nekeneke a te tangata me te kararehe, i hē te matā a te kaitiaki. I kohikohi ahau i tōku kaha katoa, i hamama nui, ā, ka pā te whiu whakamutunga. I hinga te taika, ā, i takoto puku.

"Pērā i he ngeru pēpi!" ahau i whakawāteatia.

Te swami kata i roto ngākau nui te maioha, kātahi tonu te whakamīharo pūrākau

"I hinga a Raja Begum i te mutunga. I whakaititia anō tōna whakapehapeha kingi: me ōku ringa i haehaea, ka whakatuwherahia e au ōna kauae me te maia. Mō tētahi wā whakamīharo, ka pupuri ahau i tōku mahunga i roto i te mahanga mate e hamama ana. Ka tiro tiro haere ahau mō tētahi mekameka. I te toia e ahau tētahi i te puranga i runga i te papa, ka herea e ahau te taika ki tōna kaki ki ngā pae o te whare herehere. I roto i te wikitoria ka neke atu ahau ki te tatau."

"Engari tērā rewera whakawhanaungatanga, Rāia Pēkamu, i a te manawanui tika o tāna e whakaarohia ana rewera takenga mai. Me te kokiri whakamīharo, ka motuhia e ia te mekameka, ka peke ki runga i tōku tuara. I te pūmau o tōku pakihwi i roto i ōna kauae, ka hinga kino ahau. Engari i roto i te tere tere ka mau ia i raro i ahau. I raro i ngā whiunga aroha kore, ka totohu te kararehe tinihanga ki te haurua o te mohio. I tēnei wā ka tiakina ia e au me te tino tupato. Ka āta haere ahau i te whare herehere.

"I kite ahau i ahau anō i roto i tētahi ngangau hou, i tēnei wā he ngangau harikoa. I pakaru te hamama o te mano me te mea nō kotahi te korokoro nui. I te mea kua haehaetia kinotia ahau, kua tutuki i ahau ngā tikanga e toru o te pakanga - te whakamate i te taika, te here i a ia ki te mekameka, me te waiho i a ia me te kore e hiahia he āwhina māku. Hei tāpiri, i tino whara ahau, i whakamataku hoki i te kararehe nanakia, ā, i pai ia ki te wareware i te taonga whai hua o tōku mahunga i roto i tōna waha!

"I muri i te rongoā i ōku patunga, i whakahonoretia ahau, ā, i whakapaipaihia ki te karauna; e rau ngā moni koura i ringihia ki ōku waewae. I uru te tāone katoa ki te wā hararei. I rangona ngā kōrero mutunga kore i ngā taha katoa mō taku wikitoria i tētahi o ngā taika nui rawa atu, tino nanakia hoki i kitea. I tukuna mai a Raja

Begum ki ahau, e ai ki te kupu whakaari, engari kāore au i rongo i te harikoa. Kua uru mai he huringa wairua ki roto i tōku ngākau. Te āhua nei i taku putanga whakamutunga mai i te whare herehere kua kati hoki e au te tatau mō aku wawata o te ao."

"I muri mai ka puta he wā pōuri. E ono marama ahau e tata mate ana i te paihana toto. I taku oranga ake ka taea e au te wehe atu i Cooch Behar, ka hoki ahau ki taku tāone tupu."

"E mōhio ana ahau ināianei ko taku kaiako te tangata tapu nāna i whakatūpato.' I whaki ahau i tēnei ki tōku matua me te whakaiti. 'Āe, me i kitea ia e au!' He pono tōku hiahia, i tētahi rā ka tae mai te tangata tapu, kāore i te mōhiotia.

"Kua nui o taika te whakangāwari. Ia kōrero me marino whakapumautanga Haere mai me ahau; ahau ka whakaako koe ki

'Pehia ngā kararehe o te kuware e kopikopiko ana i roto i ngā ngahere o te hinengaro tangata. Kua taunga koe ki te hunga whakarongo: kia waiho hei ao o ngā anahera, e whakangahauhia ana e tō pūkenga whakahihiri o te yoga!'

"I whakaurua ahau ki te ara wairua e taku tohunga tapu. Nāna i whakatuwhera ngā tatau o tōku wairua, he waikura, he pakari hoki, kua roa e kore e whakamahia. I a māua e hono ana, ka haere māua ki taku whakangungu ki ngā maunga o Himalaya."

I piko māua ko Chandi ki ngā waewae o te swami, me te whakawhetai ki tana whakaahuatanga oraora o te orange tino rite ki te awhiowhio. I tino whai hua ahau mō te tatari roa i roto i te rūma makariri!

Te Te Rerenga Tapu

"I kite ahau i tētahi yogi e noho ana i te rangi, e maha putu i runga ake i te whenua, i tētahi hui rōpū inapo." He mea whakamiharo te kōrero a taku hoa, a Upendra Mohun Chowdhury.

I ataata ahau ki a ia me te ngākau hihiko. "Tērā pea ka taea e au te whakaaro ko wai tōna ingoa. Ko Bhaduri Mahasaya nō Upper Circular Road?"

I pōkaikaha a Upendra, me te pōuri iti nā te mea kāore au i te kawhe pūrongo. I mōhiotia whānuitia taku hiahia ki ngā tāngata tapu e ōku hoa; i harikoa rātou ki te whakatakoto i ahau ki tētahi ara hou.

"E tata ana te kāinga o te yogi ki tōku kāinga, nō reira he maha aku haerenga atu ki a ia." Nā aku kupu i kukume mai te aro ki te mata o Upendra, ā, ka nui ake tōku māia.

"Kua kite ahau i a ia e mahi ana i ngā mahi whakamiharo. Kua tino matatau ia ki ngā momo *pranayama* 7-1." o ngā yoga waru tawhito i whakamāramahia e Patanjali. 7-2 I tētahi wā, i whakahaerehia e Bhaduri Mahasaya te *Bhastrika Pranayama* i mua

i ahau me te kaha whakamiharo, ā, me te mea nei kua puta he tupuhi tūturu i roto i te rūma! Kātahi ka tineia e ia te manawa whatitiri, ā, noho tonu ia me te kore e nekeneke i roto i te āhua teitei o te hinengaro i roto i te ao tūroa. **7-3** Ko te āhua o te rangimārie i muri i te awa i tino mārama, e kore e warewaretia."

"Au i rangona tērā te tapu kāore rawa rau tāna kāinga." Upendra's reo i he mea iti noa iho kāore i te whakapono

"He pono rawa! E rua tekau tau ia e noho ana i roto i te whare. Ka whakangawari ake ia i tana ture i whakaritea e ia i ngā wā o ā tātou hakari tapu, ina haere ia ki te taha o tana ara hikoi! Ka huihui ngā kai tono kai ki reira, nā te mea e mōhiotia ana a Hato Bhaduri mō tōna ngākau atawhai."

"Me pēhea e mahi ana ia noho tonu i roto te hau, whakakeke te ture o te kaha ā-papa?"

"Ka ngaro te whakarihariha o te tinana o te yogi i muri i te whakamahinga o ētahi *pranayama*. Kātahi ka rere, ka pekepeke rānei pērā i te poroka e pekepeke ana. Ahakoa ngā hunga tapu kāore e mahi i te yoga ōkawa ~~7-4~~ kua mōhiotia ka rere i te wā e tino aroha ana ki te Atua."

"E hiahia ana ahau ki te mōhio atu mō tēnei tangata whakaaro nui. Kei te haere koe ki āna hui o te ahiahi?" I pīataata ngā kanohi o Upendra i te hiahia nui.

"Āe, he maha aku haerenga. He tino harikoa ahau ki te wairua o tōna whakaaro nui. I ētahi wā ka whakakino taku kata roa i te hui nui o āna huihuinga. Kāore te tangata tapu i te riri, engari he tino kino āna ākongā!"

I taku hokinga mai i te kura i taua ahiahi, i taha atu ahau i te whare karakia o Bhaduri Mahasaya, ā, ka whakatau ahau kia toro atu. Kāore te iwi whānui e taea te toro atu ki te yogi. Ko tētahi ākongā anake, e noho ana i te papa o raro, i tiaki i te tūmataitinga o tōna rangatira. He rite te ākongā ki te matini; i pātai mana ia mēnā he "taumau" taku. I puta mai tana tohunga i te wā tika hei whakaora i ahau i te peinga ohorere.

"Tukua a Mukunda kia haere mai ina pai ia." Ka kimo ngā kanohi o te tangata whakaaro nui. "Ehara taku ture mō te noho motuhake i te mea hei whakamarie mōku ake, engari hei whakamarie mō ētahi atu. Kāore te hunga o te ao e pai ki te pono e pakaru ai ō rātou whakaaro pohehe. Ehara i te mea he onge noa iho ngā tāngata tapu, engari he mea whakararuraru hoki. Ahakoa i roto i ngā karaipiture, he maha tonu te wā ka kitea he whakama rātou!"

I aru ahau i a Bhaduri Mahasaya ki tōna whare iti i te papa o runga, ā, kāore ia i te tino neke atu i reira. He maha ngā wā ka warewarehia e ngā rangatira te tirohanga whānui o te ao, ka ngaro te arotahi engari ka aro ki ngā tau. Ehara i te mea ko ngā tāngata o taua wā he hunga whaiti o nāianei anake.

"Maharihi, ~~7-5~~ koe kei te tuatahi yogi ahau whai mōhiotia ko wai i ngā wā katoa ngā nohoanga roto."

"Atua ngā tipu tāna hunga tapu i ētahi wā i roto ohorere oneone, kei mātou whakaaro mātou mei whakaiti Ia ki he ture!"

I mau tonu te tangata whakaaro nui i tōna tinana oraora ki te tūnga rōhi. I ōna tau whitu tekau, kāore ia i whakaatu i ngā tohu kino o te koroheketanga, i te noho noa rānei. He pakari, he tika, he tino pai ia i ngā āhuetanga katoa. Ko tōna mata he tērā o tētahi *rishi* , e ai ki ngā tuhinga onamata. He upoko rangatira, he nui ngā pahau, he tika tonu tōna nohoanga, ko ōna kanohi marino e aro tonu ana ki te Atua i ngā wāhi katoa.

Te tapu me ahau i tomo te whakaaroaro kāwanatanga. I muri he haora, tāna ngawari reo whakaohokia ahau.

"He maha āu haerenga ki te wā puku, engari kua whakawhanakehia e koe *te anubhava*?" 7-6 I whakamahara mai ia ki ahau kia nui ake te aroha ki te Atua i te whakaaroaro. "Kaua e pohehe te tikanga mō te Whāinga."

I tukuna mai e ia ētahi māngo ki ahau. Me te wairua harikoa i kitea e au he tino pai i roto i tōna āhua pōuri, ka mea ia, "He nui ake te aroha o te iwi ki te *Jala Yoga* (te whakakotahitanga ki te kai) i te *Dhyana Yoga* (te whakakotahitanga ki te Atua)."

Tōna kai-yōki kupu whakakatakata pāngia ahau me te ngangau nui.

"Kātahi te kata nui āu!" Ka puta te kanapa aroha ki roto i tana titiro. He mata nui tonu tōna, engari he ataata harikoa. Ko ōna kanohi nui, he kōwhai, he kata atua huna.

"Nō Amerika tawhiti aua reta." I tohu te tohunga i ētahi reta matotoru i runga i tētahi tēpu. "Kei te tuhituhi au ki ētahi rōpū o reira e hiahia ana ō rātou mema ki te yoga. Kei te tūhura hou rātou i Īnia, me te huarahi pai ake i a Columbus! E koa ana ahau ki te āwhina i a rātou. He kore utu te mātauranga yoga ki te hunga katoa e pai ana ki te whiwhi, pērā i te awatea kore whakapaipai."

" Kāore e hiahiatia kia whakararuraruhia ngā mea e kitea ana e *ngā rishis he mea nui mō te whakaoranga o te tangata e te Hauāuru. Ahakoa he rite te wairua, ahakoa he rerekē ngā wheako o waho, e kore te Hauāuru, te Rawhiti rānei e tupu mena kāore he momo yoga whakahaere e whakamahia.*"

I pupuri mai te tangata tapu i ahau me ōna kanohi marino. Kāore au i mōhio he arataki poropiti huna tana kōrero. I a au e tuhi ana i ēnei kupu, ka mārama ahau ki te tikanga katoa o ngā kōrero tuku iho i homai e ia ki ahau, arā, i tētahi rā ka kawea e au ngā whakaakoranga a Īnia ki Amerika.

PĀTURI MAHAHAIA
"Te Te Rerenga "Hāta Tapu"

"E te Ariki," ka pātai atu ahau, "he aha koe te tuhi ai i tētahi pukapuka mō te yoga hei painga mō te ao?" "Kei te whakangungu ahau i ngā ākonga," te whakahoki a Ia. "Ko rātou me ā rātou ākonga hei pukapuka ora, hei taunakitanga mō te pakaru o te wā me ngā whakamāramatanga koretake a ngā kairīti."

"Maharihi, ahau hiahia koe e tuhituhi he pukapuka i runga yoga mō te painga o te ao."

"Kei te whakangungu ahau i ngā ākonga. Ko rātou me ā rātou ākonga hei pukapuka ora, hei taunakitanga mō te pakaru o te wā me ngā whakamāramatanga rerekē a ngā kairīti." Nā te katakata a Bhaduri i kata ahau.

I noho ko au anake me te yogi tae noa ki te taenga mai o āna ākonga i te ahiahi. Bhaduri Mahasaya i uru atu ki tētahi o ana whaikōrero whakamiharo. Pērā i te waipuke marino, i horoia atu e ia ngā paru hinengaro o ana kaiwhakarongo, ka whakaterea rātou ki te Atua. I whakapuakina ana kōrero whakarite whakamiharo i roto i te reo Bengali tino tika.

I tēnei ahiahi, i whakamārama a Bhaduri i ngā whakaaro maha e pā ana ki te oranga o Mirabai, he rangatira Rajputani o ngā wā o waenganui i whakarērea tōna oranga kooti hei rapu hoa mō ngā sadhu. I whakakahoretia ia e tētahi sannyasi nui nā te mea he wahine ia; nā tana whakautu i ara ake ai ia ki runga.

"Kōrero atu ki te rangatira," tana kī, "kāore au i mōhio he Tāne kei te ao whānui engari ko te Atua anake; ehara ianei tātou katoa i te wahine i mua i a Ia?" (He whakaaro i roto i te karaipiture mō te Ariki anake te Mātāpono Auaha Pai, ko tana hanganga he *maya kore noa iho*.)

He maha ngā waiata harikoa i titoa e Mirabai, ā, e mau tonu ana te taonga ki Īnia; ka whakamāoritia e au tētahi o aua waiata i konei:

"Me i taea te mohio ki te Atua mā te kaukau i
ia rā, Kua wawe ahau te noho hei tohorā i te
hohonu;"

Me i te kai i ngā pakiaka me ngā hua ka mōhiotia
ia. Ka koa ahau ki te whiriwhiri i te āhua o te
koati;

Me i whakakitea ia e te tatau i ngā
rōhari, ka inoi ahau i runga i ngā titi
nunui; Me i whakakitea ia e te piko ki mua

i ngā whakapakoko kōhatu he maunga
kiripaka, ka koropiko whakaiti ahau;

Me i inu waiū te Ariki, he tokomaha ngā kuao

kau me ngā tamariki e mōhio ki a Ia;
Ki te mea he karanga ki te Atua te
whakarēreatanga o te wahine, Ehara ianei i te
mano tini hei unaka?
E mōhio ana a Mirabai, ko te Aroha anake te
mea e kore e taea te huna, kia kitea ai te
Atua."

He maha ngā ākonga i whakatakoto i ngā rūpi ki roto i ngā hū o Bhaduri i takoto i tōna taha i a ia e noho ana i roto i te tū yoga. Ko tēnei whakahere whakaute, he tikanga i Inia, e tohu ana ka whakatakotoria e te ākonga āna taonga ki ngā waewae o te guru. Ko ngā hoa whakawhetai ko te Ariki anake i roto i te huna, e tiaki ana i āna ake.

"E te Kaiwhakaako, he mīharo koe!" I a ia e haere ana, ka titiro matatau atu tētahi tauira ki te tohunga matua. "Kua whakarērea e koe ngā taonga me ngā whakamarie hei rapu i te Atua, hei whakaako hoki i te whakaaro nui ki a mātou!" I mōhiotia whānuitia i whakarērea e Bhaduri Mahasaya ngā taonga nui o te whānau i tōna tamarikitanga, ā, i te wā i uru atu ai ia ki te ara yoga, me te whakaaro nui.

"Kei te huripokitia e koe te keehi!" He riri ngawari te mata o te tangata tapu. "He iti noa ngā rūpi i mahue i ahau, he iti noa iho iti ngā ahuareka, mō he ao whānui emepaea o mutunga kore harikoa Me pēhea kātahi whai ahau whakakahoretia "He aha tāku e mea nei? E mōhio ana ahau ki te harikoa o te tohatoha i te taonga. He patunga tapu tēnā? Ko te hunga matapōkere o te ao, ko rātou tonu te hunga tino whakarērea! Ka whakarērea e rātou tētahi taonga atua kāore e rite mō tētahi ringa rawakore o ngā taonga takaro o te ao!"

I kata ahau mō tēnei tirohanga rerekē o te whakarēreatanga - he tirohanga e maka ana i te potae o Croesus ki runga i tētahi tangata tapu rawakore, i te wā e huri ana i ngā mirionaere whakahihī katoa hei mārati ngaro.

"Ko te tikanga atua te mea e whakarite ana i tō tātou heke mai me te whakaaro nui atu i tētahi atu kamupene inihua." Ko ngā kupu whakamutunga a te rangatira te whakapono i whakatinanahia o tōna whakapono. "Kī tonu te ao i ngā whakapono āwangawanga e noho ana i te haumaruru o waho. Ko ō rātou whakaaro kawa he rite ki ngā koha i ō rātou rae. Ko te Tangata nāna i homai te hau me te miraka ki a tātou mai i tō tātou manawa tuatahi e mōhio ana me pēhea te whakarato i ia rā, i ia rā mō āna tāngata tapu."

I haere tonu ahau i aku haerenga i muri i te kura ki te tatau o te tangata tapu. Me te ngākau nui puku, i āwhina ia i ahau kia eke ki *te anubhava*. I tētahi rā ka neke ia ki Ram Mohan Roy Road, tawhiti atu i te rohe o tōku kāinga i Gurpar Road. Nā āna ākonga aroha i hanga he whare karakia hou mōna, e mōhiotia ana ko "Nagendra Math." 7-7

Ahakoa he maha ngā tau e whakaroa ana i ahau i mua i taku kōrero, ka kōrerotia e au i konei ngā kupu whakamutunga a Bhaduri Mahasaya. I mua tata i taku haerenga ki te Hauāuru, ka rapua ia e au, ā, ka tuturi mārire ahau mō tana manaakitanga poroporoaki:

"E tama, haere ki Amerika. Tangohia te mana o Īnia hina hei whakangungu rakau māu. Kua tuhia te wikitoria ki tō rae; ka manaakihia koe e te iwi rangatira o tawhiti."

A Īnia Nui Kaipūtaiao, JC Bose

"Jagadi" Chandra Bose's ahokore ngā mea hou i mua i te wā ērā o Mākoni."

I taku rongonga i tēnei kōrero whakaohoho, ka hiko i ahau ki tētahi rōpū ahorangi e kōrero ana mō te pūtaiao i te taha o te rori. Mēnā he whakapehapeha iwi taku i uru atu ai, ka pouri ahau. Kāore e taea e au te whakakore i taku hiahia nui ki ngā taunakitanga e whakaatu ana ka taea e Īnia te whai wāhi nui ki te ahupūngao, ehara i te mea ko te matatika anake.

"He aha mahi koe tikanga, e te rangatira?"

I whakamārama te ahorangi me te ngākau māhaki. "Ko Bose te tuatahi ki te hanga i tētahi taputapu honohono ahokore me tētahi taputapu hei tohu i te hurihanga o ngā ngaru hiko. Engari kāore te kaipūtaiao Īnia i whakamahi i ana mahi auaha hei mahi arumoni. Kāore i roa ka tahuri tōna aro mai i te ao kore-warō ki te ao warō. Ko ana kitenga hou hei tohunga koiora tipu kei te hipa ake i ana whakatutukitanga nui hei tohunga ahupūngao."

I mihi mārire atu ahau ki taku kaiārahi. I tāpiri atu ia, "Ko te kaipūtaiao nui tētahi o ōku teina ahorangi i te Presidency College."

I te aonga ake ka toro atu ahau ki te tangata whakaaro nui i tōna kāinga, e tata ana

ki tōku kāinga i Gurpar Road. Kua roa ahau e miharo ana ki a ia mai i tawhiti me te whakaute. I mihi mai te tohunga tipu kua mate, kua okioki hoki ki ahau me te atawhai. He tangata ātaahua, pakari ia, kei roto i ōna tau rima tekau, he makawe matotoru, he rae whānui, me ngā kanohi pōuri o te moemoeā. Ko te tika o ōna reo i whakaatu i te tikanga pūtaiao o tōna orange katoa.

"Nō nā tata nei ahau i hoki mai i tētahi haerenga ki ngā rōpū pūtaiao o te Hauāuru. I whakaatu ō rātou mema i te hiahia nui ki ngā taputapu ātaahua o taku mahi auaha e whakaatu ana i te

te kotahitanga kore e taea te wehewehe o ngā mea ora katoa. **8-1** "Ko te rahi o te Bose crescograph he tekau miriona ngā whakanuinga. He torutoru mano noa iho ngā wā ka whakanuia e te karu hiko; heoi i kawea mai e ia he kaha nui ki te pūtaiao koiora. Ka whakatuwherahia e te crescograph ngā tirohanga e kore e taea te tatau."

"He nui āu mahi, e te rangatira, ki te whakateretere i te awhi o te Rawhiti me te Hauāuru ki roto i ngā ringa kore-whaiaro o te pūtaiao."

"I kuraina ahau ki Cambridge. He tino whakamiharo te tikanga o te Hauāuru ki te tuku i ngā ariā katoa kia whakamanahia mārire mā te whakamātautau! Kua haere tahi taua tukanga wheako me te taonga mō te tiro tiro i roto i a ia anō, koia nei tōku taonga tuku iho i te Rawhiti. Nā rāua i āhei ai ahau ki te wetewete i ngā wā puku o ngā ao tūturu kua roa e kore e kōrerohia. Ko ngā tūtohi tohu o taku crescograph **8-2** he taunakitanga mō te hunga tino ruarua he tairongo te pūnaha io o ngā tipu, ā, he kanorau hoki te oranga ngākau. Ko te aroha, te mauahara, te harikoa, te wehi, te ahuareka, te mamae, te whakaohoho, te hiamoe, me te tini o ngā urupare tika ki ngā whakaohoho he mea noa i roto i ngā tipu me ngā kararehe."

"Ko te ngau ahurei o te ora i roto i ngā mea hanga katoa he rite noa ki te whakaahua rotarota i mua i tō taenga mai, e te Ahorangi! Ko tētahi tangata tapu i mōhio ahau i mua e kore rawa e hutia he putiputi. 'Me tango e ahau te whakapehapeha o te rakau rōhi ki tōna ataahua? Me whakaiti kino e ahau tōna mana mā taku tango kino?' Ko āna kupu aroha kua whakamanahia i roto i ō kitenga!"

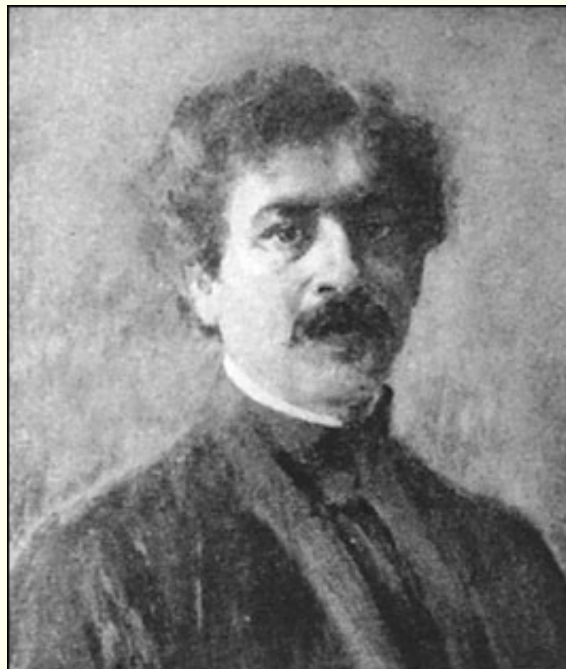

"E piri ana te kaitito ki te pono, ko te kaipūtaiao ia e whakatata mai ana me te whakama. Haere mai ki taku taiwhanga i tētahi rā, kia kite i te whakaaturanga mārama o te crescograph."

I te ngākau whakawhetai, i whakaae ahau ki te pōwhiri, ā, ka haere atu ahau. I muri mai ka rongo ahau kua wehe atu te tohunga tipu i te Kareti o te Perehitini, ā, kei te whakamahere ia i tētahi pokapū rangahau ki Calcutta.

I te whakatuwheratanga o te Whare Wānanga o Bose, i tae atu ahau ki ngā karakia whakatapu. He rau ngā tāngata hihiri e hikoi haere ana i te whare. I miharo ahau ki te toi me te tohu wairua o te kāinga hou o te pūtaiao. Ko tōna kūaha o mua, i kite ahau, he taonga tawhito nō tētahi wāhi tapu i tawhiti. I muri i te putiputi rākau **8-3** I roto i te puna, he wahine whakairo me te rama e whakaatu ana i te whakaute o Īnia ki te wahine hei kaikawe māramatanga korekore. I roto i te mārā he temepara iti i whakatapua ki te Noumenon i tua atu i ngā āhuratanga. Ko te whakaaro ki te kore tinana atua i tohuhia e te korenga o tetahi whakapakoko aata.

Bose's kōrero i runga tēnei nui wā pea whai i tukuna mai i te ngutu o kotahi o te
whakaaweawe tawhito

ngā *rishi*

"I whakatapua e au tēnei Whare Wānanga i tēnei rā, ehara i te mea hei taiwhanga
noa iho, engari hei temepara." I tahaetia tōna mana tapu, pērā i te koroka ngaro i

runga i te whare matakitaki kī tonu i te tangata. "I a au e whai ana i aku rangahau, i arahina pōhēhētia ahau ki te rohe o te ahupūngao me te mahi tinana. I miharo ahau, i kitea e au

ka ngaro haere ngā rohe, ka puta ake ngā pūwāhi e pā ana ki waenganui i te ao o te mea ora me te mea kore ora. I kitea te mea kore-ora he mea mangere; he mea whakahihiri i raro i te mahi a ngā mana maha.

"I te āhua nei i kawea mai e te tauhohenga whānui te whakarewa, te tipu me te kararehe ki raro i te ture noa. I whakaatuhia e rātou katoa te āhua o te ngenge me te pouri, me ngā āheinga o te whakaoranga me te o te whakanui, hei puna hei te pumau kore aro e pā ana me te mate. Kua kī I te miharo ki tēnei whakarapopototanga whakamiharo, me te tino tumanako i whakapuaki ahau i aku hua ki te aroaro o te Royal Society - ngā hua i whakaaturia mā roto i ngā whakamātautau. Engari i tohutohu mai ngā tohunga tinana i reira kia arotahi ahau ki ngā rangahau tinana, ā, kua tino angitu ahau, kaua e takahi i ō rātou tikanga. I kotiti kē ahau ki roto i te ao o tētahi pūnaha kāwai tauhou, ā, nā reira i takahi i ōna tikanga.

"I kitea anō hoki he whakaaro whakapono kore mohio, e whakapoauau ana i te kuware me te whakapono. He maha ngā wā ka warewarehia ko Ia, nāna tātou i karapoti ki tēnei mea ngaro o te hanganga e whanake tonu ana, kua whakatōkia hoki ki roto i a tātou te hiahia ki te pātai me te marama. I roto i ngā tau maha o te marama hē, ka mōhio ahau ko te orange o te tangata e aroha ana ki te pūtaiao he mea kī tonu i te pakanga mutunga kore. Ko tāna he tuku i tōna orange hei whakahere hihiri - e pā ana ki te hua me te mate, te angitu me te korenga, hei kotahi."

"Nō te wā, ka whakaaetia aku ariā me aku hua e ngā rōpū pūtaiao matua o te ao, ā, ka mōhio ki te hiranga o te takoha a Īnia ki te pūtaiao." **8-4** E taea rānei e tetahi mea iti, e tetahi mea kua whakawhāitihia te whakamātau i te hinengaro o Īnia? Nā te tikanga ora tonu, me te mana ora o te whakahoutanga, kua whakatikatikahia e tēnei whenua ia ia anō mā roto i ngā panonitanga kore e taea te tatau. Kua ara ake tonu ngā Īnia, kua whakarērea te taonga o te wā tonu, ā, kua rapua te whakatutukitanga o ngā wawata teitei o te ao - ehara i te mea mā te whakarerenga noa, engari mā te pakanga kaha. Ko te ngoikore kua whakakahore i te pakanga, kāore he mea i whiwhi, kāore he mea hei whakarere. Ko ia anake kua tohe, kua toa, ka taea te whakarei i te ao mā te hoatu i ngā hua o tana wheako wikitoria.

"Ko ngā mahi kua oti kē i te taiwhanga Bose mō te urupare a te matū, me ngā whakakitenga ohorere i roto i te orange tipu, kua whakatuwherahia he whānuitanga o ngā rangahau i roto i te ahupūngao, i te mahi tinana, i te rongoā, i te ahuhenua, tae noa ki te hinengaro. Ko ngā raruraru i whakaarohia i mua he mea kore e taea te whakatau, kua kawea mai inaiane ki roto i te ao rangahau whakamātautau."

"Engari, e kore e taea te angitu nui me te kore he tino tika. Nō reira te roa o te pūhiko o ngā taputapu me ngā taputapu tino tairongo o taku hoahoa, e tū ana i mua i a koutou i tēnei rā i roto i ō rātou pouaka i te whare tomokanga. E kōrero ana rātou ki a koutou mō ngā mahi roa ki te whakauru i te āhua tinihanga ki roto i te mooni e

kore e kitea, o te mahi tonu me te tohe me te rauemi e hiahiatia ana hei wikitoria i ngā herenga tangata. E mōhio ana ngā kaipūtaiao auaha katoa ko te taiwhanga pono ko te hinengaro, kei reira i muri i ngā mānukanuka ka hurahia e rātou ngā ture o te pono."

"Ehara ngā kauhau e tukuna ana i konei i te whakahoki noa i ngā mōhiotanga tuarua. Ka whakapuakina ngā kitenga hou, ka whakaaturia mō te wā tuatahi i roto i ēnei whare. Mā te whakaputanga auau o ngā mahi a te Whare Wānanga, ka tae atu ēnei takoha a Īnia ki te ao katoa."

Ka waiho hei taonga tūmatanui. Kāore he mana patent e tangohia. Ko te wairua o tō tātou ahurea ā-motu e kī ana kia noho watea tātou ake ake i te whakapoke i te mātauranga mō te painga whaiaro anake.

"Ko tāku hiahia anō kia wātea ngā ratonga o tēnei Whare Wānanga, ki ngā wāhi katoa e taea ana, ki ngā kaimahi o ngā whenua katoa. I roto i tēnei, e ngana ana ahau ki te pupuri i ngā tikanga tuku iho o tōku whenua. Mai anō i ngā rautau rua tekau mā rima, i manaaki a Īnia i ngā mātauranga o ngā wāhi katoa o te ao ki ōna whare wānanga onamata, i Nalanda me Taxila."

"Ahakoa pūtaiao ko kāore hoki o te Te Rawhiti kāore hoki o te Te Hauāuru engari engari ao whānui i roto tōna whānui, engari he tino rite a Īnia ki te tuku takoha nui.

8-5 Ko te whakaaro nui o Īnia e mura ana, e kaha ana ki te tango i tētahi tikanga hou mai i tētahi puranga o ngā meka e āhua taupatupatu ana, ka puritia e te tikanga o te arotahi. Mā tēnei aukati ka hoatu te mana ki te pupuri i te hinengaro ki te rapu i te pono me te manawanui mutunga kore.

I tū ngā roimata i roto i ōku kanohi i ngā kupu whakamutunga a te kaupūtaiao. Kāore ianei te kupu "manawanui" i te kupu rite ki a Īnia, e whakapoauau ana i te Wā me ngā kaituhi hītori?

I toro atu anō ahau ki te pokapū rangahau, i muri tata mai i te rā i whakatuwheratia ai. Nā te tohunga tipu nui, i mahara ki tana kupu whakaari, i haria ahau ki tana taiwhanga marino.

"Ka tāpirihia e au te crescograph ki tēnei rarauhe; he tino nui te whakanui. Me i whakanuia te ngokingoki a te ngata i roto te ōrite ōwehenga, te mea hanga e puta ki kia haereere rite he tere tereina!"

I aro nui atu taku titiro ki te mata e whakaata ana i te atarangi o te rarauhe kua whakanuia. Kua mārama te kite i ngā nekehanga iti o te ora; he puhoi rawa te tipu o te tipu i mua i ōku kanohi miharo. I pā te kaupūtaiao ki te pito o te rarauhe me tētahi pae whakarewa iti. I mutu ohorere te whakaari kanikani e whanake ana, ā, ka hoki anō ki ngā rangi waiata whai kiko i te wa tonu i tangohia ai te tokotoko.

"I kite koe i te kino o te pokanoa iti o waho ki ngā kiko tairongo," te kī a Bose. "Mātakitaki mai; ka hoatu e au te chloroform, kātahi ka hoatu he rongoā ārai mate."

Nā te pānga o te chloroform i aukati te tipu katoa; he whakaoraora te rongoā. Nā ngā nekehanga whanaketanga i runga i te mata i pupuri i ahau, nui atu i te kōrero "kiriata". I werohia e taku hoa (i konei hei tangata kino) tētahi mea koi i roto i tētahi wāhanga o te rarauhe; i tohuhia te mamae e ngā wiri wiri. I tana werohanga i tētahi wāhanga o te heu i roto i te kakau, ka tino oho te atarangi, kātahi ka mutu me te tohu whakamutunga o te mate.

"Mā te whakakōroiroi i tētahi rākau nui i te tuatahi, i angitu taku whakawhitinga. I te nuinga o te wā, ka tere te mate o aua momo rangatira o te ngahere i muri i te nekehia." Ka menemene harikoa a Jagadis i a ia e kōrero ana i te mahi whakaora ora. "Kua whakaatuhia e ngā kauwhata o aku taputapu ngawari he pūnaha tohanga toto tō ngā rākau; e rite ana ngā nekehanga o ō rātou wai ki te toto toto o ngā tinana kararehe. Kāore e taea te whakamārama i te pikinga o te wai i runga i ngā take miihini e matatau ana, pērā i te kukume capillary. Kua whakatauhia te āhuatanga mā te crescograph hei mahi a ngā pūtau ora. Ka puta mai ngā ngaru peristaltic mai i tētahi ngongo porotaka e toro atu ana ki raro i te rākau, ā,

he ngākau tūturu! Ko te hohonu ake o tā tātou tirohanga, ko te tino kitea o te taunakitanga e hono ana te mahere ōrite i ngā āhua katoa o te taiao maha."

Te nui kaipūtaiao tohu ki tētahi atu Bose taputapu

"Māku e whakaatu ki a koutou ngā whakamātautau i runga i tētahi tine. Ka pā kino, ka pā pai rānei te mauri ora i roto i ngā mea whakarewa ki ngā whakaohoho. Mā ngā tohu waituhi e tuhi ngā momo tauhohenga."

I roto i te hohonu o taku aro, ka mātakitaki ahau i te kauwhata e tuhi ana i ngā ngaru āhuatanga o te hanganga ngota. I te wā i pania ai e te ahorangi te chloroform ki te tine, ka mutu ngā tuhituhi wiri. Ka tīmata anō i te hokinga mārere o te konganuku ki tōna āhua noa. I tukuna e taku hoa he matū paitini. I te wā kotahi me te wiri o te pito o te tīni, ka tere te pao o te ngira i tuhi pānui mate ki runga i te tūtohi.

"Kua whakaatuhia e ngā taputapu Bose ko ngā konganuku, pērā i te maitai e whakamahia ana i roto i ngā kutikuti me ngā mīhini, ka pāngia e te ngenge, ā, ka hoki anō te pai o te mahi mā te okioki i ia wā. Ka tino kino, ka tineia rānei te ora o ngā konganuku mā te whakamahi i ngā iahiko hiko, i te pēhanga nui rānei."

ahau titiro huri noa te rūma i te tini ngā mea hou, kōrero matatau whakaaturanga o he kore e ngenge te auahatanga.

"E te Ariki, he mea pouri te korenga o te tere o te whanaketanga o te ahuwhehua nui mā te whakamahi whānui i ō tikanga whakamiharo. Kāore ianei e taea te whakamahi i ētahi o ēnei i roto i ngā whakamātautau taiwhanga tere hei whakaatu i te awe o ngā momo tongi ki te tipu o ngā tipu?"

"He tika tāu. He maha ngā whakamahinga o ngā taputapu Bose ka whakamahia e ngā whakatupuranga o muri mai. Kāore i te maha ngā wā ka mōhio te kaipūtaiao ki te utu o taua wā; he nui noa iho hei whiwhi i te harikoa o te mahi auaha."

Me te mihi nui ki te tangata whakaaro nui, ka haere atu ahau. "E kore rānei e taea te mimiti i te momona whakamiharo o tōna pūkenga?" i whakaaro ahau.

Kāore i heke te kaha i roto i ngā tau. I te hanga i tētahi taputapu uaua, te "Resonant Cardiology", ka whai a Bose i ngā rangahau whānui mō ngā tipu Inia maha. I huraina he rongoā nui whakaharahara o ngā rongoā whai hua. He tika te hanganga o te cardiograph, e tohu ana i te kotahi rau o te hēkona ki runga. he kauwhata. Ka ine ngā rekoata haruru i ngā pao tino iti i roto i te tipu, te kararehe me te tangata hanganga. I matapaetia e te tohunga tipu nui ko te whakamahinga o tana cardiograph ka arahi ki te vivisection i runga ngā tipu hei utu mō ngā kararehe.

"Ko ngā rekoata taha-taha o ngā pānga o te rongoā i hoatu ngātahi ki te tipu me te kararehe kua whakaatu i te kotahitanga whakamiharo," tana kī. "Kua tohuhia ngā mea katoa i roto i te tangata i roto i te tipu. Mā te whakamātautau i ngā tipu ka āwhina ki te whakaiti i te mamae o te tangata."

I muri i ngā tau, i tautokona ngā kitenga tipu paionia a Bose e ētahi atu kaipūtaiao. Ko ngā mahi i mahia i te tau 1938 i Te Whare Wānanga o Columbia i pūrongohia e *The New York Times* penei:

Kua whakatauhia i roto i ngā tau kua pahure ake nei, ina tukuna ngā karere e ngā io I waenganui i te roro me ētahi atu wāhanga o te tinana, ka puta he aukume hiko iti. Kua inehia ēnei aukume e ngā taputapu whakakaha uaua, ā, kua whakanuia miriona ngā wā e ngā taputapu whakakaha hou. Tae noa ki tēnei wā, kāore anō kia kitea he tikanga pai hei ako i ngā haerenga o ngā aukume i ngā muka io o ngā kararehe ora, o te tangata rānei nā te nui o te te tere o te haere o ēnei hihiri.

I kōrero a Tākuta KS Cole rāua ko HJ Curtis mō tā rāua kitenga ko ngā pūtau roa kotahi o te tipu wai māori, arā, ko te nitella, e whakamahia pinepinetia ana i roto i ngā peihana ika koura, he rite tonu ki ērā o ngā muka io kotahi. I tua atu, i kitea e rāua ko ngā muka nitella, ina whakaohokia, ka horahia ngā ngaru hiko e rite ana i ngā āhuatanga katoa, engari ko te tere, ki ērā o ngā muka io o ngā kararehe me te tangata. I kitea he puhoi ake ngā nekehanga o ngā io hiko i roto i te tipu i ērā o ngā kararehe. Nō reira, i whakamahia tēnei kitenga e ngā kaimahi o Columbia hei huarahi mō te tango pikitia nekehanga puhoi o te haerenga o ngā nekehanga hiko i roto i ngā io.

Nō reira, ka taea e te tipu nitella te huri hei momo kōhatu Rosetta hei wetewete i ngā mea ngaro e piri tata ana ki te rohe o te hinengaro me te ao tūroa.

He hoa pono a Rabindranath Tagore, te kaitito, nō te kaipūtaiao whakaaro nui o Īnia. Ki a ia, i kōrero te kaiwaiata reka o Bengali i ēnei rārangi kupu: **8-6**

E te Heremita, karanga mai i ngā kupu pono

Te Harikoa Kaiwhakatapu Ā, Tōna Ao tūroa Aroha

"Iti e te rangatira, tēnā koa kia noho ana. ahau am kōrero ki taku Atua "E te whaea."

I tomo puku ahau ki te rūma me te miharo nui. I miharo ahau ki te āhua āngera o te Ariki Mahasaya. Me tōna pahau ma, he hiraka, me ōna kanohi kanapa nui, i te āhua nei he whakaaturanga ia o te parakore. Nā tōna kauae i ara ake me ōna ringa i piko, i mōhio ahau kua whakararuraru taku haerenga tuatahi i a ia i waenganui o āna karakia.

Ko āna kupu mihi ngāwari i puta ai te pānga tino nanakia rawa atu i pā ki tōku wairua. Ko te wehenga kawa o te matenga o tōku whaea i whakaaro ahau ko te mehua o te mamae katoa. Ināianei ko te mamae i te wehenga atu i tōku Whaea Tapu he whakamamae wairua e kore e taea te kōrero. I hinga ahau ki te papa me te aue.

"Iti e te rangatira, marino koe anō!" Te tapu i me te aroha e pōuri ana

I mahue ahau i roto i te mokemoke o te moana, ā, i pupuri ahau i ōna

waewae hei waka whakaora mōku. "E te Ariki, tāu inoi! Pātai atu ki te Whaea

Tapu mēnā ka kitea e au he manaakitanga i roto i a Ia!"

Tenei kupu whakaari ko kotahi kāore ngāwari i hoatu te rangatira i herea ki te wā puku.

Kāore e taea te ruarua, i tino whakaponu ahau kei te kōrero piripono a Ariki Mahasaya ki te Whaea o te Ao. He tino whakama te mōhio kua matapo ōku kanohi ki a Ia, ahakoa i taua wā tonu, i kitea tonutia e te titiro tino tika a te tangata tapu. I a au e pupuri ana i ōna waewae me te kore whakama, me te kore whakarongo ki ana kupu whakahē ngawari, ka inoi tonu ahau ki a ia kia tonu mai i tana atawhai.

"Ka inoi ahau ki te Mea e Arohaina ana." Ka puta te tukunga iho a te rangatira me te ataata puhoi, aroha.

He aha mana i roto ērā torutoru ngā kupu, tērā taku te noho me mōhio tukunga mai i tōna pūkeri te peinga atu?

"E te Ariki, kia mahara ki tāu kupu taurangi! Ka hoki wawe mai ahau ki Tāna karere!" I rangona te harikoa i roto i tōku reo, i tangi pōuri nei i mua tata nei.

I taku hekenga i te arawhata roa, ka taupokina ahau e ngā maharatanga. Ko tēnei whare kei te 50 Amherst Street, ko te kāinga o Master Mahasaya ināianei, ko tōku kāinga whānau i mua, te wāhi i mate ai tōku whaea. I konei i pakaru ai tōku ngākau tangata mō te whaea kua ngaro; ā, i konei i tēnei rā kua rite tōku wairua ki te mea

kua ripekatia nā te ngaro o te Whaea Tapu. He pakitara tapu, he kaiwhakaatu puku
mō ōku mamae nui me te whakaora whakamutunga!

I tere tonu aku hikoinga i taku hokinga ki tōku kāinga i Gurpar Road. I a au e rapu
ana i te mokemoke o taku rūma iti, i noho tonu ahau ki te whakaaroaro tae noa ki te
tekau karaka. Kātahi ka whakamāramahia te pōuri o te pō mahana o Īnia e tētahi
tirohanga whakamiharo.

I tū te Whaea Atua i tōku aroaro, me te kororia nui. Ko tōna mata, me te ataata mārie, he ataahua tonu.

"I ngā wā katoa whai ahau i arohaina koe! Ake tonu atu me ahau aroha koe!"

Te rangi ngā oro tonu te tangi i roto te hau, Ia ngaro atu.

I te ata i muri mai, kāore anō kia ara ake te rā ki te taumata o te ataahua, ka haere tuarua ahau ki a Ariki Mahasaya. I taku pikinga i te arawhata i roto i te whare o ngā maharatanga whakamīharo, ka tae atu ahau ki tōna rūma i te papa tuawhā. Ko te poro o te tatau kua kati kua takaihia ki te kakahu; he tohu, i kite ahau, e hiahia ana te tangata tapu ki te noho motuhake. I a au e tū pakari ana i runga i te taunga, ka whakatuwheratia te tatau e te ringa manaaki a te rangatira. Ka tuturi ahau ki ōna waewae tapu. I roto i te wairua takaro, ka mau ahau i tētahi kopare tapu ki runga i tōku mata, e huna ana i te harikoa atua.

"E te Ariki, i tae mai ahau—i te atatu rawa, e whakaae ana ahau!—mō tāu karere. I kōrerotia mai e te Whaea Aroha tetahi mea mōku?"

"Pōrangi iti e te rangatira!"

Kāore tētahi atu kōrero e ia hanga Te āhua nei taku i whakaarohia kaha ā-papa i kāore i te tino miharo.

"He aha nā reira ngaro, nā reira karo? Meatia hunga tapu kāore rawa kōrero mārama?" Akene ahau i he iti i whakapataritarihia.

"Me whakamātautau koe i ahau?" Ki tonu ōna kanohi marino i te mārama. "Me tāpiri atu e au tētahi kupu i tēnei ata ki te kupu whakamana i riro mai i a koe inapo i te tekau karaka mai i te Whaea Ataahua tonu?"

I a Ariki Mahasaya te mana whakahaere i ngā tatau waipuke o tōku wairua: ka takoto anō ahau ki raro i ōna waewae. Engari i tēnei wā ka maringi ōku roimata i te harikoa, ehara i te mamae, kua kore e taea te pupuri.

"E whakaaro ana koe kāore tō aroha i pā ki te Aroha Mutunga Kore? Ko te Whaea o te Atua, i karakiatia e koe i roto i ngā āhua tangata me ngā āhua atua, e kore rawa e kore e whakautu i tāu karanga kua whakarērea."

Ko wai tēnei tangata tapu noa iho, ko tana tonu iti rawa ki te Wairua o te Ao i tutuki ki te whakaae reka? He iti noa iho tana mahi i te ao, he mea tika mō te tangata nui rawa atu o te ngākau mahaki kua mōhiotia e au. I roto i tēnei whare i Amherst Street, ko Master Mahasaya **9-1** I whakahaerehia e ia tētahi kura tuarua iti mō ngā tama tāne. Kāore he kupu whiu i puta i ōna ngutu; kāore he ture, he riri rānei i pupuri i tana tikanga. I whakaakona ngā pāngarau teitei i roto i ēnei akomanga iti, ā, kāore i roto i ngā pukapuka ako te matū o te aroha. I horahia e ia tōna whakaaro nui

mā te tuku wairua, kua mā te ako ā-ture.

I te mea kua horomia e te ngākau nui ki te Whaea Tapu, kāore te tangata tapu i tono i ngā momo whakaute o waho, pērā i tana tono i tētahi tamaiti.

"Ehara ahau i tō guru; ka tae mai ia ā muri ake nei," tana kī mai ki ahau. "Mā tana arataki, ka whakamaoritia ō wheako ki te Atua e pā ana ki te aroha me te ngākau pono ki roto i ana kupu whakaaro nui mutunga kore."

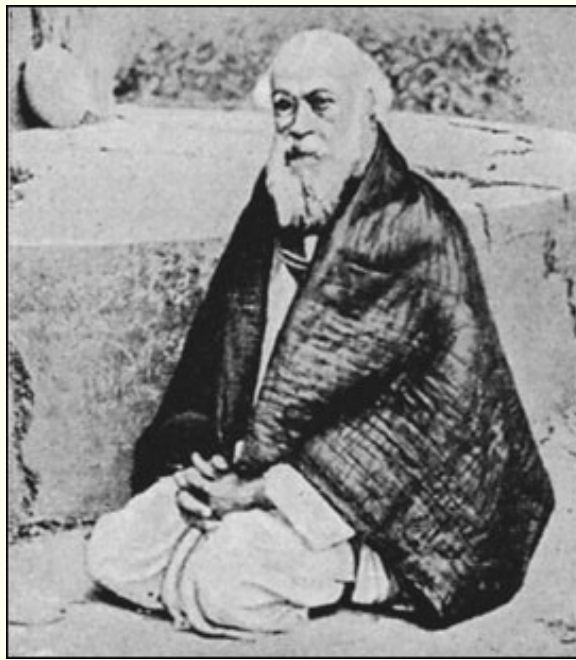

I ia ahiahi, ka haere ahau ki Amherst Street. I rapu ahau i te kapu atua a Master Mahasaya, kī tonu i a ia rā, ā, ka maringi mai ōna pata ki roto i ahau. Kāore anō ahau kia piko i mua me te tino whakaute; ināianei kua kite ahau he mea nui whakaharahara te takahi i te whenua kotahi i whakatapua e Master Mahasaya.

"E te Ariki, tēnā koa kakahuria tēnei pare champak i hangaia e au māu." I tae atu ahau i tētahi ahiahi, e pupuri ana i taku mekameka putiputi. Engari i te whakama, ka mawehe atu ia, me te whakakahore tonu i te honore. I te kitenga tōku mamae, ka menemene ia i te mutunga, ā, ka whakaae.

"I te mea he hunga karakia tāua ki te Whaea, ka taea e koe te whakairi i te karauna ki runga i tēnei temepara tinana, hei whakahere ki a Ia e noho ana i roto." Kāore i roto i tōna āhua whānui te wāhi hei tūnga mō te whakaaro whakapehapeha.

RUA NGĀ TUĀNE O THERESE NEUMANN
ahau tū me rātou i roto Konnersreuth, Pāwera.

RANGATIRA MAHAHAIA

Ake tonu atu kua uru atu i roto tāna harikoa ao whānui te aroha

"Me haere tāua āpōpō ki te Temepara o Dakshineswar, kua whakatapua ake nei e taku guru." He ākonga a Master Mahasaya nā te rangatira rite ki a te Karaiti, a Sri Ramakrishna Paramhansa.

I te ata i muri mai, i haere mātou mā runga poti i te awa o Ganges, e whā māero te roa. I tomo mātou ki te Temepara o Kali e iwa ngā tuanui, kei reira ngā whakapakoko o te Whaea Tapu me Shiva e takoto ana i runga i tētahi putiputi rākau hiriwa kua kanapa, ko ōna rau mano kua whakairohia kia ātaahua. I tiaho te kanohi o te Ariki Mahasaya i roto i te makutu. I uru atu ia ki tana aroha mutunga kore ki te Mea Aroha. I a ia e karanga ana i tōna ingoa, ko tōku ngākau i tino miharotia me te mea kua pakaru ki te mano ngā wahi.

I muri mai ka hikoi mātou i roto i ngā wāhi tapu, ka tū i roto i te ngahere tamarisk. Ko te mana i puta mai i tēnei rākau he tohu mō te kai rangi i homai e te Ariki Mahasaya. I haere tonu āna karanga atua. I noho pūmau ahau i runga i te tarutaru i waenganui i ngā putiputi tamarisk huruhuru māwhero. I te ngaro atu i te tinana mō tētahi wā poto, ka rere ahau i roto i te haerenga atua.

Koinei te tuatahi o ngā haerenga maha ki Dakshineswar me te kaiako tapu. Nāna ahau i ako ai i te reka o te Atua i roto i te āhua o te Whaea, te Aroha Tapu rānei. Kāore i kitea he ātaahua o te tapu tamariki i roto i te āhua o te Matua, te Tika Atua rānei. He rerekē te whakatau pakari, te whakatau tika, te whakatau pāngarau. ki tōna āhua ngawari.

"Ka taea e ia te mahi hei tauira whenua mō ngā anahera o te rangi!" i whakaaro ahau me te aroha, i a ia e matakitaki ana i a ia i tētahi rā e inoi ana. Kāore he

manawa whakahē, he whakahē rānei, i tiro tirohia e ia te ao me ngā kanohi kua roa e mōhio ana ki te Parakore Tuatahi. Ko tōna tinana, hinengaro, kōrero, me ana mahi i tino ōrite ki te ngawari o tōna wairua.

"I mea mai taku Ariki." I te ātete i te whakapuakitanga whaiaro, ka mutu te kupu tohutohu a te tangata tapu ki tēnei mihi pumau. Nā te hohonu o tōna tuakiri ki a Sri Ramakrishna, kāore a Ariki Mahasaya i whakaae kia

roa ake whakaarohia tāna ngā whakaaro hei tāna ake.

I a māua ko te tangata tapu e hikoi tahi ana i tētahi ahiahi i te poraka o tana kura. I memeha haere taku harikoa i te taenga mai o tētahi hoa whakahihi i whakararu i a māua ki tētahi kōrero roa.

"E kite ana ahau kāore tēnei tangata e pai ki a koe." Kāore i rangona e te tangata whakakake te kōrero a te tangata tapu, he mea miharo ki tana ake kōrero. "Kua kōrero ahau ki te Whaea Tapu mō tēnei mea; e mōhio ana ia ki tō tātou āhua pouri. Ina tae atu tātou ki tērā whare whero, kua oati ia ki te whakamahara i a ia ki ngā mahi nui ake."

I piri tonu ōku kanohi ki te wāhi o te whakaoranga. I te taenga atu ki te kūaha whero, ka tahuri te tangata, ka haere, kāore i mutu tana kōrero, kāore hoki i poroporoaki. I whakamarietia te hau e te rangimārie.

I tētahi atu rā ka kitea ahau e hikoi ana ko au anake i te taha o te teihana tereina o Howrah. I tū ahau mō tētahi wā poto i te taha o tētahi temepara, e whakahē puku ana i tētahi rōpū iti o ngā tāne me ā rātou pahu me ā rātou himipora e waiata kaha ana i tētahi karakia.

"Te koretake o tā rātou whakamahi i te ingoa tapu o te Ariki i roto i ngā whakahuatanga ā-ringa," i whakaaroaro ahau. I miharo taku titiro ki te tere o te whakatata mai a te Kaiwhakaako Mahasaya. "E te Ariki, he aha koe i tae mai ai ki konei?"

I te kore aro o te tangata tapu ki taku pātai, ka whakautua mai e ia taku whakaaro. "Kāore ianei i te pono, e te rangatira, he reka te tangi o te ingoa o te Aroha mai i ngā ngutu katoa, ahakoa kuware, ahakoa whakaaro nui?" I awhi mai ia i ahau me te aroha; I kitea ahau e amohia ana i runga i tana whāriki makutu ki te Aroaro Aroha.

"Kei te hiahia koe ki te mātaki i ētahi koiora?" He mea miharo tēnei pātai i tētahi ahiahi mai i a Master Mahasaya; i whakamahia te kupu i Inia hei tohu i ngā kiriata. I whakaae ahau, me te harikoa ki te noho tahi me ia ahakoa pēhea. Nā te hikoi tere i haria mātou ki te māra e anga atu ana ki Calcutta. Te Whare Wānanga. I tohua e taku hoa tētahi paepae tata ki te *koura*, ki te roto rānei.

"Me noho tāua ki konei mō ētahi meneti. I tonu tonu mai taku Ariki kia whakaaroaro ahau i ngā wā katoa ka kite ahau i te whānuitanga o te wai. I konei, ko tōna marino e whakamahara ana i a tātou ki te marino nui o te Atua. I te mea ka taea te whakaata i ngā mea katoa ki te wai, ka whakaatahia te ao katoa ki roto i te roto o te Hinengaro Ao. Koia te kī a taku *gurudeva*."

Kāore i roa ka tomo mātou ki te whare wānanga, kei reira te kauhau e haere ana. I tino hoha, ahakoa i ētahi wā ka rerekē ngā whakaahua o ngā kiriata rama, ā, kāore

i te tino pārekareka.

"Nō reira, koinei te momo tiroiro koiora i hiahia te rangatira kia kite ahau!" Kāore i manawanui taku whakaaro, heoi kāore au i pai kia whara te tangata tapu mā te whakaatu i te hoha ki tōku mata. Engari i piko puku mai ia ki ahau .

"E te rangatira, e kite ana ahau kāore koe i te pai ki tēnei whakaaturanga koiora. Kua kōrerotia e au ki te Whaea Tapu; e aroha nui ana ia ki a tāua. E mea mai ana ia ka tineia ngā rama hiko, ā, e kore e tahuna anō kia tae rā anō ki te wā e puta ai tāua i te rūma."

I te mutunga o tana kōrero hāmama, ka pōuri te whare. I whakamutua te reo nui o te ahorangi i te miharo, kātahi ka mea, "Te āhua nei he hapa te pūnaha hiko o tēnei whare." I tēnei wā, kua whiti haumarua māua ko Master Mahasaya i te paepae. I taku titiro whakamuri mai i te ara raro, ka kite ahau kua mārama anō te wāhi i mate ai māua.

"E te rangatira, i pouri koe i taua tiroiro koiora, **9-2** "engari ki taku whakaaro ka pai koe ki tētahi atu." I tū māua ko te tangata tapu i te taha o te ara hikoi i mua i te whare wānanga. I papaki mārie ia i tōku uma ki runga i tōna ngākau.

I puta mai he wā whakawātea. Pērā i ngā "kōrerorero" o ēnei rā ka ngaro te rongoi i ngā kiriata ina pakaru te taputapu oro, pērā anō te Ringa Atua, nā tētahi merekara rerekē, i aukati i te ngangau o te ao. Ko ngā kaihaereere me ngā waka tereina e haere ana, ngā motuka, ngā kārēti kau, me ngā waka wira rino, i roto katoa i te haere kore haruru. Me te mea he kanohi kei ngā wāhi katoa, i kite ahau i ngā tirohanga i muri i ahau, me ia taha, me te ngāwari o ērā i mua. Ko te whakaaturanga katoa o ngā mahi i taua wāhanga iti o Calcutta i haere i mua i ahau, kāore he tangi. Pērā i te mura ahi e kitea pōuri ana i raro i te paparanga angiangi o te pungarehu, ka horapa te mārama ngawari ki te tirohanga whānui.

Ko tōku tinana i rite noa ki tētahi o ngā atarangi maha, ahakoa kāore i nekeneke, ko ētahi i rere puku noa iho. He maha ngā tama, he hoa nōku, i whakatata mai, ā, i haere atu; ahakoa i titiro tika mai rātou ki ahau, kāore i mōhio e rātou.

Nā te whakaari motuhake i kawea mai he harikoa nui e kore e taea te kī. I inu nui ahau i tētahi puna harikoa. Kātahi ka pā mai tētahi atu whiu ngawari ki tōku uma mai i a Kaiwhakaako Mahasaya. Ka pakū mai te ngangau o te ao ki ōku taringa kāore i pai. I wiri ahau, me te mea kua ara ake i tētahi moemoeā. I neke atu te waina whakahirahira i tua atu i taku taea.

"E te rangatira, kua kitea e au te tuarua o ngā tiroiro koiora e pai ana ki a koe." I menemene te tangata tapu; ka tīmata ahau ki te tuku whakawhetai ki te whenua i mua i a ia. "Kāore e taea e koe te mahi i tēnā ki ahau ināianei; e mōhio ana koe kei roto hoki te Atua i tōu temepara! Kāore au e tuku i te Whaea Tapu kia pā ōku waewae ki roto i ō ringaringa!"

Me i kite tētahi i te rangatira whakahihi me ahau i a māua e hikoi atu ana i te ara kīkī, tera pea i whakapae te kaimātakitaki kei te haurangi māua. I kite ahau ko ngā atarangi e hinga ana o i te ahiahi i haurangi aroha ki te Atua. I te hokinga mai o te pōuri i tōna hiamoe o te pō, I anga atu ahau ki te ata hou me te kore o tōku wairua harikoa. Engari e mau tonu ana ki roto i te mahara te te tama hāparapa a te Whaea Atua-Ariki Mahasaya!

I a au e ngana ana ki te whakaatu tika i tōna atawhai mā te whakamahi i ngā kupu

rawakore, e whakaaro ana ahau mēnā i mōhio a Ariki Mahasaya, me ētahi atu o ngā hunga tapu matakite hohonu i tūtaki mai ki ahau, i ngā tau i muri mai, i tētahi whenua o te Hauāuru, ka tuhituhi ahau mō ō rātou oranga hei hunga karakia atua. E kore tō rātou mōhiotanga i mua e miharo ki ahau, ki aku kaipānui hoki, kua tae mai ki konei me ahau.

Engari nā te mōhio ki taua rotarota i āhei ai ahau ki te puta i te whakamātautau Sanskrit i te rā i muri mai. Nā te āwhina mohio i homai e Nantu, i eke ahau ki te māka iti rawa mō te angitu i roto i aku kaupapa katoa.

I koa a Pāpā i taku pupuri i taku kupu, ā, i mutu taku akoranga kura tuarua. I rere taku whakawhetai ki te Ariki, nāna anake te arataki i kitea e au i taku haerenga ki Nantu me taku hikoi i te ara tauhou o te papa whenua kapi tonu i ngā paru. I roto i te takaro, i homai e ia he whakaaturanga rua ki tana hoahoa wā tika mōku hei whakaora.

I roto i ngā whare whakamātautau, ka kitea e au te pukapuka i whakarērea, ā, nā te kaituhi i whakakahore te mana o te Atua. Kāore i taea e au te pupuri i te kata i taku ake kōrero puku:

"Ka nui ake te pōhēhē o tēnei tangata, mēnā ka kī atu ahau ki a ia he ara poto te

whakaaroaro atua i waenganui i ngā tūpāpaku ki te whiwhi tohu kura tuarua!"

I roto i tōku mana hou, kua whakamahere whānuitia e au te wehe atu i te kāinga. Me tētahi hoa taitamariki, a Jitendra Mazumdar, **10-2** I whakatau ahau ki te whakauru atu ki tētahi whare karakia o Mahamandal i Benares, kia whiwhi ai ahau i tana kaupapa wairua.

I tētahi ata ka pā mai te pouri ki ahau i te whakaaro ki te wehenga atu i tōku whānau. Mai i te matenga o Māmā, kua tino kaha ake tōku aroha ki ōku teina tokorua, ki a Sananda rāua ko

Bishnu. I oma tere atu ahau ki taku wāhi okiokinga, ki te rūma iti i kite i ngā āhuatanga maha i roto i taku *sadhana pōrearea* . **10-3** I muri i te rua hāora o te waipuke o ngā roimata, i tino rerekē taku āhua, me te mea nā tetahi kaihoroi matū. Ngā tāpiritanga katoa **10-4** ngaro atu ana; ko taku whakataunga ki te rapu i te Atua hei Hoa o ngā hoa kua rite ki te kirikiri i roto i ahau. I tere tonu taku whakaoti i aku whakaritenga haerenga.

"Kotahi taku tono whakamutunga." I pouri a Pāpā i ahau e tū ana i tōna aroaro mō te manaakitanga whakamutunga. "Kaua ahau e whakarērea me ō tuakana, teina rānei e pouri ana."

"E te Matua Whakahonore, me pēhea taku whakaatu i tōku aroha ki a koe! Engari nui atu tōku aroha ki te Matua i te Rangi, nāna nei i homai te taonga o te matua tino tika i runga i te whenua. Tukua ahau kia haere, kia hoki mai ai ahau i tētahi rā me te māramatanga atua ake."

I te kore whakaae a ōku mātua, ka haere ahau ki te hono atu ki a Jitendra, kua tae kē ki Benares i te whare karakia. I taku taenga atu, ka mihi mai te rangatira swami taitamariki, a Dyananda, ki ahau me te manaaki. He roa, he kikokore, he āhua whakaaro nui, ā, i tino miharo ahau ki a ia. He āhua marino tōna mata ataahua, he rite ki te āhua o Buddha.

I harikoa ahau i te mea he tuanui tō tōku kāinga hou, ā, i reira ahau i noho ai i te atatu me te ata. Nā te mea he iti noa te mōhio o ngā mema o te ashram ki ngā mahi whakaaroaro, i whakaaro rātou me whakamahi katoa tōku wā ki ngā mahi whakahaere. I mihi mai rātou ki ahau mō taku mahi i te ahiahi i roto i tā rātou tari.

"Kaua e ngana ki te hopu i te Atua i te wā poto!" I haere tahi mai tēnei tawai a tētahi hoa noho me tētahi o aku hoa. ngā wehenga wawe ki te rūma tuanui. I haere ahau ki a Dyananda, e pukumahi ana i roto i tōna wāhi tapu iti e titiro atu ana ki te awa o Ganges.

"Swamiji, **10-5**" Kāore au i te māranga ki ngā mea e hiahiatia ana mai i ahau i konei. Kei te rapu tika ahau i te Atua. Ki te kore ia, kāore au e makona ki te hononga, ki te whakapono, ki te mahi rānei i ngā mahi pai."

I papaki aroha mai te minita kakahu karaka ki ahau. I a ia e whakatū ana i tētahi riri rūpahu, ka whakatūpato ia i ētahi ākonga e tata ana. "Kaua e whakararuraru i a Mukunda. Ka ako ia i ā tātou tikanga."

I huna mārīre ahau i tōku ruarua. I puta atu ngā ākonga i te rūma, kāore i tino piko ki te riri. He kupu anō tā Dyananda māku.

"E Mukunda, e kite ana ahau kei te tuku moni tonu tō pāpā ki a koe. Tena koa whakahokia mai ki a ia; kāore he mea e hiahiatia ana e koe i konei. Ko te tuarua o

ngā ture mō tō whiu e pā ana ki te kai. Ahakoa kei te hiakai koe, kaua e whakahua."

Kāore au i te mōhio mehemea kei te tiaho te hiakai i roto i ōku kanohi. I tino mōhio ahau kei te hiakai ahau. Ko te haora tonu mō te kai tuatahi o te whare karakia ko te tekau mā rua o te poutumarotanga. Kua taunga ahau i roto i tōku ake kāinga ki te parakuihi nui i te iwa karaka.

I ia rā, i ia rā, ka roa haere te wā e toru hāora te roa. Kua ngaro ngā tau o Calcutta i taea ai e au te riri i te tunu kai mō te whakaroa tekau meneti. Ināianei ka ngana ahau ki te whakahaere i taku hiahia kai; i tētahi rā ka nohopuku ahau mō te rua tekau mā whā hāora. Me te hiahia rua, ka tatari ahau mō te poutumarotanga e whai ake nei.

"Kua tomuri te tereina o Dyanandaji; kāore tātou e kai kia tae mai rā anō ia." Nā Jitendra tēnei rongo pouri i kawē mai ki ahau. Hei tohu manaaki i te swami, nāna i ngaro mō ngā wiki e rua, he maha ngā kai reka kua rite. Kī tonu te hau i te kakara reka. Kāore he mea kē atu e taea te tuku, he aha atu anō e taea te horomia engari ko te whakapehapeha mō te whakatutukitanga o te nohopuku inanahi?

"E te Ariki, kia tere te tereina!" I whakaaro ahau, kāore te Kaiwhakarato o te Rangi i roto i te aukati i whakamutua ai ahau e Dyananda. Heoi, i tētahi atu wāhi te Aro o te Atua; ko te karaka e puhoi haere ana. kua hipokina te ngā hāora Pōuri i heke iho hei tō mātou rangatira i tomo te tatau Taku he mihi harikoa korekore noa iho.

"Ka kaukau a Dyanandaji, ka whakaaroaro i mua i te tuku kai." Ka whakatata mai anō a Jitendra ki ahau, he manu tohu kino.

I tata hinga ahau. I tangi tōku puku taitamariki, he mea hou ki te rawakore, me te kaha ngau kino. I rere atu i mua i ahau ngā pikitia i kitea e au o ngā tāngata i pāngia e te matekai, pērā i te wairua.

"Ka mate a Benares i te hemokai i tēnei whare karakia," i whakaaro ahau. Ka karohia te aituā e haere mai ana i te iwa karaka. He karanga whakamataku! Hei maumahara, he mārāma tonu taua kai, pērā i tētahi o ngā hāora tino pai o te ao.

Ahako te hohonu o te kai, i kite tonu ahau i a Dyananda e kai pōrearea ana. Te āhua nei kei runga ake ia i aku hiahia whakarihariha.

"Swamiji, kāore i koe hiakai?" Harikoa kua hiakai, ahau i ko ia anake me te rangatira i roto tāna ako

"Āe! E whā ngā rā kua pahure ake nei kāore au i kai, kāore hoki i inu. Kāore au e kai i runga tereina, e kī ana i ngā wiri rerekē o te hunga o te ao. Ka mau tonu ahau ki te *shatric* **10-6.**" ngā ture mō ngā mōneka o taku momo karakia.

"Kei te whakaaro ahau ki ētahi raruraru o tā tātou mahi whakahaere. I tēnei pō i te kāinga i wareware ahau ki taku tina. He aha te mea e hohoro ai? Āpōpō ka whakarite ahau kia kai pai ahau." Ka kata ia me te harikoa.

I horapa te whakama i roto i ahau, pērā i te mea e hemo ana te manawa. Engari kāore i warewarehia te rā o taku whakamamaetanga; i maia ahau ki te kōrero anō.

"E Swamiji, kei te pōhēhē ahau. Ki te whai ahau i tāu tohutohu, me kī kāore au i tono kai, ā, kāore tetahi i homai i tetahi ki ahau. Me mate ahau i te hiakai."

"Mate atu rā!" Ka wehea te hau e tēnei kupu tohutohu whakamataku. "Mēnā me mate koe, e Mukunda! Kaua rawa e whakaae kei te ora koe i te mana o te kai,

ehara i te mana o te Atua! Ko ia te kaihanga o ngā momo kai katoa, ko ia te kaiwhakawhiwhi i te hiahia kai, ka tino whakarite kia ora tana tangata karakia! Kaua e whakaaro kei te tautoko te raihi i a koe, kei te tautoko rānei te moni, te tangata rānei i a koe! Ka taea e rātou te āwhina mēnā ka tangohia e te Ariki tō manawa ora? He taputapu ā-kore noa iho rātou. Nā tō pūkenga rānei ka nakunaku te kai i roto i tō puku? Whakamahia te hoari o tō wehewehe, e Mukunda! Tapahia

mā roto te mekameka o tari me kite te Takitahi Nā te mea!"

I kite ahau i ana kupu koi e uru ana ki roto i te hinu hohonu. Kua ngaro atu te whakaaro tawhito e tinihanga ana i te wairua e ngā whakahau a te tinana. I reira tonu ka whakamātau ahau i te rawaka o te Wairua. E hia ngā tāone tauhou, i roto i tōku oranga o muri mai o te haereere tonu, i puta ai te wā hei whakamatai i te whai huatanga o tēnei akoranga i roto i te whare karakia o Benares!

Ko te taonga anake i haere tahi mai i ahau i Calcutta ko te taonga hiriwa a SADHU i tukua mai e Whaea ki ahau. I a au e tiaki ana i taua taonga mō ngā tau, kua hunaia e au i roto i taku rūma ashram. Hei whakahau i taku harikoa i roto i te whakaaturanga taonga, i tētahi ata ka whakatuwherahia e au te pouaka kua raka. Ko te taupoki hiri i pāngia, kua ngaro te taonga. Me te pouri ka haehaea e au tōna kōpaki, ā, ka tino mohio ahau. Kua ngaro atu, e ai ki te matapae a SADHU, ki te rangi i karangatia mai ai e ia.

I kino haere tonu taku whanaungatanga ki ngā akonga a Dyananda. I wehea te whare, i mamae ahau i taku whakatau kia matara atu. Nā taku piripono ki te whakaaroaro ki te Whakaaro Nui i whakarērea ai e au te kāinga, me ngā wawata katoa o te ao, i puta ai ngā whakahē papaku mai i ngā taha katoa.

I te mamae wairua, ka tomo ahau ki te tuanui i te atatu, ka whakatau ki te inoi kia tae mai ra ano te whakautu.

"E te Whaea Aroha o te Ao, whakaakona ahau mā roto i ngā kitenga, mā roto rānei i tētahi tohunga i tonoa mai e Koe!"

I ngā hāora e pahemo ana, kāore he whakautu i puta mai i aku inoi e tangi ana. Kātahi anō ka ara ake tōku tinana me te mea kua tae ahau ki tētahi ao tūroa kāore he rohe.

"Tōu Kaiwhakaako te haere mai i tēnei rā!" He atua āhua wahine reo i tae mai mai i ngā wāhi katoa me kāore he wāhi.

I puta te karanga mai i tētahi wāhi tuturu mō tēnei wheako whakamiharo. I karanga mai tētahi tohunga taitamariki, ko Habu tōna ingoa, i te kīhini o raro.

"Mukunda, rawaka o whakaaroaro! Koe kei e hiahiatia ana mō he mahi."

I tētahi atu rā, kua whakautu pea ahau me te kore manawanui; ināianei ka murua e ahau tōku mata pupuhi roimata, ā, ka whakarongo mārīe ki te karanga. I haere tahi māua ko Habu ki tētahi mākete tawhiti i te Bengali. wāhanga o Benares. Te kore ngawari Īnia rā i kāore engari anō i te tihi hei mātou i hangaia tō mātou ngā hoko i roto i ngā mākete. I panaia e mātou te ara i roto i te ranunga kanapa o ngā wāhine noho whare, ngā kaiārahi, ngā tohunga, ngā pouaru kākahu noa, ngā Brahmin

rangatira, me ngā puru tapu e kitea whānuitia ana. I a au e haere ana i tētahi ara ngaro, ka tahuri tōku mahunga ka tiroiro i te roa whaiti.

I te pito o te huarahi, i tū te tangata rite ki a te Karaiti, he kākahu kōwhai tōna. I te āhua nei kua mōhio tonu ia ki a ia, ā, kua tawhito; i hiahia taku titiro kia kite i tētahi mea. Kātahi ka whakaekea ahau e te ruarua.

"Koe kei pōhēhē tēnei kopikopiko mōneka me tētahi mōhiohia ki koe," ahau whakaaro.
"Kaimoeā, hikoi

i runga."

I muri i ngā meneti tekau, ka rongo ahau i te ngoikore nui o ōku waewae. Me te mea kua huri hei kōhatu, kāore i taea e rātou te kawae ake i ahau. I tahuri ahau me te nenge; kua hoki mai ōku waewae ki te āhua noa. I anga atu ahau ki te taha kē; i pehia anō ahau e te taumaha rerekē.

"Kei te kukume mai te tangata tapu i ahau ki a ia!" Me tēnei whakaaro, ka purangatia e au aku putea ki ngā ringa o Habu. I mātakitaki ia i aku waewae hē me te miharo, ā, inaianei ka pakaru ia i te kata.

"He aha ngā mate koe? Kei te koe porangi?"

Taku ngangau kare ā-roto āraia tetahi whakautu; ahau tere haere puku atu

I taku hikoi whakamuri me te mea he hu parirau ōku, ka tae atu ahau ki te ara whaiti. I taku tirohanga tere atu, ka kitea te āhua marino o te tangata, e titiro pūmau ana ki ahau. He torutoru noa ngā hikoinga hihiri, ā, kua tae atu ahau ki ōna waewae.

"Gurudeva!" **10-7** Ko te kanohi atua, kāore i tua atu i a ia o aku mano kitenga. Ko ēnei kanohi mārie, he mahunga raiona me te pahau koi me ngā makawe rere, he maha ngā wā i titiro mai ai i roto i te pōuri o aku moemoeā o te pō, me te pupuri i tētahi kupu whakaari kāore i tino mārāma ki ahau.

"E taku ake, kua tae mai koe ki ahau!" I kōrerotia e taku tohunga aua kupu i roto i te reo Bengali, me te wiri o tōna reo i te harikoa. "E hia ngā tau i tatari ai ahau ki a koe!"

I uru mātou ki te kotahitanga o te wahangu; ko ngā kupu te āhua nei he mea tino whakarihariha. I rere te whaikōrero i roto i te waiata korekore mai i te ngākau o te rangatira ki te ākonga. Me te antenna o te māramatanga pumau, i kite ahau e mōhio ana taku rangatira ki te Atua, ā, māna ahau e ārahi ki a Ia. I ngaro te pōuri o tēnei ao i roto i te ata pakarukaru o ngā maharatanga o mua i te whānautanga. He wā whakamataku! Ko te wā o mua, o nāianei, me te wā kei te heke mai ko tōna huringa. ngā whakaaturanga. Ehara i te mea ko te rā tuatahi tēnei i kite i ahau i ēnei waewae tapu!

Nā taku tohunga ahau i ārahi ki tōna kāinga taupua i te wāhanga o Rana Mahal o te tāone. He pakari te nekehanga o tōna tinana hākinakina. He roa, he tū tika, tata ki te rima tekau mā rima i taua wā, he tangata hihiko ia. ā, he pakari pērā i te taitama. He nunui ōna kanohi mangu, he ataahua me te whakaaro nui korekore. Nā te makawe paku miro i whakangawari te mata mana whakamiharo. I konatunatua mārīre te kaha ki te ngawari.

I a mātou e anga atu ana ki te taupee kōhatu o tētahi whare e titiro atu

ana ki te awa o Ganges, ka mea mai ia me te aroha:

"Au ka hoatu koe taku ngā whare whakaruruhau me katoa ahau pupuri."

"E te Ariki, ahau haere mai mō te whakaaro nui me Te whakapā atu ki te Atua. Ko ērā kei tōu taonga ngā taonga ahau am i muri!"

Kua tukua te haurua o te ārai e te ahiahi tere o Īnia i mua i te kōrero anō a tōku ariki. He aroha nui tōna e kore e taea te rapu.

"Au hoatu koe taku mutunga kore aroha."

He kupu utu nui! Kua hipa te hauwhā rautau i mua i taku kitenga i tētahi atu tohu o tōna aroha. He rerekē te ngākau nui o ōna ngutu; kua huri te wahangu hei ngākau moana mōna.

"Ka homai e koe taua aroha mutunga kore ki ahau?" I titiro mai ia ki

ahau me te whakawhirinaki tamariki. "Ka aroha tonu ahau ki a koe, e

Gurudeva!"

"He aroha whaiaro te aroha noa, he pūtake pōuri kei roto i ngā hiahia me ngā makonatanga. Ko te aroha atua kāore he herenga, kāore he rohe, kāore he huringa. Ka ngaro te rere o te ngākau tangata ake tonu atu i te pā o te aroha parakore." Ka tāpiri atu ia me te whakaiti, "Ki te kite koe i ahau e taka ana i te āhua o te mohio ki te Atua, tena koa oati mai ka whakatakotoria e koe tōku mahunga ki runga i ō waewae, ka āwhina i ahau ki te whakahoki mai i ahau ki te Ao Aroha e karakiahia ana e tāua."

I ara ake ia i te pōuriuri e haere mai ana, ā, ka ārahi i ahau ki tētahi rūma o roto. I a māua e kai ana i te māngo me te mīti aramona, ka whatua e ia ki roto i tana kōrero he mōhiotanga hohonu ki tōku āhua. I miharo ahau ki te nui o tōna whakaaro nui, he mea whakakotahi pai ki te ngākau mahaki.

"Kaua e pouri mō tō taonga whakapati. Kua tutuki i a ia tana mahi." Pērā i te whakaata atua, te āhua nei kua mau i taku tohunga te whakaata o tōku ao katoa.

"Te te noho mooni o tōu te aroaro, E te Kaiwhakaako, ko harikoa i tua atu tetahi tohu."

"Koia ko wā mō he huringa, nā te mea hei koe kei pōuri kei reira i roto te whare karakia."

Kāore au i kōrero mō tōku ao; ināianei kua kore noa iho! Nā tōna āhua māori, ngāwari hoki, i marama ahau kāore ia i hiahia kia puta mai ngā kōrero whakamiharo i tana kitenga matakite.

"Koe me haere hoki ki Calcutta. He aha ai ārai whanaunga mai i tōu aroha o te tangata?"

I pōuri ahau i tana whakaaro. I matapaetia e tōku whānau taku hokinga mai, ahakoa kāore au i aro ki ngā tonono maha i tukuna e te reta. "Tukua te manu taitamariki kia rere i te rangi matakite," te kī a Ananta. "Ka ngenge ōna parirau i te āhuarangi taumaha. Ka kite anō tātou i a ia e rere ana ki te kāinga, e piko ana i ōna parirau, ā, e okioki ana i roto i tō mātou kōhanga whānau." I te mea kei roto tonu i tōku hinengaro tēnei kupu whakarite whakararuraru, i whakatau ahau kia kaua e

"rere" ki te huarahi ki Calcutta.

"E te Ariki, kāore au e hoki ki te kāinga. Engari ka aru atu ahau i a koe ki ngā wāhi katoa. Tēnā koa homai tō wāhi noho, me tō ingoa hoki."

"Swami Sri Yukteswar Giri. Kei Serampore, i Rai Ghat Lane, tōku whare karakia matua. Ka toro atu ahau ki tōku whaea i konei mō ētahi rā torutoru noa iho."

I miharo ahau ki te mahi uaua a te Atua me āna tāngata karakia. Tekau mā rua māero noa te tawhiti o Serampore i Calcutta, engari i aua rohe kāore anō ahau kia kite i taku guru. I haere mātou mō te wā roa.

tō mātou hui ki te tāone tawhito o Kasi (Benares), i whakatapua e ngā maharatanga o Lahiri Mahasaya. I konei hoki i manaakihia ai te oneone e ngā waewae o Buddha, o Shankaracharya me ētahi atu Yogi-Karaiti.

"Ka haere mai koe ki ahau i roto i ngā wiki e whā." Mō te wā tuatahi, he pakari te reo o Sri Yukteswar. "Nā, kua whakapuakina e ahau taku aroha mutunga kore, ā, kua whakaaturia e ahau taku harikoa i te kitenga i a koe - koia koe i kore ai e whakarongo ki taku tono. A te wā e tūtaki ai tāua, me whakaara anō e koe taku hiahia: e kore ahau e whakaae ngāwari ki a koe hei ākonga. Me tino tuku rawa atu mā te ngohengohe ki aku whakangungu pakari."

I noho puku tonu ahau. I ngāwari te uru atu a taku tohunga

ki roto i taku uauatanga. "E whakaaro ana koe ka kata mai ō

whanaunga ki a koe?"

"Au ka kāore hoki."

"Koe ka whakahoki i roto toru tekau ngā rā."

"Kāore rawa." I piko atu ahau me te whakaute ki ōna waewae, ā, ka haere atu ahau me te kore e whakamama i te taupatupatu. I haere ahau i te pōuri o waenganui pō, i miharo ahau he aha i mutu ai te hui whakamiharo i runga i te reo koretake. Ko ngā unahi takirua o te *maya*, e whakataurite ana i te harikoa me te pouri! Kāore anō taku ngākau taitamariki kia ngāwari ki ngā maihao whakarerekē o taku guru.

I te ata i muri mai ka kite ahau i te pikinga ake o te mauahara i roto i ngā waiaro o ngā mema o te whare karakia. I kī tonu ōku rā i te whanoke. I roto i ngā wiki e toru, ka wehe atu a Dyananda i te whare karakia ki te haere ki tētahi hui i Bombay; ka pakaru mai te ngangau i runga i tōku mahunga pōuri.

"He pirinoa a Mukunda, e whakaae ana ki te manaakitanga o te whare karakia, engari kāore e utua tika." I taku rongonga i tēnei kōrero, ka pouri ahau mō te wā tuatahi i whakarongo ahau ki te tono kia whakahokia taku moni ki a Pāpā. Me te ngākau pouri, ka rapu ahau i taku hoa kotahi, a Jitendra.

"Au am te wehe atu. Tēnā koa kawe taku whakaute ngā pouri ki Tānandaji āhea ia hoki mai."

"Ka haere atu hoki ahau! Kāore aku mahi whakaaroaro i konei e pai ake ana i a koe," te kōrero a Jitendra me te ngākau nui.

"Au whai tūtaki he He rite ki a te Karaiti te hunga tapu Tukua mātou toro ia i roto Serampore."

Ā, nā reira te "manu" kua rite ki "rere" mōrearea kati ki Karaka!

"He pai ki a koe mēnā ka tangohia tō taonga tuku iho e Pāpā, e Mukunda! Kātahi te kuware o tāu whakarērea i tōu ora!" I pā mai te kauwhau a te tuakana ki ōku taringa.

I te taenga atu māua ko Jitendra i te tereina (he kupu whakarite noa iho; kapi tonu māua i te puehu), kua tae atu māua ki te kāinga o Ananta, i nekehia mai nei i Calcutta ki te tāone tawhito o Agra. He kaikaute tiro tiro a Brother mō te Ara Rerewe o Bengal-Nagpur.

"E mōhio ana koe, e Ananta, e rapu ana ahau i taku taonga tuku

iho i te Matua i te Rangi." "Ko te moni te tuatahi; ka tae mai te

Atua i muri mai! Ko wai ka mōhio? Tērā pea he roa rawa te ora."

"Ko te Atua te tuatahi; ko te moni tana pononga! Mā wai e kī?

He poto rawa pea te ora."

Nā ngā āhuatanga o taua wā i karangahia ai taku whakautu, ā, kāore i mau he whakaaro. Heoi, i whāwhā ngā rau o te wā ki te mutunga wawe mō Ananta; i muri i ētahi tau 11-1 I tomo ia ki te whenua kāore e taea te whakamahi i te ingoa tuatahi, i te ingoa whakamutunga rānei o ngā pepa peeke.

"Nō te whare karakia te whakaaro nui! Engari kua kite ahau kua wehe atu koe i Benares." I kanapa ngā kanohi o Ananta i te harikoa; i tumanako tonu ia ki te whakapūmau i ōku parirau ki te kōhanga o te whānau.

"Kāore i maumauria taku haerenga ki Benares! I kitea e au i reira ngā mea katoa i hiahiaatia e tōku ngākau! Kāore i te mea ko tāu tohunga, ko tāna tama rānei!"

I kata tahi mai a Ananta me ahau; me whakaae ia ko te "matakite" a Benares i whiriwhiria e ia he tangata poto te tirohanga.

"He aha kei tōu ngā mahere, taku kopikopiko teina?"

"I whakatenatena a Jitendra i ahau ki Agra. Ka mātakitaki tāua i ngā ataahua o te Taj Mahal **11-2** "i konei," ka whakamārama atu ahau. "Kātahi tāua ka haere ki taku tohunga hou, kei Serampore tōna whare karakia."

I manaaki a Ananta i a māua. He maha ngā wā i te ahiahi ka kite ahau i ōna kanohi e titiro matatau mai ana ki ahau me te whakaaroaro.

"Au mōhio tērā titiro!" ahau whakaaro. "He mahere ko e hanga pia ana!"

Te mutunga i tango wāhi i roto i tō mātou wawe parakuihi

"Nō reira, e tino motuhake ana koe i te taonga a Pāpā." He harakore noa iho te titiro a Ananta i a ia e kōrero ana i ngā kōrero whakahihiri o inanahi.

"Au am mōhio o taku whakawhirinakitanga i runga Atua."

"He iti te utu mō ngā kupu! Nā te ora koe i tiaki tae noa mai ki tēnei wā! He aha te āhua o te mate mēnā ka akiakihia koe ki te titiro ki te Ringa Ngaro mō tō kai me tō whare! Kāore e roa ka tono koe i ngā tiriti!"

"Kāore rawa! Kāore au e whakawhirinaki ki te hunga e hīkoi ana, kaua ki te Atua! Ka taea e ia te hanga i ngā rauemi mano mā tana tangata karakia, haunga te peihana tono!"

"He kōrero whakapati anō! Me kī atu ahau kia whakamātauria tō rapunga whakaaro whakapehapa i tēnei ao tūturu?"

"Au e whakaae! Meatia koe here Atua ki he whakaaro noa ao?"

"Tērā tātou e kite; i tēnei rā ka whai wāhi koe ki te whakawhānui ake, ki te whakaū rānei i aku whakaaro!" Ka mutu a Ananta mō tētahi wā whakahihiri; kātahi ka kōrero pōturi, ka kōrero pono.

"Kei te whakaaro ahau kia tonoa koe me tō hoa akonga a Jitendra i tēnei ata ki te tāone tata o Brindaban. Kaua e tangohia he rūpi kotahi; kaua e tono kai, kaua e tono moni; kaua e whakaatu i tō āhua ki tētahi; kaua e haere me te kore kai; ā, kaua

e noho mokemoke ki Brindaban. Ki te hoki mai koe ki taku whare iti i mua i te tekau mā rua karaka i tēnei pō, me te kore e takahi i tētahi ture o te whakamātautau, ko au te tangata tino miharo i Agra!"

"E whakaae ana ahau ki te wero." Kāore he whakaroa i roto i aku kupu, i roto rānei i tōku ngākau. I puta ake ngā maharatanga whakawhetai mō te Aroha Tonu: ko taku whakaoranga i te korara whakamate mā te karanga ki a Lahiri.

Te pikitia a Mahasaya; te koha takaro o ngā manu tukutuku e rua i runga i te tuanui o Lahore me Uma; te taonga whai hua i waenganui i taku ngakaukore; te karere whakatau mā roto i te *sadhu ngaro a Benares* i waho o te pāmu o te whare o te tohunga; te tirohanga a te Whaea Tapu me āna kupu aroha rangatira; Tōna aro tere mā roto i a te Kaiwhakaako Mahasaya ki aku whakama iti noa iho; te aratohu whakamutunga i tutuki ai taku tohu kura tuarua; me te manaakitanga nui, ko taku Kaiwhakaako ora mai i te kohu o ngā moemoeā o te ao. Kāore rawa e taea e au te whakaae ko taku "whakaaro" kāore e rite ki tētahi pakanga i runga i te whenua whakamātautau uaua o te ao!

"He mihi nui ki a koe mō tō ngākau hihiko. Māku koe e arahi ki te tereina ināiane tonu." Ka tahuri a Ananta ki a Jitendra, he waha nui tōna. "Me haere koe hei kaiwhakaatu, ā, tera pea, hei hoa patunga!"

I te hawhe haora i muri mai, i a māua ko Jitendra ngā tīkiti kotahi-ara mō tā māua haerenga ohorere. I tukua māua, i tētahi kokonga motuhake o te teihana, kia tirotirohia ō māua tinana. I tere te māia o Ananta kāore he taonga huna i a māua; ko ā māua *dhoti noa iho* **11-3** kāore i huna tetahi mea i tua atu i te mea e tika ana.

I te taenga mai o te whakapono ki ngā ao nui o te pūtea, ka kōrero whakahē taku hoa. "E Ananta, homai kia kotahi, kia rua rānei ngā rūpī hei tiaki. Kātahi ka taea e au te waea atu ki a koe mēnā ka pā mai he aituā."

"Jitendra!" He tino whakahē taku putanga mai. "E kore ahau e haere tonu me te whakamātautau mēnā ka tangohia e koe he moni hei taunaha whakamutunga."

"He mea whakamarie te tangi o ngā moni." Kā mutu tā Jitendra kōrero i ahau e titiro matatau ana ki a ia.

"Mukunda, ahau am kāore ngākau kore." He tohutohu o te ngākau mahaki i a ngokingoki ki roto Ānata reo. Ia mei kia i te mea kei te pāngia ia e tōna hinengaro; mō te tukunga pea i ētahi tama tāne kore moni e rua ki tētahi tāone tauhou; mō tōna ake whakapono ruarua pea. "Mēnā ka angitu koe i te whakamātautau Brindaban, ka tono atu ahau ki a koe kia whakaurua ahau hei ākonga māu."

He rerekētanga tō tēnei kupu whakaari, e rite ana ki te wā o mua. Kāore te tuakana o te whānau Īnia e piko ki mua i ana teina; ko ia anake e whiwhi ana i te whakaute me te ngohengohe i muri i te matua. Engari kāore he wā i toe mō taku kōrero; kua tata te wehenga atu o tō mātou tereina.

I noho puku a Jitendra mō te wahangu i te haerenga o tā mātou tereina i ngā maero. I te mutunga ka oho ia; ka piko iho, ka kōmiomio mamae ahau i tētahi wāhi uaua.

"Kāore au e kite i tētahi tohu e whakarato mai ana

te Atua i tā tātou kai e whai ake nei!" "Kāti te noho,
e Tamati e ruarua ana; kei te mahi tahi te Ariki me
tātou."

"Ka taea hoki e koe te whakarite kia hohoro ia? Kua hiakai kē ahau i te tirohanga
kei mua i a tātou. I wehe atu ahau i Benares kia kite i te urupā o te Taj, ehara i te
tomo ki tōku ake urupā!"

"Kia kaha, e Jitendra! Kāore ianei tātou e kite i ngā mea whakamiharo tapu o Brindaban mō te wā tuatahi? " **4** "He nui tōku harikoa i te whakaaro ki te takahi i te whenua kua whakatapua e ngā waewae o te Ariki, o Krishna."

I tuwhera te tatau o tō mātou wāhanga; tokorua ngā tāne e noho ana. Ko te taunga tereina e whai ake nei ko te whakamutunga.

"E tama mā, he hoa ō koutou i Brindaban?" I puta mai te aro nui ohorere mai o te tangata ke i tōku aroaro.

"Kāore o tōu pakihi!" Whakahāwea ahau āraia taku titiro

"Kei te rere atu pea koutou i ō koutou whānau i raro i te makutu a te Kaitahae o ngā Ngākau." **11-5** He tangata karakia ahau. Ka waiho hei kawenga pai māku kia whiwhi koe i te kai, kia noho haumarua hoki koe i tēnei wera nui."

"Kāo, e te rangatira, waiho mā mātou. He tino atawhai koe; engari kei te hē koe i a koe e whakaaro ana he hunga ngaro mātou i te kāinga."

Kāore i puta he kōrero anō; ka tū te tereina. I a māua ko Jitendra e heke ana ki te pūhara, ka totoro mai ō māua hoa tūpono ki a māua, ka karanga i tētahi waka hōiho.

I tū mātou ki mua i tētahi whare rangatira, i waenganui i ngā rākau matomato o ngā whenua ataahua. I mōhiotia whānuitia ō mātou kaiāwhina i konei; he tamaiti ataata i ārahi i a mātou ki tētahi rūma noho, kāore he kōrero. Kāore i roa ka hono mai tētahi kuia, he wahine rangatira tōna āhua.

"E Gauri Ma, kāore i taea e ngā rangatira te haere mai." Ka kōrero tētahi o ngā tāne ki te kaihautū o te ashram. "I te wā whakamutunga, i hē ā rātou mahere; ka tukuna mai he pouri nui. Engari kua kawea mai e mātou ētahi atu manuhiri e rua. I tō mātou tūtakitanga i runga i te tereina, ka aro atu ahau ki a rātou hei hunga karakia ki a Ariki Krishna."

(Mai i te mau i ki te matau) Jitendra Mazumdar, taku hoa i te

"whakamātautau kore moni" i Brindaban; Lalit-da, taku whanaunga; Swami
Kebelananda ("Shastri Mahasaya"), taku kaiako Sanskrit tapu; ko au anō, i
te wā e tamariki ana ahau i te kura tuarua.

Ānata Moi Mā
te Bengali "Kia Pū te Harikoa "E te whaea."

Ko tētahi o ngā ana e nohoia ana e Babaji i ngā Maunga Drongiri e tata ana ki Ranikhet i ngā Himalayas. Kei te toro atu ki te wāhi tapu tētahi mokopuna a Lahiri Mahasaya, a Ananda Mohan Lahiri (tuarua mai i te matau, he mā te kakahu), me ētahi atu karakia tokotoru.

"Haere rā, e ngā hoa taitamariki." Ka haere ā māua hoa tokorua ki te tatau. "Tērā tātou e tūtaki anō, ki te pai te Atua."

"Nau mai haere mai ki konei." Ātaata ana a Gauri Ma, he rite ki te whaea, mō āna haerenga ohorere e rua. "Kāore he rā pai ake i a kōrua. E rua ngā rangatira kingi i

tumanakohia e au mō tēnei whare karakia. He mea whakamā mēnā kāore tetahi i
pai ki taku tunu kai!"

He pānga kino rawa atu ēnei kupu reka ki a Jitendra: ka pakaru ia i te tangi. Ko te "tūponotanga" i wehi ai ia i Brindaban kua huri hei whakangahau kingi; ko tana whakarerekētanga hinengaro ohorere he nui rawa atu mōna. I titiro atu tā mātou kaihautū ki a ia me te hiahia nui, engari kāore he kōrero; tera pea i mōhio ia ki ngā āhuatanga o te taiohi.

I pānuitia te tina; i ārahi a Gauri Ma i te huarahi ki te taupee kai, he kakara kakara, he kakara reka hoki. I ngaro atu ia ki te kīhini e tata ana.

I te whakaaroaro ahau mō tēnei wā. I te whiriwhiringa i te wāhi tika o te tinana o Jitendra, ka werohia e au he titi kaha, pērā i tāna i wero mai ai ki ahau i runga i te tereina.

"Te ruarua Tāmāti, te Ariki mahi-i-roto he kia tere, hoki!"

I hoki mai te kaihautū me te *punkha*. I āta poipoi ia i a mātou i te āhua o te Rawhiti i a mātou e mahi ana. e noho ana i runga i ngā nohoanga paraikete whakapaipai. I haereere ngā ākonga o te Ashram me ētahi kai e toru tekau. Engari ko te "kai", ko te whakaahuatanga he "kai reka." Mai i te taenga mai ki tēnei ao, kāore anō māua ko Jitendra kia kai i ēnei momo kai reka.

"He rihi e tika ana mā ngā rangatira, e te Whaea Whakahonore! Kāore e taea e au te whakaaro he aha te mea nui ake i te haere mai ki tēnei hakari ki ō kaitautoko kingi! Kua homai e koe he maharatanga ki a mātou mō te te ora katoa!"

Ahako te wahangu o te tonono a Ananta, kāore i taea e mātou te whakamārama ki te wahine atawhai he rua ngā tikanga o tā mātou whakawhetai. I tino pono mātou. I wehe atu mātou me tana manaakitanga me te tonono ataahua kia hoki atu anō ki te whare karakia.

Kāore he aroha o te wera i waho. I haere māua ko taku hoa ki te piringa o tētahi rākau cadamba rangatira i te kūaha o te ashram. I whai mai ngā kupu koi; ā, i pāngia anō a Jitendra e te ruarua.

"He raruraru nui tēnei kua uru mai koe ki roto i ahau! He waimarie noa iho tā tāua tina! Me pēhea tāua e kite ai i ngā tirohanga o tēnei tāone, me te kore he āputa i waenganui i a tāua? Ā, me pēhea rā koe e whakahoki ai i ahau ki a Ananta?"

"Ka wareware wawe koe ki te Atua, kua kī nei tō puku." Ehara aku kupu i te mea kawa, engari he whakapae. He poto noa iho te mahara o te tangata ki ngā manaakitanga atua! Kāore he tangata e ora ana kāore i kite i te whakamanatanga o ana inoi.

"Au am kāore tērā pea ki wareware taku wairangi i roto te whakamātau i waho me he

porangi rite koe!"

"Kia marino, E Jitendra! Te ōrite Ariki ko wai whāngaihia mātou ka whakaatu mātou Brindaban, me whakahoki mātou ki Ākara."

Ka tere haere mai tētahi taitama rikiriki, he ātaahua te āhua. I a ia e tū ana i raro i tā mātou rākau, ka piko ki mua i ahau.

"E hoa, he manene kōrua ko tō hoa i konei. Tukua ahau hei kaihautū, hei kaiārahi hoki māu."

Kāore e taea e te tangata Īnia te mā, engari i pōuriuri te mata o Jitendra. I whakakahoretia e au te tono me te ātaahua.

"Kāore koe e pei i ahau?" Mēnā he rerekē te āhua, kua tino kata te whakaoho a te tangata tauhou.

"He aha kāore?"

"Ko koe taku guru." I rapu pono mai ōna kanohi ki ahau. "I roto i aku karakia o te poutumarotanga, ka puta mai a te Ariki Krishna i roto i tētahi moemoeā. I whakakitea mai e ia ki ahau ētahi āhua e rua kua whakarērea i raro i tēnei rākau. Kotahi te mata nōu, e tōku ariki! He maha ngā wā kua kite ahau i tēnei i roto i te whakaaroaro! He aha te hari mēnā ka whakaae koe ki aku mahi whakaiti!"

"E hari ana hoki ahau kua kitea ahau e koe. Kāore te Atua, te tangata rānei i whakarērea i a tāua!" Ahakoa i kore ahau e nekeneke, me te ataata ki te mata hihiri i mua i ahau, ka piko ahau ki ngā Waewae Atua.

"E te aroha ngā hoa, ka koe kāore honore taku kāinga mō he haerenga?"

"He atawhai koe; engari kāore e taea te whakarite i te mahere. He

manuhiri kē māua nō tōku tungāne i Agra." "Heoi anō, homai he mahara ki

ahau mō tā māua haerenga ki Brindaban."

I whakaae harikoa ahau. Ko te taitama, nāna i kī ko Pratap Chatterji tōna ingoa, i karanga i tētahi waka hōiho. I toro atu mātou ki te Temepara o Madanamohana me ētahi atu wāhi tapu o Krishna. I pō te pō i a mātou e karakia ana i te temepara.

"Aroha mai, i a au e tiki ana i *te sandesh* ." **11-6** I tomo a Pratap ki tētahi toa e tata ana ki te teihana tereina. I hikoi māua ko Jitendra i te huarahi whānui, kua ki tonu i te hauhautanga. I ngaro tō māua hoa mō tētahi wā, engari i te mutunga ka hoki mai me ngā koha he maha ngā mīti reka.

"Tukua ahau kia whiwhi i tēnei mana whakapono." Ka menemene a Pratap me te inoi i a ia e tuku ana i tētahi putea rūpī me ngā tīkiti e rua, i hokona mai nei, ki a Agra.

Ko te whakaute o taku whakaae i ahu mai i te Ringa Kore e Kitea. I tawaihia e Ananta, kāore i nui atu i te mea e hiahiatia ana tōna hua?

Mātou i rapua i waho he motuhake ira tata te teihana

"E Pratap, māku koe e ako ki te *Kriya* o Lahiri Mahasaya, te yogi nui rawa atu o ēnei rā. Ko tana tikanga hei guru māu."

I mutu te whakaurunga i roto i te hawhe haora. " Ko *Kriya* tō *chintamani* ," **11-7** I mea atu ahau ki te tauira hou. "Ko te tikanga, e kite ana koe he māmā noa iho, e whakaatu ana i te toi o te whakateretere i te tangata."

te whanaketanga wairua. E whakaakona ana e ngā karaipiture Hinitu he miriona tau te roa o te oranga tinana e hiahia ana hei whiwhi i te whakaoranga mai i *te maya*. Ka tino whakapotohia tēnei wā taiao mā te *Kriya Yoga*. Pērā i te whakaatu a Jagadis Chandra Bose ka taea te whakateretere i te tipu o ngā tipu ki tua atu i tōna tere noa, ka taea hoki te whakateretere i te whanaketanga hinengaro o te tangata mā te pūtaiao o roto. Kia pono ki tāu mahi; ka whakatata atu koe ki te Guru o ngā guru katoa."

"Kua haria ahau ki te kimi i tēnei kī yoga, kua roa e rapua ana!" te kōrero a Pratap me te whakaaroaro. "Mā tōna pānga wetewete i aku herenga ka tukuna ahau ki ngā ao teitei ake. Ko te kitenga i tēnei rā o te Ariki Krishna ko te tikanga anake he pai rawa atu mōku."

I noho māua mō tētahi wā poto me te māranga puku, kātahi ka hikoi mārire ki te teihana. I roto i ahau te harikoa i taku ekenga ki te tereina, engari koinei te rā o Jitendra mō ngā roimata. I whakakīia taku poroporoaki aroha ki a Pratap e ngā tangi a ōku hoa tokorua. I te haerenga ka kitea anō a Jitendra i roto i te pouri. Ehara i te mea mōna ake i tēnei wā, engari mōna ake anō.

"Me pēhea pāpaku taku whakawhirinaki! Taku ngākau kua kua kohatu! Kaua rawa i roto ā muri ake nei me ahau ruarua ā te Atua tiakitanga!"

Kua tata te waenganui pō. Ko ngā "Cinderella" e rua, i tukuna atu me te kore moni, ka tomo ki te rūma moe o Ananta. Ko tōna mata, e ai ki tāna i oati ai, he mea miharo. I roto i te wā poto, ka ringihia e au he rūpī ki runga i te tēpu.

"E Jitendra, te pono!" he reo whakakatakata te reo o Ananta. "Kāore ianei tēnei taitama i te whakarite i tētahi tahae?" Engari i te huraina o te kōrero, ka huri te tungāne ki te kore he tangata, kātahi ka noho pōuri.

"Ko te ture o te tono me te tuku ka tae atu ki ngā ao ngaro atu i taku i whakaaro ai." I kōrero a Ananta me te hihiri wairua kāore anō kia kitea i mua. "Mō te wā tuatahi ka māranga ahau ki tō kore aro ki ngā whare tapu me ngā kohinga whakarihahiha o te ao."

Ahako te pō, i tohe tonu taku tungāne kia whiwhi ia i *te diksha* **11-8**, ki roto i *te Kriya Yoga*. I meinga te "guru" a Mukunda kia pikau i te kawenga o ngā ākonga e rua kāore i rapua i roto i te rā kotahi.

I kai parakuihi i te ata i muri mai i te rangimārie, kāore i te rite i te rā i mua atu. Ātaata ana ahau ki a Jitendra.

"Koe me kāore kia tinihanga o te Taj. Tukua mātou tirohanga reira i mua i tīmata mō Serampore."

I a māua e poroporoaki ana ki a Ananta, ka tae māua ko taku hoa ki te aroaro o te kororia o Agra, te Taj Mahal. He māpere mā e kanapa ana i te rā, he tirohanga ōrite parakore. Ko te wāhi tino pai ko te kauri pouri, te tarutaru kanapa, me te roto marino. He tino ataahua te roto me ngā whakairo reihi kua whakairohia ki ngā kōhatu utu nui. Ka puta mai ngā karauna me ngā panuku ātaahua mai i ngā māpere, parauri me te waioporo. Ka tau te māramatanga mai i te tuanui ki runga i ngā cenotaph o te Emepara Shah-Jahan me Mumtaz Mahall, te kuīni o tōna kingitanga me tōna ngākau.

Heoi anō o te mātakitaki! ahau i te hiahia nui mō taku tohunga Jitendra me ahau i i roto i ngā wā poto haereere tonga nā

tereina ki te taha Bengal.

"E Mukunda, kua maha ngā marama kāore au i kite i tōku whānau. Kua rerekē ōku whakaaro; ā muri ake nei pea ka toro atu ahau ki tō rangatira i Serampore."

I whakarērea ahau e taku hoa, e taea ana te kī he tangata pōturi te āhua, ki Calcutta. I tere taku taenga atu ki Serampore mā runga tereina o te rohe, tekau mā rua māero ki te raki.

Ka pūhia ahau e te miharo i taku kitenga kua rua tekau mā waru ngā rā kua pahure mai i te hui a te hunga Benares me taku guru. "Ka haere mai koe ki ahau i roto i ngā wiki e whā!" Anei ahau, e pāorooro ana te ngākau, e tū ana i roto i tōna marae i te ara marino o Rai Ghat. I tomo tuatahi ahau ki te whare karakia, te wāhi i noho ai ahau mō te nuinga o ngā tau tekau e whai ake nei me *Jyanavatar o Īnia*, "te whakapuakanga o te whakaaro nui."

Ngā Tau I roto Taku Te Tohunga Hermitage

"Kua tae mai koe." te mihi mai a Sri Yukteswar i ahau i runga i te papa o te rūma noho taupee. He makariri tōna reo, kāore ōna āhua i te kare ā-roto.

"Āe, e te aroha E te Kaiwhakaako, ahau am konei ki whai koe." E tuturi ana, ahau
pāngia tāna waewae

"Me pēhea kēne tērā kia? Koe wareware taku ngā hiahia."

"Kāo roa ake, Guruji! Tō hiahia me kia taku ture!"

"He pai ake tēnā! Ināianeī ka taea e au te tango i te

kawenga mō tō oranga." "Ka whakaae ahau ki te tuku i

te kawenga, e te Rangatira."

"Ko taku tono tuatahi, kia hoki koe ki te kāinga ki tō whānau. Ko taku hiahia kia uru koe ki te whare wānanga ki Calcutta. Me haere tonu tō mātauranga."

"Pai rawa atu, e te rangatira." I huna e au tōku matakū. Ka whaia ahau e ngā pukapuka tohe tonu i ngā tau? Ko te Matua tuatahi, ko Sri Yukteswar ināianeī!

"A tētahi rā ka haere koe ki te Hauāuru. Ka aro nui ake ōna iwi ki ngā whakaaro tawhito o Īnia mēnā he tohu whare wānanga tā te kaiako Hinitū tauhou."

"Ko koe te mea e mōhio ana, e Guruji." Ka ngaro atu tōku pōuri. I kitea e au he mea pōhēhē te kōrero mō te Hauāuru, he mea tawhiti; engari ko te whai wāhi ki ahau ki te whakamanawareka i te Ariki mā te ngohengohe he mea tino tere tonu.

"Koe ka kia tata i roto Karaka; haere mai konei i ngā wā katoa koe kimi wā."

"I ia rā, ki te taea, e te Rangatira! E mihi ana ahau ki tō mana i roto i ngā āhuatanga katoa o tōku ao - engari kotahi te tikanga."

"Āe?"

"Tērā koe kupu whakaari ki whakakitea Atua ki ahau!"

I puta he tautohetohe ā-waha mō te haora. Kāore e taea te tinihanga i te kupu a te rangatira; ehara i te mea ngāwari te hoatu. Ko ngā tikanga o te oati e whakatuwhera ana i ngā tirohanga whānui ā-tinana. Me tino piripono te guru ki te Kaihanga i mua i tana whakahau i a ia kia puta mai! I kite ahau i te kotahitanga atua o Sri Yukteswar, ā, i whakatau ahau, hei ākonga māna, ki te whakamahi i taku painga.

"He tino pakari tō ngākau!" Kātahi ka rangona te whakaae a te Ariki me te ngākau

aroa: "Kia waiho tō hiahia hei hiahia māku."

Kua marere te atarangi o tōku ngākau mō te wā roa; kua mutu te rapunga pōuri, i konei, i ōku taha. Kua kitea e au he piringa mutunga kore i roto i tētahi tohunga pono.

"Haere mai; māku e whakaatu ki a koe te whare karakia." Ka whakatika ake te Ariki i tana whāriki taika. Ka tiroiro haere ahau; ka tau taku titiro me te miharo ki tētahi pikitia pakitara, he mea whakapaipai ki te hinu jasmine.

"Rahiri Mahasaya!"

"Āe, e taku guru atua." He reo whakahihī te reo o Sri Yukteswar. "He nui ake ia, hei tangata, hei yogi, i tētahi atu kaiako i roto i te whānuitanga o aku rangahau, nōna te ao i roto i te whānuitanga o tōna ao."

I tūohu puku ahau ki mua i te pikitia mōhio. I tere te whakanui wairua ki te rangatira tino pai, nāna nei i manaaki taku tamarikitanga, i ārahi i aku hikoinga ki tēnei haora.

I arahina ahau e taku tohunga, ka hikoi haere ahau i te whare me ōna whenua. He nui, he tawhito, he pai te hanganga, i karapotia te whare karakia e tētahi marae nui kua whakairohia ki ngā pou. He pūngāwerewere ngā pakitara o waho; e rere ana ngā kūkupa i runga i te tuanui hina papatahi, e tohatoha noa ana i ngā wāhi o te ashram. He māra ataahua kei muri me ngā rākau kākāriki, ngā māngo, me ngā rākau pānati. Ko ngā taupee ārai o ngā rūma o runga i te whare e rua ngā papa e anga atu ana ki te marae mai i ngā taha e toru. I whakamahia he whare nui i te papa o raro, me te tuanui teitei e tautokona ana e ngā poupou, e ai ki te Kaiwhakaako, i te nuinga o te wā i ngā hakari ā-tau o *Durgapuja*. **12-1** He arawhata whaiti te arawhata e anga atu ana ki te rūma noho o Sri Yukteswar, ko tōna taupee iti e anga atu ana ki te tiriti. He maamaa noa ngā taonga o te whare karakia; he māmā noa iho, he ma, he whai hua hoki ngā mea katoa. He maha ngā tūru, ngā paepae, me ngā tēpu āhua Hauāuru i kitea.

I karangahia ahau e te Ariki kia moe i te pō. I whakatakotoria he tina kari huawhenua e ngā ākonga taitamariki e rua e whakangungu ana ki te whare karakia.

"E Guruji, tēnā koa kōrero mai ki ahau mō tō oranga." I noho pōturi ahau i runga i te whāriki kakau witi e tata ana ki tōna kiri taika. He tino tata ngā whetu hoa, te āhua nei, i tua atu i te taupee.

"Ko Priya Nath Karar tōku ingoa whānau. I whānau mai ahau **i te 12-2 tau.**" i konei i Serampore, he tangata pakihi whai rawa a Pāpā. I waiho mai e ia tēnei whare tūpuna ki ahau, ko tōku wāhi whakatā ināiane. He iti noa iho taku kura ōkawa; i kite ahau he puhoi, he papaku hoki. I te tīmatanga o taku pakeketanga, i tangohia e au ngā kawenga o te rangatira whare, ā, kotahi tāku tamāhine, kua moe wahine ināiane. I manaakitia tōku ao waenga e te arataki o Lahiri Mahasaya. I muri i te matenga o taku wahine, ka uru atu ahau ki te Swami Order, ā, ka riro mai i ahau te ingoa hou ko Sri Yukteswar Giri. **12-3** Koinā aku kōrero māmā noa iho."

Ātaata ana te Ariki ki tōku mata hihiri. Pērā i ngā tuhinga kōrero mō te oranga o te tangata, i homai e ana kupu ngā kōrero o waho, engari kāore i whakakitea te āhua o roto.

"Guruji, ahau e rite ki whakarongo ētahi ngā kōrero o tōu tamarikitanga."

"Ka kōrerotia e au ētahi ki a koe - ia mea me te whakaakoranga!" I kanapa ngā kanohi o Sri Yukteswar i tana whakatūpatō. "I ngana taku whaea ki te whakamataku i ahau ki tētahi kōrero whakamataku mō tētahi wairua i roto i tētahi rūma pōuri. I haere ahau i reira tonu, ā, i whakapuaki i tōku pouri mō te ngaronga o te wairua. Kāore a Māmā i kōrero mai i tētahi atu kōrero whakamataku ki ahau. Akoranga: Tirohia te wehi ki tō mata, ā, ka mutu te whakararuraru i a koe.

"Ko tētahi atu maharatanga o mua ko taku hiahia mō tētahi kurī kino nō tētahi hoa noho. I whakararuraru ahau i tōku whare mō ngā wiki kia riro mai ai taua kurī. Kāore ōku taringa i whakarongo ki ngā tono mō ngā mōkai he āhua whakahirahira ake. Akoranga: He mea whakamatapo te piri; ka hoatu he āroha whakaaro o te ataahua ki te mea e hiahia ana."

"Ko te tuatoru o ngā kōrero e pā ana ki te ngāwari o te hinengaro taitamariki. I rongo ahau i tōku whaea e kī ana i ētahi wā: 'Ko te tangata e whakaae ana ki tētahi mahi i raro i tētahi, he pononga ia.' Nā te mea i tino mau tonu taua whakaaro, ahakoa i muri i taku marena, i whakakahoretia e au ngā tūranga katoa. I utua e au ngā whakapaunga mā te whakangao i taku taonga whānau ki te whenua. Ngā Akoranga: Ko ngā whakaaro pai me ngā whakaaro pai me ako i te hunga aro nui. ngā taringa o ngā tamariki. E mau tonu ana ō rātou whakaaro tōmua ki te whakairo koi."

Ka taka te Ariki ki te wā marino, ā, i waenganui pō ka arahina ahau e ia ki tētahi moenga whāiti. He reka, he pai te moe i te pō tuatahi i raro i te tuanui o taku tohunga.

I whiriwhiria e Sri Yukteswar te ata i muri mai hei tuku i tana whakaurunga *Kriya Yoga ki ahau* . Ko te tikanga kua riro mai i ahau i ngā ākonga tokorua a Lahiri Mahasaya - te Matua me taku kaiako, a Swami Kebalananda - engari i te aroaro o te Ariki i rongo ahau i te mana whakarerekē. I tana pā, ka whiti mai he māramatanga nui ki runga i ahau, pērā i te kororia o ngā rā e kore e taea te tatau e whiti tahi ana. I haere tonu te waipuke o te harikoa e kore e taea te kōrero, e taupokina ana tōku ngākau ki roto rawa, i te rā i muri mai. Kua pō te ahiahi i mua i taku kaha ki te wehe atu i te whare karakia.

"Ka hoki mai koe i roto i ngā rā e toru tekau." I taku taenga ki tōku kāinga i Calcutta, ka tae mai te whakatutukitanga o te poropititanga a te Ariki ki ahau. Kāore tetahi o ōku whanaunga i kōrero i ngā kōrero koi i wehi ai ahau mō te putanga mai o te "manu rere."

I piki atu ahau ki taku rūma iti, ā, ka titiro aroha mai, me te mea kei te aroaro o te Atua. "Kua kite koe i aku whakaaroaro, me ngā roimata me ngā tupuhi o taku *sadhana* . Kua tae atu ahau ki te tauranga o taku kaiako atua."

"E tama, e harikoa ana ahau mō tāua." I noho tahi māua ko Pāpā i te ata marino o te ahiahi. "Kua kitea e koe tō koutou tohunga, i te mea i kitea e au taku ake i roto i te huarahi whakamiharo. Kei te tiaki te ringa tapu o Lahiri Mahasaya i ō tātou oranga. Ehara tō koutou ariki i te tangata tapu o Himalaya e kore e taea te toro atu, engari he tangata tata. Kua whakautua aku inoi: kāore koe i tangohia atu mō ake tonu atu i roto i tō rapunga i te Atua. mai i taku tirohanga."

I koa hoki a Pāpā ka tīmata anō aku akoranga ōkawa; i whakaritea e ia ngā whakaritenga e tika ana. I whakaurua ahau i te rā i muri mai ki te Kāreti Hāhi Kōtirana i Calcutta.

I tere haere ngā marama harikoa. Kāore e kore kua whakaarohia e aku kaipānui he iti noa iho taku kitea i roto i ngā akomanga o te kāreti. He mea whakamānawa rawa te whare karakia o Serampore. I whakaae te Ariki ki taku noho mai i ngā wāhi katoa, kāore he kōrero. I tino harikoa ahau, kāore i te maha āna kōrero mō ngā

whare ako. Ahakoa i mārāma ki te katoa kāore au i te pai hei ākongā, i ētahi wā ka eke ahau ki ngā māka paetae iti rawa.

I rere pai te oranga o ia rā i te ashram, kāore i te maha ngā wā ka rerekē. I ara ake taku guru i mua i te ata. I a ia e takoto ana, i ētahi wā e noho ana i runga i te moenga, ka uru ia ki te āhua o *te samadhi*. **12-4** He māmā noa iho te kite i te wā i ara ake ai te Ariki: te mutunga ohorere o te ngongoro nui. **12-5** He aue, he rua rānei; he nekehanga tinana pea. Kātahi ka puta he āhua kore manawa: i roto ia i te harikoa nui o te yoga.

Parakuihi i mahi kāore whai; tuatahi i tae mai he roa hikoi nā te Ngā Ganges. Ko ērā ata ngā hikoi me taku

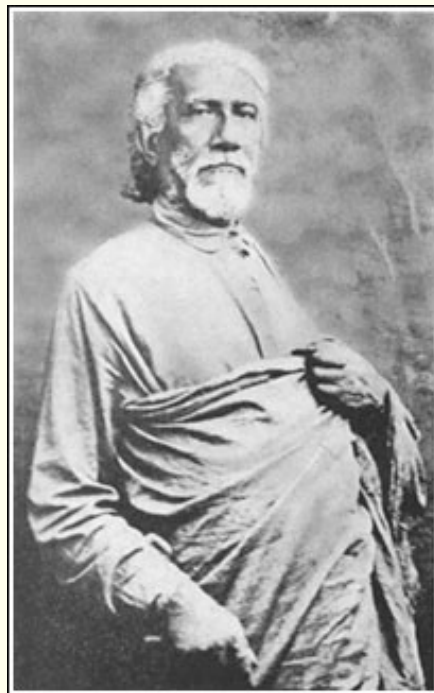

he tino pono, he ora tonu! I te whakaoranga ngāwari o te mahara, ka kitea ahau i tōna taha: e whakamahana ana te rā i te awa. E tangi ana tōna reo, e kī ana i te pono o te whakaaro nui.

He kaukau; kātahi ka kai i te poutumarotanga. Ko te whakarite i tēnei kai, e ai ki ngā tohutohu a te Kaiwhakaako i ia rā, he mahi āta mahi nā ngā ākonga taitamariki. He kaiwhenua taku tohunga. Heoi, i mua i tana urunga ki te mahi mōneka, i kai ia i ngā hua manu me ngā ika. Ko tana tohutohu ki ngā ākonga kia whai i tētahi kai māmā e tika ana mō te tinana o te tangata.

Kaiwhakaako kai iti; pinepine raihi, tae me tāmī rānei wai o pīti rānei pīnihi me he mea tauhiuhia mārīre ki *te ghee* poaka, ki te pata rewa rānei. I tētahi atu rā, tera pea ka kai ia i te lentil- *dhal*, i te *channa* rānei **12- 6** kari me ngā huawhenua. Hei kai reka, he māngo, he karaka rānei me te pūtini raihi, he wai naki rānei.

I puta mai ngā manuhiri i ngā ahiahi. He awa e rere tonu ana mai i te ao ki te marino o te whare karakia. I kitea e te katoa i roto i te Ariki te atawhai me te ngākau atawhai ōrite. Ki te tangata kua mōhio ki a ia anō he wairua, ehara i te tinana, i te whakapehapeha rānei, he rite tonu te āhua o te toenga o te tangata.

Te kore whakaaro motuhake o hunga tapu ko pūmau i roto te whakaaro nui. Ngā Tohunga whai i mawhiti *māia* tōna whakawhiti Kāore ngā kanohi o te hinengaro me te wairangi e titiro whakaaweawe ana. Kāore a Sri Yukteswar i aro nui ki te hunga whai mana, ki te hunga matatau rānei; kāore hoki ia i whakahawe ki ētahi atu mō tō rātou rawakore, mō te kore pānui me te tuhituhi. Ka whakarongo ia me te whakaute ki ngā kupu pono a te tamaiti, ā, ka wareware noa i te tohunga whakapehapeha.

TAKU RANGATIRA, SRI YUKTESWAR

Ākonga o Rāhiri Mahasaya

Waru karaka te hāora kai, ā, i ētahi wā ka kitea he manuhiri e tatari ana. Kāore taku guru e whakaae kia kai ko ia anake; kāore tetahi i waiho i tana ashram e hiakai ana, e kore rānei e makona. Kāore a Sri Yukteswar i rite ki tētahi atu.

i te ngaro, kāore i matakū i ngā manuhiri ohorere; ka puta he hakari iti i raro i tana arataki auaha. Heoi, he tangata penapena ia; nui te moni i pau i ana moni iti. "Kia noho humarie ki roto i tō pēke," tana kī pinepine. "Mā te whakapau moni ka hoko koe i te mamae." Ahakoa i roto i ngā taipitopito o te whakangahau i te whare karakia, i tana mahi hanga me te whakatika, i ētahi atu mahi rānei, i whakaatuhia e te Kaiwhakaako te taketake o te wairua auaha.

I ngā hāora marino o te ahiahi, ka puta mai ngā kōrero a tētahi o aku tohunga, he taonga ki te wā. Ko ana kōrero katoa i whāia, i whakairohia hoki e te whakaaro nui. Ko te māia nui i tohu i tana momo whakapuakitanga: reira i ahurei. Ia kōrero hei kāore ētahi atu i roto taku wheako ake tonu atu i kōrero. Tōna I paunatia ngā whakaaro i roto i te pauna ātaahua o te wehewehe i mua i tana tukunga i a rātou ki te kākahu o waho. Ko te mauri o te pono, e horapa ana ki ngā mea katoa tae noa ki te taha tinana, i puta mai i a ia pērā i te putanga kakara o te wairua. I mōhio tonu ahau kei te aroaro ahau o tētahi whakakitenga ora. o te Atua. Nā te taumaha o tōna atuātanga i piko tonu ai tōku mahunga ki tōna aroaro.

Ki te kite ngā manuhiri tōmuri kua tīmata a Sri Yukteswar ki te aro atu ki te Mutunga Kore, ka hohoro tonu tana kōrero ki a rātou. Kāore i taea e ia te whakaatu i tōna āhua, te whakaatu rānei i tōna wehenga o roto. Nā te mea he kotahi tonu ia me te Ariki, kāore ia i hiahia ki tētahi wā motuhake mō te komunio. Kua mahue kē i te rangatira whai whakaaro ki a ia anō te tūāpapa o te whakaaroaro. "Ka hinga te putiputi ina puta te hua." Engari he maha ngā wā ka piri te hunga tapu ki ngā āhua wairua hei whakatenatena i ngā ākonga.

I te tata mai o te waenganui pō, tera pea ka moe taku tohunga i te āhua o te tamaiti. Kāore he ngangau mō te moenga. He maha ana takotoranga, kāore he urunga, i runga i tētahi taupee whaiti e takoto ana. koinei te papamuri mō tōna nohoanga hiako taika.

Kāore i te onge te kōrero mō te whakaaro i te pō; ka taea e tētahi ākonga te whakaoho mā te kaha o te hiahia. Kāore au i rongo i te ngenge i taua wā, kāore hoki he hiahia ki te moe; he nui ngā kupu ora a te Kaiwhakaako. "Āe, kua ata! Me haere tāua i te taha o te awa o Ganges." Nō reira te mutunga o aku wā ako i te pō.

I tutuki aku marama tuatahi ki a Sri Yukteswar i roto i tētahi akoranga whai hua - "Me pēhea te tinihanga i tētahi waeroa." I te kāinga, i whakamahia tonutia e tōku whānau ngā ārai tiaki i te pō. I pouri ahau i te kitenga i roto i i te whare karakia o Serampore i whakahonoretia tēnei tikanga whakaaro nui i te wā i pakaru ai. Heoi, i noho pūmau ngā pepeke; i ngaua ahau mai i te mahunga ki te waewae. I aroha mai taku tohunga ki ahau.

"Hokona he ārai māu, me tētahi anō hoki māku." Ka kata ia, ā, ka tāpiri atu, "Ki te hoko koe i tētahi anake māu, ka aro mai ngā namu katoa ki ahau!"

Nui atu tōku whakawhetai mō te whakaae. I ia pō i noho ai ahau ki Serampore, ka tono mai taku tohunga kia whakaritea e au ngā ārai mō te wā moe.

I tētahi ahiahi, he tino kino rawa ngā waeroa. Engari kāore te Kaiwhakaako i tuku i ana tohutohu noa. I whakarongo matakū ahau ki te haruru o ngā pepeke. I taku taenga ki te moenga, ka maka e ahau he karakia whakamarie ki tō rātou taha whānui. I muri i te hawhe haora, ka maremare ahau me te whakapehapeha hei kukume i te aro o taku tohunga. I whakaaro ahau ka porangi ahau i ngā ngau, me te tangi o te haruru i a ngā waeroa e whakanui ana i ngā kawa toto.

Kāore he whakaohoho mai i te Kaiwhakaako; i whakatata atu ahau ki a ia me te āta tupato. Kāore ia e manawa ana. Koinei taku kitenga tuatahi i a ia i roto i te hinengaro yoga; i whakakīia ahau e te wehi.

"Kua ngoikore pea tōna ngākau!" I whakatakotoria e au he whakaata ki raro i tōna ihu; kāore i puta mai he kohu manawa. Hei tino mōhio, mō ngā meneti ka katia e au tōna waha me ōna pongaponga ki ōku maihao. He makariri, he korekore tōna tinana. I roto i te pōuri, ka tahuri ahau ki te tatau ki te karanga āwhina.

"Nā! He kaiwhakamātautau e tipu haere ana! Āue te ihu!" He wiri te reo o te Ariki i te kata. "He aha koe te haere ai ki te moenga? Ka huri te ao katoa māu? Hurihia koe: kia kore e mōhio ki te namu."

Me te ngākau māhaki, ka hoki ahau ki taku moenga. Kāore he pepeke i whakatata mai. I kite ahau kua whakaae taku tohunga ki ngā ārai hei whakamanawareka i ahau; kāore ia i wehi i ngā namu. Nā tōna mana yoga i taea ai e ia te ārai i a rātou kia kaua e ngau, te mawhiti rānei ki te ātete o roto.

"I whakaatu mai ia i tētahi whakaaturanga ki ahau," i whakaaro ahau. "Koinei te āhua yoga me whai ahau kia eke." Me taea e te yogi te uru atu ki roto, me te haere tonu ki roto, i te hinengaro nui, ahakoa ngā mea whakararuraru maha e kore e ngaro i tēnei ao. Ahakoa i roto i te haruru o ngā pepeke, i te kanapa whānui rānei o te rā, me ārai te whakaaturanga a ngā kare ā-roto. Ka tae mai te oro me te tirohanga, engari ki ngā ao ataahua ake i a Ētene i peia. 12-7

Te whakaako ngā namu i mahi mō tētahi atu wawe akoranga i te whare karakia Ia i te ngawari te ahiahi. I te whakamārama pai rawa atu taku tohunga i ngā tuhinga tawhito. I ōna waewae, i roto ahau i te rangimārie tino pai. I tomo mai tētahi waeroa nanakia ki te wāhi ataahua, ā, i whakataetae ki te tiki i tōku aro. I a ia e keri ana i tētahi ipu paitini I te werohanga o te ngira ki roto i tōku huha, ka ara ake te ringa rapu utu. Whakatārewatia mai i te whakamatenga e tata mai ana! I puta mai he maharatanga pai ki ahau mō tētahi o ngā whakataukī yoga a Patanjali- i runga i *te ahimsa* (te kore kino).

"He aha koe te whakaoti ai i te

mahi?" "E te Ariki! Kei te tautoko

koe i te whakamate tangata?"

"Kāo; engari kua pā kē te whiu whakamate ki tō

hinengaro." "Kāore au i te mārara."

"Ko te tikanga a Patanjali ko te tango i te *hiahia* ki te patu." I kitea e Sri Yukteswar he pukapuka tuwhera ōku tukanga hinengaro. "Kua whakaritea tēnei ao kia mahi tūturu i te *ahimsa* . Tērā pea ka akiakihia te tangata ki te whakangaro i ngā mea hanga kino. Kāore ia i raro i te akiaki rite ki te riri, ki te mauahara rānei. He ōrite te tika o ngā momo ora katoa ki te hau o te *maya* . Ko te tangata tapu e hura ana i te mea ngaro o te hanganga ka noho tahi me ōna whakaaturanga whakapoauau maha. Ka taea e ngā tāngata katoa te whakatata atu ki taua māramatanga e pehi ana i te hiahia o roto ki te whakangaromanga."

"Guruji, me kotahi tuku ia anō he patunga tapu engari i te whakamate he ngahere kararehe?"

"Kāo; he mea utu nui te tinana o te tangata. He tino uara tōna i te whanaketanga nā te mea he roro motuhake tōna me ōna pokapū tuaiwi. Mā ēnei ka taea e te tangata matatau te mārama me te whakaatu i ngā āhuetanga tino teitei o te atuātanga. Kāore he āhua o raro e rite ana ki tēnei. He pono ka pāngia te tangata e te nama o te hara iti mēnā ka akiakihia ia ki te patu i tētahi kararehe, i tētahi mea ora rānei. Engari e whakaako ana ngā *Veda* ko te ngaronga kino o te tinana tangata he takahi nui i te ture karma."

ahau aue i roto te whakamāmā; karaipiture whakapakari o tētahi taiao ngā kare ā-roto ko kāore i ngā wā katoa kei te heke mai.

Kāore au i kite i te Ariki i te taha tata me te reparo, te taika rānei. Engari i tūtaki atu tētahi kōpara whakamate ki a ia, ā, ka hinga i te aroha o taku tohunga. He momo nakahi tēnei e tino wehingia ana i Īnia, e mate ai neke atu i te rima mano i ia tau. I tū te tūtakitanga morearea ki Puri, i reira te tuarua o ngā whare karakia o Sri Yukteswar, he tino ataahua te tūnga tata ki... te Te Whanga o Bengal. Prafulla, he taitamariki ākongā o ā muri ake nei ngā tau, i me Kaiwhakaako i runga tēnei wā

"I noho mātou i waho e tata ana ki te ashram," te kōrero a Prafulla ki ahau. "I puta mai tētahi kōpara i te taha tata, e whā putu te roa, he tino wehi. I whānui haere tōna taupoki i a ia e oma mai ana ki a mātou. I kata pōwhiri mai taku guru, me te mea he tamaiti. I tino miharo ahau i te kitenga i te Kaiwhakaako e pakipaki ana i ōna ringa.

12-8 I te manaaki ia i te manuhiri whakamataku! I noho puku ahau, i roto i ahau e whakapuaki ana i ngā inoi kaha ka taea e au te kohi. Ko te nakahi, e tata ana ki taku guru, kua kore e nekeneke inaianei, me te mea nei kua kukumea e tōna āhua mirimiri. Ka memeha haere te taupoki whakamataku; ka ngokingoki te nakahi i waenganui i ngā waewae o te Ariki ka ngaro ki roto i ngā rakau.

"He aha i neke ai ngā ringa o taku guru, me te aha hoki i kore ai e pā te kokopi ki a rātou, kāore i taea e au te whakamārama i taua wā," te whakatau a Prafulla. "Nō reira, kua mōhio ahau kāore taku rangatira atua e matakū kei whara tetahi mea ora."

I tētahi ahiahi, i aku marama tōmua i te ashram, ka kite ahau i ngā kanohi o Sri Yukteswar e titiro matatau mai ana ki ahau .

"Koe kei hoki kikokore, Mukunda."

I pā tana kōrero ki tētahi wāhi tairongo. Ko ōku kanohi totohu me te āhua hiroki i tino pā kino ki ahau. i kitea i roto i taku rūma i Calcutta te pai o taku reka. Kāore he hua; kua whaia ahau e te mate puku roa mai i taku tamarikitanga. I tae taku ngakau pouri ki te tihi i ētahi wā i taku I pātai ahau ki ahau anō mēnā he pai te haere tonu i tēnei ao me te tinana ngoikore.

"He herenga tō ngā rongoā; kāore he herenga o te mauri auaha. Whakaponohia tēnei:

ka ora koe, ka kaha hoki."

Nā ngā kupu a Sri Yukteswar i whakaara ake te whakapono ki te pono e pā ana ki ahau, kāore i taea e tētahi atu kaiwhakaora - ā, he maha ngā mea kua whakamatauria e au! - te karanga i roto i ahau.

I ia rā, i ia rā, tirohia! I whakakorikori ahau. E rua wiki i muri i te manaakitanga huna a te Ariki, kua kohia e au te taumaha whakakaha i ngaro i ahau i mua. I ngaro atu aku mate puku tonu i roto i te

pumau tonu. I ngā wā i muri mai ka kite ahau i ngā whakaora atua o te hunga e mate ana i te mate kohi, te mate huka, te mate haurangi, te pararutiki rānei. Kāore he tangata i nui ake te whakawhetai mō tana whakaora i ahau i te wa i wetekina ohorere ai ahau i te āhua o taku tinana mate.

"I ngā tau kua pahure ake nei, i hiahia nui hoki ahau ki te whakanui ake i tōku taumaha," te kōrero a Sri Yukteswar ki ahau. "I a au e ora ana i muri i te mate kino, i toro atu ahau ki a Lahiri Mahasaya i Benares."

"E te Ariki, ahau whai kua tino tūroro me ngaro he tokomaha pauna.

"Au tirohia, Yukteswar, **12-9** koe i hangaia koe anō te mate, me ināiane koe whakaaro koe kei kikokore.

"He rerekē rawa tēnei whakautu i taku i whakaaro ai; heoi, i tāpiri atu taku tohunga me te whakatenatena: "Kia kite ahau; e tino mōhio ana ahau ka pai ake tō wairua āpōpō."

"I te tango i ana kupu hei tohu whakaora ngaro ki tōku hinengaro ngāwari, kāore au i miharo i te ata i muri mai i te pikinga mai o te kaha. I rapu ahau i tōku ariki, ā, i karanga harikoa ahau, 'E te Ariki, kua pai ake tōku āhua i tēnei rā.'"

"Ae rā!" I tēnei rā koe whakakaha koe anō.

"Kāo, e te rangatira!' ka whakahē ahau. 'Nāu ahau i āwhina; ko te wā tuatahi tēnei i roto i ngā wiki kua whai kaha ahau.'"

"Āe! He tino kino tō mate. He ngoikore tonu tō tinana; mā wai e kī me pēhea āpōpō?"

"I te whakaaro ki te hokinga mai pea o tōku ngoikore, ka tau mai he wiri o te matakū makariri ki ahau. I te ata i muri mai, kāore i taea e au te tōia ki te kāinga o Lahiri Mahasaya."

"E te Ariki, ahau am e mate ana anō.

"Tāku te tohunga titiro i whakahihiri 'Nō reira!' Kotahi atu anō koe ngoikore koe anō.

"E Gurudeva, kua mōhio ahau ināiane koe kei te tawai mai koe i ahau i ia rā, i ia rā.' Kua pau taku manawanui. 'Kāore au i te mārāma he aha koe i kore ai e whakapono ki aku pūrongo pono.'"

"He pono, nā ō whakaaro koe i ngoikore ai, i kaha ai hoki.' I titiro mai tōku ariki ki ahau me te aroha. 'Kua kite koe i te whai a tō hauora i ō tumanakohanga. He kaha te whakaaro, pērā i te hiko, i te kaha ā-papa rānei. Ko te hinengaro tangata he

mura o te hinengaro kaha o te Atua. Ka taea e au te whakaatu ki a koe ko ngā mea katoa e whakaponohia ana e tō hinengaro kaha, ka puta tonu mai.'

"Mōhio tērā Rāhiri Mahasaya kāore rawa kōrero mangere, ahau i arohia ia me nui miharo me whakawhetai:

'E te Kaiwhakaako, mēnā ahau whakaaro ahau am puna me whai kua whakahokia mai taku mua taumaha, me tērā tupu?

"Ia ko nā reira, ahakoa i tēnei wā poto. Taku tohunga kōrero tino kino, tāna titiro kukū i runga taku ngā kanohi.

"Nā! I rongu ahau i te pikinga ake o te kaha, me te taumaha hoki. I hoki puku a Lahiri Mahasaya. I muri i ētahi haora i ōna waewae, ka hoki ahau ki te kāinga o tōku whaea, ā, i noho ahau ki reira i aku haerenga ki Benares."

"E taku tama! He aha te raruraru? Kei te pupuhi koe i te mate repe?" Kāore i te whakapono a Māmā ki ōna kanohi. Kua rite te kaha o tōku tinana ki tōna āhua i mua i tōku mate.

"I paunatia e au tōku taumaha, ā, i roto i te rā kotahi kua piki ake taku taumaha e rima tekau pauna; ā, i noho tonu ēnei ki ahau mō ake tonu atu. I tino miharo ngā hoa me ngā hoa i kite i tōku tinana kikokore. He tokomaha o rātou i whakarerekē i ō rātou momo noho, ā, i riro hei ākonga mā Lahiri Mahasaya nā tēnei merekara."

"I mōhio taku tohunga, i te ara ake i roto i te Atua, he moemoeā noa iho tēnei ao nā te Kaihanga. Nā te mea i tino mōhio ia ki tōna kotahitanga ki te Kaitiaki Moemoeā Atua, ka taea e Lahiri Mahasaya te whakatinana, te whakakore rānei i te hanganga, te hanga rānei i tētahi huringa e hiahia ana e ia i roto i te tirohanga ao. " **12-10**

"Ko ngā mea hanga katoa e whakahaeretia ana e te ture," te whakatau a Sri Yukteswar. "Ko ngā mea e kitea ana i te ao o waho, e kitea ana e ngā kaipūtaiao, e kiia ana ko ngā ture taiao. Engari he ture ngawari ake e whakahaere ana i ngā ao o te hinengaro ka taea anake te mōhio mā te pūtaiao o roto o te yoga. Kei ngā ao wairua huna hoki ā rātou mātāpono mahi taiao me te ture. Ehara i te kaipūtaiao tinana engari ko te rangatira kua tino mōhio ki a ia anō e mārāma ana ki te āhua tūturu o te ao. Nō reira "I taea e te Karaiti te whakaora i te taringa o te pononga i muri i te tapahi a tetahi o ngā ākonga." **12-11**

He kaiwhakamāori tino pai a Sri Yukteswar mō ngā karaipiture. He maha aku maharatanga harikoa e aro ana ki āna kōrero. Engari kāore ōna whakaaro whakapaipai i maka ki te pungarehu o te mangere, o te kuware rānei. Kotahi noa te nekehanga o tōku tinana, te takanga pakupaku rānei ki te kore aro, i ranea hei whakaroa i te whakamārama a te Kaiwhakaako.

"Kāore koe i konei." I whakamutua e te Ariki tana kōrero i tētahi ahiahi. Pērā i ngā wā katoa, i aro tonu ia ki taku aro me te tere whakaharahara.

"Guruji!" He reo whakahē taku. "Kāore au i nekeneke; kāore ōku kamo i nekeneke; ka taea e au te whakahua i ia kupu i kōrerotia e koe!"

"Heoi anō, kāore koe i tino tautoko mai i ahau. Nā tō whakahē i mea ahau kia kī atu, i roto i tō hinengaro, e toru ngā whare i hangaia e koe. Ko tētahi he piringa whenua i runga i te mania, ko tētahi i runga i te tihi o te pukepuke, ko tētahi tuatoru i te taha o te moana."

I te mea kāore i te mōhiohia, i puta mai aua whakaaro pōuriuri. I titiro atu ahau ki a ia me te whakapāha.

"He aha kēne ahau mahi me pērā he rangatira, ko wai uru taku matapōkere ngā whakaaroaro?"

Ko te whare matua kei Mount Washington Estates i Los Angeles, i whakatūria i te tau 1925 hei tari matua mō te Self-Engineering Fellowship i Amerika.

Te Whakatutukitanga i a la Anō Hāhi o Katoa Ngā karakia, Hollywood, Karipōnia.

"Kua homai e koe taua mana ki ahau. Kāore e taea te hopu i ngā pono ngaro e whakamāramahia ana e au me te kore tō aro nui. Ki te kore e tika, kāore au e takahi i te mokemoke o ngā hinengaro o ētahi atu. He mana tūturu tō te tangata ki te kopikopiko puku i roto i ōna whakaaro. Kāore te Ariki e tomo ki reira; kāore hoki au e takahi."

"Koe kei ake tonu atu nau mai, E te Ariki!"

"Tōu hoahoanga moemoeā ka whakatinana ā muri ake nei. Inaianei ko te wā mō ako!"

Nō reira, i whakakitea mai e taku tohunga i roto i tana huarahi māmā te taenga mai o ngā kaupapa nui e toru o tōku ao. Mai i taku tamarikitanga kua kite ahau i ngā

tirohanga ngaro o ngā whare e toru, ia whare i roto i tētahi horopaki rerekē. I roto i te raupapa tonu i tohuhia e Sri Yukteswar, ka tino puta te āhua o ēnei kitenga. Tuatahi ko taku whakatūnga i tētahi kura yoga mō ngā tama tāne i runga i tētahi mania o Ranchi, kātahi ko taku tari matua o Amerika i runga i tētahi whenua o Los Angeles.

Āneherata tihi o te pukepuke, i te mutunga he whare karakia i roto tonga Karipōnia nā te whānui Te Moana-nui-a-Kiwa.

Kāore te Ariki i kī whakakake: "E poropiti ana ahau ka puta tēnei, tēnei mea!" He pai kē ki a ia tohutohu: "Kaua koe whakaaro reira mei tupu?" Engari tāna ngāwari kōrero huna Vatican mana. I reira kāore i hoki whakamuri; kāore rawa ana kupu huna i kitea he teka.

He tangata māriri, he tangata pono hoki a Sri Yukteswar. Kāore he matakite pōuri, he matakite kuware rānei i roto i a ia. I tū pakari ōna waewae ki te whenua, ko tōna māhunga kei te rangi.

Nā te hunga mahi pono i whakaoho tōna miharo. "Ehara te tapu i te wairangi! Kāore ngā māramatanga atua e whakakorekore!" tana kī. "Mā te whakaaturanga kaha o te ngākau pai ka puta te mātauranga tino koi."

I roto i te oranga o te Ariki i tino kitea e au te wehewehenga i waenga i te ao wairua me te ao pōuri. te mea ngaro e whakapaetia ana he rite tonu. Kāore taku tohunga i pai ki te kōrero mō ngā ao o te ao tūroa. Ko tana aura "whakamiharo" anake ko te tino māmā. I roto i te kōrerorero i karohia e ia ngā kōrero whakamiharo; i roto i te mahi i whakapuaki noa ia. I kōrero ētahi mō ngā merekara engari kāore i taea e ia te whakaatu i tetahi mea; kāore i te maha ngā wā i whakahuatia ai e Sri Yukteswar ngā ture ngawari engari i whakamahia pukutia e ia i a ia e hiahia ana.

"Kāore te tangata mātau e mahi i tētahi merekara kia tae rā anō ki te wā e whakaaetia ai ia e roto," te whakamārama a te Kaiwhakaako. "Kāore te Atua e hiahia kia whakakitea noatia ngā mea ngaro o tana hanganga." **12-12** Waihoki, he mana motuhake tō ia tangata o te ao ki tōna ake hiahia. E kore te tangata tapu e takahi i taua mana motuhake."

Ko te wahangu i taunga ki a Sri Yukteswar i puta mai i ana tirohanga hohonu ki te Mutunga Kore. Kāore he wā i toe mō ngā "whakakitenga" mutunga kore e noho ana i ngā rā o ngā kaiako kāore i te mōhio ki a ia anō. "I roto i ngā tāngata papaku, ka nui te ngangau o ngā ika o ngā whakaaro iti. I roto i ngā hinengaro moana, kāore ngā tohorā o te whakaohoho e whakakorikori." Kāore tēnei kitenga mai i ngā karaipiture Hinitū i te kore he katakata mohio.

Nā te āhua koretake o taku guru, he torutoru noa iho o ōna hoa i mōhio ki a ia he tangata tino rangatira. Ko te kīwaha rongonui: "He kuware ia e kore e taea te huna i tōna whakaaro nui," kāore i taea te whakamahi ki a Sri Yukteswar. Ahakoa i whānau mai ia hei tangata mate pērā i ngā tāngata katoa, kua tutuki i te Ariki te tuakiri ki te Kaiārahi o te wā me te wāhi. I roto i tōna oranga i kite ahau i te kotahitanga atua. Kāore ia i kite i tētahi arai e kore e taea te wikitoria ki te hanumi i te tangata me te Atua. Kāore he arai pērā, i māranga ahau, engari ko te koretake o te wairua o te tangata.

I tino harikoa ahau i te pā o ngā waewae tapu o Sri Yukteswar. E whakaako ana ngā Yogi ka kukumehia te wairua o te akonga mā te whakapā atu ki te rangatira; ka puta he au ngawari. Ko ngā tikanga whanonga kore e hiahiatia o te tangata karakia i roto i te roro ka tahuna; ka whakararuraruhia te awaawa o ōna whanonga ao. Mō tētahi wā poto pea ka kitea e ia ngā arai ngaro o te *maya*. te hiki, me te tiro ki te ao tūturu o te harikoa. I whakautu mai tōku tinana katoa me te kanapa whakaora i ngā wā katoa I tuturi ahau i mua i taku guru, pērā i te tikanga Īnia.

"Ahakoa āhea Rāhiri Mahasaya i wahangu," Kaiwhakaako i kōrerotia ahau, "ranei āhea ia kōrero i runga ētahi atu i te

he kaupapa whakapono noa iho, i kitea e au ahakoa rā kua tukuna mai e ia ki ahau he mātauranga e kore e taea te kōrero."

I pā anō hoki a Sri Yukteswar ki ahau. Mēnā i tomo ahau ki te whare karakia me te āwangawanga, te kore rānei e aro ki te āhua o taku i roto i te hinengaro, ka huri taku waiaro i roto i te āhua kāore i kitea. I tau mai he marino whakaora i te kitenga noa i taku guru. I ia rā me ia he wheako hou i roto i te harikoa, te rangimārie, me te whakaaro nui. Kāore au i kite i a ia kua mamingatia, kua haurangi rānei i te apo, i te kare ā-roto, i te riri, i tētahi atu here tangata rānei.

"Kei te whakatata puku mai te pōuri o te *maya*. Me hoki tātou ki te kāinga." I te ahiahi, i ēnei kupu, ka whakamahara tonu te Kaiwhakaako ki āna ākonga i tō rātou hiahia ki te *Kriya Yoga*. I ētahi wā ka ruarua te ākonga hou mō tōna ake tika ki te whai wāhi ki te mahi yoga.

"Wareware ki ngā mea o mua," te whakamarie a Sri Yukteswar i a ia. "Kua pōuri ngā oranga ngaro o te tangata katoa, he maha ngā whakama. Kāore e taea te whakawhirinaki ki te whanonga tangata kia mau rā anō ki te Atua. Ka pai ake ngā mea katoa o te heke mai mēnā kei te whakapau kaha koe ki te taha wairua ināianei."

He taitamariki tonu *ngā Chela a te Ariki* **12-13 tau te pakeke**, i roto i tōna whare karakia. Ko tā rāua mātauranga wairua me te mātauranga hinengaro tana i hiahia ai mō tōna oranga katoa: i mua tata tonu i tōna matenga, i whakaae ia ki te whakangungu i ngā tama tāne e ono tau te pakeke me tētahi taiohi tekau mā ono tau te pakeke. I ārahi ia i ō rāua hinengaro me ō rāua oranga me taua ako ātaahua e ahu mai ana te kupu "ākonga". I aroha, i whakaute hoki ngā kainoho o te ashram i tō rātou guru; he papaki ringa noa iho i ranea hei kawē mai i a rātou ki tōna taha. I te wā i pai ai tōna wairua i te wahangu, i te noho puku, kāore tetahi i maia ki te kōrero; i te tangi harikoa o tana kata, ka titiro ngā tamariki ki runga ki a ia hei mea nō rātou ake.

Kāore i te maha ngā wā ka tono te Ariki ki ētahi atu kia mahi i tētahi mahi whaiaro māna, ā, kāore hoki ia e whakaae ki te āwhina a tētahi ākonga mēnā kāore i te pono te hiahia. Mēnā ka warewarehia taua mahi rangatira e ngā ākonga, ka horoia maretia e taku tohunga ōna kākahu. I mau a Sri Yukteswar i te kākahu swami taekōkā tuku iho; ko ōna hu kore here, e ai ki te tikanga yogi, he hiako taika, he hiako tia rānei.

I matatau te Kaiwhakaako ki te kōrero i te reo Pākehā, Wīwī, Hindi, me te reo Bengali; he pai tana reo Sanskrit. I manawanui ia ki te whakaako i ana akonga taitamariki mā roto i ētahi ara poto i hangaia e ia mā te mōhio hei ako i te reo Pākehā me te reo Sanskrit.

Kaiwhakaako i tūpato o tāna tinana, i te wā pupuri āta whakaaro te āpitihanga Te

Mutunga kore, i kī ia, e whakaatu tika ana mā te hauora tinana me te hinengaro. I whakahawea ia ki ngā āhuatanga tino kino. I tīmata tētahi ākonga i tētahi nohopuku roa. I kata noa taku tohunga: "He aha e kore ai e maka he wheua ki te kurī?"

● Sri Yukteswar; kāore au i kite i a ia e mate ana. I whakaaetia e ia ngā ākonga kia toro atu ki ngā tākuta mēnā he mea tika. Ko tana kaupapa he whakaute i te tikanga o te ao: "Me whakahaere e ngā tākuta ā rātou mahi whakaora mā roto i ngā ture a te Atua e pā ana ki te ao tūroa." Engari i whakanuia e ia te hiranga o te whakaora hinengaro, ā, he maha āna kōrero anō: "Ko te whakaaro nui te mea horoi nui rawa atu."

"He hoa tinihanga te tinana. Hoatu te tika ki a ia; kāti," tana kī. "He rangitahi te mamae me te koa; manawanui ki ngā āhuatanga takirua katoa me te marino, me te ngana anō ki te tango i tō rāua mana."

Ko te whakaaro noa te tatau e tomo mai ai te mate me te whakaora. Kaua e whakapono ki te tūturutanga o te mate ahakoa kei te mate koe; ka oma atu tētahi manuhiri kāore i te mōhiotia!"

He tokomaha ngā tākuta i roto i āna ākonga i roto i te Rangatira. "Ko te hunga kua rapu i ngā ture ā-tinana ka taea te rangahau ngāwari i te pūtaiao o te wairua," tana kī atu ki a rātou. "Kei muri noa iho i te hanganga o te tinana he tikanga wairua ngaro." **12-15**

I tohutohu a Sri Yukteswar i ana ākonga kia noho hei hononga ora mō ngā tikanga pai o te Hauāuru me te Rawhiti. He kaiwhakahaere ia nō te Hauāuru i roto i ngā whanonga o waho, engari i roto ko ia te wairua o te Hauāuru. I whakanuia e ia ngā tikanga ahu whakamua, ngā rauemi me te akuaku o te Hauāuru, me ngā kaupapa whakapono e homai ana he āwhiowhio rautau ki te Rawhiti.

Kāore i te mea ngaro ki ahau te whiu: i te kāinga he tino pakari a Pāpā, he tino pakari a Ananta. Engari kāore e taea te kī ko te whakangungu a Sri Yukteswar he tino kaha. He tangata e hiahia ana ki te tino tika, ā, he tino whakahē taku tohunga i ana ākonga, ahakoa he mea mō te wā poto, he mea rānei mō ngā whanonga ngawari.

"He rite te āhua pai ki te kore he pono ki tētahi wahine ataahua kua mate," tana kī i ētahi wā. "He rite te tika ki te maripi a te taote pokanga, he whai hua engari he kino. He āwhina, he mea whakamiharo te pono me te atawhai."

I te āhua nei i makona te Ariki ki taku whanaketanga wairua, nā te mea he onge tana kōrero mō taua mea; i ētahi atu take, kāore ōku taringa i tauhou ki te riri. Ko aku hara nui ko te kore aro, te whai wā i roto i ngā kare pouri, te kore whai i ētahi ture tikanga, me ētahi mahi kore tikanga.

"Mātakitakihia te pai o te whakaritenga me te taurite o ngā mahi a tō matua, a Bhagabati, i ngā āhuatanga katoa," te kī a taku tohunga. I tūtaki ngā ākonga tokorua a Lahiri Mahasaya i muri tata mai i taku tīmatanga i aku haerenga ki Serampore. I arotakehia e Pāpā rāua ko Sri Yukteswar te uara o tētahi ki tētahi. I hanga e rāua he orange ā-roto o te kōhatu wairua, he mea e kore e taea te whakarewa i ngā tau.

Mai i ngā kaiako tauhou o tōku ao o mua, i ako ahau i ētahi akoranga hē. I kīia mai ki ahau, kāore he take mō te *chela* ki te aro nui ki ngā mahi o te ao; i taku korenga, i taku mahi rānei i aku mahi, kāore ahau i whiua. He tino ngāwari ki te tangata te whakauru i aua akoranga. Heoi, i raro i te rākau aroha a te Ariki, ka ora wawe ahau i ngā whakaaro pohehe o te kore kawenga.

"Ko te hunga e pai rawa ana mō tēnei ao kei te whakapaipai i ētahi atu," te kī a Sri Yukteswar. "I a koe e manawa ana i te hau kore utu o te whenua, kei raro koe i te kawenga ki te tuku ratonga whakawhetai. Ko ia anake kua tino rangatira i te āhua

kore manawa **12-16** kua wetekina i ngā whakahau o te ao. E kore ahau e wareware ki te whakamōhio atu ki a koe ina tae koe ki te tino pai."

Kāore rawa e taea te utu i taku tohunga, ahakoa nā te aroha. Kāore ia i whakaatu i te atawhai ki te tangata i tuku noa mai hei ākonga māna, pērā i ahau. Ahakoa i karapotia māua ko te Kaiwhakaako e āna ākonga, e ngā tāngata tauhou rānei, i a māua anake rānei, he mārāma tonu tana kōrero, he koi hoki tana riri. Kāore he kōrero whakakatakata. i mawhiti i tana riri te taka ki te papaku, ki te kore rānei e rite. He uaua tēnei maimoatanga whakatārewatanga ki te

kia manawanui, engari ko taku whakatau kia tukuna a Sri Yukteswar kia whakatika i ia o aku raruraru hinengaro. I a ia e mahi ana i tēnei panonitanga nui, he maha ngā wā i wiri ai ahau i te taumaha o tana hama whiu.

"Ki te kore koe e pai ki aku kupu, kei a koe te mana ki te haere i ngā wā katoa," te whakamana a te Ariki ki ahau. "Kāore he mea e hiahiatia ana e au i a koe engari ko tō ake whakapainga. Me noho noa mēnā kei te pai koe."

Mō ia whiu whakaiti i tukua mai e ia ki ahau, mō ia niho i roto i taku kauae whakarite i whiua e ia me te whāinga whakamiharo, e mihi ana ahau ki tua atu i te kaha o te whakapuaki. Ko te pūtake mārō o te whakapehapeha tangata e kore e taea te wetewete engari me te whanoke. I tōna wehenga atu, ka kitea e te Atua he arai kore e araia. He maumau tana rapunga ki te uru atu i roto i ngā ngākau kiripaka o te hiahia whaiaro.

Nā te hohonu o te whakaaro nui o Sri Yukteswar, he maha āna whakautu ki ngā kitenga huna a te tangata, ahakoa te kore whakarongo ki ngā kōrero. "He rerekē rawa ngā mea e whakaarohia ana e te tangata e rangona ana e ia, me ngā mea e tino whakaarohia ana e te kaikōrero," tana kī. "Whakamātauria kia rongo i ngā whakaaro kei muri i te pōhēhē o ngā kōrero a te tangata."

Engari he mamae ki ngā taringa o te ao te māramatanga atua; kāore te Kaiwhakaako i te rongonui i waenga i ngā ākonga papaku. Ko te hunga whakaaro nui, he tokoiti tonu, i tino whakanui i a ia. Ki taku whakaaro, ko Sri Yukteswar te tohunga tino rapua i Inia me i kore āna kupu i tino pono, i tino whakahē hoki.

"He kaha taku mahi ki te hunga e haere mai ana ki taku whakangungu," tana whakaae mai ki ahau. "Koinei taku tikanga; me haere, me haere rānei." reira. ahau ka kāore rawa whakaae tahi Engari koe ka kia nui tamariki ki tōu ngā ākonga; tērā ko tōu ara. Ka ngana ahau ki te pure i roto i ngā ahi kaha anake, e mura ana i tua atu i te manawanui noa. Ko te huarahi ngawari o aroha ko hoki te whakaputa ke Te uaua me te tuku ngā tikanga kei "He rite tonu te whai huatanga mēnā ka whakamahia me te whakaaro nui. Ka haere koe ki ngā whenua ke, ki te kore e maioha ki ngā whakaekenga kino ki te whakapehapeha. Kāore e taea e te kaiako te hora i te karere a Īnia ki te Hauāuru me te kore he pūtea nui mō te manawanui me te manawanui." Kāore au e whakaae ki te kī i te nui o te pono i tae atu ahau i muri mai. kitea i roto i ngā kupu a te Kaiwhakaako!

Ahakoa i aukatia e te kōrero pono a Sri Yukteswar te tokomaha o te hunga i whakarongo mai i a ia i te ao nei, heoi anō kei te kitea tōna wairua ora puta noa i te ao i ēnei rā, mā roto i ngā ākonga pono o āna *Kriya Yoga* me ētahi atu whakaakoranga. He mana nui ake tōna i roto i ngā wairua o te tangata i tō Arekāna i moemoeā ai i roto i te oneone.

I tae mai a Pāpā i tētahi rā ki te mihi ki a Sri Yukteswar. Tērā pea i tumanako taku

mātua kia rongō i ētahi kupu whakamoemiti mōku. I ohorere ia i te tukunga mai o tētahi kōrero roa mō aku hapa. Ko te tikanga a te Kaiwhakaako he kōrero i ngā hapa ngāwari, kāore e tino kitea, me te āhua whakamataku. te kaha ā-papa. I oma tere mai a Pāpā ki te kite i ahau. "Nā ngā kōrero a tō kaiako i whakaaro ahau kua tino pakaru koe!" I waenganui i te roimata me te kata taku mātua.

Ko te take anake i riri ai a Sri Yukteswar i taua wā ko taku ngana ki te tahuri i tētahi tangata ki te ara wairua, ahakoa tana tohutohu ngawari.

Ki riri tere ahau i rapua i waho taku tohunga Ia i whiwhi ahau me pōuri ngā kanohi, hei ahakoa

i te mōhio ki te hara. Koinei anake te wā i kite ai ahau i te raiona atua e ngākau mahaki ana i mua i ahau. I tino pārekarekahia te wā ahurei.

"E te Ariki, he aha koe i whakahe kino ai i ahau i mua i tōku matua miharo?

He tika rānei tēnā?" "Kāore au e mahi anō." He whakapāha te reo o te

Ariki.

I taua wā tonu ka tangohia aku patu. Āe, te tere o te whakaae a te tangata nui ki tana he! Ahakoa kāore ia i whakararuraru i te rangimarie o te hinengaro o Pāpā, ka haere tonu te Ariki ki te tātari i ahau i ngā wā katoa, i ngā wāhi katoa hoki e pai ai ia.

He maha ngā wā i uru atu ai ngā ākonga hou ki a Sri Yukteswar ki te whakahē i ētahi atu. He hunga whakaaro nui pērā i te guru! He tauira mō te whakahāwea tino pai! Engari ko te tangata e whakaeke ana kaua e noho korekore. Ko aua ākonga whakahē anō i oma tere atu i te wā i tukuna ai e te Kaiwhakaako ētahi pere mai i tana papa tātari ki a rātou.

"Ko ngā ngoikore o roto, e whakarihariha ana ina pāngia ngāwaritia, he rite ki ngā wāhanga mate o te tinana, e hoki whakamuri ana i mua i te whāwhā mārie." Koinei te kōrero whakakatakata a Sri Yukteswar mō ngā mea rerehua.

Tērā ētahi ākonga e rapu ana i tētahi guru i hangaia kia rite ki tō rātou ake āhua. He maha ngā amuamu a ēnei ākonga kāore rātou i te mārāma ki a Sri Yukteswar.

"Kāore hoki koe e mārāma ki te Atua!" i whakahoki atu ahau i tētahi wā. "Ina mārāma koe ki tētahi tangata tapu, ka pērā koe." I roto i ngā tiriona ngaro, e manawa ana i ia hēkona i te hau e kore e taea te whakamārāma, ko wai ka maia ki te tono kia hopukina tonutia te āhua hohonu o tētahi rangatira?

I haere mai ngā ākonga, ā, i haere atu. Ko te hunga i hiahia ki te ara o te aroha hinuhinu me te mihi whakamarie, kāore i kitea i te whare karakia. I tuku te Ariki i tētahi piringa me te tiaki mō ngā tau maha, engari he maha ngā ākonga i tono pōuri ki te whakamarie i a rātou anō. I haere atu rātou, i pai ake ki ngā whakaitinga maha o te ao i mua i te whakaiti. Ko ngā hihi mura o te Ariki, te hihi tuwhera e uru ana o tōna whakaaro nui, he kaha rawa atu mō ō rātou mate wairua. I rapu rātou i tētahi kaiako iti iho, i te mea i whakamarumarū rātou ki te whakapatipati, i tukua ai kia moe pōuri o te kuware.

I ngā marama tōmua o taku mahi ki te Kaiwhakaako, i pā mai te wehi nui ki ahau mō āna kupu whakatūpato. I kite wawe ahau, he mea rāhui ēnei mō ngā ākonga i tono kia tangohia e ia ōna tinana. Mēnā ka whakahē tētahi ākonga e ngenge ana, ka noho puku a Sri Yukteswar. Kāore rawa āna kupu i riri, engari kāore he whakaaro nui ki a

ia.

Kāore i arohia ngā whakaaro o te Kaiwhakaako ki ngā taringa o ngā manuhiri noa; kāore i te maha ngā wā i kōrero ia mō ō rātou ngoikoretanga, ahakoa he mea kitea. Engari ki ngā ākongā i rapu i tana tohutohu, i kite a Sri Yukteswar i tētahi kawenga nui. He toa pono te tohunga e ngana ana ki te huri i te matū mata o te tangata e kapi ana i te whakapehapeha! Ko te maia o te tangata tapu e ahu mai ana i tōna aroha ki te hunga kore kanohi o tēnei ao.

I taku whakarēreatanga o te mauahara huna, ka kite ahau i te hekenga nui o taku whiu. I roto i tētahi ara tino mārire, ka rewa te Ariki ki roto i te aroha noa. Nō te wā, ka wahia e au ngā taiepa katoa o te whakaaro tika me te āwangawanga huna e ārai ana i te tuakiri tangata. **12-17** Ko te utu he ngāwari noa te noho tahi me taku tohunga. I kitea e au i taua wā he tangata pono ia, he tangata whai whakaaro, he tangata aroha puku. Heoi, kāore ia i whakaatu i te aroha.

Ko tōku ake āhua he tino karakia. I te tīmatanga he mea whakararuraru te kitenga i taku guru, kī tonu i te *jnana* engari te āhua nei kāore i te mārāma ki *te bhakti*, **12-18** i whakaatu noa i a ia anō i roto i ngā tikanga pāngarau wairua makariri. Engari i a au e aro ana ki tōna āhua, kāore au i kite i te whakaitinga engari i te pikinga ake o taku huarahi karakia ki te Atua. Ka taea e te rangatira whai whakaaro ki a ia anō te ārahi i ana ākonga i runga i ngā rārangi tūturu o ō rātou whakaaro nui.

Ahako te koretake o taku whanaungatanga ki a Sri Yukteswar, he tino matatau ia ki te kōrero. He maha ngā wā ka kitea e au tana waitohu puku i roto i ōku whakaaro, ka kore ai e whai hua te kōrero. I a au e noho puku ana i tōna taha, ka rongo au i tana manaakitanga e ringihia mai ana ki runga i ahau.

I kitea nuitia te tika kore whakaaro o Sri Yukteswar i te hararei raumati o taku tau tuatahi ki te kāreti. I mihi atu ahau ki te whai wāhi ki te noho tahi me taku tohunga i Serampore mō ngā marama maha.

"Ko koe pea te rangatira o te whare karakia." I koa te Ariki i taku taenga mai me te ngākau hihiko. "Ko āu mahi he manaaki manuhiri, me te tiro tiro i te mahi a ētahi atu ākonga."

I whakaaetia a Kumar, he taitamariki nō te kāinga rāwhiti o Bengal, kia whakangungua ki te whare karakia i ngā wiki e rua i muri mai. Nā te mea he tino mohio ia, i tere tonu tana riro i a ia te aroha o Sri Yukteswar. Mō tētahi take e kore e taea te mārāma, i tino ngāwari te Ariki ki te tangata whenua hou.

"E Mukunda, tukua a Kumar kia mahi i ō mahi. Whakamahia tō wā ki te tahi me te tunu kai." Nā te Ariki ēnei tohutohu i tukuna mai i muri i te noho o te tamaiti hou ki a mātou mō te marama kotahi.

I whakanuia a Kumar ki te tūranga kaiārahi, ā, i whakamahia e ia tētahi mahi nanakia iti i roto i tōna whare. I roto i te tutu puku, i haere tonu ngā ākonga ki te rapu i ahau mō ngā tohutohu o ia rā.

"Kāore e taea a Mukunda! Nāu ahau i whakatū hei kaitiro tiro, engari ko ētahi atu ka haere ki a ia, ka whakarongo ki a ia." E toru wiki i muri mai ka amuamu a Kumar ki tā mātou guru. I rongo ahau i a ia i tētahi rūma e tata ana.

"Koia ahau i tuku ai i a ia ki te kīhini, ko koe ki te rūma noho." He mea hou ki a

Kumar te reo memeha o Sri Yukteswar. "Nā tēnei kua mōhio koe he hiahia tō te rangatira tika ki te mahi, kaua ki te whakahaere. I hiahia koe ki te tūranga o Mukunda, engari kāore i taea e koe te pupuri i taua tūranga mā te tika. Hoki atu ki tāu mahi o mua hei kaiawhina tunu kai."

I muri i tēnei mahi whakaiti, ka hoki anō te Kaiwhakaako ki a Kumar me te waiaro o mua o te whakangāwari noa. Mā wai e whakaoti te mea ngaro o te kukume? I roto i a Kumar, i kitea e tā mātou tohunga he puna ataahua kāore i pupū ake ki ngā ākonga. Ahakoa ko te tamaiti hou ko Sri

Ko te tino pai ki a Yukteswar, kāore au i matakū. Ko ngā āhuatanga motuhake o te tangata, ahakoa nō ngā rangatira, ka puta he āhua uaua ki te āhua o te ao. Kāore i te maha ngā taipitopito e whakahaeretia ana e tōku āhua; i rapu au i tētahi painga e kore e taea te uru atu i a Sri Yukteswar, kaua ko te whakamoemiti noa iho.

Kumar kōrero tino kino ki ahau kotahi rā kāore take; ahau i hōhonu whara

"Kei te pupuhi tō mahunga, ā, kua pakū!" I tāpiri atu ahau i tētahi whakatūpato, ā, i tino mōhio ahau ki tōna pono: "Ki te kore koe e whakatika i ō ara, ka tonoa koe kia wehe atu i tēnei whare karakia i tētahi rā."

I kata whakato i a Kumar, ka whakahokia taku kōrero ki tā mātou tohunga, i tomo mai nei ia ki te rūma. I te tumanako ka riria ahau, ka hoki māriri ahau ki te kokonga.

"Tērā pea he tika a Mukunda." He rerekē te matao o te whakautu a te Ariki ki te tamaiti. I mawhiti ahau, kāore he riri.

I te tau i muri mai, ka haere a Kumar ki te toro atu ki tōna kāinga o tōna tamarikitanga. Kāore ia i aro ki te whakahē puku a Sri Yukteswar, kāore nei i whakahaere mana i ngā nekehanga a āna ākonga. I te hokinga mai o te tamaiti ki Serampore i roto i ētahi marama, ka kitea he panoni kino. Kua riro atu a Kumar rangatira me te mata kanapa marino. Ko tētahi tangata whenua koretake anake i tū i mua i a mātou, he tangata kua mau ki ētahi whanonga kino i ēnei rā tata nei.

I karanga mai te Ariki ki ahau, ā, i roto i te ngākau maru i kōrero mai ai ia mō te meka kāore te tamaiti i te taunga mō te oranga o te whare mōneka.

"E Mukunda, māu e tohutohu a Kumar kia wehe atu i te ashram āpōpō; kāore e taea e au!" I tū ngā roimata i roto i ngā kanohi o Sri Yukteswar, engari i tere tana whakahaere i a ia anō. "E kore rawa te tamaiti e taka ki ēnei hōhonutanga me i whakarongo ia ki ahau, ā, kāore i haere atu ki te whakauru ki ngā hoa kino. Kua whakakahoretia e ia taku tiaki; me noho tonu te ao pōuri hei kaiako māna."

Kāore i hari nui ahau i te wehenga atu o Kumar; heoi anō, i whakaaro ahau me pēhea te tangata whai mana ki te toa i tētahi... Kāore e taea e te aroha o te rangatira te whakautu ki ngā mea iti te utu. Ko te koa ki te waina me te moepuku he pūtaka nō te tangata maori, ā, kāore e hiahia he mea reka o te tirohanga hei maioha ki a rātou. He rite ngā mahi tinihanga a te hinengaro ki te oleander matomato tonu, he kakara me ōna putiputi maha-tae: he paitini ia wāhanga o te tipu. Kei roto te whenua o te rongoā, e tiaho ana me taua harikoa e rapua matapotia ana i roto i te mano tini o ngā ara hē. **12-19**

"He mata rua te māramatanga koi," te kī a te Kaiwhakaako mō te hinengaro kanapa

o Kumar. "Ka taea te whakamahi hei hanga, hei whakangaro rānei, pērā i te maripi, hei tapahi i te koropupū o te kuware, hei tapahi rānei i a ia anō. Ka arahina tika te māramatanga i muri i te whakaae a te hinengaro ki te kore e taea te karo i te ture wairua."

I noho tahi taku tohunga me ngā ākonga tāne, ngā ākonga wahine, me te manaaki i a rātou katoa pērā i āna tamariki. I te kitenga i te ōritetanga o ō rātou wairua, kāore ia i whakaatu i tētahi rerekētanga, i tētahi whakaaro pākiki rānei.

"I roto i moe, koe mahi kāore mōhio mēnā rānei koe kei he tāne rānei he wahine," ia i mea. "Māori noa iho hei he tangata,

"Ko te whakatangata i te wahine, e kore e riro hei wahine, nō reira ko te wairua, e whakatangata ana i te tāne me te wahine, kāore he ira tangata. Ko te wairua te ahua parakore, te ahua kore e rerekē o te Atua."

Kāore a Sri Yukteswar i karo, i whakapae rānei i ngā wāhine hei taonga whakawai. E ai ki a ia, he whakamatautauranga anō hoki ngā tāne ki ngā wāhine. I pātai atu ahau ki taku tohunga he aha i karanga ai tētahi tohunga tapu nui o mua i ngā wāhine ko "te tatau ki te reinga."

"Mehemea i tino raruraru te kotiro i tōna tamarikitanga," te whakautu a taku tohunga me te riri. "Me i kore, kua whakahē ia, ehara i te wahine, engari ko ētahi hapa o tana ake mana whakahaere."

Ki te maia te manuhiri ki te kōrero i tētahi kōrero whakahihiri i roto i te whare karakia, ka noho puku te Kaiwhakaako. "Kaua e tukua koe kia whiua e te whiu whakaohoho o tētahi kanohi ataahua," tana kī atu ki ngā ākonga. "Me pēhea e taea ai e ngā pononga te pārekareka ki te ao? Ka mawhiti atu ōna kakara ngawari i a rātou e takoto ana i roto i te paru taketake. Ka ngaro ngā whakaaro pai katoa ki te tangata o ngā hiahia taketake."

Ko ngā ākonga e rapu ana ki te mawhiti atu i te whakaaro pohehe takirua a *te maya* i riro mai i te manawanui me te kaitohutohu mārama a Sri Yukteswar.

"Pērā i te kai hei whakamātau i te hiakai, ehara i te apo, waihoki ko te hiahia moepuku kua hangaia hei whakatipu i te momo i runga i te ture taiao, ehara i te mea hei tahu i ngā hiahia e kore e taea te ngata," tana kī. "Whakangaromia ngā hiahia hē inaianei; ki te kore ka whai mai i a koe i muri i te haehaetanga o te tinana wairua mai i tōna anga tinana. Ahakoa he ngoikore te kikokiko, me ātete tonu te hinengaro. Ki te whakaeke mai te whakamatautauranga ki a koe me te kaha nanakia, hinga mā te tātari kore-whaiaro me te hiahia kaha. Ka taea te whakahaere i ngā hiahia taiao katoa."

"Tiakina ō mana. Kia rite koe ki te moana whānui, e mimiti ana i roto i ngā awa katoa o ngā kare ā-roto. Ko ngā hiahia iti he whakatuwheratanga i roto i te puna o tō rangimārie o roto, e tuku ana i ngā wai whakaora kia moumou ki te oneone koraha o te taonga. Ko te hihiri kaha o te hiahia hē te hoariri nui rawa atu ki te harikoa o te tangata. Haereere i te ao kia rite ki te raiona o te mana whakahaere; kia tupato kei whana koe e ngā poroka o te ngoikore."

Ka wetekina te tangata karakia i ngā hiahia ā-tinana katoa. Ka hurihia e ia tōna hiahia ki te aroha tangata hei wawata ki te Atua anake, he aroha takitahi nā te mea kei ngā wāhi katoa.

I noho te whaea o Sri Yukteswar ki te rohe o Rana Mahal o Benares, te wāhi i toro tuatahi atu ai ahau ki taku guru. He wahine atawhai, he wahine atawhai hoki ia,

engari he wahine tino pakari ōna whakaaro. I tū ahau i runga i tōna taupee i tētahi rā, ka mātakitaki i te whaea me tana tama e kōrero ana. I roto i tana āhua marino, whakaaro nui, i ngana te Ariki ki te whakatenatena i a ia mō tētahi mea. Te āhua nei kāore i angitu, nā te mea i ruru tōna mahunga me te kaha nui.

"Kāo, kāo, taku tama, haere atu inaiane! Tō whakaaro nui ngā kupu kei kāore mō ahau! ahau am kāore tōu ākonga!"

I hoki whakamuri a Sri Yukteswar, kāore he tautohe anō, pērā i te tamaiti i riria. I pāngia ahau e tōna whakaute nui ki tōna whaea ahakoa tōna āhua pōhēhē. I kite ia i a ia he tamaiti noa iho,

ehara i te mea he tohunga. He mea whakamīharo te kaupapa iti nei; i homai he whakamārama mō te āhua rerekē o taku tohunga, he whakaiti i roto, he pakari i waho.

Kāore ngā ture mōneka e whakaae kia mau tonu te hononga o te swami ki ngā hononga o te ao i muri i te wehenga ōkawa. Kāore e taea e ia te mahi i ngā kawa whānau e tika ana mō te rangatira whare. Heoi, kāore a Shankara, te kaihanganga tawhito o te Swami Order, i aro ki ngā whakahau. I te matenga o tōna whaea aroha, i tahuna e ia tōna tinana ki te ahi o te rangi, ā, i puta mai i tōna ringa i ara ake.

I whakahāweatia hoki e Sri Yukteswar ngā here, he āhua kāore i tino miharo. I te matenga o tōna whaea, i whakaritea e ia ngā karakia tahu i te taha o te awa tapu o Ganges i Benares, ā, i whāngai ia i te tini o ngā Brahmin i runga i te tikanga tawhito.

Ko te kaupapa o ngā aukati *shastric* he āwhina i ngā swami ki te wikitoria i ngā tuakiri whaiti. Nā Shankara rāua ko Sri Yukteswar i whakakotahi katoa ō rāua oranga ki roto i te Wairua Kore-tangata; kāore i hiahiatia he whakaoranga mā te ture. I ētahi wā anō hoki, ka āta wareware te rangatira i tētahi kaupapa ture hei pupuri i tōna kaupapa kia teitei ake, kia motuhake hoki i te āhua. Nō reira, ka hutia e Ihu ngā kānga witi i te rā o te okiokinga. Ki te hunga whakahē i mea ia: "I hanga te hapati mō te tangata, ehara i te mea ko te tangata mō te hapati." **12-20**

I tua atu i ngā karaipiture, kāore i tino kitea he pukapuka i whakanuia e Sri Yukteswar. Heoi, i mōhio tonu ia ki ngā kitenga pūtaiao hou me ngā whanaketanga mātauranga kē atu. He tangata kōrero matatau ia, ā, i pai ki a ia te whakawhitiwhiti whakaaro mō ngā kaupapa maha me āna manuhiri. Nā te wairua mohio me te katakata o taku tohunga i whakaoho ake i ia kōrero. I te nuinga o te wā, kāore te Kaiwhakaako i pouri. "Ki te rapu i te Ariki, kāore e hiahiatia te whakapōrearea i tōna mata," tana kī. "Kia mahara ko te kimi i te Atua te tikanga o te tangihanga o ngā mamae katoa."

I roto i ngā tohunga whakaaro, ngā ahorangi, ngā rōia me ngā kaipūtaiao i tae mai ki te whare karakia, he tokomaha i tae mai mō tā rātou haerenga tuatahi me te tumanako ka tūtaki ki tētahi tohunga whakapono tuku iho. I ētahi wā, mā te ataata whakakake, mā te titiro whakakatakata rānei, ka kitea he iti noa ngā kōrero tapu i tumanakohia e ngā tauhou. Heoi, nā tō rātou wehenga ā-whakaroa i puta ai te whakapono kua whakaatu a Sri Yukteswar i te māramatanga tika ki ā rātou mara motuhake.

He ngawari, he atawhai hoki taku tohunga ki ngā manuhiri; he manaakitanga ataahua tana manaakitanga. Heoi, i ētahi wā ka pāngia te hunga whakakake e te ohorere whakahihiri. Ka tūtaki rātou ki te Ariki i tētahi āhua kore aro, i tētahi ātete nui rānei: he hukapapa, he rino rānei!

I tūtaki tetahi tohunga matū rongonui ki a Sri Yukteswar. Kāore te manuhiri e whakaae kei te noho te Atua, nā te mea kāore anō kia kitea e te pūtaiao he huarahi

hei kimi i a Ia.

"Nō reira, kāore i taea e koe te wehewehe i te Mana Nui i roto i ō ngongo whakamātautau, he āhua koretake!" He pakari te titiro a te Ariki. "E taunaki ana ahau i tētahi whakamātautau kāore anō kia rangona. Tirohia tonutia ō whakaaro mō ngā haora e rua tekau mā whā. Kātahi ka mutu te miharo ki te ngaro o te Atua."

He whakanuia tohunga i whiwhi he rite wiri Ki whakahīhī te ngākau nui, te tohunga rūrū te whare karakia

ngā arawhata me karaipiture ngā kōrero tuku iho Haruru nui ngā kōrero ringihia mai i te *Mahabharata*, te

.*Ngā Upanishad*, **12-21** te *Ngā Bhāṣya* **12-22** o Shankara

"Kei te tatari ahau ki te whakarongo ki a koe." He pātai te reo o Sri Yukteswar, me te mea kua noho puku rawa. I pōhēhē te tohunga.

"He nui rawa ngā kōrero i puta mai." Nā ngā kupu a te Ariki ahau i harikoa ai, i ahau e noho puku ana i taku kokonga, i tawhiti atu i te manuhiri. "Engari he aha ngā kōrero taketake ka taea e koe te tuku mai, mai i te ahurei o tō oranga? He aha ngā tuhinga tapu kua mimitihia e koe, ā, kua hangaia hei tuhinga māu ake? I roto i ngā huarahi hea ēnei pono mutunga kore i whakahou ai i tō āhua? Kei te makona koe ki te noho hei tangata koretake, e whakahoki aunoa ana i ngā kupu a ētahi atu tātanga?"

"Au hoatu ake!" Te ā te tohunga pouri i whakakatakata "Au whai kāore roto te whakatutukitanga."

Koinei pea te wā tuatahi i mārāma ai ia kāore te whakatakotoranga tika o te koma e ea ai te koma wairua.

"He hongī kino rawa atu ēnei tangata kore toto ki te rama," te kī a taku tohunga i muri i te wehenga atu o te tangata kua whiua. "E pai ake ana ki a rātou te rapunga whakaaro hei mahi whakatū hinengaro ngawari. Kāore ō rātou whakaaro teitei e pā ana ki te kino o te mahi o waho, ki tētahi whiu o roto rānei!"

Kaiwhakaako ahotea i runga ētahi atu ngā wā te koretake o noa iho pukapuka te ako.

"Kaua e whakapoauau i te māramatanga me te whānuitanga o ngā kupu," tana kī.

"He pai ngā tuhinga tapu ki te whakaoho i te hiahia mō te whakatutukitanga o roto, mēnā ka ata whakaurua tētahi whiti i ia wā. Ko te ako hinengaro tonu ka hua ake te whakapehapeha me te makona teka o te mea kāore i nakunaku." te mātauranga."

I kōrero a Sri Yukteswar i tētahi o ana ake wheako i roto i te whakaakoranga karaipiture. Ko te wāhi i kitea ai he wāhi tapu i te ngahere i te rawhiti o Bengal, i reira i mātaki ai ia i te tikanga a tētahi kaiako rongonui, a Dabru Ballav. Ko tana tikanga, he māmā, he uua hoki i te wā kotahi, he mea noa i Inia onamata.

I huihui a Dabru Ballav i ana ākonga ki tōna taha i roto i te mokemoke o te awaawa. I tuwhera te *Bhagavad Gita* tapu i mua i a rātou. I titiro pūmau rātou ki tētahi wāhanga mō te hawhe haora, kātahi ka kati ō rātou kanohi. I pahemo atu tētahi atu hawhe haora. I kōrero poto te rangatira. Kāore i nekeneke, i whakaaroaro anō rātou mō te haora. I te mutunga ka kōrero te guru.

"Kei a koe koe mārāma?"

"Āe, e te rangatira." Kotahi i roto te rōpū i whakamātau tēnei te whakaū

"Kāo; kāore i tino. Rapua te wairua ora i homai ai ki ēnei kupu te mana ki te whakaora i a Īnia rautau i muri i te rautau." I ngaro atu tētahi atu haora i roto i te wahangu. I tukuna e te kaiako ngā ākonga, ā, ka tahuri ki a Sri Yukteswar.

"Kāo, e te rangatira, kāore tino; ahakoa taku ngā kanohi me hinengaro whai oma mā roto tōna ngā whārangi he tokomaha ngā wā."

"He mano tini ngā whakautu rerekē ki ahau!" Ka menemene te tohunga nui ki te Ariki me te manaaki. "Ki te mea ka pukumahi te tangata ki te whakaatu i te taonga o te karaipiture, he aha te wā e toe ana ki te ruku puku ki roto ki ngā pērara utu nui?"

Nā Sri Yukteswar i ārahi te ako i ana ake ākonga mā te tikanga kotahi anō o te arotahi kotahi. "Kāore te whakaaro nui e honoa ki ngā kanohi, engari ki ngā ngota," tana kī. "Ina kore tō whakapono ki tētahi pono e noho ana i roto i tō roro anake engari i roto hoki i tō wairua, ka taea e koe te whakaū māia i tōna tikanga." I whakahē ia i tētahi āhua o tētahi ākonga ki te whakamārama i te mātauranga pukapuka he mea noa iho. he taahiraa e tika ana mō te whakatutukitanga wairua.

"I roto i te rerenga kotahi i tuhia ai *e ngā rishi* ngā kōrero hōhonu e pukumahi ana ngā tohunga mō ngā whakatipuranga," tana kī. "Ko te tautohetohe tuhituhi mutunga kore he mea mā ngā hinengaro mangere. He aha atu te whakaaro whakaora i te 'Ko te Atua' - kāore, 'Atua'?"

Engari kāore te tangata e hoki ngāwari ki te māmā noa iho. He onge te "Atua" ki a ia, engari he whakapehapeha kua akohia. E harikoa ana tōna whakapehapeha ki te taea e ia te hopu i taua mātauranga.

Ko ngā tāne e whakapehapeha ana ki te tūranga teitei o te ao, tera pea, i te aroaro o te Ariki, ka tāpiri atu i te ngākau mahaki ki ā rātou taonga kē atu. I tae mai tētahi kaiwhakawā o te rohe mō tētahi uiuinga i te whare karakia o te taha moana i Puri. Ko te tangata, he tangata rongonui mō te nanakia, i roto i tōna mana ki te pei i a mātou i te ashram. I whakatūpato ahau i taku guru mō ngā āheinga nanakia. Engari i noho ia me te āhua kore e whakaae, ā, kāore i whakatika ki te mihi ki te manuhiri. He paku matakū, I noho pōturi ahau i te taha o te tatau. I noho noa te tangata ki tētahi pouaka rakau; kāore taku tohunga i tono mai kia tikina e au he tūru. Kāore i tutuki te tumanako a te kaiwhakawā kia whakanuia tōna hiranga i roto i te karakia.

I puta ake he kōrero matatika. I hē te whakamāoritanga o ngā karaipiture e te manuhiri. I te hekenga o tōna tika, ka piki ake tōna riri.

"E mōhio ana koe i tū tuatahi ahau i te whakamātautau MA?" Kua whakarērea ia e te whakaaro nui, engari i taea tonu e ia te karanga.

"E te Kaiwhakawā, kua wareware koe ehara tēnei i tō rūma whakawā," te whakautu tika a te Kaiwhakaako. "Mā ō kōrero tamariki, kua whakaaro ahau he mea noa iho tō mahi i te kāreti. Ahakoa pēhea, kāore he hononga o te tohu whare wānanga ki te whakatutukitanga o te Vedic. Kāore ngā Tapu e puta mai i roto i ngā rōpū i ia

wāhanga ako pērā i ngā kaikaute."

I muri he ohorere te wahangu, te manuhiri kata me te ngākau nui.

"Koinei taku tūtakitanga tuatahi ki tētahi kaiwhakawā rangi," tana kī. Nō muri mai ka tono ia, i roto i ngā tikanga ture i kitea ai he wāhanga nui o tōna oranga, kia whakaaetia ia hei

"whakamātautau" ākonga.

Nā taku tohunga i aro atu ki ngā taipitopito e pā ana ki te whakahaere i ana taonga. I ngā wā maha, i ngana ngā tāngata tinihanga ki te pupuri i te whenua tūpuna o te Ariki. Me te whakapau kaha, tae noa ki te whakatū ture, i tinihanga a Sri Yukteswar i ngā hoa whawhai katoa. I pāngia ia e ēnei wheako mamae nā te hiahia kia kaua rawa e noho hei tohunga tono kai, kia kaua hoki e waiho hei kawenga mō āna ākonga.

Ko tōna mana motuhake i te taha pūtea tētahi o ngā take i kore ai taku Kaiwhakaako, he tino pukumahi, i te mōhio ki ngā mahi tinihanga o te whakawhitiwhiti kōrero. He rerekē ki ngā kaiako e hiahia ana ki te whakapatipati i ō rātou kaitautoko, ko taku tohunga kāore i te ārai i ngā awe, ahakoa kitea, ahakoa ngaro, o ngā taonga a ētahi atu. Kāore au i rongō i a ia e tono ana, e tohutohu ana rānei i te moni mō tētahi take. I tukuna noa, ā, i tukuna noa tana whakangungu mō ngā whare karakia ki ngā ākonga katoa.

I tētahi rā ka tae mai tētahi āpiha whakahihi o te kooti ki te whare karakia o Serampore ki te mahi ki a Sri Yukteswar me te karanga ture. I reira anō māua ko tētahi ākonga ko Kanai tōna ingoa. He whakarihariha te waiaro o te āpiha ki te Ariki.

Heoi i tū te Ariki me te tiaki i mua i te kaitukino i a ia. "Kaua e harikoa mō te kore noa iho. Kei te mahi noa tēnei tangata i tana mahi tika."

He mea whakamiharo te kite i tētahi rangatira whai ngākau nui pērā te marino o roto. I rite tana whakamāramatanga Vedic mō te tangata a te Atua: "He ngawari ake i te putiputi, ina tae ki te atawhai; he kaha ake i te whatitiri, ina tae ki ngā mātāpono."

Kei reira tonu te hunga i tēnei ao, e ai ki ngā kupu a Browning, "kāore e tu atu ki te māramatanga, e noho ana "I ētahi wā ka riria a Sri Yukteswar e tētahi tangata o waho mō tētahi amuamu pakiwaitara. I whakarongo mārīre taku tohunga mārīre,

He mea whakamiharo te manawanui pumau o te tangata tapu, nui atu i tētahi atu kauwhau. "He pai ake te tangata puhoi ki te riri i te tangata kaha; he pai ake hoki te tangata e whakahaere ana i tōna wairua i te tangata e horo ana i te pa." **12-23**

Te Kore moe Tapu

"Tukua ahau kia haere ki ngā maunga o Himalaya. Ko tāku e tumanako nei, i roto i te mokemoke, ka tutuki tonu te hononga atua."

I tētahi wā i tukuna atu e au ēnei kupu kore whakawhetai ki tōku Ariki. I te mauheretia e tētahi o ngā whakaaro pohehe e pā ana ki te tangata karakia, ka tīmata taku kore manawanui ki ngā mahi o te whare karakia me ngā akoranga o te whare wānanga. Ko tētahi āhuatanga ngoikore ko taku tono i te wā e ono noa ngā marama i noho tahi ai māua ko Sri Yukteswar. Kāore anō kia tino tirohia e au tōna tū teitei.

"He tokomaha ngā tāngata maunga e noho ana i ngā maunga o Himalaya, engari kāore i a rātou te māramatanga ki te Atua." Āta haere ana te whakautu a taku tohunga, ā, he māmā noa iho. "He pai ake te rapu i te whakaaro nui i te tangata whai māramatanga, i te tangata e noho puku ana."

I wareware ahau ki te tohu mārāma a te Ariki ko ia taku kaiako, ehara i te puke, ā, ka tuaruatia e au taku inoi. Kāore a Sri Yukteswar i whakaae. I tangohia e au tana wahangu hei whakaae, he whakamaoritanga mōrearea e whakaaetia ana i te wā e pai ai te tangata.

I taua ahiahi i tōku kāinga i Calcutta, i pukumahi ahau ki ngā whakaritenga haerenga. I a au e here ana i ētahi taonga ki roto i te paraikete, ka mahara ahau ki tētahi paihere rite, i taka puku mai i te matapihi o tōku tuanui i ētahi tau kua pahure. I whakaaro ahau mēnā he rerenga pōrangī anō tēnei ki ngā maunga o Himalaya.

Ko te wā tuatahi tēnei i tino harikoa ai ahau; i tēnei pō ka tino pā te hinengaro ki te whakaaro ki te wehe atu i taku guru.

I te ata i muri mai ka rapu ahau i a Behari Pundit, taku ahorangi Sanskrit i te Scottish Church College.

"E te Ariki, kua kōrero mai koe ki ahau mō tō hoa rangatira ki tētahi o ngā ākonga nui a Lahiri Mahasaya. Tēnā koa homai tōna wāhi noho."

"Ko Ram Gopal Muzumdar te tikanga. Ka karangatia ia e au ko te 'tangata tapu kore moe.' E ara tonu ana ia i roto i te hinengaro harikoa. Kei Ranbajpur tōna kāinga, e tata ana ki Tarakeswar."

ahau whakawhetai te tohunga, me kua mau tonu mō Tarakeswar. ahau i tumanakohia ki te wahangu i whakamāmā i ōku āwangawanga mā te tono whakaaetanga mai i te "tangata tapu kore moe" kia uru atu ahau ki te whakaaroaro mokemoke i Himalaya. I rongo ahau, kua whiwhi te hoa o Behari i te māramatanga i muri i ngā tau maha o te mahi *Kriya Yoga* i roto i ngā ana motuhake.

I Tarakeswar ka whakatata atu ahau ki tētahi wāhi tapu rongonui. E whakanuia ana e ngā Hindu te wāhi tapu, pērā i te whakanuia e ngā Katorika ki te wāhi tapu o Lourdes i Parani. He maha ngā merekara whakaora kua puta i Tarakeswar, tae atu ki tētahi mō tētahi o tōku whānau.

"I noho ahau i te temepara i reira mō te wiki," te kōrero a taku whaea kēkē matamua ki ahau. "I a au e nohopuku ana, ka inoi ahau kia ora tō Matua Kākā, a Sarada, i te mate pūmau. I te whitu o ngā rā ka kitea e au tētahi otaota i roto i tōku ringa! I hanga e au he inu mai i ngā rau, ā, ka hoatu ki tō matua kēkē. Ko tāna "I memeha tonu atu te mate, kāore anō kia puta mai anō."

I tomo ahau ki te wāhi tapu o Tarakeswar; he kōhatu porowhita anake kei roto i te aata. Ko tōna porowhita, kāore he tīmatanga, kāore he mutunga, e tohu ana i te hiranga o te Mutunga Kore. Ko te Ao Tūroa

Ahakoia te tangata whenua Īnia tino iti, kāore ngā whakaaro auaha i te tauhou; kua whakapaetia ia e te hunga o te Hauāuru mō te noho ki runga i ngā whakaaro auaha!

I tino pōuri rawa tōku wairua i taua wā, ā, kāore au i pai ki te piko ki mua i te tohu kōhatu. Me rapu te Atua i roto i te wairua anake, i whakaaro ahau.

I puta atu ahau i te temepara me te kore e piko iho, ā, ka hikoi tere atu ki te kāinga o Ranbajpur. Nā taku karangatanga ki tētahi tangata e haere ana kia ārahi ia i totohu ai ki roto i te whakaaroaro roa.

"Ina koe haere mai ki he te whakawhiti huarahi, tahuri matau me pupuri e haere ana," ia i te mutunga whakapuakina ā-waha.

I te whakarongo ki ngā tohutohu, ka hikoi haere ahau i te taha o te awaawa. Ka pōuri te rā; ki tonu ngā taha o te kāinga ngahere i ngā pepeke e kimo ana, me te aue a ngā tarakona tata. Nā te ngoikore rawa o te marama i kore ai ahau e whakamarie; e rua hāora ahau e hikoi ana.

Nau mai, e te tangi o te pere kau! Nā aku karanga maha i tae mai ai tētahi

kaiahuwhenua ki tōku taha. "Kei te rapu ahau i a Ram Gopal Babu."

"Kāore he tangata pērā e noho ana i tō mātou kāinga." He pōuri te reo o te tangata. "He kaitirotiro teka pea koe."

I te tumanako ka whakamama i te whakapae i roto i tōna hinengaro pōrearea tōrangapū, ka whakamārama atu ahau i tōku āhua pōuri. I haria ahau e ia ki tōna kāinga, ā, i manaaki mai i a ia.

"Kei tawhiti a Ranbajpur i konei," tana kī. "I te whakawhitinga o te rori, me huri koe ki mauī, kaua ki matau."

I whakaaro pouri ahau, he tino whakamataku te tangata nāna ahau i kōrero i mua ki ngā kaihaerere. Whai muri i te kai reka o te raihi matotoru, te pīni rēneti, me te kari rīwai me ngā panana mata, ka hoki ahau ki tētahi whare iti e tata ana ki te marae. I tawhiti, e waiata ana ngā tāngata o te kāinga me te waiata nui o *ngā mridanga* **13-1** me ngā himipora. Kāore i roa te moe i taua pō; i inoi nui ahau kia arahina ahau ki te yogi ngaro, ki a Ram Gopal.

I te putanga mai o ngā hihi tuatahi o te ata ki roto i ngā kapiti o tōku rūma pōuri, ka haere ahau ki Ranbajpur. I a au e whiti ana i ngā mara raihi taratara, ka hikoi haere ahau i runga i ngā tumu o te tipu koikoi me ngā puranga uku maroke. Ka kī mai tetahi kaiahuwhenua e tūtaki ana ki ahau i ētahi wā, i ngā wā katoa, ko taku ūnga ko "he *krosha noa iho* (e rua maero)." I roto i ngā haora e ono ka haere wikitoria te

rā mai i te pae ki te meridian, engari ka tīmata ahau ki te whakaaro ka tawhiti tonu ahau i Ranbajpur mā te kotahi *krosha* .

I waenganui o te ahiahi, he mara raihi mutunga kore tonu tōku ao. Nā te wera e ringihia ana mai i te rangi e kore e taea te karo, tata tonu ahau ki te hinga. I te whakatata mai o tētahi tangata me te tere mārie, kāore au i maia ki te kōrero i taku pātai noa, kei puta te pātai hoha: "He *krosha noa iho* ."

Te manene kua mutu i te taha ahau. Poto me iti, ia i ā-tinana kāore i te tino miharo tiaki mō he

tino mīharo takirua o wero pōuri ngā kanohi.

"I whakaaro ahau ki te wehe atu i Ranbajpur, engari he pai tāu kaupapa, nō reira i tatari ahau ki a koe." I rūrū ia i tōna maihao ki tōku mata miharo. "Kāore ianei koe i te mōhio ki te whakaaro ka taea e koe te peke atu ki ahau, kāore i te whakamōhio? Kāore he mana o taua Ahorangi Behari ki te hoatu i tōku wāhi noho ki a koe."

I te mea he kupu noa iho tēnei hei whakamōhio i ahau ki te aroaro o tēnei rangatira, ka tū puku ahau, kāore he kupu i kōrerotia, he ahua mamae i taku hui whakanui. Kātahi ka puta ohorere mai tana kōrero i muri mai.

"Kōrero ahau; kei hea mahi koe whakaaro Atua koia?"

"Nā te aha, Ia ko i roto ahau me ngā wāhi katoa." ahau kāore e kore titiro hei pōhēhē hei ahau i te mea i rongohia.

"E horapa ana, āe?" Ka kata te tangata tapu. "He aha rā, e te rangatira taitamariki, i kore ai koe e piko ki mua i te Mutunga Kore i roto i te tohu kōhatu i te temepara o Tarakeswar inanahi?" **13-2** Nā tō whakapehapeha koe i whiu ai, arā, nā te tangata e hīkoi ana i hē ai, kāore nei i aro ki ngā rerekētanga o te taha mauī me te taha matau. I tēnei rā anō hoki, he wā tino whakamā koe!"

I whakaae katoa ahau, me te miharo i te mea he kanohi mātau katoa e huna ana i roto i te tinana noa i mua i ahau. I puta mai te kaha whakaora i te yogi; i ora tonu ahau i roto i te mara werawera.

"E whakaaro ana te tangata karakia ko tōna ara ki te Atua anake te huarahi," tana kī. "Ko te Yoga, e kitea ai te atuātanga i roto, koia te huarahi teitei rawa atu: koia te kōrero a Lahiri Mahasaya ki a tātou. Engari i te kitenga i te Ariki i roto, ka kite wawe tātou i a Ia i waho. Ko ngā wāhi tapu i Tarakeswar me ētahi atu wāhi e tika ana kia whakanuia hei pokapū karihi o te mana wairua."

I ngaro te wairua whakahē a te tangata tapu; ka ngawari haere ōna kanohi me te aroha. I papaki ia i tōku pakihiwi.

"E te taitamariki yogi, e kite ana ahau kei te oma atu koe i tō rangatira. Kei a ia ngā mea katoa e hiahia ana e koe; me hoki koe ki a ia. Kāore e taea e ngā maunga te noho hei guru māu." I whakahua anō a Ram Gopal i taua whakaaro anō. i whakapuakina e Sri Yukteswar i tā mātou hui whakamutunga.

"Kāore he mana o te ao ki ngā rangatira ki te whakawhāiti i ō rātou nohoanga." I titiro mai taku hoa ki ahau me te pātai. "Kāore he mana motuhake o ngā tapu i ngā maunga o Himalaya i Īnia me Tibet. Ko te mea kāore e rapua e te tangata i roto, e kore e kitea mā te kawhe i te tinana ki konei, ki konei. Ina *hiahia te tangata karakia* ki

te haere ki ngā pito o te ao mō te māramatanga wairua, ka puta mai tana guru i te taha tata."

I whakaae puku ahau, me te mahara ki taku inoi i te whare karakia o Benares, ā, i muri mai ka tūtaki ahau ki a Sri Yukteswar i te ara kī tonu i te tangata.

"Kei te koe āhei ki whai he iti rūma kei hea koe kēne kati te tatau me kia ko ia anake?"

"Āe." I whakaaroaro ahau i heke iho tēnei tangata tapu i te tiānara ki te motuhake me te tere whakaharahara.

"Ko tō ana tēnā." I homai e te yogi he tirohanga mārama ki ahau, kāore i warewaretia e au. "Ko tō maunga tapu tēnā. Koinā te wāhi e kitea ai e koe te rangatiratanga o te Atua."

Nā āna kupu ngāwari i whakakore wawe taku hiahia mō ngā maunga o Himalaya. I roto i tētahi mara raihi e mura ana, i ara ake ahau i ngā moemoeā mō te hukarere mutunga kore.

"E te rangatira, he mea whakamiharo tō matewai nui. Nui atu tōku aroha ki a koe." I mau a Ram Gopal i tōku ringa, ā, i ārahi i ahau ki tētahi kāinga iti ataahua. He rau kokonati ngā whare i hangaia ki te adobe, ā, he whare kua whakapaipaihia ki ngā tomokanga tawhito.

I whakanohoia ahau e te tangata tapu ki runga i te papa rākau whakahihi o tōna whare iti. I muri i tana homai i te wai raima reka me te poro monamona toka, ka tomo ia ki tōna taupee ka noho ki te tūnga rōhi. I roto i te whā hāora ka whakatuwherahia e au ōku kanohi whakaaroaro, ā, ka kite ahau i te āhua marama o te yogi e kore e nekeneke. I a au e whakamahara ana i taku puku kāore te tangata e ora i te taro anake, ka whakatata mai a Ram Gopal ki ahau.

"Au kite koe kei hiakai; kai ka kia kua rite "i te wā tata."

I tahuna he ahi i raro i tētahi oumu uku i te taupee; i tere tonu te mahi i te raihi me te *dhal* i runga i ngā rau panana nunui. Nā te atawhai o taku kaihautū i whakakahore taku āwhina i ngā mahi tunu kai katoa. "Ko te manuhiri ko te Atua," he whakataukī Hinitū, kua whakahaua kia karakia tapu mai anō i ngā wā o mua. I aku haerenga o muri mai ki te ao, i miharo ahau ki te kite i te whakaaturanga o tētahi whakaute rite ki ngā manuhiri i ngā wāhi tuawhenua o ngā whenua maha. Ka kitea e te tangata noho tāone te taha koi o te manaakitanga kua memeha haere i te nui o ngā kanohi tauhou.

I te mea he pōuri te āhua o ngā tāngata i ahau e noho ana i te taha o te yogi i te mokemoke o te kāinga iti o te ngahere. He mea ngaro te rūma iti me te mārama ngawari. I whakarite a Ram Gopal i ētahi paraikete haehae ki runga i te papa mō taku moenga, ā, ka noho ia ki runga i tētahi whāriki kakau witi. Nā te miharo ki tōna mana wairua, ka tonu ahau.

"E te Ariki, he aha ai kaua koe tuku moni ahau he *samadhi*?"

"E hoa, ka koa ahau ki te whakapuaki i te hononga atua, engari ehara i te mea māku." I titiro mai te tangata tapu ki ahau me ngā kanohi kua katia. "Ka tukuna mai e tō rangatira taua wheako a mua tata nei. Kāore anō tō tinana kia rite. Pērā i te

rama iti e kore e taea te tu atu i te ngaohiko hiko nui, pērā anō ō io. kāore anō kia rite mō te ia o te ao. Mēnā ka hoatu e au ki a koe te harikoa mutunga kore i tēnei wā tonu, ka mura koe pērā i te me i mura katoa ngā pūtau.

"Kei te tonono mai koe i ahau kia mārama," te whakaaro tonu a te yogi, "i a au e whakaaro ana - ahakoa tōku iti, me te iti o te whakaaroaro kua mahia e au - mehemea kua angitu ahau ki te whakamanawareka i te Atua, me te aha te uara ka kitea e au i roto i Ana kanohi i te wā whakamutunga."

"E te Ariki, whai koe kāore kua ngākau kotahi e rapu ana Atua mō he roa wā?"

"Kāore i nui aku mahi. Me kī atu a Behari ki a koe i tētahi mea mō tōku ao. E rua tekau tau ahau e noho ana i tētahi ana ngaro, e whakaaroaro ana tekau mā waru hāora i te rā. Kātahi ka neke ahau ki tētahi ana kāore e taea te uru atu, ā, e rua tekau mā rima tau ahau e noho ana i reira, e uru ana ki te uniana yoga mō ngā haora e rua tekau i te rā. Ko au Kāore i hiahiatia he moe, nā te mea i te Atua tonu ahau. I nui ake te okiokinga o tōku tinana i roto i te marino katoa o te hinengaro i tō te rangimārie wāhanga o te āhua hinengaro noa.

"Ka whakangāwari ngā uaua i te wā e moe ana, engari kei te mahi tonu te ngākau, ngā pukahukahu, me te pūnaha tohanga toto; kāore e okioki. I roto i te hinengaro nui, ka noho tonu ngā whekau o roto i te āhua o te kore e nekeneke, e hikohia ana e te kaha o te ao. Nā ēnei tikanga kua kite ahau kāore e tika kia moe mō ngā tau. Ka tae mai te wā ka kore hoki koe e moe."

"Aue, kua roa koe e whakaaroaro ana, ā, kāore anō koe i te tino mohio ki te manaakitanga a te Ariki!" Ka titiro atu ahau ki a ia me te miharo. "Ā, me pēhea tātou, te hunga mate rawakore?"

"Āe, kāore koe e kite, e taku tama, ko te Atua tonu te Ao Tūroa? Ki te whakaaro ka taea e te tangata te mōhio ki a Ia mā te whā tekau mā rima tau o te whakaaroaro, he tumanako tino wairangi. Heoi, e whakamana ana a Babaji ki a tātou, ahakoa he whakaaroaro iti noa iho ka whakaora i te tangata i te wehi nui o te mate me ngā āhua i muri i te mate. Kaua e whakapūmau i tō wawata wairua ki runga i tētahi maunga iti, engari herea ki te whetu o te whakatutukitanga atua mutunga kore. Ki te kaha koe ki te mahi, ka tae koe ki reira."

I miharo ahau ki te tirohanga, ā, i tono atu ahau ki a ia kia homai ētahi atu kupu whakamārama. I kōrero ia i tētahi kōrero whakamiharo mō tana tūtakitanga tuatahi ki te tohunga o Lahiri Mahasaya, a Babaji. **13-3** I waenganui pō ka noho puku a Ram Gopal, ā, ka takoto ahau i runga i ōku paraikete. Ka katia ōku kanohi, ka kite ahau i ngā uira; ko te wāhi whānui i roto i ahau he rūma mārama rewā. Ka whakatuwherahia ōku kanohi, ā, ka kite ahau i taua kanapa kanapa anō. Ka riro te rūma hei wāhanga o taua whare nui mutunga kore i kitea e au me te tirohanga ā-roto.

"He aha kaua koe haere ki moe?"

"E te Ariki, pēhea kēne ahau moe i roto te aroaro o uira, mura ana mēnā rānei taku ngā kanohi kei kati rānei tuwhera?"

"He manaakitanga tōu mō tēnei wheako; e kore e kitea ngāwari ngā hihi wairua." I tāpirihia e te tangata tapu ētahi kupu aroha.

I te atatu, ka homai e Ram Gopal ētahi monamona toka ki ahau, ā, ka mea mai me haere ahau. Nā te nui o tōku hiahia ki te poroporoaki ki a ia, ka rere ngā roimata i ōku paparinga.

"Au ka kāore tukua koe haere ringa kau." Te yogi kōrero mārie "Au ka mahi tetahi mea mō koe."

Ātaata ana ia, ka titiro pūmau mai ki ahau. I tū pakari ahau ki te whenua, me te rangimārie e rere ana me te mea he waipuke nui i roto i ngā tatau o ōku kanohi. I ora tonu ahau i te mamae o tōku tuara, i whakararuraru i ahau mō ngā tau. I whakahoutia, i kaukauhia ki te moana o te hari kanapa, kāore au i tangi anō. I muri i taku pā ki ngā waewae o te tangata tapu, ka hikoi haere ahau ki roto i te ngahere, ka haere mā roto i tōna rohe pārūrū.

whakarakarururu tae noa ki ahau tae atu Tarakeswar.

I reira ka haere tuarua ahau ki te wāhi tapu rongonui, ā, ka takoto katoa ahau ki mua i te aata. Ka nui haere te kōhatu porowhita i mua i taku tirohanga ā-roto, ā, ka noho ko ngā porowhita rangi, he mowhiti i roto i te mowhiti, he rohe i muri i te rohe, kapi katoa i te atuata.

I te haora i muri mai ka hari ahau ki Calcutta. Kāore i mutu aku haerenga i ngā maunga teitei, engari i te aroaro o tōku Ariki i ngā maunga Himalaya.

He Wheako I roto Ao tūroa Te māramatanga

"Au am konei, Guruji." Taku whakama kōrero atu anō me te kōrero nui mō ahau.

"Me haere tāua ki te kīhini ki te kimi kai." He āhua noa iho te whanonga a Sri Yukteswar, me te mea kua wehea tāua e ngā hāora, ehara i te rā.

"E te Ariki, kua pouri pea koe i taku wehenga ohorere atu i aku mahi i konei; i mahara ahau kei riri koe ki ahau."

"Kāo, kāore rawa! Ko te riri ka puta ake i ngā hiahia kua āraia. Kāore au e tumanako ki tetahi mea mai i ētahi atu, nō reira kāore e taea e ā rātou mahi te whakahē i aku hiahia. Kāore au e whakamahi i a koe mō aku ake painga; ko tōu ake harikoa pono anake taku e hari ai."

"E te Ariki, kāore i te tino mārama te rongonga i te aroha atua, engari ko te wā tuatahi tēnei ka kite ahau i tētahi tauira tūturu i roto i tō āhua anahera! I te ao nei, ahakoa te matua, kāore e ngāwari te muru i te hara a tana tama mēnā ka wehe atu ia i te mahi a ōna mātua me te kore whakatūpato. Engari kāore koe e whakaatu i

tētahi riri iti, ahakoa me ... kua tino pāngia ahau e ngā mahi maha kāore anō kia oti i mahue iho i ahau."

I titiro māua ki ngā kanohi o tētahi ki tētahi, me te titiro mai o ngā roimata. I taupokina ahau e te ngaru harikoa; i mōhio ahau ko te Ariki, i roto i te āhua o taku guru, e whakawhanui ana i ngā kare ā-roto iti o tōku ngākau ki ngā toronga kore e taea te pēhi o te aroha o te ao.

I muri i ētahi ata, ka haere ahau ki te rūma noho kau o te Ariki. I whakaaro ahau ki te whakaaroaro, engari kāore i te whai wāhi mai ngā whakaaro tutu ki taku kaupapa whakamihi. I marara noa atu rātou pērā i ngā manu i mua i te kaiwhai.

"Mukunda!" Hīri Yukteswar's reo i tangihia mai i he tawhiti roto taupee

I pērā tonu taku whakakeke me ōku whakaaro. "Kei te akiaki tonu te Ariki i ahau kia whakaaroaro," ka hameme ahau ki ahau anō. "Kaua ia e whakararuraru i ahau ina mōhio ia he aha ahau i haere mai ai ki tōna rūma."

Ka karanga anō ia i ahau; i noho puku tonu ahau. I te tuatoru o ngā wā, i riria

ia e tōna reo. "E te Ariki, kei te whakaaroaro ahau," ka karanga atu ahau me te whakahē.

"E mōhio ana ahau ki tō whakaaroaro," te karanga a taku tohunga, "me tō hinengaro kua horapa pērā i ngā rau i roto i te tupuhi! Haere mai ki ahau."

I whakahaweatia me kua whakakitea, ahau i hangaia taku ara pōuri ki tāna taha

"E tama rawakore, kāore i taea e ngā maunga te homai i tāu i hiahia ai." I kōrero ātaahua, i whakamarie hoki te Ariki. Kāore i taea te mārāma ki tana titiro marino. "Ka tutuki te hiahia o tō ngākau."

Kāore a Sri Yukteswar i tino aro ki ngā panga; i pōhēhē ahau. I papaki mārie ia i tōku uma i runga ake i te ngākau.

I pūmau te mau o tōku tinana; i tangohia te manawa i roto i ōku pūkahukahu me te mea he aukume nui. I ngaro tonu te here o te wairua me te hinengaro, ā, i rere mai me te mea he wai e wero ana i roto i ōku pūkahukahu katoa. I rite te kikokiko ki te mea kua mate, engari i roto i tōku mōhiotanga nui i mōhio ahau kāore anō ahau kia tino ora i mua. Kāore tōku tuakiri i herea ki te tinana, engari i awhi i ngā ngota e karapoti ana. Ko te hunga i ngā tiriti tawhiti te āhua nei e neke mārīre ana i runga i tōku ake taha tawhiti. I puta mai ngā pakiaka o ngā tipu me ngā rākau i roto i te mārāma ngoikore o te oneone; i kite ahau i te rerenga mai o te wai o rātou.

I takoto kau noa te rohe katoa i mua i ahau. Kua huri taku tirohanga o mua ki tētahi tirohanga porowhita whānui, he tirohanga whānui hoki i te wā kotahi. I roto i te tuara o tōku mahunga ka kite ahau i ngā tāne e hikoi ana i te huarahi o Rai Ghat, ā,

ka kite anō hoki ahau i tētahi kau mā e whakatata mārie mai ana. I tōna taenga ki te wāhi i mua i te kūaha o te ashram e tuwhera ana, ka mātakitaki ahau i a ia me ōku kanohi e rua. I a ia e haere ana, i muri i te taiepa pereki, ka kite mārama ahau i a ia.

I wiriwiri, i wiriwiri hoki ngā mea katoa i roto i taku tirohanga whānui, pērā i ngā kiriata tere. Ko tōku tinana, ko tōku Ariki, ko te marae pou, ko ngā taonga me te papa, ko ngā rākau me te hihi o te rā, i ētahi wā ka tino wiriwiri, tae noa ki te rewa katoa hei moana kanapa; pērā i ngā tioata huka, i whiua ki te wai.

ki roto i tētahi karāhe wai, ka rewa i muri i te rūrūtanga. I taupatupatu te māramatanga whakakotahi me ngā whakatinanatanga o te āhua, ko ngā whakarerekētanga e whakaatu ana i te ture o te take me te pānga i roto i te hanganga.

I pakaru mai te harikoa o te moana ki runga i ngā takutai marino mutunga kore o tōku wairua. I kite ahau, ko te Wairua o te Atua he Harikoa mutunga kore; ko tōna tinana he kiko mārāma e kore e taea te tatau. I tīmata te korōria e puāwai ana i roto i ahau. e karapoti ana i ngā tāone, i ngā whenua nui, i te whenua, i ngā pūnaha rā me ngā whetu, i ngā kohu ngoikore, me ngā ao mānumanu. Ko te ao whānui katoa, he mārāma ngawari, he rite ki te tāone e kitea ana i tawhiti i te pō, e kanapa ana i roto i te mutunga kore o tōku ao. Ko ngā āhua whakairo koi o te ao i memeha haere i ngā taha tawhiti rawa; i reira ka kite ahau i te kanapa ngawari, kāore e memeha. He mea ngaro e kore e taea te whakaahua; ko ngā pikitia aorangi i hangaia mai i te māramatanga whakarihariha.

Ko te marara atua o ngā hihi i ringihia mai i tētahi Pūtake Mutunga Kore, e mura ana ki ngā tupua whetu, kua hurihia ki ngā aura e kore e taea te kōrero. I kite anō ahau i ngā hihi auaha e whakaemi ana hei whetū whetu, kātahi ka memeha hei rau mura mārāma. Nā te hurihanga manawataki, ka huri ngā miriona ao ki te kanapa marama; ka huri te ahi hei kikorangi.

I kite ahau i te pokapū o te ao mārāma hei pūwāhi mō te tirohanga ā-roto i roto i tōku ngākau. I puta mai te kanapa mai i tōku pūtake ki ngā wāhanga katoa o te hanganga ao. I pā mai *te amrita harikoa*, te wai reka o te korekore, i roto i ahau me te rere tere, rite tonu ki te hiriwa. Ko te reo auaha o te Atua. I rongo au i te tangi nui o *Aum*, **14-1** te wiri o te Mōta Ao.

Kātahi ka hoki mai te manawa ki ōku pukahukahu. Me te pouri e kore e taea te manawanui, ka kite ahau kua ngaro tōku whānuitanga mutunga kore. I herea anō ahau ki te whare herehere whakama o te tinana, kāore i te ngāwari ki te noho ki te Wairua. Pērā i te tamaiti kua ngaro, kua oma atu ahau i tōku kāinga ao whānui, ā, kua hereherea ahau i roto i te ao iti.

I tū tonu taku tohunga i mua i ahau, kāore i nekeneke; ka tīmata ahau ki te takoto ki ōna waewae tapu me te whakawhetai mō te wheako o te hinengaro ao i rapua e au mō te wā roa. I pupuri ia i ahau kia tū tika, ā, i kōrero mārie, kāore i te whakahihi.

"Kaua e haurangi rawa koe i te harikoa. He nui tonu ngā mahi māu i te ao nei. Haere mai; kia tahia e tāua te papa o te taupee; kātahi tāua ka hikoi i te awa o Ganges."

I tiki ahau i tētahi puruma; i mōhio ahau, ko te Ariki te kaiwhakaako i te mea ngaro o te noho taurite. Me totoro te wairua ki runga i ngā poka hohonu o te ao, i te mea e mahi ana te tinana i ana mahi o ia rā. I a mātou e hikoi ana i muri mai, i miharo tonu

ahau ki te harikoa e kore e taea te kōrero. I kite ahau i ō mātou tinana he rite ki ngā pikitia whetu e rua, e neke ana i runga i te huarahi i te taha o te awa, ko tōna mauri he mārama noa iho.

"Ko te Wairua o te Atua te mea e tautoko ana i ngā āhua me ngā kaha katoa o te ao; heoi, he mea nui ia, he mea tawhiti hoki i roto i te korekore harikoa, kāore anō kia hangaia, i tua atu i ngā ao o ngā āhuatanga wiri," **14-2** I whakamārama te Kaiwhakaako. "Ko te hunga tapu e mōhio ana ki tō rātou atuanga ahakoa kei roto i te kikokiko e mōhio ana ki tētahi oranga e rua ngā āhuatanga. E mahi ana rātou i ngā mahi o te ao, engari e rumakina tonu ana rātou ki te harikoa o roto. Nā te Ariki i hanga ngā tāngata katoa mai i te hari mutunga kore o Tōna noho. Ahakoa e mamae ana rātou i te tinana, e tumanako ana te Atua kia ara ake ngā wairua i hangaia i Tōna āhua ki runga ake i ngā āhuatanga katoa, ā, ka hono anō ki a Ia."

He maha ngā akoranga pumau i mahue mai i te tirohanga ao whānui. Mā te whakamarie i ōku whakaaro i ia rā, ka taea e au te wetekina i te whakapono tinihanga ko tōku tinana he puranga kikokiko me ngā wheua, e haereere ana i te oneone pakeke o te mea. Ko te manawa me te hinengaro korekore, i kite ahau, he rite ki ngā awaha i pupuhi i te moana mārāma ki ngā ngaru o ngā āhua rauemi - whenua, rangi, tangata, kararehe, manu, rākau. Kāore he tirohanga ki te Mutunga Kore hei Mārāma Kotahi engari mā te whakamarie i aua awaha. I ngā wā katoa i whakamutua ai e au I ngā ngangau taiao e rua, i kite ahau i ngā ngaru tini o te hanganga e rewa ana hei moana mārāma kotahi, pērā i ngā ngaru o te moana, e mariri ana ō rātou tupuhi, e rewa marie ana hei kotahitanga.

Ka whakawhiwhia e te rangatira te wheako atua o te hinengaro ao whānui ina kua whakapakarihia e tana ākonga, mā te whakaaroaro, tōna hinengaro ki tētahi taumata e kore ai ia e kahakina e ngā tirohanga whānui. Kāore e taea te hoatu i te wheako mā te hiahia hinengaro noa iho, mā te tuwhera rānei o te hinengaro. Ko te whakanui rawaka anake mā te mahi yoga me te *bhakti karakia* ka taea te whakarite i te hinengaro ki mimiti i te ohorere whakaora o te noho ki ngā wāhi katoa. Ka tae mai me te mea kāore e taea te karo i te tangata pono. Ka tīmata tana hiahia nui ki te kukume i te Atua me te kaha e kore e taea te ārai. Ko te Ariki, hei Tirohanga Ao, ka kumea e te hihiri aukume o te kairapu ki roto i tōna whānuitanga o te hinengaro.

I ōku tau whakamutunga, i tuhituhia e au te rotarota e whai ake nei, "Samadhi," hei whakapuaki i te kororia o tōna āhua ao:

Am riro te Moana o Mirth Āe anō.

Nā Sri Yukteswar ahau i ako ki te karanga i te wheako manaaki i te wā e pai ai, me te tuku atu ki ētahi atu mēnā kua whanakehia ō rātou ara mohio. Mō ngā marama ka uru atu ahau ki te kotahitanga harikoa, me te mārāma he aha i kī ai ngā *Upanishad* ko te Atua te *rasa* , "te mea tino reka." Heoi, i tētahi rā, ka haria e au tētahi raruraru ki te Ariki.

"E hiahia ana ahau ki te mōhio, e te

rangatira - āhea ahau ka kite i te

Atua?" "Kua kitea e koe Ia."

"Āe kāo, e te rangatira, ahau kua whakaaro nā reira!"

I menemene taku tohunga. "E tino mōhio ana ahau kāore koe e tumanako ana ki tētahi Tangata Whakahonore, e whakapaipai ana i tētahi torona i tētahi kokonga patu huakita o te ao tūroa! Heoi, e kite ana ahau kei te whakaaro koe ko te mana o te atua Ko te mōhio ki te Atua te mea nui o ngā mana whakamiharo. Tērā pea ka riro i te tangata te ao katoa, ā, ka kitea tonutia te Ariki! Kāore te whanaketanga wairua e inehia e ngā mana o waho, engari e te te hōhonutanga o tōna harikoa i roto i te whakaaroaro.

" *Ko te Atua te Harikoa Hou* . Kāore e mutu tana mahi; i a koe e whakaaroaro tonu ana i roto i ngā tau, ka mamingatia koe e ia ki te auaha mutunga kore. Ko te hunga karakia pērā i a koe kua kitea te ara ki te Atua, kāore e moemoeā ki te whakawhiti i a Ia mō tētahi atu hari; he mea whakawai ia, kāore e taea te whakataetae."

"Aue te tere o tō tātou ngenge i ngā ahuareka o te ao! Kāore he mutunga o te hiahia ki ngā mea o te ao; kāore te tangata e tino makona, ā, e whai ana i tētahi whāinga i muri i tētahi. Ko te 'mea kē atu' e rapua ana e ia ko te Ariki, ko ia anake ka taea te homai i te hari pumau."

"Ka peia tātou e ngā hiahia o waho i roto i a Ētene; ka tukuna mai e rātou ngā ahuareka teka e whakaatu ana i te harikoa o te wairua. Ka tere te whakahoki mai i te pararaiha ngaro mā te whakaaroaro atua. I te mea he Atua kāore e tatari ana ki te Hou-ake tonu, kāore tātou e ngenge ki a Ia. Ka taea e tātou te kī tonu i te harikoa, te rerekētanga harikoa puta noa i te ao mutunga kore?"

"Kua mārāma ahau ināianei, e te rangatira, he aha te take e kīia ai e te hunga tapu te Ariki he mea e kore e taea te rapu. Ahakoa te ora tonu, kāore e ranea hei aromatawai i a Ia."

"He pono tēnā; engari e tata ana hoki Ia, e arohaina ana hoki. I muri i te

whakakorenga o te hinengaro e te *Kriya Yoga* i ngā arai o te kare ā-roto, ka whakaratohia e te whakaaroaro he tohu rua mō te Atua. Te Kōpura tahae

"E te Ariki, he koha māu! Nāku i whakatō ēnei kāpeti nunui e ono; kua mātakitaki ahau i tō rātou tipu me te aroha o tētahi whaea e whāngai ana i tana tamaiti." I hoatu e ahau te kete huawhenua me te whakapaipai kawa.

"Ngā mihi nui!" He mahana te ataata a Sri Yukteswar i te maioha. "Tena koa puritia rātou ki roto i tō rūma; "Ka hiahiatia ēnei e au āpōpō mō tētahi tina motuhake."

I tae noa mai ahau ki Puri **15-1** ki te whakapau i taku hararei raumati i te kāreti me taku tohunga i tōna whare karakia i te taha o te moana. Nā te Kaiwhakaako me āna ākonga i hanga, te whare iti harikoa e rua ngā papa i te taha o te Moana-a-Pēnerara.

I ara ake ahau i te ata i muri mai, me te whakahauora i ahau e ngā hau tote o te moana me te ataahua o te taiao. I karanga mai te reo reka o Sri Yukteswar; ka titiro

ahau ki aku kāpeti kōura e arohaina ana, ā, ka whakatakotoria pai ki raro i taku moenga.

"Haere mai, tukua mātou haere ki te takutai moana." Kaiwhakaako arahina te ara; ētahi taitamariki ngā ākonga me ahau anō i whaihia i roto

he marara rōpū Tō mātou tohunga i ruritia mātou i roto ngawari te whakahē.

"Ina hikoi ō tātou teina o te Hauāuru, ka whakahīhī rātou i roto i te kotahitanga. Nā, kia rua ngā rarangi e hikoi ai; kia mau tonu te takahanga o tētahi ki tētahi." I mātakitaki a Sri Yukteswar i a mātou e whakarongo ana; ka tīmata ia ki te waiata: "Ka haere ngā tama ki konei, ki muri, i roto i tētahi rarangi iti ataahua." Kāore i taea e au te kore e miharo ki te ngāwari o te Kaiwhakaako ki te whakataurite i te tere o āna ākonga taitamariki.

"Kāti!" Taku te tohunga ngā kanohi i rapua nāku. "I mahi koe mahara ki raka te hoki tatau o te whare karakia?"

TAKU NGĀ KARĀ TAHA MOANA TE WHARE TAPU I PŪRI

I rere tonu mai te rerenga manuhiri mai i te ao ki te marino o te whare karakia. He tokomaha ngā tāngata mātau i tae mai me te tumanako ka tūtaki ki tētahi tohunga whakapono tuku iho. I ētahi wā, mā te ataata whakakake, mā te titiro whakakatakata rānei, ka kitea he iti noa ngā kōrero tapu i tumanakohia e ngā tāngata hou. Heoi, mā tō rātou wehenga ā-whakaroa ka puta he whakapono kua whakaatu a Sri Yukteswar i te māramatanga tika ki ō rātou mara mātauranga motuhake.

He taitamariki tonu ngā ākonga o taku tohunga i roto i tōna whare karakia. Nāna i ārahi ō rātou hinengaro me ō rātou oranga me te āta whakahaere i te kupu "ākonga" e ahu mai ana i te pūtake o te kupu.

"Au whakaaro nā reira, e te rangatira."

I noho puku a Sri Yukteswar mō ētahi meneti, me te ataata iti i ōna ngutu. "Kāo, kua wareware koe," ko tāna kupu whakamutunga. "Kaua te whakaaroaro atua e waiho

hei take mō te koretake o te ao. Kua wareware koe ki tō kawenga ki te tiaki i te ashram; me whiu koe."

ahau whakaaro ia i pōuriuri whakakatakata āhea ia tāpirihia: "Tōu ono kāpeti ka wawe tonu kia anake rima."

Mātou tahuri huri noa i Te Tohunga ngā ota me hikoi hoki tae noa ki mātou i kati ki te whare whakaruruhau

"Okioki mō tētahi wā poto. E Mukunda, tirohia te taha o te pā i tō mātou taha mau; tirohia te huarahi i tua atu. Ka tae atu tētahi tangata ki reira ākuanei; ko ia te huarahi mō tō whiu."

I huna e au tōku riri i ēnei kōrero uaua ki te mārāma. Kāore i roa ka puta mai tētahi tangata whenua ki te rori; e kanikani whakarihariha ana ia, e whiu ana i ōna ringa me ngā nekehanga koretake. Me te mea kua kore ahau e mōhio, ka piri ōku kanohi ki te whakaaturanga whakakatakata. I te taenga o te tangata ki tētahi wāhi i te rori ka ngaro atu ia i tō mātou tirohanga, ka mea a Sri Yukteswar, "Inaianei, ka hoki mai ia."

I huri tonu te kaiahuwhenua i tōna huarahi, ā, ka anga atu ki muri o te whare karakia. I a ia e whiti ana i tētahi whenua onepu, ka tomo ia ki te whare mā te tatau o muri. I waiho e au kia kore e raka, e ai ki tā taku tohunga. I puta wawe mai te tangata, me te pupuri i tētahi o aku kāpeti kōura tino pai. Ināianei ka hikoi haere ia me te whakaute, me te mana o te rangatira.

Ko te mahi whakakatakata e puta ake ana, i te mea ko taku tūranga he patunga pōhēhē, kāore i tino matakū, ā, kāore au i whai i te riri. I waenganui o te huarahi ahau i te wā i karangahia ai ahau e te Ariki. E wiri ana ia i te mahunga ki te waewae i te kata.

"Kua roa taua tangata pōrangi e hiahia ana ki tētahi kāpeti kōura," tana whakamārama i waenganui i te pakūnga o te harikoa. "I whakaaro ahau he mea pai kia riro mai i a ia tētahi o āu, nā te mea kāore i tino tupato!"

I oma tere atu ahau ki taku rūma, ā, i reira ka kitea e au kua waiho e te tahae, he tangata e aro nui ana ki ngā huawhenua, aku mowhiti koura, aku mātiti, me taku moni kia kore e pāngia, e takoto noa ana i runga i te paraikete. Engari i ngokingoki ia i raro i te moenga, i reira, i huna rawatia mai i te tirohanga noa, i whakaoho ake ai tētahi o aku kāpeti kōura i tōna hiahia nui.

I taua ahiahi ka pātai atu ahau ki a Sri Yukteswar kia whakamārama mai i te kaupapa, ā, ki taku whakaaro, he torutoru ngā āhuatanga whakamīharo.

Āta ruru ana taku tohunga i tōna māhunga. "Ka mārāma koe i tētahi rā. Ka kitea wawetia e te pūtaiao ētahi o ēnei ture huna."

I te pahūtanga o ngā mea whakamīharo o te reo irirangi i ētahi tau i muri mai i runga i tētahi ao mīharo, ka mahara ahau ki te matapae a te Ariki. I whakangaromia ngā ariā tawhito o te wā me te wāhi; kāore he kāinga o te tangata whenua i pēnei te kuiti. kāore e taea e Rānana, e Calcutta rānei te tomo! I whānui ake te mātauranga

tino pōuri i mua i te kore e taea te whakahē he tohu mō tētahi āhuatanga o te noho o te tangata ki ngā wāhi katoa.

Te "kaupapa" o te kāpeti katakata kēne kia pai rawa atu mārāma nā he reo irirangi te kupu whakarite Hīri He reo irirangi tino pai a Yukteswar. He rite tonu ngā whakaaro ki ngā wiri ngawari e neke haere ana i te ea. Pērā i te reo irirangi kua whakaaweawetia e tango ana i tētahi waiata e hiahiatia ana mai i ngā mano tini o ngā hōtaka mai i ngā taha katoa, pērā anō te kaha o taku tohunga ki te hopu i te whakaaro o te tangata haurua-hinengaro e hiahia ana ki mō he kāpeti, i waho o te kore e taea te tatau ngā whakaaro o pāpāho tangata ngā wīra i roto te ao. **15-2** Nā tōna kaha i hiahia ai, he teihana pāho tangata anō hoki a te Ariki, ā, i angitu tana tohutohu i te tangata whenua kia tahuri ke atu i ōna hikoinga ka haere ki tētahi rūma mō tētahi wā kotahi.

Te Pūkenga Whakaaro **15-3** he arataki wairua, e puta noa mai ana i roto i te tangata i aua wā e marino ana tōna hinengaro. Tata ki te katoa kua pā ki te wheako o te "whakaaro" tika kāore i te mārāma, kua pā rānei ki a rātou i whakawhiti i ōna whakaaro ki tētahi atu tangata.

Ka taea e te hinengaro tangata, kua herea i te āhua o te koretake, te mahi mā roto i tōna pūihi o te pūmanawa hinengaro ngā mahi katoa o ngā tikanga reo irirangi uaua - te tuku me te whiwhi whakaaro, me te whakakore i ngā mea kāore e hiahia. I te mea ko te mana o te reo irirangi e whakawhirinaki ana ki te nui o te iahiko hiko ka taea e ia te whakamahi, nō reira ka whakakahangia te reo irirangi tangata i runga anō i te mana o te hiahia o ia tangata.

Ka wiri tonu ngā whakaaro katoa i te ao tūroa. Mā te arotahi hohonu, ka taea e te tohunga te kite i ngā whakaaro o te hinengaro, ahakoa ora, ahakoa mate. He whānui ngā whakaaro, kāore i te takitahi te pūtake; Kāore e taea te hanga i te pono, engari ka kitea noa iho. Ko ngā whakaaro hē o te tangata ka puta mai i ngā hapa o tana māramatanga. Ko te whāinga o te pūtaiao yoga he whakamarie i te hinengaro, kia whakaata ai i te tirohanga atua o te ao whānui, me te kore he whakapohehe.

Nā te reo irirangi me te pouaka whakaata i kawe mai te oro me te tirohanga ohorere o ngā tāngata tawhiti ki te ahi o te miriona: ko ngā tohu pūtaiao tuatahi he wairua horapa te tangata. Ehara i te tinana e herea ana ki tētahi wāhi i te wāhi, engari ko te wairua nui, e whakaarohia ana e te ego i roto i te nuinga o ngā momo nanakia kia pēhia.

"Tērā pea ka puta mai ētahi āhuatanga tino rerekē, tino whakamiharo, ā, ki te whakatūria, e kore e miharo tātou i a tātou e miharo ana ki ngā mea katoa i akohia mai e te pūtaiao i te rautau kua hipa," te kī a Charles Robert Richet, te Tohu Nobel mō te mahi koiora. "E whakaarohia ana ko ngā āhuatanga e whakaaetia ana e tātou i nāiane, kāore e miharo, nā te mea kua mārāma. Engari ehara i te mea koinei te āhua. Ki te kore rātou e miharo i a tātou Ehara i te mea nā te mea e mārāma ana rātou, engari nā te mea e mōhio ana rātou; ki te mea ka miharo tātou ki tētahi mea kāore i te mārāma, ka miharo tātou ki ngā mea katoa - te hinganga o tētahi kōhatu e whiua ana ki te rangi, te hua o te oki ka huri hei ōki, te konukōre ka whānui ina wera, te rino e kukumea ana e te aukume, te whākawa ka mura ina mirimirihia. Ko te pūtaiao o ēnei rā he

te mea mārāma; ko ngā hurihanga me ngā whanaketanga ka pā ki a ia i roto i te rau mano tau ka nui atu i ngā tumanakohanga tino maia. Ko ngā pono - aua pono whakamiharo, ohorere - ka kitea e ā tātou uri, kei te karapoti tonu i a tātou i nāiane, e titiro matatau mai ana ki ō tātou kanohi, nō reira ki te kōrero, engari kāore tātou e kite i a rātou. Engari kāore e ranea te kī kāore tātou e kite i a rātou; e kite ana tātou kāore e hiahia kia kite i a rātou; i te mea ka puta mai he mea kāore i te tumanakohia,

kāore hoki i te mōhiotia, ka ngana mātou ki te whakauru ki roto i te anga o ngā tikanga whānui o te mātauranga kua riro mai, ā, e riri ana mātou kei maia tetahi ki te whakamātau anō."

I puta tētahi mea whakakatakata i muri i ētahi rā i tahaetia ai taku kāpeti. Kāore i kitea tētahi rama hinu. Nā te mea kua kite ahau i ngā mahi a taku tohunga i ngā mea katoa i ngā wā tata nei. te māramatanga, ahau whakaaro ia e whakaatu tērā reira i tamaiti tākaro ki kimi te rama

Kaiwhakaako i kitea taku te tumanako Ki whakanuia rawatia kaha ā-papa ia pātaihia katoa whare karakia ngā kainoho. He

I whakaae te akonga taitamariki i whakamahia e ia te rama hei haere ki te puna i te kāinga o muri. I hoatu e Sri Yukteswar te tohutohu tapu: "Rapua te rama i te taha o te puna."

I oma atu ahau ki reira; kāore he rama! I te pouri, ka hoki ahau ki taku guru. Inaianei kua kata nui ia, kāore he pouri mō taku pouri.

"He mea pōuri kāore i taea e au te ārahi i a koe ki te rama kua ngaro; ehara ahau i te tohunga matakite!" Me ngā kanohi pīataata, ka tāpiri atu ia, "Ehara ahau i te Sherlock Holmes e makona ana!"

ahau i tutuki tērā Kaiwhakaako e kāore rawa whakaaturanga tāna ngā mana āhea werohia, rānei mō he te koretake.

I tere haere ngā wiki whakaharikoa. I whakarite a Sri Yukteswar i tētahi tira karakia. I tono mai ia kia ārahi ahau i ngā ākonga i te tāone me te takutai moana o Puri. I puta te rā whakanui hei tētahi o ngā rā tino wera o te raumati.

"Guruji, pēhea kēne ahau tango te waewae kore ngā ākonga i runga te mura onepu?" ahau kōrero me te ngakaukore.

"Māku e kōrero ki a koutou tētahi mea ngaro," te whakautu a te Ariki. "Ka tukuna mai e te Ariki he maru kapua; ka haere koutou katoa i roto i te whakamarie."

I harikoa ahau ki te whakarite i te tira; i tīmata tā mātou rōpū i te ashram me te **haki** *Sat-Sanga* . I hangaia e Sri Yukteswar, kei runga i te tohu o te kotahi **15-5** te kanohi, te titiro whānui o te māramatanga.

I muri tata tonu i tō mātou wehenga atu i te whare karakia, kī tonu te wāhanga o te rangi i runga ake i a mātou i ngā kapua, me te mea he makutu. Me te haere tahi mai o ngā pūoro miharo mai i ngā taha katoa, I heke iho he ua iti, ā, i whakamatao i ngā tiriti o te tāone me te takutai moana e mura ana. I heke iho ngā pata whakamarie i roto i ngā haora e rua o te parade. I te wā tonu i hoki atu ai tō mātou rōpū ki te ashram, ka memeha haere ngā kapua me te ua.

"Kei te kite koe i te aroha o te Atua ki a tātou," te whakautu a te Kaiwhakaako i muri i taku whakapuakitanga i taku whakawhetai. "Ka whakautu te Ariki ki te katoa, ā, ka mahi mō te katoa. Pērā i tana tukunga mai i te ua i taku inoi, ka whakatutukihia e ia ngā hiahia pono katoa o te tangata karakia. He onge te kitenga o te tangata i te auau o te whakarongo a te Atua ki ā rātou inoi. Kāore ia e aro ki te hunga tokoiti, engari e whakarongo ana ki te hunga katoa e whakatata atu ana ki a Ia me te whakawhirinaki. Me whakapono tonu āna tamariki ki te aroha o tō rātou

I tautoko a Sri Yukteswar i ngā hakari e whā i ia tau, i ngā wā equinox me ngā solstice, i te wā i huihui mai ai āna ākonga mai i tawhiti, mai i tata hoki. I tū te whakanuinga o te solstice hotoke ki Serampore; ko te tuatahi i tae atu ahau i waiho mai he manaakitanga pumau ki ahau.

I tīmata ngā whakanui i te ata me te tira waewae kore i ngā tiriti. I rangona ngā reo o te rau ākonga me ngā waiata whakapono reka; i whakatangihia e ētahi kaiwaiata te putorino me te *khol kartal* (ngā pahu me ngā himipora). I ruia e te hunga o te tāone hihiri ngā putiputi i te ara, me te harikoa ki te karangahia mai i ngā mahi noa e tā mātou whakamoemiti nui ki te ingoa tapu o te Ariki. Ko te haerenga roa

i mutu ki te marae o te whare karakia. I reira ka karapotia e mātou tō mātou guru, i te mea ko ngā ākonga i ngā taupee o runga e ruirui ana i a mātou ki ngā putiputi marigold.

He tokomaha ngā manuhiri i piki ki runga ki te tiki i tētahi pūtini *channa* me te karaka. I haere atu ahau ki tētahi rōpū o ngā ākonga tuakana e mahi ana hei tunu kai i tēnei rā. Ko te kai mō ēnei huihuinga nui me tunu ki waho i roto i ngā kohua nunui. He auahi, he mea whakaoho roimata ngā oumu pereki tahu rakau i hangaia noatia, engari i kata mātou me te harikoa ki tā mātou mahi. Kāore ngā hakari whakapono i Inia e whakaarohia. whakararuraru; ia kotahi e mahi ana tāna wāhanga, te tuku moni, raihi, huawhenua, rānei āna ratonga whaiaro.

Kāore i roa ka tae mai te Kaiwhakaako ki waenganui i a mātou, e tiro tiro ana i ngā mahi o te hakari. I pukumahi ia i ia wā, ...

he *sankirtan* (he waiata ā-rōpū), me te harmonium me ngā pahu Inia e whakatangihia ana e te ringa. I whakarongo mai a Sri Yukteswar me te maioha; he tino pai tana mōhio ki te puoro.

"Kua hē te reo!" Ka wehe atu te Ariki i ngā tunu kai, ka uru atu ki ngā kaitoi. Ka rangona anō te rangi waiata, i tēnei wā kua tika te whakatangihanga.

I Īnia, ko te puoro me te peita me te whakaari e kiia ana he toi atua. Ko Brahma, ko Vishnu, me Shiva - te Tokotoru Mutunga Kore - ngā kaiwaiata tuatahi. Ko te Kanikani Atua. Ko te whāinga hohonu a ngā kaiwaiata rishi o mua ko te whakakotahi i te kaiwaiata me te Waiata Ao e rangona ana mā te whakaoho i ngā pokapū tuaiwi ngaro o te tangata. He toi whaiaro, wairua, me te takitahi te puoro Inia, ehara i te mea ko te kanapa o te waiata engari ko te whakahoahoa whaiaro ki te Wairua Matua. Ko te kupu Sanskrit mō te kaiwaiata ko *bhagavathar*, "ko ia e waiata ana i ngā

"Ki taku whakaaro ka tae mai ētahi ākonga i ngaro i a rātou hononga tereina. Kia rite mai he kai mā tātou."

"Guruji, kāore kotahi e haere mai i kotahi karaka i roto te ata!"

"Noho i roto moenga; koe whai kua te mahi tino uaua Engari ahau am e haere ana ki tunu kai."

I te reo māia o Sri Yukteswar, ka peke ake ahau ka aru i a ia ki te kīhini iti e whakamahia ana i ia rā, e tata ana ki te taupee o roto o te papa tuarua. Kāore i roa ka koropupū te raihi me *te dhal*.

I a ia e whakapuaki ana i ēnei kupu manaakitanga mō te oranga tonutanga, ka rangona ngā takahanga waewae i te marae. Ka oma ahau ki raro, ka whakauru i tētahi rōpū ākonga ki roto.

"Ia kua kua e tatari ana koe me ko ahakoa ināianei te whakarite tōu kai."

I rangona te reo manaaki a Sri Yukteswar; i arahina e au ngā manuhiri miharo ki te kīhini. I tahuri mai te Ariki ki ahau me ngā kanohi kanapa.

"Inaianei tērā koe whai kua oti te whakataurite ngā tuhipoka, kāore ruarua koe kei makona tērā tō mātou manuhiri tino

I aru ahau i a ia ki tōna rūma moe i te hawhe haora i muri mai, ka mōhio tino mohio ahau kua tata ahau te moe i te taha o tētahi tohunga atua.

Te tinihanga Te Ngā Whetu

"E Mukunda, he aha koe te tiki ai i tētahi poroporo

"Ehara i te mea he pātai *whakapono* ; ko te waiaro pūtaiao anake ka taea e te tangata te tango mō tētahi kaupapa ko te pono rānei . "Kua kawea mai e ngā tāngata tinihanga te pūtaiao whetu ki tōna āhua o nāianeī. Kāore e taea te whakahaere e ngā whetū."

" He wairua te tangata, ā, he tinana *anō tōna* . Ina tika tana whakanoho i tōna tuakiri, ka mahue i a ia ngā tauira katoa e hiahia ana. I a ia e noho pōhēhē ana i roto i tōna āhua noa o te warewaretanga wairua, ka mōhio ia ki ngā here ngawari o te ture taiao."

"Ko te Atua te rangimarie; ko te tangata karakia e whakarite ana i a ia anō, e kore rawa ia e mahi i tetahi mahi he. Ka tika, ka wā tūturu hoki āna mahi kia rite ki te ture whetū. I muri i te inoi hohonu me te whakaaroaro, ka hono atu ia ki tōna hinengaro atua; kāore he mana nui atu i taua tiaki ā-roto."

"E te Ariki, he aha koe i hiahia ai kia mau ahau i tētahi poroporo whetū?" I pātai atu ahau i muri i te wā roa o te wā whakarongo puku, i a au e ngana ana ki te mārāma ki te whakamārāma rangatira a Sri Yukteswar.

"Kia tae rā anō te kaihaerere ki tana whāinga, kātahi anō ka tika kia whakarērea e ia āna mapi. I a ia e haere ana, ka whakamahia e ia tētahi ara poto e wātea ana. He maha ngā huarahi i kitea e ngā rishis o mua hei whakapoto i te wā e peia ana te tangata i roto i te pōhēhē. He āhuatanga ā-pūkaha kei roto i te ture o te karma ka taea te whakatikatika mā te pūkenga e ngā maihao o te whakaaro nui."

"Ko ngā mate katoa o te tangata e puta mai ana i te takahi i te ture o te ao whānui. E tohu ana ngā karaipiture me whakatutuki e te tangata ngā ture o te taiao, me te kore e whakakorekore i te mana atua. Me kī ia: 'E te Ariki, ahau whakawhirinaki i roto Koe, me mōhio Koe pū āwhina ahau, engari ahau hoki ka mahi taku pai rawa atu ki whakakore tetahi 'He aha te hē i mahia e au.' Mā te maha o ngā huarahi - mā te inoi, mā te kaha o te hiahia, mā te whakaaroaro yoga, mā te kōrero ki te hunga tapu, mā te whakamahi i ngā poroporo whetū - ka taea te whakaiti, te whakakore rānei i ngā pānga kino o ngā hē o mua.

"Pērā i te whare e taea ai te whakauru i tētahi tokotoko parahi hei mimiti i te uira, ka taea hoki te whakamahi i ngā tikanga tiaki maha hei painga mō te temepara tinana. I ngā tau kua pahure ake nei, i kitea e ā tātou yogi he māramatanga whetu te tukuna e ngā konganuku parakore, he kaha ki te ārai i ngā kukume kino a ngā aorangi."

Kei te rere haere tonu ngā hihi hiko me ngā hihi aukume ngawari i roto i te ao whānui; ina āwhinahia te tinana o te tangata, kāore ia e mōhio; ina memeha, kei roto tonu ia i te kuware.

Ka taea ia mahi tetahi mea mō ia?

"I arohia tēnei raruraru e ō mātou rishis; i kitea e rātou he āwhina ehara i te mea ko te huinga o ngā konganuku anake, engari ko ngā tipu anō hoki - ko te mea tino whai hua o ngā kohatu tino pai, kāore i raro iho i te rua karati. Kāore i te maha ngā whakamahinga ārai o te whetū i akohia i waho o Īnia. Kotahi te mea iti - Ko te mea e mōhio ana, kāore he uara o ngā kohatu utu nui, ngā konganuku, ngā tipu rānei,

ki te kore e mau te taumaha e hiahiatia ana, ā, ki te kore hoki ēnei rongoā e mau ki te taha o te kiri."

"E te Ariki, āe, ka whakarongo ahau ki tāu tohutohu, ka hoko mai i tētahi poroporo. Kei te hiahia ahau ki te whakaaro ki te tinihanga i tētahi aorangi!"

"Mō ngā take whānui, ka tohutohu ahau kia whakamahia he poroporo i hangaia ki te koura, te hiriwa, me te parahi. Engari mō tētahi take motuhake, me tiki e koe tētahi i hangaia ki te hiriwa me te mata." Ka tāpirihia e Sri Yukteswar ētahi tohutohu āta.

"Guruji, he aha 'motuhake kaupapa mahi koe tikanga?"

"Kei te tata ngā whetū te aro kino ki a koe, e Mukunda. Kaua e wehi; ka tiakina koe. I roto i te marama kotahi ka nui te raruraru o tō ate ki a koe. E ono marama te roa o te mate, engari mā te whakamahi i te ringaringa whetū ka whakapoto i te wā ki te rua tekau mā whā rā."

I te aonga ake ka rapu ahau i tētahi kaihangā whakapaipai, ā, kāore i roa ka mau ahau i te poroporo. I tino pai tōku hauora; ka ngaro atu i tōku hinengaro te matapae a te Ariki. I wehe atu ia i Serampore ki te toro atu ki Benares. Toru tekau ngā rā i muri i tā māua kōrero, ka pā mai he mamae ohorere ki te rohe o tōku ate. Ko ngā wiki i muri mai he moemoeā kino o te mamae nui. I te kore e pai ki te whakararuraru i taku guru, i whakaaro ahau ka maia ahau ki te whakamanawanui i taku whakamātautau ko au anake.

Engari i ngoikore taku whakatau i ngā rā e rua tekau mā toru o te whakamamae; i haere ahau ki Benares. I reira ka mihi mai a Sri Yukteswar ki ahau me te mahana rerekē, engari kāore i homai he wā ki ahau ki te kōrero puku ki a ia i ōku mamae. He maha ngā tāngata karakia i toro atu ki te Ariki i taua rā, mō te *darshan noa iho*. **16-2** I te mate, i te kore aro, i noho ahau i te kokonga. I muri i te kai o te ahiahi ka wehe atu ngā manuhiri katoa. Ka karanga mai taku tohunga ki te taupee waru-ā-toru o te whare.

"Tērā pea kua pā mai tō mate ate." I tahuri ke te titiro a Sri Yukteswar; i hikoi ia ki konei, ki muri, i ētahi wā ka ārai i te māmā o te marama. "Kia kite ahau; e rua tekau mā whā ngā rā e mate ana koe, kāore?"

"Āe, e te rangatira."

"Tena koa mahi te puku whakakori tinana ahau whai i whakaakona koe."

"Me i mōhio koe ki te nui o tōku mamae, e te Ariki, e kore koe e tono mai kia whakakorikori tinana ahau." Heoi anō, i ngana ngoikore ahau ki te whakarongo ki a ia.

"E mea ana koe kei te mamae koe; e mea ana ahau kāore he mamae āu. Me pēhea rā te puta o ēnei momo whakahē?" I titiro mai taku tohunga ki ahau me te pātai.

I pōuri ahau, kātahi ka hinga i te harikoa. Kāore i taea e au te rongo i te mamae tonu i tata kore ai ahau e moe mō ngā wiki; i ngā kupu a Sri Yukteswar ka memeha haere te mamae me te mea kāore anō kia puta.

ahau tīmata ki tuturi i tāna waewae i roto te whakawhetai, engari ia tere āraia ahau.

"Kaua e tamariki. Whakatika, kia pārekareka ki te ataahua o te marama i runga i te awa o Ganges." Engari i kanapa harikoa ngā kanohi o te Ariki i ahau e tū puku ana i

tōna taha. I mārāma ahau i roto i tōna whakaaro e hiahia ana ia kia rongo ahau ehara i a ia, engari ko te Atua, te Kaiwhakaora.

Ahakoā i tēnei wā, kei te mau tonu ahau i te poroporo hiriwa taumaha me te mata, he maumaharatanga nō taua rā o mua, he mea e arohaina tonutia ana - i taku kitenga anō kei te noho tahi ahau me tētahi tangata tino atua. I ngā wā i muri mai, i taku kawē mai i aku hoa ki Sri Yukteswar mō te rongoā, ka tūtohu tonu ia

ngā taonga whakapaipai rānei te poroporo, te whakanui tā rātou whakamahi hei he mahi o te mātai whetū te whakaaro nui.

Mai anō i tōku tamarikitanga, he whakaaro kino tōku ki te mātauranga whetū, nā te mea i kite ahau he maha ngā tāngata e piri tahi ana ki tēnei mātauranga, ā, nā te matapae a te tohunga whetū o tō mātou whānau: "Ka toru āu marena, he rua āu pouaru." I whakaaroaro ahau mō tēnei take, te āhua nei he koati e tatari ana kia patua ki mua i te temepara o te marena tokotoru.

"Me te mea kua whakaae koe ki tō aituā," te kī a tōku tuakana, a Ananta. "Kua tika te kōrero a tō tohu horoscope ka rere koe i te kāinga ki ngā maunga o Himalaya i ō tau tōmua, engari ka whakahokia mai koe me te kaha. He pono anō hoki te matapae mō ō marena."

I tētahi pō ka puta ake he whakaaro mārama ki ahau, he teka rawa te poropititanga. I tahuna e au te pukapuka horoscope, ka whakatakotoria ngā pungarehu ki roto i tētahi pēke pepa, ā, ka tuhia e au ki runga: "Kāore e taea e ngā purapura o te karma o mua te pihi mena ka tunua ki roto i ngā ahi atua o te whakaaro nui." I whakatakotoria e au te pēke ki tētahi wāhi e kitea nuitia ana; i pānui tonu a Ananta i taku kōrero whakakeke.

"E kore e taea e koe te whakangaro ngāwari i te pono pērā i tāu tahu i tēnei pukapuka." Ka kata whakahaweā tōku tungāne.

He pono, i mua i taku taenga ki te pakeketanga, e toru ngā wā i ngana ai tōku whānau ki te whakarite i taku taumautanga. I ia wā, i whakakahore ahau ki te whai i ngā mahere, **16-3** i te mōhio ko tōku aroha ki te Atua he mea nui atu i ngā whakapono whetū katoa o mua.

"Ka hohonu ake te mōhio o te tangata ki a ia anō, ka nui ake tana awe i te ao katoa mā roto i ōna wiri wairua ngawari, ā, ka iti ake te pānga o te rerenga whakamiharo ki a ia anō." He maha ngā wā ka hoki mai ēnei kupu a te Kaiwhakaako ki tōku hinengaro me te whakahihiri.

I ētahi wā ka kī atu ahau ki ngā tohunga whetū kia tīpakohia aku wā kino rawa atu, kia rite ki ngā tohu o ngā aorangi, ā, Ka tutuki tonu i ahau te mahi i whakaritea e au ki ahau anō. He pono kua angitu ahau i aua wā i haere tahi mai me ngā uauatanga tino nui. Engari kua tika tonu taku whakapono: ko te whakapono ki te tiakitanga atua, me te whakamahinga tika o te hiahia o te tangata i homai e te Atua, he kaha whakaharahara kei tua atu i te "peihana hurihuri".

Ko te tuhituhi whetu i te whānautanga o te tangata, i mārama ahau, ehara i te mea he pēpi te tangata nō tōna hītori. Ko tana karere he mea whakaoho i te whakapehapeha; ko ngā rangi tonu e whai ana ki te whakaoho i te whakatau a te tangata kia watea i ngā herenga katoa. I hangaia e te Atua ia tangata hei wairua, he

mea whakapaipai ki te takitahi, nō reira he mea nui ki te hanganga ao, ahakoa he pou, he pirinoa rānei mō te wā poto. Ko tōna herekoretanga he mea whakamutunga, ā, he mea tonu, ki te pai ia; ehara i te mea kei runga i ngā wikitoria o waho engari kei runga i ngā wikitoria o roto.

I kitea e Sri Yukteswar te whakamahinga pāngarau o te huringa equinoctial 24,000-tau ki tō tātou ao o nāianei. **16-4** Kua wehea te huringa ki te Āwhata Piki me te Āwhata Heke, ia Āwhata he 12,000 tau te roa. I roto i ia Āwhata ka taka *ngā Yuga* , ngā Wā rānei e whā, e kiia nei ko *Kali* , ko *Dwapara* , ko *Treta* , me *Satya* , e rite ana ki ngā ariā Kariki mō te Rino, te Parahi, te Hiriwa, me te Wā Koura.

Kali Yuga whakamutunga , te Wā Rino rānei, o te Piko Whakanui, i te tau 500 AD pea. Ko te Wā Rino, 1200 tau te roa, he wā o te ao rauemi; i mutu i te tau 1700 AD pea. Nā taua tau i tīmata ai *te Dwapara Yuga* , he wā 2400 tau o te ao hiko. me ngā whanaketanga o te pūngao atomika, te wā o te waea kōrero, te reo irirangi, ngā waka rererangi, me ētahi atu mea whakangaro i te wāhi.

te wā 3600-tau o *Treta Yuga* i te tau 4100 AD; ka tohua tōna tau e te mōhiotanga whānui ki ngā whakawhitiwhiti kōrero waea me ētahi atu mea whakangaro-wā. I roto i ngā tau 4800 o *Satya Yuga* , te tau whakamutunga i roto i te pewa piki, ka tino whanake te hinengaro o te tangata; ka mahi ia i runga i te hanganga o te mahere atua.

He pewa heke iho o te 12,000 tau, ka tīmata me te Wā Koura heke iho o te 4800 tau, kātahi ka tīmata i **te 16-5** mō te ao; ka totohu haere te tangata ki te kuware. Ko ēnei huringa ko ngā porowhita mutunga kore o te *maya* , ko ngā rerekētanga me ngā whanaungatanga o te ao whakamiharo. **16-6** Tāne, takitahi, ka mawhiti atu i te whare herehere o te takirua o te hanganga i a ia e ara ake ana ki te mōhiotanga mō tōna kotahitanga atua mutunga kore ki te Kaihanga.

Nā te Ariki i whakanui ake taku māramatanga, ehara i te mea mō te whetū anake, engari mō ngā karaipiture o te ao. Mā te whakatakoto i ngā tuhinga tapu ki runga i te tēpu parakore o tōna hinengaro, ka taea e ia te wetewete i aua mea ki te maripi o te whakaaroaro mārama, me te wehewehe i ngā hapa me ngā whakaurunga a ngā tohunga mai i ngā pono i whakapuakina tuatahitia e ngā poropiti.

"Whakatikahia te tirohanga ki te pito o te ihu." He whakamaoritanga hē tēnei o te whiti *Bhagavad Gita* , **16-7** e whakaaetia whānuitia ana e ngā tohunga o te Rawhiti me ngā kaiwhakamāori o te Hauāuru, e whakamahia ana hei whakaoho i ngā whakahē whakakatakata a te Kaiwhakaako.

"He motuhake te ara o te yogi," tana kī. "He aha koe i tohutohu ai i a ia me whakapiko hoki ōna kanohi? Ko te tikanga tūturu o *te nasikagram* ko 'te pūtake o te ihu, ehara i te 'pito o te ihu.' Ka tīmata te ihu i te pito i waenganui i ngā tukemata e rua, te pūtake o te tirohanga wairua." **16-8** Nā te mea kotahi *a Sankhya* **16-9** te whakataukī, " *Iswar-ashidha* ," - "Kāore e taea te whakatau i te Ariki o te Ao Hanga" me "Kāore te Atua e whakamātauahia," **16-10** -he tokomaha ngā tohunga e kī ana he kore atua te rapunga whakaaro katoa.

"Ehara tēnei whiti i te mea koretake," te whakamārama a Sri Yukteswar. "E tohu ana tēnei, ki te tangata kāore i te mārama, e whakawhirinaki ana ki ōna whakaaro mō ngā whakatau whakamutunga katoa, me noho tonu te taunakitanga o te Atua kia kore e mōhiotia, nō reira, kāore e noho. Ko ngā akonga pono *o Sankhya* , me te māramatanga pumau i puta mai i te whakaaroaro, e mārama ana kei te noho te Ariki, ā, ka taea hoki te mōhio."

I whakamāramahia e te Kaiwhakaako te Paipera Karaitiana me te mārāma ataahua. Nā taku tohunga Hinitū, kāore i te mōhiotia e te hunga karanga ingoa o ngā mema Karaitiana, i ako ai ahau ki te mārāma ki te mauri mutunga kore o te Paipera, me te mārāma ki te pono o te kī a te Karaiti - koinei te kupu tino whakahihiri rawa atu i whakapuakina: "Ka pahemo te rangi me te whenua, ko aku kupu ia e kore e pahemo."

16-11

Ko ngā rangatira nui o Īnia i hanga ō rātou oranga e ngā kaupapa atua kotahi i whakaoho i a Ihu; ko ēnei tāngata ōna whanaunga kua karangatia: "Ko ia e mea ana i ta toku Matua i te rangi e pai ai, ko ia te

"Ko ia tōku teina, tōku tuahine, tōku whaea." **16-12** "Ki te u tonu koutou ki taku kupu," te kī a te Karaiti, "he tino akonga koutou naku; a e matau koutou ki te pono, ma te pono koutou e rangatira." **16-13** E te hunga herekore katoa, e te hunga ariki o rātou anō, ko ngā Yogi-Karaiti o Īnia he wāhanga o te whanaungatanga mutunga kore: ko rātou kua whiwhi i te mātauranga whakaora o te Matua Kotahi.

"Kāore au i te mārama ki te kōrero mō Ātama rāua ko Īwa!" i kite ahau me te riri nui i tētahi rā i aku pakanga tuatahi ki te kupu whakarite. "He aha te Atua i whiu ai i te tokorua hara anake, engari i ngā whakatupuranga harakore kāore anō kia whānau mai?"

Nui atu te kata a te Ariki ki tōku kaha i tōku kuware. " He tohu hohonu a *Kenehi* , ā, kāore e taea te mārama mā te whakamaoritanga tika," tana whakamārama. "Ko tōna 'rākau o te ora' ko te tinana tangata. He rite te taurakira ki te rākau e tahuri ana, ko te makawe o te tangata hei pakiaka, ko ngā io e hono ana, e hono ana hei manga. He maha ngā hua reka o te rākau o te pūnaha io, arā, ngā kare ā-kanohi, te tangi, te kakara, te reka, me te pā. I roto i ēnei, ka tika te tangata ki te whai; engari i āraia ia ki te wheako i te moepuku, te 'aporo' kei waenganui o te māra tinana. **16-14**

"Ko te 'nakahi' e tohu ana i te kaha o te tuaiwi kua takai hei whakaoho i ngā io o te ira tangata. Ko 'Ātama' te whakaaro, ā, ko 'Īwa' te kare ā-roto. Ina kahakina te kare ā-roto, te hinengaro rānei o Īwa i roto i te tangata e te hiahia o te ira tangata, ka hinga anō hoki tōna whakaaro, a Ātama rānei." **16-15**

"I hangaia e te Atua te momo tangata mā te whakawhaiaro i te tinana o te tāne me te wahine mā te kaha o Tōna hiahia; i whakawhiwhia e ia te momo hou ki te mana ki te hanga tamariki i roto i te āhua rite." tikanga 'kore hara', tikanga atua rānei. **16-16** Nā te mea i mua ko ngā kararehe anake te hunga i puta mai i roto i te wairua takitahi, he hunga i herea e te wairua ā-tinana, ā, kāore i te whai whakaaro nui, i hanga e te Atua ngā tinana tangata tuatahi, i tapaina ko Ātama rāua ko Īwa. Ki ēnei, hei whanaketanga pai ake, i whakawhitia e Ia ngā wairua, te mauri atua rānei o ngā kararehe e rua. **16-17** I roto i a Ātama, i te tangata rānei, i nui ake te whakaaro; i roto i a Īwa, i te wahine rānei, i piki ake te kare ā-roto. Nō reira i whakaatuhia ai te takirua, te wehewehe rānei e ahu mai ana i ngā ao whakamiharo. Kei roto tonu te whakaaro me te kare ā-roto i te rangi o te hari mahi tahi, i te mea kāore te hinengaro tangata e mamingatia e te kaha ngākau o ngā whanonga kararehe.

"Nō reira, ehara i te mea ko te tinana tangata he hua noa iho o te whanaketanga mai i ngā kararehe, engari i hangaia e te mahi hanganga motuhake a te Atua. He tino parakore rawa ngā āhua kararehe ki te whakaatu i te atuataka katoa; i whakawhiwhia motuhake ki te tangata he kaha hinengaro nui - te 'rōti rau mano' o te roro—me ngā pokapū ngaro kua oho wawe i roto i te tuaiwi.

"I tohutohu te Atua, te Whakaaro Tapu rānei i roto i te tokorua tuatahi i hangaia, kia pārekareka ki ngā kare ā-tangata katoa, engari kaua e aro ki ngā kare ā-pā." **16-18** I aukatia ēnei hei karo i te whanaketanga o ngā whekau ira tangata, ka hono i te tangata ki te tikanga whakatipu kararehe iti iho. Kāore i whakarongohia te whakatūpato kia kaua e whakaora i ngā maharatanga kararehe e kitea ana i roto i te hinengaro. I te hokinga atu ki te ara o te whānautanga māori, ka taka a Ātama rāua ko Īwi i te āhua o te harikoa rangi tūturu ki te tangata tino tika taketake.

"Mātauranga o 'pai me kino e pā ana ki te ao whānui takirua te akiaki Te hinganga i raro i te te wiri o

hē o te tangata i ōna kare ā-roto me tōna whakaaro, i a Īwa me te hinengaro o Ātama rānei, ka whakarērea e te tangata tōna tika ki te tomo ki te māra o te rangi o te mana motuhake o te Atua. **16-19** Ko te kawenga whaiaro a ia tangata ko te whakahoki i ōna 'mātua', i tōna āhua takirua rānei, ki tētahi rangimārie kotahi, ki Ētene rānei."

I te mutunga o te whaikōrero a Sri Yukteswar, ka titiro atu ahau me te whakaute

hou ki ngā whārangi o *Genesis* . "E te Ariki," ka mea atu ahau, "ko te wā tuatahi

tēnei ka rongo ahau i te herenga tika ki a Ātama rāua ko Īwa!"

Sāsi Ā, Te Toru Ngā hapaira

"Nā te mea koe me taku tama whakaaro nā reira tino o Swami Hīri Yukteswar, ahau ka tango he titiro i ia." Te

Ko te reo i whakamahia e Tākuta Narayan Chunder Roy i kī mai kei te whakakatakata ia i ngā hiahia o te hunga wairangi. I huna e au tōku riri, i runga i ngā tikanga pai a te kaikauwhau.

Ko taku hoa, he taote kararehe, he tangata whakaponono kore ki te Atua. I tohe mai tana tama a Santosh kia aro atu ahau ki tōna matua. Tae noa mai ki tēnei wā, kāore i kitea te nui o taku āwhina nui.

I te aonga ake ka haere tahi māua ko Tākuta Roy ki te whare karakia o Serampore. I muri i te tukunga atu a te Ariki i tētahi uiuinga poto ki a ia, i te nuinga o te wā i te wā e noho puku ana ngā taha e rua, ka haere pōuri te manuhiri.

"He aha i kawea mai ai he tūpāpaku ki te ashram?" I te katinga o te tatau ki te tangata ruarua o Calcutta, ka titiro mai a Sri Yukteswar me te pātai.

"E te Ariki! Kei te ora tonu te

tākuta!" "Engari i roto he poto wā

ia ka kia kua mate."

I ohorere ahau. "E te Ariki, he whiu nui tēnei mō tāna tama. Kei te tumanako tonu a Santosh kia tae mai te wā ki te whakarerekē i ngā tirohanga ā-taonga a tōna matua. Kei te inoi atu ahau ki a koe, e te Kaiwhakaako, kia āwhina i te tangata nei."

"Pai rawa; hei painga mōu." Kāore i aro te kanohi o taku tohunga. "Kua ngaro te tākuta hōiho whakahihī i te mate huka, ahakoa kāore ia i te mōhio. I roto i ngā rā tekau mā rima ka takoto ia ki tōna moenga. Ka tukua ia e ngā tākuta kia ngaro; ko tōna wā tūturu ki te wehe atu i tēnei ao ko ngā wiki e ono mai i tēnei rā. Nā tō inoi, heoi, i taua rā ka ora ia. Engari kotahi te tikanga. Me mau ia i tētahi poroporo whetū; kāore e kore ka whakahē ia me te kaha pērā i tētahi o āna hōiho i mua i te pokanga!" Ka kata te Kaiwhakaako.

I muri i te wā wahangu, i a au e whakaaroaro ana me pēhea māua ko Santosh e whakamahi pai ai i ngā mahi whakapatipati ki te tākuta whakakeke, ka whakapuakina e Sri Yukteswar ētahi atu kōrero.

"Ina ora te tangata, me kī atu kia kaua ia e kai mīti. Heoi, e kore ia e whakarongo ki tēnei tohutohu, ā, i roto i ngā marama e ono, i a ia e tino pai ana te āhua, ka hinga ia ki te mate. Ahakoa taua marama e ono ka whakaroahia tōna orange nā tō tono anake."

I te aonga ake ka kī atu ahau ki a Santosh kia tono ia i tētahi poroporo ringa i te toa whakapaipai. I oti i roto i te wiki, engari i whakakahore a Tākuta Roy ki te whakakakahu.

"Kei te tino ora ahau. E kore rawa ahau e miharo ki ēnei whakapono whetū." Ka titiro kaha mai te tākuta ki ahau.

I mahara ahau me te katakata i te tika o te whakarite a te Ariki i te tangata ki tētahi hōiho pakaka. E whitu atu ngā rā i pahemo; i te mea kua pāngia ohoreretia e te mate, ka whakaae māriri te tākuta ki te mau i te poroporo. E rua wiki i muri mai, ka kōrero mai te tākuta i tae mai ki ahau kāore he tumanako mō te mate o tana tūroro. I homai e ia ngā kōrero whakamataku mō ngā kino i pā mai i te mate huka.

ahau rūrū taku upoko "Tāku tohunga kua i mea tērā, i muri he mate pumau kotahi marama, Tākuta Roi ka kia pai."

I titiro matatau mai te tākuta ki ahau me te kore whakapono. Engari i muri i ngā wiki e rua ka rapua ahau e ia, me te āhua whakapāha.

"Kua ora katoa a Tākuta Roy!" tana karanga. "Koinei te mea whakamiharo rawa atu i roto i aku wheako. Kāore anō ahau kia kite i tētahi tangata e tata ana ki te mate e whakaatu ana i tētahi hokinga mai kāore e taea te whakamārama. He poropiti whakaora rawa atu tō koutou tohunga!"

I muri i tētahi uiuinga ki a Tākuta Roy, i taku whakahua anō i te tohutohu a Sri Yukteswar mō te kai kore mīti, kāore au i kite anō i taua tangata mō ngā marama e ono. I tū ia ki te kōrero i tētahi ahiahi i a au e noho ana i te piazza o tōku kāinga whānau i Gurpar Road.

"Kōrero atu ki tō kaiako, nā te kai mīti i ngā wā katoa, kua tino ora ake ahau. Kāore āna whakaaro kore pūtaiao mō te kai i whai pānga ki ahau." He pono i rite a Tākuta Roy ki tētahi pikitia hauora.

Engari i te aonga ake ka oma mai a Santosh ki ahau i tōna kāinga i te poraka e whai ake nei. "I tēnei ata ka hinga a Pāpā, ka mate!"

Ko tēnei take tētahi o aku wheako tino rerekē ki te Ariki. Ahakoa tōna kore whakapono, i whakaorangia e ia te taote kararehe whakakeke, ā, i whakaroahia e ia te wā tūturu o te tangata i runga i te whenua mō te ono marama, nā taku inoi nui. Kāore he mutunga o te atawhai o Sri Yukteswar i te wā i tūtaki ki te inoi akiaki a tetahi tangata karakia.

He mea whakahihī rawa atu ki ahau te kawē mai i ngā hoa o te kāreti ki te tūtaki ki taku tohunga. He tokomaha o rātou ka whakarērea te taha - i roto i te ashram! - tō rātou koroka mātauranga huatau o te whakahē whakapono.

I noho tētahi o ōku hoa, a Sasi, i ētahi wā mutunga wiki harikoa ki Serampore. Nui atu te aroha o Master ki te tamaiti, ā, i tangi ia mō tōna orange tūmataiti he porangi, he koretake hoki.

"E Sasi, ki te kore koe e huri i tō wairua, ā, i roto i te tau e haere ake nei ka tino pāngia koe e te mate kino." I titiro a Sri Yukteswar ki taku hoa me te riri aroha. "Ko Mukunda te kaiwhakaatu: kaua e kī ā muri ake nei kāore au i whakatūpato i a koe."

Ka kata a Sasi. "E te Ariki, ka waiho atu māu e tono he aroha reka ki te ao whānui mōku ake! Kei te hiahia tōku wairua engari kei te ngoikore tōku hiahia. Ko koe anake tōku kaiwhakaora i runga i te whenua; kāore he mea kē atu e whakaponohia ana e au."

"I iti rawa koe me kakahu he rua-karati kikorangi hapaira. Ia ka āwhina koe."

"Au kāore e taea utu kotahi. Ahakoa pēhea, e te aroha guruji, mēnā raruraru haere mai, ahau tino whakapono koe ka tiaki ahau."

"I roto i te tau kotahi ka kawea mai e koe ētahi hapaira e toru," te whakautu ngaro a Sri Yukteswar. "Kāore he painga mō rātou i taua wā."

He maha ngā rerekētanga o tēnei kōrero. "Kāore e taea e au te huri!" ka mea a Sasi me te ngakau pouri whakakatakata. "Ā, ko taku whakawhirinaki ki a koe, e te Ariki, he mea nui atu i tētahi kohatu!"

I te tau i muri mai, i toro atu ahau ki taku tohunga i te kāinga o tana akonga, a Naren Babu i Calcutta. I te tekau karaka o te ata, i a māua ko Sri Yukteswar e noho puku ana i te rūma noho o te papa tuarua, ka rongo ahau i te tatau o mua e tuwhera ana. Ka tū pakari te Ariki.

"Ko Sasi tēnā," tana kī me te ngākau pōuri. "Kua pau te tau inaianei; kua ngaro ōna pūkakahukahu e rua. Kua kore ia e aro ki taku tohutohu; kī atu ki a ia kāore au e hiahia kia kite i a ia."

I te ohorere i te pakari o Sri Yukteswar, ka oma atu ahau i te arawhata. I piki

ake a Sasi. "E Mukunda! Ko taku tumanako kei konei te Ariki; i whakaaro

ahau kei konei pea ia."

"Āe, engari ia kāore hiahia ki kia raruraru."

Ka pakaru mai ngā roimata o Sasi, ka whiti atu i ahau. Ka hinga ia ki ngā waewae o Sri Yukteswar, ka whakatakoto i ngā hapaira ataahua e toru ki reira.

"E te tohunga matau katoa, e ai ki ngā tākuta he mate kohi tere tōku! Kāore e roa atu i te toru marama te roa e homai ana ki ahau! Kei te inoi whakaiti ahau ki a koe kia āwhina mai; e mōhio ana ahau ka taea e koe te whakaora i ahau!"

"Kāore ianei i te roa te wā ki te manukanuka mō tō oranga? Haere atu me ō taonga whakapaipai; kua hipa te wā whai hua." Kātahi ka noho te Ariki, he rite ki te mīti, i roto i te wā puku, me te tangi a te tamaiti mō te aroha.

I tae mai te whakaaro ā-roto ki ahau, he whakamātautau noa iho a Sri Yukteswar i te hohonutanga o te whakapono o Sasi ki te mana whakaora atua. Kāore au i miharo i te haora i muri mai i te matakū i te tahuritanga mai o te titiro aroha a te Kaiwhakaako ki taku hoa e takoto ana.

"E whakatika, e Sasi; he ngangau nui tēnei e mahia ana e koe i roto i ngā whare o ētahi atu tāngata! Whakahokia ō hapira ki te whare o te kaihanga whakapaipai; he utu koretake ēnei inaianei. Engari tikina he poroporo whetū ka mau. Kaua e wehi; i roto i ētahi wiki ka ora koe."

I whakamārama te ataata a Sasi i tōna mata kua pakaru i te roimata, pērā i te rā ohorere i runga i te whenua mākū. "E te tohunga aroha, me tango e au ngā rongoā i tohua e ngā tākuta?"

He roa te titiro a Sri Yukteswar me te aroha. "E ai ki tāu e hiahia ai - inumia, maka atu rānei; ka pērā tonu." "kāore he aha. He nui ake te tūponotanga ka whakawhiti te rā me te marama i tō kōrua mate i te mate kōhi." Ka tāpiri ohorere atu ia, "Haere inaianei, i mua i taku hurihanga whakaaro!"

Me te piko ohorere, ka hohoro taku hoa te haere. He maha aku haerenga ki a ia i roto i ngā wiki e whai ake nei, ā, i ohorere ahau i te kitenga kua kino haere tōna āhua.

"Sāsi" kāore e taea whakamutunga mā roto te pō." ēnei ngā kupu mai i tāna tākuta, me te whakaaturanga o taku

Nā te hoa, kua tata memeha noa iho hei angaanga, i tono tere mai ahau ki Serampore. I whakarongo mārire taku tohunga ki taku pūrongo me te roimata.

"He aha mahi koe haere mai konei ki whakararururu ahau? Koe whai kua i rangona ahau whakapumau Sāsi o tāna te whakaoranga."

I piko ahau ki mua i a ia me te wehi nui, kātahi ka hoki ki te tatau. Kāore a Sri Yukteswar i kōrero poroporoaki, engari i noho puku ia, ko ōna kanohi kāore i te kimo, ā, ko tā rāua tirohanga i rere atu ki tētahi ao kē.

I hoki tonu atu ahau ki te kāinga o Sasi i Calcutta. Me te miharo, i kite ahau i taku hoa e noho ana, e inu miraka ana.

"E Mukunda! He merekara! E whā hāora ki muri ka rongohia ahau i te aroaro o te Ariki i roto i te rūma; ngaro tonu atu aku tohu kino. E kite ana ahau nā tōna aroha noa kua ora katoa ahau."

I roto i ētahi wiki, kua kaha ake a Sasi, ā, kua pai ake tōna hauora i tō mua. **17-1**
Engari ko tana takitahi He ahua kore whakawhetai te tauhohenga ki tana whakaoranga: he onge tana haerenga atu ki a Sri Yukteswar! I tetahi rā, i kōrero mai taku hoa ki ahau i tino pouri ia mō tōna āhua noho o mua, ā, i whakama ia ki te tū atu ki te Ariki.

Ko tāku anake i taea ai te whakatau ko te pānga rerekē o te mate o Sasi he whakapakeke i tōna hiahia, he whakapōrearea hoki i ana tikanga.

Kua tata te mutunga o ngā tau tuatahi e rua o taku akoranga i te Kāreti o te Hāhi o Kōtirana. He tino pōturi taku haere ki te akomanga; ko te iti o taku ako he mea hei pupuri i te rangimārie me tōku whānau. I haere mai aku kaiako tūmataiti tokorua ki tōku whare i ia wā, i ia wā; i ia wā, i ia wā, i ia wā, i ia wā, ka ngaro ahau: ka taea e au te kite i tēnei i ia wā, ...

I Īnia, mā ngā tau angitu e rua o te kāreti ka whiwhi i te tohu Paetahi Toi; kātahi ka tumanako pea te ākonga ki ētahi atu tau e rua me tana tohu AB.

I tata mai ngā whakamātautau whakamutunga mō ngā Toi Waenga me te whakamataku. I rere ahau ki Puri, ki reira taku tohunga e noho ana mō ētahi wiki. Me te tumanako pōuri ka whakaae ia kia kore ahau e tae atu ki te whare wānanga. whakamutunga, i kōrero ahau i tōku kore whakarite whakama.

Heoi ka menemene whakamarie te Kaiwhakaako. "Kua whaia e koe ō mahi wairua, ā, kāore i taea te kore e wareware ki ō mahi kāreti. Kia kaha ki te pānui i ō pukapuka mō te wiki e tū mai nei: ka ora koe i tō whakamātautau me te kore e hinga."

I hoki ahau ki Calcutta, me te pehi pūmau i ngā feaa whaitake katoa i puta ake i ētahi wā me te tawai whakamataku. I a au e tiro tiro ana i te maunga o ngā pukapuka i runga i taku tēpu, i rite ahau ki tētahi kaihaerere kua ngaro i te koraha. Nā te wā roa o te whakaaroaro i homai he hihiri whakaora mahi ki ahau. Te whakatuwheratanga i ia pukapuka i te matapōkere, ko ngā whārangi anake i kitea noatia e au i akohia. I a au e whai ana i tēnei akoranga mō ngā hāora tekau mā waru i te rā mō te wiki, i whakaaro ahau he tika ki ahau te tohutohu i ngā whakatipuranga katoa e whai ake nei mō te toi o te ako pukumahi.

Ko ngā rā i muri mai i ngā whare whakamātautau he whakamārama mō taku tikanga koretake. I paahitia e au ngā whakamātautau katoa, ahakoa he iti noa iho. Ko ngā mihi a ōku hoa me te whānau i konatunatua ki ngā whakapūtanga e whakaatu ana i tō rātou miharo.

I tōna hokinga mai i Puri, ka homai e Sri Yukteswar tētahi ohorere pai ki ahau. "Kua mutu āu akoranga i Calcutta. Māku e whakarite kia whai tonu koe i ō tau e rua whakamutunga o te mahi whare wānanga i konei tonu i Serampore."

I pōhēhē ahau. "E te Ariki, kāore he akoranga Paetahi Toi i tēnei tāone." Ko te Kāreti o Serampore, te whare wānanga kotahi anake o te mātauranga teitei, i tuku noa i tētahi akoranga Toi Waenga e rua tau te roa.

Ātaata ana te Ariki me te whanoke. "Kua koroheke rawa ahau ki te kohi koha hei whakatū i tētahi kāreti AB māu. Ki taku whakaaro me whakarite e au tēnei take mā tētahi atu."

I ngā marama e rua i muri mai, i whakapuaki a Ahorangi Howells, te perehitini o te Kāreti o Serampore, kua angitu ia ki te kohi moni hei tuku i tētahi akoranga e whā tau te roa. I riro te Kāreti o Serampore hei peka hononga o Te Whare Wānanga o Calcutta. Ko ahau tētahi o ngā ākonga tuatahi i whakauru ki Serampore hei kaitono AB.

"E Guruji, he nui tō atawhai ki ahau! Kua roa ahau e hiahia ana ki te wehe atu i Calcutta, kia tata atu ki a koe i ia rā, i ia rā, i Serampore. Kāore a Ahorangi Howells e moemoeā ana ki te nui o tana nama ki tāu āwhina puku!"

I titiro mai a Sri Yukteswar ki ahau me te āhua whakatoī. "Inaianei kāore koe e hiahia ki te whakapau i ngā hāora maha i runga i ngā tereina; he nui te wā waatea mō āu akoranga! Tērā pea ka iti ake tō hihiri i te meneti whakamutunga, ka nui ake tō mātauranga." Engari i pēhea te kore o tōna reo i te whakapono.

17-1 : I roto 1936 ahau i rangona mai i he hoa tērā Sāsi i tonu i roto tino pai hauora.

"I ngā tau kua pahure ake nei, i roto tonu i tēnei rūma e noho nei koe, e whā ngā merekara i mahia e tētahi kaimahi merekara Muhamariki i mua i ahau!"

Hīri Yukteswar i hangaia tēnei miharo tauākī i roto i tāna tuatahi toro ki taku hou ngā hauwhā

I muri tonu i taku whakaurunga ki te Kāreti o Serampore, i noho ahau ki tētahi rūma i tētahi whare noho tata tonu, ko *Panthi te ingoa*. He whare pereki tawhito, e anga atu ana ki te awa o Ganges.

"E te Ariki, he tūponotanga tēnei! He tino tawhito, he maumaharatanga anō hoki ēnei pakitara hou kua whakapaipaihia?" I tiroiro haere ahau i tōku rūma kua whakapaipaihia kia ngāwari noa iho, me te hiahia nui kua ara ake.

"He kōrero roa." Ka menemene taku tohunga me te mahara anō. "Ko te ingoa o te *fakir* **18-1** ko Afzal Khan. I whiwhi ia i ōna mana whakamiharo mā te tūtakitanga tūpono ki tētahi yogi Hindu.

"E tama, e matewai ana ahau; tikina mai he wai mōku." I tonu atu tētahi *sannyasi kapi tonu i te puehu* ki a Afzal i tētahi rā i tōna tamarikitanga i tētahi kāinga iti o te rawhiti o Bengal.

"E te Kaiwhakaako, ahau am he Mōhameka. Me pēhea i taea koe, he Hinitū, whakaae he inu mai i taku ringaringa?

"E pai ana ki ahau tō pono, e taku tamaiti. Kāore au e pupuri i ngā ture whakahāwea o te whakapono kore whakapono. Haere; kia hohoro te tiki wai mōku."

"A Afzal whakaute ngohengohe i i whakawhiwhia nā he aroha titiro mai i te yogi

Ko ngā mana nui ka riro i a koe me whakamahi mō ngā kaupapa tika; kaua rawa e whakamahia i runga i te hiahia whaiaro! E kite ana ahau, aue! kua kawea mai e koe ētahi purapura o ngā whanonga whakangaro mai i mua. Kaua e tukua kia pihi ake mā te whakainu i a rātou ki ngā mahi kino hou. Ko te uaua o tō "Nā te karma o mua, me whakamahi e koe tēnei ao hei whakataurite i ō whakatutukitanga yoga ki ngā whāinga atawhai tangata teitei rawa atu."

"I muri i te whakaako te miharo tama i roto he uaua tikanga, te rangatira ngaro atu.

"E rua tekau tau a Afzal i whai pono ai i tana mahi yoga. I tīmata ana mahi whakamiharo ki te kukume i te aro whānui. Te āhua nei i haere tahi tonu ia me tētahi wairua kore tinana i huaina e ia ko 'Hazrat.' I taea e tēnei mea ngaro te whakatutuki i te hiahia iti rawa o te FAKIR."

"I te kore aro ki te whakatūpato a tōna rangatira, ka tīmata a Afzal ki te whakamahi hē i ōna mana. Ahakoa he aha te mea i pā atu ia, kātahi ka whakakapia, ka ngaro wawe atu, kāore he tohu. Nā tēnei āhuatanga whakamataku i meinga ai te Mahometa hei manuhiri whakarihariha!"

"I ētahi wā ka toro atu ia ki ngā toa whakapaipai nunui o Calcutta, e whakaatu ana i a ia anō he kaihoko pea. Ko ngā kohatu katoa i puritia e ia ka ngaro wawe i muri i tana wehenga atu i te toa."

"He maha ngā rau o ngā ākonga i karapotia a Afzal, i kukumea e te tumanako ka mōhio ia ki ana mea ngaro. I ētahi wā ka karanga te *fakir* i a rātou kia haere tahi me ia. I te teihana tereina ka taea e ia te pā atu ki tētahi rārangi tīkiti. Ka whakahokia ēnei e ia ki te kaimahi, me te kī: 'Kua huri taku whakaaro, ā, kāore au e hoko i ēnei inaianei.' Engari i tana ekenga ki te tereina me tana tira, kei a Afzal ngā tīkiti e hiahiatia ana. **18-2**

"Nā ēnei mahi nanakia i puta ai te ngangau riri; i hinga ngā kaihangā whakapaipai me ngā kaihoko tīkiti o Bengali i te pakaru o te io! I kitea e ngā pirihimana i whai ki te hopu i a Afzal he korekore noa iho; ko te " K a t a e a e *Fakir* te tango i ngā taunakitanga whakapae mā te kī noa: 'E te Hāta, tangohia atu tēnei.'"

I whakatika ake a Sri Yukteswar i tōna nohoanga, ā, ka hikoi ki te taupee o tōku rūma e titiro atu ana ki te awa o Ganges. I aru atu ahau i a ia, me te hiahia nui ki te whakarongo atu ki ngā kōrero whakamīharo a Raffles, a te hunga Mahometa.

Nō tētahi o ōku hoa tēnei whare *Panthi i mua. I tūtaki ia ki a Afzal, ā, i tono ia kia haere mai ia. I karangahia anō hoki e taku hoa kia rua tekau ngā hoa noho tata, tae atu ki ahau. He tamariki noa iho ahau i taua wā, ā, i tino hiahia ahau ki te mōhio ki te fakir rongonui.*" Ka kata te Ariki. "I āta tupato ahau kia kaua e mau i tētahi mea utu nui!" Ka titiro matatau mai a Afzal ki ahau, kātahi ka mea:

"He ringa kaha ōu. Haere ki raro, ki te māra; tikina he kōhatu maeneene, ka tuhituhi i tōu ingoa ki runga ki te uku; kātahi ka maka te kōhatu ki tawhiti rawa atu ki roto i te awa o Ganges."

"I whakarongo ahau. I te ngaromanga atu o te kōhatu i raro i ngā ngaru i tawhiti, ka kōrero mai anō te Mahometa ki ahau:

"Whakakīia he kohua me Ngā Ganges wai tata te mua o tēnei whare.

"I muri i ahau i a i whakahokia mai me he waka o wai, te *fakir* i tangi, 'Hatarata, whakatakoto te kōhatu i roto te kohua!

"I puta tonu mai te kōhatu. I tangohia mai e au i roto i te oko, ā, i kitea e au taku waitohu e mārāma ana, pērā i te wā i Nāku i tuhituhi.

"Pāpu, **18-3** I roto i te rūma, ko tētahi o ōku hoa, e mau ana i tētahi wati koura tawhito me tētahi mekameka. I tirotirohia rātou e te *fakir* me te miharo whakamataku. Kāore i roa kua ngaro atu rātou!

"Afzal, tēnā koa whakahoki taku taonga nui taonga tuku iho! Pāpu i tata i roto ngā roimata.

"I noho puku te Hāmarama mō tētahi wā, kātahi ka mea, 'E rima rau rūpī kei roto i te pouaka rino. Kawea mai ki ahau, ā, māku e kī atu ki a koe te wāhi e kitea ai tō wati.'"

"I haere tonu atu a Babu ki tōna kāinga me te pouri. I hoki wawe mai ia, ā, i hoatu e ia te moni i hiahiaia ki a Afzal."

"Haere ki te piriti iti e tata ana ki tō whare,' te tohutohu a *te fakir* ki a Babu. 'Karanga

atu ki a Hazrat kia homai te mātiti me te mekameka ki a koe."

"Pāpū tere atu I runga tāna whakahoki, ia i te mau he menemene o whakamāmā me kāore whakapaipai ahakoa pēhea.

"I taku whakahau i a Hazrat e ai ki tana i whakahau ai,' i panuitia e ia, 'ka taka iho taku mātiti i te rangi ki roto i tōku ringa matau! E mōhio ana koe i raka e au te taonga tuku iho i roto i taku pouaka haumaruru i mua i taku hokinga atu ki te rōpū i konei!"

"Ko ngā hoa o Babu, ngā kaiwhakaatu o te mahi whakakatakata o te utu mō te mātaaratanga, i titiro pūmau ki a Afzal me te riri. Ināianei ka kōrero ia me te mārie."

"Tena koa ingoa tetahi inu koe hiahia; Hatarata ka whakaputa reira.

"He tokomaha i tono miraka, ko ētahi i tono wai hua. Kāore au i tino ohorere i te tono a Babu i te wīkī! I homai e te Muhama i te whakahau; i tonoa e te Hazrat ngā ipu hiri kia rere ki te rangi, kia pakū ki te whenua. I kitea e ia tangata tana inu i hiahiatia."

"Ko te kupu whakaari mō te tuawhā o ngā mahi whakamiharo o te rā, he mea tino harikoa ki te kaihautū: i tuku mai a Afzal ki te whakarato tina tere tonu!"

"Me tono tāua i ngā rihi tino utu nui,' te whakaaro pōuri a Babu. 'E hiahia ana ahau ki tētahi kai nui mō aku rima rau rūpī! Me tuku katoa ngā mea ki runga i ngā pereti koura!'"

"I te mutunga o te whakapuakitanga a ia tangata i āna hiahia, ka tahuri te *fakir ki te Hazrat mutunga kore. Ka pā mai he haruru nui; ka tau mai ngā pereti koura kī tonu i ngā kari kua oti te whakarite, ngā luchi wera* , me ngā hua maha kāore i te wā tika, ki ō mātou waewae. He reka katoa ngā kai. I muri i te kai hakari mō te haora, ka tīmata mātou ki te wehe atu i te rūma. Nā te haruru nui, me te mea kei te purangahia ngā rihi, ka tahuri mātou. Nā! kāore he tohu o ngā pereti kanapa, o ngā toenga rānei o te kai."

"Guruji," ka whakatapoko atu ahau, "mēnā ka taea e Afzal te tiki ngāwari i ngā mea pēnei i ngā oko koura, he aha ia i hiahia ai ki ngā taonga a ētahi atu?"

"Kāore i tino whanake te wairua o te *fakir* ," te whakamārama a Sri Yukteswar. "Nā tōna mōhio ki tētahi tikanga yoga i āhei ai ia ki te uru atu ki tētahi ao whetū e tutuki tonu ai ngā hiahia katoa. Mā te mahi a tētahi mea whetū, a Hazrat, ka taea e te Muhamarata te karanga i a ia anō." ngā ngota o tētahi mea mai i te pūngao etheric mā te mahi a te hiahia kaha. Engari ko aua mea i hangaia e te ao wairua he mea memeha noa iho; kāore e taea te pupuri roa. I hiahia tonu a Afzal ki te taonga o te ao, ahakoa he uaua ake te whiwhi, he roa ake te pumau."

ahau i kata. "Koia hoki i ētahi wā ngaro atu te nuinga kāore e tika ana!"

"Ehara a Afzal i te tangata e mōhio ana ki te Atua," ka haere tonu te Kaiwhakaako. "Ko ngā merekara pumau, whai hua hoki, ka mahia e te hunga tapu pono nā te mea kua hono atu rātou ki te Kaihanga Mana-katoa. He tangata noa noa iho a Afzal, he mana whakamiharo tōna ki te uru ki tētahi ao ngaro kāore e uruhia ana e te tangata tae noa ki te matenga."

"Au mārāma inaianei, Guruji. Te ao muri puta mai ki whai ētahi ātaahua ngā

āhuatanga."

I whakaae te Kaiwhakaako. "Kāore au i kite i a Afzal i muri i taua rā, engari i muri i ētahi tau, ka haere mai a Babu ki tōku kāinga ki te whakaatu mai i tētahi pūrongo nūpepa mō te whaki tūmatanui a te hunga Mahometa. Mai i reira i ako ai ahau i ngā meka kua kōrerotia e au ki a koe mō te whakaurunga wawe o Afzal ki te whakapono i tētahi tohunga Hinitū."

Ko te kaupapa matua o te wāhanga whakamutunga o te tuhinga kua whakaputaina, e ai ki tā Sri Yukteswar i mahara ai: "Ko ahau, ko Afzal Khan, e tuhi ana i ēnei kupu hei mahi ripeneta, hei whakatūpato hoki ki te hunga e rapu ana i te hara." te mana o ngā mana whakamiharo. Mō ngā tau maha kua hē taku whakamahi i ngā pūkenga whakamiharo i homai ki ahau mā te aroha noa o te Atua me tōku ariki. I haurangi ahau i te whakapehapeha, me te whakaaro kei tua atu ahau i ngā ture noa o te matatika. I tae mai taku rā whakatau.

"Nō nā tata nei ka tūtaki ahau ki tētahi kaumātua i tētahi huarahi i waho o Calcutta. E haere toitoi ana ia me te mamae, e amo ana i tētahi mea kanapa e rite ana ki te koura. I kōrero ahau ki a ia me te apo i roto i tōku ngākau."

"Au am Āfzal Kāna, te nui *fakir* . He aha whai koe kei reira?

"Ko tēnei pōro koura anake taku taonga ā-tinana; kāore e pā ki tētahi *fakir* . Kei te inoi atu ahau ki a koe, e te rangatira, kia whakaorangia tōku kopa."

"I pā atu ahau ki te pōro, ā, ka hikoi atu, kāore he whakautu. I whai mai te koroua i ahau me te hīkoi haere. Kāore i roa ka karanga ia: 'Kua ngaro taku koura!'"

"I a au e kore e aro atu, ka kōrero whakarere mai ia me te reo pōuri e puta mai ana i tōna tinana ngoikore:

"Me mahi koe kāore mōhio ahau?

"I tū puku ahau, kāhore he kupu, i miharo i te kitenga kua roa nei ko tēnei koroua hauā koretake ehara i te mea kē atu i te tangata tapu nui nāna ahau i whakauru ki te yoga i ngā rā o mua. I whakatika ia i a ia anō; i tere tonu te kaha me te taitamarikitanga o tōna tinana."

"Nā! He mura te titiro a taku guru. 'E kite ana ahau ki ōku ake kanohi e whakamahi ana koe i ō mana, ehara i te mea hei āwhina i te tangata e mamae ana, engari hei pahua i a rātou pērā i te tahae noa! Ka tangohia e ahau ō taonga makutu; kua wetekina a Hazrat i a koe. Kāore koe e waiho hei whakamataku i Bengal!'"

"I karanga atu ahau ki a Hazrat me te reo pouri; mō te wā tuatahi, kāore ia i puta mai ki taku tirohanga ā-roto. Engari i ara ake tetahi arai pōuri i roto i ahau; i kite mārama ahau i te kohukohu o tōku ao."

"E taku tohunga, ngā mihi nui ki a koe mō tō haerenga mai ki te whakakore i taku pōhēhē roa.' I tangi ahau i ōna waewae. 'Ka oati ahau ka whakarērea e au aku wawata o te ao. Ka hoki ahau ki ngā maunga ki te whakaaroaro mokemoke ki te Atua, me te tumanako ka ea taku kino o mua.'"

"I titiro puku mai taku ariki ki ahau me te aroha. 'E rongo ana ahau i tō pono,' ka

mea ia i te mutunga. 'Nā ō tau o mua o te ngohengohe tino, me tō ripeneta i tēnei wā, ka hoatu e ahau tētahi manaakitanga ki a koe. Kua ngaro atu ō mana kē atu, engari i ngā wā katoa e hiahiatia ana he kai me he kākahu, ka taea tonu e koe te karanga angitu ki a Hazrat kia homai. Tukua koe ki te atua me te ngākau katoa. te māramatanga i roto i te mokemoke o te maunga.

"Ka ngaro atu taku guru; i mahue iho ahau ki ōku roimata me ōku whakaaroaro. Haere rā, e te ao! Ka haere ahau ki te rapu i te murunga hara a te Aroha o te Ao."

Taku E te Kaiwhakaako, I roto Kolkata, Puta mai ana I roto Serampore

"He maha ngā wā ka pāngia ahau e ngā feaa kore whakapono. Heoi, i ētahi wā ka whaiwhai mai tētahi whakaaro whakamamae i ahau: kāore pea he mea kāore anō kia kitea i roto i te wairua? Kāore ianei te tangata e ngaro i tōna mutunga tūturu mēnā ka kore ia e tūhura i aua mea?"

I puta mai ēnei kōrero a Dijen Babu, tōku hoa noho i te whare noho o *Panthi* , nā *taku tono kia tūtaki ia ki tōku tohunga*.

"Mā Sri Yukteswarji koe e whakauru ki te *Kriya Yoga* ," ka whakahoki atu ahau. "Ka whakamarie i te raruraru takirua mā te whakapono atua o roto."

I taua ahiahi, i haere tahi māua ko Dijen ki te whare karakia. I te aroaro o te Ariki, i whiwhi taku hoa i te rangimārie wairua, ā, i tere tonu tana noho hei manuhiri. Kāore e ranea ngā mahi iti o ia rā mō te tangata; he hiakai taketake anō hoki te whakaaro nui. E ai ki ngā kupu a Sri Yukteswar, i kitea e Dijen he hihiri mō aua nganatanga - i te tuatahi he mamae, kātahi ka whakaora ngāwari - ki te kimi i tētahi tangata tūturu i roto i a ia. tōna uma i te whakapehapeha whakaiti o te whānautanga rangitahi, kāore i te rawaka mō te Wairua.

I a māua ko Dijen e whai ana i te akoranga AB i te Kāreti o Serampore, ka taunga māua ki te hikoi tahi ki te ashram i te mutunga o ngā akomanga. He maha ā māua kitenga i a Sri Yukteswar e tū ana i runga i tōna taupee i te papa tuarua, e manaaki ana i a māua me te ataata.

I tētahi ahiahi, ka tūtaki māua ko Dijen i te tatau, a Kanai, he taitama e noho

ana i te whare karakia, me āna kōrero pouri.

"E te Ariki ko kāore konei; ia i i karangatia ki Calcutta nā he tere tuhipoka."

I te aonga ake ka tae mai he kāri mēra mai i taku tohunga. "Ka wehe atu ahau i Calcutta i te ata o te Wenerei," tana i tuhituhi ai. "Ka tūtaki kōrua ko Dijen ki te tereina iwa karaka i te teihana o Serampore."

I te ata o te Wenerei, tata ki te waru me te toru tekau, ka puta mai he karere waea mai i a Sri Yukteswar ki tōku hinengaro: "Kua roa ahau; kua e tūtaki ki te tereina iwa karaka."

ahau i tukuna te hou rawa ngā tohutohu ki Dijen, ko wai i kua kakahuria mō te wehenga atu.

"Ko koe me tō pūmanawa!" He iti te whakahawea o te reo o taku hoa. "He pai ake ki ahau te whakawhirinaki ki ngā kupu tuhituhi a te Ariki."

I pōkaia e au ōku pakihwi, ā, ka noho mārire ahau me te whakapumautanga. Me te amuamu riri, ka anga atu a Dijen ki te tatau, ka kati i te tatau me te haruru nui i muri i a ia.

I te mea he pōuri te rūma, ka whakatata atu ahau ki te matapihi e titiro atu ana ki te tiriti. Nā te iti o te rā i piki ake, ka kanapa rawa, ā, ngaro atu ana te matapihi rino. I tēnei papamuri kanapa, ka puta mai te āhua o Sri Yukteswar i te āhua tūturu!

I te ohorere rawa atu, ka whakatika ake ahau i taku tūru ka tuturi ki mua i a ia. Me taku tohu whakaute ki ngā waewae o taku tohunga, ka pā atu ahau ki ōna hu. He takirua ēnei e mōhio ana ahau, he mea hanga ki te kōnawehi tae karaka, he taura te takahanga. I pā mai tōna kakahu swami ocher ki ahau; i tino rongo ahau i te āhua o tōna koroka, me te mata kirikiri o ngā hu, me te pēhanga o ōna matimati i roto. Nā te miharo rawa ki te kōrero i tētahi kupu, ka tū ake ahau ka titiro pātai atu ki a ia.

"I koa ahau i tō whiwhinga i taku karere waea." He marino te reo o te Ariki, he tino noa. "Kua oti i ahau aku mahi i Calcutta, ā, ka tae atu ahau ki Serampore mā te tereina tekau karaka."

I a au e titiro puku ana, ka haere tonu a Sri Yukteswar, "Ehara tēnei i te wairua wairua, engari ko tōku kikokiko me tōku toto. Kua whakahaua ahau e te Atua kia hoatu ki a koe tēnei wheako, he mea onge ki te whakatutuki i runga i te whenua. Tūtaki mai ki ahau i te teihana; ka kite kōrua ko Dijen i ahau e haere mai ana ki a kōrua, me ōku kākahu o nāiane. Ka haere mai tētahi atu pāhihi ki mua i ahau - he tamaiti nohinohi e mau ana i tētahi ipu hiriwa."

I whakatakotoria e taku tohunga ōna ringa e rua ki runga i tōku māhunga, me te manaakitanga haruru. I tana whakamutunga ki ngā kupu, " *Taba Asi* ," **19-1** I rongo ahau i tētahi haruru rerekē. **19-2** Ka tīmata tōna tinana ki te rewa haere i roto i te māramatanga e whiti ana. Tuatahi ka ngaro atu ōna waewae me ōna waewae, kātahi ka ngaro atu tōna tinana me tōna māhunga, me te mea he pukapuka e pōkaihia ana. Tae noa ki te mutunga, ka taea e au te rongo i ōna maihao e okioki mārire ana ki runga i ōku makawe. Ka memeha haere te kanapa; kāore he mea i toe i mua i ahau

engari ko te matapihi ārai me te awa mārama o te rā.

I noho pōhēhē tonu ahau, me te whakaaro anō mēnā ehara ahau i te mea i pāngia e te moemoeā. Kāore i roa ka tomo mai a Dijen me te pouri ki te rūma.

"Kāore a E te Kaiwhakaako i runga i te tereina iwa karaka, kāore hoki i te iwa me te toru tekau." I whakapuaki taku hoa i tana kōrero me te āhua whakapāha.

"Haere mai; e mōhio ana ahau ka tae mai ia i te tekau karaka." Ka mau ahau i te ringa o Dijen, ka akiaki i a ia kia haere tahi māua, me te kore e aro ki ana whakahē. Tata ki te tekau meneti te roa ka tae mātou ki te teihana, kua tū kē te tereina.

"Kī tonu te tereina katoa i te māramatanga o te aura o te Ariki! Kei reira ia!"

ka karanga ahau me te harikoa. "He moemoeā tāu?" ka kata tawai a Dijen.

"Me tatari tāua ki konei." I kōrerotia e au ki taku hoa ngā taipitopito mō te huarahi e whakatata mai ai tā mātou tohunga ki a māua. I taku otinga i taku whakaahuatanga, ka puta mai a Sri Yukteswar, e mau ana i ngā kākahu i kitea e au i mua tata nei. I haere māriri ia i muri i tētahi tamaiti iti e mau ana i tētahi ipu hiriwa.

Mō tētahi wā poto, ka pā mai te ngaru o te wehi makariri i roto i ahau, i te mea kāore i kitea i mua i te rerekētanga o taku wheako. I kite ahau i te ao rauemi o te rautau rua tekau e memeha atu ana i ahau; i hoki ahau ki ngā rā onamata i te wā i puta ai a Ihu ki mua i a Pita i runga i te moana?

I te taenga atu o Sri Yukteswar, he Yogi-Christ o ēnei rā, ki te wāhi i noho pūmau ai māua ko Dijen, ka menemene te Kaiwhakaako ki taku hoa, ka mea:

"Au i tukuna koe he karere hoki, engari koe i kāore e taea ki hopu ia."

I noho puku a Dijen, engari i titiro pōhēhē mai ki ahau. I muri i tā mātou arahi i tō mātou tohunga ki tōna whare karakia, ka haere māua ko taku hoa ki te Kāreti o Serampore. I tū a Dijen i te tiriti, me te riri e rere ana i roto i ōna pona katoa.

"Nō reira! Kaiwhakaako i tukuna ahau he karere! Heoi anō koe huna reira! ahau tono he whakamārama!"

"Ka taea e au te āwhina mēnā ka wiriwiri tō whakaata hinengaro me te kore e taea e koe te whakarongo ki ngā tohutohu a tō mātou tohunga?" ka whakahoki ahau.

I memeha haere te riri i te mata o Dijen. "E mārāma ana ahau ki tāu e kī nei," ka mea ia me te pouri. "Engari, whakamārama mai me pēhea koe i mōhio ai mō te tamaiti me te hāte."

I te mutunga o taku kōrero mō te putanga whakamiharo mai o te Kaiwhakaako ki te whare noho i taua ata, kua tae māua ko taku hoa ki te Kāreti o Serampore.

"Nā te kōrero i rongu ake nei au mō ngā mana o tō mātou tohunga," te kī a Dijen, "e whakaaro ana ahau he kura kōhungahunga noa iho tētahi whare wānanga o te ao."

Mātou Meatia Kāore Haere mai Kāhimana

"E Pāpā, e hiahia ana ahau ki te tono i te Ariki me ōku hoa tokowhā kia haere tahi māua ki ngā pukepuke o te Himalayas i taku hararei raumati. Me whiwhi ahau i ētahi urunga tereina e ono ki Kashmir, me te moni hoki hei utu i ā māua whakapaunga haere?"

E ai ki taku i whakaaro ai, ka kata nui a Pāpā. "Ko te tuatoru tēnei o ngā wā kua homai e koe te pūrākau tikaokao me te puru kotahi ki ahau. Kāore ianei koe i tono i tētahi tono ōrite i te raumati kua taha ake nei, me te tau i mua atu? I te wā whakamutunga, ka whakakahore a Sri Yukteswarji ki te haere."

"He pono, e Pā; kāre au i te mōhio he aha taku tohunga e kore ai e homai tana kupu tuturu mō Kashmir. " ¹ Engari ki te kī atu ahau kua riro mai i ahau ngā urunga mai i a koe, ki taku whakaaro i tēnei wā "ka whakaae ia ki te haere."

Kāore a Pāpā i tino whakapono i taua wā, engari i te rā i muri mai, whai muri i ētahi tawai whakakatakata, ka homai e ia e ono ngā pepa uruwhenua me tētahi rōra moni tekau rūpī ki ahau.

"Au kāore rawa whakaaro tōu ariā haerenga ngā hiahia pērā mahi ngā taputapu," ia i kī, "engari konei rātou kei te."

I taua ahiahi, i whakaaturia e au aku taonga ki a Sri Yukteswar. Ahakoa i menemene ia ki taku hihiri, kāore āna kupu i tino piripono: "E hiahia ana ahau ki te haere; ka kite tātou." Kāore ia i kōrero i taku tono atu ki tana akonga iti o te whare karakia, ki a Kanai, kia haere tahi māua. Tokotoru atu anō hoki aku hoa i karangahia e au - a Rajendra Nath Mitra, a Jotin Auddy, me tētahi atu tama. I whakaritea tō mātou rā wehenga mō te Mane e whai ake nei.

I te Rāhoroi me te Rātapu i noho ahau ki Calcutta, i reira i whakanuia ai ngā kawa marena mō tētahi whanaunga i te kāinga o tōku whānau. I tae atu ahau ki Serampore me aku tueke i te ata o te Mane. I tūtaki ahau ki a Rajendra i te tatau o te whare karakia.

"E te Ariki ko i waho, te hikoi. Ia kua i whakakahoretia ki haere."

I pouri anō hoki ahau, ā, i whakakeke hoki. "Kāore au e hoatu ki a Pāpā
tētahi atu wā ki te tawai i aku mahere tinihanga mō Kashmir. Haere mai; ka
haere tonu mātou katoa."

Rāhendra i whakaaetia; ahau maui te whare karakia ki kimi he pononga Kānai, ahau i
mōhio, e kāore tango te haerenga

kāore he Ariki, ā, i hiahiatia he tangata hei tiaki i ngā tueke. I mahara ahau ki a Behari, he pononga i mua i roto i te kāinga o tōku whānau, ināianei kei te mahi ia mā te kaiako kura o Serampore. I a au e hikoi tere ana, ka tūtaki ahau ki taku tohunga i mua i te whare karakia Karaitiana e tata ana ki te Whare Kōti o Serampore.

"Kei hea kei koe e haere ana?" Hiri Yukteswar's kanohi i kāore e menemene.

"E te Ariki, kua rongo ahau kāore kōrua ko Kanai e haere i te haerenga kua whakaritea e tāua. Kei te rapu ahau i a Behari. Ka mahara koe i te tau kua hipa i tino hiahia ia ki te kite i a Kashmir, ā, i tuku ia ki te mahi, kāore he utu."

"Kei te maumahara ahau. Ahakoa rā, kāore au i te

whakaaro ka pai a Behari ki te haere." I riri ahau. "Kei te

tatari marie ia mō tēnei whai wāhitanga!"

I tīmata puku taku tohunga i tana hikoi; kāore i roa ka tae atu ahau ki te whare o te kaiako. I mihi mai a Behari, i te marae, ki ahau me te mahana atawhai i ngaro wawe tonu i taku whakahua i a Kashmir. Me te kupu whakapāha haruru, ka wehe atu te pononga i ahau, ka tomo ki te whare o tōna rangatira. I tatari ahau mō te hawhe haora, me te māharahara me te whakamanawanui ki ahau anō ko te whakaroa o Behari nā ngā whakaritenga mō tana haerenga. Hei whakamutunga ka patoto ahau i te tatau o mua.

"I wehe atu a Behari i te arawhata o muri i te toru tekau meneti ki muri," te kōrero a tetahi tangata ki ahau. He ataata iti kei ōna ngutu.

I haere atu ahau me te pouri, me te whakaaro mēnā he tino akiaki rawa taku pōhiri, mēnā rānei kei te mahi te awe ngaro o te Ariki. I a au e haere ana i te whare karakia Karaitiana, ka kite anō ahau i taku tohunga e hikoi mārire mai ana ki ahau. Kāore i tatari kia rongo i taku pūrongo, ka karanga ia:

"Nō reira Behari e kāore haere! Inaianei, he aha kei tōu ngā mahere?"

I rite ahau ki tētahi tamaiti whakakeke e whakatau ana ki te whakahē i tōna matua rangatira. "E te Ariki, ka tono ahau ki tōku matua kēkē kia tukuna mai tana pononga, a Lal Dhari."

"Me haere ki tō matua kēkē mēnā e hiahia ana koe," te whakautu a Sri Yukteswar me te kata. "Engari kāore au i te tino mōhio ka pai ki a koe te haerenga mai."

I matakū ahau, engari i whakakeke, ka whakarērea e au taku guru ka tomo ki te Whare Kōti o Serampore. Nā taku matua kēkē, nā Sarada Ghosh, he rōia

kāwanatanga, ahau i manaaki me te aroha.

"Kei te haere atu ahau me ētahi o aku hoa ki Kashmir i tēnei rā," ka mea atu ahau ki a ia. "Mō ngā tau maha kua tatari atu ahau ki tēnei haerenga ki Himalaya."

"E harikoa ana ahau mōu, e Mukunda. He aha tāku e taea ai te mahi kia pai ake ai tō haerenga?"

ēnei atawhai ngā kupu i hoatu ahau he hiki o whakatenatena. "E te aroha matua kēkē," ahau i mea, "i taea koe pea tāpiri

ahau tōu pononga, Rāra Tāri?"

I rite te pānga o taku tonono ngāwari ki tētahi rū whenua. I peke kaha rawa atu a Matua Kēkē, ā, ka huripokitia tōna tūru, ka rere ngā pepa i runga i te tēpu ki ngā taha katoa, ā, ka taka tana paipa, he mirumiru roa, he kakau kokonati, ki te papa me te haruru nui.

"E tama rangatahi hiahia-kore," tana karanga, me te wiri i te riri, "he whakaaro wairangi! Mā wai ahau e tiaki, ki te kawae koe i taku pononga ki tētahi o āu haerenga whakangahau?"

I huna e au tōku miharo, me te whakaaro ko te panoni ohorere o te kanohi o tōku matua keke aroha he mea ngaro noa iho i roto i te rā e tino whakatapua ana ki te kore e taea te marama. Ko taku hokinga atu i te tari o te whare kōti he tere ake, ehara i te whakaute.

I hoki ahau ki te whare karakia, te wāhi i huihui mai ai ōku hoa me te tumanako. I tipu haere te whakapono kei roto i ahau tētahi kaupapa nui, ahakoa he tino hē, kei muri i te whanonga a te Kaiwhakaako. I hopukia ahau e te pouri mō taku ngana ki te aukati i te hiahia o taku tohunga.

"E Mukunda, kāore koe e pai kia noho roa atu ki ahau?" te pātai a Sri Yukteswar. "Ka taea e Rajendra mā te haere inaianei, me te tatari ki a koe i Calcutta. He nui te wā hei hopu i te tereina o te ahiahi whakamutunga e wehe atu ana i Calcutta ki Kashmir."

"E te Ariki, ahau kaua tiaki ki haere kāore koe," ahau i mea me te pouri

Kāore rawa ōku hoa i aro mai ki taku kōrero. Ka karangahia e rātou he waka tere, ā, ka haere atu me ngā tueke katoa. I noho puku māua ko Kanai i ngā waewae o tō mātou tohunga. I muri i te hawhe haora o te wahangu katoa, ka whakatika te Kaiwhakaako, ka hiko ki te taupee kai o te papa tuarua.

"Kānai, tēnā koa mahi Ā Mukunda kai. Tōna tereina rau "i te wā tata."

I taku aranga ake i taku tūru paraikete, ka taupatupatu ahau i te whakapairuaki me te wiri o taku puku. Nā te kaha o te mamae, me te mea kua makaia ahau ki roto i tētahi reinga nanakia. I a au e whāwhā ana ki taku tohunga, ka hinga ahau i mua i a ia, ka whakaekea e ngā tohu katoa o te mate korara whakamataku o Āhia. Nā Sri Yukteswar rāua ko Kanai ahau i kawae ki te rūma noho.

I te mamae nui, ka karanga ahau, "E te Ariki, ka tukua atu e ahau tōku ora ki a koe;" i whakapono hoki ahau kei te tere tonu te mimiti mai i ngā takutai o tōku tinana.

Hiri Yukteswar whakatakoto taku upoko i runga tāna takai, te mirimiri taku rae me

anahera te ngawari

"Kua kite koe ināiane i te mea ka tupu mēnā kei te teihana koe me ō hoa," tana kī. "I tiaki ahau i a koe i tēnei ara rerekē, nā te mea i whiriwhiri koe ki te ruarua i taku whakaaro mō te haere i tēnei wā."

I mārāma ahau i te mutunga. Nā te mea he onge te kite a ngā rangatira nui i te pai ki te whakaatu i ō rātou mana i te aroaro o te marea, he mea noa iho kaimātakitaki o te ngā rā ngā huihuinga e whai i whakaarohia tērā tā rātou raupapatanga i tino taiao.

He tino huna rawa te wawaotanga a taku tohunga, kāore i taea te whakapae. Nāna i mahi tana hiahia mā Behari rātou ko taku Matua Kātua, ko Sarada, ko Rajendra me ētahi atu i roto i tētahi huarahi huna, ā, i whakaaro pea te katoa engari ko au anake he mea noa iho ngā āhuatanga.

Nā te mea kāore a Sri Yukteswar i mangere ki te whakatutuki i ana herenga pāpori, i whakahau ia i a Kanai kia haere ki tētahi tohunga, me te whakamōhio atu hoki ki tōku matua kēkē.

"E te Ariki," ahau i whakahē, "anake koe kēne whakaora ahau. ahau am hoki tawhiti kua riro mō tetahi tākuta."

"E tama, kei te tiakina koe e te Aroha Tapu. Kaua e manukanuka ki te tākuta; e kore ia e kite i a koe i tēnei āhua. Kua ora kē koe."

Nā ngā kupu a taku tohunga, ka ngaro atu te mamae nui i ahau. Ka noho ngoikore ahau. Kāore i roa ka tae mai te tākuta, ā, ka āta tirotirohia ahau.

"Te āhua nei kua whiti koe i te wā tino kino," tana kī. "Ka mauria e au ētahi tauira mō ngā whakamātautau taiwhanga."

Te e whai ake nei ata te tākuta tae mai tere tonu. ahau i noho ake, i roto pai ngā wairua.

"Āe, āe, anei koe, e menemene ana, e kōrero ana me te mea kāore koe i tata ki te mate." Ka papaki mārīe ia i tōku ringa. "Kāore au i whakaaro ka kitea koe e ora ana, i muri i taku kitenga mai i ngā tauira ko tō mate he korara Āhia. He waimarie koe, e tama, kei a koe tētahi tohunga whai mana whakaora atua! E whakapono ana ahau ki tēnā!"

I whakaae katoa ahau. I te wā e whakarite ana te tākuta ki te haere, ka puta mai a Rajendra rāua ko Auddy i te tatau. Ka huri te riri i roto i ō rāua mata hei aroha i a rāua e titiro ana ki te tākuta, kātahi ka titiro ki tōku mata ahua ngoikore.

"Mātou i riri āhea koe kāore tahuri ake hei i whakaaetia i te Calcutta tereina Koe whai kua e mate ana?"

"Āe." Kāore i taea e au te ārai i te kata i te wā e whakatakoto ana aku hoa i ngā tueke ki te kokonga i nohoia ai inanahi. I whakahua ahau: "I haere tētahi kaipuke ki Pāniora; i tōna taenga mai, ka hoki mai anō!"

I tomo mai te Ariki ki te rūma. I tukua e au kia haere noa ahau, ā, ka hopukina tōna ringa me te aroha.

"Guruji," ka mea atu ahau, "mai i taku tau tekau mā rua, he maha aku nganatanga kore angitu ki te tae ki ngā Himalayas. Kua tino whakapono ahau, me te kore āu

manaakitanga, ka taea e te Atua Wahine a Parvati te wikitoria i te ao katoa ¹ e kore e manako mai ki ahau!"

Mātou Haere mai Kāhimana

"Kua kaha koe inaianei ki te haere. Ka haere tahi māua ki Kashmir," te kōrero a Sri Yukteswar ki ahau i ngā rā e rua i muri i taku whakaoranga whakamiharo i te korara Āhia.

I taua ahiahi, ka haere mātou tokoono ki te raki. Ko Simla te tāone tuatahi i tū ai mātou, he tāone kuīni e takoto ana i runga i te torona o ngā pukepuke o Himalaya. I hikoi mātou i ngā tiriti paripari, me te miharo ki ngā tirohanga ataahua.

"He rōpere Ingarihi kei te hoko," te karanga a tētahi kuia, e noho ana i roto i tētahi māketē tuwhera ataahua .

I hiahia te Ariki ki te mōhio ki ngā hua whero ririki, rerekē. I hokona e ia tētahi kete kī tonu i te hua, ā, i tukuna atu ki a māua ko Kanai, i tata atu māua. I whakamātau ahau i tētahi hua rākau, engari i tuwha wawetia e au ki te whenua.

"E te Ariki, he aha he kawa hua! ahau i taea kāore rawa rite ngā rōpere!"

Ka kata taku tohunga. "Āe, ka pai koe ki a rātou - i Amerika. I tētahi tina i reira, ka mahi tahi tō kaihautū me te huka me te kirīmi. I muri i tana patupatu i ngā hua ki te marau, ka whakamātau koe i a rātou ka mea: 'He tino reka ngā rōpere!' Kātahi ka mahara koe ki tēnei rā i Simla."

I ngaro atu i roto i tōku hinengaro te matapae a Sri Yukteswar, engari i puta anō ki reira i muri i ngā tau maha, i muri tata mai i taku taenga ki Amerika. He manuhiri kai ahau i te kāinga o Mrs. Alice T. Hasey (Sister Yogmata) i West Somerville, Massachusetts. I te wā i whakatakotoria ai he kai reka o ngā rōpere ki runga i te tēpu, ka tangohia e taku kaihautū tana marau ka kuru i aku hua, ka tāpirihia he kirīmi me te huka. "He tino kawa te hua; ki taku whakaaro ka pai koe ki te whakarite pēnei," tana kī.

I horomia e au tētahi waha. "He reka ngā rōpere!" i karanga ahau. I taua wā tonu ka puta mai te matapae a taku tohunga i Simla i roto i te ana hohonu o te mahara. He mea miharo te mōhio kua roa kē te hinengaro o Sri Yukteswar i arotau ki te Atua e kite ana i te kaupapa o ngā kaupapa karma e kopikopiko ana i roto i te ao o te heke mai.

I tere tonu te wehenga atu o tā mātou tira i Simla, ā, ka eke ki Rawalpindi. I reira ka utua e mātou tētahi waka whenua nui, e tōia ana e ngā hōiho e rua, ā, ka tīmata tā mātou haerenga e whitu ngā rā ki Srinagar, te tāone matua o Kashmir. I te rua o ngā rā o tā mātou haerenga ki te raki, ka kitea te whānui tūturu o te Himalaya. I te haruru o ngā wira rino o tā mātou hariata i ngā rori wera, toka, ka miharo mātou ki ngā tirohanga rerekē o te kororia o ngā maunga.

"E te Ariki," Auddy i mea ki E te Kaiwhakaako, "Au am nui rawa te pārekareka ēnei whakahihī ngā whakaaturanga i roto tōu tapu kamupene."

I tino harikoa ahau i te maioha o Auddy, nā te mea ko au te kaihautū i tēnei haerenga. I mau taku whakaaro ki a Sri Yukteswar; ka tahuri mai ia ki ahau, ka kōrero pōhewa:

"Kaua e whakapehapeha; kāore a Auddy i te tino miharo ki te tirohanga engari ki te whakaaro ka waiho ia i a tāua kia roa ai te wā hei inu hikareti."

I ohorere ahau. "E te Ariki," ka mea atu ahau me te reo iti, "kaua e pakaru tā tāua rangimārie mā ēnei kupu kino. Kāore au i te whakapono kei te hiahia a Auddy ki te hikareti." **21-1** I titiro matakū atu ahau ki taku kaiako, he tangata e kaha tonu ana te tohe.

"Pai rawa; kāore au e kōrero i tētahi mea ki a Auddy." Ka kata a Master. "Engari ka kite wawe koe, ina mutu te whenua, ka tere a Auddy ki te hopu i tana whai wāhitanga."

I tae te hariata ki tētahi wāhi iti e noho ana i te waka. I a mātou hōiho e arahina ana kia whakainumia, ka pātai a Auddy, "E te Ariki, kāore he aha mēnā ka eke tahi māua ko te kaitaraiwa mō tētahi wā? E hiahia ana ahau ki te hau i waho."

Hiri Yukteswar i hoatu whakaaetanga, engari i kīia ki ahau, "Ia e hiahia ana hou auahi me kāore hou te hau."

Ka tīmata anō te rere a te manu whenua i runga i ngā rori puehu. Kei te kanapa ngā kanohi o te Ariki; ka whakahau mai ia ki ahau, "Tōia ake tō kaki mā te tatau o te kāreti, tirohia te mahi a Auddy ki te hau."

I whakarongo ahau, ā, i miharo ahau i te kitenga atu i a Auddy e pupuhi ana i ngā mowhiti paoa hikareti. I titiro atu ahau ki a Sri Yukteswar me te whakapāha.

"He tika tāu, pērā tonu, e te rangatira. Kei te pai a Auddy ki te manawa me te tirohanga whānui." I whakaaro ahau i whiwhi taku hoa i tētahi koha mai i te taraiwa tekesi; i mōhio ahau kāore a Auddy i kawē hikareti mai i Calcutta.

I haere tonu mātou i te ara porowhita, i whakapaipaihia e ngā tirohanga o ngā awa, o ngā awaawa, o ngā pari pari, me ngā taumata maunga maha. I ia pō ka tū mātou ki

ngā whare tira tawhito, ka taka i ā mātou ake kai. I tino tiaki a Sri Yukteswar i taku kai, me te tohe kia kai ahau i te wai raima i ngā kai katoa. I ngoikore tonu ahau, engari i ia rā ka pai ake, ahakoa i hangaia te kāreti haruru mō te kore whakamarie.

I te taenga atu ki waenganui o Kashmir, i kī tonu ō mātou ngākau i te harikoa, i te whenua pararaiha o ngā roto rōhi, ngā mārā mānu, ngā whare poti ataahua, te awa o Jhelum e piriti ana, me ngā pāmu putiputi, e karapotia ana e te mana o te Himalaya. Ko tā mātou huarahi ki Srinagar he mā roto i te

he ara o ngā rākau teitei, manaaki. I moe mātou i tētahi whare tira e rua ngā papa e titiro atu ana ki ngā pukepuke rangatira. Kāore he wai rere i te wātea; i tangohia e mātou ā mātou taonga mai i tētahi puna tata. He pai te rangi o te raumati, he mahana ngā rā, he mātao ngā pō.

I haere mātou ki te temepara tawhito o Srinagar o Swami Shankara. I a au e titiro atu ana ki te whare karakia o te tihi o te maunga, e tū maia ana ki te rangi, ka taka ahau ki roto i te wairua harikoa. I puta mai he tirohanga mō tētahi whare rangatira i runga i te pukepuke i tētahi whenua tawhiti. Ko te whare karakia teitei o Shankara i mua i ahau i hurihia hei hanganga i reira, i ngā tau i muri mai, i whakatūria ai e au te tari matua o te Self-Realization Fellowship i Amerika. I taku haerenga tuatahi ki Los Angeles, me taku kitenga i te whare nui i te tihi o Maunga Washington, i mōhio tonu ahau ki a ia mai i aku kitenga o mua i Kashmir me i tētahi atu wāhi.

He torutoru ngā rā i Srinagar; kātahi ka haere ki Gulmarg ("ngā ara maunga o ngā putiputi"), e ono mano putu te teitei. I reira ka eke tuatahi ahau i tētahi hōiho nui. I eke a Rajendra i tētahi hōiho iti, i mura tōna ngākau i te hiahia kia tere. I haere mātou ki te Khilanmarg tino pari; i ahu te ara i roto i te ngahere matotoru, kī tonu i ngā harore rākau, ā, he maha ngā wā ka mōrearea ngā ara kua kapi i te kohu. Engari kāore te kararehe iti a Rajendra i tuku i taku hōiho nui kia okioki mō tētahi wā poto, ahakoa i ngā kokonga tino mōrearea. I haere tonu, i haere tonu, me te kore e ngenge te hōiho a Rajendra, me te kore e mōhio ki ngā mea katoa engari ko te harikoa o te whakataetae.

I utua tā mātou oma uaua ki tētahi tirohanga whakamiharo. Mō te wā tuatahi i roto i tēnei ao, i titiro atu ahau ki ngā taha katoa ki ngā maunga ataahua o Himalaya kua taupokina ki te hukarere, e takoto kau ana i runga i ngā taumata, pērā i ngā atarangi o ngā mea nunui. pea pōro. I harikoa ōku kanohi ki ngā pae mutunga kore o ngā maunga hukapapa me te rangi kikorangi paki.

I takahurihuri harikoa mātou ko aku hoa taitamariki, he koti mā katoa ō rātou, i runga i ngā pari mā kanapa. I a mātou e heke ana i te maunga, ka kite mātou i tawhiti i tētahi whāriki nui o ngā putiputi kōwhai, e whakaahua ana i ngā puke pouri.

Ko ā mātou haerenga whai muri ko ngā "māra whakangahau" rongonui a te Emepara Jehangir, i Shalimar me Nishat Bagh. Kei runga tonu i te rerenga wai tūturu te whare kingi tawhito i Nishat Bagh. E rere ana te awaawa mai i ngā maunga, ā, kua whakatikatikahia mā roto i ngā mahi auaha kia rere ai i runga i ngā papa karakara, kia pupū ake ai ki roto i ngā puna wai i waenganui i ngā moenga putiputi kanapa. Ka tomo hoki te awaawa ki roto i ētahi o ngā rūma o te whare kingi, ā, ka mutu ka tukuna he mea rite ki te patupaiarehe ki roto i te roto i raro. He nui ngā māra nui e kapi ana i ngā rōhi tae tekau mā rua ngā tae, ngā tarakona, ngā lavender, ngā pānihi, ngā pōpō He emerara te whakarārangi whakarāpopototanga ko i hoatu nā ōrite rarangi o *ngā Haina* , **21-2** ngā kauri, ngā rākau cherry; kei tua

atu i a rātou e tū ana ngā pukepuke mā o ngā Himalayas.

E kiia ana he kai reka onge ngā karepe o Kashmir i Calcutta. Nā Rajendra i oati ki te whakatutuki i tētahi hakari nui ina tae atu ki Kashmir, ā, i pouri ia i te kitenga kāore he māra waina nui i reira. I ētahi wā ka riria ia e au mō tōna tumanako koretake.

"Āe, kua tino makona ahau i ngā karepe, kāore e taea te hikoi!" ka mea ahau. "Kei te puāwai ngā karepe ngaro i roto i ahau!" I muri mai ka rongohia ahau he nui te tipu o ngā karepe reka i Kabul, ki te hauauru o Kashmir. I whakamarie mātou i a mātou anō ki te aihikirimi i hangaia ki te *rabri*, he miraka whakakōkī rawa, ā,

kakara me katoa pīti nati

He maha ā mātou haerenga i runga i ngā *shikara*, i ngā whare waka rānei, i whakamarumaruhia e ngā tuanui whero whakairo, e rere ana i ngā awaawa uaua o te roto o Dal, he whatunga awaawa rite tonu ki te tukutuku pungawerewere wai. I konei, ka miharo te tangata ki ngā māra maha e rere ana, he mea hanga noa ki ngā rākau me te oneone, ā, he tino rerekē te kitenga tuatahi i ngā huawhenua me ngā merengi e tipu ana i waenganui i ngā wai whānui. I ētahi wā ka kite koe i tētahi kaiahuwhenua, e whakahāwea ana kia "pūmau ki te oneone," e tō ana i tana poraka "whenua" tapawhā ki tētahi wāhi hou i roto i te roto maha-maihao.

I roto i tēnei awaawa rongonui ka kitea te whakaaturanga o ngā ataahua katoa o te ao. Ko te Wahine Wahine o Kashmir he mea karaunatia ki ngā maunga, he mea whakapaipai ki ngā roto, ā, he mea whakapaipai ki ngā putiputi. I ngā tau i muri mai, i muri i taku haerenga ki ngā whenua tawhiti maha, ka mārāma ahau he aha i karangatia ai a Kashmir ko te wāhi tino ataahua o te ao. Kei reira ētahi o ngā ataahua o ngā Maunga Ārepo o Huiterangi, me Loch Lomond i Kōtirana, me ngā roto ataahua o Ingarangi. He maha ngā mea i kitea e tētahi kaihōpara Amerikana i Kashmir hei whakamahara i a ia ki te ataahua o Alaska me Pikes Peak e tata ana ki Denver.

Hei whakaurunga ki tētahi whakataetae ataahua o ngā tirohanga, ka tukuna e au mō te taonga tuatahi te tirohanga ataahua o Xochimilco i Mexico, kei reira ngā maunga, ngā rangi, me ngā rākau pōpara e whakaata ana i a rātou anō i roto i ngā ara wai maha i waenganui i ngā ika takaro, i ngā roto kohatu rānei o Kashmir, e tiakina ana pērā i ngā kōtiro ataahua e te tiro tiro pakari o ngā Himalayas. E tū ana ēnei wāhi e rua i roto i tōku mahara hei ngā wāhi tino ataahua o te ao.

Heoi, i miharo anō hoki ahau i taku kitenga tuatahi i ngā mea whakamiharo o te Papa Whenua ā-Motu o Yellowstone me te Grand Canyon o Colorado, me Alaska. Ko te Papa Whenua o Yellowstone pea te rohe anake e kitea ai te tini o ngā geyser e pupuhi ana ki te rangi, e mahi ana i ia tau me te auau tonu. Ko ōna puna Ōpara me te hapaira me ngā puna wera whanariki, ko ōna pea me ngā kararehe mohaoa, e whakamahara ana ki te tangata i konei i waiho e te Taiao he tauira o tana hanganga tuatahi. E tere haere ana ngā rori o Wyoming ki te "Ipu Peita a te Rewera" o te paru wera e koropupū ana, me ngā puna wai e pupuhi ana, ngā puna kohu, me ngā waiariki e pupuhi ana i ngā taha katoa, i whakaaro ahau ki te kī he tika rawa a Yellowstone kia whakawhiwhia ki tētahi taonga motuhake mō tōna ahurei.

Ko ngā rākau whero tawhito whakahīhi o Yosemite, e totoro ana i ō rātou pou nunui ki te rangi e kore e taea te rapu, he whare karakia taiao matomato i hangaia me te pūkenga atua. Ahakoa he wairere whakamiharo kei te Rawhiti, kāore tetahi e rite ki te ataahua o Niagara e tata ana ki te rohe o Kanata. Ko ngā Ana Mammoth o Kentucky me ngā Ana Carlsbad i New Mexico, me ngā hanganga hukapapa kanapa, he whenua pakiwaitara whakamiharo. Ko ō rātou ngira roa o ngā tihi stalactite, e iri ana i te ana. tuanui me whakaata i roto raro whenua ngā wai, te whakaatu he

tirohanga o ētahi atu ngā ao hei e manakohia ana e te tangata.

Ko te nuinga o ngā Hinitū o Kashmir, e rongonui ana i te ao mō ō rātou ataahua, he mā rite tonu ki ngā Pākehā, ā, he rite tonu ō rātou āhua me te hanganga wheua; he tokomaha he kikurangi ō rātou kanohi, he kōwhai hoki ō rātou makawe. Mēnā he kākahu o te Hauāuru ō rātou, he rite tonu tō rātou āhua ki ngā Amerikana. Mā ngā maunga makariri o Himalaya e tiaki ngā tāngata o Kashmir mai i te rā werawera me te tiaki tā rātou mārama ngā kiri Hei kotahi ngā haerenga ki te tonga me pārūrū ngā whānui o Īnia, ka kitea e ia kei te pōuri haere te iwi.

I muri i taku noho i Kashmir mō ngā wiki harikoa, i akiakihia ahau kia hoki ki Bengal mō te wāhanga ngahuru o te Kāreti o Serampore. I noho a Sri Yukteswar ki Srinagar, me Kanai rāua ko Auddy. I mua i taku haerenga, i tohu te Kaiwhakaako ka mamae tōna tinana i Kashmir.

"E te Ariki, he āhua hauora tō āhua," taku

whakahē. "Tērā pea ka wehe atu ahau i tēnei

ao."

"Guruji!" ka hinga ahau ki ōna waewae me te tohu inoi. "Tena koa oati mai kāore koe e wehe atu i tō tinana ināiane. Kāore rawa ahau i te rite ki te haere tonu me te kore koe."

I noho puku a Sri Yukteswar, engari i menemene mai ia ki ahau me te aroha nui, ā, i marino ai tōku ngākau. I whakarērea ia e au me te kore e pai.

"E tino mate ana te rangatira." I tae mai tēnei waea mai i a Auddy i muri tata mai i taku hokinga ki Serampore.

"E te Ariki," ka waea atu ahau ki taku tohunga me te pōuri, "i tonu atu ahau kia oati mai koe kia kaua ahau e whakarērea. Tēnā koa, puritia tō tinana; ki te kore, ka mate hoki ahau."

"Kia reira hei koe hiahia." Tenei i Hīri Yukteswar's whakautu mai i Kāhimana.

I tae mai tētahi reta nā Auddy i roto i ētahi rā, e whakamōhio mai ana kua ora te Ariki. I tōna hokinga mai ki Serampore i ngā wiki e rua i muri mai, i pouri ahau i te kitenga kua heke te tinana o taku tohunga ki te haurua o tōna taumaha noa.

Waimarie mō tāna ngā ākonga, Hīri Yukteswar kua tahuna he tokomaha o tā rātou ngā hara i roto te ahi o tāna te kirika nui i Kashmir. E mōhiotia ana te tikanga matatika o te whakawhiti mate e ngā yogi tino matatau. Ka taea e te tangata kaha te āwhina i te tangata ngoikore mā te āwhina ki te amo i tana kawenga taimaha; Ka taea e te tangata wairua te whakaiti i ngā taumahatanga tinana, hinengaro rānei o āna ākonga mā te tohatoha i te karma o ā rātou mahi o mua. Pērā i te tangata whai rawa e ngaro ana te moni i tana utunga i te nama nui mō tana tama kua ngaro, ā, ka ora ia i ngā hua kino o tana ake wairangi, waihoki ka tukua e te rangatira tētahi wāhanga o ana taonga tinana hei whakamama i te mamae o ngā ākonga. **21-3**

Mā te tikanga huna, ka honoa e te yogi tōna hinengaro me te waka wairua ki ērā o te tangata e mamae ana; ka tukuna te mate, katoa, wāhanga rānei, ki te tinana o te tangata tapu. I te mea kua hauhakitia e ia te Atua i runga i te mara tinana, kāore te rangatira e aro ki te mea e pā ana ki taua āhua rauemi. Ahakoa ka tukua e ia kia

rēhitatia he mate hei whakaora i ētahi atu, kāore tōna hinengaro e pāngia; e whakaaro ana ia he waimarie ia ki te taea te tuku i taua āwhina.

Ko te tangata karakia kua tutuki i a ia te whakaoranga whakamutunga i roto i te Ariki, ka kitea e ia kua tutuki katoa te kaupapa o tōna tinana; kātahi ka taea e ia te whakamahi i roto i tētahi huarahi e pai ana ki a ia. Ko tana mahi i te ao he whakamama i ngā mamae o te tangata, ahakoa mā te wairua, mā te tohutohu hinengaro rānei, mā te kaha o te hiahia, mā te whakawhiti tinana rānei o te mate. Mā te mawhiti ki te hinengaro nui i ngā wā katoa e hiahia ana ia, ka taea e te rangatira te noho wareware ki te mamae tinana; i ētahi wā ka...

whiriwhiria kia mau tonu te mamae o te tinana, hei tauira ki ngā ākonga. Mā te whakakakahu i ngā mate o ētahi atu, ka taea e te yogi te whakatutuki, mō rātou, i te ture karma o te take me te pānga. He mahi ā-mīhini, ā-pāngarau rānei tēnei ture; ka taea te whakarerekē pūtaiao i ana mahi e ngā tāngata atua. te whakaaro nui.

Kāore te ture wairua e kī ana kia pāngia te rangatira e te mate ina whakaora ia i tētahi atu tangata. Ko te tikanga, ka puta ngā whakaora mā te mōhio o te tangata tapu ki ngā tikanga whakaora tere. i roto e kāore whara ki te wairua kaiwhakaora ko whai wāhi I runga onge ngā wā, heoi anō, he Ko te rangatira e hiahia ana ki te tere ake te whanaketanga o ana ākonga, ka taea e ia te mahi i tētahi wāhanga nui o ā rātou karma kāore e hiahiatia ki tōna ake tinana.

I whakaatu a Ihu i a ia anō hei utu mō ngā hara o te tini. Me ōna mana atua, **21-4** Kāore rawa tōna tinana i taea te whakamate mā te ripeka me i kore ia i whakaae kia mahi tahi me te ture ā-ao mō te take me te pānga. Nō reira, i tangohia e ia ki a ia anō ngā hua o te karma a ētahi atu, inā koa ko te karma a āna ākonga. I tēnei ara i tino purea ai rātou, ā, i whakaritea kia whiwhi i te hinengaro e noho ana i ngā wāhi katoa i tau iho ki runga i a rātou i muri mai.

Ko te rangatira kua mōhio ki a ia anō anake ka taea te whakawhiti i tōna kaha ora, te kawē rānei i ngā mate o ētahi atu ki roto i tōna ake tinana. Kāore e taea e te tangata noa te whakamahi i tēnei tikanga whakaora yoga, kāore hoki e hiahiatia kia pērā ia; nā te mea he arai te taputapu tinana ngoikore ki te whakaaroaro ki te Atua. E whakaakona ana e ngā karaipiture Hinitu ko te mahi tuatahi a te tangata ko te pupuri i tōna tinana kia pai te āhua; ki te kore, kāore e taea e tōna hinengaro te noho pūmau ki te arotahi ki te karakia.

Heoi, ka taea e te hinengaro tino kaha te wikitoria i ngā uauatanga tinana katoa, ā, ka eke ki te mohiotanga ki te Atua. He maha ngā hunga tapu kua wareware ki te mate, ā, kua angitu i roto i tā rātou rapunga atua. E Hato Parahi o Āsisi, i tino pāngia e ngā mate, i whakaorangia ētahi, ā, i whakaarahia anō hoki te hunga mate.

I mōhio ahau ki tētahi tangata tapu Īnia, ko te haurua o tōna tinana i mua he mea pirau i ngā mate pukupuku. Nā te kino rawa o tōna mate huka, i raro i ngā āhuatanga noa, kāore e taea e ia te noho marino i te wā kotahi mō te neke atu i te tekau mā rima meneti. Engari ko tana wawata wairua kāore i taea te whakaroa. "E te Ariki," tana inoi, "kia tae mai koe ki roto tōku temepara pakaru?" Nā te whakahau tonu o te hiahia, ka āta noho te tangata tapu i ia rā, i ia rā i roto i te tūnga rēmana mō ngā hāora tekau mā waru e kore e mutu, e mau ana i roto i te wairua pōuri whakaharahara.

"Ā," ka mea mai ia ki ahau, "i te mutunga o ngā tau e toru, ka kitea e au te Māramatanga Mutunga Kore e mura ana i roto i tōku āhua pakaru. I a au e harikoa ana i te kororia harikoa, ka wareware ahau ki te tinana. Nō muri ka kite ahau kua tino ora ia nā te Aroha Tapu."

He kōrero whakaora hītori mō Kingi Baber (1483-1530), te kaiwhakaū o te emepaea Mogul i Īnia. I mate kino tana tama, a Piriniha Humayun. I inoi te matua me te ngākau pouri kia whiwhi ia i te mate, kia ora ai tana tama. I muri i te ngaro o te tumanako o ngā tākuta katoa, ka ora a Humayun. I mate tonu a Baber, ā, ka mate i te mate kotahi i pā ki tana tama. I whakakapi a Humayun i a Baber hei Emepara o Hindustan.

He tokomaha te hunga e whakaaro ana he rite te hauora me te kaha o ia rangatira wairua ki tō te Sandow, ā, me rite rānei ki tēnā. Te whakaaro ko kāore he pūtake. He tūroto tinana e mahi ana kāore tohu tērā he tohunga ko kāore i roto pā

me ngā mana atua, ehara i te mea ko te hauora mō te wā katoa e tohu ana i te māramatanga o roto. Arā, ko te āhua o te tinana, kāore e tika kia waiho hei whakamātautau mā te rangatira. Me rapu ōna tohu motuhake i roto i tōna ake ao, arā, te ao wairua.

He tokomaha ngā kairapu pōhēhē o te Hauāuru e whakaaro hē ana me tino tohunga te kaikōrero, te kaituhi rānei mō te matatika. Heoi, kua tohu ngā rishis ko te whakamātautau waikawa o te rangatira ko te kaha o te tangata ki te tomo ki te āhua kore manawa i tōna hiahia, me te pupuri i te *samadhi kore e whati o te nirbikalpa* . **21-5** Mā ēnei whakatutukitanga anake ka taea e te tangata te whakaatu kua "rangatira" ia i *te maya* , i te tinihanga ā-ao rua rānei. Ko ia anake ka taea te kī mai i te hohonutanga o te mohiotanga: " *Ekam sat* ," - "Kotahi anake te ora."

"E kī ana ngā *Veda* ko te tangata kuware e makona ana ki te wehewehe i te wairua takitahi me te Atua Matua ka tūpono ki te mōrearea," te tuhituhi a Shankara te monist nui. "I te wāhi e rua ana te whakaaro nā te kuware, ka kite te tangata i ngā mea katoa he rerekē i te Atua. Ina kitea ngā mea katoa hei Atua, kāti kāore he ngota i tua atu i te Atua....

"I te mea wawe tonu hei te mātauranga o te Te ao tūturu kua pūangi ake, i reira kēne kia kāore hua o ngā rā o mua ngā mahi kia wheakohia, nā te mea kāore i te tūturu te tinana, pērā i te kore e taea te moemoeā i muri i te oho ake."

Ko ngā tohunga nui anake ka taea te tango i te karma o ngā ākonga. Kāore a Sri Yukteswar e mamae i Kashmir mēnā kāore ia i whiwhi whakaaetanga mai i te Wairua i roto i a ia ki te āwhina i ana ākonga i taua ara rerekē. He iti noa iho ngā tāngata tapu i nui ake te aro ki te mātauranga hei whakatutuki i ngā whakahau atua i tōku Kaiwhakaako kua aro ki te Atua.

Āhea ahau i whakamātau he torutoru ngā kupu o aroha i runga tāna hiroki ahua, taku tohunga i mea me te harikoa:

"He pai ōna āhuetanga; ka taea e au te whakakakahu i ētahi *ganji iti* (ngā hāte o roto) kāore au i mau i ngā tau!"

I a au e whakarongo ana ki te kata harikoa a te Kaiwhakaako, ka mahara ahau ki ngā kupu a Hato Francis de Sales: "Ko te tangata tapu e pouri ana, he tangata tapu pouri anō hoki!"

21-1 : Ia ko he tohu o te kore whakaute, i roto Īnia, ki auahi i roto te aroaro o tētahi ngā

Te Ngākau o He Kohatu Whakaahua

"Hei wahine Hinitū pono, kāore au e hiahia ki te amuamu mō taku tāne. Engari e hiahia ana ahau kia kite i a ia e tahuri ke ana i ana tirohanga ā-iwi. E pai ana ia ki te tawai i ngā pikitia o ngā hunga tapu i roto i taku rūma whakaaroaro." E te hoa teina, ahau whai hōhonu whakapono tērā koe kēne āwhina ia. Ka koe?"

I titiro puku mai taku tuahine matamua, a Roma, ki ahau. I a au e toro atu ana ki tōna kāinga i Calcutta i Girish Vidyaratna Lane, mō tētahi wā poto. I pā mai tana inoi ki ahau, nā te mea he mana nui tōna ki te taha wairua i tōku tamarikitanga, ā, i ngana aroha ia ki te whakakī i te āputa i mahue i roto i te porowhita whānau nā te matenga o Māmā.

"E te tuahine aroha, ae ra ka mahia e au ngā mea katoa e taea e au." Ka menemene ahau, me te hiahia nui ki te whakakore i te pōuri e kitea ana i tōna mata, he rerekē ki tōna āhua marino me te harikoa o ia rā.

I noho puku māua ko Roma mō tētahi wā poto i roto i te inoi mō te arataki. I te tau i mua atu, i tono mai taku tuahine kia whakaurua ia ki te *Kriya Yoga*, ā, kei te tino kitea tana ahunga whakamua.

I hopukina ahau e te wairua whakaaweawe. "Āpōpō," ka mea atu ahau, "ka haere ahau ki te temepara o Dakshineswar. Tēnā koa haere mai tāua, ka whakatenatena i tāu tāne kia haere tahi tāua. Ki taku whakaaro, i roto i ngā wiri o taua wāhi tapu, ka pā te Whaea Tapu ki tōna ngākau. Engari kaua e whakakitea te take i hiahia ai māua kia haere ia."

I whakaae a Tuahine me te tumanako. I te atatu o te ata i muri mai, i harikoa ahau i te kitenga kua tae mai a Roma rāua ko tana tāne i i roto te rite mō te haerenga Hei tō mātou hākini waka haruru haere Runga Rori Porowhita ki te taha Dakshineswar, taku te tāokete-i-te-ture, Hāti Chandra Bose, whakakatakata ia anō mā te tawai i ngā tohunga wairua o mua, o nāianei, me te heke mai. I kite ahau e tangi puku ana a Roma.

Te Whakatutukitanga i a Ia Anō Hāhi o Katoa Ngā karakia, San Diego,
Karipōnia

ahau tū me taku e rua ngā tuahine, Rōma (i maui) me Nārini

Taku tuahine Uma, hei he taitamariki kotiro

"E te tuahine, kia kaha tō wairua!" i hameme ahau. "Kaua e tukua tō tāne kia whakamānawa i a koe mā te whakapono kei te tino aro atu tāua ki tana tawai."

"E Mukunda, me pēhea koe e miharo ai ki ngā mahi tinihanga koretake?" te kī a Satish. "He whakarihariha te āhua o te SADHU. He kikokore ia pērā i te angaanga, he momona rawa rānei pērā i te arewhana!"

I hamama ahau me te kata. I whakapataritari a Satish i taku tauhohenga ngākau pai; ka hoki ia ki te wā pōuri, ka noho puku. I te taenga atu o tā mātou tekesi ki te whenua o Dakshineswar, ka menemene ia me te whakatoi.

"Ko tēnei haerenga, ahau whakaaro, ko he kaupapa ki whakahoutanga ahau?"

I taku tahuritanga atu, kāore he whakautu, ka hopukia e ia tōku ringa. "E te Tāne Mōneka taitamariki," tana kīnga mai, "kaua e wareware ki te whakarite i ngā whakaritenga tika me ngā mana whakahaere o te temepara hei whakarite i tā tātou kai o te poutumarotanga."

"Ka haere ahau ki te whakaaroaro inaianei. Kaua e manukanuka ki tāu tina," ka whakahoki koi ahau. "Mā te Whaea Atua e tiaki."

"Kāore au e whakawhirinaki ki te Whaea Tapu ki te mahi i tetahi mea māku. Engari e whakapae ana ahau i a koe mō taku kai." He reo whakawehi te reo o Satish.

I haere ko au anake ki te whare whakaruruhau e anga atu ana ki te temepara nui o Kali, arā, ki a Papatūānuku. I te whiriwhiringa i tētahi wāhi marumaru e tata ana ki tētahi o ngā pou, ka whakaritea tōku tinana ki te tūnga rōhi. Ahakoa tata ki te whitu

karaka, ka tere te pā mai o te rā o te ata.

I hoki whakamuri te ao i a au e tino miharo ana ki te karakia. I aro nui tōku hinengaro ki te Atua Wahine a Kali, ko tana ahua i Dakshineswar te mea i whakanuia e te rangatira nui, a Sri. Ramakrishna Paramānaha. I roto whakautu ki tāna mamae ngā tono, te kōhatu whakaahua o tēnei tino

temepara i a pinepine tangohia he te noho puka me kōrero me ia.

"E te Whaea wahangu, he ngākau kōhatu," i inoi ahau, "i kī tonu koe i te ora i te tono a tōu hoa aroha, a Ramakrishna; he aha koe te whakarongo ai ki ngā aue a tēnei tama a koe e matenui ana?"

I piki haere tonu taku hihiri wawata, ā, i haere tahi mai me te rangimārie atua. Heoi, i te pahure o ngā haora e rima, ā, kāore te Atua Wahine i roto i ahau e whakaaro ana ki roto i ahau i whakautu mai, ka paku pouri ahau. I ētahi wā he whakamātautau nā te Atua hei whakaroa i te whakatutukitanga o ngā inoi. Engari i te mutunga ka puta ia ki te tangata whakaponu pumau i roto i te āhua e arohaina ana e ia. Ka kite te Karaitiana pono i a Ihu; ka kite te Hinitu i a Krishna, i te Atua Wahine rānei a Kali, i te Māramatanga e whānui haere ana mēnā ka huri tana karakia ki te kore whaiaro.

I te kore e pai, ka puaki ōku kanohi, ā, ka kite ahau kei te rakahia ngā tatau o te temepara e te tohunga, e ai ki te tikanga o te poutumarotanga. I whakatika ake ahau i taku nohoanga motuhake i raro i te whare tuwhera, he tuanui, ā, ka hikoi atu ki te marae. I werawera te papa kōhatu i te rā o te poutumarotanga; i wera rawa ōku waewae tahanga.

"E te Whaea Atua," ka whakahē puku ahau, "kīhai koe i haere mai ki ahau i roto i te moemoeā, ā, inaianei kei te huna koe i roto i te temepara i muri i ngā tatau kua kati. I hiahia ahau ki te tuku i tētahi inoi motuhake ki a Koe i tēnei rā mō taku taokete-i-te-ture."

I whakaaetia tonutia taku inoi ā-roto. Tuatahi, ka tau mai he ngaru makariri ki runga i tōku tuara, ki raro hoki i ōku waewae, ka peia atu ngā mamae katoa. Kātahi, ki tōku miharo, ka tino whakanuia te temepara. Ka puare haere tōna tatau nui, ka whakakitea te āhua kōhatu o te Atua Wahine a Kali.

Āta huri haere ana hei āhua ora, me te menemene me te pōwhiri, me te whakahihiri i ahau ki te hari e kore e taea te kōrero. Me te mea he werohanga ngaro, ka tangohia te manawa i roto i ōku pukahukahu; ka marino rawa tōku tinana, ahakoa kāore i te mangere.

I whai mai te whānui haere o te hinengaro. I taea e au te kite mārāma mō ngā maero maha i tua atu o te awa o Ganges i tōku taha mauī, me tua atu o te temepara ki ngā rohe katoa o Dakshineswar. I kanapa mārāma ngā pakitara o ngā whare katoa; i roto i a rātou i kite ahau i ngā tāngata e hikoi haere ana i ngā whenua tawhiti.

Ahakoa i kore e manawa, ā, i roto i te āhua marino, i taea tonu e au te neke i ōku ringa me ōku waewae. Mō ētahi meneti, i whakamātau ahau ki te kati me te whakatuwhera i ōku kanohi; i roto i ngā āhua e rua. I kite mārāma ahau i te tirohanga whānui katoa o Dakshineswar.

Ko te tirohanga wairua, rite tonu ki te hihi-X, ka uru ki roto i ngā mea katoa; ko te

kanohi atua kei waenganui i ngā wāhi katoa, kāore he porowhita. I kite anō ahau, i a au e tū ana i reira i te marae paki, ina mutu te tangata hei tamaiti ngaro a te Atua, e noho ana i roto i te ao tūturu, he moemoeā, he koretake te pūtake, ka riro anō i a ia ōna rangatiratanga mutunga kore. Mena he hiahia te "mawhiti" ki te tangata, he kuiti tōna āhua, ka taea e tetahi te mawhiti ki te rite ki te mana o te noho ki ngā wāhi katoa?

I roto taku tapu wheako i Dakshineswar, te anake tino- whakanuia ngā mea i te

te temepara me te āhua o te Atua Wahine. Ko ngā mea katoa i puta mai i roto i ōna āhua noa, ahakoa ia i kua kōpiritia i roto he āwhiowhio o ngawari mā mārāma, kikorangi, me pūeru āniwaniwa ngā tae Taku te āhua nei ko te tinana ki kia o tino ataahua matū, kua rite ki rere ana Tino mōhio o taku i roto i ngā mea e karapoti ana i ahau, i tirotiro haere ahau, me te hikoi torutoru me te kore e whakraruraru i te haere tonu o te tirohanga harikoa.

I muri i ngā pakitara o te temepara, ka kite ohorere ahau i taku taokete-i-te-ture e noho ana i raro i ngā manga tataramoa o te rākau *pere tapu*. I taea e au te mārāma ki te huarahi o ōna whakaaro. I te āhua harikoa i raro i te mana tapu o Dakshineswar, engari i mau tonu i roto i tōna hinengaro ētahi whakaaro kino mōku. I tahuri tika atu ahau ki te ahua ataahua o te Atua Wahine.

"E te Whaea Atua," i inoi ahau, "e kore ianei koe e whakarerekē wairua i

te tāne a tōku tuahine?" I kōrero te tangata ataahua, i mua i te wā kāore

i te whakarongo, i te mutunga: "Kua tutuki tāu i hiahia ai!"

I titiro harikoa ahau ki a Satish. Me te mea e mōhio ana ahau kei te mahi tetahi mana wairua, ka whakatika ake ia i tōna nohoanga i runga i te whenua me te riri. I kite ahau i a ia e oma ana i muri i te temepara; ka whakatata mai ia ki ahau, me te rūrū i tōna ringa.

I ngaro te tirohanga whānui. Kāore i taea e au te kite i te Atua Wahine kororia; kua whakaitihia te temepara teitei ki tōna rahi noa, kāore i te mārāma. I wera anō tōku tinana i raro i ngā hihi kaha o te rā. I peke ahau ki te piringa o te whare pou, ā, i whaia ahau e Satish me te riri. I titiro ahau ki taku mātaaratanga. Kotahi karaka; kotahi te haora te roa o te tirohanga atua.

"E te kuware iti," te kī a taku taokete-i-te-ture, "e ono hāora koe e noho ana i reira me te whiti waewae me te whiti kanohi. Kua hoki whakamuri ahau ki te mātakitaki i a koe. Kei hea taku kai? Kua kati te temepara inaianei; kāore koe i whakamōhio ki ngā mana whakahaere; kāore he tina mō tātou!"

Kei te ora tonu te whakahihī i roto i tōku ngākau i te aroaro o te Atua Wahine. I maia ahau ki te karanga, "Mā te Whaea Atua tātou e whāngai!"

I tino pukuriri a Satish. "Kia kotahi tonu," ka karanga ia, "e hiahia ana ahau kia kite i tō Whaea Tapu e homai ana he kai mā mātou ki konei, kāore he whakaritenga i mua!"

Tōna ngā kupu i kāore rawa i whakapuakina āhea he temepara tohunga whiti te marae me i hono atu mātou.

"E tama," tana kī mai ki ahau, "Kua kite ahau i tō mata e tiaho marino ana i ngā hāora whakaaroaro. I kite ahau i te taenga mai o tō rōpū i tēnei ata, ā, i hiahia ahau ki te waiho i te nui o te kai mā tō tina. He takahi i ngā ture o te temepara te whāngai i te hunga kāore i tonono i mua, engari kua waiho e ahau he tūāpapa māu."

I mihi atu ahau ki a ia, ā, ka titiro tika atu ki ngā kanohi o Satish. I whero ia i te kare ā-roto, ka tuku iho i tōna titiro me te ripeneta puku. I te wā i tukuna mai ai he kai nui ki a mātou, tae atu ki ngā māngo kāore i te wā tika, ka kite ahau he iti noa te hiahia o taku taokete-i-te-wā. I pōhēhē ia, i ruku hohonu ki te moana o te whakaaro. I te hokinga ki Calcutta, ko Satish, me te āhua ngawari,

i ētahi wā ka titiro mai ki ahau me te inoi. Engari kāore ia i kōrero i tetahi kupu i muri i te wā i puta mai ai te pirihi ki te karanga i a mātou ki te tina, me te mea nei he whakautu tika ki te wero a Satish.

Te e whai ake nei ahiahi ahau i toro atu taku tuahine i tana kāinga. Ia mihi

ahau me te aroha. "E te tuakana," ka karanga ia, "he merekara! I te ahiahi pō

nei i tangi nui taku tāne i mua i ahau.

"' *E te atua aroha* ,' **22-1** ka mea ia, 'E kore e taea te kī te harikoa mō te hurihanga o tēnei kaupapa whakahou a tō tuakana. Ka whakatikahia e au ngā hē katoa i mahia e au ki a koe. Mai i tēnei pō ka whakamahia e tāua tō tāua rūma moe nui hei wāhi karakia anake; ko tō rūma whakaaroaro iti ka hurihia hei whare moe mō mātou. E pouri ana ahau mō taku tawai ki a koe "E te tuakana. Mō te whakama o taku mahi, ka whiua e au ahau mā te kore kōrero ki a Mukunda kia ahu whakamua rā anō ahau i te ara wairua. Ka rapu hohonu ahau i te Whaea Tapu mai i nāiane; ā tērā rā me kitea rawatia ia e au!"

I ngā tau i muri mai, ka toro atu ahau ki taku taokete-i-te-ture i Delhi. Nui atu tōku harikoa i te kitenga kua i tino whanake i roto i te mōhiotanga ki a ia anō, ā, i manaakitia ia e te kitenga o te Whaea Atua. I a au e noho ana ki a ia, i kite ahau i a Satish e whakapau puku ana i te nuinga o ia pō ki te whakaaroaro atua, ahakoa e pāngia ana ia e te mate kino, ā, e mahi ana i te awatea i tōna tari.

I puta ake te whakaaro kāore e roa te oranga o taku taokete-i-te-ture. Tērā pea i pānui a Roma i ōku whakaaro.

"E te tuakana," ka mea ia, "Kei te ora ahau, ā, kei te mate taku tāne. Heoi anō, e hiahia ana ahau kia mōhio koe, hei wahine Hinitū pono, ko ahau te tuatahi ka mate. **22-2** Kāore e roa ka mate atu ahau."

I ohorere ahau i ana kupu whakamataku, engari i kite tonu ahau i te ngākau pono o aua kupu. I Amerika ahau i te matenga o tōku tuahine, tata ki te tau i muri i tana poropititanga. Nō muri mai ka homai e tōku teina pōtiki, a Bishnu, ngā taipitopito.

"I Calcutta a Roma rāua ko Satish i te wā i mate ai ia," te kōrero a Bishnu ki ahau. "I taua ata i kakahuria e ia ōna whakapaipai marena."

"He aha tēnei motuhake kākahu? Hāti i pātai atu.

"'Koinei taku rā whakamutunga ki te mahi ki a koe i runga i te whenua,' te whakahoki a Roma. I muri tata mai ka pāngia ia e te mate manawa. I a tana tama e tere ana ki te rapu awhina, ka mea ia:

"E tama, kua ahau e whakarērea. Kāore he painga; ka riro ahau i mua i te taenga mai o te tākuta.' Tekau meneti i muri mai, me te pupuri i ngā waewae o tana tāne me te whakaute, ka wehe atu a Roma i tōna tinana, me te harikoa, me te kore mamae.

"Satish ka noho tino noho motuhake i muri tana ā te wahine te mate," Pīnū i haere tonu. "Kotahi rā ia me ahau i

titiro i he nui menemene whakaahua o Rōma.

"He aha koe i menemene ai?' ka karanga ohorere a Hāti, me te mea kei reira tana wahine. 'E whakaaro ana koe he mohio koe ki te whakarite kia haere koe i mua i ahau. Māku e whakaatu e kore e taea e koe te noho tawhiti atu i ahau mō te wā roa; ka tata ahau te hono atu ki a koe.'

"Ahakoa i tēnei wā kua ora katoa a Satish i tōna mate, ā, kei te tino ora ia, i mate ia me te kore he take i muri tata mai i tana kōrero rerekē i mua i te whakaahua."

Nō reira te poropititanga i pahemo ai taku tuahine matamua e arohaina nei, a Roma, me tana tāne a Satish—i huri i Dakshineswar mai i te tangata noa o te ao ki te tangata tapu wahangu.

.....
22-1 Atua wahine.

22-2 : Te Hinitū wahine whakapono reira ko he tohu o wairua te whakatairanga mēnā ia mate i mua i tana tāne, hei he taunakitanga o tana te mahi pono ki a ia, te "mate rānei i roto i te whitiki."

ahau Whiwhi Taku Te Whare Wānanga Tohu Paetahi

"Kāore koe e aro ki ō mahi pukapuka ako mō te rapunga whakaaro. Kāore e kore kei te whakawhirinaki koe ki tētahi 'ātaahua' kore mahi hei āwhina i a koe ki te whakaoti i ngā whakamātautau. Engari ki te kore koe e whakapau kaha ki te ako, ka tirohia e au kia kore koe e puta i tēnei akoranga."

I tino kaha te kōrero mai a Ahorangi DC Ghoshal o te Kāreti o Serampore ki ahau. Mēnā kāore au i eke ki tana whakamātautau tuhituhi whakamutunga, kāore au e āhei ki te tango i ngā whakamātautau whakamutunga. Nā ngā kaiako o Te Whare Wānanga o Calcutta ēnei i tito, ā, ko te Kāreti o Serampore tētahi o ōna peka hono. Me whakamātautau anō te taurira i ngā whare wānanga o Īnia kāore i eke ki tētahi kaupapa i te whakamātautau whakamutunga AB i roto i āna kaupapa *katoa* i te tau e whai ake nei.

I te nuinga o te wā ka atawhai mai aku kaiako i te Kāreti o Serampore ki ahau, engari kāore i te whakamā noa iho. "He nui rawa te haurangi o Mukunda i te

whakapono." I roto i tēnei whakarāpopototanga, i āta tiakina ahau e rātou i te whakama o te whakautu i ngā pātai o te akomanga; i whakawhirinaki rātou ki ngā whakamātautau tuhituhi whakamutunga hei tango i ahau i te rārangi o ngā kaitono AB. Ko te whakatau a ōku hoa ākonga i whakapuakina i roto i tā rātou ingoa karanga mōku - "Porangi Mōneka."

I tangohia e au tētahi mahi mohio hei whakakore i te riri a Ahorangi Ghoshal ki ahau mō te korenga i roto i te rapunga whakaaro. I te wā e tata ana te whakapuakitanga o ngā hua o ngā whakamātautau whakamutunga, ka tono atu ahau ki tētahi hoa akomanga kia haere tahi māua ki te rūma ako a te ahorangi.

"Haere mai; e hiahia ana ahau ki tētahi kaiwhakaatu," ka mea atu ahau ki taku hoa. "Ka tino pouri ahau mēnā kāore au i angitu ki te tinihanga i te kaiako."

Ahorangi Kohatu rūrū tāna upoko i muri ahau i a i uiuia he aha whakatauranga ia i a i hoatu taku pepa

"Kāore koe i roto i te hunga kua puta," tana kī me te whakamanamana. I rapua e ia tētahi puranga nui i runga i tana tēpu. "Kāore rawa tō pepa i konei; kua hinga koe, ahakoa pēhea, nā te korenga e puta ki te whakamātautau."

ahau katakata ana. "E te Ariki, ahau i i reira. Mei ahau titiro mā roto te puranga ahau anō?"

I te kore e aro, ka whakaaetia e te ahorangi; i tere taku kimi i taku pepa, ā, i ata tangohia e au tetahi tohu tuakiri engari ko taku nama karanga ingoa. Ahakoa te kore e mōhiotia e te "haki whero" o tōku ingoa, i whakawhiwhia e te kaiako he tohu teitei ki aku whakautu ahakoa kāore i whakapaipaihia e ngā kōrero i roto i te pukapuka ako. **23-1**

I te kitenga i taku mahi tinihanga, ka hamama ia, "Tino waimarie!" Ka tāpiri atu ia me te tumanako, "Tino kore koe e hinga i te whiringa toa AB."

Mō ngā whakamātautau i roto i aku kaupapa kē atu, i whiwhi ahau i ētahi whakangungu, inā koa mai i taku hoa aroha me taku whanaunga, a Prabhas Chandra Ghose, **23-2** te tama a taku Matua Kātua a Sarada. I pōturi ahau, engari i angitu - me ngā māka paahitanga iti rawa - i roto i aku whakamātautau whakamutunga katoa.

I muri i ngā tau e whā o te whare wānanga, kua āhei ahau ki te noho mō ngā whakamātautau AB. Heoi anō, kāore au i whakaaro ka whai hua ahau i te mana. He takaro tamariki ngā whiringa toa o te Kāreti o Serampore ki te whakataurite ki ngā whakataetae uaua i whakaritea e te Whare Wānanga o Calcutta mō te tohu AB. Nā taku haerenga tata ki ia rā ki Sri Yukteswar, kāore i roa te wā i mahue ai i ahau ki te tomo ki ngā whare o te kāreti. I reira ko tōku aroaro, kaua ko tōku ngaro, te mea i puta ai te miharo o ōku hoa akomanga!

Ko taku tikanga o mua ko te haere i runga i taku pahikara i te iwa me te toru tekau i te ata. I te ringa kotahi Ka haria e au he whakahere mā taku guru - he putiputi torutoru mai i te mārā o taku whare noho *Panthi* . Mā te mihi aroha mai a te Ariki ki ahau, ka karanga mai ia ki ahau ki te tina. I whakaae tonu ahau me te tere, me te

harikoa ki te whakakore i te whakaaro ki te kāreti mō te rā. Whai muri i ngā hāora me Sri Yukteswar, te whakarongo ki tana rere o te whakaaro nui, te āwhina rānei i ngā mahi ashram, ka haere atu ahau me te kore e pai i waenganui pō ki te *Panthi*. I ētahi wā ka noho ahau i te pō katoa me taku guru, me te harikoa ki tana kōrero, ā, kāore au i te mōhio kua huri te pōuri ki te ata.

I tētahi pō, tata ki te tekau mā tahi karaka, i ahau e kakahu ana i ōku hu **23-3** I a mātou e whakarite ana mō te haerenga ki te whare noho, ka pātai nui mai te Kaiwhakaako ki ahau.

"Āhea ka tīmata āu whakamātautau

AB?" "E rima ngā rā i mua i tēnei, e te

rangatira."

"Au tumanako koe kei i roto te rite mō rātou."

I te matakū, ka hiki ake taku hu i te rangi. "E te Ariki," ka whakahē ahau, "e mōhio ana koe ki te āhua o ōku rā i noho tahi ai me koe, kua ki ngā ahorangi. Me pēhea taku mahi whakaari mā te whakauru atu ki aua whakamātautau whakamutunga uaua?"

I tahuri mai ngā kanohi o Sri Yukteswar ki ahau me te koi. "Me puta mai koe." He reo makariri tōna, he whakahau. "Kua e tukua he take mā tō pāpā me ētahi atu whanaunga ki te whakahē i tō hiahia ki te noho ki te ashram. Me oati mai koe ka tae mai koe ki ngā whakamātautau; whakautua i te huarahi pai rawa atu e taea e koe."

I rere ngā roimata i tōku mata, kāore i taea te pupuri. I whakaaro ahau he koretake te whakahau a te Ariki, ā, ko tana hiahia, he iti noa iho, kua roa.

"Ka puta atu ahau mēnā e hiahia ana koe," ka mea atu ahau i roto i ngā aue. "Engari kāore he wā e toe ana mō te whakarite tika." I roto i taku manawa ka hameme ahau, "Ka whakakīia e au ngā pepa ki ō akoranga hei whakautu i ngā pātai!"

I taku taenga atu ki te whare karakia i te aonga ake i taku hāora, ka tukuna atu e au taku putiputi me te ngākau pouri. Ka kata a Sri Yukteswar ki taku hau pouri.

"E Mukunda, kua whakarērea koe e te Ariki i tētahi

whakamātautau, i tētahi atu wāhi rānei?" "Kāo, e te rangatira," ka

whakahoki māhana ahau. I puta mai ngā maharatanga

whakawhetai i roto i tētahi waipuke whakaora.

"Ehara i te mangere, engari ko te ngākau nui ki te Atua te mea i aukati i a koe ki te rapu i ngā honore o te whare wānanga," te kī a taku tohunga me te atawhai. I muri i te wā poto, ka kī ia, "Rapua te rangatiratanga o te Atua, me tana tika; ā, ka tāpirihia ēnei mea katoa ki a koutou." **23-4**

Mō te mano o ngā wā, i kite ahau kua māmā ake aku taumahatanga i te aroaro o te Ariki. I te mutunga o tā mātou tina wawe, ka mea ia kia hoki ahau ki te *Panhi*.

"Kei te noho tonu tō hoa, a Romesh Chandra Dutt, i tō whare

noho?" "Āe, e te rangatira."

"Tikina i roto pā me ia; te Ariki ka whakaaweawe ia ki āwhina koe me te ngā whakamātautau."

"Pai rawa, e te rangatira; engari he tino pukumahi a Romesh. Ko ia te tangata honore i roto i tā mātou akomanga, ā, he taumaha ake tana akoranga i ērā atu."

Kaiwhakaako poipoia taha taku ngā whakahē. "Romesh ka kimi wā mō koe. Inaianei haere."

I hoki ahau ki te *Panthe mā runga pahikara* . Ko te tangata tuatahi i tūtaki ahau ki te kāinga noho ko Romesh te tangata mātau. Me te mea he wā wātea ōna rā, ka whakaae ia ki taku tono māia.

"Ae rā; kei te mahi ahau māu." He maha ngā hāora i pau i a ia i taua ahiahi me ngā rā i muri mai ki te whakaako i ahau i aku kaupapa maha.

"Ki taku whakaaro he maha ngā pātai i roto i ngā tuhinga Ingarihi ka aro ki te ara o Childe Harold," tana kī mai ki ahau. "Me tiki tonu tāua i tētahi mapi pukapuka."

I hohoro ahau ki te kāinga o taku Matua Kātua, a Sarada, ka tono mai i tētahi mapi whenua. I tohua e Romesh te mapi whenua Pākehā i ngā wāhi i torohia e te kaihaerere aroha a Byron.

He torutoru hoa akomanga i a huihui huri noa ki whakarongo ki te te whakaakoranga. "Romesh ko te tuku tohutohu "Kei te hē koe," te kōrero a tētahi o rātou ki ahau i te mutunga o te wānanga. "E rima tekau ōrau noa iho o ngā pātai e pā ana ki ngā pukapuka; ko te haurua kē atu ka pā ki te oranga o ngā kaituhi."

I taku noho ki te whakamātautau mō te tuhinga Ingarihi i te aonga ake, i taku tirohanga tuatahi ki ngā pātai ka maringi ngā roimata whakawhetai, ka mākū taku pepa. I haere mai te kaitirotiro akomanga ki taku tēpu, ā, ka pātai aroha mai.

"I matapaetia e taku tohunga ka āwhina a Romesh i ahau," taku whakamārama. "Tirohia; ko ngā pātai tonu i tonoa mai e Romesh ki ahau kei konei i runga i te pepa whakamātautau! He waimarie mōku, he torutoru noa iho." ngā pātai o tēnei tau mō ngā kaituhi Ingarihi, ko ō rātou oranga he mea ngaro nui ki ahau nei !"

I roto i te ngangau te whare noho o taku tamaiti i taku hokinga mai. Ko ngā tama i tawai mai I titiro mai te tikanga whakaako a Romesh ki ahau me te miharo, me te mea he turi te taringa i te mihi. I te wiki o ngā whakamātautau, he maha ngā hāora i noho tahi ai māua ko Romesh, nāna i tito ngā pātai i whakaaro ia ka whakatakotoria pea e ngā ahorangi. I ia rā, i ia rā, tata rite tonu te āhua o ngā pātai a Romesh i runga i ngā pepa whakamātautau.

I horapa whānuitia te rongu i roto i te kārēti mō tētahi mea e rite ana ki tētahi merekara kei te tupu, ā, ko te āhua nei ka angitu pea te "Mōneka Pōrangi" e kore e mōhio ana. Kāore au i ngana ki te huna i ngā kōrero o te take. Kāore he mana o ngā ahorangi o te rohe ki te whakarerekē i ngā pātai, i whakaritea e Te Whare Wānanga o Calcutta.

I a au e whakaaroaro ana ki te whakamātautau mō te tuhinga Ingarihi, ka kite ahau i tētahi ata kua hē nui taku mahi. Kua wehea tētahi wāhanga o ngā pātai kia rua ngā wāhanga o A, B rānei, me C, D rānei. Engari i te whakautu i tētahi pātai mai i ia

wāhanga, i whakautua noatia e au ngā pātai e rua i te Rōpū I, ā, kāore i whakaarohia tetahi mea i te Rōpū II. Ko te māka pai rawa atu i taea e au te whiwhi i roto i tēnā e 33 te kaute o te pepa, e toru te iti iho i te māka paahitanga o te 36. I hohoro ahau ki te Ariki, ā, ringihia ana e ahau ōku raruraru.

"E te rangatira, kua hē rawa atu ahau. Kāore au e tika kia whiwhi i ngā manaakitanga atua mā roto i a Romesh;" Kāore rawa ahau i te tino tika."

"Kia kaha, e Mukunda." He māmā, he kore āwangawanga te reo o Sri Yukteswar. I tohu ia ki te kikorangi o te rangi. "He nui ake te tūnga o te rā me te marama i te wāhi e taea ai e koe te kore e whiwhi i tō tohu!"

I wehe atu ahau i te whare karakia i roto i te wairua marino, ahakoa te āhua nei kāore e taea te whakaaro i roto i te pāngarau Ka taea e au te hipa. I titiro mataku ahau ki te rangi kotahi, e rua rānei ngā wā; te āhua nei kua mau te punga o te Ariki o te Rā i tana porowhita noa!

I taku taenga atu ki te *Panthi*, ka rongu ahau i te kī a tētahi o ōku hoa akomanga: "Nō nā tata nei au i rongu ai kua heke te māka e hiahiatia ana mō te ako i roto i te reo Pākehā, mō te wā tuatahi tēnei."

ahau i tomo te tāne rūma me pērā tere tērā ia titiro ake i roto whakaoho ahau pātaihia ia me te hihiri

"Mōneka makawe roa," ka mea ia me te kata, "he aha tēnei hiahia ohorere ki ngā take mātauranga? He aha i tangi ai i te tekau mā tahi o ngā haora? Engari he pono kua whakahekehia te tohu paahitanga ki te 33 ngā piro."

He torutoru ngā pekepeke harikoa i haria ahau ki roto i tōku ake rūma, ka tuturi ahau ki raro, ka whakamoemiti ki ngā tino pūkenga pāngarau o tōku Matua Atua.

I ia rā, i harikoa ahau i te mōhiotanga o tētahi aroaro wairua i tino kite ahau kei te ārahi i ahau i roto i a Romesh. I puta tētahi āhuatanga nui e pā ana ki te whakamātautau i te reo Bengali. I tētahi ata, i a au e wehe atu ana i te whare noho i taku haerenga ki te whare whakamātautau, ka waea mai a Romesh, he iti nei tana kōrero mō taua kaupapa.

"Kei te karanga mai a Romesh ki a koe," te kī mai a tētahi o ōku hoa akomanga ki ahau me te kore e manawanui. "Kaua e hoki mai; ka tomuri tāua ki te whare."

Te kore aro te tohutohu, ahau oma hoki ki te whare

"Ko te tikanga, he māmā noa iho te whakaoti i te whakamātautau Bengali mā ā mātou tama Bengali," te kī a Romesh ki ahau. "Engari kua whakaaro noa ahau i tēnei tau kua whakamahere ngā ahorangi ki te patu i ngā ākonga mā te pātai i ngā pātai mai i ā mātou tuhinga tawhito." Kātahi ka whakamārama poto taku hoa i ētahi kōrero e rua mai i te oranga o Vidyasagar, he tangata atawhai rongonui.

I mihi atu ahau ki a Romesh, ā, ka tere tonu taku eke pahikara ki te whare wānanga. E rua ngā wāhanga o te pepa whakamātautau i te reo Bengali. Ko te tohutohu tuatahi ko: "Tuhia kia rua ngā tauira o ngā mahi atawhai a Vidyasagar." I

a au e whakawhiti ana i ngā kōrero tuku iho i riro mai i ahau i te pepa, ka hamumu ahau i ētahi kupu whakawhetai mō taku whakarongo ki te karanga whakamutunga a Romesh. Me i kore ahau e mōhio ki ngā mahi atawhai a Vidyasagar ki te tangata (tae atu ki ahau anō), kāore e taea e au te puta i te whakamātautau Bengali. Ki te kore ahau e eke ki tētahi kaupapa, kua akiakihia ahau ki te tū anō i te whakamātautau i ngā kaupapa katoa i te tau e whai ake nei. He mea whakarihariha tēnei tirohanga.

Ko te tohutohu tuarua i runga i te pepa i kīia: "Tuhia he tuhinga roa i te reo Bengali mō te oranga o te tangata nāna koe i tino whakaaweawe." E te kaipānui atawhai, kāore au e hiahia ki te whakamōhio atu ki a koe ko wai te tangata i whiriwhiria e au mō taku kaupapa. I kapi katoa ngā whārangi i te whakamoemiti ki taku tohunga, ā, i menemene ahau i te kitenga kua tutuki taku poropititanga i kīia e au: "Ka whakakīia e au ngā pepa ki āu whakaakoranga!"

Kāore au i hiahia ki te pātai ki a Romesh mō taku akoranga rapunga whakaaro. I whakawhirinaki ahau ki taku whakangungu roa i raro i a Sri Yukteswar, ā, kāore au i aro ki ngā whakamārama a te pukapuka ako. Ko te māka teitei rawa atu i hoatu ki aku pepa katoa ko te mea i roto i te rapunga whakaaro. Ko taku kaute i roto i ngā kaupapa katoa he tata noa ki te māka paahi.

Ia ko he te harikoa ki rekoata tērā taku kore whakaaro nui hoa Rōmahī i whiwhi tāna ake tohu *pū whakamoemiti*

I menemene a Pāpā i taku whakawhiwhinga tohu. "Kāore au i whakaaro ka puta koe i te tohu, e Mukunda," tana whakaae. "He nui rawa te wā e noho tahi ana koe me tō kaiako." I tino kitea e te Matua te whakahē huna a tōku pāpā.

Mō ngā tau maha i ruarua ahau mehemea ka tae mai te rā ka whai mai he AB i muri i tōku ingoa. Kāore au i te whakamahi i te taitara me te kore e whakaaro he taonga atua tēnei, i tukuna mai ki ahau mō ngā take kāore i te tino mārama. I ētahi wā ka rongu au i ngā tāne o te whare wānanga e kī ana he iti noa iho ō rātou mātauranga i toe ki a rātou i muri i te whakawhiwhinga tohu. He whakamarie tēnei whakaae i ahau mō ōku ngoikoretanga mātauranga.

I te rā i whiwhi ai ahau i taku tohu paetahi mai i Te Whare Wānanga o Calcutta, i tuturi ahau ki ngā waewae o taku tohunga, ka mihi ki a ia mō ngā manaakitanga katoa e rere mai ana i tōna ao ki roto i ahau.

"E whakatika, e Mukunda," ka mea ia me te ngākau atawhai. "I kitea e te Ariki he mea ngāwari ake te mea kia meinga koe kia he tauira i te whakarite anō i te rā me te marama!"

ahau Hoko He Mōneka o Te Swami Tono

"E te Ariki, kua hiahia nui taku pāpā kia whakaaetia e au tētahi tūranga whakahaere ki te Ara Rerewe o Bengal-Nagpur. Engari kua whakakahoretia rawatia e au." I tāpiri atu ahau me te tumanako, "E te Ariki, kāore koe e pai kia meinga ahau hei mōneka mō te Swami Order?" I titiro puku atu ahau ki taku guru. I ngā tau kua pahure ake nei, hei whakamātautau i te hohonu o taku whakatau, i whakakahoretia e ia tēnei tono anō. Heoi, i tēnei rā, ka menemene ia me te atawhai.

"Pai rawa; āpōpō ka whakaurua koe e ahau ki te kaukau." Ka haere māriri ia, "E harikoa ana ahau kua tohe tonu koe ki tō hiahia kia noho hei mōneka. He maha ngā kupu a Lahiri Mahasaya: 'Ki te kore koe e karanga i te Atua hei Manuhiri mōu i te raumati, e kore ia e haere mai i te takurua o tō orange.'"

"E te rangatira, e kore rawa ahau e ngoikore ki taku whāinga kia uru atu ki te Swami Order pērā i a koe e whakahonoretia nei." Ātaata ana ahau ki a ia me te aroha nui kore e taea te whakatau.

"Ko te tangata kāhore i te takakau, e manukanuka ana ki ngā mea a te Ariki, me pēhea tāna whakamanawareka ki te Ariki: ko te tangata ia e whai hoa ana, e manukanuka ana ki ngā mea o te ao, me pēhea tāna whakamanawareka ki tāna wahine." **24-1** I tātarihia e au te orange o te tini o ōku hoa, ā, i muri i te whai i tētahi tikanga wairua, ka moe tāne rātou. I te mea kua rere rātou ki runga i te moana o ngā kawenga o te ao, kua wareware rātou ki ā rātou whakataunga ki te whakaaroaro hōhonu.

Ki ahau nei, he mea tino uaua te tuku i te Atua hei tuarua i roto i te ao. Ahakoa ko Ia anake te Rangatira o te ao whānui, e tuku puku ana i ngā taonga mai i te ora ki te ora, kotahi tonu te mea e toe ana ehara i a Ia, ā, e āhei ana ia ngākau tangata ki te pupuri, ki te tuku rānei i te aroha o te tangata. I roto i te mahi a te Kaihanga, i roto i te mahi uaua mutunga kore ki te huna i tōna aroaro i roto i ia ngota o te hanganga, kotahi noa te take i taea e ia - he hiahia aroha kia rapua Ia e te tangata mā te hiahia noa. Ki te karapu weriweri o te whakaiti katoa kāore ia i hipoki i te ringa rino o te mana nui!

Ko te rā i muri mai tētahi o ngā rā tino maumahara o tōku ao. He Rāpare paki, e maumahara ana ahau, i te marama o Hūrae, 1914, he torutoru wiki i muri i taku whakawhiwhinga tohu i te kāreti. I te taupee o roto o I tōna whare karakia i Serampore, ka toua e te Ariki tētahi wahi hou o te hiraka mā ki roto i tētahi tae okere, te tae tuku iho o te Swami Order. I muri i te maroke o te kakahu, ka takaihia e taku guru ki ahau hei kākahu mō te tangata kua whakarērea te karakia.

"A tētahi rā ka haere koe ki te Hauāuru, ki te wāhi e pai ake ai te hiraka," tana kī.
"Hei tohu, kua whiriwhiria e au tēnei papanga hiraka māu, kua ki te miro noa."

I Īnia, i te wāhi e tautoko ana ngā mōneka i te whakaaro o te rawakore, he mea rerekē te tirohanga ki te swami e mau ana i te hiraka. Heoi, he maha ngā yogi e mau ana i ngā kākahu hiraka, e tiaki pai ana i ētahi ia o te tinana i te miro.

"Au am whakarihariha ki ngā hui whakanui," Hīri Yukteswar i kīia. "Au ka hanga koe he swami i roto te *bidwat*

(kāore he hui) tikanga."

Ko te *bibidisa*, arā, te whakaurunga whakahirahira ki te swamiship, he kawa ahi, e whakahaerehia ai ngā kawa tangihanga tohu. Ka whakaatuhia te tinana o te akonga he tupapaku, ka tahuna ki te mura o te whakaaro nui. Kātahi ka hoatu he karakia ki te swami hou, pēnei i te: "Ko tēnei *atma* ko Brahma" **24-2** "Ko Koe Tērā" "Ko Ahau Ia" rānei. Heoi, nā te aroha o Sri Yukteswar ki te ngāwari, i whakarērea e ia ngā tikanga ōkawa katoa, ā, i tono noa mai kia whiriwhiria e au tētahi ingoa hou.

"Au ka hoatu koe te mana motuhake o te whiriwhiri reira koe anō," ia i mea, me te menemene.

"Yogananda," ka whakahoki ahau, whai muri i te whakaaroaro mō tētahi wā poto. Ko te tikanga o te ingoa ko "Te Harikoa (*ananda*) mā te hononga atua (*yoga*)."

"Kia pērā. Ka whakarērea tō ingoa whānau, a Mukunda Lal Ghosh, ā muri ake nei ka karangatia koe ko Yogananda o te peka Giri o te Swami Order."

I a au e tuturi ana ki mua i a Sri Yukteswar, ā, mō te wā tuatahi i rongo ai ahau i a ia e whakahua ana i tōku ingoa hou, ka puea ake tōku ngākau i te whakawhetai. Āe, te aroha me te ngākau korekore o tana mahi, kia hurihia te tamaiti a Mukunda hei mōneka Yogananda i tētahi rā! I waiata harikoa ahau i ētahi whiti mai i te waiata roa Sanskrit a Lord Shankara:

"Ko te hinengaro, ko te hinengaro mohio,
ko te whakapehapeha, ko te kare ā-roto;
ko te rangi, ko te whenua, ko ngā
konganuku rānei, ehara ahau i te mea."
Ko au ia, ko au ia, e te Wairua Tapu, ko
au ia! Kāore he whānautanga, kāore he
mate, kāore he iwi; kāore he pāpā, he
whaea, kāore he.
Ko au ia, ko au ia, e te Wairua Tapu, ko au
ia! Kei tua atu i ngā rerenga o te wawata, he
kore āhua ahau, E uru ana ki ngā peka o te
ora katoa;
Kāore au e wehi i te here; he herekore ahau,
he herekore tonu, ko au ia, ko au ia, e te
Wairua Tapu, ko au ia!"

Nō te rōpū mōneka tawhito ia swami i whakaritea e Shankara i tōna āhua o nāiane.

24-3 Nā te mea he tikanga whaimana tēnei, me te rārangi tapu tonu o ngā māngai e mahi ana hei kaiārahi hohe, kāore e taea e te tangata te hoatu i te taitara swami ki a ia anō. Ko te tika anake mōna ko tētahi atu swami; nō reira, ka ahu mai ngā mōneka katoa i ō rātou whakapapa wairua ki tētahi guru noa, ki a Ariki Shankara. Mā ngā oati rawakore, te harakore, me te ngohengohe ki te kaiako wairua, he rite te maha o ngā tikanga mōneka Karaitiana Katorika ki te Tikanga o Swami.

Haunga tōna ingoa hou, e mutu ana ki *te ananda* , ka tangohia e te swami tētahi taitara e tohu ana i tōna hononga whaimana ki tētahi o ngā wāhanga tekau o te Swami Order. Ko ēnei *dasanamis* , ko

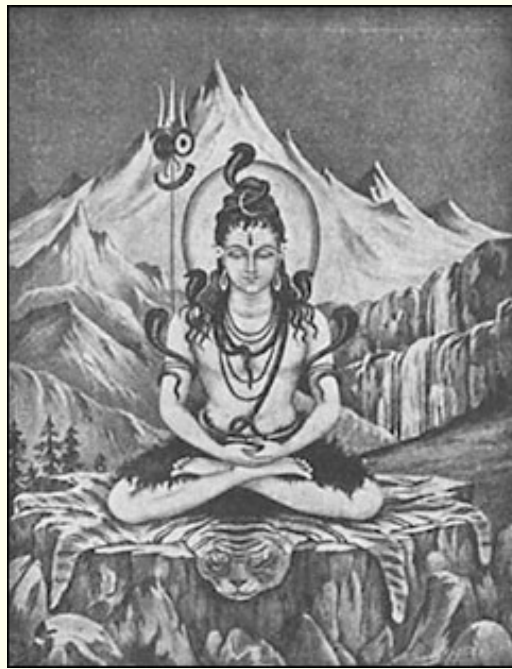

Kei roto i ngā agnomens tekau ko te *Giri* (maunga), te wāhi e noho ai a Sri Yukteswar, nō reira ko au anō hoki. Kei roto i ngā peka kē atu ko te *Sagar* (moana), te *Bharati* (whenua), te *Aranya* (ngahere), te *Puri* (wāhi), te *Tirtha* (wāhi haerenga), me te *Saraswati* (te mātauranga o te taiao).

Nō reira, e rua ngā tikanga o te ingoa hou e riro mai ana i te swami, ā, e tohu ana i te whakatutukitanga o te harikoa nui (*ananda*) mā roto i tētahi āhuetanga atua, i tētahi āhua rānei - te aroha, te whakaaro nui, te whakatapua, te mahi, te yoga - ā, mā roto i te whakahoahoa ki te taiao, e whakaatuhia ana i roto i tōna whānuitanga mutunga kore o ngā moana, ngā maunga, me ngā rangi.

Ko te kaupapa matua o te mahi atawhai ki te tangata katoa, me te whakarērea o ngā hononga whaiaro me ngā wawata, ka ārahi i te nuinga o ngā swami ki te whai wāhi kaha ki ngā mahi atawhai tangata me te mātauranga i Inia, i ētahi wā rānei ki ngā whenua ke. Me te kore e aro ki ngā whakaaro kino katoa o te iwi, te whakapono, te karaehe, te tae kiri, te ira tangata, te iwi rānei, ka whai te swami i ngā ture o te whanaungatanga tangata. Ko tana whāinga he kotahitanga tino ki te Wairua. Mā te whakakī i tōna hinengaro oho me te moe ki te whakaaro, "Ko au ia," ka kopikopiko ia me te ngākau māhaki, i roto i te ao engari ehara i te ao. Mā konei anake ka taea e ia te whakamana i tōna taitara swami - te tangata e whai ana kia tutuki te kotahitanga. me te *Swa* , te Whaiaro rānei. Kāore he take ki te tāpiri atu kāore ngā swami katoa e whai taitara whaimana ana e angitu ana ki te whakatutuki i tā rātou whāinga teitei.

He swami, he yogi hoki a Sri Yukteswar. Ko te swami, he mōneka i mua nā tōna hononga ki te ao tawhito, ehara i te mea he yogi tonu. Ko te tangata e whakamahi ana i tētahi tikanga pūtaiao o te whakapā atu ki te Atua, he yogi ia; he wahine marena, he wahine kore marena rānei, he tangata ao, he tangata whakapono whaimana rānei. Tērā pea ka whai te swami i te ara o te whakaaro maroke, o te matao. te whakarerenga; engari ka uru te yogi ki tētahi tikanga tino tika, taahiraa i te taahiraa e whakatikatikaina ai te tinana me te hinengaro, ā, ka wetekina te wairua. Me te kore e whakaaro noa ki ngā take kare ā-roto, ki te whakapono rānei, ka mahi te yogi i tētahi raupapa mahi kua whakamatautauria paitia i whakatakotoria tuatahitia e ngā rishis o mua. Kua puta i te yoga, i ngā wā katoa o Īnia, ngā tāne kua tino herekore, kua tino Yogi-Karaiti.

Pērā i ngā pūtaiao katoa, ka taea te whakamahi i te yoga ki ngā tāngata o ngā āhua me ngā wā katoa. He teka rawa te ariā a ētahi kaituhi kuware e kī ana "kāore e pai te yoga mō ngā tāngata o te Hauāuru", ā, kua ārai i te tini o ngā ākonga pono ki te rapu i ōna manaakitanga maha. He tikanga te yoga hei pehi i te pōrearea o ngā whakaaro, e ārai ana i te kore whakaaro tika. ngā tāngata katoa, o ngā whenua katoa, mai i te kitenga i tō rātou āhua tūturu o te Wairua. Kāore e taea e te Yoga te mōhio ki tētahi arai o Kāore i rite te Rawhiti me te Hauāuru ki te whakaora me te māramatanga tika o te rā. I te mea kei te tangata te hinengaro me ōna whakaaro korekore, ka roa tonu te hiahia whānui mō te yoga, te whakahaere rānei.

Teina Ānata Ā, Tuahine Nārini

"Ananta kāore e taea ora; te onepu o tāna karma mō tēnei ora whai oma i waho."

I tae atu ēnei kupu kore e taea te pehi ki roto i tōku hinengaro i a au e noho ana i tētahi ata e whakaaroaro hohonu ana. I muri tata mai i taku whakaurunga ki te Swami Order, ka toro atu ahau ki tōku wāhi whānau, ki Gorakhpur, hei manuhiri mā tōku tuakana, a Ananta. Nā te mate ohorere i herea ia ki tōna moenga; i atawhai ahau i a ia me te aroha.

I whakakīia ahau e te whakapuakitanga nui o roto i te pouri. I whakaaro ahau kāore e taea e au te noho roa ki Gorakhpur, ā, ka kite noa ahau i tōku tuakana e nekehia atu ana i mua i taku titiro āwhina kore. I waenganui i ngā whakahē kore mārāma a ōku whanaunga, ka wehe atu ahau i Īnia i runga i te poti tuatahi i wātea. I tere haere i te taha o Burma me te Moana Haina ki Hapani. I heke ahau ki Kobe, ā, he torutoru noa ngā rā i noho ai ahau ki reira. I taimaha rawa tōku ngākau mō te mātakitaki.

I te hokinga atu ki Īnia, ka tau te poti ki Shanghai. I reira ka ārahi a Tākuta Misra, te rata o te kaupuke, i ahau ki ētahi toa taonga whakapaipai, ā, i reira ahau i whiriwhiri ai i ngā koha maha mā Sri Yukteswar me tōku whānau me ōku hoa. Mō Ananta i hokona e ahau tētahi poro rakau whakairo nui. I te taenga mai o te kaihoko Hainamana ki ahau i te taonga whakamaharatanga rakau, ka tukua e ahau ki runga i te papa, me te karanga, "I hokona e ahau tēnei mā tōku tuakana kua mate!"

I tino mārāma ahau kei te tukuna tōna wairua i te Mutunga Kore. I pakaru rawa te whakamaharatanga i tōna hinganga; i waenganui i ngā tangi, ka tuhituhi ahau ki te mata o te pāpaka: "Mō taku Ananta e arohaina nei, kua riro atu."

I mātakitaki taku hoa, te tākuta, i ēnei mahi me te ataata whakatoi.

"Puritia ō roimata," tana kī. "He aha koe ka ringihia ai kia tino mōhio rā
anō koe kua mate ia?"

I te taenga atu o tō mātou poti ki Calcutta, ka haere tahi mai anō a Tākuta Misra me ahau. I te tauranga e tatari ana taku teina pōtiki, a Bishnu, ki te mihi mai ki ahau.

"E mōhio ana ahau kua wehe atu a Ananta i tēnei ao," ka mea atu ahau ki a Bishnu, i mua i tana kōrero. "Tena koa, kōrero mai ki ahau, me te tākuta i konei, āhea a Ananta i mate ai."

Pīnū kua whakaingoatia te rā, e i te tino rā tērā ahau i a i hokona te ngā taonga whakamaumahara i roto Shanghai.

"Tirohia mai!" te kī a Tākuta Misra. "Kaua e tukua kia horapa te kōrero mō tēnei! Ka tāpirihia e ngā ahorangi he tau ako mō te whakawhitiwhiti whakaaro hinengaro ki te akoranga hauora, he roa kē tēnei!"

I awhi māhana mai a Pāpā i ahau e tomo ana ki tō mātou kāinga i Gurpar Road. "Kua tae mai koe," tana kī mārīe. E rua ngā roimata nui i maringi mai i ōna kanohi. Kāore i te whakaatu i te aroha, kāore anō ia kia whakaatu mai i ēnei tohu aroha ki ahau i mua. I waho ko te pāpā urupā, i roto kei a ia te ngākau rewa. o he whaea I roto katoa tāna ngā mahi hokohoko me te whānau, tāna takirua mātua tūranga i e kitea mārāma ana .

I muri tata mai i te matenga o Ananta, i whakahokia mai taku tuahine teina, a Nalini, i te tatau o te mate e te whakaora atua. I mua i te kōrero i te pūrākau, ka kōrero ahau mō ētahi wāhanga o tōna oranga o mua.

Kāore i tino harikoa te whanaungatanga o Nalini māua ko au i te tamarikitanga. He tino kikokore ahau; he kikokore ake ia. Nā te mea he kaupapa kore mohio, he "uaua" rānei e kore e uaua ki ngā tohunga hinengaro te tautuhi, he maha aku whakato i taku tuahine mō tōna āhua tupapaku. I rite tonu te kī o ana whakautu ki te kōrero pono o te taitamarikitanga tino kino.

I ētahi wā ka wawao mai a Māmā, ka whakamutu i ngā tautohe tamariki, mō tētahi wā poto, mā te whakamahi i tētahi pouaka mārīe i tōku taringa, koia te taringa kaumātua.

Ka pahemo te wā; i taumautia a Nalini ki tētahi rata taitamariki o Calcutta, a Panchanon Bose. I whiwhi ia i tētahi taonga tuku iho nui mai i a Pāpā, e ai ki taku kōrero ki a Tuahine, hei utu mō te te tāne marena hou mō tōna aituā i te hononga ki tētahi tokotoko pīni tangata.

Whakawhanuitia te marena ngā tikanga i whakanuia i roto te utu wā. I runga te marena pō, ahau i hono atu te he rōpū nui, harikoa hoki o ngā whanaunga i roto i te rūma noho o tō mātou kāinga i Calcutta. I whakawhirinaki te tāne marena hou ki runga i tētahi urunga koura nui, me Nalini i tōna taha. He *sari hiraka papura ataahua* ²⁵⁻¹ kāore i taea e au te huna katoa i tōna āhua kokiri. I huna ahau i muri i te urunga o taku mea hou te taokete-i-te-ture, ā, ka menemene mai ki a ia me te

āhua hoa. Kāore anō ia kia kite i a Nalini tae noa ki te rā o te marena, kātahi ka mōhio ia ki tāna e whiwhi ai i te rota marena.

I te rongonga i tōku aroha, ka tohu puku atu a Tākuta Bose ki a Nalini, ā, ka kōrero pōturi ki tōku taringa, "E hika, he aha tēnei?"

"Nā te aha, "Takuta," ahau i whakautu, "ia ko he angaanga mō tōu te mātakitaki!"

I te harikoa, ka tino uaua ki a māua ko tōku taokete te pupuri i te āhua tika i mua i te aroaro o ō mātou whanaunga kua huihui.

I te haere o ngā tau, ka arohaina a Tākuta Bose e tō mātou whānau, ā, ka toro atu rātou ki a ia i ngā wā katoa ka pā mai he mate. Ka noho māua ko au hei hoa tata, he maha ngā wā ka kata tahi māua, ko Nalini te kaupapa matua.

"He mea whakamere tēnei ki te hauora," te kī a taku taokete ki ahau i tētahi rā. "Kua whakamātauria e au ngā mea katoa mō tōu tuahine kikokore - te hinu ate ika, te pata, te moro, te honi, te ika, te mīti, ngā hua manu, ngā rongoā whakapakari tinana. Heoi anō, kāore ia e pupuhi ahakoa kotahi rau inihi te rahi." I kata māua.

I muri i ētahi rā, ka toro atu ahau ki te kāinga o ngā Bose. He torutoru noa ngā meneti i pau i ahau ki reira; i te mea kei te wehe atu ahau, kāore i kitea mai, i whakaaro ahau, e Nalini. I taku taenga atu ki te tatau o mua, ka rongo ahau i tōna reo, he reo atawhai engari he reo whakahau.

"E te tuakana, haere mai ki konei. Kāore koe e whakarērea ahau i tēnei wā. E

hiahia ana ahau ki te kōrero ki a koe." I piki ahau i te arawhata ki tōna rūma.

I miharo ahau, i te tangi ia.

"E te tuakana," ka mea ia, "me tanu tāua i te toki tawhito. Kua kite ahau kua mau ō waewae ki te ara wairua. E hiahia ana ahau kia rite ki a koe i ngā āhuatanga katoa." Ka tāpiri atu ia me te tumanako, "Kua pakari tō āhua inaianei; ka taea e koe te āwhina i ahau? Kāore taku tāne e whakatata mai ki ahau, ā, e aroha nui ana ahau ki a ia!

Engari e hiahia ana ahau kia ahu whakamua i roto i te mōhiotanga ki te Atua, ahakoa me noho kikokore tonu ahau , **25-2 ā, kāore** e ātaahua."

I tino pāngia tōku ngākau e tana tono. I haere tonu te whanaketanga o tō māua hoahoa hou; i tētahi rā i tono ia kia noho hei akonga māku.

"Whakangungua ahau i te ara e pai ana ki a koe. Ka whakawhirinaki ahau ki te Atua, kua ki ngā rongoā whakakaha tinana." Ka kohia e ia tētahi putea rongoā, ā, ka ringihia ki raro i te waikeri o te tuanui.

Hei he whakamātautau o tana te whakapono, ahau i pātaihia tana ki waihotia mai i tana kai katoa ika, mīti, me ngā hua manu.

I muri i ētahi marama, i te mea kua tino whai a Nalini i ngā ture i whakatakotoria e au, ā, ahakoa ngā uauatanga maha, i piri tonu ia ki tana kai huawhenua, ka haere ahau ki te toro atu ki a ia.

"E te tuahine, kua āta pupuri koe i ngā whakahau wairua; kua tata mai tō utu." Ka menemene ahau me te whanoke. "Kia pēhea te momona o tō hiahia - kia rite ki te momona o tō tātou whaea kēkē kua roa nei e kore e kite i ōna waewae?"

"Kāo!" Engari ahau roa ki kia hei pakari hei koe kei te."

I whakahoki atu ahau me te ngākau pono. "Nā te aroha noa o te Atua, i te mea kua kōrero pono ahau i ngā wā katoa, e kōrero pono ana ahau i nāianeī." **25-3** Mā ngā manaakitanga atua, ka tino rerekē tō tinana i tēnei rā; i roto i te marama kotahi ka rite tōna taumaha ki tōku."

I tutuki ēnei kupu nō tōku ngākau. I roto i ngā rā e toru tekau, i rite te taumaha o Nalini ki tōku. Nā te āhua porotaka hou i homai tōna ataahua; i tino aroha tana tāne. I tīmata tā rāua marena

kāore i te tino pai, tahuri i waho ki kia ko te tumanako harikoa.

I taku hokinga mai i Hapani, ka rongu ahau kua pāngia a Nalini e te kirika taipoi i a au e ngaro ana. I oma atu ahau ki tōna kāinga, ā, i ohorere ahau i te kitenga atu kua memeha noa ia, kua noho hei angaanga noa iho. Kei roto ia i te koma.

"I mua i te pōhēhētanga o tōna hinengaro e te mate," te kōrero a taku taokete-i-te-ture ki ahau, "he maha āna kupu: 'Me i konei a Teina Mukunda, kua kore ahau e pēnei.'" Ka tāpiri atu ia me te pouri, "Ko ngā tākuta kē atu me ahau anō kite kāore tumanako. Toto mate korere kua whakatakotoria i roto i, i muri tana roa whawhai me te taipoi."

I tīmata ahau ki te neke i te rangi me te whenua mā roto i aku inoi. I te whakamahi i tētahi nēhi Ingarihi-Īnia, nāna i tautoko mai i ahau, ka whakamahia e au ki taku tuahine ngā tikanga whakaora yoga. I ngaro te mate kohi toto.

Heoi, ka ruru a Tākuta Bose i tōna māhunga me te pouri. "Kāore he toto e

toe ana ki a ia." "Ka ora ia," ka whakahoki pakari ahau. "I roto i ngā rā e

whitu ka kore tōna kirika."

Kotahi wiki i muri mai, i tino harikoa ahau i te kitenga i a Nalini e titiro mai ana ki ahau me te aroha me te mihi. Mai i taua rā i tere tonu tōna ora. Ahakoa i hoki mai tōna taumaha ki tōna taumaha o mua, kotahi tonu te koha o tōna mate tata mate: ko ōna waewae he pararutiki. I kīia ia e ngā tohunga Inia me Ingarangi he kopa korekore.

Nā te pakanga tonu mō tōna ora i whawhaitia e au mā te inoi i ngenge ahau. I haere ahau ki Serampore ki te tonu āwhina i a Sri Yukteswar. I whakaatu ōna kanohi i te aroha nui i a au e kōrero ana ki a ia mō te āhua o Nalini.

"Ka noho noa ngā waewae o tō tuahine i te mutunga o te marama kotahi." Ka tāpiri atu ia, "Tukua kia mau i a ia, i te taha o tōna kiri, he whitiki kei runga he pērara e rua-karati kāore i pokaia, e puritia ana ki te here."

ahau takoto ahau anō i tāna waewae me harikoa te whakamāmā

"E te Ariki, he rangatira koe; heoi anō tāu kupu mō tōna orange. Engari ki te tohe koe, ka hohoro tonu taku hoko i tētahi pērara māna."

I pōkaikaha taku tohunga. "Āe, meatia tēnā." I haere tonu ia ki te whakaahua tika i ngā āhuatanga tinana me ngā āhuatanga hinengaro o Nalini, kāore anō ia kia kite i a ia.

"E te Ariki," ahau i pātai atu, "ko tēnei he te mātai whetū tātaritanga? Koe mahi kāore mōhio tana whānautanga rā rānei haora."

Ātaata ana a Sri Yukteswar. "He hohonu ake te tirohanga whetū, kāore e whakawhirinaki ki ngā whakaaturanga a ngā maramataka me ngā karaka. He wāhanga ia tangata nō te Kaihanga, nō te Tangata Ao Whānui rānei; he tinana rangi tōna, he tinana whenua anō hoki. Ka kite te kanohi tangata i te āhua tinana, engari ka hohonu ake te tirohanga o roto, tae noa ki te tauira whānui e whai wāhi nui ana ia tangata, ia tangata."

ahau i whakahokia mai ki Calcutta me i hokona he pērara mō Nārini. He marama ā muri ake nei, tana pararutiki waewae i

tino kua ora.

I tono mai a Tuahine kia whakapuaki ahau i tōna mihi nui ki taku tohunga. I whakarongo puku ia ki tana karere. Engari i ahau e haere ana ki te wehe atu, ka puta mai tana kōrero e hapu ana.

"Kua kōrerotia ki tō tuahine e te tini o ngā tākuta kāore e taea e ia te whānau tamariki. Whakamana atu ki a ia i roto i ētahi tau torutoru ka whānau āna tamāhine tokorua."

ētahi tau ā muri ake nei, ki Nālini te harikoa, ia poka he kotiro, i whaihia i roto he torutoru tau nā tētahi atu tamāhine.

"Kua manaakitia tō mātou kāinga, tō mātou whānau katoa e tōu ariki," te kī a tōku tuahine. "Ko te aroaro o tētahi tangata pēnei he tapu mō Īnia katoa. E te tuakana, tēnā koa kōrero atu ki a Sri Yukteswarji, māu ahau e whakaaro ana ki ahau anō hei tētahi o āna ākonga *Kriya Yoga*."

Te Pūtaiao o Kiriā Yoga

Ko te pūtaiao o *Kriya Yoga*, e whakahuatia pinepinetia ana i roto i ēnei whārangi, i mōhiotia whānuitia i roto i a Īnia o ēnei rā nā roto i a Lahiri Mahasaya, te guru a taku guru. Ko te pūtake Sanskrit o *Kriya* ko *kri*, te mahi, te mahi me te tauhohe; ko taua pūtake anō kei roto i te kupu *karma*, te kaupapa tūturu o te take me te pānga. Nō reira, ko *te Kriya Yoga* he "hononga (yoga) ki te Mutunga Kore mā roto i tētahi mahi, i tētahi tikanga rānei." Ko te yogi e whai pono ana i tana tikanga ka wetekina māriri i te karma, i te mekameka take whānui rānei.

Nā ētahi o ngā ture yoga tawhito, kāore e taea e au te whakamārama katoa i te *Kriya*

Yoga i roto i ngā whārangi o tētahi pukapuka mā te marea. Me ako te tikanga tuturu mai i tētahi *Kriyaban* , *Kriya Yogi* rānei ; i konei me nui te tohutoro whānui.

Kiria Yoga ko he ngāwari, hinengaro-tinana tikanga nā e te tangata toto ko kua tangohia te waro

ā, ka whakakīia anō ki te hāora. Ka hurihia ngā ngota o tēnei hāora tāpiri hei iahiko ora hei whakaora i te roro me ngā pokapū tuaiwi. **26-1** Mā te aukati i te kohikohinga o te toto uaua, ka taea e te yogi te whakaiti, te ārai rānei i te pirau o ngā kiko; ka hurihia e te yogi matatau ōna pūtau hei pūngao parakore. Ko Iraia, ko Ihu, ko Kabir me ētahi atu poropiti he tohunga o mua ki te whakamahi i te *Kriya*, i tētahi atu tikanga rite rānei, arā, mā rātou e whakakore i ō rātou tinana i runga i te hiahia.

a *Kriya*. I riro mai i a Lahiri Mahasaya i tana tohunga, i a Babaji, nāna i kimi anō, i whakamārama hoki i te tikanga i muri i tōna ngaronga i ngā Wā Pōuri.

"Ko te *Kriya Yoga* e hoatu nei e au ki te ao māu i tēnei rautau tekau mā iwa," te kōrero a Babaji ki a Lahiri Mahasaya, "he whakaoranga anō o te pūtaiao kotahi i hoatu e Krishna, i ngā mano tau ki muri, ki a Arjuna, ā, i muri mai ka mōhiotia e Patanjali, me te Karaiti, a Hato Hoani, a Hato Paora, me ētahi atu ākonga."

E whakahuatia ana a *Kriya Yoga e Krishna, te poropiti nui rawa atu o Īnia, i roto i tētahi whiti o te Bhagavad Gita*: "Mā te tuku i te manawa e manawa ana ki roto i te manawa e puta ana, me te tuku i te manawa e puta ana ki roto i te manawa e manawa ana, ka whakakorea e te yogi ēnei manawa e rua; nō reira ka tukuna e ia te kaha ora mai i te ngākau, ā, ka tukuna ki raro i tana mana whakahaere." **26-2** Ko te whakamaoritanga tēnei: "Ka aukati te yogi i te pirau o te tinana mā te tāpiri i te kaha ora, ā, ka aukati i ngā whakarerekētanga o te tipu o te tinana mā *te apan* (te whakakore i te ia). Mā te whakakore i te pirau me te tipu, mā te whakamarie i te ngākau, ka ako te yogi ki te whakahaere i te ora."

E kōrero ana hoki a Krishna mō **te 26-3** ko ia, i roto i te āhua o mua, i tuku i te yoga kore e taea te whakangaro ki tētahi illuminato tawhito, ki a Vivasvat, ā, nāna i hoatu ki a Manu, te kaihanga ture nui. **26-4** Nāna anō i whakaako a Ikshwaku, te matua o te whare rangatira toa o Īnia. Nā te whakawhiti i waenga i tētahi ki tētahi, i tiakina te yoga kingi e ngā rishis tae noa ki te taenga mai o ngā wā rauemi. **26-5** Kātahi, nā te huna a ngā tohunga me te kore aro o te tangata, ka memeha haere te mōhiotanga tapu.

E rua ngā wā i whakahuatia ai a *Kriya Yoga e te tohunga tawhito a Patanjali, te tohunga matua o te yoga, nāna i tuhituhi*: "Ko te *Kriya Yoga* he whakahaere tinana, he whakahaere hinengaro, me te whakaaroaro ki a *Aum*." **26-6** E kōrero ana a Patanjali mō te Atua hei te Oro Ao tuturu o *Aum* e rangona ana i te whakaaroaro. **26-7** Ko *Aum* te Kupu Auaha, **26-8** te tangi o te Motuka Wiri. Ahakoa te tangata tīmata yoga ka rongu wawe i te tangi whakamiharo o *Aum*. I te whiwhinga i tēnei whakatenatena wairua harikoa, ka tino mohio te tangata karakia kei roto ia i te hononga tūturu ki ngā ao atua.

E rua ngā kōrero a Patanjali mō te tikanga whakahaere-ora, te tikanga *Kriya* rānei: "Ka taea te whakatutuki i te whakaoranga mā te *pranayama* e tutuki ana mā te whakakore i

te ara o te whakaoho me te paunga." **26-9**

I mōhio a Hato Paora ki *te Kriya Yoga* , he tikanga rite tonu ki tēnā, e taea ai e ia te huri i ngā ia o te ora ki ngā kare ā-roto, mai i ngā kare ā-roto hoki. Nō reira, ka taea e ia te kī: "He pono, e whakahē ana ahau i runga i tō tātou whakamanamana i roto i a te Karaiti, *e mate ana ahau i ia rā, i ia rā* ." **26-10** Mā te tango i tōna kaha ora i ia rā, ka honoa e ia mā te hononga yoga ki te hari (harikoa mutunga kore) o te hinengaro o te Karaiti. I roto i taua āhua harikoa, i

āta whakaaro mōhio o te noho mate ki te mānumanu ngā kare ā-roto ao o *māia* .

I ngā āhua tuatahi o te whakapā atu ki te Atua (*sabikalpa samadhi*) ka hanumi te hinengaro o te tangata karakia ki te Wairua Ao; ka tangohia tōna kaha ora i te tinana, ka puta he āhua "mate," he āhua kore nekeneke, he pakari hoki. E tino mōhio ana te yogi ki tōna āhua tinana o te ora whakaroa. I a ia e ka ahu whakamua ki ngā āhua wairua teitei ake (*nirbikalpa samadhi*), heoi, ka kōrero ia ki te Atua me te kore e aro ki te tinana, ā, i roto i tōna hinengaro oho noa, ahakoa i waenganui i ngā mahi uaua o te ao. **26-11**

" He taputapu te *Kriya Yoga* hei whakatere i te whanaketanga o te tangata," te whakamārama a Sri Yukteswar ki āna ākonga. "I kitea e ngā yogi o mua ko te mea ngaro o te hinengaro ao e hono tata ana ki te rangatira o te manawa. Koinei te takoha ahurei, kore mate a Īnia ki te taonga mātauranga o te ao. Ko te kaha ora, e mimitihia ana ki te pupuri i te papu o te ngākau, me tuku kia taea ai ngā mahi teitei ake mā te tikanga whakamarie me te whakamutu i ngā tono mutunga kore o te manawa."

te *Kriya Yogi* i tōna kaha ora ki te huri haere, ki runga, ki raro hoki, huri noa i ngā pokapū tuaiwi e ono (ngā plexus medullary, cervical, dorsal, lumbar, sacral, me coccygeal) e rite ana ki ngā tohu astral tekau mā rua o te zodiac, te Tangata Ao Tūroa. Ko te hawhe meneti o te hurihanga kaha huri noa i te taurakira tairongo o te tangata ka pā ki te ahunga whakamua ngawari o tōna whanaketanga; ko taua hawhe meneti o *Kriya* he rite ki te kotahi tau o te whanaketanga wairua taiao.

Ko te pūnaha whetū o te tangata, me ngā whetū ā-roto e ono (tekau mā rua mā te polarity) e huri ana i te rā o te kanohi wairua mātau katoa, e hono ana ki te rā tinana me ngā tohu zodiac tekau mā rua. Nō reira, ka pāngia ngā tāngata katoa e te ao ā-roto me te ao ā-waho. I kitea e ngā rishis onamata ko te taiao whenua me te rangi o te tangata, i roto i ngā huringa tekau mā rua tau, ka panaia ia ki mua i runga i tōna ara tūturu. E kī ana ngā karaipiture me kotahi miriona tau te whanaketanga noa, kore mate o te tangata kia tino pai ai tōna roro tangata kia taea ai te whakaatu i te hinengaro ao.

Kotahi mano *Kriya* e whakamahia ana i roto i ngā hāora e waru ka hoatu ki te yogi, i roto i te rā kotahi, he rite ki te kotahi mano tau o te whanaketanga taiao: 365,000 tau o te whanaketanga i roto i te tau kotahi. Nō reira, i roto i ngā tau e toru, ka taea e te *Kriya Yogi* te whakatutuki mā te mahi atamai i te hua kotahi e puta mai ana i te taiao i roto i te miriona tau. Ko te ara poto *Kriya* , ko te tikanga, ka taea anake te tango e ngā yogi tino matatau. Me te arataki a te guru, kua ata whakarite aua yogi i ō rātou tinana me ō rātou roro ki te whiwhi i te mana i hangaia e te mahi kaha.

te tīmatanga *Kriya* tana mahi yoga, e rua ngā wā i te rā. He maha ngā yogi e tutuki

ana i te whakaoranga i roto i ngā tau e ono, tekau mā rua, rua tekau mā whā, whā tekau mā waru rānei. He yogi e mate i mua i te whakatutuki kī tonu te whakatutukitanga kawē me ia te pai karma o tāna ngā rā o mua te mahi a *Kriya* ; i roto i tōna ao hou ka ārahihia ia me te rangimarie ki tana Whāinga Mutunga Kore.

He rite te tinana o te tangata noa ki te rama e rima tekau-wati, e kore e taea te whakauru i te piriona ngā watts o te mana i whakaohokia e te mahi nui rawa o *Kriya* . Mā te whakanui haere i ngā tikanga māmā me te "koretake" o *Kriya* , ka hurihia te tinana o te tangata e te ao wairua i ia rā, ā, ka rite ki te whakaatu i ngā pūmanawa mutunga kore o te kaha o te ao - ko te tuatahi he mea hanga ki te rauemi.

kaha te whakapuakitanga o Wairua.

Kāore he hononga o *te Kriya Yoga ki ngā mahi manawa kore pūtaiao e whakaakona ana e te tini o ngā tāngata whakapono hē. Ko ā rātou ngana ki te pupuri i te manawa i roto i ngā pukahukahu ehara i te mea he mea taiao engari he tino kino. I tetahi atu taha, ka haere tahi te Kriya mai i te tīmatanga me te pikinga o te rangimārie, me ngā kare whakamarie o te pānga whakaora i roto i te tuaiwi.*

Mā te tikanga yoga tawhito ka hurihia te manawa hei hinengaro. Mā te whanaketanga wairua, ka taea e te tangata te mōhio ki te manawa hei mahi hinengaro - he manawa moemoeā.

He tokomaha ngā whakaahua i taea kia i hoatu o te pāngarau whanaungatanga i waenganui tāne te tere o te manawa me ngā rerekētanga o ōna āhua o te hinengaro. Ko te tangata e aro nui ana ki a ia, pērā i te whai i tētahi tautohetohe hinengaro piripono, i te whakamātau rānei i tētahi mahi tinana ngawari, uaua rānei, ka puhoi te manawa. Ko te pumau o te aro e whakawhirinaki ana ki te puhoi o te manawa; ko ngā manawa tere, kāore rānei i te ōrite he hoa haere tonu o ngā āhua kare ā-roto kino: te wehi, te hiahia, te riri. Ka manawa te makimaki kore e marino i te tere o te 32 ngā wā i te meneti, he rerekē ki te toharite o te tangata he 18 ngā wā. Ko te arewhana, te honu, te nakahi me ētahi atu kararehe i mōhiohia mō ā rātou he iti ake te tere manawa o te tangata i te roa o te ora. Hei tauira, ko te honu, e eke ana ki te 300 tau te pakeke, **26-12 tau te pakeke** e whā noa iho ngā manawa i te meneti.

Ko ngā pānga whakaora o te moe nā te kore mōhio o te tangata ki te tinana me te manawa mō te wā poto. Ka noho te tangata moe hei yogi; i ia pō ka mahi ia i te tikanga yogi o te wetekina o ia anō mai i te tautuhi tinana, me te whakakotahi i te kaha ora ki ngā iahiko whakaora i te rohe roro matua me ngā pūnaha e ono o ōna pokapū tuaiwi. Nō reira, ka tō te tangata moe ki roto i te puna o te kaha o te ao e tautoko ana i ngā mea ora katoa, me te kore mōhio.

Ka mahi te yogi tūao i tētahi mahi māmā, ā-taiao hoki, me te mōhio, ehara i te mea kāore i te mōhiohia pērā i te tangata moe puhoi. Ka whakamahia e te *Kriya Yogi* tana tikanga hei whakakī me te whāngai i ana pūtau tinana katoa ki te māramatanga piraukore, kia mau tonu ai i roto i te āhua aukume. Ka hangaia e ia he tikanga pūtaiao mō te manawa, me te kore e puta he āhua o te moe huna, te kore mohio rānei.

E ai ki a *Kriya*, kāore te kaha ora e moumouhia, e tukinotia rānei i roto i ngā kare ā-roto, engari e herea ana ki ka hono anō ki ngā kaha o te tuaiwi. Mā te whakakaha o te ora, ka hiko te tinana me ngā pūtau roro o te yogi ki te rongoā wairua. Nō reira ka tangohia e ia ia anō mai i te ako i te pupuri i ngā ture taiao, e taea ai e ia anake te kawhe i a ia - mā ngā huarahi porowhita e homai ana e te kai tika, te hihi o te rā, me ngā whakaaro taurite - ki tētahi Whāinga miriona tau. E hiahia ana kia tekau mā rua tau o te oranga hauora noa kia puta ai he huringa iti noa i roto i te

hanganga roro, ā, ka hiahiaitia he miriona hokinga mai o te rā hei whakapai ake i te whare roro kia puta ai te hinengaro ao.

Mā te wetewete i te taura o te manawa e here ana i te wairua ki te tinana, ka mahi *a Kriya* ki te whakaroa i te ora me te whakanui ake i te hinengaro ki te mutunga kore. Ka hinga i te tikanga yoga te kukume pakanga i waenganui i te hinengaro me ngā kare ā-tinana, ā, ka tuku i te tangata karakia ki te whiwhi anō i tōna rangatiratanga mutunga kore. E mōhio ana ia kāore tōna āhua tūturu e herea ana e te herenga tinana, e te manawa rānei, he tohu o te herenga mate ki te hau, ki ngā akiakinga taketake o te taiao.

Ko te whakaaroaro, arā, ko te "noho puku," he huarahi kore pūtaiao hei ngana ki te wehe i te hinengaro me ngā kare ā-roto, e herea ana e te kaha ora. Ko te hinengaro whakaaroaro, e ngana ana ki te hoki ki te atuata, ka tōia tonutia ki ngā kare ā-roto e ngā ia o te ora. *Ko Kriya , e whakahaere tika* ana i te hinengaro mā te kaha ora, te huarahi māmā, tino whai hua, me te tino pūtaiao ki te whakatata atu ki te Mutunga Kore. He rerekē ki te ara whakapono "karati kau" puhoi, koretake ki te Atua, ka tika te kī ko *Kriya* te ara "waka rererangi".

Ko te pūtaiao yoga e hangai ana ki te whakaaroaro ā-wheako o ngā momo mahi arotahi me te whakaaroaro katoa. Mā te yoga ka taea e te tangata karakia te whakaweto, te whakakā rānei i te ia o te ora mai i te ao e hiahiatia ana. ngā waea e rima o te tirohanga, te oro, te kakara, te reka, me te pā. I te whiwhinga i tēnei mana o te momotu i ngā kare ā-roto, ka kitea e te yogi he māmā noa te whakakotahi i tōna hinengaro ki ngā ao atua, ki te ao rānei o te mea. Kāore ia e whakahokia mai ana e te kaha ora ki te ao noa o ngā kare ā-roto me ngā whakaaro korekore. Ko te rangatira o tōna tinana me tōna hinengaro, ko te *Kriya Yogi*. ā, i te mutunga ka wikitoria ia i te "hoariri whakamutunga," te mate.

Ka kai koe i te Mate, e kai ana i te tangata: Ā, ka mate te Mate, kāore he mate i taua wā. **26-13**

Ko te oranga o tētahi *Kriya Yogi matatau* , ehara i te mea nā ngā pānga o ngā mahi o mua, engari nā ngā tohutohu a te wairua anake. Nō reira, ka karohia e te tangata karakia ngā arataki puhoi, whanaketanga o ngā mahi whakapehapeha, pai, kino hoki, o te oranga noa, he rite ki te ngata ki te ngākau o te ēkara.

Ko te tikanga pai o te oranga wairua ka whakawātea i te yogi, kua tangohia atu i tōna whare herehere-ego, ā, ka reka ki te hau hohonu o te noho ki ngā wāhi katoa. Ko te herehere o te oranga taiao, he rerekē, he whakaiti i te tere. Mā te whakarite i tōna oranga ki te raupapa whanaketanga, e kore e taea e te tangata te whakahau i a ia anō kia whakarere i te taiao, engari, i te noho ora me te kore he e takahi ana i ngā ture o tōna tinana me tōna hinengaro, me noho tonu te miriona tau o te whakaahua i a ia anō kia mōhio ai ia ki te whakaoranga whakamutunga.

Ko ngā tikanga tiro tiro a ngā yogi, e wehe atu ana i a rātou anō i ngā tautuhi tinana me te hinengaro hei tautoko i te takitahi o te wairua, nō reira ka whakanuia rātou e te hunga e titiro whakakeke ana ki te mano mano tau. Ka whakanuia tēnei taha tau mō te tangata noa, e noho tahi ana, ahakoa ehara i te mea ki te taiao, kaua ki tōna wairua, engari e whai ana i ngā uauatanga taiao kore, nō reira te whakahāwea i roto tōna tinana me ngā whakaaro te reka ngā hinengaro pai o te taiao. Mō ia, e rua ngā wā he kāore e ranea ngā miriona tau mō te whakaoranga.

Kāore te tangata whānui e mōhio ana he kingitanga tōna tinana, e whakahaerehia

ana e te Emepara Wairua i runga i te torona o te angaanga, me ngā kaiwhakahaere āpiti i roto i ngā pokapū tuaiwi e ono, i ngā porowhita rānei o te angaanga. te hinengaro. Ka horapa tēnei rangatiratanga ki runga i te mano tini o ngā tāngata ngohengohe: e rua tekau mā whitu mano piriona pūtau - he māramatanga aunoa e taea ai e rātou te mahi i ngā mahi katoa o te tipu tinana, te whakarerekētanga, me te memeha - me te rima tekau miriona whakaaro, kare ā-roto, me ngā rerekētanga o ngā wāhanga rerekē o te hinengaro o te tangata i roto i te oranga toharite o te ono tekau tau. Ko tetahi whakakeke o ngā pūtau tinana, pūtau roro rānei ki te Wairua o te Emepara, e puta mai ana hei mate, hei pouri rānei, ehara i te mea nā te kore pono i waenga i ngā tāngata whenua whakaiti, engari nā te whakamahinga hē o mua, o nāianei rānei e te tangata o tōna ake mana motuhake, o tōna ake hiahia rānei, i tukuna tahitia ki a ia me te wairua, ā, e kore e taea te whakakore.

I te mea he tangata papaku tōna ego, ka whakaae te tangata ko ia te tangata e whakaaro ana, e hiahia ana, e rongō ana, e keri ana i ngā kai, e pupuri ana i a ia anō kia ora, kāore rawa e whakaae mā te whakaaroaro (he iti noa iho ka ranea!) i roto i tōna oranga noa he pēpi noa iho ia nō ngā mahi o mua (karma) me te taiao. te taiao rānei. Ko ngā tauhohenga hinengaro, ngā kare ā-roto, ngā wairua, me ngā tikanga o ia tangata, e herea ana e ngā pānga o ngā take o mua, ahakoa nō tēnei ao, nō tētahi ao o mua rānei. Heoi, he teitei ake i aua awe te tōna wairua rangatira. I te whakakāhore i ngā pono me ngā herekoretanga poto, ka whiti te *Kriya Yoga* i tua atu i ngā whakaaro pōuri katoa ki roto i tōna Ao kore here. E kī ana ngā karaipiture katoa ehara te tangata i te tinana pirau, engari he wairua ora; nā *Kriya* i hoatu he tikanga ki a ia hei whakamatau i te pono o te karaipiture.

"Kāore e taea e te kawa o waho te whakangaro i te kuware, nā te mea kāore rāua e whakahē tetahi ki tetahi," te tuhituhi a Shankara i roto i tana pukapuka rongonui, * *Century Of Verses**. "Mā te mōhiotanga anake ka whakangaro i te kuware.... Kāore e taea e te mōhiotanga te pupū ake mā te uiuinga anake. 'Ko wai ahau? I pēhea te whānautanga o tēnei ao? Ko wai tōna kaihangā? He aha tōna pūtake tūturu?' Koinei te momo uiuinga e kōrerohia ana." Kāore he whakautu a te hinengaro mō ēnei pātai; nō reira i whakawhanakehia ai e ngā rishis te yoga hei tikanga uiuinga wairua.

te *Kriya Yoga* te "tikanga ahi" tūturu e whakanuia ana i roto i te *Bhagavad Gita*. Mā ngā ahi purenga o te yoga ka kawea mai te māramatanga mutunga kore, ā, he rerekē rawa atu i ngā karakia ahi o waho, kāore i te tino whai hua, e tahuna pinepinetia ai te kitenga o te pono, ki te waiata whakanuia, me te whakakakara!

Ko te yogi matatau, e pupuri ana i tōna hinengaro, i tōna hiahia, me ōna kare ā-roto katoa kia kaua e honoa ki ngā hiahia o te tinana, e hono ana i tōna hinengaro ki ngā mana o te ao tūroa i roto i ngā wāhi tapu o te tuaiwi, nō reira ka noho ia i tēnei ao e ai ki tā te Atua i whakamahere ai, kāore i akiakihia e ngā kare ā-roto o mua, kāore hoki e kitea e ngā mōhiotanga hou o ngā hihiri tangata hou. Ka whiwhi taua yogi i te whakatutukitanga o tana Hiahia Nui, ka noho haumaruru i te piringa whakamutunga o te Wairua harikoa mutunga kore.

Ka tukuna e te yogi ōna hiahia tangata ki te ahi atua kotahi i whakatapua ki te Atua kore e rite. Koinei te kawa ahi yogi tūturu, e pau ai ngā hiahia o mua me o nāiane i te aroha atua. Ka whiwhi te Mura Mutunga i te patunga o te porangi tangata katoa, ā, ka ma te tangata i te paru. Kua tangohia ōna wheua i ngā kikokiko hiahia katoa, kua mā tōna angaanga karma i ngā rā paturopi o te whakaaro nui, kua ma ia i te mutunga, kāore he kino ki te aroaro o te tangata me te Kaihangā.

I a ia e kōrero ana mō te whai huatanga pono me te whai tikanga o te yoga, ka whakanui a Ariki Krishna i te yogi hangarau i roto i ngā kupu e whai ake nei: "He nui ake te yogi i ngā tāngata whakahihi e whakahaere ana i te tinana, he nui ake i ngā akonga o te ara o te whakaaro nui (*Jnana Yoga*), o te ara mahi rānei (*Karma*

Yoga); kia noho koe, e te akonga a Arjuna, hei yogi!" **26-14**

"Ka taea e koe, e tetahi atu rānei, te whakapā atu ki te Atua mā te yoga mēnā kāore he rārangi o ngā rangatira ngākau atawhai i pai ki te tuku i ō rātou mātauranga ki ētahi atu?" I tāpiri atu ia, "Ko te Atua te Honi, ko ngā whakahaere ngā punga; he mea nui ngā mea e rua. Kāore he hua o tētahi *āhua*, me te kore he wairua, engari he aha koe e kore ai e tīmata i ngā punga pukumahi e kī ana i te waihonga wairua?"

I tino pāngia ahau e tana tohutohu. Ahakoa kāore au i whakautu i waho, i ara ake he whakataunga pakari i roto i tōku ngākau: ka whakapuaki ahau ki ōku hoa, ki te mea kei roto i tōku kaha, i ngā pono pumau i akohia e au i ngā waewae o tōku tohunga. "E te Ariki," i inoi ahau, "kia tiaho tonu tō Aroha ki runga i te wāhi tapu o tōku karakia, ā, kia taea e au te whakaara i taua Aroha i roto i ngā ngākau o ētahi atu."

I tētahi wā o mua, i mua i taku urunga atu ki te rōpū mōneka, i kōrero a Sri Yukteswar i tētahi kōrero tino ohorere.

"Aue, ka ngaro te hoa o te wahine i tō koroheketanga!" tana kī. "Kāore koe i te whakaae ko te tangata whānau, e mahi ana i ngā mahi whai hua hei whāngai i tana wahine me āna tamariki, he tūranga whai hua tāna i te aroaro o te Atua?"

"E te Ariki," i tautohe ahau me te matakū, "e mōhio ana koe ko taku hiahia i tēnei ao ko te manaaki i te Ao Aroha anake."

Nā te kata harikoa o te Ariki, i mōhio ahau he whakamātautau noa iho tāna i kite ai i tōku whakapono.

"Kia mahara," tana kī mārire, "ko te tangata e whakarērea ana e ia ana mahi o te ao, ka taea e ia te whakatika i a ia anō mā te tango i tētahi momo kawenga ki tētahi whānau nui ake."

I tata tonu ki tōku ngākau te wawata mō te mātauranga whānui mō te hunga rangatahi. I kite mārama ahau i ngā hua maroke o te ako noa, e aro ana ki te whanaketanga o te tinana me te hinengaro anake. Ko ngā uara matatika me ngā uara wairua, ki te kore e maioha ki ēnei uara, kāore e taea e te tangata te whakatata atu ki te harikoa, i te mea kāore anō kia kitea. kāore i roto i te marautanga ōkawa. I whakatau ahau ki te whakatū i tētahi kura hei whakawhanake i ngā tama tāne ki te tino tūnga o te tangata. Ko taku taahiraa tuatahi ki taua huarahi i mahia e mātou ko ngā tamariki tokowhitu i Dihika, he whenua iti i Bengal.

I te tau i muri mai, i te tau 1918, nā te atawhai o Tā Manindra Chandra Nundy, te Maharaja o Kasimbazar, i taea e au te whakawhiti i taku rōpū e tere tipu haere ana ki Ranchi. Ko tēnei tāone i Bihar, e rua rau maero te tawhiti atu i Calcutta, he mea manaaki ki tētahi o ngā āhuarangi tino hauora i Inia. I hurihia te Whare Ariki o Kasimbazar i Ranchi hei tari matua mō te kura hou, i tapaina e au ko

Brahmacharya Vidyalaya 27-1. e ai ki ngā kaupapa mātauranga o ngā rishis.

Tā rātou ngahere ngā whare karakia i a kua te tawhito ngā nohoanga o te ako, whakapono kore me atua, mō te taitamarikitanga o

Īnia.

I Ranchi i whakarite ahau i tētahi kaupapa mātauranga mō ngā reanga reo me ngā reanga kura tuarua. I whakaurua ki roto ko ngā kaupapa ahuwhehenua, ahumahi, arumoni, me ngā kaupapa mātauranga. I whakaakona hoki ngā ākonga ki te yoga te arotahi me te whakaaroaro, me tētahi pūnaha ahurei mō te whanaketanga tinana, ko "Yogoda", ā, i kitea e au ōna mātāpono i te tau 1916.

I taku mōhio he rite te tinana o te tangata ki te pākahiko hiko, i whakaaro ahau ka taea te whakahou ake ki te pūngao mā te mahi tika a te hiahia o te tangata. Nā te mea kāore he mahi, he iti, he nui rānei, e taea ana me te kore *he hiahia*, ka taea e te tangata te whakamahi i tana kaupapa matua, arā, te hiahia, ki te whakahou i ōna kiko tinana me te kore he taputapu taumaha, he mahi miihini rānei. Nō reira, i whakaako ahau i ngā ākonga Ranchi i aku tikanga "Yogoda" ngāwari e taea ai te whakahou ake i te kaha ora, e ahu mai ana i te medulla oblongata o te tangata, me te mōhio me te tere tonu mai i te pūtake mutunga kore o te pūngao o te ao.

I tino pai te urupare a ngā tama ki tēnei whakangungu, ā, i whakawhanakehia e rātou te pūkenga whakamiharo ki te neke i te kaha ora mai i tētahi wāhanga o te tinana ki tētahi atu wāhanga, me te noho pai i roto i ngā tūnga uaua o te tinana. **27-2** I mahi rātou i ngā mahi kaha me te manawanui kāore i taea e te tini o ngā pakeke kaha te rite. I uru atu taku teina pōtiki, a Bishnu Charan Ghosh, ki te kura o Ranchi; ā, i muri mai ka noho ia hei he tohunga ahurea matua i Bengal. I haere ia me tētahi o āna ākonga ki Ūropi me Amerika, me te whakaatu i te kaha me te pūkenga, ā, i miharo ngā tohunga o te whare wānanga, tae atu ki ērā i Te Whare Wānanga o Columbia i Niu Ioka.

I te mutunga o te tau tuatahi i Ranchi, e rua mano ngā tono whakauru. Engari ko te kura, i taua wā he kura noho noa iho, kotahi rau noa iho te tokomaha i taea te whakauru. Kāore i roa ka tāpirihia te akoranga mō ngā ākonga o te rā.

I te *Vidyalaya* i mahi ahau hei pāpā-whaea ki ngā tamariki nohinohi, ā, i aro atu hoki ki ngā uauatanga maha o te whakahaere. He maha ngā wā i mahara ai ahau ki ngā kupu a te Karaiti: "He pono taku e mea nei ki a koutou, Kāore tetahi tangata i whakarere i te whare, i ngā teina, i ngā tuahine, i te pāpā, i te whaea, i te wahine, i ngā tamariki, i ngā whenua, mōku, mō te rongopai hoki; engari ka riro i a ia te rau i tēnei wā, he whare, he teina, he tuahine, he whaea, he tamariki, he whenua, me te whakato; ā, i te ao meake puta ko te ora tonu." **27-3** Nā Sri Yukteswar ēnei kupu i whakamārama: "Ko te tangata karakia e whakarērea ana ngā wheako o te marena me te whānau, ka whakawhiti i ngā raruraru o tētahi whare iti me ngā mahi iti mō ngā kawenga nui o te mahi ki te hāpori whānui, kei te mahi i tētahi mahi e haere tahi ana me te whakato mai i tētahi ao pōhēhē, engari me te ngākau māhaki hoki o roto."

Ko Yogoda Math , he whare karakia ataahua o te Self-Environment Fellowship i Dakshineswar i te awa o Ganges. I whakatūria i te tau 1938 hei wāhi whakatā yoga mō ngā ākonga o te Rawhiti me te Hauāuru.

Ko te whare matua o te *Yogoda Sat-Sanga Brahmacharya Vidyalaya* i Ranchi, Bihar, i whakatūria i te tau 1918 hei kura yoga mō ngā tama tāne, me te mātauranga wetereo me te kura tuarua. E hono ana ki tēnei ko te Mihana atawhai tangata a Lahiri Mahasaya.

I tētahi rā ka tae mai tōku pāpā ki Ranchi ki te tuku i tētahi manaakitanga ki tōna pāpā, he mea i puritia mō tētahi wā roa nā te mea i whara ia i ahau i taku whakakorenga i tana tuku mai i tētahi tūranga ki te Rerewei o Bengal-Nagpur.

"E tama," tana kī, "kua tau ahau ki tāu whiringa i te ao. He harikoa ki ahau te kite i a koe i waenganui i ēnei tamariki harikoa, hihiri; nō konei koe, kua ki ngā tauira mate o ngā rārangi wā rerewē." I tawhiri atu ia ki tētahi rōpū o ngā tamariki tekau mā rua e whai ana i ōku rekereke. "E waru noa iho āku tamariki," tana kī me te kanapa o ngā kanohi, "engari ka taea e au te aroha ki a koe!"

I te mea he mārā hua nui, e rua tekau mā rima eka momona kei a mātou, i pai ai ngā ākonga, ngā kaiako, me ahau ki ngā hāora maha o te mahi i waho i roto i ēnei taiao tino pai. He maha ā mātou mōkai, tae atu ki tētahi kuao tia i tino arohaina e ngā tamariki. I aroha nui hoki ahau ki te kuao, ā, i tukua e au kia moe i roto i tōku rūma.

I te atatu, ka neke haere te mea iti ki tōku moenga hei poipoi i te ata.

I tētahi rā i whāngai wawe atu ahau i te mōkai, nā te mea me mahi e au ētahi mahi i te tāone o Ranchi. Ahakoa i whakatūpato ahau i ngā tama kia kaua e whāngai i te kuao kia hoki mai rā anō ahau, kāore tetahi o rātou i whakarongo.

ā, i whāngai i te tamaiti tia ki te nui o te waiū. I taku hokinga mai i te ahiahi, ka tae mai te rongopouri: "Kua tata mate te kuao iti, nā te nui rawa o te kai."

I roto i ngā roimata, ka whakatakotoria e au te mōkai kua mate ki runga i ōku waewae. I inoi au ki te Atua kia whakaorangia tōna ora. I muri i ngā haora, ka puare ngā kanohi o te mea iti, ka tū ake, ka hikoi ngoikore. Ka hamama te kura katoa i te harikoa.

Engari i puta mai tētahi akoranga hōhonu ki ahau i taua pō, he akoranga e kore rawa e warewaretia e au. I noho ahau me te kuao tae noa ki te rua karaka, kātahi ka moe ahau. I puta mai te tia i roto i te moemoeā, ā, i kōrero mai ki ahau:

"Kei te pupuri koe i ahau. Tukua ahau kia haere;

tukua ahau kia haere!" "Pai," ka whakahoki ahau

i roto i te moemoeā.

ahau i ara ake tonu, me i tangi i waho, "E tama mā, te tia ko e mate ana!" Te tamariki tere ki taku taha

I oma ahau ki te kokonga o te rūma i whakatakotoria ai e au te mōkai. I ngana whakamutunga ia ki te whakatika, ka tūpono mai ki ahau, kātahi ka hinga ki ōku waewae, kua mate.

E ai ki te karma papatipu e ārahi ana, e whakahaere ana i ngā mutunga o ngā kararehe, kua mutu te ora o te tia, ā, kua rite ki te ahu whakamua ki tētahi āhua teitei ake. Engari nā taku piripono hohonu, i muri mai ka mōhio ahau he hiahia whaiaro, me aku inoi kaha, i taea e au te pupuri i a ia i roto i ngā herenga o te āhua kararehe e tohe ana te wairua kia tukuna atu. I inoi te wairua o te tia i roto i tētahi moemoeā nā te mea, me te kore taku whakaaetanga aroha, kāore ia e pai, kāore rānei e taea te haere. I taku whakaae tonu, ka haere ia.

Kua ngaro atu te pouri i ahau; ka kite anō ahau e hiahia ana te Atua kia aroha āna tamariki ki ngā mea katoa hei wāhanga o Ia, kia kaua e whakaaro pohehe ko te mate te mutunga o ngā mea katoa. Ko te tangata kuware e kite ana i te taiepa o te mate e kore e taea te hinga, e huna ana, me te mea nei mō ake tonu atu, i ana hoa aroha. Engari ko te tangata e kore e piripono, ko ia e aroha ana ki ētahi atu hei whakaaturanga a te Ariki, e mārāma ana i te matenga kua hoki mai ngā mea e arohaina ana e rātou hei wāhi manawa o te harikoa i roto i a Ia.

I tipu ake te kura o Ranchi mai i ngā tīmatanga iti, ngāwari, hei whare wānanga rongonui i Īnia. He maha ngā tari o te kura e tautokona ana e ngā takoha tūao a te hunga e harikoa ana ki te pupuri i ngā kaupapa mātauranga o ngā rishis. I raro i te ingoa whānui ko *Yogoda Sat-Sanga*, **27-4** Kua whakatūria ngā kura peka e tino angitu

ana ki Midnapore, Lakshmanpur, me Puri.

Kei te tari matua o Ranchi tētahi Tari Hauora e tukuna noatia ana ngā rongoā me ngā ratonga a ngā tākuta ki te hunga rawakore o te rohe. Neke atu i te 18,000 te tokomaha e rongoatia ana. ngā tāngata he tau Te *Vidyalaya* kua i hangaia tōna tohu, hoki, i roto Īnia whakataetae ngā hākinakina, ā, i roto i te ao mātauranga, i reira i whakanuia ai e te tini o ngā tauira tawhito o Ranchi i muri mai te oranga o te whare wānanga.

Te kura, ināianei i roto tōna rua tekau mā waru tau me te pokapū o he tokomaha ngā mahi, 27-5 kua kua whakahonoretia

nā ngā haerenga mai a ngā tāne rongonui o te Rawhiti me te Hauāuru. Ko tētahi o ngā tino tangata tuatahi ki te tiroiro i te *Vidyalaya* i tōna tau tuatahi ko Swami Pranabananda, te "tangata tapu e rua ōna tinana" a Benares. I a te rangatira nui e mātakitaki ana i ngā akomanga ataahua o waho, e tū ana i raro i ngā rākau, me te kite i te ahiahi e noho korekore ana ngā tama mō ngā hāora i roto i te whakaaroaro yoga, ka tino oho ia.

"He harikoa tōku ngākau," tana kī, "ki te kite i ngā kaupapa a Lahiri Mahasaya mō te whakangungu tika i ngā taiohi e whakatinanahia ana i roto i tēnei whare wānanga. Kia manaakitia tēnei e taku tohunga."

I te taha o tōku taha, ka pātai atu tētahi tamaiti tāne ki te yogi

nui. "E te Ariki," ka mea ia, "me noho ahau hei mōneka? Mō te

Atua anake rānei tōku ora?"

Ahako Swami Pranabananda menemene mārie, tāna ngā kanohi i wero te ā muri ake nei.

"E tama," ko tāna whakautu, "kia pakeke koe, kei reira tētahi wahine ataahua e tatari ana ki a koe." I moe te tama i muri i ngā tau maha e whakamahere ana kia uru atu ki te Ōta Swami.

I muri tata mai i te haerenga o Swami Pranabananda ki Ranchi, ka haere tahi māua ko tōku matua ki te whare o Calcutta, te wāhi i noho ai te yogi mō tētahi wā poto. Ko te poropititanga a Pranabananda, i korerotia mai ki ahau i ngā tau maha kua pahure ake nei, ka puta ake ki tōku hinengaro: "Ka kite ahau i a koe, me tōu matua, ā muri ake nei."

I te taenga mai o Pāpā ki te rūma o te swami, ka whakatika ake te yogi nui i tōna nohoanga, ka awhi i tōku mātua me te aroha me te whakaute.

"E Bhagabati," tana kī, "he aha tāu e mahi nei mōu ake? Kāore koe e kite i tāu tama e oma ana ki te Mutunga Kore?" I whakama ahau i te rongonga i tana whakamoemiti i mua i tōku matua. I haere tonu te swami, "Kei te mahara koe ki te maha o ngā wā i kī ai tō tātou guru tapu: ' *Banat, banat, ban jai* .' **26-6** Nō reira, kia mau tonu *te Kriya Yoga* , kia tere hoki te tae atu ki ngā tataua."

Ko te tinana o Pranabananda, i te mea i tino ora, i tino kaha hoki i taku haerenga tuatahi ki a ia i Benares, kua tino kitea tōna koroheketanga, ahako kei te tino tika tonu tōna tū.

"E Swamiji," ka pātai atu ahau, me te titiro tika atu ki ōna kanohi, "tēnā koa kōrerotia mai te pono: Kāore koe i te rongō i te koroheketanga? I te ngoikore haere

o te tinana, kei te heke haere rānei ō tirohanga ki te Atua ?"

Ātaata ana ia, he rite ki te anahera. "Kei te taha tonu ahau e te Aroha nui i tēnei wā." Nā tōna whakapono katoa i taupokina tōku hinengaro me tōku wairua. I haere tonu ia, "Kei te pai tonu ahau ki ngā penihana e rua - tētahi mai i Bhagabati i konei, tētahi mai i runga." I a ia e tohu ana i tōna maihao ki te rangi, ka hinga te tangata tapu ki te harikoa, ko tōna mata e tiaho ana i te kanapa atua - he whakautu nui ki taku pātai.

I taku kitenga he maha ngā tipu me ngā kete purapura i roto i te rūma o Pranabananda, ka pātai atu ahau mō te kaupapa o aua tipu.

"Kua wehe atu ahau i Benares mō ake tonu atu," tana kī, "ā, kei te haere ahau ki ngā maunga o Himalaya. Ka whakatuwheratia e ahau he whare karakia mō aku ākonga ki reira. Ka hua mai i ēnei purapura he pīnihi me ētahi atu huawhenua. Ka noho noa aku hoa aroha, ka noho i roto i te hononga Atua harikoa. Kāore he mea kē atu e hiahiatia ana."

Matua i pātaihia tāna teina ākonga āhea ia e whakahoki ki Calcutta.

"Kāore rawa," te whakahoki a te tangata tapu. "Ko tēnei tau te tau i kī mai ai a Lahiri Mahasaya ka whakarērea e au taku hoa aroha a Benares ake tonu atu, ka haere ki ngā maunga o Himalaya, ki reira ka maka atu i taku tinana mate."

I kī tonu ōku kanohi i ngā roimata i ana kupu, engari i menemene marino te swami. I whakamahara mai ia ki ahau i tētahi tamaiti nohinohi o te rangi, e noho haumarua ana i runga i ngā uma o te Whaea Tapu. Kāore he pānga kino o ngā tau ki te mana wairua tino nui o tētahi yogi nui. Ka taea e ia te whakahou i tōna tinana i tana e pai ai; engari i ētahi wā kāore ia e aro ki te whakaroa i te tukanga koroheketanga, engari ka tukua e ia tana karma kia mahi. i a ia anō i te ao tinana, e whakamahi ana i tōna tinana tawhito hei taputapu whakaora wā hei aukati i te hiahia ki te mahi i te karma i roto i tētahi whakatinanatanga hou.

Ngā Marama ā muri ake nei ahau tūtaki he tawhito hoa, Sanandan, ko wai i kotahi o Pranabananda's kati ngā ākonga.

"Kua riro taku tohunga ataahua," tana kī mai ki ahau, i waenganui i ngā tangi. "I whakatūria e ia tētahi whare karakia tata ki Rishikesh, ā, i homai e ia he whakangungu aroha ki a mātou. I a mātou e noho pai ana, me te tere haere o te mahi wairua i te ahunga whakamua o tana kamupene, i whakaaro ia i tētahi rā ki te whāngai i tētahi mano nui mai i Rishikesh. I pātai atu ahau he aha i hiahia ai ia ki tētahi nama nui pēnei.

"Koinei taku hui whakanui whakamutunga," ko tāna. Kāore au i mārara ki te tikanga katoa o āna kupu."

"I āwhina a Pranabanandaji ki te tunu kai nui. I whāngaihia e mātou te 2000 manuhiri. I muri i te hakari, ka noho ia ki runga i tētahi papa teitei, ā, ka kauwhau i tētahi kauwhau whakaaweawe mō te Mutunga Kore. I te mutunga, i mua i te titiro a te mano tini, ka tahuri mai ia ki ahau, i ahau e noho ana i tōna taha i runga i te papa, ā, ka kōrero ia me te kaha rerekē."

"Sanandan, kia kua whakaritea; ahau am e haere ana ki whana te anga 27-7 "

"Whai muri i te wā poto, ka karanga nui ahau, 'E te Ariki, kaua e mahi! Tēnā koa, tēnā koa, kaua e mahi!' Ko te mano i kore e kōrero, e mātakitaki mai ana ki a mātou me te hiahia. Ka menemene mai taku tohunga ki ahau, engari ko tana titiro

whakahīhi kua aro tonu ki te Ao Mure Kore.

"'Kaua e hiahia ki a koe anō,' ka mea ia, 'kaua hoki e pouri mōku. Kua roa ahau e mahi harikoa ana ki a koutou katoa; ināianeī Kia hari, kia ora ahau. Ka haere ahau ki te tūtaki ki taku Aroha o te Ao.' I roto i te reo hameme, ka tāpiri atu a Pranabanandaji, 'Ka whānau hou ahau i roto i te wā poto. I muri i te pārekareka ki te Harikoa Mutunga Kore mō tētahi wā poto, ka hoki mai ahau. ki te whenua, ka hono atu ki a Babaji. **27-8** "Kāore e roa ka mōhio koe ki te wā me te wāhi i whakakīia ai tōku wairua ki tētahi tinana hou."

"Ia i tangi anō, 'Sanandan, konei ahau whana te anga nā te tuarua *Kiria Yoga* . **27-9**

"I titiro ia ki te moana o ngā mata i mua i a mātou, ā, i manaaki. I te anga atu o tana titiro ki roto ki te kanohi wairua, ka kore ia e nekeneke. I te whakaaro o te mano pōhēhē kei te whakaaroaro ia i roto i te āhua harikoa, kua wehe atu ia i te tapenakara kikokiko, ā, kua rukuhia tōna wairua ki roto i te whānuitanga o te ao. I pā ngā ākonga ki tōna tinana, e noho ana i roto i te tūnga rēmana, engari kāore i te kikokiko mahana. He tinana pakari anake i toe; kua rere te kainoho ki te takutai ora tonu."

ahau i uiuia kei hea Pranabananda i ki kia whānau anō.

"He whakawhirinakitanga tapu tēnā e kore e taea e au te whakaatu ki tētahi," te whakahoki a Sanandan. "Tērā pea ka kitea e koe tētahi atu ara."

I ngā tau i muri mai ka kitea e au mai i a Swami Keshabananda 27-10 i haere a Pranabananda, i muri tata i ētahi tau i tōna whānautanga i roto i tētahi tinana hou, ki Badrinarayan i ngā maunga o Himalayas, ā, i reira ka uru atu ki te rōpū o te hunga tapu i te taha o te Babaji nui.

"Tena koa mahi kāore haere ki roto te wai. Tukua mātou kaukau nā tōia tō mātou ngā peere."

I te kōrero ahau ki ngā ākonga taitamariki o Ranchi i haere tahi mai me ahau i te hikoi e waru maero te roa ki he puke tata. He ātaahua te roto i mua i a mātou, engari kua ara ake te whakarihariha ki roto i tōku hinengaro.

I whai te rōpū i tōku taha i taku tauira o te tuku peere, engari i tukua e ētahi tama ki te whakamatautauranga o ngā wai matao. I muri tata tonu i tō rātou ruku, ka nekeneke haere mai ngā nakahi wai nunui i tō rātou taha. Ka puta mai ngā tama i te roto me te hihiko whakakatakata.

I pai ki a mātou te tina pikiniki i muri i tō mātou taenga ki tō mātou ūnga. I noho ahau i raro i tētahi rākau, i te taha o tētahi rōpū ākonga. I te kitenga i ahau i roto i te wairua whakahihiri, ka pātai mai rātou ki ahau.

"Tena koa, e te rangatira," te pātai a tētahi taitama, "mēnā ka noho tonu ahau ki a koe i te ara o te whakarēreatanga."

"Āe, kāore," ahau i whakautu, "koe ka kia ā-pūmau tangohia atu ki tōu kāinga, me ā muri ake nei koe ka marena."

I te kore whakapono, ka whakahē kaha ia. "Mēnā kua mate ahau ka taea ahau te kawē ki te kāinga." Engari i roto i ētahi marama, ka tae mai ōna mātua ki te tango i a ia, ahakoa tana ātete roimata; i muri i ētahi tau, i marena ia.

I muri i taku whakautu i ngā pātai maha, ka kōrero mai tētahi tamaiti ko Kashi tōna ingoa. Tekau mā rua ōna tau, he tauira mātau, ā, e arohaina ana e te katoa.

"E te Ariki," ia i mea, "he aha ka kia taku te aituā?"

"Koe me wawe tonu kia kua mate." Te whakautu i tae mai mai i taku ngutu me he kore e taea te ātete kaha

I ohorere, i pōuri hoki ahau me te hunga katoa i reira i tēnei whakakitenga ohorere. I riri puku ahau i ahau anō me te mea he *pēpi whakamatau*, ā, i whakakahore ahau ki te whakautu i ētahi atu pātai.

I runga tō mātou whakahoki ki te kura, Kāhi i tae mai ki taku rūma.

"Ki te mate ahau, ka kitea ahau e koe ina whānau hou ahau, ā, ka whakahokia mai ahau e koe ki te ara wairua?" I tangi ia.

I pēhia ahau ki te whakakore i tēnei kawenga uaua o te ao ngaro. Engari mō ngā wiki i muri mai, ka tohe tonu a Kashi ki ahau. I taku kitenga i a ia e matakū ana, ā, ka whakamarie ahau i a ia.

"Āe," ahau i oatitia. "Mēnā te Rangi Matua tuku moni Tōna āwhina, ahau ka whakamātau ki kimi koe."

I te hararei raumati, ka tīmata taku haerenga poto. I pouri ahau kāore i taea e au te kawē i a Kashi, ā, i mua i taku wehenga atu ka karanga atu ahau i a ia ki taku rūma, ā, i ata tohutohu atu ahau i a ia kia noho tonu i roto i ngā wiri wairua o te kura, ahakoa te kaha o ngā whakahē katoa. I whakaaro ahau mēnā kāore ia e hoki ki te kāinga, tera pea ka mawhiti ia i te aituā e tū mai nei.

Kāore i roa i muri i taku wehenga atu ka tae mai te matua o Kashi ki Ranchi. Mō ngā rā tekau mā rima ka ngana ia ki te wawahi i te hiahia o tana tama, me te whakamārama mēnā ka haere a Kashi ki Calcutta mō ngā rā e whā anake ki te kite i tōna whaea, kātahi ka taea e ia te hoki. I whakakahore tonu a Kashi. I te mutunga ka mea te matua ka haria e ia te tamaiti i tangohia atu mā te āwhina a ngā pirihimana. I whakararuraru a Kashi i te riri, kāore i pai kia waiho hei take mō te rongonui kino ki te kura. Kāore i kitea e ia he huarahi kē atu i te haere.

I hoki ahau ki Ranchi i muri i ētahi rā. I taku rongonga i te nekehanga atu o Kashi, ka tere tonu atu ahau ki Calcutta. I reira ka eke ahau ki tētahi waka hōiho. He mea whakamiharo, i te haerenga atu o te waka i tua atu o te piriti o Howrah i runga i te awa o Ganges, ka kite ahau i te matua o Kashi me ētahi atu whanaunga i roto i ngā kākahu tangi. I taku karanga atu ki taku taraiwa kia mutu, ka oma atu ahau, ka titiro matatau atu ki te matua pōuri.

"E te Ariki Kaikōhuru," ahau i tangi āhua koretake, "koe whai i mate taku tama!"

Kua mōhio kē te matua ki tana mahi hē i tana kawē mai i a Kashi ki Calcutta. I roto i ngā rā torutoru i noho ai te tamaiti ki reira, i kai ia i ngā kai poke, i pangia e te korara, ā, ka mate.

Ko tōku aroha ki a Kashi, me te kupu whakaari kia kitea ia i muri i te mate, i whaiwhai tonu ahau i te ao, i te pō. Ahakoa te wāhi i haere atu ai ahau, i puta tonu mai tōna mata ki mua i ahau. I tīmata taku rapunga i a ia, ahakoa i mua noa atu i taku rapunga i tōku whaea ngaro.

Kāhi, ngaro me kitea anō

Me te ngākau nui tonu, i mahi tonu ahau i te tikanga yoga mō te ono marama i muri i te matenga o Kashi. Rāpindranath Tākore Ā, ahau Whakataurite Ngā Kura

"Rāpindranath Tākore i whakaakona mātou ki waiata, hei he taiao puka o whaiaro te whakapuakitanga, rite te manu."

I homai e Bhola Nath, he tamaiti mārama tekau mā whā tau te pakeke i taku kura o Ranchi, tēnei whakamārama ki ahau i muri i taku mihi ki a ia i tētahi ata mō āna waiata reka. Ahakoa he whakaohoohe, ahakoa kāore, ka ringihia e te tamaiti he awa waiata. I mua i haere ia ki te kura rongonui o Tagore o "Santiniketan"

(Hanganga o te Rangimārie) i Bolpur.

"Kua rongo ahau i ngā waiata a Rabindranath mai anō i tōku tamarikitanga," i mea atu ahau ki taku hoa. "E koa ana ngā tāngata katoa o Bengal, tae atu ki ngā tāngata whenua kore mātauranga, ki tana whiti rangatira."

I waiata tahi māua ko Bhola i ētahi waiata a Tagore, nāna nei i tito ngā mano tini o ngā rotarota Īnia, ko ētahi he mea taketake, ko ētahi he mea tawhito.

"I tūtaki ahau ki a Rabindranath i muri tata mai i tana whiwhinga i te Tohu Nobel mō te tuhituhi," ko taku kī i muri i tana tā mātou whakapuakitanga. "I kukumea ahau ki te toro atu ki a ia nā te mea i miharo ahau ki tōna maia kore-tikanga ki te whakakore i ana kairīti tuhituhi." I kata ahau.

Pōra me te miharo i uiuia te kōrero

"I tino whakahēngia a Tagore e ngā tohunga mō te whakaurunga mai i tētahi momo hou ki roto i ngā rotarota Bengali," ka tīmata ahau. "I whakaranua e ia ngā kīanga kōrero me ngā kīanga tawhito, me te kore e aro ki ngā herenga kua whakaritea e arohaina ana e ngā ngākau o ngā tohunga. Kei roto i ana waiata te pono hohonu o te whakaaro i roto i ngā kupu whakamīharo, me te kore e aro ki ngā momo tuhituhi kua whakaaetia."

"I kīia a Rabindranath e tētahi kairīti whai mana, he 'kaituhi-kanohi kūkupa i hoko i ana waiata tānga mō te rūpī.' Engari kua tata te rapu utu a Tagore; i whakahonore te ao katoa o te Hauāuru i ōna waewae i muri tata mai i tana whakamāoritanga i tana pukapuka *Gitanjali* ("Ngā Tuku Waiata"). He tereina o ngā tohunga, tae atu ki āna kairīti o mua, i haere ki Santiniketan ki te tuku mihi."

"I manaaki a Rabindranath i ana manuhiri i muri i te whakaroa roa, kātahi ka rongo i tā rātou whakamoemiti i roto i te wā puku. Hei whakamutunga ka hurihia e ia ā rātou ake patu whakahē."

"E ngā rangatira,' ka mea ia, 'ko ngā whakahonore kakara e tukuna ana e kōrua i konei kua konatunatua ki ngā kakara pirau o tō kōrua whakahawe o mua. Tērā pea he hononga i waenganui i taku whakawhiwhinga i te Tohu Nobel, me ō kōrua kaha whakamihi ohorere? Ko au tonu te kaitito i whakakino i a kōrua i taku tuku tuatahi i aku putiputi iti ki te wāhi tapu o Bengal.'"

"I whakaputaina e ngā nūpepa tētahi kōrero mō te whiu maia a Tagore. I miharo ahau ki ngā kupu māia a tētahi tangata kāore i whakamoea e te whakapati," ka haere tonu ahau. "I whakaurua ahau ki a Rabindranath i Calcutta e tana hēkeretari, a Mr. CF Andrews, **29-1.** " he kākahu *dhota* Bengali noa iho tōna . I karanga aroha ia ki a Tagore ko tana *gurudeva* .

"I manaaki a Rabindranath i ahau me te atawhai. I puta mai i a ia te aura marino o te ataahua, te ahurea, me te ngākau rangatira. I tana whakautu i taku pātai mō tōna papamuri tuhituhi, i kī mai a Tagore ko tētahi puna tawhito o tōna hihiri, i tua atu i ā mātou pukapuka whakapono, ko te kaitito tawhito, ko Bidyapati."

I te hihiritanga o ēnei maharatanga, ka tīmata ahau ki te waiata i te waiata tawhito a

Tagore, "Whakamāramahia te Rama o Tō Aroha." I waiata harikoa māua ko Bhola i a māua e hikoi ana i ngā whenua o *Vidyalaya* .

Tata ki te rua tau i muri i te whakatūnga o te kura o Ranchi, i tae mai he pōwhiri mai i a Rabindranath kia toro atu ahau ki a ia ki Santiniketan hei matapaki i ā mātou kaupapa mātauranga. I haere harikoa ahau. I noho te kaitito i roto i tana rūma mahi i taku tomokanga atu; i whakaaro ahau i taua wā, pērā i tā māua hui tuatahi, he tino whakamiharo ia. he tauira o te tāne rangatira e hiahiatia ana e tetahi kaipeita. Ko tōna mata whakairo ataahua, he rangatira rangatira, he makawe roa me te pahau e rere ana. He kanohi nui, he rewa; he ataata anahera; me te

he reo rite ki te putorino, he tino ataahua. He pakari, he roa, he tūmārō, i whakakotahi ia i te ngawari me te mea he wahine me te ahuareka o te tamaiti. Kāore he whakaaro pai mō tērā pea ka kitea e te kaitito te whakaaturanga e tika ana mōna i tēnei kaiwaiata ngāwari.

Kāore i roa ka hohonu haere māua ko Tagore ki te rangahau whakatairite i ā māua kura, i whakatūria i runga i ngā huarahi rerekē. He maha ngā āhuatanga ōrite i kitea e māua - te ako i waho, te māmā, te whānuitanga o te wairua auaha o te tamaiti. Heoi, i aro nui a Rabindranath ki te ako i ngā tuinga me ngā rotarota, me te whakapuaki i a ia anō mā te puoro me te waiata, kua kite kē ahau i roto i te take o Bhola. I whai ngā tamariki Santiniketan i ngā wā o te wahangu, engari kāore i whakawhiwhia ki a rātou he whakangungu yoga motuhake.

I whakarongo te kaitito me te aro whakapati ki taku whakaahuatanga mō ngā mahi "Yogoda" whakahihiri me ngā tikanga arotahi yoga e whakaakona ana ki ngā ākongā katoa o Ranchi.

I kōrero mai a Tagore ki ahau mō āna ake raruraru mātauranga i te tīmatanga. "I oma ahau i te kura i muri i te tau rima," tana kī, me te kata. I mārāma wawe ahau ki te whakaiti i tana pūkenga rotarota ā-roto e te āhuarangi pōuri, whakararuraru o te rūma kura.

"Koia ahau i whakatuwhera ai i a Santiniketan i raro i ngā rākau marumaru me ngā kororia o te rangi." i tohu atu me te whaikōrero ki tētahi rōpū iti e ako ana i te mārā ataahua. "Kei roto te tamaiti i tōna taiao tūturu i waenganui i ngā putiputi me ngā manu waiata. Mā konei anake ka taea e ia te whakaatu katoa i te taonga huna o tōna ake taonga. Kāore e taea te whakakīkī me te pupuhi i te mātauranga pono mai i waho; engari "Me āwhina i te whakaputa ake i ngā taonga mutunga kore o te whakaaro nui i roto." **29-2**

I whakaae ahau. "Ko ngā kare ā-roto o te hunga rangatahi e hiahia ana ki ngā tohu rangatira me te hunga e karakia ana ki ngā toa, e kai ana i ngā tatauranga me ngā wā o te ao."

I kōrero aroha te kaitito mō tōna matua, mō Devendranath, nāna i whakaaweawe te tīmatanga o Santiniketan.

"I homai e Pāpā tēnei whenua momona ki ahau, kua oti kē i a ia te hanga he whare manuhiri me te temepara," te kōrero a Rabindranath ki ahau. "I tīmata taku whakamātautau mātauranga i konei i te tau 1901, me ngā tama tekau anake. Ko ngā waru mano pāuna i tae mai me te Tohu Nobel i pau katoa ki te tiaki i te kura."

Te kaumātua Tākore, Devendranath, mōhiotia tawhiti me whānui hei "Maharihi," i he tino he tangata whakamiharo, e kitea ana i roto i tana *Pukapuka Whaiaro*. E rua

tau o tōna pakeketanga i pau ki te whakaaroaro i ngā maunga o Himalaya. Nā reira, i whakanuia tōna matua, a Dwarkanath Tagore, puta noa i Bengal mō āna mahi atawhai nui ki te marea. Mai i tēnei rākau rongonui i puta mai ai tētahi whānau o ngā tohunga mohio. Ehara i te mea ko Rabindranath anake; kua wehea katoatia ōna whanaunga i roto i te auahatanga. Ko ōna teina, ko Gogonendra rāua ko Abanindra, kei roto i ngā kaitoi rongonui ~~29-~~ **3** o Īnia; tētahi atu teina, Dwijendra, ko he tirohanga hōhonu tohunga whakaaro, i nā wai ngawari waea ka whakautu ngā manu me ngā mea ora o te ngahere.

I karangahia ahau e Rabindranath kia moe i te whare manuhiri mō te pō. He tino ataahua te kitenga i te kaitito e noho tahi ana me tētahi rōpū i te taupee i te ahiahi. Ka hoki whakamuri te wā: ko te

I rite te āhua i mua i ahau ki tētahi whare karakia tawhito - te kaiwaiata harikoa e karapotia ana e ana tāngata karakia, kua whakakikoruatia katoatia ki te aroha atua. I whatu a Tagore i ia here ki ngā taura o te rangimārie. Kāore i te whakahihi, i tuhi ia, ā, i hopu i te ngākau mā te aukume e kore e taea te ārai. He putiputi onge o te rotarota e puāwai ana i te mārā o te Ariki, e kukume ana i ētahi atu mā te kakara taiao!

I roto i tōna reo waiata, ka pānui mai a Rabindranath i ētahi o āna rotarota ataahua, he mea hanga hou. Ko te nuinga o āna waiata me āna whakaari, i titoa hei whakanui i āna ākongā, i titoa ki Santiniketan. Ko te ataahua o āna rārangi, ki ahau nei, kei roto i tana mahi toi ki te kōrero mō te Atua i roto i ngā waiata katoa. he whiti, engari he onge te whakahua i te Ingoa tapu. "E haurangi ana i te harikoa o te waiata," i tuhituhi ia, "ka wareware ahau ki a au anō, ka karanga ahau i a koe he hoa, ko koe tōku ariki."

I te aonga ake, i muri i te tina, ka poroporoaki au ki te kaitito me te āwangawanga. E hari ana ahau kua tupu tana kura iti hei whare wānanga o te ao, "Viswa-Bharati," kua kitea e ngā tohunga o ngā whenua katoa he wāhi pai.

"Kei hea te hinengaro kāore he wehi, ā, kei te teitei te māhunga; Kei hea te mātauranga e kore utu ana; Ki te wāhi kāore te ao i pakaruhia e ngā taiepa whaiti o roto;

Kei hea ngā kupu haere mai i waho mai i te hōhonutanga o te pono; Kei hea kore e nenge e tohe ana totoro tōna ngā ringa ki te taha tino pai;

Ki te wāhi kāore te awa mārāma o te whakaaro i ngaro i tōna ara ki roto i te onepū koraha pouri o te tikanga mate;

Ko te wāhi e arahina ana te hinengaro e Koe ki te whakaaro me te mahi e whānui haere tonu ana;

"Ki roto i taua rangi o te herekoretanga, e tōku Matua, tukua tōku whenua kia ara ake!" **29-4**

Te Ture o Ngā merekara

I tuhituhi te kaituhi rongonui a Leo Tolstoy i tētahi kōrero whakamīharo, *ko Ngā Heremite Tokotoru*. Ko tana hoa a Nicholas Roerich **30-1** kua whakarāpopototia te kōrero, penei:

"I runga i tētahi moutere e toru ngā kaumātua hermit e noho ana. He tino māmā noa iho rātou, ko tā rātou inoi anake i whakamahia ko: 'E toru mātou; e toru koe - aroha mai ki a mātou!' I puta mai ngā merekara nunui i roto i tēnei inoi kuware."

"Ko te pīhopa o te rohe **30-2** i tae mai ki te whakarongo ki ngā kōrero mō ngā hermit tokotoru me tā rātou inoi kore e whakaaetia, ā, ka whakatau ia ki te toro atu ki a rātou kia akona ai rātou ki ngā karanga tapu. I tae atu ia ki te moutere, ka kōrero ki ngā hermit kāore i te whakautehia tā rātou inoi rangi, ā, he maha ngā karakia tuku iho i whakaakona ai rātou. Kātahi ka wehe atu te pīhopa i runga poti. I kite ia, e whai ana i te kaipuke, i tētahi māramatanga kanapa. I a ia e whakatata mai ana, ka kite ia i ngā hermit tokotoru, e pupuri ringa ana, e oma ana i runga i ngā ngaru i te ngana ki te hopu i te kaipuke.

“‘Kua wareware mātou ki ngā inoi i whakaakona mai e koe ki a mātou,’ i tangi ai rātou i tō rātou taenga atu ki te pīhopa, ‘ā, kua hohoro mātou ki te tono atu kia whakahuatia anō e koe.’ I ruru te pīhopa i tōna māhunga me te wehi.

hunga tapu tokotoru i runga i te wai?

Me pēhea i mahi Karaiti whakaara anō tāna ripekatia tinana?

Me pēhea i mahi Rāhiri Mahasaya me Hīri Yukteswar mahi tā rātou ngā merekara?

Kāore anō kia kitea he whakautu e te pūtaiao o ēnei rā; ahakoa nā te taenga mai o

te poma atomika me ngā mea whakamiharo o te radar, kua whānui haere te whānuitanga o te hinengaro-ao. Kei te iti haere te rongonui o te kupu "kore e taea" i roto i te papakupu pūtaiao.

E kī ana ngā karaipiture Vedic tawhito e whakahaerehia ana te ao tūroa i raro i te ture taketake kotahi o te *maya* , arā, te kaupapa o te whanaungatanga me te takiruatanga. Ko te Atua, te Ora Kotahi, he Kotahitanga Tuturu; Ko Ia kāore e taea te puta hei whakaaturanga motuhake, kanorau hoki o tētahi mea hanga engari i raro i tētahi mea teka, i tētahi mea rānei

he arai koretake. Ko taua mānukanuka o te ao ko *Maya* . Ko ia kitenga pūtaiao nui o ēnei rā kua waiho hei whakaū i tēnei whakapuakitanga ngāwari a ngā rishis.

Ko te Ture Nekehanga a Newton he ture o te *maya* : "He rite tonu te tauhohenga o ia mahi, ā, he tauhohenga rerekē; he rite tonu te ahunga o ngā mahi tahi a ngā tinana e rua." Nō reira, he tino ōrite te mahi me te tauhohenga. "Kāore e taea te whai i te kaha kotahi. Me whai, ā, kei te whai tonu, i te takirua o ngā kaha he rite, he rerekē."

Ko ngā mahi taketake o te taiao e whakaatu ana i tō rātou pūtake mai i te ao tūroa. Hei tauira, ko te hiko he āhuatanga o te pana me te kukume; ko ōna irahiko me ōna porotona he rerekē te hiko. Ko tētahi atu tauira: ko te ngota, ko te matūriki whakamutunga rānei o te mea, he rite ki te whenua tonu, he aukume me ngā pou pai me ngā pou kino. Kei raro te ao whakamiharo katoa i te mana o te polarity; kāore he ture ahupūngao, matū, tetahi atu pūtaiao rānei e kitea ana he korekore i ngā mātāpono rerekē, rerekē rānei.

Nō reira, kāore e taea e te pūtaiao ā-tinana te whakatakoto ture i waho o *te Maya* , te kakano me te hanganga o te hanganga. Ko te taiao tonu he *Maya* ; me aro tonu te pūtaiao ā-taiao ki tōna āhua kore e taea te karo. I roto i tōna ake rohe, he mure ore ia, ā, kāore e pau; kāore e taea e ngā kaipūtaiao o muri mai te mahi i tua atu i te rapu i tētahi āhuatanga i muri i tētahi o tōna mutunga kore. Nō reira, kei te noho tonu te pūtaiao i roto i te rere tonu, kāore e taea te tae ki te mutunga; he tika ki te whakatakoto ture o tētahi ao kua noho kē, kua mahi kē, engari kāore e taea te kite i te Kaihanga Ture me te Kaiwhakahaere Kotahi. Kua mōhiotia ngā whakaaturanga rangatira o te kaha ā-papa me te hiko, engari he aha te kaha ā-papa me te hiko, kāore he tangata e mōhio ana. **30-3**

o Īnia. Kei konei tētahi tohunga whakahirahira, e okioki ana ki tētahi tokotoko rakau hei tautoko i te whakaaroaro, e whakauru ana i tana ākonga ki ngā mea ngaro nui o te Wairua.

Ko te wikitoria i a *Maya* te mahi i tukuna ki te tangata e ngā poropiti o te mano tau. Ko te piki ake i te takirua o te hanganga me te kite i te kotahitanga o te Kaihanga i whakaarohia ko te whāinga matua a te tangata. Ko te hunga e piri ana ki te maminga o te ao me whakaae ki tana ture matua o te wehenga: te rere me te heke, te piki me te heke, te ao me te pō, te ahua eka me te mamae, te pai me te kino, te whānautanga me te mate. Ko tēnei tauira hurihuri e mau ana i te ahua hoha, i muri i te haerenga o te tangata i roto i ētahi mano whānautanga tangata; ka tīmata ia ki te titiro tumanako ki tua atu i ngā akiaki a *Maya*.

Ko te haehae i te arai o *te maya* he wero i te mea ngaro o te hanganga. Ko te yogi e whakakore ana i te ao whānui ko ia anake te tangata whakapono ki te atua kotahi. Ko ētahi atu katoa kei te karakia ki ngā whakapakoko tauwi. I te mea kei raro tonu te tangata i ngā whakaaro pohehe takirua o te taiao, ko te *Maya kanohi-Hanihi* tōna atua wahine; e kore e taea e ia te mōhio ki te Atua pono kotahi.

Ko te maminga o te ao, *ko te maya*, e kiia ana ko *te avidya*, arā, ko te tikanga, "kore-mōhiotanga", ko te kuware, ko te pohehe. Kāore e taea te whakangaro i a *Maya*, i a *avidya* rānei mā te whakapono hinengaro, mā te tātari rānei, engari mā te whakatutuki i te āhua o roto o *te nirbikalpa samadhi*. Ko ngā poropiti o te Kawenata Tawhito, me ngā matakite o ngā whenua me ngā reanga katoa, i kōrero mai i taua āhua o te hinengaro. E mea ana a Ehekiera (43:1-2): "Muri iho ia i kawea mai ahau ki te keti, ahakoa te keti tērā titiro ki te taha te rawhiti: ā, "Na, ko te kororia o te Atua o Iharaira e puta mai ana i te ara ki te rawhiti: ko tona reo i rite ki te haruru o nga wai maha: a whiti ana te whenua i tona kororia." Ma te kanohi atua i te rae (ki te rawhiti), ko te Ka whakaterea e te yogi tōna hinengaro ki ngā wāhi katoa, ka rongo i te Kupu, i te Aum rānei, te tangi atua o ngā wai maha, o ngā wiri rānei, koinei anake te ao tūturu o te hanganga.

I roto i ngā tiriona mea ngaro o te ao tūroa, ko te mea tino whakamiharo ko te mārāma. Kāore i rite ki ngā ngaru oro, e hiahia ana ki te hau, ki ētahi atu rauemi rauemi rānei hei tuku, ka haere noa ngā ngaru mārāma i roto i te korehau o te wāhi i waenga i ngā whetu. Ahakoa te etera whakapae, e puritia ana hei reo whakawhitiwhiti aorangi mō te mārāma i roto i te ariā hurihuri, ka taea te whakakore i runga i ngā take Einsteinian e kī ana ko ngā āhuatanga āhuahanga o te wāhi e kore e hiahiatia te ariā o te etera. I raro i tētahi o ngā whakapae, ko te mārāma tonu te mea tino ngawari, te mea tino herekore i te whakawhirinakitanga rauemi, o tētahi whakaaturanga taiao.

I roto i ngā ariā nunui a Einstein, ko te tere o te mārāma - 186,000 maero ia hekona - te mea e whakahaere ana i te Ariā Whānuitanga katoa. E whakaatu ana ia i roto i te

pāngarau ko te tere o te mārama, e ai ki te hinengaro mutunga kore o te tangata, ko ia anake *te pumau* i roto i te ao hurihuri e kore e taea te pupuri. Ko te tino tere o te mārama te mea e whakawhirinaki ana ki ngā paerewa tangata katoa mō te wā me te wāhi. Ehara i te mea he mutunga kore e rite ki te whakaaro o mua, ko te wā me te wāhi he āhuatanga whanaunga, he mutunga kore hoki, e puta ai tō rātou mana ine i runga i te ine o te tere o te mārama. I te hono i te wāhi hei whanaungatanga ā-ahu, kua tukua e te wā ngā kereme tawhito ki tētahi uara kore e rerekē. Kua tangohia te wā ki tōna āhua tika - he mauri noa iho o te koretake! Mā te torutoru o ngā whiu whārite o tana pene, kua peia e Einstein i te ao tūroa ngā mooni pumau katoa engari ko te mārama.

I roto i tētahi whanaketanga i muri mai, ko tana Unified Field Theory, ka whakatinanahia e te tohunga ahupūngao nui ngā ture o te kaha ā-papa me te hikohiko i roto i tētahi tauira pāngarau. Te whakaiti i te ao tūroa

hanganga ki ngā rerekētanga i runga i te ture kotahi, Einstein 30-4 ka toro atu puta noa i ngā reanga ki ngā rishi nāna i kī ko te kakano anake o te hanganga - arā, nō te pūroteana *Maya* .

Kua ara ake ngā āheinga pāngarau mō te tūhura i te ngota mutunga i roto i te Ariā Whakawhanaungatanga o te Ao. Inaianei, kei te maia te kī a ngā kaipūtaiao nunui ehara i te mea ko te ngota he pūngao anake, ehara i te mea he matū, engari ko te pūngao ngota he mea hanga ki te hinengaro.

"Ko te mōhio pono ko te pūtaiao ā-tinana e pā ana ki te ao o ngā atarangi tētahi o ngā whanaketanga nui rawa atu," te tuhituhi a Tā Arthur Stanley Eddington i roto i te pukapuka *The Nature Of The Physical World* . "I te ao ahupūngao ka mātaki mātou i tētahi whakaaturanga atarangi o te whakaari o te ao kua mōhiotia. Ka tau te atarangi o tōku tuke ki runga i te tēpu atarangi i te mea ka rere te mangumangu atarangi ki runga i te pepa atarangi. He tohu katoa, ā, hei tohu ka wehe atu te tohunga ahupūngao. Kātahi ka tae mai te Hinengaro alchemist e whakaputa ke ana i ngā tohu.Ki te kī i te whakatau matapōkere, ko ngā mea o te ao ko te hinengaro-

I te kitenga o te karu hikohiko i ngā wā tata nei, i puta mai he taunakitanga mārama mō te mauri o te māramatanga o ngā ngota me te takiruatanga kore e taea te karo o te taiao. I tukuna e *te New York Times* te pūrongo e whai ake nei mō te whakaaturanga o te karu hikohiko i te tau 1937 i mua i te hui a te American Association mō te Whakatairanga i te Pūtaiao:

"Ko te hanganga tioata o te tungsten, i mua tata nei kāore i te mōhiotia ā-waha mā roto i ngā hihi-X, i tū māia te whakatakoto i runga i te mata rama, e whakaatu ana i ngā ngota e iwa i ō rātou tūranga tika i roto i te whatunga ātea, he poraka, me te ngota kotahi i ia kokonga, me te ngota kotahi i waenganui. I puta ngā ngota i roto i te whatunga tioata o te tungsten i runga i te mata rama hei pūwāhi mārama, i whakaritea i roto i te tauira āhuahanga. Ki te taha o tēnei poraka mārama tioata, ka kitea ngā ngota hau e pupuhi ana hei pūwāhi mārama e kanikani ana, he rite ki ngā pūwāhi mārama e kanapa ana i runga i ngā wai e neke ana. . . .

"I kitea tuatahitia te kaupapa o te karu hikohiko i te tau 1927 e ngā Tākuta Clinton J. Davisson rāua ko Lester H. Germer o ngā Whare Taiwhanga Waea Bell, i te Tāone o Niu Ioka, ā, i kitea e rāua he āhua takirua tō te hikohiko e whai wāhi ana ki te āhuatanga o te matūriki me te ngaru. Nā te kounga o te ngaru i hoatu te āhuatanga

o te mārāma ki te hikohiko, ā, i tīmatahia he rapunga hei rapu huarahi mō te 'arotahi' i ngā hikohiko i te huarahi e rite ana ki te arotahi o te mārāma mā te arotahi."

"Mō tana kitenga i te kounga Jekyll-Hyde o te irahiko, i tautoko i te matapae i mahia i te tau 1924 e De Broglie, te tohunga ahupūngao toa Nobel o Wīwī, me te whakaatu he takirua ngā tuakiri o te ao katoa o te taiao, i whakawhiwhia anō a Tākuta Davisson ki te Tohu Nobel mō te ahupūngao."

"Ko te awa o te mātauranga," te tuhituhi a Tā James Jeans i roto i *te pukapuka The Mysterious Universe*, "kei te anga atu ki tētahi ao tūroa ehara i te mea hangarau; ka tīmata te ao ki te āhua rite ki tētahi whakaaro nui, kaua ki tētahi mīhini nui." Nō reira, kei te rite te pūtaiao o te rautau rua tekau ki tētahi whārangi o ngā *Veda tawhito*.

Mai i te pūtaiao, ki te mea me pērā, me ako te tangata i te pono matatika kāore he ao tūroa; ko tōna aho me tōna aho he *maya*, he mānumanu. Ko ōna whakaataata o te mooni ka pakaru katoa i raro i te tātaritanga. I te hinganga o ngā tautoko whakamarie o te ao tūroa i raro i a ia, ka mārama te tangata ki tōna whakawhirinaki ki te whakapakoko, ki tana takahi i te ture atua i mua: "Kaua he atua kē atu i ahau."

I roto i tana whārite rongonui e whakamārama ana i te ōritetanga o te papatipu me te pūngao, i whakamatau a Einstein ko te pūngao i roto i tētahi matūriki o te mea he rite ki tōna papatipu, ki tōna taumaha rānei, kua whakareatia ki te tapawhā o te tere o te mārama. Ko te tukunga o ngā pūngao ngota ka puta mā te whakangaromanga o ngā matūriki rauemi. Ko te "matenga" o te mea ko te "whānautanga" o te Wā Ngota.

He paerewa pāngarau, he pūmau rānei te tere o te mārama, ehara i te mea he uara tino tika kei roto i te 186,000 maero ia hekona, engari nā te mea kāore he tinana rauemi, e piki haere ana tōna papatipu me tōna tere, e eke ki te tere o te mārama. Mēnā ka kīia tētahi atu huarahi: ko te tinana rauemi anake he mutunga kore tōna papatipu ka taea te rite ki te tere o te mārama.

. Tenei Te whakaaro Ka kawea mai Mātou Ki Te Ture o Ngā merekara

Ko ngā rangatira e kaha ana ki te whakaputa tinana, ki te tango atu rānei i ō rātou tinana, i tētahi atu mea rānei, ā, ka neke tahi me te tere o te māramatanga, me te whakamahi i ngā hihi mārama auaha hei whakaatu wawe i te tirohanga. tetahi ā-tinana te whakaaturanga, whai kua tutuki te e tika ana Einsteinian āhuetanga: he mutunga kore tō rātou papatipu.

Ko te hinengaro o te yogi tino pai ka honoa ngāwaritia, ehara i te mea he tinana whaiti, engari he hanganga ao whānui. Ko te kaha ā-papa, ahakoa ko te "kaha" o Newton, ko te "whakaaturanga o te korekore" rānei a Einstein, kāore e kaha ki *te akiaki* i te rangatira ki te whakaatu i te āhuetanga o te "taumaha" koia te āhua ā-papa motuhake o ngā mea katoa. Ko te tangata e mōhio ana ki a ia anō ko te Wairua e noho ana i ngā wāhi katoa, kāore ia e pāngia e te pakari o te tinana i te wā me te wāhi. Ko ō rātou "mowhiti-kore-e-haere" e mauhere ana kua tuku ki te whakarewa: "Ko au ia."

"Fiat lux! Ā, ko te māramatanga." Nā te whakahau tuatahi a te Atua ki tāna hanganga kua whakaritea (*Kenese* 1:3) i puta ai te ao atomika kotahi: te māramatanga. Kei runga i ngā hihi o tēnei mea kore-tinana ngā whakaaturanga atua katoa. E whakaatu ana ngā kaikarakia o ia tau ki te putanga mai o te Atua hei mura me te māramatanga. "Ko te Kīngi o ngā kīngi, ko te Ariki o ngā ariki; ko ia anake te tangata e kore e mate, e noho ana i te māramatanga e kore e taea e te tangata te whakatata atu." **30-5**

Ko te yogi, nā te whakaaroaro tino tika, kua honoa tōna hinengaro ki te Kaihanga, ka kite i te mauri o te ao hei māramatanga; ki a ia kāore he rerekētanga i waenga i ngā hihi mārama e tito ana. te wai me ngā hihi mārama e tito ana i te whenua. He korekore i te māramatanga ki te matū, he korekore i ngā taha e toru o te wāhi me te taha tuawhā o te wā, ka whakawhiti te rangatira i tōna tinana mārama me te ngāwari ōrite ki runga i ngā hihi mārama o te whenua, te wai, te ahi, te hau rānei. Mā te aro roa ki te kanohi wairua whakaora ka taea e te yogi te whakangaro i ngā whakaaro pohehe katoa e pā ana ki te matū me tōna taumaha kaha; mai i taua wā ka kite ia i te ao whānui he puranga mārama kāore i te rerekē.

"Whārangi Tirohanga ngā whakaahua," Tākuta L. T. Troland o Harvard kōrero mātou, "kei te i hangaia ake i runga te ōrite kaupapa hei te

ngā whakairo 'haurua-oro' noa; arā, he mea hanga mai i ngā ira iti, i ngā kōpikopiko rānei, he iti rawa te kitea e te kanohi. He tino kaha te aro o te retina, ā, he mea ātaahua te tirohanga

"Ka taea te whakaputa i te kare ā-roto mā te iti noa o te Quanta o te momo mārāma tika." Mā te mōhiotanga atua o te rangatira mō ngā āhuatanga mārāma, ka taea e ia te whakaatu tonu ki roto i te whakaaturanga e kitea ana ngā ngota mārāma e horapa ana. Ko te āhua tuturu o te whakaaturanga - ahakoa he rākau, he rongoā, he tinana tangata - e rite ana ki ngā mana o te yogi ki te hiahia me te tirohanga.

I roto i te hinengaro moemoeā o te tangata, i te wā kua wetekina e ia tana pupuri i ngā here whaiaro e karapoti ana i a ia i ia rā, ka whakaatuhia te mana nui o tōna hinengaro i ia pō. Nana, kei reira i roto i te moemoeā e tū ana ngā hoa kua mate, ngā whenua tawhiti rawa, te hunga kua ara ake. ngā whakaaturanga o tōna tamarikitanga. Me taua hinengaro herekore, kore here, e mōhiotia ana e te tangata katoa i roto i ngā āhuatanga o ngā moemoeā, kua hangaia e te rangatira kua whakaritea e te Atua he hononga kāore i motuhia. He harakore ia i ngā kaupapa whaiaro katoa, ā, mā te whakamahi i te hiahia auaha i homai ki a ia e te Kaihanga, ka whakarite te yogi i ngā ngota mārāma o te ao kia ea ai tetahi inoi pono a te tangata karakia. Mō tēnei kaupapa i hangaia ai te tangata me te mea hanga: kia ara ake ia hei rangatira mō te *maya*, me te mōhio ki tōna mana ki runga i te ao whānui.

"Na ka mea te Atua, Kia hanga tātou i te tangata kia rite ki a tātou, kia rite ki a tātou: a kia whai mana rātou "Ki runga i ngā ika o te moana, ki runga hoki i ngā manu o te rangi, ki runga hoki i ngā kararehe, ki runga hoki i te whenua katoa, ki runga hoki i ngā mea ngokingoki katoa e ngokingoki ana i runga i te whenua." **30-6**

I roto 1915, i roto i ngā wā poto i muri ahau i a i tomo te Swami Ōta, ahau i kite he tirohanga o tutu ngā rerekētanga I roto i taua mea te whanaungatanga o tangata hinengaro i mārāma kua whakatūria; ahau mārāma i kitea te kotahitanga o te Māramatanga Mutunga Kore i muri i ngā takirua mamae o te *maya*. I tau mai te tirohanga ki ahau i ahau e noho ana i tētahi ata i roto i taku rūma iti i runga i te tuanui i te kāinga o Matua i Gurpar Road. Mō ngā marama kua mura te Pakanga Tuatahi o te Ao i Ūropi; i whakaaroaro pōuri ahau ki te nui o te mate.

I a au e katia ana ōku kanohi e whakaaroaro ana, ka huri whakarere tōku hinengaro ki te tinana o te kāpene e whakahaere ana i tētahi kaupuke whawhai. I te wā i whakawhitiwhiti ai ngā pū i waenga i ngā pākahiko o uta me ngā pū o te kaupuke, ka pakaru te kaupuke i te matā paura, ka haehaea te kaupuke. I peke atu ahau ki te wai, me ētahi heramana torutoru i ora mai i te pahūtanga.

I te pā o te ngākau, ka tae ora ahau ki te takutai. Āe! i mutu te rere kino a te matā i roto i tōku uma. I hinga ahau me te aue ki te whenua. I pararutiki tōku tinana katoa, engari i mōhio ahau kei roto ahau i te pararutiki me te mea kei te mōhio te tangata kei te moe tetahi waewae.

"Kua mau mai te tapuwae ngaro o te Mate ki ahau," i whakaaro ahau. I te mutunga o taku aue, kua tata ahau te toremi ki te kore mohio, kātahi ahau ka noho i roto i te tūnga rēmana i roto i taku rūma i Gurpar Road.

I maringi ngā roimata i ahau e mirimiri ana, e pītiti ana i taku taonga i whakahokia mai - he tinana kua kore he pū matā i te uma. I rūrū ahau ki mua, ki muri, me te manawa me te manawa ki waho hei whakapumau i ahau kei te ora ahau. I waenganui i ēnei mihi ki a au anō, ka kitea anō e au kua whakawhitia tōku hinengaro ki te tinana mate o te kāpene i te takutai toto. Ka tau mai te pōhēhē o te hinengaro ki ahau.

"E te Ariki," ahau i inoi, "ahau ahau mate rānei ora?"

I kī te tirohanga whānui i te ao mārama. I puta he wiri ngawari hei kupu:

"He aha te pānga o te ora, o te mate rānei ki te Māramatanga? I hanga koe e ahau ki te āhua o taku Māramatanga. Ko te "Nō te moemoeā ao whānui ngā whanaungatanga o te ora me te mate. Tirohia tō wairua kore moemoeā! E ara, e taku tamaiti, e ara!"

Hei takahanga i roto i te ara ake o te tangata, ka whakaaweawe te Ariki i ngā kaupūtaiao kia kitea, i te wā tika me te wāhi tika, ngā mea ngaro o tana hanganga. He maha ngā kitenga hou e āwhina ana i te tangata ki te mārama ki te ao whānui hei whakaaturanga rerekē o te mana kotahi-mārama, e arahina ana e te mātauranga atua. Ko ngā mea whakamiharo o te pikitia nekehanga, o te reo irirangi, o te pouaka whakaata, o te radar, o te pūtau whakaahua-hiko - te "kanohi hiko" e kite ana i ngā mea katoa, o ngā kaha ngota, e ahu mai ana i te āhuetanga hikohiko o te mārama.

Ka taea e te toi kiriata te whakaatu i tētahi merekara. Mai i te tirohanga whakamiharo, kāore he mea whakamiharo e āraia ana ki te tinihanga i te whakaahua. Ka kitea te tinana whetu mārama o te tangata e ara ake ana i tōna āhua tinana, ka taea e ia te hikoi i runga i te wai, te whakaara i te hunga mate, te huri i te raupapa taiao o ngā whanaketanga, me te takaro i te whakangaromanga o te wā me te wāhi. Mā te kohikohi i ngā whakaahua mārama e pai ana ki a ia, ka tutuki i te kaiwhakaahua ngā mea whakamiharo whatu e hangaia ana e te tohunga pono me ngā hihi mārama tūturu.

Ko ngā whakaahua ora o te kiriata e whakaatu ana i ngā pono maha e pā ana ki te hanganga. Nā te Kaiwhakahaere Ao i tuhi āna ake whakaari, ā, i kohikohi i ngā tira nui mō te whakaaturanga o ngā rautau. Mai i te whare pōuri o te mutunga kore, ka ringihia e Ia tana hihi auaha mā roto i ngā kiriata o ngā tau, ā, ka makahia ngā pikitia ki te mata o te wāhi. Pērā i te āhua tūturu o ngā whakaahua kiriata, engari he huinga noa iho o te mārama me te atarangi, waihoki ko te momo ao whānui he āhua tinihanga. Ko ngā porowhita aorangi, me ō rātou momo ora maha, he āhua noa iho i roto i te kiriata ao, he pono mō te wā poto ki ngā tirohanga e rima i te wā e makahia ana ngā whakaaturanga ki te mata o te hinengaro o te tangata e te hihi auaha mutunga kore.

Ka taea e te hunga mātaakitaki kiriata te titiro ake, ka kite kei te puta mai ngā whakaahua katoa o te mata mā te hihi kotahi o te māramatanga kore whakaahua. Waihoki, kei te puta mai te whakaari karakara o te ao mai i te māramatanga mā kotahi o te Pūtake Ao. Me te mohio kore e taea te whakaaro, kei te whakarite te Atua i tētahi whakangahau mō āna tamariki tangata, e hanga ana i a rātou hei kaiwhakaari me hei hunga mātaakitaki hoki i roto i tana whare tapere aorangi.

I tētahi rā ka tomo ahau ki tētahi whare pikitia ki te mātaki i tētahi kiriata pūrongo mō ngā papa pakanga o Ūropi. I te haere tonu te Pakanga Tuatahi o te Ao i te Hauāuru; i hopukina te kiriata pūrongo i te parekura me te tino pono, ā, I wehe atu ahau i te whare tapere me te ngākau pouri.

"E te Ariki," ahau i inoi, "he aha ai me mahi Koe whakaaetanga pērā te mamae?"

I tino ohorere ahau, i te taenga mai o tētahi whakautu i roto i te āhua o tētahi tirohanga ki ngā papa pakanga o Ūropi. Ko te whakamataku o te pakanga, kī tonu i te hunga mate me te hunga e mate ana, i tino kaha rawa atu i tērā.

tetahi te māngai o te kiriata pūrongo

"Tirohia marietia!" I kōrero mai tētahi reo mārie ki roto i tōku hinengaro. "Ka kite koe ko ēnei whakaaturanga e whakaaritia ana i Parani he whakaari noa iho. He kiriata ao whānui ēnei, he tūturu, he kore tūturu hoki, pērā i te kiriata rongonui o te whare tapere kua mātakitakihia e koe - he whakaari i roto i tētahi whakaari."

Kāore anō kia whakamarietia tōku ngākau. I haere tonu te reo atua: "He mārāma, he atarangi te hanganga, ki te kore, kāore he pikitia e taea. Me huri tonu te pai me te kino o *Maya* i roto i te mana rangatira. Me i mutu te harikoa i konei i tēnei ao, ka rapua rānei e te tangata tētahi atu? Ki te kore he mamae, kāore ia e aro ki te mahara kua whakarērea e ia tōna kāinga mutunga kore. He mea whakaoho te mamae ki te mahara. Ko te huarahi mawhiti ko te whakaaro nui! He mea koretake te aituā o te mate; ko te hunga e wiri ana ki a ia he rite ki te kaiwhakaari kuware e mate ana i te wehi i runga i te atamira i te wā kāore he mea atu i pupuhia ki a ia i te kātore kau. Ko aku tama he tamariki a te māramatanga; e kore rātou e moe tonu i roto i te pohehe."

Ahakoia i pānui ahau i ngā kōrero o te karaipiture mō *Maya*, kāore i homai e rātou te māramatanga hohonu i puta mai i roto i ngā kitenga whaiaro me ngā kupu whakamarie e haere tahi ana me rātou. Ka tino rerekē ngā uara o te tangata ina tino whakapono ia he kiriata nui noa iho te hanganga, ā, ehara i te mea kei roto, engari kei tua atu, tōna ake ao tūturu.

I taku otinga i te tuhi i tēnei upoko, ka noho ahau i runga i taku moenga me te tūnga rōhi. E rua ngā rama atarangi i whakamāramahia ki taku rūma. I taku ara ake i taku titiro, ka kite ahau kua kapi te tuanui i ngā rama iti tae māstarete, e kanapa ana, e wiri ana me te kanapa rite ki te radium. He tini ngā hihi pene, pērā i ngā rau ua, i huihui ki roto i tētahi awa mārāma, ā, ka ringihia puku mai ki runga i ahau.

I taua wā tonu ka ngaro te whakariharia o tōku tinana, ā, ka huri hei āhua whetu. I pā mai te āhua o te tinana kore taumaha ki ahau, i te mea, kāore i te pā ki te moenga, ka neke haere te tinana kore taumaha ki te taha mauī, ki te taha matau. I tiro tiro ahau i te rūma; ko ngā taonga me ngā pakitara he rite tonu ki ngā wā katoa, engari kua nui haere te māramatanga iti nei, ā, kāore e kitea te tuanui. I miharo ahau.

"Koinei te tikanga kiriata ao." I kōrero mai tētahi reo me te mea nō roto mai i te māramatanga. "E whiti ana tōna hihi ki runga i te mata mā o ō whāriki moenga, e whakaputa ana i te pikitia o tō tinana. Nana, ko tō āhua he māramatanga noa iho!"

I titiro atu ahau ki ōku ringa, ā, i nekehia e au ki mua, ki muri, engari kāore i taea e au te rongorongo i tō rātou taumaha. Nui atu te harikoa i roto i ahau. ahau. Tenei ao whānui kakau o mārāma, puāwaitanga hei taku tinana, te āhua nei he atua tārua o ngā hihi mārāma e rere mai ana i te whare whakaata i roto i te whare pikitia, ā, e

puta ake ana hei pikitia i runga i te mata.

Mō te wā roa, i kite ahau i tēnei pikitia nekehanga o tōku tinana i roto i te whare tapere pouri o tōku ake rūma moe. Ahakoa ngā kitenga maha kua kitea e au, kāore tetahi i tino motuhake ake. I te memeha haere o taku whakaaro mō tētahi tinana totoka, me te hohonu haere o tōku mōhio ko te mauri o ngā mea katoa he mārama, ka titiro ake ahau ki te awa e pupuhi ana o ngā ora, ā, ka kōrero inoi.

"E te Māramatanga Atua, tēnā tangohia atu tēnei āhua iti o tōku tinana ki roto i a Koe, pērā i a Iraia i hutia ake ki te rangi e te mura."

I tino miharo ahau ki tēnei inoi; i ngaro atu te hihi. I hoki anō tōku tinana ki tōna taumaha noa, ā, i takoto ki runga i te moenga; i kimo haere te kahui rama kanapa o te tuanui, ā, i ngaro atu. Kāore anō kia tae mai te wā mōku ki te wehe atu i tēnei ao.

"Haunga," i whakaaro ahau i roto i te whakaaro rapunga whakaaro, "tērā pea ka riri te poropiti a Iraia ki taku whakaaro!"

He Uiuitanga Ki Te Tapu whaea

"E te Whaea Tapu, i iriiria ahau i taku tamarikitanga e tāu poropiti-tāne. Ko ia te tohunga o ōku mātua, me taku tohunga hoki, a Sri Yukteswarji. Nō reira, me homai e koe te mana ki ahau kia whakarongo ki ētahi o ngā kaupapa o tō oranga tapu?"

I kōrero ahau ki a Srimati Kashi Moni, te hoa ora o Lahiri Mahasaya. I taku taenga ki Benares mō tētahi wā poto, i whakatutukihia e au te hiahia roa ki te toro atu ki te wahine rangatira. I manaaki ia i ahau me te atawhai i te kāinga tawhito o Lahiri i te wāhanga o Garudeswar Mohulla o Benares. Ahakoa kua koroheke, i puāwai ia pērā i te rōhi, e tuku puku ana i te kakara wairua. He tinana waenga tōna, he kaki kikokore, he kiri mā. Nā ngā kanohi nunui, kanapa i whakangawari tōna mata

whaea.

"E tama, koe kei nau mai haere mai konei. Haere mai i runga."

Nā Kashi Moni i ārahi te ara ki tētahi rūma iti rawa i noho ai rāua ko tana tāne mō tētahi wā. I tino honore ahau ki te mātakitaki i te wāhi tapu i noho ai te rangatira rangatira ki te whakaari i te whakaari tangata o te marena. I tohu mai te wahine ngāwari ki ahau kia tū he urunga ki tōna taha.

"He maha ngā tau i mua i taku kitenga i te tūnga atua o taku tāne," ka tīmata ia. "I tētahi pō, i roto i tēnei rūma tonu, i moe ahau i tētahi moemoeā oraora. I rere mai ngā anahera kororia i runga ake i ahau me te aroha noa e kore e taea te whakaaro. Nā te tino pono o te tirohanga, i ara ake ahau i taua wā tonu; he mea whakamiharo te āhua o te rūma i te mārama kanapa."

"Ko taku tāne, i roto i te tūnga rōhi, i whakaarahia ki waenganui o te rūma, e karapotia ana e ngā anahera e karakia ana ki a ia me te mana inoi o ngā ringa kua kopikopikohia ki te nikau. I tino miharo ahau, ā, i tino whakapono kei te moemoeā tonu ahau."

"'E wahine,' te kī a Lahiri Mahasaya, 'kāore koe e moemoeā ana. Whakarērea tō moe ake ake.' I a ia e heke māriri ana ki te papa, ka takoto ahau ki ōna waewae.

"'E te Ariki,' ka karanga ahau, 'ka piko tonu ahau ki tōu aroaro! Ka murua e koe taku whakaaro ki a koe hei tāne māku? Ka mate ahau i te whakama i te mōhio kua moe pōuri ahau i te taha o te tangata kua ara ake i te atua. Mai i tēnei pō, ehara koe i taku tāne, engari ko taku tohunga. Ka whakaae koe ki tōku āhua iti hei ākonga māu?' **31-1**

"I pā māriri mai te rangatira ki ahau. 'E te wairua tapu, whakatika. Kua manakohia koe.' I tohu atu ia ki ngā anahera. 'Me piko hoki ki ia o ēnei hunga tapu.'

"I te mutunga o aku pikonga whakaiti, ka tangi ngātahi ngā reo anahera, me te mea he kōrero waiata nō tētahi karaipiture tawhito.

"'E te hoa wahine o te Atua, kia manaakitia koe. Ngā mihi nui ki a koe.' I piko iho rātou ki ōku waewae, ā, ngaro atu ana ō rātou āhua kanapa. Pōuriuri ana te rūma.

"Tāku tohunga i pātaihia ahau ki whiwhi whakaurunga ki roto *Kiria Yoga* .

"O akoranga,' ahau i whakautu. 'Au am aroha mai kāore ki whai i a tōna manaakitanga i mua i roto taku te ora.

"'Kāore anō kia tae te wā.' Ka menemene whakamarie a Lahiri Mahasaya. 'He nui o ō karma kua āwhina puku ahau i a koe ki te whakatau. Inaianei kua hiahia koe, kua

rite hoki.'

"I pā ia ki tōku rae. Ka puta mai ngā puranga māramatanga hurihuri; ka āta hanga te kanapa hei kanohi wairua kikorangi-ōpara, he mea karapoti ki te koura, ā, kei waenganui ko te whetu pentagonal mā."

"Whakauruhia tō hinengaro mā roto i te whetu ki te rangatiratanga o te Mutunga Kore.' He oro hou te reo o taku guru, he ngawari pērā i te puoro i tawhiti.

"Te Matakite i muri tirohanga pakaru hei moana ngaru i runga te takutai o taku wairua Te whānui ngā porowhita i te mutunga

i rewa i roto i te moana o te harikoa. I ngaro ahau i roto i te manaakitanga e puea ake ana. I taku hokinga atu i muri i ngā haora ki te mōhio ki tēnei ao, ka homai e te rangatira te tikanga o *te Kriya Yoga ki ahau* .

"Mai i taua pō, kāore a Lahiri Mahasaya i moe anō i roto i tōku rūma. Ā, i muri mai, kāore ia i moe anō. I noho ia i te rūma o mua i raro, i te taha o āna ākonga i te ao, i te pō."

Ka noho puku te wahine rangatira. I te kitenga i te ahurei o tōna whanaungatanga ki te yogi rangatira, ka maia ahau ki te tonono atu mō ētahi atu maharatanga.

"E tama, he apo koe. Heoi anō, kotahi anō tāu kōrero." Ātaata mārire ana ia. "Ka whaki ahau i tētahi hara i mahia e au ki taku tāne-guru. I ētahi marama i muri i taku whakaurunga, ka tīmata ahau ki te pōuri me te wareware. I tētahi ata ka tomo mai a Lahiri Mahasaya ki tēnei rūma iti ki te tiki i tētahi tuhinga; ka tere taku aru i a ia. Nā te pōhēhē kino, ka kōrero kino atu ahau ki a ia."

"E noho tahi ana koe me ngā ākonga i te katoa o tō wā. Ā, me ō kawenga mō tāu wahine me ā koutou tamariki? E pouri ana ahau kāore koe e aro nui ana ki te whakarato moni mō te whānau."

"I titiro mai te rangatira ki ahau mō tētahi wā poto, kātahi ka riro atu ia. Me te miharo me te matakū, ka rongorongo ahau i tētahi reo e haruru ana i ngā wāhi katoa o te rūma:

"Ia ko katoa kāore he mea, kaua koe kite? Me pēhea i taea he kāore he mea rite ahau whakaputa taonga mō koe?"

"E Guruji," ka karanga ahau, 'e inoi ana ahau kia murua koe e te mano tini o ngā wā! Kāore ōku kanohi hara e kite atu i a koe i ēnei rā; tēnā koa puta mai i roto i tō āhua tapu."

"Kei konei ahau." I puta mai tēnei whakautu i runga ake i ahau. I titiro ake ahau, ā, ka kite i te rangatira e puta mai ana i roto i te hāu, ko tōna māhunga e pā ana ki te tuanui. Ko ōna kanohi he rite ki te mura e whakamatapo ana. I te taha o ahau i te wehi, ka takoto au me te tangi i ōna waewae i muri i tana hekenga marie ki te papa.

"E te wahine," ka mea ia, 'rapua te taonga atua, kaua te mea iti noa o te oneone. Kia whiwhi koe i te taonga o roto, ka kitea e koe kei te haere tonu mai te taonga o waho.' Ka tāpiri atu ia, 'Mā tētahi o aku tama wairua koe e whakarato.'"

"Tāku te tohunga ngā kupu ā-tūturu i tae mai pono; he ākonga i mahi haere he nui tapeke mō tō mātou whānau."

I mihi atu ahau ki a Kashi Moni mō te whakapuaki mai i ana wheako whakamiharo ki ahau. **31-2** I te aonga ake ka hoki ahau ki tōna kāinga, ā, ka pārekareka ki ahau ētahi

hāora o te kōrero mō ngā whakaaro matatika me Tincouri rāua ko Ducouri Lahiri. I whai tata atu ēnei tama tapu tokorua a te yogi nui o Īnia i ōna tapuwae pai. He ātaahua, he roa, he pakari, he matotoru ngā pahau o ngā tāne tokorua, he ngawari ō rātou reo, ā, he ataahua hoki ō rātou whanonga tawhito.

Ehara i te mea ko tana wahine anake te akonga wahine a Lahiri Mahasaya; he rau atu anō hoki ētahi atu, tae atu ki tōku whaea. I tono tētahi wahine chela i tētahi whakaahua ki te guru. I hoatu e ia ki a ia tētahi

tānga, te whakahua, "Mēnā koe whakaaro reira he te tiakitanga, kātahi reira ko nā reira; ki te kore reira ko anake he pikitia."

I muri i ētahi rā, i tūpono tēnei wahine me te hunaonga wahine a Lahiri Mahasaya e ako ana i te *Bhagavad Gita* i tētahi tēpu i muri i taua tēpu e iri ana te whakaahua o te guru. I puta he awha hiko. ki waho me te riri nui.

"E Lahiri Mahasaya, tiakina mātou!" Ka piko ngā wāhine ki mua i te pikitia. I pā te uira ki te pukapuka i pānuhia e rātou, engari kāore i whara ngā tāngata karakia tokorua.

"I rite ahau ki te mea kua whakatakotoria he papa hukapapa ki tōku taha hei ārai i te wera nui," te whakamārama a te chela.

E rua ngā merekara i mahia e Lahiri Mahasaya mō tētahi ākonga wahine, a Abhoya. I tētahi rā, ka tīmata ia me tana tāne, he rōia nō Calcutta, ki Benares ki te toro atu ki te guru. I whakaroahia tā rāua waka e te nui o ngā waka; ka tae atu rāua ki te teihana matua o Howrah, ā, ka rongo rāua i te whiowhio o te tereina o Benares mō te wehenga.

Āpōia, tata te tīkiti tari, tū ata noho.

"E Lahiri Mahasaya, kei te inoi atu ahau ki a koe kia mutu te tereina!" i inoi puku ia. "Kāore e taea e au te manawanui ki te tatari mō tētahi atu rā kia kite i a koe."

I haere tonu ngā wira o te tereina e ngunguru ana, engari kāore i kitea he ahunga whakamua. I heke iho te miihini me ngā pāhihi ki te papaaho ki te mātakitaki i te āhuatanga. I whakatata atu tētahi kaitiaki tereina Ingarihi ki a Abhoya rāua ko tana tāne. He rerekē ki ngā tauira katoa, i tuku noa ia i āna ratonga.

"Pāpū," ia i mea, "hoatu ahau te moni. ahau ka hoko tōu tīkiti i te wā koe tiki runga kaipuke."

I te nohoanga o te tokorua, ā, i te whiwhinga o ngā tīkiti, ka āta haere whakamua te tereina. I roto i te matakū, ka piki anō te miihini me ngā pāhihi ki ō rātou tūranga, kāore i te mōhio me pēhea te haere. kāore i tīmata te tereina, me te take i mutu ai i te tuatahi.

I te taenga ki te kāinga o Lahiri Mahasaya i Benares, ka takoto puku a Abhoya ki mua i te rangatira, ka ngana ki te pā ki ōna waewae.

"Kia marino, e Abhoya," tana kī. "He pai ki a koe te whakararuraru i ahau! Me te mea nei kāore e taea e koe te haere mai ki konei mā te tereina e whai ake nei!"

I tētahi atu wā whakahirahira i toro atu a Abhoya ki a Lahiri Mahasaya. I tēnei wā, i hiahia ia ki tana wawaotanga, ehara i te mea mā te tereina, engari mā te tāka.

"Kei te inoi atu ahau kia manaakitia ahau kia ora taku tamaiti tuaiwa," tana kī. "E waru ngā pēpi kua whānau mai ki ahau; i mate katoa i muri tata mai i te whānautanga."

Te rangatira menemene me te aroha. "Tōu e haere mai ana tamaiti ka ora Tēnā koa whai taku ngā tohutohu

kia tūpato. Ka whānau te pēpi, he kōtiro, i te pō. Kia mau tonu te mura o te rama hinu tae noa ki te ata. Kaua e moe, ā, kia tineia te mārama."

He tamahine te tamaiti a Abhoya, i whānau i te pō, rite tonu ki te mea i kitea e te tohunga matau katoa. I tohutohu te whaea i tana nēhi kia whakakīia te rama ki te hinu. I mataara tonu ngā wāhine tokorua tae noa ki te atatu, engari i moe. Kua tata pau te hinu o te rama; he ngoikore te kanapa o te mārama.

I wetekina te tatau o te rūma moe, ā, ka puare noa mai me te haruru nui. Ka oho ake ngā wāhine ohorere. Ka kite ō rātou kanohi miharo i te āhua o Lahiri Mahasaya.

"E Abhoya, kua tata ngaro te māramatanga!" I tohu ia ki te rama, ā, ka hohoro te nēhi ki te whakakī anō. I te mura tonu o te rama, ka ngaro atu te rangatira. Ka kati te tatau; kua mau te raka, kāore he mea e kitea.

Ā Abhoya tuaiwa tamaiti i ora; i roto 1935, āhea ahau i hangaia uiuinga, ia i tonu te noho

Nā tetahi o ngā ākonga a Lahiri Mahasaya, nā Kali Kumar Roy, i kōrero mai ki ahau ngā kōrero whakamīharo o tōna orange me te rangatira.

"He maha ngā wiki i noho manuhiri ai ahau ki tōna kāinga i Benares," te kōrero a Roy ki ahau. "I kite ahau he maha ngā tāngata tapu, *he danda* **31-3** ngā swami, i tae mai i te ata noho o te pō ki te noho ki ngā waewae o te guru.

I ētahi wā ka whai wāhi rātou ki te kōrero mō ngā whakaaro whakaaroaro me ngā whakaaro rapunga whakaaro. I te atatu ka wehe atu ngā manuhiri whakahīhī. I roto i aku haerenga ka kitea e au kāore a Lahiri Mahasaya i takoto ki te moe.

"I te tīmatanga o taku hononga ki te rangatira, i tū atu ahau ki te whakahē a taku kaituku mahi," ka haere tonu a Roy. "I rumakina ia e te hiahia nui ki ngā taonga."

"Kāore au e hiahia kia uru mai ngā tāngata whakapono nui ki taku rōpū,' ka tawai ia. 'Ki te tūtaki ahau ki tō koutou tohunga tinihanga, ka hoatu e ahau ētahi kupu ki a ia hei maumahara māna.'"

"Kāore i taea e tēnei tūmomo whakamataku te whakakore i taku kaupapa mahi; tata tonu i ia pō ahau i te aroaro o taku tohunga. I tētahi pō ka aru mai taku rangatira i ahau, ā, ka oma kino atu ki roto i te rūma noho. Kāore e kore ka tino hiahia ia ki te whakapuaki i ngā kōrero whakangaro i oati ai ia. I te nohoanga o te tangata, ka kōrero a Lahiri Mahasaya ki te rōpū iti o te tekau mā rua ngā ākonga."

"Me koe katoa rite ki kite he pikitia?

"I tō mātou pōkaikaha, ka tono ia kia whakapōuritia te rūma. 'Noho i muri i a koutou tetahi i roto i te porowhita,' ka mea ia, 'ka whakatakotoria ō koutou ringa ki

runga i ngā kanohi o te tangata kei mua i a koutou."

"Kāore au i miharo i te kitenga atu i taku kaituku mahi e whai ana i ngā tohutohu a te rangatira, ahakoa kāore i te pai. I roto i ētahi meneti, ka pātai mai a Lahiri Mahasaya ki a mātou he aha tā mātou e kite nei."

sari whero tōna , ā, e tū ana i te taha o tētahi tipu taringa arewhana.' I homai e ngā ākonga katoa te whakaahuatanga kotahi. Ka tahuri te rangatira ki taku kaituku mahi. 'E mōhio ana koe ki taua wahine?'

'''Āe.' I te āhua nei kei te raru te tangata i ngā kare ā-roto hou o tōna āhua. 'Kua whakapau wairangi ahau i aku moni ki a ia, ahakoa he wahine pai taku. E whakama ana ahau ki ngā kaupapa i kawe mai ai ahau ki konei. Ka murua e koe taku hara, ka manako mai hoki i ahau hei ākonga?'

'''Ki te noho koe i tētahi oranga tika mō ngā marama e ono, ka whakaaetia koe e ahau.' Ka tāpiri atu te rangatira me te kōrero ngaro, 'Ki te kore, kāore au e hiahia ki te whakauru i a koe.'

"Mō ngā marama e toru i whakamutua ai e taku rangatira te whakamatautauranga; kātahi ka hoki anō ia ki tana whanaungatanga o mua ki te wahine. E rua marama i muri mai ka mate ia. Nō reira ka māmara ahau ki te poropititanga huna a taku tohunga mō te kore e taea te whakauru i te tangata."

He hoa rongonui a Lahiri Mahasaya, ko Swami Trailanga, e kiia ana neke atu i te toru rau tau te pakeke. He maha ngā wā i noho tahi ai ngā yogi e rua ki te whakaaroaro. He whānui te rongonui o Trailanga, ā, he iti noa ngā Hinitū e whakakahore i te pono o tētahi kōrero mō āna merekara whakamiharo. Mēnā ka hoki mai a te Karaiti ki te whenua, ka hikoi i ngā tiriti o New York, me te whakaatu i ōna mana atua, ka puta te harikoa i hangaia e Trailanga i ngā tekau tau ki muri i a ia e haere ana i roto i ngā ara kīkī o Benares.

He maha ngā wā i kitea ai te swami e inu ana i ngā paitini tino whakamate, kāore he pānga kino. He mano tini ngā tāngata, tae atu ki ētahi e ora tonu ana, kua kite i a Trailanga e mānu ana i te awa o Ganges. Mō ngā rā maha ka noho tahi ia i runga i te wai, ka noho huna rānei mō ngā wā roa i raro i ngā ngaru. Ko tētahi mea e kitea whānuitia ana i ngā *wāhi kaukau o Benares* ko te tinana korekore o te swami i runga i ngā papa kōhatu e mura ana, e kitea katoatia ana e te rā Inia nanakia. Mā ēnei mahi a Trailanga i ngana ki te whakaako i ngā tāngata kāore te oranga o te yogi e whakawhirinaki ki te hāora, ki ngā āhuatanga me ngā mahi ārai noa rānei. Ahakoa kei runga ake ia i te wai, kei raro rānei i te wai, ā, ahakoa kei raro iho rānei tōna tinana i ngā hihi kaha o te rā, i whakamatau te rangatira i ora ia i runga i te hinengaro atua: kāore e taea e te mate te pā ki a ia.

He rawe te yogi, ehara i te mea i te wairua anake, engari i te tinana hoki. Neke atu i te toru rau tōna taumaha. pauna: he pauna mō ia tau o tōna oranga! Nā te mea he onge tana kai, ka nui haere te mea ngaro. He heoi, ka ngāwari te wareware a te rangatira i ngā ture hauora katoa, ina hiahia ia ki te mahi pera mō tētahi take motuhake, he maha ngā wā he take ngaro e mōhiotia ana e ia anake. Ngā hunga tapu nui kua ara ake i te te moemoeā makutu o te ao whānui, ā, i te kitenga i tēnei ao hei whakaaro i roto i te Hinengaro Atua, ka taea e rātou te mahi i tā rātou e

hiahia ai ki te tinana, me te mōhio he momo kaha whakawhāiti, whakatio rānei ka taea te whakarerekē. Ahakoa e mōhio ana ngā kaipūtaiao ā-tinana inaianei he kaha whakawhāiti noa iho te matū, kua roa ngā rangatira kua māranga te māramatanga e neke atu ana i te ariā ki te mahi i roto i te mara o te whakahaere matū.

I noho tahanga tonu a Trailanga. Nā ngā pirihimana o Benares i whakatoihia, i whakaaro rātou he tamaiti raruraru ia. Ko te swami tūturu, pērā i a Ātama tuatahi i te māranga o Ētene, kāore i te mōhio ki tōna tahanga. Heoi, i tino mōhio ngā pirihimana ki tēnā, ā, i tukuna noatia ia ki te whare herehere. I puta te whakama whānui; ko te tini o

Kāore i roa ka kitea a Trailanga i runga i te tuanui o te whare herehere, i tōna āhua katoa. Ahakoa kei te mau tonu tōna rūma herehere, kāore i kitea he tohu mō tōna huarahi i mawhiti ai.

I mahi anō ngā āpiha ture i ā rātou mahi. I tēnei wā, i whakatūria he kaitiaki ki mua i te rūma herehere o te Swami. I hoki atu anō pea ia i mua i te tika. Kāore i roa ka kitea a Trailanga e hikoi ana i runga i te tuanui. He matapo te tika; i whakatau ngā pirihihana tinihanga ki te whai i a ia. tauira

I pupuri tonu te yogi nui i te wā wahangu. **31-4** Ahakoa tōna mata porotaka me tōna puku nui, rite tonu ki te oko, he wā poto noa iho te kai a Trailanga. I muri i ngā wiki kāore he kai, ka whati ia i tana nohopuku me ngā kohua miraka kua pania ki te miraka i tukuna ki a ia e ngā kaikarakia. I whakatau tētahi tangata whakahē ki te whakaatu i a Trailanga he tangata tinihanga. I whakatakotoria ki mua i te swami tētahi peere nui o te ranunga konupūmā-raima, i whakamahia hei horoi pakitara mā.

"E te Ariki," te kī a te tangata mataotao, me te whakahihi, "kua kawea mai e au he miraka kua kohuatia ki a koe. Tena koa inumia."

I mimiti haere a Trailanga, tae noa ki te maturuturunga whakamutunga, i te ipu ki tonu i te raima e mura ana. I roto i ētahi meneti torutoru ka hinga te tangata kino ki te whenua i te mamae nui.

"Āwhina, Swami, āwhina!" ia i tangi. "Au am i runga ahi! Murua taku kino whakamātautau!"

I pakaru te wā wahangu a te yogi nui. "E te tangata whakahi," tana kī, "kāore koe i te mōhio i tāu tukunga mai i te paitini ki ahau, he kotahi tōku ora me tōu ake. Ki te kore ahau e mōhio kei roto te Atua i tōku puku, pērā i roto i ngā ngota katoa o te hanganga, kua mate ahau i te raima. Nā, kua mōhio koe ki te tikanga atua o te pūmerang, kua rawa e tinihanga i tetahi."

Te kua horoia pai tangata hara, kua ora nā Trailanga's ngā kupu, moe puku ngoikore atu

Ehara i te mea nā te rangatira i hiahia ai te tangata ki te whakakore i te mamae, engari i puta mai i te whakamahinga pono o te ture o te tika e tautoko ana i te porowhita tawhiti rawa atu o te hanganga. Ko te hunga mohio ki te Atua, pērā i a Trailanga, ka taea te mahi tonu i te ture atua; kua peia e rātou ake ake ngā arai katoa o te whakapehapeha.

Mā ngā whakatikatika aunoa o te tika, e utua ana i roto i te moni kāore i te tumanakohia pērā i te take o Trailanga me tana kaikōhuru, ka whakamarie i tō tātou riri hohoro ki te hē o te tangata. "Nāku te rapu utu; māku e utu, e ai tā te Ariki." **31-5** He aha te hiahia mō ngā rauemi poto a te tangata? Kei te whakatakoto

whakaaro te ao whānui mō te utu. Kāore ngā hinengaro pōuri e whakaae ana ki te āheinga o te tika atua, te aroha, te mōhiotanga katoa, te oranga tonutanga. "He whakaaro noa iho o te karaipiture!" He tirohanga koretake, he whakamataku tēnei. i mua i te whakaaturanga o te ao tūroa, ka ara ake he raupapa o ngā kaupapa e ara ake ai.

I kōrerotia te mana nui o te ture wairua e te Karaiti i te wā i tomo whakahīhī ai ia ki Hiruharama. I te hamama hari o ngā ākonga me te mano, me te karanga, "Kia tau te rangimārie ki te rangi, me te kororia ki runga rawa," ka amuamu ētahi Parihi mō te whakaaturanga whakarihariha. "E te Kaiwhakaako," ka whakahē rātou, "riria āu ākonga."

"Ko taku kupu tenei ki a koutou," ka whakahoki a Ihu, "me i noho puku enei, kua karanga tonu mai nga kohatu." 31-6

I roto i tēnei whakatūpato ki ngā Parihi, i tohu a te Karaiti ehara te tika atua i te mea whakarite noa iho, ā, ahakoa kua haehaetia te arero o te tangata rangimārie, ka kitea tonutia e ia tana kōrero me tana tiaki i roto i te tūāpapa o te hanganga, arā, te ao whānui tonu.

"E whakaaro ana koe," te kī a Ihu, "ka whakamutua te hunga rangimārie? Waihoki, e tumanako ana koe ki te whakawhāiti i te reo o te Atua, ko ōna kohatu tonu e waiata ana i tōna kororia me tōna aroaro katoa. Ka tono koe kia kaua te tangata e whakanui hei whakahonore i te rangimārie i te rangi, engari me huihui noa i roto i te mano ki te karanga mo te pakanga i runga i te whenua? Na, me whakarite koutou, e ngā Parihi, ki te wawahi i ngā turanga o te ao; ehara hoki i te mea ko te hunga ngawari anake, engari ko ngā kohatu, ko te oneone, ko te wai, ko te ahi me te hau ka ara ake ki a koutou, hei whakaatu i tana rangimarie kua whakaritea."

I tukuna te atawhai o te yogi rite ki a te Karaiti, a Trailanga, ki taku *sajo mama* (matua kēkē). I tētahi ata ka kite a Matua kēkē i te rangatira e karapotia ana e te mano o ngā tāngata karakia i te ghat o Benares. I taea e ia te whakatata atu ki Trailanga, ā, ka pā atu ia ki ōna waewae me te whakaiti. I miharo a Matua kēkē i te kitenga kua ora tonu ia i tētahi mate mamae mau tonu. 31-7

Ko Shankari Mai Jiew anake te akonga ora e mōhiotia ana o te yogi nui. He tamāhine nā tētahi o ngā akonga a Trailanga, i ako ia i te swami mai i tōna tamarikitanga. E whā tekau tau ia e noho ana i roto i te raupapa o ngā ana mokemoke o Himalayan e tata ana ki Badrinath, Kedarnath, Amarnath, me Pasupatinath. Ko te *brahmacharini* (te wahine whakahihi), i whānau i te tau 1826, kua neke atu i te rau tau inaianei. Heoi, kāore i te koroheke te āhua, kei te mau tonu tōna makawe mangu, ōna niho kanapa, me tōna kaha whakamiharo. Ka puta mai ia i tōna mokemoke i ia tau torutoru ki te haere ki ngā *melas ā-wā*, ki ngā whakaaturanga whakapono rānei.

He maha ngā haerenga a tēnei wahine tapu ki a Lahiri Mahasaya. I kōrero ia i tētahi rā, i te wāhanga o Barackpur e tata ana ki Calcutta, i a ia e noho ana i te taha o Lahiri Mahasaya, ka tomo puku mai tana tohunga nui a Babaji ki te rūma, ka kōrero ki a rāua.

I tētahi wā, ka whakarērea e tōna ariki, e Trailanga, tana wā puku, ā, ka whakanuia e ia a Lahiri Mahasaya i te aroaro o te marea. I whakahē tētahi o ngā ākongā a Benares.

"E te Ariki," ia i mea, "he aha ai mahi koe, he swami me he whakarērea, whakaatu pērā whakaute ki he rangatira whare?"

"E taku tama," te whakahoki a Trailanga, "He rite a Lahiri Mahasaya ki tētahi punua ngeru atua, e noho tonu ana ki ngā wāhi katoa i whakanohoia ai ia e te Whaea Ao. I a ia e mahi ana i te tūranga o te tangata ao, kua whiwhi ia i taua mōhiotanga tino pai, ā, kua whakarērea e au taku whitiki!"

Rama Ko I whakaarahia Mai i Te Mate

"Inaianei he tino tāne i tūroro, kua whakaingoatia Rāhariha. Āhea Ihu i rangona tērā, ia i mea, Tenei mate ko

kāore ki te mate, engari mō te kororia o Atua, tērā te Tama o Atua pea kia whakakororiatia nā reira." **32- 1**

I tētahi ata paki, i te taupee o tōna whare karakia o Serampore, e whakamārama ana a Sri Yukteswar i ngā karaipiture Karaitiana. Haunga ētahi atu ākonga a te Kaiwhakaako, i reira ahau me tētahi rōpū iti o aku ākonga Ranchi.

"I roto i tēnei kōrero, e kī ana a Ihu ko ia te Tama a te Atua. Ahakoa i tino hono ia ki te Atua, he tikanga hohonu, kāore he āhua o tana kōrero i konei," te whakamārama a taku tohunga. "Ko te Tama a te Atua ko te Karaiti, ko te Mātauranga Atua rānei i roto i te tangata. Kāore *he tangata* e taea te whakakororia i te Atua. Ko te honore anake ka taea e te tangata te hoatu ki tōna Kaihanga ko te rapu i a Ia; kāore e taea e te tangata te whakakororia i tētahi Whakaaro Ātaahua kāore ia e mōhio. Ko te 'kororia', ko te nimbus rānei e karapoti ana i te mahunga o te hunga tapu, he tohu tohu mō tō rātou *kaha* ki te tuku karakia atua."

I haere tonu a Sri Yukteswar ki te pānui i te kōrero whakamiharo mō te aranga mai o Rāhoru. I te mutunga, ka noho puku te Kaiwhakaako, me te pukapuka tapu e tuwhera ana i runga i tōna turi.

"I whai mana anō hoki ahau ki te kite i tētahi merekara rite tonu." I te mutunga ka

kōrero taku tohunga me te whakawahinga tapu. "Nā Lahiri Mahasaya i whakaara ake tētahi o aku hoa i te hunga mate."

Ātaata ana ngā tama i tōku taha me te hiahia nui. He nui te āhua o te tamaiti i roto i ahau, kia pai ai ahau ki te rapunga whakaaro, tae atu ki tētahi kōrero ka taea e au te kōrero mā Sri Yukteswar.

mō tāna whakamiharo ngā wheako me tāna tohunga

"Kāore māua ko taku hoa a Rama i wehea," te tīmatanga a te Kaiwhakaako. "Nā te mea he tangata whakama ia, he tangata noho motuhake hoki, i whiriwhiria e ia te toro atu ki tā mātou tohunga, ki a Lahiri Mahasaya, i ngā hāora o waenganui pō me te atatu anake, i te wā e ngaro ana te mano o ngā ākonga o te awatea. Hei hoa tata ki a Rama, i mahi ahau hei pūaha wairua māna e tuku ai i te taonga o ana tirohanga wairua. I kitea e au te hihiri i roto i tana hoa pai." I ngawari te mata o taku tohunga i ngā maharatanga.

"I whakamatautauria ohoreretia a Rama," te kōrero tonu a Sri Yukteswar. "I pangia ia e te mate korara Āhia. Nā te mea kāore tō mātou rangatira i whakahē ki ngā ratonga a ngā tākuta i ngā wā o te mate kino, i karangatia ētahi tohunga tokorua. I waenganui i te tere o te mahi minita ki te tangata e pāngia ana, i inoi hohonu ahau ki a Lahiri Mahasaya kia āwhina. I hohoro ahau ki tōna kāinga, ā, i tangi ahau i te kōrero."

"Te ngā tākuta kei te kitenga Rāma. Ia ka kia pai. Taku tohunga menemene me te harikoa.

"Au i whakahokia mai me he mārāma ngākau ki taku hoa te taha o te moenga, anake ki kimi ia i roto he e mate ana kāwanatanga.

"Kāore e taea e ia te noho neke atu i te kotahi, e rua rānei hāora,' te kī mai a tētahi o ngā tākuta ki ahau me te tohu pouri. I hohoro anō ahau ki Lahiri Mahasaya.

"He hunga ngākau pono ngā tākuta. E tino mōhio ana ahau ka ora a Rama." Nā te rangatira ahau i tuku atu me te harikoa.

"I te kāinga o Rama i kitea e au kua ngaro ngā tākuta e rua. I waiho mai e tētahi he reta ki ahau: 'Kua whakapau kaha mātou, engari kāore he tumanako mō tana keehi.'"

"He tino rite taku hoa ki tētahi tangata e mate ana. Kāore au i mārāma me pēhea te korenga o ngā kupu a Lahiri Mahasaya e tutuki, engari ko te kitenga atu i te tere o te memeha haere o te ora o Rama e whakaaro tonu ana ki ahau: 'Kua mutu katoa inaianei.' I a au e rukerukea ana i runga i ngā moana o te whakapono me te ruarua matakū, ka mahi ahau ki taku hoa i te mea pai rawa atu i taea e au. Ka oho ake ia ki te karanga:

"Yukteswar, oma ki Kaiwhakaako me kōrero ia ahau am kua riro. Pātai atu ia ki manaaki taku tinana i mua i tōna whakamutunga ngā tikanga.

Ki ēnei ngā kupu Rama aue taumaha me i hoatu ake te kehua **32- 2**

"I tangi ahau mō te haora i tōna āhua aroha. He tangata e aroha ana ki te ata noho, inaianei kua tae ia ki te ata noho o te mate. I haere mai tētahi atu ākonga; i tono

ahau kia noho ia ki te whare kia hoki mai rā anō ahau. I te pōuri, ka hoki whakamuri ahau ki taku guru."

"Me pēhea ko Rama ināianei? Rāhiri Mahasaya's kanohi i he mea whakapaipai i roto menemene ana.

"E te Ariki, ka kite wawe koe i tōna āhua,' i mea atu ahau me te ngākau pōuri. 'I roto i ētahi haora ka kite koe i tōna tinana, i mua i tōna kawē ki te whenua tahu.' I pakaru taku reo, ā, ka aue nui.

"Yukteswar, whakahaere koe anō. Noho marino me whakaaroaro. Taku tohunga kua reti ki roto *samadhi* Te

I haere te ahiahi me te pō i roto i te wā puku, kāore i mutu; i tohe ahau kia hoki mai te marino o roto, engari kāore i angitu.

"I te atatu, ka titiro mai a Lahiri Mahasaya ki ahau me te whakamarie. 'Kei te kite ahau kei te awangawanga tonu koe. He aha koe i kore ai e whakamārama inanahi i tumanako koe kia hoatu e au he awhina tūturu ki a Rama i roto i te ahua o tetahi rongoā?' Ka tohu te rangatira ki tetahi rama ahua kapu kei roto he hinu kātoro mata. 'Whakakīia he pounamu iti mai i te rama; ringihia kia whitu nga pata ki roto i te waha o Rama.'

"E te Ariki," ahau i whakahē, ia kua kua mate mai i inanahi te poutumarotanga o he aha whakamahi ko te hinu ināiane?

"Kāore he aha; me mahi noa i taku e tono atu nei.' Kāore i taea te mārāma te harikoa o Lahiri Mahasaya; kei roto tonu ahau i te mamae o te pouri kāore anō kia marino. I muri i te ringihanga i tētahi hinu iti, ka haere ahau ki te whare o Rama.

"I kite ahau i te tinana o taku hoa e mārō ana i roto i te here whakamate. Kāore au i aro ki tōna āhua whakamataku, ka whakatuwhera ahau i ōna ngutu ki tōku maihao matau, ā, ka taea e au, ki tōku ringa mau me te āwhina o te kōra, te pani i te hinu ki runga i ōna niho e pūweru ana."

"I te pānga o te whitu o ngā pata ki ōna ngutu makariri, ka wiri nui a Rama. I wiri ōna uaua mai i te mahunga ki te waewae i a ia e noho ana me te miharo."

"I kite ahau i a Lahiri Mahasaya i roto i te mura o te māramatanga,' ka karanga ia. 'I tiaho ia pērā i te rā. 'E ara; whakarērea tō moe,' ka whakahau mai ia ki ahau. 'Haere mai kōrua ko Yukteswar kia kite i ahau.'"

"Kāore au i whakapono ki te kitenga atu i a Rama e whakakakahu ana i a ia anō, ā, i kaha ake ia i muri i taua mate kino ki te haere ki te kāinga o tō mātou guru. I reira ka takoto ia ki mua i a Lahiri Mahasaya me ngā roimata whakawhetai."

"Te rangatira i i te taha ia anō me te harikoa Tōna ngā kanohi kanapa i ahau whanoke

"E Yukteswar,' tana kī, 'tērā pea ka mauria e koe he pounamu hinu kātō i muri mai! Ina kite koe i tētahi tūpāpaku, ringihia noa te hinu! Āe, e whitu ngā pata hinu rama ka tino whakakore i te mana o Yama!' **32-3**

"Guruji, koe kei te tawai ahau. ahau kua mārāma; tēnā koa pūwāhi i waho te taiao o taku hapa.

"E rua aku kōrero ki a koe ka ora a Rama; heoi kāore koe i tino whakapono ki ahau,' te whakamārama a Lahiri Mahasaya. 'Kāore au i te kī ka taea e ngā tākuta te whakaora i a ia; i kī noa ahau kei reira rātou. Kāore he hononga take i waenga i aku

kōrero e rua. Kāore au i hiahia ki te pokanoa ki ngā tākuta; me ora hoki rātou.' I roto i te reo e haruru ana i te harikoa, ka tāpiri atu taku tohunga, 'Kia mōhio tonu koe ko te Paramatman **32-4 e kore e mutu** ka taea e ia te whakaora i te tangata, ahakoa he tākuta, kāore rānei he tākuta.

"E kite ana ahau i taku hē,' i whakaae ahau me te pouri. 'E mōhio ana ahau inaianei ko tāu kupu māmā he mea here ki te ao whānui."

I te mutunga o te kōrero whakamiharo a Sri Yukteswar, ka pātai tetahi o ngā kaiwhakarongo miharo ki tētahi pātai, he pātai nā te tamarikitanga anō hoki, ā, e rua ngā pātai e mārāma ana.

"E te Ariki," ia i mea, "he aha ai i mahi tōu tohunga whakamahi kātēre hinu?"

"E tama, kāore he tikanga o te hoatutanga o te hinu, engari i tumanako ahau ki tētahi mea ā-tinana, ā, i whiriwhiria e Lahiri Mahasaya te hinu e tata ana hei tohu mō te whakaara ake i tōku whakapono. I tukua e te rangatira kia mate a Rama, nā te mea i ruarua ahau. Engari i mōhio te tohunga atua, nā te mea i kī ia ka ora te ākonga, me whakaora, ahakoa me whakaora e ia a Rama i te mate, he mate e mate ana!"

Hiri Yukteswar whakakorengia te iti rōpū, me i nekehia ahau ki he paraikete nohoanga i tāna waewae

"Yogananda," tana kī me te tino kaha, "mai anō i te whānautanga kua karapotia koe e ngā ākonga tika a Lahiri Mahasaya. I noho te rangatira nui i tōna oranga rangatira i roto i te noho motuhake, ā, i tino whakakahore ia ki te tuku i ana akonga ki te hanga i tētahi whakahaere e karapoti ana i ana akoranga. Heoi anō, i puta he matapae nui i a ia."

"E rima tekau tau i muri i tōku matenga," i mea ia, "ka tuhia tōku ao nā te hiahia nui ki te yoga ka whakakitea e te Hauāuru. Ka karapotia te ao e te karere yoga, ā, ka āwhina i te whakatū i taua whanaungatanga o te tangata e puta mai ana i te kitenga tika i te Matua Kotahi."

"E taku tama, e Yogananda," te kōrero tonu a Sri Yukteswar, "me mahi koe i tāu mahi ki te hora i taua karere, me te tuhituhi i taua oranga tapu."

E rima tekau tau i muri i te matenga o Lahiri Mahasaya i te tau 1895, ā, ko te tau i oti ai tēnei pukapuka i te tau 1945. Kāore e kore ka miharo ahau ki te tūponotanga kua puta mai anō hoki te tau 1945 he wā hou - te wā o ngā pūngao atomika hurihuri. Ka tahuri ngā hinengaro whakaaro nui katoa, kāore i rite i mua, ki ngā raruraru nui o te rangimārie me te whanaungatanga, kei peia katoatia ngā tāngata e te whakamahinga tonu o te kaha tinana me ngā raruraru.

Ahakoa ka ngaro te iwi tangata me āna mahi i te wā, i te pōma rānei, kāore te rā e hē i tōna haerenga; ka mau tonu te mataara o ngā whetū. Kāore e taea te aukati, te whakarerekē rānei i te ture ao, ā, he pai ki te tangata te whakakotahi i a ia anō ki a ia. Ki te mea kei te ātete te ao ki te kaha, ki te kore te rā e whawhai ki ngā aorangi engari ka hoki atu i te wā tika hei hoatu i tō rātou mana iti ki ngā whetū, he aha te painga o tō tātou ringa mēra? Ka puta mai rānei he rangimārie i roto i a ia? Ehara i te nanakia engari ko te ngākau pai te mea e whakakaha ana i ngā uaua o te ao; ka mōhio te tangata i roto i te rangimārie ki ngā hua mutunga kore o te wikitoria, he

reka ake ki te reka i tētahi e whakatipuria ana i runga i te oneone toto.

Ko te Rōpū o ngā Iwi whai mana ka noho hei rōpū tūturu, kore ingoa o ngā ngākau tangata. Ko te aroha whānui me te māramatanga mārama e hiahiatia ana mō te whakaora i ngā mamae o te ao, e kore e puta mai i te whakaaroaro hinengaro noa iho ki ngā kanorau o te tangata, engari mai i te mōhiotanga ki te kotahitanga o te tangata - tōna whanaungatanga ki te Atua. Ki te whakatutuki i te wawata teitei rawa atu o te ao - te rangimārie mā te whanaungatanga - te yoga, te pūtaiao o te whakapā atu ki te Atua, i horapa i roto i te wā ki ngā tāngata katoa o ngā whenua katoa.

Ahakoia te tawhito o te ao tūroa o Īnia i runga ake i tētahi atu, he iti noa ngā kaituhi hītori kua kite ehara tana mahi ora ā-motu i te mea tūpono noa, engari he mea arorau i roto i te aroha ki ngā pono mutunga kore i tukuna e Īnia mā roto i āna tāngata pai rawa atu i ia whakatipuranga. Mā te haere tonu o te noho, mā te kore e taea te whakawhiti i mua i ngā tau - ka taea e ngā tohunga te kī mai ki a tātou e hia? - Kua homai e Īnia te whakautu tika rawa atu o tētahi atu iwi ki te wero o te wā.

Te kōrero o te Paipera **32-5** mō te inoi a Āperahāma ki te Ariki kia whakaorangia te tāone o Horoma mēnā ka kitea he tekau ngā tāngata tika i reira, me te whakautu a te Atua: "E kore ahau e whakangaro i reira mō te tekau," ka whai tikanga hou i te māramatanga o te mawhiti o Īnia i te warewaretanga o Papurona, o Īhipa me ētahi atu iwi kaha i noho i tōna wā. E whakaatu mārāma ana te whakautu a te Ariki kāore te whenua e ora i roto i ana whakatutukitanga ā-tinana, engari i roto i ana mahi toi a te tangata.

Kia rangona anō ngā kupu atua, i tēnei rautau rua tekau, e rua ngā wā i pania ki te toto i te haurua o te rautau: Kāore he iwi e taea te whakaputa i ngā tāngata tekau, he nui ki ngā kanohi o te Kaiwhakawā Kore e taea te utu, e mōhio ki te ngaronga. I te whakarongo ki ēnei whakaaro, kua whakaatu a Īnia ehara i te mea kuware ki ngā mano tini o ngā mahi tinihanga o te wā. Kua whakatapua e ngā rangatira whai whakaaro i roto i ngā rautau katoa tōna whenua; ko ngā tohunga whakaaro nui o te Karaiti o ēnei rā, pērā i a Lahiri Mahasaya me tana ākongā a Sri Yukteswar, ka whakatika ki te kauwhau he mea nui ake te pūtaiao o te yoga i ngā whanaketanga rauemi katoa ki te harikoa o te tangata me te roa o te ora o te iwi.

He iti noa iho ngā kōrero mō te oranga o Lahiri Mahasaya me tana whakaakoranga whānui kua puta mai i roto i te pukapuka tānga. Mō ngā tekau tau e toru i Inia, i Amerika, me Ūropi, kua kitea e au he hiahia nui, he hiahia pono hoki ki tana karere mō te yoga whakaora; he tuhinga mō te oranga o te rangatira, pērā i tana i kōrero ai, e hiahiatia ana i te Hauāuru, i te wāhi kāore i te tino mōhiotia ngā oranga o ngā yogi nui o ēnei rā.

Kotahi, e rua rānei ngā pukapuka iti i te reo Pākehā kua tuhia mō te oranga o te guru. Kotahi te kōrero mō tōna oranga i te reo Bengali, *Sri Sri* **32-6 I puta mai a Shyama Charan Lahiri Mahasaya** i te tau 1941. Nā taku akonga, nā Swami Satyananda, i tuhi, mō ngā tau maha ko ia te *acharya* (kaiako wairua) i tō mātou *Vidyalya* i Ranchi. Kua whakamāoritia e au ētahi wāhanga o tana pukapuka, ā, kua whakaurua ki roto i tēnei wāhanga e pā ana ki a Lahiri Mahasaya.

I whānau mai a Lahiri Mahasaya i te 30 o Hepetema, 1828, i roto i tētahi whānau Brahmin karakia, he uri tawhito. Ko tōna wāhi whānau ko te kāinga o Ghurni i te rohe o Nadia e tata ana ki Krishnagar, Bengal. Ko ia te tama pōtiki a Muktakashi, te wahine tuarua a te rangatira rongonui a Gaur Mohan Lahiri. (I mate tana wahine tuatahi i te wā o te haerenga tapu i muri i te whānautanga o āna tama tokotoru.) I

mate te whaea o te tamaiti i tōna tamarikitanga; he iti noa iho ngā kōrero mōna engari ko te mea nui ko ia he tangata karakia nui ki a Ihowa, **32-7** i tapaina e te karaipiture ko te "Kīngi o ngā Yogi."

Ko te tamaiti a Lahiri, ko Shyama Charan tōna ingoa tūturu, i noho i ōna tau tōmua i te kāinga tupuna i Nadia. I te toru, i te whā rānei o ōna tau, ka kitea ia e noho ana i raro i te onepū i te āhua o te yogi, e huna katoa ana tōna tinana engari ko te māhunga anake.

I whakangaromia te whenua o Lahiri i te takurua o te tau 1833, i te wā i huri ai te awa o Jalangi e tata ana ki tōna ara, ā, ngaro atu ana ki roto i ngā hohonutanga o te awa o Ganges. I uru atu tētahi o ngā temepara Shiva i whakatūria e ngā Lahiri ki roto i te awa me te whare o te whānau. I whakaorangia e tētahi kaikarakia te whakapakoko kōhatu o te Ariki Shiva mai i ngā wai e hurihuri ana, ā, i whakanohoia ki roto i tētahi temepara hou, e mōhiotia whānuitia ana ko te Ghurni.

Hiwa Pae.

I wehe atu a Gaur Mohan Lahiri me tōna whānau i Nadia, ā, noho ana ki Benares, i reira tonu i whakatūria ai e tōna pāpā he temepara Shiva. I whakahaere ia i tōna whānau i runga i ngā tikanga Vedic, me te pupuri tonu i ngā karakia kawa, ngā mahi atawhai, me te ako i ngā karaipiture. Heoi, he tangata tika, he hinengaro tuwhera, kāore ia i wareware i te ia o ngā whakaaro hou.

I ako te tamaiti a Lahiri i te reo Hindi me te reo Urdu i roto i ngā rōpū ako a Benares. I haere ia ki te kura i raro i te mana o Joy Narayan Ghosal, ā, i ako ia i te reo Sanskrit, Bengali, Wīwī, me te reo Ingarihi. I a ia e ako hohonu ana i ngā *Veda*, ka whakarongo puku te taitamariki yogi ki ngā kōrero a ngā Brahmin mātau, tae atu ki tētahi tohunga Marhatta ko Nag-Bhatta te ingoa.

He taitama atawhai, he ngawari, he toa hoki a Shyama Charan, i arohaina e ōna hoa katoa. He tinana pakari, he kanapa, he pakari hoki tōna, ā, i tino pai ia ki te kauhoe me ngā mahi pūkenga maha.

I te tau 1846, i moe a Shyama Charan Lahiri i a Srimati Kashi Moni, te tamāhine a Sri Debnarayan Sanyal. He wahine noho whare Inia tauira a Kashi Moni, ā, i harikoa ia ki te whakahaere i ana mahi kāinga me te kawenga tuku iho a te rangatira whare ki te mahi ki ngā manuhiri me te hunga rawakore. Tokorua ngā tama tapu, a Tincouri rāua ko Ducouri, i manaaki i te hononga.

I te 23 o ōna tau, i te tau 1851, ka noho a Lahiri Mahasaya hei kaikaute i roto i te Tari Hangarau Hōia o te kāwanatanga o Ingarangi. He maha ngā whakatairanga i riro i a ia i a ia e mahi ana. Nō reira, ehara i te mea he rangatira ia i te aroaro o te Atua, engari he angitu anō hoki i roto i te whakaari iti a te tangata i reira i takaro ai ia i tana tūranga i whakawhiwhia hei kaimahi tari i te ao.

I te nekehanga o ngā tari o te Tari Ope Taua, ka nekehia a Lahiri Mahasaya ki Gazipur, Mirjapur, Danapur, Naini Tal, Benares, me ētahi atu rohe. I muri i te matenga o tōna matua, ko Lahiri te kawenga mō tōna whānau katoa, ā, i hokona e ia he kāinga marino mō rātou i te rohe o Garudeswar Mohulla o Benares.

I tōna toru tekau mā toru tau ka kite a Lahiri Mahasaya i te whakatutukitanga o te kaupapa i whānau hou mai ai ia ki te whenua. Ko te mura huna i roto i te pungarehu, kua roa e mura ana, ka whiwhi i te whai wāhi ki te mura. He ture atua, e takoto ana i tua atu i te tirohanga a te tangata, e mahi ana i roto i te mea ngaro ki te kawē mai i nga mea katoa ki te whakaaturanga o waho i te wa tika. I tutaki ia ki tana atua nui Guru, Babaji, tata ki Ranikhet, a na ia i timata ki te *Kriya Yoga*.

Kāore i pā tēnei huihuinga whakahirahira ki a ia anake; he wā waimarie mō te iwi katoa, he tokomaha o rātou i muri mai i whiwhi i te taonga whakaara wairua o *Kriya*. Ko te toi yoga kua ngaro, kua roa rānei e ngaro ana, kua whakakitea anō. He maha

ngā tāne me ngā wāhine e matewai ana i te wairua i tae atu ki ngā wai matao o *Kriya Yoga* . Pērā i te pūrākau Hindu, i te wā i tuku ai a Whaea Ganges i tana wai atua ki te tangata karakia maroke a Bhagirath, pērā anō te waipuke rangi o *Kriya* i huri mai i ngā pā ngaro o Himalayas ki ngā wāhi puehu o te tangata.

Pāpāji, Te Yogi-Karaiti o Hou Īnia

Kei te manaakitia tonutia ngā pari o te raki o Himalayan e tata ana ki Badrinarayan e te aroaro ora o Babaji, te guru o Lahiri Mahasaya. Kua mau tonu te āhua o te rangatira mokemoke mō ngā rautau, mō ngā mano tau pea. Ko te Babaji matekore he *avatara* . Ko te tikanga o tēnei kupu Sanskrit ko te "hekenga iho"; ko ōna pakiaka ko *ava* , "ki raro," me *tri* , "ki te haere." I roto i ngā karaipiture Hinitū, *ko te avatara* te tohu o te hekenga o te Atuatanga ki te kikokiko.

"Kei tua atu i te māramatanga tangata te āhua wairua o Babaji," te whakamārama a Sri Yukteswar ki ahau. "Kāore e taea e te tirohanga poto o te tangata te wero atu ki tōna whetu whakahirahira. Ahakoa te ngana ki te whakaaro i te whakatutukitanga o te avatar, ka kore e taea te whakaaro."

Kua whakarōpūhia e ngā *Upanishad* ia wāhanga o te whanaketanga wairua. Kua ahu whakamua te *siddha* ("tangata tino pai") mai i te āhua o te *jivanmukta* ("kua herekoretia i te wā e ora ana") ki te āhua o he *paramukta* ("tino herekore" - te mana katoa ki runga i te mate); kua mawhiti katoa te mea whakamutunga mai i te mana o te atua me tōna hurihanga whakawhānautanga. Nō reira, kāore te *paramukta* e hoki ki te tinana tūturu; ki te hoki ia, he avatar ia, he reo atua kua whakaritea hei kawē i ngā manaakitanga o te ao.

He āwhata ko kāore he kaupapa ki te ao whānui ōhanga; tāna parakore tinana, kitea hei he mārama whakaahua, ko kore utu

mai i tetahi nama ki te taiao. Ahakoa te titiro noa, kāore he mea whakamiharo i roto i te āhua o te avatar, kāore e maka he atarangi, kāore hoki e hanga he tapuwae ki te whenua. He tohu tohu ēnei o waho o te kore o te pōuri me te here rauemi. Ko te Atua-tangata pēnei anake e mōhio ana ki te Pono i muri ngā whanaungatanga o te ora me te mate. Nā te mea i tino hē te māramatanga, i waiata a Omar Khayyam mō tēnei tangata kua wetekina i roto i tana karaipiture ora tonu, te *Rubaiyat* :

"Āe, e te Marama o tōku Āhuareka, e kore nei e mōhio ki te memeha, Kei te ara anō te Marama o te Rangi; E hia ngā wā ka ara ake ia i muri nei ka titiro mai ia mā roto i tēnei Māra anō - kāore he hua!"

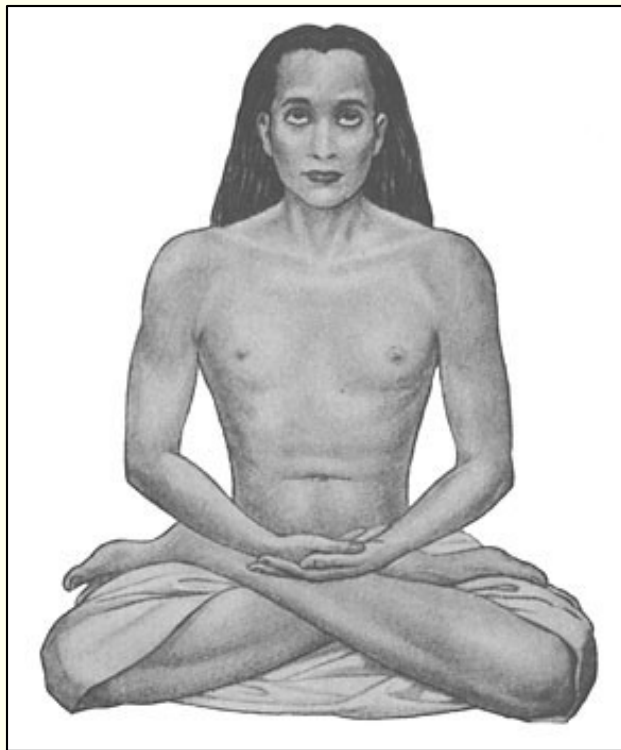

Ko te "Marama o te Harikoa" ko te Atua, ko Polaris mutunga kore, kāore e taea te whakarere. Ko te "Marama o te Rangi" ko te ao tūroa, he mea here ki te ture o te hokinga mai o ia wā. Kua whakakorea ōna mekameka ake tonu atu e te matakite Pāhia nā roto i tana mohiotanga ki a ia anō. "E hia ngā wā ka ara ake ia i muri nei... ka titiro mai ia ki ahau - kāore he hua!" He aha te pouri o te rapunga a te ao porangi mō te mea kāore i kitea!

I whakaatu a te Karaiti i tōna herekoretanga i tētahi atu ara: "Ā, ka haere mai tētahi karaipi, ka mea ki a ia, E te Kaiwhakaako, ka aru ahau i a koe ki ngā wāhi katoa e haere ai koe. Ka mea a Ihu ki a ia, He rua ō ngā pokiha, he kohanga ō ngā manu o te rangi; ko te Tama ia a te tangata, kāhore he wāhi e takoto ai tōna matenga." **33-1**

Whānui me te noho ki ngā wāhi katoa, i taea Karaiti pono kia i whaihia engari i roto te whānui Wairua?

Ko Krishna, ko Rama, ko Buddha, me Patanjali ētahi o ngā avatar o Īnia onamata. Kua tupu ake he rotarota nui i roto i te reo Tamil mō Agastya, he avatar o Īnia ki te Tonga. He maha ngā merekara i mahia e ia i ngā rautau i mua atu me muri mai i te wā Karaitiana, ā, e kiia ana ko ia te tangata nāna i pupuri tōna āhua tinana tae noa mai ki tēnei rā.

Ko te kaupapa a Babaji i Īnia he āwhina i ngā poropiti ki te whakatutuki i ā rātou mahi motuhake. Nō reira, e tika ana ia mō te whakarōpūtanga karaipiture o *Mahavatar* (Avatar Nui). Kua kī ia nā ia i whakawhiwhi te whakaurunga yoga ki a Shankara, te kaiwhakaū o mua o te Swami Order, me Kabir, te tangata tapu rongonui o te waenganui. Ko tana akonga matua o te rautau tekau mā iwa, e mōhiotia ana e tātou, ko Lahiri Mahasaya, he kaiwhakaora anō i te toi *Kriya kua ngaro* .

PĀPĀJI, TE MAHAVATAR
Guru o Rāhiri Mahasaya

ahau whai i āwhina he kaitoi ki tātuhi he pono āhua o te nui Yogi-Karaiti o hou Īnia.

te *Mahavatar* ki a te Karaiti; ka tukuna ngātahitia e rāua ngā wiri o te whakaoranga, ā, kua whakaritea e rāua te tikanga wairua o te whakaoranga mō tēnei ao. Ko te mahi a ēnei rangatira e rua kua tino mārāma - tētahi me te tinana, tētahi kāore - he whakaoho i ngā iwi kia whakarērea ngā pakanga whakamomori, ngā mauahara iwi, ngā wehenga whakapono, me ngā kino pūoro o te taonga. E mōhio ana a Babaji ki te ia o ngā wā hou, inā koa te awe me ngā uauatanga o te ao o te Hauāuru, ā, e mōhio ana ia ki te hiahia kia horahia ngā whakaoranga whaiaro o te yoga ki te Hauāuru me te Rawhiti.

Kāore he mea e miharo ai tātou i te korenga o ngā kōrero tuku iho mō Babaji. Kāore anō te tohunga nui kia puta noa mai i roto i tētahi rautau; kāore he wāhi mō te māramatanga hē o te rongonui i roto i āna mahere mō te mano tau. Pērā i te Kaihanga, te Mana kotahi engari e wahangu ana, e mahi ana a Babaji i roto i te pōuri iti.

Ka tae mai ngā poropiti nui pērā i a te Karaiti rāua ko Krishna ki te whenua mō tētahi kaupapa motuhake, whakamiharo hoki; ka wehe atu rātou ina oti. Ko ētahi atu avatar, pērā i a Babaji, ka mahi i ngā mahi e tika ana. He nui ake te aro ki te puhoi o te whanaketanga o te tangata i roto i ngā rautau, i te aro ki tētahi huihuinga nui o te hītori. E huna tonu ana ēnei rangatira i a rātou anō i te tirohanga whānui a te marea, ā, kei a rātou te mana ki te noho ngaro i ngā wā e hiahia ana rātou. Nā ēnei take, ā, nā te mea he maha ngā wā ka tohutohu rātou i ā rātou ākonga kia noho

puku mō rātou, he maha ngā tino atua rongonui e noho ngaro ana i te ao. Ka hoatu e au i roto i ēnei whārangi he tohu noa iho mō tōna oranga - he torutoru noa iho ngā meka e whakaarohia ana e ia he pai, he āwhina hoki kia whakapuakina ki te marea.

Kāore whakawhāiti ngā meka mō Pāpaji's whānau rānei wāhi whānau, e te aroha ki te kaituhi pukapuka ngākau, whai ake tonu atu kua

kitea. Ko tana kōrero i te reo Hindi i te nuinga o te wā, engari he ngāwari tana kōrero i roto i tētahi reo. Kua tangohia e ia te ingoa noa o Babaji (matua whakaute); ko ētahi atu taitara whakaute i hoatu ki a ia e ngā ākonga a Lahiri Mahasaya ko Mahamuni Babaji Maharaj (te tangata tapu tino harikoa), Maha Yogi (te yogi nui rawa atu), Trambak Baba me Shiva Baba (ngā taitara o ngā avatar o Shiva). He mea nui kia kore tātou e mōhio ki te ingoa matua o tētahi rangatira i tukuna ki te whenua?

"Ina whakahuahia te ingoa o Babaji me te whakaute e te tangata," te kī a Lahiri Mahasaya, "ka whiwhi tonu taua tangata karakia i te manaakitanga wairua."

Kāore he tohu o te pakeketanga o te tohunga matekore i tōna tinana; te āhua nei he taitamariki noa iho ia e rua tekau mā rima tau te pakeke. He kiri mā, he āhua waenga te hanga me te roa, e whiti ana te tinana ataahua, pakari o Babaji i te kanapa e kitea ana. He pōuri, he marino, he ngawari ōna kanohi; he parahi te tae o ōna makawe roa, kanapa. He mea tino rerekē ko te āhua ōrite o Babaji ki tana ākonga, ki a Lahiri Mahasaya. He tino whakamiharo te ōritetanga, ā, i ōna tau whakamutunga, tera pea i puta a Lahiri Mahasaya hei matua o Babaji taitamariki.

Swami Kebalananda, taku tapu Sanskrit kaiako, kua pau ētahi wā me Pāpāji i roto te Himalayas.

"Ka neke te rangatira tino pai me tana rōpū i ngā maunga i tētahi wāhi ki tētahi wāhi," te kōrero a Kebalananda ki ahau. "Kei roto i tana rōpū iti ētahi ākonga Amerikana e rua kua tino matatau. I muri i te noho a Babaji i tētahi wāhi mō tētahi wā, ka mea ia: '*Dera danda uthao.*' ('Me hapai e tātou tā tātou puni me tā tātou tokotoko.') Ka mau ia i tētahi *danda tohu* (he tokotoko pāka). Ko āna kupu te tohu mō te neke tere me tana rōpū ki tētahi atu wāhi. Kāore ia e whakamahi tonu i tēnei tikanga o te haere whetū; i ētahi wā ka haere ia i runga i te waewae mai i te tihi ki te tihi.

"Ka kitea, ka mōhiotia rānei a Babaji e ētahi atu ina hiahia ia. E mōhiotia ana kei a ia i puta mai ia i roto i ngā āhua rerekē ki ngā tāngata karakia - i ētahi wā kāore he pahau, he ngutu rānei, ā, i ētahi wā me rātou. Nā te mea kāore tōna tinana pirau e hiahia ki te kai, he onge te kai a te rangatira. Hei manaaki i ngā ākonga manuhiri, i ētahi wā ka tango ia i ngā hua rākau, i te raihi rānei i tunua ki te miraka me te pata kua whakamāoritia.

"E rua ngā mea whakamiharo o te oranga o Babaji e mōhiotia ana e au," te kōrero tonu a Kebalananda. "I tētahi pō, e noho ana āna ākonga i te taha o tētahi ahi nui e mura ana mō tētahi kawa tapu Vedic. I hopukina ohoreretia e te rangatira tētahi rākau e mura ana, ā, ka pā māriri ki te pakihwi tahanga o tētahi chela e tata ana ki te ahi."

"E te Ariki, pēhea nanakia! Rāhiri Mahasaya, ko wai i kei te wātea, i hangaia tēnei

whakahē

"He pai kē atu rānei ki a koe te kite i a ia e tahuna ana hei pungarehu i mua i ō kanohi, e ai ki te ture o tana karma o mua?"

"I roto i ēnei kupu, ka whakatakotoria e Babaji tōna ringa whakaora ki runga i te pakihwi kua hē te āhua o te chela. 'Kua whakaorangia koe e ahau i tēnei pō i te mate mamae. Kua ea te ture karma mā roto i tō mamae iti i te ahi.'"

"I tētahi atu wā, i whakakorikoria te porowhita tapu o Babaji e te taenga mai o tētahi tangata ke. I piki ia me te pūkenga whakamiharo ki te pari e tata ana ki te puni o te rangatira."

"'E te Ariki, ko koe pea te Babaji nui.' I tiaho te mata o te tangata i te whakaute e kore e taea te kī. 'Mō ngā marama kua rapu tonu ahau i a koe i roto i ēnei pari whakamataku. Kei te inoi atu ahau kia whakaaetia ahau hei ākonga.'

"Ina te nui tohunga i hangaia kāore whakautu, te tāne tohu ki te toka āputa i tāna waewae

"'Ki te whakakahoretia ahau e koe, ka peke ahau i tēnei maunga. Kāore he uara o te ora ki te kore e taea e au te whiwhi i tō arataki ki te Atua.'"

"'Peke atu rā,' te kī a Babaji me te kore kare ā-roto. 'Kāore e taea e au te whakaae ki a koe i roto i tō āhua whanaketanga o nāianeī.'"

"I peke tonu te tangata i a ia anō ki runga i te pari. I whakahau a Babaji i ngā ākonga ohorere kia tikina te tinana o te tangata tauhou. I tō rātou hokinga mai me te āhua pakaru, ka whakatakotoria e te rangatira tōna ringa atua ki runga i te tupapaku. Nā! ka whakatuwherahia e ia ōna kanohi, ā, ka piko whakaiti i a ia ki te aroaro o te Atua Kaha Rawa."

"'Kua rite koe inaianei mō te ako.' Ka ataata aroha a Babaji ki tana chela kua ara ake. 'Kua toa koe i tētahi whakamātautau uaua. E kore te mate e pā ki a koe anō; inaianei ko koe tētahi o tā mātou kahui ora tonu.' Kātahi ka kōrero ia i āna kupu wehe, '*Dera danda uthao*' ; ngaro atu ana te rōpū katoa i te maunga."

Kei roto i te Wairua o ngā wāhi katoa te noho o te avatar; ki a ia, kāore he tawhiti whakamuri ki te tapawhā. Nō reira, kotahi anake te take ka taea te akiaki i a Babaji ki te pupuri i tōna āhua tinana mai i te rautau ki te rautau: ko te hiahia ki te whakarato i te tangata ki tētahi tauira tūturu o ōna ake āheinga. I Ki te kore te tangata e whakaae kia kite i te Atuatanga i roto i te kikokiko, ka noho pēhia tonutia ia e te whakaaro pohehe taimaha e mea ana kāore e taea e ia te whiti atu i tōna mate urutā.

I mōhio a Ihu mai anō i te tīmatanga ki te raupapa o tōna orange; i pāngia ia e ia i roto i ia huihuinga, ehara i te mea māna ake, ehara i te mea nā te kaha o te karma, engari hei whakaara ake i te hinengaro tangata whakaaroaro. Ngā mea ora. Nā āna akonga tokowhā, a Matiu, a Maka, a Ruka, rāua ko Hoani, i tuhi te whakaari nui hei painga mō ngā whakatupuranga o muri mai.

Mō Pāpāji, hoki, i reira ko kāore whanaungatanga o ngā wā o mua, kei te wātea, ā muri ake nei; mai i te tīmatanga ia kua i mōhiotia ngā wāhanga katoa o tōna orange. Heoi, i a ia e whakaae ana ki te iti o te māramatanga o te tangata, he maha

ngā mahi a tōna oranga atua i mahia e ia i te aroaro o tētahi, neke atu rānei, o ngā kaiwhakaatu. Nō reira, i reira tētahi ākonga a Lahiri Mahasaya i te wā i whakaaro ai a Babaji kua tae te wā ki te kauwhau i te āheinga o te matekore o te tinana. I whakapuakina e ia tēnei kupu whakaari ki mua i a Ram Gopal Muzumdar, kia mōhiotia ai hei whakaohoho i ētahi atu ngākau e rapu ana. Ka kōrero ngā tāngata nunui i ā rātou kupu, ā, ka whai wāhi atu ki te huarahi tūturu o ngā kaupapa, hei painga mō te tangata anake, pērā i tā te Karaiti i kī ai: "E Pāpā . . . i mōhio ahau e whakarongo tonu ana koe ki ahau: engari he *whakaaro ki te hunga e tū tata nei i kōrero ai ahau*, kia whakapono ai rātou kua tonoa ahau e koe." **33-2** I roto i

taku haerenga ki Ranbajpur me Ram Gopal, "te tangata tapu kore moe," **33-3** I kōrerotia e ia te pūrākau whakamiharo o tana tūtakitanga tuatahi ki a Babaji.

"I ētahi wā ka wehe atu ahau i taku ana motuhake ki te noho ki ngā waewae o Lahiri Mahasaya i Benares," te kōrero a Ram Gopal ki ahau. "I tētahi waenganui pō, i ahau e whakaaroaro puku ana i roto i tētahi rōpū o āna ākonga, ka tono ohorere te rangatira."

"'Rama Kopara,' ia i mea, haere i kotahi ki te Dasamedh kaukau *kākā* .

"Kāore i roa ka tae atu ahau ki te wāhi mokemoke. He mārama te pō i te mārama o te marama me ngā whetū e kanapa ana. I muri i taku noho puku mō tētahi wā, ka aro atu ahau ki tētahi papa kōhatu nui e tata ana ki ōku waewae. Ka piki haere, ka whakakitea mai tētahi ana i raro i te whenua. I te noho taurite tonu o te kōhatu i tētahi āhua kāore i te mōhiotia, ka tōia ake te āhua o tētahi wahine taitamariki, tino ataahua, mai i te ana ki te rangi. I a ia e karapotia ana e tētahi āro ngawari, ka heke mārīre ia i mua i ahau, ā, ka tū kore e nekeneke, kua rumakina ki te harikoa o roto. Ka neke haere ia, ā, ka kōrero mārīre."

"'Ko Mataji ahau, **33-4** te tuahine o Babaji. Kua tono atu ahau ki a ia, me Lahiri Mahasaya hoki, kia haere mai ki taku ana i tēnei pō ki te kōrero mō tētahi take tino nui.

"I tere te rere o tētahi mārama pōuriuri i runga i te awa o Ganges; i whakaatahia te kanapa rerekē i roto i ngā wai pōuriuri. I whakatata mai, ā, tae noa ki te putanga mai o tētahi uira whakamataku." te taha o Mataji, ā, ka whakapoto tonu ia ki te āhua tangata o Lahiri Mahasaya. Ka piko whakaiti ia ki ngā waewae o te wahine tapu.

"I mua i taku oho ake i te pōhēhē, i miharo anō ahau i te kitenga atu i tētahi puranga mārama ngaro e porowhita ana i te rangi. I te hekenga tere mai, ka tata mai te awhiowhio mura ki tō mātou rōpū, ā, ka puta ko ia hei tinana o tētahi taiohi ataahua, i mōhio tonu ahau ko Babaji. I rite ia ki a Lahiri Mahasaya, ko te rerekētanga anake ko te āhua taitamariki o Babaji, ā, he makawe roa, kanapa."

"I tuturi mātou ko Lahiri Mahasaya, ko Mataji, ki ngā waewae o te guru. I oho ake te wairua o te kororia me te hari i roto i tōku tinana i taku pā atu ki tōna kikokiko atua."

"'E te tuahine,' te kī a Babaji, 'Kei te whakaaro ahau ki te whakarere i tōku āhua, ka ruku ki te Au Mutunga Kore.'"

"'Kua kite kē ahau i tāu mahere, e te rangatira aroha. I hiahia ahau ki te kōrero ki a koe i tēnei pō. He aha koe me whakarērea ai tō tinana?' Ka titiro te wahine whakahīhī ki a ia me te inoi.

"He aha ko te rerekētanga mēnā ahau kakahu he kitea rānei kāore e kitea ngaru i runga te moana o taku Wairua?

"Ka whakahoki a Mataji me te kanapa o te wairua whakakatakata. 'E te tohunga matekore, ki te kore he rerekētanga, kaua rawa e whakarērea tō āhua.' **33-5**

"Kia reira nā reira,' Pāpāji i mea me te tino whakahihī. 'Au ka kāore rawa haere taku ā-tinana tinana Ia ka i ngā wā katoa noho tonu kitea

ki te iti rawa i te tokoiti o te tangata i runga i tēnei ao. Kua whakapuakina e te Ariki tana ake hiahia mā roto i ō ngutu.

"I a au e whakarongo ana me te miharo ki te kōrero a ēnei mea whakahīhī, ka tahuri mai te guru nui ki ahau me te tohu atawhai.

"Kaua e wehi, e Ram Gopal,' i mea ia, 'he manaakitanga koe ki te noho hei kaiwhakaatu i te wāhi o tēnei kupu whakaari mutunga kore.'"

"I te memeha haere o te rangi reka o te reo o Babaji, ka rere māriri tōna āhua me tō Lahiri Mahasaya, ka neke whakamuri ki runga i te awa o Ganges. He atarangi kanapa i taupokina ō rātou tinana i a rātou e ngaro atu ana ki te rangi pō. "Hoatu te kī *Kriya* ki ngā chela whai tohu anake,' te kī a Babaji. 'Ko ia e oati ana ki te patu i ana mea katoa i roto i te rapunga o te Atua ko tau ki wetewete te whakamutunga ngā mea ngaro o ora mā roto te pūtaiao o whakaaroaro.

"E te tohunga anahera, i te mea kua atawhai kē koe i te tangata mā te whakaara anō i te toi *Kriya ngaro* , kāore ianei koe e whakanui ake i taua painga mā te whakangawari i ngā whakaritenga pakari mō te ākonga?' I titiro ahau

me te inoi ki a Babaji. 'Kei te inoi ahau kia tukua ahau e koe ki te whakapuaki *i te Kriya* ki ngā kaiwhai katoa, ahakoa i te tīmatanga kāore e taea e rātou te oati ki te whakarērea katoa i roto. Ko ngā tāne me ngā wāhine o te ao i whakamamaetia, i whaia e te mamae e toru, **34-7** me whai whakatenatena motuhake. E kore rawa rātou e whakamātau i te ara ki te herekoretanga mēnā ka āraia te whakaurunga ki *a Kriya i a rātou*.

"Kia pērā. Kua whakapuakina te hiahia atua mā roto i a koe.' Mā ēnei kupu māmā, ka peia e te guru aroha ngā parenga pakari i huna ai *a Kriya* i te ao mō ngā tau maha. 'Hoatu noa *a Kriya* ki te hunga katoa e tono āwhina ana me te ngākau mahaki.'

I muri i te wā whakangā, ka tāpiri atu a Babaji, 'Whakahuatia ki ia o ā koutou' ākonga tēnei kupu whakaari nui o te *Bhagavad Gita: "Swalpamasya Dharmasya, Trayata Mahato Bhoyat"* -"Ahakoa he iti noa te mahi i tēnei karakia ka whakaora i a koe i ngā wehi kino me ngā mamae nui.'" **34-8**

"I taku tuturi i te ata i muri mai ki ngā waewae o taku guru mō tana manaakitanga poroporoaki, ka kite ia i taku hiahia nui ki te wehe atu i a ia.

"Kāore he wehenga mō tāua, e taku tamaiti aroha.' I pā mai ia ki tōku pakihwi me te aroha. 'Ahakoa kei hea koe, ahakoa te wā e karanga mai ai koe ki ahau, ka noho tonu atu ahau ki a koe.'"

"I whakamarietia ahau e tana kupu whakaari whakamiharo, ā, i whai rawa hoki i te koura hou o te whakaaro nui o te Atua, ka heke iho ahau i te maunga. "E Rāhiri,' te kī whakamarie a tētahi tangata, 'kei raro tō hinengaro i te taumahatanga i roto i aua hau maunga onge. He moemoeā tēnei kua kōrerotia e koe.'"

"I tiaho te hiahia i roto i ngā kanohi katoa; kāore i te miharo te hiahia o te rōpū ki te kite i tētahi tangata tapu e puta mai ana i roto i tētahi ara rerekē. Me te āwangawanga, ka tono ahau mō tētahi rūma marino me ētahi paraikete huruhuru hou e rua."

"Ka puta mai te rangatira i te ao,' ka mea atu ahau. 'Noho puku koe i waho o te tatau; ka karanga atu ahau ki a koe i te wā tata.'"

"I totohu ahau ki roto i te āhua whakaaroaro, me te karanga whakaiti i taku guru. Kāore i roa ka kī te rūma pōuriuri i te marama o te marama; ka puta mai te āhua kanapa o Babaji."

"E Rāhiri, he mea iti noa iho tāu e karanga mai nei ki ahau?' He pakari te titiro a te rangatira. 'Mō te hunga rapu pono te pono, ehara i te hunga hiahia noa. He ngāwari te whakapono ina kite; kāore he mea hei whakakahore.'"

"E tika ana te pono o te wairua, ā, e kitea ana e te hunga kua wikitoria i tō rātou whakahē ā-tinana." Ka tāpiri atu ia me te ngākau pouri, "Tukua ahau kia haere!"

"I takoto puku ahau ki ōna waewae. 'E te tohunga tapu, e mōhio ana ahau ki taku hapa nui; e tono whakaiti ana ahau kia murua. Hei waihanga i te whakapono ki roto i ēnei hinengaro kua matapohia te wairua, i maia ai ahau ki te karanga atu ki a koe. Nā te mea kua puta mai koe me te atawhai i taku inoi, kaua e haere atu me te kore e hoatu he manaakitanga ki ōku hoa. Ahakoa he hunga kore whakapono rātou, i pai tonu rātou ki te tiroiro i te pono o aku kōrero tauhou.'"

"Pai rawa; ka noho ahau mō tētahi wā. Kāore au e hiahia kia whakahēngia tāu kupu i mua i ō hoa.' Kua ngawari te mata o Babaji, engari ka tāpiri māriri ia, 'Mai i tēnei wā, e taku tama, ka haere atu ahau ina hiahia ahau e koe, ehara i te mea i ngā wā katoa ka karanga mai koe ki ahau. ' **34-10**

"I te whakatuwheratanga o te tatau, ka noho puku te rōpū iti. Me te mea nei kāore i te whakapono ki ō rātou kare ā-roto, ka titiro matatau aku hoa ki te āhua kanapa i runga i te nohoanga paraikete."

"He whakamoemiti papatipu tēnei!' Ka kata nui tetahi tangata. 'Kāore e taea e tetahi te tomo ki tēnei rūma me te kore mātou e mōhio!'"

"Ka haere whakamua a Babaji me te menemene, ka tohu atu ki ia tangata kia pā atu ki te kikokiko mahana, mārō o tōna tinana. Ka memeha haere ngā feaa, ka takoto ōku hoa ki runga i te papa me te ripeneta miharo."

"Let *halua* **34-11.html** 'Kia rite.' I tono a Babaji i tēnei, i mōhio ahau, kia whakaū ake ai i te rōpū ki tōna āhua tūturu. I te mea e koropupū ana te parāoa, ka kōrero māriri

te tohunga atua. He rawe te hurihanga o ēnei Tāmati ruarua ki ngā Hāto Paora karakia. I muri i tā mātou kai, ka manaaki a Babaji i a mātou katoa. I puta he uira ohorere; i kite mātou i te whakakorenga matū o ngā huānga hiko o te tinana o Babaji hei māramatanga kohu e horapa ana. Nā te mana o te rangatira i whakahāngaitia e te Atua i wetekina ai tōna hopu i ngā ngota etera e piri tahi ana hei tinana mōna; i taua wā tonu ka memeha haere ngā tiriona o ngā mura iti ora ki roto i te puna mutunga kore.

"Me taku ake ngā kanohi ahau whai i kitea te toa o te mate. Maita, 34-12 kotahi o te rōpū, kōrero

"I hoki wawe ahau ki Danapur. Nā te mau tonu o te Wairua, ka tangohia anō e au ngā mahi pakihi me ngā mahi whānau maha a te rangatira whare."

I kōrerotia anō hoki e Lahiri Mahasaya ki a Swami Kebalananda rāua ko Sri Yukteswar te kōrero mō tētahi atu hui ki a Babaji, i raro i ngā āhuatanga i rite ki te kupu whakaari a te guru: "Ka haere atu ahau i ngā wā katoa e hiahiatia ana ahau e koe."

"Ko te whakaaturanga he *Kumbha Mela* i Allahabad," te kōrero a Lahiri Mahasaya ki āna ākonga. "I haere ahau ki reira i tētahi hararei poto mai i aku mahi tari. I a au e kopikopiko ana i waenganui i te mano tini o ngā mōneka me ngā sadhu i haere mai i tawhiti ki te haere ki te hakari tapu, ka kite ahau i tētahi tangata whakahihi kua pania ki te pungarehu e pupuri ana i tētahi peihana tono kai. Ka puta ake te whakaaro i roto i tōku hinengaro he tangata tinihanga taua tangata, te mau te ki waho ngā tohu o whakarēreatanga kāore he e rite ana roto te aroha noa

"'Guruji!' ahau i tere ki tāna taha 'E te Ariki, he aha kei koe te mahi konei?

Babaji I menemene mai ia ki ahau me te mea he tamaiti nohinohi; i mōhio ahau kei te whakaatu mai ia e hiahia ana ia kia kaua ahau e whakahe i tetahi, engari kia kite i te Ariki e noho ōrite ana i roto i ngā temepara tinana katoa, ahakoa he tangata rangatira, he tangata iti iho rānei. I tāpiri atu te guru nui, 'Mā te mahi ki ngā sadhus whakaaro nui me ngā sadhus kuware, kei te ako ahau i ngā āhuatanga nui rawa atu, e pai ai te Atua ki runga ake i ngā mea katoa - te ngākau mahaki.'"

Te He rite ki a te Karaiti Te ora o Rāhiri Mahasaya

"Ko te tikanga tēnei mā tāua kia whakarite i ngā mea tika katoa." **35-1** I roto i ēnei kupu ki a Hoani Kaiiriiri, me tana tono ki a Hoani kia iriiria ia, i whakaae a Ihu ki ngā mana atua o tana guru.

Mai i tētahi rangahau whakaute o te Paipera mai i te tirohanga a te Rawhiti, **35-2** ā, mai i te tirohanga ā-hinengaro, e whakapono ana ahau ko Hoani Kaiiriiri, i ngā oranga o mua, te tohunga o te Karaiti. He maha ngā kōrero i roto i te Paipera e kī ana ko Hoani rāua ko Ihu i roto i ō rāua tinana whakamutunga ko Iraia rāua ko tana akonga ko Eriha. (Koinei ngā tuhi i roto i te Kawenata Tawhito. I tuhia e ngā kaiwhakamāori Kariki ngā ingoa ko Iraia me Eriha; ka puta anō i roto i te Kawenata Hou i roto i ēnei āhua kua whakarerekētia.)

Ko te mutunga rawa o te Kawenata Tawhito he poropititanga mō te whānautanga mai o Iraia rāua ko Eriha: "Nana, ka tonoa atu e ahau a Iraia poropiti ki a koutou i mua i te taenga mai o te ra nui, whakamataku o Ihowa." **35-3** Nō reira, i whānau wawe atu a Hoani (Iraia), i tonoa mai "i mua i te taenga mai o te Ariki," hei karere mō te Karaiti. I puta mai tētahi anahera ki a Hakaraia te matua, hei whakaatu ko

tana tama a Hoani e haere mai ana ko Iraia (Iraia) anake.

"Engari te anahera i mea ki ia, Wehi kāore, Hakaraia: mō tōu inoi ko i rangona; me tōu wahine Irihāpeti

me pea koe he tama, me koe me waea tāna ingoa Hoani. Ā, he tokomaha o te tamariki o Ihairaira

ka tahuri ia ki te Ariki, ki tō rātou Atua. Ā, ka haere ia i mua i a ia **35-4** *i runga i te wairua me te mana o Iraia*, hei whakatahuri i ngā ngākau o ngā mātua ki ngā tamariki, i te hunga whakakeke ki te whakaaro nui o te hunga tika; hei whakarite i tētahi iwi kua rite mō te Ariki." **35-5** E rua ngā wā i kīia ai a Iraia (Iraia) ko Hoani: "Kua tae mai a Iraia, ā, kihai rātou i mōhio ki a ia.Kātahi ka haere ngā ākonga ki te

i matau ratou ko Hoani Kaiiriiri tana i korero ai ki a ratou." **35-6** E mea ana anō a te Karaiti: "I poropititia hoki e ngā poropiti katoa me te ture tae noa ki a Hoani. A ki te pai koutou ki te tango, ko Iraia tenei, i meinga nei kia haere mai." **35-7** Āhea Hoani whakakahoretia tērā ia i Iraia (Iraia), **35-8** ia te tikanga tērā i roto te whakaiti I roto i te kākahu o Hoani, kāore ia i haere mai i te whakateiteitanga o waho o Iraia te tohunga nui. I roto i tōna tinana o mua, i hoatu e ia te "kākahu" o tōna kororia me tōna taonga wairua ki tana akonga, ki a Eriha. "Ā, ka mea a Eriha, Tēnā koa, kia rua ngā wāhi o tō wairua ki ahau. Ā, ka mea ia, He mea uaua tāu i tono mai ai; ahakoa rā, ki te kite koe i ahau e tangohia atu ana i a koe, ka pena anō ki a koe." koe. . . . Na ka tangohia e ia te *koroka* o Iraia i marere iho i a ia." **35-9**

I huri ke ngā tūranga, nā te mea kāore a Iraia-Hoani i hiahiatia kia noho hei tohunga whakaari mō Iraia-Ihu, kua tino tika inaianei i roto i te mohiotanga atua.

I te whakaputanga ketanga o te Karaiti i runga i te maunga **35-10** Ko tana tohunga ko Iraia, rāua ko Mohi, i kite ia. I roto anō i tōna wā tino pōuri i runga i te ripeka, ka karanga a Ihu i te ingoa atua: " *Eri, e Iri, rama hapakatani?* ara, E toku Atua, e toku Atua, he aha koe i whakarere ai i ahau?" I te rongonga o ētahi o te hunga e tū ana i reira, ka mea, "E karanga ana tēnei tangata ki a Iraia. . .Kia kite tātou mēnā ko Iraia." ka haere mai ki tiaki ia." **35- 11**

I roto i a Babaji rāua ko Lahiri Mahasaya, i kitea anō hoki te hononga mutunga kore o te guru me te ākonga. Me te ngākau aroha, ka kauhoe te guru matekore i ngā wai Lethean i hurihuri i waenganui i ngā orange whakamutunga e rua o tana chela, ā, ka ārahi i ngā hikoinga i mahia e te tamaiti, ā, muri iho e te tangata a Lahiri Mahasaya. Tae noa ki te taenga o te ākonga ki tōna toru tekau mā toru tau, ka whakaaro a Babaji kua tae ki te wā tika hei whakatū anō i te hononga kāore anō kia motuhia. Kātahi, i muri i tā rāua hui poto i Ranikhet, ka peia e te rangatira ngākau aroha tana ākonga aroha i te rōpū maunga iti, ka tukuna ia ki tētahi misioni ao. "E taku tama, ka haere atu ahau i ngā wā katoa e hiahiatia ana ahau e koe." Ko wai te tangata aroha ka taea te tuku i taua kupu whakaari mutunga kore?

Kāore i te mōhiotia e te hāpori whānui, ka tīmata te rerenga mai o tētahi whakaoranga wairua nui mai i tētahi kokonga tawhiti o Benares. Pērā i te kakara o ngā putiputi e kore e taea te pehi, pērā anō a Lahiri Mahasaya, e noho mārire ana

hei rangatira whare pai, kāore i taea te huna i tōna kororia ā-roto. Mārire haere, mai i ngā wāhanga katoa o Īnia, ka rapu ngā pī karakia i te wai reka o te rangatira kua wetekina.

Ko te tumuaki tari Ingarihi tētahi o ngā tāngata tuatahi i kite i tētahi panonitanga nui whakaharahara o tana kaimahi, ā, i tapaina e ia me te aroha ko "Ecstatic Babu".

"E te rangatira, te āhua pouri nei koe. He aha te raruraru?" I pātai aroha a Lahiri Mahasaya ki tōna rangatira i tētahi ata.

"Tāku wahine i roto Ingarangi ko tino arotake māuiui ahau am haehae nā te manukanuka."

"Ka kōrero atu ahau ki a koe mōna." I puta atu a Lahiri Mahasaya i te rūma, ā, noho ana mō tētahi wā poto i tētahi wāhi motuhake. I tōna hokinga mai, ka menemene ia me te whakamarie.

"Kei te pai haere tō wahine; kei te tuhituhi reta ia ki a koe." I whakahua te yogi matau-katoa i ētahi wāhanga o te reta.

"E Pāpu harikoa, e mōhio ana ahau ehara koe i te tangata noa. Heoi, kāore au e whakapono ka taea e koe te whakakore i te wā me te wāhi i te wā e hiahia ana koe!"

I tae mai te reta i oaitia. Nā te miharo o te tumuaki, i kitea e ia ehara i te mea ko te rongo pai anake mō te oranga o tana wahine kei roto, engari ko ngā kupu anō hoki i whakahuatia e Lahiri Mahasaya i ngā wiki kua pahure ake nei.

I tae mai te wahine ki Īnia i ētahi marama i muri mai. I toro atu ia ki te tari, ā, i reira a Lahiri Mahasaya e noho puku ana i tana tēpu. I whakatata atu te wahine ki a ia me te whakaute.

"E te Ariki," ka mea ia, "ko tō āhua, i whitia ki te māramatanga kororia, i kitea e au i ngā marama kua pahure ake nei i te taha o taku moenga tūroro i Rānana. I taua wā tonu i ora katoa ahau! I muri tata mai, ka taea e au te haere i te haerenga roa ki Īnia."

I ia rā, i ia rā, ka inoi tetahi, e rua rānei ngā tāngata karakia ki te tohunga nui kia whakaurua ki *te Kriya*. Haunga ēnei mahi wairua, me ērā o tana mahi pakihi me tana oranga whānau, i aro nui te tohunga nui ki te mātauranga. He maha ngā rōpū ako i whakaritea e ia, ā, i whai wāhi nui ia ki te tipu o tētahi kura tuarua nui i te wāhanga Bengalitola o Benares. Ko āna kōrero auau mō ngā karaipiture i tapaina ko tana " Huihuinga *Gita* ," i tae atu te tini o te hunga rapu pono ki reira me te hihiri.

Mā ēnei mahi maha, i whai a Lahiri Mahasaya ki te whakautu i te wero noa: "I muri i te mahi i āna mahi pakihi me āna mahi pāpori, kei hea te wā mō te whakaaroaro karakia?" Ko te oranga taurite o te rangatira whare nui i noho hei whakaoho puku mō ngā mano tini o ngā ngākau pātai. I whiwhi noa i te utu iti, he penapena, he kore whakahihi, he wātea ki te katoa, i haere tonu te rangatira i te ara o te ao.

Ahakoia i noho a Lahiri Mahasaya i te nohoanga o te Runga Rawa, i whakaatu ia i te whakaute ki ngā tāngata katoa, ahakoia ō rātou tikanga rerekē. I te wā i mihi atu ai ōna hoa karakia ki a ia, ka piko ia ki a rātou.

Me te ngākau mahaki o te tamaiti, he maha ngā wā ka pā te rangatira ki ngā waewae o ētahi atu, engari kāore i te maha ngā wā ka tukua e rātou kia whakahonoretia ia e rātou anō, ahakoia he tikanga tawhito tēnei mō te hunga o te Rawhiti. tikanga

"Me mahi te Mahometa i tana *namaj* **35-13** "E whā ngā wā karakia i te rā," te kī a te rangatira. "E whā ngā wā i te rā me noho te Hinitū ki te whakaaroaro. E whā ngā wā i te rā me tuturi te Karaitiana ki raro, me te inoi ki te Atua, kātahi ka pānui i te Paipera."

Me te whakaaro nui, i ārahi te guru i ana akonga ki ngā ara o *te Bhakti* (whakatapua), *te Karma* (mahi), *te Jnana* (whakaaro nui), *te Raja* (*Yoga* kingi, oti rānei), e ai ki ngā āhua tūturu o ia tangata. Ko te rangatira, i puhoi ki te tuku whakaaetanga ki ngā tângata karakia e hiahia ana ki te tomo ki te ara ōkawa o te mōneka, i whakatūpato tonu i a rātou kia whakaaroaro pai ki ngā mahi uaua o te oranga mōneka.

I whakaako te tohunga nui i ana ākonga kia kaua e kōrero noa i ngā karaipiture. "Ko ia anake te tangata whakaaro nui." ko wai whakatapua ia anō ki te mohio, kâore pānui anake, te tawhito ngā whakakitenga," ia i mea. Ahakoa te ahua o te mohio o te tangata ki te whakauru i a ia ki roto i te raruraru kia mutunga kore, kâore te Tautoko Mutunga Kore i te iti iho i ngā pūkenga."

LAHIRI MAHAHAIA

Ākonga o Pāpāji

me Guru o Hīri Yukteswar

I whakaaturia te noho o te rangatira ki ngā wāhi katoa i tētahi rā i mua i tētahi rōpū ākonga e whakarongo ana ki tana whakamārama i te *Bhagavad Gita*. I a ia e whakamārama ana i te tikanga o *Kutastha Chaitanya*, arā, te Māramatanga o te Karaiti i roto i ngā mea hanga wiri katoa, ka ohorere a Lahiri Mahasaya, ka karanga:

"Au am toremitanga i roto te ngā tinana o he tokomaha ngā wairua whakaweto te takutai o Hapani!"

I te ata i muri mai ka pānuitia e ngā chela tētahi pūrongo nūpepa mō te matenga o te tini o ngā tāngata i totohu ō rātou kaipuke i te rā i mua atu e tata ana ki Hapani.

I te nuinga o te wā, i mōhiotia ngā ākonga tawhiti o Lahiri Mahasaya mō tōna aroaro e karapoti ana i a rātou. "Kei te taha tonu ahau o te hunga e mahi ana i a *Kriya*," tana kupu whakamarie ki ngā chela kāore i taea te noho tata ki a ia. "Māku koe e ārahi ki te Kāinga Ao mā roto i ō tirohanga whānui."

I kōrerotia ki a Swami Satyananda e tētahi tangata karakia, nā te mea kāore i taea e ia te haere ki Benares, i whiwhi tonu ia i te whakaurunga *Kriya tika* i roto i te moemoeā. I puta mai a Lahiri Mahasaya ki te whakaako i te chela hei whakautu ki āna inoi.

Ki te wareware tetahi akonga i ana kawenga o te ao, ka ata whakatikatika te rangatira i a ia, ka whiu hoki.

"He ngawari, he whakaora hoki ngā kupu a Lahiri Mahasaya, ahakoa i akiakihia ia kia kōrero whānui mō ngā hapa o tētahi chela," te kōrero a Sri Yukteswar ki ahau. I tāpiri atu ia me te pouri, "Kāore he ākonga i mawhiti i ngā kupu whakahihi a tō mātou rangatira." Kāore i taea e au te ārai i te kata, engari i whakamana pono ahau ki a Sri Yukteswar, ahakoa he koi, he

kāore, tāna ia kupu i puoro ki taku ngā taringa.

Kriya e Lahiri Mahasaya kia whā ngā whakaurunga whakamua. **35-15** I tukuna e ia ngā tikanga teitei e toru i muri i te kitenga o te tangata karakia i te ahunga whakamua wairua. I tētahi rā i whakapuaki tetahi chela i tana whakaaro kāore tōna uara i te arotakehia tikatia, te koretake

"E te Ariki," ia i mea, "tino ahau am kua rite ināianei mō te tuarua whakaurunga."

I tēnei wā tonu ka huaki te tatau hei whakauru atu i tētahi ākonga whakaiti, ko Brinda Bhagat tōna ingoa. He kaimahi mēra ia nō Benares .

"E Brinda, noho mai ki konei i tōku taha." Ka menemene te tohunga nui ki a ia me te aroha. "Kōrero mai, kua rite koe mō te tikanga tuarua o *Kriya* ?"

Ka piko te ringa o te kai-mēra iti ki te inoi. "Gurudeva," ka mea ia me te matakū, "kāore he whakaurunga anō, tēnā! Me pēhea taku ako i ngā whakaakoranga teitei ake? I haere mai ahau i tēnei rā ki te tono i ō manaakitanga, nā te mea kua whakakīia ahau e te *Kriya atua tuatahi* ki te haurangi nui, kāore e taea e au te tuku i aku reta!"

"Kei te kauhoe kē a Brinda i te moana o te Wairua." I te rongonga i ēnei kupu a Lahiri Mahasaya, ka piko te māhunga o tana akonga.

"E te Ariki," ia i mea, "Au kite ahau whai kua he rawakore kaimahi, te kimi hapa me taku ngā taputapu."

kore mātauranga o te kaimahi mēra, i whanake haere tōna māramatanga mā roto i a *Kriya*, ā, i ētahi wā ka rapua e ngā tohunga tana whakamārama mō ngā kōrero o te karaipiture. Ahakoa te harakore o te hara me te wetereo, i rongonui a Brinda i roto i te ao o ngā tohunga mātauranga.

Haunga ngā ākonga tini o Benares a Lahiri Mahasaya, e rau ngā tāngata i tae mai ki a ia mai i ngā wāhi tawhiti o Īnia. I haere ia ki Bengal i ētahi wā, ki te toro atu ki ngā kāinga o ngā hungawai o āna tama tokorua. Nā tōna aroaro i manaaki, ka kapi a Bengal i ngā rōpū *Kriya iti* . Ina koa i ngā rohe o Krishnagar me Bishnupur, he maha ngā tāngata karakia puku tae noa mai ki tēnei rā e pupuri tonu ana i te ia o te whakaaroaro wairua e kore e kitea.

I roto i te tini o ngā tāngata tapu i whiwhi i te *Kriya* mai i a Lahiri Mahasaya, ka taea te whakahua ko Swami Vhaskarananda Saraswati rongonui o Benares, me te wahine whakahihi o Deogarh, a Balananda Brahmachari. Mō tētahi wā, i mahi a Lahiri Mahasaya hei kaiako motuhake mā te tama a Maharaja Iswari Narayan Sinha Bahadur o Benares. I te mōhio ki te whakatutukitanga wairua o te rangatira, i rapu te maharaja me tana tama i te whakaurunga *Kriya* , pērā i te Maharaja Jotindra

Mohan Thakur.

He tokomaha ngā ākonga a Lahiri Mahasaya, he mana nui ō rātou i te ao, i hiahia ki te whakawhānui i te porowhita *Kriya* mā te rongonui. Kāore te guru i whakaae. I tīmata tētahi chela, te rata kingi a te Ariki o Benares, i tētahi mahi whakarite hei hora i te ingoa o te rangatira ko "Kashi Baba" (Te Mea Whakanuia o Benares). **35-16** I āraia anō e te guru.

Kei runga ake nei te tuhituhinga me te waitohu a Lahiri Mahasaya, i roto i te tuhinga Bengali. Kei roto i tētahi reta ki tētahi chela ngā rārangi; e whakamārama ana te tohunga nui i tētahi whiti Sanskrit penei: "Ko ia kua eke ki he āhua marino e kore ai ōna kamo e kimo, kua tutuki i a ia *te Sambhabi Mudra* ."

ngā whakamārama. Pērā i a Ihu me ētahi atu poropiti nui, kāore a Lahiri Mahasaya i tuhi pukapuka, engari ko ana whakamārama hohonu i tuhia, i whakaritea hoki e ngā ākonga. Ko ētahi o ēnei amanuenses tūao he nui ake te mōhio i ētahi atu ki te whakapuaki tika i te māramatanga hohonu o te guru; heoi, i te nuinga o te wā, i angitu ā rātou mahi. Nā tō rātou hihiri, kei te ao ngā whakamārama kāore i rite mō Lahiri Mahasaya mō ngā karaipiture tawhito e rua tekau mā ono.

Kua tuhia e Sri Ananda Mohan Lahiri, he mokopuna nā te rangatira, tētahi pukapuka whakamere mō *Kriya*. "Ko te tuhinga o te *Bhagavad Gita* he wāhanga o te pukapuka nui, te *Mahabharata*, he maha ngā pona (*vyas-kutas*) kei roto," te tuhituhi a Sri Ananda. "Kāore e pātaihia aua pona, ā, kāore he mea e kitea e tātou engari ko ngā kōrero pakiwaitara o tētahi momo rerekē, ngāwari hoki te mārama. Puritia aua mea." kāore i whakamāramahia ngā pūnga pona, ā, kua ngaro i a tātou te pūtaiao i tiakina e te Rawhiti me te manawanui nui rawa atu i muri i te rapunga o ngā mano tau o te whakamātautau. **35-20** Nā ngā whakamārama o Lahiri Mahasaya i whakamārama, i mārama ai, i ngā kōrero whakarite, te pūtaiao tonu o te whakapono i hunaia mā te mōhio i roto i te panga o ngā reta me ngā whakaahua o te karaipiture. Ehara i te mea he mahi whakakatakata noa iho o ngā kupu, kua whakamātauhia e te rangatira ngā tikanga kore tikanga o te karakia Vedic he mea nui ki te pūtaiao. . . .

"E mōhio ana tātou kāore te tangata e āwhina i te mana whakakeke o ngā hiahia kino, engari ka kore e taea e ēnei, ā, kāore he take e kitea e te tangata i roto i ō rātou ngākau aroha ina puta ake he māramatanga mō te harikoa nui me te pumau mā roto i a *Kriya*. I konei ka hono te tuku, te whakakore i ngā hiahia o raro ki te tango ake, te whakaū i te hari. Ki te kore he huarahi pēnei, ka kore e whai hua ki a tātou ngā rau o ngā whakataukī matatika e rere noa ana i roto i ngā mea kino."

"Mā tō tātou hiahia ki ngā mahi o te ao nei ka mate te wairua o te wehi wairua i roto i a tātou. Kāore e taea e tātou te mārama ki te Ora Nui i muri i ngā ingoa me ngā āhua katoa, nā te mea ka homai e te pūtaiao ki a tātou te huarahi e taea ai e tātou te mahi." whakamahia ngā mana o te taiao; kua whakatupu tēnei mōhiotanga i te whakahawea ki ana mea ngaro whakamutunga. Ko tō tātou whanaungatanga ki te taiao he whanaungatanga mahi. Ka whakato i tātou i a ia, me te kī, kia mōhio ai me pēhea ia e taea ai te whakamahi hei whakatutuki i ā tātou kaupapa; ka whakamahia e tātou ōna kaha, kāore anō kia mōhiotia tōna Pūtake. I roto i te pūtaiao, ko tō tātou whanaungatanga ki te taiao he whanaungatanga kei waenganui i te tangata me tana pononga, i roto rānei i te tikanga rapunga whakaaro he rite ia ki te herehere i roto i te pouaka kaiwhakaatu. Ka uiuia ia e tātou, ka werohia ia, ka paunatia hoki ōna taunakitanga ki ngā pauna tangata e kore e taea te ine i ōna uara huna. I tētahi atu taha, ina noho tahi te tangata me te mana teitei ake, ka whakarongo aunoa te taiao, me te kore he ahotea, he pēhanga rānei, ki te hiahia o te tangata. Ko tēnei whakahau ngāwari ki te taiao e kiia ana he 'merekara' e te hunga kore e mārama ki ngā mea o te ao.

"Nā te oranga o Lahiri Mahasaya i whakatakoto te tauira i whakarerekē i te

whakaaro hē he mahi ngaro te yoga. Ka kitea e ia tangata he ara mā roto i *a Kriya* kia mārama ai ia ki tōna whanaungatanga tika ki te taiao, kia rongo ai hoki i te whakaute wairua mō ngā āhuatanga katoa, ahakoa he mea ngaro, he mea o ia rā rānei, ahakoa te pono o te pūtaiao ā-tinana." **35-21** Me maumahara tātou ko te mea i ngaro i te mano tau ki muri kua kore e pērā i ēnei rā, ā, ko te mea ngaro i nāianei ka taea te mārama ā-ture i te rau tau e haere ake nei. Ko te Mutunga Kore, te Moana o te Mana, kei te te tuara o ngā whakaaturanga katoa.

"He ture pumau te ture o *Kriya Yoga* . He pono pērā i te pāngarau; pērā i ngā ture māmā o te tāpiri me te tango, te ture o *Kiria* kēne kāore rawa kia whakangaromia. Tahuna ki pungarehu katoa te ngā pukapuka i runga pāngarau,

"Ka kitea anōtia e te hunga whai whakaaro arorau aua pono; whakangaromia ngā pukapuka tapu katoa mō te yoga, ka puta mai ōna ture taketake ina puta mai he yogi pono e mau ana i roto i a ia te karakia parakore, ā, nō reira, te mātauranga parakore."

Pērā i a Babaji kei roto i ngā avatar nui rawa atu, he *Mahavatar*, ā, ko Sri Yukteswar he *Jnanavatar*, he Whakakikoruatanga rānei o te Whakaaro Nui, waihoki ka tika te kī ko Lahiri Mahasaya ko *Yogavatar*, ko te Whakakikoruatanga rānei o te Yoga. E ai ki ngā paerewa o te pai kounga me te pai rahi, i whakanuia e ia te taumata wairua o te haporī. I roto i tōna kaha ki te whakaara i ana akonga tata ki te tūnga rite ki a te Karaiti, me tana hora whānui i te pono ki waenga i te marea, kei roto a Lahiri Mahasaya i ngā kaiwhakaara o te tangata.

Ko tōna ahurei hei poropiti kei roto i tana aro nui ki tētahi tikanga tino tika, arā, ko *Kriya*, e whakatuwhera ana i ngā tatau o te herekoretanga yoga ki ngā tāngata katoa mō te wā tuatahi. Haunga ngā merekara o tōna ake oranga, he pono kua eke te *Yogavatar* ki te tihi o ngā mea whakamiharo katoa i te whakaiti i ngā uauatanga tawhito o te yoga ki he māmā noa iho, whai hua hoki, e kore e neke atu i te mea noa.

Mō ngā merekara, i kī pinepine a Lahiri Mahasaya, "Kaua e kōrerohia, e whakaputaina rānei te mahi a ngā ture ngaro kāore e mōhiotia ana e te iwi whānui, me te kore e whakahāweatia." Mena i roto i ēnei whārangi kua puta ahau ki te takahi i ana kupu whakatūpato, nā te mea kua homai e ia he whakamanawa ki ahau. Waihoki, i taku tuhi i ngā oranga o Babaji, o Lahiri Mahasaya, me Sri Yukteswar, i whakaaro ahau he mea tika kia waihotia ngā kōrero merekara pono, kāore e taea te whakauru atu me te kore e tuhia he pukapuka whakamārama o te rapunga whakaaro uaua.

Pāpaji's Te hiahia I roto Te Te Hauāuru

"E te Kaiwhakaako, i mahi koe ake tonu atu tūtaki Pāpāji?"

He pō marino raumati i Serampore; i tiaho mai ngā whetū nunui o te rohe wera i runga ake i ō mātou mahunga i ahau e noho ana i te taha o Sri Yukteswar i te taupee o te papa tuarua o te whare karakia.

"Āe." Ka menemene te Ariki ki taku pātai tika; ka tiaho ōna kanohi i te whakaute. "E toru ngā wā kua manaakitia ahau e te kitenga i te guru matekore. Ko tā māua hui tuatahi i Allahabad i te *Kumbha Mela*."

Ko ngā whakaaturanga whakapono e tū ana i Īnia mai anō i ngā wā o mua e mōhiotia ana ko *Kumbha Melas*; kua mau tonu ngā whāinga wairua ki te aroaro o te mano tini. Ka huihui ngā Hindu whakapono i ngā miriona i ia ono tau ki te tūtaki ki ngā mano tini o ngā sadhu, yogi, swami, me ngā ascetics o ngā momo katoa. ahau, ' *ehara ahau* i te swami."

"Ko te hunga i whakahaua mai e te Atua kia whakawhiwhia ki ahau te taitara 'swami' kāore i whakakahoretia.' He ngāwari noa iho te kōrero a te tangata tapu ki ahau, engari i rangona te whakapono hohonu ki te pono i roto i āna kupu; i taupokina ahau e te ngaru o te manaakitanga wairua. I menemene ahau i taku pikinga ohorere ki te raupapa mōneka tawhito, **36-1** I piko ahau ki ngā waewae o te mea nui, anahera hoki i roto i te āhua tangata, nāna nei ahau i whakahonore.

"Nā Babaji - nā te mea ko ia tonu - ahau i tohu kia noho ki tōna taha i raro i te rākau. He kaha ia, he taitamariki, ā, he rite tōna āhua ki a Lahiri Mahasaya; heoi, kāore au i aro ki te āhua ōrite, ahakoa kua maha aku rongonga mō ngā āhua ōrite o te āhua o ngā rangatira e rua." Babaji He mana tōna e taea ai e ia te ārai i tētahi whakaaro motuhake kei puta ake i roto i te hinengaro o te tangata. I te mārāma, i hiahia te tohunga nui kia tino noho noa ahau i tōna aroaro, kaua e matakū i te mōhio ki tōna tuakiri.

? He aha mahi koe whakaaro o te *Kumbha Mera*?"

"I tino pouri ahau, e te rangatira.' Ka hohoro taku tāpiri atu, 'Tae noa ki te wā i tūtaki ai ahau ki a koe. Tērā pea kāore te hunga tapu me tēnei ngangau e tika ana kia noho tahi.'

"E tama,' te kī a te rangatira, ahakoa te āhua nei he tata rua taku pakeke i a ia, 'mō ngā hapa o te tini, kaua e whakahē i te katoa. He mea whakaranu ngā mea katoa o te ao, pērā i te ranunga o te onepu me te huka. Kia rite koe ki te pōpokorua whakaaro nui e hopu ana i te huka anake, ā, ka waiho te onepu kia kore e pā. Ahakoa he maha ngā sadhu i konei e kopikopiko tonu ana i roto i te pohehe, heoi ka manaakitia te *mela* e ētahi tāngata torutoru o te mōhiotanga ki te Atua.'

"I roto i tirohanga o taku ake hui me tēnei whakanuia rangatira, ahau tere i whakaaetia me tāna te mātakitaki

"E te Ariki,' i kī atu ahau, 'Kua whakaaro ahau ki ngā tāngata pūtaiao o te Hauāuru, he nui ake te mātauranga i te nuinga o te hunga e huihui mai ana ki konei, e noho ana i Ūropi me Amerika tawhiti, e whakaae ana ki ngā whakapono rerekē, ā, e kuware ana ki ngā uara tūturu o aua *mela* pērā i tēnei o nāiane. Ko rātou ngā he

tāne ka nui te painga mā te tūtaki ki ngā rangatira o Īnia. Ahakoa te teitei o ngā whakatutukitanga hinengaro, he tokomaha ngā tāngata o te Hauāuru e piri ana ki te whakarōpū i te hiahia ki ngā taonga. Ko ētahi, he rongonui i roto i te pūtaiao me te rapunga whakaaro, kāore e mōhio ki te kotahitanga nui o te whakapono. Ko ā rātou whakapono he arai e kore e taea te wikitoria e whakawehi ana ki te wehe i a rātou i a tātou ake ake.

"I kite ahau kei te hiahia koe ki te Hauāuru, me te Rawhiti anō hoki.' I whiti te mata o Babaji i te whakaae. 'I rongu ahau i ngā mamae o tō ngākau, he whānui mō ngā tāngata katoa, ahakoa nō te Rawhiti, nō te Uru rānei. Koia ahau i karanga atu ai i a koe ki konei.'

"Me whakatū e te Rawhiti me te Hauāuru tētahi ara waenga koura e honoa ana ki te mahi me te wairuatanga,' ka haere tonu ia. 'He nui ngā mea hei ako mā Īnia mai i te Hauāuru mō te whanaketanga rauemi; hei utu, ka taea e Īnia te whakaako i ngā tikanga whānui e taea ai e te Hauāuru te whakatakoto i ōna whakapono ki runga i ngā turanga pumau o te pūtaiao yoga.'"

"He wāhi tōu, e Swamiji, ki te whakawhitiwhiti whakaaro pai i waenganui i te Rawhiti me te Uru. I ētahi tau i mua ake nei ka tukuna atu e au he akonga māu hei whakangungu māu mō te hora i te yoga ki te Hauāuru. Ka tae mai ngā wiri o te tini o ngā wairua e rapu ana i te wairua ki ahau. Ka kite ahau i ngā hunga tapu pea i Amerika me Ūropi, e tatari ana kia ara ake.'"

I tēnei pūwāhi i roto tāna kōrero, Hīri Yukteswar tahuri tāna titiro tino i runga nāku.

"E taku tama," ka mea ia, me te ataata i te marama, "ko koe te ākonga i oati mai a Babaji ki te tuku mai i ahau i ngā tau kua pahure ake nei."

I harikoa ahau i te rongonga kua arahina ahau e Babaji ki a Sri Yukteswar, engari he uaua ki ahau te whakaaro i ahau anō kei te taha tōpito o te Hauāuru, kei tawhiti atu i taku guru e arohaina nei me te rangimārie ngawari o te whare karakia.

"Kātahi ka kōrero a Babaji mō te *Bhagavad Gita* ," ka haere tonu a Sri Yukteswar. "I miharo ahau, i tana whakahua mā roto i ētahi kupu whakamoemiti e mōhio ana ia kua tuhia e au he whakamaoritanga mō ngā upoko *Gita rerekē* ."

"I taku tonu, e Swamiji, tēnā koa tīmatahia tētahi atu mahi,' te kī a te rangatira nui. 'Kāore koe e tuhi i tētahi pukapuka poto mō te kotahitanga taketake i waenganui i ngā karaipiture Karaitiana me ngā karaipiture Hinitu? Whakaaturia mā ngā tohutoro ōrite kua kōrero ngā tama a te Atua i ngā pono kotahi, kua hunaia inaiane i ngā rerekētanga whakapono o te tangata.'"

"Maharaj," **36-2** ahau i whakautua me te māia, 'aha he whakahau! Me ahau kia āhei ki whakatutuki ia?

"Ka kata mērie a Babaji. 'E taku tama, he aha koe i ruarua ai?' ka mea ia me te whakamarie. 'Ina hoki, nā wai ēnei mahi katoa, ā, ko wai te Kaimahi o ngā mahi katoa? Ko ngā mea katoa i meinga e te Ariki kia kōrerotia e au, ka tutuki hei pono.'"

"I whakaaro ahau kua whakamanahia ahau e ngā manaakitanga a te tangata tapu, ā, i whakaae ahau ki te tuhituhi i te pukapuka. I te āwangawanga kua tae mai te haora wehenga, ka whakatika ake ahau i taku nohoanga rau."

"E mōhio ana koe ki a Lahiri?' **36-3** ka pātai te rangatira. 'He wairua nui ia, kāore? Kōrerotia ki a ia tā tāua hui.' Kātahi ka homai e ia he karere ki ahau mā Lahiri Mahasaya.

"I muri i taku piko me te whakaiti hei poroporoaki, ka menemene atawhai te tangata tapu. 'Ina oti tāu pukapuka, ka toro atu ahau ki a koe,' ka oati ia. 'Haere rā.'"

"I te aonga ake ka wehe atu ahau i Allahabad ka haere ki Benares. I taku taenga ki te kāinga o taku guru, ka ringihia e ahau te kōrero mō te tangata tapu whakamiharo i te *Kumbha Mela*."

"Āe, kāore koe i mōhio ki a ia?' I kanikani ngā kanohi o Lahiri Mahasaya i te kata. 'E kite ana ahau kāore koe i taea, nā te mea i ārai ia i a koe. Ko ia taku guru kore e taea te whakarite, te Babaji o te rangi!'"

"'Babaji!' i kī atu anō ahau me te miharo. 'Ko te Yogi-Christ Babaji! Ko te kaiwhakaora e kore e kitea, ko Babaji! Āe, mehemea Ka taea e au te maumahara ki ngā wā o mua, me te noho anō ki tōna aroaro, hei whakaatu i tōku aroha ki tana rēmana waewae!"

"'Kaua rawa hinengaro,' Rāhiri Mahasaya i mea whakamarie. 'Ia kua i oaitia ki kite koe anō."

"'E Gurudeva, i tono mai te rangatira atua kia tukuna atu e au he karere ki a koe. 'Mea atu ki a Lahiri,' ka mea ia, 'kua pau te mana kua rongoaia mō tēnei ao; kua tata mutu.'"

"I taku whakapuakitanga i ēnei kupu ngaro, ka wiri te tinana o Lahiri Mahasaya me te mea kua pāngia e te uira. I roto i tētahi wā poto ka wahangu katoa ngā mea i tōna taha; ka huri tōna mata ataata hei tino pakari. Pērā i te whakapakoko rakau, pouri, kore e nekeneke i tōna nohoanga, ko tōna tinana ka kore he tae. I ohorere ahau, ā, i pōhēhē. Kāore anō i roto i tōku ao kia kite ahau i tēnei wairua harikoa e whakaatu ana i te kaha whakamataku pēnei. I titiro maku ngā ākonga i reira."

"E toru hāora te roa i roto i te wā puku. Kātahi ka hoki anō a Lahiri Mahasaya ki tōna āhua tūturu, harikoa, ā, ka kōrero aroha ki ia o ngā chela. Ka whakapūha te katoa i te ngākau māhorahora."

"I te tauhohenga a tōku ariki, i mōhio ahau ko te karere a Babaji he tohu marama nā i marama a Lahiri Mahasaya ka kore e roa ka noho tōna tinana. Nā tōna wahangu whakamiharo i whakaatu kua whakahaere tonu taku guru i tōna orange, kua tapahia tana taura whakamutunga o te hononga ki te ao kikokiko, ā, kua rere ki tōna tuakiri ora tonu i roto i te Wairua. Ko te kōrero a Babaji tana huarahi ki te kī: 'Ka noho tonu ahau ki a koe.'"

"Ahakoa i mōhio katoa a Babaji rāua ko Lahiri Mahasaya, ā, kāore i hiahiatia kia kōrero tetahi ki tetahi māku, mā tētahi atu takawaenga rānei, he maha ngā wā ka whakaititia e ngā mea nunui te whai wāhi ki te whakaari tangata. I ētahi wā ka tukuna ā rātou poropititanga mā roto i ngā karere i roto i tētahi huarahi noa, kia taea ai e te whakatutukitanga whakamutunga o ā rātou kupu te whakatō i te whakapono atua nui ake ki roto i tētahi porowhita whānui o te tangata ka ako i te kōrero i muri mai."

"I tere tonu taku wehenga atu i Benares, ā, ka tīmata taku mahi i Serampore i runga i ngā tuinga karaipiture i tonoa mai e Babaji," te kōrero tonu a Sri Yukteswar. "I te tīmatanga o taku mahi, ka taea e au te tito i tētahi rotarota i

whakatapua ki te guru matekore. I rere mārīre mai ngā rārangi waiata i taku pene, ahakoa kāore anō kia whakamātau ahau i ngā rotarota Sanskrit i mua."

"I roto i te marino o pō ahau pukumahi ahau anō i runga he whakataurite o te Paipera me te ngā karaipiture o *Sanatan Dharma* . **36-4** I taku whakahua i ngā kupu a te Ariki, a Ihu, i whakakitea e au ko ana whakaakoranga he mea kotahi ki ngā whakakitenga o ngā *Veda* . I tino harikoa ahau, i te otinga o taku pukapuka i roto i te wā poto. wā poto; i kite ahau nā te aroha noa o taku *Param-Guru-Maharaj tēnei manaakitanga tere* . **36-5** I puta tuatahi mai ngā upoko i roto i te pukapuka a *Sadhusambad* ; nō muri mai ka tāia motuhaketia hei pukapuka e tētahi o aku ākonga o Kidderpore.

"I te ata i muri i taku whakaotinga i aku mahi tuhituhi," ka haere tonu te Kaiwhakaako, "i haere ahau ki te Whare Wānanga o Rai Kei konei a Ghat hei kaukau i te awa o Ganges. Kua takoto kau te ghat; i tū tonu ahau mō tētahi wā, e pārekareka ana ki te rangimārie o te rā. I muri i te kaukau i roto i ngā wai kanapa, ka tīmata ahau ki te hoki ki te kāinga. Ko te tangi anake i roto i te wā puku ko taku kakahu kua mākū ki te awa o Ganges, e horoia ana i ia hikoinga. I ahau e haere ana i tua atu i te wāhi o te rākau banyan nui e tata ana ki te pareparenga o te awa, ka akiakihia ahau e te hihiri kaha kia titiro whakamuri. I reira, i raro i te marumaru o te banyan, me te karapotihia e ētahi ākonga torutoru, e noho ana te Babaji nui!

"Ngā mihi, e Swamiji!" I tangi te reo ataahua o te rangatira hei whakamana i ahau kāore au i te moemoeā. 'Kua kite ahau kua oti pai i a koe tō pukapuka. E ai ki taku i oati ai, kei konei ahau ki te mihi ki a koe.'"

"Me te tere o te pao o tōku ngākau, ka takoto katoa ahau ki raro i ōna waewae. 'E Param-guruji,' ka mea atu ahau me te inoi, 'kāore ianei koe me ō hoa rangatira e whakahonore i tōku kāinga tata ki tō kōrua aroaro?'"

"Me te menemene, ka whakakahore te tohunga nui. 'Kāo, e tama,' ka mea ia, 'he hunga mātou e pai ana ki te piringa o ngā rākau; he tino whakamarie tēnei wāhi.'"

"Tena koa tatari mai, e te Ariki.' Ka titiro puku atu ahau ki a ia. 'Ka hoki tonu mai ahau me ētahi mīti reka motuhake.'"

"I taku hokinga mai i roto i ētahi meneti me tētahi rihi kai reka, kātahi ka mutu te tiaki a te tira o te rangi e te manu pania rangatira. I rapu ahau i te taha katoa o te ghat, engari i roto i tōku ngākau i mōhio ahau kua rere kē te tira iti nei i runga i ngā parirau ethereal."

"I tino mamae ahau. 'Ahakoa ka tūtaki anō māua, kāore au e pai ki te kōrero ki a ia,' i whakamanawa atu ahau ki a au anō. 'Kāore ia i te pai ki te whakarere i ahau i taua wā tonu.' He riri aroha tēnei, ko te tikanga, kāore he mea kē atu."

"I muri i ētahi marama, ka toro atu ahau ki Lahiri Mahasaya i Benares. I taku taenga atu ki tōna rūma noho iti, ka menemene mai taku tohunga hei mihi."

"Nau mai, e Yukteswar,' i mea ia. 'I tūtaki koe ki a Babaji i te paepae o tōku rūma?' "'Kāo,' i whakahoki ahau me te miharo.

"Haere mai.' Ka pā mārie mai a Lahiri Mahasaya ki tōku rae; i reira tonu ka kite ahau, e tata ana ki te tatau, i te āhua o Babaji, e puāwai ana me te mea he rōti tino ataahua.

"I mahara ahau ki tōku mamae tawhito, ā, kāore i piko. I titiro mai a Lahiri

Mahasaya ki ahau me te miharo. "I titiro mai te tohunga atua ki ahau me ngā

kanohi kore e taea te mārama. 'Kei te riri koe ki ahau.'"

"E te Ariki, he aha ahau te kore ai e pērā?' ka whakahoki ahau. 'I te rangi koe i haere mai ai me tō rōpū makutu, ā, ngaro atu ana koe ki te rangi angiangi.'"

"I kī atu ahau ka kite ahau i a koe, engari kāore i kī mai kia pēhea te roa e noho ai ahau.' I kata mārie a Babaji. 'Kī tonu koe i te harikoa. Ka oati ahau ki a koe i tino ngaro ahau i te hau o tō manukanuka.'

"I tino makona tonu ahau i tēnei whakamārama koretake. I tuturi ahau ki ōna waewae; i papaki atawhai mai te tohunga nui ki tōku pakihwi."

"'E tama, me whakaaroaro tonu koe,' ka mea ia. 'Kāore anō kia tino mā tō titiro - kāore koe e kite i ahau e huna ana i muri i te rā.' Me ēnei kupu i te reo o te putorino o te rangi, ka ngaro atu a Babaji ki roto i te kanapa ngaro.

"Ko tētahi tēnā o aku haerenga whakamutunga ki Benares kia kite i taku guru," te whakatau a Sri Yukteswar. "Ahakoa i poropititia e Babaji i te *Kumbha Mela*, kua tata te mutunga o te whakawhānaungatanga o Lahiri Mahasaya. I te raumati o te tau 1895, ka puta he whewhe iti ki tōna tuara, he tinana pakari. I whakahē ia ki te wero; i mahi ia i roto i tōna ake kikokiko i te karma kino o ētahi o āna ākonga. I te mutunga, ka kaha te tohe a ētahi chela; ka whakahoki te rangatira me te ahua ngaro:

"Te tinana kua ki kimi he take ki haere; ahau ka kia pai ki ahakoa he aha koe hiahia ki mahi.

"I muri tata mai, ka tukua e te tohunga whakamiharo tōna tinana ki Benares. Kāore he take e rapu ai ahau i a ia i roto i tōna rūma iti; kua manaakitia ia rā o tōku ao e tana arataki i ngā wāhi katoa."

I ngā tau i muri mai, mai i ngā ngutu o Swami Keshabananda, **36-6** He ākonga matatau ahau, ā, he maha ngā kōrero whakamiharo i rangona e au mō te matenga o Lahiri Mahasaya.

"I ētahi rā i mua i te tukunga a taku guru i tōna tinana," te kōrero a Keshabananda ki ahau, "i puta mai ia i mua i ahau e noho ana i taku whare karakia i Hardwar."

"Haere mai i kotahi ki Benares. Ki ēnei ngā kupu Rāhiri Mahasaya ngaro atu.

"I haere tonu ahau ki Benares. I te kāinga o taku guru i kitea e au he tokomaha ngā ākonga e huihui ana. Mō ngā hāora i taua rā **36-7** I whakamārama te rangatira i te *Gita*; kātahi ka kōrero māmā noa mai ia ki a mātou.

"Au am e haere ana kāinga.

"Aue o mamae pakaru i waho rite he kore e taea te ātete awaawa

"Kia whakamarietia; ka ara anō ahau.' I muri i tēnei kōrero, e toru ngā tahuritanga o Lahiri Mahasaya i tōna tinana i roto i te porowhita, e anga ana ki te raki i roto i tōna tūnga rōhi, ā, ka tomo whakahīhi ia ki te *maha-samadhi whakamutunga*. **36-8**

"Ko te tinana ataahua o Lahiri Mahasaya, he mea tino aroha ki ngā kaikarakia, i tahuna ki te ahi nui." "ngā karakia a te rangatira whare i Manikarnika Ghat i te taha o te awa tapu o Ganges," te kōrero tonu a Keshabananda. "I te aonga ake, i te tekau karaka i te ata, i ahau e noho tonu ana i Benares, i kapi taku rūma i te māramatanga nui. Nana, i mua i ahau e tū ana te kikokiko me te toto o Lahiri Mahasaya! He rite tonu tōna āhua ki tōna tinana tawhito, engari he āhua taitamariki ake, he kanapa ake. I kōrero mai taku tohunga atua ki ahau.

"'Keshabananda,' ka mea ia, 'ko au tēnei. Mai i ngā ngota pakaru o tōku tinana kua tahuna, kua whakaarahia e au tētahi āhua kua whakahoutia. Kua oti taku mahi rangatira whare i te ao; engari kāore au e whakarērea katoatia te whenua. Mai i tēnei wā ka noho tahi māua ko Babaji i ngā maunga o Himalaya, me Babaji hoki i te ao tūroa."

"I muri i ētahi kupu manaakitanga ki ahau, ka ngaro atu te rangatira nui. I whakakīia tōku ngākau e te hihiri whakamiharo; i ara ake ahau i roto i te Wairua, pērā i ngā ākonga a te Karaiti me Kabir 36-9. " i tā rātou titiro atu ki ō rātou tohunga ora i muri i te matenga tinana.

"I taku hokinga atu ki tōku whare karakia motuhake o Hardwar," ka haere tonu a Keshabananda, "i mauria e au ngā pungarehu tapu o taku guru. E mōhio ana ahau kua mawhiti ia i te whare herehere ā-wāhi me te ā-wā; kua tukuna te manu o te noho ki ngā wāhi katoa. Heoi, i whakamarie i tōku ngākau te pupuri i ōna toenga tapu."

Ko tētahi atu ākonga i manaakitia i te kitenga i tana guru kua ara ake ko te tangata tapu a Panchanon Bhattacharya, te kaiwhakaū o te Calcutta Arya Mission Institution. 36-10

I toro atu ahau ki a Panchanon i tōna kāinga i Calcutta, ā, i whakarongo ahau me te harikoa ki te kōrero mō āna tau maha ki te rangatira. Hei whakamutunga, i kōrero mai ia ki ahau mō te huihuinga whakamiharo rawa atu o tōna ao.

"I konei i Calcutta," te kī a Panchanon, "i te tekau karaka o te ata i muri i tōna tahunga, ka puta mai a Lahiri Mahasaya ki tōku aroaro i roto i te korōria ora."

I tukua mai anō e Swami Pranabananda, te "tangata tapu e rua ōna tinana," ngā taipitopito o tana ake wheako atua ki ahau.

"I ētahi rā i mua i te wehenga atu o Lahiri Mahasaya i tōna tinana," te kōrero a Pranabananda ki ahau i tana haerenga ki taku kura Ranchi, "i tae mai he reta i a ia, e tono ana kia haere tonu ahau ki Benares. Heoi, i whakaroa ahau, ā, kāore i taea e au te haere tonu. I a au e whakarite ana i aku haerenga, tata ki te tekau karaka i te ata, ka ohorere ahau i te harikoa i te kitenga i te āhua kanapa o taku guru."

"He aha hohoro ki "Ko Benares?" Rāhiri Mahasaya i mea, me te menemene. 'Koe me kimi ahau i reira kāore roa ake.

"I te māramatanga ake o te tikanga o ana kupu, ka tangi ahau me te ngākau maru, me te whakapono kei te kite noa ahau i a ia i roto i te moemoeā."

"I whakatata mai te rangatira ki ahau me te whakamarie. 'Anei, pā mai ki tōku kikokiko,' ka mea ia. 'Kei te ora tonu ahau, pērā i ngā wā katoa. Kaua e tangi; kāore

iane i ahau i a koe ake tonu atu?"

Mai i ngā ngutu o ēnei ākonga nunui tokotoru, kua puta mai tētahi kōrero pono whakamiharo: I te haora tekau o te ata, i te rā i muri i te tukunga o te tinana o Lahiri Mahasaya ki te mura, ka puta te rangatira kua ara ake, i roto i tētahi tinana tūturu engari kua puta ke tōna āhua, ki mua i ngā ākonga tokotoru, ia tangata i tētahi tāone rerekē.

ahau Haere Ki Amerika

"Amerika! He pono he Amerikana ēnei tāngata!" Koinei taku i whakaaro ai i te kitenga atu i tētahi tirohanga whānui o ngā kanohi o te Hauāuru i mua i taku tirohanga ā-roto.

I a au e whakaaroaro ana, e noho ana i muri i ētahi pouaka puehu i roto i te rūma rokiroki o te kura o Ranchi. He uaua ki te kimi i tētahi wāhi motuhake i aua tau pukumahi me ngā tamariki!

I haere tonu te kitenga; he mano tini, **37-1** me te titiro matatau mai ki ahau, me te mea he kaiwhakaari e horapa ana puta noa i te atamira o te hinengaro.

I tuwhera te tatau o te whare putunga; pērā i ngā wā katoa, kua kitea e tētahi o

ngā tama tāne taku wāhi huna. "Haere mai ki konei, e Bimal," ka karanga ahau

me te harikoa. "He rongo tāku māu: kei te karanga mai te Ariki ki ahau ki

Amerika!" "Ki Amerika?" I whakahoki mai te tama i aku kupu me te reo e kī ana

kua mea ahau "ki te marama."

"Āe! Kei te haere atu ahau ki te tūhura i a Amerika, pērā i a Columbus. I mahara ia kua kitea e ia a Īnia; he pono kei reira he hononga karma i waenganui i aua whenua e rua!"

I oma atu a Bimal; kāore i roa ka whakamōhiotia te kura katoa e te nūpepa waewae-rua.

37-2 I karanga ahau i ngā kaiako e pōhēhē ana, ā, i tukua te kura ki tā rātou tiaki.

"E mōhio ana ahau ka mau tonu i a koe ngā kaupapa yoga a Lahiri Mahasaya mō te mātauranga," ka mea atu ahau. "Ka tuhituhi pinepine atu ahau ki a koe; ki te pai te Atua, ka hoki mai anō ahau i tētahi rā."

I tū ngā roimata i roto i ōku kanohi i taku tirohanga whakamutunga ki ngā tamariki me ngā whenua paki o Ranchi. Kua kati te wā tino nui o tōku ao, i mōhio ahau; mai i tēnei wā ka noho ahau ki ngā whenua tawhiti. I haere ahau ki Calcutta i muri i ētahi haora i taku kitenga. I te rā i muri mai ka tae mai he pōwhiri ki ahau hei māngai mō Īnia ki tētahi Huihuinga ā-Ao o ngā Rīpera Whakapono i Amerika. I

whakaritea kia tū taua tau ki Boston, i raro i te maru o te American Unitarian Association.

Taku upoko i roto he hurihuri, ahau i rapua i waho Hīri Yukteswar i roto Herampore.

"E Guru, kua karangatia ahau kia kōrero ki tētahi huihuinga whakapono i

Amerika. Me haere ahau?" "Kei te tuwhera ngā tatau katoa mōu," te

whakautu māmā a te Kaiwhakaako. "Inaianei, kāore rānei."

"Engari, e te rangatira," ahau i mea i roto te matakū, "he aha mahi ahau mōhio mō tūmatanui e kōrero ana? Kāore i te maha whai ahau i hoatu he kauhau,

me kāore rawa i roto Ingarihi."

"Ingarihi rānei kāore Ingarihi, tōu ngā kupu i runga yoga me kia i rangona i roto te Te Hauāuru."

I kata ahau. "Āe, e te guruji, kāore au i te whakaaro ka ako te Amerikana i te reo Bengali! Tēnā koa manaakitia ahau ki te pana i ngā arai o te reo Ingarihi." **37-3**

I taku kōrerotanga i aku mahere ki a Pāpā, i tino ohorere ia. Ki a ia, he tino tawhiti rawa a Amerika; i wehi ia kei kore ia e kite anō i ahau.

"Me pēhea koe e haere ai?" ka pātai pūmau ia. "Mā wai koe e putea?" I te mea nāna i amo aroha ngā utu mō taku mātauranga me taku orange katoa, kāore i te kore i tumanako ia mā tana pātai e whakamutu taku kaupapa ki tētahi āhuatanga whakama.

"Tērā pea ka tautokona ahau e te Ariki." I a au e whakautu ana i tēnei, ka mahara ahau ki te whakautu ōrite i hoatu e au ki tōku tuakana, ki a Ananta i Agra i mua noa atu. Me te kore tinihanga, ka tāpiri atu ahau, "E Pā, tera pea ka whakaurua e te Atua ki roto i tō hinengaro kia āwhina i ahau."

"Kāo, kaua rawa!" Ia titiro atu i ahau me te aroha

Nō reira, i miharo ahau i te homaitanga mai e Pāpā i tētahi haki ki ahau i te aonga ake, he nui te moni i roto.

"Ka hoatu e ahau tēnei moni ki a koe," tana kī, "ehara i te mea he matua ahau, engari he ākonga pono nā Lahiri Mahasaya." Haere kātahi ki tērā tawhiti Te Hauāuru whenua; horapa i reira te kore whakapono ngā whakaakoranga o *Kiria Yoga*."

I tino pārekareka ahau ki te wairua atawhai a Pāpā i taea ai e ia te whakarērea wawe i ōna hiahia ake. I te pō i mua ake nei ka mōhio ia ehara i te hiahia noa ki te haere ki tāwāhi te mea e akiaki ana i taku haerenga.

"Tērā pea kāore tāua e tūtaki anō i tēnei ao." I kōrero pōuri a Pāpā, e ono tekau mā whitu ōna tau i taua wā.

He ngāwari te whakamahi whakatau i akiakihia ahau ki whakautu, "He pono te Ariki ka kawe mai mātou tahi kotahi atu anō."

I a au e whakarite ana ki te wehe atu i te Ariki me tōku whenua tupu ki ngā takutai ngaro o Amerika, kāore i paku matakū ahau. He maha ngā kōrero kua rongo ahau mō te āhuarangi o te Hauāuru, he rerekē rawa atu i te papamuri wairua o Īnia, e kapi ana i te aura rautau o te hunga tapu. "Ko te kaiako o te Rawhiti e maia ana ki ngā hau o te Hauāuru," i whakaaro ahau, "me kaha ia ki tua atu i ngā

whakamātautau o te makariri o te Himalaya!"

I tētahi ata pō, ka tīmata ahau ki te inoi, me te whakapau kaha kia haere tonu, kia mate hoki i te inoi, kia rongo rā anō ahau i te reo o te Atua. I hiahia ahau ki tāna manaakitanga me tana whakapumautanga kia kore ahau e ngaro i roto i ngā kohu o te whai huatanga o ēnei rā. I rite tōku ngākau ki te haere ki Amerika, engari i kaha ake te whakatau kia rongo i te whakamarie o te whakaaetanga a te Atua.

I inoi tonu ahau, i inoi tonu, me te whakapūmau i aku tangi. Kāore i tae mai he whakautu. I piki haere taku inoi puku, ā, tae noa ki te poutumarotanga, kua tae ahau ki te tihi; kāore e taea e taku roro te tu atu i te pēhanga o aku mamae. Me i tangi anō ahau me te hohonu haere o taku ngākau nui, I te āhua nei ka pakaru taku roro. I taua wā tonu ka pā mai he patoto i waho o te whare tomokanga e tata ana ki te rūma o Gurpar Road i noho ai ahau. I taku whakatuwheratanga i te tatau, ka kite ahau i tētahi taitama i roto i te kākahu iti o tētahi tangata whakarērea. I tomo mai ia, ka kati i te tatau i muri i a ia, ā, i tana whakakahore i taku tono kia noho, ka tohu mai me te tohu e hiahia ana ia ki te kōrero ki ahau i a ia e tū ana.

"Ko Babaji pea ia!" i whakaaro ahau, me te pōuri, nā te mea ko te āhua o te tangata i mua i ahau he rite ki tō Lahiri Mahasaya taitamariki.

I whakautua e ia taku whakaaro. "Āe, ko Babaji ahau." I kōrero ia me te reo Hindi me te rangimārie. "Kua rongo tō tātou Matua i te Rangi i tāu inoi. E whakahau ana ia kia kī atu ahau ki a koe: Whāia ngā whakahau a tō koutou guru, ka haere ki Amerika. Kaua e wehi; ka tiakina koe."

I muri i tētahi wā whakatā hihiri, ka kōrero mai anō a Babaji ki ahau. "Ko koe te tangata i whiriwhiria e au hei hora i te karere o *Kriya Yoga* ki te Hauāuru. I mua noa atu i tūtaki ahau ki tō guru a Yukteswar i tētahi *Kumbha Mela* ; i kī atu ahau ki a ia ka tonoa koe e ahau ki a ia mō te whakangungu."

Kāore i taea te kōrero, i pūhia ahau e te wehi nui ki tōna aroaro, ā, i tino pāngia ahau i te rongonga atu i ana kōrero ōna ngutu ake i ārahi i ahau ki a Sri Yukteswar. I takoto ahau ki mua i te guru matekore. Nāna ahau i hiki ake i te papa me te atawhai. I a ia e kōrero ana i ngā mea maha mō tōku ao, kātahi ka homai e ia ētahi tohutohu whaiaro ki ahau, ā, i whakapuaki i ētahi poropititanga ngaro.

" *Ko te Kriya Yoga* , te tikanga pūtaiao mō te mōhio ki te Atua," ka mea ia me te ngākau nui, "ka horapa ki ngā whenua katoa, ā, ka āwhina i te whakakotahi i ngā iwi mā te tirohanga whaiaro, whānui o te tangata ki te Matua Mutunga Kore."

Me te titiro mana nui, ka miharo ahau i te kitenga o tōna hinengaro ao. I roto i te wā poto, ka tīmata ia ki te anga atu ki te tatau.

"Kaua e ngana ki te whai i ahau," tana kī. "E kore e taea e

koe." "Tena koa, e Babaji, kaua e haere atu!" taku karanga

tonu. "Kawea ahau ki a koe!" I a ia e titiro whakamuri ana, ka

whakahoki ia, "Kaua ināiane. I tētahi atu wā."

I te kaha o te kare ā-roto, kāore au i aro ki tana whakatūpatō. I a au e whai ana i a

ia, ka kitea e au kua mau tonu ōku waewae ki te papa. Mai i te tatau, ka titiro aroha mai a Babaji ki ahau mō te wā whakamutunga. Ka ara ake tōna ringa hei manaaki, ā, ka hikoi atu, ko ōku kanohi e titiro tonu ana ki a ia me te hiahia nui.

I muri i ētahi meneti, ka wātea ōku waewae. Ka noho ahau, ka whakaaroaro hōhonu, me te whakawhetai tonu ki te Atua, ehara i te mea mō te whakautu mai i taku inoi anake, engari mō te manaakitanga mai i ahau mā te tūtaki ki a Babaji. Me te mea kua whakatapua tōku tinana katoa i te pā o te rangatira tawhito, taitamariki tonu. Kua roa nei tōku hiahia nui kia kite i a ia.

Tae noa mai ki tēnei wā, kāore anō kia kōrerotia e au ki tētahi te pūrākau o taku tūtakitanga ki a Babaji. E ai ki te kōrero, Ko te mea tino tapu o aku wheako tangata, kua huna e au i roto i tōku ngākau. Engari i puta ake te whakaaro ki ahau, tera pea ka nui ake te whakapono o ngā kaipānui o tēnei kōrero whaiaro ki te tūturutanga o Babaji me ōna hiahia o te ao mēnā ka kōrerotia e au i kite ahau i a ia ki ōku ake kanohi. Kua āwhina ahau i tētahi kaitoi ki te tuhi i tētahi pikitia pono o te Yogi-Karaiti nui o Īnia o ēnei rā; kei roto i tēnei pukapuka tēnei.

Te ahiahi o taku wehenga atu mō te Kotahitanga Ngā Whenua i kitea ahau i roto Hiri Yukteswar's tapu te aroaro

"Wareware i whānau mai koe hei Hinitū, kua hoki e noho hei Amerikana. Tangohia te mea pai rawa atu o rāua," te kī a te Kaiwhakaako me tōna whakaaro nui, he marino. "Kia pono koe, hei tamaiti nā te Atua. Rapua, whakaurua hoki ki roto i a koe ngā āhuatanga pai rawa atu o ō tuakana katoa, kua marara noa atu i te ao i roto i ngā iwi rerekē."

Kātahi ia ka manaaki i ahau: "Ko te hunga katoa e haere mai ana ki a koe me te whakapono, e rapu ana i te Atua, ka āwhinatia. I a koe e titiro atu ana ki a rātou, ka uru te ia wairua e puta mai ana i ō kanohi ki roto i ō rātou roro, ka huri i ā rātou tikanga kikokiko, ka nui ake ai tō rātou mōhio ki te Atua."

I haere tonu ia, "He tino pai tō wāhi ki te kukume i ngā wairua pono. Ahakoa ngā wāhi katoa e haere ana koe, ahakoa i te koraha, ka kitea e koe he hoa."

Kua tino whakamāramahia ana manaakitanga e rua. I haere mai ahau ko au anake ki Amerika, ki te koraha, kāhore he hoa kotahi, engari i reira ka kitea e au ngā mano tini kua rite ki te tango i ngā akoranga wairua kua whakamatautauria e te wā.

I wehe atu ahau i Īnia i te marama o Ākuhata, 1920, i runga i *Te Tāone o Sparta*, te poti pāhihi tuatahi i rere ki Amerika i muri i te mutunga o te Pakanga Tuatahi o te Ao. I taea e au te whakarite haerenga i muri i te tangohanga, i roto i ngā huarahi whakamiharo, o ngā uauatanga "ture" maha e pā ana ki te tuku i taku uruwhenua.

I roto i ngā marama e rua o te haerenga, ka kitea e tētahi atu pāhihi ko au te māngai mō ngā Īniana ki te runanga o Boston.

"Swami Yogananda," tana kī, me te tuatahi o ngā whakahuatanga maha i rongo ai ahau i tōku ingoa i muri mai e ngā Amerikana, "tēnā koa, me whai kōrero anō ngā pāhihi i muri mai." "Pō o te Taite. Ki taku whakaaro ka whai hua tātou katoa mā te kōrero mō 'Te Pakanga o te Ora me pēhea te Whawhai ki a Ia.'"

Āue! I te Wenerei, i kitea e au me whawhai ahau i te pakanga o tōku ake ao. I a au e ngana ana ki te whakarite i aku whakaaro hei kauhau i te reo Pākehā, ka mutu, ka

whakarērea e au ngā whakaritenga katoa; ko aku whakaaro, I rite ahau ki tētahi kuaao mohaoa e titiro ana ki tētahi nohoanga hoiho, kāore i whakaae kia mahi tahi me ngā ture o te wetereo Ingarihi. Heoi, i runga i te whakawhirinaki katoa ki ngā kupu whakapumau a te Kaiwhakaako i mua, ka puta ahau ki mua i taku hunga whakarongo i te Rāpare i roto i te rūma inu o te kaipuke. Kāore i puta he kōrero pai ki ōku ngutu; i tū ahau i mua i te whakaminenga me te kore kōrero. I muri i te whakataetae manawanui tekau meneti te roa, ka kite te hunga whakarongo i tōku āhuatanga, ā, ka tīmata ki te kata.

E tū ana ahau i runga i te papa i mua i tētahi o aku akomanga i Amerika. I tū tēnei akomanga o ngā ākonga yoga kotahi mano ki Washington, DC.

Kāore i te kata te āhua ki ahau i taua wā; me te riri, ka inoi puku ahau ki te Ariki.

"Ka *taea e koe* ! Kōrero!" I rangona tonutia tōna reo i roto i tōku hinengaro.

I tau tonu ōku whakaaro ki tētahi whanaungatanga hoahoa ki te reo Pākehā. E whā tekau mā rima meneti i muri mai, e aro tonu ana te hunga whakarongo. Nā te whaikōrero i riro mai ai i ahau ētahi pōwhiri ki te whaikōrero i mua i ngā rōpū rerekē o Amerika.

Kāore rawa i taea e au te maumahara i muri iho i tētahi kupu i kōrerotia e au. Nā te uiui puku i ako ahau i ētahi pāhihi: "He kauhau whakahihiri tāu i homai, he reo Pākehā whakaohoho, he reo Pākehā tika hoki." I tēnei rongo harikoa, ka mihi au ki taku tohunga mō tana āwhina i te wā tika, me te mōhio anō kei te mahi tonu ia. ki ahau, me te whakakore i ngā arai katoa o te wā me te wāhi.

I ētahi wā, i te toenga o te haerenga ki te moana, ka pā mai he āwangawanga ki ahau mō te whakamātautau o te kauhau reo Pākehā e haere ake nei ki te huihuinga o Boston.

"E te Ariki," ka inoi ahau, "tēnā koa tukua ahau kia waiho ko Koe hei whakaohoho mōku, kaua ko te kata a te hunga mātakitaki anō!"

te Tāone o Sparta ki Boston i te mutunga o Hepetema. I te ono o Oketopa i kōrero ahau te runanga me taku whaikōrero tuatahi ki Amerika. I tino manakohia; i whakapūha ahau i te ngākau māhorahora. I tuhituhi te hēkeretari atawhai o te American Unitarian Association i te kōrero e whai ake nei i roto i tētahi pūketē kua whakaputaina 37-4 o ngā mahi a te huihuinga:

"Nā Swami Yogananda, te māngai o te Brahmacharya Ashram o Ranchi, Īnia, i kawē mai ngā mihi a tana Rōpū ki te Runanga. I roto i te reo Pākehā matatau me te whakapuakitanga kaha, i tuku ia i tētahi whaikōrero whai whakaaro mō 'Te Pūtaiao o te Whakapono,' kua tāia nei hei pepa iti hei tohatoha whānui. E ai ki tāna, he ao whānui te whakapono, ā, kotahi tonu. Tātou

e kore e taea te whakakotahi i ngā tikanga me ngā whakapono motuhake, engari ko te āhuetanga noa o te whakapono ka taea te whakakotahi, ā, ka taea e tātou te tono ki te katoa kia whai me te whakarongo ki aua tikanga."

Nā te atawhai o Pāpā, i taea e au te noho ki Amerika i muri i te mutunga o te hui. E whā tau harikoa i pau i roto i ngā āhuetanga rawakore i Boston. I tuku kauhau tūmatanui ahau, i whakaako akomanga, ā, i tuhi pukapuka rotarota, ko *Songs Of The Soul* te ingoa, me te kupu whakataki nā Tākuta Frederick B. Robinson, te perehitini o te Kāreti o te Tāone o Niu Ioka. **37-5**

I te raumati o te tau 1924, i tīmata taku haerenga puta noa i ngā whenua, ā, i kōrero ahau i mua i ngā mano tini i roto i ngā tāone nui, ā, ka mutu taku haerenga ki te hauauru me tētahi hararei i te raki ataahua o Alaska.

Nā te āwhina a ngā ākonga ngākau nui, i te mutunga o te tau 1925 kua whakatūria e au tētahi tari matua o Amerika i te Mount Washington Estates i Los Angeles. Ko te whare tēnei i kitea e au i ngā tau kua pahure ake nei i roto i taku moemoeā ki Kashmir. I hohoro taku tuku atu i ngā whakaahua o ēnei mahi tawhiti a Amerika ki a Sri Yukteswar. I whakautu mai ia me tētahi kāri poutāpeta i te reo Bengali, e whakamaoritia ana e au i konei:

11 Ākuhata, 1926

Tamaiti o taku ngākau, Ā Yogananda!

I te kitenga i ngā whakaahua o tō kura me ngā ākonga, he nui te hari e puta mai ana i roto i tōku ao, kāore e taea te whakapuaki i roto i te reo. kupu. E rewa ana ahau i te harikoa ki te kite i āu ākonga yoga o ngā tāone rerekē. I te kitenga i āu tikanga i roto i ngā karakia whakaū, i ngā wiri whakaora, me ngā inoi whakaora atua, kāore e taea e au te kore e mihi atu ki a koe i roto i tōku ngākau. I te kitenga i te kūaha, i te ara pukepuke piki, me te ataahua o te tirohanga. e horahia ana i raro i ngā Whenua o Mount Washington, e hiahia ana ahau kia kite i ngā mea katoa ki ōku ake kanohi.

Kei te pai te haere o ngā mea katoa i konei. Nā te aroha noa o te Atua,

kia noho harikoa tonu koe. SRI YUKTESWAR GIRI

Ka tere haere ngā tau. I kauwhau ahau i ngā wāhi katoa o tōku whenua hou, ā, i kōrero hoki ki ngā rau karapu, kāreti, hāhi, me ngā rōpū o ia hāhi. Tekau mano ngā Amerikana i whakaurua ki te yoga. Ki a rātou katoa i whakatapua e ahau tētahi pukapuka hou o ngā whakaaro inoi i te tau 1929 - *Whispers From Te Ora Tonu*, me te kupu whakataki nā Amelita Galli-Curci. **37-6** Ka hoatu e au i konei, mai i te pukapuka, tētahi rotarota ko "Atua! Atua! Atua!" te taitara, i titoa i tētahi pō i a au e tū ana i runga i tētahi papa kauhau:

Mai i te ngā hohonutanga o te moe,
I a au e piki ana i te arawhata porowhita o te
araara, ka kōrero hāhā ahau:
Atua! Atua! Atua!
Ko koe te kai, ā, ina mutu taku nohopuku i
te wehenga atu i a Koe i te pō,
ahau reka Koe, me hinengaro kī atu:

Atua! Atua! Atua!

Ahakoā te wāhi e haere ai ahau, ko te rama o tōku
hinengaro e tahuri tonu ana ki a Koe;
Ā, i roto te pakanga haruru o mahi
Ko taku karanga pakanga puku tonu: Atua!
Atua! Atua! Ina tangi ngā awha nui o ngā
whakamātautau, Ā, ina aue mai ngā
manukanuka ki ahau,
ahau toremi tā rātou ngangau, nui te reo te karakia:
Atua! Atua! Atua!

Ina whatu ana tōku hinengaro
i ngā moemoeā me ngā miro o
ngā maharatanga,
Kātahi i runga tērā makutu kakahu ahau kimi whakairohia:
Atua! Atua! Atua!

Ia pō, i roto wā o hohonu rawa moe,
E moemoeā ana, e karanga ana taku
rangimārie, Harikoa! Harikoa! Harikoa! Ā,
ka waiata tonu taku hari:

Atua! Atua! Atua!
I te oho ake, i te kai, i te mahi, i te
moemoeā, i te moe, i te mahi, i te whakaaroaro,
i te karakia, i te aroha atua, E ngunguru tonu
ana tōku wairua, kāore e rangona:
Atua! Atua! Atua!

I ētahi wā—ko te nuinga o te wā i te tuatahi o te marama ina tae mai ngā pire mō te
tiaki i te Mount Washington me ētahi atu pokapū Self-Engagement Fellowship!—i
whakaaroaro nui ahau ki te rangimārie o Īnia. Engari i ia rā ka kite ahau i te
whānui haere o te māramatanga i waenganui i te Hauāuru me te Rawhiti; i harikoa
tōku wairua.

Kua kitea e au te ngākau nui o Amerika e whakaatuhia ana i roto i ngā rārangi
whakamiharo a Emma Lazarus, i whakairohia ki te take o te Whakapakoko o te
Herekoretanga, te "Whaea o ngā Tāwharau":

Mai i tana ringa tohu
He tiaho mai i te ao katoa; ko ōna kanohi māhaki
e ārahi ana i te whanga piriti hau e hangaia ana
e ngā tāone māhanga.
"Puritia, e ngā whenua tawhito, tō koutou whakahīhī

Rūtera Burbank -- He Tapu I waenganui Te Ngā Rōhi

"Ko te mea ngaro o te whakatipu tipu pai ake, i tua atu i te mātauranga pūtaiao, ko te aroha." I whakapuaki a Luther Burbank i tēnei whakaaro nui i a au e hikoi ana i tōna taha i tana māra i Santa Rosa. I tū māua i te taha o tētahi moenga cacti e taea te kai.

"I a au e whakahaere ana i ngā whakamātautau hei hanga cacti 'kore tuaiwi'," ka haere tonu ia, "he maha aku kōrero ki ngā tipu hei hanga i te wiri o te aroha. 'Kāore he mea e wehi ai koutou,' ka mea atu ahau ki a rātou. 'Kaua e 'Me hiahia ō tataramoa tiaki. Māku koe e tiaki.' Mārire te puta mai o te tipu whai hua o te koraha he momo kāore he tataramoa."

I miharo ahau ki tēnei merekara. "Tena koa, e Luther e, homai he rau cacti ki ahau hei whakato ki taku māra i Maunga Washington."

He kaimahi tū tata tīmata ki rīpene whakaweto ētahi rau; Burbank āraia ia.

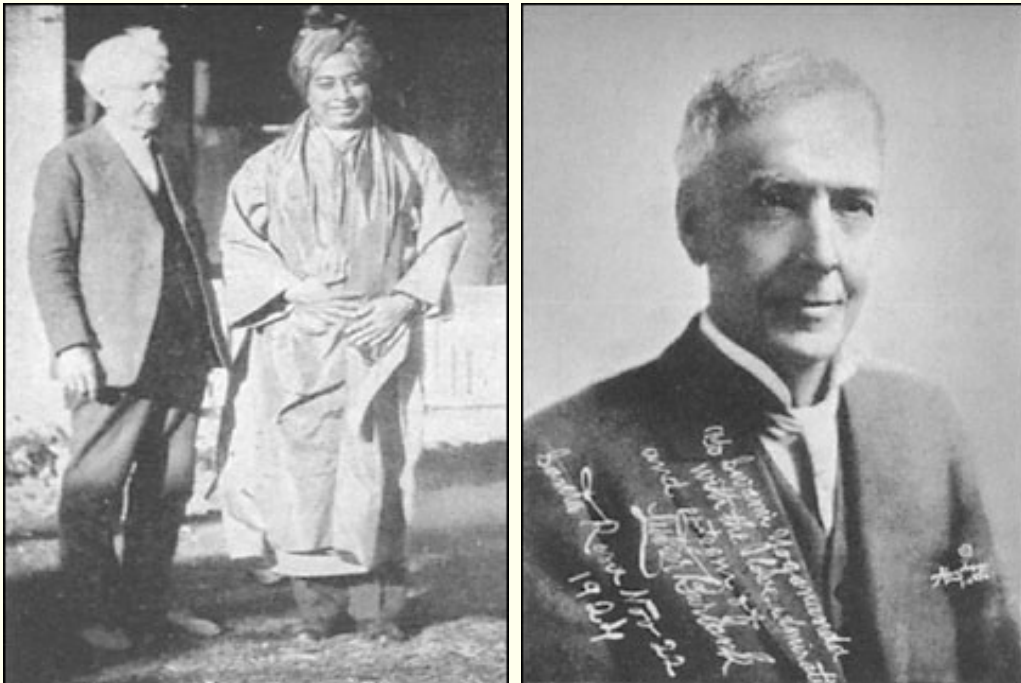

"Māku anō e kato mō te swami." I homai e ia ētahi rau e toru ki ahau, ā, i muri mai ka whakatōkia e au, me te harikoa i te tupu nui haere.

I kōrero mai te tohunga māra nui ki ahau ko tana wikitoria tuatahi ko te rīwai nui, e mōhiotia nei ko tōna ingoa. Me te kore e mutu te ngenge o te mohio, ka haere tonu ia ki te whakaatu i ngā rau o ngā mea ki te ao.

ngā whakapainga whakawhiti i runga i te taiao - ko āna momo Burbank hou o te tōmato, te kānga, te paukena, te cheri, te paramu, te nekitarini, te hua rākau, te pōpī, te rengarenga, me te rōhi.

I arotahi ahau ki taku kāmera i a Luther e ārahi ana i ahau ki mua i te rākau nati rongonui, arā te rākau nati i whakamārama ai ia ka taea te whakateretere i te whanaketanga taiao mā te karu tirotiro.

"I roto noa i ngā tau tekau mā ono," tana kī, "kua eke tēnei rākau nati ki tētahi taumata o te hua nati nui, ā, kua rua pea te wā i puta mai ai te rākau nā te mea kāore he āwhina a te taiao."

Rūtera Burbank, e arohaina ana hoa, ngā tū me ahau i roto tāna Hāta Rōha māra

Burbank's iti whāngai tamahine i tae mai takaro me tana kurī ki roto te māra

"Ko ia taku tipu tangata." Ka ruru aroha a Luther ki a ia. "E kite ana ahau i te tangata inaianei he tipu nui kotahi, e hiahia ana ki te aroha anake, ki ngā manaakitanga taiao o te taiao, me te whakawhiti me te whiriwhiri mohio. I roto i te roanga o tōku oranga kua kite ahau i te ahunga whakamua whakamiharo o te whanaketanga o ngā tipu, ā, e titiro whakamua ana ahau me te tumanako ki tētahi ao hauora, harikoa ina akona āna tamariki ki ngā mātāpono o te noho māmā me te whakaaro nui. Me hoki tātou ki te taiao me te Atua o te taiao."

"E Luther, ka tino koa koe ki taku kura o Ranchi, me ana akomanga o waho, me te āhuarangi harikoa me te ngāwari."

I pā aku kupu ki te wairua o te mātauranga ngākau-tamariki a Burbank. I pātai mai ia ki ahau, me te kanapa o te hiahia mai i ōna kanohi hohonu, marino.

"Swamiji," ka mea ia i te mutunga, "ko ngā kura pēnei i a koutou anake te tumanako mō te mano tau kei te heke mai. Kei te whakakeke ahau ki ngā pūnaha mātauranga o tō tātou wā, kua wehea mai i te taiao, ā, e pehi ana i ngā mea katoa."

te takitahi. ahau am me koe ngākau me wairua i roto tōu mahi ngā wawata o mātauranga."

I a au e poroporoaki ana ki te tangata whakaaro nui, ka hainatia e ia tētahi pukapuka iti, ā, ka homai ki ahau : ¹ "I konei ko taku pukapuka i runga *Te Whakangungu o Te Tangata " Te tipu ,* " **38-2** ia i mea. "Hou momo o he mea e hiahiatia ana te whakangungu - he whakamātautau kore wehi. I ētahi wā kua angitu ngā whakamātautau tino maia ki te whakaputa i te mea pai rawa atu i roto i ngā hua me ngā putiputi. Waihoki, me nui ake, me maia ake ngā mahi auaha mātauranga mō ngā tamariki."

I pānui ahau i tana pukapuka iti i taua pō me te tino hiahia. I a ia e matakitaki ana i tētahi heke mai whakahīhi mō te iwi, ka tuhituhi ia: "Ko te mea ora tino uaua ki te peka atu i tēnei ao, ko te mea tino uaua ki te peka atu, ko te tipu." kotahi kua whakaukia i roto tino ngā tikanga. Kia maumahara tērā tēnei tipu kua i tiakina tōna te takitahi katoa i roto i ngā tau; tera pea he mea ka taea te whai whakamuri i roto i ngā tau maha i roto i ngā toka tonu, kāore i tino rerekē i roto i ēnei wā nui katoa. Kei a koe Mehemea, i muri i ēnei tau katoa o te whakahounga, kāore te tipu e whai mana, ki te mea ka karanga koe i tēnā, he uaua rawa? He pono, kei reira ētahi tipu, pērā i ētahi o ngā nikau, he tino pakari, kāore anō kia taea e te mana tangata te whakarerekē i a rātou. He ngoikore te mana tangata i tua atu i te mana o te tipu. Engari tirohia te pakaru o te uaua o tēnei tipu katoa mā te whakaranu noa i tētahi ora hou ki a ia, mā te whakawhiti, i tētahi huringa tino kaha ki tōna ora. Kātahi ka te okioki haere mai, whakatika reira nā ēnei ngā whakatupuranga o tūroto te tiroto me kōwhiringa, me Ka tīmata te tipu hou i tōna ara hou, e kore e hoki anō ki te tawhito, ka whati tōna kaha, ā, ka rerekē i te mutunga.

"Ina tae ki tētahi mea tairongo, ngāwari hoki pērā i te āhua o te tamaiti, ka tino māmā ake te raruraru."

I te mea he mea kukume ahau ki tēnei Amerikana rongonui, ka toro atu ahau ki a ia i ngā wā katoa. I tētahi ata ka tae atu ahau i te wā kotahi me te kaimahi mēra, nāna i tuku mai ki te rūma mahi a Burbank, tata ki te kotahi mano reta. Ngā tohunga māra i tuhituhi ia mai i katoa ngā wāhanga o te ao.

"E Swamiji, ko tō aroaro te take e hiahiatia ana e au kia puta atu ki te māra," te kī harikoa a Luther. I whakatuwherahia e ia tētahi pouaka tēpu nui kei roto ngā rau o ngā kōpaki haere.

"Tirohia," tana kī, "koinei taku huarahi haere. He mea here e aku tipu me aku reta, ka ea taku hiahia ki ngā whenua ke mā te titiro noa ki ēnei whakaahua i ia wā, i ia wā."

I mua i tōna kēti taku motuka e tū ana; i taraiwa māua ko Luther i ngā tiriti o te

tāone iti, e kanapa ana ngā māra i āna ake momo rōhi o Santa Rosa, o Peachblow, me Burbank.

"E whakapono ana māua ko taku hoa a Henry Ford ki te ariā tawhito o te whānautanga anō," te kōrero a Luther ki ahau. "E whakamārama ana i ngā āhuatanga o te ao kāore e taea te whakamārama. Ehara te mahara i te whakamātautau i te pono; ahakoa kāore te tangata e mahara ki ōna oranga o mua, ehara i te mea kāore i a ia ēnei oranga. He takoto kau te mahara mō tōna oranga kōpū me tōna tamarikitanga; engari tērā pea i puta ia i roto i aua oranga!" Ka kata ia.

I whiwhi te kaipūtaiao nui i te whakaurunga *Kriya* i tētahi o aku haerenga o mua. "Kei te mahi pono ahau i te tikanga, e Swamiji," tana kī. Whai muri i ngā pātai whakaaro nui ki ahau mō ngā momo

ngā āhuatanga o yoga, Rūtera i kīia āta haere:

"He pono, he nui ngā taonga mātauranga kei te Rawhiti, kāore anō kia tīmata te tūhuratia e te Hauāuru."

Nā te whanaungatanga piripono ki te taiao, nāna nei i hura te maha o ngā mea ngaro i tiakina nuitia e te taiao, i hoatu ai ki a Burbank he whakaute wairua mutunga kore.

"I ētahi wā ka tino tata ahau ki te Mana Mutunga Kore," tana kī mārīre. Ka tiaho tōna mata aroha, ātaahua te tauira, i ōna maharatanga. "Nā reira kua taea e au te whakaora i ngā tāngata mate i tōku taha, tae atu ki ngā tipu maha e mate ana."

I kōrero mai ia ki ahau mō tōna whaea, he Karaitiana pono. "He maha ngā wā i muri i tōna matenga," te kī a Luther, "kua manaakitia ahau e tōna putanga mai i roto i ngā moemoeā; kua kōrero mai ia ki ahau."

Mātou taraiwa hoki me te kore e pai ki te taha tāna kāinga me ērā e tatari ana mano ngā reta.

"E Rūtera," taku kī, "i te marama e tū mai nei ka tīmata ahau i tētahi maheni hei whakaatu i ngā tuku pono o te Rawhiti me te Hauāuru. Tēnā koa āwhina mai ki te whiriwhiri i tētahi ingoa pai mō te hautaka."

I kōrero mātou mō ngā taitara mō tētahi wā, ā, i te mutunga ka whakaae mātou ki *te Rawhiti-Hauauru*. I muri i tō mātou hokinga atu ki tana rūma mahi, ka homai e Burbank tētahi tuhinga i tuhia e ia mō "Te Pūtaiao me te Ao Tūroa."

"Ko tēnei ka haere i roto te tuatahi take o *Te Rawhiti-Hauāuru*," ahau i mea me te whakawhetai.

I te hohonu haere o tō māua whakahoahoa, ka karanga ahau i a Burbank ko taku "tangata tapu o Amerika." "Titiro mai, he tangata," ka kī atu ahau, "kāore he tinihanga i roto i a ia!" He hohonu rawa tōna ngākau, kua roa e mōhio ana ki te ngākau mahaki, te manawanui, te patunga tapu. Ko tōna kāinga iti i waenganui i ngā rōhi he tino māmā noa iho; i mōhio ia ki te koretake o te oranga papai, te harikoa o te iti o ngā taonga. Ko te ngākau mahaki i mau ai ia i tōna rongonui pūtaiao i whakamahara tonu mai ki ahau ki ngā rākau e piko ana ki raro i te taumahatanga o ngā hua e maoa haere ana; koia tēnei te rākau pakoko e ara ake ana tōna mähunga i runga i te whakapehapeha kau.

I Niu Ioka ahau i te matenga o taku hoa aroha i te tau 1926. I roto i ngā roimata ka whakaaro ahau, "Āe, ka koa ahau ki te hiko mai i konei ki Santa Rosa kia kite anō ahau i a ia!" I te raka atu i ahau i ngā hēkeretari me ngā manuhiri, ka noho motuhake ahau mō ngā haora e rua tekau mā whā i muri mai.

I te rā i muri mai ka whakahaerehia e au tētahi kawa whakamaharatanga Vedic huri noa i tētahi pikitia nui o Luther. I waiatatia e tētahi rōpū o aku ākonga Amerikana, he kākahu Hinitū ō rātou, ngā himene tawhito i te wā e tukuna ana ngā putiputi, te wai, me te ahi hei whakahere – ngā tohu o ngā huānga tinana me tō rātou tukunga i roto i te Pūtake Mutunga Kore.

Ahakoia kei Santa Rosa te āhua o Burbank i raro i te hita o Repanona i whakatōkia e ia i ngā tau kua pahure ake nei i roto i tana māra, kua whakatōkia tōna wairua ki ahau i roto i ia putiputi kanohi whānui e puāwai ana i te taha o te ara. Kua wehea mō tētahi wā ki roto i te wairua whānui o te taiao, ehara ianei i te mea ko Luther tēnei e kōrero pōhewa ana i roto i ōna hau, e hikoi ana i ōna ata?

Kua riro tōna ingoa ki roto i te taonga tuku iho o te kōrero noa. I te whakarārangi i te kupumahi whakawhiti, ka whakamāramahia e te Webster's New International Dictionary: "Ki te whakawhiti, ki te tāpiri rānei (i tētahi tipu). Nō reira, i roto i te kupu whakarite, ki te whakapai ake (i tētahi mea, hei tukanga, hei whare rānei) mā te whiriwhiri i ngā āhuatanga pai me te whakakore i te kino, mā te tāpiri rānei i ngā āhuatanga pai."

"E Burbank aroha," ka tangi ahau i muri i taku panuitanga i te whakamāramatanga, "ko tō ingoa tonu he kupu whakarite mō te pai!"

Terese Neumana, Te Katorika Kaiwhakatūpato

"Hoki atu ki Īnia. Tekau mā rima tau ahau e tatari manawanui ana ki a koe. Kāore e roa ka kauhoe atu ahau i te tinana ki te Nohoanga Kanapa. E Yogananda, haere mai!"

I a au e noho ana i te tari matua o Maunga Washington e whakaaroaro ana, i tino miharo ahau ki te reo o Sri Yukteswar. I a ia e haere ana i ngā mano māero i roto i te kimo o te kanohi, ka uru mai tana karere ki roto i ahau, pērā i te uira e mura ana.

Tekau mā rima tau! Āe, i mōhio ahau, ko te tau 1935 tēnei; tekau mā rima tau ahau e hora ana i ngā whakaakoranga a taku tohunga ki Amerika. Ināianei ka mahara mai ia ki ahau.

I taua ahiahi ka kōrerotia e au taku wheako ki tētahi ākonga manuhiri. He tino mīharo tana whanaketanga wairua i raro i *a Kriya Yoga*, ā, he maha tonu taku karanga i a ia he "tangata tapu," me te mahara ki te poropititanga a Babaji e mea ana ka puta mai hoki i Amerika ngā tāne me ngā wāhine o te mōhiotanga atua mā te ara yoga tawhito .

Tenei ākonga me he tau o ētahi atu atawhai tohe tonu i runga te hanga he koha mō taku ngā haerenga. Nō te otinga o te raruraru pūtea, ka whakarite ahau kia rere mā Ūropi ki Īnia. He wiki pukumahi o ngā whakaritenga ki Maunga Washington! I te marama o Poutū-te-rangi, 1935, i whakatūria e au te Self-Engineering Fellowship i raro i ngā ture o te Kāwanatanga o California hei kamupene kore-moni. Ki tēnei whare mātauranga ngā koha katoa a te iwi me ngā moni whiwhi mai i te hokonga o aku pukapuka, maheni, akoranga tuhituhi, utu akomanga, me ngā puna moni katoa.

"Au me kia hoki," ahau i kōrerotia taku ngā ākonga. "Kaua rawa me ahau wareware

Amerika."

I tētahi hakari poroporoaki i whakaritea ki ahau i Los Angeles e ngā hoa aroha, i titiro roa ahau ki ō rātou mata, ā, i whakaaro ahau me te whakawhetai, "E te Ariki, ko ia e mahara ana ki a Koe hei Kaituku Anake, e kore rawa e hapa i te reka."

o te whakahoahoa i roto i ngā tāngata mate."

I rere atu ahau i Niu Ioka i te 9 o Hune, 1935 **39-1** i roto i te *Europa*. Tokorua ngā ākonga i haere tahi mai me ahau: ko taku hēkeretari, ko Mr. C. Richard Wright, me tētahi kuia nō Cincinnati, ko Miss Ettie Bletch. I pai ki a mātou ngā rā o te rangimārie o te moana, he rerekētanga pai ki ngā wiki ohorere o mua. He poto noa iho te wā wātea; he āhuatanga pouri anō hoki te tere o ngā poti hou!

Pērā i tētahi atu rōpū tūruhi hihiri, i hikoi haere mātou i te tāone nui, tawhito hoki o Rānana. I te rā i muri mai i karangatia ahau ki te whaikōrero i tētahi hui nui i Caxton Hall, ā, i reira i whakaurua ai ahau ki te hunga whakarongo o Rānana e Tā Francis Younghusband. I noho tō mātou rōpū i tētahi rā pai hei manuhiri mā Tā Harry Lauder i tōna whenua i Kōtirana. I tere tonu mātou te whiti i te Awa o Ingarangi ki te whenua nui, nā te mea i hiahia ahau ki te haere i tētahi haerenga motuhake ki Bavaria. Koinei anake taku haerenga i whai wāhi ahau ki te toro atu ki te tohunga matakite Katorika nui, ki a Therese Neumann o Konnersreuth.

I ngā tau kua pahure ake nei i pānui ahau i tētahi kōrero whakamiharo mō Therese. Ko ngā kōrero i roto i te tuhinga i penei:

(1)I whānau a Therese i te tau 1898, ā, i whara i tētahi aituā i te rua tekau o ōna tau; ka matapo ia, ka pararutiki.

(2)I te tau 1923 ka kite anō ia i te tirohanga mā roto i ngā inoi ki a Hato Teresa, "Te Putiputi Iti." Nō muri mai ka ora tonu ngā waewae o Therese Neumann.

(3)Mai i te tau 1923, kāore rawa a Therese i kai, i inu rānei, engari ko te horomi i ia rā i tētahi keke iti kua whakatapua.

(4)I puta mai ngā stigmata, arā, ngā patunga tapu o te Karaiti, i te tau 1926 i runga i te mähunga, i te uma, i ngā ringa, me ngā waewae o Therese. I te Paraire o ia wiki i muri mai, ka whiti ia i te mamae o te Karaiti, me te mamae i roto i tōna ake tinana i ōna mamae hītori katoa.

(5)I te mea ko te reo Tiamana māmā noa iho o tōna kāinga te mea e mōhiotia ana e Therese, i a ia e noho pōuri ana i te Paraire, ka whakapuakina e ia ngā kīanga e kiia ana e ngā tohunga he reo Āramaika tawhito. I ngā wā e tika ana i roto i tana moemoeā, ka kōrero ia i te reo Hiperu, i te reo Kariki rānei.

(6)Nā hāhi whakaaetanga, Terese kua ētahi ngā wā kua i raro i kati te mātakitaki pūtaiao. I haere a Tākuta Fritz Gerlick, te ētita o tētahi nūpepa Tiamana Porotetani, ki Konnersreuth ki te "whakaatu i te tinihanga Katorika," engari i mutu mā te tuhituhi whakaute i tana kōrero mō tōna orange. **39-2**

Pērā i ngā wā katoa, ahakoa i te Rawhiti, i te Hauāuru rānei, i hiahia nui ahau ki te

tūtaki ki tētahi tangata tapu. I harikoa ahau i te taenga mai o tā mātou rōpū iti, i te 16 o Hūrae, ki te kāinga ataahua o Konnersreuth. I whakaatu ngā tāngata whenua o Bavarian i te hiahia nui ki tā mātou motuka Ford (i mauria mai i Amerika) me tana rōpū rerekē - he taitama Amerikana, he kuia, me tētahi wahine Āhia he tae oriwa tōna makawe, he makawe roa kei raro i te kara o tōna koti.

Teresa iti whare iti, horoi me ma, me ngā geranium puāwai nā he taketake āe, i āe!

i kati puku. Kāore i taea e ngā hoa noho, tae atu ki te kaimahi mēra o te kāinga i haere atu, te tuku mai i ētahi kōrero. Ka tīmata te ua; i kī mai ōku hoa kia haere mātou.

"Kāo," ahau i mea pūmau, "Au ka noho konei tae noa ki ahau kimi ētahi tohu ārahi ki Terese."

E rua hāora i muri mai, kei te noho tonu māua i roto i tō māua motuka i waenganui i te ua nui. "E te Ariki," ka aue ahau me te amuamu, "he aha koe i ārahi mai ai i ahau ki konei mēnā kua ngaro atu ia?"

He reo Pākehā tāne kua mutu i te taha mātou, me te atawhai tuku tāna āwhina

"Kāore au i te tino mōhio kei hea a Therese," tana kī, "engari he maha ana haerenga ki te kāinga o Ahorangi Wurz, he kaiako whare wānanga o Eichstatt, e waru tekau maero te tawhiti atu i konei."

I te ata i muri mai ka haere tā mātou rōpū ki te kāinga marino o Eichstatt, he whaiti ngā tiriti kua whakairohia ki te kōhatu. I mihi mai a Tākuta Wurz ki a mātou i tōna kāinga; "Āe, kua tae mai a Therese." I tukuna atu e ia he karere mō ngā manuhiri. Kāore i roa ka puta mai he karere me tana whakautu.

"Ahakoa kua tonono mai te pīhopa kia kaua ahau e kite i tētahi tangata me te kore tana whakaaetanga, ka riro mai i ahau te tangata a te Atua i Īnia."

I tino pāngia ahau e ēnei kupu, ā, i aru ahau i a Tākuta Wurz ki runga ki te rūma noho. I tomo tonu mai a Therese, me te whiti mai o te rangimārie me te harikoa. He kākahu pango tōna, he kākahu ma, he mahunga kanapa. Ahakoa e toru tekau mā whitu ōna tau i tēnei wā, he āhua taitamariki ake ia, he hou, he ataahua hoki tōna, pērā i te tamariki. He hauora, he ātaahua te āhua, he whero ōna paparinga, he harikoa, koinei te tangata tapu e kore e kai!

I mihi mai a Therese me te rūrū ringa mārie. I ataata māua i roto i te kōrero puku, e mōhio ana tētahi ki tētahi he aroha ki te Atua.

I tuku atawhai mai a Tākuta Wurz kia mahi hei kaiwhakamāori. I a māua e noho ana, ka kite ahau i a Therese e titiro matatau mai ana ki ahau; e kitea ana he onge te hunga Hinitū i Bavaria.

"Kaua koe kai tetahi mea?" ahau i hiahiaatia ki whakarongo te

whakautu mai i tana ake ngutu. "Kāo, engari he parāoa paraoa

raihi kua whakatapua, kotahi i te ata i te ono karaka." "E hia te rahi

o te parāoa?"

"He angiangi pērā i te pepa, he rite te rahi ki tētahi moni iti." Ka tāpiri atu ia, "He mea tapu tēnei e tangohia ana e au; ki te kore e whakatapua, e kore e taea e au te horomi."

"Kāore rawa i taea e koe te noho i runga i tēnā, mō ngā tau

tekau mā rua katoa?" "Kei te ora ahau i raro i te

māramatanga o te Atua." He tino māmā tana whakautu, he

rite tonu ki a Einstein!

"Au kite koe mōhio tērā pūngao ngā rerenga ki tōu tinana mai i te etere, rā, me te hau."

He tere menemene pakaru i runga tana kanohi "Au am nā reira harikoa ki mōhio koe mārama pēhea ahau ora."

"Ko tō oranga tapu he whakaaturanga o ia rā i te pono i whakapuakina e te Karaiti: 'E kore te tangata e ora i te taro anake, engari i ngā kupu katoa e puta mai ana i te mangai o te Atua.'" **39-3**

I harikoa anō ia i taku whakamārama. "He pono. Ko tētahi o ngā take i konei ai ahau i te ao i tēnei rā, he whakamatau i te tangata ka taea te ora i te māramatanga e kore e kitea o te Atua, ehara i te kai anake."

"Ka taea koe whakaako ētahi atu pēhea ki ora kāore kai?"

Ia i puta mai he mea iti noa iho ohorere. "Au kāore e taea mahi tērā; Atua e mahi ana kāore hiahia ia."

I taku tirohanga atu ki ōna ringa kaha, ataahua, ka whakakitea mai e Therese tētahi patunga iti, tapawhā, kua ora hou i ia o ōna kapu ringa. I te tuara o ia ringa, ka tohu ia i tētahi marama iti ake, he marama- he patunga āhua, kua ora noa. I tika tonu ia patunga mā roto i te ringaringa. Nā te tirohanga i maumahara ahau ki ngā whao rino tapawhā nui me ngā pito he marama-marama, e whakamahia tonutia ana i te Rawhiti, engari kāore au i mahara kua kite ahau i taua mea i te Hauāuru.

I kōrero mai te tangata tapu ki ahau mō āna moe pōuri ia wiki. "Hei kaimātakitaki korekore, ka kite ahau i te mamae katoa o te Karaiti." I ia wiki, mai i te waenganui pō o te Taite tae noa ki te ahiahi o te Paraire i te kotahi karaka, ka tuwhera ōna patunga, ka toto; ka ngaro ia i te tekau pauna o tōna taumaha noa 121-pauna. I a ia e mamae nui ana i roto i tōna aroha aroha, kei te titiro whakamua tonu a Therese ki ēnei kitenga ia wiki o tōna Ariki.

I kite tonu ahau ko tōna oranga tauhou i hangaia e te Atua hei whakamanawa i ngā Karaitiana katoa ki te pono o te hītori o te oranga o Ihu me tōna ripekanga i tuhia ki roto i te Kawenata Hou, ā, hei whakaatu whakamiharo hoki i te hononga ora tonu i waenganui i te Kaiwhakaako o Kariri me āna tāngata karakia.

Ahorangi Wūrz e pā ana ētahi o tāna ngā wheako me te te hunga tapu

"He tokomaha o mātou, tae atu ki a Therese, e haereere ana mō ngā rā maha i runga i ngā haerenga tiro tiro puta noa i Tiamana," tana kī mai ki ahau. "He rerekētanga whakamiharo - ahakoa e toru ā mātou kai i te rā, kāore a Therese e kai i tetahi mea. Kei te noho hou tonu ia, pērā i te rōhi, kāore i pāngia e te ngenge e pā mai ana ki a mātou i ngā haerenga. I a mātou e hiakai ana, e rapu ana i ngā whare tira i te taha o te huarahi, ka kata ia me te harikoa."

I tāpirihia e te ahorangi ētahi kōrero whakamere mō te tinana: "Nā te kore kai a Therese, kua mimiti tōna puku. Kāore he putanga wai, engari e mahi ana ōna repe werawera; he ngawari, he mārō tonu tōna kiri."

I te wā o te wehenga, ahau i whakapuakina ki Terese taku hiahia ki kia te whakaatu i tana te whakaaroaro

"Āe, tēnā haere mai ki Konnersreuth i te Paraire e tū mai nei," tana kī māhaki. "Mā te pīhopa koe e hoatu he whakaaetanga. Nui atu tōku harikoa mō tō rapunga mai i ahau i Eichstatt."

I ruru ringa mārie a Therese, he maha ngā wā, ā, ka hiko tahi rāua ko tā mātou tira ki te kēti. I tahuri a Mr. Wright i te reo irirangi o te motuka; i tirotirohia e te tangata tapu me te kata iti me te harikoa. Nā te nui o te mano taitamariki i huihui mai, ā, ka hoki whakamuri a Therese ki roto i te whare. I kite mātou i a ia i te matapihi, ā, i reira ka titiro mai ia ki a mātou, he tamariki, e ruru ana i tōna ringa.

Ahakoa te maha o ngā patunga i roto i tōna tinana, he pukumahi ia, he ki tonu i te kaha. He aroha ki ngā manu, he tiaki i tētahi puna ika, ā, he maha āna mahi i tana māra. He nui āna reta; ka tuhituhi atu ngā tāngata karakia Katorika ki a ia mō ngā inoi me ngā manaakitanga whakaora. He maha ngā kaiwhai kua ora i ngā mate kino nā roto i a ia.

I whakamārama tōna tungāne, a Ferdinand, e rua tekau mā toru pea ōna tau, kei a Therese te mana, mā te inoi, ki te mahi i ngā mate o ētahi atu i roto i tōna ake tinana. I te ahiahi o te Taite, ka peia e mātou te motuka ki te kāinga o te pīhopa, ā, ka titiro ohorere mai ia ki ōku makawe e rere ana. I tuhi wawe ia i te whakaaetanga e tika ana. He tokomaha i haere mai i tawhiti ki te mātakitaki i te matakite ngaro.

I puta a Therese i taku whakamātautau tuatahi i te whare o te ahorangi nā runga i tōna mōhio ā-kanohi i hiahia ahau ki te kite i a ia mō ngā take wairua, kaua mō te whakamātau noa i tētahi hiahia noa iho.

Ko taku whakamātautau tuarua i hono atu ki te meka, i mua tata tonu i taku pikinga ki runga ki tōna rūma, i whakanohoia e au ahau ki roto i te āhua yoga trance kia kotahi ai ahau me ia i roto i te whanaungatanga telepathic me te pouaka whakaata. I tomo ahau ki roto i tōna rūma, kī tonu i ngā manuhiri; e takoto ana ia i roto i te kākahu ma i runga i te moenga. Me Mr.

I a Wright e aru tata ana i ahau, ka tū ahau i roto i te paepae, me te miharo ki tētahi whakaaturanga rerekē, tino whakamataku hoki.

Engari nā te mea i puta mai ahau i te āhua hohonu o te hinengaro, i kāore i kite tonu i te tangata kua hinga. ahau Whakahokia Ki Īnia

I te harikoa, i hongī au i te hau manaakitanga o Īnia. I tau tō mātou poti, *a Rajputana*, i te 22 o Ākuhata, 1935, ki te tauranga nui o Bombay. Ahakoa ko tēnei, ko tōku rā tuatahi i te kaupuke, he whakaaturanga o te tau kei mua - tekau mā rua marama o ngā mahi mutunga kore. Kei ngā huarahi whānui ngā nikau; kei te whakataetae ngā hanganga kāwanatanga whakahihī ki ngā temepara tawhito mō te hiahia. Heoi, he iti noa te wā i hoatu ki te mātakitaki; i manawanui ahau, i hiahia nui ki te kite i taku guru aroha me ētahi atu o te hunga e arohaina ana e au. "I tēnei rā, i te mea kua tino tumanakohia, ka peia e au a Yoganandaji mai i Calcutta ki Serampore," te tuhituhi a Mr. Wright i roto i tana rātaka haere. "I taha atu mātou i ngā toa hokohoko ataahua, ko tētahi o aua toa te wāhi kai tino pai a Yoganandaji i ōna rā i te kāreti, ā, i te mutunga ka tomo mātou ki tētahi ara whaiti, taiepa. I te hurihanga ohorere ki mauī, kei mua i a mātou te whare karakia e rua ngā papa, he māmā engari he whakahihiri, ko tōna taupee āhua Pāniora e tū mai ana i te papa o runga. Ko te whakaaro whānui ko te noho mokemoke marino. "

"I roto i te ngākau whakaiti nui, i haere ahau i muri i a Yoganandaji ki te marae i roto i ngā pakitara o te whare karakia. I te tere o te pao o ō mātou ngākau, ka piki mātou i ētahi arawhata sima tawhito, me te takahi, kāore e kore, i te aroaro o ngā mano tini o te hunga rapu pono. Ka piki haere te āwangawanga i a mātou e hikoi ana. I mua i a mātou, tata ki te pito o ngā arawhata, ka puta marie mai te Mea Nui, a Swami Sri Yukteswarji, e tū ana i roto i te tū rangatira o te tangata whakaaro nui."

"I pūngāwerewere, i pupuhi hoki tōku ngākau i a au e manaaki ana i ahau anō i te mana rangatira o te noho ki tōna aroaro whakahihī. I pōuri te tirohanga a Yoganandaji i te wā i tuturi ai ia, ā, me te mahunga piko, ka tuku i te whakawhetai me te mihi o tōna wairua, me te pā atu ki ngā waewae o tōna guru ki tōna ringa, kātahi, me te piko whakaiti, ki tōna ake mahunga. I whakatika ia i taua wā, ā, ka awhihia ia e Sri Yukteswarji i ngā taha e rua o tōna uma."

"Kāore he kupu i puta i te tīmatanga, engari ko te kare tino kaha i whakapuakina i roto i ngā kupu wahangu o te wairua. Te kanapa o ō rātou kanohi, me te mura o te mahana o te whakakotahitanga wairua hou! I pupuhi te wiri ngawari i roto i te taupee marino, ā, tae noa ki te rā i mawhiti i ngā kapua hei tāpiri i te mura ohorere o te kororia."

I tū ahau i taua wā, ka anga atu ki ngā kanohi e rua he kanohi ataahua, he hohonu, e mura ana i te whakaaroaro, engari e kanapa ana i te harikoa. I tomo mātou ki tōna rūma noho, ko tōna taha katoa e tuwhera ana ki te taupee o waho i kitea tuatahitia mai i te tiriti. I tautoko te rangatira i a ia ki tētahi moenga tawhito, e noho ana i runga i tētahi moenga kua hipokina i runga i te papa sima. I noho māua ko Yoganandaji i te taha o ngā waewae o te guru, me ngā urunga karaka hei okiokinga atu, hei whakamama i ō māua tūnga. i runga i te whāriki kakau witi.

"I ngana tonu ahau ki te whakauru i te kōrero Bengali i waenganui i ngā Swamiji e rua - nā te mea, i kitea e au, kāore he mana o te reo Pākehā ina noho tahi rāua, ahakoa ka taea e Swamiji Maharaj, te ingoa o te guru nui e ētahi atu ana, ā, he maha tonu āna kōrero. Engari i kite ahau i te tapu o te Mea Nui mā roto i tana

ataata mahana me ōna kanohi kanapa. Ko tētahi āhuetanga e kitea ngāwari ana i roto i tana kōrero harikoa, nui ko te pai o te kōrero - te tohu o te tangata whakaaro nui, e mōhio ana e mōhio ana ia, nā te mea e mōhio ana ia ki te Atua. Ko tōna whakaaro nui, tōna kaha o te kaupapa, me tōna whakatau e kitea ana i ngā huarahi katoa."

"I a au e ako ana i a ia me te whakaute i ētahi wā, ka kite ahau he nui ia, he pakari hoki, he pakeke nā ngā whakamātautau me ngā patunga tapu o te whakarēreatanga. He rangatira tōna tū. He rae piko, pērā i mēnā e rapu ana te ngā rangi, rangatira tāna atua kanohi Ia kua he engari nui me kāinga ihu,

e whakangahau ana ia i a ia anō i ngā wā mangere, e hurihuri ana, e whakakorikori ana i ōna maihao, pērā i te tamaiti. Ko ōna kanohi pouri kaha e karapotia ana e te mowhiti kikorangi ethereal. Ko ōna makawe, e wehea ana i waenganui, ka tīmata hei hiriwa, ka huri hei rārangi hiriwa-koura me te hiriwa-mangu, ka mutu ki ngā mowhiti iti i ōna pakihwi. He iti, he angiangi rānei tōna pahau me tōna ngutu, engari te āhua nei ka whakarei ake i ōna āhua, ā, pērā i tōna āhua, he hohonu, he māmā hoki i te wā kotahi.

"He kata harikoa, he kata whakahihiri tōna e puta mai ana i roto i tōna uma, e wiri ana, e wiri ana hoki tōna tinana katoa - he tino harikoa, he pono hoki. He mea whakamiharo te kaha o tōna mata me tōna tū, me ōna maihao uaua. He nekehanga rangatira tana, he tū tika hoki."

"He kākahu *dhoti noa iho* tōna, he tae kōwhai kanapa i taehia ki a rāua tokorua i mua, engari ināianei he karaka kua memeha.

"I taku tirotiro haere, ka kite ahau i tēnei rūma tawhito e tohu ana i te kore o te rangatira e piri ki ngā mea whakamarie o te ao. Ko ngā pakitara ma o te rūma roa kua poke i te huarere kua kapi ki te paraikete kikorangi kua memeha. I tetahi pito o te rūma i iri he pikitia o Lahiri Mahasaya, he mea whakapaipai ki te karakia noa. I reira anō hoki tētahi pikitia tawhito e whakaatu ana i a Yoganandaji i tana taenga tuatahi ki Boston, e tū tahi ana me ētahi atu māngai ki te Huihuinga o ngā Hāhi."

"I kite ahau i tētahi hononga ātaahua o te ao hou me te ao tawhito. He rama nui, he karāhe tapahi, he rama rama, kua kapi katoa i ngā tukutuku pungawerewere nā te mea kua kore e whakamahia, ā, i runga i te pakitara he maramataka kanapa, hou. I pupū ake te kakara o te rangimārie me te marino i te rūma katoa. I tua atu i te taupee ka kite ahau i ngā rākau kokonati e tū ana i runga ake i te whare karakia me te marumaru kore."

"He mea whakamere te kite i te mea me papaki noa te ringa o te rangatira, ā, i mua i te mutunga, ka mahi tahi, ka manaakihia rānei ia e tētahi ākonga iti. Heoi anō, he tino aro nui ahau ki tētahi o rātou - he tamaiti hiroki, ko Prafulla tōna ingoa, **40-2.**" me te makawe pango roa e tae ana ki ōna pakihwi, he takirua kanohi pango kanapa tino hohonu, me te ataata rangi; ka kanapa ōna kanohi, i te aranga ake o ngā kokonga o tōna mangai, pērā i ngā whetū me te marama iti e puta mai ana i te ahiahi.

"E kitea ana te nui o te harikoa o Swami Sri Yukteswarji i te hokinga mai o tana 'hua' (ā, te āhua nei kei te hiahia ia ki te mōhio mō te hua o te 'hua'). Heoi, ko te kaha o te whakaaro nui i roto i te āhua o te Mea Nui e aukati ana i tana whakaaturanga o waho o ngā kare ā-roto."

"I hoatu e Yoganandaji ētahi koha ki a ia, he tikanga tēnei ina hoki te ākonga ki tana guru. I muri mai ka noho mātou ki tētahi kai māmā engari he tino maoa. Ko

ngā rihi katoa he ranunga huawhenua me te raihi. I koa a Sri Yukteswarji ki taku whakamahi i ētahi tikanga Inia, pērā i te 'kai matimati'."

"Whai muri i ētahi haora o te rere i ngā kāinga Bengali me te whakawhitiwhiti ataata mahana me ngā titiro harikoa, ka piko mātou ki ōna waewae, ka poroporoaki me te *kupu whakataki*, **40-3.**" ā, ka haere atu ki Calcutta me te mahara tonu ki tētahi hui tapu me te mihi. Ahakoa e tuhituhi ana ahau mō aku whakaaro o waho mōna, i mōhio tonu ahau ki te pūtake pono o te tangata tapu - tōna kororia wairua. Ahau kua rongu i tōna mana, ā, ka mau i taua kare hei manaakitanga atua māku."

Mai i Amerika, i Ūropi, me Paratihana, he maha ngā koha i kawea mai e au mā Sri Yukteswar. I tangohia e ia me te menemene, engari kāore he kōrero. Mōku ake, i hokona e au i Tiamana tētahi tokotoko maru whakakotahi. I Īnia, i whakatau ahau ki te hoatu i te tokotoko ki te Kaiwhakaako.

"He tino maioha tēnei ki ahau!" I tahuri mai ngā kanohi o taku tohunga ki ahau me te aroha. i te māranga i a ia e kōrero ana i te kōrero tauhou. O ngā koha katoa, ko te tokotoko i whiriwhiria e ia hei whakaatu ki ngā manuhiri.

"E te Ariki, tēnā koa tukua ahau kia tiki i tētahi whāriki hou mō te rūma noho." I kite ahau kua whakatakotoria te kiri taika o Sri Yukteswar ki runga i tētahi whāriki kua haehaea.

"Me mahi mēnā e pai ana ki a koe." Kāore i te hihiko te reo o taku tohunga. "Tirohia, he ātaahua, he ma taku whāriki taika; he kingi ahau i roto i tōku ake rangatiratanga iti. Kei tua atu ko te ao whānui, e aro ana ki ngā āhuetanga o waho anake."

I a ia e kōrero ana i ēnei kupu, ka rongo ahau i te hokinga whakamuri o ngā tau; he akonga taitamariki anō ahau, kua purea i roto i ngā ahi o te whiu i ia rā, i ia rā!

I te wā tonu i taea ai e au te wehe atu i a Serampore me Calcutta, ka haere tahi māua ko Mr. Wright ki Ranchi. He manaakitanga nui tēnei, he tino whakanui! I tū ngā roimata i roto i ōku kanohi i a au e awhi ana i ngā kaiako aroha noa i pupuri i te haki o te kura i roto i aku tau tekau mā rima e ngaro ana. Ko ngā kanohi kanapa me ngā menemene harikoa o ngā ākonganga noho me ngā ākonganga o te rā he tohu nui ki te uara o tā rātou kura maha-taha me te whakangungu yoga.

Heoi, aue! i roto te whare wānanga o Ranchi i ngā raruraru pūtea nui. Kua mate a Tā Manindra Chandra Nundy, te Maharaja tawhito nāna nei te Whare Ariki o Kasimbazar i hurihia hei whare kura matua, ā, he maha ngā koha rangatira i tukuna e ia. He maha ngā āhuetanga atawhai, kore utu o te kura kua tino mōrearea nā te kore tautoko a te iwi whānui.

Kāore au i noho ki Amerika mō ngā tau maha me te kore e ako i ētahi o ōna whakaaro nui, tōna wairua pakari i mua i ngā arai. Mō te wiki kotahi i noho ahau ki Ranchi, e raru ana i ngā raruraru nui. Kātahi ka tae mai ngā uiuinga ki Calcutta me ngā kaiārahi rongonui me ngā kaiwhakaako, he kōrero roa ki te Maharaja taitamariki o Kasimbazar, he tono pūtea ki tōku matua, ā, titiro! ka tīmata te whakatikatika i ngā turanga wiri o Ranchi. He maha ngā koha tae atu ki tētahi haki nui i tae mai i te wā tika mai i aku ākonganga o Amerika.

I roto i ētahi marama i muri i taku taenga mai ki Īnia, i harikoa ahau ki te kite i te whakaurunga ture o te kura o Ranchi. I tutuki taku moemoeā mō tētahi pokapū mātauranga yoga pumau tonu. Nā taua moemoeā ahau i ārahi i ngā tīmatanga iti o

E akiakihia ana ngā hākinakina me ngā kēmu; e haruru ana ngā papa tākaro i te whakaharatau hoki me te whutupaoro. He maha ngā wā ka toa ngā ākongā o Ranchi i te kapu i ngā huihuinga whakataetae. Ko te āhuetanga ahurei o Ranchi ko te whakaurunga ki te *Kriya Yoga*. Ia rā, ka mahi ngā tama i ā rātou mahi wairua, ka whai wāhi ki te karakia *Gita*, ā, mā te ako me te tauira ka akohia rātou ki ngā painga o te ngāwari, te patunga tapu, te honore, me te pono. He Idyl I roto Tonga Īnia

"Koe kei te tuatahi Te Hauāuru, Tiki, ake tonu atu ki tomo tērā wāhi tapu He tokomaha ētahi atu whai i whakamātauria i roto horihori."

I aku kupu, ka miharo a Mr. Wright, kātahi ka koa. Nō te wehenga atu i te Temepara ataahua o Chamundi i ngā pukepuke e titiro atu ana ki Mysore i te tonga o Īnia, ka piko mātou ki mua i te koura, ā, hiriwa ngā aata o te Atua wahine Chamundi, kaitautoko atua o te whānau o te e kingi ana maharaja

"Hei whakamaharatanga mō te honore ahurei," te kī a Mr. Wright, me te ata huna i ētahi rau rōhi kua manaakitia, "ka tiakina tonutia e au tēnei putiputi, kua tauhiuhia e te tohunga ki te wai rōhi."

Māua ko taku hoa **41-1** i noho hei manuhiri mā te Kāwanatanga o Mysore i te marama o Noema, 1935. Ko te Maharaja, ko HH Sri Krishnaraja Wadiyar IV, he tauira rangatira whai whakaaro nui ki tōna iwi. He Hindu karakia, kua whakamanahia e te Maharaja tētahi Mahometa, a Mirza Ismail, hei Pirimia māna. Ka whakawhiwhia te mana rongonui ki ngā tāngata e whitu miriona o Mysore i roto i te Runanga me te Kaunihera Ture.

Nā te uri o te Maharaja, a te HH te Yuvaraja, a Tā Sri Krishna Narasingharaj Wadiyar, i karanga māua ko taku hēkeretari kia toro atu ki tōna ao mārāma me te ao ahu whakamua. I roto i ngā wiki e rua kua taha ake nei, i kōrero ahau ki ngā mano tini o ngā tāngata whenua me ngā ākonga o Mysore, i te Whare Taone, i te Kāreti o Maharajah, i te Kura Hauora o te Whare Wānanga; me ngā huihuinga nui e toru i Bangalore, i te Kura Tuarua o te Motu, i te Kāreti Waenga, me te Whare Taone o Chetty, i reira neke atu i te toru mano tāngata i huihui mai. Kāore au i te mōhio mēnā i taea e ngā kaiwhakarongo hihiri te mihi ki te pikitia kanapa i tuhia e au mō Amerika; engari ko te papaki ringa te mea nui rawa atu i taku kōrero mō ngā painga tahi ka puta mai i te whakawhitiwhiti i ngā āhuatanga pai rawa atu o te Rawhiti me te Hauāuru.

I te rangimārie o te pārorū māua ko Mr. Wright, e whakangā ana māua. Kei roto i tana pukapuka haereere ngā kōrero e whai ake nei mō ōna whakaaro mō Mysore:

"Kei te take tiaki o ngā puke toka ngā mara raihi matomato kanapa, he maha ngā wāhi tō kua whakairohia ki ngā miro, e takoto ana i te take tiaki o ngā puke toka— ngā puke e kapi ana i te tirohanga emerara, pērā i ngā kōhatu pango—ā, ka whakarei ake te takaro o ngā tae i te ngaronga ohorere me te whakamiharo o te rā i a ia e rapu okiokinga ana i muri i ngā puke whakahīhī."

"He tokomaha harikoa ngā wā whai kua kua pau i roto te mātakitaki, tata ngaro- me te whakaaro nui, i te ake tonu atu

he kānawehi hurihuri a te Atua e horahia ana puta noa i te rangi, nā te mea ko tana pā anake ka taea te whakaputa tae e wiri ana me te hou o te ora. Ka ngaro taua taitamarikitanga o ngā tae ina ngana te tangata ki te whai i ngā tae anake, nā te mea ka whakamahi te Ariki i tētahi reo māmā ake, whai hua ake - ngā hinu ehara i te hinu, ehara hoki i te tae, engari he hihi mārāma noa iho. Ka whiua e ia he pata mārāma ki konei, ā, ka whakaata mai. whero; Ka poipoia anō e ia te paraihe, ā, ka whakaranua mārīre ki te karaka me te koura; kātahi ka werohia kia hohonu Ia wero te kapua me he rārangi o papura tērā rau he mowhiti rānei taniko o whero e turuturu ana i roto i te patunga i roto i ngā kapua; ā, nō reira, ka takaro tonu ia, i te pō me te ata, he rerekē tonu, he hou tonu, he hou tonu; kāore he tauira, kāore he tārua, kāore he tae he rite tonu. Ko te ataahua o te huringa Inia i te ao ki te pō, kāore e taea te whakarite ki tētahi atu wāhi; he maha ngā wā ka rite te rangi me te mea kua tangohia e te Atua ngā mea katoa ngā tae i roto i tāna kete, ā, ka whiua ki te rangi tētahi whiunga nui whakaharahara.

"Me kōrero e au te ataahua o te haerenga ki te awatea ki te Pā nui o Krishnaraja Sagar, 41-2." i hangaia tekau mā rua maero ki waho o Mysore. I eke māua ko Yoganandaji ki tētahi pahi iti, ā, me tētahi tamaiti iti hei kaiwhakakapi mana mō te waka rererangi, hei whakakapi rānei mō te pākahiko, ka tīmata mā runga i tētahi ara paru maeneene, i te whitinga mai o te rā. e takoto ana i te pae tawhiti, e kōpikopiko ana pērā i te tōmato kua pakari rawa.

"I ahu atu tā mātou haerenga i tua atu i ngā mara raihi tapawhā e kitea whānuitia ana, i roto i te rārangi o ngā rākau pania whakamarie." ngā rākau, i waenganui i te ngahere nikau teitei, me ngā otaota e tata ana ki te matotoru o te ngahere, ā, i te mutunga, i te whakatata atu ki te tihi o te puke, ka tūtaki mātou ki tētahi roto horihori nui, e whakaata ana te ngā whetu me taniko o ngā nikau me ētahi atu ngā rākau, karapotia nā ataahua papatahi ngā mārā me te rarangi rama hiko i te taha o te tāhuna—ā, i raro iho i tēnā, ka tūtaki ō mātou kanohi ki tētahi tirohanga whakamiharo o ngā hihi tae e takaro ana i runga i ngā puna waiariki, pērā i ngā awa waituhi kanapa e ringihia ana—ngā rerenga wai kikorangi ataahua, e ārai ana i ngā wai whero, ngā rehu kakariki me te kōwhai, ngā arewhana e pupuhi ana i te wai, he tauira iti o te Whakaaturanga Ao o Chicago, engari he mea whakamiharo i tēnei wā i roto i tēnei whenua tawhito o ngā mara raihi me ngā tāngata noa, kua tino manaaki mai i a mātou, ā, kua tino aroha ahau ki a rātou. E wehi ana ahau kei nui atu i tōku kaha hei whakahoki mai i a Yoganandaji ki Amerika.

"Tētahi atu painga onge - ko taku ekenga arewhana tuatahi. Inanahi, i karangahia mātou e te Yuvaraja ki tōna whare raumati kia eke ai mātou ki tētahi o āna arewhana, he kararehe nui whakaharahara. I eke ahau ki tētahi arawhata hei piki ki runga ki te *howdah*, ki te nohoanga rānei, he mea hipoki ki te hiraka, he rite ki te pouaka; kātahi ka hurihuri, ka ruku, ka neke, ka heke ki raro ki tētahi awaawa, he nui rawa te harikoa ki te manukanuka, ki te karanga rānei, engari me pupuri tonu ahau mō te ora tonu!"

Ko te tonga o Īnia, he whenua tino ataahua, engari he whenua e kore e taea te tautuhi. Ki te raki o Mysore ko te whenua taketake nui rawa atu o Īnia, ko Hyderabad, he papa whenua ataahua e tapahia ana e te awa nui o Godavari. He mania whānui momona, ko ngā Nilgiris ataahua, ko "Ngā Maunga Kahurangi" rānei, ētahi atu rohe me ngā pukepuke pāpaku o te kōhatu kōhatu, o te karāhe rānei. He kōrero roa, he kōrero kanapa te hītori o Hyderabad, e tīmata ana i te toru mano tau ki muri i raro i ngā kīngi o Andhra, ā, i haere tonu i raro i ngā whare rangatira Hindu tae noa ki te tau 1294 AD, i te wā i tukuna ai ki tētahi rārangi rangatira Mahometa i kingi ki tēnei rā.

Ko te whakaaturanga tino whakamiharo o te hoahoanga, te whakairo, me te peita puta noa i Inia kei Hyderabad i roto i ngā ana tawhito i whakairohia ki te toka o Ellora me Ajanta. Ko te Kailasa i Ellora, he temepara nui whakaharahara, kei roto ngā whakapakoko o ngā atua, o ngā tāngata, me ngā kararehe i roto i ngā āhua whakamiharo o Michelangelo. Kei Ajanta e rima ngā whare karakia nui me ngā whare mōneka e rua tekau mā rima,

he kerī toka katoa e tiakina ana e ngā pou whakairo nunui kua whakairohia ki ngā pakitara, ā, kua waiho hei taonga tuku iho mā ngā kaitoi me ngā kaiwhakairo ō rātou pūkenga.

Kei te whakapaipaihia a Hyderabad e te Whare Wānanga o Osmania me te Mosque whakahirahira o Mecca Masjid, te wāhi e huihui ai ngā mano tini o ngā Mahometa ki te inoi.

He whenua whakamiharo hoki a Mysore State, e toru mano putu i runga ake i te taumata o te moana, he nui ngā ngahere pārūrū matotoru, te kāinga o ngā arewhana mohoa, ngā paihana, ngā pea, ngā pānita, me ngā taika. He ma, he ātaahua hoki ōna tāone matua e rua, arā, a Bangalore me Mysore, me te maha o ngā pāka me ngā māra tūmatanui.

I tutuki i te hoahoanga me te whakairo Hinitū tō rātou tino pai ki Mysore i raro i te mana o ngā kīngi Hinitū mai i te rautau tekau mā tahi ki te rautau tekau mā rima. Ko te temepara i Belur, he mahi toi rangatira nō te rautau tekau mā tahi i oti i te wā o te kingitanga o Kingi Vishnuvardhana, kāore e taea te kite i te ao mō tōna ātaahua o ngā taipitopito me ōna whakaahua whakahirahira.

Ko ngā pou toka i kitea i te raki o Mysore i ahu mai i te rautau tuatoru BC, e whakamārama ana i te mahara o Kingi Asoka. I riro i a ia te torona o te whare rangatira o Maurya i taua wā; tata ki te katoa o Īnia o ēnei rā, o Afghanistan, me Baluchistan i roto i tana emepaea. Ko tēnei emepara rongonui, e whakaarohia ana e ngā kaituhi hītori o te Hauāuru he rangatira tino rangatira, kua waiho e ia te whakaaro nui e whai ake nei ki runga i tētahi whakamaharatanga toka:

Kua whaowhaohia tēnei tuhituhinga whakapono kia kore ai ā mātou tama, mokopuna hoki e whakaaro he mea tika kia puta he wikitoria hou; kia kore ai rātou e whakaaro he tika te wikitoria ki te hoari hei wikitoria; kia kore ai rātou e kite i tetahi mea engari ko te whakangaromanga me te tutu; kia kore ai rātou e whakaaro ki tetahi mea hei wikitoria pono engari ko te wikitoria o te whakapono. He uara aua wikitoria i tēnei ao, i te ao anō hoki e whai ake nei.

Taku hoa me ahau tū i mua i te "moemoeā i roto māpere," te Taj Mahal i Ākara.

He mokopuna a Asoka nā Chandragupta Maurya (e mōhiotia ana e ngā Kariki ko Sandrocottus), i tūtaki ki a Alexander the Great i tōna tamarikitanga. Nō muri mai ka whakangaromia e Chandragupta ngā hōia o Makeronia i mahue i Īnia, ka hinga i a ia te ope taua Kariki o Seleucus i Punjab, ā, i muri mai ka manaaki i a Megasthenes, te karere Kariki i tōna kooti i Patna.

Kua tuhia ngā kōrero tino whakamere e ngā kaituhi hītori Kariki me ētahi atu i haere tahi, i whai rānei i muri i a Arekānara i tana haerenga ki Īnia. Ko ngā kōrero a Arrian, Diodoros, Parataka, me Strabo te tohunga whenua whai kua whakamāoritia nā Tākuta J. W. M'Crindle **41-3** ki te maka i te hihi mārama ki runga i a Īnia onamata. Ko te āhuatanga tino whakamiharo o te whakaekenga a Alexander kāore i angitu ko te hiahia nui i whakaaturia e ia ki te rapunga whakaaro Hindu me ngā yogi me ngā tāngata tapu i tūtaki ia i ia wā, i ia wā, ā, i rapua e ia te haporī. I muri tata mai i te taenga mai o te toa Kariki ki Taxila i te raki o Īnia, ka tonoa e ia he karere, a Onesikritos, he ākonga nō te kura Kariki o Diogenes, ki te tiki i tētahi kaiako Īnia, a Dandamis, he sannyasi nui o Tākihiira.

"Ngā mihi ki a koe, e te kaiako o ngā Brahmins!" te kī a Onesikritos i muri i tana rapunga i a Dandamis i roto i tana piringa ngahere. "Ko te tama a te Atua kaha, a Zeus, ko Alexander te Ariki Matua o ngā tāngata katoa, e tono ana kia haere koe ki a ia, ā, ki te whakaae koe, ka utua koe e ia ki ngā taonga nui, engari ki te whakakahore koe, ka tapahia e ia tōu mahunga!"

I ata mārīe te yogi i tēnei pōwhiri, ā, "kāore i ara ake tōna māhunga i tōna moenga rau."

"He tama anō hoki ahau nā Zeus, mēnā ko Arekānara tēnei," tana kī. "Kāore au e hiahia ki tētahi mea nā Arekānara, nā te mea e makona ana ahau ki aku mea, i a au e kite ana e kopikopiko ana ia me āna tāngata i runga i te moana me te whenua, kāore he painga, ā, kāore e mutu tana kopikopiko."

"Haere ki te kōrero ki a Arehanara, ehara te Atua, te Kīngi Matua, i te Kaihanga o te hē whakahihi, engari Ko te Kaihanga o te māmamatanga, o te rangimārie, o te ora, o te wai, o te tinana o te tangata me ngā wairua; E manako ana ia ki ngā tāngata katoa ina whakawāteatia rātou e te mate, kāore ia e pāngia e te mate kino. Ko ia anake te Atua e whakamoemititia ana e au, e whakarihariha ana ki te patu, ā, kāore e whakaoho i ngā pakanga.

"Ehara a Arehanara i te atua, nā te mea me pāngia ia e te mate," te kōrero tonu a te tangata whakaaro nui me te whakahawe puku. "Me pēhea rā ia e noho ai hei rangatira mō te ao, i te mea kāore anō ia kia noho ki runga i te torona o roto mana o te ao whānui? Kāore anō ia kia tomo ora ki roto i te reinga, kāore hoki ia e mōhio ki te huarahi o te rā mā roto te pokapū ngā rohe o te whenua, i te wā te ngā iwi i runga tōna rohe whai kāre rawa i rongo i tōna ingoa!"

I muri i tēnei whiu, ko te whiu tino nanakia rawa atu i tukuna ki te whakaeke i ngā taringa o te "Ariki o te Ao," ka tāpiri te tohunga me te whakakatakata, "Ki te kore e ranea te whānuitanga o ngā mana o nāianeī o Alexander mō āna hiahia, tukua ia kia whiti i te awa o Ganges; ka kitea e ia he rohe e taea ai te tautoko i āna tāngata katoa, ki te mea he kuiti rawa te whenua o tēnei taha hei pupuri i a ia. **41-4**

"Engari kia mōhio koe ki tēnei, ko ngā mea e tukuna ana e Alexander me ngā koha e whakaaria mai ana e ia he mea korekore noa iho ki ahau; ko ngā mea e whakanuia ana e au, e kitea ana he tino whai hua, he tino uara hoki, ko ēnei rau e tukua ana e au."

whare, ēnei tipu puāwai e whakarato ana i te kai māku i ia rā, me te wai e inu ai ahau; ko ngā taonga katoa ia e kohia ana me te manukanuka ka whakangaro i ahau. te hunga e kohikohi ana i a rātou, ā, ko te mea anake e puta ai te pouri me te raruraru, e tino pāngia ana e te hunga rawakore katoa. Ko ahau ia, e takoto ana ahau i runga i ngā rau o te ngahere, ā, kāore he mea e tika ana kia tiakina, ka kati ōku kanohi i te moe marino; i te mea he mea hei tiaki māku, ka peia te moe. Mā te whenua ahau e whakarato i ngā mea katoa, pērā i te whaea e whāngai ana i tana tamaiti ki te waiū. Ka haere ahau ki ngā wāhi katoa e pai ai ahau, ā, kāore he āwangawanga e akiakihia ana ahau e whakararuraru i ahau anō.

"Mena ka tapahia e Alexander tōku mahunga, e kore e taea e ia te whakangaro i tōku wairua. Ko tōku mahunga anake, kātahi ka noho puku, ka noho tonu, ka waiho te tinana kia rite ki te kākahu haehae i runga i te whenua, i tangohia mai ai hoki. Ko ahau ia, e noho nei hei Wairua, ka piki ahau ki tōku Atua, nāna tātou katoa i takai ki te kikokiko, ā, i waiho mai i runga i te whenua hei whakamātautau mēnā, i konei i raro nei, ka ora tātou i te ngohengohe ki āna tikanga, ā, ko wai hoki ka e tono mai ana i a tātou katoa, ina haere atu tātou i konei ki Tōna aroaro, he kōrero mō ō tātou orange, nā te mea ko Ia te Kaiwhakawā o ngā mahi hē katoa; ko ngā aue hoki a te hunga e tukinotia ana hei whiu mō te kaitukino

"Kia whakamataku a Arehanara i te hunga e hiahia ana ki te taonga, me te hunga e wehi ana i te mate, nā te mea he rite tonu te kore mana o ēnei patu ki a tātou; kāore ngā Brahmin e aroha ki te koura, kāore hoki e wehi i te mate. Haere atu ki te kī atu ki a Arehanara: Kāore a Dandamis e hiahia ki tetahi mea āu, nō reira e kore ia e haere ki a koe, ā, ki te hiahia koe ki tetahi mea mai i a Dandamis, haere mai ki a ia."

Me te aro nui, i whiwhi a Alexander mā Onesikritos i te karere mai i te yogi, ā, "i rongo he hiahia nui atu i mua kia kite i a Dandamis, ahakoa kua koroheke, kua tahanga, ko ia anake te hoariri i tūtaki ai ia, te toa o ngā iwi maha, he nui atu i tana hoa whawhai."

I karanga a Arekānara ki Taxila i ētahi tohunga whakaponu Brahmin rongonui mō ō rātou pūkenga ki te whakautu i ngā pātai rapunga whakaaro me te whakaaro nui. Nā Plutarch i tuku te kōrero mō te pakanga ā-waha; nā Arekānara tonu i whakatakoto ngā pātai katoa.

"Ko wai te hunga e nui ake ana, ko te hunga ora,

ko te hunga mate rānei?" "Ko te hunga ora, kua

kore hoki te hunga mate."

"Ko tēhea te whānau o ngā kararehe nunui, ko te

moana, ko te whenua rānei?" "Ko te whenua, he

wāhanga noa iho hoki o te whenua te moana."

"Ko tēhea ko te tino mohio o ngā kararehe?"

"Ko taua mea kāore anō kia mōhiotia e te tangata." (E wehi ana te tangata i te mea ngaro.) "Ko tēhea i mua, ko te ao, ko te pō rānei?"

"Ko te rā i mua i te rā kotahi." Nā tēnei whakautu i miharo a Arekānara; ka tāpiri atu te Brahmin: "Ko ngā pātai e kore e taea me whakautu e kore e taea."

"Me pēhea pai rawa atu mei he tāne hanga ia anō e arohaina ana?"

"Ka arohaina te tangata mēnā he nui tōna mana, kāore tonu ia e wehingia." "Me pēhea te tangata e noho ai hei atua?" **41-5**

"Mā te mahi i te mea e kore e taea e te tangata te mahi." "Ko tēhea te mea kaha ake, te ora, te mate rānei?"

"Te ora, nā te mea reira pea nā reira he tokomaha ngā kino."

I angitu a Arekānara ki te tango i tētahi yogi pono mai i Īnia, hei kaiako māna. Ko Swami Sphines tēnei tangata, i karangatia e ngā Kariki ko "Kalanos" nā te mea ko te tangata tapu, he tangata karakia ki te Atua i roto i te āhua o Kali, i mihi ki te katoa mā te whakahua i tōna ingoa whakahīhī.

I haere tahi a Kalanos me Arekānara ki Pāhia. I tētahi rā kua whakaritea, i Huhana i Pāhia, ka tukua e Kalanos tōna tinana kua koroheke mā te tomo ki roto i te tahunga tupapaku i te aroaro o te ope taua katoa o Makeronia. E ai ki ngā kaituhi hītori tuhia te miharo o ngā hōia i kite i te kore wehi o te yogi i te mamae, i te mate rānei, ā, kāore rawa i neke atu i tōna tūranga i a ia e pau ana i te mura. I mua i te wehenga atu mō tōna tahunga, i awhi a Kalanos i ōna hoa tata katoa, engari i kore ia e poroporoaki ki a Alexander, i kī noa atu te tohunga Hindu ki a ia:

"Au me kite koe i roto i ngā wā poto i roto Papurona."

I wehe atu a Arehanara i Pāhia, ā, i te tau i muri mai ka mate ia i Papurona. Ko ngā kupu a tana tohunga Inia te huarahi i kī ai ia ka noho tahi ia me Arehanara i te ao me te mate.

He maha ngā whakaahua oraora, whakahihiri hoki kua waiho mai e ngā kaituhi hītori Kariki mō te hāpori Īnia. Ko te ture Hinitū, e ai ki a Arrian, e tiaki ana i te iwi, ā, "e whakahau ana kia kaua tetahi o rātou e noho hei pononga, ahakoa pēhea, engari, i te mea e pai ana ki a rātou te herekoretanga, me whakaute rātou i te tika ōrite e mau ana i te katoa. Mō te hunga, i whakaaro rātou, kua ako ki te kore e whakahaere, ki te kore hoki e piko ki ētahi atu, ka whiwhi rātou i te oranga e pai ana mō ngā huringa katoa o te ao." **41-6**

"Ko ngā Īniana," e kī ana tētahi atu tuhinga, "kāore e tuku moni hei moni

whakatupu, kāore hoki e mōhio ki te nama. He rerekē ki te tikanga kua whakatūria mō te Īniana te mahi, te mamae rānei i tētahi hē, nō reira kāore rātou e hanga kirimana, kāore hoki e hiahia ki ngā pūtāhui." E kīia ana ki a tātou, ko te whakaora he mea māmā noa iho, he mea taiao hoki. "Ko te whakahaere i te kai te huarahi e ora ai ngā tāngata, kaua ko te whakamahi i ngā rongoā. Ko ngā rongoā e tino whakanuia ana ko ngā hinu me ngā paraikete. Ko ētahi atu rongoā katoa e kīia ana he tino kino." Ko te whakauru ki te pakanga he mea here ki ngā *Kshatriya*, ki ngā toa rānei. "Kāore hoki he hoariri e tūtaki ana ki tētahi kaimahi whenua i tana mahi i runga i tana whenua, e whara i a ia, nā te mea ko ngā tāngata o tēnei "E kīia ana te karaehe he hunga atawhai tūmatanui, ā, ka tiakina rātou i ngā whara katoa. Nā reira, ko te whenua e noho korekore ana, ā, e hua nui ana ngā hua, ka whakarato i ngā kainoho ki ngā mea e hiahiatia ana hei orange harikoa." 41-7

Kei te taha tata e tū ana te whakapakoko nui rawa atu o te ao, i whakairohia mai i tētahi kohatu nui e ngā Jain i te tau 983 AD hei whakahonore i te tapu a Comateswara.

Ko ngā wāhi tapu whakaponu o Mysore e kitea whānuitia ana he whakamaharatanga tonu mō ngā tini tāngata tapu nui o te Tonga Īnia. Kotahi o ēnei ngā rangatira, Tāyūmanavar, kua maui mātou te e whai ake nei wero rotarota:

I roto i te Kāwanatanga ataahua, momona hoki o Travancore i te tonga rawa o Īnia, te wāhi e haria ai ngā waka i runga i ngā awa me ngā awaawa, ka tangohia e te Maharaja i ia tau te kawenga tuku iho ki te whakamarie i ngā hara i puta mai i ngā pakanga me te whakaurunga o ētahi whenua iti ki Travancore i ngā wā o mua. Mō ngā rā e rima tekau mā ono i ia tau, ka toro atu te Maharaja ki te temepara e toru ngā wā i te rā ki te whakarongo ki ngā himene me ngā whakahua Vedic; ka mutu te hui whakamarie ki te *lakshadipam*, arā, te whakamārama i te temepara e te rau mano rama.

Te kaihanganga ture nui a te hunga Hinitū, a Manu **41-8** kua whakarārangihia ngā mahi a te kīngi. "Me hoatu e ia ngā manaakitanga pērā i a Indra (te ariki o ngā atua); me kōhi mārīre, me te kore e kitea ngā takoha pērā i te rā e kōhi ana i te kohu mai i te wai; me tomo ki te oranga o ana tāngata pērā i te hau e rere ana ki ngā wāhi katoa; me whakatakoto te tika ki te katoa pērā i a Yama (te atua o te mate); me here ngā kaihara ki te taura pērā i a Varuna (te atua Vedic o te rangi me te hau); me manaaki i a koutou katoa pērā i te marama, me tahu ngā hoariri kino pērā i te atua o te ahi;

me tautoko i a koutou katoa pērā i te atua wahine o te whenua."

"I te pakanga, kaua te kīngi e whawhai me ngā patu paitini, ngā patu mura rānei, kaua hoki e patu i ngā hoariri ngoikore, kāore i rite, kāore he patu, i ngā tāngata e matakū ana, e inoi ana kia tiakina, e oma ana rānei. Me whakamahi noa i te pakanga hei huarahi whakamutunga. He ruarua tonu ngā hua i roto i te pakanga."

Kei te taha tonga-mā-rāwhiti o Īnia te Perehitinitanga o Madras, kei reira te tāone papatahi, whānui, me te taha moana o Madras, me Conjeeveram, te Tāone Koura, te tāone matua o te whānau Pallava i whakahaeretia e ngā kīngi.

i ngā rautau tōmua o te wā Karaitiana. I roto i te Perehitinitanga o Madras o ēnei rā, ko te hunga kore tutu Kua tino angitu ngā kaupapa matua a Mahatma Gandhi; e kitea ana ngā "pōtae Gandhi" mā e tohu ana i ngā "pōtae Gandhi" i ngā wāhi katoa. I te tonga, he maha ngā whakahoutanga nui o ngā temepara kua mahia e Mahatma mō te "hunga kāore e taea te pā atu" me ngā whakahoutanga o te pūnaha kāwai.

He mea whakamiharo te pūtake mai o te pūnaha kāwai, i titoa e te kaihanganga ture nui a Manu. I kite mārama ia e wehewehea ana ngā tāne e te whanaketanga taiao ki ngā akomanga nui e whā: ko te hunga e kaha ana ki te tuku ratonga ki te hāpori mā roto i ā rātou mahi tinana (*Sudras*); ko te hunga e mahi ana mā roto i te hinengaro, te pūkenga, te ahūwhenua, te hokohoko, te hokohoko, te oranga pakihi whānui (*Vaisyas*); te hunga he pūkenga whakahaere, he pūkenga whakahaere, he pūkenga tiaki me te toa (*Kshatriyas*); te hunga he āhua whakaaroaro, he wairua whakaaweawe me te whakahihiko (*Brahmins*). "E kore e taea e te whānautanga, e ngā karakia, e te ako, e te tūpuna rānei te whakatau mēnā ka whānau rua te tangata (arā, he *Brahmin*);" e kī ana te *Mahabharata* , "ko te āhua me te whanonga anake te whakatau." **41-9** I tohutohuhia a Manu te hāpori kia whakaatu i te whakaute ki ōna mema i runga i te mea kei a rātou te whakaaro nui, te ngākau pai, te pakeketanga, te whanaungatanga, te taonga rānei, i te mutunga. I whakahaweatia tonutia ngā taonga i roto i te Vedic Īnia mēnā i kohia, i kore rānei e wātea mō ngā kaupapa atawhai. Ko ngā tāngata kore atawhai, he nui te taonga, ka whakawhiwhia ki tētahi tūranga iti i roto i te hāpori.

I puta ake ngā kino nui i te wā i whakapakeketia ai te pūnaha kāwai i roto i ngā rautau, ā, i noho hei here tuku iho. Ko ngā kaiwhakahou pāpori pērā i a Gandhi me ngā mema o ngā hāpori maha o Īnia i ēnei rā kei te ahu whakamua puhoi engari tino pono ki te whakahoki mai i ngā uara tawhito o te kāwai, i runga i te āheinga taiao anake, kaua i te whānautanga. He karma motuhake kei ia iwi o te ao e whakaputa ana i te mamae hei whakatau me te tango atu; me Īnia anō hoki, me tōna wairua maha-whakaaro me te kaha ki te whakararu, ka whakaatu i a ia anō he kaha ki te mahi whakahou kāwai.

Nā te tino ataahua o te tonga o Īnia, i hiahia māua ko Mr. Wright ki te whakaroa i tā māua noho i te kāinga. Engari, i roto i tōna āhua kino, kāore i roa te wā i whakaroa mai i a māua. I whakaritea ahau kia kōrero ki te wāhanga whakamutunga o te Indian Philosophical Congress i te Whare Wānanga o Calcutta. I te mutunga o te haerenga ki Mysore, i pai ki ahau te kōrero ki a Sir CV Raman, te perehitini o te Indian Academy of Ngā Pūtaiao. I whakawhiwhia tēnei tohunga ahupūngao Hindu ki te Tohu Nobel i te tau 1930 mō tana kitenga nui i te horapa o te māramatanga - te "Pānga Raman" e mōhiotia ana e ngā tamariki kura katoa.

I te poroporoaki āwangawanga ki te mano o ngā ākonga me ngā hoa o Madras, ka haere māua ko Mr. Wright ki te raki. I a māua e haere ana, ka tū māua ki mua i tētahi wāhi tapu iti hei whakamaharatanga ki a Sadasiva Brahman, **41-10** I roto i

tana kōrero orange o te rautau tekau mā waru, ka pupū mai ngā merekara. Ko tētahi wāhi tapu nui ake o Sadasiva i Nerur, i hangaia e te Raja o Pudukkottai, he wāhi haerenga tapu kua kite i ngā whakaora atua maha.

He maha ngā kōrero whakamīharo mō Sadasiva, he rangatira aroha, he rangatira mārama, kei te rongonui tonu i waenga i ngā tāngata o te kāinga o Īnia ki te Tonga. I tētahi rā i a ia e rumakina ana i roto i *te samadhi* i te taha o te awa o Kaveri, ka kitea a Sadasiva e kahakina ana e te waipuke ohorere. I muri i ngā wiki, ka kitea ia e tanumia ana i raro i te pukepuke oneone. I te wā i whiua ai e ngā koko a ngā tāngata o te kāinga tōna tinana, ka whakatika te tangata tapu, ka hikoi tere atu.

Kāore a Sadasiva i kōrero, kāore hoki i mau i tētahi kākahu. I tētahi ata, ka tomo noa te yogi tahanga ki te tēneti o tētahi rangatira Mahometa. Ka hamama ana wāhine i te matakū; ka tukinotia e te toa te tangata nanakia. hoari pana i Hātasiwa, nā wai ringa i motuhia. Te rangatira kua wehe atu me te kore e aro.

I te pōuri, ka tangohia ake e te Muhamarata te ringa i te papa, ā, ka aru i a Sadasiva. Ka ata kuhua e te yogi tōna ringa ki roto i te pūtake e toto ana. I te tono mārire a te toa mō ētahi tohutohu wairua, ka tuhituhi a Sadasiva ki tōna maihao ki runga i te onepū:

"Me mahi kāore mahi he aha koe hiahia, me kātahi koe mei mahi he aha koe pērā i."

I ara ake te hinengaro o te hunga Mahometa ki tētahi taumata teitei, ā, i mārāma ia ko ngā tohutohu rerekē a te tangata tapu he aratohu ki te herekoretanga o te wairua mā te whakahaere i te ego.

I te aroaro o Sadasiva, i whakapuaki ngā tamariki o te kāinga i tō rātou hiahia kia kite i te hakari whakapono o Madura, 150 maero te tawhiti. I tohu te yogi ki ngā tamariki nohinohi kia pā atu rātou ki tōna tinana. Nā, i haria tonutia te rōpū katoa ki Madura. I haereere harikoa ngā tamariki i roto i ngā mano tini o ngā manene. I roto i ētahi haora, ka kawea mai e te yogi āna tamariki iti ki te kāinga mā tana mahi māmā. te momo kawē waka. I te rongonga o ngā mātua miharo i ngā kōrero oraora o te tira whakapakoko, ka kite rātou he maha ngā tamariki e mau ana i ngā putea reka Madura.

I tawai tetahi taitama whakaponokore ki te tangata tapu me te kōrero. I te ata i muri mai ka whakatata atu ia ki a Sadasiva.

"E te Kaiwhakaako," ka mea ia me te whakahawe, "he aha koe te kawē ai i ahau ki te hakari, pērā i tāu i mahi ai inanahi mō ngā tamariki?"

Ka whakaae a Sadasiva; ka kitea tonutia e te tamaiti ia i roto i te mano o te tāone tawhiti. Āue! kei hea te tangata tapu i te wā i hiahia ai te taitama ki te haere? I tae te tamaiti ngenge ki tōna kāinga mā te tikanga tawhito me te tikanga noa o te neke waewae.

Whakamutunga Ngā Rā Ki Taku Guru

"E Guruji, e koa ana ahau ki te kite i a koe anake i tēnei ata." I tae atu ahau ki te whare karakia o Serampore, me te pikau i tētahi pikaunga kakara o ngā hua me ngā rōhi. I titiro mārie mai a Sri Yukteswar ki ahau.

"He aha ko tōu pātai?" Kaiwhakaako titiro mō te rūma hei ahakoa ia i e rapu ana mawhiti

"E Guruji, i haere mai ahau ki a koe i ahau e tamariki ana i te kura tuarua; inaianei kua pakeke ahau, ahakoa he hina ōku makawe, he rua. Ahakoa kua ringihia mai e koe te aroha puku ki ahau mai i te haora tuatahi tae noa mai ki tēnei wā, e mōhio ana koe kotahi anake, i runga te rā o hui, whai koe ake tonu atu i mea, 'Au aroha koe?' ahau titiro i ia me te inoi.

Ka whakaiti te titiro a te Ariki. "E Yogananda, me whakaputa e au ki ngā ao matao o te kōrero ngā kare ā-roto mahana e tiakina pai ana e te ngākau kore kupu?"

"Guruji, ahau mōhio koe aroha ahau, engari taku tangata taringa mamae ki whakarongo koe kī nō reira."

"Kia rite ki tāu e hiahia ai. I roto i tōku oranga marena, he maha ngā wā i hiahia ahau ki tētahi tama, hei whakangungu i te ara yoga. Engari i tō taenga mai ki roto i tōku ao, i makona ahau; i roto i a koe kua kitea e au taku tama." E rua ngā pata roimata mārāma. i tū ki ngā kanohi o Sri Yukteswar. "E Yogananda, e aroha tonu ana ahau ki a koe."

"Ko tāu whakautu taku uruwhenua ki te rangi." I rongo ahau i te taumaha i tangohia mai i tōku ngākau, i memeha haere tonu i ana kupu. He maha ngā wā i miharo ai ahau ki tana wahangu. I te mōhio kāore ia i te kare ā-roto, ā, i a ia anō- i roto i a ia, engari i ētahi wā i wehi ahau kāore i tino makona ia. He āhua rerekē tōna, e kore e tino mōhiotia; he āhua hohonu, he marino, e kore e taea te rapu e te ao o waho, ā, kua roa e hipa ana i a ia ōna uara.

I muri i ētahi rā, i taku kōrero i mua i te hunga whakarongo nui i Albert Hall i Calcutta, ka whakaae a Sri Yukteswar ki te noho i tōku taha i runga i te papaaho, me te Maharaja o Santosh me te Mea o Calcutta. Ahakoa kāore te Kaiwhakaako i kōrero mai ki ahau, i titiro atu ahau ki a ia i ia wā i ia wā i taku whaikōrero, ā, i mahara ahau kua kite ahau i te kanapa harikoa i roto i ōna kanohi.

Kātahi ka puta he kōrero ki mua i ngā tauira tawhito o te Kāreti o Serampore. I a au e titiro atu ana ki ōku hoa akomanga tawhito, me rātou e titiro atu ana ki tā rātou ake "Mōneka Pōrangi," ka puta mai ngā roimata o te harikoa me te kore whakama. I haere mai taku ahorangi rapunga whakaaro hiriwa, a Tākuta Ghoshal, ki te mihi mai ki ahau, kua whakakorea katoatia ō mātou māramatanga o mua e te Wā o te tohunga matū.

I te mutunga o Tīhema i te whare karakia o Serampore i whakanuia te Hakari o te Rā o te Takurua. Pērā i ngā wā katoa, i huihui mai ngā ākonga a Sri Yukteswar i tawhiti, i tata hoki. Ngā *sankirtan karakia*, ngā waiata takitahi i roto i te reo reka o Kristo-da, he hakari i mahia e ngā ākonga taitamariki, te whaikōrero whakakorikori

hohonu a te Kaiwhakaako i raro i ngā whetū i te marae kapi o te ashram - ngā maharatanga, ngā maharatanga! Ngā hakari harikoa o ngā tau kua pahure! Heoi, i tēnei pō, ka puta he āhuetanga hou.

"E Yogananda, tēnā koa kōrero ki te whakaminenga - i te reo Pākehā." I kanapa ngā kanohi o te Kaiwhakaako i a ia e tono ana i tēnei tono rerekē; i whakaaro rānei ia ki te āhuetanga o runga kaipuke i mua i taku kauhau tuatahi i te reo Pākehā? I kōrerotia e au te kōrero ki te hunga whakarongo o aku tuakana, me te mutunga me te mihi nui ki tō mātou kaiako.

"I noho tahi mai ia me ahau i ngā wā katoa, ehara i te mea ko au anake i runga i te kaipuke," taku whakatau, "engari i ia rā, i ia rā, puta noa i aku tau tekau mā rima i te whenua whānui, manaaki hoki o Amerika."

I muri i te wehenga atu o ngā manuhiri, ka karangahia ahau e Sri Yukteswar ki te rūma moe kotahi - i mua noa iho, i muri i te hakari o ōku tau tōmua - i whakaaetia ahau kia moe i runga i tōna moenga rakau. I tēnei pō, e noho puku ana taku guru i reira, he haurua porowhita o ngā ākonga i ōna waewae. Ka menemene ia i ahau e tomo wawe ana ki te rūma.

"E Yogananda, kei te haere koe ki Calcutta inaianei? Tēnā hoki mai ki konei āpōpō. He mea anō tāku hei kōrero atu ki a koe."

I te ahiahi i muri mai, me ētahi kupu manaaki ngāwari, ka homai e Sri Yukteswar ki ahau te taitara mōneka anō ko *Paramhansa* . **42-1**

"Kua mana te whakakapi i tō taitara *swami o mua* ," tana kī i a au e tuturi ana ki mua i a ia. Me te kata puku, i whakaaro ahau ki te pakanga ka pā ki aku ākonga Amerikana mō te whakahua i te *Paramhansaji* . **42-2**

"Kua oti taku mahi i runga i te whenua; me haere tonu koe." I kōrero mārīre te Ariki, he marino, he ngawari hoki ōna kanohi. I te matakū, i tere te pakū o tōku ngākau.

"Tena koa tonoa mai tētahi hei whakahaere i tā mātou ashram i Puri," te kōrero tonu a Sri Yukteswar. "Ka waiho e au ngā mea katoa ki roto i ō ringaringa. Ka taea e koe te whakatere angitu i te poti o tō oranga me te poti o te whakahaere ki ngā takutai atua."

I roto ngā roimata, ahau i awhi tāna waewae; ia rōhi me manaakitia ahau me te aroha nui.

I te aonga ake ka karangatia e au tētahi ākonga i Ranchi, a Swami Sebananda, ā, ka tonoa ia ki Puri ki te mahi i ngā mahi o te whare karakia. **42-3** I muri mai ka kōrero mai taku tohunga ki ahau mō ngā taipitopito ture mō te whakatau i tana whenua; i hiahia ia kia kore e taea e ngā whanaunga te tautohetohe, i muri i tōna matenga, mō te pupuri i ana whare karakia e rua me ētahi atu whenua, i hiahia ia kia tukuna noatia ki a rātou anake. mō ngā kaupapa atawhai.

"I whakaritea tata nei kia toro atu te Kaiwhakaako ki Kidderpore, **42-4** "engari kāore ia i haere." I kōrero mai a Amulaya Babu, he akonga tuakana, i tēnei kōrero ki ahau i tētahi ahiahi; i pā mai he ngaru makariri o te matapae ki ahau. I aku pātai nui, ka whakahoki noa a Sri Yukteswar, "Kāore au e haere ki Kidderpore." Mō tētahi wā poto, ka wiri te Kaiwhakaako pērā i te tamaiti matakū.

("Te piri ki te nohoanga tinana, e pupū ake ana i tōna ake āhua [arā, e puta mai ana i ngā pūtake tawhito, ngā wheako o mua o te mate]," i tuhituhi a Patanjali, **42-5** "he iti noa te kitea ahakoa i roto i ngā hunga tapu nunui." I roto i ētahi o āna kōrero mō te mate, i kī taku tohunga: "Pērā i te manu kua roa te whare herehere e whakaroa ana

ki te wehe atu i tōna kāinga ina whakatuwheratia te tatau.")

"Guruji," ahau i inoi ia me he tangi, "kaua kī tērā! Kaua rawa tino ērā ngā kupu ki ahau!"

I marino te mata o Sri Yukteswar me te ataata marino. Ahakoa kua tata ia ki tōna huritau waru tekau mā tahi, he pai tōna āhua, he kaha hoki.

I a au e kaukau ana i ia rā, i ia rā i raro i te rā o te aroha o taku tohunga, kāore i te kōrerotia engari i te tino kitea, ka peia atu e au i roto i tōku hinengaro ngā tohu maha i homai e ia mō tōna matenga e tata mai ana.

"E te Ariki, kei te tū te *Kumbha Mela* i tēnei marama ki Allahabad." I whakakitea e au ki te Kaiwhakaako ngā rā *mela i roto i* he pukapuka ā-rangi Bengali. **42-6**

"Me mahi koe tino hiahia ki haere?"

Kāore au i te mōhio ki te āwangawanga o Sri Yukteswar kia whakarērea ia e au, ka haere tonu ahau, "I kite koe i te tirohanga manaakitanga o Babaji i te *kumbha i Allahabad*. Tērā pea i tēnei wā ka waimarie ahau ki te kite i a ia."

"Kāore au i te whakaaro ka tūtaki koe ki a ia i reira." Kātahi ka noho puku taku tohunga, kāore hoki i hiahia ki te aukati i aku mahere.

I taku haerenga atu ki Allahabad i te aonga ake me tētahi rōpū iti, ka manaaki puku mai te Ariki i ahau i tana tikanga noa. Te āhua nei kāore au i te mōhio ki ngā whakaaro o Sri Yukteswar nā te mea i hiahia te Ariki kia kore ahau e pāngia e te wheako o te akiaki, te kore āwhina, ki te mātakitaki i te matenga o taku guru. He mea tupu tonu i roto i tōku ao, i te matenga o te hunga e arohaina ana e au, kua whakaritea e te Atua me te aroha kia matara atu ahau i te wāhi. **42-7**

I whiwhi mātou i te manaakitanga a te rangatira o te peka *Giri* o te Swami Order - he mōneka kikokore, he wahine whakahihi, he kanohi ataata. I tō mātou haerenga i muri mai ka haria mātou ki tētahi whare karakia, ā, kua iwa tau te roa o te wā e pupuri ana te tohunga i ngā kupu taurangi o te wahangu me te kai hua tino pakari. I muri i taku whaikōrero poto i te reo Hindi mō *Vedanta*, ka wehe atu tā mātou rōpū i te whare karakia marino ki te mihi ki tētahi swami e tata ana, ki a Krishnananda, he mōneka ātaahua, he paparinga whero, he pakihiwi whakamiharo. I takoto tata atu ki a ia tētahi raiona wahine ngāwari. I te hinganga o te mōneka ki te ātaahua wairua - ehara i te mea, e tino mōhio ana ahau, ki tōna tinana kaha! - ka whakakahore te kararehe ngahere i ngā mīti katoa hei utu mō te raihi me te miraka. Kua whakaakona e te swami te kararehe huruhuru parauri ki te kī " *Aum* " i roto i te ngunguru hohonu, ātaahua - he tangata karakia ki ngā ngeru!

Ko tā mātou tūtakitanga e whai ake nei, he uiuinga ki tētahi sadhu taitamariki mātau, kua whakaahuatia pai i roto i te rātaka haereere kanapa a Mr. Wright.

"I eke mātou i te Ford i te awa iti rawa o Ganges i runga i te piriti pontoon e haruru ana, e ngokingoki ana i roto i te mano, e whiti ana i ngā ara whaiti, piko ana, e

I te hekenga iho i te motuka i muri tata mai, ka hikoi mātou i tawhiti i roto i te paoa matotoru o ngā ahi a ngā sadhu, me te whiti i ngā onepū pahekeheke kia tae atu ki tētahi rōpū whare iti, he tino ātaahua, he paru, he kakau witi. Ka tū mātou i mua i tētahi o ēnei whare noho rangitahi iti, me tētahi tomokanga kore tatau iti, te piringa o Kara Patri, he sadhu taitamariki e kopikopiko ana, e mōhiotia ana mō tōna mohiotanga tino pai. I reira ia e noho ana, e whiti ana ōna waewae i runga i tētahi puranga kakau witi, ko tana hipoki anake - ā, ko tana taonga anake - he kakahu parauri i runga i ōna pokohiwi.

"He pono i ataata mai tētahi kanohi atua ki a mātou i muri i tō mātou ngokingoki ki roto i te whare, me te *karanga* i ngā waewae o tēnei wairua mārama, i te mea e kimo haere ana te rama hinu i te tomokanga, he rerekē te āhua,

"Whakaarohia te orange harikoa o te tangata kāore e piri ki te ao kikokiko; kāore he raruraru kākahu; kāore he hiahia kai, kāore e tono kai, kāore e pā ki te kai kua tunua engari i ngā rā rerekē, kāore rawa e mau ana i te peihana tono mea; kāore he raruraru moni, kāore e pā ki te moni, kāore e rongoa i ngā mea, e whakawhirinaki tonu ana ki te Atua; kāore he āwangawanga mō te kawē waka, kāore e eke waka, engari e hikoi tonu ana i te taha o ngā awa tapu; kāore e noho ki te wāhi kotahi mō te roa atu i te wiki hei karo i te tipu o te here.

"He wairua whakaiti! he tangata tino mātau ki ngā *Veda*, ā, he tohu MA tōna, me te taitara *shastri* (rangatira o ngā karaipiture) mai i Te Whare Wānanga o Benares. I pā mai he kare-ā-roto whakahirahira ki ahau i a au e noho ana i ōna waewae; te āhua nei he whakautu katoa ki taku hiahia kia kite i te Īnia tūturu, te Īnia tawhito, nā te mea he māngai pono ia mō tēnei whenua o ngā tangata nunui wairua."

I pātai atu ahau ki a Kara Patri mō tōna orange kopikopiko. "Kāore he kākahu tāpiri āu mō te hotoke?" "Kāo, he nui noa iho tēnei."

"Me mahi koe kawē tetahi ngā pukapuka?"

"Kāo, ka whakaako au i te hunga e hiahia ana ki te whakarongo ki ahau." "He aha atu tāu mahi?"

"Au kopikopiko nā te Ngā Ganges."

I te rongonga i ēnei kupu mārīe, ka hinga ahau i te hiahia nui ki te māmā o tōna orange. Ka mahara ahau ki Amerika, me ngā kawenga katoa i runga i ōku pakihiwi.

"Kāo, e Yogananda," i whakaaro ahau, me te pouri mō tētahi wā poto, "i tēnei ao, ehara te kopikopiko i te taha o te awa o Ganges i te mea māu."

I muri i te kōrero mai a te sadhu i ētahi o ana kitenga wairua, ka pātai

ohorere ahau. "Kei te kōrerotia e koe ēnei whakaahuatanga mai i ngā kōrero

tuku iho o te karaipiture, i ngā wheako o roto rānei?"

"Hawhe mai i pukapuka te ako," ia i whakautua me he tika menemene, "me haurua mai i wheako."

I noho harikoa mātou mō tētahi wā poto i roto i te wā puku whakaaroaro. I muri i tō mātou wehenga atu i tōna aroaro tapu, ka mea atu ahau ki a Mr. Wright, "He kīngi ia e noho ana i runga i te torona kakau koura."

I kai mātou i tā mātou tina i taua pō i runga i te papa *mela* i raro i ngā whetū, me te kai i ngā pereti rau i whakapirihia ki ngā rākau. Kua whakaitihia te horoi rihi i Īnia!

E rua atu ngā rā o te *kumbha whakamīharo* ; kātahi ka anga atu ki te raki mā uru i ngā pareparenga o Jumna ki Agra. I titiro anō ahau ki te Taj Mahal; i roto i te mahara i tū a Jitendra i tōku taha, miharo ana ki te moemoeā i roto i te māpere. Kātahi ka haere ki te ashram Brindaban o Swami Keshabananda.

Ko tāku whāinga i te rapu i a Keshabananda he mea hono ki tēnei pukapuka. Kāore rawa i warewarehia e au te tono a Sri Yukteswar kia tuhia e au te orange o Lahiri Mahasaya. I a au e noho ana i Īnia, i whai wāhi ahau ki te whakapā atu ki ngā ākonga tika me ngā whanaunga o te Yogavatar. I tuhia ā rātou kōrero ki roto i ngā tuhipoka nunui, i manatokohia e au ngā meka me ngā rā, ā, i kohia e au ngā whakaahua, ngā reta tawhito, me ngā tuhinga. I tīmata te pupuhi o taku putea Lahiri Mahasaya; i kite ahau me te pouri kei mua i ahau ngā mahi uaua o te kaituhi. I inoi ahau kia rite ahau ki taku tūranga hei kaituhi koiora mō te guru nui. He maha āna ākonga i wehi kei whakaititia, kei hē rānei te whakamaoritanga o tō rātou rangatira i roto i tētahi kōrero tuhituhi.

"E kore e taea te whakamārama tika i te orange o tētahi tinana atua mā te whakamahi i ngā kupu matao," te kī a Panchanon Bhattacharya ki ahau.

I rite anō te ngākau o ētahi atu akonga tata ki te huna i te Yogavatar i roto i ō rātou ngākau hei kaiako matekore. Heoi anō, i te mahara ki te matapae a Lahiri Mahasaya mō tōna orange, i whakapau kaha ahau ki te whakaū me te tautoko i ngā kōrero pono mō tōna orange o waho.

I manaaki a Swami Keshabananda i tā mātou rōpū i Brindaban i roto i tana Katayani Peith Ashram, he whare pereki whakahirahira me ngā pou pango nunui, e tū ana i roto i tētahi mārā ataahua. Nāna mātou i arahi ki kotahi ki roto i tētahi rūma noho kua whakapaipaihia ki te whakanui i te pikitia o Lahiri Mahasaya. Ko te swami E tata ana ia ki te iwa tekau tau te pakeke, engari i kitea te kaha me te hauora o tōna tinana uaua. He roa ōna makawe me te pahau mā, me ngā kanohi e kanapa ana i te harikoa, he tino whakaaturanga ia nō te tāne me te wahine. I kī atu ahau ki a ia e hiahia ana ahau ki te whakahua i tōna ingoa i roto i taku pukapuka mō ngā rangatira o Īnia.

"Tena koa, kōrero mai ki ahau mō tō orange o mua." Ka menemene ahau me te inoi; he maha ngā wā kāore e pai te kōrero a ngā yogi rongonui.

I whakaatu a Keshabananda i te ngākau mahaki. "He iti noa iho ngā āhuetanga o waho. Tata ki te pau katoa o tōku ao i roto i te mokemoke o te Himalaya, e haereere ana i runga i te waewae mai i tētahi ana marino ki tētahi atu. Mō tētahi wā, i pupuri ahau i tētahi ashram iti i waho o Hardwar, e karapotia ana e tētahi ngahere rākau teitei i ngā taha katoa. He wāhi marino kāore i tino torohia e te hunga haereere, nā te mea he maha ngā kōpara." Ka kata a Keshabananda. "Nō muri mai ka horoia e te waipuke Ganges te whare karakia me ngā kōpara. I āwhina mai aku ākonga ki ahau ki te hanga i tēnei ashram Brindaban."

I pātai tētahi o tā mātou rōpū ki te swami me pēhea tana tiaki i a ia anō i ngā taika o te Himalayan • 9

I ruru a Keshabananda i tōna māhunga. "I aua wāhi wairua teitei," tana kī, "kāore i te maha ngā kararehe mohao e whakatoi i ngā yogi. I taku taenga ki te ngahere, ka tūtaki ahau ki tētahi taika, he kanohi ki te kanohi. I taku putanga ohorere mai, ka mau tonu te kararehe me te mea kua huri hei kōhatu." Ka kata anō te swami ki ōna maharatanga.

"I ētahi wā ahau maui taku te noho motuhake ki toro taku tohunga i roto Benares. Ia whakamahia ki katakata me ahau i runga taku

mutunga kore ngā haerenga i roto te Himalayan koraha

"Kei tō waewae te tohu o te hiahia haereere,' i mea mai ia ki ahau i tētahi wā. 'E koa ana ahau he whānui ngā maunga tapu o Himalayas hei kukume i a koe.'"

"He maha ngā wā," ka haere tonu a Keshabananda, "i mua atu, ā, i muri hoki i tōna matenga, kua puta tinana mai a Lahiri Mahasaya ki tōku aroaro. Kāore he teitei o te Himalaya e kore e taea e ia te eke!"

E rua hāora i muri mai, ka arahina mātou e ia ki tētahi taupee kai. Ka aue puku ahau me te pouri. Tētahi atu kai tekau mā rima ngā akoranga! Kāore i tae ki te tau o te manaakitanga Inia, ā, kua piki ake taku taumaha e rima tekau pauna! Mr. Wright, ahau anō, Kuini Bletch -- i roto Īhipa

Rāpindranath Tākore, whakaaweawe kaitito o Bengal, me Nobel
Kaiwhakawhiwhi Tohu i roto tuhinga

Kei te tū tahi māua ko Mr. Wright me te rangatira rongonui a Swami
Keshabananda me tētahi ākonga i te whare karakia

I muri kai tina, Keshabananda arahina ahau ki he motuhake kokonga

"Tōu taenga mai ko kāore kāore i te tumanakohia," ia i mea.

"Au whai he karere mō koe." I miharo ahau; kāore tetahi i

mōhio ki taku mahere ki te toro atu ki a Keshabananda.

"I a au e kopikopiko ana i te tau kua hipa i te raki o ngā Himalayas e tata ana ki
Badrinarayan," ka haere tonu te swami, "i ngaro taku ara. I puta mai he piringa i
roto i tētahi ana whānui, he mea takoto kau, ahakoa i mura te mura o te ahi i roto i
tētahi kōhao i te papa toka. I a au e whakaaro ana ki te tangata e noho ana i tēnei
wāhi mokemoke, ka noho ahau i te taha o te ahi, me taku titiro tonu ki te tomokanga
o te ana e whiti ana te rā.

"E Keshabananda, e koa ana ahau kei konei koe.' I puta mai ēnei kupu i muri i ahau.
I tahuri ahau, i ohore, ā, i miharo ki te kitenga i a Babaji! Kua puta mai te guru nui
i roto i te kōhao o te ana. I te harikoa nui ki te kite anō i a ia i muri i ngā tau maha,
ka takoto ahau ki ōna waewae tapu.

"Nāku koe i karanga ki konei,' ka haere tonu a Babaji. 'Koia koe i ngaro ai, i arahina ai
koe ki tōku kāinga rangitahi i roto i tēnei ana. Kua roa te wā mai i tā tāua hui
whakamutunga; e harikoa ana ahau ki te mihi atu ki a koe anō.'"

"I manaaki te rangatira matekore i ahau ki ētahi kupu āwhina wairua, kātahi ka tāpiri atu: 'He karere tēnei mā Yogananda. Ka toro atu ia ki a koe ina hoki mai ia ki Īnia. He maha ngā take e pā ana ki tana guru me ngā ākonga o Lahiri e ora tonu ana ka noho pukumahi tonu a Yogananda. Me kī atu ki a ia, kāore ahau e kite i a ia i tēnei wā, e tino hiahia ana ia; engari ka kite ahau i a ia i tētahi atu wā.'"

ahau i hōhonu pāngia ki whiwhi mai i Keshabananda's ngutu tēnei whakamarie kupu whakaari mai i Pāpāji. He

Kua ngaro te mamae o tōku ngākau; kāore au i pouri anō, ahakoa te tohu a Sri Yukteswar, kāore a Babaji i puta mai ki te *Kumbha Mela*.

Te whakapaunga kotahi pō hei manuhiri o te whare karakia, tō mātou pāti whakatakotoria i waho te e whai ake nei ahiahi mō Calcutta. I a mātou e eke ana i runga i te piriti o te awa o Jumna, i kite mātou i te tirohanga whakamiharo o te rangi o Brindaban i te wā tonu e tō ana te rā ki te rangi - he oumu pono o te tae o Vulcan, e whakaata ana i raro i a mātou i roto i ngā wai marino.

E whakatapua ana te takutai o Jumna e ngā maharatanga o te tamaiti a Sri Krishna. I konei ia e mahi tahi ana me te reka harakore i roto i ana *lilas* (takaro) me ngā *gopis* (kōtiro), e whakaatu ana i te aroha nui e ake tonu atu kei te noho i waenganui he atua whakatinanatanga me tāna hunga whakapono. Te ora o Ariki Krishna kua hē te whakamārama a te tini o ngā kaikōrero o te Hauāuru. He mea whakapoauau ngā kupu whakarite o te Karaipiture ki ngā hinengaro tūturu. Mā tētahi hapa whakakatakata a tētahi kaiwhakamāori e whakamārama tēnei kōrero. E pā ana te kōrero ki tētahi tangata tapu whakaaweawe o te wā waenga, te kaihōpara a Ravidas, i waiata i roto i ngā kupu ngāwari o tana ake mahi toi mō te kororia wairua e huna ana i roto i te tangata katoa:

I raro i te whānui whare pupuri taonga o kikorangi
Ngā oranga te atuata kakahuria i roto huna

Ka tahuri te tangata ki tahaki hei huna i te menemene ina rongō i te whakamaoritanga a te kaituhi o te Hauāuru ki te rotarota a Ravidas:

"I muri iho ka hanga e ia tētahi whare iti, ka whakatūria he whakapakoko ki roto, he mea hanga ki te hiako, ā, ka whakapau kaha ia ki te karakia ki taua mea."

He teina akonga a Ravidas nō te Kabir nui. Ko tētahi o ngā chela whakahihī a Ravidas ko te Rani o Chitor. He tini ngā Brahmin i karangahia e ia ki tētahi hakari hei whakanui i tana kaiako, engari i whakakahore rātou ki te kai tahi me tētahi kaimahi kākahu iti. I a rātou e noho ana me te tūpato ki te kai i tā rātou ake he kai kore poke, nana, i kitea e ia Brahmin te āhua o Ravidas i tōna taha. Nā tēnei tirohanga nui i whakatutuki te whakaoranga wairua whānui i Chitor.

I roto i ētahi rā torutoru, ka tae atu tā mātou rōpū iti ki Calcutta. I te hiahia nui ki te kite i a Sri Yukteswar, i pouri ahau i te rongonga kua wehe atu ia i Serampore, ā, kei Puri ia ināiane, tata ki te toru rau maero ki te tonga.

"Haere mai ki te ashram o Puri i tēnei wā tonu." I tukuna tēnei waea i te 8 o Poutū-

te-rangi e tētahi akonga tuakana ki a Atul Chandra. Roi Chowdhry, kotahi o Te Tohunga chelas i roto Calcutta. Ngā Pūrongo o te karere tae atu ōku taringa; mamae i tōna ngā pānga, ahau i taka ki taku turi me i inoi Atua tērā taku te tohunga kia ora. I ahau e wehe atu ana i te kāinga o Pāpā mō te tereina, ka kōrero mai tētahi reo atua i roto.

"Me mahi kāore haere ki Pūri i tēnei pō. Tōu inoi kāore e taea ia kua whakaaetia."

"E te Ariki," ka mea atu ahau me te pouri, "kāore koe e hiahia ki te whakauru mai ki ahau i tētahi 'tō pakanga' i Puri, me whakakahore e koe aku inoi tonu mō te ora o te Ariki. Me haere atu ia ki ngā mahi teitei ake i runga i tāu tonono?"

I runga i te ngohengohe ki te whakahau a roto, kāore au i haere ki Puri i taua pō. I te ahiahi i muri mai ka haere ahau haere atu ki te tereina; i a rātou e haere ana, i te whitu karaka, ka taupokina te rangi e te kapua whetū pango. **42- 11** I muri mai, i te tere haere o te tereina ki Puri, ka puta mai he kitenga o Sri Yukteswar ki tōku aroaro. E noho ana ia, he kanohi pouri, he rama kei ia taha.

"Kua mutu katoa?" I ara ake ōku ringa

me te inoi. I pōkaikaha ia, kātahi ka

memeha haere.

I a au e tū ana i runga i te tūāpapa tereina o Puri i te ata i muri mai, me te tumanako tonu ahakoa te kore e tino tumanako, ka whakatata mai tetahi tangata kāore au i te mōhio ki ahau.

"Kua rongo koe kua riro tō Ariki?" Kātahi ia ka mahue i ahau, kāhore he kupu anō; kāhore ahau i mōhio ko wai ia, kāhore hoki i mōhio me pēhea ia i mōhio ai ki hea ahau e kitea ai.

I te ohorere, ka rūrū ahau ki te pakitara o te papaaho, me te mōhio kei te ngana taku tohunga ki te kawē mai i te rongo kino ki ahau i roto i ngā huarahi rerekē. I te riri nui, i rite tōku wairua ki te puia. I taku taenga ki te whare karakia o Puri, kua tata ahau ki te hinga. I te ata noho, ka hokihoki te reo o roto: "Kia ora. Kia marino."

I tomo ahau ki te rūma ashram i reira te tinana o te Kaiwhakaako, he āhua ora tonu, e noho ana i roto i te tūnga lotus - he pikitia o te hauora me te ataahua. I mua tata atu i tōna matenga, i pāngia taku tohunga e te kirika, engari i mua i te rā o tōna kakenga ki te Mutunga Kore, kua tino ora tōna tinana. Ahakoa te maha o aku tirohanga ki tōna āhua aroha, kāore au i te mōhio kua riro atu tōna ora. He maeneene, he ngawari tōna kiri; i roto i tōna mata he whakaaturanga harikoa o te marino. I tukua e ia tōna tinana i te wā o te karangatanga ngaro.

"Te Raiona o Pēnerara ko kua riro!" ahau i tangi i roto he pōuriuri

Nāku i whakahaere te karakia nui i te 10 o Poutū-te-rangi. I tanumia a Sri Yukteswar **42-12** me ngā kawa tawhito a ngā swami i te māra o tana ashram Puri. I muri mai ka tae mai āna ākongā i tawhiti, i tata hoki ki te whakahonore i tā rātou guru i tētahi hui whakamaharatanga mō te equinox o te tau. I whakaputaina e te *Amrita Bazar Patrika*, te nūpepa matua o Calcutta, tana pikitia me te pūrongo e whai ake nei:

I tū te kawa Bhandara mō te matenga o Srimat Swami Sri Yukteswar Giri Maharaj, 81 tau te pakeke, ki Puri i te 21 o Poutū-te-rangi. He tokomaha ngā ākonga i haere mai ki Puri mō ngā kawa.

tētahi o ngā kaiwhakamārama nui o te *Bhagavad Gita* , he ākonga nui ia nā Yogiraj Sri Shyama Charan Lahiri Mahasaya o Benares. Ko Swami Maharaj te kaiwhakaū o ētahi pokapū Yogoda Sat-Sanga (Whare Whakatutuki-i-a-Iho) i Inia, ā, ko ia te pūtake nui o te kaupapa yoga i kawea ki te Hauāuru e Swami Yogananda, tana ...

ākonga matua. Nā ngā mana poropiti me te mōhiotanga hohonu o Sri Yukteswarji i whakaoho i a Swami Yogananda ki te whiti i ngā moana me te hora i te karere a ngā rangatira o Īnia ki Amerika.

Ko āna whakamārama i te *Bhagavad Gita* me ētahi atu karaipiture e whakaatu ana i te hohonutanga o te mātauranga o Sri Yukteswarji ki te rapunga whakaaro, o te Rawhiti me te Hauāuru, ā, e mau tonu ana hei whakatuwhera i te kanohi mō te kotahitanga i waenga i te Rawhiti me te Hauāuru. I a ia e whakapono ana ki te kotahitanga o ngā whakapono katoa, i whakatūria e Sri Yukteswar Maharaj *te Sadhu Sabha* (Te Rōpū o ngā Hunga Tapu) me te mahi tahi a ngā kaiārahi o ngā momo karakia me ngā whakapono, hei whakatō i te wairua pūtaiao ki roto i te whakapono. I te wā i mate ai ia, i whakatūria e ia a Swami Yogananda hei whakakapi mōna hei perehitini mō *Sadhu Sabha*.

Kua tino rawakore rawa atu a Īnia i tēnei rā nā te matenga o tētahi tangata nui. Kia ora tātou katoa kua tae mai ki a ia, kia whakatōkia ki roto i a rātou anō te wairua pono o te ahurea me *te sadhana o Īnia*, i whakaahuatia nei i roto i a ia.

I hoki ahau ki Calcutta. Nā te mea kāore anō kia whakawhirinaki ahau ki te haere ki te whare karakia o Serampore me ōna maharatanga tapu, ka karanga ahau i a Prafulla, te ākonga iti a Sri Yukteswar i Serampore, ā, ka whakarite kia tomo ia ki te kura o Ranchi.

"I te ata i wehe atu ai koe ki te *mela i Allahabad*," ta Prafulla ki ahau, "i tino hinga te Ariki ki te tāone nui. "

"Kua riro a Yogananda!" ka karanga ia. 'Kua riro a Yogananda!' Ka tāpiri atu ia me te ngākau ngaro, 'Me kōrero atu ahau ki a ia i tētahi atu ara.' I noho puku ia mō ngā hāora."

Kī tonu ōku rā i ngā kauhau, i ngā akomanga, i ngā uiuinga, me ngā huihuinga ki ngā hoa tawhito. I raro i te ataata kau me te orange o te mahi tonu, i whakapokea e te awa pouri te awa o roto o te harikoa i roto i ngā tau maha kua kopikopiko i raro i te onepu o aku tirohanga katoa.

"Kei hea te tangata whakaaro nui atua kua riro?" I tangi puku ahau i te

hohonutanga o te wairua e mamae ana. Kāore he whakautu i tae mai.

"He mea pai rawa atu kua oti i te Kaiwhakaako tana hononga ki te Ao Aroha," te whakamanawa mai a tōku hinengaro ki ahau. "Kei te kanapa tonu ia i roto i te mana o te kore mate."

"Kāore rawa koe e kite anō i a ia i te whare rangatira tawhito o Serampore," te tangi a tōku ngākau. "Kāore rawa koe e kawē mai i ō hoa ki te whakatau i a ia,

kāore hoki e kī whakahīhī: 'Titiro mai, kei reira *a Jnanavatar o Īnia e noho ana !*'"

Nā Mr. Wright i whakarite kia rere tō mātou tira mai i Bombay ki te Hauāuru i te tīmatanga o Hune. "He kore utu wairua!" ahau i puta te wai i roto wehi

"Ina puta te wairua i roto i ngā ipu e toru o ngā maminga tinana," ka haere tonu te Kaiwhakaako, "ka kotahi ki te Mutunga Kore, me te kore e ngaro te takitahi. "E te Tangata kua Aranga Mai, e hiahia ana ahau ki te mōhio atu mō te karma e akiaki ana i ngā wairua ki te hoki ki ngā ao e toru." Ka taea e au te whakarongo tonu, i whakaaro ahau, ki taku Ariki Matatau Katoa. Kāore anō i roto i tōna ao i taea e au te whakauru i te nuinga o ana whakaaro nui. Ināianei, mō te wā tuatahi, ka whiwhi ahau i tētahi tirohanga mārama, tino mārama ki ngā wāhi ngaro i runga i te

papa reti o te ora me te mate.

"Me whakaoti katoatia te karma tinana, ngā hiahia rānei o te tangata i mua i te taea o tōna noho tuturu ki ngā ao wairua," te whakamārama a taku tohunga me tōna reo whakahihiri. "E rua ngā momo mea ora e ora ana i roto te wheturangi ngā porowhita Ko ērā ko wai tonu whai whenua karma ki tuku o me ko wai nō reira me noho anō ki roto i te tinana kikokiko hei utu i ā rātou nama karma, ā, i muri i te matenga tinana, ka taea te whakarōpū he manuhiri rangitahi ki te ao wairua, kaua ki te noho tuturu.

"Kāore e whakaaetia ngā tāngata kāore anō kia whiwhi i te karma whenua i muri i te matenga wairua ki te haere ki te ao tūroa o ngā whakaaro o te ao, engari me haereere noa i ngā ao tūroa me te ao wairua, me te mōhio ki ō rātou tinana tinana o ngā huānga matua tekau mā ono, me ō rātou tinana wairua o ngā huānga ngawari tekau mā iwa. Heoi, i muri i ia ngaronga o tō rātou tinana tinana, ka puta he tangata kāore anō kia whanake."

nō te whenua ia, ka noho tonu ia i roto i te moe hohonu o te mate, ā, kāore e tino mōhio ki te ao tūroa ataahua. I muri i te okiokinga tūroa, ka hoki taua tangata ki te ao tūroa mō ētahi atu akoranga, me te āta whakamātau haere i a ia anō, mā roto i ngā haerenga maha, ki te ao tūroa. ngā ao o te kakano whetu ngawari.

"Ko te hunga noho noa, te hunga noho roa rānei o te ao whetu, ko rātou kua wetekina ake tonu atu i ngā hiahia katoa o te ao, kāore e hiahiatia kia hoki atu ki ngā wiri o te whenua." Ko te karma astral me te karma take anake hei whakatau i aua mea. I te matenga astral ka huri ēnei mea ki te ao pūtake tino pai, tino ātaahua hoki. I te mutunga o tētahi wā, i whakatauhia e te ture ao whānui, ka hoki ēnei mea matatau ki Hiranyaloka, ki tētahi aorangi whetu teitei rite rānei, ka whānau anō ki tētahi tinana whetu hou hei mahi i tā rātou karma whetu kāore anō kia whakaorangia.

"E taku tama, ka mārāma ake koe inaiane kua ara ake ahau i runga i te ture a te Atua," ka haere tonu a Sri Yukteswar, "hei kaiwhakaora mō ngā wairua e hoki mai ana i te ao tūroa, kua ki ngā wairua e puta ake ana i te ao tūroa e puta ake ana i te whenua. Ko te hunga nō te whenua, ki te mau tonu ō rātou toenga o te karma rauemi, kāore e piki ki ngā aorangi whetu teitei rawa pērā i a Hiranyaloka."

"Pērā i te nuinga o te tangata o te ao kāore anō kia ako mā te whakaaroaro - mā te tirohanga kua riro mai - ki te maioha ki te pai ake ngā harikoa me ngā painga o wheturangi ora me nō reira, i muri te mate, hiahia ki whakahoki ki Nā te iti o ngā ahuareka o te whenua, he maha ngā mea ora o te ao tūroa, i te wā e memeha haere ana ō rātou tinana ora, kāore e taea te whakaaro ki te āhua o te harikoa wairua i te ao pūtake, ā, i te noho tonu ki ngā whakaaro o te harikoa ora nui, whakahirahira hoki, ka hiahia rātou ki te hoki anō ki te pararaiha ora. Me utu e ēnei mea te karma ora taumaha i mua i te taea e rātou te whakatutuki i muri mai. Ko te mate wairua he noho tuturu ki te ao whakaaro take, he mea tino wehe ke mai i te Kaihanga.

"Ina kore he hiahia anō o te tangata ki ngā wheako i roto i te ao tūroa e ahuareka ana ki te kanohi, ā, kāore e taea te whakamatautauria kia hoki ki reira, ka noho tonu ia ki te ao pūtake. I te whakaoti i te mahi whakaora i ngā karma pūtake katoa, i ngā purapura rānei o ngā hiahia o mua, ka panaia e te wairua kua herea te whakamutunga o ngā kōhao e toru o te kuware, ā, ka puta mai i te ipu whakamutunga o te tinana pūtake, ka hanumi ki te Mutunga Kore."

"Inaiane mahi koe mārāma?" Kaiwhakaako menemene nā reira tino mīharo!

"Āe, mā roto tōu te aroha noa ahau am kāhore he kupu me harikoa me te whakawhetai."

Kāore anō kia whiwhi ahau i tētahi mātauranga whakahihiri pēnei i roto i te waiata, i te kōrero rānei. Ahakoa e kōrero ana ngā karaipiture Hinitu mō ngā ao pūtake me ngā ao whetū me ngā tinana e toru o te tangata, he tino tawhiti, he koretake hoki

aua whārangi ki te whakataurite ki te pono mahana o tōku Ariki kua ara ake! Ki a ia, kāore rawa he "whenua kāore anō kia kitea, kāore he tangata haereere e hoki mai ana"!

"Ko te urunga tahi o ngā tinana e toru o te tangata e whakaatuhia ana i roto i ngā huarahi maha mā roto i tōna āhua toru," taku nui tohunga i haere i runga. "I roto i te mataara kāwanatanga i runga whenua he tangata te noho ko mōhio neke atu, iti iho rānei i ana waka e toru. Ina hiahia nui ia ki te whakamātau, ki te hongī, ki te pā, ki te whakarongo,

mā te kite rānei, e mahi ana ia mā roto i tōna tinana tinana. Mā te whakaaro, mā te hiahia rānei, e mahi ana ia mā roto i tōna tinana wairua. Ka kitea tōna reo pūtake ina whakaaro te tangata, ina ruku hohonu rānei ki te whakaaroaro, ki te whakaaroaro rānei; ka tae mai ngā whakaaro ao o te tangata mohio ki te tangata e whakapā atu ana ki tōna tinana pūtake. I roto i tēnei tikanga, ka taea te whakarōpū whānui i te tangata hei 'tangata rauemi,' 'tangata hihiko,' 'tangata hinengaro rānei.'

"E ono hāora te roa o te tangata e hono ana i a ia anō ki tana waka tinana i ia rā. Kātahi ka moe ia; ki te moemoeā ia, ka noho tonu ia i roto i tōna tinana whetu, me te hanga ngāwari i tētahi mea, pērā i ngā mea whetu. Ki te hōhonu, kāore he moemoeā o te tangata, mō ētahi hāora ka taea e ia te whakawhiti i tōna hinengaro, i tōna whakaaro rānei ki te I-kotahi, ki te tinana pūtake; he whakaoraora taua moe. Kei te whakapā atu te tangata moemoeā ki tōna tinana whetu, ehara i te tinana pūtake; kāore tana moe i te tino whakahauora."

ahau i a kua aroha te mātakitaki Hīri Yukteswar i te wā ia i hoatu tāna whakamiharo whakaaturanga

"E te tohunga āngera," ka mea atu ahau, "ko tō tinana he rite tonu ki tōna āhua i taku tangi whakamutunga mōna i te ashram o Puri."

"Āe, he tino tauira taku tinana hou o te tinana tawhito. Ka whakawhānau, ka tango rānei ahau i tēnei āhua i ngā wā katoa e pai ai ahau, he maha atu i taku i te ao nei. Mā te tango tere i te āhua, ka tere haere ahau ināianei mā te māramatanga mai i tētahi aorangi ki tētahi aorangi, mai i te ao tūroa ki te ao tūroa, ki te ao tūroa rānei." Ka menemene taku tohunga atua. "Ahakoa tō tere haere i ēnei rā, kāore he uaua ki ahau te kimi i a koe i Bombay!"

"Āe E te Kaiwhakaako, ahau i e pouri ana nā reira hōhonu mō tōu te mate!"

"Ā, i hea ahau i mate ai? Kāore ianei he whakahē?" I kanapa ngā kanohi o Sri Yukteswar i te aroha me te ngahau.

"I moemoeā noa koe i runga i te whenua; i runga i taua whenua i kite koe i taku tinana moemoeā," ka haere tonu ia. "I muri mai i tanumia e koe taua ahua moemoeā. Inaianei kua ara ake taku tinana kikokiko pai ake - e kite nei koe, ā, e awhi tata ana koe i tēnei wā! - ki tētahi atu ao moemoeā pai ake o te Atua. I tētahi rā ka Ka memeha haere te tinana moemoeā pai ake me te ao moemoeā pai ake; kāore hoki rāua e noho tonu. Me pakaru ngā mirumiru moemoeā katoa i te wā e oho ake ana. Wehewehea, e taku tama, e Yogananda, ngā moemoeā me te Tūturu!"

Ko tēnei whakaaro o te *Vedantic* **43-12** I miharo ahau ki te aranga mai. I whakama ahau i taku aroha ki te Ariki i taku kitenga i tōna tinana mate i Puri. I te mutunga ka mārāma ahau kua ara tonu taku guru i roto i te Atua, e kite ana i tōna ake oranga me tōna matenga i te whenua, me tōna aranga mai i nāianei, he mea noa iho

i ngā whanaungatanga o ngā whakaaro atua i roto i te moemoeā o te ao.

"Kua kōrerotia atu e au ki a koe, e Yogananda, ngā pono o tōku ao, o tōku matenga, me tōku aranga mai. Kaua e pouri mōku; engari, whakapāhotia ki ngā wāhi katoa te kōrero o tōku aranga mai i te whenua moemoeā-a-Atua o te tangata ki tētahi atu aorangi moemoeā-a-Atua o ngā wairua kua whakakakahuhia ki te ao tūroa! Ka whakatōkia he tumanako hou ki roto i ngā ngākau o te hunga moemoeā-pouri, wehi-mate o te ao."

"Āe, E te Ariki!" Me pēhea i runga i te ngākau aroha e ahau tohatoha me ētahi atu taku harikoa i tāna te aranga mai!

"I runga i te whenua, he tino teitei rawa aku paerewa, kāore i rite ki te āhua o te nuinga o te tangata. He maha aku riri i a koe, nui atu i taku i tika ai. I angitu koe i taku whakamātautau; i whiti tō aroha i roto i ngā kapua o ngā riri katoa." Ka tāpiri mārie ia, "I haere mai hoki ahau i tēnei rā ki te kī atu ki a koe: Kāore au e mau anō i te titiro pakari o te riri. Kāore au e riri anō i a koe."

Āe, te nui o taku ngaro i ngā whiu a taku tohunga nui! He anahera tiaki ia tangata, ia tangata.

"E te aroha E te rangatira! Ripeneta ahau he miriona ngā wā-mahi riria ahau inaianei!"

"Kāore au e riri atu i a koe." He reo nui tōna, engari he kata kei roto. "Ka menemene tahi tāua, kia rerekē ai ō tāua āhua e rua i roto i te moemoeā a te Atua, a *Maya*. Hei whakamutunga ka hanumi tāua hei kotahi i roto i te Ao Aroha; ko ā tāua menemene ka waiho hei menemene Nāna, ko tā tāua waiata harikoa kotahi e wiri ana i te ao mutunga kore hei whakapāho ki ngā wairua kua aro ki te Atua!"

I homai e Sri Yukteswar he māramatanga ki ahau mō ētahi take kāore e taea e au te whakaatu i konei. I roto i ngā haora e rua i noho tahi ai māua i te rūma hōtēra o Bombay, i whakautua e ia aku pātai katoa. He maha ngā poropititanga o te ao i whakapuakina e ia i taua rā o Hune i te tau 1936 kua tutuki kē.

"Ka mahue atu koe i ahau, e te hoa aroha!" I te rongonga i ēnei kupu, ka memeha haere te Ariki i roto i ōku ringa e awhi ana.

"E taku tamaiti," i tangi tōna reo, e wiri ana ki roto i tōku wairua, "inā tomo koe ki te tatau o te *nirbikalpa samadhi* ka karanga mai ki ahau, ka haere atu ahau ki a koe i roto i te kikokiko me te toto, pērā i tēnei rā."

Nā tēnei kupu whakaari rangi i ngaro atu a Sri Yukteswar i taku tirohanga. I kōrero anō te reo kapua me te whatitiri waiata: "Kōrerotia ki te katoa! Mā te mohiotanga *nirbikalpa*, ko tō whenua he moemoeā nā te Atua, ka taea e ia te haere mai ki te aorangi ataahua o Hiranyaloka, ā, ka kitea ahau e ara ake ana i roto i te tinana rite tonu ki tōku whenua. E Yogananda, kōrerotia ki te katoa!"

Kua ngaro te pouri o te wehenga. Ko te aroha me te pōuri mō tōna matenga, te kaipahua roa o tōku rangimārie, kua rere atu i te whakama nui. I ringihia te harikoa pērā i te puna i roto i ngā pūwero wairua mutunga kore, kua tuwhera hou. I mua i kapi i te kore whakamahinga, inaianei kua whānui ake te parakore i te waipuke o te harikoa.

Ka marere ngā paru karma o ōku whakaaro me ōku kare ā-roto o mua, ā, ka whakahoutia anō i te haerenga mai o te atua a Sri Yukteswar.

I tēnei upoko o taku kōrero whaiaro, kua whakarongo ahau ki te whakahau a taku tohunga, ā, kua horahia e au te rongo pai, ahakoa ka whakapoauau anō i tētahi whakatupuranga kāore i te mōhio. E mōhio ana te tangata ki te whakatōtō; he onge te noho pōuri; heoi he whanoke ēnei, ehara i te mea nō te tangata tūturu. I te rā e pai ai ia, kua whakatakotoria ia ki te ara ki te herekoretanga. Kua roa rawa ia e whakarongo ana ki te pouri pōuri o ana kaiwhakatakoto whakaaro "koe te puehu", kāore e aro ki te wairua e kore e taea te hinga.

ahau i kāore te anake kotahi rangatira ki tirohia te Kua ara ake Guru.

Ko tētahi o ngā chela a Sri Yukteswar he kuia, e mōhiotia whānuitia ana ko *Ma* (Whaea), ko tōna kāinga e tata ana ki te whare karakia o Puri. He maha ngā wā i tū ai te Ariki ki te kōrero ki a ia i a ia e hikoi ana i te ata. I te ahiahi o te 16 o Poutū-te-rangi, 1936, ka tae atu a Ma ki te ashram, ā, ka tono kia kite i tana guru.

"Āe, i mate te Ariki i te wiki kua taha ake nei!" Ka titiro pouri a Swami Sebananda, te kaiwhakahaere o te whare karakia o Puri, ki a ia.

"Kāore e taea!" Ātaata ana ia. "Kei te ngana noa pea koe ki te tiaki i te guru mai i ngā manuhiri tohe tonu?"

"Kāo." I kōrerotia e Sebananda ngā taipitopito o te tanumanga. "Haere mai," tana kī, "Māku koe e kawe ki te māra o mua ki te urupā o Sri Yukteswarji."

Ka ruru a Māmā i tōna mähunga. "Kāore he urupā mōna! I tēnei ata i te tekau karaka, i haere atu ia i tana ara noa i mua i tōku tatau! I kōrero ahau ki a ia mō ētahi meneti i te waho kanapa."

"Haere mai tēnei ahiahi ki te whare karakia, ia i mea.

"Kei konei ahau! Ringihia ngā manaakitanga ki runga i tēnei mahunga hina! I hiahia te tohunga matekore kia mārāma ahau i roto i te tinana whakahirahira i toro mai ai ia ki ahau i tēnei ata!"

Te miharo Sebananda tuturi i mua i ia.

"Māmā," ia i mea, "he aha he taumaha o pouri koe hiki mai i taku ngākau! Ia ko kua ara!"

Ki Mahatma Kānati I Wardha

"Nau mai ki Wardha!" I mihi atu a Mahadev Desai, te hēkeretari a Mahatma Gandhi, ki a Miss Bletch, ki a Mr. Wright, me ahau anō me ēnei kupu atawhai me te koha o ngā karauna *khaddar* (miro whatu kāinga). Nō te atatu o Ākuhata, kua heke iho tā mātou rōpū iti i te teihana o Wardha, me te harikoa ki te wehe atu i te puehu me te wera o te tereina. I te tukunga i ā mātou tueke ki tētahi kāreti kau, ka tomo mātou ki tētahi motuka tuwhera me Mr. Desai me ōna hoa, a Babasaheb Deshmukh rāua ko Tākuta Pingale. He poto noa te haerenga i runga i ngā rori paru whenua i tae atu ai mātou ki *Maganvadi* , te ashram o te tapu tōrangapū o Īnia.

I arahina tonu mātou e Mr. Desai ki te rūma tuhituhi, ā, i reira a Mahatma Gandhi e noho ana, e whiti ana ōna waewae. He pene kei te ringa kotahi, he pepa kei te ringa kē, ā, he ataata nui, he ataata toa, he ataata mahana kei tōna mata!

"Nau mai haere mai!" ia tuhituhi i roto Hīni; reira i he Mane, tāna ia wiki rā o te wā puku.

Ahakoā ko tā māua hui tuatahi tēnei, i ataata aroha māua tetahi ki tetahi. I te tau 1925 i whakanuia e Mahatma Gandhi te kura o Ranchi mā te toro atu, ā, i tuhia e ia tētahi mihi aroha ki roto i tana pukapuka manuhiri .

I tiaho te tapu iti nei, 100-pauna te taumaha, ā, i kitea tōna hauora tinana, hinengaro, me te wairua. I tiaho ōna kanohi parauri ngawari ki te mohio, ki te pono, me te wehewehe; kua rite te hinengaro o tēnei rangatira whenua, ā, kua puta ko ia te toa i roto i ngā mano pakanga ture, pāpori, me te tōrangapū. Kāore he atu rangatira o te ao kua eke ki te wāhi pumau i roto i ngā ngākau o tōna iwi e nohoia ana e Gandhi mō Īnia. miriona kore mātauranga. Ko tā rātou whakanui ohorere ko tōna taitara rongonui - *Mahatma* , "wairua nui." **44-1** Mō rātou anake, ka herea e Gandhi tōna kākahu ki te whitiki kua kapi katoa i ngā pakiwaituhi, he tohu mō tōna kotahitanga me te hunga e tukinotia ana, kāore nei e taea te utu.

Mahatma Kānati

I te marama o Ākuhata, 1935, ka kai mārie ahau me te tangata tapu tōrangapū o Īnia i tōna whare karakia i Wardha .

"Kei te wātea katoa ngā tāngata noho o te ashram ki a koutou; tēnā koa waea atu ki a rātou mō tetahi mahi." Me te ngākau atawhai, ka homai e te Mahatma tēnei reta i tuhia wawetia ki ahau, i a Mr. Desai e ārahi ana i tā mātou rōpū mai i te rūma tuhituhi ki te whare manuhiri.

I arahina mātou e tō mātou kaiārahi i roto i ngā mārā hua rākau me ngā mara putiputi ki tētahi whare he tuanui tāera me ngā matapihi whakarara. I whakamahia he puna i mua o te mārā, e rua tekau mā rima putu te whānui, e ai ki a Mr. Desai, hei whakamakuku i ngā kararehe; i tata atu he wira sima hurihuri hei patu witi i te raihi. Ko ia o tō mātou rūma moe iti i kitea ko te iti rawa o te mea kāore e taea te whakaiti - he moenga, he mea hanga ki te taura. Ko te kīhini kua pania ki te mā i

whakamanamana i tētahi pūwero i tētahi kokonga, me tētahi poka ahi mō te tunu kai i tētahi atu. I tae mai ngā oro ngawari o te ao Arcadian ki ō mātou taringa—te tangi a ngā manu kākāriki me ngā manu iti, te tangi a ngā kau, me te haruru o ngā whao e whakamahia ana hei wawahi i ngā kōhatu.

Te mātakitaki Mr. A Wright haere rātaka, Mr. Desai i whakatuwheratia he whārangi me i tuhituhi i runga reira he rārangi o *Satyagraha*

"Kore-tūkino; Pono; Kore-Tae; Noho Takakau; Kore-Pupuri; Mahi-Tino; Whakahaere i te Reo; Kore-Maia; Whakaute ōrite mō ngā whakaponu katoa; *Swadeshi* (te whakamahi i ngā mea hanga kāinga); Te herekore mai i te kore-pā. Me pupuri ēnei tekau mā tahi hei oati i roto i te wairua whakaiti."

(Kāni ia anō hainatia tēnei whārangi i runga te e whai ake nei rā, hoatu te rā hoki-
Ākuhata 27, 1935.)

E rua hāora i muri i tō mātou taenga mai, ka karangatia mātou ko ōku hoa ki te tina. Kua noho kē te Mahatma i raro i te arawhata o te whakamahau o te ashram, i tērā taha o te marae mai i tana rūma ako. Tata ki te rua tekau mā rima *ngā satyagrahis kāhore* he hu i noho ki mua i ngā kapu me ngā pereti parahi. He waiata inoi ā-iwi; kātahi ka tukuna he kai mai i ngā kohua parahi nui kei roto ko *ngā chapati* (taro witi katoa kāore i rewenatia) kua tauhiuhia ki te *ghee* ; *talsari* (huawhenua kohuatia me te tapatapahi), me te tiamu rēmana.

I kai te Mahatma i *ngā chapati* , i ngā pīti kohuatia, i ētahi huawhenua mata, me ngā karaka. I te taha o tana pereti he puranga nui o ngā rau *neem tino kawa* , he mea horoi toto rongonui. Ki tana pūnu ka wehea e ia tētahi wāhanga ka whakatakotoria ki runga i taku rihi. I ringihia e au ki te wai, me te mahara ki ngā rā o taku tamarikitanga i akiaki ai a Māmā i ahau kia horomia te horopeta kino. Heoi, i kai a Gandhi i te whakapiri *neem* me te reka, me te mea he mīti reka.

I roto i tēnei mahi iti noa iho, i kite ahau i te kaha o te Mahatma ki te wehe i tōna hinengaro mai i ngā kare ā-roto i a ia e hiahia ana. I mahara ahau ki te tangohanga o te apeni rongonui i mahia ki a ia i ētahi tau kua pahure. I te whakakorenga i ngā rongoā whakamoe, i kōrero harikoa te tangata tapu ki āna ākongā i te roanga o te pokanga, me tana ataata hopuhopu e whakaatu ana i tōna kore mōhio ki te mamae.

I te ahiahi ka whai wāhi ki te kōrero ki te akonga rongonui a Gandhi, te tamāhine a te āmirara Ingarihi, a Miss Madeleine Slade, e kiia nei ko Mirabai. 44-3 Ka tiaho tōna mata māia, marino hoki i te hihiri i a ia e kōrero mai ana ki ahau mō āna mahi o ia rā, i te reo Hindi tino tika.

"He mahi whai hua te mahi whakahou i te taiwhenua! Ka haere tētahi rōpū o mātou i ia ata i te rima karaka ki te mahi ki ngā tāngata o te kāinga tata, ki te whakaako i a rātou ki ngā tikanga akuaku māmā noa iho. Ka whakapau kaha mātou ki te horoi i ā rātou wharepaku me ō rātou whare paru. Kāore i te mōhio te hunga o te kāinga ki te pānui me te tuhituhi; kāore e taea te ako i a rātou mēnā ehara i te tauira!" Ka kata ia me te harikoa.

I titiro atu ahau me te miharo ki tēnei wahine rangatira o Ingarangi, nā tōna ngākau

mahaki Karaitiana pono i āhei ai ia ki te mahi i te mahi kōhi moni e mahia ana e te hunga "kore e taea te pāngia".

"I tae mai ahau ki Īnia i te tau 1925," tana kī mai ki ahau. "I tēnei whenua, e whakaaro ana ahau kua 'hoki mai ahau ki te kāinga.' Inaianei, kāore rawa ahau e pai ki te hoki ki tōku ao tawhito me ōku hiahia tawhito."

I kōrero mātou mō Amerika mō tētahi wā. "E harikoa ana ahau, e miharo ana hoki," tana kī, "ki te kite i te hiahia nui o te tini o ngā Amerikana e toro atu ana ki Īnia ki ngā kaupapa wairua." **44-4**

Kāore i roa ka pukumahi a Mirabai ki te mahi i te *charka* (te wira hurihuri), e kitea ana i ngā rūma ashram katoa, ā, nā te Mahatma, e kitea ana puta noa i ngā taiwhenua o Īnia.

He take ōhanga me te ahurea pakari ā Gandhi hei whakatenatena i te whakaoranga o ngā whare iti ngā ahumahi, engari kāore ia e tohutohu ana kia whakakahoretia rawatia ngā ahunga whakamua katoa o ēnei rā. He mea nui ngā mahi a ngā mīhini, ngā tereina, ngā motuka, me te waea tere i roto i tōna ake oranga nui! E rima tekau tau o te mahi tūmatanui, i roto i te whare herehere, i waho hoki, e tohe ana i ia rā ki ngā taipitopito mahi me ngā āhuatanga uaua o te ao tōrangapū, kua piki ake tōna taurite, tōna hinengaro tuwhera, tōna hinengaro pai, me tōna maioha ki te whakaaturanga tangata ataahua.

I kai tahi mātou tokotoru i te tina ono karaka hei manuhiri mā Babasaheb Deshmukh. Ko te inoi i te 7:00 i te ahiahi I te haora i tae atu mātou ki te ashram o *Maganvadi*, e piki ana ki te tuanui kei reira e toru tekau *ngā satyagrahi* i huihui mai. i roto he haurua porowhita huri noa Kānati. Ia i noho pōturi i runga he kakau witi whāriki, he tawhito i te aroaro o ia te wati pōke. I whiti te rā e memeha haere ana i te hihi whakamutunga ki runga i ngā nikau me ngā rākau pania; kua tīmata te haruru o te pō me ngā kirikiti. He marino te āhuarangi; i tino miharo ahau.

He karakia whakahirahira nā Mr. Desai i ārahi, me ngā whakautu a te rōpū; kātahi ka pānuitia te *Gita*. I tohu mai te Mahatma ki ahau kia hoatu te karakia whakamutunga. He whakakotahitanga atua o te whakaaro me te wawata! He maharatanga ake ake: te whakaaroaro Wardha i runga i te tuanui i raro i ngā whetu o te ata.

I te waru karaka i te wā tika, ka mutu te kōrero puku a Gandhi. Nā ngā mahi uaua o tōna ao i hiahia ia kia wehewehea tōna wā i ia wā, i ia wā.

"Nau mai, e Swamiji!" Kāore te mihi a te Mahatma i tēnei wā i ahu mai i te pepa. I heke iho mātou i te tuanui ki tōna rūma tuhituhi, he whāriki tapawhā noa iho ngā mea kua whakapaipaihia (kāore he tūru), he tēpu iti kei roto ngā pukapuka, ngā pepa, me he torutoru noa ngā pene (kāore puna wai ngā pene); he kāore i te whakaahuatua karaka kua tohua i roto he kokonga. He āhua rangimārie me te ngākau pono e horapa ana. I te menemene a Gandhi, he nui, me te mea kāore he niho.

"I ngā tau kua pahure ake nei," tana whakamārama, "i tīmata taku pupuri i te rā o te noho puku i ia wiki hei huarahi mō te whai wā ki te tiro tiro i aku reta. Engari ināianei kua riro aua haora e rua tekau mā whā hei matea wairua nui. Ko te whakatau i ia wā mō te noho puku ehara i te whakamamae engari he manaakitanga."

I whakaae katoa ahau. **44-5** I pātai mai te Mahatma ki ahau mō Amerika me Ūropi; i kōrero māua mō Īnia me ngā āhuatanga o te ao.

"E Mahadev," te kī a Gandhi i te taenga mai o Mr. Desai ki te rūma, "tēnā koa

whakaritea ki te Whare Kaunihera kia kōrero a Swamiji mō te yoga āpōpō."

I a au e poroporoaki ana ki te Mahatma, ka homai e ia he pounamu hinu citronella ki ahau me te atawhai. "Kāore ngā waeroa Wardha e mōhio ki tetahi mea mō *te ahimsa* , 44-6." Swamiji!" ka mea ia, me te kata.

I te ata i muri mai, i parakuihi wawe tā mātou rōpū iti i te parāoa witi reka me te molasses me te miraka. I te tekau me te toru tekau ka karangatia mātou ki te whakamahau o te ashram mō te tina me Gandhi me ngā *satyagrahi* . I roto i te tahua i tēnei rā ko te raihi parauri, he kōwhiringa huawhenua hou, me ngā purapura kātamati.

I te poutumarotanga ka kitea ahau e hikoi haere ana i te whenua o te ashram, ki te whenua whāngai kau torutoru, kāore i te māharahara. Ko te tiaki i ngā kau te mea nui ki a Gandhi.

"Ki ahau nei, ko te kau te ao katoa e horapa ana ki tua atu i tōna ake momo," te whakamārama a te Mahatma. "Mā te kau ka whakahaua te tangata kia mōhio ki tōna tuakiri." me ngā mea ora katoa. He mārāma ki ahau te take i whiriwhiria ai e ngā rishis o mua te kau mō te whakanuinga. Ko te Ko te kau i Inia te whakataurite pai rawa atu; ko ia te kaiwhakawhiwhi i te nui. Ehara i te mea ko te miraka anake i homai e ia, engari i taea ai hoki e ia te ahuhenua. He rotarota aroha te kau; ka kitea te aroha i roto i te kararehe ngawari. Ko ia te whaea tuarua o te miriona o te tangata. Ko te tiaki i te kau he tiaki i te hanganga wahangu katoa a te Atua. Ko te karanga a te raupapa o raro o te hanganga he kaha ake nā te mea kāore e taea te kōrero.

E toru ngā tikanga o ia rā e whakahaua ana e te hunga Hinitū tikanga. Ko tētahi ko te *Bhuta Yajna*, he whakahere kai ki te kararehe rangatiratanga. Tenei hui tohu tāne te whakatutukitanga o tāna ngā herenga ki ngā momo hanganga kāore i tino whanake, e herea ana ki ngā tuakiri tinana e waikura ana hoki i te tangata te ora, engari kāore i roto i taua kouniga o te whakaaro whakaora e motuhake ana ki te tangata. *Bhuta Yajna* nā reira ka whakakaha ake i te hiahia o te tangata ki te āwhina i te hunga ngoikore, i te mea ka whakamarietia ia e ngā manaakitanga maha o ngā mea teitei e kore e kitea. Kei raro hoki te tangata i te here mō ngā taonga whakaora o te taiao, te mea ngaro i te whenua, i te moana, i te rangi. Nō reira, ka hinga te arai whanaketanga o te kore whakawhiwhiti kōrero i waenga i te taiao, i ngā kararehe, i te tangata, me ngā anahera whetū i ngā tari o te aroha puku.

yajna o ia rā e rua ko te *Pitri* me te *Nri*. Ko te *Pitri Yajna* he whakahere ki ngā tūpuna, hei tohu mō te whakaae a te tangata ki tana nama ki ngā rā o mua, ko te mauri o tōna whakaaro nui e whakamārama ana i te tangata o ēnei rā. Ko *Nri Yajna* he whakahere kai ki ngā manene, ki te hunga rawakore rānei, he tohu mō ngā kawenga o nāianei o te tangata, me āna mahi ki ōna hoa o taua wā.

I te tīmatanga o te ahiahi, i whakatutukihia e au tētahi *Nri Yajna noho tata mā te toro atu ki te ashram a Gandhi mō ngā kōtiro nohinohi. I haere tahi māua ko Mr. Wright i te taraiwa tekau meneti te roa. He kanohi putiputi iti, he rite ki te putiputi, kei runga i ngā sari tae roa ! I te mutunga o tētahi kōrero poto i te reo Hindi 44-7 I a au e tuku ana i waho, ka ua nui te rangi. I a māua ko Mr. Wright e kata ana, ka piki māua ko au ki runga i te motuka ka hoki tere atu ki *Maganvadi* i waenganui i ngā rau hiriwa e tere ana. He kaha rawa te ua me te wai pārūrū!*

I taku hokinga atu ki te whare manuhiri, i miharo anō ahau ki te māmā noa me ngā tohu o te patunga tapu e kitea ana i ngā wāhi katoa. I puta te oati a Gandhi mō te kore pupuri taonga i te tīmatanga o tōna oranges marena. I te whakarērea e ia tētahi

mahi ture whānui e hua ake ana i a ia he moni whiwhi ā-tau neke atu i te \$20,000, ka tohatohahia e te Mahatma ana taonga katoa ki te hunga rawakore.

Hīri Yukteswar whakamahia ki wero ngawari ngahau i te i te nuinga o te wā kāore i te rawaka ngā ariā o te whakarēreatanga

"Kāore e taea e te tangata tonono te whakarērea te taonga," te kī a te Ariki. "Ki te tangi tetahi tangata: 'Kua kore taku pakihi 'i rahua; kua whakarērea ahau e taku wahine; ka whakarērea e ahau ngā mea katoa, ka tomo ki tētahi whare mōneka,' ko tēhea patunga tapu o te ao e kōrero ana ia? Kāore ia i whakarērea te taonga me te aroha; i whakarērea ia e rātou!"

Ko ngā hunga tapu pērā i a Gandhi, i tētahi atu taha, ehara i te mea ko ngā patunga tapu ā-tinana anake kua mahia e rātou, engari ko te whakarērea uaua ake o te hiahia whaiaro me te whāinga whaiaro, me te whakakotahi i ō rātou wairua hohonu ki roto.

te awa o te tangata hei he katoa

Kāore a Kasturabai, te wahine whakamiharo a Mahatma, i whakahē i tana korenga i wehe i tētahi wāhanga o ana taonga hei whakamahi māna ake me ā rāua tamariki. I te wā o te taitamarikitanga, i moe a Gandhi rāua ko tana wahine, ā, i muri i te whānautanga o ā rāua tama, ka oati rāua kia noho takakau. **44-8** He toa wahine marino i roto i te kaha te whakaari i noho tahi ai rāua, kua aru a Kasturabai i tana tāne ki te whare herehere, kua toru wiki te roa o tana noho tahi ngā nohopuku, me tino whānau tana tohatoha o tāna mutunga kore ngā kawenga. Ia kua kua utua Nā Gandhi tēnei whakanui e whai ake nei:

Ka mihi atu ahau ki a koe mō te whai wāhi ki te noho hei hoa rangatira, hei hoa āwhina mōu mō te wā katoa. Ka mihi atu ahau ki a koe mō te marena tino pai o te ao, i runga i *te brahmacharya* (te whakahaere i a koe anō) ehara i te moepuku. Ka mihi atu ahau ki a koe mō tō whakaaro mai he rite ahau ki a koe i roto i tō oranga, e mahi ana mō Īnia. Ka mihi atu ahau ki a koe mō te kore e noho hei hoa o aua tāne e whakapau ana i ō rātou wā ki te petipeti, ki te reihi hoiho, ki ngā wāhine, ki te waina, me te waiata, e hoha ana ki ā rātou wāhine me ā rātou tamariki, pērā i te tamaiti e hoha wawe ana ki āna taonga takaro o te tamarikitanga. He nui tōku mihi kāore koe i noho hei hoa o aua tāne e whakapau ana i ō rātou wā ki te whai rawa i runga i te whakamahi i te mahi a ētahi atu.

He nui tōku whakawhetai mōu i whakatakoto ai i te Atua me te whenua ki mua i ngā utu whakapati, mōu i maia ai ki ō whakaaro me te whakapono pono ki te Atua. He nui tōku whakawhetai mō tētahi tāne i whakatakoto i te Atua me tōna whenua ki mua i ahau. He nui tōku whakawhetai ki a koe mō tō manawanui ki ahau me ōku ngoikoretanga o te taitamarikitanga, i a au e amuamu ana, e whakakeke ana ki te huringa i mahia e koe ki roto i tō mātou āhua noho, mai i te nui ki te iti.

I ahau e tamariki ana, i noho ahau i te kāinga o ō mātua; he wahine nui, he wahine pai tō whaea; nāna ahau i whakangungu, i ako ki te noho hei wahine toa, hei wahine toa, me te pupuri i te aroha me te whakaute o tana tama, taku tāne ā muri ake nei. I te pahemotanga o ngā tau, ā, i riro koe hei rangatira tino arohaina o Īnia, kua... kāore o te ngā wehi tērā pāngia te wahine ko wai mei kia maka taha āhea tana tāne kua i piki i te arawhata o te angitu, pērā i te mea e tupu pinepine ana i ētahi atu whenua. I mōhio ahau ka kitea tonu māua e te mate, e te tāne me te wahine.

Mō ngā tau maha, i mahi a Kasturabai i ngā mahi a te kaitiaki pūtea o ngā moni tūmatanui ka taea e te Mahatma e whakanuia ana te kōhi miriona. He maha ngā kōrero whakakatakata i roto i ngā kāinga Īnia hei te pānga o te matakū o ngā tāne kei mau whakapaipai ā rātou wāhine ki tētahi hui a Gandhi; ko te arero makutu a te Mahatma, e inoi ana mō te hunga e tukinotia ana, e whakawai ana i ngā poroporo koura me ngā hei taimana mai i ngā ringa me ngā kaki o te hunga whai rawa ki roto i te kete kohinga!

I tētahi rā, kāore i taea e te kaitiaki pūtea a te iwi, a Kasturabai, te whakamārama i te utunga o te whā rūpī. I whakaputaina e Gandhi tētahi arotake i roto i tana whakaaturanga i te rerekētanga o te whā rūpī a tana wahine.

He maha aku kōrero i tēnei pūrākau i mua i ngā akomanga o aku ākonga Amerikana. I tētahi ahiahi, ka puta he manawa riri nui i roto i te whare.

"E Mahatma, e kore rānei, e Mahatma," tana karanga, "me i ko ia taku tāne, kua whakapōuritia ia e au mō tētahi kupu whakatoī koretake i te aroaro o te iwi!"

I muri i ētahi kōrero whakakatakata i waenganui i a māua mō te kaupapa o ngā wāhine Amerikana me ngā wāhine Hinitū, ka haere tonu ahau ki tētahi whakamārama whānui atu.

"E whakaaro ana a Mrs. Gandhi ehara i te mea ko tana tāne te Mahatma, engari ko tana guru, he tangata whai mana." "kia whiua ia mō ngā hapa iti noa iho," i kī atu ahau. "I muri i te riria o Kasturabai i te aroaro o te marea, ka whiua a Gandhi ki te whare herehere mō tētahi whakapae tōrangapū. I a ia e poroporoaki māriri ana ki tana wahine, ka hinga ia ki ōna waewae. 'E te Ariki,' ka mea ia me te whakaiti, 'mēnā kua hara ahau ki a koe, tēnā murua mai ahau.'" **44-9**

I te toru karaka o taua ahiahi i Wardha, ka haere ahau, nā te whakaritenga o mua, ki te rūma tuhituhi o te tangata tapu nāna i hanga he ākonga pakari mai i tana wahine - he merekara onge! Ka titiro ake a Gandhi me tana ataata e kore e warewaretia.

"E Mahatmaji," ka mea atu ahau i a au e noho pōturi ana i tōna taha i runga i te whāriki kāore i te hipokina, "tēnā koa, whakamārama mai ki ahau tō whakamāramatanga o *te ahimsa*."

"Te karo o kino ki tetahi te noho mea hanga i roto whakaaro rānei mahi."

"He whakaaro ataahua! Engari ka pātai tonu te ao: Kāore e tika kia patua he neke hei tiaki i te tamaiti, i a ia anō rānei?"

"Kāore e taea e au te patu i te kōpara me te kore e takahi i aku kupu taurangi e rua - te kore wehi, me te kore patu. He pai ake ki ahau te whakamātau i roto i ahau ki te whakamarie i te nakahi mā roto i ngā wiri o te aroha. Kāore e taea e au te whakaiti i aku paerewa kia rite ki ōku āhuatanga." Me tōna pono whakamiharo, ka tāpiri atu a Gandhi, "Me whakaae ahau kāore e taea e au te whakahaere i tēnei kōrero mena ka tūtaki ahau ki te kōpara!"

ahau i kīia i runga ētahi tino tata nei Te Hauāuru ngā pukapuka i runga kai e takoto i runga tāna tēpu

"Āe, he mea nui te kai i roto i te kaupapa *Satyagraha* - pērā i ngā wāhi katoa," ka mea ia me te kata. "Nā te mea e tautoko ana ahau i te aukati katoa mō *ngā satyagrahi*, kei te ngana tonu ahau ki te kimi i te kai pai mō te hunga takakau. Me wikitoria te waha i mua i te whakahaere i te hiahia whānau. Ehara i te otinga te kai-pōkai-haurua, te kai kore taurite rānei. I muri i te wikitoria i te *hiahia* kai o roto, me whai tonu te *satyagrahi* i te kai huawhenua whakaaro nui me ngā huaora, ngā kohuke, ngā kaora, me ērā atu mea e tika ana. Mā te whakaaro nui o roto, o waho hoki mō te kai, ka ngāwari te huri i te wai moepuku o te SATYAGRAHI hei pūngao ora mō te tinana katoa."

I whakataurite māua ko te Mahatma i ō māua mōhiotanga mō ngā kai pai hei whakakapi mīti. "He tino reka te āwōkātō," taku kī. "He maha ngā mōra āwōkātō e tata ana ki tōku pokapū i California."

Ka tiaho te mata o Gandhi i te hiahia. "Mehemea ka tipu rātou ki Wardha? Ka maioha ngā *satyagrahis ki tētahi kai hou.*"

"Ka tino tukuna atu e au ētahi tipu āwōkātō mai i Los Angeles ki Wardha." **44-10** I tāpiri atu ahau, "He kai nui te pūmua i ngā hua manu; kāore e whakaaetia kia kai i *ngā satyagrahis*?"

"Ehara i te hua manu kāore i whakatōkia." Ka kata te Mahatma me te whakamahara. "Mō ngā tau maha kāore au i whakaae ki te whakamahi i ēnei hua; tae noa ki tēnei wā kāore au e kai ana i ēnei hua. I mate tētahi o aku hunaonga i te kore kai; i tohe tana tākuta kia whiwhi hua manu. Kāore au i whakaae, ā, i tohutohu atu ahau kia hoatu ki a ia ētahi." whakakapinga hua manu.

"Kānihi," te tākuta i mea, 'kāore i whakatōkia hua manu pupuri kāore ora parāoa; kāore te patu ko whai wāhi.

"Kātahi ka koa ahau ki te tuku i taku hunaonga kia kai i ngā hua manu; kāore i roa ka ora anō ia ."

I te pō o mua i whakapuaki a Gandhi i tana hiahia kia whiwhi i te *Kriya Yoga* o Lahiri Mahasaya. I pāngia ahau e te tuwhera o te hinengaro me te wairua uiui a te Mahatma. He rite ia ki te tamaiti i roto i tana rapunga atua, e whakaatu ana i te manaakitanga parakore i whakanuia e Ihu i roto i ngā tamariki, "...no ēnei te rangatiratanga o te rangi."

Kua tae mai te hāora mō aku akoranga i whakaaria mai; kua tomo mai ētahi *satyagrahis* ki te rūma - a Mr. Desai, a Tākuta Pingale, me ētahi atu i hiahia ki te tikanga *Kriya* .

I whakaako tuatahi ahau i te akomanga iti ki ngā mahi whakakori tinana *Yogoda* . Ka whakaatuhia te tinana kia rua tekau ngā wāhanga; ka tukuna e te hiahia te kaha ki ia wāhanga. Kāore i roa ka wiri te katoa i mua i ahau, pērā i te motuka tangata. He ngāwari ki te kite i te pānga ripiripiri ki ngā wāhanga tinana e rua tekau o Gandhi, e kitea ana i ngā wā katoa! Ahakoa he tino kikokore, ehara ia i te mea kino; he maeneene te kiri o tōna tinana, kāore he kita.

Ā muri ake nei ahau i tīmatahia te rōpū ki roto te te whakaora tikanga o *Kiria Yoga* .

Kua akohia e te Mahatma ngā whakapono katoa o te ao me te whakaute. Ko ngā karaipiture Jain, ko te Kawenata Hou o te Paipera, me ngā tuhinga pāpori a Tolstoy **44-11** koia ngā pūtake matua e toru o ngā whakapono tutu a Gandhi. Kua whakapuakina e ia tana whakapono penei:

E whakapono ana ahau ki te Paipera, ki te *Koran* , me te *Zend-Avesta* **44-12** kia rite te whakaaweawe a te Atua ki ngā *Veda* . E whakapono ana ahau ki te whakatūnga o ngā Guru, engari i tēnei wā, e miriona te hunga me noho kore Guru, nā te mea he mea onge mea ki kimi he whakakotahitanga o tino tika parakore me tino tika te ako. Engari kotahi hiahia kāore te ngakaukore o te mōhio ki te pono o te whakapono o te tangata, nā te mea ko ngā kaupapa matua o te Hinitū i ia rā, i ia rā kāore e taea te whakarerekē i ngā whakapono nui, ā, he ngāwari ki te mārāma.

ahau whakapono rite ia Hinitū i roto Atua me Tōna kotahitanga, i roto whānautanga

anō me whakaoranga.Ahau kēne kāore
atu anō

He nui ake ngā kare ā-roto mō te Hinitū i tōku ake wahine. E kore ahau e tino
pārekareka ki a ia, kāore he wahine kē atu o te ao e taea te whakaahua. Ehara i te
mea kāore he hapa ōna; e kī ana ahau he maha atu āna hapa i taku e kite nei i ahau
anō. Engari kei reira te kare ā-roto o te here e kore e taea te wetewete. Ahakoa rā, e
aroha ana ahau ki te Hinitū me ōna hapa me ōna herenga katoa. Kāore he mea e tino
pai ake ana ki ahau i te waiata o te *Gita*, i te *Ramayana rānei* nā Tulsidas. I taku
whakaaro kua tata ahau ki te tango i taku manawa whakamutunga, ko te *Gita* taku
whakamarie.

Ehara te Hinitū i te karakia motuhake. Kei roto i tēnei karakia he wāhi mō te karakia ki
ngā poropiti katoa o te ao. **44-13** Ehara i te karakia mihinare i te tikanga noa o te kupu.
Kāore he ruarua

i mimitihia e ia ngā iwi maha ki roto i tana kahui, engari ko tēnei mimititanga he āhua whanaketanga, kāore e kitea. E mea ana te Hinitū ki ia tangata kia karakia ki te Atua i runga i tōna ake whakapono, i tōna ake *dharma rānei*, **44-14** ā, ka noho rangimārie ia me ngā whakapono katoa.

Mō te Karaiti, i tuhituhi a Gandhi: "E tino mōhio ana ahau mehemea kei te noho ia i konei i waenganui i te tangata, ka manaakitia e ia te orange o te tini o te hunga kāore pea i rongō i tōna ingoa . . . pērā i te mea i tuhituhia: 'Ehara i te mea ko te hunga katoa e mea mai ana ki ahau, E te Ariki, e te Ariki . . . engari ko te tangata e mea ana i ta toku Matua e pai ai.' **44-15** I roto i te akoranga o Tōna ake orange, i homai e Ihu ki te tangata te kaupapa nui me te whāinga kotahi e tika ana kia tutukihia e tātou katoa. E whakapono ana ahau ehara ia i te mea nō te Karaitianatanga anake, engari nō te ao katoa, nō ngā whenua me ngā iwi katoa."

I taku pō whakamutunga i Wardha, i whaikōrero ahau ki te hui i karangatia e Mr. Desai i te Whare Kaunihera. Kī tonu te rūma ki ngā matapihi, ā, tata ki te 400 tāngata i huihui mai ki te whakarongo ki te kōrero mō te yoga. I kōrero tuatahi ahau i te reo Hindi, kātahi i te reo Ingarihi. I hoki mai tā mātou rōpū iti ki te ashram i te wā tika mō te tirohanga atu ki a Gandhi i te pō, me te rangimārie me te tuhituhi reta.

Kei te roa tonu te pō i taku aranga ake i te 5:00 i te ata, kua tīmata kē te ora o te kāinga; tuatahi he kāreti kau i te taha o ngā kūaha o te ashram, kātahi ka noho he tangata whenua me tana kawenga nui e taurite ana i runga i tōna mātanga. I muri i te parakuihi, ka rapu mātou tokotoru i a Gandhi mō *ngā karakia poroporoaki*. Ka ara ake te tangata tapu i te whā karaka mō tana inoi ata.

"Mahatmaji, haere rā!" ahau tuturi ki pā tāna waewae "Īnia ko haumarua i roto tōu te pupuri!"

Kua huri ngā tau mai i te wā i noho ai te iwi o Wardha; kua pōuri te whenua, ngā moana, me ngā rangi i te ao e pakanga ana. Ko Gandhi anake i roto i ngā kaiārahi nui, kua tuku ia i tētahi huarahi whai hua, kore-tutu, hei whakakapi i te mana patu. Hei whakatika i ngā amuamu me te tango i ngā hē, kua whakamahia e te Mahatma ngā tikanga tutu kore, kua whakamātauhia tonutia tōna whai hua tangata. E kī ana ia i tana kaupapa i roto i ēnei kupu:

Kua kitea e au kei waenganui tonu te ora i te whakangaromanga. Nō reira, me whai ture teitei ake i tērā o te whakangaromanga. I raro i taua ture anake ka mārāma ai te hāpori kua whakaritea pai, ā, ka whai hua te ora.

Mena koinei te ture o te ao, me mahi tātou i roto i te orange o ia rā. Ahakoa he pakanga, ahakoa he hoariri, kia wikitoria mā te aroha. Kua kitea e au ko te ture pono o te aroha i whakautua mai i roto i tōku ake ao, kāore i rite ki tā te ture o te whakangaromanga i whakautua.

I Īnia, kua kitea whānuitia te whakamahinga o tēnei ture. Kāore au e kī ana kua uru te kore-tūkino ki roto i te 360,000,000 tāngata o Īnia, engari e kī ana au kua hohonu ake tōna uru atu i tētahi atu whakaakoranga i roto i te wā poto rawa.

He akoranga whakangungu uaua rawa atu hei whakatutuki i te āhua hinengaro kore-tūkino. He oranga whakahaere, pērā i te oranga o te hōia. Ka tutuki te āhua tino pai ina mahi tahi te hinengaro, te tinana, me te kōrero. Ka taea te whakaoti i ia raruraru mēnā ka whakatau tātou ki te hanga i te ture o te pono me te kore-tūkino hei ture o te ora.

Pērā i te mahi whakamiharo a te kaipūtaiao i ngā whakamahinga maha o ngā ture o te taiao, ka taea e te tangata e whakamahi ana i ngā ture o te aroha me te tika o te pūtaiao te mahi merekara nui atu. Ko te kore-tūkino he mea whakamiharo rawa atu, he mea ngaro atu i ngā kaha o te taiao pērā i te hiko. He pūtaiao nui atu te ture o te aroha i ngā pūtaiao hou katoa.

Mā te tiro tiro i te hītori, ka taea te kī he tika te kī kāore ngā raruraru o te tangata i whakatauhia mā te whakamahi i te kaha nanakia. Nā te Pakanga Tuatahi o te Ao i puta ai he pōro hukarere whakamataku o te karma pakanga i pupū ake hei Pakanga Tuarua o te Ao. Ko te mahana o te tuakana te mea ka taea te whakarewa i te pōro hukarere nui o te karma pakanga o nāianeī, e tipu ake nei hei Pakanga Tuatoru o te Ao. Mā tēnei tokotoru tapu kore e whakakore ake te tūponotanga o te Pakanga Tuawhā o te Ao mā te mutunga o ngā poma atomika. Mā te whakamahi i ngā whakaaro ngahere hei utu mō te whakaaro tangata i roto i te whakatau tautohe ka whakahokia te whenua ki te ngahere. Ki te kore he tuakana i te ora, he tuakana i roto i te mate tutu.

Kāore e ea te pakanga me te hara. Ko ngā piriona tāra i pau i roto i te paoa o te korenga e pupuhi ana, kua ranea hei hanga i tētahi ao hou, he ao kāore he mate urutā, he ao rawakore rawa atu. Ehara i te whenua o te wehi, o te ngangau, o te hemokai, o te mate urutā, o te *kanikani whakamataku*, engari he whenua whānui o te rangimārie, o te whai rawa, me te whānui haere o te mātauranga.

E karanga ana te reo tutu o Gandhi ki te hinengaro teitei o te tangata. Kaua e hono ngā iwi ki te mate, engari ki te ora; kaua ki te whakangaromanga, engari ki te hanganga; kaua ki te Kaiwhakangaro, engari ki te Kaihanga.

"Me muru hara te tangata, ahakoa he aha te whara," te kī a te *Mahabharata*. "E kīia ana ko te haere tonu o ngā momo tangata nā te muru hara a te tangata. Ko te muru hara te tapu; mā te muru hara ka honoa te ao. Ko te muru hara te kaha o te hunga kaha; ko te muru hara te patunga tapu; ko te muru hara te marino o te hinengaro. Ko te muru hara me te ngākau māhaki ngā āhuatanga o te hunga whai whakaaro ki a ia anō." rātou tohu mutunga kore te ngākau pono."

Ko te kore-tūkino te hua tūturu o te ture murunga hara me te aroha. "Ki te mea ka hiahia te mate i roto i te pakanga tika," te karanga a Gandhi, "me rite te tangata ki a Ihu, ki te whakaheke i ōna ake toto, kaua ki te toto o ētahi atu. Ā tōna wā ka iti ake te toto e maringi ana ki te ao."

Tērā pea ka tuhia he pakiwaitara mō ngā *satyagrahi Īnia* i tu atu ki te mauahara me te aroha, ki te tutu me te kore tutu, i tukua kia patua noatia rātou, kaua ki te rapu utu. Ko te mutunga iho i runga tino hītori ngā wā i tērā te mau pū ngā hoa whawhai i whiua iho tā rātou ngā pū ā, rere ana, whakama, rūrūtia ki tā rātou ngā

hohonutanga nā te tirohanga o ngā tāne ko wai uara te ora o tētahi atu i runga ake i a rātou ake.

"Mēnā e tika ana, ka tatari ahau mō ngā tau maha," te kī a Gandhi, "kaua e rapu i te herekoretanga o tōku whenua mā roto i ngā tikanga toto." Kāore rawa te Mahatma e wareware ki te whakatūpato rangatira: "Ko te hunga katoa e mau ana i te hoari ka mate i te hoari." **44-16** Nā Gandhi i tuhituhi:

E kī ana ahau he iwi ā-motu ahau, engari he whānui tōku iwi ā-motu, pērā i te ao whānui. Kei roto i tōna whānuitanga ngā mea katoa te ngā iwi o te whenua. **44-17** Taku te iwi whānui kei roto te oranga o te katoa ao. ahau mahi

Kāore au e hiahia kia ara ake taku Īnia i runga i ngā pungarehu o ētahi atu iwi. Kāore au e hiahia kia whakamahia e Īnia tētahi tangata kotahi. E hiahia ana au kia kaha a Īnia kia taea ai e ia te whakapoke i ngā iwi kē atu ki tōna kaha. Kāore e pērā ki tētahi iwi kotahi i Ūropi i ēnei rā; kāore rātou e hoatu kaha ki ētahi atu.

I whakahua a Perehitini Wilson i ana kōrero ataahua tekau mā whā, engari i mea ia: "Ki te kore e angitu tēnei mahi a tātou kia tae ki te rangimārie, me whakamahi anō ā tātou patu." E hiahia ana ahau ki te huri i taua tūnga, ā, e mea ana ahau: "Kua kore e angitu ā tātou patu. Kia rapu tātou i tētahi mea hou; kia whakamātau tātou i te kaha o te aroha me te Atua, arā, te pono." Ina whiwhi tātou i tēnā, kāore he mea e hiahiatia ana e tātou.

Mā te whakangungu a te Mahatma i ngā mano tini o *ngā satyagrahi pono* (te hunga kua oati i ngā kupu taurangi pakari tekau mā tahi kua whakahuatia i te wāhanga tuatahi o tēnei upoko), nā rātou anō i hora te karere; mā te ako manawanui i te marea o Īnia kia mārāma ki te wairua, ā, i te mutunga ki te rauemi ngā painga o te kore tutu; mā te whakawhiwhi i tōna iwi ki ngā patu kore tutu - te kore mahi tahi me te hē, te hiahia ki te whakamanawanui i ngā whakaiti, te whare herehere, te mate tonu, kua ki te whakamahi i ngā patu; mā te kukume i te aroha o te ao mā roto i ngā tauira maha o te mātātoa toa i waenga i *ngā satyagrahi*, kua whakaatu whakamiharo a Gandhi i te āhua mahi o te kore tutu, tōna mana nui ki te whakatau i ngā tautohe me te kore pakanga.

Kua riro kē i a Gandhi mā te kore tutu he maha atu o ngā whakaaetanga tōrangapū mō tōna whenua i ngā mea kua riro i tētahi atu rangatira o tētahi whenua engari mā te whakamahi i ngā matā. Ko ngā tikanga kore tutu mō te whakakore i ngā hē me ngā kino katoa kua tino whakamahia, ehara i te mea i roto anake i te ao whānui. te ao tōrangapū engari i roto i te mara uaua me te uaua o te whakahoutanga pāpori Īnia. Kua whakakorea e Gandhi me ana akonga he maha nga pakanga roa i waenga i nga Hindu me nga Mahometa; rau mano o nga Mahometa e titiro ana ki te Mahatma hei kaiārahi mo ratou. Kua kitea e te hunga kore e taea te pa ki roto ko ia tō rātou toa toa, toa hoki. "Mēnā he whānautanga anō kei te tatari mōku," i tuhituhi a Gandhi, "Au hiahia ki kia whānau he pāria i roto te waenganui o ngā paria, nā te mea nā reira ahau e kia āhei ki kia pai ake ai te ratonga ki a rātou."

He "wairua nui" a Mahatma, engari he miriona kore-pānui i whai whakaaro nui ki te whakawhiwhi i te taitara. E whakahonoretia ana tēnei poropiti ngākau māhaki i roto i tōna ake whenua. Kua taea e te tangata whenua iti te tū atu ki te wero nui a Gandhi. E whakapono ana te Mahatma ki te rangatiratanga o te tangata. Kāore i whakapōrearea ia e ngā hinganga e kore e taea te karo. "Ahakoa te takaro a te hoa whawhai ki a ia "e rua tekau ngā wā teka," e tuhituhi ana ia, "kua rite te *satyagrahi* ki te whakawhirinaki ki a ia i te rua tekau mā tahi o ngā wā, nā te mea ko te whakawhirinakitanga huna ki te āhua tangata te tino kaupapa o te whakapono." **44-**

"E Mahatmaji, he tangata tino pai koe. Kaua e tumanako ka mahi te ao pēnei i a koe." I kōrero tētahi kairīti i tēnei i tētahi wā.

"He mea whakamīharo te āhua o tā tātou tinihanga i a tātou anō, me te whakaaro ka taea te whakapai ake i te tinana, engari kāore e taea te whakaoho i ngā mana huna o te wairua," te whakahoki a Gandhi. "Kei te ngana ahau ki te whakaatu mēnā kei a au tētahi o aua mana, he ngoikore ahau, he tangata mate pērā i a tātou katoa, ā, kāore anō kia kitea he mea whakamiharo i roto i ahau, kāore anō hoki i ahau i nāianeī. He tangata noa ahau e hē ana pērā i tētahi atu tangata mate. Heoi, e whakaae ana ahau he nui tōku ngākau mahaki ki te whaki i aku hapa me te hoki whakamuri ki ōku hikoinga. E whakaae ana ahau he whakapono pumau tōku ki te Atua me Tōna pai, ā, he

te ngākau nui e kore e memeha mō te pono me te aroha. Engari ehara i te mea koinei te mea huna i roto i te tangata? Ki te hiahia tātou ki te ahu whakamua, kaua e tāruatia te hītori engari me hanga he hītori hou. Me tāpiri atu ki te taonga tuku iho i mahue iho i ō tātou tūpuna. Ki te taea e tātou te hanga i ngā kitenga hou me ngā mea hou i roto i te ao whakamiharo, me kī tātou kua kore tātou e whai hua i roto i te ao wairua? Kāore e taea te whakanui i ngā tūponotanga kia waiho hei ture? Me noho tonu te tangata hei tangata ki mua, ā, ko te tangata hei muri, mēnā he mea?" **44-19**

Tērā pea ka maumahara ngā Amerikana me te whakapehapeha ki te whakamātautau angitu a William Penn i te whakatūnga o tana koroni i Pennsylvania i te rautau 17. Kāore he "pā, kāore he hōia, kāore he ope taua, kāore hoki he patu." I waenganui i ngā pakanga rohe nanakia me ngā patunga i waenganui i ngā tāngata hou me ngā Īniana Whero, ko ngā Quaker o Pennsylvania anake i noho kāore i tukinotia. "Ko ētahi i patua; ko ētahi i patua nuitia; engari i ora rātou. Kāore he wahine Quaker i tukinotia; kāore "I patua he tamaiti Quaker, kāore he tangata Quaker i whakamamaetia." I te wā i akiakihia ai ngā Quaker ki te whakarērea te kāwanatanga o te kawanatanga, "ka pakaru te pakanga, ā, i mate ētahi o ngā tāngata o Pennsylvania. Engari tokotoru noa iho ngā Quaker i mate, tokotoru kua taka rawa atu i tō rātou whakapono ki te mau patu tiaki."

"Kāore i taea te whakamahi i te kaha i te Pakanga Tuatahi o te Ao ki te kawe mai i te rangimārie," te kī a Franklin D. Roosevelt. "He rite tonu te koretake o te wikitoria me te hinganga. Koia te akoranga i tika kia akohia e te ao."

"Ka nui ake ngā patu tutu, ka nui ake te mamae mō te tangata," te whakaako a Lao-tzu. "Ka mutu te wikitoria o te tutu i roto i te hakari tangihanga."

"Kei te whawhai ahau mō te rangimārie o te ao," te kī a Gandhi. "Mēnā ka angitu te kaupapa Īnia i runga i te kaupapa *Satyagraha kore tutu*, ka hoatu he tikanga hou ki te aroha whenua, ā, ki te taea e au te kī atu me te ngākau mahaki, ki te ora tonu."

I mua i te whakahē a te Hauāuru i te kaupapa a Gandhi me te mea he moemoeā koretake, me whakaaroaro tuatahi ki te whakamāramatanga o *te Satyagraha* nā te Ariki o Kariri:

"Kua rongo koutou i korerotia, He kanohi mo te kanohi, he niho mo te niho: ko taku kupu ia tenei ki a koutou, Kaua e whakakeke ki te kino: **44-20** engari ki te pakia e tetahi tōu paparinga matau, whakaangahia atu hoki tōu paparinga ki a ia."

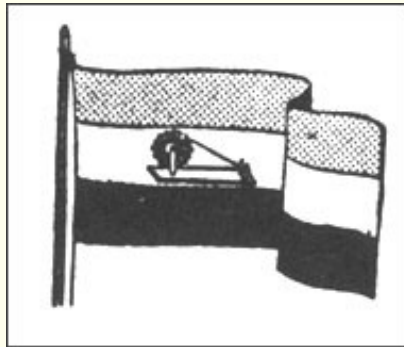

Kua roa te wā o Gandhi, me te ataahua o te wā o te ao, ki tētahi rautau kua ururuatia, kua whakangaromia hoki e ngā Pakanga o te Ao e rua. Ka puta he tuhituhinga atua ki te pakitara kōhatu o tōna orange: he whakatūpato mō te whakaheke toto i waenga i ngā tuakana.

I toro atu a Mahatma Gandhi ki taku kura tuarua me te whakangungu yoga i Ranchi. Nāna i tuhi ngā rārangi o runga ake nei ki te pukapuka manuhiri o Ranchi. Ko te whakamāoritanga: "Kua tino miharo taku hinengaro ki tēnei whare wānanga. E tino tumanako ana ahau ka akiakihia e tēnei kura te whakamahinga mahi tonu o te wira hurihuri."

MOHANDAS KĀNITI (*Waitohu*)

Mahuru 17, 1925

I hangaia he haki ā-motu mō Īnia i te tau 1921 e Gandhi. He parauri, he mā, he kakariki ngā rārangi; he kikorangi pouri te *charka* (wira hurihuri) i waenganui. "Ko te *charka* te tohu o te pūngao," tana i tuhituhi ai, "ā, whakamahara mātou tērā i roto i te ngā rā o mua ngā wā o te whai rawa i roto A Īnia hītori, ringa hurihuri ā, he mea nui anō hoki ētahi atu mahi toi ā-whare."

44-1 : Tōna whānau ingoa ko Ngā Mōhanā Karamchand Kānati. Ia kāore rawa e pā ana ki ia anō hei "Mahatma."

44-2 : Te tūturu whakamāoritanga mai i Sanskrit ko "pupuri ki te pono." *Satyagraha* ko te rongonui kore-tūkino nekehanga arahina nā Gandhi.

I tukuna e Miss Slade, te akonga *Satyagraha* a Mahatma mō ngā tau e rua tekau, he kōrero kua hainatia ki te *United Pāpāho*, kua rā Hakihea 29, 1945, i roto e ia whakamārama tērā he raupapa o koretake ngā kōrero pakiwaitara i ara ake i muri ia i a i wehe atu, me ngā manaakitanga a Gandhi, ki tētahi wāhi iti i te raki-mā-rāwhiti o Īnia e tata ana ki ngā Himalayas, hei whakatū i tana whenua e tupu nui ana i reira. *Kisana Āhirama* (pokapū mō hauora me ahuwhehua āwhina ki kaiahuwhenua ngā kaimahi pāmū). Mahatma Kānati ngā mahere ki haere ki te ashram hou i te tau 1946.

Te Bengali "E Pupū Ana te Harikoa" whaea

"E te Ariki, kaua e wehe atu i Īnia me te kore e kite i a Nirmala Devi. He tino tapu tōna; e mōhiotia whānuitia ana ia ko Ananda Moyi Ma (Whaea e Puta ana i te Harikoa)." I titiro matatau mai taku irāmutu, a Amiyo Bose, ki ahau.

"Ae rā! E hiahia nui ana ahau ki te kite i te wahine tapu." Ka tāpiri atu ahau, "Kua pānui ahau i tana whanaketanga o te mōhiotanga ki te Atua. I puta mai tētahi tuhinga iti mōna i ngā tau kua pahure ake nei i *te Rawhiti-Hauauru*."

"Kua tūtaki ahau ki a ia," ka haere tonu a Amiyo. "I toro atu ia ki taku ake tāone iti o Jamshedpur i ēnei rā tata nei. Nā te inoi a tētahi ākonga, ka haere a Ananda Moyi Ma ki te kāinga o tētahi tangata e tata mate ana. I tū ia i te taha o tōna moenga; i te pā o tōna ringa ki tōna rae, ka mutu tana haruru mate. I memeha tonu te mate; ki te miharo o te tangata, kua ora ia."

I muri i ētahi rā, ka rongo ahau kei te noho te Whaea Harikoa ki te kāinga o tētahi ākonga i te rohe o Bhowanipur o Calcutta. I haere tonu māua ko Mr. Wright i te kāinga o tōku pāpā i Calcutta. I te tata atu o te Ford ki te whare o Bhowanipur, ka kite māua ko taku hoa i tētahi āhua rerekē o te tiriti.

I tū a Ananda Moyi Ma i roto i tētahi motuka tuwhera, e manaaki ana i tētahi mano tini o te kotahi rau ngā ākonga. I te āhua nei kua tata ia ki te wehenga atu. I tū te Ford a Mr. Wright i tawhiti, ā, i haere tahi māua i runga i te waewae ki te huihuinga mārie. I titiro mai te wahine tapu ki a mātou; i heke iho ia i tana motuka, ā, ka hikoi mai ki a mātou.

"E Pāpā, kua tae mai koe!" Me ēnei kupu hihiri, ka awhi ia i tōku kaki, me tōna māhunga ki tōku pakihiwi. Ko Mr. Wright, i kī atu ahau ki a ia kāore au i te mōhio ki te tangata tapu, i tino pārekareka ki tēnei whakaaturanga manaaki whakamiharo. I titiro matatau atu hoki ngā kanohi o ngā rau chela ki te pikitia aroha me te miharo.

I kite tonu ahau kei roto te tangata tapu i te taumata teitei o *te samadhi*. Ahakoa tōna kākahu o waho hei wahine, i mōhio ia ko ia te wairua kore e rerekē; mai i taua taumata i mihi harikoa ia ki tētahi atu tangata karakia ki te Atua. I ārahi ia i ahau mā

te ringa ki roto i tana motuka.

"Ānata Moi Māmā, ahau am whakaroa tōu te haerenga!" ahau i whakahē.

"E Pāpā, koinei taku tūtakitanga tuatahi ki a koe i tēnei ao, whai muri i ngā tau maha!" tana kī. "Kaua e haere atu ."

I noho tahi mātou i ngā nohoanga o muri o te motuka. Kāore i roa ka uru te Whaea Harikoa ki te āhua harikoa kore e nekeneke. Ka titiro ōna kanohi ataahua ki te rangi, ā, i te mea kua puare te haurua, ka noho puku, ka titiro ki roto i te Elysium o roto tata tonu. Ka waiata mārie ngā ākonga: "Te Wikitōria ki te Whaea Atua!"

He tokomaha ngā tāne o te mōhiotanga ki te Atua i kitea e au i Inia, engari kāore anō kia tūtaki ahau ki tētahi wahine tapu pēnei te rangatira. I kanapa tōna mata ngawari i te harikoa nui i tapaina ai ia ko te Whaea Harikoa. I takoto noa ngā makawe pango roa i muri i tōna mahunga kāore i hipokina. He ira whero o te whakapiri rākau sandalwood i tōna rae hei tohu mō te kanohi wairua, e tuwhera tonu ana i roto i a ia. He mata iti, he ringa iti, ngā waewae ririki—he rerekētanga ki tōna kaha wairua!

ahau whakatakoto ētahi ngā pātai ki he tata wahine chela i te wā Ānata Moi Mā i noho tonu whakamīharo

"E haereere whānuitia ana a Te Whaea Harikoa puta noa i Īnia; he maha ngā wāhi e rau ana āna ākonga," te kōrero a te chela ki ahau. "Nā āna mahi toa kua maha ngā whakarerekētanga pāpori e hiahia ana i hua mai ai."

Ahakoia he Brahmin ia, kāore te tangata tapu e mōhio ki ngā momo kāwai. **45-1** He rōpū tonu tā mātou e haere tahi ana me ia, e tiaki ana i ana whakamarie. Me mātua tiaki ia e mātou; kāore ia e aro ki tōna tinana. Ki te kore tetahi e hoatu he kai māna, e kore ia e kai, e kore hoki e uiui. Ahakoia ka whakatakotoria he kai ki mua i a ia, kāore ia e pā ki aua kai. Hei ārai i a ia e ngaro atu ana i tēnei ao, ka whāngaihia ia e mātou, e ngā ākonga, ki ō mātou ake ringaringa. Mō ngā rā maha, he maha tonu tana noho i roto i te wairua tapu, kāore e manawa, kāore ōna kanohi e kimo. Ko tētahi o āna ākonga matua ko tana tāne. He maha ngā tau ki muri, i muri tata mai i tā rāua marena, ka oati ia kia noho puku."

I tohu te chela ki tētahi tangata pakihwi whānui, āhua ataahua, he makawe roa, he pahau hina. I tū puku ia i waenganui o te huihuinga, ko ōna ringa e piko ana he rite ki te ākonga e whakaute ana .

I te mea kua ora ake ia i tana ruku ki te Mutunga Kore, kua aro kē a Ananda Moyi Ma ki te ao kikokiko.

"E Pāpā, tēnā koa, kōrero mai ki ahau te wāhi e noho ana koe." He

mārama, he rangimārie tōna reo. "I tēnei wā, kei Calcutta, kei

Ranchi rānei; engari ka hoki wawe ahau ki Amerika." "Amerika?"

"Āe. Ka tino maiohahia te wahine tapu Īnia ki reira e ngā kaiwhai wairua. Kei te hiahia koe ki te haere?"

"Mēnā Matua kēne tango ahau, ahau ka haere."

Tenei whakautu i meinga tana tata ngā ākonga ki tīmata i roto whakaoho

"E rua tekau, neke atu rānei o mātou e haere tahi ana me te Whaea Harikoa," te kī pūmau a tētahi o rātou ki ahau. "Kāore e taea e mātou te ora me te kore ia. Ahakoa te wāhi e haere ai ia, me haere tonu mātou."

I whakarērea e au te mahere me te kore e pai, nā te mea he āhuatanga koretake tōna o te whakanui noa!

"Tena koa haere mai ki Ranchi, me āu ākonga," ka mea atu ahau i taku poroporoaki atu ki te tangata tapu. "Hei tamaiti atua koe, ka koa koe ki ngā tamariki nohinohi o taku kura."

"I ngā wā katoa Matua e tango ana ahau, ahau ka harikoa haere."

I muri tata mai, kua rite te Ranchi *Vidyalaya* mō te haerenga mai o te tangata tapu i oatitia. I tino hiahia ngā tamariki ki tētahi rā whakanui - kāore he akoranga, kāore he haora waiata, engari he hakari mō te mutunga!

"Wikitōria! Ananda Moyi Ma, ki jai!" I karangahia te tira o te hunga tapu e te tini o ngā korokoro hihiko nei i te taenga mai o te kura. He ua nui o ngā putiputi marigold, he tangi o ngā himipora, he pupuhi kaha o ngā angaanga kōnihi, me te patu o te pahu *mridanga* ! I haereere te Whaea Harikoa me te ataata i runga i te whenua paki o *Vidyalaya* , me te mau tonu i te pararaiha kawē i roto i a ia.

"He tino ataahua tēnei wāhi," te kupu atawhai a Ananda Moyi Ma i taku ārahi i a ia ki roto i te whare matua. I noho ia me te ataata tamariki i tōku taha. Ko ia te hoa tata rawa atu, ā, i meinga e ia te tangata kia rongō, engari i mau tonu te āhua o te tawhiti i tōna taha - te mokemoke ohore o te noho ki ngā wāhi katoa.

"Tena koa kōrero ahau tetahi mea o tōu te ora."

"E mōhio ana a Pāpā ki ngā mea katoa; he aha ai i whakahuatia anō ai?" I kite ia kāore i te tino mōhiotia te hītori pono o tētahi tinana poto.

ahau kata ana, āta te tukurua taku pātai.

"E Pāpā, he iti noa iho ngā mea hei kōrero." Ka totoro atu ōna ringa ataahua me te tohu whakaiti. "Kāore anō tōku hinengaro kia hono atu ki tēnei tinana rangitahi. I mua i taku taenga mai ki tēnei ao, e Pāpā, 'ko au anō.' I a au e tamariki ana, 'ko au anō.' I tipu ake ahau hei wahine, engari 'ko au anō tonu.' I te wā i whakaritea ai e te whānau i whānau ai ahau kia moea tēnei tinana, 'ko au anō.' Ā, i te taenga mai o taku tāne ki ahau, i te haurangi o te hiahia, ka hameme i ngā kupu aroha, me te pā mārīe ki tōku tinana, ka pāngia ia e te ohore nui, me te mea kua pāngia e te uira, i taua wā tonu 'ko au anō.'

"Tāku tāne tuturi i mua i ahau, kua whakapikohia tāna ngā ringaringa, me i inoi taku murunga hara.

"E Whaea,' ka mea ia, 'nā te mea kua whakapokea e au tōu temepara tinana mā te pā atu ki reira me te whakaaro o te hiahia - kāore au i te mōhio kei roto ehara taku wahine engari ko te Whaea Tapu - ka oati ahau: Ka noho ahau hei ākonga māu, hei akonga takakau, e tiaki puku ana i a koe hei pononga, e kore rawa e kōrero ki tetahi i ahau e ora ana. Kia murua e ahau te hara i mahia e au i tēnei rā.

ki koe, taku guru.

"Ahakoa i ata whakaae ahau ki tēnei tono a taku tāne, 'I pērā anō ahau.' Ā, e Pāpā, i roto i kei mua i a koe ināiane, 'Ko au tonu.' I muri mai, ahakoa te hurihanga o te kanikani o te hanganga i tōku taha i te whare o te mutunga kore, 'Ka rite tonu ahau.'"

I totohu a Ananda Moyi Ma ki roto i tētahi āhua whakaaroaro hōhonu. Ko tōna āhua he āhua whakapakoko; kua rere ia ki tōna rangatiratanga e karanga tonu ana. Ko ngā puna pōuri o ōna kanohi i puta mai he kore ora, he karāhe. He maha ngā wā ka kitea tēnei āhua ina tangohia e te hunga tapu ō rātou hinengaro mai i te tinana, kātahi ka he iti noa iho i te mea he kongakonga paru kore wairua. I noho tahi māua mō te haora i roto i te wairua harikoa. I hoki mai ia ki tēnei ao me te kata iti harikoa.

"Tena koa, e Ananda Moyi Ma," ka mea atu ahau, "haere mai tāua ki te māra. Mā Mr. Wright ētahi whakaahua e tango."

"Ae rā, e Pā. Ko tāu e pai ai, ko tāku hoki e pai ai." I mau tonu te kanapa atua o ōna kanohi kororia i a ia e tū ana mō ngā whakaahua maha.

Kua tae ki te wā mō te hakari! I noho a Ananda Moyi Ma ki runga i tōna tūru paraikete, me te akonga i tōna tuke hei whāngai i a ia. Pērā i te pēpi, ka horomia e te tangata tapu te kai i muri i te kawē mai a te chela ki ōna ngutu. I mārāma noa kāore te Whaea Harikoa i kite i te rerekētanga i waenga i ngā kari me ngā mīti reka!

I te taenga mai o te ahiahi, ka haere te tangata tapu me tana tira i waenganui i te ua o ngā rau rōhi, me ōna ringa e ara ake ana hei manaaki i ngā tama. Ka tiaho ō rātou mata i te aroha i whakaarahia e ia me te kore he uaua.

"Kia aroha koe ki te Ariki, ki tou Atua, me tou ngākau katoa, me tou wairua katoa, me tou hinengaro katoa, me tou kaha katoa:" kua karanga a te Karaiti, "ko te ture tuatahi tēnei." **45-2**

I te maka atu i ngā herenga iti katoa, ka tuku a Ananda Moyi Ma i tana pono ki te Ariki anake. Ehara i te mea nā ngā wehewehenga o ngā tohunga engari nā te whakaaro pono o te whakapono, kua whakatauhia e te tama tapu te raruraru kotahi o te oranga tangata - te whakatūnga o te kotahitanga ki te Atua. Kua wareware te tangata ki tēnei ngāwari nui, kua pōurihia e te miriona take. I te whakakore i te aroha ki te Atua, ka huna e ngā iwi tō rātou kore whakapono mā te whakaute nui ki mua i ngā wāhi tapu o waho o te aroha.

ēnei atawhai tangata ngā tohu kei ngākau pono, nā te mea mō he wā poto rātou tahuri ke tāne te aro mai i a ia anō, engari kāore e wetekina ana ia i tana kawenga kotahi i te ao, e kīia nei e Ihu ko te ture tuatahi. Ko te herenga whakahīhi ki te aroha ki te Atua ka riro i te manawa tuatahi o te tangata o te hau i homai noa mai e tōna

Kaihautū kotahi.

I tētahi atu wā i muri i tana haerenga ki Ranchi, i whai wāhi ahau ki te kite i a Ananda Moyi Ma. I tū ia i waenganui i ana ākonga i runga i te papa o te teihana o Serampore i ētahi marama i muri mai, e tatari ana mō te tereina.

"E Pāpā, kei te haere ahau ki ngā maunga o Himalaya," tana kī mai ki ahau.

"Nā ngā ākonga atawhai i hanga he whare mōku ki Dehra Dun."

I a ia e eke ana ki te tereina, i miharo ahau ki te kite ahakoa i waenganui i te mano, i runga i te tereina, i te hakari, i te noho puku rānei, kāore ōna kanohi i tahuri ke atu i te Atua. I roto i ahau e rongo tonu ana ahau i tōna reo, he haruru o te reka mutunga kore:

"Titiro mai, ināianei me i ngā wā katoa kotahi me te Mutungakore, 'Au am ake tonu atu te taua anō.'"

.....
45-1 : Ka kitea e au ētahi atu kōrero mō te oranga o Ananda Moyi Ma, i tāia ki *te Rawhiti-Hauauru* . I whānau te tangata tapu i te tau 1893 ki Dacca i waenganui o Bengal. Kāore i te mōhio ki te pānui me te tuhituhi, ia kua engari anō ohore te ngā tohunga hinengaro nā tana te whakaaro nui. Tōna ngā whiti i roto Sanskrit whai kī tonu ngā tohunga me te miharo. Kua whakamarie ia i te hunga e pouri ana, ā, kua mahia e ia ngā whakaora merekara, nā tōna aroaro noa iho.

Te Wahine Yogi Ko wai Kaua rawa Kai

"E te Ariki, ko tēhea te wāhi e haere ana tātou i tēnei ata?" Ko Mr. Wright te taraiwa i te Ford; ka tahuri atu ōna kanohi i te huarahi kia roa ai tana titiro mai ki ahau me te pīataata pātai. I ia rā, i ia rā, kāore ia i te mōhio ko tēhea wāhanga o Bengal ka kitea e ia i muri mai.

"Mēnā ka pai te Atua," ka whakahoki atu ahau me te ngākau pono, "kei te haere mātou ki te kite i te tuawaru o ngā mea whakamiharo o te ao - he wahine tapu e kai ana i te hau mātotoru!"

"He whakahokinga mai o ngā mea whakamiharo - i muri i a Therese Neumann." Engari i kata tonu a Mr. Wright; i tere ake anō hoki ia i te tere o te motuka. He kai tino pai rawa atu mō tana rātaka haere! Ehara i te mea he tūruhi noa iho!

Kua mahue iho te kura o Ranchi i muri i a mātou; kua ara ake mātou i mua i te whitinga o te rā. Haunga ahau me taku hēkeretari, tokotoru ngā hoa Bengali i roto i te pāti. I inu mātou i te hau whakahihi, te waina tūturu o te ata. I ārahi tupato tā mātou taraiwa i te motuka i waenganui i ngā tāngata whenua o mua me ngā kāreti wira-rua, e tōia māriri ana e ngā kau he piko ngā pakihwi, e anga ana ki te whawhai i te huarahi me te tangata e tangi ana te haona.

"E te Ariki, mātou e rite ki mōhio atu anō o te nohopuku tapu."

"Tāna ingoa ko Kiri Pāra," ahau whakamōhiohia taku ngā hoa. "Au tuatahi i rangona mō tana tau kua hipa mai i he

"E mōhio ana ahau ki a Giri Bala,' te kī a Sthiti Babu ki ahau. 'E whakamahi ana ia i tētahi tikanga yoga e āhei ai ia ki te ora me te kore kai. Ko ahau tōna hoa tata i Nawabganj e tata ana ki Ichapur. **46-1** I tino āta tiro tiro ahau i a ia; kāore rawa i kitea e au he tohu e kai ana, e inu ana rānei ia. Nā te nui haere o taku hiahia, ka whakatata atu ahau ki te Maharaja o Burdwan **46-2.** ā, ka tono atu ki a ia kia whakahaere i tētahi rangahau. I miharo ia ki te kōrero, ka karanga ia i a ia ki tōna whare kingi. I whakaae ia ki tētahi whakamātautau, ā, e rua marama te roa o tōna noho i roto i tētahi wāhanga iti o tōna whare. I muri mai ka hoki mai ia mō tētahi haerenga ki te whare kingi mō ngā rā e rua tekau; ā, i muri mai mō tētahi whakamātautau tuatoru mō ngā rā tekau mā rima. Nā te Maharaja tonu i kōrero mai ki ahau nā ēnei tiro tiro pakari e toru i tino whakapono ia ki tōna āhua kore kai.

"Kua mau tonu tēnei kōrero mō Sthiti Babu i roto i tōku hinengaro mō ngā tau e rua tekau mā rima," taku whakatau. "I ētahi wā i Amerika ka whakaaro ahau mehemea kāore te awa o te wā e horomia te *yogini* **46-3.**" i mua i taku tūtakitanga ki a ia. Kua tino kaumātua ia inaianei. Kāore au i te mōhio kei hea ia e noho ana, mēnā rānei. Engari i roto i ētahi haora ka tae mātou ki Purulia; he kāinga tō tōna tungāne i reira."

Nā tekau me te toru tekau tō mātou iti rōpū i kōrero me te teina, Rāmapara Dey, he rōia o Purulia.

"Āe, kei te noho taku tuahine. I ētahi wā ka noho ia ki konei ki ahau, engari i tēnei wā kei tō mātou kāinga whānau i Biur ia." Ka titiro ruarua a Lambadar Babu ki te Ford. "Kāore au i te whakaaro, e Swamiji, kua uru atu tētahi motuka ki roto ki Biur. He pai ake pea mēnā ka tukua e koutou katoa te wiri tawhito o te kāreti kau!"

Hei kotahi reo tō mātou pāti i oatitia pono ki te Te whakahihī o Teitōria.

"Nō Amerika te Ford," taku kī atu ki te rōia. "He mea whakamā ki te kore e whai wāhi ki te mōhio ki te ngākau o Bengal!"

"I piko haere tō mātou ara i roto i ngā ngahere nikau i waenganui i ngā kāinga tawhito, kāore anō kia pakaru, e takoto ana i te marumaru o te ngahere," te tuhituhi a Mr. Wright i roto i tana rātaka haere, i raro i te rā o Mei 5, 1936. "He tino mīharo ēnei tautau whare paru raupo, kua whakapaipaihia ki tētahi o ngā ingoa o te Atua i runga i te tatau; he maha ngā tamariki nohinohi, tahanga e takaro noa ana, e tū ana ki te titiro, ki te oma pōrangi rānei mai i tēnei kāreti nui, mangu, kore kau e haehae ana i roto i tō rātou kāinga. E titiro noa ana ngā wāhine i te atarangi, ko ngā tāne ia e noho mangere ana i raro i ngā rākau i te taha o te rori, e hiahia ana ki te mōhio i raro i tō rātou koretake. I tētahi wāhi, e kaukau harikoa ana ngā tāngata o te kāinga i roto i te tāke nui (i roto i tō rātou kākahu, e whakawhiti ana mā te takai i ngā kakahu maroke ki tō rātou tinana, e tuku ana i ngā mea mākū). Ngā wāhine te whāriki wai ki tā rātou ngā whare, i roto nui rawa parahi ngā ipu.

"Nā te huarahi mātou i ārahi i tētahi whainga harikoa i runga i ngā maunga me ngā pae maunga; i pekepeke mātou, i ruku ki roto i ngā awa iti, i huri haere i te ara kore i oti, i ngokingoki i runga i ngā awa maroke, onepu, ā, i te mutunga, i te 5:00 i te ahiahi, kua tata mātou ki tō mātou ūnga, ki Biur. Ko tēnei kāinga iti kei roto o te Rohe o Bankura, e huna ana i roto i te maru o ngā rau matotoru, kāore e taea e ngā kaihaerere te whakatata atu i te wā ua, i te wā e kaha ana ngā awa, ā, e pupuhi ana ngā huarahi i te paitini paru, pērā i te nakahi."

"I a mātou e tono ana kia haere mai tētahi kaiārahi i roto i tētahi rōpū karakia i a rātou e hoki ana ki te kāinga i tētahi karakia i te temepara (i waho i te mara mokemoke), ka whakaekea mātou e te tekau mā rua ngā tama kākahu iti nei, ā, ka piki mai rātou ki ngā taha o te motuka, me te hiahia nui ki te kawē i a mātou ki Giri Bala."

"I ahu atu te huarahi ki tētahi ngahere nikau tāte e tiaki ana i tētahi rōpū whare paru, engari i mua i tō mātou taenga atu, ka taka te Ford ki tētahi koki morearea mō tētahi wā poto, ka whiua ki runga, ka taka ki raro. I ahu atu te ara whaiti i ngā rākau me te tāke, i runga i ngā pari, ki roto i ngā rua me ngā awaawa hohonu. I tau te waka ki runga i tētahi puranga rakau, kātahi ka tau ki runga i tētahi pukepuke, me te hiahia kia hikitia ngā poraka oneone; i haere tonu mātou, āta haere, āta tupato; kātahi ka mutu te ara i tētahi puranga rakau i waenganui." o te ara o te kāreti, me huri te ara ki raro i te pari pari ki roto i tētahi tāke maroke, ā, me waru, me kerī, me kerī hoki te ara hei whakaora i a ia. I ia wā, i ia wā, i te āhua kāore e taea te haere i te huarahi, engari me haere tonu te haerenga tapu; i tiki ngā tama i ngā koko, ā, i whakahoro i ngā arai (ngā atarangi o Ganesh!) i te mea e titiro matatau ana ngā rau o ngā tamariki me ngā mātua.

"Kāore i roa ka hikoi mātou i ngā ara e rua o mua, ko ngā wāhine e titiro whānui mai ana i ngā tatau o tō rātou whare, ko ngā tāne e whai ana i tō mātou taha me muri, ko ngā tamariki e oma ana ki te whakapū i te tira. Ko tā mātou pea te motuka

tuatahi ki te whakawhiti i ēnei rori; me haere te 'uniana kāreti puru' Kia kaha rawa tātou ki konei! He mīharotanga nui tēnei i hangaia e mātou - he rōpū i arahina e tētahi Amerikana, ā, e haere paionia ana i roto i tētahi motuka e ngunguru ana ki roto tonu i tō rātou kāinga, e takahi ana i te tūmataitinga me te tapu o mua!

"I a mātou e tū ana i tētahi ara whaiti, ka tata mātou ki te whare tūpuna o Giri Bala, kotahi rau putu te tawhiti. I rongō mātou i te harikoa o te ngākau māhaki i muri i te pakanga roa i te huarahi, ā, i oti pai te mahi. I whakatata atu mātou ki tētahi whare nui, e rua ngā papa, he mea hanga ki te pereki me te paraikete, e tū ana i runga i ngā whare pereki huri noa; kei te whakatikatikahia te whare, nā te mea i te taha o taua whare he anga pāpaka, he āhua pārūrū."

"Me te hiahia nui me te harikoa i pehia, i tū mātou i mua i ngā tatau tuwhera o te tangata i manaakitia e te pā o te 'kore hiakai' a te Ariki. I titiro tonu mai ngā tāngata o te kāinga, te taitamariki me te kaumātua, he tahanga, he kākahu, he wahine e mātaakitaki ana engari he hiahia anō hoki ki te mōhio, me ngā tāne me ngā tama e whai ana i ō mātou rekereke me te kore whakama i a rātou e matakitaki ana ki tēnei whakaaturanga kāore i kitea i mua."

"Kāore i roa ka puta mai tētahi āhua poto i te kuwaha—ko Giri Bala! I takaihia ia ki tētahi kakahu hiraka koura mangu; i roto i te āhua Inia, ka neke whakamua ia me te whakaiti me te whakaroa, me te titiro mārire mai i raro i te kopa o runga o tana kakahu *swadeshi*. I kanapa ōna kanohi pērā i ngā mura e mura ana i te atarangi o tōna whakapaipai mahunga; i arohaina mātou e tētahi kanohi tino atawhai, tino atawhai hoki, he kanohi o te māramatanga me te māramatanga, e wātea ana i te poke o te herenga whenua.

"Mārie ia whakatata atu me puku whakaaetia ki tō mātou pāorooro he tau o ngā pikitia me ā mātou kāmera 'ata' me 'kiriata'. **46-6** I manawanui ia, i whakama hoki, i whakamanawanui hoki ki ā mātou tikanga whakaahua mō te whakatikatika i te tū me mārama whakaritenga Hei whakamutunga mātou i a i tuhia mō uri whakaheke he tokomaha ngā whakaahua o te wahine kotahi o te ao e mōhiotia ana kua ora i te kore kai, i te kore inu mō ngā tau e rima tekau neke atu. (Ko Therese Neumann, kua nohopuku mai i te tau 1923.) Ko te mea tino whaea ko te āhua o Giri Bala i a ia e tū ana i mua i a mātou, kua kapi katoa i te kakahu e rere ana, kāore he mea i kitea i roto i tōna tinana engari ko tōna mata me ōna kanohi e piko ana, ōna ringa, me ōna waewae iti. He mata o te rangimārie onge me te tū mārie harakore-a whānui, rite ki te tamariki, wiri ana ngutu, he wahine ihu, whaiti, kanapa ngā kanohi, me he ataata pouri."

I rite taku whakaaro ki a Mr. Wright mō Giri Bala; i taupokina ia e te wairua, pērā i tōna arai kanapa mārie. *I karanga ia* i mua i ahau i roto i te tikanga o te mihi a te rangatira whare ki te mōneka. Nā tōna ataahua ngawari me tana ataata mārie i manaaki mātou, he mea nui atu i te whaikōrero reka; kua warewarehia tā mātou haerenga uaua, puehu hoki.

I noho te tangata tapu iti nei me ōna waewae whiti i runga i te whakamahau. Ahakoa ngā tohu o te koroheketanga, kāore ia i hiroki; i noho mārama tonu tōna kiri oriwa, ā, i ora tonu.

"E Māmā," ka mea atu ahau i te reo Bengali, "neke atu i te rua tekau mā rima tau ahau e whakaaroaro ana ki tēnei haerenga tapu! I rongo ahau mō tō oranga tapu i a Sthiti Lal Nundy Babu."

Ia pōkaikaha i roto whakamihi "Āe, taku pai hoa noho i roto Nāwabganj."

"I aua tau kua whiti ahau i ngā moana, engari kāore au i wareware ki taku mahere o

mua kia kite i tētahi rā koe. Ko te whakaari whakahirahira e takarohia ana e koe i konei me te huna rawa me whakaatu ki mua i te ao kua roa e wareware ana ki te atua kai o roto."

Ka ara ake ngā kanohi o te tangata tapu mō tētahi meneti,

me te menemene me te ngākau mārie. "Ko Pāpā (te matua

honore) te mea e mōhio ana," ka whakahoki mārie ia.

I harikoa ahau kāore ia i riri; kāore e mōhiohia te āhua o te urupare a ngā yogi nui ki te whakaaro mō te rongonui. E karohia ana e rātou, i te nuinga o te wā, e hiahia ana ki te whai puku i te rangahau hohonu o te wairua. Ka puta he whakaae ā-roto ki a rātou ina tae mai te wā tika hei whakaatu i ō rātou oranga.

tūwhera mō te painga o e rapu ana ngā hinengaro.

"E Māmā," ka haere tonu ahau, "tēnā koa, murua mai taku hara, mō te whakararuraru i a koe ki ngā pātai maha. Whakautua mai ngā mea e pai ana ki a koe; ka mārāma hoki ahau ki tō wā puku."

Ka totoro atu ōna ringa me te ngākau atawhai. "E harikoa ana ahau ki te whakautu, ina taea e te tangata iti nei pērā i ahau te hoatu i ngā whakautu e pai ana."

"Āe, kāo, kāore koretake!" ahau i whakahē me te ngākau pono. "Koe kei he nui wairua."

"Ko ahau te pononga whakaiti mā te katoa." Ka tāpiri atu ia me te māhaki,

"He pai ki ahau te tunu kai me te whāngai i te tangata." He mahi

whakangahau rerekē, i whakaaro ahau, mā te tangata tapu kāore e kai!

"Kōrero ahau, Whaea, mai i tōu ake ngutu-mahi koe ora kāore kai?"

"He pono tēnā." I noho puku ia mō tētahi wā poto; i tana kōrero i muri mai, i whakaatu mai kua raru ia ki te pāngarau hinengaro. "Mai i te tekau mā rua tau te pakeke, e whā marama te roa, tae noa ki tōku tau e ono tekau mā waru nei - he wā neke atu i te rima tekau mā ono tau - kāore au i kai, kāore hoki i inu wai."

"Kei te koe kāore rawa whakamatautauria ki kai?"

"Mehemea ka hiahia au ki te kai, me kai ahau." He māmā noa iho, he rangatira hoki, i whakapuaki ia i tēnei pono, he pono e mōhiotia whānuitia ana e te ao e toru ngā kai i te rā!

"Engari ka kai koe i tetahi mea!" He reo whakahē tōku.

"Ae rā!" Ātaata ana ia me te mārāma wawe.

"Nā ngā kaha pai o te rangi me te rā e ahu mai ai tō kai, 46-7 ā, mai i te mana o te ao e whakahou ana i tō tinana mā roto i te medulla oblongata."

"Pāpā e mōhio ana." Anō ia i whakaae, tana tikanga whakamarie me kāore i te aro.

"E Whaea, tēnā koa kōrero mai mō tō tamarikitanga. He mea nui tēnei ki a Īnia katoa, tae atu ki ō tātou teina me ō tātou tuāhine i tua atu o te moana."

Kiri Para whakatakoto taha tana tikanga rāhui, whakangā ki roto he kōrerorero te wairua

"Āe rā." He iti, he mārō tōna reo. "I whānau mai ahau i roto i ēnei rohe ngahere.

Kāore i te tino miharo taku tamarikitanga engari i mauria ahau e te hiahia nui. I taumautia ahau i ngā tau tōmua."

"E tama,' i whakatūpato pinepine mai taku whaea ki ahau, 'ngana kia whakahaere i tō apo. Ina tae mai te wā ka noho koe i roto i ngā tāngata ke i roto i te whānau o tō tāne, he aha tā rātou e whakaaro ai ki a koe mēnā he kai noa iho ō rā?"

"I puta te aituā i kitea e ia. Tekau mā rua noa iho ōku tau i taku taenga atu ki te iwi o taku tāne i Nawabganj. I whakama ahau e taku hungawai i te ata, i te poutumarotanga, i te pō hoki mō aku mahi kakai. Heoi, he manaakitanga huna āna kupu whakatūpato; i whakaarahia e rātou ōku wairua moe. I tētahi ata, he nanakia tana tawai."

"'Ka wawe taku whakamatau ki a koe,' ka mea atu ahau, me te mea kua werohia e te kiore, 'e kore rawa ahau e pā ki te kai anō i ahau e ora ana.'"

"I kata taku hungawai wahine me te tawai. 'Nā!' i mea ia, 'me pēhea koe e ora ai me te kore kai, ina kore e taea e koe te ora me te kore kai nui?'"

"Kāore e taea te whakautu i tēnei kōrero! Heoi, nā te whakataunga pakari i tautoko tōku wairua. I tētahi wāhi motuhake i rapu ahau i tōku Matua i te Rangi."

"'E te Ariki,' i inoi tonu ahau, 'tēnā koa tonoa mai he guru ki ahau, hei whakaako i ahau kia ora i runga i tōu māramatanga, kaua i runga i te kai.'"

"I tau mai te harikoa nui ki runga i ahau. Nā te karakia harikoa i ārahi ahau, ka haere ki te Nawabganj *ghat* i te awa o Ganges. I a au e haere ana ka tūtaki ahau ki te tohunga o te whānau o taku tāne."

"E te Ariki e te rangatira, ahau i mea me te whakawhirinaki, 'atawhai kōrero ahau pēhea ki ora kāore e kai ana."

"I titiro matatau mai ia ki ahau, kāore he whakautu. Hei whakamutunga, ka kōrero ia me te whakamarie. 'E tama,' ka mea ia, 'haere mai ki te temepara i tēnei ahiahi; māku e whakahaere tētahi kawa *Vedic motuhake* māu.'"

"Ehara tēnei whakautu pōuri i te mea i rapua e au; i haere tonu ahau ki te *ghat*. I whiti te rā o te ata ki roto i ngā wai; i purea ahau i a au i roto i te Ganges, me te mea he whakaurunga tapu. I taku wehenga atu i te pareparenga o te awa, me taku kakahu mākū i a au, i te māramatanga whānui o te awatea ka puta mai taku ariki i mua i ahau!"

"'E te potiki,' ka mea ia me te reo aroha, 'Ko au te guru i tonoa mai e te Atua ki konei hei whakatutuki i tāu inoi akiaki. I tino pāngia ia e tōna āhua rerekē! Mai i tēnei rā ka ora koe i te māramatanga whetū, ka whāngaihia ō ngota tinana e te ia mutunga kore.'"

Ka noho puku a Giri Bala. I tangohia e au te pene me te pukapuka a Mr. Wright, ā, ka whakamāoritia e au ētahi mea ki te reo Pākehā hei whakamōhio māna.

Ka tīmata anō te kōrero a te tangata tapu, he iti noa te rangona o tōna reo mārīe. "Kua takoto kau te *ghat*, engari i whakaata mai taku guru i tētahi āhua o te mārāma

tiaki, kia kore ai he hunga kaukau kua kotiti ke e whakararuraru i a mātou i muri mai. Nāna ahau i ārahi ki roto he tikanga *kria* e wetekina ai te tinana i te whakawhirinaki ki ngā kai kino a te tangata. Kei roto i te tikanga te whakamahinga o tētahi *mantra* **46-8** me te mahi manawa uaua ake i tā te tangata noa e taea ai. Kāore he rongoā, he makutu rānei e uru ana; kāore he mea i tua atu i te *kria* ."

I roto te tikanga o te Amerika nūpepa kairīpoata, ko wai i a kāore i te mōhio i whakaakona ahau tāna

I roto i te tukanga, i pātai atu ahau ki a Giri Bala mō ngā take maha i whakaaro ahau he mea nui ki te ao. I homai e ia ki ahau, i ia wā, i ia wā, ngā kōrero e whai ake nei:

"Kāore anō kia whānau āku tamariki; he maha ngā tau kua pahure ake nei ka noho pouaru ahau. He iti noa iho taku moe, he rite tonu te moe me te ara ake ki ahau. Ka whakaaroaro ahau i te pō, ka mahi i aku mahi kāinga i te awatea. Ka paku pāngia ahau e te huringa o te āhuarangi i ia wā, i ia wā. Kāore anō kia pāngia ahau e te mate, e te mate rānei. He iti noa te mamae ka pā ki ahau ina whara pōrearea ahau. Kāore he paru o te tinana. Ka taea e au te whakahaere i tōku ngākau me tōku manawa. He maha ngā wā ka kite ahau i taku guru me ētahi atu wairua nui, i roto i te moemoeā."

"E Māmā," ka pātai atu ahau, "he aha koe te whakaako ai i ētahi atu ki te tikanga noho me te kore kai?" I memeha haere aku tumanakohanga nui mō ngā miriona e hiakai ana o te ao.

"Kāo." I rūrū ia i tōna māhunga. "I tino whakahaua ahau e taku tohunga kia kaua e whakakitea te mea ngaro. Ehara i te mea nāna e hiahia kia whakararuraru i te whakaari a te Atua mō te hanganga. E kore ngā kaimahi pāmu e mihi mai ki ahau mēnā ka whakaako ahau i te tini o te tangata kia ora me te kore kai! Ka takoto kau noa iho ngā hua reka ki runga i te whenua. Te āhua nei ko te mamae, te hemokai, me te mate he whiu o ō tātou karma e akiaki ana i a tātou ki te rapu i te tikanga tūturu o te ora."

"E te whaea," ahau i mea āta haere, "he aha ko te whakamahi o tōu whai kua takitahi i waho ki ora kāore te kai?"

"Hei whakaatu he Wairua te tangata." Ka tiaho tōna mata i te whakaaro nui. "Hei whakaatu mā te whanaketanga atua ka taea e ia te ako māriri ki te ora i runga i te Māramatanga Mutunga Kore, kaua i te kai."

I totohu te tangata tapu ki roto i te whakaaroaro hohonu. I anga atu tana titiro ki roto; ka ngaro te āhua o te hōhonutanga o ōna kanohi. I aue ia, koinei te tīmatanga o te manawa whakamīharo. Mō tētahi wā kua rere ia ki te ao kore pātai, te rangi o te harikoa o roto.

Kua pōuri te whenua. E whiti ana te māramatanga o te rama hinu iti ki runga i ngā mata o te tokomaha o te hunga kāinga e noho puku ana i roto i ngā atarangi. Ko ngā toke kanapa e rere ana me ngā rama hinu i tawhiti o ngā whare i whatu i ngā tauira kanapa whakamataku ki roto i te pō weriweri. Ko te haora mamae o te wehenga; he haerenga puhoi, hoha kei mua i tā mātou rōpū iti.

"Kiri Pāra," ahau i mea hei te tapu i whakatuwheratia tana ngā kanohi, "tēnā koa hoatu ahau he taonga maumahara rīpene o kotahi o tōu

Kāore i roa ka hoki mai ia me tētahi wahi hiraka a Benares, ka totoro atu ki tōna ringa, ka takoto whakarere atu ia ki te whenua.

"E te whaea," ahau i mea me te whakaute, "engari tukua ahau pā tōu ake manaakitia waewae!"

"He maha ngā akoranga yoga kua hoatu e au ki Īnia me Amerika; engari me whakaae ahau, hei Hinitū, he tino harikoa ahau ki te whakahaere i tētahi akomanga mā ngā ākonga Ingarihi."

I kata nui mai ngā mema o taku akomanga o Rānana; kāore he raruraru tōrangapū i whakararuraru i tō mātou rangimārie yoga.

He maharatanga tapu a Īnia ināianeī. Ko te marama o Hepetema, 1936; kei Ingarangi ahau ki te whakatutuki i taku kupu whakaari, i hoatu i ngā marama tekau mā ono ki muri, ki te kauwhau anō ki Rānana.

E aro nui ana hoki a Ingarangi ki te karere yoga mutunga kore. I whakakīkīhia tōku wāhi noho i Grosvenor House e ngā kairīpoata me ngā kaikāmera pūrongo . Ko te Kaunihera ā-Motu o Peretānia o te Ao

I te 29 o Hepetema, i whakarite te Rōpū Whakaponono i tētahi hui ki te Whare Karakia o Whitefield, ā, i kōrero ahau ki te hunga whakarongo mō te kaupapa nui, "Me pēhea te Whakaponono i roto i te Whakawhanaungatanga e Whakaora ai i te Ao Tūroa." Nā te nui o te mano i kukume mai i ngā kauhau o te waru karaka i Caxton Hall, ā, i ngā pō e rua, i tatari te hunga whakarongo ki te whare wānanga o Windsor House mō taku kauhau tuarua i te iwa me te toru tekau. I te ahiahi ka kitea mātou e huihui ana i te taha o tētahi rākau Kirihimete nui e kanapa ana, me te kanga ahi e pāorooro ana i ngā poro rakau kauri kakara.

Āe, te uaua o te tataua a Mr. Wright i ngā pūtu i ia huarahi o tāwāhi, kia kore ai he ringa tahae e tango i ngā taonga e tika ana mō ngā whanaunga i Amerika! I Encinitas I roto Karipōnia

"He ohorere, e te rangatira! I a koe e ngaro ana i tāwāhi, kua hangaia tēnei whare karakia o Encinitas; he koha 'manaaki mai ki te kāinga'!" Nā Sister Gyanamata ahau i ārahi mā roto i te kēti, ā, ka piki i tētahi ara e marumaru ana i ngā rākau.

I kite ahau i tētahi whare e tū mai ana, pērā i tētahi kaipuke nui mā e anga atu ana ki te wai tote kikorangi. I te tuatahi, kāore he kupu i roto i a rātou, kātahi ka kī "Āe!" me "Āe!", ā, i te mutunga, me te kore e ranea o ngā kupu a te tangata mō te hari me te whakawhetai, ka tiro tirohia e au te whare karakia - tekau mā ono ngā rūma tino nui, he ātaahua te whakapaipai o ia rūma.

Ko te whare rangatira o waenganui, me ngā matapihi nunui e anga atu ana ki te tuanui, e titiro atu ana ki tētahi aata e hono ana i te tarutaru, te moana, te rangi - he waiata i roto i te emerara, te ōki, te hapaira. Kei runga i te kanga ahi nui o te whare te āhua o Lahiri Mahasaya, e menemene ana i tana manaakitanga ki tēnei rangi tawhiti o te Moana-nui-a-Kiwa.

Kei raro tonu i te whare, i hangaia ki roto i te pari, e rua ngā ana whakaaroaro takitahi e anga atu ana ki ngā mutunga kore o te rangi me te moana. He taupee, he kokonga e kaukau ana i te rā, he eka o te mārā hua rākau, he uru rākau eucalyptus, he ara kōhatu e arahi ana i roto i ngā rōhi me ngā rengarenga ki ngā whare marino, he arawhata roa e mutu ana ki te takutai mokemoke me ngā wai whānui! I tino tūturu ake te moemoeā?

"Kia tae mai ngā wairua pai, toa, atawhai hoki o te hunga tapu ki konei," te kīnga "He Inoi mō te Nohoanga," nō *Zend-Avesta*, e mau ana ki tētahi o ngā tatau o te whare karakia, "ā, kia haere tahi rātou me tātou, me te homai i ngā mana whakaora

o ā rātou taonga manaakitanga kia horapa pērā i te whenua, kia horapa pērā i ngā awa, kia teitei pērā i te rā, hei whakatairanga i ngā tāngata pai ake, hei whakanui ake i te nui me te kororia.

"Kia hinga te tutu i roto i tēnei whare e te ngohengohe; kia wikitoria te rangimārie i konei i te tautohetohe; kia hinga te ngākau aroha i te apo, kia hinga te kōrero pono i te tinihanga, kia whakahonore i te whakahaweā. Kia harikoa ō mātou hinengaro, kia ara ake ō mātou wairua, kia whakakororiatia hoki ō mātou tinana; ā, e te Māramatanga Atua, kia kite mātou i a Koe, kia whakatata atu mātou, kia karapoti i a Koe, kia tae atu ki Tōu

katoa te whakahoahoa!"

Encinitas, California, e titiro atu ana ki te Moana-nui-a-Kiwa. Te whare matua me tetahi wāhanga o te whenua o te Self-Engineering Fellowship

Nā te atawhai o ētahi ākonga Amerikana torutoru, ngā kaipakihi Amerikana me ngā kawenga mutunga kore, i taea ai tēnei ashram o te Whānaungatanga Whaiaro, e whai wā ana i ia rā mō ā rātou *Kriya Yoga*. Kāore i tukua kia tae mai tētahi kōrero mō te hanganga o te whare karakia ki ahau i taku noho ki Īnia me Ūropi. Miharo, harikoa!

I aku tau tōmua i Amerika, i rapu au i te takutai o California ki te rapu i tētahi wāhi iti hei tūnga mō tētahi whare karakia i te taha o te moana; i ngā wā katoa ka kitea e au tētahi wāhi e tika ana, ka ara ake tonu tētahi arai hei aukati i ahau. Inaianei kei te titiro atu ahau ki ngā eka whānui o Encinitas, **48-1** I kite ahau me te ngākau māhaki i te whakatutukitanga ngāwari o te poropititanga a Sri Yukteswar i mua noa atu: "he whare mōrehu i te taha o te moana."

I ētahi marama i muri mai, i te Aranga o te tau 1937, i whakahaerehia e au te tuatahi o ngā mahi i runga i ngā papa tarutaru maeneene i Encinitas he maha ngā Karakia o te Rā. Pērā i ngā māki o mua, e hia rau ngā ākonga i titiro atu me te miharo ki te merekara o ia rā, te karakia ahi o te rā i te rangi rawhiti. Ki te hauauru ko te Moana-nui-a-Kiwa e kore e mutu, e haruru ana i ana whakamoemiti nui; i tawhiti, he poti ma iti, me te rere mokemoke o te kāhu. "E te Karaiti, kua ara koe!" Ehara i te mea ko te rā kōanga anake, engari ko te ata mutunga kore o te Wairua!

He maha ngā marama harikoa i tere haere; i roto i te rangimārie o te ataahua tino pai, ka taea e au te whakaoti i te whare karakia tētahi mahi kua roa e whakaarohia ana, ko *Cosmic Chants*. I tīmata ahau ki ngā kupu Ingarihi me ngā tohu waiata o te Hauāuru mō ngā waiata e whā tekau, ko ētahi he mea taketake, ko ētahi he mea whakarerekētia e au ngā rangi tawhito. I roto ko te waiata Shankara, "Kāore he Whānautanga, Kāore he Mate"; e rua ngā waiata tino pai a Sri Yukteswar: "E ara, e

ara, e taku Tapu!" me "E hiahia ana, e taku Hoariri Nui"; te waiata Sanskrit "Hymn to Brahma"; ngā waiata tawhito a Bengali, "What Lightning Flash!" me "They Have Heard Thy Name"; a Tagore "Who is in my Temple?"; me ētahi o aku waiata: "I Will be Thine Always," "In the Land beyond my Dreams," "Come Out of the Silent Sky," "Listen to my Soul Call," "In the Temple of Silence," me "Thou Art my Life."

Mō he kupu whakataki ki te pukapuka waiata ahau i kōrerotia anō taku tuatahi tino pai wheako me te te aro o

ngā tāngata o te Hauāuru ki ngā hau karakia ataahua o te Rawhiti. Ko te wā i puta ai he kauhau tūmatanui; i te wā, 18 o Āperira, 1926; ko te wāhi, ko Carnegie Hall i New York.

"E Mr. Hunsicker," i whaki atu ahau ki tētahi tauira Amerikana, "kei te whakaaro ahau ki te tonono atu ki te hunga whakarongo kia waiatatia tētahi waiata Hinitū tawhito, 'E te Atua Ataahua!'"

"E te Ariki," te whakahē a Mr. Hunsicker, "he mea tauhou ēnei waiata o te Rawhiti ki te māramatanga o Amerika. He mea whakamā mēnā ka poke te kauhau i te kōrero mō ngā tōmato kua pakari rawa!"

I kata ahau, ā, kāore i whakaae. "He reo ao whānui te puoro. Kāore e kore ka rongo ngā Amerikana i te wawata wairua i roto i tēnei waiata rangatira." **48-2**

I te wā o te kauhau, i noho a Mr. Hunsicker i muri i ahau i runga i te papaaho, me te wehi pea mō tōku haumaruru. Kāore he pūtake o ana feaa; ehara i te mea ko te korenga o ngā huawhenua kāore i te manakohia, engari mō te haora me te rua tekau mā rima meneti, ko te waiata "E te Atua Ataahua!" i tangi tonu. mai i toru mano ngā korokoro. Korekore kāore roa ake, e te aroha Hou Ngā tāngata o Ioka; tōu i rere ngā ngākau i roto i te rangi harikoa! I puta ngā whakaora atua i taua ahiahi i waenganui i te hunga karakia e waiata ana me te aroha ki te ingoa o te Ariki.

Kāore i roa te noho mokemoke o te kaiwaiata tuhituhi i roto i taku mahi. Kāore i roa ka wehea e au ia rua wiki i waenga i a Los Angeles me Encinitas. Ngā karakia Rātapu, ngā akomanga, ngā kauwhau i mua i ngā karapu me ngā kāreti, ngā uiuinga me ngā ākonga, ngā rerenga reta tonu, ngā tuhinga mō *te Rawhiti-Hauaauru*, te aronga o ngā mahi i Inia me ngā pokapū iti maha i ngā tāone o Amerika. Kei waenganui i ngā whenua ataahua o DC, kei roto te whare karakia rangatira i tētahi wāhanga o te tāone e kiia nei ko "Friendship Heights." Ko Swami Premananda te kaiārahi o Washington, i kuraina ki te kura o Ranchi me te Whare Wānanga o Calcutta. I karangatia ia e au i te tau 1928 hei kaiārahi mō te pokapū Washington Self-Realization Fellowship.

"E Premananda," i mea atu ahau ki a ia i taku haerenga ki tōna temepara hou, "he whakamaharatanga kohatu tēnei tari matua o te Rawhiti mō tō aroha nui. I konei i te tāone matua o te motu kua hikitia e koe te māramatanga o ngā kaupapa a Lahiri Mahasaya."

I haere tahi māua ko Premananda i Washington mō tētahi haerenga poto ki te pokapū Self-Environment Fellowship i Boston. He tino harikoa te kite anō i te tira *Kriya Yoga* i noho pūmau mai i te tau 1920! Nā te kaiārahi o Boston, nā Tākuta MW Lewis, māua ko taku hoa i noho ki tētahi rūma hou, he mea whakapaipai ki ngā mahi toi.

"E te Ariki," te kī a Tākuta Lewis ki ahau, me te menemene, "i ō tau tōmua i Amerika i noho koe i tēnei tāone i roto i te rūma kotahi, kāore he kaukau. I hiahia ahau kia mōhio koe he maha ngā whare papai kei Boston!"

Kua roa haere ngā atarangi o te parekura e tata mai ana ki te ao katoa; kua rongo kē te taringa koi i ngā pahu whakamataku o te pakanga. I roto i ngā uiuinga ki ngā mano tini i California, me roto i ngā reta puta noa i te ao, i kitea e au kei te rapu hohonu ngā tāne me ngā wāhine i ō rātou ngākau; ko te āhua pōuri o waho i whakanui i te hiahia mō te Eternal Anchorage.

"Kua tino ako mātou i te uara o te whakaaroaro," te tuhituhi a te kaiārahi o te pokapū London Self-Realization Fellowship ki ahau i te tau 1941, "ā, e mōhio ana mātou kāore he mea e taea te whakararuraru i tō mātou rangimārie o roto. I ngā wiki kua taha ake nei i roto i ngā hui, kua rongo mātou i ngā whakatūpato mō ngā whakaekenga ā-rangi, ā, kua whakarongo hoki ki te pahūtanga o mahi whakaroa ngā poma, engari tō mātou ngā ākongā tonu kohikohi me tino kia pai tō mātou ratonga ataahua."

I tae mai tētahi atu reta ki ahau i Ingarangi i pakaru i te pakanga i mua tata tonu i te urunga o Amerika ki te pakanga. I roto i ngā kupu whakamīharo, i tuhituhi a Tākuta L. Cranmer Byng, te ētita rongonui o *The Wisdom Of The East Series* :

"I taku pānui i te pukapuka *East-West*, ka kite ahau i te tawhiti o tā māua noho tahi, te āhua nei e noho ana māua i roto i ngā whare e rua." ngā ao rerekē. Ka tae mai te ataahua, te tikanga, te marino, me te rangimārie ki ahau i Los Angeles, e rere ana ki te tauranga hei he waka e kī ana i ngā manaakitanga me te whakamarie o te Kara Tapu ki tētahi tāone e tukinotia ana.

"E kite ana ahau, me te mea he moemoeā, i tō ngahere nikau, me te temepara i Encinitas me ōna toronga moana me ōna tirohanga maunga, ā, i runga ake i ngā mea katoa, i tōna whanaungatanga o ngā tāne me ngā wāhine wairua, he haporī e whakakotahihia ana i roto i te kotahitanga, e uru ana ki te mahi auaha, ā, e whakakīia ana i roto i te whakaaroaro. Ko te ao o taku ake tirohanga, i roto i te hanganga i tumanako ahau ki te kawē i taku wāhanga iti, ā, ināianei...

"Tērā pea i roto i te tinana e kore rawa ahau e tae ki ō takutai koura, e kore hoki e karakia ki roto i tō temepara. Engari he mea nui ake, he mea nui ake, te kite i te moemoeā, me te mōhio kei waenganui i te pakanga kei te noho tonu te rangimārie i roto i ō koutou tauranga me ō koutou pukepuke. Ngā mihi ki te katoa o te Rōpū mai i tētahi hōia noa, kua tuhia ki runga i te pourewa mataara e tatari ana mō te ata."

Nā ngā tau pakanga i ara ake ai te wairua o ngā tāne kāore anō kia uru atu ki ā rātou mahi whakangahau te ako i te Kawenata Hou. He inu reka mai i ngā otaota kawa o te pakanga! Hei whakamātau i te hiahia e tipu haere ana, i hangaia, ā, i whakatapua he Hāhi Whakakitenga-Iho iti whakahihiri o ngā Karakia Katoa. i roto 1942 i Hollywood. Te pae ngā mata Oriwa Puke me te tawhiti Ngāro Te Whare Taonga o Angeles. Ko te whare karakia, he kikurangi, he mā, he koura te āhua, e whakaatahia ana i waenganui i ngā haikineti wai i roto i tētahi puna kaukau nui. He kanapa ngā mārā i ngā putiputi, i ētahi tia kōhatu ohorere, i tētahi karaihe tae. he

pergola, me tētahi puna hiahia ataahua. I roto i ngā pene me ngā hiahia kaleidoscopic o te tangata, he maha ngā wawata parakore mō te taonga kotahi o te Wairua! Ka puta mai he atawhai whānui mai i ngā āputa iti me ngā whakapakoko o Lahiri Mahasaya me Sri Yukteswar, me Krishna, Buddha, Confucius, Hato Francis, me tētahi whakaahua ataahua o te Karaiti i te Hakari Whakamutunga.

I whakatūria tētahi atu Hāhi Whakakitenga-Whaiaro o ngā Hāhi Katoa i San Diego i te tau 1943. He temepara marino kei runga i te pukepuke, e tū ana i roto i te awaawa pari o te ūkaraiti, e titiro atu ana ki te kokoru kanapa o San Diego.

I tētahi ahiahi, i ahau e noho ana i tēnei wāhi marino, e ringihia ana e au ōku ngākau ki te waiata. I raro i ōku maihao ko te ōkana reka o te whare karakia, i runga i ōku ngutu ko te tangi a te tangata Bengali tawhito.

tangata karakia ko wai i a i rapua mō mutunga kore whakamarie:

I roto tēnei ao, Whaea, kāore kēne aroha ahau;
I tēnei ao, kāore rātou e mōhio ki te aroha
atua. Kei hea rā te aroha parakore?
Kei hea te aroha pono ki a Koe?
Kei reira te hiahia o tōku
ngākau.

I ataata pakupaku taku hoa i te whare karakia, a Tākuta Lloyd Kennell, te kaiārahi
pokapū o San Diego, i te rongonga i ngā kupu o te waiata.

"Kōrero mai ki ahau, e Paramhansaji, he pai te utu?" I titiro mai ia ki ahau me te
ngākau pono. I marama ahau ki tana pātai poto: "I harikoa koe i Amerika? Ā, me
pēhea ngā pōuri, ngā mamae o te ngākau, ngā kaiārahi pokapū kāore i taea te
ārahi, ngā ākonga kāore i taea te whakaako?"

"Ka manaakitia te tangata e whakamatautauria ana e te Ariki, e Tākuta! Kua mahara
ia i ētahi wā ki te whakatakoto i tētahi kawenga ki runga i ahau!" I whakaaro ahau i
taua wā ki te hunga pono katoa, ki te aroha me te pono me te māramatanga kei
waenganui o Amerika. Me te āta whakanui i te whakaaro, ka haere tonu ahau,
"Engari ko taku whakautu: Āe, kotahi mano ngā wā āe! He mea whai hua; he mea
whakahihiko tonu, nui atu i taku i moemoeā ai, te kite i te Hauāuru me te Rawhiti e
whakatata mai ana i roto i te hononga pumau anake, te wairua!"

I roto i te puku, ka tāpirihia e au tētahi inoi: "Kia rongo a Babaji rāua ko Sri
Yukteswarji kua oti i ahau taku mahi, ā, kia kore ai e whakapōrearea i te tumanako
nui i toonoa mai ai ahau e rāua."

ahau tahuri anō ki te ōkana; tēnei wā taku waiata i pōuriuri me he whawhai toa

Ka whakakino te wira huri o te Wā i
te maha o ngā orange o te marama me
ngā whetu, me te maha o ngā ata
ataata kanapa - Engari kei te haere
tonu tōku wairua!

I whakataetae te pōuri, te mate, me
ngā hinganga; I kaha rawa tā rātou

ngana ki te aukati i tōku ara;
Taku pakanga ki te hae He kaha te
taiao - Engari kei te haere tonu taku
wairua!

I te wiki o te Tau Hou o te tau 1945 i mahi ahau i taku rūma ako i Encinitas, e whakahou ana i te tuhinga o tēnei pukapuka.

"E Paramhansaji, tēnā haere mai ki waho." I te haerenga mai o Tākuta Lewis i Boston, ka menemene mai ia ki ahau me te tono mai i waho o taku matapihi. Kāore i roa ka hiko māua i raro i te rā. I tohu taku hoa ki ngā pourewa hou e hangaia ana i te taha o te whenua o Fellowship e tata ana ki te huarahi nui o te takutai.

"E te Ariki, kua kite ahau i ngā whakapainga maha mai i taku haerenga whakamutunga." E rua ngā haerenga mai a Tākuta Lewis i te tau mai i Boston ki Encinitas.

"Āe, e Tākuta, kei te tīmata te kaupapa kua roa nei e whakaarohia ana e au ki te whai āhua tuturu. I roto i ēnei taiao ataahua kua tīmatahia e au tētahi koroni iti o te ao. Ko te whanaungatanga te kaupapa matua, he pai ake te māranga mā te tauira, kua mā te ako! Mā tētahi rōpū iti, kotahi te wairua, i konei ka taea te whakaaweawe i ētahi atu hāpori pai o te ao."

"He whakahīhi whakaaro, e te rangatira! Te koroni ka tino kia he angitu mēnā te katoa pono e mahi ana tāna wāhanga!"

"He kupu whānui te 'Ao', engari me whakanui te tangata i tōna pono, me te whakaaro ki a ia anō i roto i te maramatanga o te tangata whenua o te ao," ka haere tonu ahau. "Ko te tangata e tino whakaaro ana: 'Ko te ao tōku whenua tupu; ko Amerika tōku, ko Īnia tōku, ko Piripīni tōku, ko Ingarangi tōku, ko Āwherika tōku,' e kore rawa e hapa i te wāhi mō te oranga whai hua me te harikoa. Ka mōhio tōna whakapehapeha ā-rohe ki te whānui mutunga kore; ka hono atu ia ki ngā ia auaha o te ao."

I tū māua ko Tākuta Lewis i runga ake i te puna kaukau rēmana e tata ana ki te whare karakia. I raro iho i a māua ko te Moana-nui-a-Kiwa mutunga kore.

"Ka pakaru ōrite ēnei wai i ngā takutai o te Hauāuru me te Rawhiti, i California me Haina." I whiua e taku hoa tētahi kōhatu iti ki roto i te tuatahi o ngā moana e whitu tekau miriona maero tapawha te rahi. "He wāhi tohu a Encinitas mō tētahi koroni o te ao."

"He pono tēnā, e Tākuta. Ka whakaritea e mātou he maha ngā huihuinga me ngā Huihuinga Whakapono ki konei, me te karanga i ngā māngai mai i ngā whenua katoa. Ka whakairihia ngā haki o ngā iwi ki roto i ō mātou whare. Ka hangaia he temepara iti ki runga ake i te whenua, i whakatapua ki ngā whakapono matua o te ao."

"I te wā e taea ai," ka haere tonu ahau, "kei te whakaaro ahau ki te whakatuwhera i tētahi Whare Yoga ki konei. Kua tīmata noa te tūranga manaakitanga o *Kriya Yoga* i

te Hauāuru. Kia mōhio ngā tāngata katoa kei reira tētahi tikanga pūtaiao tūturu mō te mōhio ki a ia anō hei wikitoria i ngā mamae katoa o te tangata!"

Ngā kaikōrero i tētahi Hui Iwi-ā-iwi i San Francisco i te tau 1945 i te wā i karangatia ai te Hui Rangimārie. (Mai i te mau ki te matau) Tākuta Maneck Anklesaria, John Cohee, ahau, Hugh E. MacBeth, Vince M.

Ko te Hāhi Whakatutuki-i-a-Iho o ngā Hāhi Katoa i Washington, DC, ko tōna kaiārahi, ko Swami Premananda, kei konei tahi māua i te whakaahua

Taku rangatira matua, noho i roto te marino rōhi tū, Kolkata, 1936

I te pō roa, i kōrero mai taku hoa aroha - te *Kriya Yogi tuatahi* o Amerika - ki ahau mō te hiahia mō ngā koroni o te ao i whakatūria i runga i te kaupapa wairua. Ko ngā mate e pā ana ki tētahi whakaaro tangata e kiia nei ko te "hapori" ka taea te whakatakoto i te pono ki te tatau o te Tangata Katoa. Me puāwai te Utopia i roto i te uma tūmataiti i mua i te puāwaitanga o te pai o te iwi. He wairua te tangata, ehara i te whare; ko ōna whakarerekētanga o roto anake ka taea te tuku pumau ki ngā whakarerekētanga o waho. Mā te aro nui ki ngā uara wairua, te mōhio ki a ia anō, ka whai mana te koroni e whakaatu ana i te whanaungatanga o te ao ki te tuku i ngā wiri whakahihiri ki tua atu i tōna rohe.

15 o Ākuhata, 1945, te mutunga o te Pakanga Tuarua o te Ao! Te mutunga o te ao; te ata o te Wā Ātomi ngaro! I huihui ngā tāngata noho o te whare karakia ki te whare matua mō te inoi whakawhetai. "E te Matua i te Rangi, kaua rawa e pērā anō! Ka haere āu tamariki hei teina!"

Kua ngaro te taumahatanga o ngā tau pakanga; i ngunguru ō mātou wairua i te rā o te rangimārie. I titiro harikoa ahau ki ia o ōku hoa Amerikana.

"E te Ariki," ahau whakaaro me te whakawhetai, "Koe hohoro i hoatu tēnei mōneka he nui whānau!"

He iti tāone i runga Takutai Huarahi Matua 101, Encinitas ko 100 maero tonga o Ngāro Ānehera, me 25 maero :48-1

Te Taonga o te Whakaaro Nui

Paramhansa Yogananda
Ngā tuhinga wairua

**Ngā tirohanga poto mai i te oranga o te tangata
whakaaro nui**

Nā Shri Daya Mata, te perehitini o mua o te Self-
Knowledge Society

Nāna i tuhi ngā whakaakoranga a te kaiako a
Paramhansa Yogananda, ā, i tiaki hoki i aua whakaakoranga
.mō ngā whakatipuranga

I taku kitenga tuatahi i a Paramhansa Yogananda, e
whaikōrero ana ia ki tētahi hunga whakarongo nui, miharo
.hoki i Salt Lake City i te tau 1931

I ahau e tū ana i te kokonga o muri o te whare kī tonu i
te tangata, kāore au i te mōhio ki ngā mea katoa e karapoti
.ana i ahau engari ko te kaikorero me āna kupu

I rumakina katoatia tōku tinana e te whakaaro nui me te
aroha atua i rere mai ki roto i tōku wairua, i whakakī i tōku
ngākau me tōku hinengaro. Ko tāku anake i whakaaro ai, "E
aroha ana tēnei tangata ki te Atua, pērā i taku hiahia kia
aroha ki a ia. E mōhio ana ia ki te Atua, ā, koinā taku e whai
.ai." Ā, koinā taku i mahi ai mai i taua wā tonu

I a au e rongo ana i te mana wairua kororia o āna kupu i
roto i tōku ao i aua tau tōmua me taku kaiako rongonui, a
Paramhansa, ka ara ake he wairua kaha ki roto i ahau ki te
tuhi me te tiaki i āna kōrero whakaaro nui mō te ao katoa,
.mō ngā whakatipuranga katoa

He waimarie, i roto i ngā tau maha o taku hononga ki a
Kaiwhakaako Paramahansa, i tuhia e au āna kauwhau me
āna tohutohu whaiaro—he taonga nui, he taonga nui o te
.whakaaro nui whakamiharo me te aroha atua ahurei

I tino rere te hihiri o te kaiako anahera, i kitea i roto i
tana kōrero tonu; he maha ana kōrero mō ētahi meneti i ia
.wā, kāore he wā, i ētahi wā mō te haora katoa

I a ia e noho ana me te miharo me te miharo, ka tere
rawa te neke o taku pene! I a au e tuhi ana i ana kupu mā te
whakamahi i te reo poto, i rite ahau ki te mea kua heke mai
tetahi manaakitanga ahurei, e whakamāori tonu ana i te reo
.o te kaiako ki ngā tohu poto i runga i ngā whārangi

Ko te whakamāori i tēnei tuhinga ki te tuhituhi noa, he mahi tapu, he mahi manaakitanga hoki, tae noa mai ki tēnei rā. Ahakoa i muri i ēnei wā katoa, ko ētahi o aku kitenga i neke atu i te whā tekau tau te roa, ina tīmata ahau ki te whakamāori, ka kitea e au he mea hou tonu i roto i tōku hinengaro, me te mea i tuhia inanahi, tae noa ki te wā ka taea e au te whakarongo—i roto i ia kīanga—ki te reo motuhake o te Ariki anahera, i roto i ngā hohonutanga o tōku .wairua

Kāore i te tino rite te kaiako i ana kauhau. Mēnā i whakarite ia, tera pea ko te tuhi tere me te poto i ētahi kōrero. I a ia e haere ana ki te temepara, ka pātai ia ki tētahi o mātou—i roto i te motuka—e mea ana "He aha te kaupapa o taku kauhau i tēnei rā?" Ka " arotahi tōna hinengaro ki te kaupapa, kātahi ka whakapuaki i te kauhau i waho tonu i te wā poto, me te tango mai i te .puna o roto o te whakaaweawe tapu I pānuitia ngā kaupapa o ngā kauhau a te kaiako i roto i ngā whare karakia, engari i ētahi wā he rerekē rawa te mahi .a tōna hinengaro i tana tīmatanga ki te kōrero Ahakoa te kaupapa o te rā, i kōrero te kaiako i ngā pono i pūmau i tōna hinengaro i taua wā, me te ringihia tonu mai o te mātauranga whakahirahira mai i tōna wheako wairua me tōna māramatanga ā-roto. I te mutunga o te kauwhau, he tokomaha ngā tāngata e puta mai ana ki mua ki te whakapuaki i ō rātou whakawhetai mō te whakamārama i homai e ia ki a rātou mō tētahi take i whakararuraru i a rātou, mō te whakamārama rānei i tētahi whakaaro rapunga .whakaaro i tino pārekareka ki a rātou I ētahi wā, i a ia e kauwhau ana, ka rere teitei te hinengaro o te kaiako, ā, ka wareware ia ki te hunga whakarongo mō tētahi wā poto, ka kōrero tika ki te Atua. Kī .tonu tōna tinana katoa i te hari, i te aroha o te Atua

I aua āhua o te hinengaro teitei ake, i tino ōrite tōna
hinengaro ki te hinengaro atua, nō reira i kite ia i te pono i
.roto i a ia anō, ā, i whakaahua i ana wheako me ana kitenga
Tērā pea i matakū ētahi atu i te aroaro kanapa o
Paramhansa Yogananda, engari nā tōna mahana, tōna āhua
ngāwari, me tōna ngākau mahaki i whakaoho tonu te
rangimārie me te marino ki roto i te hunga katoa i reira. I rite
ia tangata ki te mea ko ngā kupu a te rangatira te mea i
.kōrerotia ki a rātou ake

Ko te whakakatakata me te wairua māhaki ngā
āhuatanga ataahua o te kaiako. Mā te kīanga i whiriwhiria
marietia, te nekehanga whai tikanga, te āhua kanohi
ataahua rānei, ka taea e ia te whakaoho i tētahi urupare hoa
me te kata nui i te wā tino tika hei whakamārama i tētahi
take, hei whakamarie rānei i te hunga whakarongo i muri i te
arotahi hinengaro roa me te kaha ki tētahi kaupapa
.motuhake, ki tētahi take hohonu me te ngawari rānei
Kāore e taea e te tangata te tuhi i ngā āhuatanga ahurei
ki roto i te pukapuka He kanapa, he hihiri, he aroha te āhua
whānui o Paramhansa Yogananda. Heoi, ko taku tumanako
iti i roto i tēnei whakamāoritanga poto he whakarato i tētahi
tirohanga whaiaro hei whakarei ake i te harikoa me te
.maioha o te kaipānui ki ana whakaakoranga

Nō te kitenga i taku kaiako ā-āngere i roto i te tino
ōritetanga me te tapu ki te Aroaro Tapu, ā, nō te rongonga i
ngā pono nui me te ringihanga mai o tōna wairua momona;
nō te tuhi i ana whakaakoranga nui mō ngā whakatipuranga
katoa; ā, nō te tuku atu i ēnei ki ngā ringa o ngā kaipānui,
!kāre e taea e au te kore e karanga: Āe, tōku hari nui
Ka inoi atu ahau ki te Atua Kaha Rawa kia huakina e ngā
kupu rangatira a te kaiako ngā tatau o te whakapono pakari
ki te Atua me te aroha atua ki a ia i roto i ngā ngākau o te
.hunga e hiahia ana ki tēnā

Te Ariā o te Whakawhānautanga Ka taea te whakamātau pūtaiao

Ki te whakapono te tangata ki tētahi Atua tika i te ao
whānui, ka māmā ake te whakaae ki te ariā o te
whānautanga anō, nā te mea e hono tahi ana ngā ariā e rua.
Engari, me pēhea rā te hunga whakahē me te hunga kore
atua? Ka taea te whakamātau pūtaiao i te mooni o te
whānautanga anō kia ea ai ō rātou hiahia? Ā, ka taea te
tātari pūtaiao pakari i te ariā o te whānautanga anō, ehara i
te mea hei tuku tumanako anake engari hei whakarato
?taunakitanga mō tōna pono

E kī ana ngā kaipūtaiao rauemi kāore anō kia kitea he
taunakitanga tūturu mō te noho o te Atua, nō reira, kāore e
taea e rātou te whakarato i tētahi taunakitanga mō te noho o
Tana ture tika e hoatu ana i ngā whai wāhitanga ōrite ki ngā
tāngata katoa kia whanake me te ahu whakamua mā te hoki
.ki te tinana tangata

Ko te mamae o ngā tamariki harakore, te hē, me te
koretake o te ao, ki tā ēnei kaipūtaiao, he mea koretake, he
mea kore e taea te whakamārama, e tohu ana i te korenga o
.tētahi kaihanganga tika

I tētahi atu taha, ko te nuinga o te hunga whakapono ki
te Atua tika, taurite hoki e whakatakoto ana i ō rātou
whakapono ki te whakapono anake, kāore he taunakitanga
hei tuku ki te hunga kāore e whakapono. He maha tonu ā
rātou whakaroa ki te tiro tiro i tō rātou whakapono, ki te pātai
rānei i runga i te arorau i te wehi kei ngaro, kei puta rānei he
raruraru hapori. Ara , kāore rātou i te mōhio ki tētahi ture
pūtaiao, ture wairua rānei hei whakamana i ō rātou
.whakapono

Engari he aha te take kāore te ture wairua e tirotirohia
ana me te kaha, pērā i ngā tikanga whakamātautau a ngā
kaipūtaiao hei hura i ngā āhuatanga taiao? I pātaihia tēnei
pātai i ngā rautau kua pahure ake nei e ngā tohunga wairua i
Īnia, ā, i tūao rātou ki te whakautu? I puta mai i ā rātou
whakamātautau ngā tikanga pūtaiao ka taea e te tangata te
whakamahi hei hura i te ture wairua, ā, nō reira, kia mārama
.ai ki te whānautanga me ngā pono katoa o te ao
I te mea kei te mau tonu ngā huarahi hei whakaatu i te
pono, kāore he tika o tetahi ki te kī he hē te hokinga ki te
whanoke me ētahi atu ture wairua, ki te kore ia e
whakamātau i ngā tikanga, e kite ana hoki i ngā āhuatanga o
.te ao tūroa

He tika tā te tangata tairongo ki te ao taiao ki te
whakapuaki i ōna whakaaro, engari he whakaaro noa iho,
.ehara i te meka

I roto i ngā pūtaiao taiao, me whai i ngā tikanga
motuhake hei whakamana i tētahi ariā e tirotirohia ana.
Kāore e kitea ngā iroriki e te kanohi tahanga, nō reira me
whakamahi i te karu hiko hei tirotiro i a rātou. Mena ka
whakakahore tetahi ki te titiro mā te karu hiko, kāore e taea
te kī kua tirotirohia, kua whakamanahia hoki e ia te ariā o te
noho o ngā iroriki. Nō reira, kāore he mana o ō rātou
whakaaro nā te mea kāore i whai i ngā ture kua tūtohutia hei
.whakamana i te mana o te ariā

Pērā anō hoki mō te wairuatanga. Kua titoa ngā tikanga,
kua whakatūria ngā ture, ā, kua tukuna ngā hua ki te hunga
e hiahia ana ki te whakamātautau. Heoi, i te ao Uru, nā te
korenga o tētahi tikanga pūtaiao hei tirotiro i ngā ture wairua
kua tino whakaiti i te uara o te whakapono hei mana nui i
roto i te oranga o te tangata. Ka awhihia, ka whakakahoretia
rānei ngā kaupapa wairua i runga i ngā whakapono takitahi,
kaua e kiia koinei te hua whakamutunga o te ako hohonu me
.te uiuinga wairua pūnaha

I pēhea te huraina e ngā tohunga Inia o mua i ēnei ture
ā-ao e kore e taea te whakarerekē? Mā te whakahaere i ngā
whakamātautau mō te oranga me te whakaaro o te tangata i
roto i ngā taiwhanga o ō rātou whare karakia. Hei māranga ki
te āhua o ngā mea taiao, me whakamātau tātou ki ngā
rauemi taiao. Waihoki, hei kimi i te pono mō te whānautanga
anō, te whakawhiti rānei o te wairua kotahi i roto i ngā
tinana maha, me whakahaere ngā whakamātautau mō te
.hinengaro tangata

I kitea e ēnei tohunga o mua kāore e rerekē te āhua o te
tangata i te roanga o te oranga o te tangata, ahakoa ngā
wheako me ngā rerekētanga o te whakaaro i te wā e oho
ana, e moemoeā ana, e moe kore moemoeā ana. I kitea e
rātou ka rerekē ngā kare ā-tinana, te taiao, ngā whakaaro,
me ngā āhua tinana, engari ko te āhua o te tangata, te ego
.rānei, kāore e rerekē mai i te whānautanga ki te matenga
Kua whakaūtia e ngā kaipūtaiao whakamātautau o Inia
mā te arotahi ki te whaiaro mā te aroturuki tonu, te mōhio,
me te motuhake i a ia, me te kore e aro ki ngā āhua hurihuri
o te araara, te moemoeā, me te moe kore moemoeā, ka taea
e te tangata te kite i te āhua pumau me te mutunga kore o
.te whaiaro

He maha ngā wā ka mōhio te tangata ki tētahi o ēnei
āhua. E mōhio ana rātou i a rātou e ara ana, ā, i ētahi wā ka
mōhio anō hoki rātou ki tō rātou āhua moemoeā. Ehara i te
mea onge te whakaaro kei te moemoeā te tangata i a ia e
.moemoeā ana

Mā roto i ētahi tikanga me ngā mahi, ka taea e te
tangata te pupuri i te mōhiotanga mō ia āhua kua
whakahuatia i runga ake nei. Tērā pea ka taea e rātou te eke
ki te āhua tuawhā—te āhua manaakitanga o te mōhiotanga
.teitei ake

I te wā moe, ka puta te whakangā ā-ringa i te mea ka
memeha haere ngā mahi a ngā io me ngā kare ā-roto. Mā te
mahi, ka taea te whakaoho i tēnei whakangā i a koe e ara

ana, ā, mā te whakapau kaha. I te moe hōhonu, i te mate
rānei, ka puta te whakangā katoa i te mea ka tangohia te
kaha ora mai i te ngākau me te taurakira. Mā te
whakaaroaro hōhonu, ka taea te whakaoho i tēnei whakangā
katoa i a koe e ara ana. Ara, ka taea te whakahaere ā-ringa
me te āta whakaaro i ngā mahi tinana katoa mā roto i ngā
.mahi whakakori tinana motuhake

I whakatau ngā tohunga o Īnia o mua ko te mate te
tangohanga o te kaha ora mai i te rama o te tinana tangata,
tae atu ki ōna io, ōna kare ā-roto, me ngā tini hongere o te
kaha ora. Pērā i te kore e mate te hiko ina tangohia mai i te
pūrama rama pakaru, waihoki kāore te kaha ora e ngaro ina
tangohia mai i ngā io kore e taea te whakahaere. Kāore e
taea te whakangaro i te kaha. Ka tangohia atu i te tinana i te
.matenga ka hoki ki te kaha o te ao

I te wā moe, ka mutu te mahi a te hinengaro pūoro i te
mea ka tangohia te hiko i roto i ngā io mō tētahi wā. I te
matenga, ka mutu te whakaatu a te hinengaro tangata i a ia
anō i roto i te tinana, ka rite ki te ringa pararutiki; e mōhio
ana tōna rangatira ki tōna aroaro engari kāore e taea te
whakahaere, te mahi rānei i runga i taua mea. E whakaahua
ana ngā tuhinga hauora i te take o tētahi minita i uru ki te
koma, ā, i rongo i te hunga i tōna taha e tangi ana mō tōna
matenga, engari kāore i taea e ia te whakapuaki i ōna kare
ā-roto mā roto i ngā mahi a tōna tinana. I mutu ohorere ana
mahi tinana, ā, i kore e aro ki ana whakahau hinengaro. I
muri i te noho i ngā haora e rua tekau mā whā i roto i tēnei
āhua, ā, i te wā tonu ka tata ia te kawē atu mō te
tanumanga, ka whakapau kaha ia, ā, ka taea e ia te neke. E
whakaatu ana tēnei kaupapa i te pumau o te whakaaro ki a
.ia anō ahakoa te āhua kore ora o te tinana

E mea ana te hunga whakaaro nui me wehe motuhake
te mahi me te hinengaro i te tinana, me āta tiro tiro i te āhua
o te moe, me te mahi i te tango tūao i te mahi hinengaro mai
i te ngākau me ngā pokapū tuaiwi. Mā te mahi pera, ka ako

te tangata ki te whakaae ki ngā mea ka pā mai ki a rātou,
.me te kore e mōhio, me te kore e hiahia e rātou
Ka uru te pūngao ora ki te tinana mā te medulla
oblongata, ka rongoatia ki te puna o te roro. Kātahi ka heke
ki ētahi atu pokapū ora me te hinengaro e rima i roto i te
tuaiwi, ka tohatohahia ki ngā whekau rongo me te toenga o
.te tinana

I te matenga, ka tangohia katoatia te kaha ora ki te
tuaiwi ka wehe atu i te tinana mā te medulla oblongata. Ka
taea e te yogi mohio, mā te hiahia me te mōhio, te tango i
tēnei kaha ora mai i te tinana me ngā kare ā-roto ki te tuaiwi
ka tukuna ki ngā pokapū teitei o te tirohanga tapu, ki reira
ka wheako i te harikoa o te "mate" - arā, te wetekina mai i
ngā mānukanuka kare ā-roto e puta mai ana i te piri ki te
.mōhiotanga tinana iti

Kei roto i ngā tuhinga a ngā tākuta Wīwī me ētahi atu o
Ūropi tētahi take kua tuhia mō tētahi tangata ko Sadhu
Haridas tōna ingoa, i te kooti o te Emepara Inia a Rajneet
Singh. E whakaatu ana tēnei take i taea e Sadhu Haridas te
wehe i tana mahi ora me tōna hinengaro mai i tōna tinana,
kātahi ka hono anō i muri i ētahi marama. I tanumia tōna
tinana ki raro i te whenua, ā, i raro i te tiro tiro pakari, i te ao,
i te pō mō ētahi marama. I te mutunga o tēnei wā, i keria
tōna tinana, ā, i tiro tirohia e ngā tākuta Ūropi, nā rātou i kī
kua mate ia. Heoi, i muri i ētahi meneti i tēnei
whakapuakitanga, ka whakatuwherahia ōna kanohi, ā, ka
hoki anō ki te mana whakahaere i ana mahi tinana katoa, ā, i
ora ia mō ngā tau maha i muri mai. I ako ia mā te mahi me
pēhea te whakahaere i ngā mahi kore e taea te whakahaere
i tōna tinana me tōna hinengaro. He tohunga wairua ia i
whakahaere i ngā whakamātautau wairua i tūtohutia e ngā
tohunga kia mārama ai ki te āhua tūturu o te ture o te ao. Nō
reira, i taea e ia te whakamatau i te haere tonu o te oranga
tangata i muri i te matenga me te kore e pirau o te wairua
.ora tonu

Ko te hunga e hiahia ana ki te whakamatau i te pono
pūtaiao o te whānautanga anō me whakaatu tuatahi i te
haere tonu o te hinengaro i muri i te matenga mā te wehe ā-
hinengaro i te tinana mai i te wairua. Ka taea tēnei mā te
whai i ngā ture i whakatūria e ngā tohunga wairua Inia i ngā
rautau kua pahure. Ina ako te tangata ki te ara ake i te wā e
moe ana, ki te whakaoho moemoeā i tana hiahia, me te
wehe ā-hinengaro i ngā tikanga e rima—kaua e noho noa iho
pērā i te wā e moe ana—ā, ina ako rātou ki te whakahaere i
te mahi a te ngākau, ka taea e rātou te wheako i te matenga
ā-hinengaro, i te āhua kore mohio o te tinana rānei (ehara i
.te āhua kore mohio)

E mea ana ō tātou tohunga, e mōhio ana te tangata ki a
ia anō i ngā wāhanga katoa o te tamarikitanga, te
taitamarikitanga, me te koroheketanga. E mōhio tonu ana te
wairua tinana ki ngā āhua katoa e pā ana ki te tangata, tae
atu ki te whiwhi tinana hou i muri i te matenga me te neke i
waenga i te ao tinana me te ao wairua. Kāore e tautohetia
.tēnei pono e te hunga mātau ki te pūtaiao wairua
Mā te whakamahi i ngā tikanga e arahi ana ki ngā āhua
e whā kua whakahuatia ake nei, ka taea e tātou te whai i te
whaiaro i roto i ōna āhua o te oranga. Ka taea e tātou te
whai mārire i a ia i te wā o te matenga, i tōna kopikopiko i te
wāhi ao, me tōna hokinga mai ki te ora i roto i tētahi tinana

Ko te hunga kāore i te akona ki ēnei mea, kāore e taea e
rātou te mau tonu te māramatanga i te wā e moe nui ana:
arā, te mate. Nō reira, kāore e taea e rātou te mahara ki
tētahi āhua o mua i pā ki a rātou, tae atu ki ngā wā o te
."moe hohonu" i roto i te kotahi oranga

Mā te tango i ngā tikanga a ngā tohunga o Inia o mua i
whakamātautau, i whakamātau hoki i aua ture, ā, i hoatu
hoki ki te ao he mātauranga utu nui, he mātauranga ka taea
te whakamana, ka taea e te tangata te ako i te pono pūtaiao
.mō te whānautanga anō me ngā pono mutunga kore katoa

Te ataata o te wairua

Ko te ataata pono ko te ataata o te harikoa wairua, i whānau mai i te whakaaroaro, te whakaaroaro ki te Atua, me te rongo i Tōna aroaro. Ko taku ataata e pupū ake ana i te harikoa hohonu i roto i ahau—he harikoa e wātea ana ki te katoa. He rite ki te kakara e pupū ake ana i te ngākau o te rōhi e puāwai ana. Ko tēnei harikoa nui e tono ana i ētahi atu .kia rumakina rātou ki roto i ngā wai tapu o te harikoa

E whā ngā āhua e mōhiotia ana e te tangata noa: te harikoa ina tutuki te hiahia; te pouri ina whakakahoretia; te hoha ina kore e harikoa, e pouri rānei; me te rangimārie ina wikitoria i ēnei kare ā-roto, i ēnei āhua hinengaro rānei o te .harikoa, te mamae, me te hoha

He āhua tino hiahiatia te rangimārie, nā te korenga o te pouri me te harikoa, me te korenga o te hoha. Ka rere tonu ēnei āhua puta noa i te mata o te wairua. I muri i te ekenga i ngā ngaru pōrearea o te mamae me te harikoa, tae atu ki ngā ruku maha ki roto i te hohonutanga o te ngenge, ka puta te hari i te rere i runga i te moana marino o te rangimārie.

Engari he nui ake i te rangimārie te harikoa wairua—te harikoa o te wairua—te hari mutunga kore. He hari pumau e kore e memeha engari ka noho tonu ki te wairua mō ake tonu atu. Ka taea anake te whakatutuki i tēnei hari nui mā te .mōhio ki te aroaro o te Atua

Ki te whakatakoto koe i tētahi peihana wai ki raro i te mārama o te marama, kātahi ka whakaohokia, ka hangaia he āhua pōturi o te marama. Ina tau te wai ki roto i te peihana, ka mārama te whakaata. Ka taea te whakarite i ngā wā e marino ana te wai i roto i te peihana, e whakaata ana i te mata o te marama ki tētahi āhua o te rangimārie whakaaroaro me te āhua o te ata noho hohonu. I roto i te

rangimārie o te whakaaroaro, ka mutu te rere o ngā ngaru o ngā kare ā-roto me ngā whakaaro mai i te hinengaro. Ā, i roto i tēnei āhua hohonu o te rangimārie, ka kite te tangata whakaaroaro, i roto i taua ata noho, i te marama katoa o te .aroaro atua e whakaatahia ana i roto i te roto o te wairua

He āhua noho puku te rangimārie, arā, te korenga o ngā ngaru o te harikoa, te mamae, me te kore aro. Nō reira, ka kukumea te tangata whakaaroaro, i muri i tētahi wā poto, kia wheako anō i ngā ngaru o ngā kare ā-roto. Engari ka hohonu ake te rangimārie whakaaroaro, ka huri hei marino wairua, ā, nō reira, hei harikoa pai, kia wheako ai te tangata whakaaroaro i te harikoa e whakahoutia tonutia ana, e tino .makona ana hoki

Ina moe koe, ka whakamarie koe i ngā whakaaro me ngā kare ā-roto. Engari ina whakamarie koe i ngā whakaaro me ngā kare ā-roto mā te whakaaroaro, ko te mea tuatahi ka pā ki a koe ko te rangimārie, ā, ka hanga noa ō uaua kanohi i te ataata e whakaata ana i te rangimārie o roto. Engari me titiro koe ki tua atu i tēnei rangimārie kia kite ai koe i te parakore o tō wairua—he parakore kāore i poke i ngā whakaohoho a-kanohi, i ngā tauhohenga aunoa rānei ki ngā whakaaro e pā ana ki ngā kare ā-roto. Ko te āhua ka pā ki a .koe ko te harikoa tonu, e whakahoutia tonutia ana

Kei roto tonu i ngā ngākau o ngā poropiti me ngā hunga tapu tēnei hari. E mau tonu ana te rangimarie me te rangimarie ki roto i a rātou, kāore rātou e wiri, e hinga hoki i ngā awha o te riri, ā, kāore ngā āwangawanga me ngā matakū e pā ki a rātou. Mā te whakamahi i te maripi o te whakaaro nui, i te māramatanga rānei, ka taea e rātou te wetewete i ō rātou ake whakaaro, i ngā whakaaro rānei o ētahi atu i runga i te tēpu mahi o te hinengaro, me te pupuri tonu i tō rātou marino me te marino. I tēnei āhua harikoa, ka ngaro te pourikatoa, ā, ka puta te māramatanga wairua i

roto i te tangata e rapu harikoa ana, e whakapakari ana i tō
.rātou hononga ki te Atua

Ko te nuinga o ngā menemene ka puta mai i ngā kare ā-
roto pai e puta mai ana i ngā mahi atawhai, i ngā kare ā-roto
hoahoa, aroha, ngākau māhaki, ngākau aroha rānei. Engari
ko te huarahi tino whakamiharo ki te menemene ko te wā e
kī ana te ngākau i te aroha o te Atua. Kātahi ka taea e te
tangata te aroha ki te katoa, ā, ka taea hoki e ia te
menemene tonu. He poto noa iho ngā momo menemene
katoa, nā te mea ahakoa te pai o ngā kare ā-roto, ka
memeha, ka memeha, kātahi ka mate. Ko te mea anake e
mau tonu ana ko te hari o te Atua. Ina whiwhi koe i taua hari,
ka taea e koe te menemene tonu; ki te kore, e kore e taea e
koe te aroha ki tētahi e whakautu ana ki tō atawhai me te
.whanoke

E mōhio ana ahau ki tētahi tangata i tino pouri i te
matenga o tana wahine. I tirotirohia e au ōna kare ā-roto
papaku, ā-whakaaroaro, ka mea atu ahau ki a ia, "Ka moe
anō koe i roto i te marama kotahi." I riri ia, ā, i kore e pai kia
kite anō i ahau, engari i moe anō ia i roto i te marama kotahi
i muri i te matenga o tana wahine. I whakaaro ia he nui rawa
tōna aroha ki tana wahine tuatahi, engari i wareware wawe
!tonu ia ki a ia

E kore rawa e warewaretia e au te akoranga nui i akohia
e au i taku kaiako, i a Sri Yuktswarji, i tana kōrero mai i tēnei
:pūrākau poto

I a au e tamariki ana, ka tīmata taku hiahia ki te pupuri"
i tētahi kurī iti, āhua kino, nō ngā hoa noho tata, ā, ka
whakararuraru ahau i te whare mō ngā wiki kia riro mai ai
taua kurī. I whakakahoretia e au ngā tono katoa mō ētahi atu
mōkai ataahua. Ko taua kurī anake taku i hiahia ai, kāore he
".mea kē atu

Ko taua herenga anō e mau ana i te tangata i roto i te mea e kiia nei ko te aroha. He tino kukume te hunga aroha ki tētahi kanohi motuhake, ā, kāore e kitea he whakamarie i hea atu. Engari ko te ataahua me rapu e tātou i roto i ētahi atu ko te ataahua o ngā mahi rangatira, o te wairua pai, me .ngā hiahia wairua, kaua ko te ataahua tinana

Ina kī tō wairua i te harikoa, ka ātaahua koe. Kāore he mea e arohaina ana e au engari ko te ataata pono, harakore, nā te mea ki te kore, kāore he rerekētanga o te tangata i ngā pēpi. I tēnei rā ka mea rātou ka aroha rātou ki a koe ake ake, ā, āpōpō ka tanumia rātou. Nō reira, kei hea tō rātou aroha nui? Ā, kei hea taua tino pono, "Ko koe tōku ora, ā, ka "?aroha ahau ki a koe ake ake

Engari ki te tukua e koe te Atua kia mea mai ki a koe, ahakoa kotahi noa iho, "E aroha ana ahau ki a koe," ka mau tonu taua aroha, he aha ai te wā e moumou ai ki te rapu i ngā kongakonga o te aroha tangata, i te ringa moni, i tēnei mea rānei, i tērā mea rānei, ina kitea e koe ngā mea katoa i roto i te Atua: te aroha katoa o te ao, te mana katoa o te ao? Kaua tātou e rapu i te Atua i runga i te apo mana, engari i runga i te hiahia ki te aroha. Kātahi ka kitea e tātou te taonga nui rawa atu. Ā, ina aroha tātou ki te Atua me te aroha hohonu, me te ngākau pono, ka whakautu mai ia ki a tātou, ā, ka rongu tātou i tana aroha e patupatu ana i roto i ō .tātou ngākau

Me whakaaroaro pinepine te tangata rapu, nā te mea ka reka ake te ora mā te whakaaroaro ki te Atua. He nui ake te whakaaroaro i te whakapau i ngā hāora maha ki te rapu moni, ki te aroha tangata, ki tētahi atu mea rānei e puta ake ana ki te hinengaro. Ko te nui o te whakaaroaro, me te pumau tonu o te hinengaro i roto i te āhua wairua i a ia e mahi ana, ka kaha ake te tangata ki te menemene. Kei roto ahau i taua ao ināianei, ā, ake tonu atu - i roto i te hinengaro

manaaki o te Atua. Kāore he mea e pā ana ki ahau. Ahakoa ko au anake, ko koe rānei, kei te pā tonu te hari o te Atua i roto i ahau. Kua taea e au te pupuri i taku menemene. Engari he mahi uaua te whiwhi i taua menemene! Kei roto anō hoki i a koe aua menemene - ko te hari me te harikoa o te wairua kei roto i a koe. Kāore koe e hiahia ki te whiwhi i aua menemene, engari me whakahoki mai anō. I ngaro i a koe mō te wā poto nā te whakamānawa i a koe anō me ngā .kare ā-roto, ā, ka taea e koe te whakahoki mai anō

Ko te tangata e whakaponono ana ko ngā mea ā-tinana, e taea ai te pārekareka mā te tirohanga, te whakarongo, te reka, te hongī, me te pā, ka kawea mai he hari parakore, he hē nui. Kāore ngā kare ā-roto e homai te hari; engari, ka tangohia mai i a tātou. Ki te whakatakoto koe i ngā tikanga mō tō hari, pērā i te kī, "Kāore e taea e au te hari ki te kore au e kite i taua kanohi," e kore rawa koe e pā ki te hari parakore, kāore he mea whakaranu, nā te mea he poto noa ngā ahua o ngā kare ā-roto. Ka pāngia te ataahua o te tinana e ngā rā me ngā tau. Kei raro i te ture o te huringa ngā mea katoa o te ao rauemi. Nō reira, ahakoa ka taea e te tangata te kite i ngā kanohi ataahua katoa o te ao, te whakarongo ki ngā oro katoa, me te pā ki ngā mea katoa i hiahia e rātou, e kore tonu e kitea e rātou te hari pono. Heoi anō, tera pea ka mamingatia rātou e te whakaaro kei te harikoa rātou. I ētahi wā, i muri i te whakapau kaha ki te whiwhi i tētahi mea, ka kitea e rātou kāore he hari i roto i te mea tonu. Heoi anō, ka whiwhi rātou i ētahi ngākau harikoa mai i tā rātou mahi i mahia, nō reira ka whakaaro rātou kei te harikoa rātou. Engari he wā poto noa iho tēnei momo .ngākau harikoa, ā, he poto noa iho

Nō reira, he maumau te rapu i te harikoa i roto i ngā kare ā-roto. Me kimi te harikoa wairua, me whakapuaki hoki i roto i ngā kupu me ngā āhua o te kanohi. Ina mahi te tangata i tēnei, ahakoa he ataata iti noa iho, ka kapi te

hunga katoa i tōna taha i tōna aukume manaaki, ā, ka
.harikoa ētahi atu

Engari ko te Atua anake ka taea te huri i ngā ngākau.
Kaua tātou e kī ko tātou anake te kaha ki te mahi i te pai. Ko
te Atua anake te kaimahi pono o te pai. Nāna tēnei ao. Ki te
rongo koe i Tōna aroaro, ā, ki te mōhio koe kei a la te mana
whakahaere o ngā mea katoa, ā, ki te tukua e koe ngā mea
katoa ki a la—ngā mahi pai me ngā mahi kino—ka miharo
.koe ki te kite ka hurihia ō mahi katoa hei mahi pai

Ina kei a koe te mōhiotanga ki te Atua, kāore e taea e
koe te mahi i tetahi mea e kore ai ia e pai. Me whakatapua ō
tātou oranga ki a la, me te mōhio ko te Atua te kaiwhakaoho
i ngā whakaaro rangatira, e akiaki ana i a tātou ki te mahi i
ngā mahi pai. Me whakakore e tātou taua "whakapehapeha",
koinei te arai nui ki tēnei mātauranga whakaora. Kāore e
taea e te tangata te totoro i tōna ringa mēnā ka tineia e te
Atua te mura iti o te ora i roto i tōna medulla oblongata! [Ko
te pūwāhi matua e uru ai te kaha ora ki te tinana]

I noho ahau i waho i tētahi wā, ā, he tino makariri. I
tahuri ahau ki roto, ā, i roto i te kimo o te kanohi, kāore au i
te rongo i te makariri. I kī tonu ahau i te harikoa nui, ā, i
ētahi wā, ka kite ahau i tōku tinana me ngā mea katoa e
karapoti ana i ahau e memeha ana hei māramatanga kotahi.
Ka taea e au te kite i ngā āhua e karapoti ana i ahau mēnā
ka arotahi ahau ki a rātou, ā, ka ngaro te ao mēnā ka arotahi
ahau ki te māramatanga. Kāore he mea e kitea me te kore
he māramatanga. Mēnā kei a koe te mana whakahaere
katoa o tō hinengaro, ā, ka titiro ki roto, ki a koe anō, ka kite
koe i taua māramatanga atua nui, ahakoa kei te tuwhera ō
.kanohi

Ina tahuri tō titiro ki waho mā ō kanohi, ka kite tō
hinengaro i te ao o waho. He ahua neke ngā mea katoa o te
ao i roto i te kiriata ao a te Atua. I taua rā, ka kite ahau i ngā

kare ā-roto me ngā whakaaro he moemoeā ki tōku hinengaro e ahu mai ana i te Atua. I taea hoki e au te rongo i te harikoa parakore me te kore he kare ā-roto i taku tahuritanga ki roto. Ahakoa i noho ahau i roto i taua makariri nui, me te mau i ngā kākahu māmā noa iho, ka taea e au te rongo i te makariri, ā, ka ngaro ngā tirohanga, ā, ko te harikoa anake te mea e mau ana. I muri mai, ka pā mai ētahi .kare ā-roto ki ahau i a au e pā ana ki taua harikoa nui

Me whakangungu tātou i a tātou anō kia rongo i te Atua.

Kaua tātou e makona noa i te whakahua i tētahi karakia poto, i te mātakitaki rānei i tētahi māramatanga māmā noa.

Ko te tangata e kaha ana ki te whakahaere i ōna hiahia moepuku, ki te whakahaere i ōna kare ā-roto ki tētahi taumata, me te whai i te Atua me tōna kaha katoa, ka tino pāngia ia e tētahi tūtakitanga atua mēnā kei a ia te hiahia mōna. Ahakoa he kaitautoko nui te tangata i te matatika, ā, kei a ia ngā hiahia me ngā āhua wairua, kāore e ranea tēnei .mēnā kāore he tirohanga atua tūturu

Kaua te tangata e tinihanga i a ia anō. Ki te hiahia ia ki ngā wheako wairua, me whakaaroaro tika ia, me kī atu ki te Atua: "E te Ariki, e mōhio ana ahau ki ōku ngoikoretanga, engari e kore ēnei e waiho hei arai i waenganui i a tāua ko koe. Ko tāku anake e hiahia ana kia noho ki a koe, nā te mea ".ko koe te kaihanganga i ahau, ā, ko taku mahi tuatahi ko koe

E tohutohu ana te hunga whakaaro nui ki te tangata rapu kia kaua e whakaaro he tangata hara ia, kaua hoki e kī he tika ia, ā, kia whakakake, engari kia mōhio kei a ia te Atua, e mahi ana i roto i a ia. Kātahi ia ka kite i tētahi ao hou. Ki te kore he mōhiotanga atua, ka kī tonu tēnei ao i te pakanga, i te tutu, i ngā pouri kawa, whakamataku hoki. Kāore he piringa engari ko taua mōhiotanga atua nui rawa .atu

I roto i te hēkona kotahi, ka taea e te Atua te hanga i
tētahi tauira tuturu o te tangata kua wehe atu i tēnei ao i te
mate. Me mārama tātou ki tēnei pono. E hiahia ana te Atua
kia mārama tātou he whakaaturanga noa iho tēnei mea
hanga. Ki te tino aro tātou ki te whakaaturanga, ka mamae
tātou, ka ngaro te hari o taua mea, ā, e kore e taea e tātou
te tu atu ki te ao me ōna mate, ōna mamae, ōna pōuri, me
.ōna taumahatanga

Ina pā mai he mamae tinana ki ahau, ka whakatakotoria
e au tōku hinengaro ki te pūwāhi wairua i waenganui i ōku
tukemata, ā, kāore au e rongō i te mamae. Engari ina arotahi
ahau ki te pūtake o te mamae, ka kite ahau he mānukanuka
noa iho. Ki te taea e koe te pupuri i tō māramatanga wairua,
e kore koe e mamae ina pahemo ngā atarangi mānukanuka
o te pouri i mua i tō wairua. Inoi tonu ki te Atua kia
whakakitea mai e ia ko ia te mea ahurei, te mea harikoa hoki
.i roto i a koe

He nui te wā e moumouhia ana e te tangata, ā, ka
tangohia takitahitia rātou e te mate. Ko te kaupapa o te ora
ko te mōhio ki te Atua, ā, kua te tangata e wehe i tēnei
.tinana me te kore e tutuki taua whāinga

E hiahia ana te Atua kia ara ake tō tātou mōhiotanga,
kia ara ake hoki i runga ake i ngā āhuatanga takirua o tēnei
ao, engari e kore ia e tuku i te tangata kia wehe atu i tēnei
piringa o ngā mānukanuka ki te kore ia e whakaora i a ia anō
.i te mate o ngā hiahia

Me mahi e tātou ngā mea katoa hei painga mō te Atua.

He rite te hiranga o te mahi mā te Atua ki te whakaaroaro
.hei whakatutuki i te ahunga whakamua wairua

I te pō, ina whakaaroaro te ākonga ki te Atua, ka ara ake
tōna wairua, ā, ka rumakina iaki roto i Tōna harikoa. Ina
mahia i tana mahi i te awatea, ka mauria mai e ia te

maharatanga o taua āhua, ā, ka mau tonu tōna harikoa, nō reira ka noho tonu ia i roto i te hononga ki te Atua, ā, ka taea tonu e ia te menemene me te kī: "E kore e taea e te pouri iti, e te harikoa iti rānei, e te rangimārie iti rānei te whakaoho i tētahi ngangau, i tētahi oho rānei i roto i te harikoa hou o ".tōku wairua

Me tawai tātou ki ngā mānukanuka tinihanga o te ao, me te titiro ki a ia hei raupapa o ngā whakaahua o te ao hurihuri tonu. Ko reira anake ka mawhiti ai tātou i te makutu o te mānukanuka o te ao. Me noho tātou i roto i te aroha noa o te Atua. Ina taea e tātou te tū pakari me te whakatau i waenganui i ngā kaupapa rerekē o te ao, ka mōhio tātou ko te Atua anake te mea pono i roto i te ao whānui. Kāore te Atua e hiahia ki te whara i a tātou nā te mea i hangaia tātou e ia i roto i tōna āhua. Me mutu tā tātou whakaaro he tangata ngoikore tātou, ā, me te mōhio ki te kaha nui o te ao .kei roto i a tātou, e tatari ana kia tukuna

Ina pāngia te tangata e te mate pukupuku, e tētahi atu mate rānei, ehara i te mea ngāwari. Heoi anō, i manawanui ngā poropiti me te hunga tapu, i te whakaora i te hunga mate, ā, i whakaarahia anō hoki e ētahi te hunga mate, ā, i noho tonu tō rātou hari atua ki a rātou i roto i ō rātou oranga katoa. Waihoki, me hoki tātou ki te Atua me ō tātou ngākau, hinengaro, me ngā whakaaro. Engari e kore e taea e tātou te tae atu ki a ia ki te kore tātou e whakaae ko ia tā tātou e .hiahia ana ki runga ake i ngā mea katoa

Kaua te tangata e pātai ki te Atua, ki te pērā hoki ia, ka kokoti noa ia i ngā ruarua. E kore ia e mōhio ki Ana ture kia hono rā anō ia ki a ia. Nō reira, he aha te moumou taima e ngana ana ki te mārama ki aua ture mai i tētahi tirohanga ?whakaaro noa iho

Ki te pānui koe i tētahi pukapuka e tukinotia ana te toa, ā, te āhua nei kei te toa te tangata kino, ā, e whakahē ana ia

upoko i te mea o mua, ka pōuri koe, ka riri hoki ki te kaituhi.

Engari ina pānui koe i te upoko whakamutunga, ka marino koe, ā, ka whakaaro he pukapuka whakamiharo nā te uaua me te uaua o te kaupapa. Waihoki, ko te Atua te kaituhi o te pukapuka nui rawa atu o te ao, ā, ka pōhēhē ngā whakahē me ngā uauatanga o te hanganga i te hinengaro tangata nui rawa atu. Engari ina kitea ia e tātou i te upoko whakamutunga, ka whakakitea e ia ngā otinga ki ngā mea ngaro katoa o te oranga tangata, ā, kāore he ruarua mō tōna tika me tōna whakaaro nui ina whiwhi tātou i te whakautu !tika mai i a ia. He mea whakamiharo tēnā

Ka peia e te aroaro atua ngā feaa, ngā pouri, me ngā wehi. Ko te hunga e noho ana te Atua i roto i ō rātou ngākau ka hinga i te wehi, ka rere atu i reira, ka wetekina i a rātou anō i ngā mānukanuka o te ao. Kātahi ka menemene rātou, ka mea, "I te mutunga, kua mōhio ahau ki te mea ngaro o te ora me ngā mea ngaro o te ao." Engari kua tātou e rapu i te mātauranga i te tuatahi. Me aroha tātou ki te Atua i te tuatahi, kātahi ka whakakitea mai e ia ki a tātou ngā mea katoa e hiahia ana tātou ki te mōhio. Ina tupu tēnei, e hoa, ka menemene koe i te menemene pumau. Ka whakakiia ō whakaaro, kupu, tuhinga, me ngā mea katoa e mahia ana e koe ki te hari kanapa o taua menemene. Ahakoa te wāhi e whakaaroaro ana koe, ka waiho e koe he kakara o ngā menemene, ā, ko te hunga katoa e toro atu ana ki taua wāhi .ka menemene tahi me te Atua

Ka taea e koe te menemene tonu ina noho koe i roto i
Tōna hari nui e kore e taea te kōrero, he tapu rawa hoki e
.kore e taea te kōrero mōna

Kia tau te rangimārie ki a koe

Te hiahia whaiaro me te atawhai

Ko tā te tangata e tuku atu ana, e tuku atu ana rānei ki
ētahi atu—mā te kupu, mā te mahi, mā te whakaaro—ka
hoki mai ki a rātou i te ara kotahi, i te nui kotahi. Ka
whakakitea tō rātou āhua tūturu mā roto i ō rātou āhua
kanohi me ā rātou mahi. Ka rongo ētahi atu i ō rātou wiri
hinengaro, i ō rātou ngaru rānei, ā, ka rite ā rātou
.tauhohenga ki te āhua o aua wiri—kino, pai rānei

Ko te tangata e whai ana i te ara o te hiahia kino, ka
ngana ētahi ki te tango i ana mea katoa; engari ki te kore ia,
.ka whakaatu ētahi i te atawhai me te aroha ki a ia

Kāore e taea e tātou te pupuri i ngā mea katoa. He koha
nā te Atua ngā mea kei a tātou, hei whakamahi mā tātou mō
te wā poto i a tātou e noho ana i runga i tēnei ao. Ā tōna wā,
me wehe atu ā tātou taonga, ahakoa he aituā, he tahae, he
pakaru, he mate rānei. Nō reira, ina ngana tātou ki te pupuri
i tētahi mea hei pupuri noa i a tātou anō, kei te tinihanga
.tātou i a tātou anō

Ahakoa ēnei tinana kua nohoia nei e tātou mō ngā tau
maha, ka tukua noatia atu i tētahi rā. Nō reira, he hē te
akiaki i a tātou anō kia whakapono kei a tātou ngā mea
kāore e taea te pupuri. Ina homai he mea ki a tātou, me
mārama tātou he mea nō tātou mō te wā poto noa iho, ā, me
.rite tātou ki te tohatoha atu ki ētahi atu

Ina hiahia nui te tangata i tana e hiahia ana, he nui ngā
raruraru e tatari ana ki a ia
Ko te tangata whakaiti e aroha ana ki te Atua, nui atu
i te katoa

Kāore te Atua e huna i a tātou, e kōrero mai ana
ia ki a tātou mā roto i ngā putiputi, mā roto i ō tātou
.whakaaro, me roto hoki i ngā mea hanga katoa

Ko te kaupapa anake o te ao ko te akiaki i te tangata
ki te whakaoti i tana mea ngaro, me te mohio kei muri i a
.ia te Atua

Ko te hunga e rongono ana i te rangimarie me te
ngākau pono i roto i a rātou anō, e mōhio ana rātou ki te
.rangimarie me te ngākau pono o te taiao

Kāore e kore me whai tātou i ngā mea matua pēnei i te
kai, te kākahu me te haumarutanga pūtea, engari i roto i tā
tātou rapunga i ēnei mea me whakarērea e tātou ngā mea
kāore e tika ana, arā, ko ngā hiahia nui me ngā hihiri e mura
.ana ki te whai i ngā mea e nui atu ana i te mea e tika ana

Me maumahara tātou, i a tātou e whai ana kia ea ō
tātou hiahia, me āwhina hoki tātou i ētahi atu ki ō rātou
hiahia, me te tohatoha i ā tātou whiwhinga ki te hunga
.rawakore

Kia maumahara tātou he wāhanga nui tātou o te
whānau o te ao, ā, e kore e taea te ora me te kore he mea
hanga. He aha te āhua o te ao me te kore he kāmura, he
kaihanga, he kaiahuwhenua rānei? Mā te whakawhitiwhiti
ratonga me te tohungatanga, e hiahia ana te Atua kia
whakaaro tātou ki ētahi atu, he hē nui hoki te ora mō tātou
.anake

Ina whakaaro tātou ki tō tātou ake harikoa, me
whakaaro anō hoki tātou ki te harikoa o ētahi atu. Kāore e
tika kia whakarērea ngā mea katoa hei oranga mō te
whānau o te ao, nā te mea kāore e taea. Engari me aroha
tātou ki ētahi atu, me whakaaro ki ō rātou matea pērā i tō
tātou ake hiahia. E hiahia ana te Atua kia hoatu e tātou
tetahi ki tetahi, kia rite ki te nui o tā tātou e whiwhi mai ana i
tetahi ki tetahi. Ko ētahi atu ko tātou te tangata nui ake.
Engari ko te tangata noa e whakaaro ana ki a rātou anō
.anake, ko te mea tuatahi

Kāore e kore he kaha te wairua mō te oranga tonutanga.

Engari kei te whakanui ake te ao i tēnei kare ā-roto i roto i a tātou, me te kī he mea nui kia piri ki ngā mea katoa a tātou. Heoi, me mahara tātou ko ngā pononga katoa a te Atua he whānau Nāna, ā, he teina, he tuāhine tātou katoa i runga i .tēnei ao

Kua whakawhiwhia te tangata e te Atua ki te whakaaro nui me te māramatanga, kia taea ai e tātou te pāngia e te hiakai me te makariri Me mōhio tātou kei te pāngia hoki ētahi atu e te hiakai me te makariri. Ina rapu tātou i tō tātou ake whakamarie, me whai hoki tātou ki te āwhina i ētahi atu kia kitea te whakamarie. Nā te mea kāore tātou e pai ki te mamae me te pōuri, me toro atu tātou i te ringa āwhina ki te hunga e matea ana e te hunga e tata ana ki a tātou hei whakamama i ō rātou mamae me te whakakore i ō rātou pōuri. Kei te mamae rātou pērā i a tātou, ā, tera pea ētahi e .mamae ake i a tātou

Ki te herea te aroha o te tangata ki tōna whānau me ōna hoa, kāore he tangata kē atu, ka whakawhāiti ia i a ia anō, ā, ka rere te harikoa i tōna ao ka whakakapia e ngā raruraru .ohorere

Me rite tātou ki te āwhina i ētahi atu ki te pai o tō tātou kaha, me te harikoa ki te tuku āwhina ki te hunga e tūtaki ana tātou. Kaua e whakaarohia tēnei he patunga tapu, nā te mea mēnā ka pērā tātou, ka waiho te āwhina hei kawenga. Engari, me hari tātou i roto i a tātou, he mea manaaki hoki te hoatu, ā, he harikoa e mōhiohia ana e te hunga e ngana ana ki te āwhina i ētahi atu, i te taha tinana me te taha wairua, ā, .e whakaora ana i ō rātou ngākau maru

Me i whakarērea e te ao tōna hiahia kino, ka kite tātou i te pararaiha i runga i tēnei whenua

Kei te pūtake o te hiahia kino ngā purapura o te pakanga. I whakamahia tuatahitia e ngā tāngata tōmua ngā patu kōhatu, ā, i muri mai ka whanake hei kopere me ngā pere, hei tiaki i ō rātou ake hiahia mai i te hiahia o ētahi atu. Nō muri mai, ka hangaia ngā pū raiwhara me ngā pū pītara, kātahi ka hangaia ngā pū mīhini, ā, i muri mai ko ngā poma me te hau paitini—hei tiaki i te hiahia o tētahi rōpū tangata .mai i te hiahia o tētahi atu

Nā tēnei hiahia whaiaro whakarihariha, ka pakaru ngā pakanga, ka pakaru te taurite ōhanga, ā, ka pā mai te .ōhanga ōhanga, kātahi ka pā mai te pouri nui

Kua nui ake te tipu me te whanaketanga o te kaha whakangaro o te tangata i tōna kaha hanga. Ka pā mai tēnei whewhe kino—te whewhe o te hiahia kino. Engari, he mea pōuri, he maha ngā oranga ka mate i mua i te oho ake o te tangata, me te mōhio ko te hiahia ā-motu he rite tonu te kino ki te hiahia whaiaro. He iti ngā rōpū o te iwi, ā, he .takitahi ngā tāngata o aua rōpū; me tīmata ki a ia anō

Kāore ngā rohe i waenganui i ngā whenua i te pumau, ā, .kei te huri haere tonu ngā kāwanatanga o te ao

Ko te hiahia whaiaro e rapu ana i te harikoa me te kore e aro ki ngā tika me te harikoa o ētahi atu, e takahi ana rānei i ngā tika me ngā painga o ētahi atu mō ōna ake painga, ka whakatupu i te rawakore, te pōuri, me te pouri. Ko te whakanui i te taonga i te utu o ētahi atu he hapa nui. Ko te hunga nunui e tautoko ana i te atawhai i runga i te .hiahia wairua pono ki te tohatoha me te hoatu

Ko te Kōmiuniti, e oati ana ki te marea mō te nui me te whai rawa, e kore e angitu, ā, ka hinga i tētahi rā nā te mea e ahu mai ana i te akiaki me te pehi i ngā herekoretanga whaiaro (Tuhipoka: I tukuna tēnei kauhau e te Kaiwhakaako Paramhansa i te tau 1937, ā, kua tutuki taua whakatau!)

Ki te arotahi noa te tangata ki ōna ringa me ōna waewae, ā, ka wareware ki tōna mahunga, kāore te roro e mahi hei ārahi i ngā pūkenga nekeneke. Me whakarite ngātahi ngā mahi katoa o te tinana. Waihoki, me mahi tahi ngā hinengaro (ngā kaiwhakataua) i roto i ngā iwi me ngā hāpori me ngā ringa me ngā waewae (te hunga mahi), nā te mea ki te taupatupatu ngā hiahia, ka pakaru te tikanga, ka .puta te pōrearea, ā, ka puta te mamae

E rua ngā kaiako o te ao. Ko te tangata e tango ana i te Atua hei kaiārahi, hei kaiārahi hoki, kāore he mea e wehi ai. Ko te tangata e tango ana i a Hātana hei kaiārahi, hei .kaiārahi hoki, ka nui te mamae

Ko te kupu matua mō te nuinga o te tangata i tēnei ao ko "au". Ko te hunga he wairua, he wairua hoki ō rātou whakaaro ki ētahi atu, pērā i tā rātou whakaaro ki a rātou anō. Ko te hunga e whakaaro ana ki a rātou anō anake ka kawea mai te mauahara me te riri o te hunga e karapotiti ana i a rātou. Engari ko te hunga e whakaaro ana ki ngā kare ā-roto me ngā hiahia o ētahi atu, ka kitea e whakaaro ana ētahi atu ki a rātou, e whakaaro ana hoki ki ō rātou kare ā-roto .roto

Ki te mea kotahi rau ngā tāngata i roto i tētahi tāone, ā, ka ngana ia tangata ki te tango i tētahi atu, ka iwa tekau mā iwa ō rātou hoariri. Engari ki te ngana ia tangata ki te āwhina .i tētahi atu, ka iwa tekau mā iwa ō rātou hoa

I noho ahau pēnā, ā, kāore i ngaro tetahi mea i taku hoatutanga ki ētahi atu. Ina hoki mai ngā mea katoa i hoatu e au ki ahau, kua whakanuia e te aroha noa o te Atua. Ināianei kāore au e hiahia ki tetahi mea nā te mea he nui ake, he utu nui ake hoki ngā mea kei roto i ahau i ngā mea katoa e taea e te ao te tuku. Ko te mea e tino rapua ana e te tangata ko te harikoa, ā, ina tutuki te harikoa, ka ngaro te .hiahia mō ngā āhuatanga e ārahi ana ki tēnā

Kāore āku pūkete peeke nā te mea ko taku taurangi
anake i tēnei ao ko ngā kare ā-roto pai o te tangata ki ahau.
Kāore au e whakapono ki tētahi atu taurangi o te ao. Kei roto
i te noho i roto i ngā ngākau o ngā teina me ngā hoa te
.taonga pono

Ina atawhai tātou, ka harikoa tātou. Ā, ki te whai tātou i
tēnei huarahi, ka awehia ētahi atu e ō tātou whanonga, ā, ka
ngana ki te whai i a tātou. Me whakakore e tātou te hiahia
whaiaro, koinei te pūtake o ngā kino katoa o te tangata
.takitahi me te motu

Ka whakawhānui ake te atawhai i te mōhiotanga

Ina tukuna e koe ngā whakaaro pai ki ētahi atu, ka
whānui ake tō mōhiotanga. Ina whakaaro koe ki tō hoa tata,
ka whakaohohia tētahi wāhanga o tō wairua me taua
whakaaro. Engari kāore e ranea te whakaaro anake; me rite
.tātou ki te whakatinana i ō tātou whakaaro

He akoranga mō te atawhai te marena. Tokorua ngā
tāngata e whai ana ki te tohatoha i ō rātou oranga tahi.
Kātahi ka puta mai ngā tamariki, ā, ka tohatoha ngā mātua i
ā rātou mea ki a rātou. Engari ko te whakaaro ki te whānau
tata anake (arā, ko koe me au anake, ko tāua anake rānei)
he momo hiahia whaiaro. Ka tae mai te wā ka wehe atu ngā
whanaunga i a tātou, ā, koinei te ara o te ora. He
whakamahara tēnei ki a tātou ko te whāinga matua o te
tangata ko te whakawhānui i ngā rohe o tō tātou mōhiotanga
mā te mahi mā ētahi atu me te tohatoha i ngā manaakitanga
.o te ao ki a rātou

He maha ngā manaakitanga me te hari nui e kawea mai
ana e te atawhai tangata ki tōna rangatira, nā te mea mā te

atawhai tangata ka tiakina tōna ake hari. Ko taku whāinga
he mea kia hari ētahi atu, nā te mea ko tō rātou hari te
.pūtake o tōku hari

Kāore e taea e tātou te tino reka o te whakatutukitanga
ki te kore tātou e whakapuaki i tō tātou harikoa ki ētahi atu.

Ehara i te mea ko ngā mema o te whānau anake taku e
kōrero nei, engari ko ngā tāngata katoa. Me whakaaro tātou
ki ētahi atu, me te āwhina i a rātou ki te pai o tō tātou kaha.

Ehara tēnei i te tikanga kia whakarawakoretia tātou, engari
me whakaatu i te aroha pono, te aroha me te ngākau nui ki
te tohatoha. Me whakamahi tātou i ngā mātāpono o te tika ki
a tātou anō i te tuatahi. Kāore e taea e tātou te whakaako i
te atawhai ki ētahi atu mēnā kāore tātou e atawhai ana i a
tātou anō. Mā te tīmata i a tātou anō, ka noho tātou hei
.tauira pai mō ētahi atu

Kua whakatapua e au tōku ora ki te mahi me te whai
hua ki ētahi atu. He maha ngā haerenga me ngā kauhau kua
mahia e au ki te hunga whakarongo nui. Engari e mōhio ana
ahau he pai ake taku mahi ki ētahi atu mā roto i aku tuhinga
.me aku whakaakoranga

Ka haere mai te mano ki te whakarongo ki ngā kauhau,
ehara i te mea nā te aroha pono. Ka haere mai te iwi ki te
rapu i te hihiri me te whakamarie wairua. Engari e hiahia ana
ahau ki ngā wairua e rapu ana i te pono, e aroha ana ki te
Atua. Koia ahau i arotahi ai, ā, kei te arotahi tonu ahau, ki te
.hiahia o te whakaaroaro ki te Atua

Ka karaunatia te angitu e te hunga rapu pono,
manawanui hoki i roto i tā rātou rapunga wairua mēnā ka
.haere tonu rātou me te hiahia me te uaua

Me aroha tātou ki te Atua me ō tātou ngākau katoa, me
ō tātou wairua katoa, me ō tātou kaha katoa, me te aroha ki
tō tātou hoa tata, pērā i a tātou anō

He aha te tikanga o te aroha ki te Atua me ō tātou
ngākau katoa, hinengaro katoa, wairua katoa, me te kaha
katoa? Ko te ngākau he tikanga o te kare ā-roto, ko te
hinengaro he tikanga o te arotahi, ko te wairua he tikanga o
te rangimarie wairua hohonu i roto i te whakaaroaro, ā, ko te
kaha he tikanga o te tuku i ō tātou kaha katoa ki te Atua. Ko
te tikanga o tēnei ko te aroha ki te Atua me ō tātou kare ā-
roto katoa, me ō tātou arotahi katoa i roto i te whakaaroaro,
me te huri i te kaha, i te mana rānei o te ora mai i te mea ā-
tinana ki te mea wairua, me te neke i te aro mai i te tinana ki
.te Atua

Kāore e taea te aroha ki te Atua me te kore e
whakaaroaro, nā te mea mā te whakaaroaro anake ka taea
ai e tātou te kite i tō tātou āhua wairua hei wairua e hono
.tonu ana ki te Atua, nāna nei i hanga kia rite ki tōna āhua

Me hanga e tātou he torona mō te aroha nui o te Atua i
roto i a tātou. Kāore he mea nui ake i te ao. Kāore he
wawata nui atu i te aroha ki a Ia, te kōrero mōna, me te
whakamārama i ētahi atu kia mōhio ai rātou ki a Ia. Kāore he
.mea kē atu e hiahiatia ana e au mai i te tangata

He mea whakahariko te whakapuaki i aku wheako
wairua ki te hunga e rapu pono ana i tēnei mea. Kāore he
mea e nui ake ai te hari i ahau i te kōrero ki a rātou mō te
.Atua, me te āwhina i a rātou kia kite i Tōna aroaro

He mea whakamiharo te aroha ki te Atua, me te aroha ki
āna pononga. Ina kitea ia e tātou, ka rongo tātou i tōna
aroha i roto i te katoa. Kāore he mana nui atu i te mana o te
.aroha i te ao whānui

E kite ana ahau i te Ariki Runga Rawa e noho ana i
runga i ngā rangi me ngā moana, ā, i runga i te torona o
tōku hinengaro, e kite ana ahau i a Ia e noho ana i roto i
ahau, i roto hoki i ngā wairua o te katoa, ā, e awhi ana ahau i

a la i roto i ōna āhua mutunga kore me ōna whakaaturanga i
.roto i te hanganga

Kei te rapu tonu te tangata i taua "mea kē" e
tumanakohia ana e rātou ka kawea mai he harikoa mutunga
kore ki a rātou. Mō ngā wairua kua rapu i te Atua, ā, kua
kitea ia, kua mutu te rapu, nā te mea ko te Atua taua "mea
"kē

Kia manaakitia koe e te Atua, kia tau te rangimārie ki a
koe

Ngā Wairua me ngā Kehua

Tōna mooni me tōna mauri

**He maha ngā momo kōrero me ngā pūrākau mō
ngā wairua, ngā kehua, ngā korokoro e rapu taonga
ana, ngā makutu, ngā kehua kai tūpāpaku, me ngā
vampire. Ā, ehara i te mea iti te tokomaha o te hunga
kua kī kua tūtaki rātou ki ēnei mea.**

**I roto i ngā take maha i tūtaki ahau, ko te nuinga
he hunga e pāngia ana e ngā moemoeā hinengaro
kino. I pānui tētahi o aua wahine i tētahi pukapuka
mō ngā mea toto, ngā mea hanga reinga, ā, i tino
mārama ana moemoeā, ā, i rongo ia kei te ngote toto
tētahi kehua i ia pō, ka ora ia i ia wā ka toro mai ia ki
ahau, engari i mau tonu te whakaaro mō tētahi kehua
pō i roto i tōna hinengaro nā te mea ka hoki anō te
mate. I mate wawe ia, i pau i ana ake moemoeā.**

**I horapa te whakapono ki te makutu i te rautau
16, ā, e rau ngā tāngata i whakapaetia he makutu i
whakapaetia he mahi tahi rātou me te rewera, ā, i
mate rātou. Ko te mutunga iho, i herea a Joan o Arc ki
te pou, ā, i tahuna ki te pou nā te mea i kiia ia he
makutu.**

**Tērā tētahi atu ao, te ao ethereal, e huna ana i
muri i tēnei ao tūroa. Ko ōna tāngata noho he mea**

whakatapu ki ngā āhua aorangi i titoa mai i te mārama. Kāore ēnei mea ora, arā, ngā "kehua", e kitea e ō tātou kanohi, ā, he maha tonu te wā ka noho herea ki tō rātou ao, pērā i a tātou e herea ana ki tō tātou ao tūturu. Me i ngāwari ki ngā tāngata kino o te ao te uru ki roto i tō tātou ao whenua ki te whara i a tātou, kua noho tonu tātou i roto i te wehi me te matakū.

Kua nui kē ngā mea whakamataku me ngā mea whakamataku o tō tātou whenua. Kāore rawa te Atua e hiahia kia tāpirihia ki tō tātou mamae te pokanoa a ngā kehua me ngā rewera!

Heoi anō, kei reira ētahi mea ora o te ao e mōhiotia ana ko ngā wairua kopikopiko. Ka herea ēnei wairua ki te Ao e ngā herenga kaha me te hiahia ki te tomo ki te tinana tangata hei whakamahi mā rātou hei waka mō ā rātou hiahia taikaha. Ko te tikanga, kāore e kitea ēnei mea ora, ā, kāore he mana ki te awe i te tangata noa. I ētahi wā, ka angitu ngā wairua kino ki te tomo ki te tinana me te hinengaro o te tangata, ka noho ki roto. Ka puta noa tēnei ina he kore taurite te hinengaro o taua tangata, ina ngoikore tōna hinengaro nā te noho mangere, te kore whakaaro rānei, pērā i te tangata e waiho ana i tana waka kia raka me ngā kī kei roto. I roto i tēnei āhuatanga, ka tomo pea te tangata kopikopiko ki te waka ka peia atu.

Ko ngā wairua kopikopiko ko ngā wairua kua ngaro ō rātou tinana i te mate engari e piri tonu ana ki a rātou. Nō reira, ka ngana rātou i ngā huarahi katoa ki te whakamahi i te tinana o tētahi tangata hei whakatutuki i ā rātou whāinga. Waimarie, kāore e taea e ngā wairua kopikopiko te tu atu i ngā wiri kaha o te whakaaro me te hinengaro wairua. Kāore he mea e wehi ai te hunga rapu pono i te Atua e whakaaroaro

ana ki a ia i ēnei mea ngaro, e hē ana hoki. Ko te Atua te Wairua Tino Nui, ā, kāore he wairua, ahakoa te kino, e whara i te hunga e aroha ana ki te Atua, e mahara tonu ana ki a ia.

Hei mārama ki te āhua o ngā mea ora o te aorangi, me mārama tuatahi tātou ki a tātou anō. I te hanganga o tātou e te Atua, i hangaia tuatahitia tātou e ia hei hinengaro. Mai i tōna hinengaro whānui, i hangaia tātou e ia, ā, mai i tēnei tirohanga, ko tātou te nuinga he mea hinengaro. Kāore ianei i te pono, ina hangaia e koe tētahi mea hou, ko te taahiraa tuatahi ko te whakaaro i tētahi tauira o taua mea ki roto i tō hinengaro? Kātahi ka kohia e koe ngā rauemi e tika ana, ā, ka mutu, ka whakatinanahia taua whakaaro. E pā ana hoki tēnei ki tō tātou hanganga me te hanganga o ngā mea hanga katoa. E toru ō tātou āhua: te āhua hinengaro (te whakaaro), te āhua ethereal (te rauemi o te hanganga), me te āhua tinana (te hua matotoru).

Tekau mā ono ngā huānga o te tinana tūturu. Engari he mea whakamiharo te whakakotahitanga o ēnei matū o ngā huānga rauemi hei hanga i te tinana hei taputapu mō te hinengaro!

Ko ētahi tāngata e hiahia ana ki te hoko waka hou i ia tau. Engari me pupuri tonu e rātou tā rātou tauira tawhito mō ngā tau e ono tekau, e whitu tekau, neke atu rānei! Ahakoa kua ngenge te tinana, ka mau tonu te hiahia ki te pupuri i taua waka tae noa ki te kī mai a te Atua, "Kua nui! Tukua ahau i tēnei tinana!" Kātahi ka peke te tangata i tōna tinana pirau, ka kitea rātou i roto i tētahi tinana rangimārie i titoa mai i te māramatanga me te ora. Ka hari rātou ki te kite kei a rātou te kaha ki te whakarongo, ki te kite, me te pā atu i roto i tō rātou tinana hou, ā, kāore he wheua hei whati, he kikokiko rānei hei pakaru.

Ina mate te tangata, ka pirau tōna tinana tūturu, engari ka noho tonu tōna tinana aorangi ki tōna āhua taketake i tōna āhua katoa

Kei hea ngā wairua i wehe atu i te Ao? Kei te kopikopiko noa rātou i te ao tūroa. Tērā pea ka mea koe, "Kāore e taea," engari me whakarite tātou i tēnei:

Me i kī atu ahau ki tētahi mema o tētahi iwi taketake kei te ao tūroa te puoro, ā, ka taea te hopu me te whakarongo, ka kata mai rātou ki ahau, ka matakū rānei. Engari me i mauria mai e au he reo irirangi ka whakatikahia ki tētahi teihana e pāho ana i ngā puoro me ngā waiata, e kore e taea e rātou te whakahē i taku kereme. Waihoki, ka taea e au te whakaatu ki ētahi atu kei te haereere ngā mea o waho i te ao tūroa, ā, kāore he mana ki te whakakahore. Kei konei te ao o waho, kei tua atu i ngā wiri matotoru o te ao tūroa.

Me i kite te iwi i te tini o ngā mea ora o te aorangi e karapoti ana i a rātou, he tokomaha ka matakū, ā, ka ngana ētahi ki te rapu i ā rātou whanaunga kua ngaro.

Ki te arotahi hōhonu koe ki te kanohi wairua, ka taea e koe, mā te tirohanga ā-roto, te kite i te ao kanapa e noho ana ngā wairua katoa kua whiti atu ki te ao ethereal. I roto i te tangata, ko te ngākau te kaiwhiwhi, ā, ko te kanohi wairua te kaituku i te māramatanga. Ahakoa kāore e taea e koe te kite i ō whanaunga kua wehe atu, ki te arotahi marie koe i ō kare ā-roto ki te ngākau, ka rongo koe i te aroaro o te hunga e arohaina ana e koe e noho ana i roto i ngā tinana kanapa, e pārekareka ana ki tō rātou herekoretanga mai i te here o te tinana tinana.

He maha ngā mea ora o te ao e kite ana ahau kua wehe atu i te whenua, engari kāore e taea e rātou te

kite i ahau. Kāore ahau e whakaatu i ahau kia kitea e rātou, engari ka taea e au te kite i a rātou mēnā e hiahia ana ahau.

Nō reira, kāore tātou i te tino herekore ina wehe atu tātou i te tinana i te matenga. Kei roto tonu ō tātou wairua i ngā āhua huna e rua: te aorangi (tinana pūngao) me te tinana take (tinana whakaaro).

Ina riro te tangata i tētahi āhua tinana, ka noho ia hei mea kitea i tēnei ao. I muri i te matenga o tōna tinana tinana, ka noho tonu ia ki te ao aorangi hei "kehua," arā, hei mea ngaro e mau ana te kaha hinengaro me te hinengaro me ngā āhuatanga i wehewehe i a ia i tōna oranga i te ao.

Heoi anō, ka taea e ngā tāngata o te ao aorangi te kite tetahi i tetahi i roto i ō rātou tinana kanapa, engari ko ngā mea ora o te aorangi kāore e kitea e tātou i runga i te whenua ki te kore tātou e mōhio me pēhea te uru atu ki te ao aorangi mā te kanohi wairua. Ina whakarerea e ngā wairua ō rātou tinana ethereal ka tomo ki te āhua hinengaro o te ao pūtake, kāore rātou e ngaro katoa, engari ka ngaro rawa, pērā i ngā whakaaro kāore e kitea.

Ina wetekina ngā wairua i ngā hiahia kikokiko, kāore e hiahiatia kia whakawhānau anō ki te Ao. Ka neke ēnei wairua i waenga i te aorangi me te pararaiha take, ka whakawhānau tonu ki te aorangi tae noa ki te wā e tutuki ai te whakaoranga wairua mai i taua āhua. Ina pau ngā hiahia take katoa, ka tino herekore te tangata, ka noho hei wairua herekore.

Mena kei te mau tonu ngā hiahia o te wairua kua wehe atu i tōna oranga whenua, ka mau tonu aua hiahia ki te ao o te ao, ā, ka hiahia kia whakapuakina i roto i te tinana tinana. Nō reira, ka hoki taua wairua, me tōna tinana aorangi, ki tētahi pūtau (he pūtau

parāoa) i hangaia mai i te parāoa me te hua manu, ā, ka whānau houtia hei pēpi hou.

Kāore i te whakaaro nui kia whakapae tonu te tangata i tētahi ngoikoretanga tinana nā rātou anō. Mehemea kua ngaro te ringa o tētahi i tēnei ao, ā, kua mau te whakaaro mō taua ngaronga ki roto i tōna hinengaro, me te whakatenatena i a rātou anō kāore e taea te whakamahi anō. Ina whānau hou mai rātou, ka mauria mai e rātou taua kare ā-roto mō te ringa ngaro. Mēnā he kaha rawa tēnei whakaaro kino, ka ārai pea i te mahi auaha o te mahi ora hinengaro e hanga ana i ngā ringa o te tinana hou. Nō reira, kaua rawa te tangata e tautuhi i a ia anō mā te koretake me ngā ngoikoretanga o te tinana. Kāore ēnei herenga e pā ki te wairua, koinei te ahua parakore, tino tika o te Atua.

Nō reira, ka kite koe i mua i tō rironga mai i te āhua tinana, he wairua koe, ā, i te matenga, ka hoki anō koe ki te noho hei wairua. He wairua tātou ahakoa e moe ana tātou, nā te mea i te wā e moe ana, kāore tātou e mōhio ana ki a tātou anō he tinana tinana. Nō reira, i te mea he wairua koe i a koe e moe ana, ā, ka noho hei wairua koe i muri i te matenga, he aha koe me wehi ai i ngā wairua? Koinei tō āhua i mua tonu atu—he wairua—ā, ka pērā tonu koe—ā, koinei tō āhua ake ake.

Ko te rerekētanga anake, ina tomo koe ki te ao o te aorangi i te wā o te matenga, kāore e taea e koe te hanga i tētahi tinana tinana i tō hiahia, pērā i tō tinana o nāianei. Ko ngā Tohunga Nui anake kua hono atu ki te Kaihanga Matua ka taea te mahi pera. Ka taea e ngā wairua matatau wairua te whakanui ake i ngā wiri ngawari o te waka aorangi hei tinana e taea te pa atu.

E wehi ana mātou i te mate nā te mamae me te whakaaro o te whakangaromanga. He whakaaro hē tēnā. I whakakitea a Ihu Karaiti ki ana ākonga i roto i te āhua tinana i muri i tōna matenga. I hoki mai a Lahiri Mahasaya i roto i te kikokiko me te toto i te rā i muri i tōna matenga. Kua whakakitea e mātou kāore rātou i mate.

(Ā, ka mea te Karere, kia tau te rangimārie ki a ia, "Ko te tangata pono rawa o koutou i roto i ngā moemoeā ko ia te tangata pono rawa o koutou i roto i te kōrero" Ā, "Ko te tangata e kite ana i ahau i roto i te moemoeā, me te mea kua kite ia i ahau i roto i te ao tūturu")

Ahakoia he onge ngā take o ngā pou wairua, kaua e kīia he hē ā rātou whakaaturanga.

I kite ahau i taku kaiako, i a Sri Yuktsuwar, i whakaarahia ake i te toru marama i muri i tōna matenga (Tirohia ngā Ao Wairua: Ko tōna Pono me tōna Taiao i runga i tēnei pae)

E mea ana ngā pukapuka tapu o te whakaaro nui, ko te wairua tangata he whakaata i te wairua atua. Kāore ia e pāngia e te mamae o te mate, e ngā mamae rānei o te whānautanga, ā, he mau tonu tōna oranga i te mea e mau tonu ana te oranga. He ora tonu tēnei wairua, ā, kāore e rerekē, kāore e pāngia e te pirau, kāore hoki e pāngia e te whakangaromanga.

He maha ngā wā, i kukume mai tētahi ākonga e tūroro ana e noho ana i tawhiti i tōku tinana aorangi ki a ia nā te kaha o tōna pono me tōna aroha. I puta tētahi tauira pēnei i konei me tētahi ākonga ko Seva Devi tōna ingoa. He ākonga tino pono ia. I tētahi wā, ka tino pāngia ia e te mate engari i huna e ia i te katoa. I taku haerenga ki a ia i te hōhipera, ka mea mai ia ki ahau, "Tena koa inoi ki te Atua kia kaua ahau e noho tonu i roto i tēnei tinana."

I muri mai, ka hoki ahau ki te whare karakia o Encinitas i te takutai moana o te Moana-nui-a-Kiwa, ā, i tētahi ata ka rongohia ahau i te wiri o te ao mārama o Seva Devi. Nā tōna ngākau pono me tōna aroha wairua, ka kukumea e ia tōku tinana wairua ki a ia. I taua wā tonu, ka tio tōku tinana, me te mea kua wehe atu te ora i a ia, i muri mai ka kīia mai ki ahau ka karanga ohorere a Seva Devi, "Kei konei a Swamaji!" i mua tata i tōna wehenga atu i tōku tinana, i te mea e mōhio ana ia kei te haria ahau ki tētahi atu ao.

I muri mai, ka kite ahau i a ia, he kanapa tōna tinana, e noho ana i roto i tētahi o aku akomanga, pērā i tōna āhua i tōna oranga. Me i pā mai tētahi ki ahau i taua wā, kua kite anō hoki rātou i a ia, ahakoa ko te hunga kei roto i taua āhua o te mōhiotanga wairua kāore e whakaae kia pā atu ētahi atu ki a rātou.

Kua whiti tātou i te paepae o te mate, ā, kua hoki mai ki te ora i ngā wā maha, nō reira he aha tātou i wehi ai i te mate? Ka tae mai hei whakaora i a tātou. Ae, kua tātou e hiahia ki te mate, engari me kimi e tātou he whakamarie i roto i a ia—ina tae mai ia i a ia anō—hei whakaora i a tātou i ngā raruraru maha.

E wehi ana hoki te tangata i te mate nā te roa o tō rātou noho ki tēnei whare herehere, tae noa ki te wehi o te wehe atu. Engari he mea kuware te wehi o te tangata.

Nā te Atua i hiahia kia puritia e tātou tēnei tauira ā-tinana tawhito tae noa ki te matenga, me tiaki e tātou, me manaaki hoki e tātou.

He kōrero tēnei i Īnia mō tētahi taitama e tata ana ki te mate, ā, i tangi ia i tōna rongonga i ngā aue o te pouri me te mamae o te wehenga i tōna taha:

Kaua e whakato i tōku wairua ki ō tangi aroha

**Ina eke koe ki ngā ao mutunga kore o te
māramatanga me te aroha**

**Ko au te tangata tika kia aroha ki a koe, kia aroha
hoki ki tō āhua**

Mōku

Kāore he mate i muri i tēnei rā

Kāore he wheua whati

Kāore he pōuri, kāore he mamae nui

**Nā te mea he moemoeā taku mō te harikoa, ā, he
kauhoe i te moana o te harikoa**

Ā, ka manawa harikoa ahau

Ngā hāora mahi kua roa ake!

**Kāore te tangata e mōhio ki ngā mea ka pā ki a ia
i tēnei ao. E noho ana ia i waenganui i ngā matakū me
ngā manukanuka hinengaro. Ko te hunga kua mate
atu, e aroha ana ki a ia, e manaaki ana i a ia i tō rātou
ao. I kōrero ahau i tēnei ki tētahi whaea kua mate
tana tama, ā, i taku mutunga i te whakamārama, ka
murua tonutia e ia ōna roimata, ka mea: "Kāore anō
ahau kia rongō i te rangimārie pēnei. E harikoa ana
ahau ki te mōhio kua wātea taku tama. I mahara ahau
kua pā tētahi mea kino ki a ia."**

**He tokomaha ngā tāngata matatau ki te taha
wairua e kite ana i ō rātou tinana eterika.**

**Ina piki ake, ina wehe atu rānei te tinana etere i
te tinana tinana i te wā e mate ai, ka kite te tangata e
wehe atu ana i tōna tinana kua mate. Ka puta anō
tēnei wheako ina whiti atu ngā yogi matatau i te
tinana tinana mā te kaha o te hiahia, ka taea ai e
rātou te wehe atu me te hoki ki ō rātou tinana i runga
i te hiahia. Heoi, he maha ngā tāngata e whakapono
ana ka taea e rātou tēnei mahi e hē ana. Ko te
whakaaro noa ki te wheako i tētahi mea ehara i te
mea ka tupu. He mea nui te mōhio ki te tikanga.**

I tētahi wā, i haere mai tētahi tangata i Niu loka ki ahau, ā, i tohe kia taea e ia te haere mā te ara etero (mai i tōna tinana tūturu). I mea atu ahau ki a ia, "Kāore au i te whakaaro pēnā; kei te whakaaro koe kei a koe taua pūkenga." Engari i tohe ia ki te whakamātautau i ahau. I whakaae ahau, ā, i mea atu ahau, "Pai, haere mā te ara etero, heke iho, ka kōrero mai ki ahau he aha te mea e tupu ana i te wharekai i raro."

I noho puku ia mō tētahi wā poto, kātahi ka mea, "He piana nui kei te kokonga matau"

I tino mōhio ahau he whakaaro noa iho ia nā te mea he noa tana manawa me tana pā o te manawa.

Nā reira ka mea atu ahau, "Engari, ki taku whakaaro ka kitea e koe ētahi wāhine tokorua e noho ana i te taha o tētahi tēpu i reira." Ka tawai mai ia ki ahau. Kātahi māua ka haere tahi ki te wharekai, ā, kāore he piana i te kokonga, engari ko ētahi wāhine tokorua e noho ana i te taha o tētahi tēpu. I te mutunga, ka mārama tō māua hoa kua mamingatia ia e āna ake moemoeā.

I roto i aku kitenga aorangi ngaro, he maha ngā wā ka kite ahau i ngā huihuinga whakamataku, engari ki ahau nei he rite ki te kiriata. Ko te ao i hangaia hei whakangahau i a tātou, ehara i te whakamamae, hei whakamataku rānei i a tātou. Ā, nā te Atua Kaha Rawa i hanga te whakaari o tana hanganga kia tino uaua, ki tonu i ngā whakahē o te pai me te kino.

Me whakangungu tātou i a tātou anō kia mārama ki tō tātou āhua wairua ngaro. Engari kāore e taea tēnei mena ka herea tonutia ō tātou whakaaro ki te tinana. Mā te aro nui ki ngā mea ā-tinana ka meinga tātou kia aro nui ki ngā mea ā-tinana, ka aukati hoki i ō tātou wawata wairua. Me waiho e tātou te Atua hei mea nui rawa atu i roto i ō tātou orange. Ki te

whakaitihia ia e tātou, e kore ia e haere mai ki a tātou, e kore hoki tātou e mōhio ki a ia. He maha ngā whakamātautau o te ao, ā, kei te noho tonu. Ko te hunga e hiahia ana ki te wairua, me whakaoho i ō rātou hiahia, me hanga hoki i ō rātou ara i roto i te ngahere matotoru o ngā whakamātautau kia tae atu ai ki tētahi ao haumarū, marino hoki.

Ka taea te wheako i te pikinga aorangi ethereal ina uru te tangata ki ngā āhua hohonu o te harikoa wairua, ka whakawhānui i tōna hinengaro ki tētahi taumata teitei ake o te mōhiotanga. Mā roto i tōna kanohi wairua, ka taea e rātou te kite i tētahi wāhi o te wāhi, ahakoa i tēnei ao, i te ao ethereal rānei. Ka taea hoki e rātou te whiti i ngā here o te wā me te wāhi. Kei ētahi tāngata kua matatau ki te wairua te kaha ki te whakapoto i ō rātou tinana ethereal, tae atu ki ō rātou tinana tinana ki tētahi wāhi. Ka kiia tēnei āhua ko te bilocation, ko te aroaro takirua rānei, ka taea e te tangata te noho ki ngā wāhi e rua, neke atu rānei i te wā kotahi. I tēnei āhua, kei roto te tinana tinana i tētahi āhua o te ora whakaroa, he rite ki te trance. Ina tae te rangatira ki te taumata teitei rawa o te harikoa wairua (te taumata o te mātauranga atua), ka taea e rātou te mahi i ā rātou mahi katoa i te tikanga noa, me te noho tonu i roto i tētahi āhua tapu o te rapture.

Ko te tangata e rapu piringa ana ki te Atua, e kore e whara i tetahi, ā, kāore he mea e wehi ai ia i te mea e whakapono ana ia ki te Atua, e pupuri ana hoki i tana arataki. Engari ina tukua e te tangata ngā whakaaro kino kia ngokingoki ki roto i tōna hinengaro, ā, e whakapono ana ia kei te ngana tetahi ki te whara i a ia, ka hoatu e ia ki taua tangata te mana ki te mahi pera.

Whakaarohia te tuku whakaaro teka mai i tētahi ki a koe, ā, ka whakaaetia e koe. Kāore e kore ka whara koe i tēnā. Engari kei a koe te mana ki te whakakore i ngā whakaaro kino. Kaua e wehi i te hunga whai whakaaro kino, nā te mea kāore he tangata e whai mana ana ki a koe mēnā kāore koe i te ngoikore te hinengaro. Ko te wehi me te hinengaro kati ka tukua te kino kia tomo mai. Engari ki te kī koe ki a koe anō, "Kei ahau te Atua, ā, e tiaki ana i ahau," ko te pai anake ka puta mai ki a koe i ngā whakaaro o ētahi atu. Ahakoa ka tukuna mai e tētahi ngā whakaaro kino ki a koe, e kore e tae atu ki a koe; engari, ka hoki atu ki te kaituku, ka whara i a ia i ngā huarahi e mōhio ana ia, e kore rānei e mōhio. Karapotia koe ki te Atua, rapua he piringa i roto i tōna ingoa tapu, te mana tino kaha o te ao. He taiepa pakari e pakaru ai ngā pere katoa o te kino, o te teka, me te tinihanga, ā, ka hurihia ngā whakaaro kino katoa ki tō rātou pūtake me te takenga mai!

Kaua e aro ki ngā mana o ngā wairua kopikopiko me ngā wairua kotiti ke, ki ngā kaimahi makutu pango rānei. He maha ngā mana nui o te ao e mau tonu ana i ngā ao o te ao. He pakanga ao kei waenganui i te pai me te kino. Engari kāore he wehi mō te hunga whakapono pono e mahi ana i runga i tō rātou whakapono me ō rātou whakaaro pai, nā te mea ka toa te pai i te mutunga.

Kei te whakahaerehia tēnei ao e ngā mea ora me ngā mana kāore e kitea: ko te Atua, āna poropiti, me āna hunga tapu i tētahi taha, me Hātana, āna pononga, me āna hononga kino i tētahi taha He pakanga nui kei waenganui i te Atua me āna anahera, me Hātana me ōna hoa tautoko Kāore e taea te whakakore i te raruraru hei mānukanuka noa iho Me i kore a Hātana i te ao, e kore tātou e rapu āwhina i te

Atua ki a ia Kei te noho te kino, ā, me ārai mā ngā huarahi me ngā tikanga katoa.

I te hanganga o te tangata e te Atua, i hangaia hoki e ia a Hātana. Ko Hātana, me tōna mana tinihanga, kei reira hei whakamātautau i te tangata. Ki te kore e rewa te rino i te ahi, e kore e taea te patu, te hanga rānei i te maitai. Nō reira, ina pā mai te mate, te mamae rānei, kia mahara he whakamātautau tēnei me pā. Kaua e amuamu, kaua hoki e pouri i aua whakamātautau. He maha ngā wairua nunui kua mate i ngā mate kino, ā, kua pāngia e te mamae nui. Ko ētahi i pāngia e ngā hauātanga kino, heoi i mau tonu tō rātou whakapono, ā, i haere tonu rātou me te ngākau harikoa ki te korōria teitei rawa.

Ko tō tātou aorangi, ko Papatūānuku tētahi o ngā wāhi tino kiki te taupori. He maha atu ngā ao pai atu i tēnei Ao, e kī ana i ngā momo raruraru me ngā uauatanga katoa. Heoi, kāore te Atua e wareware i a tātou i roto i tana aroha; engari, e ngana ana ia ki te āwhina i a tātou i roto i ngā huarahi maha ki te wikitoria i ō tātou mamae me ngā arai e tū mai ana i tō tātou ara.

E whai ana te Atua, āna anahera, me ngā miriona wairua pai ki te whakatū i tētahi tikanga tapu o te rangimarie ki runga i te Whenua. Ko ia kounga pai me ngā āhuatanga pai e ahu mai ana i tētahi wairua pai, nā te mea e rui tonu ana ngā wairua pai i ngā purapura o ngā whakaaro me ngā whāinga pai ki te oneone o ō tātou hinengaro. I taua wā anō, heoi, ko te kingi o te pōuri—ko Hātana—me te āwhina a āna akonga wairua kino, e hanga ana i te raruraru me te raruraru i te ao. Ko wai atu i a Hātana i hanga i ngā huakita o te mate? I kawea mai e ia ngā momo mate urutā maha, kātahi ko te mate kahi, me tētahi atu

**mate whakamate, te mate pukupuku, me ētahi atu—
he tikanga rewera katoa hei whakamamae i te
tangata. Engari e whakahihiko ana te Atua i te tini o
ngā kairangahau ki te hanga huarahi hou me te whai
hua hei whakakore i te mate.**

**He tinihanga te ahuareka o te moepuku ki te

hunga ngākau pouri ki te Ariki pono mō te āwhina me te whakatutuki i ā rātou tumanako.

Engari kāore tātou e hiahia ki te tatari kia tae mai te pouri hei akiaki i a tātou ki te tahuri ki te Atua. Kaua e waiho ā tātou hua katoa ki roto i te kete kotahi.

Kaua e herea ō tātou tumanako mō te harikoa ki te kete pakarukaru o te tinana me ngā ahua eka poto o te ao.

Kia whakarongo tātou, e aku hoa, ki te reo o te Atua e kōrero mai ana ki a tātou mā roto i ō tātou whakaaro pai. Nā te Atua, nā āna poropiti, me āna wairua anahera ēnei whakaaro rangatira i hanga. Nā Hātana rātou ko āna pononga i hanga ngā whakaaro me ngā whakamātautau kia rite ki tō rātou ake āhua.

Ia puta mai he whakaaro kino ki roto i tō hinengaro, peia atu, kaua e pouri, ā, e kore e taea e te rewera te whakamahi i tōna mana ki runga i a koe, te whara hoki i a koe. Kia mahara, i te wā tonu ka whakaaro hē koe, ka tata atu koe ki te rewera.

Kei te neke haere tonu te tangata, e neke whakamuri ana i waenganui i te pai me te kino

Hei mawhiti i tēnei mahi whakawhiti-mōhio, me haere te tangata ki te wāhi e kore e taea e te ringa o te rewera me āna hoa te tae atu ki te ngākau o te Atua , kia tau te rangimārie ki a koe.

Te taurite hinengaro i waenga i ngā huringa

Ka whakanuia e te hunga o te Hauāuru te whakamarie tinana. Ina tino wera te rangi, ka mamae rātou nā te kore o te whakamatao, ā, ina tino makariri, ka pāngia rātou e te kore o te whakamahana horihori. Engari he rerekē te rapunga whakaaro a ngā kaiako Inia. E ai ki a rātou, ko te aro ki te wera me te makariri, te ahua eka me te mamae, ka puta mai i ngā whakaaro tinihanga o ngā kare ā-roto, mai i te whai wāhi me te urupare a te tangata ki ā rātou tono

mutunga kore. Ko te tangata whakaaro nui ia, ko ia te tangata e mawhiti ana i te hopu a ngā kare ā-roto, ā, ka hipa .atu i ngā āhuatanga takirua katoa

Kāore ngā kaipūkenga nui e kī ana me whakahaere te tinana i a ia anō kia whara ai. Engari, e kī ana rātou me whakawātea te hinengaro i a koe anō i te kare o te wera, te makariri rānei ina kore e taea te whakamanawanui i te wera, i te makariri rānei, me te rapu i tētahi rongoā whaitake mō .taua mate

a Gita : "Ko te hunga e herea ana e ngā ahuareka o te tinana, kāore e taea e rātou te whakatutuki i te taurite hinengaro e tika ana mō te whakaaroaro, kāore hoki e taea e rātou te hono atu ki te Atua mā te harikoa o te harikoa " wairua o Samadhi

Ina taea e te tangata te wehe i a ia anō i ngā raruraru o te hinengaro, ka whiwhi ia i te rangimārie o roto. Mā te noho kore e pāngia e ngā kare ā-roto e haere mai ana, e haere atu ana, ka whakakitea e ia te marino nui, te marino kore e rerekē o te wairua. I roto i taua mōhiotanga pumau, kore e nekeneke, ka kotahi rātou me te tino mutunga kore, te .mutunga kore, me te kore e rerekē

Ka whakararuraru te urupare kore mahi ki ngā kare ā-tinana katoa i te hinengaro me te wairua. Ina whakararuraruhia te wairua, ka ngaro te āhua tūturu o te tangata, arā, te marino. Kei ngā wāhi wera rawa, makariri rawa hoki o te Ao te Atua. Kei te Arctic me te Rohe Kore ia, kāore e pāngia e ngā āhuatanga me ngā pāmahana tino kino o tana hanganga whenua. Me whai ngā tāngata, i hangaia kia rite ki tōna āhua, ki te whai i tana whanonga. I whakanohoia tātou e te Atua ki roto i tēnei tinana, kia pāngia e te wera me te makariri, te ahuareka me te mamae, engari e hiahia ana ia kia tirohia e tātou ēnei takirua me te hinengaro taurite. E hiahia ana ia kia ara ake tātou i runga ake i ngā momo takirua katoa. Me whakawhanake e tātou te kaha me te manawanui me te kore whakaaro nui, te kore

rānei o te tirohanga whakamua. Ina kore e taea e tātou te karo i te wera nui, te makariri rānei, me wehe atu ō tātou hinengaro i a rātou. Ko te nui ake o tā tātou whakapau kaha ki te mahi i tēnei, ko te nui ake o te whakawātea a te hinengaro i a ia anō, kia kore ai e pā kino ngā kare ā-roto kāore e hiahiatia ki ō tātou hinengaro, ki ō tātou kare ā-roto .rānei

Kāore te mata o te kiri e kite i te pā; ka tukatukahia ēnei kare ā-roto i roto i te roro. Ka taea anake e te tangata te whakamātau, te pā, te hongī, te whakarongo, te kite rānei mā te hinengaro. Te āhua nei ka pāngia tātou e te reka i runga i te mata o te arero, engari ko te roro tonu te mea e rēhita ana i taua reka. Waihoki, ina whara tetahi wāhanga o te tinana, ka pā te mamae ki te hinengaro, ehara i te okana e pāngia ana. E rua ā tātou tikanga mō te rongo i te mamae: ko te io me te take roro. Ka puta te kare ā-roto ina whakaaetia e te roro te whakawhitiwhiti kōrero i waenga i te io me te take roro. Ki te kore te roro e mōhio ki te mamae, kāore he mamae. Koinei te kitenga whakamiharo a ngā tohunga Inia nui. Ina kei raro te tangata i te mana o te chloroform, i te rongoā whakamārie rānei, kāore rātou e rongo i te mamae nā te mea kāore ngā kare ā-roto e tae ki te roro. Kei ngā pito io he huruhuru ririki e tukuna ana ngā tohu mamae ki te roro. Ka ārai te rongoā whakamārie i te .tukunga o ēnei tohu mamae

Ko te roro te okana pānga o te hinengaro, ā, ka tukuna ngā kare ā-tinana katoa ki roto mā roto i ngā io me te roro tonu. Nā te mea e hono ana te hinengaro ki te roro, ka whiwhi, ka whakamārama hoki i ēnei kare ā-roto. Ko te hinengaro e whakapakaritia ana e te whakaaro pai, kāore i te tino pāngia e ngā kare ā-roto o te harikoa me te mamae. E mōhio ana ia ki ēnei kare ā-roto engari kāore e herea e aua .kare ā-roto

I whakawhiwhia te tangata ki ngā kare ā-roto hei tiaki i ō rātou tinana. Ki te kore, ka pāngia te tangata e te motu kino,

e te wera rānei, me te kore e mōhio. Kāore i whakawhanakehia e ngā kararehe tēnei kaha, nō reira kāore i te tino kitea te mamae; ki te kore, kāore e taea te whakamanawanui i te tukino i pā ki a rātou mā roto i ētahi tikanga patu me te kohuru. Hei tauira, ka makahia ngā !pāpaka ki roto i te wai kohua i a rātou e ora tonu ana Nā te mea he mea hanga te mamae me te koa i te hinengaro, ka taea te whakamama i te mamae tinana mā te whakahaere i te hinengaro. Kātahi ka taea te wheako i tētahi kare ā-roto hei tohu mō tētahi āhuatanga rerekē me te kore e rongō i te mamae. Ka aro nui te Bhagavad Gita ki tēnei. Ko te aro nui ki te koa, ki te mamae rānei ka kaha ake ōna pānga, ko te iti o te aro ka iti ake te pānga o te mamae, ka iti ake te herekore o ngā kare ā-roto. I whakangungu ahau i tōku tinana me tōku hinengaro kia iti ake te aro ki ngā whakaohoho, ā, kua wātea ahau i ngā mea whakararuraru kare ā-roto. Ko tēnei whakangungu te ara ki te whakaoranga mai i te pupuri a ngā kare ā-roto me ā rātou tono mutunga .kore

I tino kaha te hinengaro o tētahi tākuta, ā, i taea e ia te mahi i tētahi pokanga morearea ki a ia anō! Ae, he mea kore e taea tēnei e te hinengaro e herea ana e ngā herenga tinana. Engari mā te whakangungu, ka kaha rawa te hinengaro. Ko te nui ake o te whakangungu me te whakapai ake a te tangata i tōna hinengaro, ka nui ake te mana whakahaere ka taea e ia te whakamahi. Ka tino pouri te tamaiti kua whakahāweatia ahakoa he iti noa te whara, engari ko te tamaiti kua whakangungua ki te manawanui me te manawanui, kāore e oho, e hoki whakamuri rānei i te .mamae ahakoa he whara kino

I tēnei whakaaro, he rerekē rawa te tikanga whakangungu i tautokona e ngā rangatira nui o Īnia i tērā i whakaakona i te Hauāuru. Ka whakangungu ngā kaiako wairua o Īnia i ā rātou ākonga kia tino wetekina rātou i te herekoretanga ki te tinana me ōna kare ā-roto. Ko ngā

whakamarie i whakawhanakehia i te Hauāuru ka akiaki i te
ngākau nui o te tinana, ā, ko te mutunga mai, he iti noa iho,
he koretake hoki te kaha e whakapaua ana ki te
whakawhanake i ngā pūkenga hinengaro. I Īnia, ka ako
mātou (i roto i ngā wāhi okiokinga a ā mātou kaiārahi) me
pēhea te aukati i te mana o ngā kare ā-roto i te tīmatanga
kia kore ai mātou e noho hei pononga mā rātou. I taku kura i
Ranchi, Bihar, i ētahi wā ka moe mātou i ngā tamariki
nohinohi ki runga i ngā whāriki iti i runga i te whenua
pakeke, ā, ka tipu ake rātou i roto i te hauora me te kaha, i
.te taha tinana me te taha hinengaro

Kua taunga ngā tāngata o te Hauāuru ki ngā momo
huarahi whakangā me te moe marino. I Īnia, i noho mātou ki
runga i te onepū wera hei whakaaroaro. Nāwai ā, ka taea e
mātou te noho i te werawera i te rā katoa, i te makariri hoki.

Nā tēnei whakangungu, i whiwhi ahau i tētahi kaha
hinengaro kāore he mea e taea te whakararuraru, te pā
rānei ki tōku hinengaro. Ina momotuhia e au tōku hinengaro
mai i ōku kare ā-roto, kāore he mea e whakararuraru ana i
.ahau

I ngā tau kua pahure ake nei, he tino wera rawa te
rangi, ā, e manawa pā ana te katoa. Nā te hononga
hinengaro, ka whakawhitia mai ō rātou mamae ki ahau, ka
aukati i ahau ki te arotahi me te tuhi tuhinga. Kātahi ka riria
e au ahau, ka mea, "He aha tēnei katoa?" ā, ka inoi ki te
.Atua

Aue, e te Ariki, mā te hiko kotahi anō ka wera te oumu,"
mā te hukapapa hoki ka puta te wera i roto i te pouaka
"!whakamātao. Nō reira, he marino te rangi

I taua wā tonu ka pai te āhuarangi mōku, me te mea
kua karapotia tōku tinana e te hukarere, ā, ka tīmata ahau ki
.te tino hihiri, ā, ka tuhituhi ahau me te kore he uaua
I ētahi tau kua pahure ake nei, i runga ahau i tētahi
haerenga rori whakawhiti whenua i roto i tētahi motuka
tuwhera me tētahi rōpū ākonga taitamariki e ako ana i a

rātou anō, ko tētahi o rātou ko taku hēkeretari. I moe māua ko ia i roto i te motuka, e whakawhitiwhiti ana i tētahi paraikete iti. He tino makariri te pō. I a au e moe ana, ka unuhia e ia te paraikete i ahau, ā, i taku araaratanga, ka tangohia noatia e au te paraikete i a ia! I haere tonu tēnei mō tētahi wā. Kātahi ka mea tōku hinengaro, "He aha koe i"!pēnei ai? He pai ngā mea katoa. He mahana koe Kātahi ka maka atu e au te paraikete, ka noho ake, ka tīmata te whakaaroaro kia mahana rā anō tōku tinana, pērā i te taro. I te oho ake o ngā ākonga i muri i ngā haora e rua, e wiri ana i te makariri, ka kitea ahau e rātou e kore e nekeneke ana, kua ngaro ahau i roto i te harikoa tapu, ā, i te whakaaro kua mate ahau, ka ngana rātou ki te whakaara i ahau i roto i taku harikoa wairua me ā rātou karanga. Engari ka menemene ahau, ka mea, "He aha te haruru, e ngā taitama? Me haere tonu tātou." Ka whakahē rātou, "I noho koutou i te makariri rawa, kāore he koti, he paraikete rānei!" Heoi, kāore ahau i pāngia e te makariri, ko ahau anake te !tangata i mahana

Ko te mea me mahi ko te whakangungu i te hinengaro kia pai ake te whakaaro. Ki te whakatau koe kāore koe e pāngia e te makariri, ka iti iho te tūponotanga ka pāngia koe. Me whakangungu hoki te hinengaro ki te wikitoria i te mamae. Ka whakanuia te mamae e te aro o te hinengaro, ā, ko te whakanui i te mamae ko te wareware i te ahua o te Atua i roto i a koe anō—ko taua ahua tapu, e kore e taea te .hinga

I kī ngā tohunga o Īnia o mua, ka tīmata ngā tikanga katoa ki te hanga i roto i te tangata i te toru o ōna tau. He tino uaua ki te whakarerekē i ēnei tikanga ina kua mau, kua hohonu hoki te pūtake ki te hinengaro mohio. Mena kua whakatōkia e tō whānau me tō taiao ki roto i tō hinengaro ngā mea e pai ana ki a koe, me ngā mea e kore e pai ki a koe, ka noho tonu pea ēnei whakaaro ki a koe mō te ora tonu. Ko te mea tuatahi i akohia e au i taku kaiārahi mohio, a

Sri Yuktiswar, ko te wikitoria i ngā kare ā-hinengaro e pā ana
ki ngā kare ā-roto. I taku haerenga tuatahi ki a ia mō te
whakangungu, ka pāngia ahau e te makariri mena kāore au i
whakamahi i te paraikete mahana i te rangi makariri. Engari
i ako mai taku kaiako ki ahau me pēhea te whakamahi i te
mana o tōku hinengaro ki te wikitoria i tēnei tikanga. Nō
reira, i wātea ahau i te makariri i whakararuraru i ahau mai i
te tamarikitanga tae noa ki taku whiwhinga i te
!whakangungu a te rangatira

E mea ana ētahi me whakawhirinaki tātou ki te
whakaaro nui anake. E whakapono ana ētahi me
whakamātau tātou i ō tātou kare ā-roto. He tino kino rawa
.ngā tirohanga e rua

E ai ki tētahi ariā, he mea tika kia tiro tirohia te tinana i
ia wā, i ia wā, kia ora ai, kia rite ki te tiro tiro i tō waka i ia wā.
He tika tēnei. Engari ehara te tangata i te mīhini. Mena kei tō
āhua tinana tō hauora hinengaro, ā tōna wā ka noho hei
pononga te hinengaro i raro i ngā hiahia o te tinana, ā, ka
kore e whai hua ngā momo rongoā me ngā maimoatanga
tinana katoa. Koinei te take e pāngia ai tātou e ngā mate
kore e taea te rongoā. Kua mau te ngoikore o te tinana nā te
mea kua kore te hinengaro e noho hei rangatira mō te
.tinana

He pai ake te whakaōrite i te tīmatanga. Mēnā he whara
iti noa iho tō tinana, pania he iti te iodine, engari kaua e
whakawhirinaki katoa ki te rongoā. Me whakarite kia tika, kia
tika hoki ngā mahi ārai kia taea rā anō e koe te
whakawhirinaki haere ki te whakaaro nui. I whakamahia e
ngā kaiako nui ngā rongoā i hangaia mai i ngā otaota me
ngā matū i hangaia e te Atua. Kāore ngā rongoā me ngā
rongoā e hiahia ana mō te kaiako wairua, engari hei
whakaatu i te mahi a te mana o te Atua i roto i ngā huarahi
maha, ka whiriwhiri pea rātou i ētahi wā ki te whakamahi i
ētahi rongoā. Ahakoa pēhea, kei te mana o te whakaaro te
wikitoria. Ina tae koe ki te whakapono pakari ka taea e koe

te noho me te kore rongoā katoa, me te kore he pānga kino,
ka wikitoria koe, ā, ka riro i a koe te mana whakahaere i te
.tinana

I tētahi wā, ka whati te ringa o tētahi kaiako, ā, ka tukua
kia rongoatia, kia takaia hoki. I te taenga mai o tētahi
tangata whai rawa ki te toro atu ki a ia i muri tata mai i te
aituā, i whakaaro ngā ākonga matakū ka pouri te manuhiri i
te kitenga i te ringa o te kaiako i roto i te taura (e iri ana i
tōna kaki). Ka mea te kaiako ki te manuhiri, "E kite ana koe,
kua whati tōku ringa, ā, kei te mamae ahau." E whakaaro
ana ngā ākonga, i te kitenga i tōku ringa whati, ka whakaaro
rātou kua whakarērea ahau e te Atua, ā, kāore ia e aro mai
".ki ahau. Kaua e aro ki a rātou

I tētahi atu wā, i te waiata taua kaiako ki te Atua i roto i
te āhua o te harikoa nui, ka hinga ia ki runga i tētahi
puranga waro e mura ana i te taha tata. Heoi, i haere tonu
tana waiata. I te hikitanga ake a ngā ākonga i a ia, ka kitea
kua piri ētahi o ngā waro ki tōna tuara, ā, kua wera tōna
kikokiko. I matakū rātou i te tirohanga whakamataku, engari
ka menemene te kaiako, ā, ka mea māriri, "Āe, tangohia
noa ngā waro hei utu mō tēnei ngangau katoa!" Kāore ia i
amuamu mō tētahi mamae. Koinei te hinengaro nui e
whakaatuhia ana e ngā kaiako. I tēnei wā, i whakaatu te
kaiako kei runga ake ia i te mamae. I te wā tuatahi, i
whakaatu ia i pāngia ia e te mamae, engari i
.whakamanawanui me te manawanui me te ngākau mahaki
Me tū pakari te tinana me ōna hiahia. E kī ana ngā
karaipiture ko ngā ariā o te wera me te makariri, te ahua eka
me te mamae ka puta mai i te pānga o ngā kare ā-roto ki
ngā pūtake o aua kare ā-roto, o aua kare ā-roto rānei. Heoi,
he tīmatanga me te mutunga ēnei kare ā-roto me ēnei kare
ā-roto. He mea poto noa iho, he mea rangitahi hoki te āhua,
nō reira me manawanui me te manawanui. He aha ai te
pāngia e te makariri, e te mamae rānei? Me whakatipu te
maia hinengaro nui ake mā te whakangungu i te hinengaro

kia manawanui kia taea rā anō te tū ki runga ake i ngā
.momo mamae me ngā mamae katoa

He whare herehere noa iho te tinana kua kapi ki te
kikokiko, e noho ai te manu o te ora mō te wā poto. Kua tino
herea te ora i te tinana, engari kua honoa, kua herea te ora
.ki ngā āhua here, here o te tinana, ā, nā reira ka mamae
I ngā hāora oho ake, ka mōhio koe ki ngā kare ā-tinana.
Engari i te wā moe, ina wātea tō hinengaro i te tinana, kāore
koe e mōhio ki aua kare ā-tinana, engari ka rongu koe i te
.rangimārie hōhonu

Nā te mea i hangaia te tangata kia rite ki te ahua o te
Atua, ka taea e ia te noho i roto i te tinana, me te kore e pā
ki ngā kare ā-tinana. Engari, ka tangohia e ia ngā āhua
.tinana ki a ia anō, ā, ka meinga kia tino tūturu
Hei wātea i ngā kare ā-roto, me wehe te tangata i a ia
anō i te tinana. Koia te take e kī ana te hunga tapu kia neke
atu i te pai me te mamae te hinengaro, ā, mā te mahi anake
ka taea tēnei. Kua whakamātauria e au tēnei pono ki a au
anō, ā, e mōhio ana ahau he maha ngā kino e pā ana ki te
nui rawa o te aro. Ko te ngohengohe ki ngā hiahia o ngā kare
ā-roto te pūtake o ngā mamae me ngā pōuri katoa. Kāore te
Atua i whakahau i te mamae mō tātou. I hangaia e ia ngā
kare ā-roto hei ārahi me te whakangahau i a tātou, ā, i
whakaaro ia, ā, kei te whakaaro tonu ia kia whakamahia e
tātou te tinana tinana me te whakaaro nui, kaua e piri rawa
ki a ia, kia pōuri ai tātou. Ki te aroha nui te tangata ki tētahi
mōkai, ka aro atu rātou ki ngā kare ā-roto o taua kararehe,
ahakoa kāore i te hono tinana ki a ia e te pūnaha io. Waihoki,
ko ō tātou mamae tinana i ahu mai i te nui rawa o te piri
.hinengaro ki te tinana

Me kaha ake te mana o te hinengaro ki te tinana. He
mea whakamiharo te kaha ki te ora i runga i te mana o te
hinengaro, nā te mea ka taea e te hinengaro te mahi i ngā
mea katoa e tonoa ana. Ā, me pēhea te whakawhirinaki atu
ki te hinengaro? Mā te āta whakamātau i a ia anō ki te wera

me te makariri, ki te moe i runga i te moenga pakari, me te
.whakaiti i te whakawhirinaki ki ngā mea whakamarie
I a au e kōrero ana, kāre rawa au i te mōhio ki te
pāmahana teitei o te rā nei, engari mā te whakahua noa i te
.wera, ka tīmata ahau ki te rongu i te wera
I tētahi wā, i a au e kauwhau ana i te rangi tino wera. I
tua atu, ka piki ake te wera i roto i tōku tinana, pērā i ngā wā
katoa e kauwhau ana ahau mō ngā mea wairua. I mea tōku
hinengaro, "Kāore e taea e koe te whakaoti i te kauwhau me
".te kore e muru i tō mata werawera
I whāwhā ahau i roto i taku pōke mō tētahi tauera
engari kāore i kitea. Kātahi ka titiro ahau ki roto i te kanohi
wairua, ka kōrero pōhewa ki tōku hinengaro: "Kāore he
wera." I memeha tonu te wera nui, ā, ka haere tonu taku
kauhau me te marino, me te harikoa, me te mātao
.whakamarie

Whakaharatauhia ēnei mea māu ake, kia kite ai koe
mēnā he pono taku e kōrero nei. Ka taea e koe te whakanui
ake i te mamae mā te aro me te whakaiti i te mamae mā te
herekore hinengaro. Ina mate tētahi o ō tātou whanaunga,
kaua e nui rawa te pouri, me whakaae tātou kua riro rātou ki
tētahi ao teitei ake i runga anō i te hiahia o te Atua, ā, e
mōhio ana te Atua ki te mea pai mō rātou. Me whakawhetai
tātou ki te Atua mō tō rātou whakaoranga, me te tuku atu
hoki i ngā whakaaro aroha me ngā mihi pai ki a rātou, me te
tono ki te Atua kia manakohia rātou, kia tukua mai hoki Tōna
aroha me Tōna manaakitanga ki a rātou i roto i te kāinga
.mutunga kore, kāore he wehi, he pouri rānei mō rātou
He mea maori te pouri mō te matenga o te hunga e
arohaina ana; ki te kore, kua kore tātou e noho hei tangata.
Heoi, ka pā kino ngā kare ā-roto o te pouri ki a rātou, ka
noho tata atu rātou ki te ao o te whenua i te ao o te rangi. Ko
te nui o te pouri ka ārai i te wairua kua wehe atu ki te ahu
.whakamua ki te rangimārie me te herekore nui ake

Ko te nuinga o ngā tāngata o te ao i ēnei rā kāore i
konei i te rau tau ki muri. Ko ētahi i konei i mua i a tātou. Ā,
ko tātou anō hoki, kāore e noho ki konei i roto i ētahi tau. Ka
mutu tō tātou wā, ā, e kore ngā whakatupuranga o muri mai
e mahara ki a tātou. Engari, ka whakaaro te tangata i taua
wā, pērā i a tātou e whakaaro nei i nāianeī, ko tēnei ao tō
rātou ao, engari ka tangohia atu i a rātou, me rātou hoki i
reira, takitahi. Me mate te tangata; ki te kore, e kore te Atua
Aroha e tuku kia pā ki tētahi. Nō reira, me whakapakari tātou
.i tō tātou whakapono ki te Atua, kaua hoki e wehi i te mate
Ko te hunga e wehi ana i te mate, kāore e taea te mōhio
ki tō rātou āhua tūturu. I mea a Shakespeare: "He maha ngā
wā ka mate te hunga maku i mua i tō rātou matenga; ko te
".hunga toa, kotahi noa te wā e pāngia ai e te mate
Ka pau ngā rā o te tangata maku i roto i te mamae
hinengaro me te mate puhoi. Ko te tangata toa ka pāngia e
te mate whakamutunga, tere tonu, kore mamae. Ki te mate
te tangata i te mate tūturu, i te whanaketanga wairua rānei,
ka oho tonu tōna hinengaro wairua i te matenga o te tinana,
ā, ka kitea ia kei tētahi atu taumata o te oranga—he
.taumata me ngā kare ā-roto katoa engari kāore he tinana
Kei te hinengaro te tirohanga. I te matenga, ka
whakarērea e te tangata tōna tinana matotoru, he āhua
tēnei o te hinengaro o te ao iti, ā, koia te pūtake o ngā
.raruraru katoa o te wairua
E rua ngā momo tāngata: ko te hunga e amuamu tonu
ana, e tangi ana mō ngā mate o te ao, me te hunga e
wikitoria ana i ngā uauatanga o te ao mā te menemene, me
te pupuri tonu i te pai ahakoa ngā āhuatanga kino. Kāore he
take e tino aro nui ai ki ngā mea. Me i pai ake te noho tahi
me te noho tahi o te katoa, kua pai ake te ao i tōna āhua o
.nāianeī
I roto i ngā ngahere o te ao tūroa, i waenganui i ngā
uauatanga me ngā uauatanga o te ao hou, kei reira te
whakamātautau pono. Ko ngā mea katoa e mahia ana e te

tangata ka hoki mai ki a rātou, he pai mō te pai, he kino mō
te kino. Ko te hunga e kino ana ki ētahi atu ka kinongia hei
utu. Ko te hunga e whakakī ana i a rātou anō ki ngā
whakaaro kino me ngā kare ā-roto taupatupatu ka
whakangaro i ō rātou ake āhua me te tineia ō rātou ake
harikoa. Ki te riri koe, hikoi haere, tatau mai i te tahi ki te
tekau mā rima, nekehia rānei tō arotahi ki tētahi mea
ahuareka, harikoa hoki. Ina tukinotia koe e ētahi atu, he mea
koretake te whai kia rite ki a rātou. Ina riri koe, ka koropupū
tō hinengaro, ka mamae ō takirere ngākau, ka pau te kaha o
tō tinana, ka ngenge. Tukuna mai ngā ngaru o te rangimārie
me te pai e whakaatu pai ana i te āhua tūturu o tō wairua, te
ahua atua i roto i a koe. Kātahi, kāore he tangata e kaha ki
te whakakorikori i a koe, ki te whakararuraru rānei i tō
.marino

Hei whakarāpopototanga, ka tīmata ngā mea katoa i
roto i te hinengaro. Nā te hinengaro te hara i hanga. Ka hikoi
tahanga ngā tamariki nohinohi, kāore he whakaaro hara. He
parakore ngā mea katoa ki te tangata he parakore, he
mārama hoki tōna hinengaro, engari
Ki te tangata harakore, he kino, he kino te āhua o ngā
mea katoa

Ki te kino ngā mahi a te tangata, ka kino anō hoki ōna)
whakapae, ā, ka whakaponohia ia ki ngā mea kua taunga ia ki
(te whakaaro

Ko te hinengaro kore e whakahaere tika ka hanga he
raruraru i roto i ō tātou ao. Ko te hunga e herea ana ō rātou
hinengaro e ō rātou kare ā-roto, ko rātou ngā kaiwhakaoho i
.te ngangau me te pakanga, me ngā pou o te hē me te pōuri

Nā te Atua ō tātou wairua i whakanoho ki roto i ēnei
tinana kua whakakīia ki ngā kare ā-roto kia taea ai e tātou te
noho i tēnei ao, te ako i ō tātou ake wheako me ērā o ētahi
atu, me te kore e tukua tō tātou harikoa kia whakatauhia e
ngā kaupapa me ngā āhuatanga e huri haere tonu ana i a
tātou. E hiahia ana te Atua kia whakahaere tātou i ō tātou

hiahia, kaua e tukua kia whakahaere i a tātou e rātou, kia taurite hoki te hinengaro, ehara i te mea i te wā e mārāmana, e harikoa ana hoki ngā mea katoa, engari i waenganui hoki i ngā uauatanga me ngā uauatanga. Mā te mōhio ki a .tātou anō ka homai tēnei pūkenga ki a tātou

Kāore e mutu te kanikani o te ora me te mate, engari kei te tangata te kaha hinengaro ki te ara ake i runga ake i ngā wheako ā-tinana katoa, me te kore e pāngia e ngā .taupatupatu o te ora

Ka taea e te tangata te wikitoria i ngā herenga o te ao mēnā ka titiro taurite rātou ki ngā mea me ngā kaupapa. Mā .te mahi pera, ka whakakitea e rātou tō rātou wairua pakari Ko te hunga kua tae ki tēnei taumata o te whakahaere ka noho pērā i ngā kīngi i waenganui i te tangata, ka hono atu ki te mutunga kore mutunga kore e taea te whakarerekē, .te whakarerekē rānei

Ko ngā whakaakoranga wairua o te yoga e aro ana ki ngā taipitopito o te ao me te tino tika, e whakaako ana me pēhea te whanonga i roto i ngā āhuatanga katoa. I hangaia te tangata kia rite ki te ahua o te Atua, engari kua ngaro i a rātou te hononga ki taua ahua tapu, ā, me kimi anō e rātou i .roto i a rātou anō

Ko te koura parakore i tanumia ki raro i ngā puranga oneone, he koura parakore tonu, ahakoa tōna huna, e mau tonu ana ōna āhuatanga katoa. Hei hura i te koura, me kerī hohonu ki roto i te oneone, me rapu kia kitea rā anō. Waihoki, he maha ngā paparanga o ngā tikanga rite ki te uku me ngā kare ā-whenua e kapi ana i te wairua rangatira, koura. Ko tēnei "uku" te pūtake o ngā raruraru hinengaro tangata pēnei i te manukanuka, te wehi, te mauahara, te hae, te whakaiti i te hunga whakaaro, me ngā tirohanga hē, me te pūtake o ngā āhuatanga whakarihariha katoa. Hei tango atu i tēnei uku whakaiti, me whakawhanake te tangata i tētahi hinengaro kaha, pakari hoki e pā ana ki te tinana me ngā kare ā-roto. Ko te piri ki te tinana ka puta ake ngā momo

wehi. Kua whakaarohia e au i roto i tōku hinengaro ngā
.momo mamae katoa, ā, kua hinga katoa i a au
Kia mōhio ai koe kua hangaia te tangata kia rite ki te
āhua parakore o te Atua, me ara ake te tangata i te wehi me
te riri, me te wikitoria i te tairongo nui. He uaua ki te
whakamanawareka i ētahi tāngata nā te mea kua herea, kua
taumahatia hoki e ngā tikanga papaku me ngā kōrero iti o te
ao. Engari ka taea e te tangata whai hinengaro kaha te kī, "I
tēnei rā ka taea e au te moe i runga i te moenga
ngohengohe, ā, āpōpō ka moe i runga i te papa; he rite tonu
ki ahau." Ā, pērā tonu. Mā tēnei noho kore hinengaro ka
whakangungu te hinengaro, ka ngohengohe ki ō whakahau,
.ka taea hoki te whakatutuki i ō tono
He tino maminga te hinengaro, e hoa mā. Engari mā te
whakamahine, ka ako i ngā tikanga me ngā whanonga pai.
Ina kī koe, "Kāore e taea e au te noho me te kore taua momo
kai," ka whakahoki te hinengaro, "Kāore e taea te noho me
"!te kore taua momo kai
Engari ko tō wairua kei tua atu i te whakaaro nui. Mēnā
ka mea koe, "E kore ahau e tuku i tētahi tangata, i tētahi
mea rānei kia whakataurekareka i ahau," ka whakautu te
whakaaro nui, ki te mea he pūmau te kōrero, ā, he kaha te
whakaaro. Ko koe te rangatira o te hinengaro me te tinana;
kaua e waiho hei pononga mā rātou, kaua hoki e kanikani ki
.tā rātou waiata
Ko te whakaoranga i ngā here o te kare ā-roto te ara
anake ki te rangimārie me te harikoa. Ahakoa ngā
āhuatanga, ngana ki te ara ake i runga ake i ngā mamae
katoa, me te whakahari i a koe anō, nā te mea ka taea e
!koe
:E mea ana ngā tuhinga whakaaro nui o te Rawhiti
Te āhua o te rangimārie o roto e tutukihia ana mā te"
"whakaaroaro yoga
Mā roto i tēnei ka hari te wairua i te kitenga i te Atua
Matua e tiaho ana pērā i te rā i te poutumarotanga

Ko te wāhi e kitea ai, e reka ai hoki e te māramatanga o
te wairua te hari nui rawa atu
Ka hari te yogi i te mōhio ki te mea ngaro
Ko te tangata e tae atu ana ki taua āhua manaakitanga
.ka mihi ki a ia anō mō te kitenga i te taonga o ngā taonga
Ka noho haumarua ia i te tinihanga o te wā, me ngā
ohorere o te ao e mau ana i roto i a ia anō
Ko taua āhua, e mōhiotia ana ko te yoga, he āhua
whakaoranga i te pouri me te mamae
Ka hari te hunga e tohe ana ki te whakatutuki i tēnei me
.te ngākau toa me te whakatau pumau
Ā, ngā mihi nui ki te tangata nāna i kite, ā, i pārekareka
.ki tōna harikoa e hira ake ana i ngā whakaaro katoa
Kāore e taea te whakaahua
Kia tau te rangimārie ki a koe
Te whakahaere i te riri

Tērā pea ētahi e whakaaro ana ko tēnei kaupapa he
mea mā te hunga e ngawari ana te riri, te pōuri rānei. Engari
he hohonu rawa atu tēnei kare ā-roto i tōna āhua. Ahakoa ka
angitu te tangata ki te whakahaere i te āhua o waho, i te
whakaaturanga tutu rānei o te riri, kei te pupuri tonu i te riri
huna me te mauahara kua pehia. He maha ngā huarahi e
kitea ai tēnei riri: te tere o te riri, te pukuriri, te kore
manawanui, te kore okiokinga, te kore harikoa, te hae, te
.pōuri, me te pouri

Ina hoki, ka pāngia te katoa e te riri, ki tētahi taumata,
ki te kore rātou e tae ki tētahi taumata matatau o te
.mōhiotanga, arā, te harikoa wairua, te āhua marino rānei

Ko te riri – ahakoa te āhua – i ahu mai i te kore e taea te
whakatutuki i te hiahia. I te korenga o te harikoa o roto e
puta mai ana i te hononga o te wairua ki tōna pūtake atua,
ka ngana te tangata ki te whakatutuki i ana hiahia mā roto i

ngā ahuareka ā-tinana e kore e pai i te mea he pumau, ā, he
.maha ngā wā ka puta he hua kino

He maha ngā wā ka puta te pouri i aua hiahia, kātahi ka
puta te riri, ka arahi atu ki te whakangaromanga o te
.hinengaro wairua

Ko te huarahi tino whai hua ki te wikitoria i te riri ko te
aro atu ki tōna pūtake: ngā hiahia Ka nui ake ngā hiahia, ka
nui ake ngā pōuri Kāore e taea te whakatutuki i ngā hiahia
katoa nā te mea he mutunga kore ngā hiahia, ā, kāore he
mutunga. Ka nui ake tā tātou tohe ki te whakatutuki i tētahi
hiahia, ka nui ake tō tātou piri ki taua hiahia, ā, ka kaha ake
tō tātou piri, ka nui ake tō tātou mamae i te korenga e uru
atu ki ngā mea e whakamātau ana i ō tātou hiahia me te
.whakatutuki i ō tātou hiahia

Hei tauira, kua homai e te taiao ki a tātou te kare o te
hiakai kia mōhio ai tātou ki te wā e hiahia ana te tinana ki te
kai. Engari mā te piripono ka whakanui ake i taua kare ā-
roto, ka huri hei mamae hinengaro. Mena ka akiakihia te
tangata e aroha ana ki te kai kia kaua e kai mō ngā rā e toru
—ahakoa mō te hauora, mō ngā take wairua rānei—tērā pea
.ka haere tahi taua nohopuku me te riri

I tētahi atu taha, ka taea e ētahi tāngata te karo i te kai
mō ngā rā maha, me te kore e māharahara ki te kore kai, nā
te mea kua mahi rātou, ā, kua angitu hoki ki te kore e piri ki
.ngā hiahia o te tinana

Kia mārama tātou ko ngā hiahia te pūtake o te riri, me
mōhio tātou ki ngā huarahi whai hua hei whakatau i aua
hiahia i runga i te whai hua. He maha ngā huarahi hei
:whakatutuki i tēnei

Tuatahi: Te whakatutuki i ngā hiahia

Mō ngā hiahia māmā, kāore he kino, ko te huarahi
arorau ko te whakatutuki i aua hiahia. Heoi, ka puta te
raruraru ina puta mai he hiahia hou hei hua o te whakatutuki
.i aua hiahia

Kia tau te rangimārie ki a koe

Te whakamahere āta mō te āpōpō pai ake

Ki te kopikopiko noa koe i roto i te ao e tatari ana ki ngā
whai wāhitanga kia angitu, tera pea kāore aua whai
wāhitanga e patoto mai, ā, e kore koe e kite i te angitu.
Engari ki te mea ko koe te tangata e hoahoa ana i tō ake
heke mai, e tuhi ana hoki i te mahere o tō āpōpō ki ōu ake
ringaringa, kia hari koe ki te whakatutuki i tō whainga, kua
tata rawa hoki koe ki te whakatutuki i tō whainga e hiahiatia
.ana

Hei hoahoa i tētahi mahere angitu, me tautuhi tuatahi
koe i tō whāinga. He aha te tikanga o te angitu ki a koe? He
aha tāu e hiahia ana mai i te angitu? Mena ko tō whakautu
he rongonui, he taonga, he whakatutukitanga rānei i ngā
hiahia whaiaro, kāti kei te anga atu koe ki te pouri nui me te
.korenga e angitu

Ko te hunga tino kore angitu ko te hunga e mōhiotia
whānuitia ana ō rātou ingoa, ko te hunga e kaha ana ki te
hoko i ngā mea katoa e pai ana ki a rātou, ā, kei a rātou – e
ai ki ngā paerewa rauemi – ngā mea katoa e hiahiatia ana e
ō rātou wairua, engari kāore i a rātou te harikoa! Nā, he aha
?rā te haere tonu i te ara korekore

Ahako ko te rongonui me te waimarie ngā hua o te
angitu tuturu, ehara i te mea koinei te mauri o te angitu,
ehara hoki i te mea koinei ngā āhuatanga tino nui. Ina hoki,
.kāore rawa ēnei e hiahiatia ana hei whakatutuki i te angitu

He aha te kaupapa? He aha te mea e tika ana kia rapua
e te tangata i te ao? Kotahi te whāinga e tika ana kia whaia,
kia tohea hoki: te harikoa. Me tango mai ngā taonga huna o
te ao i ia wā, i ia wā, mō te hunga e mōhio ana ki te rapu, ā,
.e mōhio ana ki te wāhi e takoto ana aua taonga

Kia mōhio koe, e te tangata e rapu ana i te harikoa, ki te
whakawhāitihia tō aro ki tō rā anake

Ā, ki te whakarei ake koe i tō rā ki ō kupu atawhai, ki ō
mahi whai hua, me ō whakaaro pai

Ka waiho tō rā hei hoa pono māu, hei whai wāhitanga
koura māu

Ko tō uruwhenua me tō visa hei huarahi mōu ki tētahi
.heke mai kanapa, whai hua, kī tonu i te angitu

Nō reira, ko te taahiraa e whai ake nei ki te mahere i tō
heke mai ko te āta tiro tiro i ngā mea o ia rā o tō oranga, me
te pupuri i ngā mea whai hua me ngā mea pai. Ki te kore koe
.e mahi i tēnei, me mutu koe ka arotake

Hei whakatutuki i te angitu, me whai whakaaro ki ngā
āhuatanga matua e whai ake nei, ki te kore ēnei e kore e
:taea te angitu

Ina ara ake koe i te ata, kaua e peke atu i te moenga
tonu ka tīmata i ngā mahi o te rā

Whakamātauria, whakangāwaritia tō tinana katoa kia
maha ngā wā kia hoki māriri mai ai tō kaha. I mua i te
tīmatanga o tō mahi o ia rā, tangohia he wā hei whakaū i a
koe anō koinei te rā pai rawa atu o tō ao. Whakamātauria
koe anō ahakoa te aha, ka pēnei tonu tō rā. Mā te inoi me te
whakaaroaro ka whakapakari i tō whakapono, ka hoatu hoki
.ki a koe te kaha e hiahiatia ana

Whakangawaritia tō oranga Kaua e whakawhirinaki ki
ngā mea hanga a te tangata hei pārekareka ki a koe. Ki te
whakawhāiti koe i a koe ki ngā ahuareka poto noa, ka riri
koe, ka pōhēhē, ka pōuri hoki. Kāore he take mō te piri tonu
ki te pouaka whakaata, ki ngā huihuinga pō, me ngā hakari,
.kua noho hei tikanga pāpori kua mau tonu

I kī mai tētahi—ā, he pono rawa āna kupu—ehara i te
mea ko tā tātou mahi te mea e whakamate i a tātou, engari
ko te whakapau i ō tātou wā waatea! Ka roa ake tō oranga—
ki te pai te Atua—ā, ka nui ake tō koa ki te ora mēnā ka
whakangawari koe i tō oranga, ā, kāore e herea koe ki ngā
mekameka o te hāpori. Rapua ngā harikoa e kitea ana i roto i
.ngā mea iti

Me whakapau kaha koe ki te whakaoti i te mahi kei a
koe ki te pai rawa atu o tō kaha

Ki te kore koe e makona ki tō mahi o nāianei, kāore te
manukanuka me te koretake o te mahi e whakarerekē i
tētahi mea. Ngāna ki te whakatata atu ki te āhuatanga me te
waiaro pai, ahakoa he aha, ā, ka puta tētahi o ēnei mea e
rua: ka kitea e koe kua ngaro i a koe tētahi whai wāhitanga
nui, ka huaki ohorere rānei tētahi tatau hou, ka taea ai e koe
te tomo me te kimi i tētahi mahi e pai ake ana mō ō hiahia
.me ō wawata

He tukanga tonu te ora o te hoatu me te whiwhi

Kia taurite, kia kaua e nui atu i tāu e hoatu ana, kaua
hoki e whakawhāiti i a koe ki te hoatu noa me te kore e
tango

Whānuihia tō tirohanga

Whakaatuhia te hiahia ki ngā oranga me ngā mahi a
ētahi atu. Tirohia ki tua atu i a koe anō—ki tō whānau, ki tua
atu i tō whānau ki ō hoa, ki tua atu i ō hoa ki ngā tāngata

katoa. Ka whakaū te pūtaiao he wāhanga koe nō te katoa, nō
.reira kaua e wareware ki tō tuakiri whānui

Whakatauritehia tō oranga

Me uru te mahi, te okiokinga, te wā wātea, te ako, me te
whakaaroaro i ia rā. He tangata koe, he tinana, he
hinengaro, he wairua hoki. Whakatipua ēnei āhuatanga nui i
roto i te huarahi taurite, ātaahua hoki, kia whiwhi ai koe i te
.hauora, te ora, me te mātauranga

Kia tere te menemene

Puhoi te kōingo

I ārahihia e te hiahia ki te āwhina

Kei te rite ki te tatari me te huri, me te mataara ki ngā
whai wāhitanga

Tirohia te pūkete i te mutunga o te rā

Whakamihi atu ki a koe anō mō te ahunga whakamua
kua tutuki i a koe. E kore koe e huri i roto i te pō kotahi, nō
reira kaua e wehi ki te aro atu ki ngā hapa me te whakatau
.pai ake me te tirohanga mārama ake

I mua i te moe, tukua ō mahi ki te Atua, me te mōhio
kāore ia e whakarērea koe, engari ka homai he huarahi ki a
koe, ka whakatuwhera hoki i ngā tatau mōu, mena ka
.whakapau kaha koe, ka rapu i tana awhina me tana arataki

Ina hinga koe i te hiamoe, ā, i mua i tō moe, kia mārama
.koe he pai ake āpōpō i tēnei rā, me te āwhina a te Atua

Mena he kaiwhakamahere tupato koe, he kaihanga
mohio hoki

Ki te piri koe ki ngā taipitopito o tō mahere

!Kāore e taea te hinga

Ina whakamātau koe i ō whakapono wairua, ka tuwhera
mai he ao hou. He mea nui te arotake i a koe anō hei mōhio
ki a koe anō me te Atua. Tērā pea he tino whakapono tōu, ā,
tērā pea kei te makona tō hinengaro ki tēnā. Engari ki te
kore tō wairua e tino whakapono kei te whiwhi whakautu tika
mai ō inoi, kāore he nui o ngā tikanga whakapono e taea te
whakaora i a koe. Ahakoa he uaua te whiwhi whakautu a te
Atua, ka taea. Hei whakarite i tō urunga tūturu ki te rangi,
me wheako e koe te mana o ō inoi kia taea ai e koe te
.whakahohe pono i aua inoi

I ahau e tamariki ana, i whakatau ahau ka whakautua
aku inoi i ngā wā katoa ka tahuri ahau ki te Atua me te inoi.
Ko te whakatau pumau te ara. Ka tae mai ngā
whakamātautau katoa hei whakaiti i tō whakatau, hei
whakararuraru hoki i tō hiahia, engari he mutunga kore te
mana o te Atua ki te whakautu. Mā te manawanui me te
whakamahi tonu i te kaha o te hiahia ka puta te whakautu a
.te Atua

He mea nui kia ako i te huarahi tika hei arotahi i te
hinengaro. He mea nui hoki kia nui te wā mō te noho
mokemoke me te whakaaroaro takitahi. Ko te taunekeneke
tonu me ētahi atu ka aukati i te tipu wairua. He rite te
nuinga o te tangata ki ngā hautai; ka mimitihia e rātou ngā
mea katoa i a koe, ā, he onge te whiwhinga i tetahi mea. He
pono, he pai te noho tahi me ētahi atu he pono, he kaha hoki
te wairua. Mena e mōhio ana ia tangata ki te kaha, te
ngākau pono, me te hiahia o tētahi atu, ka taea te tohatoha i
.ngā āhuatanga wairua rangatira i waenganui i a rātou

Kaua e moumou taima ki ngā mea koretake. He maha
ngā tāngata e whakararuraru ana i a rātou anō ki ngā mahi
koretake, ā, ki te pātai atu koe ki tētahi o rātou he aha tā
rātou mahi, ka whakahoki mai rātou, "I pukumahi tonu
ahau!" Engari kāore e taea e rātou te mahara ki tētahi mea

mō taua "mahi"! Hei tāpiri, ko te nui rawa o te wā wātea me
te whakangahau ka ngoikore te oranga hinengaro. Ki te
mātaki koe i ngā kiriata i ia rā, ka ngaro tō rātou ataahua, ā,
ka hoha koe. He rite tonu ngā kiriata, engari he rerekē ngā
kiripuaki: he hoa aroha, he kaihōpara, he toa, he tangata
kino, me ētahi atu. Tērā pea ka pai ki a tātou te mātaki i te
.pūrākau o tētahi kiriata, engari he onge te ao pēnei

He tino tinihanga te ao, ā, me whakatata atu tātou ki
tēnei āhua. Ki te kore tātou e wikitoria i ōna tinihanga me
ōna whakaaro pohehe i te tuatahi, e kore e taea e tātou te
āwhina i tētahi atu. Kei roto i te mokemoke o te hinengaro
arotahi te wheketere o ngā whakatutukitanga nunui katoa.
Kia mahara ki tēnei. Ā, i roto i tēnei wheketere whakamiharo,
whatu tonu i ngā tauira o tō hiahia hei wikitoria i ngā arai
.kino katoa

Whakangunguhia, whakapakarihia hoki tō kaha
hinengaro i ngā wā katoa. He maha ngā whai wāhitanga māu
ki te mahi i tēnei wheketere i te ao, i te pō, mena kāore koe
.e moumou taima, e moumou kaha rānei

I te pō, ka wehe atu ahau i ngā tonu o te ao kia noho ko
au anake, kia matara atu i te ao, kia noho mokemoke me
tōku hiahia i roto i taku wāhi okiokinga wairua, te wāhi e
ārahi ai ahau i ōku whakaaro ki te huarahi e hiahiatia ana e
au, ā, ka whakatau i roto i ahau anō. Ina akiaki ahau i tōku
hiahia kia uru atu ki ngā mahi tika me ngā mahi whai hua, ka
puta te angitu mōku. Pēnei, kua maha aku whakamahinga
whai hua i tōku hiahia. Engari kāore tēnei e tutuki mēnā
.kāore te whakamahinga tonu o te hiahia e whakamahia

He tino ataahua te kare ā-roto o te kaha ki te kī me te
whakaū, "Mā taku hiahia, e whakakīia ana e te hiahia
whānui, ka tutuki taku e hiahia nei!" Ki te noho māriri koe,
ka tukua ngā mea katoa ki te hiahia atua, me te kore e
whakamahi i tō ake hiahia, i homai nei e te Atua ki a koe, e

kore koe e tutuki i te hua e hiahiatia ana. E hiahia ana te mana atua ki te āwhina i a koe i runga i tōna ake hiahia.

Kāore he take mō te inoi, te tono rānei; engari, me whakamahi koe i tō hiahia ki te tono me te tono—hei uri tika —me te mahi i runga i tēnā. Me whakakore atu i tō hinengaro te whakaaro kei tawhiti, kei huna hoki te Atua i ngā rangi, i roto i tōna kaha me tōna mana nui whakaharahara, ā, ko koe anake i waenganui i ngā manukanuka me ngā uauatanga o tēnei ao. Kia mahara kei tua atu te hiahia atua i tō hiahia tangata, engari ko taua mana nui, pērā i te moana mutunga kore, e kore e tae atu ki a koe ki te kore tō hinengaro e tuwhera, e aro mai hoki tō .ngākau

Kia tau te rangimārie ki a koe

Te wikitoria i ngā whakaaro whakararuraru

Ko te rewera, ko te tinihanga o te ao whānui, e mau tonu ana i a tātou ki roto i āna mahanga, e whakamahi ana i tō tātou kuware me tō tātou koretake, ā, ka ārai i ngā kaupapa a te Atua. Ka taea e te Atua, me tōna mana tino nui o te ao whānui, te hinga ngāwari i te rewera, engari e pai ana ia kia whakamahia e te tangata tōna hinengaro, tōna hiahia, me tōna hinengaro kia mawhiti atu i ngā ringa o te kino. Ko te nui ake o tā tātou whiriwhiri i te harikoa wairua i ngā ahuaareka o te tinana, ko te nui ake o te tango i te mana pōuri o te kaha hoariri. Nō reira, kei a tātou te kawenga ki te mahi tahi me te Atua ki te hinga i a Hātana me āna mahanga.

Ina mangere, ina mangere, ina whakaroa rānei te tangata, ka āwhina rātou i a Hātana ki te whakatata atu i a rātou. I tono a Ihu ki āna ākonga kia inoi, "Kaua mātou e kawea ki te whakamātautau, engari

whakaorangia mātou i te kino." Ā, i roto i te Quran Tapu, ka pānui tātou, "Mea atu, 'E rapu ana ahau i te piringa ki te Ariki o te tangata i te kino o te kaikōrero e hoki whakamuri ana'" Ehara tēnei kaikōrero i a tātou ake; engari, nō te ao kikokiko ia, ā, kei raro i a ia ngā tāngata katoa. Engari kia taea ai e te Atua te whakawātea i a tātou anō, kua homai e ia ki a tātou te whakaaro nui, te hinengaro, me te kaha o te hiahia.

Ko tā tātou hiahia ki ngā mahi hara ko te maka i a tātou ki roto i te mamae, te pōrearea, me ngā raruraru kino. Ina hinga tātou, ina paheke rānei nā ō tātou whakaaro hē, me inoi tātou: "E te Ariki, kaua mātou e waiho ki konei, engari whakaarahia mātou ki runga i te mana o te whakaaro nui me te hiahia. Ā, i muri i tō wetekina i a mātou i te mana o te kino, ki te hiahia koe ki te whakamātautau i a mātou, whakakitea mai koe ki a mātou kia mōhio ai mātou he nui ake tō ataahua i ngā whakamātautau katoa, ā, he pai ake ki te wairua me ngā kare ā-roto i ngā whakawai, i ngā hiahia rānei."

I te mea kāore te tangata e pai ki te whakakore i ētahi ahuareka e pā kino ana ki tōna oranga, kei raro rātou i te mana o Hātana, ā, i te wā e tata mai ana ka pāngia rātou e ngā hua kino o te hinga ki ngā whakamatautauranga kino o te tinana. Heoi, ki te whakapono rātou he mea morearea, he mea whakangaro hoki te whakamatautauranga, te whakawai rānei, nā te mea he nui te harikoa e oati ana, engari i te mutunga ka puta he pouri, he pouri, he hinengaro mamae, kātahi ka taea e rātou te hinga i a Hātana.

Kāore e kore he mea whakamānawa kei te whakamatautauria ō tātou kare ā-roto e anga katoa

ana ki te ao o waho. Ka rere te ia o te kaha ora mai i te roro mā roto i ngā io ki ngā kanohi, taringa, ihu, arero, me te kiri. Ko ngā kare ā-roto e pā ana ki a tātou mā roto i ēnei whekau he hua nō tēnei ia pana, ā, koia tātou ka pai ai ki te kare. Koinei te mahi a ngā kare ā-roto. Heoi, he mahanga, he tūponotanga hoki tō te nui rawa o te whakapau kaha ki roto. Ki te kore te tangata e tino mārama me te mōhio, ka waiho tēnei kaha pana (e rere ana ki ngā whekau kare ā-roto) hei pononga mā ngā kare ā-roto.

He rite ngā mātakitaki e rima ki te rama rama e rima. Mā tēnei māramatanga, ka kite tātou, ka wheako i te ao tūroa. Ka taunga tātou ki te pārekareka ki ngā mea e ahuaireka ana ki te kanohi, ki te taringa, ki te hongī, ki te reka, me te pā. Ko te hiahia ki te wheako i tētahi mea ka noho hei tikanga pumau. Ko te raruraru, ko te nuinga o te tangata kāore anō kia kite i te wairua atua e huna ana i muri i te mea, nō reira kāore he paerewa mō te whakataurite i ngā tirohanga mātakitaki ahuaireka me te whakahihiri ki te harikoa kore e taea te whakaahua o te wairua huna. Kāore he huarahi hei whakataurite pēnei mēnā kāore te hinengaro e neke atu i ngā whakaohoho mātakitaki tae noa ki te wāhi e kore ai e taea e rātou te kukume, te awe rānei i a rātou. Ko te huarahi anake hei karo i tēnei mahanga ko te mōhio, i te hinengaro, i te wheako whaiaro rānei, kei te tino noho ngā harikoa me ngā ahuaireka teitei ake.

He koretake noa iho ngā whakahau me ngā kupu tohutohu kia kaua e mahi i ngā mahi kino, nā te mea i te wā tonu ka tono koe ki tētahi kia kaua e mahi i tētahi mea, ka hiahia tonu rātou ki te mahi.

He reka, he reka hoki te hua rāhui i te tīmatanga, engari he kawa tonu tōna reka, pērā i te au. Ahakoa ngā mamae katoa e pā ana ki te tangata, kāore rātou e ako, kāore hoki e ripeneta, engari ka mahi tonu i aua mea, ahakoa te nui o te kino tinana me te kino morare.

Ina tino pūmau te hiahia ki ngā wheako ā-tinana, ka riro te whanonga i te roro, ka huri hei kaitukino nanakia, ka whakahau i tōna rangatira kia tukuna ngā kare ā-roto me te whakatutuki i ngā hiahia kāore e makona, e tineia rānei, ahakoa e whakahē ana tēnei i ngā painga o te tangata, e whakahē ana hoki i ana mātāpono.

Ahakoa kāore pea te tangata e hiahia ki te mahi anō i tētahi mahi, ka kitea tonutia e ia he mea e akiakihia ana ia ki te mahi. Kaua e tukua kia tae koe ki tētahi wāhi ka pāngia koe e ngā tikanga kino, whakangaro, me te patunga o ngā wawata pirau me ngā āwangawanga kino. Me noho koe hei rangatira mōu anō me tō aituā. Kaua e tukua tetahi, tetahi mea rānei, kia whakahaere i a koe. Ina noho te hiahia ki te wheako i tētahi kare ā-roto hei tikanga mōhio, me mutu taua mahi.

I tino pai ahau ki tētahi inu e rite ana ki te rēmana. I homai e ētahi o ngā ākonga taua inu whakahauora ki ahau i ngā wāhi katoa i haere ahau, nō reira i tata tonu mai ki ahau. Engari i tētahi rā ka kitea e au kua pau taku inu, ā, kāore i tae mai, engari ka mea atu ahau: "Āe, he inu whakahauora, kua hipa koe i ō rohe, e te rangatira, ā, kua tae ki te wā kia wehe tāua, haere rā!"

I te rā i muri mai ka whakamātau ahau i tētahi horopeta o taua inu, ā, ka kitea he kino te reka. Ko te

take o tēnei he kaha rawa ōku whakaaro o te rā i mua, ā, ngaro tonu atu te hiahia ki te inu.

Kāore au e ngaro i tetahi mea i tangohia mai i ahau, kāore hoki au e tuku noa i tetahi mea. Kāore he whakamarie tinana e taea te here i ahau. Me taea e tātou te whakatere i ngā wheako katoa o te ao me te kore he here, he whakawhirinaki rānei. He pono, ko te tangata whai mana whakahaere ka neke i roto i te ao kikokiko me ngā kare ā-roto whai mana, he wātea i ngā momo hiahia katoa, ā, ka eke ki te rangimārie o roto.

He pai te whiwhi i ngā rauemi me ngā whakamarie, engari ko te nui ake o te hiahia o te tangata ki te whiwhi i ngā taonga papai kāore e tika ana, ko te nui ake o te herehere i a rātou anō ki roto i te āhua pononga. Ina herea ō rātou hiahia me ō rātou māramatanga ki ngā mekameka o ngā herenga ā-hinengaro, ka ngaro ō rātou mōhiotanga wairua, ā, ka kore e taea te hono atu ki ngā taumata teitei o te hinengaro. I noho ngā poropiti me ngā hunga tapu tika i ngā oranga ngāwari, engari i harikoa, i makona hoki rātou ki ō rātou āhua noho. I noho harikoa rātou, ā, kei te noho tonu ki te Atua i te rangi. Mō te hunga e noho ana i raro i te ioka o te kuware, e pāngia ana e ngā pēhanga o ngā hiahia, ka noho tonu rātou i roto i taua āhua i te ao katoa tae noa ki te wā e ātete ana rātou i ngā whakamatautauranga me ngā mea whakararuraru o te ao.

(Kia kore ai he mea e pā kino ki tō tātou harikoa pono. Ko ngā kare ā-roto whakangaro o te riri, te kakai, te apo, te apo, te hae, te nui rawa o te hiahia moepuku, te waipiro, me ngā tarukino he mea kino katoa ki te hauora me te hinengaro o te tangata nā te

mea ka ārai i te tangata kia wheako i te harikoa wairua. Kaua ngā kare ā-roto e whakamahia hētia mā te nui rawa o te hiahia ki te harikoa. Ngā wheako kare ā-roto kino.)

Tiakina koe i roto i te pā o te whakaaro nui, koinei hoki te piringa nui rawa atu. Mā te mārama pono koe e kore e taea te hinga, kia kore ai he mea e whara i a koe. Engari ki te kore te tangata e whiwhi i te whakaaro nui, ko te mahi tuatahi ko te whakamutu i te mahi, i te hiahia akiaki rānei ina puta ake ngā whakaaro pōrearea. Ko reira anake ka taea e te tangata te whakaaro nui me te whai whakaaro nui ki te take. Ki te ngana te tangata ki te whakaaro tuatahi, ka akiakihia ia, ā, ka pehia tōna hiahia ki te mahi i te mea kāore e hiahiatia e ia, nā te mea ka hopukina e ngā whakaaro pōrearea te hinengaro, ka matapo i te māramatanga.

I roto i ēnei āhuetanga, me kī te tangata, "E kore ahau e mahi i tēnei mea, engari ko te mate, kaua ko te whakama," ā, me wehe atu i te āhuetanga, i te wāhi rānei, me te kore whakaroa. Koinei te huarahi tino pono, tino whai hua hoki hei mawhiti atu i ngā mahanga a Hatana kino. Mā te nui ake o te whakatipu i tēnei kaha o te kore whakautu i te wā e whakaekea ana e ngā whakamātautau a Hatana, ka nui ake te harikoa o te tangata, nā te mea ko te hari pono kei roto i te kaha ki te mahi i ngā mea e whakahaua ana e te hinengaro kia mahia e tātou, e ārai ana hoki i a tātou kia kaua e whakatata atu, e mahi rānei.

Kaua e tukua tō taiao, ō hiahia taikaha rānei kia pakaru tō hiahia, kia whakahaere rānei i a koe, e hoa. Kia mōhio koe he nui ake te mana o te pai me te orange wairua i te ngākau nui ki te hiahia noa. Ka

herea ngā ringa me ngā waewae o te tangata e ngā mekameka o te whakamatautauranga; kua e tukua kia herea koe e rātou. Ki te inoi koe ki te Atua kia whakamātau koe i Tōna aroha, ahakoa kotahi noa iho, ā, ka pā ki a koe taua aroha atua nui, kāore he mea kē atu e hiahiatia ana e koe i muri mai, ā, e kore ngā hiahia kino e hopu i tō hinengaro me tō ngākau.

Ina whakapono koe ko te Atua te mea tino kukume i te ao whānui, ā, ko ia te taonga nui rawa atu, kāore he mea kē atu e kaha ki te whakamatautau i a koe, e kaha rānei ki te hinga i tō mana mohio.

Ko te mōhio ki te Atua te wawata nui rawa atu, me te tono tino nui, nā te mea he harikoa mutunga kore! Me hiahia tātou ki te Atua nā te mea ko ia te hinu whakaora me te rongoā whai hua mō ō tātou mamae me ō tātou mate katoa, ā, ko ia te whakautu tuturu ki ō tātou hiahia katoa.

Ko ngā mea katoa e hiahiatia ana, e mura ana, e tangihia ana e ō tātou ngākau—te aroha, te mana, te whakaaro nui, te taonga, me ngā mea katoa—ka kitea e tātou mā te whakakotahitanga wairua tino pai me te moana o te harikoa me te taonga.

Ko te mate te mutunga o te mōhiotanga o te tangata ki tōna mana me tōna rongonui, ahakoa ko ia te tangata tino rongonui me te tangata whai mana o tēnei ao, ā, kāore rātou e mōhio kei te karakia te tangata ki a rātou. Engari ko ngā poropiti me ngā tino tangata rongonui, ahakoa kua wehe atu i tēnei ao, e mōhio pū ana ki te aroha o ā rātou akonga ki a rātou nā te mea kua honoa ō rātou hinengaro ki te hinengaro o te Atua, te Mōhiotanga Katoa, e noho ana i roto i ngā ngota katoa o te ao, e kitea ana, e kore hoki e kitea.

Nō reira, he aha koe ka mahi uaua ai, ka whai ai kia whiwhi ai i tētahi mea ka ngaro i a koe ina wehe atu koe i tēnei ao?

Ko te moni, te rongonui, te mana, te whakamātau i ngā hiahia, me te oranga tinana, he mea rangitahi, he mea iti katoa, kāore e whakakapi i te hari pono o te rangimarie tapu me te wairua me te māramatanga o te Atua.

He kaha te whakamatautauranga nā te mea kāore i te tangata te kaha ki te whakarite i te whakamatautauranga ki te mea pai ake

Ina pupuhi ngā hau o te whakamatautauranga, ka noho tō mārama hei herehere mō te wā poto ki ngā hiahia me ngā tikanga. Engari ko te ara teitei ki te herekoretanga ko te rumaki ki roto i te hari mutunga kore o te Atua, ā, mā reira ka mawhiti ngāwari koe i te hopu aukume e kore e kitea o te whakamatautauranga me ōna hua kino, me te mōhio he nui ake te ataahua o ngā mea ahuaireka o te wairua i ngā mea ahuaireka o te ao, ā, he rite tonu ki te āhua o te wairua.

Ki te kitea e koe te hari pono i tēnei ao, ka riro i a koe ināianei, ā, i te ao kei te heke mai hoki. Nāu te whiriwhiri, e te kaiwhai: te hari mutunga kore o te Atua, ka taea e koe te whiwhi i nāianei mā te whakakore i ētahi o ngā ahuaireka o te ao, te hari poto noa rānei o te ao? Ina tuwhera tō hinengaro ki ngā pono teitei ake, ā, ka tuwhera tō ngākau ki te kanapa o te māramatanga, ka mōhio koe ki te rerekētanga i waenga i ngā mea e rua, ā, ka whiriwhiri koe i te mea pai rawa atu.

Ko ngā mahi katoa e mahia ana e koe kia eke ki ngā tihi me te piki ki ngā tihi wairua ka kitea e te Atua, ā, ka utua koe e ia ki te utu pai rawa atu.

Kaua e whakaaro, e hoa, he tangata hara koe. Ko koe te ahua parakore o te Atua. Ahakoa ko koe te tangata hara nui rawa atu, kāore he aha, ki te mea ka ripeneta koe mā te huri i tō ara hē, ā, kāore e hoki anō ki reira. Ki te mea kua whakatau koe ki te haere i ngā ara o te pai, kāore koe i roto i te hunga hara.

Ahakoa te tangata hara e whakarērea ana e ia ōna ara piko, kia karakia ki te Atua anake me te ngākau pono, ka taea tonu te tatau i roto i te hunga tika. Mā tōna whakatau wairua, ka noho ia hei tangata ngākau pono, ka tupu i roto i te whakaaro nui me te mātauranga, ka whiwhi i te rangimārie tapu mutunga kore, ā, ka whiwhi i te tiakitanga, te haumarū, me te oranga tonutanga o te Atua.

Hurihia he whārangi hou, kia maumahara ki a koe anō he pai tonu koe, ā, i moemoeā noa koe he hē koe. He whānui te ngākau o te Atua, ā, e tuwhera tonu ana tōna tatau ki te hunga pono e hiahia ana ki te whakarerekē i ō rātou oranga kia pai ake. He moemoeā kino te kino, he moemoeā whakamataku rānei, kāore he hononga ki te āhua parakore o te wairua.

He rite te whakamatautauranga ki te paihana reka, ki te honi paihana rānei, he reka ki te reka, engari ka rere i roto i te toto, ka whakangaro i ngā whekau o te tinana, nō reira he pai ake te noho tawhiti atu.

He mea tinihanga, he mea memeha noa te harikoa e rapuhia ana e te tangata i tēnei ao. He mea pumau,

he mea pumau te harikoa atua. E hiahia ana ki ngā mea e mau tonu ana, kia kaha ki te whakahē i ngā ahuareka me ngā mea whakaharikoa memeha noa o tēnei ao, kāore nei e pumau. Me mau i a koe tēnei tirohanga. Kaua e tukua te ao kia arahi i a koe ki te hē, kia pana rānei i a koe ki tana rākau, ā, kaua rawa e wareware ko te Atua anake te pono. Ka kitea anake te harikoa pono i roto i te rongo i te aroaro o te atua me te wheako i Tōna harikoa nui whakaharahara.

Ka rumakina te tangata ki roto i ngā moemoeā o te kuware, me te whakaaro kei te pāngia ia e ngā mamae o te mate, te pōuri, me te rawakore. I te wā e inoi ana tētahi o ngā tāngata nui o te Atua, ka karanga ohorere ia: "I mahara ahau ko au anake e noho ana i tēnei hanganga tinana, engari inaianei ka kite ahau i te Atua mutunga kore e whakaatuhia ana i roto. Ko tēnei wairua iti, he mea noa iho i te paihere kikokiko me te wheua, ehara i ahau. Ko te Tino Mutunga Kore te mea e noho ana i roto i tōku tinana. Ko tōku wairua katoa tēnei, ā, ka tukua e ahau taku pono nui ki a ia."

Tērā pea ka tae mai taua mātauranga ki ngā kai rapu pono katoa i tētahi rā, ā, kāore rātou e whakaaro he tangata mate rātou, he tāne, he wahine rānei. Engari, ka mōhio rātou he wairua rātou i hangaia kia rite ki te āhua o te atuata. Kei roto i te tangata te rangatiratanga o te Atua, ā, kei roto i a rātou te wairua tino teitei.

E herea ana te wairua ki te tinana e te mekameka o ngā hiahia, ngā whakamatautauranga, ngā raruraru, ngā manukanuka, me ngā matakū, ā, e whai ana kia whakawātea i a ia anō. Ki te haere tonu tana kukume i taua mekameka e here ana i a ia ki te hinengaro

tinana, ka wawao te ringa atua i tētahi rā ka motuhia taua mekameka, ā, ka wātea te wairua.

Ko te hunga e hiahia ana ki te rangimārie wairua, me tiaki i a rātou anō i te whakamatautauranga me te pouri mā te māranga me te whakaaroaro hōhonu ki te Atua. Ko te hunga e wareware ana ki te Atua, e kore e mōhio ki a ia hei Kaihanga o te ao me ngā mea katoa i roto, e kore e kite i Tōna aroaro, e kore hoki e kite i Tōna māramatanga.

Ko te whakaaroaro he whakamahara tonu i a koe anō ehara tātou i te tinana tinana iti, engari ko te wairua atua tino herekore. Ko te whakaaroaro he maharatanga mohio ki te tangata pono me te wareware ki tōna tuakiri rūpahu. Mēnā ka haere tētahi rangatira haurangi ki tētahi takiwa iti, ā, nā te ngaronga o tōna mahara me tōna tuakiri pono mō tētahi wā poto, ka tīmata ia ki te tangi me te tangi mō tōna āhua, me te mea, "Aue, te rawakore o ahau, me te nui o taku hiahia ki te āwhina!" ka kata ōna hoa ki a ia, ka mea, "Kia mataara, kia mahara he rangatira koe, e te Ariki!"

Waihoki, kei roto te tangata i te āhua o te pohehe me te pōhēhē. E whakapono ana ia he tangata korekore ia e kahakore ana, e tohe ana, e mahi ana, e whiua ana e ngā ngaru o ngā manukanuka ki ngā taha katoa. Kua tae ki te wā kia ara ake ia, kia whakaū ki a ia anō me te tino mohio he wairua ia, kāore e pāngia e ngā huringa me ngā awe o tēnei ao, ahakoa te āhua nanakia me te whakamataku. Me mōhio ia he mura ora ia nō te wairua atua tapu, ā, ko tōna mauri he parakore, he harikoa e puhake ana. Ki te whakahoki anō ia i ēnei whakaaro, i te pō, i te ao, ka māranga ia ki tōna āhua tūturu: he wairua ora tonu.

Ko te whakawai, te apo, te piri ki te tangata me ngā taonga, te herenga ki ngā kare ā-roto, te kore mōhio ki te āhua wairua, te mangere, me te oranga hoha, mīhini, ko ētahi katoa ēnei o ngā hoariri nui o te harikoa.

Mahia ō mahi me te hinengaro e mau ana te pūtake ki te hinengaro tapu e puāwai ana, e tipu ana i ngā mara o te whakaaroaro, ā, ka tino harikoa koe, ehara i te mea i roto i te maminga, ā, ka koa koe ki te oranga rangatira.

I taku tīmatanga ki te whakaaroaro, kāore i puta ake i ahau ka pā mai he harikoa nui ki ahau. Engari i te pahemotanga o ngā rā, ka tupu ake taku rangimārie, ka piki ake hoki taku harikoa i a au e ruku hohonu ana ki ngā moana o te whakaaroaro.

Ki te mea kua hoha te tangata ki te oranga e ora nei rātou, engari kei te whakakī tonu i te oranga ki ngā taonga me te hiahia ki ngā wheako hou, kei te ara hē, kei te piko hoki rātou, ā, me huri te huarahi. Ko te huarahi tino tika ki te mawhiti atu i te awe o ngā whakaaro pōrearea ko te noho i te oranga māmā, taiao—kāore he here me ngā raruraru—e rite ana ki te Atua.

He aha te take e ora ai te tangata i ngā oranga āhua rerekē?

He aha ia i rapu ai me te ngākau pouri, i te hari kāore nei e taea e te ao te whakarato?

He tino utu nui te ora, e hoa mā

Ia rā, ia rā ka inoi ahau ki te Atua: "Ki te hiahia koe ki te tango atu i aku mea katoa, waiho māu e pai ai, ā, e kore ahau e whakahē ki tō whakaaro nui me tō

whakaaro nui, nā te mea e mōhio ana ahau e hiahia ana koe ki te mea pai mōku. Ka ngana ahau ki te whakamanawareka i ētahi atu, engari ko tō hiahia, e te Ariki, te mea tuatahi, ā, koinei taku whāinga matua i tēnei ao."

Ina inoi koe pēnei, tera pea ka pāngia koe e ngā whakamātautau me ngā hiahia maha, engari ki te tohe tonu koe ki te ātete i ngā hiahia kino me ngā hiahia hē, ka whakatata mai te Atua ki a koe, ka homai hoki āna manaakitanga ki a koe. Ka kitea e koe ko tōna aroaro he rite ki te awa e kahakina atu ana ngā mea kino katoa i roto i tō koiora, ā, ka tino horoia tō wairua.

Ko te tangata e pupuri ana i a ia anō i ngā hiahia kino, ka kitea e ia ka memeha haere ngā hiahia o te tinana mō te wā poto, ka mahue ko te hiahia me te wawata anake. Engari ko te tangata e kite ana i te māramatanga o te Atua, e pā ana ki Tōna aroaro, kua watea ia i ngā hiahia katoa e rerekē ana ki te āhua o te wairua.

Kia whakakorea e tātou te pōuri ki te māramatanga o te Atua

Kia hinga ngā whakaaro kino ki ngā whakaaro pai

Kia hinga tātou i te whakamatautauranga kia kitea te kukume atua nui rawa atu mā te whakaaroaro

Koinei te patu pai rawa atu, tino whai hua hoki mō te mate pukuriri-ātete

Ia wā ka rongo koe kei te taka tō hiahia ki raro i te mana kino me te awe poke, tumanako ki te Atua, rapua Tōna āwhina kia rongo rā anō koe i Tōna aroaro manaaki e pei atu ana i ngā whakaaro kino katoa, e

**whakakī ana i te wairua ki te hari, ki te whakaaro nui,
ki te rangimārie me te tino mohio.**

Kia tau te rangimārie ki a koe

Te wikitoria i te awe o ngā aorangi

I tetahi rā ka mea mai taku kaiako:

**"E Mukunda (Paramhansa), kāore koe e whiwhi i
tētahi whitiki ringa aorangi?"**

**Ka mea atu ahau, "He mea tika tēnei māku, e te
kaiako? Kāore au e whakapono ki te mātai whetū"**

**I whakahoki ia: "Ehara te take i te whakapono.
Engari, ko te tūnga pūtaiao tika me tango e te
tangata ko te pono o taua kaupapa. I mahi te ture o te
kaha ā-papa i mua i a Newton, pērā i muri i a ia. Mena
ka whakawhirinaki te mahi a ngā ture o te ao ki te
whakaae a te tangata, ka kaha te pōrearea me te
raruraru."**

**"Kua kawea mai e ngā tāngata tinihanga te
pūtaiao tawhito o te whetū ki tōna āhua whakama o
nāiane. He pūtaiao whānui, whai rawa te whetū, ā-
pāngarau, ā-whakaaro hoki, e taea anake te mārāma
tika e te hunga mātau ki te mātauranga me te pūmau
ki te pūtaiao. Ki te he te kuware i te pānui me te
whakamārama i te rangi, ā, ka kite (ka tuhituhi) kaua
ki ngā kupu e mārāma ana, koinei te mea e
tumanakohia ana i roto i tēnei ao koretake, he hapa
hoki, ā, kaua te tangata e moumou i te whakaaro nui
ki te hunga e whakaaro ana he 'matatau' rātou."**

**I haere tonu taku kaiako, me te kī: "He tata te
hononga o ngā wāhanga katoa o te ao, ā, he**

taunekeneke tetahi ki tetahi. Ko te auau auau, taurite hoki o te ao e ahu mai ana i te whakawhitiwhiti, te hoatu me te tango. Me ātete te tangata, i roto i tōna āhua tangata, ki ngā huinga mana e rua: ko te tuatahi ko te raruraru o roto e puta mai ana i te ranunga o ngā huānga o te whenua, te wai, te ahi, te hau, me te etere, ā, ko te tuarua ko ngā mana o waho o te pirau taiao. I te mea kei te whawhai tonu te tangata ki tōna orange mate, ka pāngia ia e ngā mano tini o ngā huringa e puta ana i runga i te whenua me te rangi."

Ko te mātai whetū te ako i te urupare a te tangata ki ngā awe o ngā aorangi. Kāore ngā whetū i te whai ngākau aroha, i te kino rānei, engari e tuku ana i ngā hihi pai me ngā hihi kino. Kāore ēnei hihi e whai hua, e kino rānei ki te tangata, engari he huarahi tika mō te tukanga o waho ki te whakataurite i ngā take me ngā pānga i hangaia e te tangata i mua.

"Ka whānau te tamaiti i tētahi rā me tētahi hāora motuhake ina rite ngā hihi o te rangi ki tōna karma, ki tōna hītori whaiaro rānei. He pikitia tika tana tūtohi zodiac e tohu ana i tōna hītori kore e rerekē me ngā putanga pea ā muri ake nei. Engari ko tēnei tūtohi whānau ka taea anake te pānui, te whakamārama rānei e te hunga whai māramatanga e tipu haere ana, ā, he onge ēnei."

"Ko te karere e horapa mārama ana puta noa i ngā pae tawhiti i te wā whānau, ehara i te mea hei whakaae ki te aituā - te hua o ngā mahi pai, kino rānei o mua - engari hei akiaki me te whakaoho i te hiahia o te tangata kia mawhiti i tana herenga ao. Ko ngā mea katoa kua herea e te tangata ka taea te wetewete, ā, ko ia anake te kawenga mō te waihanga i aua āhuatanga e whakahaere ana i tōna orange,

ahakoa he aha te āhua. Ā, nā te mea nāna i hanga aua take me aua āhuatanga, kei a ia te kaha ki te wikitoria i ngā here katoa nā ōna rauemi wairua, kāore nei e pāngia e ngā pēhanga o te ao."

"Ko te wehi whakaponokore ki te whetū ka meinga te tangata hei mīhini aunoa e whakawhirinaki ana ki te arataki aunoa me te ngākau māhaki. Ka hinga i te tangata whakaaro nui ngā aorangi, arā, ka mawhiti ia i tōna hītori mā te whakawhiti i tōna pono mai i te hanganga ki te Kaihanga. Ko te nui ake o tōna mōhio ki tōna kotahitanga ki te wairua atua, ko te iti ake o tōna herekore ki te aorangi. He herekore te wairua tangata ake ake, kāore e mate nā te mea kāore i whānau mai, ā, kāore e taea te here i tōna mutunga ki ngā aorangi me ngā whetū, ki te tuku rānei i a rātou ki raro i ō rātou mana."

"He wairua te tangata, he tinana anō hoki. Ina mārama pono ia ki te mauri o ia anō, ka whakarērea e ia ngā tauira me ngā tauira whakahāwea me te tukino. Engari ki te noho pōhēhē tonu ia, ā, kāore i te maumahara wairua, ka noho ia ki raro i ngā here huna o te ture o te taiao me te taiao."

"Ko te Atua te rangimarie me te whakaae, ā, ko te tangata karakia e whakaae ana ki a Ia e kore e hē tana mahi, engari ka rite āna mahi katoa ki ngā ture o te rangi i runga i te huarahi tika me te taiao, ā, i muri i te inoi hohonu me te whakaaroaro ka rongo ia i tōna hononga ki te wairua atua. Kāore he mana nui atu i taua tiakitanga o roto."

I ngana ahau ki te mārama ki ngā whakamārama a te rangatira, a Seri Yuktsuar, ā, i muri i te wā roa o te wahangu ka mea ahau: "He aha rā koe i hiahia ai kia mau ahau i tēnei poroporo?"

Ka whakahoki te kaiako: "Ina tae te kaihaerere ki tōna ūnga ka tika ia ki te whakarērea ngā tohutohu me ngā mapi. Engari i a ia e haere ana, ka ngana ia ki te whakamahi i ngā ara poto katoa e tika ana. He maha ngā huarahi me ngā tikanga i hangaia e ngā tohunga tawhito hei whakapoto i te roa o te noho wehe o te tangata i te ao o te mānukanuka me te tinihanga. He āhuatanga aunoa kei roto i te ture o te karma ka taea te whakarite mā te pūkenga e ngā maihao o te whakaaro nui."

"Ko ngā mate katoa o te tangata i ahu mai i te takahi i te ture whānui. E tohutohu ana ngā Karaipiture Tapu i te tangata kia ū ki ngā ture o te taiao, me te pupuri tonu i te whakawhirinaki katoa ki te mana nui o te Atua. Ko tana mahi he kī atu: 'E te Ariki, e whakawhirinaki ana ahau ki a Koe, ā, e mōhio ana ahau ka taea e Koe te āwhina i ahau, engari ka mahia e ahau nga mea katoa e taea e au hei whakakore i ngā pānga o aku hapa.' Mā roto i ngā momo huarahi—te inoi, te kaha o te ngākau, te whakaaroaro yoga, te kōrero ki ngā tohunga me ngā hunga tapu, me te whakamahi i ngā poroporo whetū—ka taea te whakaiti, te whakakore rānei i ngā awe kino o mua."

"Pērā i te whare e mau ana i te tokotoko parahi hei mimiti i ngā pānga uira, waihoki ka taea e te tinana tangata te whai hua mai i ngā momo tiaki. Kei te neke haere tonu ngā hihi hiko me te aukume mārama puta noa i te ao whānui, ā, ka pā ki te tinana tangata, ahakoa pai, ahakoa kino. Mai anō i ngā wā onamata, kua whakaaroarohia e ō tātou tohunga te ārai i ngā pānga kino o ngā awe o te ao tūroa. I kitea e rātou ka tukuna e ngā konganuku parakore ngā hihi aorangi e ārai ana i te kukume kino o ngā aorangi."

Kua whakaaturia hoki he pai ētahi matū tipu. Ko ngā huānga tino whai hua ko ngā kohatu parakore, he kore he hapa, kāore e iti iho i te rua karati te taumaha. Kāore i te maha ngā whakamahinga tiaki mahi o te whetū i arohia e ngā kairangahau i waho o Īnia. Kotahi te mea māmā, he pono, ko ngā kohatu utu nui, ngā konganuku, ngā whakaritenga tipu rānei e tika ana kāore he painga ki te kore e tika te taumaha, mena ka whakamahia ēnei rongoā i te taha tata ki te kiri."

Ka mea atu ahau, "E te Ariki, ka whakarongo ahau ki tāu tohutohu, ka hoko mai i tētahi poroporo, engari ko te whakaaro noa ki te wikitoria i ngā mea o te rangi kua miharo ahau!"

Kātahi ka tāpirihia e Sri Yuktiswar ngā tohutohu tika, me te kī:

"Mō ngā take whānui ka tūtohu ahau i tētahi poroporo i hangaia ki te koura, te hiriwa me te parahi, engari mō tō take motuhake ka hiahia ahau kia whiwhi koe i tētahi poroporo i hangaia ki te hiriwa me te mata"

Ka mea atu ahau, "E te Ariki, he aha rawa tāu e whai nei?"

Ka whakahoki te kaiako: "Kei te whakarite ngā aorangi ki te tū kino ki a koe, e Mukanda. Kaua e wehi, mā te Atua koe e tiaki. I roto i te marama kotahi mai i tēnei wā, ka pāngia koe e ngā mate ate nui. E ono marama te roa o tēnei mate, engari mā te whakamahi i te poroporo aorangi, ka whakaitihia e koe tēnei wā ki te rua tekau mā whā noa iho ngā rā."

I te aonga ake ka rapu ahau i tētahi kaihangā whakapaipai, ā, ka tere taku tiki i te poroporo, ka whakamaui e ahau. I tino pai tōku hauora, ā, i wareware ahau ki te poropititanga a taku kaiako, i wehe atu i Serampur, ā, ka haere ki Varanasi. E toru tekau ngā rā i muri i tā māua kōrero, ka pā mai he mamae ohorere ki tōku ate. Ko ngā wiki i muri mai he moemoeā kino o te mamae nui. Kāore au i pai ki te whakararuraru i taku kaiako, i whakaaro ahau ka taea e au te whakamanawanui i taku whakamātautau ko au anake, me te manawanui me te maia. Engari i muri i ngā rā e rua tekau mā toru o te whakamamae, ka ngoikore taku whakatau, ā, ka haere ahau mā runga tereina ki Varanasi, i reira ka manaaki a Sri Yuktiswar i ahau me te mahana whakamiharo. Heoi, kāore ia i tuku i ahau kia kōrero puku ki a ia mō tōku āhua e kino haere ana. He maha ngā tāngata karakia i toro atu ki a ia i taua rā ki te whiwhi i tana manaakitanga. I te mate, ka hoki ahau ki tētahi kokonga. Kāore ngā manuhiri i wehe tae noa ki muri i te tina, ka karanga mai taku kaiako i ahau ki te whakamahau warukōtaha o tōna whare. Ka kōrero mai ia ki ahau, me te titiro ki tawhiti me te hiko haere whakamua, me te ārai i te māranga o te marama i ētahi wā:

"Ki taku whakaaro i puta mai tō mate ate. E rua tekau mā whā ngā rā e mamae ana koe, kāore?"

I whakahoki ahau: "Āe, e te rangatira"

Ka mea ia, "Tena koa mahia te mahi whakakorikori puku i whakaakona e ahau ki a koe"

Ka whakahoki atu ahau, "Me i mōhio koe, e te rangatira, ki te nui o tōku mamae, kua kore koe e tono mai kia whakakorikori tinana ahau." Heoi anō, i

whakamātau ahau i tētahi mea iti hei whakarongo ki tāna whakahau. Ka titiro pātai mai te kaiako ki ahau.

"E mea ana koe kei te pāngia koe e te mamae, ā, e mea ana ahau kāore he mamae. Me pēhea rā tēnei whakahē?"

I pōuri ahau, kātahi ka taupokina ahau e te harikoa, ā, kāore au i rongo i te mamae tonu i tango i ahau i te manaakitanga o te moe mō ngā wiki roa. I te whakahua noa i ngā kupu "Sri Yuktsur," ka ngaro katoa te mamae, me te mea kāore i te tupu.

Ka tīmata ahau ki te piko ki ōna waewae me te whakawhetai, engari ka aukati ia i ahau, ka mea mai:

"Wareware atu ki tēnā. Whakatika, kia pārekareka ki te ataahua o te marama i runga i te awa o Ganges." I tiaho ngā kanohi o te kaiako i te harikoa i a au e tū puku ana i tōna taha. I marama ahau i roto i tana āhua e hiahia ana ia kia rongo ahau ko te Atua te tangata nāna ahau i whakaora, ehara i a ia.

Ā tae noa mai ki tēnei rā, kei te mau tonu ahau i te poroporo hiriwa mata taumaha hei whakamaharatanga mō taua rā, he maharatanga nui mō taku mōhio kei te noho tahi māua ko tētahi tangata tino whakamiharo, tino pai hoki. I muri mai, ka kawea e au aku hoa ki a Sri Yuktiswar kia rongoatia, ā, ka tūtohu tonu ia i te whakamahinga o ngā kohatu whakapaipai, ngā poroporo rānei, me te whakanui i tō rātou whakamahinga hei mahi mō te whakaaro nui o te ao.

Mai anō i taku tamarikitanga, e rua ngā take i whakarihariha ai ahau ki te mātai whetū: tuatahi, te

kitenga i te tini o te hunga e aro nui ana ki te mātai whetū me te ngākau māhaki me te ngohengohe, tuarua, te poropititanga a te mātai whetū o te whānau: "Ka toru āu marena, ā, ka rua ō pouarutanga." Ka roa taku noho ki tēnei mea, ā, ka rite ahau ki te reme patunga tapu i runga i te aata o te marena takitoru. I tētahi rā, ka mea mai taku tuakana, a Ananta, ki ahau:

"He mea pai ki a koe te whakaae ki tō aituā, nā te mea kua whakaatuhia kētia e tō tūtohi horoscope i ō tau tōmua ka oma atu koe i te kāinga ki ngā maunga o Himalayas, ā, ka akiakihia koe kia hoki mai. Waihoki, ko te poropititanga mō ā kōrua marena ka tutuki."

I tētahi pō, i te kitenga i te teka o te poropititanga, ka tahuna e ia te mapi o te pourewa, ā, ka whakatakotoria ōna pungarehu ki roto i tētahi reta, ka tuhia ki runga: "Kāore e taea e ngā purapura o te karma o mua te pihi mena ka tahuna e ngā ahi o te whakaaro nui tapu." Kātahi ka whakatakotoria e ia te reta ki tētahi wāhi e kitea nuitia ana. Ka pānuitia e Ananta tēnei wero nui, ā, ka kata tawai, ka mea:

"Kāore e taea e koe te whakangaro i te pono me te mea ngāwari pērā i tō tahunga i tēnei pepa"

Ina hoki, i mua i taku pakeketanga, e toru ngā wā i ngana ai tōku whānau ki te whakarite i taku taumau, ā, i whakakahore ahau i ia wā, i te mōhio he kaha ake tōku aroha ki te Atua i ngā whakaaro o te ao i mahue mai i ngā wā o mua. I whakaaroaro tonu ahau ki ngā kupu whakaaro nui a tōku kaiako:

"Ko te nui ake o te tangata e ruku ana ki te mōhio ki a ia anō, ka nui ake tōna awe ki te ao katoa mā roto

**i ōna wiri wairua mārama, ā, i te wa ano ka iti ake
tōna pānga ki ngā kaupapa o waho"**

**I ētahi wā ka tono ahau ki ngā tohunga whetū kia
matapae i ōku wā tino kino e ai ki ngā whakaritenga o
ngā aorangi, engari i taea tonu e au te whakatutuki i
ngā mea katoa i whakaarohia e au i aua wā. He pono i
kī tonu taku angitu i aua wā i ngā uauatanga
whakaharahara, engari i tino pakari taku whakapono.
Ko te whakapono ki te manaakitanga a te Atua me te
whakamahi tika i te kaha o te hiahia - he taonga nā te
Atua ki te tangata - he kaha nui atu i ngā ngaru
ethereal e puta mai ana i ngā aorangi me ngā whetū.**

**I kite ahau ko ngā mea e tuhia ana e ngā whetū i
te whānautanga ehara i te mea he pēpi noa iho te
tangata nō tōna hītori. Engari, ko ngā awe o ngā
aorangi he mea whakakorikori mō te tipu. Ka mahi
ngā tinana o te rangi ki te whakaoho i te hiahia o te
tangata kia wetekina i ngā here katoa. I hangaia e te
Atua ia tangata me te wairua ahurei me te whai
mana, nō reira he tūranga nui tō ia tangata i roto i te
hanganga whānui, ahakoa he tūranga tautoko, he
tūranga whakawhirinaki rānei. Kāore te whakaoranga
o te tangata e whakawhirinaki ana ki ngā wikitoria o
waho engari ki ngā wikitoria wairua o roto.**

**Ina titiro tātou ki te ao o nāianei, me ōna raruraru
katoa, ōna uauatanga, ōna pōhēhētanga, ōna
raruraru, ōna kuwaretanga, me ōna pakanga, he uaua**

ki te whakapono kua uru te tangata ki tētahi wāhanga hou o te whanaketanga me te ahunga whakamua. Heoi, kua whakarērea e te tangata ngā wā uaua, ngā wā taonga, ā, kua tere haere, kua whānui haere te hiko ki te paepae o tēnei wāhanga hou o tōna whanaketanga whakarunga.

I a tātou e whakatata atu ana ki tēnei wā atomika, he maha ngā kaha o te taiao i kore i mōhiotia i ngā Wā Pōuri kei te kitea inaianei, kei te whakamahia hoki, ā, ka āwhina i te whakateretere i te tere o te whakawhitiwhiti kōrero ā-ao me te ahunga whakamua i roto i te rongoā, te ahuwahenua, te kawewaka, me ētahi atu mara.

He pono, kua tino hurihia e ngā hangarau hou te hanganga o te oranga o ia rā e mōhiotia ana e tātou, e mōhiotia ana hoki.

Engari kei te kaha tonu te awe o ngā wā pōuri kua pā ki te tangata, ā, kei te horapa haere tonu. Koia te take e whakamahia ai e te tangata ngā tikanga pūtaiao matatau, ehara i te mea mō te pai anake, engari hei whāngai me te whakapakari anō hoki i ngā wairua kino, pērā i te hiahia whaiaro, te whakangaromanga, me te apo. Nō reira, ka mau tonu te pānga o ngā wā pōuri mō ngā tau maha e haere ake nei.

Nā ngā tikanga me ngā taputapu hangarau matatau kua maha ngā whakamarie kua whakaratohia mai e tēnei ao e tipu ake nei, ā, kua hoatu hoki ki te tangata he wā waatea kāore i wātea i mua. I ngā Wā Pōuri, i whakapau te tangata i ia wā o te ara me ō rātou kaha katoa ki te whakatutuki i ō rātou matea taketake me te noho ora. He iti noa iho te wāhanga o

te taupori i whai wā ki te whakatapua ki ngā mahi teitei ake.

Ināianeī - i ngā whenua ahumahi - nō taua kāwai te katoa. Engari he aha tā te tangata e mahi ai i ō rātou wā wātea me te wā wātea?

Nā te mea kāore rātou i te mōhio ki te kaupapa o te ao, ka mōumou taima me te kaha ki ngā whakangahau mutunga kore. Tata ki te rima tekau hāora te roa o te noho a te tangata noa i te Hauāuru i te wiki ki te mātaki pouaka whakaata. Whakaarohia te nui o te harikoa o te tangata, me te pai ake o te ao mēnā ka pau aua hāora roa ki ngā mahi wairua whai hua!

Ko te hunga e whakaaroaro ana ka whakamahi i ō rātou wā me te whakaaro nui, me te whai hua. Engari, kua kotiti ke te nuinga o te tangata i te Atua me āna ture.

Koia te take i tino pōuri ai te ao i tēnei wā. E hiahia ana tātou kia noho tātou i roto i te ao haumarū, whai rawa, me te rangimārie. Ahakoa te noho i roto i te ao pōrearea, he akoranga anō hoki mā te hunga e whakaaroaro ana. Ko ngā āhuatanga uaua me ngā āhuatanga kawa e whakamahara ana ehara tēnei ao i tō tātou kāinga tuturu. Kāore te haumarū me te haumarū pono e kitea i te ao o waho, ā, nā reira, me rapu tātou i te Atua me te tono i tana tiakitanga.

I ngā wā o te rangimārie me te whai rawa, i te wā kāore he kore mahi, he raruraru taiao rānei, ka noho te tangata i roto i te "pōuri marino, ngākau māhaki," e ai ki te tohunga whakaaro a Thoreau. He aha? Nā te mea ahakoa tēnei whai rawa, ka rongo te tangata i te

hiakai wairua me te hiahia ā-roto mō tētahi atu mea e ngaro ana i roto i ō rātou oranga.

Ko te Atua taua mea

Me maumahara tātou, ahakoa ngā āhuatanga o waho, ko te ahunga whakamua o te wairua e whakawhirinaki ana ki te kaha o te tangata takitahi. Ahakoa i roto i ngā wā pōuri rawa atu, i raro hoki i ngā āhuatanga kino rawa atu, i taea tonu e ētahi tāne me ētahi wāhine te whiwhi i te mātauranga atua. Nō reira, kua tātou e tukua kia kahakina wairuatia e ngā āhuatanga o te ao. Kua rawa e wareware ki te hiranga o te kaha wairua.

Nā te mea kei te noho tātou i roto i ēnei āhuatanga uaua, ka whakaaro hoki tātou ki te heke mai me ngā ohorere kino ka pā mai. He mea maori tēnei. Engari ki te nui rawa tā tātou whakaaroaro ki ēnei mea, ā, ki te tukua e tātou te whakapae me te wehi kia whakahaere i ō tātou whakaaro, ka panaia e tātou te Atua i roto i ō tātou oranga, ā, ka ngaro i a tātou te whai wāhi nui ki te hono atu ki a ia me te whiwhi i tana tiaki.

E hiahia ana te iwi ki te mōhio he aha ngā mea ka tupu ā muri ake nei. He aha ai? Hei whakanui ake i tō rātou manukanuka?

Me i tino mārama tātou ki te taumahatanga nui e utaina ana ki ō tātou hinengaro ina hinga tātou i ngā matakū me ngā manukanuka, ka miharo tātou ki tō tātou manawanui tae noa mai ki tēnei wā. Ka ngoikore te hinengaro i ngā manukanuka me ngā manukanuka, ka tukua te wehi kia uru ki roto i te wairua, ā, ko te mutunga iho, ka ngaro tō tātou taurite hinengaro me te wairua. Ko tō tātou raruraru

kei roto i tā tātou ngana ki te noho i te heke mai me te wā o mua i te wā kotahi, kua ki te noho i te wā o nāianei. He taimaha rawa ēnei taumahatanga mō te hinengaro.

Me tātari tātou i ō tātou whakaaro. I te nuinga o te wā, ka mawhiti tātou ki te heke mai, ki te tuarā rānei. He maumau kau tēnei. Me noho tātou i te wā o nāianei, ā, me whakakī i te wā o nāianei ki ngā whakaaro o te Atua.

Kāore he wāhi i te ao nei e tino haumarua ana, e tūpato ana rānei i ngā huihuinga me ngā tūponotanga. Ko te tiakitanga pono kei roto i te noho pono me te tika, te mahi tahi me ētahi atu me te pono me te ngākau pono, me te inoi, te whakaaroaro, me te rangimarie ki te Atua.

Nā reira, me whakapau kaha tātou ki te noho tahi me te Atua. Ko tēnei noho tahi te rongoā mō ngā mate katoa, me te whakaora i ngā whiunga o te ao me ngā marutanga o te wā.

Kua tātou e matakū i ngā āhuatanga whakamatakū me ngā moemoeā kino o te ao. Kua tātou e matakū i te mate, i te rawakore, i ngā aituā rānei. Ina kitea tātou i waenganui i ngā whakamātautau me ngā raruraru, kia mōhio tātou ki te āhua tinihanga o ēnei wheako, kia mārama hoki ka taea e tātou te wikitoria i ngā āhuatanga kino mā te whakaaro pai, te whakatau tika, me te whakahoahoa wairua ki te Atua, te pūtake o ngā āwhina me ngā tiakitanga katoa.

Kāore he parenga, he haumarutanga rānei i waho i te Atua, me tahuri katoa tātou ki a Ia mēnā e hiahia

ana tātou ki te haumarutanga me te rangimarie o te hinengaro.

He uaua ki te whakatutuki i te tino ngākau māhaki i tēnei ao, ehara nei i tō tātou kāinga tūturu. He rangitahi noa iho tō tātou noho ki tēnei whenua. Kei konei tātou i te kura hei ako i ngā akoranga o te ao. Ina wareware tātou ki tēnei pono, ka tīmata ō tātou raruraru, ā, ka karapotia tātou e ngā raruraru mai i ngā taha katoa.

Kāore he mea e tika ana kia ora ai tātou engari ko te Atua anake Ka pahemo atu ngā mea katoa, ka waiho tātou kia noho ko tātou anake Me rapu tātou i te aroha mutunga kore, pumau tonu He poto noa te aroha tangata, ā, ka memeha haere Kei muri i te aroha tangata ko te aroha atua, koia te aroha nui rawa atu, e whakamātau ana i ngā hiahia o te ngākau, e whakamātau ana i te matewai o te wairua Kia pārekareka tātou ki ngā mea katoa e homai ana e te Atua ki a tātou, me te kore e hiahia ki tētahi atu mea I haere mai tātou ki tēnei ao ki te ako me pēhea te mōhio ki te Atua Kāore he take kē atu mō tō tātou noho ki konei

Ka kitea te Atua e te hunga rapu pono, ā, ka kī tonu ō rātou oranga i te rangimārie, i te ata noho, i te aroha noa, me te hari. Me kaha, me pumau hoki te hiahia ki te mōhio ki a Ia, ā, ka tino tutuki ngā hua (ka rongo te tangata e patuki ana). Ko te hunga e mōhio ana ki te Atua ka whiwhi tonu i te hari me te harikoa.

Kāore te rapu i te Atua e rerekē ana i ngā hoahoa tangata, i te marena, i te whai rānei i te angitu ā-tinana. He wāhanga nui hoki ēnei o ngā akoranga o te ao. Ko te mea nui ko te wehewehe i waenga i te mooni me te mānukanuka, me te mōhio kāore e taea

e ngā whāinga me ngā whakatutukitanga ā-tinana te homai i te harikoa e hiahiatia ana e tātou, e whai ana hoki kia tutuki mā roto i ō tātou whakaaro me ā tātou mahi katoa.

Kāore tēnei rapunga whakaaro e whakapōuri, e whakakino rānei i te ao

Kia tau te rangimārie ki a koe

Te pono me te mooni i te hohonutanga

Ko te pono he kupu kua taupokina e te koretake, kua hunaia e te maha o ngā kōrero koretake. He ariā e uaua ana ki te whakamārama me te whakamārama. He whakaaro, he whakapono tō te katoa, e oati ana i runga i tōna whakapono koinā te pono tuturu. Engari me pēhea te whakatau tuturu he aha te mea pono me te mea tūturu i waenganui i tēnei tini whakaaro?

He pono, he pono hoki te pono. He maha ngā wāhanga whanaketanga me te whakapainga e pā ana ki te pono i mua i te taenga ki tōna āhua tino pono. Hei tauira, e rua ngā tāngata e kōrero ana mō tētahi kaupapa pakihi. Ka whakaarohia e tētahi he whakaaro e oati ana ki te angitu, ko tētahi e tuku ana i tētahi tautohe whakahē e tutuki ai te whāinga kotahi engari he painga anō hoki. Kātahi ka puta ake tētahi atu me tētahi whakaaro pai ake, ā, pērā tonu. He "tika" katoa ngā huarahi kua whakaarohia, engari he tikanga whanaunga anake.

Ko te pono te mea e kawē mai ai te harikoa pumau

I tōna tikanga tuturu, ko ngā mea katoa e whakahē ana i te harikoa pono he teka, ā, ko te mea e

kawe mai ana i te harikoa pumau he pono. Ehara te harikoa pono i te harikoa poto e haere tahi ana me te angitu rauemi, te ahuaureka poto rānei, engari ko te harikoa e puta mai ana i te whakahoahoa o te wairua me tōna pūtake: Te Atua. Mā tēnei paerewa, ka taea e koe te aromatawai i tētahi mahi ka mahia e koe mā tōna putanga, me te mea ka kawea mai e ia he harikoa pumau ki a koe, kāore rānei (nā te mea, ka aromatawaihia ngā mahi mā ōna mutunga!)

Ko te Pono Tino Pai ko te Atua, ā, ko te Atua te Pono Tino Pai. Ko te ao katoa e tū ana i runga i tēnei pono mā roto i ngā ture mutunga kore a te Atua. He pono taketake ēnei ture, he pono pumau, kāore e taea te whakarerekē, ā, kei tua atu i te whakahaere a te tangata, i te whakapohehe rānei. Hei tauira, ko te tika tino pai ko te karo i te patu, i te whara rānei, engari ko te kino iti iho ko te whakamahi i te kaha hei tiaki i te hunga harakore mai i te hunga kino, hei tiaki rānei i ngā mea matatau ake mai i ngā mea kāore i te matatau ake. Heoi, he hē te whakangaro i tetahi mea nā te hiahia noa ki te patu.

Ko te ture whānui e whakahau ana i te rangimarie me te piripono mā te aroha, arā, te aroha me te manawanui. Ki te hiahia tātou ki te kimi i te pono, he mea nui kia tika ō tātou whakaaro me ā tātou mahi, ā-tinana, ā-tikanga, ā-wairua hoki, kia rite ki ngā ture mutunga kore o te pono atua.

Ko te pono te mauri mutunga kore Engari kei hea taua mauri, ā, me pēhea e kitea ai?

E toru ngā huarahi hei tae atu ki te pono: mā te tirohanga ā-pūmanawa, mā te whakaaroaro arorau, me te māramatanga o te wairua.

Ki te hē tō tirohanga ā-pūmanawa, ka hē anō hoki tō whakataurorau. Tērā pea ka titiro koe ki te pae tawhiti ka kite i te mea e āhua ana he ahi nā te mea ka kite koe i te paoa; engari i a koe e whakatata atu ana ki te wāhi, ka kitea e koe ko te mea e āhua ana he paoa he kapua puehu noa iho. Hei mōhio ki te pono o tetahi mea, ka whakawhirinaki koe ki tō tirohanga me tō whakarongo, me ō kakara, tō reka, me tō pā, hei tāpiri atu ki te mana o te whakaaro. Engari kāore e taea e ēnei huānga te whakakotahi hei tohu tino pono, nā te mea ki te teka ngā ā-pūmanawa, ka teka anō hoki te whakaaro. Ka hangaia e te whakaaro ōna whakaaro, ā, ka tae ki ōna whakataurorau me ōna whakapono i runga i ngā pūrongo e riro mai ana i ngā ā-pūmanawa, engari he tino herea ngā ā-pūmanawa e tō rātou āhua. Koia te take i kōrero ai ngā poropiti ki te tangata i runga i te taumata o te māramatanga me te hinengaro, nā te mea ko rātou—te iwi—e kite ana engari kāore e kite, e rongo ana engari kāore e mārāma, e mārāma ana rānei (he turi, he wahangu, he matapo rātou, nō reira kāore rātou e whakaaro)!

Ka taea e te taringa tangata te kite i tētahi whānuitanga wiri motuhake; kāore e taea te kite i ngā oro tino nui, tino ngoikore rānei. Mēnā i tino kaha tō whakarongo, ka taea e koe te whakarongo ki te oro whakamiharo, whakahīhi e whakaputaina ana e te ao whānui i a ia e rere ana i te wāhi mutunga kore. Kei te neke haere ngā mea katoa o te ao, ā, kei te haere tahi tēnei nekehanga me te oro. Kāore he mea e ora ana me te kore nekehanga engari i roto i te ao o te wairua ao whānui, i te wāhi kāore he nekehanga, kāore hoki he wiri. Mēnā i tino whanake ngā āheinga o te wairua tangata, ka taea e te tangata te whakarongo ki ngā oro ngawari mā te taringa ethereal—he oro mārāma, e

whakawhiwhi ana i te tinana ki te rongonga rongoteitei.

Waihoki, ki te whakanuia te mana o ō kanohi, ka kite koe i ngā mārama o ia tae, o ia momo. He iti noa te whānuitanga o te mārama e whakaatuhia ana e ō kanohi tinana, engari ko tō kanohi wairua (etheric) e kite ana i te āhua tūturu o ngā mea hei whakaahua i titoa mai i te mārama auaha o te Atua. Ko tō tinana katoa, e kite ana koe he puranga kikokiko matotoru, he ngaru hikohiko noa iho. I whakaatu a Tākuta Cryle ko te roro o te kuao kau mate, me te roro hoki o te tangata mate, ka tukuna he nui rawa o te hihi hiko. Ina kati ō kanohi, ko te pōuri anake ka kitea e koe. Engari me te whanaketanga wairua, ka taea e koe te kite i ngā mārama whakamiharo, ā, ka tiaho te mārama i roto i te pōuri, ā, kāore te pōuri i kite (te mārama o te rangi me te whenua).

He pono taketake ēnei kāore e kitea e te tangata nā te mea he iti noa te whānuitanga o ngā wiri kaha e arohia ana e ō rātou kare ā-roto.

Te māramatanga ā-roto, te whakakitenga rānei: te mana o te wairua matauranga whānui

Me pēhea rā tātou e mōhio ai ki te pono e huna ana i muri i ngā kare ā-roto me ō rātou tirohanga? Kāore e taea tēnei mā te tātari, mā te whakamārama whakaaro rānei, nā te mea he here te hinengaro ki ngā kare ā-roto, ā, ko ngā mea anake e homai ana e ngā kare ā-roto ka taea e ia te tango. Kāore he kaha ki te kite i ngā mana mutunga kore e karapoti ana i a ia. Mā te whakatipu i te māramatanga o te wairua, i tētahi māramatanga rānei, ka taea te mōhio ki te pono. He māramatanga tika te māramatanga, ehara i

te mea mā roto i ngā kare ā-roto—he kare ā-roto parakore, pono, me te tika tonu o te wairua.

Ka taea e koe te mārama ki te āhua o tēnei pūmanawa mai i ngā kare ā-roto e pā ana ki a koe engari kāore e taea te whakamārama, e kiia ana i ētahi wā ko "te ngākau o te tangata hei kaiārahi mā rātou". Ka rongo koe kei te tata te tupu o tētahi mea, kāore he taunakitanga ā-pūmanawa. He pono e puta mai ana, kāore he hononga arorau ki ngā kaupapa. Tērā pea kei te noho puku koe, e whakaaro ana ki tētahi kāore anō kia kitea, kia whakapā atu rānei mō te wā roa, kātahi ka tūtaki koe ki a rātou, ka rongo rānei i a rātou. Nā te aha i tupu ai tēnā? Ka puta mai i roto i ngā hihi poto o te pūmanawa. Kua pāngia te katoa e ēnei hihi.

Ko ngā hapa o te whakatau i ahu mai i te kore o te māramatanga. He maha ngā tāngata e whakaaro ana i roto i ō rātou ngākau he kaha ki te whakatutuki i ngā mea nunui, engari nā te mea kāore i a rātou te mana māramatanga, kei te moe tonu taua pūmanawa huna. Hei angitu me te karo i te pouri i puta mai i ngā hapa, me whai te tangata ki te mārama ki te pono o roto i ngā mea katoa. Ka taea anake tēnei mā te whakawhanake i te māramatanga māramatanga māramatanga. Koinei te mooni mahi o te take. Nō reira, ka tohutohu ahau ki te katoa kia rapu i te pono i roto i ngā mea katoa, ahakoa i roto i ō rātou whanaungatanga ki ētahi atu, i te mahi, i roto i ō rātou marena—i roto i ngā āhuatanga katoa o te ao. He mea nui te māramatanga māramatanga; he mea nui, ā, kāore e taea te whakakore.

Ko te kore o te māramatanga ka arahi ki ngā whakatau hē me ngā mahi wairangi, inā koa ko te

whiriwhiri i ngā hoa pakihi kāore e pono, te uru rānei ki ngā whanaungatanga whaiaro he. Nā te mea he iti te whakaaro, he herea hoki e ngā mōhiohio e whakaratohia ana e ngā kare ā-roto, ki te mamingatia ngā kare ā-roto, tera pea ka kite te tangata he tino whakamiharo tetahi tangata me te kore e mōhio ki tōna āhua tūturu.

Tērā pea ka whakaaro koe kua kitea e koe tō hoa rangatira (tō hoa wairua) ā, ka moe koe i taua tangata, engari ka mutu tō kōrua whanaungatanga ki te whakarere, ki te reinga raruraru rānei nā te kore e taurite me te kore o te rangimarie. Engari kāore te māramatanga o roto e mahi i aua hapa. Kāore e kite i te aukume e puta mai ana i ngā kanohi, i te mata ataahua, kanapa rānei; engari, ka rongu, ka kite tika i ngā mea kei roto i te ngākau o taua tangata, ā, ka mōhio ki a rātou ko wai rātou.

Nā te māramatanga i whakawhanakehia e au me te āwhina a taku kaiako nui, a Sri Yuktiswar, kāore au i hē mō te āhua o te tangata. He āwhina nui tonu tōku māramatanga ā-roto ki ahau i tēnei āhuatanga. Engari kāore au e ngana ki te kite i te taha kino o te tangata. Hei āwhina i ētahi atu, ka hoatu e au tōku aroha mutunga kore ki a rātou, ahakoa e mōhio ana ahau ka whakamahia e rātou tōku whakawhirinaki hei painga mō rātou ake.

He tokomaha te hunga kāore i te mōhio ki te huarahi, ka whakangao moni ki ngā mahi pūtea kore angitu, ā, ko te mutunga iho, ka ngaro katoa ngā mea i mahia e au. Nā te mōhio pono, kua angitu ahau i roto i ngā whakatau katoa i mahia e au.

I a te tangata e tipu ana, e whanake ana, ka puta te māramatanga hei kare ā-roto motuhake, hei reo

marino rānei. Nā te mea he nui ake te aro o ngā wāhine ki ngā kare ā-roto i ngā tāne, he nui ake ō rātou māramatanga, engari ki te kore e pāngia e te kare ā-roto. Ko te whakaaro nui te mea e ārahihia ana ngā tāne, ko ngā wāhine ia e te kare ā-roto. Mena he hinengaro pai, he ngākau aroha hoki tō te tāne, mā tēnei taurite i waenga i te whakaaro nui me te kare ā-roto ka āwhina i a ia ki te whakawhanake i te māramatanga.

Te mōhio ki te kaupapa o te ora mā te māramatanga

Ki te whakamahi koe i tō pūmanawa, ka mōhio koe ki te kaupapa o tō noho ki tēnei ao, ā, ki te mārama koe ki taua kaupapa, ka kitea e koe te harikoa. He atamira tēnei ao, ko te Atua te kaiwhakahaere. Ki te tohe te katoa ki te takaro i te tūranga o te kīngi, o te kuīni rānei, kāore e taea te angitu o te whakaari. Me takaro te pononga, te toa, me te kīngi i ā rātou mahi kia angitu ai te whakaari. Ko ngā tangata kino te hunga e whakakino ana i te kaupapa pai o te whakaari atua. Ko te hunga e whiriwhiri ana i aua mahi ka utua he utu nui mō te kore whakarongo ki te aratohu atua.

Ahako te tūranga o te ao e whiwhihia ana e te tangata, te taonga rānei e kohia ana e rātou, kāore e taea te kī he angitu rātou mēnā ka whakamahia e rātou ngā tikanga hē hei whakatutuki i ā rātou whāinga me ā rātou whiwhinga. Ka taea anake te harikoa tūturu ina tika te mahi a te tangata i tā rātou mahi, kaua ki te kore. He ōrite te tangata e mahi ana i te tūranga o te miriona me te tangata e mahi ana i te tūranga o te kaihekohoko iti ki te aroaro o te Atua, nā

te mea i te Rā Whakamutunga, ka tangohia e te Atua ā rātou taonga me ā rātou taitara. Ko tāu e kahi ana i roto i tō wairua ka haere tahi me koe i muri i tō wehenga atu i tēnei ao.

E mōhio ana te hunga nunui, te hunga mātau, ngā poropiti me ngā tāngata whakaaro nui ki te pono nā ō rātou mana ā-hinengaro. E kite ana rātou i ngā mea ehara i te mea mā ō rātou kahi me ō rātou hinengaro anake, engari mā ō rātou ā-hinengaro mārama, kua tino whanake hoki, e mōhio ai rātou ki ngā mea katoa.

Ehara i te mea nui te tūranga e mahia ana e tātou ki te aroaro o te Atua, engari ko te āhua o tā tātou mahi. Kua e pouiri, kua hoki e ngakaukore mēnā he uaua tō tūranga. Mā te mahi tika i tō tūranga ka angitu koe ki te aroaro o te Atua; ki te kore, e kore koe e tino herekore.

Ka whakawhanakehia e te whakaaroaro te māramatanga

Ko te huarahi anake ki te mōhio ki te pono, ki te ora hoki i runga i ōna mātāpono, ko te whakawhanake i te māramatanga wairua, i te mōhio rānei, kātahi koe ka mōhio he tikanga tō te ao, ā, mā tō reo o roto koe e ārahi, e whakatika hoki i ō hikoinga, ahakoa he aha tō tūranga i te ao.

Kua ngaro atu, kua tanumia hoki taua reo—i ngā wā o mua—e ngā whakaaro kino. Ko te huarahi tino pono ki te whakahoki mai i taua tino whakapono ko te whakaaroaro i te oho ake i te ata, i mua hoki i te moe i te pō.

Pērā i te tangata e pupuri ana i āna wā mahi me āna wā pāpori, me pupuri anō hoki te tangata i āna wā ki te Atua. Tērā pea ka whakaaro tātou kāore he wā mō ngā mea wairua i roto i ō tātou oranga pukumahi, engari kāore he mea e aukati ana i te Atua ki te whakaaro mai ki a tātou me te whakarato i ā tātou hiahia. Me inoi tātou, me whakaaroaro hōhonu, me te tatari ki tāna whakautu. Mēnā ka kōrero tātou ki a ia me te aroha me te arotahi hohonu, ka whakautua e ia ā tātou inoi. Ko reira tātou ka rongo i tōna aroaro hei hari me te rangimārie i roto i ō tātou ngākau. Ina tae mai taua hari me te rangimārie, ka whakatūria he hononga ora, whai hua ki te Mana Nui. Me kaha tātou ki te hopu i tēnei whai wāhitanga, nā te mea kāore he angitu e taea te whakatutuki me te kore he kaha.

Ki te whai koe i tētahi whakahihiri i muri i tētahi, e kore rawa koe e mōhio ki te harikoa pono. Noho ngāwari, kia ngāwari hoki te noho i te ao. Ko te harikoa kei roto i te hoatu i te wā ki a koe anō hei whakaaroaro hōhonu me te whakaaroaro ki ngā mea nunui.

Whakapaua te wā mokemoke i ētahi wā, me te whakamātau i te noho puku mō tētahi wā; ka kite koe i te rerekētanga māu ake. Mēnā kei te ara tonu te reo irirangi, te pouaka whakaata rānei, mēnā rānei kei roto i ōu hinengaro te whakaohoho me te whakangahau tonu, ka kino ō io, ka riri koe.

Kaua e roa rawa te whakaaro ki te whakatika i ētahi atu. Whakatikahia koe i te tuatahi—kia whakatikahia koe e te Atua! Ko te kāinga te wāhi nui rawa atu mō te hiranga me te angitu. He anahera i roto i tōna ake kāinga, he anahera i ngā wāhi katoa.

Ko te reo ngawari me te āhua marino o te tangata te mea e hiahiatia ana i ngā wāhi katoa.

He kaha e kore e hinga

Ina hono tātou ki te Atua, ka whakaaweawe, ka ārahi te mārama ā-whatumanawa i a tātou i ngā mea katoa e mahia ana e tātou. Me mau tonu i a tātou tēnei mana manaakitanga kei roto i a tātou; me whakaatu noa e tātou. Kāore au e aro ki te hunga e hiahia ana ki te mōhio noa, engari ki te hunga e rapu pono ana i te pono. Kei te hono tonu ahau ki te Atua, ā, ko te hunga anake e rapu pono ana ahau ki te mōhio ki a ia.

Ka kitea e koe kei te mahi tēnei mana i ngā mea katoa hei whakapai ake i ō āhuatanga, hei whakangāwari ake hoki i ngā mea māu. Ina hono koe ki tēnei mana, ka pupuhi tō orangea me te kaha o te ao, ā, ka tino mārama ake tō hinengaro, ka arotahi ake, ka koi ake, ka hohonu ake. Ka mōhio koe ko tō wairua he oko mō te pono ora o te Atua me te whakaaro nui mutunga kore.

Ko te Atua te pūtake o te hauora, te whai rawa, te whakaaro nui, me te hari mutunga kore Ina hono atu tātou ki a ia, ka tino ora, ka tino oti hoki ō tātou orangea. Kāore i oti te ora me te kore ia. Me whakaaroaro tātou ki tēnei mana nui e homai nei ki a tātou te ora, te kaha, me te whakaaro nui. Me inoi tātou kia rere te pono ki roto i ō tātou hinengaro, te kaha ki roto i ō tātou tinana, me te hari mutunga kore ki roto i ō tātou wairua.

Kei muri i te pōuri o ngā kanohi kua kati te takoto o ngā mana whakamiharo o te ao whānui, ngā wairua pai katoa me ngā wairua rangatira, me te whānuitanga mutunga kore o ngā ao wairua. Ki te whakaaroaro koe, ka kite koe i te pono tuturu, ka kite hoki i tana mahi whakamiharo i roto i tōu ao, i roto hoki i ngā mea whakamiharo katoa, i ngā mea kororia katoa o te hanganga.

Kia homai e te Atua te angitu ki a koe, kia tau te rangimārie ki a koe

**He oranga, he oranga ngākau te nohopuku
"Me nohopuku koutou, kāore hoki he mea e rite
ana ki tēnei" (Hadith)**

[Kāore tēnei kaupapa e whakahē ana i te nohopuku e ai ki te kōrero i roto i te Quran Tapu, kāore hoki e karanga ana kia whakarērea e tetahi te tikanga nohopuku tuku iho, e whakautehia ana e mātou, ā, e whakaute ana mātou ki te hunga e nohopuku ana, me te inoi ki te Atua kia manaaki tonu i a rātou, kia whakaaetia hoki tā rātou nohopuku. Ko te tikanga o tēnei i konei ko te nohopuku whakaora mō ngā hua tinana me te wairua motuhake, nō reira i tika ai tēnei whakamārama]

He tino mīharo ngā hua ā-tinana me ngā wheako wairua o te nohopuku. Ka wetekina te wairua i ngā tono a te tinana ina wetekina i ngā tikanga taumaha, kino. Kua oti i ahau taku toru tekau o ngā rā o te nohopuku, ā, he āhua tūturu me te mea kāore anō kia kai i tetahi mea.

Me ngana te hunga katoa e kaha ana ki te nohopuku mō ngā rā e toru, neke atu rānei, ki te taea, ā, ka āta kitea e rātou ka taea te noho me te kore kai.

Kaua te hunga hauora e uaua ki te nohopuku mō ngā rā e toru. Me nohopuku mō te wā roa i raro i te tiro tiro a te tohunga. Ko te hunga e pāngia ana e ngā mate pūmau, e ngā hauātanga tinana rānei, me nohopuku i muri i te kōrero ki te tākuta e mōhio ana ki te nohopuku me te kai.

Ko ngā mamae tinana he tohu mō te hapa o ngā pūnaha o te tinana, me te hiahia kia whakatikatikahia, kia tiakina hoki. Ka tiakina pai, ka tiakina hoki e te tangata ā rātou waka! He tino uaua, he tino uaua ake te tinana tangata i tētahi atu waka, ā, e hiahia ana te Atua kia noho ma, kia mahi tika hoki tātou, me te whakawhirinaki atu ki Tōna mana. Ko te mea ngaro ki te hauora pai ehara i te mea kei roto i ngā huānga matū anake, engari kei roto hoki i te whakawhirinaki ki te mana o te Atua, ki te kaha ora rānei i roto i te tinana.

Ko tēnei mauri ora i roto i ō tātou tinana te pūtake o te ora. He mauri pūmau tēnei, nā te whakahau a te Atua, e hanga ana, e tautoko ana i ō tātou okana. Ka whakakahangia tēnei mauri ora e te mana o te hinengaro, ā, ka whāngaihia e te kai. Heoi, ki te whakamahia hētia, ka mutu tana mahi, ā, ka kore e mahi. Hei tauira, ka ngoikore pea tōna mana i ngā kanohi, ka pōuri te tirohanga. Kāore he kai e kaha ai, kāore he hau e whakaora i ngā pūtau, e whakaora anō hoki i a rātou, ā, kāore he mea e taea te whakahoki mai i te kaha ki te tinana ina tīmata te memeha haere o tōna mauri ora.

Mā te nohopuku ka okioki ngā whekau ngenge, tae atu ki ngā pūnaha me te pūngao ora o te tinana, ka wātea i te mahi nui. Ina mutu te kī atu ki te pūngao ora me whakawhirinaki ki ngā puna kai, wai, hāora, me te rā o waho mō tōna oranga, ka wātea, ka whakawhirinaki ki a ia anō.

Ko te kai nui mō ngā rā 365 o te tau ka pā mai ngā mate maha. Ko te kai tonu, ahakoa e hiahiatia ana e te tinana, kāore rānei, he kanga mōna. Ko te aro nui o te tangata ki tōna reka, me te ngana ki te whakamātau i te reka, ka nui ake ngā mate ka pā ki a ia. He pai te kai reka, engari ko te herekore ki a ia he mamae, he kino hoki ngā hua. Nō reira, ka whara te tangata i a ia anō mā te piri ki te tinana me ōna hiahia. Kua tae ki te wā kia mōhio te tangata ko te mauri ora te mea e tautoko ana i te tinana, e pupuri ana i tōna ora me tōna kaha.

Me aro nui tātou ki te hinengaro—me te kore e aro nui ki te hinengaro kia kaha ake ai tōna mana, kia nui ake ai tōna whakawhirinaki ki a ia anō. Mēnā ka tohe te tangata ki te here i tōna hinengaro ki te tinana, ka utua e te hinengaro mā te tuku i tōna mana, ka akiaki i te tangata kia whakawhirinaki ki tētahi atu, ki tētahi atu mea rānei mō te āwhina. Kāore he tākuta, he rongoā rānei e taea te āwhina i tētahi tūrora kua ngoikore rawa tōna hinengaro, ā, kua kino haere te mate. E toru hauwhā o te rongoā kei roto i te hinengaro.

I Inia, ka ako tātou ki te wikitoria i te tinana mā te kaha o te ngākau, ka taea ai e te tangata te whakawhirinaki nui ki te hinengaro. Ko te hunga e whakamahi tonu ana i ngā tikanga tinana mō te hauora me te whakaora ka taunga ki ēnei tikanga, ā, ka whakawhirinaki tonu ki ēnei tikanga. Engari ko te mana hinengaro te mea nui rawa atu. Me ako māriri te tangata ki te whakamahi pai i te hinengaro me ōna āheinga; kātahi ka mōhio te tangata ko te hinengaro te taputapu tino nui, ā, ka mahia e te hinengaro ngā mea katoa e tonoa ana. Kua kite ahau, kua pā ki tēnei i roto i tōku ake ao.

I tētahi rā, i a au e tuku kauhau ana, ā, he tino werawera. I maturuturu iho te werawera o tōku mata, ā, kāore i kitea taku tauera. Mō tētahi wā poto, i ngaro i ahau te whakaaro, engari i arotahi katoa tōku aro ki waenganui o tōku hiahia (te rohe i waenganui i ōku tukemata) ā, i inoi puku ahau, "E te Ariki, nā tō atawhai, kua mātao tōku tinana!" I taua wā tonu, ka ngaro te werawera, ā, kua mātao tōku tinana! Nō reira, he tino painga te whakawhirinaki ki te hinengaro! Heoi, kua te tangata e haere ki ngā taumata teitei rawa atu, e whakakahore rawa i te tinana, nā te mea ki te pērā te tangata, kāore e taea e ia te whakaaro, te kai, te neke rānei.

Ko ētahi e whai ana ki te whakamatau i te mana whakahaere o te hinengaro ki te tinana, ko te whakaatu i te hauora te take matua. Engari ehara te hauora i te whāinga matua o te ao. Ko te whakatata ki te Atua te tino kaupapa. Ahakoa te hauora o te tangata mō tētahi wā, ka tae mai tētahi wā kāore he mea hei āwhina. Nā wai rā hei āwhina? Te Atua. Ko te nohopuku tētahi o ngā huarahi pai rawa atu hei whakatata atu ki te Atua. Ka tukuna te kaha ora mai i te herekore ki te kai, ka whakaū ko te Atua te mea e tautoko ana i ō tātou tinana, e pupuri ana hoki i a rātou kia ora.

Engari he tino kaha ngā tikanga, ā, mā te whakaaro noa ki te kai ka hiahia tonu koe ki te kai. I a au e tamariki ana i Īnia, ka pāngia ahau e te makariri. I hiahia ahau ki te tamarind, he mea kino mō te makariri. I whakakahore tonu taku tuahine, engari nā taku tohe tonu, ka kawea mai e ia ētahi o ngā hua. I ngaungau ahau i tētahi wahi, kātahi ka tuwha atu, kāore i horomia, nā te mea kua makona te hiahia mō te reka. He maha ngā wā ka whakahaerehia te tangata e te kakai. Engari, kāore te Atua i hanga i te

tinana i roto i tētahi huarahi e taea ai e tātou te pārekareka ki te reka me te kai i ngā kai kino, te kai rānei i ngā kai kino me te kore e kino te pūnaha nakunaku me ētahi atu okana.

Engari ko te pono, ko te ara anake ki te hauora me te harikoa—te ara whakaaro nui—ko te whakahaere i a ia anō. Ko tētahi o ngā whakatutukitanga nui rawa atu ka taea e te tangata te whakatutuki ko te rangatira i a ia anō, kaua e tukua ki raro i te mana o ōna hinengaro. Ki te tukuna e koe tētahi taputapu ki te nui rawa o te hiko e kore e taea te tu atu i taua taumaha nui, ka pau. Waihoki, i ia wā ka nui rawa te kai i tō pūnaha nakunaku, ka pau te kaha ora e tika ana mō te nakunaku. Ina mutu tō kai nui, ā, ina nohopuku koe, ka okioki tēnei kaha ora, ka whakakīia anō ki te kaha o te ao.

Ki te pakaru tō waka, me tuku atu ki tētahi toa whakatika. Kia oti ngā tikanga e tika ana, ka pai ake te oma mō tētahi wā tae noa ki te pakaru o tētahi atu mea, kātahi ka tukuna atu kia tiakina, kia whakatikatikaina anō. Pērā anō hoki ki te tinana. He mea whakamiharo ngā pānga ā-tinana o te nohopuku. Mā te nohopuku toru-rā ki te wai karaka ka whakatikatika i te tinana mō te wā poto. Engari mā te nohopuku roa ka whakatikatikaina katoatia, ā, ka kaha koe pērā i te maitai. Ki te hiahia koe ki te hauora roa, me aroturuki tonu koe i te kounga me te nui o te kai e kainga ana e koe.

Me mōhio koe ki ngā mea hei mahi i a koe e nohopuku ana. He mea nui te tiro tiro hauora mō te hunga e hiahia ana ki te nohopuku mō ngā rā neke atu i te toru. Kāore au e tohutohu kia roa rawa te nohopuku tuatahi, nā te mea ka ngoikore, ka ngenge hoki rātou. He huarahi pai te nohopuku kotahi te rā i te wiki me te wai hua, e toru rānei ngā rā karapīpiti i

ia marama me te wai karaka hei whakamātau i a koe ki te nohopuku. Me rite te hinengaro o te tangata nohopuku ki te aro atu ki ngā kaitautoko e kī ana ka pāngia rātou e te mate, ka mate rānei (kāore rawa) mēnā kāore rātou e kai. He pono ka ngoikore pea koe i te wā nohopuku roa, engari ka puta noa tēnei i ngā rā tuatahi nā te mea kua taunga tō kaha ora ki te kai. Engari mā te haere haere o ngā rā, ka ngaro te ngoikore o tō kaha ora me tō wairua, ā, ka kitea e koe kei te tautokona te tinana e te kaha ora.

E mōhio ana ahau ki te mea ngaro e taea ai e te tangata te nohopuku me te kore e ngaro te taumaha. Ina whakahaeretia te kaha ora, ka taea te whakamahi hei whakaiti i te taumaha o te tinana, hei pupuri rānei. Ina whakamahia tēnei tikanga, kāore te pāmahana tūturu o te tinana e heke, ahakoa te roa o te wā nohopuku. Mā te kukume i te kaha o te rangi mā roto i tētahi hongere motuhake i roto i te tinana, ka whakakīia te kaha ora e taua kaha, kaua e whakawhirinaki ki ngā pūtake o waho.

He mea pumau te ora, kāore e whakawhirinaki ki te manawa, ki te kai, ki te wai, ki te rā rānei. Kia mahara he wairua ora tonu koe, e ora ana i te mana o te Atua, kāore i tētahi atu.

Ka ora tonu te hinengaro i muri i te matenga tinana, engari ka ngaro te wairua o te haere tonu o te tangata noa, ā, e whakapono ana kua mate rātou. Ka pāngia tātou katoa e te mate tinana i tētahi rā, nō reira kāore he take e wehi ai koe. Kāore koe e wehi i te ngaronga o te kare ā-roto i roto i tō tinana i a koe e moe ana; engari, ka awhi koe i te moe hei āhua o te whakaoranga e tino tumanakohia ana e koe. Waihoki, ko te mate he āhua okiokinga—te reti mai i te ora. Kāore he mea hei wehi. Ina tae mai te mate, kataina. He whakamātautau noa te mate, ko tōna kaupapa he

whakaako i tētahi akoranga hohonu. He wairua koe, ā, kāore te wairua e mate. Kāore he take e tatari ai kia whakaakona koe e te mate i tēnei mea ina taea e koe te mōhio inaiane. Ko te akoranga tuatahi me ako e koe ko te kore o te ora e whakawhirinaki ki te kai. Mā te nohopuku, ka taea e koe te whakaū i tēnei māu ake.

Me mahi te katoa ki te whakawhanake i ō rātou pūkenga hinengaro kia pai ake ai tā rātou mahi i raro i ngā āhuatanga katoa. Me whai i te tikanga me te whakahaere; heoi, kua te tangata e pakari engari me ngāwari me te arorau i roto i te whakatau i te ao me ōna wero.

Ka hangaia ngā tikanga taketake katoa a te tamaiti i waenga i te toru me te whitu tau te pakeke. Ka āwhina te taiao tautoko i tōna whanaketanga. Heoi, me whai aratohu motuhake ki te whakarerekē i ngā tikanga matua.

I taku kura tūmataiti, i whakangungu pakari ahau i ngā tama ki te whakahaere i te tinana. I nohopuku rātou, ā, i moe i runga i te paraikete i runga i te papa, kāore he urunga. I ētahi wā ka whakaaroaro rātou mō ngā hāora. He mea tino nui te āwhina i ngā tamariki kia wetekina i te here o te tinana, ā, he manaakitanga mō te wā katoa. I tētahi wā, i noho tētahi o aku ākonga ki te whakaaroaro mō ngā hāora tekau mā rua, kāore i kimo. He nui te harikoa e kawea mai ana e taua taurite. Ko te whakangungu pai rawa atu kei roto i te tikanga pūtaiao taurite o te tinana, te hinengaro, me te wairua. Koinei te mauri me te hiranga o te nohopuku.

He mātauranga matakite, he mātauranga whānui kei muri i te nohopuku. He pono, ehara i te taro anake te oranga o te tangata. E rua ngā mea e herea ana tātou ki te whenua: te manawa me te kai. I te wā e

moe ana, kāore te tangata e mōhio ki te hiahia mō te manawa, mō te kai rānei, nā te mea kua wehea te wairua mai i te hinengaro tinana. Ka whakanuia e te nohopuku te hinengaro. Mā te nohopuku, ka whakawhirinaki te hinengaro ki ōna ake mana tūturu. Ina puta ēnei mana, ka whakanuia te kaha ora i roto i te tinana e te kaha mutunga kore e rere tonu mai i te ao tūroa ki te tinana mā te roro me te tuaiwi.

Ina wehea te mauri ora mai i ngā pūtake rauemi o waho e tautoko ana i te tinana, ka rongohia te tautoko mai i roto, ā, ka mōhio te hinengaro ko ngā rauemi totoka i whakawhirinakihia e te tinana he whakaaturanga pūngao noa iho, he mea kukū. Kātahi ka taea e te hinengaro te taunekeneke tika ki te mauri ora, me te tohutohu i a ia kia puta ngā huringa e hiahiatia ana i roto i te tinana.

Kei te hinengaro te mana ki te mahi i ngā mea katoa. Koia i taea ai e Ihu Karaiti te huri i ngā kōhatu hei taro, pērā i te wai e rere ana i waenganui i ngā maihao o te Poropiti, kia tau te rangimārie ki a ia, i tana tukunga i tōna ringa ki roto i tētahi oko kei roto he wai iti, ka mea: Haere mai ki te purenga tapu me te manaakitanga a te Atua.

Nō reira, he hē te whakawhirinaki katoa ki te kai ki te hinengaro me te mauri ora i roto i te tangata. Mā te nohopuku roa, ka mōhio te tangata e nohopuku ana he hinengaro ngā mea katoa.

Ko ia mana, tinana, mea rānei o tēnei ao he hua nō te hinengaro atua, pērā i ngā mea katoa e kitea ana e koe i roto i te moemoeā, he mea hanga nā te hinengaro huna.

Ko te hinengaro te kaiwhakahaere o te tinana. I a koe e nohopuku ana, ki te whakaaro koe ka ngoikore tō tinana, ka ngoikore anō hoki. Ā, ki te whakaaro koe

ka whakaitihia tō kaha e te nohopuku, ka ngoikore koe nā taua whakaaro.

Engari ki te whakamanawa koe i a koe anō he kaha tō tinana, e kore koe e ngenge; engari, ka rongo koe i te kaha nui, i te kaha whakahauora. Kāore te nuinga o te iwi e mōhio ki tēnei mea nā te mea kāore anō kia pā ki a rātou.

E kore te hinengaro e whakaatu i ana mea whakamiharo ki te kore koe e whakahohe i ōna mana. Ā, e kore e mahi i te mea ka whakawhirinaki nui koe ki ngā mea o te ao. Nō reira, ka huna tonu ōna mea whakamiharo i te tirohanga noa.

Engari ina ako koe - mā te nohopuku - ki te whakawhirinaki ki te whakaaro nui, ka kitea e koe tōna mahi i roto i ngā mea katoa, ahakoa i roto i te wikitoria i te mate, i te kawe mai i te rawaka me te hua, i te whakatutuki rānei i te whāinga matua o te ao: te kimi i te Atua.

Ko te tangata e kaha ana ki te whakahaere i tōna hinengaro, ka taea hoki e ia te whakahaere i tōna tinana me ōna hiahia, ā, ka tutuki i a ia te rangimārie wairua me te whakaoranga mai i ngā here o te ao e herea ana te wairua me te tinana.

I tētahi atu taha, kua te whakapono ki te kore-o-te-ao o te mea me te ao whānui o te wairua e ahu mai i ngā ariā koretake, i ngā ariā rānei kāore e taea te whakamārama i runga i te arorau, engari me ahu mai i ngā pūtake mahi me te mōhiotanga hohonu ki a koe anō.

Ko te tikanga, ka hono te tangata ki te tinana e tautokona ana e te kai, engari kāore rātou e mōhio ko te pūtake matua o te tinana te mauri ora. Kāore e taea e te kai, e tētahi atu tikanga rānei o waho te whakaora i te tinana kua tangohia te ia o te ao.

Ko te whanaungatanga i waenga i te tinana tangata me te hinengaro he pūngao, he mauri ora rānei. I kitea tēnei pūngao (prana) e ngā tohunga Inia o mua , ā, i whakawhanakehia te pūtaiao e kiia nei ko te pranayama , ko te tikanga he whakahaere ā-hinengaro i te mauri ora i roto i te tinana.

I nohopuku a Ihu Karaiti i te koraha mō ngā rā e whā tekau, ā, i nohopuku te Poropiti, kia tau te rangimārie ki a ia, me te mea: "Kia nohopuku, ā, ka ora koe."

Ko te hunga kāore e nohopuku, kāore e taea te mōhio mai i ngā wheako ka taea te ora me te kore kai.

I ngā wāhanga tuatahi o te nohopuku wiki-roa, ka kitea te hiakai. Heoi, i te pahemotanga o ngā rā, ka memeha haere te kare o te hiakai, ā, ka pāngia te tangata nohopuku e te māmā, te kaha, te ora, me te wairua o te whakaoranga mai i ngā here o te tinana. He aha ai? Nā te mea mā te tango i te kai tinana o te tinana ka whakawhirinaki ki te kai kore-tinana: he iahiko, he kaha, he mahi, he kaha ora rānei.

Ko te hiahia o te tangata te pūtake nui rawa atu o te kaha. Mā te kaha o te hiahia me te hiahia ohorere, ka taea e te tangata te whiwhi tere i te mana wairua mai i te puna mutunga kore.

Ko te tangata kāore e hiahia ki te mahi i āna mahi o ia rā, ka pāngia e te korenga o te kaha me te ora. I tētahi atu taha, ko te tangata e mahi uaua ana, e hihiri ana, me te hiahia pono ki te mahi, ka uru ki te ia o te ao, ā, ka whakakīia tōna tinana me tōna wairua ki ngā āhuatanga o te ora.

Ko te tangata e mōhio ana, e whakamahi ana hoki i ngā tikanga wairua o te noho me te kaha o te ngākau, ā, e mōhio ana hoki ki te tango i te kaha ora mai i tōna pūtake korekore o te ao, ka wātea ia i ngā here tinana maha.

E ai ki ngā tohunga me ngā yogi o Īnia, he mauri hinengaro kua kukū te ao tūroa. I whakamatauhia tēnei e ētahi o rātou mā te whakaatu i te kaha ki te whakaputa tinana me te whakahaere i ō rātou ake tinana me ētahi atu mea mā te hiahia.

Kua whakamātauhia e te pūtaiao hou ko te mea hanga he kaha wiri. Ko ngā huānga matū e hanga ana i ngā āhua me ngā āhua katoa o te ao whānui, mai i ngā toka me ngā aorangi ki te tangata, he āhua me ngā momo wiri hiko rerekē noa iho. Hei tauira, ko te hukapapa te mea e tohuhia ana e tōna makariri, te taumaha, me te āhua. Ka taea te kite me te pā atu. Ki te whakarewahia te hukapapa, ka huri hei wai. Ki te kohuatia te wai, ka huri hei mamaoa, kātahi ka ngaro. Nō reira, mai i te tirohanga pūtaiao, kāore te hukapapa, te hukarere rānei e tino noho ana, ahakoa e kitea ana e ō tātou māhunga. Ko tōna mauri he irahiko kāore e kitea, he momo pūngao rānei.

Arā, ko te mea ka taea te rewa, te memeha rānei ki tētahi āhua kāore e kitea, kāore e taea te kī he oranga tūturu tōna. Mai i tēnei tirohanga, ka taea te kī kāore he oranga o te matū, engari he whanaungatanga tōna oranga.

Kei te noho te matū i roto i te whanaungatanga ki ō tātou hinengaro. Engari ko te tikanga, he kaha e kore e kitea, e kore e ngaro, e kore hoki e rerekē engari ko te āhua me te āhua tinana anake.

Waihoki, ko te hinengaro tangata me te ao tūroa he whakaaturanga o te hinengaro atua, e noho ana i roto i te āhua anake. Ko te pono ko te hinengaro ao whānui anake e noho ana.

Pērā i te whānautanga o te tamaiti i ngā mātua, waihoki ko te ao tūroa e whakawhirinaki ana ki te hinengaro mō tōna oranga. He hua te ao tūroa nō te hinengaro atua, ā, e kitea ana e te hinengaro tangata.

I roto i a ia anō, kāore he ao tūroa o te ao tūroa nā te mea kāore i a ia te oranga tūturu.

Ahakoia he porangi ngā kaha hiko o te matū, kei roto i ēnei ngā wiri o te kaha ora o te ao tūroa, e puta mai ana i tētahi pūtake atua.

Ka mea te Atua, "Ko te Māramatanga o te rangi me te whenua," kia mārama, ā, ka mārama. Ko te tikanga tēnei ko te arotahi o te hinengaro atua me te hiahia atua ko te māramatanga, ko te pūngao wiriwiri rānei.

Ko te ia o te ao me ngā irahiko i wiri i muri mai me te kaha nui ake ka huri hei mana kanorau, mārama hoki o te taiao. I puta mai ēnei mana hei huānga rauemi taketake i hangaia ai te ao tūroa.

He tūturu te matū, ā, ka kitea e te hinengaro tangata. Engari nā roto i ngā wheako, ngā whakaaro arorau, me ētahi whakamātautau taiwhanga, kua kitea e te tangata me whai mana auaha pumau, kore e rerekē i muri i ngā whakaahua me ngā āhua tinihanga katoa o te ao kitea.

Ka taea te hopu i tēnei pono mā te mārama ki te āhua o te moana, e noho tonu ana ahakoia he whakaaturanga rangitahi ōna ngaru o tētahi mauri nui kotahi: ko te moana tonu. Kāore e taea e ngā ngaru te noho me te kore te moana, engari kei te noho te moana me ngā ngaru, me te kore hoki.

Ka taea te hopu i ēnei ariā mā te hinengaro, engari kāore e taea te tino mārama ki te kore te tangata e ako ki te huri i te mea hei mauri ora, me te mauri ora hei hinengaro ao whānui, pērā i ngā mahi a ngā poropiti, a ētahi tino tangata, me te hunga whai mātauranga whaiaro, ā, kei te mahi tonu. Mō ēnei tāngata mārama, kāore te mea i te noho tonu i roto i a ia anō, nā te mea e mōhio ana rātou kei raro i ngā

ngaru o te hanganga kei reira te moana wairua e kore e rerekē, e kore e taea te whakarerekē.

I roto i ngā rapunga whakaaro o Vedanta me Yoga, ko te ao he moemoeā i roto i te hinengaro oho ake tonu atu o te Atua (kāore e moe, kāore hoki e moe). Ko te ao me te hinengaro, ko te ao me ōna whetū me ōna aorangi, ko ngā ngaru mata matotoru me ngā iahiko ngawari, mārāma o raro o te hanganga rauemi, ko ngā āheinga tangata o te kare ā-roto, te hiahia, me te hinengaro, me ngā āhua o te ora me te mate, te pō me te ao, te hauora me te mate, te angitu me te hinganga, he mea tūturu katoa e ai ki te ture whanaungatanga e whakahaere ana i tēnei moemoeā ao.

Ko ngā mea katoa e kitea ana mā te tirohanga whanaungatanga he mea tūturu ki te tangata moemoeā anake, e whai wāhi iti ana ki te moemoeā nui o te ao tūroa. Hei mawhiti atu i te mānukanuka ao tūroa, i te ture whanaungatanga rānei, me ara ake te tangata i tēnei moemoeā ki te mōhiotanga mutunga kore ki te Atua.

Kāore e taea e tātou te whakarerekē i tēnei moemoeā mā te whakaaro auaha, mā te whakakorekore rānei, mā te whakaae ki te ora me te whakahē i te mate, mā te whakaae rānei ki te hauora me te kore aro ki te mate. He wāhanga nui ia āhua o tōna ritenga kē, pērā i te taha kē o te moni, i te wahi kakahu rānei. Kāore ngā takirua e wehea engari e hono tahi ana. Kāore te kaiwhai o te pono e ngana ki te wehewehe i a rātou i roto i tōna hinengaro, engari e neke atu ana i a rātou mā te mātauranga me te whakaaro nui.

Ko te tangata e hiahia ana ki te whakaae ko ngā āhuatanga pai, harikoa, me te whai hua anake hei

meka o te āhua takirua, he tangata ia e rumakina ana e ngā mānukanuka o te ao moemoeā.

Pērā i te moemoeā a te tangata e āhua tūturu ana mō tētahi wā, engari ka ngaro tōna mana ina neke ki te āhua o te araara, waihoki ka taea e te tangata te ara ake i te moemoeā o te mea tūturu, ka noho ki te ao wairua tūturu, pumau.

Ko te tangata kua tino tika, kua ako ki te whakawhānui me te huri i tōna hinengaro ki te Tino Mutunga Kore mā te whakaaroaro me te whakaaroaro, ka taea te kite i te hanganga hei moemoeā atua. Ko rātou anake ka taea te kī me te tino mohio kāore he mea tūturu. Mā te whakahaere tonu i a ia anō, te whakawhanake i te kaha o roto, me te mahi whakaaroaro yoga pūtaiao, i tētahi atu ara rānei ki te whakatutukitanga wairua—ahakoa he whakapono, he aroha, he mahi, he whakakore i a ia anō, he karakia pono rānei—ka taea e te tangata e rapu ana i te Atua te whakakore i ngā āhuatanga takirua me te kite i te kotahitanga mutunga kore i muri i ngā whakaaturanga katoa o te maha me te kanorau.

Ko te tangata kua wetekina i te mānukanuka o te ao, e mōhio ana ia ko te Atua Kaha Rawa te mea katoa i roto i ngā mea ora katoa, ā, nō reira ka pā ki tōna hinengaro atua, ka mōhio ki te mauri o te pono.

Kia tau te rangimārie ki a koe

Ko te tangata whai rawa ko ia kua whakarangatiratia e te Atua

E ai ki te kōrero a te kaiako a Paramhansa Yogananda

Ko te Emepara Akbar (1556-1609 CE) tētahi o ngā emepara Mughal o Īnia, ā, ko tētahi o ngā rangatira

nui rawa atu o te whenua o Āhia puta noa i te hītori. I whakawhiwhia ia ki te taitara "Patron of Humanity" nā tōna tika me tōna ngākau pono ki tōna iwi, me tōna aro nui ki tō rātou oranga. I mahi kaha hoki ia ki te whakahoki mai i ngā whenua ngaro o Īnia, me te whakakotahi i a rātou hei kāwanatanga kaha, pokapū hoki.

He tino kaitautoko a Akbar i te manawanui i waenga i ngā whakapono rerekē i Īnia. I a ia e kingi ana, i tupu tahi te Hinitu me te Ihirama i roto i te rangimarie. I ētahi wā ka mau te emepara Muhirama (Akbar) i ngā kākahu Ihirama, ka haere ki te karakia i te mosque, ā, i ētahi wā ka mau ia i ngā kākahu Īnia ka haere ki te temepara Hinitu ki te whakaaroaro me te karakia.

Kāore i mutu te manaakitanga o tēnei emepara ngākau nui, atawhai hoki, mō te rā kotahi ki te tuku koha me ngā takoha ki te hunga rawakore me ngā umanga pāpori puta noa i te motu.

Ko tāna tikanga he eke i roto i tētahi hariata kingi papai e kumea ana e ngā hōiho ataahua e waru. Ka kauwhautia e ngā kaitiaki me ngā karere te taenga mai o tana tira whakahīhī me ngā pahu, ngā himipora, me ngā tetere puta noa i te tāone.

Ahakoia tēnei kororia me te ataahua katoa, i whakahaua tonutia te hunga nui rawa atu kia mutu te tira i ngā wā katoa, i ngā wāhi katoa, mēnā kei te hiahia tētahi o ngā tāngata ki te tono āwhina ki a ia.

I tētahi rā, i te haerenga o te tira kingi rangatira i roto i tētahi ara whānui kua whakakikoruatia ki ngā rākau i ngā taha e rua, ka kite te emepara i ētahi matapo e rua e noho ana i tētahi taha, he torutoru

mita te tawhiti, e karanga ana kia āwhina, kia aroha hoki.

I whakahau te kaumatua kia tū te kāreti ki mua i te matapo tuatahi, e karanga ana:

"Ko te hunga whai rawa ko te hunga e whai rawa ana i te emepara"

I muri i tana whakarongo pai ki taua rerenga kōrero, ka tono ia ki te taraiwa kia neke atu ki te matapo e karanga ana:

"Ko te tangata whai rawa tūturu ko ia te tangata kua whakarangatiratia e te Atua"

Mō te marama katoa, ka rongo te emepara i ngā kupu e rua i ia wā ka pā atu ia ki ngā matapo tokorua e tono ana ki a ia me te Atua kia whiwhi taonga. I te mutunga, ka puta te aroha ki roto i a ia, ā, ka hiahia ia ki te āwhina i te tangata tuatahi, ko tana pepeha tēnei: "Ko te tangata whai rawa ko ia te tangata e whai taonga ana i te emepara."

I tētahi rā, ka tono a Akbar ki te kaihangā taro o te whare rangatira kia tunua he taro nui māna (he momo kamaj matotoru) he koura parakore te pokapū. I hoatu e Akbar tēnei taro ki te matapo tuatahi, ā, i wareware noa ki te tuarua, i tumanako nei ki te taonga mai i te Atua, ehara i te emepara.

I muri tata iho i tērā, ka haere a Akbar ki te hopu manu, ā, i tōna hokinga mai ka pahure ia i taua tiriti anō, ka kite i te matapo i hoatu i te taro koura ki a ia e mau tonu ana i tōna tūranga, e karanga ana pērā i mua: 'Ko te tangata whai rawa ko ia te mea i whakawhai rawatia e te emepara'

I tono ia kia tū te hariata kingi ki mua i te matapo, ā, ka mea atu ki a ia: "I aha koe ki te taro i hoatu e ahau ki a koe?"

Ka whakahoki te tangata:

'E te Ariki, he nui rawa te taro i homai e koe ki ahau, ā, kāore i tunua pai nā te mea he taumaha rawa, nō reira i hokona atu e au mō te tekau fils ki te matapo kē atu, ā, i tino mihi ahau ki te whiwhi i aua fils nāu i ahau mai i te atawhai.'

I rapu a Akbar i tētahi atu matapo engari kāore i kitea. I muri i tana uiuinga mōna, ka mōhio ia kua hoatu e ia te taro ki tana wahine, ā, i tana whakatuwheratanga, ka kitea e ia te koura. Nāna i hoko he whare iti, ā, ka pai ake tō rātou āhua i muri i te whakamanatanga a te Atua i tā rātou i hiahia ai, me te whakanui i a rātou ki tana atawhai nui.

I te rongonga i tēnei, ka mārama te emepara ki te hiranga nui o te kaupapa. Me te ngākau mahaki kore e taea te whakataurite, ka whakaari ia i te riri me te riri, ā, ka riria te matapo tuatahi, me te mea:

'He aha tāu i mahi ai, e te kuware? I hoatu e koe taku taro koura ki tō hoa i whakawhirinaki ki te Atua, kaua ki ahau mō te taonga. Mai i nāianei me tango e koe tana pepeha, me te karanga pērā i tana karangatanga: Ko te tangata whai rawa ko ia kua whai taonga i te Atua.'

He mea rānei pērā:

Ko te tangata kei a ia te Kaiwhakaora, ka hoatu

Ko ia anake e kiia ana he tangata whai rawa

Kia tau te rangimārie ki a koe

Kai aukume, kai hinengaro rānei

Ina kōrero te tangata mō te kai, te matūkai rānei, ko te tikanga ko te kai ā-tinana hei oranga mō te tinana. Engari tera anō ētahi atu momo kai kāore i te iti iho te hiranga i te kai ā-tinana, ā, he maha ngā wā he nui ake te hiranga.

I roto i aua kai hinengaro, kai wairua rānei:

Te mahi hinengaro, te arotahi rānei o te hinengaro, te whakaaro nui me te māramatanga wairua

Mā te kai tinana ka tautoko i ngā pūtau o te tinana, mā te kai hinengaro ka whakakī i te hinengaro ki ngā whakaaro hauora, mā te kai whakaaro nui ka whakahauora i te wairua, ka whakawhanake i ōna pūkenga.

Ko te whāngai hinengaro ko ngā whakaaro e whakaarohia ana e te tangata me ngā mea e riro mai ana i a ia i ētahi atu mā te whakapā atu me te taunekeneke ki a rātou.

Mā te hunga marino, rangatira hoki ō rātou āhua ka āwhina i te whakaaweawe i ō tātou whakaaro, ka hauora hoki. Ehara i te mea uaua ki te whakatau mēnā kei te whiwhi te tangata i tana oranga hinengaro mai i tētahi taiao rangimārie, i tētahi taiao whakararuraru rānei. Mai i te pukapuka Yogi's Memoirs: An Autobiography (Te Rapunga Whakaaro Inia i te Oranga o te Yogi)

"Me i tangohia tōu whenua e tō mātou matua, e Mukunda ⁽¹⁾, kua tika rawa atu tēnei mōu, nā te mea kei te moumou wairangi koe i tōu ao!"

Koia te taenga mai o te kauwhau a tōku tuakana ki ōku taringa. Nō te taenga mai o te tereina, kua kapi katoa mātou i te puehu, ā, ka tae mātou ki te whare o Ananta, kua neke atu nei ki te tāone tawhito o Agra. I mahi tōku tuakana hei kaikaute i te tari mahi tūmatanui a te kāwanatanga, nō reira ka mea atu ahau ki a ia, "E mōhio ana koe, e te tuakana, e Ananta, kei te tono ahau ki te Atua mō taku taonga tuku iho."

Ka whakahoki ia: "Ko te moni te mea tuatahi, ā, ko te Atua te mea i muri mai! Mā wai e mōhio? Tērā pea ka roa te ora!"

I mea atu ahau: "Ko te Atua te tuatahi, ā, ko te moni tāna pononga! Ā, ko wai ka taea te matapae? He poto pea te ora!"

I puta ohorere mai taku whakautu, kāore au i te mōhio kei te tata tetahi mea te tupu (Engari, aue! I wehe atu a Ananta i tēnei ao i te wā taitamariki)

I kanapa ngā kanohi o tōku tungāne i te harikoa, i a ia e tumanako tonu ana kia hoki atu ahau ki te kōhanga o te whānau, ā, ka mea ia:

"Ki taku whakaaro he whakaaro nui nō te whare karakia. Engari ki taku whakaaro kua wehe atu koe i Benares!"

Nā reira ka mea atu ahau ki a ia, "Kāore i kore hua taku noho ki Benares, nā te mea i kitea e au i reira ngā mea katoa i hiahia ai tōku ngākau! Ā, ka taea e koe te tino mōhio ehara i te mea (te tohunga) i tūtaki koe i roto i tō kamupene, i tana tama rānei taku i kite ai"

I kata tahi māua ko Ananta i te mahara ki ngā mea i tupu, me te whakaae ko te tohunga matakite i whiriwhiria e ia hei kaiārahi mōku, ko Benares, he tangata kāore i te mōhio ki mua, i te māramatanga hoki. I pātai mai ia ki ahau:

"Nā, he aha tāu mahere, e taku tuakana ngaro, e te hunga haereere?"

I whakahoki atu ahau, me te whakamārama: "I tono mai a Jitendra kia haere tahi māua ki Agra kia pārekareka ki ngā mea whakamiharo o te Taj Mahal, ā, i muri i tēnā ka haere tāua ki taku kaiārahi i kitea e au i ēnei rā tata nei, kei a ia tētahi whare karakia i Varanasi"

I tino atawhai a Ananta i a mātou, ā, i te ahiahi ka titiro matatau mai ia ki ahau, nō reira ka mea ahau ki a au anō:

"E mōhio ana ahau ki te āhua o taua titiro! Kei te tunu kai ia!"

Ā, i te parakuihi, i te mea i matapaetia e au, i ahua harakore a Ananta i a ia e kohikohi ana i ngā kōrero o inanahi, me te kī, "Nō reira, koinei te āhua o tō whakaaro kāore koe e hiahia ki te moni a tō tāua pāpā!"

I mea atu ahau: "Engari, ko te Atua anake taku whakawhirinakitanga"

Ka whakahoki ia: "He iti noa te utu mō ngā kupu, e Mukanda! Nā te ao tūroa koe i tiaki tae noa mai ki tēnei wā. Engari, aue te whakama o tō āhua mēnā me whakawhirinaki koe ki taua ringa ngaro hei whakarato kai me te whare mōu! Tērā pea ka anga atu koe ki te tono mea i ngā tiriti!"

I mea atu ahau: "Aue! E kore ahau e whakawhirinaki ki te hunga e haereere ana, kaua ki te Atua, e whakatuwhera ana i ngā tatau o te oranga mō te hunga e karakia ana ki a ia, e whakawhirinaki ana ki a ia, e whakarato ana hoki i ngā puna oranga maha ki a rātou, engari ko te tono me te tono!"

I mea ia: "He kōrero whaikōrero noa iho ēnei katoa, he reo whakahihi! Mehemea ka tono atu ahau kia whakamātauria e koe tō rapunga whakaaro, e whakamanamana nei koe, ki te wheako o te ao tūturu i tēnei ao tūroa, ka whakaae koe?"

Ka mea atu ahau: "Āe, e whakaae ana ahau! E whakaaetia ana rānei te here i te Atua ki te ao ariā anake?"

I mea ia, "Tērā tātou e kite ai. I tēnei rā ka whai wāhi koe ki te whakawhānui ake i aku tirohanga, ki te whakaae rānei ki tōna tika."

I mutu ohorere a Ananta mō tētahi wā poto, kātahi ka haere tonu tana kōrero mārīre me te marino, me te mea:

"Kei te whakaaro ahau kia tonoa ahau me tō hoa, a Jitendra, i tēnei ata ki te tāone tata o Brindbane, me te whakarite kia kaua e mauria he rūpi kotahi, kaua e tono kai, kaua hoki e tono moni, kaua e kōrero ki tētahi mō tō āhuatanga, kaua hoki e noho kore kai, kaua hoki e noho mokemoke ki Brindbane. Ki te hoki mai koe ki tōku whare i mua i te waenganui pō me te kore e takahi i tētahi o ngā tikanga o tēnei whakamātautau, ko ahau te tangata tino miharo i Agra!"

I mea atu ahau, "Ā, ka whakaae ahau ki te wero"

Kāore he whakaroa i roto i aku kupu, i roto rānei i tōku ngākau. I puta mai ngā maharatanga harikoa mō te wawaotanga a te Atua i mua i ahau: tōku whakaoranga i te korara whakamate mā te inoi ki te Atua i mua i te whakapakoko o Lahiri Mahasya; te koha o ngā manu tukutuku e rua e rere ana i runga i te tuanui o te whare o Lahore; te taonga i tae mai i te wā tika i waenganui i te pouri me te pōuri o Bareilly; te karere whakatau mai i te moke huna o Banaras i waho o te marae o te Pandit; te kitenga o te Whaea Tapu me te whakarongo ki ana kupu aroha whakamiharo me tana whakautu wawe ki aku hiahia

mā Guru Mahasya; te arataki i tae mai i te wā whakamutunga, ā, i āwhina i ahau ki te whiwhi i taku tohu kura tuarua; ā, ko taku kaiako o te takiwa, ko te manaakitanga whakamutunga i tae mai ki ahau i waenganui i te kohu o te ao moemoeā. E kore rawa ahau e tuku i taku "whakaaro" kia kore e ranea ki te pakanga i roto i tēnei ao uaua, he ao e whakapono ana ki ngā taunakitanga me ngā taunakitanga tūturu anake.

Ka whakahoki tōku tungāne, "He honore nui ki a koe te whakaae ki te wero, ā, ka haere tahi māua ki te tereina ināiane tonu."

Kātahi ka tahuri a Ananta ki a Jitendra, e hamama ana i te miharo, ka mea atu ki a ia: "Me haere tahi koe me ia hei kaiwhakaatu, ā, he tino tūponotanga anō hoki hei patunga!"

I roto i te hawhe haora, i pupuri māua ko Jitendra i ngā tīkiti kotahi-ara mō tēnei haerenga ohorere, whai muri i te tiro tiro hōhonu a Ananta i a māua i te kokonga o te teihana, me te whakarite kia kore he moni māua, ā, kāore hoki ngā wahi kakahu i takaihia e māua ki ō māua hope e huna ana i te mea e tika ana.

"E Ananta, homai he rūpī, he rua rānei hei moni rahui kia taea ai e au te tuku atu i tētahi waea ki a koe mēnā he pōuri," te whakahē a taku hoa i waenganui i te pakanga e piki haere ana i waenga i te moni me te whakapono.

I karanga atu ahau ki a ia me te whakahe: "E Jitendra, e kore ahau e haere tonu me tēnei whakamātautau mēnā kei a koe he moni hei taurangi whakamutunga"

Ka whakahoki a Jitendra, "He mea whakamarie te tangi o ngā moni." Engari kāore he huarahi kē atu i a ia engari ko te noho puku i te wā i riria kaha ai ia e ia.

I mea atu tōku tuakana, "E Mukanda, ehara ahau i te ngākau kore"

I rangona te ngākau mahaki i roto i te reo o Ananta, tērā pea i werohia ia e tōna hinengaro mō te tukunga o ngā tama tāne rawakore tokorua ki tētahi tāone tauhou, mō tōna kore whakapono rānei ki te mana o te Atua, kātahi ka tāpiri atu ia:

"Mēnā, mā te tūponotanga, mā te aroha noa rānei, ka angitu ahau i te whakamātautau o Brandyban, ka tono atu ahau ki a koe kia whakatapua ahau hei ākonga māu"

He rerekē tēnei kupu whakaari, ā, kāore i rite ki ngā tikanga me ngā tikanga tuku iho kua whakatūria. I roto i ngā whānau Īnia, kāore te tuakana e piko ki te hunga teina ake; ko ia anake te tuarua ki te matua mō te whakaute me te ngohengohe mai i te hunga teina ake. Heoi, kāore he wā i toe ki te kōrero mō āna kōrero, nā te mea kua tīmata te tereina ki te neke.

I noho puku a Jitendra i te tere haere o te tereina, kātahi ka neke ake i roto i tōna nohoanga ka kōpiripiri i ahau ki te wāhi mamae, me te mea:

"Kāore au e kite i tētahi tohu e homai ana e te Atua te kai e whai ake nei!"

Nā reira ka mea atu ahau, "Kia marino, e te tangata ruarua, e mahi ngaro ana hoki te Atua"

Ka whakahoki ia: "Ka taea e koe te whakateretere i a ia? Kei te hiakai ahau i te whakaaro noa ki ngā

mea e tatari mai ana ki a tātou. I wehe atu ahau i Varanasi hei matakītaki i te Taj Mahal, ehara i te mea hei tomo ki roto i tōku ake urupā!"

Nā reira ka mea atu ahau, "Kia māia, kia koa, e Jitendra! Kāore ianei tātou e haere ana ki te tiroiro i ngā mea whakamiharo tapu o Brindiban mō te wā tuatahi?" "Kua ki tonu ahau i te hiahia nui i te whakaaro noa ka takahia e au ōku waewae ki te whenua i manaakitia e ngā waewae o te Ariki Krishna."

I taua wā tonu ka tuwhera te tatau o tō mātou wāhanga, ā, ka tomo mai ētahi tāne tokorua. Ko te taunga whakamutunga ko te taunga whakamutunga.

I kōrero mai te tangata tauhou i noho i tōku aroaro me te aro nui, me te pātai mai: "E hoa mā, he hoa tō koutou i Brandenburg?"

I tahuri ke atu taku titiro i a ia me te matao, me te mea, "Ehara tēnā i te mea māu"

I mea ia, "Tērā pea kua oma atu koutou i ō koutou whānau i raro i te makutu a te Tahae Ngākau. He tangata hiahia wairua anō hoki ahau, ā, māku koutou e whakarite kia whiwhi kai, kia whai wāhi hoki ki tēnei wera nui."

Ka whakahoki ahau: "Kāo, e te rangatira, waiho māua ko koe anake. He atawhai koe, engari kei te hē koe i te whakaaro he rerenga mātou."

I mutu tā māua kōrero i reira. I te tūnga o te tereina, ā, i te hekenga atu māua ko Jitendra i te tūāpapa, ka awhi mai ō māua hoa tokorua i a māua, ka karanga mai i tētahi tekesi.

I heke iho mātou i mua i tētahi whare karakia whakahīhī i tētahi wāhi ataahua i waenganui i ngā rākau matomato. I tino mōhiotia ngā kaiāwhina i reira, i te taenga mai o tētahi tamaiti ataata ki a mātou, ā, ka arahina mātou ki tētahi rūma whakanui, kāore he kōrero, i reira ka manaakihia mātou e tētahi kuia rangatira, hihiko.

I kōrero tētahi o ngā tāne ki te kaihautū manuhiri, me te mea, "E Whaea Gauri, kāore e taea e ngā rangatira tokorua te tae mai. I te meneti whakamutunga kua huri tā rātou kaupapa, ā, ka tukuna atu e rātou ō rātou mihi nui me ngā whakapāha nui ki a koe. Engari kua kawea mai e mātou ētahi atu manuhiri tokorua, ā, i taku kitenga i a mātou i runga i te tereina, i a rātou e tūtaki ana i runga i te tereina, i whakaaro ahau he ākonga rātou nā te Ariki Krishna."

Ka anga atu ngā hoa tokorua ki te tatau, ka mea: "Ka poroporoaki mātou ki a kōrua, e ā mātou hoa iti, ā, ka tūtaki anō tāua, ki te pai te Atua."

Ka ataata a Whaea Jouri ki ana manuhiri ohorere, ka mea atu, "Nau mai! Kāore e taea e kōrua te haere mai ki konei i tētahi rā pai ake. I tumanako ahau kia rua ngā rangatira e haere mai ki tēnei whare karakia. Nui atu tōku harikoa i tō kōrua haerenga mai, me i kore, kua rewa ahau i te whakama me i kore te kai i takaia e au me te tino tupato i kitea he tangata hei whakamātau, hei kai māku!"

He pānga ohorere ēnei kupu atawhai ki a Jitendra, ā, ka pakaru mai ōna roimata. Kua huri te aituā i wehi ai ia i Brindbane hei hakari e tika ana mō ngā kīngi me ngā rangatira. He nui rawa atu tēnei huringa ohorere mōna. I titiro matatau te kaihautu wahine ki a

ia engari kāore he kōrero, i te mōhio pea ki ngā pahūtanga kare ā-roto o te taiohi.

I karangatia mātou ki te tina, ā, ka haria mātou e Whaea Jouri ki te rūma kai, he kakara reka, kātahi ka ngaro atu ki te kīhini tata.

Ā, i tatari ahau mō tēnei wā, nō reira i whiriwhiria e au tētahi wāhi e tika ana mō te tinana o Jitendra, ā, i pītītia ia e au, pērā i tana pītīti i ahau i runga i te tereina, me te kī:

"E mahi ana te Atua, ā, e tere ana hoki, e te hunga whakapono iti!"

I hoki mai te kaihautū me te mau mai i tētahi pā, ā, i pā mai ia ki a mātou i te momo tuku iho o te Rawhiti, me te kore e mutu, i a mātou e noho ana i runga i ngā paraikete whakairo. Tata ki te toru tekau ngā momo kai i kawea mai e ngā mōneka. Ehara tēnei i te tina noa, engari he hakari nui! Mai i tō mātou taenga mai ki tēnei ao, kāore anō mātou kia kai i ēnei momo kai reka.

I kōrero ia ki tō mātou kaihautū, me te mea: "He tino kai pai ēnei mā ngā rangatira, e te whaea honore! Kāore au i te mōhio he aha te mea nui i whakaarohia e ō manuhiri kingi he mea nui atu i te haere mai ki tēnei hakari! Kua homai e koe he maharatanga mō te ao katoa e kore e warewaretia e mātou!"

Nā te mea i kore ai mātou e whakaatu i ētahi atu mea nā te āhua o Ananta, kāore i taea e mātou te whakamārama ki te wahine rangatira he rua ngā tikanga o tō mātou whakawhetai, engari i mārama tonu tō mātou aroha. I wehe atu mātou me āna

manaakitanga me te tono mahana kia hoki atu anō ki te whare karakia.

I tino kaha te wera i waho, nō reira māua ko taku hoa i rapu piringa ai i te atarangi o te rākau kadamba i te taha o te kūaha o te whare mōneka. I whai mai ko ngā kupu mamae, ā, ko Jitendra, mō te wā tuarua, i whakapuaki i tōna āwangawanga me tōna whakapae, me te kī:

"He tino raruraru tēnei kua pā mai ki ahau! Nā te waimarie noa iho tā māua tina! Ā, me pēhea rā tāua e pārekareka ai ki ngā ataahua o tēnei tāone me te kore he moni kotahi i ō māua ringa? Ā, kātahi, ka taea e koe te kōrero mai me pēhea tāua e hoki ai ki te whare o Ananta?"

Nā reira ka mea atu ahau: "Nā, kua kī tō puku, kātahi te hohoro o tō wareware ki te Atua!"

Kāore aku kupu i te nanakia, engari he kupu whakahe. He poto rawa te mahara o te tangata ina tae ki ngā manaakitanga o te rangi! Kāore he tangata kotahi o tēnei ao kāore i whiwhi whakautu ki āna inoi.

Ka whakahoki a Jitendra, "E kore rawa e warewaretia e au taku wairangi i te whakamātau i tētahi tangata wairangi pērā i a koe!"

Ka mea atu ahau, "Kua nui, e Jitendra, ko te Atua hoki i whāngai i a tātou ko ia tonu te Atua e tiaki ana i a tātou i Brindban, ā, māna tātou e whakahoki mai ki Agra!"

I te mutunga o taku kōrero, ka whakatata mai tētahi taitama ki a mātou, he ātaahua, he whakamarie hoki tōna mata. I a ia e tū ana i raro i tō mātou rākau, ka piko ki mua i ahau, ka mea:

"E hoa aroha, he manene kōrua ko tō hoa i konei, nō reira tukua ahau hei kaihautū, hei kaiārahi hoki māu."

Ahakoā kāore i te maha ngā wā ka mā te mata o te tangata Īnia, ka kōwhai tonu te mata o Jitendra i te mate. I whakakahoretia e au te tono me te atawhai. Engari ka tino pukuriri te taitama, i roto i tētahi huarahi, i raro i ētahi atu āhuatanga, ka tino kata ia. Ka whakahoki ia:

"E kore rawa e taea e koe te pei i ahau!"

Ka mea atu ahau, "He aha ai?"

I titiro mai ia ki ahau me te māia, ā, ka mea mai, "Nā te mea ko koe taku kaiako. I a au e whakaaroaro ana i te poutumarotanga, ka kite ahau i a te Ariki, i a Krishna, i roto i tētahi moemoeā, ā, i whakakitea mai e ia ki ahau ētahi āhua e rua i raro i tēnei rākau. Ko tētahi o rātou ko tō mata, e taku kaiako, kua kitea pinepinetia e au i roto i aku whakaaroaro! Kātahi te harikoa o ahau mēnā ka whakaae koe ki aku mahi whakaiti!"

Nā reira ka mea atu ahau, "E hari ana hoki ahau kua kitea ahau e koe. Kāore te Atua i whakarērea i a tātou, kāore hoki te tangata i whakarērea i a tātou!"

Ahakoā i tū tonu ahau, me te ataata ki taua mata hihiri i mua i ahau, nā te wairua whakaute i piko ai ahau ki ngā waewae atua.

Ka mea te tamaiti, "E hoa mā, nui atu tōku hiahia kia whakanuia tōku kāinga e koutou mā te toro mai!"

I mea atu ahau, "He taitama atawhai koe, engari kāore e taea e mātou te mahi i tēnā nā te mea he manuhiri mātou nō tōku tuakana i Agra"

Ka mea ia, "Tukua ahau kia haere tahi kōrua ki Brindiban hei whakamaharatanga mō tēnei hui."

I harikoa ahau ki te whakaae ki te pōwhiri. I tono te taitama—ko Pratap Chatterjee tōna ingoa—i tētahi hariata hōiho, ā, ka anga atu mātou ki te temepara o Madhana Mohana me ētahi atu temepara o Krishna. I pōuri te rangi i a mātou e inoi tonu ana i roto i te temepara. I muri iho, ka mea a Pratap:

"Kia whakaaetia e au te kai i ētahi mea reka?"

I tomo ia ki tētahi toa e tata ana ki te teihana tereina, i a mātou e hikoi ana i te tiriti whānui, kua kī tonu i te tangata, ā, kua āhua marino. I ngaro atu tō mātou hoa mō tētahi wā poto, ā, ka hoki mai me te nui o ngā mea reka. I menemene ia me te inoi i a ia e pupuri ana i tētahi puranga moni pepa me ngā tīkiti e rua i hokona e ia mō tā mātou haerenga ki Agra, me te mea, "Kei te inoi atu ahau kia homai e koe tēnei honore wairua ki ahau."

Ko taku whakaae he whakaute noa iho ki taua ringa kāore i kitea. Kāore ianei tōna atawhai—i tawaihia e Ananta—i nui atu i te mea e tika ana?

I rapu mātou i tētahi kokonga motuhake e tata ana ki te teihana, ā, ka mea atu ahau:

"E Pratap, māku e whakaako ki a koe a Kriya: te tikanga a Lahiri Mahasya, te yogi nui rawa atu o te ao hou, ā, ko tēnei tikanga āna hei kaiārahi wairua māu."

I roto i te hawhe haora ka tū te whakaurunga, ā, ka kōrero ahau ki te ākonga hou, me te kī: "Ko Kriya te kohatu utu nui hei whakatutuki i ō hiahia. Kei roto i tēnei toi, e kite ana koe he māmā noa iho, te tikanga o te tere haere o te wairua. E mea ana ngā karaipiture tapu o Īnia me kotahi miriona tau te roa o te tangata e whakawhānauhia ana kia wātea mai i te tinihanga o te ao, engari ka taea te whakapoto i tēnei wā roa o te taiao mā te Kriya Yoga. Pērā i te whakamātautau a Jagades Chandra Bose ka taea te whakatere ake i te tipu o te tipu i te mea noa, ka taea hoki te whakatere i te tipu wairua o te tangata mā te mātauranga ngaro. Kia pono ki tāu mahi, ā, ka tata atu koe ki te Atua, te Kaiako o ngā Kaiako me te Kaiārahi o ngā Kaiārahi."

I mea whakaaro nui a Pratap, "He nui te hari i roto i ahau mō te kitenga i tēnei kī yoga tapu kua roa nei ahau e rapu ana. Mā tōna mana wairua ahau e whakaora i ngā here o ngā kare ā-roto, ā, māna ahau e ārahi ki ngā ao teitei ake. Ko te kitenga i a Ariki Krishna i tēnei rā he manaakitanga nui i roto i tōku ao."

I noho māua mō tētahi wā poto me te mārāma puku, kātahi ka hikoi mārīre ki te teihana tereina. I kī te harikoa i ahau e eke ana ki te tereina, i a Jitendra e tangi ana. He tino mamae taku poroporoaki ki a Pratap, i te mea he maha ngā aue me ngā tangi a ōku hoa tokorua. I taua wā anō, ka pōuri a Jitendra, ehara i te mea mōna ake i tēnei wā, engari mōna ake anō, ā, ka tīmata ia ki te kī:

"Aue, te ngoikore o tōku whakapono ki te Atua! I whakapakeketia tōku ngākau, engari ināianei e kore rawa ahau e ruarua i te manaaki a te Atua"

I te taenga o te waenganui pō, ka tomo ngā kaihōpara tokorua i tonoa mai, kāore he pene, ki te whare o Ananta. He rite tonu tōna mata ki tā te kupu whakaari, ki tonu i te miharo. Āta, ka uaina ngā rūpi ki runga i te tēpu. Ka mea ia me te kata, "Kōrerotia te pono, e Jitendra! Kāore ianei tēnei taitama i huri ki te tahae huarahi?"

Engari i tōna rongonga i ngā kōrero taipitopito o te kōrero, ka tino kaha te wairua o tōku tuakana, kātahi ka pouri, ā, ka kōrero ia me te hihiri wairua kāore anō kia kitea e au i mua:

"Kei te horapa te ture o te tuku me te tono ki ngā pae tawhiti atu i taku i whakaaro ai, ā, mō te wā tuatahi ka mārama ahau he aha koe kāore ai e aro ki te moni me āna mahi whakapati i tēnei ao."

Ahakoia kua tomuri, i tohe tonu taku tungāne kia whakatapua ki a Kriya Yoga. Nō reira, me amo e te Kaiwhakaako Mukanda te kawenga mō ngā "ākonga" e rua kāore i tonoa e ia i roto i te rā kotahi.

I te ata i muri mai ka parakuihi mātou i roto i te āhua marino me te rangimarie i ngaro i te rā o mua, ā, ka menemene atu ahau ki a Jitendra, ka mea atu:

"Kāore koe e kore e kite i te Taj Mahal. Me titiro tātou ki mua i tō tātou haerenga ki Serampur."

Ka poroporoaki mātou ki a Ananta, ka anga atu ki te tohu whakamiharo me te tino whakahīhī o Agra: ko te Taj Mahal, ko tōna māpere mā e kanapa ana i te rā, pērā i te moemoeā o te rangimarie tino pai. He rākau cypress pouri, he mania matomato, me te roto marino, ko roto i a ia he whakairo matatini kua whakairohia ki ngā kōhatu utu nui. He karauna

ataahua me ngā tohu i whiria, i whakawhitia hoki te māpere parauri me te papura, i te mea ko te mārāma e puta mai ana i te tuanui e horoi ana i ngā urupā o te Emepara Shah Jahan me Mumtazi Mahal, te kuīni o tōna kingitanga me te mea i arohaina e ia.

I te mea kua nui taku kitenga, ā, i te hiahia nui hoki kia kite i taku kaiako, ka haere tonu māua ko Jitendra ki te tonga ki Bengal. Ka mea atu taku hoa, "E Mukanda, kua maha ngā marama kāore au i kite i tōku whānau, kua whakarerekētia aku mahere, ā, tera pea ka toro atu ahau ki tō kaiako i Serampur ā muri ake nei."

I whakarērea ahau e taku hoa - he tangata ngāwari te whakaahua - i Calcutta, ā, i tae atu ahau mā runga tereina o te rohe ki Cebrampur, tekau mā rua maero ki te raki.

I tino ohorere ahau i taku kitenga kua rua tekau mā waru ngā rā kua pahure mai i taku tūtakitanga ki taku kaiako i Varanasi, ā, i mea mai ia ki ahau: "Ka hoki mai koe i roto i ngā wiki e whā!" Ā, i konei ahau e tū ana me te ngākau e pāorooro ana i te marae o tōna whare karakia i te wāhi marino o Rai Ghat, e tomo ana mō te wā tuatahi ki te whare karakia i whakaritea ai ahau kia noho mō te nuinga o ngā tau tekau e whai ake nei me te tohunga nui o Īnia, taku kaiako a Swami Sri Yukteswar!

Kaiako Paramhansa rāua ko Tagore

Mai i te pukapuka (The Philosophy of India in the Life of a Yogi)

Mo te sage Paramhansa Yogananda

"I ako a Rabindranath Tagore i a tātou ki te waiata māori, ā, ki te waiata noa iho, hei huarahi whakapuaki i a tātou anō, pērā i ngā manu waiata."

I tae mai tēnei whakamārama ki ahau nā Bhola Nat, he tamaiti mātau 14-tau te pakeke i te Kura o Ranchi, i muri i taku whakamoemiti i tana waiata reka i tētahi ata. Ahakoa he take, ahakoa kāore he take, ka rere tonu te tamaiti me ngā rangi waiata pērā i te awa taurite. I ako ia i mua i te kura rongonui o Tagore, arā, ko Santinakitan, ko te tikanga "te tauranga o te rangimārie," i Bulpur.

I mea atu ahau ki taku hoa, "Kua rongo ahau i ngā himene a Rabindranath mai anō i tōku tamarikitanga, ā, e tino pārekareka ana ki ngā tāngata katoa o Bengali, tae atu ki te hunga kāore i te mōhio ki te pānui me te tuhituhi, āna rotarota whakahirahira."

Ā, ka whakahua tahi rāua ko Bhola i ētahi whiti a Tagore, nāna i tito ngā mano tini o ngā whiti Īnia, ko ētahi o aua whiti nā ia anō, ko ētahi he mea tawhito.

I te mutunga o tā mātou waiata, ka mea atu ahau me te kata, "I tūtaki ahau ki a Rabindranath i muri tonu i tana whiwhinga i te Tohu Nobel mō te Tuhinga. I tino hiahia ahau ki te toro atu ki a ia nā te mea i miharo ahau ki tōna maia kore-tikanga ki te whakatau i ana kaiwhakahē."

I pātai nui a Bhola mō te kōrero, nō reira ka mea atu ahau: "Kua whakahēngia a Tagore e ngā tohunga reo nā te mea i whakaurua e ia he momo hou ki te rotarota Bengali mā te whakaranu i ngā kīanga kōrero me ngā kīanga tawhito, me te kore e aro ki ngā rohe reo e arohaina ana e ngā tohunga reo. Kei roto i ana rotarota ngā pono hohonu o te rapunga whakaaro i roto i ngā kīanga ataahua, kare ā-roto, me te kore e piri ki ngā momo tuhituhi kua whakatūria."

"I tētahi wā, i whakaahuahia a Rabindranath e tētahi kairīti whai mana—me te whakahawea me te whakahāwea—hei 'kaitito kūkupa i hoko i tana waiata ki ngā kaitā mō te utu iti noa iho' Engari kei te haere

mai te rapu utu a Tagore! I whakanuia ia e te ao tuhituhi o te Hauāuru i te whakamāoritanga o tana pukapuka (Gitanjali: Ngā Tuku Waiata) ki te reo Ingarihi. He rōpū nui o ngā tohunga, tae atu ki āna kairīti o mua, i haere mā runga tereina ki Santiniketian ki te tuku mihi."

I manaaki a Rabindranath i ana manuhiri i muri i te whakaroa roa, kātahi ka whakarongo puku me te kore aro ki ā rātou whakamoemiti. Hei whakamutunga, ka tahuri ia ki ngā patu o ā rātou whakahē ki a rātou, me te kī:

"E ngā rangatira, ko ngā rōhi kakara o te whakaute me te honore e tukuna mai nei e kōrua ki ahau kua konatunatua ki ngā kakara pirau o tō kōrua whakahawea o mua. He hononga kei waenganui i taku whiwhinga i te Tohu Nobel me tēnei mihi ohorere mai i a kōrua? Ko ahau tonu te kaitito i whakapataritari i a kōrua i taku tukunga i aku putiputi iti ki te wāhi tapu o Bengal."

"I whakaputaina e ngā nūpepa he whakarāpopototanga o te whakatūpato maia a Tagore, ā, i miharo ahau ki te pono o te tangata kāore i tinihangatia e te whakapatipati me te tinihanga."

"I whakaurua ahau ki a Rabindranath i Calcutta e tana hēkeretari, a Mr CF Andrus ⁽¹⁾, he kākahu Bengali noa iho tōna, ā, i karanga aroha ia i a Tagore ko tōna rangatira anahera (Gurudeva)"

"I manaaki pai a Rabindranath i ahau, i karapotia e te aura o te karisma, te ahurea whai rawa, me te ngākau atawhai pono. I whakautu a Tagore i taku pātai mō ngā puna o āna tuhinga mā te kī ko ōna pūtake matua i ahau mai i ā tātou pūrākau whakapono me ngā mahi a te kaitito a Vidyapati, i ora i te rautau tekau mā whā."

I whakaaweawetia e ēnei maharatanga, ka tīmata ahau ki te waiata i tētahi waiata tawhito o Bengali i whakarerekētia e Tagore ki tētahi āhua hou, ka tīmata ki te "Whakamāramahia te rama o tō aroha". I uru mai a Bhola ki ahau i roto i te waiata harikoa i a mātou e hiko haere ana i te marae o te kura.

Tata ki te rua tau i muri i te whakatūnga o te Kura o Ranchi, i tae mai he pōwhiri mai i a Rabindranath kia toro atu ahau ki a ia i Santiniketan ki te kōrero mō ā mātou kaupapa mātauranga. I koa ahau ki te whakaae, ā, i haere ahau ki te whakatau i a ia. I taku taenga atu, e noho ana ia i tana tēpu, ā, i kite ahau i a ia he tauira o te tāne pono, pērā i te whakaaro o tētahi kaitoi. Ko tōna mata ataahua, ātaahua te āhua, he mea whakakikorua ki te rangatira me te mana, he makawe roa, he pahau rere, me ngā kanohi nui, atawhai, he mea whakapaipai katoa ki te ataata anahera. Ko tōna reo waiata, pērā i te tangi o te putorino, i hopu i te ngākau. He roa, he kaha, he marino, e whakaatu ana i te ngawari o te wahine me te harakore o te tamaiti harikoa. E ruarua ana ahau mēnā he whakaaro kē atu o tētahi kaitito whakaaweawe ka kitea he whakaaturanga pono atu i roto i tēnei kaikawe ngawari, wairua.

I tīmata tonu māua ko Tagore i tētahi rangahau whakatairite me te hohonu o ā māua whare mātauranga e rua, i ahu mai i ngā mātāpono rerekē. He maha ngā āhuatanga ōrite i kitea e māua, pērā i te ako i waho, te māmā noa, me te whakatenatena i te auahatanga o ngā tamariki. Heoi, i tino whakanuia e Rabindranath te ako i ngā tuinga me ngā rotarota, me te whakapuaki i a rātou anō mā te puoro me te waiata, he mea kua kite kē ahau i Bhola. I mahi ngā tama Santiniketan i ngā wā whakangā, engari kāore i whiwhi whakangungu yoga motuhake.

I whakarongo nui te kaitito ki te whakamārama o ngā mahi Yogoda e whakakaha ana i ngā pūtau o te tinana ki te mahi me te ora, me te tikanga arotahi yoga e whakaakona ana ki ngā ākonga katoa o Ranchi.

I kōrero mai a Tagore ki ahau mō ōna uauatanga mātauranga i te tīmatanga, ā, ka kata mai ia ki ahau, "I oma atu ahau i te kura i muri i te rima o oku tau." I kite tonu ahau i te taupatupatu o ōna kare ā-roto rotarota ki te āhuarangi whiu kino o te kura.

I tohu te kaitito ki tētahi rōpū ākonga e ako ana i roto i te māra matomato me te kī:

"Nā konei i whakatūria ai e au te Whare Wānanga o Santinikitian i raro i te marumaru o ngā rākau me te ataahua o te rangi. E rongō ana te tamaiti kei roto ia i tōna taiao tūturu i waenganui i ngā putiputi me ngā manu waiata kia taea ai e ia te whakapuaki i te taonga o roto o ōna ake pūkenga. Kāore e taea te pupuhi, te whakakī rānei i te mātauranga pono mai i ngā puna o waho, engari me āwhina te mātauranga ki te hura i ngā taonga o te whakaaro nui mutunga kore e huna ana i roto i te hohonutanga o te wairua tangata" ⁽²⁾

I whakaae ahau ki tāna, ā, i tāpiri atu ahau: "Ka mate ngā whanonga whakaaro nui o ngā tamariki me tō rātou aroha ki ngā toa me te toa i te hemokai i ngā kura noa nā te mea he kai noa iho i hangaia mai i ngā tatauranga, ngā kaupapa, me ngā wā hītori"

I kōrero aroha te kaitito mō tōna matua, a Devendranath, nāna ia i whakatenatena kia tīmata ki Santiniketan. I mea ia: "I homai e tōku matua tēnei whenua momona ki ahau, i reira i hangaia ai e ia he temepara me tētahi whare manuhiri. I tīmata taku wheako mātauranga i konei i te tau 1901 me ngā tamariki tekau anake. Ko ngā waru mano pāuna i tae

mai ki ahau me te Tohu Nobel i whakapaua e au ki te tiaki i te kura."

Ko te kaumātua a Tagore (Devendranath), e mōhiotia whānuitia ana ko Maharishi (te Tohunga Nui), he tangata tino whakamiharo, e ai ki te kōrero o tōna oranga. E rua tau te roa o tōna tamarikitanga i noho ia ki te whakaaroaro i roto i ngā whare mōneka o Himalayan. Waihoki, i rongonui tōna matua, a Dwarkanath, puta noa i Bengal mō tana atawhai i te iwi whānui. Mai i tēnei whenua momona ka puta mai he whānau rangatira. Kāore a Rabindranath i noho ko ia anake i roto i tana whakaaturanga auaha; i tohaina e ōna whanaunga tana taranata. Ko ōna whanaunga, a Gogonendra rāua ko Upanendra, e kiia ana ko ētahi o ngā kaitoi tino rongonui o Īnia ⁽³⁾ Ko te tuakana o Rabindranath, a Dwijendra, he tohunga whakaaro hohonu hoki e arohaina ana e ngā manu me ngā kararehe o te ngahere.

I karanga mai a Rabindranath kia moe ahau i tōna whare manuhiri. He tino ataahua te tirohanga i taua ahiahi i te wā i noho tahi ai te kaitito me tētahi rōpū ākonga i te marae! Te āhua nei i tū te wā, ā, ki ahau nei, i rite te tirohanga ki tētahi whare karakia tawhito, me te kaitito a Tagore e karapotia ana e āna ākonga, e karapotia ana e te harikoa me te aroha tapu. I whatu a Tagore, ā, i whakapai ake i ia here o te aroha me ngā miro o te rangimarie me te whakaae. He tino pua onge o te rotarota wairua pono i puāwai i roto i te māra a te Atua, e kukume ana i ētahi atu ki reira me tōna ataahua me tōna kakara!

I roto i tōna reo waiata, ka pānui mai a Rabindranath i ētahi o āna rotarota hou, he reka hoki. Ko te nuinga o āna himene me āna kōrero, i titoa hei hari me te whakahari i āna ākonga, kei roto i a Santiniketan. Ko te ataahua o āna rotarota, ki ahau

nei, kei roto i te whakahua i te Atua i roto i te nuinga o ngā whiti, ahakoa kāore i te whakahuatia mārama te ingoa tapu. Hei tauira, e mea ana ia:

"Ina haurangi ahau i te waiata, ka wareware ahau ki a au anō, ka karanga atu ki a koe hei hoa māku, e tōku rangatira!"

I muri i te tina i te aonga ake, ka poroporoaki au ki te kaitito me te kore e pai. E harikoa ana ahau kua tupu tana kura iti, kua whanake hoki hei whare wānanga o Vizva Bharati International University ⁽⁴⁾, e kitea ai e ngā ākonga o ngā whenua katoa he taiao tino pai.

Te wāhi e wetekina ai te hinengaro i ngā wehi, ā, e tū teitei ana te māhunga

I te wāhi e kore utu ai te mātauranga, kāore he here,

Kāore te ao i hurihia hei wāhanga pakaru e ngā taiepa whaiti o te rohe

Ā, ko te wāhi e puea ake ai ngā kupu i te hohonutanga o te pono,

Ā, ko ngā mahi uaua ka whakawhānui ake i tō rātou huarahi ki te tino pai

Ki te wāhi kāore anō kia ngaro te puna parakore o te whakaaro i roto i ngā koraha onepu mokemoke o ngā tikanga mate,

Ā, i a ia e anga whakamua ana i roto i te whakaaro me te mahi e whānui haere tonu ana,

Kia ara ake ai tōku whenua i te rangi o taua herekoretanga, e tōku matua ⁽⁵⁾

Ko te kī ki ngā mea ngaro o te angitu

Ko te angitu te tikanga o te ngākau māhaki me te ngākau māhaki o te tangata i roto i tōna taiao. Ko te angitu tūturu he hua o ngā mahi i ahu mai i ngā

mātāpono o te tika, ā, e kapi ana i tēnei ko te harikoa me te oranga o ētahi atu hei wāhanga nui o tōna ake harikoa. Ki te whakamahia e tātou tēnei mātāpono ki ō tātou oranga ā-tinana, ā-hinengaro, ā-tikanga, ā-wairua hoki, ka whiwhi tātou i tētahi whakamāramatanga whānui mō te angitu.

He rerekē ngā tirohanga me ngā ariā o te tangata mō te angitu, i runga i ō rātou wawata i te ao. He mea noa te rongo i ētahi tāngata e whakataurite ana i te angitu ki te tahae, e kī ana, "He tahae angitu ia!" E whakaatu ana tēnei he mea e hiahiatia ana, e rapua ana hoki te angitu i roto i ōna āhua me ōna momo katoa. Heoi, kua tō tātou angitu e whara i ētahi atu.

Tērā anō tētahi atu paearu mō te angitu: ina taea e tātou te whakatutuki i ngā hua pai, whai hua hoki mō tātou anō, me whakauru atu hoki ētahi atu ki roto i tō tātou angitu, me te whakapuaki i ngā hua ki a rātou.

Tērā pea ka whiriwhiri tētahi kia noho puku mō te wā roa, kia kore ai e kōrero ki ōna whānau i taua wā. Ahakoa ka whiwhi pea tēnei tangata i te rangimārie o roto, he whanonga whaiaro āna, ā, he kino ki te harikoa o tōna whānau. Kāore e taea te kī he tino angitu rātou mēnā kāore ō rātou whanaunga e whai hua ana i tā rātou whakatutukitanga.

Waihoki, ko te angitu ā-tinana ehara i te mea ko tā tātou tika anake kia whiwhi i te oranga pai i a tātou anō, engari ko tā tātou kawenga matatika hoki ki ētahi atu, arā, ko te āwhina i a rātou ki te whakapai ake i ō rātou āhuetanga ā-tinana me ō rātou āhuetanga noho.

Ka taea e te tangata whai whakaaro te whiwhi moni. Engari ki te mea he aroha kei roto i ō rātou ngākau, e kore rawa rātou e whakamahi i taua moni mō ngā mahi whaiaro; engari, ka tohaina e rātou ki ētahi atu. He kanga, he aituā te moni i roto i ngā ringa o te hunga whaiaro me te hunga apo, he manaakitanga, he taonga hoki i roto i ngā ringa o te hunga ngākau atawhai me te hunga ngākau atawhai.

Hei tauira, i whiwhi a Henry Ford i tētahi taonga nui, engari kāore ia i whakapono ki te aroha, he mea e whakatenatena ana i te mangere me te mangere. Engari, i whakarato ia i ngā mahi me ngā oranga mō te tini. Mena i whiwhi moni a Henry Ford me te whakarato i te whai rawa mō ētahi atu, kāti i angitu ia i te huarahi tika.

Ahakoā te hunga tapu nui rawa atu, kāore e tutuki i a rātou te whakaoranga katoa ki te kore rātou e tohatoha i ō rātou angitu—ō rātou wheako wairua me ō rātou mātauranga teitei ake—ki ētahi atu mā te āwhina i a rātou kia tae ki te māramatanga tapu. Nā reira, ko te hunga kua tae ki ēnei taumata, ā, kua eke ki ēnei āhua, e hiahia ana ki te tuku māramatanga ki te hunga e hiahia ana.

Ki te hiahia koe kia angitu tūturu, ehara i te mea ka whakamanahia e koe tō ake harikoa whaiaro engari ko te harikoa hoki o ētahi atu.

Ngā rerekētanga o ngā paerewa angitu i waenga i te Rawhiti me te Hauāuru

He rerekē ngā paerewa angitu i te Rawhiti me te Hauāuru. Engari, kei te piki haere te whai a te Rawhiti i ngā āhuatanga kino rawa atu o ngā kiriata o te Hauāuru. Ahakoā he whakamarie ētahi kiriata, e

whakaatu ana te ao tūturu ehara i te mea ngāwari te angitu. He uaua, he uaua hoki te ora, ā, me uaua tātou ki te whiwhi oranga. Whakaarohia te kaha e hiahiatia ana hei pupuri i tō tinana kia ora, kia kore ai e pāngia e te mate! Ahakoa ka angitu koe, he poto noa iho taua angitu. Ka takoto te tinana i te mutunga. Me whawhai ki ngā kaha maha, o roto, o waho hoki, kia tutuki ai te angitu e hiahiatia ana. Ka mahi uaua ēnei kaha ki te tango i ō whakatutukitanga whai tikanga.

Ko te Hauāuru e arotahi ana ki te angitu wāhanga, ki te angitu rangitahi rānei e pā ana ki tēnei ao o nāianeī. Ko te Rawhiti ia, e arotahi ana ki te angitu tino, pumau, me te pumau.

Ko te hunga kua eke ki te tihi o te angitu mutunga kore e kiia nei e tātou (ko ngā toa i ngā ao e rua ko ngā angitu i roto i ngā kanohi o te Kaiwhakawā)

He harikoa te tinana, te hinengaro, me te wairua o ēnei tāngata. Ahakoa he taonga ā rātou, he nui ā rātou taonga: te taonga o te rangimārie o roto me te māramatanga wairua ki te whanaungatanga i waenga i te wairua me te wairua atua, me te whanaungatanga i waenga i te tinana me te ora o te ao tūroa.

I te Rawhiti, ka whakatōkia te whakaaro o tēnei momo angitu ki roto i te hinengaro o te tamaiti. I te Hauāuru, ka hoatu he peeke poaka ki te tamaiti, ā, ka akona ki te whai moni hei whakatutuki i ngā wawata.

He pai te mahi kaha kia eke ki te angitu rawa, engari me whakaako hoki ngā tamariki ki te uara o te angitu pumau. Ka mau tonu te taonga o te wairua i

roto i te peeke o te mutunga kore, ā, ka taea e koe te tango i te harikoa mai i taua peeke i ngā wā katoa.

Ahakoia te angitu wairua, ka taea te taha kotahi, te kore taurite mena he kawenga rauemi āu kāore e taea e koe te whakatutuki.

Ko ngā yogi nui rawa atu kua wetekina i a rātou anō i ngā ture o te taiao ka taea te wareware rawa ki ngā mea o te ao.

I te Rawhiti, ko te arotahi matua ko te whakatipu i te harikoa wairua, engari ko ngā āhuatanga rauemi o te ao kua warewarehia. I te Hauāuru, he iti noa ngā whakamarie rauemi engari he iti noa te harikoa hinengaro. Ko te mea e hiahiatia ana he taurite i waenga i ngā mea e rua, nā te mea ko te arotahi ki te kotahi āhuatanga o te ao ka arahi ki te kore taurite me te kore e taea te aro tika ki ngā tono o te ao.

Hei tauira, ki te arotahi noa te kaitoi ki te toi, ā, ka wareware i ngā mea katoa, ka arahi atu ki te kore taurite e puta mai ana i te manukanuka me te pouri. Heoi, ki te arotahi ki te toi me te waiuatanga, te mahi, te pūtaiao, me te mahi ratonga, ka hua ake he taurite whakamiharo, he angitu katoa, me te harikoa pono.

Ki te honoa te taonga ki te mate me ngā raruraru, ka maha ngā hua. Ko te akuaku me te hauora kei roto i ngā kaha o te Hauāuru. Kei te whakahaeretia pai ngā pepeke kino me ngā iroriki whakamate i ngā whenua whakawhanake, engari he nui i ētahi atu. Engari ehara te whakakore i ēnei pepeke i te tihi o te whakatutukitanga, nā te mea kei reira ētahi atu momo mate i ngā whenua whakawhanake, pērā i te uaua ki te utu pire me ngā raruraru pūtea

whakamomori nā ngā pūnaha hoko utunga - he mate e whakararuraru ana i te moe me te whakararuraru i te rangimarie o te hinengaro.

Ehara i te mea ko te oranga anake te mea nui o te ora

Kāore te Atua i hanga i tēnei whenua hei kai, hei moe, hei mate noa iho mā tātou, engari kia mōhio ai tātou ki tāna e pai ai, kia mārama ai hoki ki te kaupapa o tō tātou oranga. He tokoiti ngā tāngata whakaaro nui kua mārama ki te tikanga o te mahere o te ao whānui, engari ko te nuinga o te tangata he matapo, kāore hoki i te mōhio ki taua kaupapa. Ka riro te whenua hei rūma whakamamae mō te hunga e noho kuware ana ki te mahere atua. Engari ina tirohia e koe ngā wheako o te ao hei kaiako māu, ā, ka ako mai i aua wheako i te āhua tūturu o tēnei ao me te tūranga kua whakaritea ki a koe i roto i te whakaari o te ao whānui, ka riro aua wheako hei whakamārama whai hua mō te ara ki te makona me te harikoa pumau.

Kua meinga e te Atua te mānukanuka o te ao kia tino kaha

E noho ana tātou i tētahi ao pōrearea, pōrearea hoki. Tērā pea ka whakaaro koe ko te moni te tikanga o te harikoa, engari ina whiwhi koe, ka kitea tonu e koe kei te pouri koe. Tērā pea ka whiwhi koe i te taonga, ā,—kāore rawa—ka ngaro tō hauora. Tērā pea he hauora pai tōu, ā, ka ngaro tō moni. Tērā pea he taonga, he hauora hoki tōu, engari he maha ngā raruraru e pāngia ana e koe me ētahi atu, ka tuku atawhai noa iho, ā, ka tūtaki koe ki te mauahara me te riri. Ki te kore te Atua, kāore he mea o tēnei ao e tino makona ai koe.

Me i hiahia te Atua kia noho tātou i roto i te hinengaro kikokiko anake, kua tino makona tātou i ngā mea kikokiko, ā, kua makona hoki tātou i ngā mahi o te ao.

Kua kite koe i tētahi kahui hipi? Ki te peke tētahi o rātou, ka whai te toenga o te kahui i taua mea, kāore he whakaroa. He rite tonu te nuinga o te tangata ki tēnā. Tērā pea ka puta ake he whakaaro, ka whakauru mai rānei i tētahi au hou, ā, ka peke tonu atu ētahi ki te waka ka tārua. Kua mau tonu tēnei tauira mō ngā whakatipuranga. He tikanga me ngā kōrero tuku iho tō ia iwi, ā, kāore e taea e tātou te kī he tika, he tika rānei. Engari ko wai ka mōhio? Ko ētahi o aua tikanga me ngā kōrero tuku iho he mea whakakatakata, he koretake, he koretake hoki.

He huarahi hei aromatawai me te whakawā i aua tikanga me ngā tikanga tuku iho

I te tīmatanga, he whakamārama kei ia tikanga tuku iho. Mēnā ka kitea e tātou kei te pono tonu te whakamārama, he tikanga, he painga anō hoki tō te tikanga tuku iho. Heoi, he mea kuware te whai i ngā tikanga tuku iho me te kore whakaaro. Me mōhio tātou ki te pono, me te whai i taua mea, me te mārama ki ngā mea ka hari ai tātou, kātahi ka whakamahi.

Me whakangawari te ao. Mēnā ka tātarihia e koe ngā āhuatanga takitahi o ngā whanonga tangata, ka kitea e koe he mea whakakatakata ētahi o ā tātou tikanga me ngā tikanga tuku iho.

I te Hauāuru, he maha ngā ture e whaihia ana e te tangata. He kākahu motuhake mō ngā ahiahi, mō ngā pāti tina, mō ngā haerenga, me ngā haerenga. I kite

**ahau i tētahi pānuitanga mō ngā koti motuhake mō
ngā kaipaipa!**

**He rawe te whakahaere, engari ko te piripono nui
ki te whakahaere me te tikanga ka arahi pea ki te
pouri.**

**I te Rawhiti, he māmā noa iho ngā whare me ngā
kākahu. I te Hauāuru, he tino uaua te ao, ā, kāore e
taea te harikoa nā te nui rawa o te aro ki te mahi i
ngā mea i tētahi ara motuhake.**

**He aha ai ka whakararuraru i te ao mā te
whakanui i te āhua o te whakarite i te whare me te
tēpu i tētahi ara motuhake?**

**I te Rawhiti, ina karangahia te tangata kia toro
mai, ka harikoa te katoa, ā, ka tino hiahia rātou ki aua
haerenga mai.**

**I te Hauāuru, ka karangatia ngā manuhiri, ā, muri
iho ka roa te whakarite kia tino tika ngā mea katoa.
Kia tae mai ngā manuhiri, ka tatari te kaihautū ki tō
rātou wehenga atu!**

**Me whakangawari te noho, te kakahu, me te kai.
Ahakoa kāore pea i te whai hua te kai i ngā wharekai i
te taha ōhanga, he pai tonu te mahi pēnā i ētahi wā.
Kāore i te tika te noho roa i roto i te kīhini, me te kore
e waiho he wā ki te pārekareka ki ētahi atu mea nui
ake.**

**I a au e haereere ana me aku kauhau, i
whakangawaritia e au taku kai. I puritia noa e au he
miraka, he rētihi, me te tihi i roto i taku rūma, ā, i pai
ahau ki tēnā.**

Kei roto i a tātou te pararaiha, ehara i te mea

I roto i tā mātou whakangungu whakahāwea i Inia, i ako mātou ki te whakahaere i ō mātou hiahia me te hiki ake i ngā mea e pai ana ki a mātou, e kore e pai ki a mātou, e pai ake ana ki a mātou. I whakawhetai mātou mō ngā mea katoa i riro mai i a mātou. I te Hauāuru, heoi, ko te nuinga o te tangata kāore i te harikoa ahakoa he nui ā rātou mea, me te mea kāore i a rātou. Kāore he rohe o ngā hiahia. I te ata, i muri i te heu me te whakakakahu, ko te mea tuatahi e hiahiatia ana e te tāne ko te parakuihi. I a ia e noho ana ki te tēpu, ka hiahia ia me i taka e tana wahine tētahi atu mea. Ko ia hoki, ka hiahia kia pai ake āna pereti, pūnu, maripi, me marau.

Ka pahemo ngā rā, ka haere tonu ngā hiahia mō tēnei, mō tēnā, ā, kāore rawa he mea e makona ai rāua. Hei whakamutunga, kāore te tokorua e pai ki te whakahari tetahi i tetahi, ā, kāore hoki e kitea he harikoa ahakoa i roto i ā rāua tamariki, ka ngaro te harikoa o te marena. Nā te mea kua pōuri rāua, ka tahuri rāua ki te hunga e tata ana ki a rāua. Ka nui rawa te amuamu a te wahine, ka nui rawa te whakahē i tana tāne, ā, ka hamama ia ki ngā tamariki, ā, ka whakakeke ngā tamariki ki ō rātou mātua, ka mahi i ngā mahi wairangi me ō rātou hoa (ā, ka haere tonu te huringa).

Ehara i te mea hē te pupuri taonga; ko te mea hē ko te tuku i ā tātou taonga kia whakahaere i a tātou. Me whakawātea tātou i a tātou anō i te piri ki te tangata me ngā mea, nā te mea ka puta te pouri i te piri.

Kei roto i ahau tōku pararaiha I a au e pārekareka ana ki ngā manaakitanga a te Atua, ka whakawhetai ahau ki a Ia, ā, ka tipu ake tōku harikoa ā-roto Ki te

kore taua ngākau māhorahora, ka noho ngā ahuareka me ngā harikoa o te ao nei hei reinga Kua mōhio ahau me te kore taua harikoa ā-roto, kua tangohia e te kawenga o ngā kawenga i tukua mai ki ahau tōku rangimārie, tōku harikoa hoki.

Ko te hoariri nui rawa atu o te harikoa ko te nama moni hei hoko taonga papai. E whakapono hē ana te tangata kāore e taea e rātou te harikoa ki te kore e whiwhi i tētahi mea motuhake. Ahakoa i muri i te whiwhinga i taua mea, e kore rātou e kite i te harikoa pono, ahakoa tō rātou harikoa rangitahi. Nō reira, he aha te take o te whai i te pōhewa o te harikoa o te ao e oati ana ka takahi noa i tana oati?

Me noho noa te tangata, kaua e hiahia ki ngā taonga maha e hiahia ana kia aro tonu ki a rātou

Kāore e kore he wheako ahuareka te hoko i tētahi mea hou. Engari i muri i tētahi wā, ka memeha haere taua kare hari, ā, ka ngaro pea tō hiahia ki taua mea, ka wareware noa atu, ka hiahia ki tētahi atu mea. Heoi anō, e kore e warewaretia te pire mō taua taonga, ina koa mēnā i hokona e koe mā te utunga!

Me whakahaere e te tangata tōna ake ao, me whakangawari i te mea ka taea. Me penapena moni mō ngā mea e tika ana me ngā āhuatanga ohorere, me whakatairanga i te penapena i te whakapaunga ki ngā mea papai, ā, me āwhina i ētahi atu ki te pai o ō rātou kaha. Ina āwhina koe i ētahi atu, ka tae mai te āwhina ki a koe i tētahi ara, i tētahi ara rānei, ā, e kore koe e hapa i tetahi mea, e kore hoki koe e tangohia i tetahi mea.

E tino mōhio ana ahau ka tae mai ngā mea katoa e hiahiatia ana e au, nō reira kāore au e manukanuka

ki ngā mea kei te heke mai. Ehara tēnei i te whakapehapeha, i te whakakatakata rānei, nā te mea kua maha ngā wā kua kite ahau i te mahi me te whai huatanga o taua mana manaaki i roto i tōku ao.

Ahakoia kei te mānu ahau i runga i te mata o te ao, kei te toremi rānei i te hohonutanga o te moana, e mōhio ana ahau kei te Atua ahau, kei ahau hoki ia, ā, kāore he mea e pā kino ki ahau. Nā taua mātauranga ahau i homai he harikoa nui, e kore e taea te kōrero.

Me i kore te māramatanga wairua me ngā wheako i riro mai i ahau, kua noho ahau hei tangata tino pōuri rawa atu i runga i te whenua. He nui ngā taonga i riro mai i ahau, engari kua kore ahau e tuku kia herea ahau, kāore hoki ahau i tuku kia pā, kia whakarerekē rānei i ahau. Ka hoatu e ahau ngā mea katoa e whiwhi ana ahau i runga i te ara o te Atua, me te hunga e matea ana. Ko tōku harikoa o roto ko taku taonga nui rawa atu—he taonga e moemoeā noa ai ngā kīngi.

Ko te angitu e whakawhirinaki ana ki ngā whakatutukitanga ā-roto

Ina kite koe i te tini o te tangata e ngaro ana i te harikoa, i te angitu rānei, kua e whakaaro koinei tō rātou mutunga. Ka taea e koe te hanga i a koe anō kia rite ki tāu e hiahia ai. Ko tō angitu ā-roto te mea e tino angitu ai koe. Ki te kore he mea i roto i a koe, e kore koe e harikoa. Engari ki te kore he mea i waho, engari kei te harikoa koe i roto i a koe, he tino angitu koe. Nō reira, kāore e taea te whakahē i te tangata i runga i ō rātou āhuatanga o waho anake. I roto i te mano tini, tera pea ētahi tāngata kua eke ki te taumata wairua, ā, e pai ana ki te rangimārie hohonu o roto me te harikoa wairua.

Nā konei, ko te angitu matatika me te angitu hinengaro—te whakaoranga mai i ngā tikanga kino me ngā hiahia kino—ka nui ake te harikoa i te angitu rauemi. Kei roto i te angitu hinengaro te oranga hinengaro e kore e taea e ngā āhuatanga o waho te tango atu. Ka taea e koe te whakapau i tō wā katoa ki te kōhi taonga, engari e kore taua taonga e hoatu ki a koe te rangimārie me te haumarutanga pumau e rapuhia ana e koe. Engari, ka nui ake te pouri, nā te mea kei roto i te hinengaro te harikoa me te rangimārie pono, ehara i te taonga.

Ki te kore koe e whai wā ki te whakatipu i tō hinengaro, ahakoa te nui o te taonga e kore e makona i a koe. Ehara tēnei whakatipu i te whakamamae, engari he whakangungu i tō hinengaro kia poipoi i ngā whakaaro me ngā mahi e arahi ana ki te harikoa.

Ko tō harikoa tō angitu, nō reira kaua e tukua tetahi kia tahaetia i a koe. Tiakina koe i te hunga e ngana ana ki te whakapataritari i a koe. I ahau e tamariki ana, ka riri ahau i ngā wā katoa e horahia ana e tetahi ngā kōrero teka mōku. Nō muri mai, ka kite ahau he mea nui ake te rangimārie o tōku hinengaro i te whakaae a te tangata, i te whakamoemiti rānei.

Ko te hinengaro he kare ā-roto e whakaatu ana i te āhua me ngā hihiri tūturu o te tangata. Ina māranga tō hinengaro, ā, e mōhio ana koe kei te tika tāu mahi, kāore he mea e wehi ai koe. Ko te hinengaro māranga he tohu i te whanonga pai mai i te Atua. Ko te whakakorekore i roto i te kooti hinengaro he tikanga kei a koe te harikoa me te whiwhi i ngā manaakitanga a te Atua.

Ki te kore te tangata e whiwhi moni ana, nā te mea kāore ia e aro ki te whiwhi moni. Waihoki, ki te kore ia e harikoa, nā te mea kāore ia e aro ki te whakatutuki i te harikoa.

Ko te muera e amo ana i te koura i runga i tōna tuara, kāore ia e mōhio ki te uara o tāna e amo nei. Waihoki, ko te tangata e pukumahi ana ki te amo i te kawenga o te ora i runga i ōna pakihiwi me te tumanako ka kitea he harikoa i te mutunga o te huarahi, ā, ka wareware ia kei roto i a ia te hari wairua nui, pumau.

(Pērā i ngā kamera i te koraha, e mate ana i te matewai, i te mea e amohia ana te wai i runga i ō rātou tuara)

Nā te mea e rapu ana ia i te harikoa i roto i ngā "mea", kāore ia i te mōhio kei a ia te nui o te harikoa i roto i a ia anō.

Te tuku i te kawenga e tika ana

Kāore te Yoga e tohutohu ana kia kaua e aro atu, kia karo rānei i ngā kawenga o te ao. Engari, e tono ana kia whakakīia tō hinengaro ki te Atua i a koe e takaro ana i tō tūranga i roto i te whakaari o te ao. Ki te hiahia koe ki te noho mokemoke i roto i ngā ngahere, i ngā maunga rānei, me te whakapono ka kitea e koe te Atua mā te whakarērea i ō mahi, me noho rite koe, me te kaha ki te noho whakaaroaro (noho tonu) i te rā katoa mō ētahi rā i ia wā. He mea whakamiharo tēnei mahi mō te hunga e kaha ana ki te mahi. Engari he nui ake te noho ki te ao, engari kaua e noho ki roto i te ao; ki te whakatutuki i ō kawenga pono hei painga mō ētahi atu, me te whakaaro anō hoki ki te Atua.

Me wehewehe i waenga i ngā mahi nui me ngā mahi iti, me te whakarite i ngā mea tino nui i runga i ngā mea tino nui. Hei tāpiri, kua tetahi mahi e whakahē i tētahi atu. E mea ana ngā karaipiture ki a tātou, ina taupatupatu tētahi mahi ki tētahi atu, he tohu tēnā ehara i te mahi pono. Hei tauira, ki te whai koe i te angitu pūtea me te utu mō tō hauora, kei te wareware koe ki tō oranga tinana. Waihoki, ki te tino aro nui koe ki te whakapono, ā, ka wareware koe ki ō kawenga pūtea, kāore koe i te taurite nā te mea kua tukua e koe tētahi mahi kia taupatupatu ki ō herenga ki tō tinana me tō whānau. Ā, ki te wareware koe ki tō herenga ki te Atua nā te mea kei te aro katoa tō aro ki tō whānau, ehara tēnā i te mahi pono.

He tokomaha e pātai ana: "Me angitū tuatahi tātou ki te whakatutuki i ā tātou kawenga o te ao, kātahi ka rapu i te Atua?" me "Me kimi tuatahi tātou i te Atua, kātahi ka rapu i te angitū?"

Ko te Atua te tuatahi, kua hoki tātou e tīmata, e whakamutu rānei i tō tātou rā me te kore e whakaaro ki a ia, me te kore hoki e whakaaroaro hōhonu ki a ia. Me mahara tātou, ki te kore te kaha me te pūngao e riro mai ana i a tātou i te Atua, e kore e taea e tātou te whakatutuki i tetahi mea. Nō reira, ko tā tātou mahi nui ki a ia. Ki te whakatutukihia e tātou ngā herenga katoa me te kore e whakatutuki i tā tātou mahi ki a ia, e kore ia e koa. He pai ake te mahi i ā tātou mahi i runga i te huarahi e pai ai te Atua.

He mea whakamiharo te whakaaro ki te whakakotahi i te rapu i te Atua me te angitu ā-tinana. Engari ki te kore te tangata e whakaaroaro hōhonu, ā-tinana hoki, kia tino mau ai tōna mōhio ki te Atua i te tuatahi, ka taupokina tōna hinengaro e te ao, ā, kāore

**he wā e toe ana mō ngā mea wairua. Ā, ki te kore
tātou e tino mōhio kei a tātou te Atua, ka noho tonu ā
tātou mahi ā-ao hei pūtake o te mamae hinengaro.
Engari ki te rongo koe kei a koe te Atua i ngā wā
katoa, ā, ki te whakaaro koe ki a ia i a koe e
whakatutuki ana i ō mahi, ka noho koe i roto i te
hunga tino harikoa o te iwi.**

**Ka hari te hunga e aroha ana ki te Atua, e noho
ana hoki rātou i roto i te ngākau mārie, i te hari
mutunga kore.**

**Me i kore ahau i whiwhi i ngā whakaakoranga a
taku kaiārahi, a Swami Sri Yukteswar, i homai nei ki
ahau te mōhiotanga atua, kua roa kē taku ngaro i
taku whakatau, ā, kāore e taea e au te āwhina i te
tangata me te hanga temepara hei rapu me te
whakaaroaro ki te Atua. Ahakoa ēnei mea katoa, kua
ngana ētahi ki te aukati i taku ara, kua ki te mahi
tahi me ahau.**

**Ki te mea ko ia tō rātou rangatira, me
whakarongo rātou ki a ia, ka tahuri rātou ki a ia, ka
ngana ki te pei i a ia i roto i ngā huarahi katoa.**

**Engari ki te ngana koe ki te ārahi me te tohutohu
i ētahi atu me te aroha pono, ka karaunatia koe e
rātou hei kingi mō ō rātou ngākau. Ā, ki te aroha ōrite
koe ki te katoa, ka taea e koe te kite i te hunga e
whakautu ana ki taua aroha.**

Kāore he rite o te aroha atua

**Me i mōhio koe ki te kōrero o te aroha atua e pā
ana ki ētahi o ngā tāngata karakia ki te Atua! Kāore
he wheako kē atu o te ao e taea te whakarite ki taua
hari. I mōhio ahau ki tētahi tangata tapu e mau tonu**

ana ki te aroha o te Atua, ā, e whiti ana tōna mata i te aroha tapu. Kei runga tonu te kanohi o te Atua i te hunga e aroha ana ki a ia, ā, e kore rawa ia e whakarērea i a rātou mō tētahi wā poto.

Ka kite ahau i tōku Atua aroha i roto i ngā mea katoa e karapoti nei i ahau

I kite ahau i a ia e titiro mai ana ki ahau mai i ngā putiputi, e titiro mai ana hoki ki ahau mai i te matapihi o te marama

Ka kite ahau i tēnei mea i roto i te mata o te taiao, i roto hoki i te mata o te hunga he wairua rangatira, he ngākau atawhai hoki

Kaua e wareware ki te Mea Aroha Nui, te pūtake o te pai, te aroha, me te atawhai katoa. Kaua hoki e tukua ō tātou ngākau kia kī i ngā mānukanuka me ngā mea koretake o tēnei ao, engari me kī ki te aroha atua, e whakaora ana i te ngākau, e whakahihiko ana i te hinengaro, e whakahou ana i te kaha o te wairua. Kāore he rite o taua aroha. Ina mau te aroha atua ki te wairua o te tangata e rapu ana, ka hari ngā pūtau o tōna tinana, ā, ka kī ia i te hari nui rawa atu. Ā, mō tēnei wheako, ka waiata tētahi o ngā hoa aroha o te Atua:

I te taenga mai o te Ariki o te Ao ki roto i te temepara wairua

I taupokina tōku ngākau e te harikoa, ā, i wareware ahau ki ōna pāorooro

Pērā i ngā pūtau katoa o tōku tinana i wareware ki ā rātou mahi kua whakaritea

I miharo ia i tana whakarongo ki te reo o te ora tonu

Ko te reo o te mea tino arohaina i roto i te ao ko te reo o te Atua te pūtake o te ora

I hiko te ngākau, te roro, me ngā ngota katoa o tōku wairua

Nā te mea i pāngia ia e te aroaro tapu rawa o te Atua

He tirohanga poto tēnei ki te aroha o te Atua me tōna pānga ki te oranga o te hunga e aroha ana ki te Atua.

Ko ngā mamae e hangaia ana, e waiho ana hoki e te mauahara me te pakanga i roto i ngā ngākau o te tangata, he tohu tēnei ko te wairuatanga, te aroha, te atawhai, me te aroha ngā mana nui rawa atu. He whakangaro te mauahara, ko te aroha ia te mana hanga nui rawa atu o te ao.

Nō reira, e aku hoa aroha, me mārama tātou ki te koretake o te mauahara me te wairangi o te pakanga, me tahuri ki te Atua me ō tātou wairua katoa, me aroha ki a ia me ō tātou ngākau katoa. Nā te mea ka homai e tōna aroha he angitu e kī ana i te ngākau māhaki me te ngākau māhaki: he angitu e kore e taea te whakatutuki i tētahi atu huarahi.

Mā te aroha anake ka hanga he ao pai ake, ka kawea mai he pai ki ōna tāngata, ā, ka hoatu he oranga rangatira ki a rātou. Me i mutu te akiaki a ngā iwi tetahi i tetahi mā roto i ngā tikanga hē, engari ka awhi i te aroha me te tautoko tetahi i tetahi, kua kite tātou i te angitu o te ao, ā, ka koa ngā tāngata katoa o te ao ki ngā hua o taua ao.

Whakaarohia ngā miriona e pau ana ki te patu i tētahi tangata e tētahi atu tangata i roto i ngā pakanga! He whakama tēnei ki te tangata! Ā, he aha atu te mutunga iho i tua atu i te mamae, te mamae, te whakangaromanga me te whakangaromanga?

Ko te aroha anake te huarahi hei whakamutu i tēnei mamae o te tangata

I te mea e hanga ana, e whakawhanake ana hoki tētahi iwi i ngā patu whakangaro nui, ka ngana ētahi atu iwi ki te tito i ngā tikanga me ngā patu matatau ake, whakamate ake hoki hei tiaki i a rātou anō, ā, ka noho tonu te tangata i roto i te wehi. He aha te kore ai e whakatipuhia e ngā iwi katoa te aroha me te māramatanga, kaua e whakatupu i te mauahara me te pakanga? Ko te otinga pono kei roto i tētahi karakia whānui o te aroha me te māramatanga, ko te aroha ka toa ai te tangata.

Te mana kei muri i ia mana

Tuatahi, kia angitu ki te Ariki o te Ao Whānui. He nui rawa te aro o te tangata ki ā rātou mahi, ā, e whakaaro ana rātou kāore he wā hei whakaaro ki te Atua. Engari, he aha te mea ka pā ki te tangata mēnā ka tangohia e te Atua tōna mana i tōna tinana me tōna hinengaro? Ka mutu te patu a te ngākau, ā, ka ngaro te kaha o te roro ki te whakaaro.

Ko te Atua te aroha atua kei muri i te aroha tangata katoa, te hinengaro whānui kei muri i te hinengaro katoa, te hiahia nui kei muri i te hiahia katoa, te angitu nui rawa atu kei muri i te angitu o te ao, me te mana nui rawa atu kei muri i ngā mana katoa.

Ko te toto kei roto i ngā uaua katoa me te manawa kei muri i ngā kupu

Me i tangohia e ia tōna mana i ahau, ka mutu tonu taku kōrero, ā, ka whakamutua tōku reo ake ake.

Me i kore tōna mana e mahi i roto i ō tātou ngākau me ō tātou hinengaro, kua rite tātou ki ngā tūpāpaku kore ora.

Kia tiakina e tātou - kia tiakina koe e te Atua - te mea ataahua... ā, kia mahara tātou ko tā tātou mahi tuatahi i te ao ko te aroaro o te Atua.

Ina tutuki i a tātou taua mahi tapu, ka hono tātou ki tō tātou pūtake, ā, ka kī tonu ō tātou ngākau i te harikoa; koinei te angitu nui rawa atu, me te wikitoria mutunga kore. Kia tau te rangimārie ki a koe.

Te Kōrero mō te Kīngi Āketika

I ngā rā o mua, i Inia, i noho tētahi tohunga nui ko Vyasa tōna ingoa, te kaituhi o te Bhagavad Gita, te pukapuka wairua nui rawa atu o ngā tuhinga Hindu. Nā ōna mana wairua nui, i taea e ia te karanga i tētahi wairua rangatira ki roto i te kōpū o tana wahine. I te tipu haere o te tamaiti i roto i a ia, ka tukuna e te matua ki te tamaiti kāore anō kia whānau ngā mea ngaro o te mātauranga me te mauri o te whakaaro nui mā roto i te hinengaro huna o tana wahine.

I tōna whānautanga, i tapaina te tamaiti ko Sukdeva. Nā te whakangungu me te manaaki a tōna matua whakaaro nui, i kitea ia he tamaiti tino pai. I te whitu o ōna tau, kua maumahara ia ki ngā pukapuka katoa o te rapunga whakaaro me te whakaaro nui, ā,

kua rite ia ki te whakarērea te ao kia rapu i tētahi kaiako mātau hei whiwhi atu i te mātauranga.

I Īnia, ka rapu te tangata e hiainu ana ki te pono i ngā kaiako wairua kia kitea rā anō e ia tētahi e mōhio ana i roto i tōna ngākau ko ia te kaiārahi i tonoa mai e te Atua ki a ia hei whakaora i a ia i te pōuri o te kuware ki te māramatanga o te mātauranga.

Ina tīmata te hiahia ki te mātauranga wairua, ka whiwhi te kaitono i ngā akoranga wairua i ētahi wā mai i ngā puna rerekē. Engari ina kaha haere te hiahia ki te Atua, ka tukuna e te Atua he kaiako wairua e mau ana i roto i ngā pūtaiao atua, hei huarahi tapu hei ārahi i te kaitono e hiahia ana ki te hoki ki te kāinga wairua—ki te rangatiratanga o te Atua i roto i te tangata.

I te whakatau a Sukdeva ki te rapu i tētahi kaiārahi wairua, ka tohutohu tōna matua kia haere ia ki a Kingi Janaka. Ka tangohia e Sukdeva āna pukapuka, ka anga atu ki te kooti kingi. I tōna taenga atu ki te kūaha o te whare kingi, ka kite ia i te kingi e noho ana i runga i tētahi torona koura kua whakakikoruatia ki ngā rupi me ngā taimana, e karapotia ana e tētahi tira wāhine e poipoī ana i a ia ki ngā pā nikau (pērā i te tikanga i Īnia onamata i te raumati werawera).

I taua wā, i runga a Kingi Gnaka (he monji) i tōna torona e momi hikareti ana i tētahi hookah rawhiti, ā, i ohorere te tamaiti a Sukdeva i taua kitenga, ā, ka mea ia ki a ia anō: "Aue, he whakama tōku matua mō te tuku i ahau ki tēnei kingi o te ao ki te puku! Me pēhea e taea ai e tētahi tangata he pēnei ōna āhua me ōna āhua taonga hei kaiako māku?!"

Engari he kingi, he tapu hoki a Kingi Gnaka. I noho ia i te ao, engari ehara i te mea nō te ao. Nā te mea kua tino matatau ia ki te taha wairua, ka kite ia mā te waea i ngā mea e puta ana i roto i te hinengaro o Sukdeva, i wehe atu i tōna kooti, ā, hoki atu ana ki tōna kāinga i ahu mai ai ia.

I tonoa e te kingi-hatu tapu tētahi karere ki te whai i te tamaiti, me te tono kia hoki mai ia. I tōna hokinga mai, ka tūtaki kanohi ki te kanohi te kaiako me te ākonga, ā, ka tukuna atu e te kingi āna kaiāwhina, ka tīmata tonu i tētahi kōrero whakamīharo, hohonu hoki mō te Atua me āna merekara.

E whā hāora te roa, ā, ka tīmata a Sukdeva te nekeneke me te hiakai, engari kāore ia i pai ki te whakararuraru i a Kingi Gnaka, i rumakina nei ki roto i ngā moana o te Atua, ā, i haurangi i tōna aroha.

Kāore i roa i muri i te hāora kotahi ka tae mai ngā karere tokorua, e karanga ana: "E te Ariki, kei te mura te tāone katoa, ā, kei te whakatata mai ngā mura ki te whare kingi. Ka taea e koe te tiro tiro i ngā mahi tinei ahi?"

Ka whakahoki te kīngi, "Kei te kōrero māua ko taku hoa a Sukdeva mō te Atua atawhai e tiaki ana i te hunga katoa e rapu piringa ana ki a ia, e whakawhirinaki ana ki Tana awhina, kāore he wā mōku ki te mahi i tētahi atu mea. Waiho ahau, haere ki te āwhina i ētahi atu ki te tinei i te ahi."

I muri i tētahi atu haora, ka hoki ngā karere tokorua ki a Kingi Janaka, ka karanga, "E te Kingi o te Ao, me haere atu koe i tēnei wā tonu. Kua karapotia

te whare kingi e te ahi, ā, kei te tere haere mai ngā mura ki tō rūma."

Ka whakahoki te kīngi, "Kāore he raruraru! Kaua e whakararuraru i ahau, kei te inu tonu māua ko taku hoa aroha i te waina atua. Haere, meatia tāu e taea ai."

I miharo a Sukdeva ki te tauhohenga a te kīngi, engari i ngana ia kia noho marino, kāore i pāngia e te ngangau i tōna taha. I muri tata mai, ka whakatata mai ngā tāne tokorua, kua wera i te mura, ki te kīngi, ka karanga atu me te kaha: "E te kīngi nui, tirohia! Kei te whakatata mai ngā mura mura ki tō torona! Rere atu, e te Ariki, i mua i te paunga o koe i te ahi!"

Ka whakahoki te kīngi, "Haere, mōu ake haumaru, kei roto ahau i ngā ringa o te Atua, te Kaitiaki Katoa, ā, kāore ahau e wehi i te ahi me ōna mura whakangaro."

I mawhiti ngā tāne tokorua nei, ā, ka tīmata te ahi ki te whakatata atu ki te puranga pukapuka a Sukdeva i tōna taha, heoi i noho marino te kīngi, kāore hoki i manukanuka ki ngā mea katoa e tupu ana.

I tēnei, ka matakū a Sukdeva, ka ngaro tōna marino. Ka whakatika ia i tōna nohoanga, ka tīmata ki te patu i ngā mura ki ōna ringa, me te ngana ki te tiaki i āna pukapuka utu nui. Kātahi ka menemene a Kingi Kānaka, ā, mā te tohu kotahi, ka memeha haere ngā mura me te mea kāore anō kia puta. Ka miharo a Sukdeva ki tāna i kite ai, ā, ka hoki anō ki tōna nohoanga, ka miharo, ka pōhēhē.

Hei whakamutunga, ka mea māriri te kīngi, "E tama Sukdeva, i tō kitenga i ahau i whakaaro koe he kīngi ahau e rumakina ana e ngā mea o te ao, engari tirohia koe! I whakarērea e koe te Atua Kaha Rawa me te Atua Tiaki hei tiaki i ō pukapuka, i ahau ia kāore i aro ki tōku kingitanga me tōku whare rangatira e mura ana. I mahi te Atua i tēnei merekara hei whakaatu ki a koe ahakoa tō noho pōuri i te ao, he nui ake tō piri ki ō pukapuka i tō te Atua, ā, he nui ake tō piri ki tōku kingitanga, ahakoa e noho ana ahau i te ao, ehara i te noho mokemoke me te noho whare tapu."

I whakama a Sukdeva, ā, i taua wā anō ka mōhio ia ko tēnei kīngi tapu - ehara i te mea ko tētahi atu - tōna kaiārahi wairua.

Kātahi ka tono a Kingi Ganakka kia whakamātauria a Sukdeva ki te whakaako i a ia ki te toi o te noho i te ao me te kore e taka ki roto i ōna mahanga, me te kore hoki e herea e ōna here. I tētahi rā, ka hoatu e te kingi ki a Sukdeva ētahi peihana e rua kua kī tonu i te hinu, ā, ka mea atu ki a ia: "Whakatakotoria he peihana ki ia ringa, ki ia ringa, ka tomo ki ngā rūma katoa o te whare kingi me ōna taonga papai, ka hoki mai ki ahau ina kite koe i ngā mea katoa o roto. Engari kia mahara, e kore ahau e whakaae ki a koe hei ākonga māku mēnā ka tukua e koe tētahi pata hinu kia taka ki runga i ngā whāriki."

I tono te kingi kia haere tahi rāua ko Sukdeva me ana kaitiaki tokorua.

He tino uaua taua whakamātautau, engari i muri i ngā haora e rua, ka toa a Sukhdeva. Kāore ia i tuku i tētahi pata hinu kia maringi mai i ngā peihana e rua e puea ake ana i roto i ōna ringa e totoro ana.

Ka mea te kīngi ki a ia, "E Sokdeeva, kōrerotia mai ngā taipitopito o ia rūma o te whare kingi."

"E te Ariki," te whakahoki a Sukdeva, "i tino aro atu taku hinengaro ki te ārai i te hinu kia maringi ki runga i ngā whāriki, nō reira kāore au i kite i tētahi atu mea i roto i te whare kingi."

Ka whakahoki te kīngi, "Kua whakapōrearea ahau e koe, e Sukdeva! Kāore koe i eke ki taku whakamātautau. I tono atu ahau kia tirohia e koe ngā mea katoa i roto i ngā rūma o te whare kingi, ā, i taua wā anō kaua e tukua kia maringi tetahi pata hinu mai i ngā peihana e rua. Hoki atu, ngana anō, ka haere mai ki ahau ina oti koe, ka kōrero mai i tāu i kite ai."

Tekau hāora i muri mai, ka hoki marie mai a Sukhdeva. Kāore ia i maringi he hinu, kāore hoki i werawera, kāore hoki i oho pērā i mua. I taea hoki e ia te whakautu i ngā pātai a te kīngi mō ngā mea kei roto i te whare kingi, me te whakaahua i ngā taipitopito o ngā rūma me te tino tika.

I harikoa a Kingi Kānaka ki te angitu o Sukdeva i te whakamātautau, ā, ka mea ia me te reo mārie:

"E taku tama, ko te piri ki ngā taonga, ehara i te mea ko ngā taonga tonu, te pūtake o te mamae."

E Sukhdeva, i tēnei ao, kāore ā tātou taonga; kua homai he mea ki a tātou hei whakamahi mā tātou i a tātou e noho poto ana i runga i tēnei whenua, he nui ake ā tātou mea hei whakamahi i ētahi atu, engari kia mahara ko te hunga whai rawa me te hunga rawakore ka mahue ngā mea katoa ina tae ki te wā e wehe atu ai. Kaua te tangata e noho pōrearea, e whakaaro ana ki te Atua anake, e wareware ana ki ā rātou mahi o te

ao, pērā i te arotahi i tō hinengaro ki te hinu, me te kore e kite i ngā mea o roto o te whare kingi. Engari i tō haerenga tuarua, i aro nui koe ki te hinu, engari i taua wā anō i kite koe i ngā mea katoa o roto i te whare kingi, ā, i mimiti i ngā taipitopito pai rawa atu. Waihoki, me pupuri tō hinengaro kia piri ki te Atua, kua e tukua te hinu o te whakaaro nui kia maringi mai i te oko o tō hinengaro, ā, i taua wā anō kia kaha ki te mahi i te mea tika, me te mahi pai hei āwhina i a koe anō me te hunga kua tukuna mai e te Atua ki roto i tō tiaki.

Kia tau te rangimārie ki a koe

He tīmatanga, he mutunga rānei te mate?

I roto i ngā tau me ngā marama, i rapua e au tētahi rangahau hohonu, tonu, tae noa ki te wā i mōhio ai ahau ki te mea ngaro o te ora me te mate, me te mea hoki ka hoki ngā wairua ki te ao tūroa i muri i te wehenga atu i ō rātou tinana tawhito.

Ki te nuinga o te tangata, he whakaaro noa iho tēnei, he whakapono noa iho rānei nā te kore o ngā taunakitanga. Engari kāore au e kōrero ana i runga i te whakapono noa iho; kua kitea e au ngā taunakitanga o te ora i muri i te mate me te whānautanga anō. Nō reira, ka taea e au te whakaū i tēnei meka mai i aku ake wheako.

Ahakoia e titiro ana te tangata ki te mate me te wehi me te pouri, ko te hunga kua riro i mua i a tātou ki aua ao harikoa e whakaaro ana ko te mate he wheako whakamiharo o te harikoa, te rangimārie, me te herekoretanga.

**Kātahi te ataahua o te oranga i muri i te mate!
Kāore he take ki te amo i tēnei paihere wheua
taumaha me ōna mamae me ngā raruraru katoa e pā
ana. Kei te mau tonu te hinengaro o ngā wairua i te
ao wairua, ā, kei te harikoa rātou i tō rātou
herekoretanga mai i ngā herenga tinana, rauemi
katoa.**

**I te matenga, ka wareware te tangata ki ngā
herenga o te tinana, ā, ka mōhio ki te tino
herekoretanga o te tinana. Ka puta he kare ā-roto o
te wehi mō ētahi hēkona: te wehi ki te mea kāore i te
mōhiotia, te wehi ki tētahi mea kāore i te mōhiotia e
te hinengaro tangata. Engari kātahi ka wheako te
wairua i te mōhiotanga hohonu me te harikoa nui i te
wāteatanga mai i ngā here katoa, inā koa te kare ā-
roto o te noho i waho o te whare herehere tinana.**

**Kāore he mea e wehi ai, nā te mea, i te mea kāore
anō te tangata kia mate, e ora tonu ana ia, ā, ina
mate ia, ko te mutunga tēnei, ā, kāore he mea e wehi
ai.**

**He wheako noa te mate: he huringa e pā ana ki te
tangata katoa. Kia whakamarietia tātou e te meka e
pā ana te mate ki te katoa, ā, he wā okiokinga tēnei i
ngā taumahatanga me ngā āwangawanga o te ao.**

**He wheako ahuareka te mate, engari kaua e
hiahia kia puta mai i ngā akoranga uaua o te ao. He
hapa te mawhiti. Ahakoa ngā āhuatanga o te tangata
i runga i tēnei ao, me anga atu ki aua āhuatanga me
te maia. Ina angitu te tangata ki te aro atu ki ngā
wero o te ao, ka waiho te mate hei utu tika.**

**Ehara te mate i te mutunga, engari he
whakaoranga rangitahi i tukuna e te ture atua o te**

tika (karma) ki ngā wairua ina mahi pai rātou i ā rātou mahi, ina pau rānei te kaha o te mamae, ā, kāore e taea e rātou te ora me te haere tonu i tō rātou ara.

Ki te hunga e mamae ana (me te hunga e whakaaroaro ana), ko te mate he tukunga i ngā mamae o te tinana ki te āhua o te marino, te ara ake, me te rangimārie. Ki te hunga kaumātua, he penihana tika tēnei i whiwhihia i roto i ngā tau maha o te mahi tonu me te pakanga. Ki te katoa, he okiokinga pai. Engari i roto i tēnei okiokinga, ka ara ake ngā hiahia moe kāore i tutuki i te wā o te ao, ā, ka hiahia te wairua ki te whakatutuki i aua hiahia. Ina kaha ake ēnei hiahia, ka hoki te wairua ki te whenua, ā, ka whānau anō.

Ko tō tātou wairua tūturu, ko tō tātou āhua tūturu, he mea ora tonu. Tērā pea ka moe tātou mō tētahi wā nā te huringa e kiia nei ko te mate, engari e kore rawa e ngaro tō tātou tuakiri tūturu. Kei te ora tonu tātou, ā, he mea ora tonu tō tātou. Ka tae mai te ngaru ki uta, ka hoki anō ki te moana, kāore e ngaro tōna āhua tūturu; engari, ka hanumi ki te moana, ka hoki anō rānei hei ngaru anō.

I puta mai te tinana i te moana nui, ā, ka mate, engari ko te mauri o te wairua e noho ana i roto i te tinana, e kore e mutu ake ake. Nā te mea e kore e taea te whakangaro i taua mauri atua.

He aha tātou ka tangi ai ina mate ō tātou whanaunga? Nā te mea e pouri ana tātou ki tō tātou matenga Mena kua wehe atu ō tātou whanaunga i a tātou ki te ako i ngā kura pai ake i ngā kura o te ao, me koa tātou mō rātou, kaua e pouri mō rātou. Mā te pouri mō ngā wairua kua wehe atu ka herea rātou ki te whenua e ngā taura o tō tātou pouri, ka aukati i tō

rātou ahunga whakamua ki ngā taumata teitei ake o ngā pae tawhiti mutunga kore a te Atua.

Ka tae mai te mate ki te hunga e kaha ana, e māia ana ki te mahi i te ao hei whakatairanga ki tētahi tūranga teitei ake. Ā, mō te hunga e hinga ana, ka tae mai hoki hei hoatu i tētahi whai wāhitanga hou ki a rātou i roto i tētahi taiao hou ki te ngana anō me te whakatutuki i te angitu.

Ko te hunga kāore i te mārama, e kite ana i te mate hei taiepa matotoru e huna ana i ō rātou hoa me ō rātou whanaunga ki muri. Engari ko te hunga e wātea ana i ngā here me ngā hiahia whaiaro, e aroha ana ki ētahi atu hei whakaaturanga tangata a te Atua, e mārama ana i roto i te matenga ka hoki ā rātou whanaunga ki te Atua ki te manawa i roto i Tōna whānui i ngā hau o te herekoretanga me te harikoa parakore.

Me tuku atu e tātou ngā whakaaro aroha ki te hunga kua mate, me te inoi ki te Atua kia homai he rangimārie me he whakamarie ki a rātou i roto i tō rātou ao hou. Ka taea tēnei mā te arotahi ki te pito i waenganui i ngā tukemata, me te tuku karere wairua ki ō tātou whanaunga i te ao wairua. Me tuku atu hoki e tātou ki a rātou ngā whakaaro whakatenatena me te aroha. Ki te haere tonu ā tātou karere, ka tino rongo rātou i aua whakaaro, ka whakahoki mai hoki i ō tātou kare ā-roto. Nā te mea, ka whakaaro rātou ki a tātou, ka hiahia hoki ki a tātou, pērā i a rātou e koa ana i a tātou e mahara ana ki a rātou, e tuku karere aroha me te hiahia nui ki a rātou.

Ā, ka tae mai te rā e whakakotahi ai te Atua i te hunga e aroha ana tetahi ki tetahi, ā, ka mōhio tātou ehara i te mea ko tēnei oranga tangata anake, engari

**he hononga noa iho i te mekameka o te
whanaungatanga mutunga kore me ō tātou hoa me ō
tātou whanaunga i tēnei ao me te ao e whai ake nei.**

Kia tau te rangimārie ki a koe

hua tika

**Ko te hinengaro te kaihanga, te auaha i ngā mea
katoa, nō reira me ārahi tika kia kore ai e waihanga i
ngā mea hou.**

**Ngā whakaaro me ngā mea pai anake. Ki te pupuri
tonu koe i tētahi whakaaro me te ngākau nui me te
whakapau kaha, ka tupu.**

**Ka kitea, ka kitea hoki tōna āhua ina taea e te
tangata te whakamahi i tōna hiahia mō ngā kaupapa**

**I a ia e whai hua ana, e whai hua ana hoki, ka
noho ko ia te rangatira o tōna ake ao.**

**E toru ngā huarahi nui hei whakakaha i tō kaha

**Te whiriwhiri i tētahi mahi, i tētahi umanga rānei

Angitu i roto i taua mahi, i taua umanga rānei

**Tuatahi, kia tino tutuki te mea kua whiriwhiria,
kātahī ka kaua e ngākau mārie i te wā e hinga ana.**

Me te korenga

**Te arotahi i ngā mahi ki tētahi whāinga kotahi, me
te whakamahi i ngā kaha me ngā whai wāhitanga
katoa e wātea ana hei whakatutuki i taua whāinga**

Koinā te whāinga

He mea tino nui kia whakarite tonu, i roto i te ngākau marino, ko te mea e hiahiatia ana, e whāia ana hoki e te tangata

Ko tana tono he mea pai mōna, ā, e ai ki te hiahia o te Atua. Kātahi ka taea e ia te whakamahi i tōna mana katoa.

Tōna hiahia ki te whakatutuki i tana whāinga, me te arotahi tonu ki te Atua, te pūtake o te mana katoa

Me ngā whakatutukitanga

Ka ngoikore te kaha o te ora e te wehi

He whare putunga nui te hinengaro tangata o te pūngao, o ngā mahi ora rānei.

Tōna whakamahinga tonu i roto i ngā nekehanga uaua me te mahi a te ngākau, ngā pukahukahu, me te diaphragm

Te pākia o ngā pūtau me ngā tauhohenga matū o te toto, me te mahi a ngā whekau tairongo

(Ngā io) Hei tāpiri, he nui te pūngao ora e pau ana i roto i

Whakaaro, kare ā-roto, me te hiahia

Ka ngoikore te mahi nui e te wehi. Ko tētahi o ngā hoariri nui o te hiahia kaha. Ko te wehi e ahu mai ana i

Mā te pēhi me te aukati i te mahi o te ora e rere noa ana ki ngā io, ka puta te āhua nei

Kua pararutiki, ā, ka ngoikore te tinana, ka tino heke te kaha me te hiranga o te ora.

Kāore te wehi e āwhina i a koe ki te whakakore i te pūtake o tō wehi; ka ngoikore te hiahia, ka nui rawa hoki te whakaohoho i te roro.

Hei tuku i tētahi tohu ārai ki ngā whekau o te tinana Ka mau te wehi i te ngākau, ka whakararu i te tukanga

He maha ngā raruraru tinana ka pā mai i te nakunaku Ina aro tonu te hinengaro ki te Atua

Kāore mātou e wehi i tetahi mea, ā, ka taea e mātou te wikitoria i ngā arai me ngā ārai katoa me te maia me te whakapono.

Ko te hiahia he hiahia kāore i te kaha. Ko te whāinga ko te whakatau ki te mahi i tetahi mea: ki te whakatutuki i tetahi hiahia, i tetahi mea rānei.

Ko te hiahia, i tētahi atu taha, ka taea te whakapuaki mā te kī: "Ka mahi tonu ahau me te kore e ngenge kia tutuki rā anō taku e hiahia ana"

"E hiahia ana ahau" Ina whakangungu te tangata i tōna hiahia, ka taea e ia te tuku i ngā kaha o te mahi nui

Me te ārahi i a ia, kua e hiahia noa ki tētahi mea me te kore e mahi i ngā mea e tika ana

Hei whiwhi i taua mea

I muri i te korenga o ngā mahi hou, ka puta te tipu tūturu

Ahako te korenga e angitu, me noho hei whakakorikori mō te kaha o te ngākau, mō te tipu tinana me te wairua.

Mō tētahi kaupapa, he mea pai te tātari i ngā āhuatanga katoa, ngā āhuatanga me ngā āhuatanga e tika ana hei whakakore i aua āhuatanga.

Te whakakore rawa i te tūponotanga o te whakahokinga anō i ngā hapa ōrite ā muri ake nei Ko te whakakore i te kore angitu te huarahi tino tika

Ā, ko te wā tino momona mō te rui i ngā purapura o te angitu

Ka pā mai pea ngā maru me ngā whara i ngā whiunga me ngā kuru i ngā āhuatanga, engari me noho marino te tangata.

Kia tika, kia ara ake ō tātou mahunga. Kaua e mutu te whakamātau, engari me whakamātau anō.

Haunga tēnā, ahakoa te maha o ngā wā ka hinga tātou, me kaha tātou ina whakaaro tātou he

Kāore he kaha o tātou ki te whawhai tonu, kia tae rā anō ki te wā e mōhio ai tātou i roto i tō tātou ngākau kua whakapau kaha tātou.

I whakapau kaha mātou, ā, ka whakapau kaha mātou kia angitu rā anō ā mātou mahi

Me u tonu tātou ki te pakanga o te ao tae noa ki te mutunga, me te whakamahi i tō tātou kaha nui

Te wikitoria i ngā uauatanga katoa o te ao

Ko ngā mahi hou i muri i te korenga e arahi ana ki te tipu tūturu, engari me whakarite me te whakakaha i aua mahi.

Me te aro nui me te kaha hihiri whai hua

Ahakoā kua hinga koe tae noa mai ki tēnei wā, he mea whakaarokore te mutu te whawhai me te whakaaro ko te hinganga he aituā

Ā, nā te mea i whakaritea, he pai ake kia mate te tangata i te whawhai i te mutu o te tohe i te mea kei a ia te wā.

Ka taea e ia te whakatutuki i ngā mea maha atu, nā te mea ka haere tonu āna mahi ki tētahi ao hou ahakoā kua mate ia.

Ko te angitu me te kore angitu he hua tika nō ngā mahi a te tangata i ngā wā o mua, hei tāpiri atu ki ngā mea kua mahia e ia

Kei te mahi ia i tēnei wā. Nō reira, me whakaoho ake ngā whakaaro o te angitu, me whakahou ake anō hoki i ngā āhua o mua.

Me te kaha me te hihiko kia taea ai te whakahaere i ngā whakaaro o te kore angitu i te ao o nāianei

Tērā pea he nui ake ngā uauatanga me ngā raruraru e pā ana ki te tangata angitu i ērā e pāngia ana e ētahi atu

I tūtaki te tangata kāore i angitu ki tēnā, engari i whakangungu te tangata tuatahi i a ia anō ki te whakakore i te whakaaro o te korenga.

Me te taipitopito i ngā wā katoa

Me neke te hinengaro mai i te pouri me te ngakaukore ki te wikitoria me te wikitoria, mai i te manukanuka ki te ata noho.

Mai i te pōhēhētanga hinengaro me te manukanuka hinengaro ki te arotahi hinengaro, mai i te pōhēhētanga me te raruraru

Ki te rangimārie, mai i te rangimārie ki te harikoa tapu wairua

Ina whiwhi koe i tēnei mōhiotanga ki a koe anō, kua karaunatia te kaupapa o tō oranga ki te angitu, ā, kua tutuki.

Kororia

Te hiahiatanga o te hinengaro

Mō te hunga e hiahia ana ki te angitu, ka tukuna atu e mātou ēnei tohutohu:

Ko tētahi atu mea ngaro ki te angitu ko te hinengaro. Ko te whakaaroaro hohonu he whakaata e taea ai e te tangata te kite.

Ka whakakitea ngā hōhonutanga huna o tō hinengaro, e kore nei e huna i a koe. Ngāna kia kitea ngā wāhi o te korenga.

Te wehewehe i waenga i ngā au me ngā hiahia pai me ngā au kino. Whakamahia te tātaritanga whaiaro kia marama ai koe ki tō tūnga inaianei.

He aha tāu e hiahia ana kia tutuki, ā, he aha ngā arai e ārai ana i a koe? Tautuhia te āhua o tāu mahi tuturu

Kia mōhio ki tō kaupapa i te ao. Kia kaha ki te pupuri i ngā āhuatanga katoa o te tuakiri pono.

Ā, ko te wahine rangatira, kāore e whakakorikoria e ngā kare ā-roto me ngā hiahia, me te pupuri tonu i tōna hinengaro kia rite ki te Atua

**Ka tere tonu tō ahunga whakamua, ka haumaru,
ka māia hoki koe i te ara e anga atu ana ki te whāinga
e hiahiatia ana e koe**

**Ko te whāinga matua ko te kimi i te ara ki te Atua.
Engari he mahi me he kawenga anō kei reira.**

**Me whakatutuki, me whakatutuki hoki ēnei mea i
tēnei ao. Mā te kaha o te ngākau me te whakaaro nui
e āwhina i a tātou.**

**Hei tautuhi i aua herenga me te whakatutuki i aua
herenga ki te taumata tino tika**

Te mana o te kaupapa auaha

**He aha te kaupapa auaha? He pūkenga auaha i
roto i te tangata: he mura mai i te kaihanga**

**Mā te mutunga kore ka taea te waihanga i tētahi
mea kāore anō kia hangaia e tētahi atu i mua, pērā i
tana tukunga mai**

**Te hihiri ki te mahi i ngā mea i roto i te huarahi
hou, auaha hoki Ngā whakatutukitanga a te tangata
whai wairua**

**Tērā pea he kaupapa kanapa, he mea
whakamiharo hoki, pērā i te whetu pupuhi, ā, te āhua
nei kei te waihanga i tētahi mea.**

**Mai i te kore, ka whakaatu ko te mea e ahua kore
e taea, he mea tino taea mā te whakamahi**

**Ko te tangata te kaha auaha nui rawa atu o te
wairua**

**Mā te wairua o te whakaaro nui me te auahatanga
ka taea e te tangata te tū ki runga i ōna waewae e
rua, te herekore me te motuhake;**

Ko tētahi o ngā āhuatanga o te angitu

Kei roto i te katoa te āhua o te Atua

He tokomaha te hunga e whakamārama ana i ō rātou ake ngoikoretanga, e whakahē tonu ana i ētahi atu. Me huri tēnei āhuatanga.

Ko te tūnga he wareware i ngā hapa o ētahi atu (kāore e kino ki te tangata) ā, me waiho ō tātou ake hapa ki raro i te...

Te karu hiko

He mea tika kia tātarihia ētahi atu i ētahi wā, engari i roto i tēnei āhuatanga, me pupuri ngā whakaaro o te tangata ki a ia anō.

Kore he whakaaro whakahāwea, he whakaaro tika, he whakaaro tōkeke hoki, he rite ki te whakaata.

Ko te whakaata mārama, kore e nekeneke, kāore e whakakorikoria e te whakahē tere, me ngā mea katoa e puta mai ana i roto i taua whakaata

Ka puta tōna āhua tūturu, kāore he whakapaipai, he whakapōturi rānei

Kia kite tātou i te āhua o te Atua i roto i ia tangata, ahakoa te iwi, te whakapono rānei. Ka reka te reka o te aroha.

Ko te tapu ko te wā e rongo ai tātou i tō tātou kotahitanga ki te tangata, kaua i mua i te mahi tahi

Ka wareware tātou ki te tangata iti (te ego) ka pā atu ki te tangata nui kotahi kāore he rohe, he here rānei.

Ki a ia: Ko te wairua atua e whakakotahi ana i ngā tāngata katoa, e whakakotahi ana hoki i a rātou

Ko ngā tikanga hinengaro e whakahaere ana i te oranga o te tangata

Kei ngā tikanga tangata te mana ki te whakatere, ki te whakaroa rānei i te angitu. Ehara i te mea he whakaohoho poto noa iho, he

Ko ngā whakaaro kanapa, ko ngā tikanga hinengaro o ia rā, e whakatau ana i te huarahi o ō tātou oranga

He aukume hinengaro ngā whanonga hinengaro e kukume ana i ētahi momo mea me ngā tāngata ki a tātou

Me ngā āhuatanga Mā ngā tikanga whakaaro pai ka taea e tātou te kukume mai i ngā whai wāhitanga pai me ngā whai hua, engari

Mā ngā whanonga hinengaro kino tātou e whakatata atu ai ki te hunga he āhua me he hiahia ā-ao ō rātou, me ngā āhuatanga kāore i te rite ki tēnā.

I tūtohutia

Ka taea te whakakore i ngā whanonga kino, me te whakakore i tō rātou kaha mā te karo i ngā mea katoa ka whakaoho i aua whanonga kino.

Me whakaora anō rānei, me te kore e aro tonu ki taua mea. Muri iho, me anga te hinengaro ki te tikanga.

Ko te atawhai me te mahi tonu ki te whakawhanake i tēnei mea kia noho hei wāhanga nui o ō tātou oranga, he mea ka taea e tātou te mahi.

Whakawhirinaki ki a ia, me te whakawhirinaki ki a ia

Kei roto i a tātou e rua ngā mana e whakahē ana i roto i tētahi pakanga mutunga kore: he mana e akiaki ana i a tātou ki te mahi i ngā mea kāore e tika ana kia mahia e tātou.

Ka mahia e mātou, ā, ka tūtohu mai ētahi atu ki a mātou me aha mātou, ngā mea e ahua nui ake ana

Uaua Ko te reo tuatahi te reo o te kino, ko te reo tuarua ia te reo o te pai, o te Atua rānei

Mā roto i ngā akoranga uaua o ia rā e akohia ana e tātou, ka kitea mārama e tātou ko ngā tikanga kino e whāngai ana i te rākau

Ko ngā hiahia mutunga kore mō ngā rauemi, ko ngā tikanga pai ia e whāngai ana i te rākau o ngā hiahia

Me ngā wawata wairua teitei Me aro nui ake ngā mahi ki te whanaketanga tika

Mō te rākau wairua tapu, kia taea ai e tātou te kokoti i ngā hua o te mātauranga whaiaro pakari i tētahi rā

Hiahia kai

Ki te taea e te tangata te whakawātea i a ia anō i ngā momo whanonga kino katoa, ā, ki te taea e ia te mahi i ngā mea katoa

Ko te pai, ko te rangatira, ko te aroha mā te rangatira me te atawhai, ehara i te mea nā te mea ka puta mai te pouri me te pōuri i te kino

Ka tipu tōna wairua, ka ahu whakamua i te ara

Ka herekore te tangata ina whakarērea e ia ōna whanonga kino, ā, mā te whiriwhiri anō hoki. Ka herekore noa iho rātou ina

Ka riro ia hei rangatira, ka taea e ia te whakahau i ōna kare ā-roto, ōna whakaaro, me tōna hiahia kia mahi i ngā mea e tika ana.

I taea e ia, ahakoa i whakahē i ana hiahia i roto i taua mana o te whakahaere i a ia anō me te whakahaere i a ia anō

Kei roto i a koe ngā purapura o te herekore mutunga kore

Kua whakahuatia e au ētahi āhuatanga nui o te angitu tae noa mai ki tēnei wā: te whakaaro pai, te ngākau hihiri,

Te tātaritanga hinengaro, te kaupapa matua, me te mana whakahaere. He maha ngā pukapuka e whakanui ana i tētahi, i ētahi rānei o ēnei

Nui atu i ēnei āhuatanga, engari kāore e whakaae ana ki te mana atua kei muri i ngā āhuatanga

Koinā te angitu. Ko te whakataurite ki te hiahia o te Atua te mea nui rawa atu hei whakatutuki i te angitu.

Ko te hiahia o te Atua te kaha e neke ai te whenua me ngā mea katoa i runga, me te ao whānui me ngā mea katoa i roto. Ko te hiahia o te Atua.

Ko te Atua te kaiwhakatere i ngā whetū i te wāhi, ā, ko tāna e pai ai te whakatakoto i ngā aorangi ki ō rātou ara.

Ā, ko ngā huringa o te whānautanga, te tipu, me te pirau e whakahaere ana i ngā momo ora katoa. Kia whakapaingia te Atua, kia whakapaingia hoki Tōna hiahia. Te hunga whakaaro nui, te hunga mōhio ki ngā mea katoa

Kia tau te rangimārie, te aroha me ngā manaakitanga o te Atua ki a koutou

te harikoa wairua

Ko te wheako tūturu o te harikoa wairua
Kua homai e te Atua ki a tātou te mana o te
whakaaweawe wairua: te kaha ki te wheako i te hari o Tōna
aroaro i roto i a tātou. Engari kua hangaia e ngā mana kino o
te ao ngā momo tinihanga me te tinihanga. Ko te harikoa
rangitahi o te waipiro me ngā tarukino he rūpahu o ngā
wheako wairua pono. Ko te whakamahinga o te waipiro me
ngā tarukino he maha ngā wā ka arahi ki te whakangawari i
ngā mahi moepuku e aukati ana i te whiwhinga o te
whakaaweawe wairua mā te whakawhāiti i te hinengaro me
.te mōhiotanga tinana kaha
He tokomaha te hunga e inu waipiro ana hei whakakore
i ngā āwangawanga me te muku i ngā maharatanga mamae,
whakararuraru. Engari ko tēnei momo warewaretanga ka
tango i te whakaaro nui wairua o te tangata—ae, ka tangohia
i a rātou te kaha tonu e āwhina ana i a rātou ki te wikitoria i
.ō rātou raruraru me te kimi i te harikoa pumau
Ko te Atua te pūtake o te hari me te harikoa, ā, e hiahia
ana ia kia rapua e tātou tana harikoa e whakahoutia tonutia
.ana, kia kitea hoki i roto i a tātou anō
Tērā tētahi mana tinihanga, he mana nui nō te ao tūroa
a Hātana – a Hātana, a Iblisi, te Anatikaraiti, te Anatikaraiti
rānei – e ngana tonu ana ki te whakararuraru i ngā
.whakaaturanga me ngā ariā ataahua katoa o tēnei ao

I roto i te hanganga, ka kite tātou i ngā mana takirua o
te pai me te kino e whakahē ana, e whakahē ana tetahi ki
tetahi: Nā te Atua i hanga te aroha, ā, nā te mana rewera i
hanga te mauahara Nā te Atua i hanga te atawhai me te
ngākau atawhai, ā, nā te mana rewera i hanga te hiahia
whaiaro me te aroha ki a ia anō Nā te Atua i hanga te
rangimārie me te rangimarie, ā, nā te mana rewera i hanga
.te ngangau me te pakanga

Mā te mōhio ki tēnei, me mārama te kaitono he tino kino
te waipiro me ngā raau taero ki tōna harikoa nā te mea ka
huna i te harikoa wairua pono, ka pakaru hoki ngā pūtau
roro, ka pā kino ki tōna hinengaro me tōna māramatanga.
Ahakoa te whakamahi kotahi i te waipiro, i te raau taero
rānei, ka arahi pea ki te waranga, inā koa mēnā he hiahia ki
ēnei matū kino mai i ngā oranga o mua. Me karo i ngā mea
.kino nā te mea he kino

Ina pā ki a koe te harikoa wairua pono, ka kitea e koe
kāore he wheako kē atu e taea te whakarite. Me whai tonu
ngā mātua ki te whakatō i te mōhiotanga wairua ki roto i ā
rātou tamariki mā te whakaako i a rātou ki te whakaaroaro
me te māramatanga mohio, kei taka rātou ki te
whakamatautauranga o te tākaro ki ngā ahi o ngā ahuaireka
.tinihanga me ngā ahuaireka teka

He mutunga kore te harikoa tuturu. Engari he poto noa
ngā ahuaireka e puta mai ana i te waipiro me te tarukino, ā,
.ko te pouri me ngā kare ā-roto whakangaro anake e toe ana
I ia pō, i a tātou e moe marino ana, e okioki ana, ka pā
mai te reka o te rangimārie me te harikoa ki a tātou. Ina moe
hohonu tātou, ka tukua tātou e te Atua kia noho i roto i te
wairua marino, te wairua marino, e wareware ai tātou i ngā
āwangawanga me ngā manukanuka katoa o tēnei ao. I roto i
te whakaaroaro, ka taea e tātou te wheako i tēnei wairua
manaakitanga ahakoa i a tātou e ara ana, ā, ka pā mai he
.rangimārie ki tētahi taumata anō

Ina heke iho te hari atua, ka marino taku manawa, ka
rere taku wairua, ka pā ki te harikoa o te mano moe i te wā
kotahi, engari kāore au e ngaro i ōku māramatanga noa. Ko
tēnei wheako ao whānui he mea whakarite mā te hunga e
ruku hohonu ana ki te whakatutuki i te taumata teitei o te
.hinengaro

Ina kī tonu tō wairua i te harikoa nui o te Atua, ka
marino rawa te tinana, ka mutu te rere o te manawa, ka
marino ngā whakaaro, ā, ka memeha haere. Ka rongo te
tangata whakaaroaro i te pono o tōna wairua me tōna tata ki
te Kaihanga, nō reira ka inu ia i te harikoa atua, ka reka hoki
i te harikoa o te hari e kore e taea e te mano horopeta waina
.te whakarato

Ka hiamoe te tangata noa i te rohe i waenga i te araara
me te moe, ka pāngia e te oranga mō te wā poto, engari ka
memeha haere tēnei kare i a rātou e moe hohonu ana. Ehara
te moe i te ngaronga o te māramatanga katoa nā te mea, i a
koe e araara ana, e mōhio ana koe mēnā i marino tō moe,
.kāore rānei

He maha ngā āhua o te moe—ko ētahi he māmā, ko
ētahi he hohonu. Engari ko ngā wheako wairua o te tangata
me te Atua i roto i te āhua mohio he nui ake te whakahihiri
me te whakahauora i te harikoa nui o te moe, o te moe pōuri
.rānei (te hiamoe, te moe rānei i mua i te moe)

Kei tua atu i ngā mea ngaro me ngā mea ngaro o te
moe kei roto ēnei hari tapu

Ka taea e au te noho i roto i tētahi āhua e hiahia ana
ahau. He maha tonu taku noho i waenganui i te ao o te moe
.me te mōhiotanga o te ao: i roto i tētahi āhua rangatira

He whānui, he mutunga kore te whānuitanga o te
hinengaro tangata, engari he maha ngā wā kāore e mōhiotia
ana e te tangata. Ka taea e au te wheako i ngā āhuatanga e
rua i te wā kotahi: te moe hōhonu me te ara tonu. Ka taea
rānei e au te moe, te moemoeā, me te whakarongo ki ngā
.mea katoa e tupu ana i te wā kotahi

I ētahi wā ka moe ahau pērā i te tangata noa. Ka taea hoki e au te moe me te mātakitaki i a au anō e tino mōhio ana. I te āhua teitei ake, kei te moe tō tinana me tō hinengaro, engari kei te tino mōhio koe ki ngā mea katoa e tupu ana. Ka taea anake tēnei mā te whakawhanake i te kaha ki te tomo ki te āhua teitei ake o te mōhiotanga me te .hoki ki te āhua o te ara ake

Kāore rawa he take e wehi ai koe ki te wehe atu i te tinana me te kore e taea te hoki mai mā te whakaaroaro, te rangimārie o roto, te whakaaro rānei. Kāore he pūtake o tēnei whakaaro, e whakatairangahia ana e ētahi. He tino kaha te piri ki te tinana, ā, he uaua ki te mawhiti atu. Ahakoa ka memeha haere te mōhiotanga, kāore e taea te wehe atu i te tinana katoa i te mea kei te hono tonu te hinengaro .papaku ki a ia

Ki te kaha rawa tō whakaaro ki tētahi mea, ka noho hei moemoeā noa iho taua mea, kāore he mooni whaiaro. Me mārama te rerekētanga i waenga i te whakaaro auaha me te mōhio ki a koe anō. Ko te tohu matua o te mōhio ki a koe anō—o te mōhiotanga o te Atua i roto i a koe—ko te tino .harikoa, me te kore mutunga

Ki te mea ka piki haere te harikoa me te haere tonu o te whakaaroaro, kia mōhio koe kei te kite koe i te aroaro o te Atua i roto i tō wairua. Heoi, ki te mea he wā okioki, he wā whakaroa rānei i te rere o te harikoa tapu, he tohu tēnei mō tētahi āhuatanga ke i roto i tō hinengaro me whakakore kia .whakahokia mai ai te harikoa o roto

Kotahi te hiahia o te kaiako wairua, e mōhio pono ana ki te Atua: kia tuku tohutohu wairua ki te hunga e rapu ana, kia whakatenatena i a rātou kia whakaaro ki te Atua, kia whakatata atu ki a ia i roto i te ngākau, te wairua, te hinengaro, me te mahi. Ko te hunga katoa e hono ana ki a ia ka whiwhi i ngā manaakitanga a te Atua mā roto i a ia, he taputapu whakaiti noa iho hoki ia i roto i ngā ringa o te Atua .Kaha Rawa

Kāore e taea e te tangata te noho ki te Atua mā te
whakaaro noa kua eke ia ki te māramatanga wairua. Ko te
whakapai ake i a ia anō me te whakatikatika i ngā tikanga he
mea nui hei whakatutuki i ngā taumata teitei ake. He
rerekētanga nui i waenga i te mōhio ki te Atua i roto i te
huarahi e taea ai, me te mōhio ki a ia i roto i te huarahi
tūturu. Mā te ngākau mahaki, te whakaaro nui, te pono, te
ngākau pai, me te hiahia nui anake ka taea e te tangata te
mōhio pono ki te Atua. Ko te hunga ngākau mahaki ka mōhio
.ki te Atua, ā, ka whakaaetia e te Atua
Ko te hunga e ruku hohonu ana ki te hinengaro o te ao
ka whakawhanake i ngā pūkenga wairua whakamiharo me te
whakahaere i ngā kaha o te taiao. Heoi, kāore tetahi e
whiwhi ana i te hinengaro atua pono e whakamahi i ō rātou
mana hei whakapehapeha me te whakaatu, me te kore
.whakaaro nui, me te kore tupato
E mārama ana te hunga whakaaro nui ko te Atua anake
te kaiwhakahaere o te ao, ā, me te whakaiti, ka mihi rātou ki
.a ia mō ngā taonga whakamiharo kua homai e ia ki a rātou
Ehara ianei i te merekara ngā mea katoa o te ao? Ā,
ehara ianei i te merekara anō hoki te tangata, nā tōna ao
?anake

Ki te kore te tangata e makona ki ngā mea
whakamiharo katoa a te Atua, he aha rā te hunga tapu me
?mahi ai i ētahi atu merekara
Kāore te hunga tapu tika a te Atua e mahi i tetahi mea
ki te kore te Atua e tono mai kia mahia e rātou, ā, i ētahi wā
.he take ngaro, he uaua hoki ki te mārama
Māku e whakaatu mā te tauira te rerekētanga o te
.hinengaro teitei mai i te hinengaro huna
Ko te hinengaro teitei ko te āhua e taea ai e koe – i a
koe e ara ana, e moe ana, e tino mōhio ana – te whakaoho i
tetahi kare ā-roto i roto i te tinana mā te hiahia, me te kore
.he whakaohoho o waho

I te ao o te whakaaro pohewa (te ao moemoeā), ka taea
e koe te inu i tētahi kapu miraka wera, engari ka tukuna
tēnei wheako ki a koe. I te hinengaro teitei ake, ka taea e
koe te wheako i taua mea anō, i tētahi atu mea rānei, mā te
.hiahia hinengaro

Ki te kore e taea e te tangata te mahi i tēnā, kaua e
tinihanga i a ia anō ki te whakaaro kua eke ia ki ngā teitei o
te hinengaro teitei ake. Ahakoa te roa o te ara, ka tīmata te
haerenga kotahi mano maero i te hikoinga kotahi. Ā, i te
mea kei te noho hihiri tonu te tangata, kāore he arai e ārai i
.te whakatutukitanga o te whāinga e hiahiatia ana

E miriona ngā tāngata e maumahara ana ki ngā mea
whakamiharo o te hinengaro huna e puta ana i te wā e moe
ana. Engari i te āhua teitei ake, ka taea e koe te kite, te
mōhio rānei ki tāu e hiahia ana, ehara i te mea mā te
whakaaro noa, engari mā te ao tūturu, ka taea e au te noho i
tēnei tūru, ka neke i tōku hinengaro ki tētahi wāhi, ka kite i
.te mea e tupu ana i reira

I ētahi wā ka noho ngā ākonga i te hinengaro huna, ā, i
ētahi wā ka piki ake rātou ki te hinengaro teitei ake. Ā, he
tokoiti noa iho ka taea te neke atu i te hinengaro teitei ake,
me te whiwhi i te hinengaro ao: te ao o te wairua atua, kāore
.nei he pūtake, kāore hoki he take

I roto i te āhua o te mōhiotanga wairua parakore, kāore
e hiahiatia ana e te kairapu he whakaaro auaha i mua hei
wheako i ngā mea. Ina honoa rātou ki te mōhiotanga ao, ka
whānui, ka hanumi hoki tō rātou mōhiotanga ki ia ngota o te
ao, ka mōhio ki te ao katoa me ngā mea ora katoa. Ko tēnei
wheako he toronga mutunga kore o te mōhiotanga. Ko te
hunga e wheako ana i tēnei mōhiotanga ka rongu kei roto i
ngā muka o te tarutaru me ngā tihi maunga, tae atu ki roto i
.ia pūtau o ō rātou tinana me ia ngota i te wāhi

Engari kei tua atu i tēnā te hinengaro ao whānui
Ina taea e te tangata te rongu i tōna aroaro i roto i ngā
mea katoa o te ao

E mōhio ana hoki te harikoa ki ngā mea kei tua atu i te
ao tūroa
Ka honoa ki te hinengaro atua whānui. Kia tau te
.rangimārie ki a koe

Te māramatanga

Ko te māramatanga te huarahi e taea ai e tātou te kite i te ao o ngā Āhua, kāore e kitea e ngā kare ā-roto e rima, e te hinengaro rānei. He pono kei te puta te ao o ngā Āhua i roto, ā, mā roto hoki i te ao kare ā-roto, ā, he pono ko te mōhio ki te mea whakamutunga ko te mōhio ki te mea tuatahi, engari he rerekē te mōhiotanga ki ngā mea e rua.

Ka taea e tātou te mōhio ki te ao pūoro me ōna āhuatanga katoa mā te tirohanga pūoro, mā te whakaaro rānei anake? Kāore rawa. He mutunga kore ngā pono, ngā āhuatanga, ngā ture, me ngā whanaungatanga, i roto i te taiao me roto hoki i ō tātou tinana, e noho tonu ana hei pukapuka hiri me ngā mea ngaro mō te tangata. Nō reira, me pēhea tātou e mārama ai ki ngā ao wairua kei tua atu i ngā whakaaro me ngā tirohanga pūoro katoa?

Ka pupū ake te māramatanga, ka mahi i roto i te wairua, engari ko te whakaaro ka puta mai i waho. Mā te māramatanga tātou e tū kanohi ki te kanohi ki te pono, engari ko te whakaaro e homai he āhua ā-korekore o te pono.

E kite ana te māramatanga i te pono hei mea katoa nā te hononga rerekē, whakamiharo hoki (i waenganui i te pono me te pono), ko te hinengaro ia e mahi ana ki te wehewehe me te wawahi i te pono.

Kei ia tangata te mana o te māramatanga, pērā i a rātou he hinengaro. Ā, pērā i te whakaaro ka taea te whakangungu me te whakapai ake, ka taea hoki te whakatipu me te whakawhanake i te māramatanga. I roto i te māramatanga, e tino ōrite ana tātou ki te pono. Te ao o te harikoa , me te kotahitanga o te tokomaha) me ngā ture o roto e whakahaere ana i te ao wairua, ā, e rite ana hoki tātou ki te Atua.

Me pēhea tātou e mōhio ai ki tō tātou oranga? Mā roto i ngā kitenga ā-pūmanawa? Mā ō tātou kare ā-roto tātou e whakamōhio mai mō tō tātou oranga, e whakaatu mai ana hoki i te pūtake o tō tātou mōhiotanga ki te oranga? Kāore rawa. Kāore te kare ā-roto o te oranga e whakawhirinaki ana ki ngā kare ā-roto, e kore nei e taea te mōhio ā-hinengaro ki tetahi mea me te kore tātou e mārāma tuatahi kei roto tātou i te tukanga o te kare ā-roto tonu.

E whakaatu mai ana rānei te tirohanga ā-pāpāho me te tukanga whakaaro kei te ora tātou? Kāore rawa, nā te mea ko ngā raraunga o te hinengaro he mea hanga mai i ngā kare ā-pāpāho, ā, kāore e taea e rātou te whakaatu mai kei te ora tātou.

Kāore e taea e te mahi whakaaro te homai i te mōhiotanga ki te oranga nā te mea kei roto tonu i te tukanga whakaaro te oranga. Ina whakaritea tātou ki te ao o waho, ā, ka ngana ki te whakaaro, ki te whakatau rānei kei te ora tātou, kei roto tonu i te mahi whakaaro me te whakaaroaro te mōhiotanga ki te oranga. I te mea he iti noa ngā herenga o te whakaaro me te koretake o ngā kare ā-roto, me pēhea tātou e mōhio ai kei te ora tātou? Kei roto anake i te māramatanga o te wairua te whakautu. He whakaaturanga tēnei o te māramatanga. Ka hipa atu i te whakaaro me ngā kare ā-roto, kāore nei he oranga ki te kore he māramatanga.

He uaua te tautuhi i te māramatanga nā te mea he tata rawa ki a tātou katoa. Ka rongo tātou katoa i tēnei. Kāore ianei tātou e mōhio he aha te māramatanga o te ao tūroa? He tino mōhio, ā, kāore e taea te tautuhi. Ki te pātai koe ki tētahi me pēhea rātou e mōhio ai kei te ora rātou, e kore e taea e rātou te whakautu. E mōhio ana rātou, engari kāore e taea e rātou te tautuhi. Tērā pea ka ngana rātou ki te whakamārama me te whakapuaki, engari kāore e taea e ā rātou kupu te whakaatu i ō rātou kare ā-roto i roto i a rātou anō. Kei a te māramatanga tēnei kaha i roto i ōna āhua me ōna whakaaturanga katoa.

Ko te tikanga tuawhā, kua whakamāramahia i tētahi atu wāhi, e ahu mai ana i te māramatanga. Mā te aro nui atu ki tēnei tikanga, ka nui ake tō tātou mōhio ki te Atua.

Mā te māramatanga, ka mōhio te tangata ki te Atua, ā, ka whakatūria he hononga i waenga i ngā ao pūoro me ngā ao tino pai. Ko te mea whakamutunga ka kitea i roto, mā roto hoki i te ao pūoro. Kātahi ka memeha te awe o ngā pūoro, ka ngaro ngā whakaaro whakararuraru, ā, ka mōhio tātou ki te Atua—te pūtake o te harikoa—ā, ka puta ake i roto i a tātou te māramatanga ki te Kotahi me te Katoa i roto i te Kotahi. Koinei te māramatanga kei ngā poropiti, ngā tino tangata, me ngā tohunga o te ao.

Ko te tikanga tuatoru, arā, te tikanga whakaaroaro kua whakamāramahia i mua ake nei, ka haria tātou ki te ao o te māramatanga ina mahi mārire, mā te kaha hoki, engari he tikanga ā-korekore, ā, me nui ake te wā hei waihanga i roto i a tātou i ngā mea e puta ana mā te māramatanga tika, mā te mōhiotanga rānei.

Nō reira, mā te māramatanga ka taea e tātou te mōhio ki te Atua i roto i Ana whakaaturanga katoa

Kāore e taea e ō tātou kare ā-roto te whakaatu i a ia ki a tātou, nā te mea ko ōna āhua anake ka kitea e rātou. Kāore he hinengaro, he whakaaro rānei e taea te mōhio pono ki te Atua, nā te mea kāore e taea e te hinengaro te hipa i ngā mōhiohio me ngā raraunga o ngā kare ā-roto. Ka taea anake e ia te whakarite me te whakamārama i ngā kare ā-roto.

Ina kore ngā kare ā-roto e whakatata atu i a tātou ki te Atua, ka kore hoki te hinengaro e whakawhirinaki ki a rātou. Nō reira, me tahuri tātou ki te tirohanga ā-roto hei whakaatu i te Atua i roto i Tōna āhua tapu me Ana whakaaturanga kē atu.

Heoi anō, he maha ngā arai ki tēnei tirohanga ā-roto, pērā i te mate, te ngoikore o te hinengaro, te ruarua, te mangere, ngā wawata rauemi, ngā whakaaro hē, me te kore pumau. Ko ēnei arai he mea tuku iho, he mea whiwhi rānei mā te hononga ki ētahi atu. Ka taea te wikitoria i ō tātou hiahia tuku iho ki ngā mea kino me ngā mea hauora mā te kaha hinengaro, pērā i tā tātou wikitoria i te korenga me te pouri mā te kaha o te ngākau. Mā te kaha tika me te noho tahi me te hunga pai—te hunga pono ki te Atua—ka taea e tātou te hutia ake i ngā whanonga kino mai i te māra o te wairua, ka whakatō i ngā whanonga pai ki tō rātou wāhi.

Ki te kore tātou e haere tahi me te hunga kua kite, kua pā, kua mārama hoki ki te pono i roto i ō rātou oranga, tērā pea kāore tātou e mōhio he aha taua pono.

He mea tūturu te wairua rapu i roto i te katoa, ā, ko ia tangata o tēnei ao he kai rapu i te pono, koia tōna taonga tuku iho mutunga kore, ā, e rapu tonu ana ia i te pono, ahakoa he whakaaro nui, he wairangi rānei, kia kitea rā anō e ia, kia tino whakahokia mai rā anō.

Kāore anō kia roa rawa. Ka angitu te hunga e tohe ana, ā, ka tae te hunga e u tonu ana ki tā rātou ūnga!

Te tangata e kore e kitea

Kaiwhakaako Paramhansa Yogananda

Ko te whakaaro tonu mō te tangata he mea e kore e kitea e te kanohi tahanga he āhua koretake, he koretake hoki. E kitea ana tātou e tātou anō i ia rā hei mea tinana. Engari he maha ngā huarahi e whakakitea ai e tātou tō tātou āhua huna, tō tātou āhua matua.

Hei tauira, ki te katia ō kanohi, ka ngaro tō tinana i a koe. Nō reira, me pēhea koe e mōhio ai kei te ora koe? Ka rongo koe i te taumaha o tō tinana, ā, ka taea e koe te whakarongo, te hongiri, te reka, me te pā, engari ko koe anake i roto i te whakaaro me te kare ā-roto. He uho huna koe e huri haere ana ngā whakaaro maha. Whakatuwheratia ō kanohi. Ko te pātai: ko te āhua koe e kite ana koe, ko te āhua o roto rānei i pā ki a koe i mua tata nei me ō kanohi e katia ana?

Kāore te tangata e kitea ana i te mea nui rawa atu. Ko te wairua huna, te mea tino nui. I a koe e moe ana, kāore koe e mōhio ki te tangata e kitea ana, engari e mōhio ana koe ki a koe anō, nā te mea i te oho ake ka mōhio koe mēnā i marino, i okioki rānei tō moe. Nō reira, he tūturu tō wairua huna. Ki te kore tēnei tangata e kitea ana, kāore he tikanga, he hiranga rānei o tō ahua e kitea ana.

Ki te kore te tangata huna, kāore he tikanga o te tinana, pērā i te tūpāpaku mate, i te tinana pakari rānei

Ko te tangata huna, ko te tangata pono. Heoi, he mea whakamiharo, kāore te tangata e ngana ki te tātari i te āhua o tēnei tangata huna! Ko tō rātou aro katoa kei te aro ki te āhua tinana, e taea ai e rātou te pā atu me te kite. Nō reira, ka pau ō rātou ao me ō

rātou pō ki te tiaki i ō rātou tinana me ōna hiahia, me te kore e mutu ki te whakaaro ko te tangata ngaro o roto te mea pono.

Kei roto i te tinana tūturu he tinana mārama he rite tonu te āhua. Ahakoa kāore e kitea e te tangata, ko te takai aorangi, ko te takai ethereal rānei o te wairua.

Ko te hunga kua tapahia ō rātou maihao, e whakaaro ana me te mea kei reira tonu. E mōhio ana te hunga kua ngaro tetahi peka o te tinana ki tēnei kare ā-roto. He mea huna, he mea ora, he mea ora anō hoki kei roto i ngā okana katoa o te tinana. Kei muri i te ngākau tinana he ngākau huna, me te kore e taea e te ngākau kitea te patu. Kei te tangata ngā okana e kore e kitea o te tirohanga, te whakarongo, te roro, ngā wheua, me ngā io. Ko ēnei okana, arā, ngā kiko o te māramatanga me te mahi, e hanga ana i te tinana aorangi e kore e kitea o te tangata. He rite tonu te tinana aorangi, te tinana ora rānei ki te tinana tinana e kitea ana. Ko te rerekētanga, he tino ngawari tōna āhua kanapa, ora.

Ina pāngia te tinana e te hauātanga, kaua e whakapono kua ngaro te tirohanga, kua ngaro rānei te ringa. Kei te mau tonu ngā kanohi me ngā ringa e kore e kitea. Ahakoa kua pararutiki te ringa tinana, kāore te ringa e kore e kitea i te hauā. Kaua rawa e whakapono kei te pāngia ngā whekau e kore e kitea e te mate o ngā whekau tinana, nā te mea ka ārai ngā whakaaro kino i te rere o te kaha ora ki ngā whekau o te tinana.

Ka rere te iahiko mā roto i te waea. Ko tēhea te mea nui ake: te waea, te hiko rānei? Ko te waea he mea noa hei tuku i te hiko kia haere mā roto. Kāore te noho o te hiko e whakawhirinaki ana ki te waea.

Waihoki, ko te tinana he mea hei whakamahi mā te mea ngaro, arā, te wairua, kaua ki te taha kē.

Engari, e herea ana tēnei tangata huna ki te tinana! Ki te kore, ka taea e tātou te hikoi i runga i te wai, te rere i te wāhi, ka hoki ki te tinana.

He nui ake ngā tirohanga a te tinana wairua o te tangata i tōna hoa tinana. Kua hangaia e te tangata ngā mīhini, i ētahi wā, he pai ake i te tinana tinana, he maha ngā herenga e herea ana. Engari i te whanaketanga o tō mōhiotanga ki te tinana wairua, ka kitea e koe ka taea e ia te whakarongo ki ngā mea kāore e taea e te taringa te whakarongo, me te kite i ngā mea kāore e taea e te kanohi te kite. Ka taea hoki e ia te hongī, te reka, me te pā ki ngā mea kei tua atu i te ao o ngā kare ā-tinana.

He āwangawanga tonu te tangata, he hiahia nui ki te rama o te tinana, engari kāore i puta ake te whakaaro ki a rātou ki te rapu i taua hiko ngaro e whakamārama ana i taua rama.

Ko te tangata e kitea ana he mea tito mai i ngā huānga tekau mā ono: he matū ka taea te hoko mai i te māketē! He iti noa te uara o te tinana tinana i runga i ōna huānga. Kua tae ki te wā kia pai ake te māramatanga o te tangata ki te tangata e kore e kitea. Ko tēnei tangata huna ko ia kei a ia ngā pūkenga, ngā whakaaro, me ngā hoa, ko ia e aroha ana, e whakaaro ana, ā, ki te kore ia, ko ngā huānga matū anake i titoa mai ai te tinana te mea kei roto i te tinana.

Me anga whakaroto te rama o te hinengaro, kia matara atu i te tangata e mauheretia ana, e kitea ana.

Ka pāngia te tinana e te mamae o te tuara me ngā kōroke, ā, ka pirau haere, ka pirau hoki i te

kaumātuatanga. E tangi tonu ana, e aue ana, e hiahia ana ki tēnei, ki tēnā rānei.

Kāore e taea e te tangata e kitea ana te tu atu i te hinganga kino, te pakaru wheua, ā, i ētahi wā ka memenge noa i te werohanga o te titi iti.

Kāore he whara o te tangata e kore e kitea. He herekore ia, kāore he here. Ka taea e ia te whakakore i ngā raruraru me ngā whakarihariha katoa o te tinana.

Ko te tangata huna i roto i a tātou ko tō tātou tuakiri tūturu

Ko te mea ora e takoto ana i muri i ngā ngota o te tinana ko te wairua, kāore e rerekē, kāore e rerekē, ā, kāore e pāngia e te piki me te heke, e te whakangaromanga rānei.

Tērā pea ka whakaaro te tangata ko ia te tinana, engari ehara i te mea koia. Ka taea te rewa i tētahi wahi hukapapa, ka ngaro atu i te tirohanga mā te mimiti. Ka taea te huri i tēnei tukanga mā te whakatōtō i te mamaoa hei wai, kātahi ka whakatio anō i te wai hei totoka.

He kino ki te wairua te noho i roto i te mōhiotanga o te tinana tinana anake, nā te mea ka ngāwari te tinana ki ngā mamae o te mate, te whara, te hiakai, me te mate. Kaua tātou e whakapono he tinana kitea noa iho tātou, ka pirau, ka whakangaromia.

Kāore e taea te whakamate, te whara rānei i te tangata ngaro i roto i a tātou. Kaua ianei tātou e kaha ake te whai kia mārāma ki tō tātou āhua mutunga kore, kāore e mōhiotia?

Mā te whakanui ake i tō tātou mōhiotanga ki tēnei tuakiri huna, ka taea e tātou te whakahaere i te tangata e kitea ana, pērā i ngā rangatira nui. Ko te hunga e rongo ana i ō rātou mana tapu, e kite ana

hoki i te aroaro o te tangata huna, o roto, ka taea e rātou te wehe i a rātou anō i te mamae tinana, ahakoa kei roto te tangata e kitea ana i te pouri me te mōrearea.

He aha te ara hei whakatutuki i taua mana motuhake?

Me nui ake te wā e pau ana i roto i te marino o te whakaaroaro me te rangimārie. Tērā pea he āhua kāore e hiahiatia tēnei i te tīmatanga, nā te mea ko te noho me te mōhio ki te tinana me te nui rawa o te hononga ki ōna kare ā-roto ka uaua ki te whakaaro ki tētahi atu mea i tua atu i ngā raruraru mutunga kore, ngā hiahia me ngā matea o te tangata. Engari ka tuwhera he taha hou i roto i te hinengaro o te tangata ina whakaū te tangata i tōna tuakiri wairua, ā, ka whakapono ia ki a ia anō kua hangaia rātou i roto i te ahua parakore o te Atua, kāore e taea te whakangaro i tō rātou oranga i tētahi ara, ā, ko rātou te mea ngaro, te mea ora tonu.

Ko te tangata e kore e kitea, he mea hanga ki te ahua o te Atua, he herekore pērā i te wairua atua. Kei roto i te tangata e kitea ana ngā here me ngā raruraru katoa o te ao. Ina mōhio tātou ki ō tātou tinana, ka herea tātou e ōna herenga. Koia te take e ako ai ngā mea nunui i a tātou kia kati ō tātou kanohi, kia whakamahara i a tātou anō—mā te whakaaroaro ki te tangata huna—kāore tātou e herea e ngā āheinga tinana iti o te tinana.

He maha aku whakaū me te whakapono nui me te māia, "Kāore au e herea e tōku tinana. Ahakoa te wāhi e hiahia ana ahau ki te haere, kei reira tonu ahau"

Tērā pea ka mea koe, "He whakaaro noa iho tēnā." Engari he aha te whakaaro? Ko ngā mea katoa e kitea ana e koe i tō taha he whakaaro tūturu Kāore

e taea e koe te whakaaro i tētahi mea me te kore whakaaro. Kāore te whakaaro e kitea, engari māna e tūturu ai ngā mea katoa e kitea ana e tātou. Nō reira, ki te taea e koe te whakahaere i ō whakaaro, ka taea e koe te whakaatu i ngā mea katoa, ā, ka taea e koe te kite i ngā mea katoa mā te mana o tō arotahi hinengaro.

Ina arotahi nui, hohonu hoki tō hinengaro, ka taea e koe te kite mā te kanohi o tō hinengaro i tāu e whakaaro ana, me te mea nei kei te kite koe mā ō kanohi tūturu. Ka taea te huri i ngā whakaaro kāore e kitea hei wheako e kitea ana.

Ki te katia ō kanohi, e kore e taea e koe te kite i tō tinana, engari he tūturu tonu ki a koe. Nō reira, he aha koe i whakaaro ai he mea kore tūturu te tuakiri ngaro nā te mea kāore e taea e koe te kite?

I roto i te whakaaroaro ka titiro koe ki te pōuri i muri i ngā kanohi kua katia, ka arotahi tō hinengaro ki te tangata huna, ki te wairua rānei i roto i a koe.

Mā te whakamahi i te whakahaere i a koe anō me te tahuri i tō hinengaro ki roto i runga i ngā tikanga whakaaroaro pūtaiao e whakaratohia ana e tō kaiārahi wairua, ka tipu haere tō wairua. Ka hohonu ake ō whakaaroaro, ā, ko tō āhua kāore e kitea—te āhua wairua o te Atua i roto i a koe—ka noho hei mea tūturu ki a koe. I roto i tēnei oho harikoa o te mōhio ki a koe anō, ka noho hei mea kore tūturu te hinengaro tinana iti i mua he mea tūturu, ā, ka ako koe kua kitea e koe tō āhua tūturu, kore e taea te hinga, ā, kua mōhio koe ki tōna kotahitanga ki te Atua.

Ka kite anō koe i te herenga o te tangata e kore e kitea ki te tinana mā roto i ngā herenga e rite ana ki ngā taura hinengaro, kare ā-roto, me ngā hiahia mō ngā mea motuhake o te whenua.

Engari ina, mā te whakaaroaro hohonu, ka taea e koe te wetewete, te momotu rānei i aua mekameka, ka wātea koe, ā, ka mōhio koe ko koe te ahua o te Atua. Rapua te tangata e kore e kitea e mauheretia ana i roto i te ngahere o ngā kare ā-tinana me ngā kare ā-tinana.

Me i mōhio koe ki taua tangata ngaro, kotahi noa te wā, kua mōhio koe ko te tinana tūturu tōna anga o waho, ā, he tinana kanapa, he tinana hinengaro o roto hoki, ā, kua mōhio anō koe he tangata rerekē koe!

Arotahi ō whakaaro ki taua āhua kāore e kitea. He mānukanuka, he tinihanga te tangata e kitea ana. Ko te āhua o roto, o te āhua kāore e kitea, koia te mea pono. Ina mōhio koe ki tēnei, ka mōhio koe ehara koe i te kikokiko me te toto, engari ko te āhua huna kei tua atu i te pirau me te whakangaromanga.

He wairua koe, ā, kāore te wairua e mate! Kaua e whakaaro ko te urupā tō mutunga Ina mate te tinana, ka neke te wairua ki tētahi atu taumata o te oranga Kāore he mea e tino whakangaromia Ko te āhua taketake o te tinana kei te noho tonu i roto i te ao tūroa.

E whakaaro ana te tangata kua riro atu ā rātou whanaunga kua wehe atu mō ake tonu atu nā te mea kāore i a rātou te arotahi hinengaro ki te kite i a rātou i roto i ō rātou āhua mārama i te ao wairua e noho nei rātou. Whakaarohia tonutia ēnei pono, me te kī anō ki a koe anō—ki te hiahia koe ki ēnei take—"Ko ahau te hoahoa mārama a te Atua. He mure ore ahau, ā, e kopikopiko tonu ana i roto i te rangatiratanga o te Atua."

Ko koe taua mea ngaro e kore e taea e te mate te pā atu, e kore hoki e taea e te aituā te pā atu, ā, ka noho tonu koe pērā ake ake. Nō reira, he aha koe te mōhio ai ki tōu ora tonu ināianei?

Mā ō tātou kanohi tinana tātou e tinihanga, e whakaaro ai tātou he ao rua tēnei. Whakatuwheratia tō kanohi wairua, kia kite i tō āhua kāore e kitea. Ina tuwhera tō kanohi wairua i te wā marino o te wā marino o roto, ka kitea te mea ngaro.

Ina whakaaro koe, ina moemoeā, ina arotahi hōhonu, ko koe te tangata e huna ana i te tirohanga Ko taua tangata tūturu, ā, ko te tangata e kitea ana ko tōna atarangi noa iho.

**Wareware ki te atarangi, mahara ki te mea tūturu
Kia kotahi koe me te tangata kāore e kitea
Ko te ahua parakore o te Ariki o ngā mea hanga katoa!**

Kia tau te rangimārie ki a koe

Te whakauru i te hinengaro ao

Kāore e taea te whakatutuki i te māramatanga ao whānui mena he iti noa te wiri hinengaro, he iti noa rānei te manukanuka hinengaro. Ka tino whakapai ake ngā tikanga whakaaroaro pūtaiao i te kounga o te arotahi hinengaro, ā, ka whakarei ake i te kaha o te tangata ki te whakahaere i ōna whakaaro, ā, ka whakaora i a rātou i ngā tau maha o te kopikopiko kore hua i te ao o te kore mohio. Kāore mātou e whakakahore i te whai huatanga o te kore mohio hei putunga mahara, hei ao moe me ngā moemoeā. Heoi, ka taea e tēnei ao te arai i te whakaaroaro, ā, he mea kukume ki te hunga e ngāwari ana ki ngā wawata me ngā hiahia ki te hono atu ki te ao wairua mā te tomo ki te ao o ngā moemoeā auaha kāore he mooni, he uara wairua rānei, ā, kāore i te tino rerekē i ngā moemoeā noa i te pō. Hei tāpiri atu ki te whakapau kaha whaiaro, ka hiki ake ngā tikanga whakaaroaro

pūtaiao i te hinengaro ki tētahi āhua rangatira o te mōhio ki a ia anō me te noho tahi me te Atua.

Ko te mea me karo ko te ao e kī ana i ngā wheako tinihanga, whakaaro noa e pohehetia ana e ētahi he wheako wairua, engari ehara i te mea wairua. Kāore e taea te whakatutuki i ngā wheako wairua pono me te whakatutukitanga pono o te pono me te kore e arotahi te hinengaro ki te Atua. Ko te arotahi whakaaroaro he āhua o te mimiti katoa o te hinengaro me te marino o te hinengaro. Ko te āhua o te orange he nekehanga, ko te āhua ia o te wairua he marino, he kore neke. Nō reira, he mea nui te arotahi mō te rangimarie tapu. Ko ngā tikanga me ngā mahi toi o te arotahi me te whakaaroaro e whakaakona ana i roto i ngā akoranga o te mōhio ki a ia anō ka arahi ki te whakataurite katoa o te hinengaro tangata ki te hinengaro atua.

Ko te huarahi o te ao he kauwhau nui, he whakamahi hoki i te iti. Tērā pea ka rongo koe i tētahi kauhau mō te honi kia rau ngā wā, engari e kore e mōhiotia tōna reka kia reka rā anō. Waihoki, ko te uara pono o tētahi whakaakoranga ka taea anake te maioha mā te mahi. Me whakamahi, me te ora i ngā whakaakoranga a ngā poropiti me ngā tino tangata. Ko reira ka noho ko ō rātou pono hei pono mā tātou, ā, ka mōhio tātou ka taea te whakamātau me te whakaatu i te pono, ā, he mea whānui. Ina haere tātou i te māramatanga o te pono, ahakoa he aha ō tātou whakapono, ahakoa he aha ō tātou ara, ka manakohia e te Atua ā tātou mahi, ā, ka whakaurua tātou ki roto i āna i whiriwhiri ai.

Me haere te tangata i te ara o te pono me te ngākau pono me te u tonu. Kia mahara, e te kai rapu,

i roto i ngā miriona tāngata, he tokoiti noa iho e rapu pono ana i te Atua. Ahakoa i roto i aua kai rapu, he tokoiti noa iho e u tonu ana tae noa ki te mutunga. Engari ko te tangata e u tonu ana ki te ara ka mōhio ki te Atua. I te mea kei te Atua tonu ō rātou ngākau, ka tae rātou ki tā rātou whāinga e hiahiatia ana, ahakoa te maha o ngā wā ka hinga, ka hinga. I te mea he parakore ō rātou whakaaro, he ma hoki ō rātou kaupapa, kāore he mea e wehi ai rātou, kāore hoki e pouri.

Nō reira, me whakapau kaha tātou ki te whakaaroaro ki te Atua hei wheako ora i roto i ō tātou ao. He mea nui te pono o te whakapono, nā te mea ko te tinihanga noa ka whakanui ake i te whakapehapeha o te tangata, ka wehe atu hoki i a ia i tōna kaupapa tūturu.

Ko tāku tumanako kia noho te Atua Kaha Rawa ki te tūranga tuatahi i roto i ō koutou oranga, ā, e kore rawa koutou e wareware ki a ia, ahakoa mō tētahi wā poto. Kaua koutou e makona ki ngā ahua e poto o tēnei ao, engari me waiho te Atua hei wāhi tapu mā koutou, hei whāinga matua hoki mā koutou i te ao. Kei muri i te tinana iti nei ko te Tino Mutunga Kore. Kāore au e kōrero mō ngā mea wairua ki te kore au e rongo i te Atua kei ahau, ā, kei te tino ōrite ahau ki a ia. Ā, ina kōrero ahau i runga i taua mōhiotanga, e mōhio ana ahau kei roto i aku kupu te wairua o te pono, ā, ka rongo ngā kai rapu pono katoa i te pono o taku e kōrero nei.

Kei reira ētahi e whakapoauau ana i ngā meka me ngā mānukanuka, e tohe ana he pūrākau, he mānukanuka ngā meka, ā, ko ngā mānukanuka he meka, he mārama e tiaho ana i te pōuri.

He mea nui te kaha ki te arotahi i te ara wairua mō te ahunga whakamua me te tipu wairua. Ki te kore te arotahi hinengaro, e kore rawa e kitea te Atua. Me ako tātou ki te kati i ngā matapihi o te hinengaro kia kore ai e tomo mai ētahi atu reo me ngā mea whakararuraru o te ao.

Ina whakatikatikahia te hinengaro, ā, ina whakahāngaihia te wairua, ka tae ki tētahi hononga wheako, ā, ka rongo te kairapu i te aroaro atua. Kei te noho tonu te Atua me te tangata, ā, i ngā wāhi katoa, ā, ake tonu atu. Heoi, ko te kore e taea te kite i Tōna aroaro i ahu mai i te aro nui o te hinengaro ki ngā mea o te ao whānui. Ko te arotahi, te whakaaroaro rānei ki te Atua, te taputapu e āhei ai tātou ki te rongo i Tōna tata. Mō tēnei, ka maumahara tonu ngā Sufi, ka whakahua anō i te ingoa o te Atua (pēnei i te "Kāore he atua engari ko te Atua" me te "E te Ora, e te Whai-Katoa") tae noa ki te mimiti o tō rātou tinana katoa ki te tikanga. Kātahi ka ngāwari te neke o tō rātou hinengaro ki te taha wairua, ā, ka wheako rātou i ngā āhua o te harikoa wairua e rite ana ki ngā mea e pā ana ki ngā yogi i roto i te whakaaroaro hohonu. Kotahi te wheako wairua, ahakoa ngā huarahi rerekē hei whakatutuki.

Kāore te Atua i tawhiti atu i te tangata. Ko te tangata e āta wehe ana i a ia anō i te Atua mā roto i ōna whakaaro me āna mahi. Ina kite koe i te māramatanga wairua pono i roto i te whakaaroaro, ngana ki te hopu, kia rongo hoki kei roto koe i taua māramatanga: kotahi ki a ia. Ko te Atua te pūtake o taua māramatanga—māramatanga ki runga i te māramatanga. Ā, ka tata atu koe ki taua māramatanga manaakitanga, ka tata atu koe ki te Atua.

Ko tētahi tohu motuhake o te māramatanga atua ko tōna tirohanga e haere tahi ana me te kare ā-roto o te harikoa, o te harikoa rānei e horapa ana ki roto i ia ngota o ia pūtau o ia kiko o te tinana. Ehara tēnei kare ā-roto o te harikoa i te mea mānumanu; engari, he uaua ki ētahi te mau ki te kaha o te harikoa wairua nā te mea kāore te hinengaro me te tinana i taunga ki tēnei. Ko tēnei harikoa te whāinga matua, ā, ka manaakitia te hunga e whakamātau ana i tōna nekita, nā te mea kua inu rātou i te puna o te wai ora o te ora.

Ka nui ake te rangimārie i a koe e arotahi ana, ka hohonu ake, ka angitu ake hoki tā rātou whakaaroaro ki te Atua. Mehemea i whakatapua te wā e pau ana ki te pānui pukapuka wairua ki te whakaaroaro, ka nui ake te ahunga whakamua, i te hinengaro me te wairua. Ka whakaitihia e ngā kaiwhaiwhai pono te moe, ka whakatapua he haora ki te whakaaroaro nā te mea he rau ngā wā ka nui ake te whakahauora me te whakahauora i te moe.

Ki te kore e taea e te tangata te whakangāwari i ngā reo i roto i tōna hinengaro, e kore e taea e ia te tae atu ki te Atua. Koia te take i rapu piringa ai ngā poropiti me ngā hunga tapu i roto i ngā ana, i ngā maunga, i ngā ngahere. He hiahia nui kia rumakina tonutia koe ki te ata noho o roto mā te mahi arotahi me te whakaaroaro, kātahi ka kitea te rangimārie nui me te harikoa nui. E ai ki ngā tuhinga whakaaro nui:

Ko te tangata kua watea i ngā hiahia hou me te hiahia ki ngā taonga, e whakahaere ana i tōna ngākau me tōna hinengaro (ōna kare ā-roto me ōna whakaaro) ā, e rapu ana i tētahi wāhi marino, me

ngana tonu ia ki te hono atu ki te wairua o te ao whānui.

Me nui ake te mahi i te wā puku whakaaroaro i roto i ngā wāhi karakia me iti ake tā tātou kōrero, me nui ake te whakaaroaro. I a au e whakangungu ana i te wairua ki Īnia, kotahi noa te kauhau a taku kaiako, a Sri Yuktiswar, i ētahi wā. I te nuinga o te wā, ka noho puku mātou i tōna taha, me te aro nui.

Ehara i te mea ko te mātauranga tuhituhi anake te mātauranga a te kaiārahi wairua pono. Mai i a ia, ka taea e tātou te ako i te whakaaro nui me te mātauranga atua-kotahi nā te mea e mōhio ana ia, ā, e mōhio ana ia e mōhio ana ia, nā te mea e mōhio ana ia ki te pono i roto i a ia anō, ā, kāore ia i te pānui pukapuka noa iho.

E rua ngā wāhanga o te wāhi, arā, ko te hanganga o tētahi wāhanga o te wāhi, ā, ko te Atua anake i tētahi wāhanga, kāore he hanganga o te ao. Koia te ao pōuri ehara i te pōuri, te ao mārama kāore e kanapa. Kāore he rā e whiti, kāore he marama e whiti, kāore he ahi e mura ana, kei reira te nohoanga mutunga kore o te Atua.

E pā ana hoki tēnei takirua ki te hinengaro tangata. E rua ngā āhuatanga o te tangata: tētahi e kitea ana, tētahi e kore e kitea. Mēnā ka tuwhera ō kanohi, ka kite koe i te oranga tūturu, ka kite hoki i a koe anō i roto. Mēnā ka kati ō kanohi, kāore koe e kite i tetahi mea engari he korekore noa iho. Heoi anō, kei te tino kitea, kei te kaha tonu tō hinengaro. Mēnā, mā te whakaaroaro hohonu, ka taea e koe te uru atu ki te pōuri i muri i ō kanohi ka kati, ka kite koe i te māramatanga i puta mai ai ngā mea hanga katoa. I roto i te āhua o te harikoa wairua, ka whiti te

hinengaro i te māramatanga tūturu, ka tomo ki te ao o te hinengaro whānui, e noho ana i muri i ngā āhua me ngā āhuatanga katoa o te hanganga. Ka hipa atu tēnei hinengaro i ngā tirohanga katoa. Mō tōna mauri, tōna harikoa, me ngā āhua e pā ana ki a ia, he uaua ki te whakaahua tika i a rātou nā te mea nō tētahi taha wairua e kore e kitea e te tangata, ahakoa tōna pono me tōna oranga.

Kua homai e te Atua ki a tātou te whai wāhi ki te wheako, i roto i ō tātou hinengaro, i te huarahi tonu e mahi ai ngā ture e whakahaere ana i te ao whānui. Ka taea te whakarite i tēnei āhua hinengaro kore āhua, e kitea ana ahakoa kua kati ngā kanohi, ki te ao mutunga kore (te pōuri kāhore he pōuri) me (te mārama kāhore he whakamārama), kei reira te Atua e noho wehe ana i ngā āhua, ngā āhuatanga, me ngā takirua e tohu ana i tana hanganga tinana. I roto i tēnei whānuitanga mutunga kore o te mutunga kore i tua atu i te hanganga, ko te Atua anake e noho ana i roto i te hinengaro o te harikoa tino, e noho tonu ana, e mōhio ana, e whakahoutia ana. Kāore e taea te whakaahua me te whakataurite i tēnei hinengaro nā te mea he tino ahurei. I roto i tēnei ao o te mutunga kore, kei reira te Tino me te Mutunga Kore e noho rangatira ana, kāore he ao, he mea hanga rānei o tētahi momo. Engari i tērā taha o te wāhi, ka rongo te Atua i ngā mea katoa—ngā hanganga katoa—i roto i a ia anō.

Kei roto i te ao o te mea kāore e kitea te whare hanga o ngā ao tūroa. I kī tētahi tohunga whetū he tino mīharo te wāhi; e puta mai ana ngā mea katoa i reira, ā, ka memeha i roto. Nō reira, kei hea ngā ngota, ō rātou wāhanga, me ngā ao katoa e ngaro atu ana?

Ina he āhua ātaahua, he āhua whakawai te āhua o te ao, katia ō kanohi. Tirohia ki roto i a koe anō, whakaarohia te pūtake o te ora. Kāore pea koe e kite i tetahi mea, kāore hoki e rongu i tetahi mea, engari ko ngā mea katoa e kitea ana e ahu mai ana i taua pūtake kāore e kitea (Ā, ka tiaho te māramatanga i roto i te pōuri) (Te Māramatanga o ngā rangi me te whenua) Ki te titiro tonu koe ki te pōuri me te ata noho, me te hohonu o te aro, ka kitea e koe taua māramatanga nui. Kei tua atu hoki i te pōuri te mōhiotanga wairua, ā, kei tua atu i te pōuri ētahi atu ao (He maha ngā whare rangatira kei roto i te whare o tōku matua) (Ā, he pai ake te kāinga o te ao tūroa, ā, he kāinga pai rawa atu mō te hunga tika!)

Kei tua atu tonu o te wāhi te Hinengaro Ao. Kei tua atu i te hinengaro tangata te hinengaro o te Atua. Kua nui te kore mōhio ki tōna aroaro. Me whakaoho, me whakakorikori tātou i te pōuri mā te whakaaroaro, kua e mutu kia kitea rā anō ia. Kei reira, i roto i te Tino Mutunga Kore, ngā tirohanga maha, ngā kitenga o roto maha, me ngā otinga mō ngā raruraru katoa o te ao.

Ko ngā pono kua mārama ki ahau mā te whakaaroaro hohonu e whakaatu ana i ngā ture ā-tinana kua kitea i roto i ētahi atu huarahi e te pūtaiao. Ina katia ōku kanohi, ka kite ahau i ngā ia mārama o te ora e rere ana i roto i tōku tinana. Kua e whakaaro kei a koe anake i roto i te marino e pā ana ki a koe. Kei a koe te Atua, ā, kāore he take e whakaaro ai koe kāore ia. Kī tonu te hau i te puoro e kohia ana e ngā kaiwhiwhi. Waihoki ko te Atua, kei a tātou ia i ngā wā katoa o tō tātou oranga. Engari kia kite ai i Tōna aroaro, me mahi tātou i te whakaaroaro hohonu. Kua e tukua ō tātou kamo kia katia i te moe

i mua i te whiwhinga i tētahi tohu iti rawa kei a tātou te Atua; ko reira anake ka taea ai e tātou te moe marie me te ata noho. Ā, ko koe, e hiahia ana, e roa ana te hiahia, titiro matatau atu ki te pōuri kia kitea rā anō e koe ōna mea ngaro whakamiharo.

I tētahi wā, i a au e noho ana i roto i taku whare pukapuka i te whā o te ahiahi, ka ngaro whakarere taku manawa, ka mārō ōku waewae, ka kite ahau i ahau anō e kite ana i te tukanga o te mate. Ka wehe atu te manawa me te nekehanga i tōku tinana, engari i noho mataara tonu ahau. He wheako whakamiharo. I kite ahau i tōku tinana me te taiao katoa he whakaahua ao nekeneke i titoa mai i te māramatanga atua. Ā, ka karanga ahau me te harikoa, "Kāore he mate, e tōku Atua! He taiwhanga whakaahua nekeneke noa iho tēnei ao katoa!"

Tērā pea ka mea te rangatira e noho ana i runga i tōna tūru, i tōna torona rānei: "Ko ahau te rangatira e ngohengohe ana, e piko ana ōku upoko ki ahau." Engari kia tukua e te mate kia whiua taua rangatira ngohengohe ki tētahi o ōna whiunga whakamate, ā, ka noho ia hei mea o mua.

E hoa mā, ko te kīngi pono ko ia e aroha ana ki te Atua, e rongono ana i Tōna aroaro i roto i ngā mea katoa i hangaia, e manaaki ana i ētahi atu pērā i tana manaaki i a ia anō. Ahakoa te mate, e kore ia e matakū, e matakū rānei, nā te mea e kite ana ia i tēnei hei huarahi ki te rangatiratanga o te Atua (ka noho tonu rātou ki reira ake ake).

E toru ngā huarahi hei whakawhānui i te hinengaro tangata ki te hinengaro ao whānui. Ko te tuatahi ko te ara pāpori, arā, te whakakore i te hiahia whaiaro i roto i ō tātou wairua, me te tino rite ki te

āwhina i te tangata me te mahi ki te hunga e matea ana. Me pono, me te pono ki ō tātou hoa, me te aroha ki te hunga katoa kua homai e te Atua ki a tātou ngā whānau, kia taea ai e tātou te whakawhānui i ngā rohe o tō tātou hinengaro mā te whakaatu i te aroha pono ki ētahi atu me te mahi mā rātou. Ka ako tātou i te aroha me te patunga tapu mō ō tātou whanaunga i roto i te oranga whānau, ā, nō reira ka tutuki i a tātou ētahi whakawhānuitanga i roto i tō tātou hinengaro. Engari kāore i te rawaka. Ko te aroha e herea ana ki tētahi porowhita whaiti ka herea, ā, kāore e taea te whakawhānui. Ina kore e whai whakaaro, ka tipu tōna porowhita, ka whānui tōna whānuitanga. Me atawhai tēnei momo aroha, ā, me ngana tātou ki te hoatu ki te katoa te aroha kotahi e pā ana ki ō tātou whanaunga me ō tātou whanaunga, me te mahi mā ētahi atu pērā i tā tātou mahi mā tātou anō (e aroha ana te Atua ki te hunga e mahi pai ana). Koinei te ara pāpori hei whakatutuki i te hinengaro ao whānui—te ara o te mahi me te aroha.

E aroha ana te Atua ki a tātou, he whānau nui kotahi nō te ao whānui, ā, e tumanako ana ia kia aroha tātou tetahi ki tetahi. Ki te aroha tātou, ka harikoa tātou; ki te kore tātou e aroha, ka whiua tātou e te mamae me te pōuri.

Me huri te whakaaro o te ao. Ko tātou katoa tēnei nā te mea ko tō tātou āhua tūturu he mea hipoki i ngā mea katoa.

Ka kitea e au te harikoa i roto i te hoatu ki ētahi atu, ā, ka kite ahau i te harikoa nui rawa atu i roto i te kitenga i tō rātou harikoa. Ina aroha tātou ki ētahi atu, ka aroha hoki ki a rātou, ka kitea e tātou he whakautu mai ngā mea ora katoa ki a tātou. Kua

whakakitea mai e ngā poropiti me ngā tino tangata te ara ki te whakatutuki i te māramatanga o te ao. Koinei te huarahi e tika ai kia tukua e tātou te aroha, te mahi, me te atawhai.

He tangata harikoa te tangata whai māramatanga whānui. Kāore e herea ana tōna aroha ki te hunga torutoru, e ārai ana i te katoa i roto i tō rātou porowhita aroha me te atawhai. Koinei te huarahi e tika ai kia tirohia te ao katoa hei whānau mā tātou. Kei ahau tonu tēnei māramatanga, ā, ki taku whakaaro nōku te katoa. E aroha ana te tangata whai māramatanga whānui ki ngā tāngata katoa pērā i tōna aroha ki ō rātou tuakana, teina, mātua, me ngā hoa.

Ko te ara tuarua ki te hinengaro ao whānui ko te whakahaere i a koe anō. Kaua te tangata e taka ki te taumaha rawa. He pai te pārekareka ki ngā mea, engari kaua te ngākau me te wairua e piri ki aua mea. Ko te hunga e hiahia ana ki te whakawhānui i ngā rohe o ō rātou hinengaro me noho noa i roto i te whakaaro me te mahi, me atawhai, me ngāwari, me te ahuaareka, me whakahaere i a rātou anō, me te whakahaere i ō rātou hiahia, me te karo i te herekore ki ngā tikanga kino, me te mahi i runga i ō rātou whakaponotika, he mea tika i runga i te tikanga matatika me te tikanga. He mea nui kia whakatipu i te whakahaere i a koe anō me te neke atu i ngā āhuatanga takirua o te wera me te makariri, te harikoa me te pouri, te hauora me te mate kia eke ai ki te hinengaro ao whānui.

Me whakamanawanui tātou i ngā mea katoa me te kore e pōrearea, e whakararuraru hinengaro rānei. Ko te tangata kāore e herea ana ia ki ngā taura o tēnei

ao, e kore hoki e tukua ngā kare ā-roto kia rukea, kia whakararuraru rānei i tōna rangimārie wairua, kei a ia te māramatanga pono me te whakaaro nui hohonu. Ko te tuatoru o ngā tikanga ko te tikanga matakite. Me whakawātea te kairapu i a ia anō i ngā here o te tinana mā te whakaaroaro tika kia kite ai i ngā pae tawhiti o te hinengaro me te pā ki ō rātou whānuitanga. Ka tutuki tēnei mā te whakamarie i te awhiowhio o ngā whakaaro e pupuhi ana i te roto o te wairua, e hanga ana i ngā ngaru me ngā raruraru i roto. Ina memeha ngā whakaaro pōhēhē, ka marino te mata o te wai, ā, ka puta te rangi me ngā mea katoa i roto me te māramatanga me te parakore.

Ki te whakatakoto koe i tētahi pounamu wai kua hiritia ki roto i tētahi tāke wai, ka noho motuhake ngā mea o roto i te pounamu mai i te wai e karapoti ana. Engari ki te tangohia e koe te hiri, ka konatunatua te wai o roto i te pounamu ki te wai o roto i te tāke. Waihoki, ka wehea te Atua e te hunga noa i ō rātou oranga nā te mea kua āraia te oko o ō rātou hinengaro e te kuware. Engari kia huraina te hiri mā te whakaaroaro tika, ka wheako te kaiwhai i te rangimārie o te Atua i roto, i waho hoki o te tinana. Mā te whakaaroaro nui haere, ka tipu te rangimārie, ā, ka whakahoutia te harikoa wairua.

E karapotia ana te tangata e te Atua i ngā taha katoa, engari kāore rātou e kite i a ia. Kāore e taea e rātou te rongu i Tōna aroaro tūturu i roto i a rātou, me te taha hoki o rātou, ki te kore rātou e tango i te puru, i te arai rānei o te kuware, ā, ka rumakina ō rātou hinengaro ki roto i Tōna mōhiotanga tapu.

Ki te toremi te tangata i te moana o ngā hiahia o te ao, ka toremi ia; engari ki te toremi ia i te moana o te Atua, ka ora tonu ia, ake ake.

Ā, ina kitea e koutou te Atua, e aku hoa, ka rongo koutou i te ngākau mārie pono, pumau tonu.

Ahakoā te pakaru me te motu o ngā whanaungatanga tangata, e kore te Atua e whakarērea koe

Ahakoā ka whakarērea koe e te katoa, ka whakarērea koe, i te mea kei a koe te Atua, māu katoa ngā mea.

Kia tau te rangimārie, te aroha me ngā manaakitanga o te Atua ki a koutou

Yoga me ngā Tirohanga Teitei

Ko te Yoga he kohinga tikanga pūtaiao hei whakakotahi i te wairua tangata ki te Atua. Nō te Atua tātou, ā, me hoki tātou ki a Ia. Kua wehea tātou i a Ia, ā, me whakahoki mai anō tō tātou kotahitanga ki a Ia. E ako ana te Yoga i a tātou me pēhea te neke atu i te whakaaro pohehe o te wehenga me te whakatutuki i tō tātou kotahitanga ki te Atua. I tuhituhi te kaitito Ingarihi a Milton mō te wairua tangata me pēhea e taea ai e ia te whakahoki mai i tōna harikoa. Koinei te whāinga matua o te yoga: te whakahoki mai i te pararaiha ngaro o te hinengaro wairua, e mōhio ai te tangata ko ia te .Wairua Tapu i mua, ā, e mau tonu ana

Ko ngā pūtake pono o te whakapono me waiho hei pūtaiao ka taea e ngā kairapu katoa te whakamahi kia tae .atu ai ki te Atua kotahi. Ko te Yoga taua pūtaiao

He hiahia nui tēnei mō tētahi huarahi pūtaiao ake ki te whakapono. Nā ngā momo whakaakoranga pakari kua

wehewehea te tangata, ahakoa kāore e taea e te whare e
wehewehea ana te tu. Nō reira, ka taea anake te
whakatutuki i te kotahitanga o ngā momo whakapono me
ngā karakia ina whiwhi ngā akonga me ngā kaimahi o aua
karakia i te māramatanga pono o roto ki te Atua. Ko reira
anake ka whai whanaungatanga pono tātou i waenganui i te
.tangata i raro i te mana matua o te Atua

E kōrero ana ngā karakia nui katoa o te ao mō te
hiranga o te kimi i te Atua, me te whanaungatanga o te
tangata, ā, kei roto i ā rātou whakaakoranga ngā turanga
matatika me ngā mātāpono matatika. He aha rā te take e
rerekē ai, e wehewehe ai ēnei karakia? He whakaaro nui
matapo tēnei i roto i ngā hinengaro o te tangata. Kāore e
taea e tātou te tae atu ki te Atua mā te arotahi ki te pakari o
ngā whakaakoranga, engari mā te mōhiotanga tūturu ki te
wairua atua. Ina mārāma te tangata ki ngā pono o te ao
whānui e hanga ana i ngā turanga matua o ngā karakia
rerekē, ka ngaro ngā uauatanga katoa e pā ana ki te
whakaaro nui ki ngā karakia. Ko te katoa o te tangata he
whānau, he hunga e arohaina ana e au, nō reira e karakia
ana ahau ki te Atua i roto i ngā temepara katoa i hangaia hei
.whakahonore i a la

Me tīmata tātou ki te hanga i tētahi kotahitanga o te ao,
e whakatauirā ana i te ariā o te Temepara Whakapono Katoa
(te Temepara o ngā Whakapono Katoa), me te whakaute i
ngā whakapono katoa e karanga ana kia karakia ki te Atua, e
ārahi ana hoki i ō rātou akonga ki a la. Me hanga aua
temepara, e whakatapua ana ki te Atua kotahi, e karakiatia
ana e ngā whakapono katoa, ki ngā wāhi katoa, ā, e tohu
ana ahau ka tupu tēnei ā muri ake nei. Me wetewete ake
tonu atu te iwi o te Rawhiti me te Hauāuru—me te
whakangaro—i ngā arai whaiti, hangai i roto i ngā whare o te
Atua. I a te tangata e whiwhi ana i te mōhiotanga whaiaro

mā te yoga, ka mōhio rātou he aroha, he whiriwhiri katoa
.rātou nā te Atua

E kitea ana tēnei hononga wairua i roto i te hunga nunui
e mōhio ana ki a rātou anō. Kāore e taea e te matapo te
ārahi i te matapo. Ko te kaiako wairua anake e tino mōhio
ana ki te Atua ka taea te tuku pono i te mātauranga atua ki
ētahi atu. Hei whakahoki mai i te atuataanga o te tangata, me
whai kaiako mārama pērā. Ko te tangata e whai ana i te
kaiako pono, i te kaiārahi wairua rānei, ka rite ki a rātou, nā
te mea ka mahi te tangata mārama pērā ki te whakaara i te
ākonga ki te taumata o tōna ake mātauranga whaiaro. I taku
kitenga i taku kaiako whakaute, ka whakatau ahau ki te whai
i a ia i ngā huarahi katoa: ki te whakanoho i te Atua anake ki
runga i te torona o tōku ngākau, me te tohatoha i Ana
.manaakitanga ki ētahi atu

E mea ana te hunga whakaaro nui, kia whiwhi ai te
tangata i te mātauranga hōhonu, me arotahi tōna titiro, me
.aro hoki ki te kanohi wairua e mōhio ana ki ngā mea katoa

I roto i te arotahi hohonu, ka kōkō te rae o te tangata
ehara i te yogi. Ko tēnei tonu te pokapū o te arotahi me te
wāhi o te kanohi porohita, koinei hoki te matapihi ki te
māramatanga wairua. Koinei te "pōro karaihe" pono e titiro
atu ai te yogi ki roto hei mārama ki ngā mea ngaro o te ao.

Ko te hunga e tae atu ana ki te hohonutanga o tā rātou
arotahi ka taea te uru atu mā tēnei kanohi "tuatoru" ka kite i
te Atua. Nō reira, me whakawhanake e ngā kaiwhai o te
pono te kaha ki te tuku i ō rātou hinengaro me te tirohanga
mā tēnei kanohi tuatoru. Ko te mahi yoga ka āwhina i te
ākonga ki te whakatuwhera i te kanohi kotahi o te
.mōhiotanga ā-hinengaro

Kāore te māramatanga, te mōhiotanga tika rānei, e
whakawhirinaki ana ki tētahi mōhiotanga ā-pūmanawa. Koia te
take e kiia ai he pūkenga ā-pūmanawa (te ono o ngā

tikanga). Kei te katoa tēnei tikanga ā-pūmanawa, engari kāore te nuinga o te tangata e ngana ki te whakawhanake.

Heoi, kua pā ki te katoa tētahi wheako ā-pūmanawa. Tērā pea kei a rātou te whakaaro kei te tata te tupu o tētahi mea, ā, ka tupu tonu ahakoa te kore o tētahi taunakitanga ā-pūmanawa

He mea nui kia whakawhanakehia te māramatanga tika, te māramatanga ā-roto, te mōhiotanga whaiaro rānei, nā te mea ko te tangata e tino mōhio ana ki te Atua, e māia ana ia ki a ia anō. E mōhio ana rātou, ā, e mōhio ana rātou e mōhio ana rātou. Me tino mōhio tātou ki te aroaro o te Atua, pērā i te mōhio ki te reka o te piki, o te karepe rānei. I tīmata noa ahau ki te whakauru i ētahi atu ki te Atua i muri i te whakakitenga mai a taku kaiako i te araki te tino rangimarie ki a ia, ā, i muri i taku wheako i Tōna aroaro, me te mōhio ki .Tōna noho i roto i ahau

Kua roa te Hauāuru e aro nui ana ki te hanga whare karakia nui me ngā whare karakia nui mō te karakia, engari kāore i te maha ngā wā ka āwhina ēnei hanganga nunui, whakahīhī hoki i te hunga e rapu ana i te Atua kia kitea ia. I te Rawhiti, ko te arotahi ko te whakatipu i ngā tāngata whai mātauranga atua. Heoi, kāore i te wātea tonu ēnei tāngata mārama ki ngā kaiwhai wairua, nā te mea he maha tonu rātou e noho ana i ngā wāhi whakatārewatanga tawhiti me te motuhake. Nō reira, he mea nui ngā pokapū wairua, hei wāhi e taea ai e te tangata te wheako i te aroaro o te atua, ā, ka taea e ngā kaiako mārama te āwhina i a rātou i roto i tēnei. Me pēhea te whiwhi mātauranga atua mai i tētahi kaiako kāore e mōhio ki te Atua? I whakatenatena mai taku kaiako i ahau ki te hiranga o te mōhio ki te Atua i mua i te ngana ki te kōrero mōna ki ētahi atu, ā, e ki tonu ana tōku ngākau i te whakawhetai mō tana arataki. He pono, i kotahi !ia me te Atua

Me kite tuatahi te Atua i roto i te tinana, ā, me whakapai
ake ngā whakaaro o ia tangata rapu i ia rā, me te
whakatakoto ki runga i te aata o tōna wairua ngā putiputi
harakore, kakara o te aroha parakore, tapu. Ko te tangata e
kite ana i te Atua i roto, ka kite anō hoki i Tōna aroaro i roto i
ngā temepara katoa, i ngā whare karakia katoa, i ngā
mosque, i ngā wāhi tapu, me ngā huihuinga katoa e tomo
.atu ana rātou

Ka hurihia e te Yoga te whakapono ariā hei wheako mahi

Ko te aroha ki te Atua me te ngākau pono ko te tango i
te hinengaro mai i ngā kare ā-roto, me te tuku atu ki te Atua.

Me tuku te arotahi katoa o te tangata ki te Atua i roto i te
whakaaroaro. Me ako ia tangata e rapu ana i te Atua ki te
arotahi i ō rātou hinengaro. He karakia teka, ā, kāore e
manakohia e te Atua. E mea ana ngā kaiako yoga, kia kitea
ai te Atua, me rapu tuatahi te tangata i a ia me te hinengaro
.katoa me te arotahi katoa o te whakaaro

E kī ana ētahi he pai ake ngā tāngata o Īnia ki te mahi
yoga i ētahi atu, ā, ehara te yoga i te mea mō te katoa. He
teka tēnei. He tokomaha ngā tāngata o ēnei rā kei te tūnga
ki te mahi yoga nui atu i ngā tāngata o Īnia, nā te mea kua
whakaratohia e ngā whanaketanga pūtaiao he wā wātea nui
ki te tangata. Me whakamahi te Rawhiti i ngā hangarau
matatau o te Hauāuru kia māmā ake ai, kia whai hua ai hoki
te ao, ā, me ako te Hauāuru mai i te Rawhiti i ngā tikanga
mahi, tikanga matatika o te yoga kia kitea ai e te katoa tō
rātou ara ki te Atua. Ehara te yoga i te whakapono, engari he
pūtaiao whānui, mahi, me te whai mana e taea ai e tātou te
.kimi i te Atua

He mea mō te katoa te Yoga: mō te hunga o te Hauāuru,
mō te hunga o te Rawhiti anō hoki. Kāore e taea te kī kāore
te waea i te mea mō te Rawhiti nā te mea i hangaia i te
Hauāuru. Waihoki, ko ngā mahi yoga i whakawhanakehia i te

Rawhiti ehara i te mea motuhake ki te Rawhiti engari he mea
.mō te painga o te tangata katoa

Ahakoia i whānau mai te tangata ki Īnīa, ki hea atu rānei
o te ao, ka mate ia i tētahi rā. Engari ka taea e te tangata te
ngaro i a ia anō i roto i te Atua i ia rā, ahakoia he poto noa
.iho. Mā te Yoga te tikanga me te kaha ki te mahi pera

E noho ana te tangata i roto i te tinana, pērā i ngā
herehere i roto i te herehere, ā, ina pau ō rātou wā, ka
whakama rātou i te peinga atu. Ko te aroha ki te tinana he
aroha noa iho ki te herehere. Nā te mea kua taunga tātou ki
te noho i roto i te whare herehere tinana, kua wareware
tātou ki te tikanga o te herekoretanga tūturu. Kāore he take
mō te kore rapu herekore. He mea nui te kimi i a koe anō me
te mārama ki te āhua mutunga kore o te tangata. Mā te
.yoga e whakamārama te ara

Me piki anō te wairua ki te Atua

I mua i te hanganga o te ao whānui, i noho te hinengaro
whānui He aha te hinengaro whānui, te hinengaro ao whānui
rānei? Ko te Wairua Tino Pai, ko te Atua mutunga kore,
mutunga kore, e noho tonu ana, e mōhio ana, e whakahou
tonu ana i te harikoa, e huna ana i muri i ngā āhua, ngā
āhua, me ngā āhuatanga o te ao whānui katoa I te hanganga
o te ao, i puta te hinengaro ao whānui i roto i te ao rauemi
hei hinengaro wairua, te whakaata parakore o te hinengaro
me te hinengaro o te Atua, e noho ana, e huna ana i roto i
ngā mea hanga katoa I te hekenga o te hinengaro wairua ki
roto i te tinana o te tangata, ka noho hei wairua, hei
hinengaro rangatira rānei: he harikoa atua, e noho tonu ana,
e mōhio ana, e whakahou tonu ana, e noho takitahi ana i
roto i te hanganga tinana Ina honoa te wairua tangata ki te
tinana, ka puta hei hinengaro-whaiaro, hei ego rānei E
whakaako ana a Yoga me piki te wairua i te arawhata o te
hinengaro kia tae atu ai ki te wairua atua

Te mea ngaro ki te harikoa: te rongō i te aroaro o te

Atua

He tino pai te koa ki te ora; ko te harikoa pono kei roto i

te kore e piri ki tetahi mea Kia pai te kakara o te putiputi,
engari ngana ki te kite i te Atua i roto i taua mea Kua puritia

e au ōku kare ā-roto kia mataara tonu ai ahau, mā te
whakamahi i aua kare ā-roto, ka taea e au te whakaaro tonu

ki te Atua me te rongō i Tōna aroaro i roto i tōku ngākau "I
hangaia ōku kanohi kia kite i Tō ataahua i ngā wāhi katoa, e

te Ariki I hangaia ōku taringa kia rongō i Tō reo whānui" Ko
te yoga tēnā: te kotahitanga ki te Atua Kāore he take ki te

haere ki te ngahere ki te kimi i a Ia Ka herea tātou e ngā
tikanga o te ao ahakoa kei hea tātou tae noa ki te wā e

wetekina ai tātou i a rātou E mōhio ana te yogi ki te kimi i te
Atua i roto i te ana o tōna ngākau Ahakoa kei hea ia e haere

ana, ka mauria e ia te mōhiotanga manaakitanga o te aroaro
atua

Kāore te tangata i heke noa ki te taumata o te
mōhiotanga ā-pāpāho, engari kua noho hei pononga hoki nā

ngā āhua rerekē o te mōhiotanga ā-pāpāho, pērā i te kakai,
te riri, me te hae. Me whakarērea e te tangata ēnei poke me

ngā hē kia kitea ai te Atua. Me wetekina ngā tāngata o te
Rawhiti me te Hauāuru i tēnei herenga ā-hinengaro. Tērā

pea ka riri te tangata noa nā te mea kāore i tukuna he
kawhe ki a rātou, me te whakaaro ka pāngia rātou e tēnei

.korenga! Ko te yogi tino tika he tangata kua wetekina

Kei te katoa te pūmanawa hei yogi ahakoa kei hea rātou

i tēnei wā. Engari e whakaaro ana tātou he mea rerekē, he
uaua hoki ki te whakatutuki tetahi mea kei tua atu i te pae

.tawhiti o ō tātou oranga me ngā tikanga o ia rā

Mā te mahi yoga ka herekoretia ētahi yogis e kawē te

wehenga me te noho whakatā ki ngā taumata teitei rawa
atu. E mea ana rātou me moe te tangata i runga i te moenga

whao me te kore e whakaohokia, ā, e whakahau ana rātou i ētahi atu momo whiu tinana kāore he pūtake i roto i ngā whakaakoranga Ihirama. He pono ko te tangata e taea te noho i runga i te moenga whao me te whakaaro tonu ki te Atua he nui tōna kaha hinengaro. Engari kāore e hiahiatia ana ēnei mahi whakamiharo; ka taea e te tangata te noho noa i runga i te tūru, i runga rānei i te moenga whakamarie, .me te whakaaroaro ki te Atua

E ai ki te tohunga yoga a Patanjali, ko te tū tinana e taea ai te pupuri i te tuaiwi kia tika, he pai mō te whakaaroaro, arā, te arotahi yoga ki te Atua. Kāore e hiahiatia te mahi i ngā takahurihi hei mahi i ngā mahi e hiahia ana ki te manawanui tinana me te ngāwari, pērā i te Hatha yoga. Ko te Atua te whāinga matua, ā, ko te rongoi i Tōna aroaro te mea e tika ana kia whai tātou kia tutuki. E mea ana te Bhagavad Gita: "Ko ia e tino uru ana ki te Atua, e rumakina ".ana ki roto i a ia, ko ia te mea tino taurite o te katoa

Kua whakaatu ngā yogi Inia i tō rātou ātete rawa ki te makariri me te wera nui, ki ngā ngau rānei a ngā waeroa me ētahi atu pepeke whakarihariha. Ehara ēnei āhuatanga i te mea e hiahiatia ana hei yogi, engari he āhuatanga tūturu o te tohunga pūkenga. Ngāna ki te whakakore, ki te manawanui rānei ki ngā āhuatanga kino mēnā e tika ana, me te kore e pāngia e te pouri hinengaro. Mēnā ka taea e te tangata te noho ma, kāore he take kia paru. Tērā pea ka rite te aroha o te tangata ki te noho i roto i tētahi whare iti ki te noho i roto i tētahi whare rangatira nui. Ko te mea nui rawa atu hei whakatutuki i te angitu wairua ko te uaua me te manawanui. He pono, he nui te kotinga, engari he tokoiti noa iho e pai ana ki te kokoti! E rapu ana te ao i ngā taonga me ngā manaakitanga a te Atua, engari e rapu ana te hunga .whakaaro nui i te Kaiwhakarato

Ko te tangata e hiahia ana kia noho hei yogi, me whakaaroaro. I te oho ake i te ata, kāore te yogi e whakaaro tuatahi ki te kai hei whāngai i tōna tinana, engari ka tukuna e ia ki tōna wairua te wai o te hononga atua. Ki tonu i te hihiri o te whakaaroaro hohonu, ka taea e ia te whakatutuki i ana mahi katoa o ia rā me te harikoa me te tumanako. Nā te Atua i hanga tēnei whenua kia rite ki tōna whakaaro. Ko tana mahere kia mahi te tangata ki te whakapai ake i te ao. Ko te hunga o te Hauāuru e anga whakamua ana ki te whai tonu i ngā mea hou me ngā mea kua whakapaitia, ko te hunga o te Rawhiti ia e anga whakamua ana ki te makona ki ā rātou mea. He mea e hiahiatia ana i roto i te wairua o te Hauāuru hihiri me te wairua o te Rawhiti āta whakaaro, ā, me kimi e .tātou he ara waenga i waenganui i ngā mea e rua

Ka hangaia e te whakaaroaro te yogi

Hei kimi i te Atua, me whakaaroaro te tangata i ia ata me te ahiahi, ā, i ngā wā katoa e taea ai i te awatea. Hei tāpiri, he mea nui kia whakatapua e te tangata e hiahia ana ki te whakaaroaro ētahi hāora i ia rā wiki ki te whakaaroaro. Ehara tēnei i te mea koretake. Ka whai tonu ētahi i ā rātou mahi whakangahau mō ngā hāora i ia rā, me te kore e ngenge, e hoha rānei. Ko te hunga e hiahia ana kia piki ake te wairua, me whakapau kaha ake ki te Atua. Me meinga e tātou te Atua kia rongohia te aroha tātou ki a ia i runga ake i ngā mea katoa. Ina matatau te tangata ki te whakaaroaro, ā, ka taea e ia te ruku ki te hinengaro teitei ake, kāore e neke atu i te rima hāora te moe e hiahiatia ana e ia i ia rā. Ka taea e te tangata te whakamahi i ētahi hāora o te pō, o te atatu, me ngā hararei hei whakaaroaro me te whakaaroaro ki te Atua. Pēnei, ka taea e te tangata, ahakoa te tangata tino pukumahi me te tino pukumahi, te noho hei yogi—mēnā e hiahia ana rātou—me te kore e mau i te potae, e whakaroa .rānei i ō rātou makawe

Ko ngā wāhi karakia ngā pūtau, ā, ko te honi te mōhiotanga pono he wairua te tangata, he kotahi ia me te Atua. He pono kei roto te Atua i ngā wāhi karakia katoa, engari kāore e ranea te haere noa ki aua wāhi tapu hei whakatenatena i te Atua kia whakakitea mai ia ia anō. He pai te haere pinepine ki ngā wāhi karakia, engari he pai ake te whakaaroaro i ia rā, ā, me mahi ngātahi ngā mea e rua nā te mea ka puta mai te hihiri i te haere ki ngā wāhi karakia, ko te whakaaroaro ia i ia rā ka arahi ki te ahunga whakamua wairua nui ake. Ina mura te ngākau o te kaitono, ā, ina inoi .ia i muri i te inoi, ka whakautua e te Atua tana karanga

He mea nui tēnei ngākau pono pumau hei kimi i a Ia. Hei yogi, hei pupuri hoki i te wairua me ngā tono o te wā, me whakaaroaro te tangata ki te kāinga, me whakahaere i a ia anō, me whakatutuki i ngā mahi katoa i runga i te aroha me te mahi ki te Atua. Ko taku hiahia nui ko te hanga temepara mō te Atua i roto i ngā wairua o te tangata, me te kite i te ataata kanapa o te Atua i runga i ō rātou mata. Ko te whakatutukitanga nui rawa atu o te ao ko te whakatapua e te tangata he temepara ki te Atua i roto i tōna ake wairua. Ka taea te whakatutuki ngāwari i tēnei, ā, koinei tonu te take i puta mai ai te mōhio ki a ia anō ki te ao. Ko te tangata e whakanoho ana i te Atua ki roto i tōna wairua he yogi ia, ā, ka taea e ia te kī tahi me ahau ko te yoga mō te Rawhiti, te Raki, te Tonga, me te Hauāuru. Mō ngā tāngata katoa, kāore he okotahi. Ko ngā ara whakapono he ara tuarua, ko te ara yoga te huarahi e arahi ana ki te whare o te harikoa atua, ā, .ina tae atu ki reira, e kore rawa e wehe atu

Kia tau te rangimārie ki a koe

ngā purapura wairua

Whakaakona ahau, e te Ariki, kia toa, kia maia, kia u tonu, kia manawanui, me te tupato, me te tūpato hoki.

Kei roto i tōku ngākau te Atua, kei te taha hoki o ahau, e tiaki ana, e mātakitaki ana i ahau. Nō reira, ka peia atu e ahau te pōuri o te wehi e huna ana i Tōna māramatanga ārahi i ahau, e meinga ana ahau kia hinga i roto i te pōuri o ngā hapa.

Ka rite tātou ki te hunga e noho tahi ana tātou, e whakahoahoa ana hoki, ehara i te mea mā te kōrero me te taunekeneke anake, engari mā roto hoki i ngā wiri aukume e kore e kitea e puta mai ana i a rātou. Ina uru tātou ki roto i tō rātou papa aukume, ka pāngia tātou e tō rātou aukume, kāore i te mōhiotia. Nō reira, he mea tino nui mō te hunga e hiahia ana ki te tipu wairua, kia whakahoahoa ki te hunga he hiahia wairua ō rātou, kia whakatenatenahia ai rātou, kia mau tonu ai tō rātou hihiri, kia poipoi ai hoki i tō rātou hiahia ki te Atua.

Ko te hunga whai māramatanga mārama ka kohi i ngā rōhi o te pono, ka mahi ki te whakamārama me te whakapaipai i ngā wairua ki ngā āhuatanga rangatira kia tomo ai ki te pararaiha o te whakaaro nui.

E te Ariki, he nui tōu aroha mō ngā mea katoa

Ahakoia e titiro mai ana te aroha o te ao whānui i ngā matapihi iti o te aroha tangata maha-āhua, i te wā tonu ka whakaaro koe kua kite koe i a ia, ka neke tonu, ka haere tonu kia kite rā anō koe i tōna āhua katoa mā te matapihi o tō hinengaro ao whānui.

He pai ake kia noho tahi tātou, kia kōrerohia ō tātou whakaaro me te hinengaro tuwhera, me te whakaute tetahi ki tetahi, me te maumahara kāore te hunga whakaaro nui e

tautohetohe engari e kōrero mārire ana, e whai whakaaro nui ana.

Me whakangungu te tangata i a ia anō me ōna whānau kia kaua e kōrero kino mō ētahi atu, kia kaua hoki e kōrero kino mō rātou, engari me arotahi ki te whakapai ake i a ia anō me te whakatika i ā rātou ake hapa. Kaua tātou e kino ki ētahi atu nā te mea he rerekē rātou i a tātou, nā te mea rānei he rerekē ō rātou whakaaro i a tātou, kaua hoki e tohe kia tika anake ō tātou ake whakapono.

E te puna o te aroha, tukua mātou kia rongu kua kī ō mātou ngākau, kua ngata hoki tō mātou matewai i te nui o tō aroha e rere tonu ana.

Me ako te tangata ki te whakarongo nui atu i te kōrero, ki te noho puku, me te pārekareka ki te noho tahi me ētahi atu

Ina arotahihia te hihi o te rā mā te karu whakanui ki tētahi pūwāhi iti, ka puta he wera, ā, ka taea e taua wera te mura i te rakau, te papanga, te pepa, me ētahi atu rauemi.

Waihoki, ina arotahi tika te hinengaro, ka taea e tōna kaha kua arotahi te tahu i ngā kino me ngā pūtake o te ruarua i muri i ia hinganga, ā, ka tiaho te māramatanga o te whakaaro nui me te kanapa me te kanapa.

Ina hono te hinengaro ki te Atua, te pūtake o ngā pai katoa, me te pūtake o ngā mana tapu katoa, ka mōhio ia ki te aroaro o te Atua, ā, kei a ia ngā āhuatanga katoa o te angitu. He hononga tata ēnei āhuatanga ki te mana nui o te Atua, e āhei ana ki te waihanga i ngā take hou me ngā whai wāhitanga mō te angitu i roto i ngā mara katoa.

Ina taka mai ngā anga o te mamae me te pōhēhē ki ahau, tukua ahau, e te Ariki, kia noho haumarū, kia tūpato hoki i roto i te pā kaha o tō aroaro tiaki.

Ko te aroha te himene a te ngākau e waiatatia ana e te wairua ki te Atua

Ka taea te whakamā i tōku matewai mau tonu mā tō pā manaakitanga ki tōku wairua, e mura ana i te hiahia nui ki a Koe. Kua marino te tupuhi o te ngakaukore, kua marino ngā hau o te kore tumanako, ā, kua whakamakukuhia e ngā pata o tō rangimārie ngā muka katoa o tōku wairua, e whakakī ana i tōku ngākau ki te ngākau harikoa, ā, ka waiatatia e au tōu ingoa manaakitanga.

E te Atua, meinga ahau hei manu o te pararaiha e pai ai ki te inu i ō puna whakaora e rere mai ana i ngā rangi o tō aroaro tapu rawa i ngā wāhi katoa.

Ka tae tuatahi mai te pono ki roto i ō tātou hinengaro, pērā i ngā pata tomairangi angiangi, mārama hoki [i runga i ngā rau rōhi]

Ahakoia te iti me te whakaiti o tō tūranga i roto i te ao, he rite tonu tōna hiranga ki te hiranga o ngā tūranga nui rawa atu e pā ana ki te whai wāhi atu ki te angitu o te tākaro.

Tukua ahau, e te Atua, kia titiro ki ngā ture o te ngākau pai, kaua e wehi, engari me te whakamarie me te aroha. Ā, kia mahara ahau ko te ngākau pai, e uaua ana ki te piri ki ōna mātāpono i te tīmatanga, ka waiho hei karauna o te harikoa me te ngākau māhaki ki runga i tōku mahunga ina whaihia ōna ture.

Āwhina mai i ahau, e te Ariki, kia kaua e wareware ki taua kino e whakaari ana i ētahi mea ahuareka me ngā mea

whakahari i te tīmatanga, ā, ka puta mai i muri i tēnā he nui te pouri me te mamae.

Me whakawhānui te aroha tangata, me whakawhanui hoki ki te aroha atua

E ngana ana te aroha atua ki te whakaatu i a ia anō i roto i ngā wairua tangata mā roto i ngā momo huarahi me ngā whakaaturanga o te aroha o te marena me te aroha o ngā mātua me te aroha o ngā hoa tetahi ki tetahi.

Ko ngā whanaungatanga maha, kanorau hoki i roto i ngā whānau me te hāpori, he mea nui ēnei hei pure i te aroha tangata mai i ngā poke, hei huri i taua aroha hei aroha wairua parakore.

Ngā Whakaū:

I te ata o ia rā, ka ringihia e ahau ki te hunga katoa e tūtaki ana ahau ki ngā ngaru o te hari

Ka waiho ahau hei hihi o te rā hinengaro ki te hunga katoa e whiti mai ana i tōku ara

Ka tahuna e au ngā rama ataata i roto i ngā ngākau o te hunga pouri me te hunga pōuri

Kāore mātou i whakaritea kia noho i te koraha o ngā hiahia koretake me te pōuri o ngā tumanako e memeha haere ana. Āwhina mai, e te Ariki, kia wahia e mātou ngā mekameka e here nei i a mātou, kia hanga hoki i tō mātou ara me te whakapau kaha, i roto i te koraha o ngā herenga, ki te whenua hou harikoa.

E te Ariki, tukua ahau kia rongo i tōu tata, kia rongo hoki i tōu aroaro i roto i te hohonutanga o ōku kare ā-roto, kia mōhio hoki ahau ko tōu whakaaro nui e tautoko ana i tōku māramatanga, ā, ko tōku ora he whakaaturanga o tōu ora ahurei, ahurei hoki.

He mate wairua te nanakia, ā, ko te tangata e uru ana ki
ngā mahi nanakia, ki ngā kare ā-roto rānei, ka pāngia ia e te
pouri, ka kino hoki tōna pūnaha io.

Ko te ngākau te pokapū o ngā kare ā-roto, kua hoki e
raweketia te ngākau o tētahi atu tangata

Ko te Atua tōku taonga pono, ā, e whai rawa ana ahau
nā roto i a ia

Mai i te pukapuka iti: Tūtohi Hinengaro

Ka taea te wheako i ngā kare ā-wairua mā te
whakangungu i te hinengaro kia pārekareka ki ngā painga o
ngā whakaaro ataahua i te ao huna i roto i te tangata.

E te Ariki, nā te aroha e pupū ake ana i ngā ngākau o te
tangata ahau i whakamatautau kia rapu i te pūtake o te
aroha parakore i roto i a Koe.

I roto i te marino o tōku wairua, ka piko whakaiti ahau ki
mua i tō aroaro whānui, me te mōhio kei te ārahi tonu koe i
ahau i ngā ara o te mōhio ki ahau anō.

Ka rapu ahau i a koe, e tōku Atua, kia kitea rā anō koe e
ahau, ā, ina kitea koe e ahau, ka mihi ahau ki ngā
manaakitanga me ngā mea pai katoa e homai ana e koe ki
ahau.

I roto i te mokemoke o ōku whakaaro, e hiahia ana
ahau, e te Ariki, kia rongu i tōu reo. Whakarērea atu i ahau
ngā moemoeā kino o ngā reo nanakia e piri tonu ana i roto i
ngā papa o tōku mahara. E hiahia ana ahau ki te
whakarongo ki tōu reo marino, reka ake tonu atu i roto i te
marino o tōku wairua.

E te Ariki, tukua kia ringihia mai ngā ua o tōu aroha ki runga i ō mātou wairua, kia horoia atu hoki te paru o te kuware e piri ana ki a rātou, kia hoki mai ai tō rātou parakore me te māramatanga, kia tiaho ai ki tōu māramatanga atua.

Ahakoa i roto i ngā ana o te maunga, i waenganui rānei i ngā tiriti pukumahi, i roto rānei i ngā ngahere o te ao hou, ahakoa ko tēhea wāhi e haere ana mātou, ahakoa ko tēhea wāhi e tahuri ai mātou, ki te rawhiti, ki te hauauru, ki te raki, ki te tonga, ki ngā wāhi katoa, tukua mātou, e te Ariki, kia rongo i tō tata mai, kia whakamarietia ai ō mātou ngākau e tō aroaro tiaki.

Kia rite tātou ki ngā putiputi me ngā rōhi, ā, kia ruia ngā rau o te ngākau aroha me te atawhai ina hē te whakaaro ki a tātou, nā te mea mā te whakahaere i a tātou anō me te whanonga tika ka mōhio tātou he wāhanga nui tātou o te pai whānui.

Inuhia kia makona koe i ngā wai o te rangimārie e rere mai ana i ngā puna o ngā āhuatanga pai, me tō whakatau kia whai tirohanga pai, kia whai whakaaro whai hua hoki.

Kaua e rapua te harikoa i roto i ngā kākahu huatau, i ngā kai reka, i ngā taonga whakapaipai, i ngā mea papai me ngā mea whakaharikoa anake, nā te mea ka mau ēnei mea i tō harikoa i muri i ngā āhua o waho. Engari, tukua tō whakaaro kia rere ki runga ake i te rangatiratanga o ngā whakaaro mutunga kore.

Ina hoki, ka pāngia te katoa e te riri, ki tētahi taumata, ki te kore rātou e tae ki tētahi taumata matatau o te mōhiotanga, arā, te harikoa wairua, te āhua marino rānei.

Ko te riri – ahakoa te āhua – i ahu mai i te kore e taea te whakatutuki i te hiahia. I te korenga o te harikoa o roto e

puta mai ana i te hononga o te wairua ki tōna pūtake atua, ka ngana te tangata ki te whakatutuki i ana hiahia mā roto i ngā ahuareka ā-tinana e kore e pai i te mea he pumau, ā, he maha ngā wā ka puta he hua kino.

He maha ngā wā ka puta te pouri i aua hiahia, kātahi ka puta te riri, ka arahi atu ki te whakangaromanga o te hinengaro wairua.

Ko te huarahi tino whai hua ki te wikitoria i te riri ko te aro ki tōna pūtake: ngā hiahia Ka nui ake ngā hiahia, ka nui ake ngā pōuri

Kāore e taea te whakatutuki i ngā hiahia katoa nā te mea kāore e taea te whakamātau i ngā hiahia, ā, kāore he mutunga. I a tātou e kaha ake ana ki te whakatutuki i tētahi hiahia, ka nui ake tō tātou piri ki taua hiahia, ā, ka kaha ake tō tātou piri, ka nui ake tō tātou mamae i te tangohanga i ngā mea katoa e whakamātau ana i ō tātou hiahia, e whakatutuki ana hoki i ō tātou wawata.

Ka taea te whakatutuki i ēnei mea katoa mā te angitu, te oranga whakamarie, te whakaora i ngā mate kore e taea te rongoā, me ngā tikanga whakahaere.

Ki te mea kua pau katoa ngā tikanga me ngā mahi ā-tinana, ā, kua kitea he koretake, whakatuwheratia te tatau o roto, ā, ka rere mai te mana wairua ki roto, ka peia atu ngā ngoikore katoa, ngā hinganga me ngā pōuri.

Ki te rapu koe i te āwhina a te Atua mā te whakaaroaro me te arotahi hōhonu, mārie hoki, ka kitea e koe he puna kore e mutu o te kaha wairua.

Kāore te Atua e aro ki tētahi taha, ā, e aro ana ia ki te hunga katoa e rapu pono ana i tāna āwhina

I taku kitenga i te Atua i roto i ahau, ka kitea ia e ahau i ngā wāhi katoa

Mai anō i tōku tamarikitanga, he nui tōku hiahia ki a Ia, ā, i tētahi wā i ahau e tamariki ana, i tuhituhi reta ahau ki a

Ia. Ae, i tuhituhi reta ahau ki te Atua, ā, ko te taitara o taua reta koia tēnei:

"Ki te Atua i te Rangi" ā, ka tukuna e au ki roto i te pouaka mēra

Ina tuhituhi tātou ki tētahi, e tumanako ana tātou kia whakautua mai. I te korenga o taku whakautu, ka maringi ōku roimata. Engari i tae mai te whakautu ki ahau, ehara i te mea nā ngā kupu i tāia ki te pepa, engari nā te tirohanga whakamiharo, kanapa.

Ka taea e te katoa te whiwhi whakautu mai i te Atua mēnā he kaha te ngana, ā, he tonu te mahi.

Ki te tuku atu ō pātai ki te Atua, ka takai ki roto i te kare ā-roto hohonu, ka tukuna atu mā te mēra whakaaroaro, kātahi ka whiwhi koe i te whakautu me te pono, me te pono hoki.

Ka puta te rangimārie i roto i te wairua; ko te taiao manaaki o roto e puāwai ai, e tupu ai te harikoa.

Ka whakaae ngāwari te tangata ki ngā ariā rūpahu o ngā here, me te kore e pātai nui, ā, ka tukuna aua ariā ki te whakahaere i ō rātou oranga me ō rātou mutunga. Kāore ngā Kaiaro e whakaae ngāwari ki te āhua o nāiane; engari, ka whai rātou ki te whakarerekē, ā, koinei tonu te mea e taea ai te ahunga whakamua.

Ka whakaaroaro ngā kaipūkenga ki te taiao e karapoti ana i a rātou, ā, ka miharo ki tā rātou e kite nei. Ka titiro tata atu rātou, ka pātai he aha i puta ai, i kore ai rānei e puta ai ngā mea i tētahi ara.

Haunga te kai, te moe, me te mahi, e tumanakohia ana kia whiwhi te tangata i tetahi mea whai hua mai i tēnei ao

Me whakakore te hiahia whaiaro, ā, ka taea tēnei mā te whakatipu i te atawhai. Me manaaki tātou i ētahi atu, ā, ko te huarahi pai ki te whakaako i tēnei ko te tauira pai.

He uaua ki te whiwhi i te oranga pai me te oranga whakamarie i tēnei wā o te hiahia whaiaro me te apo. Ina taea e tātou te kī, "Mōku, mōu hoki ngā manaakitanga a te Atua," ka pai ake te ao nei.

Ina hiko tātou i ngā tiriti o te tāone, ka kitea tātou e karapotia ana e ngā taiepa, engari ina eke tātou ki te waka rererangi, ka ngaro ngā arai katoa, ā, ka kite tātou i te whānuitanga kāore i wehewehea. Waihoki, ina hiko tātou i roto i te tāone mokemoke me te whaiti o te hinengaro, ka rongo tātou i te herea e ngā whakaaro pakari me te iti. Engari ina eke tātou ki te waka rererangi tuwhera me ngā pae tawhiti, ka kite tātou i te wāhi mutunga kore o te tuakana me te aroha tangata.

Ko te tangata e paheke ana i ngā ara pari o te kino, kāore ia e māharahara ki te ātete, engari ina ngana ia ki te tū atu ki ngā tikanga kino me ngā au hē mā te tango i ngā ture wairua o te whakahaere i a ia anō, ka kitea e ia he maha ngā whakamātautau kua ara ake hei whawhai i ana mahi, hei aukati hoki i ana mahi rangatira.

I ētahi wā, he nui ake te whai hua o ngā whakaaro i ngā kupu. Ko te hinengaro tangata te kaituku me te kaiwhiwhi tino kaha. Ki te whakapāho tonu koe i ngā whakaaro pai, me te aroha, ka pā pai aua whakaaro ki ētahi atu. Waihoki, ki te tukuna e koe ngā whakaaro e kī ana i te hae, i te mauahara rānei, ka riro i ētahi atu aua whakaaro, ā, ka whakautu mai me ngā whakaaro ōrite.

Ka inoi atu ahau ki te Atua kia tautokona āu mahi me Tōna kaha me āna manaakitanga. Ki te pono te inoi, ā, he

parakore ngā whakaaro, ka puta te huringa e hiahiatia ana me te āwhina a te Atua.

Kua memeha haere ngā haruru o te tau kua hipa, me ōna pouri me ōna kata, ā, ināianei kei te waiata whakatenatena te haruru o te waiata o te Tau Hou, e whakapuaki ana i te tumanako, e **hāhā ana hoki** :

"Hurihia tō ao kia tino tika. Whakarērea ngā taru o ngā matakū tawhito. Mai i te māra kua whakarērea o mua, kohia, tiakina hoki ngā purapura o te harikoa, o ngā whakatutukitanga, o ngā tumanako, o ngā whakaaro me ngā mahi pai, me ngā hiahia rangatira, whakahīhī."

I roto i te oneone tomairangi o ia rā hou, whakatōkia aua purapura nunui, whakamakukuria, ā, tiakina kia tupu rā anō, kia whakakīia tō oranga ki ngā painga onge o te puāwaitanga.

Ka tangi te tau hou:

"Whakaarahia te wairua, e mauheretia ana e ngā tikanga, ā, akiakihia kia tīmata i ngā mahi hou, whai hua. Kaua e mutu te whakamātau, kaua hoki e okioki kia tae rā anō koe ki te herekoretanga mutunga kore, kia hinga rā anō i a koe te karma (ngā hua o ngā mahi o mua e whaia tonutia ana)"

Me te hinengaro hou, me te harikoa e whakahoutia ana, kia hari tahi tātou, kia hikoi ringa tahi ki te whare o te rangi e kore ai tātou e hoki atu anō.

Te riri me te maharatanga ki te arewhana

Ko te hunga e hiahia ana ki te rangimārie o roto, me mārāma rātou ki te pūtake o te riri, ā, he maha ngā wā ka puta he hua kino.

Nā te ngaronga o te taurite o roto i puta mai i te riri, he tokomaha kua tahuri ke ki ngā tāngata hara me ngā kaikōhuru toto.

Ka whakamatapo te hinengaro i te aukati i ngā hiahia. Ina mau te kohu o ngā hiahia ki te hinengaro o te tangata, ka ngaro ōna māramatanga, ā, ka whanonga ia i roto i te āhua kāore e tika mō te tangata rangatira.

Mā te ngaronga o te whakaaro nui ka whakapoauau i te māramatanga ā-roto, arā, te kaha e akiaki ana i ngā mahi tika me ngā whakaaro pai katoa.

Ina hē te urungi o te waka hinengaro o te tangata, ka pāngia rātou e te aituā, ā, ka noho pea rātou ki roto i te rua o te mamae me te pōuri.

Hei tauira: Kei te harikoa te taraiwa a te tāne, ā, i a ia e haere ana ki te pāka, ka tono tana wahine kia huri te huarahi ki te haere ki te whare o ōna mātua, kaua ki te pāka, ā, i konei ka huri tōna harikoa hei riri.

I whiriwhiria e au tēnei tauira nā te mea he mea noa tēnei. I ngā wā noa, ko te mutunga iho ko te whakahē a te tāne i te tono a tana wahine, te whakaae rānei me te riri me te kore harikoa, ā, koinei te mea e tupu whānuitia ana. I ngā wā e rua, ka kaha te riri, ka taupatupatu te āhuarangi, ā, ka pōrearea te rangimārie.

I ētahi wā, ka huri te riri hei aituā mō te hunga pukuriri. Tērā pea ka pā te riri ki te mahara, ka wareware rānei te taraiwa ki te taraiwa āta me te aro nui, ka wareware rānei ki te whai i ngā tohu huarahi, ā, ka hua ake he tukinga, he mate rānei, kaua rawa e mutu.

Hei whakamutunga, ka mau te riri i te urungi o te hiahia i roto i te hariata o te ora, ā, ka aukati i a ia kia tutuki i ana whāinga ā-tinana me ā-wairua.

Te mahara o te arewhana:

Ko te hinengaro e kīia nei ko te "mahara" he taonga nā te Atua ki te tangata, ā, he manaakitanga nui tēnei! Ka tukuna hoki te mahara ki ngā kararehe; ki te kore, e kore e taea e rātou te kite i ā rātou tamariki. He maharatanga pai tō ētahi kararehe, e ai ki te kōrero e whai ake nei mō te arewhana.

I a tētahi arewhana nui e kawea ana i ngā rakau, pērā i te mahi a te nuinga o ngā arewhana kua whakangungua i te Rawhiti, ka whakatata atu tētahi tamaiti ki a ia, ka werohia ki te ngira ki tōna tinana, ā, ka oma atu.

Kotahi tau i muri i taua aituā, ā, ka tūtaki te arewhana kotahi ki te tamaiti kotahi i te huarahi. He wā tino pai tēnei mō te arewhana ki te rapu utu. Nō reira, ka takai e ia tōna ngākau ki te tamaiti, ka whiua ki tērā taha o te huarahi. Nō reira, he maharatanga anō ō ngā kararehe.

Ina kī te ngākau i te aroha o te Atua, ā, ka whakamāramatia ngā kanohi e Tōna māramatanga, ka noho te aukume o te tangata hei wairua. He rerekētanga nui i waenga i te aukume wairua, me tōna awe whakahirahira, me te aukume kararehe, e peia ana e ngā kare ā-roto me ngā wairua. Ko te aukume wairua e ahu mai ana i te atawhai me te painga o ētahi atu, ko te aukume kararehe ia e peia ana e te hiahia whaiaro me te whakamahi kino i ētahi atu.

Ka taea e te tangata te tuku whakaaro pai ki a rātou anō, he pānga pai ki te hinengaro huna, ka pā ki te hinengaro mōhio. He kino ngā whakaaro kino, ahakoa nā te tangata ake, nā tētahi atu rānei, ki te roro, ā, me karo.

Ka homai e te tangata āna tohutohu ki a tātou, kātahi ka waiho mā tātou e kokoti ngā hua o ā tātou mahi [tērā pea he hua o āna tohutohu hē]

Ko te ara o te Atua e arahi tonu ana ki te hari me te pai

Me te mārama o te whakaaroaro hohonu, ka tukua e au te māramatanga atua e rere tonu ana ki roto i ōku hohonutanga, ā, ka ara ake taku aroha me aku wawata ki te Atua Kaha Rawa.

E rongoa ana ahau i tōu aroaro, e te Ariki, i roto i ngā hohonutanga o tōku wairua, ā, e kite ana ahau i a Koe e

puāwai ana i te māra o tōku aroha. Āwhiowhio mai ahau ki tōu aroha, tukua ahau kia koa ki tōu kakara tapu.

E te Ariki, homai he rangimārie ki ahau kia kitea ai e tōku wairua he okiokinga, kia kite ai hoki i ngā hihi o te tumanako i muri i ngā kapua o te kore aro. Kia tiaho te māramatanga o te pono i roto i tōku ngākau kia rongō ai ahau i te rangimārie me te whakamarie wairua.

Kia tiaho mai tōu korōria, e te Ariki, kia ngaro atu te kuware i ngā takutai o te whenua ake ake, me te ngangau me te hae. Whakakorea te pōuri o te kuware ki te māramatanga o tōu whakaaro nui. Whakarerekētia te ngoikore hei kaha, te ngoikore hei whakatau, me te iriiri i te hinengaro me te wairua ki tōu māramatanga whakaora.

Pērā i te māramatanga e tukuna ana ki te katoa, heoi anō kei reira ētahi e pai ake ana ki te noho i te pōuri, waihoki ka pupū te māramatanga o te whakaaro nui ki ngā wāhi katoa, engari kei reira ētahi e titiro ana ki te ao i muri i ngā matapihi o ō rātou whakaaro pōuri, kua poke i te kuware.

E te Ariki, whakaorangia mātou i te kuware me ōna pānga, i ngā wehi me ngā manukanuka, ā, tukua te waipuke o tō whakaaro nui kia horoia atu ngā para me ngā paru katoa o ō mātou ao.

Ko te tangata e mōhio ana ki te harikoa i tēnei wā, kua kitea e ia tōna ara ki te Atua

Ko au te kāpene o taku kaipuke whakaaro pai, ngākau pai, me ngā mahi whai hua, whai hua. Ka ārahi ahau i te kaipuke o tōku ao, me te titiro tonu ki te aorangi kanapa o te rangimārie i te rangi o taku whakaaroaro hohonu ki te Atua.

Ki te kore tātou e whiriwhiri kia harikoa, kāore he tangata e taea ai e tātou te whakahari i a tātou, ā, kua tātou e whakapae i tetahi mō tēnā. Ā, ki te whiriwhiri tātou kia harikoa, kāore he tangata e taea te tango i taua harikoa i a tātou.

Ko ngā mate urutā, ngā aituā, me ngā huringa tutu o te taiao e kawe mai ana i te whakangaromanga, te whakangaromanga, me te whara whānui, ehara i te "whakataunga atua". I ahu mai ēnei aituā i ngā whakaaro me ngā mahi a te tangata. I ngā wāhi katoa e whakararururuhia ai te taurite ngawari o te ao i waenganui i te pai me te kino e te kohikohinga o ngā ngaru kino me ngā wiri i puta mai i ngā whakaaro kino me ngā mahi hē a te tangata, ka puta te pōrearea me te whakangaromanga whānui. Ka haere tonu te ao ki te mamae i ngā pakanga, ngā aituā, me ngā aituā tae noa ki te whakatikatika a te tangata i ōna whakaaro me ōna whanonga hē. Kāore ngā pakanga e puta mai ana hei whakataunga atua, engari nā te hiahia nui ki ngā taonga whānui. Mena ka whakakorea e te tangata te hiahia nui ki te takitahi, ki te ahumahi, ki te tōrangapū, ki te wairua, me te motu, ka mutu ngā pakanga.

Ina noho te wairua rauemi ki te hinengaro o te tangata, ā, ka whakahaere i te whakaaro, ka tukuna e ia te hihi kino mārama. Ko te kaha kohikohi o ēnei wiri kino ka tino kino te taurite hiko o te taiao, ka puta he rū whenua, he waipuke, me ētahi atu āhuatanga kino.

Ehara i te Atua te kawenga mōna. Me whakahaere ngā whakaaro o te tangata i mua i te taea o te whakahaere i te taiao.

Ka ngana ahau ki te mahi i ngā mahi rangatira me ngā mahi tika anake, i runga i te aroha ki te Atua, me te whakamanawareka i a ia

Me parau te hinengaro ki te parau o te māramatanga tika, nā te mea he maroke, he pakeke hoki tōna oneone. Me whakamakuku te oneone ki te ngākau rite me te whakaae, ā, me whakatō ngā purapura o te whakapono ki ngā awaawa, kātahi ka whakamakuku ki te hiahia e hangai ana ki te hiahia o te Atua.

Ko te tangata marino, ka noho marino, ka noho rangimārie i roto i ngā āhuetanga katoa. Kāore hoki e tukua kia whakahaeretia rātou e ngā kare ā-roto me ngā hihiri, kia ārahi rānei i a rātou ki te whakatau i ngā whakatau hē.

Ko koe te kanapa i roto i ngā whetū, te kaha i roto i ngā ngota, te atawhai i roto i ngā ngākau, te ataahua i roto i te pono, me te nui i roto i te pono.

Manaakitia mātou, e te Ariki, kia whakakitea ai e mātou tō atawhai ki runga i a mātou i roto i tō mātou hauora, i ō mātou wawata hinengaro, me ō mātou oranga wairua. Āwhina mai kia whakakīia mātou ki tō mana nui, ki tō whakaaro nui mutunga kore, me tō pono mutunga kore, ā, kia mōhio mātou ko koe te puna o te hauora, te moana o te ora, me te puna o ngā māramatanga me ngā mātauranga katoa.

E te Aroha Atua, ko koe te haruru ngaro e puta mai ana i ngā ana o te ngākau me te reo o te kare ā-roto puku

Ko koe te tohunga makutu e kore e kitea o ngā wairua, te mea kanapa e puea ake ana i te hohonutanga o te whakahoahoa.

He anahera manaaki koe e kōrero ana i ngā kupu reka ki ngā wairua

Ko koe te reo wahangu o te hunga aroha, me te mangumangu ngaro e whakamahia ana e rātou hei tuhi karere ki ngā whārangi o ō rātou ngākau.

Ko koe te pūtake o ngā kare ā-roto rangatira katoa, ā,
ko tō ngākau e kukume ana i tōna manawa mai i te ngākau o
te ao tūroa

He kōrero puku te aroha i waenganui i ngā ngākau e
rua, ā, koinei te karanga teitei mō ngā mea ora katoa, me
ngā mea kore ora hoki kia hoki ki te whare o te kotahitanga
o te ao whānui.

Ko te aroha te pū o te ora

Ka tupu i roto i te māra o te puāwaitanga wairua, ā, ka
moe i muri i te pōuri o ngā herenga o waho.

Koinei te nekita tawhito rawa atu, tino reka rawa atu
hoki, e tiakina ana i roto i ngā pounamu ngākau.

Ko te aroha te māramatanga e wawahi ana i ngā taiepa
o te pōuri i waenganui i ngā tāngata takitahi, ngā whānau,
me ngā iwi

Ko te aroha te putiputi o te whakahoahoa, e puāwai ana,
e tupu ana i roto i ngā mara o te hunga taitamariki me te
hunga kaumātua.

Ko te aroha te kuwaha ki te rangi me te waiata a ngā
wairua pai

Ko te hunga e hiahia ana ki te whakahou i ō rātou
oranga, me tautuhi tuatahi i ngā mea pai e hiahia ana rātou
ki te whakauru ki roto i ō rātou oranga, kātahi ka whakatū i
tētahi kaupapa e piri tonu ai rātou i ia rā, ā, ka tino harikoa
rātou nā te pupuri i ā rātou whakataunga.

Ko te kore e piri ki tētahi kaupapa whakapai ake i a koe
anō ka ngoikore te hiahia, ā, ka ārai i te ahunga whakamua.

Ko te hunga e whai ana i te tikanga o te ao, ka tutuki i a
rātou ngā whakatutukitanga hua. Kāore he ture e aukati ana
i te tangata kia pai ake te hurihanga, kia tutuki ai hoki i ā
rātou wawata rangatira. Kāore he arai e aukati i te tangata
kia eke ki ā rātou whāinga teitei, ki te kore rātou e whakaae
puku ki aua arai, e whakaae ana hoki ki a rātou anō kāore e
taea e rātou te wikitoria.

Ko ngā wāhi e mihi mai ai ētahi ki aku mahi pai, koinā te wāhi e taea ai e au te whakarato i te ratonga tino pai.

Ko te aroha pono—te aroha o te ngākau me te wairua—he whakaaturanga o te aroha atua. E rapu ana te aroha atua ki te whakaatu i a ia anō mā roto i ngā ngākau me ngā wairua o te tangata. E whakaako ana te Atua i te tangata ki te aroha atua mā roto i te ara tino tika o te aroha tangata.

Ina tūtaki koe ki tētahi, ā, ka mea mai rātou, "Kei te pēhea koe? Harikoa rawa ahau ki te kite i a koe," ahakoa i roto i tōu ngākau kāore rātou i te tino māhorahora i a koe, ka kite tonu koe i ō rātou kare ā-roto, ā, kāore koe e hiahia ki te kōrero ki a rātou, ki te noho rānei ki a rātou. He pai ake ki ahau te pono i te tinihanga me te tinihanga.

Ko te kupu a te tangata te mea nui, ā, me noho māori, me pono, me whakaute i tā rātou kupu, me pupuri hoki i ā rātou kupu whakaari me ā rātou herenga ki ētahi atu.

Ko te Atua te pūtake o te kaha hinengaro, te whakaaro nui, me te hua. Inoi atu ki a Ia kia ārahi i a koe ki te ara tika hei whakatutuki i te angitu e rapuhia ana e koe. Tuatahi, kia tika tō whakaaro, kātahi ka whiwhi koe i te kaha hei whakatutuki i tō whāinga.

Ko te aroha te patu wairua e whakamutu ai i ngā pakanga katoa

He kaha rawa atu te ngākau pono i te teka me te kōrero kino. Ki te taea e koe te tiaki i a koe anō i roto i te pā o te ngākau pono, ko koe te rangatira honore i roto i tōu ake rangatiratanga.

Ka toa te pono, ahakoa kua hē ētahi atu ki a koe

Hoatu te whakaaro nui ki te hunga e rapu ana, i a rātou e hiahia ana ki te māramatanga, ā, kia kaha ki te piki i te arawhata o te mōhiotanga ki a koe anō.

Ki te Atua kua whakatapua e au, kua whakatapua hoki tōku reo, ōku ringa, ōku waewae, tōku ngākau, tōku tinana, ōku kare ā-roto, tōku hiahia me ngā mea katoa.

Kāore te mamae e mutu noa i te tinana; kei reira anō te mamae hinengaro me te mamae wairua

Kāore e taea te whakaaro ki te Atua ina kī tonu te hinengaro i te hae, i te wehi, i te whakapae i te kino, i te wā rānei e whawhai ana te tangata ki a ia anō.

E pāngia ana tātou e te pouri me te pouri, e ētahi atu āhua kino me ngā āhua hinengaro, me ngā manukanuka, ko te nuinga he matakū koretake. I te taumata wairua, e pāngia ana tātou e te kuware ki te āhua ora tonu o ō tātou wairua.

Ko te hunga e noho tahi ana me te Atua, ka kite i te ataahua whakamiharo, ka reka hoki i te reka whakaharahara e kore e taea te wheako i tētahi atu ara.

I te karangatanga o tōku wairua ki a Koe, ka pakaru mai ngā kapua o tōu wā puku, e te Atua, ā, ka ringihia te ua o tōu aroha noa, ā, ka huri hei waipuke nui o tōu aroha noa. I taupokina e tōu awa tapu ngā tahataha o tōku wairua, ā, ka ruku tōku wairua ki roto i ngā wai o te mutunga kore, ā, ka rewa te mirumiru o tōku ora iti ki roto i te moana o tōu orange whānui.

- Nā taku kaiārahi ahau i ako ki te whakamahi i te whao o te whakaaro nui hei hanga i ahau hei temepara e tika ana mō te aroaro o te Atua

Ki te hiahia koe ki te whakatutuki i tētahi whāinga rangatira, tīmata mā te hoahoa i tētahi tauira hinengaro mōna. Ka taea e koe te whakatū pakari i tētahi aronga i roto i tō hinengaro mēnā ka whakatō koe i tētahi whakaaro kaha

ki roto i tō hinengaro; kātahi ka rite tō tinana katoa ki taua whakaaro, ā, ka rite hoki ō mahi ki taua whakaaro.

- He mea nui te aroha me te manawanui mō te rangimārie me te whakaae tahi. Mā te aroha ka whakakotahi, ka whāngai hoki i ngā mea katoa e whai hua ana, e kaha ana ki te tipu, ko te mauahara ia ka wehewehe, ka whakangaro i ngā mea katoa ka taea te whakatika.

Ko te wehi te hoariri nui rawa atu o te angitu nā te mea ka whakakorea te hiahia ki te whakamātau, ā, ki te kore te wehi, e kore e taea e te tangata te angitu.

Ko te ngoikore o te hinengaro, te kore o te kaha, me te kore o te manawanui he arai katoa i te ara ki te angitu. Kaua te whāinga e ahu atu ki te angitu, engari he oranga tika e arahi ana ki te angitu. Ko te hiahia nui ki te angitu ka waiho hei arai. Ko te mahi auaha e tautokona ana e te kaha o te hinengaro me te hiahia nui ki te whakatutuki i te whāinga he mea nui hei whakatutuki i te angitu.

Ia whakaaro o roto i a tātou ka puta he wiri motuhake. Ina whakaaro koe ki te Atua me tō tinana katoa, tō hinengaro me ō waewae - ā, ka hāhā koe "E te Ariki" i roto i a koe anō, ka puta he wiri kaha e kawe mai ana i te aroaro o te Atua ki roto i tō koiora.

Ina mōhio tātou ko te Atua tō tātou aroha mutunga kore, ko ia hoki tō tātou hoa pumau, ā, ko tōna aroha ki a tātou he nui atu i tētahi atu aroha, ka rongo tātou i tōna tata, ka pā ki tōna aroaro, ā, ka marino ō tātou ngākau, ka rongo hoki tātou i te rangimārie wairua tino nui.

Ina whakaaroaro koe ki te Atua, ā, ka piki haere te harikoa i roto i tō ngākau me tō tinana katoa, ā, ka puta mai taua harikoa i ia wā, i ia wā, kia mōhio koe kua whakautua e te Atua ngā hiahia o tō ngākau, ā, ko ngā kare ā-roto o te harikoa e pā ana ki a koe he tohu mō taua whakautu.

Ina uru te hinengaro ki tētahi āhua o te hinengaro teitei ake, ā, ka pā ki te aroaro mutunga kore, ka mōhio ia kei te hono atu ia ki te Atua, ā, he reka te wheako, engari kāore e taea te whakapuaki i te āhua o taua hononga e kore e taea te whakaahua.

Kāore au i whakamahi i taku aukumetanga hei rapu i ngā mea ā-tinana, engari i whakamahia hei kukume i te aroaro atua e kore e memeha, e kore e pirau.

Homai ki ahau, e te Ariki, ngā hiahia hohonu o tōku ngākau, kia rongo ahau i tō reo tapu i roto i te hohonutanga o tōku wairua. E kore rawa ahau e wareware ki a Koe, e tōku Atua aroha, e kore hoki ahau e haere i ngā ara o te ora me te kore Koe. Hei manuhiri mutunga kore mōku, kia noho ki te wāhi tapu o tōku rangimārie me tōku hari wairua. Tukua tōku ngākau kia pā te ngākau ki tōu aroha, kia mahi tahi hoki ōku whakaaro, kia taea ai e au te hoatu i tōu rangimārie me tōu aroha ki ētahi atu. Kia puta te kakara o tōu aroha i te rōhi o tōku ngākau, e kukume ana i ngā wairua e rapu ana i te rangimārie, e kawē mai ana i a rātou ki a Koe.

Ko ngā tirohanga maunga i peitahia ki te ārai kikorangi, ngā mahi whakamiharo o te tinana tangata, ngā putiputi ataahua i hangaia, te rangatira o ngā wairua pai, te mana o ngā whakaaro teitei, me te hohonu o te aroha, e whakamahara ana i a tātou ki te Kaihanga whakamiharo, tino ataahua hoki.

Ka whakapau kaha ahau, ka mahi i ngā mea katoa e taea e au kia whai rawa ai ahau me ētahi atu i roto i te Atua. Ko te mea tuatahi, ka hanga e au ngā whare o te whakaaro nui i waenganui i ngā māra matomato o te rangimārie, kapi tonu i ngā puawai o ngā tikanga wairua ataahua.

Ahakoia he ngaru iti ahau, he ngaru nui rānei, engari me tautoko mai te moana nui o te ora i ahau.

Ka ruku hohonu ahau ki te whakaaro kia kitea rā anō e au te mea ngaro o ngā mea ngaro, ā, ka arotahi ahau i te māramatanga o te māramatanga - pērā i te rama - kia puta mai ai te mata tapu rawa ki ahau.

Kia tiaho tō māramatanga i roto i ahau, i te taha katoa, me ngā wāhi katoa

He ahi huna te aroha, e rewa ana i te taratara o te ao whānui, e ai ki te whakahau a te Atua, ā, ka hurihia hei taonga ngaro o te aroha mutunga kore.

Ka rite ki te rā e tuku ana i te māramatanga me te mahana, ka horahia hoki e ahau ngā hihi o te tumanako ki roto i ngā wairua o te hunga rawakore me te hunga kua peia, ā, ka whakatōkia e ahau he hihiri hou ki roto i ngā ngākau o te hunga e whakaaro ana kāore he tumanako.

E te Ariki, kaua ahau e tukua kia tahuna ahau me ētahi atu ki te ahi mura o te hae, engari tukua ahau kia whakaae me te ngākau pono me te ngākau māhaki ki te atawhai me te aroha e tika ana māku mai i aku hoa aroha.

Kei te haumarua ahau, kei muri i ngā pakitara o tōku hinengaro mārama. Kua tahuna e ahau te hītori pōuri, ā, ko tēnei rā anake taku e āwangawanga nei, ā, kāore au e wehi i tetahi mea engari ko au anō ina ngana ahau ki te tinihanga i tōku hinengaro.

I tēnei rā ka tahuna e au ngā pūtake o ngā manukanuka me ngā matakū, ka tahuna hoki te ahi o te harikoa hei whakamārama i te temepara o te wairua i roto i ahau.

Kāore he tangata e taea ai e au te whakapataritari i a au ki te reo kino, ki te whanonga whanoke rānei, ā, kāore he tangata e taea ai e au te āwhina ki te whakapatipati, ki te whakamoemiti, ki ngā kupu whakamihi hei mea i ahau kia nui ake, kia hira ake ahau i tōku ake āhua tūturu.

E te Ariki, kia whānuitia tōku ngākau kia mau ai tō aroaro tapu, kia pā mai hoki i tōu aroha ake tonu atu.

Ki te whakamahi tika koe i tō kaha hiahia, ka hangaia he karma hou māu, engari ko te nuinga o te iwi kāore e hiahia ki te huri, kāore hoki e hiahia ki te whakapau kaha, nō reira ka hinga rātou i te aroaro o ngā uauatanga, ā, kāore e taea te aro atu ki ngā wero.

E te Ariki, āwhina mai kia mōhio ahau ki te wehewehe i waenganui i te harikoa pumau o te wairua me ngā ahuareka poto noa iho. Kaua ahau e tukua kia toremi i roto i ngā ahuareka o ngā kare ā-roto e memeha haere ana, ā, āwhina mai kia whakapai ake i ōku kare ā-roto kia hari tonu ai ahau.

I wehea e au ngā hihi o tōku hinengaro mai i te ao whaiti, iti o ngā kare ā-roto, ā, i tukuna atu ki ngā pae tawhiti o te wairua, nō reira i tipu ake ai ōku tirohanga, ā, i horapa atu tōku mōhiotanga ki ngā taha katoa.

Kaua te tangata e māharahara, e noho pōuri rānei mēnā he āhua kāore e hiahiatia ana e hiahia ana rātou ki te whakakore. Nā, koinei te wā ki te wikitoria i aua āhua mā te whakatipu i te whakatau o mua me te mahi whakaaroaro tika, auau.

E te Ariki o ngā wairua me ngā ngākau, ko ngā hihi o te harikoa e horapa ana i te rangi o tōku marino o roto e tohu ana i te taenga mai o tō putanga tapu.

E te Ariki, e menemene ana ahau pērā i te menemene a te hunga māia, ā, e tau ana te ngākau, ahakoa kei te mānu ahau i runga i te mata o tēnei ao, kei te toremi rānei i raro i ngā ngaru o te mate, kei roto tonu ahau i te ngākau o tōu ora tonu, e whakarato ana i te haumaru me te tiaki, ā, ko tōu ringa kaha, manaakitanga e tautoko ana i ahau.

Ko te mate, te koroheketanga, me te mate ngā uauatanga me ngā arai e pā ana ki te tinana. Heoi, ka whakaekea te hinengaro e ngā mate hinengaro mā te pouri, te wehi, te riri, ngā hiahia kua pehia, te mauahara, te mauahara, ngā kare ā-roto, te kirika me te whakaohoho io, me te momo mate pukupuku hinengaro e whakararuraru ana i ngā āheinga hinengaro. Heoi, ko te mate tino morearea ko te mate o te wairua, e puta mai ana hei kuware, e puta mai ai, e horapa ai ngā mate katoa.

Kaua te puna o te whakaaro nui e whāngai ana i ō tātou kare ā-roto o te aroha me ngā kare ā-roto kua whakapaia e tukua kia maroke.

Ko ngā mea katoa e ātaahua ana ki waho, e ahu mai ana i te āhua o roto, ā, kāore he mea e whakapoke ana i te whakaata parakore o te wairua pērā i ngā whakapōrearea hinengaro pērā i te riri, te mauahara, te hae, me te mauahara. Ko te tangata e ngana ana ki te whakawātea i a ia anō i ēnei matū, he mea tauhou ki te āhua o te wairua, ka tukua e ia te māramatanga o te ataahua o roto kia whiti mai i roto.

Me whakaara ake te māramatanga mai i te ao tinana iti ki ngā pae tawhiti mutunga kore o te marino i roto i te wairua.

E te wairua o te parakore me te harakore, whakaorangia ahau i ngā hiahia taikaha e kore e taea te ngata, kia huri ai ngā hiahia apo katoa hei pungarehu i roto i te mura o te whakaaro nui, kia kaha ai ahau ki te pehi i ngā hiahia katoa o ngā kare ā-roto, kia rite ai hoki ki tāu e pai ai, me te whakatangi i taku rangi waiata māmā i roto i te rangimārie, me te whakatutuki i aku mahi iti, me te waiata i taku waiata whakaiti.

E te Ariki, āwhina mai i ahau kia whakamahia ōku kare ā-roto i runga i te whakaaro tika, kia whakatikatikaina hoki, kia whai wāhi ai ki te hari pono o tōku ngākau.

He mea whakamiharo te maitai o te whakaaro nui e tangohia ana e tātou i roto i ngā ahi mura o te wheako. Ka purea tātou e te ora mā te huri i ō tātou konganuku taketake hei huānga utu nui kia taea ai e tātou te noho i tēnei ao hei wairua parakore pērā i ngā kohatu utu nui, hei pakeke pērā i te maitai, ā, i te wā kotahi ka ngāwari, ka piko hoki, me te kore e whati i raro i ngā pēhanga o te uauatanga me ngā whakamātautau uaua.

He mana huna kei te mahi hei whakatinana i tētahi mahere matatika me te wairua hei whakatinana i te tikanga me te rangimarie i waenganui i te āhua o te koretake me te pōrearea i roto i te hanganga.

E taku hoa aroha atua, ko koe te hari mutunga kore, te hari e whakahoutia tonutia ana, ko koe te harikoa o te wairua, ā, ko koe te hari e hiahiatia ana e au.

Me tuku te inoi ki te Atua me te hiahia nui me te whakawhirinaki tino pono, ā, ka whakautua pukutia, ka ata noho hoki, he whakautu huna e whakamarie ana, e tere ai te huringa o te orange o te tangata.

Tuatahi, me wheako tātou i te hari o te hononga ki te Atua kia taea ai e tātou te whakarite ki ngā ahuareka iti iho o te ao. Kātahi ka teitei ake te āhua o ngā hiahia. He mutunga kore te hiahia; ina tutuki tetahi hiahia, ka puta mai tetahi atu, ā, pērā tonu. Engari ina kitea e koe te Atua, ka tutuki katoa ō hiahia.

He hunga atawhai, he hunga ngākau aroha e whakaae ana ki āu taonga atawhai, e tohatoha ana ki ētahi atu, e whānui ake ana ō rātou māramatanga, e whakatata atu ana ki tō aroaro tapu. I a mātou e whiwhi ana i ngā taonga me ngā manaakitanga maha mai i a koe i ia rā, i ia rā, tukua mātou kia tahuri atu ki a koe me te whakamoemiti me te whakawhetai, e te Kaituku o ngā taonga me ngā manaakitanga katoa.

I a koe e noho tahi ana me ahau, e te Ariki, e kore tetahi kino e pa ki ahau, no te mea ka tahuri ke koe i ahau, ka tiaki i ahau i te kino.

Kei te anga atu taku tira inoi ki a koe Kua āraia i konei, i reira e ngā awha o te ngakaukore Engari ina kite ahau i tawhiti i te puna o tō whakatenatena puku, ka hou ahau, ka whakahoutia tōku kaha, nō reira ka ruarua ahau i aku mahi kia tae atu ki a koe, me te hiahia ki te tuku i ōku ngutu matewai ki roto i te puna o tō harikoa me te inu kia mākona ra ano ahau.

E te Ariki, tukua ahau kia kite i te pai me te parakore anake, kia kōrero i ngā kupu whakaaweawe anake. Tukua ahau kia hongī i te kakara reka o tōu aroha, me tōna kakara rangi, kia kai i ngā kai māmā me te hauora, kia hongī hoki i ngā kakara reka e whakamahara mai ana ki ahau ki a Koe. Tukua ahau kia rongo i tōu pā manaaki.

I te mārā o te oho ake wairua, i kohia e au ngā pata o taku ripeneta, ā, i roto i aua roimata e arohaina ana e koe, i tino purea ai tōku ngākau.

E te Atua, kua mau ōku kanohi i ngā āhuatanga hurihuri o te ao me ngā whenua kanapa o te taiao, me ō rātou putiputi kanorau, maha ngā tae, me ngā kapua e rere puku ana i te pae tawhiti. Whakatuwheratia ngā kanohi o tōku wairua kia kite ai ahau i tō ataahua whakaharahara i roto i ngā mea pai katoa, ā, kua hoki ahau e tukua kia kite i tētahi mea i te ao engari ko Koe anake.

Tukua ahau e whatu i tētahi whāriki ngohengohe o te mōhio ki a koe anō hei hiko mā ō hoa aroha katoa i runga i tō rātou ara ki te oho ake tonu atu.

E maumahara ana te Atua ki a tātou ahakoa kāore tātou e maumahara ki a ia. Mēnā ka wareware ia ki te hanganga mō tētahi wā poto noa iho, ka ngaro ngā mea katoa i te ao. Ko wai atu i a ia hei tautoko i tēnei Ao e rere ana i te wāhi? Ko wai atu hei whakatupu i ngā rākau, hei puāwai i ngā putiputi? Ina hoki, ko te Atua te mea e patupatu ana i ō tātou ngākau. Ko ia te mea e keri ana i ā tātou kai, e whakahou ana i ngā pūtau o ō tātou tinana i ia rā, i ia rā. Heoi, he tokoiti noa iho ngā mea e maumahara ana ki a ia, e whakawhetai ana ki a ia!

E te Ariki, tukua mātou kia titiro ki te pai me te aroha, kia mōhio ai mātou ko te ngohengohe ki āu ture o te ao ka karaunatia mātou ki te karauna o tōu atawhai.

Kia mōhio mātou, e te Ariki, ko koe te puna o te ora, te moana o te ora, me te puna o ngā māramatanga me ngā mātauranga katoa. Whakaorangia mātou i te kuware me ōna pānga, i ngā wehi me ngā manukanuka, ā, tukua te waipuke

o tō whakaaro nui kia horoia atu ngā whakangaromanga me te whakamomori katoa i roto i ō mātou oranga.

He maha ngā wā i whakarongo ai ahau i roto i te whakaaroaro ki ngā waiata reka rawa atu a te hunga e tata ana ki a koe, ki ngā symphony wairua whakamiharo, whakahīhī hoki, hei whakaoti i ngā waiata a te wahinetanga mō ngā kare ā-roto o tōku ngākau, me ngā himene whakakoi e whakamārama ana i tōku hiahia tawhito ki a koe me tōku hiahia e tipu haere ana kia tūtaki ki a koe.

Kia pai ngā tirohanga whakamiharo o ngā whakaaro i roto i te ao ngaro me te ao ataahua i roto i ō koutou wairua

I waenganui i a Alexander rāua ko te Yogi Te Hiahia Tūturu: Te Kōrero mō te Kitea o te Arctic

Ko wai te tangata tuatahi i kī tonu ōna kanohi i te roimata (me te harikoa me te makariri pea) i te kitenga i te Arctic mō te wā tuatahi i roto i te hītori?

Nā te aha, ā, nōnahea tēnei i puta ai? Koinei tā mātou e ngana ai ki te rapu i roto i ngā rārangi e whai ake nei.

Mō ngā rautau, kua ngana te tangata ki te tae atu ki taua rohe makariri o te ao, ā, kāore anō kia kitea e te hītori tētahi haerenga māia atu i ēnei nganatanga, i mate ai rātou i te nuinga o te wā. Ko ngā taipitopito o ā rātou haerenga ki te raki e kōrero ana mō ngā mahi toa me ngā aituā.

He rau tau, he mano tau pea ki muri, i whakapono ngā tāngata o ngā rohe e karapoti ana i te Moana Mediterranean he rite te ao ki tētahi kōpae maeneene

e karapotia ana e tētahi awa nui i tapaina e rātou ko Oceanus.

Kāore i te nui ō rātou mōhiotanga mō ngā rohe i tawhiti atu i a rātou, engari i pai ki a rātou te moemoeā me te whakaaro mō aua wāhi i tawhiti, pērā i ngā mea kei tua atu o ngā maunga Alps me ngā whenua Balkans.

Mai i ēnei rohe, i tangohia te tine hei hanga parahi, ā, i keria te amipa hei hanga whakapaipai me ngā mea whakapaipai. Heoi, kāore i te rawaka ngā kōrero pono mō te raki, nō reira i riro i ngā kaitito te kawenga ki te whatu i ngā kōrero whakamīharo mō ngā mea kei tua atu o ngā maunga.

E kōrero ana tā tātou kaitito rongonui, a Homer, mō ngā Cimmerian i te raki kohu, me ngā nunui e noho ana i reira, he poto rawa ngā rā, ā, ka tūtaki te hepara e hoki mai ana i te ahiahi ki tētahi atu hepara e haere ana ki te whāngai kai i te ata. E kī ana ētahi atu kōrero i mōhio te iwi ki tētahi mea mō te Pou Raki, engari ko te nuinga o ō rātou whakaaro mōna he hē, he maha ngā wā he hē.

I te roanga o te wā, ka ngana te iwi ki te tae ki ngā pou. I te tau 500 BC, ka haere tetahi tangata ko Hamilcius o Carthage tōna ingoa ki te raki, ka tae ki Airana, ka tuhi i tana haerenga. Koinei te kōrero pono tuatahi. I whai ake ngā nganatanga i muri mai, me te hunga Scandinavian e rere ana i ngā moana hukapapa, ka kitea a Iceland. Mai i reira, ka haere tonu tā rātou rapu whenua me ngā taonga.

He tokomaha i ngana, ā, i rahua. Ka warewarehia e tātou ngā taipitopito o ā rātou nganatanga, ka neke atu tātou ki te kaiwhakakite tuatahi o te Pou Raki.

I whānau mai a Robert Edwin Peary i Pennsylvania i te tau 1856. I ako ia i te hangarau, kātahi ka uru atu ki te US Navy. I tino hiahia ia ki te tūhura i ngā rohe porowhita. I mōhio ia ki ngā tūponotanga me ngā arai katoa i pā ki ngā kaihōpara i mua i a ia, engari i whakatau ia ki te haere tonu, ā, i mōhio hoki ia i roto i tōna ngākau e kore ia e hoki whakamuri i tana whakatau.

I ngana tā mātou kaihōpara, a Peary, ki te rapu i ngā mea katoa e taea ana e ia mō te Arctic, ōna āhuatanga, me ngā taipitopito e pā ana ki reira.

I te tau 1886, i haere ia ki te raki o Greenland, ā, i muri i ngā tau e rima ka tīmata ia i tētahi haerenga tuarua, e ako ana i ngā tāngata, e whiti ana i ngā awaawa hukapapa, e whakaatu ana he takutai moana raki tō Greenland, ā, nā reira i whakaū ai i tōna mana hei moutere nui rawa atu o te ao. I muri i ngā tau e rua, ka hoki ia ki Greenland. I te tau 1898, ka tīmata ia i tētahi haerenga e whā tau te roa.

Ināianei kua rite a Perry ki te haere ki te wāhi ngaro. I tīmata ia i tana haerenga mōrearea i te tau 1902, engari i akiakihia ia kia hoki mai nā ngā āhuatanga ohorere. I te tau 1905, i ngana anō ia, i tēnei wā ka tae ki te rohe raki rawa. I te tau 1908, ka rere ia i runga i te kaipuke Roosevelt, ā, ko tana haerenga tuawaru i angitu. I heke ia me ana hoa, i eke ki ngā reti kurī, ā, i haere ki te Pou. I ētahi wā, ka whakaroa ētahi o ana hoa ki te whakatū puni me te kohi taonga mō tana haerenga hoki, me ā rātou āwhina.

I haere tonu ia i tana haerenga me tētahi pononga mangu me ētahi Eskimo tokowhā, me ā rātou kai e ranea ana mō ngā rā e whā tekau.

I poroporoaki a Perry ki te hunga i mahue iho i a ia i te teihana whakamutunga, ā, ka hiko atu ki te pou, ka tae atu ki reira i te 6 o Āperira, 1909, ā, ka tū ki te tihi o te ao.

I mua i te taenga atu o Peary ki te Pou Raki, i tukuna e te kairangi rererangi o Amerika a Frederick Cook tētahi waea mai i ngā Moutere o Shetland e kī ana kua tae atu ia ki te Pou Raki i te tau i mua atu. Heoi, i te wā i tirotirohia ai e ngā kaipūtaiao ngā kereme a Cook, i kitea he teka, ā, kāore ia i tae ki te Pou Raki. Heoi anō, i whakaae rātou ki ētahi o āna kitenga i te rohe.

He kaha whakaharahara te hiahia o Perry, ā, i akiaki ia i a ia anō ki te hiko tonu ahakoa te mamae nui o ōna waewae, nā te ngau o ōna matimati i te tau 1898, ā, i hiahiatia ai kia tapahia ōna waewae. Heoi, kāore tēnei hauātanga i aukati i a ia ki te hiko (me tana hoa pono, hoa aroha, te tangata mangu a Matthew Henson) 1,400 kiromita (mā runga i te hukapapa i roto i ngā āhuatanga tino uaua!) huri noa i te pito raki o Greenland hei hanga i tētahi mapi taipitopito o te rohe. He mahi toa tēnei!

Kei te kiia tonu a Perry ko ia tētahi o ngā tāne toa me te tino kaha ki te whakatutuki i ngā whāinga.

I roto i tēnei horopaki, e kī ana a Imam Ali (kia pai te Atua ki a ia):

"Nō reira, me uaua, me mahi nui, me rite, me whakanui hoki i ā koutou kai."

Kia tau te rangimārie ki a koe

I waenganui i a Alexander rāua ko te Yogi

He kōrero whakamīharo kei roto i ngā kaituhi hītori Kariki me ētahi atu i haere tahi me Alexander i tana pakanga ki Īnia. I whakamāoritia ēnei kōrero e Tākuta McCrendle hei whakamārama i te ao o Īnia onamata. Ko tētahi o ngā āhuatanga tino whakamīharo o te wikitoria kore angitu a Alexander ko tana hiahia nui ki te rapunga whakaaro Īnia me te hāpori o ngā yogi me ngā tāne karakia i tūtaki ia i ia wā, i ia wā, ā, i tino hiahia ia ki te hono atu ki a rātou. I tōna taenga ki Taxila i te raki o Īnia, ka tonoa e te toa Kariki a Onascritus, he ākonga nō te kura Kariki a Diogenes, ki te kawē mai i te rangatira hermit Īnia a Dandamus, e noho ana i Taxila i taua wā.

I mea atu a Oniskertius ki a Dundamus i muri i tana kitenga i tōna wāhi huna i waenganui o te ngahere:

"Ngā mihi me te rangimārie, e te kaiako o ngā Brahmins! Ko Alexander, te tama a te atua nui, a Zeus, te rangatira o ngā mea hanga katoa, e tono ana kia haere koe ki a ia. Ki te haere koe, ka hoatu e ia he utu nui ki a koe, engari ki te whakakahore koe, ka tapahia e ia tōu mahunga."

I ata whakaae te yogi ki tēnei karanga, me te ara ake i tōna māhunga i tōna moenga rau, ā, ka whakahoki:

"Ā, he tama anō hoki ahau nā te atua, nā Zeus; ki te mea ko Alexander, kāore au e tono i tetahi mea mai i ngā mea a Alexander, nā te mea e makona ana ahau ki aku mea, i a au e kite ana i a ia e neke haere ana me āna tāngata i runga i te wai me te whenua, ā, kāore he mutunga o tana kopikopiko ake ake."

"Haere ki a Arehanara, ko te Atua anake te rangatira e tika ana kia karakiatia, kia whakanuia. Ko ia te kingi tino nui e kore e whakahau i te kino kino, nā te mea ko ia te kaihangā o te māramatanga, te rangimārie, te ora, me te wai, me te kaihangā o te tinana tangata me ngā wairua o te tangata. Ki a ia ka hoki mai ngā tāngata katoa ina whakawāteatia rātou e te mate, kia kore ai rātou e pāngia e ngā kino o te mate."

I haere tonu te kōrero a te tangata whakaaro nui me te whakatoī ngawari:

"Ehara a Arehanara i te atua nā te mea ka tino pāngia ia e te mate. Ā, me pēhea e taea ai e te tangata pēnei i a ia te noho hei rangatira mō te ao, i te mea kāore anō ia kia piki ki te torona o te ao o roto, kāore anō hoki kia tomo ora ki te poka hohonu, kāore anō hoki ia e mōhio ki te ara o te rā i runga i ngā rohe whānui o te whenua, ā, kāore anō hoki ngā iwi tata kia rongu mōna?!"

I muri i tēnei riri, e kiia nei ko te whakaekenga tino kino ki ngā taringa o (te Ariki o te Ao), ka tāpiri te tangata tapu me te whakatoī: "Ki te kore e ranea ngā koroni o nāianeī o Alexander hei whakamātau i tana apo, tukua ia kia whiti i te awa o Ganges, ā, ka kitea e ia he whenua nui e taea ai te whakauru i ana tāngata katoa"

"He koretake ki ahau ngā mea e tukuna mai ana e Alexander ki ahau me ngā koha e whakaaria mai ana e ia. Ko ngā mea e tino whakanuia ana e au, e whakaarohia ana e au he mea whai hua, he mea nui rānei, ko ēnei rākau hei hanga i tōku kāinga, ko ēnei tipu putiputi e whakarato ana i te oranga mōku i ia rā, me te wai e whakamama ana i tōku matewai. Ko ngā

taonga katoa, ka kohia me te tino tupato, he kawenga ki ō rātou rangatira, ka waiho noa iho me te pouri me te pouri, te rota o te hunga kore mārama. Mōku nei, e takoto marino ana ahau i roto i ngā rau me ngā tarutaru o te ngahere, ā, nā te mea kāore he mea hei whakaara i ahau, ka moe pai ahau, e pārekareka ana ki te moe reka me te marino. Me i ahau he mea e hiahia ana kia tiakina me te mataara, ka whakararuraru i taku okiokinga, ka tango i te ahua reka o te moe. Ka whakaratohia e te whenua ngā mea katoa e hiahiatia ana e au, pērā i te whaea e whakarato ana i te waiū ki tana pēpi, ka haereere ahau ki ngā wāhi katoa e hiahia ana ahau, ā, kāore he āwangawanga hei whakararuraru i ahau, hei whakakino rānei i tōku ao."

Ahakoia ka tapahia e Alexander tōku mahunga, e kore e taea e ia te whakangaro i tōku wairua. Ko tōku mahunga, ka noho puku i muri i te mate, me tōku tinana, ka rite ki te kākahu pakaru, ka noho tonu ki runga i te whenua i hangaia ai rātou.

Ko ahau ia, hei wairua, ka piki atu ahau ki te Atua, nāna nei tātou i whakakakahu ki ngā tinana, i whakanoho hoki i a tātou ki runga i tēnei whenua kia taea ai e tātou te whakamatau ki a ia—i a tātou e noho nei i konei—mehemea ka ngohengohe tātou ki Tōna hiahia, ka noho hoki i roto i te ngohengohe ki a ia. Ā, ina tū tātou ki mua i a ia, ka tono ia kia utua ā tātou mahi. Ko ia te Kaiwhakawā tika e whakahē ana i ngā kino katoa, i te hara, i te takahi ture, i reira ka huri ngā tangi a te hunga e tukinotia ana hei whiu mō te kaitukino.

Tukua a Arehanara kia whakamahi i tēnei tūmomo whakawehi hei whakamataku i te hunga e hiahia ana

ki te taonga, e wehi ana rānei i te mate. He ngoikore te patu a Arehanara ki ngā yogi.

"Kāore mātou e aroha ki te moni, kāore hoki mātou e wehi i te mate." "Haere, kī atu ki a ia kāore a Tanemu e hiahia ana ki tētahi mea āu, nō reira kāore ia e pai ki te haere mai ki a koe." "Engari ki te hiahia koe ki a Tanemu, haere mai ki a ia." I aro nui a Arehanara ki te whakautu a te yogi i runga i te reo o Onehikiritu, ā, ka nui haere tōna hiahia ki te kite i a Tanemu, ahakoa tōna tū tahanga me tōna koroheketanga, i kitea e ia he toa i ngā tāone me te toa i ngā whenua, he nui atu i tōna rite."

a te Tangata : He Kōrero Whaiaro

Nā Paramhansa Yogananda

Ētahi tirohanga wairua

Mo te kaiako mohio a Paramhansa Yogananda

Kua homai e te Atua ki a tātou te mana whiriwhiri, ā, kua whakanohoia e ia ki roto i a tātou he hinengaro hei wehewehe i te pai me te kino, i te mea pai me te mea kino.

Ina rongo tātou i te mana wairua e mahi ana i roto i a tātou, ka rongo tātou kei te anga whakamua tātou, kei te ahu whakamua hoki, nō reira ka piki ake tō tātou whakapono ki te Atua, ki a tātou anō hoki, ā, ka heke te kaha o ngā uauatanga kia taea ai e tātou te whakatau i aua uauatanga me te whai whakaaro nui, te whakamarie, me te taurite.

Ko tō tātou āhua tūturu ko te wairua, ko tōna mauri ko te rangimārie, te marino, te ata noho, me te marino. Kei roto i a tātou ēnei huānga manaakitanga, ā, he wāhanga nui o tō tātou wairua.

He maha ngā wā ka kōrero te tangata mō ngā pēhanga e pā ana ki a rātou me te ahotea hinengaro e pā ana ki a rātou i raro i te taumaha o ngā tono maha, engari kua tātou e tuku i a tātou kia taka ki roto i tētahi momo uauatanga, ā, me mahara tonu tātou kua homai e te Atua he kaha ki a tātou hei whakatau i ngā wero katoa e pā ana ki a tātou.

Kia mau te Atua ki roto i ō koutou ngākau i a koutou e hiko ana i ngā ara o te ora

Kia tū ō waewae ki te whenua, kia tū tō mahunga ki runga ake i ngā kapua o te kuware i ngā pae tawhiti o te rā o te whakaaro nui mutunga kore.

Ina ngaro te kaha ki te pārekareka ki te ao, ki te whai wāhi atu hoki ki ngā mahi whakangahau hauora, ka nui ake tō tātou whakaaro nui, tō tātou matakū i te mea e tika ana. Ahakoa te āhua pōuri me te pōuri o te rangi, me mau tonu tō tātou whakapono ka ara anō te rā, ā, ka tae atu te hunga kei te ara tika, ahakoa te roa o te tawhiti me te tawhiti o te ūnga.

Kei roto i te ngākau mahaki te kaha wairua pono, te nui o te pono, te hohonu o te aroha, me te ataahua o te ngākau māhaki me te ngākau ngohengohe.

Ko te tangata whai whakaaro kaha, e noho tahi ana me te Atua, ā, kāore e tatari kia menemene mai ngā aorangi me ngā whetū ki a ia. Engari, ka haere tonu tana haerenga pērā i te whetu e wero ana, kāore e pāngia engari ko te whetū ārahi a te Atua, ko ia te rā o ngā rā, te Ariki o te ture me ngā wairua.

Kua te tangata e noho roa ki te ngaromanga me te hinganga, engari me ngana anō, ahakoa te maha o ngā nganatanga i rahua, me te kawa o aua nganatanga.

Āe, te teitei o tōu whenua, e te hoa, ā, te momona me te tapu o tōu oneone! Ko te aroha tōu kai, ko te pono tōu inu.

I haere mai tātou ki tēnei ao ki te whakawhanake i a tātou anō, ki te tūhura i tō tātou pūmanawa wairua, ehara i te mea ki te ruku ki roto i ngā moana pōuri o te mānukanuka e pā ana ki ngā tini tūponotanga.

Ko te tino harikoa o te ao ko te whakaaro kei te noho haumaruru tātou i te aroaro o te Atua

Ko te wā o te hinganga te wā pai rawa atu, te wā tino pai rawa atu hoki hei rui i ngā purapura o te angitu. Me whakakore te hinganga i ōna pūtake, ā, me whakatipu ngā mara o te ao me te ngākau nui me te whakapau kaha, me te rui ki ngā purapura o te pai kia nui ai te kotinga, ki te pai te Atua.

He tokoiti noa iho te hunga e tātari ana i ō rātou āhuatanga, e whakatau ana mēnā kei te anga whakamua, kei te whakamuri rānei rātou. Hei tangata whai tirohanga, whai whakaaro nui, whai māramatanga hoki, ko tā tātou mahi nui ko te whakamahi i ō tātou whakaaro nui me ngā tirohanga ki ngā huarahi tika.

Kāore he tangata wairua pono e ora me te kore e angitu i roto i te ao tūroa. Ā, kāore he āwangawanga ā-ao tūroa e tino taumaha rawa ana, e kore ai e taea e rātou te whakaaro ki te Atua, te whakatapua hoki i te wā e tika ana ki te whakaaroaro, ki te mahi, me ngā mahi wairua.

Me noho te tangata me ōna whakaaro katoa, ōna kare ā-roto, me ōna māramatanga katoa, ā, me mataara, me aro hoki ki ngā mea katoa e tū ana i tōna taha, pērā i te kaiwhakaahua mohio e tatari ana mō ngā wā tino tika hei hopu i ngā whakaahua tino ataahua o ngā tirohanga tino ataahua.

Kei ia tangata te pūmanawa kāore anō kia whakamahia. Kei a rātou te kaha katoa e hiahia ana. Ko te hinengaro tonu te mana nui, ā, me

ana mahanga. Me whakahaere e koe tōu ao, me
whakaara ake i tō kaha o roto, me te ārahi i te
kaipuke o tōu ao ki te tauranga haumaruru.**

**Ina ruia e ngā hinengaro te puehu o te kuware, ā,
ka pakaruhia ngā here e here ana i ō rātou mana, ka
kaha ake rātou ki te auaha me te taunekeneke pai ki
te ao.**

**Ki te kore te tangata e whawhai ki tētahi e kaha
ake ana i a ia anō, e kore rātou e kaha. Waihoki, ki te**

anga atu koe ki ō uauatanga me te maia me te kaha wairua, ka kaha ake koe, ka manawanui ake.

Kaua e whakaaro he ngoikore koe, kāore hoki e taea te aro atu ki ngā āhuatanga o te ao, ahakoa te uaua, te kino rānei. Kua homai e te Atua te kaha ki a koe hei wikitoria i ngā wero o ia rā. Kia mahara, ahakoa te nui o ō uauatanga, he nui tō kaha hei whakatau i aua wero. Kei a koe te Atua, ā, ka tautoko ia i a koe mēnā ka whakapono koe ki a ia, ka u tonu ki te maia o te hunga toa i roto i te pakanga o te ao.

Kua tae te wā mō te tangata ki te tautuhi i tōna tūranga, me te whakatau i te ara me haere e ia: ki te pōrearea me te whakangaromanga, ki te anga atu rānei ki ngā kaupapa whānui teitei ake e tautokona ana e ngā whakapono Āperahama hei whakaora i ngā wairua me te ao i te mamae me ngā aituā. Ki te mahi te tangata i tana mahi e tika ana, ā, e arahina ana e ngā mātāpono o te pai, te aroha, me te matatika, kātahi ka memeha te pōuri, ka memeha atu te pōuri.

Kei roto i a koe ngā mana rangatira me ngā taranata utu nui e takoto puku ana, engari kāore koe e whakamahi. Haere atu ki ngā pae tawhiti o te ao kua whakapaingia, kei reira te whakatutukitanga, te harikoa, me te rangimārie.

Ki te kī mai tetahi ki ahau kāore e taea e ia te mahi i tēnei mahi, i tēnā mahi rānei, kāore au e whakapono ki a ia, nā te mea ka taea e ia te mahi i tana e hiahia ana ki te mahi mēnā ka rite ia mōna.

I kite ahau i a koe e ngaki ana i te oneone o tōku wairua ki te parau o ngā whakamātautau me ngā raruraru, e ruirui ana i ngā purapura o tōu whakaaro nui ki roto i ōna awaawa. I haere tonu taku whakamakuku i aua purapura, ā, i te whitinga mai o te rā o tōu aroha ki runga i a rātou, ka tupu, ka

puāwai, ka hua mai he kotinga manaaki o te ngākau māhaki me te ngākau māhaki.

Ka miro te noke hiraka i roto i te kōkō. I mua i tana putanga mai i taua kōkō hei pūrerehua, ka kitea ia kua mate i roto i te whare herehere hiraka i hangaia e ia. Ka pā anō hoki tēnei ki te tangata. I mua i te tipu o ō rātou parirau o te māramatanga, ka mirohia e rātou ngā miro o te wehi, te manukanuka, me te kuware kia pā mai rā anō te mate, kia tae mai rā anō te hāora o te wehenga, ā, ko te mutunga tēnei.

He maha tonu ngā wā ka kitea tātou e mauheretia ana i roto i te whare herehere nā tātou anō i hanga. He aha te take o ēnei mamae katoa? Ō tātou ake whakaaro me ngā āhua noho hē, nā te mea ka mahi tātou i mua i te whakaaro. Me whakawātea tātou i a tātou anō i ngā whakaaro o te riri me te hiahia whaiaro, me te oranga koretake, kāore hoki e rite ki ō tātou wawata teitei. Ko te hunga katoa he wawata wairua, me pupuri tonu i te rere o ō rātou kaha me te kaha o ō rātou wairua mā te whakaaro pai, te tumanako pai, me te mahi whai hua.

Ko te kore wehi ko te whakapono ki te Atua me tana tiaki, me te whakapono ki tana tika, ki tana whakaaro nui, ki tana atawhai, ki tana aroha, me tona aroaro i nga wahi katoa.

Kāore he parenga, he haumarutanga rānei i waho i te Atua, me tahuri katoa tātou ki a la mēnā e hiahia ana tātou ki te haumarutanga me te rangimarie o te hinengaro.

Ko te hunga e whakaaro ana ki tō rātou ake haumaru me te whakamarie anake, e wareware ana, e kore rānei e aro ki ngā hiahia o ētahi atu, kei te rapu tonu rātou i te rawakore ka pā ki a rātou i tētahi rā.

Ko te hunga e pupuri ana i ō rātou taonga, kaua e whakamahi mō ngā mahi pai, kāore e whiwhi i te

oranga i muri i te ao; engari, i whānau mai rātou he rawakore, e peia ana e ngā hiahia me ngā wawata o te hunga whai rawa. Engari ko te hunga e tohatoha ana i ō rātou taonga ki ētahi atu, ka kukume mai i te oranga me te taonga ki ngā wāhi katoa e haere ana rātou.

Ina hoatu e koe ki te hunga e tika ana kia hoatu ki a rātou, ka kitea e koe kei a koe tonu te Atua, e kore rawa ia e whakarērea koe, ā, e kore koe e hiahia ki tetahi mea me tana awhina me tana manaaki. Nō reira, whakawhirinaki ki te Atua, ā, ka tae mai tana awhina ki a koe, ā, ka karapotia koe e tana manaaki.

E te mea e arohaina ana, e hunaia ana e te atua, ko koe te puna o te aroha e pupu mai ana i te ngākau o te whakahoahoa, ā, ko koe ngā hihi mahana e whakatuwhera ana i ngā puku o ngā kare ā-roto ki ngā rōhi hou o te pono me ngā whakaaro rotarota ngawari.

He tāngata tuku me te kaiwhiwhi tātou katoa: ka whiwhi koe i ngā whakaaro o ētahi atu mā roto i tō ngākau, koinei te pokapū o ngā kare ā-roto, ā, ka tuku koe i ō ake whakaaro mā roto i te kanohi wairua (i te rae i waenganui i ngā tukemata), koinei te pokapū o te arotahi me te hiahia. Kei roto i te roro tō pūihi, te pokapū o te mōhiotanga me te tirohanga teitei ake, ā-whatumanawa.

Mehemea kei tawhiti koe i tō kāinga, ā, e hiahia ana koe ki te mōhio ki ngā mea e tupu ana i reira. Mena he tino marino ō kare ā-roto, ā, he marino tō hinengaro, ka taea e koe te rongu i ngā kare ā-roto me ngā whakaaro o tō whānau i te kāinga.

Ina he kaha tōu ki te arotahi, ka taea e ō whakaaro te uru ki ngā wāhi katoa, ā, ka whakakīia ō kare ā-roto ki te kaha ora.

He pūngao, he wiri rānei ngā mea katoa o te ao whānui. He kaha ake te wiri o te kōrero i te wiri o te whakaaro. Ka rere ngā whakaaro o te tangata katoa i roto i te etere. Nā te mea he teitei te taumata wiri o ngā whakaaro, kāore anō kia whakakitea. Waimarie, kāore tātou e mōhio ki ngā whakaaro o te katoa!

Mā te pēhi, te huri rānei i ngā pātene reo irirangi (me ētahi atu huarahi i ēnei rā), ka taea e koe te whakarongo ki ngā rangi me ngā oro rerekē. Me i kore te mōhiotanga ā-roto i roto i ngā paparanga o te etere e haere ana ngā ngaru reo irirangi ki tō kaiwhiwhi, kua rongo koe i ngā oro katoa i te wā kotahi.

I hangaia e te Atua te etere, ā, i whakaaweawe i te hinengaro tangata ki te hanga huarahi hei tuku me te whiwhi i ngā wiri mā roto i tēnei reo. Ka whakawhirinaki ngā ngaru reo irirangi ki te etere mō tō rātou horapa, ā, ka whakawhirinaki hoki ki te hiko mō te tuku me te whiwhi. Ko ēnei ngaru reo irirangi wiri he whakaaro e tukuna ana mā te wāhi ki tētahi kaiwhiwhi haruru.

Ina tata koe ki tētahi e arohaina ana, ka rongo koe i ō rātou whakaaro, engari kāore pea koe e taea te rongo i ngā whakaaro o tētahi atu i tawhiti mēnā kāore koe i te tino matatau ki te kite i ngā āhuatanga o te pūoro. Ko te hunga e whakamahi tonu ana i ngā tikanga arotahi me te whakaaroaro ka rongo i te marino nui, ā, ka pai ake te āhua o ō rātou whakaaro nā tēnei mahi, ka taea ai e rātou te rongo i ngā whakaaro me ngā whāinga o ētahi atu ahakoa mai i tawhiti!

I pātai tētahi manuhiri: "Ehara ianei te whakaaro nui o te hunga tapu i te hua o te whiwhinga i tētahi manaakitanga motuhake mai i te Atua?"

I whakautu te kaiako #Paramhansa:

"Kāo, ko te mea he iti ake te tapu o te mātauranga o ētahi tāngata i ētahi atu, ehara i te mea e whakawhāiti ana te Atua, e whakawhāiti ana rānei i te rere o Tōna aroha noa ki te tangata. Engari, nā te mea he maha ngā tāngata e aukati ana i te rere o Tōna māramatanga e tiaho tonu ana, e ārai ana i a ia kia tiaho i roto i ō rātou wairua."

Ka mea tetahi o ngā ākonga, "Ka haere ahau ki ngā maunga ki te noho ko ahau anake ki te Atua"

Ka whakahoki te kaiako a Paramahansa:

"E kore koe e ahu whakamua i te taha wairua mēnā ka pērā koe. Kāore e taea e tō hinengaro te aro nui ki te wairua. Ko ō whakaaro ka noho noa i ngā maharatanga o te tangata me ngā ahua eka o te ao, ahakoa ka noho motuhake koe i roto i tētahi ana kua whakapūmautia. Ko te mahi pono me te pono o ō mahi o te ao me te whakaaroaro o ia rā te huarahi pai rawa atu."

Ngā kanapa wairua

He kaupapa whānui, he kaupapa whānui kei muri i ngā mahi a ngā tāngata o tēnei ao?

He hiahia whānui kei te akiaki i a tātou katoa ki te mahi?

Mā te tātari māmā i ngā hihiri me ngā whāinga a te tangata e whakaatu ana he mano mā tahi ngā whāinga, ko ētahi he tika, ko ētahi he kore tika, engari ko te whāinga matua tonu ko te whakatutuki i te harikoa tuturu, te harikoa rānei.

Ko te whāinga matua a te tangata he karo i te mamae me te hiahia, me te whakatutuki i te harikoa pumau. He mea anō te whakaaro mēnā ka taea e tātou te whakakore tuturu i te mamae me te hiahia, me te whakatutuki i te harikoa pumau. Engari e whakaatu ana te ao tūturu kei te kaha tātou ki te karo

**i te mamae me te mamae, me te whakatutuki i te
ahuareka, i te harikoa rānei.**

**He aha te take e mahi ai te tangata hei tīmatanga
i roto i tētahi mahi toi?**

**Nā te mea e hiahia ana ia kia noho hei tohunga i
tētahi o ngā mara mahi**

He aha ia i tika ai kia mahi i taua mahi?

Nā te mea ka taea e ia te whiwhi moni?

Ā, he aha hoki me whiwhi moni ai ia?

**Nā te mea ka taea e ia te whakatutuki i ana hiahia
whaiaro me ana hiahia whānau mā te whiwhi moni.**

Ā, he aha hoki me whakatutuki ai aua hiahia?

**Nā te mea ka āwhina tēnei rangahau ki te
whakakore i te mamae me te whakatutuki i te harikoa**

**Nō reira, e kite ana tātou ko te whakatutuki i
tētahi hiahia, te whakakore i te mamae, ahakoa te
tinana, te hinengaro rānei, ahakoa te iti, te kino
rānei, me te whakatutuki i te harikoa ko tā tātou
whāinga matua tēnei.**

**Kāore he take e pātai atu ai mō te take o te hari,
nā te mea kāore he whakautu mō tēnā, ā, koinā tā
tātou whāinga matua.**

**Nō reira, ahakoa te āhua o ā tātou mahi, o ā tātou
wawata rānei—te tīmata pakihi, te whiwhi moni, te
whai hoa, te tuhi pukapuka, te whiwhi mātauranga, te
whakahaere rangatiratanga, te koha miriona, te
tūhura whenua, te wawata ki te rongonui, te āwhina i
te hunga rawakore, te hiahia rānei kia aroha ki te pai
o te tangata—ki te tirotirohia e tātou tō tātou
kaupapa pono, ā, kia maumahara ki tēnā, ka noho te
rapu i te Atua hei mea pono, ā, he mea whai kiko, nā
te mea ko te Atua te harikoa e whai ana tātou kia
tutuki, ā, e hiahia ana ō tātou wairua ki tēnā.**

Ahakoia ka hipokina e te tangata tōna mata ki te kopare, ka mōhio tonu koe kei reira te tangata. Waihoki, he rite te taiao ki te arai nui, kua pupuhi i te aroaro o te Atua. Kei muri i ngā arai me ngā kopare o te taiao te Atua, engari ka titiro pōturi te tangata, ā, kāore e kite i te aroaro o te mea ora e huna ana i muri i ngā ārai o te taiao.

Ki te kore he āwhina a te Atua, ka hinga te tangata nā te mea ko te kaha me te whakaaro nui hei toa i te pakanga o te ao e ahu mai ana i te pūtake mutunga kore.

Ina noho puku ahau, ina ata noho, ina whakaaroaro, ka rongo ahau i te wiri o te hari i roto i ahau, ā, ka rongo ahau i te Atua e kōhimuhimu ana, "Kei konei ahau"

Ko te hinengaro kua homai e te Atua ki a tātou ko te kūaha ki te rangi: ko te kūaha o waho o tōna rangatiratanga, engari kāore te iwi e whakamahi ana i te mea e tika ana.

Kāore tātou e hiahia kia tatari kia wehe atu tātou i te Ao nei ka whakamahi i ō tātou hinengaro ki te rapu i te Atua; ko te wā tēnei, ā, kei konei te wāhi. Ko te hunga kāore e whakamahi i ō rātou hinengaro ki te rapu i ngā mea ngaro o te ora me ngā mea ngaro o te oranga i a rātou e noho ana i runga i tēnei Ao, e kore rawa e kitea i hea atu.

He whakaaturanga ia tangata i te mana mutunga kore o te Atua, ā, me whakaatu e rātou tētahi wāhanga o taua mana i roto i ngā mea katoa e tutuki ana i a rātou.

Ko te hunga e whai ana ki te kōrero ā-hinengaro ki te Atua, te Take Tuatahi, te Kaiwhakaoho Tuatahi rānei o te ao, ko rātou te hunga e tata ana ki te whakaoti i te mea ngaro o te ora.

Ki te hiahia koe ki te waihanga i tētahi mea, kaua e whakawhirinaki noa ki ngā puna o waho, engari rukuhia koe ki roto i a koe anō, ka rapu i te puna mutunga kore. Ko ngā tikanga mahi katoa mō te angitu, ko ngā mea hou katoa e whai hua ana ki te tangata, ko ngā wiri puoro kua whakatikatikaina, me ngā tuhinga tapu, kua tuhia ki roto i ngā pūranga a te Atua.

Ko te hunga e kore e aro ki te Atua ka tapahia e rātou tō rātou ake ara ora

He tino kaha te hiahia o te tangata ki te whakaputa i te kaha, ā, mā te whakamahi i te kaha me te hiahia ki te uru atu ki ngā pūtake kaha tūturu, ka taea e te tangata te hono atu ki te kaituku mutunga kore o ngā kaha o roto.

Ko te hunga kāore e hiahia ki te mahi i ā rātou mahi o ia rā, ka ngoikore te kaha, ko te kaimahi uaua ia e mahi ana me te hihiri me te ngākau nui, ka whakakī i tōna tinana me tōna hinengaro ki te ia o te ao.

He kawenga mā te tangata te whakatutuki i ngā whāinga rangatira. Ko te aro ki ngā mea koretake, koretake hoki, he maumau noa iho o te kaha hinengaro.

Me hutia ngā taru i te māra o te hinengaro, me whakapaipai ki ngā putiputi o te aroha atua kia kukume mai ai i te Atua ataahua e aroha ana ki te ataahua.

te māra kia tupu tonu i roto i te oneone o te whakaaro nui, me whakangawari koe i te oranga me te tango i ngā uauatanga Mā te whakatutuki i ngā mea katoa me te hinengaro arotahi me te kore e whakararuraru, ka taea e koe te tātari i ō mahi, te whiriwhiri i ngā mea nui me ngā mea nui, me te

whakarērea i ngā mea papaku me ngā mea koretake. Kia oti te mahi, ka taea e koe te tango i tō hinengaro mai i reira ka whakamahi hei whai i ētahi atu wawata auaha.

He maha ngā wā ka whakaaro te tangata ki tētahi atu mea i a rātou e mahi ana i tētahi mea, ā, kāore rātou e mōhio ki te huarahi tika hei arotahi i ō rātou hinengaro ki taua mea e mahia ana e rātou.

Me ako tātou ki te whakaaro ki tētahi mea i te wā kotahi me ō tātou hinengaro katoa. Me aro nui tātou katoa ki taua mea kotahi anake.

Kaua te tangata e mangere, e kore e hihiri, e whakaaro ana ka ngaro te ora i te mea ka oti pai ngā mea, ā, ka hinga, ka pouri hoki. Kaua te tangata e noho hei mīhini hinengaro e mahi ana i a ia anō. He rite ki te kararehe e mahi ana i runga i te kare ā-roto

He hapa nui te korenga o te tangata e ara ake, e whakahohe i ōna pūkenga hinengaro. Nā te Atua ēnei pūkenga i homai ki a tātou, ā, e hiahia ana ia kia whakamahia e tātou me te whakaaro nui, kia tino mōhio hoki ki ngā mea katoa e mahia ana e tātou.

Me ata whakaaroaro hoki tātou i mua i te mahi i tētahi mahi, me te whakamahi i ō tātou hinengaro ki ngā huarahi e āwhina ai i a tātou ki te tipu me te whakatutuki i tō tātou kotahitanga ki te Kaihanga Kaha Rawa. Ko ngā mea katoa e mahia ana e tātou me ahu mai i te whakaaro tika me te whakamahere whakaaro nui.

He kupu whakarite tēnei mō te kāreti hōiho e arahina ana e te taraiwa e pupuri ana i ngā taura. E tohu ana tēnei kupu whakarite i te wairua e eke ana i roto i te kāreti tinana e tōia ana e ngā hōiho o ngā mātai. Ko te whakaaro e pupuri ana i ngā taura, ā, ko

te hiahia mārama e ārahi ana. Ko te rangatira o te kāreti te mea tino nui, ā, muri iho ko te taraiwa me ngā taura e tika ana hei whakahaere i ngā hōiho, kātahi ko ngā hōiho tonu, ā, i te mutunga ko te kāreti. Waihoki, ko te wairua te mea tino nui, ā, muri iho ko te hiahia mārama, kātahi ko te whakaaro e whakahaere ana i ngā taura, kātahi ko ngā hōiho, ā, i te mutunga ko te tinana.

Ko te hinengaro ao e ārahi ana i te tinana ngoikore i roto i te ao, ka tuku i ōna kare ā-roto kia rere whānui, kaua e whakapakari i tōna hanganga tinana, e whakapai ake hoki i ōna kare ā-roto mā te whakamahi i te mana whakahaere me te ārahi i a rātou me te māramatanga ā-roto ki tōna kaupapa wairua, arā, te pūtake o ēnei mea katoa.

I a ia e hiko ana i ngā ara taratara, tataramoa o ngā kare ā-roto, ka pakaru te hariata o tōna ao, ā, ka ngaro.

E mōhio ana te tangata rapu e rapu ana i te mōhio ki a ia anō ko te kaupapa nui rawa atu o te ao ko te rapu pono mō te harikoa wairua e huna ana i roto i te wairua, ā, i te wā kotahi ka ako ia ki te whakawhanake i ōna mana hinengaro, hinengaro rānei e huna ana, me te whakapai ake i ōna kare ā-roto kia haere tonu ai i ngā ara o te ahunga whakamua ki te whāinga e hiahiatia ana, me te ngana ki te karo i te taka ki roto i ngā mahanga o te mamae tinana me te hinengaro.

Ara, e mārama ana te ākonga ki te huarahi tika hei whakatutuki i te tipu wairua i ngā āhuatanga katoa, i ngā taumata katoa.

Mō te tangata ao pōhewa, ko tana anake e aro nui ana ko te whakatutuki i ōna hiahia tinana me te whakamanawareka i ōna hiahia, me te kore e aro ki

tana kawenga ki te whakawhanake i ōna pūkenga hinengaro me te wairua.

Ka taea te rongoā i ngā mate io. Me tātari e te hunga e pāngia ana e ēnei mate tō rātou āhua, me te whakakore i ngā kare ā-roto me ngā whakaaro kino e whakangaro haere ana i a rātou.

Ko te tātāritanga whai kiko o ngā raruraru whaiaro me te pupuri i te marino i roto i ngā āhuatanga katoa he mea nui ki te whakaora i ngā mate io mau tonu. Me mārama te hunga e pāngia ana e te manukanuka ki tō rātou āhua, me te mōhio ko te noho tonu ki ngā whakaaro kino te pūtake o tō rātou kore taurite me te kore e taea te aro atu ki te ao.

Ka whakamarie te tinana marino, wātea hoki i ngā io, ka kawe mai hoki i te rangimārie hinengaro

Kia mōhio: Ehara tēnei i te kī kāore koe e tika kia kōrero ki ngā tohunga mō tēnei mara, nō reira tēnei whakamārama

I ngā wā me ngā wāhi rerekē, kua riro mai i te tangata, nā roto i te whakaaro nui, he maha ngā whakaaro mō te ora me te wairua.

Hei tauira, ina pāngia tetahi mema o tētahi iwi taketake e te mamae o te upoko, ka whakaaro tōna whānau kua mawhiti tōna wairua i tōna tinana, nō reira ka karanga rātou ki te tākuta makutu kia whakahokia mai te wairua ki a ia. Ka haere te tākuta ki te ngahere ki te rapu i te wairua, ka kitea e ia, ka mauria mai i roto i tētahi pouaka ka whakahokia ki te upoko o te tūroro, ā, ka ngaro te mamae o te upoko e ai ki te whakapono o te iwi whānui.

I tētahi atu ahurea, ko te "tihe" o te tangata tūroro ka mahia mā te whakatakoto matau (he rino

piko he koi ngā pito) ki roto i tōna tinana kia kore ai tōna wairua e mawhiti ina tihe ia, engari ka mau i ngā matau!

Pērā i ētahi tāngata kua tae ki ngā whakatau hē mō te hinengaro tangata nā runga i ngā tikanga whakaaro hē, kua tae ētahi atu - mā te tirohanga tūturu - ki tētahi māramatanga rerekē, whai kiko, whai kiko ake hoki.

E mōhio ana tātou kāore te wairua i rite ki te manawa, nā te mea kei reira ētahi tāngata kua roa e noho pōrearea ana, kāore hoki e manawa, ā, e whakaatu ana tēnei kāore e taea te here i te wairua ki te manawa. He teitei ake te wairua i te manawa, he teitei ake i tētahi atu āhua tinana.

Ahakoia te whakapono o te tangata he wairua ia, e hiahiaitia tonutia ana e te ture whānui kia whakakitea e ia tōna āhua wairua.

Ahakoia te mahi a te tangata, te āhua rānei o tōna orange, ka whanake, ka whānui hoki tōna mōhiotanga ina whakamahia e ia tōna hinengaro ki te auaha me te whai hua. Ka whai wāhi ia mahi whai hua ki te whanaketanga o te tangata, ā, ka whānui ake hoki tōna māramatanga.

He pai ki ahau te pānui, engari e rua whārangi anake ka taea e au te pānui i mua i te karangatanga mai ki ahau kia mahi i tētahi atu mea, ā, koia te take i whakakapia ai e au te pānui ki te whakaaroaro.

I a au e ruku ana ki roto i ngā hōhonutanga o tōku wairua, ka puta mai ngā māramatanga kanapa, ā, ka puta mai te hari nui rawa atu, he hari e haere tahi ana me ahau i te roanga o te rā. Koinei ngā mea kua pā ki ahau i roto i tōku ao, me ngā mea hoki e pā ana ki te hunga katoa e kōrero ana ki te Ariki tapu i roto i te reo o te wairua me te hiahia o te ngākau.

He mea utu nui rawa te wā hei moumou. E hiahia ana te Atua kia taurite tātou. Ko te tangata e tuku ana i tōna oranga kia pōrearea, ka whiua ia e te ture whānui.

Ki te noho ngāwari koe, ki te whakakorikori tinana i ia rā, ki te pānui pukapuka whai hua, ā, ki te whakawhanake i te tikanga o te whakaaroaro ki te Atua i ia rā, ka pā mai te harikoa ki ō kare ā-roto, ka rere ngā iahiko ora i roto i ō toto, ā, ka kī ngā pūtau o tō tinana i te māramatanga me te kaha kāore anō kia kitea e koe i mua. Ka whiwhi koe i te mātauranga katoa e hiahia ana koe mai i te wairua i roto i a koe.

Koinei te āhua o tōku ao i ngā wā katoa, kāore anō kia rua tekau ngā pukapuka i pānuihia e au i roto i ngā tau e rua tekau. Kāore au i te whakahīhi ki tēnā, ā, me i kore te whiwhi i te māramatanga wairua atua mā te whakaaroaro, kua tino kuware ahau.

Ina titiro ahau ki tētahi pukapuka, ka kite ahau kua whakakitea kētia mai e te Atua ki ahau ngā kōrero o roto

Ko ngā whakaaro me ngā pono whakahirahira katoa e ahu mai ana i te Atua, te Mātanga Katoa, ā, ki te whakaaroaro koe ki a ia, ka whiwhi tika koe i Tōna whakaaro nui.

Nō reira, he pai ake te pānui pukapuka pai i te moumou taima ki ngā mahi kore hua, ā, he pai ake i te pānui te whakaaroaro me te whakatū i te mōhiotanga ki te pono tuturu, arā, ko te Atua.

He tokomaha te hunga e pānui pukapuka tonu ana, engari kāore e taea te tuku atu i tētahi mea whai hua ki a koe. Ko te huarahi pai ki te pānui pukapuka ko te whakaaroaro ki ngā ihirangi o roto, me te kite me pēhea te whai pānga ki tō ake oranga.

He mea nui anō hoki kia whakamahia te māramatanga kia kore ai e whakaae noa ki ngā mea katoa e pānuihia ana e koe. Me makona tō hinengaro me tō arorau i ngā mea e pānuihia ana e koe. Kia tino whai hua ai te pānui, me whakaoho te pukapuka i tō whakaaro, ā, ka rongo koe i te whanaketanga me te whānui o tō hinengaro.

Ko te hunga kāore e pānui, e whakaaroaro rānei, engari e ora ana i te ao papaku, kāore he kaupapa, kāore hoki he tikanga, kāore e whakawhanake i te māramatanga hohonu, kāore hoki e whiwhi i tētahi mātauranga.

Mā te rangimārie tātou e hono ai, e taurite ai hoki ki te mana atua e whakaoho ana i ō tātou whakaaro, e whiti ana ki ō tātou hinengaro me ngā rama o ngā whakaoho teitei ake.

Ko te whakaaroaro te huarahi ki te whakatutuki i te whaiaro teitei ake

Ka hē te tangata i a rātou anō mēnā kāore rātou e pānui, engari he pai ake te whakaaroaro i te pānui {Mō te iwi e whakaaroaro ana}

He mea nui te taurite i roto i ngā āhuatanga katoa o te ao. He mea tika kia noho wātea tonu ngā rauemi pānui whai hua, kia pānuihia hoki i ngā wā wātea. Ko ngā mea tino nui o ēnei rauemi ko ngā pukapuka wairua, ā, whai muri ko ngā tuhinga pūtaiao, ētahi hītori, rapunga whakaaro, tuhinga nui, kōrero mō ngā oranga o ngā tino tangata, ngā kōrero haereere, me ētahi atu mea hei whakawhānui ake i te tirohanga me te whakahihiko hohonu.

He hoa pono ngā pukapuka, ā, ki te kounga teitei ō pukapuka, ka nui ake ō painga mai i aua pukapuka.

Ahako te uaua ki te mārama i te timatanga ki ngā whakaakoranga wairua me ngā whakaaro o ngā

kaitātari nui, ā, i muri i tētahi wā, ka kitea e koe te whakaaroaro ki ā rātou tuhinga me te whai wāhi atu ki ō rātou whakaaro. Ka rongo koe kua whiwhi koe i tētahi mea nui, nā te mea i ahu mai aua tāngata whakaaro nui i ō rātou whakaaro nui me ō rātou mātauranga i te taonga mutunga kore o te whakaaro nui o te Atua—ngā whakaaro kāore pea i puta ake ki a koe i tō oranga katoa.

He ataahua, he kanapa ngā putiputi me ngā rōhi, engari kei muri i a rātou he māra tino ataahua, tino ataahua hoki. Ahakoa he mārāma rawa tēnei māra, ā, he uaua ki te kite i te tīmatanga, ki te taea e koe te uru atu ki te taha wairua mā te kuwaha o te kanohi wairua, ka taea e koe te tūhura i taua ao wairua me te koa ki ōna mea whakamiharo.

E noho ana ahau i taua ao ngawari, he mea reka ake, he mea kakara ake ngā āhuatanga ataahua me ngā whakaaro ngawari, ngawari atu i tētahi putiputi, i tētahi rōhi rānei o te ao. Kei reira, e mitimiti tonu ana te pī o tōku hinengaro i te waihonga o te aroaro o te Atua.

Ina arotahi tātou ki roto, ā, ina noho nui atu tātou i roto i taua ao huna i roto i a tātou, ka kitea e tātou ka puta ō tātou āhuatanga wairua ki ngā āhua motuhake e mahi ana hei matapihi e kite ai tātou i te reka o te Atua e kore e taea te whakaahua me te whakaaro.

Ko te hunga e rongo ana, e pānui ana rānei i ēnei kupu, e mōhio ana rātou kei te kōrero pono ahau

Mehemea ka whakaaturia e au ngā mana katoa kua homai e te Atua ki ahau, ka rere mai te iwi ki ahau, ehara i te mea nā te aroha ki te Atua, engari nā ngā merekara. Engari kāore au e hiahia ki tēnei momo ākonga papaku. Kua rātou e kukumea e te mana,

engari e te aroha o te Atua, ā, koinei taku kaupapa i roto i te ao.

Me i kore ahau e mōhio ki te Atua, kua kore ahau e kōrero pēnei. Ā, ka taea e te katoa te mōhio ki a la mēnā e hiahia ana rātou.

Kāore au e ngana ana ki te kukume i te tangata mā te kukume i ō rātou kare ā-roto, engari e kōrero ana ahau ki ō rātou hinengaro, e aro atu ana ki ō rātou whakaaro arorau me ō rātou māramatanga. Kāore he hua o te whakapono matapo. Me whakahohe te tangata i ngā pūkenga mārama kua homai e te Atua ki a rātou, kaua e whakaae noa ki ngā mea i te āhua noa, engari me mārama ki ngā take, ngā pānga, me ngā whakaaro arorau kei muri i ō rātou aronga wairua me ā rātou mahi.

Me i kotahi mano ōku mangai, ka kōrero ahau ki a rātou katoa mō te Atua me te hiranga o te tahuri ki a la me te mōhio ki a la.

Kāore te Atua e tono ana i te tangata kia pōuri, kia pōuri, kia mokemoke, kia pōuri rānei, ehara tēnei i te māramatanga tika mō te Atua, ehara hoki i te huarahi tika hei whiwhi i Tōna manako. Ko te nui ake o te rangimārie e pā ana ki te tangata, ko te nui ake o te rongo i te aroaro o te Atua. Ko te nui ake o te harikoa o te tangata, ko te nui ake o te noho tahi me te Atua. Ko te hunga e mōhio ana ki te Atua, e hari ana rātou nā te mea ko te Atua te pūtake o te harikoa nui rawa atu.

E ngana ana te tangata ki te kimi i te harikoa i roto i te waipiro, te taatai, me te moni, engari kua kī tonu ngā whārangi o te hītori i ngā kōrero mō ō rātou tumanako kua pakaru me ngā moemoeā kāore anō kia tutuki. Nā te wā i pau i ahau ki te whakaaroaro kua tino whai hua ai tōku ao.

Kei roto i te harikoa wairua te arataki me te whakaaro nui o te Atua

Ina noho tahi te tangata me te Atua, ahakoa he hē tana mahi, ka mōhio ia ki te whakatika i te hapa, ā, ki te whakapuaki ia i tētahi whakaaro hē, ka whakatikahia e te Atua, ka whakatikatikaina hoki i runga i te aroha ki tāna akonga.

Me taurite te mātauranga wairua me ngā pūtaiao taiao. Ki te kore tēnei taurite, ka hinga ngā tāngata takitahi me ngā iwi i waenganui i te mamae me te whakangaromanga. Me i mārama ngā kaiārahi o te ao hou ki te wairua, ā, me i mahi tahi rātou, ka taea e rātou te whakakore i te pakanga me te rawakore i te ao i roto i ētahi tau torutoru.

Ko te mōhiotanga wairua ko te mōhiotanga o te tangata ki te aroaro atua i roto i a ia anō, me ngā mea ora katoa.

Mā taua mōhiotanga anake ka taea te whakaora i te ao, ā, ki te kore, kāore au e kite i te tumanako mō te rangimārie. Me tīmata te tangata i a ia anō, he nui rawa hoki te utu mō te wā, kāore e tika kia moumouhia.

E mea ana te kawenga kia mahi tātou i tā tātou wāhanga ki te kawē mai i te rangatiratanga o te Atua ki te Ao nei

He tokomaha e mangere ana ki te rapu i te Atua, e wehi ana kei pōuri, kei ngenge te ao, kāore he ataahua, he harikoa. Engari ko te ritenga kē! Ko te harikoa parakore e kitea ana e te hunga e tino mōhio ana ki te Atua i roto i te tino hononga ki a ia, e kore e taea te kī.

Kei roto ahau i te harikoa wairua i te ao me te pō. Ko taua harikoa ko te Atua, ā, ko te mōhio ki a ia ko

te hipoki i ngā mamae katoa me te tanu i aua mamae me te kore e pouri.

I a ia e noho poto ana i konei, he mea nui ki te tangata tēnei whakaaturanga. Engari kua ia e tino aro nui ki tēnei mea me ōna huihuinga mutunga kore, nā te mea ki te pērā ia, ka wehe atu ia i te Atua, e ngana tonu ana, i ngā huarahi katoa, ki te kukume mai i a tātou ki a ia anō i roto i Tōna aroha nui ki a tātou me Tōna aroha nui ki a tātou.

Ka whakatakotoria ki mua i a tātou ngā merekara katoa e hiahia ana tātou kia kite: ngā mea whakamiharo o te tipu haere o ngā mea me te raupapa mutunga kore o te taiao.

Kei muri i ngā putiputi me ngā rōhi, ā, ko te tangata e rapu pono ana, ka kitea tonutia e ia.

Kāore ngā kaipūtaiao taiao i tae ki ā rātou kitenga mā te inoi matapo, engari mā te whai i ngā ture o te pūtaiao wheako. Waihoki, ko te hunga e whakamahi pono ana i ngā ture o te pūtaiao wairua ka kitea tonutia te Atua i tō rātou taha.

Kua tae te wā kia whakatuwheratia e te tangata ōna kanohi wairua, kia mōhio ai ko te kimi i te Atua me whai hiahia nui, pumau hoki, me te āta pupuri i ngā ture a te Atua.

E patuki puku ana te Atua i ngā tatau o ō tātou ngākau, e karanga ana kia hoki tātou ki a ia, engari ko te nuinga o te iwi kāore e pai ki te hoki mai. Heoi, ina pōuri te ao i mua i ō rātou kanohi, ā, ka raru rātou i ngā raruraru, ka pāngia rānei e te mate, ka hohoro rātou ki te inoi ki a ia me te rapu i Tōna awhina.

Ko te hunga e whakakaha ana i ō rātou hononga o te rangimarie me te whakaae ki te Atua i ngā wā o te harikoa me te whai rawa, ka kitea te Atua i tō rātou

taha ina hiahia rātou ki a Ia. Engari ko te hunga e whakaroa ana ki te whakatipu i tēnei whanaungatanga ka whakahe i a rātou anō ki te aro atu ki ō rātou uauatanga me te tohe ki ō rātou whakamātautau ko rātou anake kia taea rā anō e rātou—me te whakaaro nui me te ngohengohe katoa—te tahuri ki tō rātou hoa mutunga kore me te patuki i Tōna tatau atawhai.

I roto i te tini o te tangata, he tokoiti noa iho e rapu pono ana i te Atua. Kei hea te hunga i whakaaro nō rātou tēnei ao i ngā tau e rua rau ki muri? Kua riro katoa rātou, ā, he tokoiti noa iho pea, ko te hunga i tahuri ki te Atua, ā, i mōhio ki a rātou anō, i tino mārama ki te ao tūturu. Heoi, e whakaaro ana ia whakatipuranga he ao tūturu tēnei!

I mua i te taenga mai o tētahi atu tangata ki a tātou, ko wai i noho ki a tātou? Te Atua Ā, ina wehe atu tātou i tēnei ao, ko wai hei hoa mō tātou? Te Atua, kāore he atu Engari ka uaua ki te mōhio ki a Ia i taua wā ki te kore tātou e kaha ki te mōhio ki a Ia ināianei Ki te rapu pono koe i te Atua, ka kitea e koe, ā, ka kaha ake tōu tino mohio kei a koe tonu Ia. Ka wehe atu ngā āwangawanga me ngā whakaaro pohehe i a koe, ā, e kore koe e tinihangatia anō.

He whakamatautauranga ngā mea katoa o te ao hei kukume i te tangata kia matara atu i te Atua. Engari he nui atu te ataahua o te Atua i ngā whakamatautauranga o te ao nei. Mēnā ka kite koe i a Ia, ka mōhio koe ki tēnei pono, ā, ka taea e koe te kimi i a Ia mā te inoi, te whakaaroaro wairua, me te whakatau pumau.

Ko te temepara e tino arohaina ana e te Atua ko te temepara o te marino me te rangimārie o roto mō

āna akonga, te wāhi e tomo ai rātou ki te whakaaroaro me te kōrero, me te whakarērea te ao me ōna āwangawanga mutunga kore.

Kaua tātou e miharo ki tēnei tira hurihuri tonu o te tangata. I a te tira o te wā e haere tonu ana, ka mōhio koe he wāhanga nui koe o te mea nui. Ina whakatūria e te tangata he temepara ataahua me te rangimārie wairua i roto i a rātou anō, ka taea e rātou te rongo i te aroaro o te Atua me te rongo i Tōna tata. Ki te kore, he maha ngā mānukanuka o te ao, kei te noho tonu, ā, e whakakīia ana ō tātou ngākau e ōna manukanuka.

Ka tangohia atu tātou katoa i tēnei ao i tētahi wā, nō reira me mārama tātou ki te kaupapa o te ora. Ko te kaupapa matua o te wheako tangata i tēnei ao he akiaki i a tātou ki te rapu i te tikanga o te ora. Me whai i te mōhio ki te Atua hei whāinga māu, ā, kia mōhio koe mā te rapu pono me te pono mō te mea ngaro o te ora ka ārai i a koe i ngā uauatanga maha, ka whakaora hoki i a koe i ngā matakū maha .

Ko te wehi o te mate, te korenga, te raruraru, te pouri rānei ka ara ake te matakū nui i roto i te tangata. Ina kore e taea e te tangata te āwhina i a ia anō, ā, kāore hoki e taea e tōna whānau me ōna hoa te tuku āwhina, ka taupokina rātou e te ngakaukore, ā, ka pōuri te ao ki a rātou. Engari kāore he take kia tae atu ki taua āhua. Mena ka whakaaro rātou ki te Atua i roto i ō rātou oranga katoa, ā, ka mau tonu te hononga ki a ia, ka kitea e rātou ia e tata ana i ngā wā uaua me ngā rā uaua.

Ki te kite te nuinga o te tangata he kino te āhua o tētahi tangata, me tirotiro rātou i a rātou anō. Tērā pea ētahi āhuatanga e whakarihariha ana. Tērā pea he nui rawa ā rātou kōrero, he ngāwari ki te

whakauru ki ngā mahi a ētahi atu, he tikanga rānei ki te kōrero ki ētahi atu he aha te hē o rātou me pēhea te noho i ō rātou oranga, me te kore e whakaae ki tētahi whakaaro hei whakapai ake i a rātou anō. He tauira noa iho ēnei o ngā āhuatanga hinengaro ka kore ai tātou e ataahua ki ētahi atu.

He rerekē ngā mea e rua, arā, te whakapono ki te Atua. Kāore he painga o te whakapono ki te kore tātou e wheako, e ora ai i runga i taua whakapono. Ko te whakapono ka huri hei wheako ka noho hei whakapono, ā, ko te whakapono pumau e kore e taea te whakahē, te whakahē rānei, nā te mea he whakapono ā-roto, ā-whakaarokore hoki ki te pono. He mana nui, ā, he tere tonu, he mīharo hoki ōna hua. Ka mahi te whakapono me te tino tika, ā, kāore e waiho he wāhi mō te hapa.

Kei roto i ngā kanohi o te tangata te hītori katoa o tōna oranga, ā, e kore e taea te huna i te hunga e mōhio ana ki te pānui. He kanohi wairua, he kanohi ao, he kanohi tinihanga, he kanohi mānumanu, he kanohi hiahia, ko ngā mea katoa e mahia ana e te tangata ka tuhia ki roto i ōna kanohi, ā, ki te tātarihia e au taku e kite nei i roto i a rātou, ka miharo te iwi ki taku māramatanga.

Me karo tātou i ngā mahi e whakapoke ana i te hinengaro, e whakapōrearea ana hoki i te wairua. Mā ngā mahi hē ka puta he wiri hinengaro kino, kino rānei e whakaatahia ana i roto i te āhua me te āhua o te tangata. Engari, me mahi tātou i ngā mahi me te whakaaro ki ngā whakaaro e poipoi ana i ngā āhuatanga pai e hiahiatia ana e tātou. Mā te hunga e whakaaro ana ki ēnei pono ka kitea e rātou te ataahua o ō rātou oranga.

Kāore e maha ngā wā ka hē te mārama o ngā hoa pono ki a tātou. Ka taea e koe te kōrero pono ki tētahi hoa me te kore e hē te mārama, engari kāore e taea te tupu me te puāwai o te whakahoahoa mena he tohutohu, he tono rānei mai i tētahi ki tētahi.

Ka taea anake te hanga i te whakahoahoa i runga i te turanga o te mana motuhake me te ōritetanga wairua. Nō reira, me ahu mai ngā taunekeneke i waenga i ngā hoa i runga i tēnei mātāpono, ā, i runga anō i tēnei pono. Ki te tukino koe i tētahi, e kore rawa koe e kite i te reka o tā rātou whakahoahoa.

He tokomaha e hikoi ana i ngā ara o te ao, kāore he hoa, kāore au e whakaaro me pēhea rātou e haere tonu ai!

Kāore e maha ngā wā ka hē te mārama o ngā hoa pono ki a tātou, ā, ki te pērā rātou, he wā poto noa iho. Ki te tukua tō whakawhirinaki me tō pono e tetahi, me whakaatu tonu tō aroha me tō māramatanga me te mea kāore he mea i tupu, pērā i tō hiahia kia whiwhi i te whakawhirinaki me te pono hei utu.

Engari ki te haere tonu taua tangata ki te whakahawea me te mauahara ki a koe, me te papaki tonu i te ringa hoa ki a ia, he pai ake te unuhia o tō ringa mō tētahi wā.

Ka tangohia atu tātou katoa i tēnei ao i ngā wā e haere ake nei, nō reira me mārama tātou ki te kaupapa o te ao ināianei.

Ko te whāinga matua o te wheako tangata i konei ko te whakaoho me te whakatenatena i te rapunga mō te tikanga me te kaupapa o te ao. Kaua tēnei haerenga tangata e whakanuia rawatia i a tātou e haere tonu ana te tira o te wā, ā, ka mōhio tātou kei

roto tātou i tētahi oranga nui ake, nō reira, me waiho e tātou te mātauranga ki te Atua hei whāinga matua.

Ko te wehi o te mate, te korenga, te raruraru, te pouri mamae rānei ka whakaoho i te matakū nui i roto i te tangata

Ina kore e taea e te tangata te āwhina i a ia anō, ā, ina kore e taea e tōna whānau te tuku āwhina, he kino rawa atu tōna āhua hinengaro. Engari e kore te Atua e whakarērea te hunga e whakapono ana ki a ia, e whakawhirinaki ana ki Tōna kaha ki te āwhina i a rātou.

I mua i te taenga mai o te tangata ki a tātou, i noho te Atua ki a tātou, ā, ina wehe atu tātou i tēnei ao, ka noho te Atua ki a tātou.

Engari, e kore e taea e tātou te mōhio ki te Atua ki te kore tātou e whakapau kaha ināianei, e whakapau kaha hoki ki te kōrero ki a ia me te whakatata atu ki a ia.

I ōku tau tōmua i pāngia ahau e te tino aro, ā, nā reira ko ahau te tangata i tino pāngia

He tukanga whakamamae i a au anō Nā te mea he tino tairongo ahau, ki taku whakaaro i pai ētahi ki te whakapataritari i ahau, ki te tango i te rangimarie o tōku hinengaro.

Kaua e tukua tetahi kia tangohia tō rangimārie

Ehara i te mea nā te whakato i me te tawai a ētahi atu anake taku riri; i puta mai anō hoki i tōku aro ki ā rātou kōrero. I kitea e au ko te nui o taku tautohetohe ki aku kaitukino, ko te nui ake o tō rātou pai ki ahau.

Hei whakamutunga, ka whakatau ahau kāore he tangata e taea te whakangaro i tōku rangimārie o roto, ā, ka mea ahau ki ahau anō: "Tukua rātou kia whakahē i tā rātou e hiahia ai, engari kāore ahau e aro atu ki ā rātou whakahē"

Ā, koinā tonu te mea i tupu. Kāore au i aro ki ā rātou kōrero whanoke, mamae hoki, me te mea kāore i te ora. Nāwai ā, ka ngaro haere tō rātou hiahia ki te tawai i ahau, ā, ka noho hei hoa mōku; ko ētahi i whai i ōku tapuwae.

Kāore he hua o te ngana ki te tono i te atawhai me te whakaute i ētahi atu; engari, me tika tātou mō tēnā.

Ki te pono tātou ki ētahi atu, ki te whakaute i a rātou, ki te whakahoki i ō rātou atawhai me ō rātou aroha, ka whakaute tonu mai rātou ki a tātou.

Kaua tātou e whakakore i te ngākau aroha o ētahi atu ki a tātou mā te tino aroha ina whakahē mai rātou i a tātou, engari me mahi tahi tātou me te hunga katoa e ngana ana ki te āwhina i a tātou.

Ka pā tonu ngā raruraru me ngā raruraru ki tēnei ao, kaua e tukua ki te wehi me te manukanuka, engari me tahuri te tangata ki te Atua, kia whiwhi ai i te rangimārie, i te haumaru, me te oranga tonutanga, ehara i te mea mōna anake, engari mō āna hoa aroha hoki kua tukua mai e te Atua ki tana tiaki.

Kaua tātou e tino piri ki ngā moemoeā o tēnei ao memeha noa, engari kia piri tātou ki te Atua.

I waho atu i te Atua, kāore he haumarutanga i hea atu. Me mōhio tātou ki tō tātou hononga ki te Atua kia taea ai e tātou te whakakore i ngā whakaaro pohehe mō ake tonu atu.

Mā te whakaaroaro ki te Atua, ka rongo tātou i Tōna aroaro harikoa, ā, ka whakarērea ngā moemoeā kino o te ao.

Ka rongo ahau i te kaha e wiri ana, e pāorooro ana, e whakakī ana i te tinana, e whakaora ana hoki i a ia ki te ora.

Whakangāwaritia, kia rongo hoki i te ngaru o te ora me te kaha e rere ana i roto i ngā pūtau me ngā kiko o tō tinana

Ki tōku whakaaro ehara koe i te tinana, engari ko te ora e tautoko ana i te tinana

Me whakarērea e tātou te whakaaro kei tawhiti te Atua, me ōna mana whakamiharo katoa, i te rangi, ā, kei raro tātou i ngā puranga uauatanga me ngā raruraru o tēnei ao.

Kia maumahara tātou kāore tātou i te mokemoke, kei muri i tō tātou hiahia tangata te hiahia nui o te Atua, ā, ko te tangata e rapu pono ana i te āwhina, ka tino whiwhi ia.

Mā te whakamahinga tika o te hinengaro tangata i homai nei e te Atua ki a tātou, ka mōhio tātou e hono ana ngā mea ora katoa ki te Hinengaro Matua.

Tērā pea ka whakaaro tātou i ētahi wā he taonga takaro tātou i roto i ngā ringaringa o te aituā, engari ina tukuna e tātou tō tātou hinengaro ki tua atu i ngā āhua here, tinihanga, ā, ina whakamātautauhia te whānuitanga o tō tātou mōhiotanga me te māramatanga, ka mōhio tātou kei roto i a tātou he mura o te mana atua e hanga ana, e tautoko ana i te ora katoa, ā, kei te tatari kia ara ake.

Ko te hunga kāore e mōhio ki te tino take o taua āhua hinengaro rerekē, ka kī pea he whakaaro rangatira tō te tangata.

E rua ngā mahi a te pūnaha io:

Mā te pūnaha io tātou e taunekeneke ki te ao. I kitea e ngā yogi o mua he hononga anō hoki te pūnaha io ki te Atua.

Ko te mauri ora i roto i te tinana tangata ka rere ki waho, mai i te roro me te taurakira mā roto i ngā io

ki ngā kare ā-roto me ō rātou wheako kare ā-roto o waho.

Ina whakahaerehia taua kaha ora - mā te whakaaroaro - ka hurihia tōna rere ki roto, kaua ki waho, ā, ka tōia te hinengaro ki ngā toki mārama, ki ngā pokapū rānei e noho ana te tirohanga wairua me te mātauranga o te Atua.

Ko te manukanuka—arā, ko te whakaohoho nui rawa atu i ngā io—ka whakawhāiti i te hinengaro o te tinana, ko te marino ia ka kukume mai i te hinengaro atua.

**Heoi, i hiahia nui a Piriniha Gautama ki te tūhura i
te ao i tua atu i ngā kūaha o te whare kingi me ngā
māra matomato. I tētahi rā, ka haere ia me tana
taraiwa hariata i roto i te huna i a ia anō.**

I ohorere te taitama ātaahua, ā, i tino pāngia hoki e te mamae i tana kitenga tuatahi i tētahi koroheke, ngoikore, me tētahi atu tangata e manawa ana i ōna manawa whakamutunga, me te kitenga anō hoki i tētahi tūpāpaku kua mate.

I titiro ia ki tōna tinana ora, hihiko, ā, ka pātai atu ki te pailate mēnā ka koroheketia anō hoki tōna tinana i tētahi rā, ka pirau, ka ngaro tōna mura ora. Ka whakahoki ā-roto te pailate:

"E te Ariki, e ngāwari ana ngā tinana tangata katoa ki te mate, ki te ngoikore, ki te koroheketanga, nō reira ko te mate tō rātou mutunga."

I te rongonga i tēnei, ka tīmata te tamaiti rangatira ki te whakaaroaro nui ki ngā mānukanuka o te ao tūroa. I tētahi pō, i a tana wahine me tana tama kotahi e moe ana, ka titiro whakamutunga a Gautama ki a rāua, ā, me ngā kanohi roimata, ka wehe atu ia i te whare kingi ki te rapu i te pono e whakaora ake ai te tangata i te pouri me te mamae, ā, ka hoatu ki a rātou he māramatanga pono mō te mea ngaro o te ora me te mate.

He maha ngā momo mahi a te rangatira i mahi ai i te whakatārewatanga me te whakakorekore i a ia anō. E kīia ana e whitu tau ia e nohopuku ana me ētahi atu mahi wairua. I a ia e whakaaroaro ana i raro i tētahi rākau banyan (piki) i te rohe o Bodh Gaya o Īnia, ka tutuki i a ia te māramatanga katoa.

Kātahi ka hoki anō ia ki te kai i te āhua noa hei whāngai i tōna tinana, ā, ka horahia puta noa i Īnia ngā mātāpono o te aroha me te ōrite o te aroha ki ngā mea ora katoa—te tangata, te manu, me te kararehe. I tohutohu anō hoki ia kia kaua e piri ki ngā mea o te

tuwhera ki te awhi me te kihi i a ia, me te karanga, "E te hari me te māramatanga o te ora, e pā ana tōku ngākau i te aroha ki a koe!"

I miharo ngā ākonga i te rongonga i tā rātou ariki e whakahoki ana ki te wahine whakawai, "E aroha ana ahau ki a koe, engari kua e pā mai ki ahau ināianei, kāore anō kia tae mai te wā."

Ka whakahoki ia: "E mea ana koe 'e taku aroha', ā, e ārai ana koe i ahau kei pā atu ki a koe!"

Ka whakahoki te Buddha nui: "Kia māia koe, e taku e aroha nei, ka pā atu ahau ki a koe ā muri ake nei, engari kāore i nāianei, ā, ka whakamārama ahau i te nui o taku aroha ki a koe."

I te kitenga kāore ia i te tino whakapono ki āna kupu, ka mea atu ia: "Whakawhirinaki ki aku kupu, e taku e aroha nei, kua rawa e ruarua. Ā muri ake nei, ina wehe atu ō hoa aroha i a koe, ka haere atu ahau ki a koe."

I pōhēhē ana ākonga i te rongonga i ēnei kōrero aroha a tō rātou rangatira, ā, i whakaaro ētahi kua taka tō rātou kaiako ki roto i te mahanga a te wahine whakawai.

I muri i ngā tau i muri mai i taua mahi, i a Buddha e whakaaroaro ana me āna ākonga, ka karanga ohorere ia: "Me haere ahau, kei te karanga mai taku ipo whakaipoipo ki ahau. E hiahia ana ia ki ahau ināianei, ā, me whakatutuki e ahau taku kupu whakaari ki a ia."

I te mutunga iho o tana kōrerotanga i ēnei kupu, ka whakatika ia, ka oma atu, ā, ka oma ngā ākonga i

muri i a ia me te ngana nui ki te whakaora i a ia i te whakamatautauranga a te wahine whakawai.

Hei whakamutunga, ka tae te kaiako nui me āna ākonga ki te rākau kotahi i tūtaki ai ia ki te wahine whakawai i ngā tau kua pahure. He aha tā rātou i kite ai i raro i taua rākau?

I kite rātou i taua wahine anō e takoto ana i runga i te whenua, ko tōna tinana ataahua kua kī tonu i te rewharewha, kua kī tonu i ngā puku kakara kino, pirau.

I wiri ngā ākonga, ā, i neke atu i a ia, engari ko Buddha, me tōna ngākau aroha me tōna aroha nui, i noho ki tōna taha, i hiki ake i tōna tinana pirau, i whakatakoto ki runga i tōna uma, ā, i kōrero pōhewa ki tōna taringa:

"E taku aroha, i haere mai ahau ki te whakamatau i te nui o taku aroha ki a koe, me te whakatutuki i taku kupu whakaari ka pā atu ahau ki a koe. Kua roa ahau e tatari ana ki te whakamatau i taku aroha pono ki a koe. E aroha ana ahau ki a koe ina mutu te aroha o te katoa ki a koe. Ā, ka pā atu ahau ki a koe ina kore ō hoa - ngā rā o te kororia - e hiahia ki te pā atu ki a koe."

I tana whakapuakitanga i aua kupu, ka whakaorangia tonutia e ia tōna āhua pouri, ka tono atu kia uru atu ia ki te whānau o āna ākonga, ā, ka whakautu ia ki te tono me te whakapau kaha me te harikoa nui whakaharahara!

Kia tau te rangimārie ki a koe

**Kei roto koe i tōku ngākau, kei roto hoki koe i
tōku hinengaro**

Me ōku kanohi, tōku mata, me tōku tinana

ahau**

Kāore au e hinga nā te mea

Ka whakawhirinaki ahau ki tōu kaha!

Kei roto koe i tōku korokoro

Kei roto koe i tōku kōpū, kei roto hoki i ōku kiriuhi

Ka tiaho ia okana i te māramatanga

I roto i tōku tuaiwi ka pīataata koe, ka tiaho koe

He kaha tōna kaha, he tino ora

Ka rere koe i roto i ōku io, he pūngao parakore

Ahakoā ngā moemoeā o te mate

Kia rongō ahau kei te ora tonu ahau

Ā, kei te harikoa ahau i roto i tōku ao

Tukua ahau kia whakakī i tō harikoa

Kia mārama ahau, e te Atua Mōhio

Mō Tō whakaaro nui!

Te tātāritanga whaiaro: Te kī ki te oranga harikoa

Kia whakarērea ngā here o te ego, kia kopikopiko tātou i roto i ngā mania whānui, mutunga kore o te ahunga whakamua wairua. Pērā i te tira o te wā, e haere tonu ana i ngā ara o te ora, me haere anō hoki te tira o te wairua i ngā ara o te whānui mutunga kore ki te paepae o te wairua atua.

Ko te kaupapa ki te whakatutuki i ngā mahi tino nui o te ao ka noho tonu i raro i ngā ururua me ngā para o ngā tikanga tangata. Me whakawātea te tangata i a ia anō i te awe o ēnei tikanga, ka tīmata ki te rui i ngā purapura o te angitu e hiahiatia ana e te tangata ki te oneone o tōna ao. Ka whiwhi uara me te hiranga o te ao ina oti i a tātou te mahi tino nui me te taketake: te kimi i te tikanga me te uara tūturu o tō tātou oranga.

Me mārama te tangata kāore ēnei whakaahua hihiri o te ao tūroa e whakaatuhia ana me te kore take. I ia rā ka kite tātou i ngā āhuatanga hou, ā, i ia rā ka puta mai ngā akoranga hou me ako e tātou mā te arotahi ki te kaupapa matua o te oranga o te tangata: kia mōhio ki te Atua Nui e huna ana i muri i te arai o te ora.

E miriona tāngata kāore e uru ki te tātari i a rātou anō. I roto i te hinengaro, ka taea te whakarite i a rātou ki ngā hua aunoa o tō rātou taiao. Ka pau ō rātou oranga ki te parakuihi, te tina, te kai pō, te mahi, te moe, me te haereere ki konei, ki reira ki te rapu whakangahau me te ngahau. Kāore rātou e

mōhio he aha tā rātou e rapu ana, he aha rātou i rapu ai, he aha rānei kāore i kitea e rātou te harikoa me te ngākau māhorahora tuturu. Ki te kore he tātari i a rātou anō, ka noho tonu te tangata hei mīhini, e whakahaerehia ana e ngā āhuatanga o tō rātou taiao. Ko te tātari tika i a rātou anō te huarahi tino whai hua ki te ahu whakamua me te whakawhanake i te pūmanawa o te tangata.

Me whakahaere te tātari i a koe anō me te pono me te ngākau tapatahi. Ko te huarahi pai ki te mahi i tēnei ko te tuhi i ō rātou whakaaro me ō rātou wawata i ia rā, kia taea ai e rātou te tū atu ki tō rātou ake āhua tūturu me te kore whakapaipai, te kore whakaari rānei. Ko te nuinga o te tangata kāore e huri hei pai ake nā te mea kāore rātou e kite i ō rātou ake hapa.

He hua te katoa o te tangata nō tōna taiao me tōna ira tuku iho. Ko te tangata i whānau ki tētahi whenua motuhake ka whakaatu i ngā āhuatanga motuhake o taua whenua. Ko te tangata i whānau ki Haina, ki tētahi whenua o te Hauāuru rānei, tera pea ka whakaatu i ngā āhuatanga me ngā kounga e pā ana ki aua whenua. Ko te taiao e noho ana te tangata he hua nō ngā āhuatanga ira tuku iho: ko ngā painga me ngā hiahia i riro mai i ngā oranga o mua. Ko ngā āhuatanga i riro mai i ngā whakawhānau o mua ka ārahi i te whānautanga o te tangata ki roto i te whānau, ki te taiao rānei e noho nei rātou.

Ina pānui tātou mō ngā whānau rongonui, ka kite pinepine tātou kāore ngā tamariki a ngā tāngata nunui i te taumata hinengaro ōrite ki ō rātou mātua. Nā tēnei ngoikore o te koiora me te ira i roto i te tangata ka ara ake te whakapae me ngā pātai: He aha

tātou kāore ai e kite i ngā hua ōrite i roto i te oranga tangata e kitea ana e tātou i roto i ngā rangatiratanga tipu me ngā kararehe, i te nuinga o te wā ka puta mai ngā momo pai i ngā momo pai? Me ruku hohonu tātou ki roto i ngā mahi o roto o te oranga tangata ki te rapu i te whakautu.

Ehara i te mea onge te kitea o tētahi tamaiti i roto i tētahi whānau e tohunga ana ki te tuhituhi me te pūtaiao, kāore rawa he hiahia ki te tuhituhi. He pono i whānau mai ia, i tipu ake hoki i roto i tētahi taiao tuhituhi i waenga i ngā kaingākau tuhituhi, engari kāore ia e whai i ngā hiahia ōrite. He aha, ā, me pēhea hoki te puta o ēnei āhuatanga rerekē? Kāore te taiao me te ira tuku iho e tuku anai tētahi whakamārama arorau mō tēnei āhuatanga. Engari kei muri i ēnei āhuatanga katoa ko te pono o te whānautanga anō. I whānau mai tātou ki roto i tētahi whānau motuhake nā te mea he rite ētahi āhuatanga. Engari he takitahi motuhake ia mema o te whānau, me ōna āhuatanga i ahu mai i ō rātou oranga o mua. Nā reira, ahakoa ētahi āhuatanga koiora me ngā ira i waenga i ngā mema o te whānau, he rerekē te āhua me te tuakiri o ia tangata i ia tangata.

Ka whiriwhiri te tangata kia whānau ki roto i tētahi whānau motuhake, ki roto hoki i tētahi taiao pāpori, ā-motu rānei, mō ngā take motuhake i whakatauhia e āna mahi o mua. Mai i tēnei tirohanga, ko te tangata te kaihoahoa o tōna ake ao, me te kaiwhakamahere hoki o tōna ao. Ka taea e te tangata te matapae, ki tētahi taumata, he aha rātou ka noho ki tō rātou ao ā muri ake nei mā te tātari i ō rātou hiahia me ngā whanonga matua o tēnei ao.

Koinei te hiranga o te tātari i a koe anō mō te tipu wairua. Ko ētahi tāngata e hiahia ana ki te pānui i ngā pukapuka pōuri, e whakaaro ana koinei te momo pukapuka tino pai ki a rātou, ā, e whakaaro ana ka mau tonu tā rātou pārekareka ki ēnei pukapuka mō te toenga o ō rātou oranga. Engari ki te tātarihia e rātou a rātou anō, ka kitea e rātou he maha ngā wā ka pouri, ka riri rātou i te pānui tonu i tēnei momo tuhinga. Nā te pouri nei, tera pea ka hiahia rātou ki te whakamutu i te whanonga, engari ki te whakatipu i te whanonga ki te pānui i ngā pukapuka wairua e whakahihiko ana i ō rātou whakaaro, e whāngai ana i ō rātou kare ā-roto ki ngā whakaaro pai, whakahīhi hoki. Ki te hanga e rātou tēnei huringa, ka kitea e rātou kua haere ō rātou oranga ki tētahi ara hou whakamiharo nā te māramatanga me te whakapau kaha.

He pono ka taea e tātou te whakarerekē wawe i a tātou anō mēnā e hiahia ana tātou, engari ko te whakarerekē i ngā tauira me ngā tikanga o ngā tau e hiahia ana ki te whakapau kaha me te hiahia kaha.

Hei whakakore i tētahi whanonga kua mau ki roto i te hinengaro, me whakamahi ngā kaha katoa o te whakatau ki te taha kē kia whakakorea rā anō te whanonga kino, kia kore rawa hoki tōna mana. He tokomaha te hunga kāore i te manawanui me te manawanui e tika ana mō tēnei. Heoi, me mārama te tangata ka taea te muku, te whakakore rānei i ngā mea kua hangaia, kua mahia rānei e te tangata.

Ina tātari koe i a koe anō, kia kaha te hiahia ki te whakakore i ō ngoikoretanga, kia noho ko koe te tangata e tika ana kia noho koe. Kaua e ngakaukore, e pōuri rānei ina kitea e koe ngā hapa e whakaatuhia

ana e te tātari pono i a koe anō; engari, whakaarohia he whai wāhitanga ki te tautuhi i ngā mea e tika ana kia whakatikahia i roto i tō tuakiri.

Kua puta ake tētahi ariā e kī ana ko te whakaaro he hua nō ngā repe endocrine Kāore he pūtake o tēnei ariā Kāore e taea e te kikokiko me te wheua te whakaputa whakaaro Ko te hinengaro te kaihoahoa matua o ngā mea katoa, whānui me ngā mea motuhake Pērā i te wai e huri ana hei hukapapa mā te whakamatao, ka puta ngā āhua ā-tinana o te whakaaro mā te whakapūpū Ko ngā mea katoa o te ao he whakaaro i roto i ngā āhua ā-tinana Ahakoa ko te okana endocrine he whakaaturanga ā-tinana o tētahi tauira iti o te whakaaro

He hononga tata te āhua tinana me te āhua hinengaro o te tangata. Hei tauira, kua kitea ko te hunga whai mate ate ka riri, ka pukuriri hoki. Ina pāngia te tangata e te nui rawa o te tukunga o te au, e te ngoikore rānei o te ate, kāore pea rātou e pai ki te menemene, ki te harikoa rānei ki te hunga katoa e tūtaki ana rātou. Engari, ka riri, ka pukuriri pea rātou. Ka pāngia ngā whakaaro me ngā kare ā-roto e te āhua tinana.

Ina pakaru ngā whekau, ka pā kino ki te kaha o te hinengaro, ā, ka ngoikore ai. Ko te hunga e kai nui ana i te mīti ka ngawari ki te riri me te pukuriri. Mena ka kai noa te tangata i te wai karepe mō te wiki, ka ora ake, ka noho tahi me te katoa.

Mā te kai nui me te kai i ngā kai kāore i te tika ka hangaia, ka puritia hoki he nui o ngā paitini i roto i te tinana, ā, kāore e kore ka pā kino tēnei ki te hinengaro, ka puhoi, ka ngenge, ka ngawari te riri. Mā te nohopuku ā-wā i runga i te wai karepe, i te wai

karaka rānei ka āwhina i te horoi i te tinana, ka āwhina hoki ki te whakaora i te roro me te whakakaha i a ia. Hei tāpiri, ko te nohopuku whakaora mō te rā kotahi i te wiki, ā, i ētahi wā mō ngā rā e toru i te wā kotahi (me te inu wai me te wai hua i te wā nohopuku), kua whakaatuhia hei āwhina i te horoi i te tinana i ngā paitini me ngā para kua kohia. Me nohopuku mō te neke atu i te toru rā i te wā kotahi i raro i te tiro tiro a te tākuta, a te tohunga nohopuku rānei.

I tūtaki ahau ki tētahi tangata e whitu tekau tau te pakeke e mau ana i ngā kākahu māmā, kāore he koti, kāore hoki he tōkena, ahakoa he tino makariri. I whakamana mai ia kāore ia i te mātao! Kua taunga ia ki tōna tinana ki te makariri. He nui ake te awe o te hinengaro ki te tinana i te awe o te tinana ki te hinengaro, ahakoa he pānga tonu ngā matū o te tinana ki te hinengaro.

(Tuhipoka: He maha ngā tau i mua i te kitenga a Paramhansa i tēnei. Ko te hunga i tipu ake i roto i te rawakore, ā, i kore i kai tika i te kai, i tino whakaatu i te ngoikore o te whanaketanga hinengaro me te puhoi o ngā urupare. I tua atu, kua whakaatuhia e te pūtaiao kua pai ake ētahi momo porangi [e kiia tonu ana kāore e taea te rongoā] me te whakamahi noa i ngā huaora. Waihoki, ko ngā take o ētahi momo pouri, manukanuka, me ētahi atu kare ā-roto ka taea te whai i te kore taurite o ngā huānga matū i roto i te tinana.)

Ahakoa he nui te awe o te hinengaro ki te tinana, he mea koretake te wareware i te tinana. Me whakarite te kai hauora i te kai kino. Mena ka hiahiatia koe e ngā āhuatanga kia noho tahi me te hunga e whakapataritari ana i a koe, he mea tika kia

whakarerekētia tō taiao i ia wā. Engari he mea pai ake i tēnei katoa ko te whakarerekē i tō āhua hinengaro kia kore ai koe e raruraru i ngā mahi a ētahi atu. Hurihia koe anō, ā, ka taea e koe te noho i runga i te rangimārie me te harikoa i ngā wāhi katoa.

He rite te ao whānui ki tētahi whare tiaki hinengaro. Ko ētahi tāngata e pāngia ana e te hae me te hae, ko ētahi e te riri, te mauahara, me te hiahia. He patunga rātou nā ō rātou whanonga me ō rātou kare ā-roto. Engari ka taea e koe te waihanga i te rangimārie i roto i tō taiao. Tātarihia koe anō. He pānga tino pai tō ngā kare ā-roto ki te hinengaro me te tinana. Mā te hae me te wehi ka puta te kiri mā, ko te aroha ia ka whiti. Ina taea e koe te noho marino, ka harikoa tonu koe.

Ahakoia te āhua o te tangata e ngana ana ki te whakatipu, me whakapau kaha rātou ki te tātari i tō rātou āhua tūturu me te whakawhanake i ōna āhuatanga pai rawa atu. Tērā pea he tuakiri matatika, he tuakiri pono, he tuakiri aroha whenua, he tuakiri toi, he tuakiri pakihi rānei tō te tangata, me ērā atu mea. Ki te mea ko tā rātou whāinga he hono atu ki ngā wawata matatika teitei, me noho pono rātou, me te whai whakaaro pai me ngā whakaaro atawhai ki te katoa. Koinei te mauri o te whanonga pai. Ko te whakapehapeha te mea e akiaki ana i te hunga e whakatika ana i a rātou anō ki te whakahē me te whakahē i te hunga ngoikore e karapoti ana i a rātou. Engari ko te hunga he pai te āhua me te wairua mārama, ka aroha ki ētahi atu, ā, kāore e whakahē i a rātou mō ngā hapa i puta mai i te kuware me te whakatau hē.

Ko te hunga whai āhua taonga he maha ngā wā ka mamae koretake. Me ako ēnei tāngata ki te whakahaere i a rātou anō, ki te kore, ka rite rātou ki ngā wahi nekeneke o te ao tūturu, me kai i ētahi kai motuhake, ka pāngia rātou e te mamae o te upoko mēnā ka ngaro tā rātou kawhe, tina rānei, ā, ka taea anake te moe i runga i te moenga he āhuatanga motuhake. Ahakoa he pai ngā whakamarie, kaua e tukua kia herea rātou e rātou anō. He mea nui te taurite, ā, ki te kore e taurite te āhua o te hinengaro, te tinana, me te wairua, e kore te tangata e mōhio ki te harikoa. He mea kuware te tuku i te āhua o te ao kia whakahaere i te whakaaro nui me te māramatanga o te tangata. Ko te kupu whakamutunga me te whakatau whakamutunga me waiho tonu mā te hinengaro me te māramatanga.

Ko te oranga ngāwari me ngā whakaaro rangatira ngā whāinga a te tangata. Me mau tonu i a tātou ngā āhuatanga katoa o te harikoa i roto i a tātou. Ka taea tēnei mā te whakaaroaro me te whakarite i ō tātou hinengaro ki te harikoa wairua e whakahoutia tonutia ana. Ko te Atua te harikoa o te ao katoa, ā, i roto i te hononga ki a Ia, ka rongo tātou i Tōna harikoa, ka reka hoki i Tōna reka. Kaua rawa e tukua tō tātou harikoa ki tētahi awe o waho. Ahakoa te taiao e noho ana tātou, e mahi ana rānei, me tiaki e tātou tō tātou rangimārie o roto mai i tōna awe. Tātarihia koe, kia noho ko koe te mea e tika ana kia noho koe, me te mea e hiahia ana koe kia noho. He onge te ako a te tangata i te whakahaere pono i a koe anō; engari, ka mahi rātou i ngā mea e kino ana ki tō rātou ake oranga, engari e whakapono ana kei te harikoa rātou! Engari he mea tinihanga tō rātou harikoa. Ko te kī pono ki te harikoa me te angitu kei roto i te mahi i

ngā mea e hiahia ana koe ki te mahi nā te mea ko tāu mahi tēnā, ā, ko te karo i te mahi i ngā mea kino nā te mea he pai ake te karo i aua mea.

Kaua e aro nui ki ngā āwangawanga me ngā hiahia maha. Arotakehia kia mōhio ai mēnā he mea nui. He mea utu nui te wā, ā, kaua e moumou. Mā te pānui i tētahi pukapuka whai hua ka nui ake te pai o tō oranga tinana i te mātakitaki kiriata. He maha taku kī, "Ki te pānui koe mō te haora kotahi, tuhituhi mō ngā haora e rua. Ki te tuhituhi koe mō ngā haora e toru, whakaaro mō ngā haora e toru. Ki te whakaaro koe mō ngā haora e toru, whakaaroarohia te wā katoa."

Ahakoia te wāhi e haere atu ai ahau, ka mau tonu taku rangimārie me te ata noho wairua. Ka tohu tonu te ngira kāpehu ki te raki. Waihoki, me anga tonu te hinengaro ki te pou o te hari wairua; kātahi ka kore tetahi e taea te whakararuraru i tō rangimārie, te whakararuraru rānei i tō taurite.

Me whai te tangata kia pai ake i ia rā i tērā o mua, ki te kore, tera pea ka hoki whakamuri rātou i runga i te hauora, te rangimārie o roto, me te harikoa. He aha ai? Nā te mea kāore rātou e whakapau kaha ana ki te whakahaere i ō rātou whakaaro me ā rātou mahi. Ka hangaia e te tangata ā rātou tikanga, ā, ka taea e rātou te whakarerekē. Mena ka kitea e koe he ngāwari ki te whakaaro kino, karapotia koe ki ngā tātanga pai, pānuihia ngā pukapuka pai, me te whakaaroaro. Ko te whakarerekē i ō hoa, ki te tika, ka pā pai ki tō oranga.

Ina whakatau koe ki te huri hei pai ake, kia mahara he mea nui te noho tahi me ngā awe pai hei whakatutuki i ō whāinga. Ko te awe o te taiao—pai,

kino rānei—he kaha ake i te kaha o te ngākau, nō reira kia maumahara ki tēnei ina mahi tahi koe me ētahi atu.

He mea nui hoki te tātari i a koe anō hei whakapai ake i a koe anō. Ki te taea e koe te tātari i a koe anō me te maia, me te kore wehi, ka taea e koe te tu atu ki ngā tātari a ētahi atu, ā, e kore ā rātou whakahe e pā ki a koe.

Ko te hunga e noho noa ana i runga i ngā hapa o ētahi atu he kaipahua. Kī tonu te ao i te kino, nō reira kua te tangata e kōrero kino, kua hoki e whakaaro kino, kua hoki e mahi kino. Engari, me rite te tangata ki te rōhi, e hora ana i te kakara o te atawhai, o ngā whakaaro parakore, me te aroha ki te tuakana, kia rongo te tangata he hoa pono koe—he kaihanga, kua he kaiwhakangaro. Ki te hiahia koe kia pai ake i a koe, tātarihia koe, ā, whakatipuria ngā āhuetanga rangatira i roto. He nui ake te kōrero a te wairua atawhai mō tōna rangatira i ngā kupu, nā te mea ka puta he wiri ahurei e kitea ana, e māramahia ana e ētahi atu me te kore he. Whakaarohia te māramatanga, ā, ka memeha te pōuri. Akohia, whakaaroarohia, ā, meatia te mea ka taea e koe hei āwhina i ētahi atu, hei tango i te taumahatanga o te manukanuka, te mamae, te wehi, me te hē i ō rātou pakihiwi.

He tokomaha te hunga e kopikopiko noa ana i te ao, kāore he whāinga mārama Tautuhia tō kaupapa, ā, mahi kia tutuki ai. Whakaritea he wā mō te whakaaroaro me te inoi takitahi. He maha ngā mea whakahihiri e tatari ana kia kitea, engari he maha tonu te wā e moumou ana i tō tātou wā me tō tātou kaha ki ngā mea koretake. E kore te harikoa e tae mai

ki te kore tātou e aro ki te whakaaro nui o ngā tino tangata, ā, e arahina ana e tō rātou māramatanga. Kei roto i ētahi atu pukapuka wairua me ngā tuhinga hei āwhina me te ārahi i a tātou ō rātou whakaaro.

He pai te pārekareka ki ngā ahuareka o te ao, engari kāore he mea hei whakakapi i te oranga o roto me te whakaaroaro hohonu, nā te mea ko te harikoa e whakawhirinaki ana ki te whakaaroaro me te mōhio ki ngā hinengaro nui mā roto i ō rātou whakaaro kua tiakina i roto i ngā pukapuka, pērā i te karapoti i a koe ki ngā tāngata pai me ngā tāngata rangatira.

He mea ahuareka te noho mokemoke mō te hunga e aroha ana ki te whakaaroaro, engari ehara i te mea me wehe atu koe i te tangata, me wehe atu rānei i a koe anō. Ki te hiahia koe ki te whakawhanaunga, me mahi i tēnā me te ngākau pono, me tō aroha me tō whakahoahoa, kia kitea ai e ō hoa te whakamarie i a koe, kia tumanako tonu ai hoki ki te kite i a koe me te koa ki tō hoa pai.

Kia tau te rangimārie ki a koe

Mōrearea whai hua

Paramhansa Yogananda

I tomo atu ahau ki te whare karakia, ā, i hoatu e ahau me te whakapehapeha ki taku kaiako, ki a Sirri Yuktsuwar, he kete huawhenua, me te kī atu:

"He koha tēnei māu, e te rangatira! Nāku ake ēnei kāpeti nunui e ono i whakatō, ā, i tiaki i a rātou puta noa i te wā tipu me te ngākau aroha o te whaea ki tana tamaiti pēpi."

Ka whakahoki a Sri Yuktiswar me te ataata whakawhetai, "Ngā mihi. Tēnā koa puritia ki roto i tō rūma; ka hiahiatia e au āpōpō mō tētahi tina motuhake."

I tae atu ahau ki te tāone o Puri ki te whakapau i te hararei raumati ki te whare karakia o taku kaiako i te takutai moana. E rua ngā papa o tēnei wāhi whakangāhau, e titiro atu ana ki te Moana-a-Bengara, ā, i hangaia e te kaiako me te āwhina a āna ākonga.

I ara ake ahau i te ata i muri mai, he mea whakahauora i te hau tote o te moana me te ataahua marino o te whare karakia. I rongo ahau i te kaiako e karanga mai ana ki ahau me tōna reo waiata, nō reira ka titiro atu ahau ki ngā kāpeti kōpura, kī tonu i te aroha me te ngākau aroha, kātahi ka ata whakarite i raro i taku moenga.

Ka mea te kaiako, "Me haere tātou ki te takutai." I haere ia i mua, ā, i aru atu ahau i a ia me tētahi rōpū ākonga taitamariki. Ka titiro whakahe mai te kaiako ki a mātou, ā, ka mea:

"Hīkoi kia rua ngā rarangi, kia rite tonu ō koutou hikoinga tetahi ki tetahi"

Kātahi ka tirotirohia mātou e ia i a mātou e whakarongo ana ki a ia, ā, ka tīmata ia ki te whakahua i tētahi mea penei:

E ngā tama, kia kaha koutou, kia tika te haere!

I miharo ahau ki te maeneene o te kaiako ki te whai i ngā hikoinga ataahua o āna ākonga taitamariki.

I titiro mai te kaiako ki ōku kanohi, ā, ka mea mai, "Kati! Kua katihia e koe te tatau o muri o te whare karakia?"

Ka whakahoki ahau, "Ki taku whakaaro, e te rangatira"

I noho puku a Seri Yuktsuwar mō ētahi meneti, me te ataata ngoikore, me te mea kua pehia, kātahi ka mea ia:

"Kāo, i wareware ahau kua te whakaaroaro tapu e whakamahia hei take mō te kore e kai i ngā kai tinana."

I mahara ahau he kata ia, engari i kī atu ia: "Ka huri ō kōpura e ono hei rima"

I hoki mātou i runga i ngā tohutohu a te kaiako, ā, i tō mātou taenga atu ki te wāhi karakia ka mea ia:

"Taria, tirohia, e Mukunda (Paramhansa), ki tō taha mau i tērā taha o te marae e anga atu ana ki te rori. Tērā pea ka tae mai tētahi ki reira, ā, ko ia te take o tō whiu."

I huna e au tōku riri ki ēnei kōrero koretake. I kite ohorere ahau i tētahi tangata o te kāinga i te huarahi e kanikani ana me te koretake, e tohu ana i ōna ringa me te koretake. I tata ahau ki te ngaro i te hiahia, ā, ka titiro matatau atu ki te tirohanga tino whakakatakata. I te wā tonu e tata ana te tangata ki te ngaro atu i tō mātou tirohanga, ka mea a Sri Yuktswar, "Inaianei ka hoki mai ia."

I huri tonu te tangata whenua i te huarahi, ā, i anga atu ki muri o te whare karakia. I muri i tana whiti i te ara onepu, ka tomo ia ki te whare mā te

tatau o muri, kāore i raka e au, pērā i ngā tohutohu a taku kaiako. I muri tata mai, ka puta mai ia me tētahi o aku kōpura putiputi tino pai, e kitea ana tōna whakapehapeha i a ia e hiko ana me te āhua whakaute me te mana.

Ko tēnei whakaaturanga whakakatakata, i puta ai ahau hei patunga, kāore i aukati i ahau ki te whai i te tahae, i whaia nei e au me te tere whakaharahara. Kāore anō kia tae atu ahau ki waenganui o te wāhi ka karanga mai a Sri Yuktiswar ki ahau, me te wiri i te kata mai i te mahunga ki te waewae, me te tono kia hoki ahau. I waenganui i ngā pakūnga o te harikoa, ka whakamārama ia:

"I hiahia taua tangata rawakore ki te kāpeti kōura. Nō reira i mahara ahau kāore he kino ki a ia te tiki i tētahi o āu kāpeti kōura kāore i tiakina pai e koe!"

I oma atu ahau ki taku rūma, ā, i kite ahau he tangata aroha huawhenua te tahae, nā te mea kāore ia i pā ki aku mowhiti koura, ki taku mātaaratanga, ki taku moni rānei, e marara noa ana i runga i te paraikete. Engari, i ngokingoki ia i raro i te moenga ki te kete kāpeti huna, hei whakatutuki i te hiahia o tōna ngākau.

I taua ahiahi ka tono atu ahau ki a Sri Yuktwar kia whakamārama mai i taua kaupapa, ā, he āhuatanga whakapoauau anō hoki. Āta ruru ana te kaiako i tōna māhunga, me te mea:

"Ka mārama koe, ā tōna wā ka kitea e te Pūtaiao ētahi ture kāore i te mōhiotia"

I muri i ētahi tau, i te putanga ohorere mai o ngā mea whakamiharo o te reo irirangi ki te ao i roto i te miharo, ka maharatia te poropititanga a te kaiako. I ngaro atu ngā whakaaro tawhito mō te wāhi me te wā ake tonu atu, nā te mea i nāianei kāore he kāinga kotahi, ahakoa te iti, kāore e taea te tae atu e te tini o ngā hongere reo irirangi (me te amiorangi) o te ao. Ahakoa ngā hinengaro tino kuware kua whakatuwheratia, kua whānui hoki i mua i te taunakitanga kore e taea te whakahē o tētahi o ngā āhuatanga matua o te tangata: te katoa o te oranga.

Ka taea te mārama ki te pūrākau katakata mō te kāpeti mā te whakarite ki te reo irirangi. He kaiwhakawhiti me te kaiwhiwhi tino pai taku kaiako. He wiri ngawari, he wiri wairua noa iho ngā whakaaro. Pērā i te reo irirangi tairongo e tango ana i tētahi kaupapa motuhake mai i roto i ngā mano tini e pāhotia ana i ngā wāhi katoa, pērā anō hoki a Sri Yuktiswar i aro ki tētahi whakaaro—te whakaaro o te wairangi e matenui ana ki te kāpeti—mai i roto i ngā whakaaro tangata maha e pāhotia ana i tēnei ao. I a mātou e hikoi ana ki te takutai, ka kite te kaiako i te hiahia o te tangata kāinga noa, ā, ka mahi tonu ia ki te whakatutuki i taua hiahia. I kite te kanohi tapu o taku kaiako i te tangata e kanikani ana i mua i ngā ākonga. Nā taku wareware ki te raka i te tatau o te whare karakia i hoatu he take watea ki te kaiako ki te tango i tētahi o aku tipu tino pai. Nō reira, ko Sri Yuktiswar, i te mea he kaiwhiwhi ia, he kaiwhakawhiti anō hoki ia. I tēnei tūranga, ka taea e te kaiako te ārahi i te tangata kāinga ki te huri i ōna hikoinga me te haere ki tētahi rūma motuhake ki te tiki i tētahi kāpeti kotahi.

He kaiārahi te māramatanga mō te wairua, ā, ka kitea pono i roto i te tangata i ngā wā marino. Tata ki te katoa kua pāngia e tētahi māramatanga ā-roto e kore e taea te whakamārama, kua taea rānei te whakapuaki i ō rātou whakaaro ki tētahi atu tangata.

Ko te hinengaro tangata e kore nei e pāngia e te manukanuka, ka taea e ia te mahi i ngā mahi uaua katoa o te reo irirangi: te tuku me te whiwhi whakaaro, me te tātari i ngā mea kāore e hiahiatia. Pērā i te kaha tuku o te teihana reo irirangi e whakawhirinaki ana ki te nui o te hiko e whakamahia ana e ia, ko te whai huatanga o te hinengaro tangata, pērā i te reo irirangi, e whakawhirinaki ana ki te kaha o te tangata.

Ka noho tonu ngā whakaaro katoa ki te ao whānui. Mā te arotahi hohonu, ka taea e te kaiako mārama te hopu me te pānui i ngā whakaaro o tētahi tangata, ora, mate rānei. He ao whānui ngā whakaaro, ehara i te takitahi. Kāore e taea te hanga i ngā pono engari ka kitea. Ko ngā whakaaro hē—iti, nui rānei—i ahu mai i te kore e ranea te kaha ki te mārama. Ko te whāinga o te yoga he whakamarie i te hinengaro kia rongorongo ai i te arataki pono o te reo o roto, me te kore e whakapohehe, e whakapoauau rānei.

I kawea mai e te reo irirangi me te pouaka whakaata ngā reo me ngā whakaahua o ētahi atu i tawhiti ki roto i ngā kāinga o te miriona. Koinei te tohu pūtaiao tuatahi e whakaatu ana he wairua ao whānui te tangata. Ahakoa e ngana ana te whakaaro takitahi matapo ki te whakahaere me te hopu i te mauri o te tangata, ehara i te tinana e herea ana ki

**tētahi wāhi motuhake o te wāhi, engari he wairua o te
oranga ao whānui.**

**Mō tēnei whakaaro, i tuhituhi a Charles Robert
Richet, te toa Nobel mō te Physiology, i ngā kupu e
whai ake nei:**

**"He mea tino miharo, he mea whakamiharo hoki
te puta tonu mai o ngā āhuatanga taiao kāore e tino
kitea. Ina whakapumautia, kāore e miharo tātou pērā
i te pūtaiao i te rautau kua hipa. Ko ngā āhuatanga e
whakaaetia ana e tātou i ēnei rā, e whakaarohia ana
kua mutu te miharo i a tātou nā te mea kua mārama.
Engari ehara i te mea koinei te āhua. Ki te kore tātou
e miharo, ehara i te mea nā te mea kua mārama tātou
ki a rātou, engari nā te mea kua mōhio tātou. Ki te
hiahia tātou kia miharo ki ngā mea katoa kāore e taea
te mārama, me miharo tātou ki ngā mea katoa: ki te
kōhatu e whiua ana ki te rangi, ki te hua oki e tupu
ana hei rākau ōki nui, ki te mēkuri e horapa ana ina
wera, me te rino e kukumea ana e te aukume."**

**"Kāore te pūtaiao i te uaua i ēnei rā. Ko ngā meka
whakamiharo, ohorere hoki ka kitea e ā tātou uri, kua
tata mai ki a tātou, e titiro mai ana ki a tātou, ahakoa
kāore tātou e kite ana i a rātou. Engari kāore e ranea
te kī kāore tātou e kite i a rātou: kāore tātou e hiahia
ki te kite i a rātou, nā te mea i te wā tonu ka puta mai
he meka ohorere, kāore hoki i te mōhiotia, ka ngana
tātou ki te whakauru ki roto i te anga whānui o te
mātauranga kua whakaaetia, ā, ka riri tātou mēnā ka
maia tetahi ki te whakamātautau i muri i tēnā!"**

Puna: Te Rātaka a Yogi: Te Haurongo Whaiaro

I kite ahau i a koe e huna ana

I titiro atu ahau ki tētahi putiputi, ā, i inoi ahau, ā, i kite tonu atu ahau i a koe, e te Wairua Tapu, e huna ana i roto i a ia. I puta mai te kakara o tō aroaro, i kapi ōna rau i tō harakore whero, ā, i tiaho tōna ngākau i te koura o tō whakaaro nui.

Ā, i kite ahau i tō mana whānui e tautoko ana i tōna kakau kikokore me ōna rau matomato. Mō ngā mea ngaro o te ora me te mutunga kore, i kite ahau i a rātou e moe ana i roto i te puehu hae, ā, i whakaohokia e tō pā mutunga kore te pī, i whakawerawera i tōna ū, nō reira ka tīmata ki te mitimiti i tō reka.

Homai ki ahau te mātauranga mō ngā mea whakamiharo o tāu hanganga, ā, whakakitea mai ki ahau āu mea ngaro mutunga kore, e huna ana i roto i ngā taru ririki e tupu ana i te taha o te rori.

Ngā hāhā mai i te ao mutunga kore

Te whakamāmā i te āhua o te tangata, te wikitoria rānei i ngā āhuatanga kino

Ehara i te mea ngāwari te tautuhi i te āhua o te tangata, engari e mōhio ana tātou he aha te āhua. Ina kei roto koe i te āhua o te ohorere me te riri, ehara tō whanonga i te mea noa, ā, ehara koe i te tangata e tika ana kia noho koe. Nō reira, ka pōuri koe, ka noho motuhake hoki. Ā, he aha atu te mea kuware atu i te whakapouri i a ia anō mā roto i āna mahi me āna tauhohenga?

Kāore he tangata e pai ana ki te mamae. Kaua rānei te tangata e tātari i a ia anō ina pōuri ana te wairua? Ki te pērā, ka kite rātou kei te whakapōuri noa iho rātou i a rātou anō. Ina pōuri ana te wairua, ka kite ētahi atu i tō rātou mamae, ā, ka karo i a rātou.

Ahakoia te wāhi e haere ai te tangata, ka nui ā rātou kōrero, nā te mea ka whakaatahia te wairua whānui ki roto i ō rātou kanohi, ā, ko te hunga e titiro atu ana ki a rātou ka rongohia i te kino e puta mai ana i a rātou. I te kitenga i ngā kare ā-roto pōuri, kino e whakaatahia ana i roto i ō rātou kanohi, ka matakū ētahi atu, ka pai ake ki te wehe atu i aua wiri whakararuraru. Me peia tuatahi te riri i te whakaata o te hinengaro i mua i te muku i tōna whakaata i roto i ngā kanohi.

I tēnei ao, e noho ana te tangata i roto i te whare karāhe, e tūwhera ana ki te aroaro o ētahi atu, kāore e taea te whakaari, te whakaari rānei. Nō reira, me noho ia i roto i te oranga tūturu. He aha e kore ai e mahi i roto i te huarahi e whiwhi ai ia i te whakaute me te whakamoemiti? He aha e kore ai e kite i te rangatira i roto i ōna kanohi me te harikoa i runga i tōna mata? Ko ngā āhuatanga pai me ngā pai katoa o te tangata kei roto i te huna, i raro i te paparanga o te pōuri me te mamae.

Ehara i te mea ko tana whanonga anake ka kitea e ētahi atu, engari ka mātakitaki anō hoki ia i ā rātou. Nā te mea ka whakataurite ia i a ia anō ki ētahi atu nā te mātakitaki tonu i te hunga e karapoti ana i a ia, ka taka ia ki te pōuri hinengaro. Tērā pea ka pōuri, ka pōuri rānei ia i ngā uauatanga e pā ana ki a ia i tēnei ao. He maha ngā wā ka puta te āhua o te āhua o te tangata nā ngā awe o te taiao. He rerekē te pānga o te ao e karapoti nei i a tātou. Engari kaua tātou e tuku i a tātou kia hinga ki te pōuri nā ngā āhuatanga o waho. Ā, he aha ai tātou me pikau i te taumahatanga o ngā awe whakararuraru o tō tātou taiao?

Ko ētahi tāngata ka whakaatu i ngā kare ā-roto kino hei karo i te tūtaki ki tētahi raruraru, ki tētahi

āhuatanga rānei. Heoi, ehara ēnei whanonga kino i te mawhiti, ehara hoki i te kupenga haumaru kare ā-roto. He mea maori te hinga wā poto ki te pouri me te ngākau pōuri i ētahi wā, engari kua ēnei kare ā-roto e tukua kia whakahaere i a koe.

He take motuhake kei roto i ia āhuatanga o te tangata. Hei whakakore i tētahi āhuatanga, me aro atu ki tōna take. He mea nui kia mutu, kia whakaaroaro i ia rā, kia tirohia ō whakaaro me ō hihiri kia mārama ai koe ki tō āhua, kia ako ai hoki i te huarahi tika hei whakatau me te whakatika mēnā he kino. Tērā pea ka kitea koe i roto i te āhua o te kore aro, kāore e pai ki te whai whakaaro ki ngā whakaaro a ētahi atu. I tēnei āhuatanga, he mea nui kia whakapau kaha koe ki te whakawhanake i ngā wheako pai me te whakahihiri. Kia tūpato ki te kore aro, e aukati ana i te ahunga whakamua, e whakararu ana hoki i te kaha o te hiahia.

Tērā pea ka ngākau pouri, ka ngākau pōuri rānei te tangata i te mate, me te whakapono kāore e taea e ia te whakaora anō i tōna hauora. I tēnei wā, me whakamahi ngā mātāpono o te oranga hauora hei waihanga i tētahi oranga hauora, whai hua hoki i runga i ngā kaupapa matatika me ngā tikanga. Hei tāpiri, me tahuri te tangata ki te Atua Kaha Rawa i roto i te inoi kia nui ake ai te whakapono ki Tōna mana whakaora.

Ki te mea kua whakapono te tangata he tangata rahua ia, ā, kāore e taea e ia te angitū i tētahi mea, me tātari te raruraru, ā, me mārama mēnā kua whakapau kaha ia.

Ko te Atua te kaiwhakahaere o te ao whānui, tae noa ki ngā kōrero iti rawa, ā, i hangaia te tangata kia rite ki tōna āhua. Nō reira, kāore e taea e tātou te rapu whakamārama, te whakamārama rānei mō te

korenga e angitu. Kaua e wehi i te mahi, ahakoa te uaua, nā te mea ka "whakakaha" te mahi i te tinana, ā, kāore e whara i tetahi. Heoi anō, me ako te tangata ki te mahi me te whakaaro marie. Ina kaha koe, ka marino hoki, ka taea e koe te whakatutuki i tāu e hiahia ana, nā te mea he mārama tō hinengaro.

Haunga te kore e whakapau kaha ki te angitu, he maha ngā tātanga kāore e mahi hinengaro ana. He nui te wā e pau ana i a rātou ki te kore whakaaro. Ki ētahi he okiokinga tēnei. Engari i roto i te okiokinga pono, he mahi, he marino hoki te hinengaro. I aua wā marino, ka whakaaro pea te tangata ki te Atua, ki tētahi tirohanga ataahua, ki tētahi wheako ahua eka rānei. He mea whakahauora, he mea whakahihiko hoki te mahi hinengaro pai, marino. Heoi, he maha ngā tātanga e whakapoauau ana i te mahi auaha me te ahotea, ā, he mahi i roto i te āhua maku, manukanuka.

Ko te whakaaro auaha te rongoā pai rawa atu mō ngā āhua kino. Ka mau ēnei āhua i te hinengaro ina noho kino, ina ohorere rānei te tangata. Ina kore he whakaaro pai i roto i te hinengaro, ka pouri te rangatira, ka taumaha hoki i ngā manukanuka. Ā, i te pouri me te manukanuka ka puta mai te rewera, e noho ana i roto i ngā whakaaro o taua tangata, ā, ka whakahaere katoa i te ope!

Nō reira, e hoa, whakapau kaha ki te whakawhanake i ngā whakaaro auaha. Ina kore koe e mahi tinana, mahia he mahi auaha i roto i tō hinengaro. Kia pukumahi, kia kore ai he wā e toe ana ki te whakaaroaro i te ahotea me te manukanuka.

He mea whakamiharo, he mea whakamiharo hoki te whakaaro auaha, he rite ki te noho ki tētahi ao kē. Me whakawhanake e te katoa tēnei pūkenga. Kāore au i te tino whakaaroaro i tētahi kupu o aku kauhau—

ā, koinei tētahi o aua kupu—i mua i te tukunga atu. Engari i taku ruku hohonu ki te kaupapa, ka tīmata taku wairua ki te kōrero mai ki ahau mō ngā mea whakamiharo. Ina whakaaro auaha koe, kāore koe e rongō i te tinana, i ngā kare ā-roto raruraru rānei, nā te mea i aua wā kei te noho tahi koe me te wairua atua.

Ko tō tātou hinengaro he mea hanga e te ahua o te hinengaro atua, auaha hoki, e taea ai ngā mea katoa. Ki te kore tātou e noho i roto i taua mōhiotanga, ka noho tātou hei paihere o ngā āhuatanga uaua. Mā te whakaaro auaha, pai, ka hinga i a tātou aua āhuatanga. Hei tāpiri, mā te whakaaro auaha, ka kitea e tātou ngā whakautu me ngā otinga ki ā tātou ake pātai katoa me ngā pātai me ngā raruraru a ētahi atu.

He rite te pukuriri kino ki te mate pukupuku, e ngau ana i te rangimarie o roto. Koia tonu te take e kore ai e taea e te hunga pukuriri kino te mawhiti i ō rātou uauatanga me ngā raruraru.

Ahakoia te kino o te āhua o te tangata, kaua rātou e hinga ki te ngakaukore. Ka taea e rātou te wikitoria i roto i ō rātou whakaaro. Ina hinga te tangata pukuriri, ka tukua e rātou ōna ringa ka whakaae kua hinga. Engari ko te tangata e pupuri ana i tōna hinengaro kia kaua e whati, ko ia te toa tūturu i te pakanga o te ao, ahakoia kei te mura te ao e karapoti ana i a rātou, pērā i te puia.

E hiahia ana te tangata kia mauheretia, kia wātea rānei? Ina tino kaha rawa tā rātou whakawhāiti i a rātou anō ki ō rātou āhua, ka kore e taea e rātou te aro tonu ki ngā wero o te ao. Ina tukua e rātou ngā kare ā-roto kino kia pōuriuri i ō rātou hinengaro, ka ngoikore ō rātou kaha hiahia, ka ngoikore hoki ō rātou whakatau. Ka taupokina te roro e ngā āhua

pukuriri i roto i te kohu o te pōhēhē me te pōhēhē, ka whakararu i te whakaaro tika, ā, ka kore e whai hua ngā mahi katoa.

Ka taea e te tangata te wikitoria i tōna riri, ahakoa te āhua kino me te koretake. Tuatahi, me whakatau rātou kāore rātou e pōuri, e riri tonu. Ā, ki te puta he huringa wairua ahakoa tō rātou whakatau, me tātari e rātou kia mārama ai me pēhea te ngokingoki mai, ā, me mahi i tētahi mea whai hua mōna.

Hei tāpiri atu ki tēnā, kua tetahi mea e mahia mā te kore whakaaro nui, engari me arotahi hohonu ki te hinengaro me te āta whakaaro. Me whai wāhi tātou ki ngā mahi auaha nā te mea kua homai e te Atua ki a tātou he pūmanawa mutunga kore. He aha te take e tukua ai tātou ki te korenga o te hinengaro mā te uru atu ki ngā whakaaro ngoikore me te kore hauora? Me whakawātea te tangata i a ia anō i ngā āhua hinengaro whakangaro e mahi ana hei aukati i ngā wira o te ahunga whakamua pono. Ki te kore ngā wira e whakawāteatia i ngā aukati e mau ana, kāore e taea te neke me te ahunga whakamua. Kia maumahara koe i ia ata kei a koe te Atua, ā, ahakoa ō uauatanga, kei a koe te mana ki te wikitoria i aua mea. Ko koe te uri tika ki ngā mana o te Wairua Tino Kaha, nō reira, he kaha ake koe i ngā āhuatanga, he nui ake hoki i ngā kaupapa.

Kāore te tamaiti mārama, mātau e pai ki te whakatau i ngā raruraru ngāwari; engari e pai ana ki a ia ngā mea uaua. Engari he tokomaha te hunga e matakū ana i ngā wero o te ao. Kāore au i wehi i aua wero, nā te mea kua inoi tonu ahau, "E tōku Atua, whakanuia mai tō kaha i roto i ahau, kia mau tonu tōku hinengaro pai, kia taea ai e au te wikitoria i ōku uauatanga me tō āwhina."

Whakaarohia he raruraru kia kore ra ano e taea e koe te whakaaro anō. Ina pa ana ahau ki tētahi raruraru, ka mahi ahau i ngā mahi katoa hei whakaoti rapanga, kia taea ra ano e au te kī pono me te pono: "Kua whakapau kaha ahau, ā, koinei anake te mea ka taea e au." Kātahi ka wareware ahau ki te raruraru.

Ko te tangata e noho pūmau ana ki ngā raruraru ka riri, ka tere hoki te pōuri. Āta karohia tēnei. Ina puta he raruraru, kaua e aro ki taua raruraru, whakaarohia ngā huarahi katoa hei whakatau. Mena kāore e taea e koe te whakaaro mārama, whakaritea ō āwangawanga ki ngā raruraru rite e pā ana ki ētahi atu, ā, ako mai i ō rātou wheako hei tautuhi i ngā ara ki te hinganga me ērā ki te angitu. Kōwhiria ngā mahi e tino arorau ana, e tino pono ana hoki, ā, whakapau kaha ki te whakatinana i aua mahi. Kei roto i a koe te whare pukapuka katoa o te ao whānui. Kei reira kē ngā mea katoa e hiahia ana koe ki te mōhio. Hei whakaatu i tēnei, me whakaaro auaha me te auaha noa koe.

Ka whakapōuri te ngākau kino i te māramatanga, ka whakapakeke hoki i ngā kare ā-roto, ā, kāore e taea e te tangata te noho tahi me ētahi atu. Me waiho te kāinga hei wāhi whakaruruhau, engari mā te ngākau kino ka huri hei reinga pōuri. Ka hoki mai te tāne ki te kāinga ka kitea tana wahine e pouri ana, ā, kāore e taea te kōrero ki a ia. Tērā pea ka hoki mai ia me te ngākau kino, ā, kāore e taea te kōrero ki a ia. He maha ngā raruraru ka pā ki te tangata nā te ngākau kino. Ina riri ana, ina kore rānei e aro tetahi mema o te whānau, ka pāngia tonutia koe e tō rātou ngākau kino. Tērā pea ka toro atu koe ki tētahi e kī ana i te harikoa, ā, ka kitea e koe he totohe, he mamae hoki rātou, ā, ka huri tonu tō harikoa hei

roimata, ā, ka hiahia koe ki te utu. Kaua e tukua kia pāngia koe e te ngākau kino o ētahi atu.

He māmā te rapu utu, engari ko te tuku aroha te huarahi pai hei whakamarie i te riri o ētahi atu, hei karo hoki i te kino. Me parakore te aroha, nā te mea ina puta mai i te ngākau, he pānga makutu tōna.

Kaua e whakaaroaro ki ngā hua ka puta, ahakoa kāore e arohia te aroha. He kaha ake te aroha i te mauahara, ā, he kaha, he mīharo hoki tōna pānga.

E mōhio ana koe kei roto i tō wairua tētahi māra ataahua? He māra whakamiharo o ngā whakaaro, he kakara ki te aroha, ki te atawhai, ki te māramatanga, me te rangimārie—he māra e hira ake ana tōna ataahua me tōna ahuaireka i ngā putiputi me ngā otaota kakara katoa o te ao. Ka hangaia e koe he putiputi kakara ina he te māramatanga o tētahi ki a koe i roto i te riri, ā, ka tuku tonu koe i te aroha. Ehara ianei te kakara o taua aroha me te māramatanga i te mea pumau, i te mea parakore i tētahi rōhi tūturu? Nō reira, kia mahara tonu ko tō hinengaro he māra, ā, kia ataahua, kia kakara ki ngā whakaaro parakore, tapu. Kaua e tukua kia waiho hei repo paru e kī ana i ngā āhuatanga kino o te mauahara. Ki te whakatipu koe i ngā putiputi o te rangimārie me te aroha, e whakakīia ana ki te kakara o te rangi, ka kukumea te pī o te mōhiotanga wairua ki tō māra. Pērā i te pī e rapu ana i ngā putiputi anake e whakaputa ana i te honi reka rawa atu, ka pērā anō te haerenga mai o te Atua ki a koe ina kī tonu tō orange i ngā whakaaro reka, rōhi. Whakatauhia kia kaua e tukua kia tupu ngā taru kino, pirau o te kino me te riri i roto i te māra o ō āhuatanga wairua pai. Ko te nui ake o tō whakatipu i ngā āhuatanga tapu e rite ana ki ngā putiputi puāwai, ko te nui ake o te

whakakitenga a te Atua i tōna aroaro tapu i roto i a koe.

E mea ana ngā tuhinga mātauranga o te Rawhiti, ko te tangata e marino ana, e mārīe ana i te aroaro o te hoa me te hoariri, e kore e pāngia e te mahana me te makariri, te ahua eka me te mamae, he tino aroha ki te Atua. Mā te tuku tonu i te aroha ki te hunga he āhua nanakia, he rangimārīe ki te hunga e awangawanga ana i te wehi me te taumahatanga o te manukanuka, te reka ki te hunga he pukuriri, te harikoa ki te hunga e taumaha ana i te mamae me te pōuri, me te whakatakoto tauira mō te hunga e kotiti ke ana i ngā ara o te hē me te hara, ka hinga i a koe ngā āhuatanga kino mā te pupuri i tō hinengaro kia aro ki ngā mahi whai hua me te auaha.

He maha aku kupu, "Ki te pānui koe mō te haora kotahi, tuhituhia mō ngā haora e rua; ki te tuhituhi koe mō ngā haora e rua, whakaarohia mō ngā haora e toru; ki te whakaaro koe mō ngā haora e toru, whakaaroarohia i ngā wā katoa"

Ko te Atua te pūtake o te hari katoa, ā, e taea ana te tae atu ki a Ia i roto i ō tātou oranga o ia rā. Engari he maha ngā wā ka noho puku te tangata i roto i ngā mea e arahi ana ki te pouri. Ko te whakaaroaro te huarahi pai ki te whakakore i ngā whanonga kino me te noho i roto i te ao whakamiharo—he ao rite ki te ao i kitea e te tohunga nui i tana kīnga, "E te Ariki, i waiata ahau i Tōu ingoa tapu, ā, i ngaro ahau i roto i a Koe. I taku hokinga mai ki tēnei mōhiotanga, i kitea e au kua whakarērea e au tōku tinana tawhito kia kitea ai ahau i roto i tētahi tinana hou i homai e Koe ki ahau!"

He kōrero rite anō kei Inia mō tētahi atu tangata tapu. Nō tata mate tētahi taitama, ā, e haria ana tōna tinana ki te tahunga ahi. I te mea kua tata te hunga

tangi ki te tahu i te ahi, ka puta whakarere mai tētahi koroheke, e oma ana, e karanga ana, "Kati! Kaua e tahuna te ahi! Ka whakamahia e au taua tinana!" I tana kōrerotanga i ēnei kupu, ka hinga te tinana o te koroheke ki te whenua, kua mate, i te mea ka ara ake te taitama i te puranga ahi, ka hohoro ki te ngahere. He tangata tapu nui te koroheke, ā, kāore i hiahia ki te whakakore i tana karakia mā te hoki ki te ora i roto i te tinana mate o tētahi pēpi hou, nō reira ka whakatau ia ki te whakamahi i te tinana o te taitama hei whakahaere i ana mahi wairua.

He maha ngā mea whakamiharo mō te ora me te mate e tatari ana kia kitea. Ko te whakaaroaro te huarahi e tika ana kia noho tahi tātou me tō tātou āhua atua, me te Atua hoki. He whakamataku te mate i te tangata nā te mea kua puritia te Atua i roto i ō tātou oranga.

Ka whakakīia tātou e ngā mea mamae katoa ki te wehi me te matakū nā te mea e aroha ana tātou ki te ao, engari kāore e mārama ki tōna tikanga me tōna kaupapa. Engari ina kite tātou i te Atua i roto i ngā mea katoa, ka ngaro te wehi. Ka "whānau" tonu tātou i roto i te ora, i te mate hoki. Ko te pono, he ingoa hē te mate nā te mea kāore he mea e kiia nei ko te mate. Ina ngenge te ora, ka whakarerea e tātou te koroka matotoru o te kikokiko, ka hoki ki te ao ngawari, rangimārie.

Ko te mate te mutunga. He waka kua whati ngā wāhanga, he waka mate nā te mea kua tae ki tōna mutunga. Engari kāore e taea e te wairua ora tonu te mate. I ia pō, i a tātou e moe ana, ka noho te wairua i roto i te tinana eterika, kāore e mōhio ki te tinana tinana. Me i mate te wairua i a tātou e moe ana. Engari kāore tātou e mate i a tātou e moe ana, kāore hoki e ngaro katoa te hinengaro, nā te mea i te oho

ake, ka mahara tātou mēnā he marino, he koretake rānei tā tātou moe. Waihoki, kāore tātou e mate i muri i te matenga.

Ko te hunga e tuku ana i ō rātou hinengaro kia pakari, kua mate tūturu. Hei whakaoti i te mea ngaro o te ora, me whānau anō koe i ia rā. Ko te tikanga o tēnei, me whai tonu i ia rā ki te whakapai ake i a koe anō i tētahi ara. Engari, me inoi tātou ki te Atua kia homai he whakaaro nui ki a tātou, nā te mea ka puta mai ngā mea katoa i roto i te whakaaro nui.

Me whakatipu te māramatanga, te whakaaro auaha, me ngā mahi whai hua, hei whakapai ake i a tātou anō, hei whai hua hoki mō ētahi atu. Me āwhina te hunga katoa e hiahia ana ki te tomo ki te rangatiratanga o te Atua i ētahi atu i ia rā, i ia rā, ki te pai o ō rātou kaha. Mā te whai i tēnei ara, ka pā mai he hari oraora e whakakore ana i ngā āhuatanga kino. He tohu pumau hoki tēnei hari mō te ahunga whakamua o te hinengaro, te tinana, me te wairua. Kāore e kore ka eke ki ngā taumata teitei ake, nā te mea koinei te ara e arahi ana ki te rangatiratanga o te Atua.

Me whakapau kaha ki te wikitoria i te āhua o te wairua, nā te mea i te wā tonu ka pōuri te tangata, ka ruia e ia ngā purapura o te hē ki te oneone o ia anō.

He mate haere te whai i ngā tikanga kino. Engari ko te ngana ki te harikoa me te hihiri i ia rā, ahakoa ngā whakamātautau whakararuraru me te mamae, he tohu mō te whānautanga whakahīhi. Ki te kore tēnei whānautanga tangata e huri hei whānautanga wairua whakahīhi, e kore e taea te whakahou i te tangata; ka noho pūmau tonu rātou.

He mea hopu te āhua o te tangata, ā, i ngā wā o te manukanuka me te pouri, ka pā kino ki te nuinga o te taupori. Kaua e tino aro ki ngā āhuatanga kino o te

**ao. He pai ake te kata iti i te pouri me te tangi i ngā
aituā katoa ka pā mai ki a koe.**

**He mea whakamiharo te noho hihiri, me te ngana
tonu ki te menemene**

**Ina whakaatu te tangata i te maia, i te harikoa, i
tētahi atu āhuatanga pai rānei, ka whānau hou ia,
arā, ka whakahoutia tōna hinengaro mā te whakaatu i
tōna āhua wairua tūturu.**

**Ā, koinā te whānautanga wairua hou e āhei ai
tātou ki te kite me te tomo ki te Rangatiratanga o te
Rangi**

Kia tau te rangimārie ki a koe

Te Hoahoa: Ngā Tūāpapa me te Manawanui

Ko te whakahoahoa te whakaaturanga tino teitei a te
tangata i te hiahia o te Atua ki te whakaatu i tōna aroha ki te
tangata

Ka homai e te Atua te aroha me te ngākau māhaki ki te
pēpi hou mā te matua tāne me te whaea. He mea ā-roto, he
mea hangai hoki ō rāua kare ā-roto ki te pēpi, nā te mea kua
whakatau te Atua kāore e taea e ō tātou matua te kore e
aroha ki a tātou. Nō reira, ka tae mai te whakahoahoa ki a
tātou hei whakaaturanga parakore o te aroha mutunga kore
.o te Atua ki a tātou

E rua ngā tāngata tauhou e tūtaki ana, ā, he hiahia tonu,
he ngākau pono, e hiahia ana rāua ki te āwhina tetahi i
tetahi. Kua tātarihia e koe tēnei āhuatanga? Ko tēnei hiahia
tūpono, ā-tahi mō te hoa i ahu mai i te ture tapu o te
kukume. Ko ngā mahi whakahoahoa ā-tahi me te
whakapakari i waenganui i ngā wairua e rua o ngā oranga o
mua ka āta hanga he hononga wairua e kukume ana i a rāua
.i tēnei ao—ahakoa kei hea rāua

Ki te kore tēnei hihiri e poke i te hiahia whaiaro me te
kukume ki te ira tangata kē, he parakore, he kore poke.

Engari, heoi anō, he maha ngā wā ka poke i ngā whakaaro
.poke

Ka puāwai te whakahoahoa, ka puāwai, pērā i te putiputi
tomairangi i runga i te rākau o ō tātou kare ā-roto, ā, ka
poke i ngā hiahia kino, whakarihariha me ngā whanonga
.whaiaro, whakahīhi

Ki te tāpirihia he momo tongi rerekē ki ngā pakiaka o te
rākau, ka iti, ka pōturi hoki ngā hua. Waihoki, ki te whāngai
tētahi i te rākau o te whakahoahoa me ngā kare ā-roto
whaiaro, ka whakapohehetia, ka whakakinohia hoki ngā hua
o taua whakahoahoa e ōna hiahia koretake. Ko te hiahia ki
tētahi nā te mea he whai rawa, he whai mana rānei, ā, ka
taea e ia te mahi i tētahi mea mā tātou, kāore e taea te kī he
whakahoahoa. Waihoki, ko te kukume ki tētahi nā tōna mata
ataahua, ehara i te whakahoahoa. Ina ngaro te ataahua
taitamariki, te ataahua hopu o taua mata, ka memeha haere
.te "hoahoa" ka noho hei mea o mua

He pono he uaua te kimi i te whakahoahoa i ngā wāhi
katoa; ētahi tāngata e kitea ana e koe i ia rā, ā, kāore koe i
te tino mōhio; ētahi atu e mōhio ana koe ahakoa kāore anō
koe kia tūtaki ki a rātou; me ako, me whakawhanake hoki i
.taua māramatanga pono o roto

Kia tūwhera tonu ō kanohi ahakoa kei hea koe, ā, ki te
mea kei te tino hiahia koe ki tētahi, me whakapakari te
.whanaungatanga ki a ia nā te mea he hoa ia nōu i mua
He maha ngā hoa kua mōhiotia e tātou i ngā oranga o
mua, engari kāore aua hoahoa i pakari, i eke rānei ki tō rātou
taumata teitei. He pai ake te hanga i runga i ngā turanga
kua oti kē te whakarite, kaua e kerī ki runga i te onepū o ngā
hoa mōhio poto noa. He ngāwari ki te whakaaro he maha ō
hoa tae noa ki te wā e mamae ai koe, e whara ai rānei, ka
.waiho koe me te pouri nui

Whakahoa ki te hunga e mōhiotia whānuitia ana mō ō
ā, whiriwhiria tō hoa i roto i te hunga rātou mātauranga,
(whai tikanga pai

He tokomaha ngā tāngata e hē ana ki te whiriwhiri hoa
nā te mea kua tinihangatia rātou e ngā āhua o waho. Ko te
huarahi anake hei wehewehe i ngā hoa pono ko te
whakaaroaro me te tono ki te Atua kia whakakotahi koe i a
rātou. Me whai kaha koe ki te kimi hoa i roto i te huarahi
parakore, tapu. Ko te tikanga tēnei ko te pure i tō hinengaro
i ngā whakaaro katoa mō te ataahua tinana, i tētahi atu
āhua rānei e whakaarohia ana e koe he mea nui e whakatau
ana i ō kare ā-roto ki ētahi atu. Ki te mahi koe i tēnei, i tētahi
rā, mā te aroha noa o te Atua, ka taea e koe te kimi hoa
pono i tō taha ahakoa kei hea koe, ā, ka whakakotahi anō
hoki te Atua i a koe, ahakoa he wairua noa iho, me ngā hoa
kei tawhiti, nā te mea kāore ngā kare ā-roto parakore i raro i
ngā ture o te ao, ā, kāore hoki e herea e te wā me te wāhi.
Ka rongo koe i te aroha o te Atua mā roto i aua tikanga
tangata whakaiti e kore e ātete ki a Ia engari e tuku ana i
Tōna aroha kia rere mā roto i a rātou he parakore, he
mārama. Mai i te ngākau parakore ka puta mai ngā
manaakitanga o te whakahoahoa tapu ki a koe, ā, ka whiti
.mai tō rātou māramatanga ki a koe
Kāore e taea te kukume i ngā hoa pono ki te kore te
tangata e horoia i te hiahia whaiaro me ngā āhuatanga kino.
Ko te toi nui rawa atu o te whakahoahoa me te noho tahi ko
te mahi rangatira me te whakaute. Ko te tikanga he wairua,
he parakore ngā kaupapa me ngā whāinga, he kore
whakaaro whaiaro, he wātea i ngā mānukanuka me ngā
pōhēhētanga, me te tīmata ki te hanga i te whare nui o te
whakahoahoa i runga i ngā turanga i whakatakotoria i mua
.noa atu
E tōu oranga, kāore he mea o te ao katoa e rite ana ki
E hari ana ōku kanohi i te whakaae mai o tētahi hoa
Me ngā hoa katoa kāore nei tōna aroha i runga i te
whakaaro ki te Atua
Kāore au i te tino whakapono ki tōna aroha

Me noho te whakahoahoa me te aroha i roto i ngā
whanaungatanga tangata katoa: i waenganui i ngā mātua
me ngā tamariki, i waenganui i ngā tāne me ngā wāhine, i
waenganui i ngā tāne me ngā tāne, i waenganui i ngā
wāhine me ngā wāhine, ā, i waenganui i ngā tāne me ngā
wāhine hei tuakana, hei teina, hei tuahine. He parakore, he
kore here, he kore tikanga hoki. Ina hiahia koe ki te noho
.tahi me ētahi atu, ko tāu e rongo nei ko te aroaro o te Atua
He hihiri atua te whakahoahoa. Kāore te Atua e manaaki
ana i āna tamariki tangata mā roto i ngā mātua me ētahi
whanaunga; e whakarato ana hoki ia i ngā hoa hei homai i
ngā whai wāhitanga ki a tātou ki te whakapuaki i te aroha
.parakore me te pono mai i te hohonutanga o ō tātou ngākau
Ko te iti o ngā hapa tangata, ko te nui ake o ngā
āhuatanga pai o te tangata, ko te nui ake o ngā hoa. He hoa
ngā poropiti me ngā tino tangata ki te katoa, ā, kia rite ai
tātou ki a rātou, me pure tātou i tō tātou aroha i te poke o te
.hiahia whaiaro
Ina taea e tātou te whakatenatena i ētahi atu ki tō tātou
aroaha
Ā, ina tino mohio tātou i roto i ngā whakamātautau o te
wā me ētahi atu whakamātautau
He tangata e aroha pono ana ki a tātou mai i te hohonu
o tōna ngākau
Ā, koia anō hoki ō tātou whakaaro ki taua tangata
Ehara i te mea hei painga mōku ake, engari hei rongo
noa i te manawa o te whakahoahoa
Ka kite tātou i te whakaata o te Atua, ka rongo hoki i te
aroaro o te Atua
Ā, ka rongo tātou i te reo o te Atua i roto i taua
whakahoahoa manaakitanga
Kaua e tukua tō tātou aroha kia herea ki te tangata
kotahi, engari me whakakaha ake i ngā turanga o tēnei
.aroha tapu i roto i ētahi atu o ngā kaupapa rangatira

Ki te ngana koe – kia tiakina koe e te Atua – ki te hanga i
tētahi whanaungatanga ki tētahi tangata he kino ōna
whakaaro, ka pouri koe. Kia whakahoa koe ki ngā tāngata
pai i te tuatahi, kātahi ka hora tonu i ngā kare ā-roto o te
whakahoahoa ki ētahi atu kia tae rā anō ki te wā e aroha ana
koe ki te katoa, ā, ka taea e koe te kī, "He hoa ahau ki te
."katoa

I aroha ngā poropiti nui ki ētahi atu, nō reira i tino aroha
rātou ki te muru hara, ā, i akiaki i te tangata kia murua ngā
.hara, kia kaua hoki e rapu utu
He aroha tapu te whakahoahoa pono nā te mea he
pono, he parakore, he pono, he pumau
I whakaahua ataahuatia te whakahoahoa e tētahi
:tohunga whakaaro wairua i tana kīnga

Ko te kawenata tino ataahua rawa atu ka taea e tātou"

te whakarite ki ō tātou hoa ko te kī atu: Kia mau te pono i
waenganui i a tātou ake ake. He ataahua te kī atu mō tēnei
tangata: Kāore au e hiahia kia tūtaki ahau ki a ia, kia kōrero
ki a ia, kia tuhituhi atu rānei ki a ia hei whakaatu i tōku
whakahoahoa ki a ia, ā, kāore hoki e hiahiatia kia tukuna atu
he koha hei whakaū i tō mātou whakahoahoa me te
maumahara tetahi ki tetahi, nā te mea e whakawhirinaki ana
ahau ki a ia, e whakawhirinaki ana hoki ki a ia, pērā i taku
whakawhirinaki ki a au anō ahakoa kei hea ia, ahakoa pēhea
".ia

Ka taea e tātou te kōrero noa, me te tuwhera ki ō tātou
hoa, me te kore rātou e mārāma ki a tātou. Engari kāore e
taea e te hoahoa te tupu, te puāwai rānei mēnā he tohutohu,
.he kōrero, he tono rānei mai i tētahi ki tētahi

Ka taea anake te hanga i te whakahoahoa i runga i ngā
turanga o te herekoretanga me te ōritetanga wairua. Nō
reira, me atawhai tātou i te katoa kia rite ki taua
māramatanga manaaki, me te mōhio he mea hanga ia
tangata kia rite ki te ahua o te Atua. Ki te tukino koe i tētahi,
.e kore rawa koe e kite i te reka o tā rātou whakahoahoa

He tokomaha e hikoi ana i ngā ara o te ao, kāore he
hoa, kāore au e whakaaro me pēhea rātou e haere tonu ai i
.tā rātou haerenga

Kāore e maha ngā wā ka hē te mārama o ngā hoa pono
ki a tātou. Ā, ki te pērā rātou, he wā poto noa iho. Ki te tukua
tō whakawhirinaki me tō pono e tetahi, me whakaatu tonu tō
aroha me tō māramatanga me te mea kāore he mea i tupu,
pērā i tō tumanako ka whiwhi koe i te māramatanga me te
.aroha mai i ētahi atu

Engari ki te haere tonu taua tangata ki te whanonga e
whakaatu ana i te whakahawea me te mauahara ki a koe, ā,
ka haere tonu tana papaki i te ringa hoahoa e totoro atu ana
ki a ia, he pai ake te unuhia o tō ringa kia whakatikahia rā
anō e ia tana whanonga, kia tika ai hoki ia mō te honore o te
.hoahoa

Me tīmata te whakahoahoa i te kāinga. Ki te kitea e koe
tētahi i roto i tō whānau e tino hototahi ana ki a koe, ngana
ki te whakatipu i taua hononga i te tuatahi. Kātahi, ki te
hiahia koe ki tētahi i roto i tō hoa e rite ana ngā uara, ngana
.ki te whakapakari i taua whakahoahoa

Me whakakore ngā hiahia whaiaro me ngā kare ā-roto
whakarihariha katoa i waenganui i ngā hoa. Me whakapakari
ngā whanaungatanga hoahoa ki te hunga pai. Mā te
whakaaroaro nui ake, ka mōhio ake koe ki ngā hoa o mua.
Mā te whakaaroaro ka ara ake ngā mahara moe o ngā hoa i
.mōhiotia e koe, i arohaina hoki i mua

He tokomaha ngā tāngata i kite tuatahi ahau i roto i
tētahi whakakitenga wairua, ā, i muri mai ka tūtaki ahau ki a
.rātou anō

He mana nui te whakahoahoa. Ina kaha tō hiahia mō te
whakahoahoa, ahakoa he tangata ke e hono ana ki a koe i te
taha wairua, ahakoa kei te Pou Tonga, mā te aukume o te
.whakahoahoa koe e whakatata atu

Ko te hiahia whaiaro anake te mea ka taea te
.whakangaro i te aukume o te kotahitanga i roto i a tātou

Ko te tangata e whakaaro ana ki a ia anō anake, e
whakararu ana i ngā turanga o te whakahoahoa, e
.whakakino ana hoki i ōna uara tapu
Kāore e taea e ēnei tāngata te kukume hoa nā te mea
kāore e taea e rātou te whakawhānui i ō rātou tirohanga me
te awhi i ngā manaakitanga o te ao. Kua manaakitia koe e te
Atua ki tētahi whānau, e hoa, kia ako ai koe ki te aroha ki
.ētahi atu, kātahi ka hora i taua aroha ki te katoa
Ka tangohia atu ō tātou whanaunga i a tātou nā te mate
me ērā atu āhuatanga, kia ako ai tātou ehara i te mea ko te
aroha ki te tangata anake i roto i ngā whanaungatanga
tangata, engari ko te aroha ki te aroha tonu—ko te aroha ko
te Atua, kei muri i ngā kanohi tangata katoa. Ā, mā te aroha
atua, ka taea e tātou te aroha ki te katoa hei whakaaturanga
.rerekē o te Ariki o te Ao Whānui
Ko te tikanga o te hoahoa he whakangao i tō tātou
aroha me te kore e whai whakaaro whaiaro. I roto i te
marena, he herenga moepuku, ā, i roto i te oranga whānau,
he kare ā-roto tuku iho. Engari i roto i te hoahoa, kāore he
herenga, he akiaki rānei, kāore he wāhi mō te akiaki, te
akiaki rānei o tētahi momo. Engari, he aroha ohorere e puta
ake ana i te ngākau, ā, kāore e herea e ngā tikanga engari
ko te tikanga o te pono, e kore e taea e te hoahoa te tu atu.
Ko tēnei tikanga te kawenga o ngā hoa e rua, nā te mea e
!rua ngā hoa e hiahia ana ki te tango
Kia aroha tātou ki te katoa. Kia inoi tātou kia tūtaki tātou
ki ō tātou hoa o mua, kia whakapakari hoki i tō tātou
whakahoahoa ki a rātou, kia mārama ai tātou, kia tika ai hoki
.mō te whakahoahoa a te Atua
Ki te kore tātou e aroha ki ngā tamariki a te Atua mā te
wairua aroha me te rangimarie, e kore tātou e rongo i te
.aroha o te Ariki o te tangata
Kāore au i te mōhio ki tētahi tangata ke, Āe, te nui o te
!harikoa me te harikoa

Ahakoia te tangata e whakaaro ana ko ia tōku hoariri,
kāore e taea e ia te mea kia whakaaro ahau e kino ana ahau
ki a ia

Ina tae mai taua oho ake, ka rongo koe i te aroha o te
katoa

Ko te aroha e pā ana ki a koe mō ngā mea hanga a te

Atua, e kore e mate ake ake, engari ka tipu haere, ka nui
haere, kia tae rā anō ki te wā e rongo ai koe i roto i te aroha
o ō hoa te aroha atua e puta mai ana i te ngākau o te Atua i
.te rangi

Kia tau te rangimārie ki a koutou, e ō mātou hoa aroha
Te whanaketanga o te mahara

**He mea ahurei te tangata nā te kaha o te mahara,
e wehewehe ana i a rātou i ngā mea ora katoa. E
hiahia ana ia wairua ki te rapu i tōna pūtake atua mā
te mahara kore mohio ki tōna pūtake tapu. E
whakamārama ana tēnei i te whanaketanga āta haere
o ngā mea katoa o te ao. E ai ki te mahere atua, i muri
i te whiwhinga o te tinana tangata—tae atu ki te roro
me te pūnaha io kua whanake—ka whiwhi ia wairua i
te huarahi hei mahara ā-hinengaro ki tōna
kotahitanga nui ki te atua.**

**Ko te mahara te āheinga e taea ai e tātou te
maumahara ki ō tātou wheako; ki te kore, ka
wareware tātou ki tō tātou māramatanga ki te ao, ā,
me tīmata hou i ia rā, pērā i ngā tamariki. He tangata
kua ngaro tōna hinengaro, ā, nō reira, he rite tōna
mahara ki te tamaiti.**

**Kāore he uara, he hiranga rānei o te
whakamātautau mēnā kāore e taea e tātou te
maumahara me te whakaora anō i aua
whakamātautau. Ka ako tātou mā te tiro tiro i ō tātou
whakaaro, i ō tātou kare ā-roto, i ō tātou hihiri, me te**

tātari i ā tātou mahi o mua. Kei roto i te mahara pakari te uara me te hiranga o te tangata.

Hei tauira, ka maumahara a "Sami" ko ia te Sami i ia ata ina oho ake ia, ā, mā te maumahara, ka hono ia i ōna wheako ora ki te ingoa Sami.

Ina hiahia tātou ki te maumahara ki tētahi wheako o mua, ina hiahia anō rānei tātou ki taua wheako, ka taea e tātou te whakahoki mai mā roto i tō tātou hinengaro huna. Mā te maumahara ki ngā mea i mahia e tātou, ki ngā mea rānei i pā ki a tātou i mua, ka taea e tātou te whakatutuki i tētahi mahi e hiahia ana ki tētahi pūkenga kua akohia, kua whakaharatauhia rānei e tātou i mua. Ka taea hoki e tātou te wehewehe i waenga i ngā mea me mahi me ngā mea me karo, i runga i te āhuatanga.

He mataara tonu te hinengaro papaku, e tuhi ana i ngā wheako katoa o te tangata i te awatea, ā, e mahi tonu ana ahakoa i te moe, e tiaki ana i te tinana pērā i te kaitiaki pō. Ina oho ake, ka mōhio tonu te tangata mēnā i marino, i okioki rānei tā rātou moe. Ko te mana o te mahara o te hinengaro papaku tētahi o ngā āheinga o te hinengaro atua mataara tonu, manaaki hoki.

Kua whakatōkia te purapura o taua mōhiotanga ki roto i ngā wairua katoa, nā te mea e mārama ana te wairua, nā tōna āhua tonu, kei roto ia i te Atua e ora tonu ana. Ko te mahara te purapura o te mutunga kore; ki te atawhaitia, ki te whakawhanaketia hoki e tātou, ka taea e tātou te maumahara ki ngā mea katoa o tēnei ao me ō tātou orange o mua.

Hei tangata, ka taea e tātou te maumahara ki ngā whakamātautau katoa i pā ki a tātou i tēnei ao. Nō reira, he aha tātou te maumahara ai ki ngā whakamātautau wairua katoa i pā ki ō tātou wairua?

E rua ngā āhua o te mahara: ko te mahara tangata, e maumahara ana ki ngā wheako katoa o tēnei ao, me te mahara tapu, e maumahara ana ki ngā wheako o te wairua puta noa i ōna whakatinanatanga katoa. Ko te mahara tangata anake te mea e mōhiotia ana e te nuinga o te tangata.

Engari he aha rā te take e takoto kau ana tō tātou mahara tapu, e tū tonu ana, e ngaro ana i roto i te moe hohonu?

Kei ētahi tāngata te kaha ki te maumahara i ngā momo wheako whānui: tangata me te wairua. Ko ētahi kāore e taea te maumahara mārama ahakoa ō rātou wheako tata nei.

He taumata, he nekehanga hoki tō te mahara, e ai ki te kaha o te hinengaro ki te mārama. He mea nui te mātauranga, te arotahi hinengaro, te whakaaroaro, me ngā wheako katoa e maumaharatia ana hei whakawhanake i te mahara pai. Ki te kore e whanake te mahara, e kore e taea e te tangata te whiwhi i te māramatanga whai kiko, whānui hoki. Ki te tango tetahi i tētahi whakamātautau, kātahi ka wareware, ka ngaro te uara me te hiranga o taua whakamātautau.

Mā te whakapai ake i te kounga o tō tātou mahara, ka taea e tātou te whakapakari ake kia tae ki te wāhi e taea ai e tātou te maumahara ki ngā mea katoa, tae atu ki tō tātou takenga mai i te rangi. Ā, mā te whakaara ake i tō tātou mahara tapu—kia taea ai e tātou te maumahara ki ngā wheako katoa o ō tātou tinana o mua, tae atu ki tō tātou āhua wairua matekore—ka eke tātou ki te matekore.

He pai te tū tika me ngā mahi whakakori tinana tika mō te whakawhanake i te kaha o te mahara. I tēnei wā, kua whakakapia te mahi ā-ringa e ngā mīhini i roto i ngā mahi me ngā āhuatanga o te ao,

kua noho puku te tangata, ā, me tino hiahia ki te whakakori tinana auau. Nō reira, kua whakawhanakehia he tikanga whakakori tinana aunoa hei whakamahi i roto i ngā kāinga me ngā whare.

I te wā e whakakorikori tinana ana, he mea nui kia arotahi tō hinengaro ki te kaha ora hei kokoti i ngā hua nui rawa atu. Kāore e ranea te totoro noa me te whakakorikori i ō uaua; me whakaoho koe me te whakahaere i te kaha ora e whakarato ana i te kaha me te ora ki tō tinana.

He pai ētahi kai mō te roro, ko ētahi mō ngā uaua me ngā io, ā, ko ētahi anō mō te whanaketanga tinana me te tiaki i ngā momo okana me ngā wāhanga o te tinana. Hei whakarei ake i te mahara, me kai ngā kai hei whakanui i te kaha o te roro. Hei tauira, mā te kai i ngā nati me ngā aramona whenua i konatunatua ki ētahi pata wai raima, wai karaka rānei i mua i te moenga ka taea te whakapai ake i te mahara.

E kī ana hoki ngā Yogi he kai whakapakari roro te miraka me te tihi. E kī ana rātou i ngā wā o te ngenge me te manukanuka, me inu te tangata i te ranunga o te wai o te raima kotahi, e rua rānei i roto i te karāhe wai, ka horoi i tōna mahunga ki te wai matao, ka ringihia hoki ki runga i ōna rākau, i waenganui i ōna tukemata, ki runga i ōna ihu, me roto hoki i ōna taringa. Nō reira, ka marino ngā io, ka marino te hinengaro, ā, ka ara ake te mahara pai.

Me karo i te kai nui rawa i ngā kai momona, nā te mea ka puta he putunga ngako, ka piri tahi ki roto i ngā uaua toto i te mata o te roro.

E ai ki ngā tohunga wairua Inia he kino te poaka me te mīti kau ki te hauora o te tangata. He nui te waikawa uric kei roto i ēnei momo mīti e rua. Hei tāpiri, e kīia ana he ngoikore te mahara o te poaka me te mīti kau. Mā te kai i ā rāua mīti, e ai ki a rātou, ka

taea e te tangata te whakarei ake i ngā pūkenga tinana me te hinengaro.

Ka taea te whakapai ake i te mahara mā te mahi. He hē te kī he kore e taea e te tangata ngoikore te tinana mai i te whānautanga te kaha. He maha tonu ngā mea ka taea te whakatutuki i ngā mea nunui i ngā āhuatanga katoa o te ao.

Me mōhio tātou ki te rapu i te ara tika, me te huarahi tika hoki

E ai ki ētahi tākuta, ka noho tonu te tangata he hauātanga hinengaro tuku iho pērā mō tōna oranga katoa. Heoi, kua whakakitea he maha ngā hauātanga hinengaro ka taea te wikitoria mā roto i ngā mahi arotahi hinengaro. He iti noa ngā rangahau i tēnei mara i te Hauāuru, nō reira he maha ngā tohunga hinengaro kāore i te tino mōhio ki ngā tikanga arotahi hohonu i whakaakona e ngā yogi rongonui o Īnia i ngā rautau kua pahure.

Kāore te nuinga o te tangata e mōhio ki ngā tikanga tika mō te whakawhanake i te arotahi. Kua kitea kētia ngā pūkenga hinengaro engari kāore anō kia tino whanake. Ko te korenga e whakawhanake i ngā pūkenga hinengaro me te aro o te tangata ka arahi ki ngā raruraru nui. Pērā i te tinana, me whai korikori tika te roro mō te hauora, te mahi, me te ora.

Nō reira, ko te whakawhanake i te mahara pai me whakakorikori tinana, me kai i ngā kai hauora, me te whakaaro pai.

Ngāna ki te maumahara ki ngā mea motuhake, me te whai wāhi ki te whakaaroaro i roto i tō hinengaro. Tirohia tētahi mea, tētahi tirohanga, tētahi tirohanga ataahua rānei, kātahi ka ngana ki te hanga anō i taua whakaahua i roto i tō hinengaro. Ko te ngana ki te maumahara ki ngā rangi o ngā waiata me ngā himene,

me te waiata i aua mea i roto i tō hinengaro, ka āwhina hoki ki te whakawhanake i te mahara.

Ko ngā mea katoa e mahia ana me te aro nui me te aro nui ka whakarei ake i te mahara

He āhuatanga kare ā-roto ahurei tō te rotarota me te puoro. Ka maumahara ngāwari tātou katoa ki ngā pouri tino hohonu me ngā harikoa nui o ō tātou ao. He aha ai? Nā te mea he kaha te kare ā-roto i muri i aua wheako. Ko ngā mea katoa e pāngia ana e te kaha ka whakapakari i te mahara. Hei tāpiri, ko te tito rotarota me ngā mahi hinengaro pēnei i te tāpiri me te tango he tikanga pai hoki mō te whakawhanake i te mahara me te arotahi hinengaro.

Hei whakarei ake i te kaha o te mahara, me mahi i ngā mea katoa me te arotahi hohonu ki te hinengaro. Ko te nuinga o te tangata e mahi ana i ā rātou mahi me te hinengaro kopikopiko, ka hua ake he āputa nui i waenga i ā rātou mahi me ā rātou whakaaro. Koia te take kāore rātou e maumahara pai ki tetahi mea. Ki te hiahia te tangata ki te maumahara ki tetahi mea, me mahi e rātou me te tino mōhio me te aro nui.

Ki te hunga e aroha ana ki te Atua, ko te whakaaro ki ā rātou mahi i a rātou e mahi ana i aua mahi kāore e aukati i a rātou ki te whakaaro ki te Atua i te wā kotahi. Heoi, i te wā e whakaaroaro ana, me whakaaro te tangata ki te Atua anake. Me mōhio ka whakapakarihia te mahara, ā, ka whānuitia tōna kaha ki te mārama mā te whakaaroaro.

He aha te whakaaroaro? He hononga ki te wairua o te ao whānui, e whiti ana i ngā herenga katoa o te tangata, me te ngana ki te mahara ko te tangata he wairua, ehara i te tinana. Ina tīmata te kaiwhakaaroaro i te ngana hinengaro mohio ki te hono i a ia anō ki te wairua ora tonu, kaua ki te tinana e nohoia ana e ia mō te kotahi noa iho o te ora, ka

mahara ia ki te maha o ōna wheako o mua, ā, i te mutunga ka mahara ia i ahu mai ia i te ngākau o te Atua.

Kei roto i te Atua te maharatanga o te oranga tangata katoa me te oranga o ia tangata. Ina noho tahi te tangata me tōna wairua, ka puta ake anō ngā wā o mua me ngā mana kua warewaretia o te wairua tapu korekore i roto i tōna hinengaro. Ko te whakaaroaro he mahara ehara te tangata i te tinana mate engari he wairua matekore: he kotahi ki te Atua.

I te awatea ka whakaaro tātou he tangata iti tātou, engari i te pō, i a tātou e moe hōhonu ana, e kore e moemoeā, ka wareware tātou ki tō tātou āhua tangata.

Mā te whakaaroaro, mā roto i tā tātou ake mahi ka taea e tātou te mawhiti, ahakoa he wā poto noa iho, i ngā here o te ao. Ka taea e tātou te whakarērea te mōhiotanga tinana, me te mahara he wairua atua tātou. Ko te hunga e u tonu ana ki tēnei mahi ka noho hei rangatira mō rātou anō, hei kaiārahi pono hoki.

I homai e te Atua te mahara kia taea ai e tātou te waihanga me te maumahara ki ngā mea pai me ngā mea rangatira katoa. Ka nui te kino o te whakamahi hē i te mahara ki te tangata.

Ko te tangata e pupuri ana i te riri me te mauahara ki tētahi atu tangata nā te mamae o mua, kei te whakamahi hē i tōna mahara. Heoi, kāore he he o te mahara ki ngā wheako pouri hei ako mai i aua wheako. Mā tēnei, ka tātarihia e te tangata āna mahi o mua, ā, ka karohia te whakahoki anō i ngā hapa kotahi i puta ai ngā hua kino me ngā hua mamae.

Kaua ngā whakaaro teka e hoki anō ki te hinengaro, nā te mea ka roa ake te noho o aua whakaaro i roto i te hinengaro i homai e te Atua kia mau tonu ai ngā akoranga o te ao me ngā wheako pai.

Me whakakore atu ngā whakaaro teka o mua mā te karo i te maumahara. Ki te uru kaha mai ki roto i te hinengaro, me whakakahore tātou ki te manaaki, ki te manaaki rānei i a rātou.

Ka kī anō mātou: ko te noho tonu ki ngā wheako kino, me te whakahoki anō i ēnei wheako, he whakamahi hē i te mahara kua homai e te Atua ki a tātou. Engari, me whakatau te tangata ki te whakamahi i ō rātou mahara mō ngā whakaaro pai me ngā wheako rangatira anake, me te whakakore i ngā mahara kino me ngā mahara whakarihariha katoa i roto i ō rātou hinengaro.

Me kite, me whakarongo, me whakamātau, me pā, me rongo, me hiahia hoki tātou ki ngā mea pai katoa, ngā mea ora, ngā mea ora, me ngā mea whai hua. Ā, me pupuri e tātou ngā wheako me ngā whakamātautau harikoa ki roto i te whare o ō tātou mahara.

He tangata e pai ana ngā kare ā-roto, e whakaaro rangatira ana, ā, e kite ana i te pai anake i roto i te taiao, ā, ko ngā mea pai anake ka maumahara te tangata.

Kua homai te mahara hei taonga tapu kia taea ai e tātou te maumahara ki ngā mea pai tae noa ki te wā ka taea ai e tātou te maumahara ki te mea nui rawa atu: ki te Atua

I a tātou e kite ana i te pai me te tika i roto i ngā mea katoa, ka kitea e tātou i tētahi rā ka pakaru, ka whakamararatia hoki e te mana atua huna ngā whakatuwheratanga iti katoa o ngā whakaaro, ngā kare ā-roto, me ngā kare ā-roto i kitea ai e tātou ngā kanapa o te ataahua atua me te rangimarie i roto i te hanganga, ā, mā roto i te matapihi o te hinengaro wairua ka kite tātou i te pai katoa me te tino pai.

**Ka inoi mātou ki te Atua kia āwhina mai i a mātou
ki te whakaara me te whakakā anō i te mura mutunga
kore o te mahara tapu kia tahuna rā anō te pōuri o te
warewaretanga me te mangere, kia maumahara ai
mātou i mua, ā, kei te kotahi tonu tātou me te wairua
o te Atua me Tōna aroha whānui.**

**Ki te mahara koe ki te Atua i te ata

**Kaua e whakahē i aku kupu me te ruarua i mua i
te whakamātau i te tikanga mā koutou anō. Tērā pea
kua hoha koutou ki te whakarongo ki ngā ariā maha
kāore he pānga ki ō koutou oranga. Ehara taku e
kōrero nei i te ariā, engari he meka kua
whakamātauhia, ā, ka ngana ahau ki te hoatu ki a**

koutou he whakaaro mō ngā mea ka taea te whakamātautau.

I waimarie ahau ki te ako i tēnei pono pūtaiao mai i tētahi o ngā tohunga nui o Īnia i ngā tau maha kua pahure. Tērā pea ka miharo koe he aha ahau i whakatenatena ai i a koe, i kukume ai hoki i tō aro ki ēnei meka. He hiahia whaiaro tōku? Ehara rawa taku whakautu i te mea ko tāku anake e hiahia ana ko te whakaatu i ēnei pono ki a koe, me te tumanako ka whiwhi koe i te hari parakore mō te āwhina i a koe ki te kimi i tō harikoa mā te mahi i aua mea me te wheako i ō rātou harikoa.

Ināianei me whakamahi au i ētahi āhuatanga o te tinana kia mārama ai ahau ki te tukanga. Ka kōrero ahau mō te mahi a ngā pokapū matua, ngā toki rānei, me te iahiko e rere ana mai i te roro—mā roto i ēnei pokapū—ki ngā whekau rongo o waho, o roto hoki, kia ora tonu ai, kia hihiko ai hoki.

E ono ngā pokapū matua e tukuna ai te ia ora, te hiko ora rānei, ki te pūnaha io katoa. Ko ēnei pokapū ko:

1 Pokapū Medula

2 Pokapū o te Uha

3 Pokapū Tua

4 Pokapū Lumbar

5 Pokapū Tapu

6 Pokapū o te Tutu

Ko te roro te kaituku hiko tino nui (te pokapū teitei), ā, e hono ana ngā pokapū katoa tetahi ki

tetahi, ā, e mahi ana i raro i te mana o te pokapū tino nui (ngā pūtau roro). Ka tukuna e ngā pūtau roro te iahiko ora (te hiko rānei) mā roto i ēnei pokapū, mā roto rānei i ngā axon tuaiwi, ka tukuna atu ai ō rātou utu hiko ki roto i ngā io afferent me ngā io tuku e tango ana i ngā mahi o ngā kare ā-roto me ngā kare ā-roto o te pā me te tirohanga, me ētahi atu.

Ko tēnei iahiko hiko e tukuna ana e te roro te toto ora o te tinana (tae atu ki ōna whekau o roto, o waho hoki). Mā tēnei ara hiko, ka tukuna ngā mōhiohio kare-ā-roto ki te roro, ka tīmata ai te tukatuka whakaaro.

Ki te hiahia te wairua ki te aukati i te rere o ngā pūrongo whakararuraru o ngā kare ā-tinana (e āwhina ana i te putanga mai o ngā koropiko whakaaro honohono), me whakahaere e ia te iahiko me te huri i tōna rere mai i te pūnaha io katoa ki ngā pokapū matua e whitu (tae atu ki te roro), kia taea ai e ia te hoatu i te okiokinga tino ki ngā whekau o waho me roto.

I te wā moe, ka motuhia ngā hononga hiko i waenga i te roro me ngā whekau pārongo, ka kore ai e tae atu ngā kare ā-roto pēnei i te whakarongo me te pā ki te roro. Nā te mea kāore i oti tēnei motuhanga, ka taea e tētahi whakaohoho kaha o waho te whakatū anō i tēnei hononga hiko, ka taea ai e te whakaohoho te tae atu ki te roro, ka whakaara ake i te tangata. Heoi, i te wā moe, ka rere tonu te iahiko hiko ki ngā whekau o roto—te ngākau, ngā pukahukahu, me ētahi atu—kia ora ai, kia mahi ai hoki.

Nā te mea kāore i te tino whakahaerehia ngā mahi hiko o te tinana i te wā e moe ana, ka taea e ngā

kare ā-tinana pēnei i te kore whakamarie, te mate, me ngā whakaohoohe kaha o waho te whakararuraru i te tangata moe. Heoi, mā te whakamahi i tētahi tikanga pūtaiao tika, ka taea e tātou te whakahaere i ngā mahi o roto me waho o te tinana i te wā kotahi - koinei te tihi o te mahi. Engari ko te whakatutuki i te mana whakahaere katoa me maha ngā tau o te mahi whakatapua.

Pērā i te whakahauora i ngā whekau o waho i muri i te moe, he okiokinga tēnei mō te tinana, waihoki ka tino whakahauorahia ngā whekau o roto nā te whakamahi i tēnei tikanga pūtaiao, ā, ka piki ake tō rātou kaha, ka āwhina i te whakaroa i te oranga.

Pērā i a tātou e kore e wehi i te moe kei noho puku ō tātou kare ā-roto, ā, kāore e taea te mahi, waihoki kua tātou e mangere ki te mahi i te mate mohio, arā, ki te whakangāwari i ō tātou whekau o roto. Ko reira ka noho te mate ki raro i tō tātou mana, kia kitea ai kua pakaru tēnei whare tūturu, ā, kāore e taea te noho, ka taea e tātou te wehe atu me te ngākau nui me te marama katoa. "Ko te hoariri whakamutunga kia hinga ko te mate"

Ka taea e tātou te whakaatu i tēnei tikanga mā te tauira e whai ake nei:

Mena kei te honoa te waea matua o te tāone ki ngā wāhanga rerekē o te tāone, ka taea e ngā kaikaea o aua wāhanga te hono tonu ki te waea matua mā te iahiko e rere ana i roto i ngā waea, ahakoa te whakahaere, te mana whakahaere rānei a te waea. Heoi, ki te hiahia te waea matua ki te momotu i ngā waea rerekē, ka taea e ia te whakaweto i te pana hiko

matua, ā, ka mutu te rere o te hiko ki ngā wāhanga rerekē o te tāone.

Waihoki, mā te tikanga pūtaiao tātou e whakarato ki te tukanga e tika ana hei kukume i te ia ora—e horahia ana puta noa i ō tātou tinana—ki ō tātou rohe pokapū, arā, te tuaiwi me te roro. Mā te aukume i te tuaiwi me te roro, kei roto nei ngā pokapū pūngao matua e whitu, ka kukumea te kaha ora e horahia ana puta noa i te tinana, ka tukuna mā te tuaiwi ki te roro. Kia tae atu ki te roro, ka rongohia, ka pāngia hoki e te māramatanga. I tēnei āhua, ka taea e te wairua te whakawātea i a ia anō mai i ngā mea whakararuraru tinana me te hinengaro.

Ka whakararururuhia te wairua wairua e ngā pūrongo waea e tae mai ana—engari kāore i te pai—mai i ngā momo "tangata" e rua: he momo teitei (ngā whakaaro) me te momo iti (ngā kare ā-tinana). Hei motu i ngā hononga ki ēnei momo e rua, me kukume e ia te hiko e rere ana i roto i ngā waea waea ki te pākahiko matua mā te whakaweto i te pana hiko (arā, mā te whakaaroaro) kia taea ai e ia te whiwhi i te rangimārie me te herekoretanga.

Ko te aro te kaiwhakahaere matua me te tohatoha o te pūngao, ko ia te kawenga mō te tuku i te iahiko ora mai i te roro ki ngā io pūngao me ngā io nekeneke. Hei tauira, ina peia atu e tātou he namu whakarihariha, ka whakamahia e tātou te mana o te aro ki te tuku i te iahiko ki ngā io nekeneke, ka hua ake te nekehanga o te ringa e hiahiatia ana. Ka whakahuatia e au tēnei hei whakaatu i te mana o te aro, e taea ai te whakahaere me te tuku i te iahiko i roto i te tinana ki ngā pokapū kua whakahuatia ake nei.

I konei ka hiahia ahau ki te whakaahua i ngā āhua e whai ana i te mana whakahaere katoa o te iahiko koiora. I te tīmatanga, ka pāngia te tangata e te kare tino ataahua nā te aukumetanga o te tuaiwi. Heoi, mā te mahi tonu me te roa ka puta he āhua harikoa e whakakore ana i te whakaohoho o te hinengaro tinana.

Kua whakaahuahia e tātou tēnei āhua harikoa hei whāinga matua, hei mea nui hoki mō te ao whānui, nā te mea i roto i tēnei ka kite tātou i te māramatanga pono ki te Atua, ki te harikoa rānei, ā, ka rongohoki i te whānui haere o tō tātou hinengaro. Ko te nui haere o tō tātou wheako i tēnei āhua, ka nui haere te hekenga me te memeha o tō tātou tuakiri (tō tātou ake, tō tātou ego rānei), ā, ka tere ake tō tātou whakatata atu ki te hinengaro ao whānui, ka piripono, ka hono tika atu ki te Atua.

Ko te whakapono, ko te pono, ehara i te mea ke atu i te whakangaromanga o tō tātou ake āhua i roto i tō tātou hinengaro ao. Nō reira, i roto i tēnei āhua harikoa, ka piki tātou i te arawhata o te whakapono, ka mahue te āhuarangi whakakōkī o ngā kare ā-roto me te ngangau o te whakaaro, ka tomo ki ngā ao o te harikoa atua.

Mā tēnei tikanga ka kitea e tātou ngā pono o te ao whānui, ā, ina tūturu tēnei āhua manaakitanga - mā te mahi tonu - ka kitea tonutia tātou e te Ariki manaakitanga i roto i a tātou, ā, ka pai ake te mahi a tātou i ā tātou mahi, me te kore e titiro ki ngā hua o te mahi, nō reira ka nui ake tō tātou aro ki ngā mahi i tō tātou ake (te ego) me ngā kare ā-roto o te harikoa me te mamae e puta mai ana i taua ego.

I roto i ngā whakaakoranga o ngā whakapono katoa—te Karaitianatanga, te Ihirama, me te Hinitū—he pono taketake tēnei: ki te kore te tangata e mōhio ki tōna mauri hei wairua—te pūtake o te harikoa—ka herea tonu rātou e te whakaaro iti, ā, ka noho ki raro i ngā ture uaua, kore e taea te whakarerekē o te taiao. Mā te mōhio ki tōna mauri tūturu ka puta te herekore mutunga kore. Kāore e taea e tātou te mōhio ki te Atua engari mā te mōhio ki a tātou anō, he rite hoki te mauri o tō tātou mauri ki a ia. I hangaia ngā tāngata i te āhua o te Atua. Mā te mahi uaua me te pono o te whakaaroaro pūtaiao pono, ka mōhio koe ki a koe anō—arā, ka mōhio koe he wairua manaakitia koe—ā, ka mōhio koe ki te Atua.

Kei roto i ngā tikanga whakaaroaro wairua ngā huarahi katoa e tika ana hei mōhio ki te Atua. Kāore rātou e aro ki ngā rerekētanga o ngā whakapono me ngā whakapono, nā te mea ka whakapoauau ētahi o ēnei rerekētanga i te whakaaro o te tangata.

Ko te hiranga o te whakaaroaro pūtaiao i runga i ētahi atu tikanga kei roto i tōna hononga tata me tana mahi tika ki te mea tonu e herea ana tātou ki ō tātou ake āhua iti: te pūngao ora. Engari ko te huri i tēnei pūngao, arā, ko te whakawhiti ki roto, me te whakauru ki ngā mana whānui me te whānui o te wairua, ka rere ki waho, ka pupuri i te tinana me te hinengaro kia neke haere tonu, ka whakararuraru i te wairua i roto i te ahua o ngā kare ā-tinana me ngā whakaaro poto.

Nā te mea e rere ana te kaha o te ora ki waho, ka whakapohehetia e ngā kare ā-roto me ngā whakaaro te āhua o te wairua parakore, marino. Ka akona tātou e tēnei tikanga ki te whakahaere i te kaha o te ora ki

roto. Nō reira, he tikanga tika, he tikanga tonu hoki, e kawe tika ana i a tātou ki te hinengaro o te wairua: ki te hinengaro manaaki o te Atua, me te kore e hiahiatia he atu ara.

Ko tā tēnei tikanga he whakatikatika me te whakahaere i te rere o te pūngao ora mā te whakatikatika me te whakahaere i tētahi o ngā āhuatanga e mōhiotia ana e pā tika ana ki te pūngao ora tonu.

He mea tika kia mōhiotia ko ngā ara whakapono katoa o te ao e taunaki ana kia whakamahia he tikanga tika, he tikanga ā-kore rānei, he tohu, he tikanga mārama rānei, hei whakahaere i te rere o te kaha ora me te huri i tōna ahunga kia taea ai e tātou te whiti atu i te tinana me te hinengaro, kia mōhio ai ki te wairua mā te mōhio ki te mauri o tōna āhua me te mauri o tōna mauri.

Ko te noho mai o te ora i roto i te tangata ko te oranga tonutanga, ā, ko tōna ngaronga ko te whakangaromanga. Nō reira, ko te tikanga e ārahi ana i te tangata ki te whakahaere tika i te ora te tikanga pai rawa atu.

Kua tūtohu ngā tāngata whakaaro nui o ngā whakatipuranga me ngā whenua rerekē i ngā tikanga e tika ana mō ngā hinengaro me ngā āhuatanga o te iwi i noho tahi rātou. Mā te arotahi o te hinengaro ki te Atua, me te inoi mai i

.te māra o te hinengaro tangata

Ngā maunga whakahīhī, ngā maunga whakahirahira,

Ko te arotahi i te hinengaro te kī ki te whakaoho me te
whakahohe i te mana huna i roto i te tangata. Ko te arotahi
ko te arotahi i te whakaaro ki tētahi pūwāhi kotahi. Ko te
take matua o ngā hapa maha ko te kore arotahi. Ka taea te
whakarite i te aro ki tētahi rama; ina horapa tōna hihi ki
tētahi wāhi whānui, ka ngoikore tōna kaha. Engari ka kaha,
ka mārama taua hihi ina arotahi ki tētahi pūwāhi motuhake.

Ko te hunga he hinengaro tino pai, he tino arotahi, he kaha
ki te arotahi i ō rātou kaha hinengaro katoa ki tētahi mea i te

* * *

Ko te aroha pono—te aroha o te ngākau me te wairua—
he aroha atua. E whai ana tēnei aroha atua ki te whakaatu i
.a ia anō mā roto i ngā ngākau me ngā wairua o te tangata

He ngaru kei tawhiti rawa atu i te mata o te moana,
kāore e pakaru ki uta, ā, kei roto i te wāhi tapu o te wahangu

Ko te māramatanga te taurite i waenga i te hinengaro
marino me te hinengaro mārama

Ko te toi o te mahi tika kei roto i te kaha ki te mahi āta
haere, ki te mahi tere rānei, me te kore e ngaro te
.rangimārie o roto

Kāore e taea e tātou te ako i tētahi mea kāore tātou e
mōhio ana ki te kore he mea kē atu hei whakarite. Nō reira,
e whakaako ana te Atua i te tangata ki te aroha atua mā te
.ara tino tika o te aroha tangata

Me tohu tonu te ngira o tō aro ki te raki aukume o te
hari wairua, ā, kāore he tangata e taea te whakararuraru i tō
.taurite

Whakakahangia tō whakapono ki te Atua, me te
whakawhirinaki mā te Kaihanga koe e manaaki, e tiaki hoki

Ko te tangata e haere tika ana, e aroha ana ki te Atua,
ā, e arohaina ana hoki e te Atua, ahakoa kei roto i te
ngahere tūturu, kei roto rānei i te ngahere o te ao hou e
mahī ana ia, nā te mea kei roto i ngā mea e rua ngā
raruraru, ngā uauatanga, ngā whakamātautau, me ngā
whakapataritari. Kei roto i te mea tuatahi ngā kararehe
nanakia, ko te mea tuarua ia e whakaatu ana i ngā wehi
kāore i te iti iho te kaha, e whakaatuhia ana i roto i te
pakanga kaha ki ngā hiahia kore here me ngā hihiri e mura

ana. Mā te tangata anake e pehi i ōna hihiri ki tōna hiahia ka
.reka ia i te harikoa pono

I ētahi wā, ka rongoa pea koe kei te haere mai tētahi hoa
ki te toro mai, ahakoa kāore he tohu mō tā rātou haerenga
mai. Kāore anō rātou kia kōrero mai kei te haere mai rātou,
engari he kaha tō whakaaro ka kite koe i a rātou, ā, i te
ahiahi, ka patuki rātou i tō tatau! I ētahi wā rānei, ka rongoa
koe i te rā katoa kei te tata te tupu o tētahi mea pai, kino
rānei, ā, ina tupu, ka ohorere koe i te kitenga he tika tō
pūmanawa hinengaro. Koinei ētahi tauira o te pūmanawa
hinengaro (te māramatanga o roto) me tana mahi ahakoa te
.kore taunakitanga me ngā tohu

Kua homai e te Atua he wairua, he hinengaro, he tinana
ki a tātou, ā, me whakatipu tātou i ēnei taonga i roto i te
huarahi taurite, taurite hoki. Kua tātou e tuku i a tātou kia

whanonga noa. Ka taea e ngā mātua kua whanake wairua te
āwhina i te ao mā te whakatipu tamariki me ngā wairua
wairua, me te noho i tētahi momo noho ngāwari e tohuhia
.ana e te whakaaroaro me te whakahaere i a ia anō

Ko ngā whakaaro rangatira katoa e whakaoho ana i roto
i a koe e whakatata atu ana i a koe ki te Atua. He rite ēnei
.whakaaro ki te awa e rere ana ki te moana o te wairua atua

Me waiho ia rā hei rā whakawhetai, hei rā whakamihi mō
ngā manaakitanga o te ora mai i te rā, i te wai, me ngā
huawhenua me ngā hua pai, he koha ā-korekore ēnei nā te
.Kaiwhakaora Nui rawa atu

Ko te aroha parakore, ko te aroha atua, ka whakakore i
ngā arai i waenganui i te tangata me tōna Kaihanga

Ka pirau ngā whakahoahoa, ā, ka memeha haere te
aroha i waenganui i te tangata nā ngā āhuatanga paitini o te
mana pupuri, te hiahia whaiaro, ngā whanaungatanga
whānau ā-ringa, te hiahia moepuku, ngā herenga ā-tinana,
ngā pahūtanga o ngā kare ā-roto, me ngā
whakawhitiwhitinga whai hua, nā te mea ka whai mai ngā
herenga poto i te mauahara ohorere, ka arahina atu ki te
matenga o te aroha tangata. Engari kei roto i te ngākau o ia
tangata he aroha mutunga kore, he aroha atua e noho puku
.ana mō tētahi wā, engari kāore e tino mate

I roto i te oneone o tō ngākau, ka tupu ngā purapura o
te aroha. Whakatipua aua purapura, whakamakukuria ki te
.aroha me te ngākau whānui

He aroha te Atua, ā, mā te aroha tātou e hono ki te
Atua. Ki te hiahia tātou ki te aroha ki te Atua, kaua e wehea,
e whakawhāiti rānei i tō tātou aroha, engari me hono atu ki
.te aroha atua

Ko te mana katoa me ngā mea katoa o te ao whānui he
hua nō te hinengaro atua, pērā i ngā mea e kitea ana e koe i
.roto i te moemoeā he mea hanga nā tō hinengaro

Ko te huarahi anake hei karo i te mahi hē ko te
whakawhanake i te whakaaro tika kia mōhio ai koe ki te
mahī hē, kia whakatau ai koe kia kaua e mahi i taua mahi
.hē

Kāore te whawhai ki tētahi hē e hua mai i te tika. Ko te
kuware te hoariri tūturu o te tangata, ā, me pei atu i tēnei
.ao

Kei a tātou ngā mea katoa e hiahiatia ana e tātou i tēnei
ao hei ārahi i tētahi wā o te whai rawa, te harikoa, me te tika
tino tika. Ko te arai anake ko te hiahia whaiaro o te tangata,
e kore ai e taea tēnei. Ko te mamae kino, kāore e taea te
whakatika, nā te apo me te hiahia whaiaro o te tangata i
puta ai, me te kore whakaaro ki ētahi atu. Ko te moni hei
whāngai me te whakakakahu i te hunga rawakore, engari hei
.whakangaro me te whakangaro

Ko te pūtake o ngā raruraru o te ao ko tēnei hiahia
whaiaro i whānau mai i te kuware. E whakaaro ana te katoa
kei te tika tā rātou mahi, engari ki te whai noa rātou i ā rātou
ake whāinga whaiaro, ka whakatinanahia e rātou te ture
karma o te take me te pānga, ka whakangaro i tō rātou ake
.harikoa me te harikoa o ētahi atu

Ko te nui haere o taku kitenga i ngā aituā o te ao i puta
mai i te kuware o te tangata, ko te nui haere o taku mōhio
he mea memeha noa te harikoa, ahakoa kua wharikihia ngā
tiriti ki te koura. Ko te harikoa pono kei roto i te whakahari i
ētahi atu. Me i pērā te katoa, ka harikoa te katoa, ā, ka
.whiwhi te katoa i tā rātou wāhanga o te taonga o te ao

Ko te mōhiotanga atua ki ōna hari me ōna ahua reka
mutunga kore o te rangi, he rite ki te tokotoko makutu e huri
tonu ana i te konganuku iti o te ao noa hei koura kanapa o te
.hari wairua pumau

Ko te whakahoahoa te kukume wairua o te ao whānui e
whakakotahi ana i ngā wairua ki te here o te aroha atua

maru o te wairua, te marino rānei o te wairua
Ina ngaro te wera o ngā manukanuka e mura ana
Ka puta te marino, ka kawea mai te rangimārie me te
ata noho

Ko te pou ma o te poti o te ora
Kī tonu i te hau o te harikoa pumau, kāore he
whakahihiri

Nā reira ka āta panaia e ia te poti ki runga i te mata o te
roto o Al-Rida

Ko te ata noho te awa o te ngākau māhaki
E rere mārie ana ki te moana o te marino
Motuhake mai i ngā ngaru o te manukanuka
Koia te maru o te wairua
Ka horapa ki runga ake i te hinengaro me te ngākau o te
tangata

Hei tiaki i ngā hari o tōna ao, ahakoa iti, ahakoa nui

Mai i ngā ua o te wehi me te manukanuka

Ko te reo rangi

E puta mai ana i te hāri o te ora

Ko te tote tapu ia

I te tēpu o te ora

Me te rehu e rere ana mai i ngā rerenga wai o te

whakatutukitanga

He wairua ataahua, he wairua marino

Mā tēnei e whakahaere te rangatiratanga o te wairua

I roto i te rangimarie me te whakaae taki

Kāore te marino e motuhake ki ngā wāhi whakatā

motuhake

Kāore hoki he mawhiti i te ngangau me te haruru

Engari, ka tae mai i te wā e manakohia ana e te ngākau

Ā, ka noho ia ki te wāhi e kitea ai e ngā wairua te

whakamarie i roto i a ia

Ahakoa te wā me te wāhi

He putiputi ngawari, he pakarukaru
Kāore e taea te aro atu ki ngā pā kino
Engari, ka ora, ka puāwai, ka puāwai
Ki te whakamakukuhia ki te wai māori, ki te wai
parakore

He roto marino o te kare ā-roto te marino
He waatea mai i ngā kita o te pouri
Ko ia e maringi ana ngā roimata o te wehi
Mō te iti o te manukanuka me te mamae
Ina kapi te whārangi o te wairua marino
:He paparanga hukarere mā, kanapa
Te hukarere o te marino me te rangimarie o te
hinengaro
E kore e kaha ngā tupuhi o te wehi me ngā tupuhi o te
manukanuka
Te whakararuraru i te rangimārie me te ata noho
I raro i tēnei paparanga mārō, kanapa
Mō tēnei kanapa manaaki, kanapa

Te Kāreti o te Aroha Atua
Ina uaina mai ngā anga o te mauahara ki a koe
Horoia te pā o te aroha
Ā, ki te haere tonu ngā pōma o te marama kore
Kia kaha tonu i roto i ngā ana o te aroha
I raro i ngā rūma o te aroha me te ngākau māhaki
Ā, ki te ngana ngā kohu paitini o te tinihanga
Hei whakapōrearea i te ora o tō whakaaro nui
Whakatakotoria he kopare o te aroha parakore ki a koe

He piringa haumaruru te pā o te aroha atua
Mai i ngā whakaekenga a ngā ope o ngā wawata me ngā

He rite te whakaaro kore whakaaro ki te whakaata

He māra te aroha atua, he rōhi me te pēpara, he

Kia māmā noa iho, ā, ka miharo koe ki te harikoa me te
.kore uaua o tō ao

Ko te harikoa tūturu o te whānau e ahu mai ana i te

Mā te rumaki hohonu ki te whakaaroaro, ka puea ake he

ka ngaro atu i mua i te māramatanga o te oho ake wairua
.me te hiahia nui e tipu haere ana ki te Atua
I roto i ā tātou mahi tahi me ētahi atu, he mea tino nui
kia mōhiotia ngā āhuatanga motuhake me ngā kounga
rangatira kua ahu mai i ō rātou wheako, kua hangaia hoki i
.roto i ō rātou oranga, ā, kia maioha hoki ki aua āhuatanga
Ki te ako tātou i te tangata me te hinengaro tuwhera, ka
taea e tātou te mārama ki a rātou me te mahi tahi me rātou

me te whakamarie, ā, ka taea e tātou te mōhio tonu ki te

Kaua e kōrero ki tētahi tohunga whakaaro mō te reihi
hōiho, kaua hoki e tautohetohe ki tētahi kaipūtaiao mō te
mahi whare. Kimihia he aha te mea e pārekareka ana ki te

.tēnā, kaua rawa mō ngā mea e pārekareka ana ki a koe

Ki te hiahia tātou ki te mārama ki ētahi atu, me mutu tā
tātou whakahē me te whakahē i a rātou. Engari, me titiro
tātou ki roto i te whakaata o tō tātou ake mōhiotanga kia
kite ai i ngā mea e hiahia ana kia whakatikahia, kia
whakapaitia. He rerekē rawa tēnei whakaata o roto i te

ki roto i tēnei whakaata o roto, ā, ki te kitea e au tētahi mea
e kore e pai ki ahau, ka whakahē ahau i a au anō, ka whai
kia whakatikahia. Pēnei, ka kite te tangata i tōna whakaata
pono i roto i te whakaata o tōna wairua, ā, ka ahū whakamua
.ia rā, ia rā, i te ara ki te harikoa me te rangimārie o roto

E te Ariki, e tata atu ana koe ki ahau i tōku ake manawa,
ā, e rongo ana ahau i tōu aroaro i te taha o tōku hinengaro

Ina roa rawa te aro o te tangata ki ngā ngaru o te

ina aro te tangata ki te ngaru iti o tōna ao, ā, ka piri rawa atu
ki taua ngaru, ka wareware ia ki te moana nui o te wairua,
he ngaru noa iho tōna ora i runga i te whānuitanga o tōna
.ngākau

Pērā i ngā rama hiko e whakakāhia ana ki ngā wāhi

.ngā tinana ki te pūngao ora

He mea nui ia pata wai ki te oranga o te moana. Ahakoa

Ngā awhiowhio o te pūnaha rā

He rite ki ngā hukapapa i waenganui o te moana
E kanikani ana rātou katoa i runga i te uma o te

Whakatūria i roto i a koe he temepara o te ataahua me

Ehara te māramatanga pono (te pūmanawa) i te

Ka mau te hinengaro i ngā āhua pōuri ina noho pōuri,
ina ohorere rānei te tangata. Ina kore he whakaaro pai i roto
i te hinengaro, ka pouri te rangatira, ka taimaha hoki i ngā
manukanuka. Ā, i roto i te pouri me te manukanuka, ka noho
te rewera hei manuhiri i roto i ngā whakaaro o taua tangata,
!ka whakahaere katoa i te ope
Nō reira, e hoa, me mahi koe ki te whakawhanake i ngā

mahi auaha i roto i tō hinengaro. Kia noho pukumahi, kia
kore ai he wā e toe ana ki te noho i roto i te ahotea me te

Kāore ngā whakahoahoa e makona ai ō tātou wairua ki
te kore e ahu mai i te aroha tahi ki te Atua. Ko tō tātou

Ko te nui ake o tā tātou ngana ki te whakamātau i taua

Ki te mea he hinengaro pakari tōu, ā, ka whakawhanake

Ko te huarahi anake hei karo i te mahi hē ko te

Mai i ngā pūranga: Te kotinga o te mauahara
I kino a Nasi rāua ko Zakir tetahi ki tetahi. I tīmata te
pakanga i waenganui i a rāua i a rāua e tamariki ana i te
kura, ā, i tō rāua pakeketanga, ka tipu te mauahara i
waenganui i a rāua, ā, ka noho rāua hei hoa whakataetae i
.roto i te pakihi hoko hu

I tētahi wā, i whakataetae rāua mō te ringa o tētahi
kōtiro hei marena, ā, nā te mea he kaha ake a Nasi i a Zakir,
ka whiua kinotia ia e ia, ā, ka ngaro tōna mōhio. I te hokinga
ake o te māranga o Zakir, ka taupokina ia e te whakama, te
.pouri, me te whakariharia ki ngā mea i pa ki a ia
I muri i ngā tau, ka whakatau a Zakir ki te neke ki tētahi
tāone nui ki te mahi me te noho

Kua wareware a Nasi ki ngā mea i tupu, engari kāore i
taea e Zakir te ūkui i te whakama me te whakaiti i a ia i roto
i tōna mahara. Heoi anō, i kōrero tonu ia, i whakaū tonu ki a
ia anō, "Ka murua e au ngā hara o Nasi, ā, e kore ahau e
".mahara ki tana hara ki ahau

Engari i muri i ētahi marama, ka kite a Zakir i a ia e kī
taurangi ana mō te murunga hara i ia rā, i roto i tōna ngākau
e hiahia ana ia ki te rapu utu, ā, e tatari ana ia mō ngā whai
wāhitanga ki te patu i tētahi atu whiu hei whakamātau i tōna
.hiainu ki te rapu utu

I muri i tētahi wā, ka rongo a Nasi i tētahi kukume
rerekē e kukume ana i a ia ki te tāone i neke atu ai tōna hoa
tauwhanga tawhito, a Zakir. Kāore ia i ruarua kei te tata
tetahi mea te tupu. Heoi, i mōhio a Zakir ki te aroaro o Nasi i
.te tāone, ā, ka tīmata ia ki te aroturuki i ana nekehanga

I tētahi ahiahi, ka hikoi a Nasi ki te "hongī i te hau hou,"
.ahakoa he pōuri, he ua hoki te rangi
I a ia e hikoi ana ko ia anake i tētahi huarahi motuhake,
ka hipa ia i mua i tētahi whare putunga tuwhera, ko Zakir ia
e whai puku ana i a ia me te āta tupato, ā, i te putanga mai o
te wā, ka whakatau ia ki te whakatau i te kaute me te
.huamoni tāpiri

I tōna harikoa nui, ka kite ia kua taka mai tētahi pereki
totoka i tētahi o ngā pakitara o te whare putunga, nō reira ka
hopukia e ia, ka patua te māhunga o tōna hoa whawhai o
mua, ka whiua ia ki te whenua, ā, ka hoki whakamuri i te ara
.i haere mai ai ia, me te kore a Nasi e mōhio kei reira ia
I muri i ngā haora, ka mutu te ua, ka marama ngā
kapua, ā, ka puta mai he hihi o te marama mā roto i tētahi
kōhao i te tihi o te pakitara. Ka oho ake a Nasi, ka kite i a ia
.e takoto ana i runga i te whenua, e ngoikore ana
I ngana ia ki te rapu i te mea i tupu, ā, i tōna kitenga i
tētahi taera i tōna taha me tētahi kōhao i te pakitara i runga
ake, ka whakatau ia i a ia e hikoi ana i te taha o te whare
putunga, nā tōna pōuri i taka taua taera i te tihi o te pakitara
.ka hinga ki runga i tōna matenga

Ko te akoranga o tēnei pūrākau, ka wareware te tangata
ki te kino i pā ki ētahi atu, ahakoa kāore e warewaretia ngā
hua o ā rātou mahi, ā, ka whai puku ngā hua o aua mahi i a
rātou i roto i te pōuri o te kuware. Pērā i te kau e kitea ai
tana kuao i roto i ngā mano tini o te kau, waihoki ka whai
mana ngā hua o ā tātou mahi ki te whai tonu i a tātou me te
.tohu i tō tātou wāhi, ahakoa kua roa te wā

Me i whai whakaaro nui a Nasi, ā, i ngana ki te whakatau
i te tautohe i waenganui i a ia me tōna hoa whawhai, a Zakir,
me te whakapāha ki a ia i muri i taua aituā, tērā pea kua
whakaitihia e ia te riri o tōna hoa whawhai, ā, kua kore ngā
.mea e haere ki tua atu i tērā

Engari kāore i rerekē ngā mea katoa, ā, ka tupu, ka
puāwai ngā purapura o ngā hua kino i roto i te kōpū o tētahi

heke mai pōuri, ā, ka mutu ko tētahi whānautanga kino. Hei karo i ngā ohorere kino, me tahu ngā purapura o ngā hiahia kino e piri ana i roto i te oneone o te hinengaro, ā, me mua i te mahi te tirohanga matatau, nā te mea e kī ana te ture whānui ka kokoti te tangata i ngā hua o āna mahi, ahakoa .pai, ahakoa kino, ahakoa reka, ahakoa kawa. Kia maumahara tātou, ko ia mahi ka waiho i ngā tohu e rongoa ana hei au me ngā hiahia i roto i te hinengaro. Ki te kore ēnei e whakahaerea me te whakaaro nui, ka arahi pea ki ngā hua kino. Heoi, ina tahuna ngā purapura o ngā mahi .kino e te ahi o te whakaaro nui, e kore e taea te tupu anō.

Mahere āpōpō, rānei: Kotahi te tono e tika ana te whakapau kaha

Mai i ngā whakaakoranga a te kaiako

Paramhansa Yogananda

Ki te kopikopiko noa koe i roto i te ao e tatari ana ki ngā whai wāhitanga kia angitu, tera pea kāore aua whai wāhitanga e patoto mai, ā, e kore koe e kite i te angitu. Engari ki te mea ko koe te tangata e hoahoa ana i tō ake heke mai, e tuhi ana hoki i te mahere o tō āpōpō ki ōu ake ringaringa, kia hari koe ki te whakatutuki i tō whainga, kua tata rawa hoki koe ki te whakatutuki i tō whainga e hiahiatia ana.

Hei hoahoa i tētahi mahere angitu, me tautuhi tuatahi koe i tō whāinga. He aha te tikanga o te angitu ki a koe? He aha tāu e hiahia ana mai i te angitu? Mena ko tō whakautu he rongonui, he taonga, he whakatutukitanga rānei i ngā hiahia whaiaro, kāti kei te anga atu koe ki te pouri nui me te korenga e angitu.

Ko te hunga tino kore angitu ko te hunga e mōhiotia whānuitia ana ō rātou ingoa, ko te hunga e kaha ana ki te hoko i ngā mea katoa e pai ana ki a rātou, ā, kei a rātou - e ai ki ngā paerewa rauemi - ngā mea katoa e hiahiatia ana e ō rātou wairua, engari kāore i a rātou te harikoa! Nā, he aha rā te haere tonu i te ara korekore?

Ahakoia ko te rongonui me te waimarie ngā hua o te angitu tuturu, ehara i te mea koinei te mauri o te angitu, ehara hoki i te mea koinei ngā āhuatanga tino nui. Ina hoki, kāore rawa ēnei e hiahiatia ana hei whakatutuki i te angitu.

He aha te kaupapa? He aha te mea e tika ana kia rapua e te tangata i te ao? Kotahi te whāinga e tika ana kia whaia, kia tohea hoki: te harikoa. Me tango mai ngā taonga huna o te ao i ia wā, i ia wā, mō te hunga e mōhio ana ki te rapu, ā, e mōhio ana ki te wāhi e takoto ana aua taonga.

Kia mōhio koe, e te tangata e rapu ana i te harikoa, ki te whakawhāitihia tō aro ki tō rā anake

Ā, ki te whakarei ake koe i tō rā ki ō kupu atawhai, ki ō mahi whai hua, me ō whakaaro pai

Ka waiho tō rā hei hoa pono māu, hei whai wāhitanga koura māu

Ko tō uruwhenua me tō visa hei huarahi mōu ki tētahi heke mai kanapa, whai hua, kī tonu i te angitu.

Nō reira, ko te taahiraa e whai ake nei ki te mahere i tō heke mai ko te āta tiro tiro i ngā mea o ia rā o tō oranga, me te pupuri i ngā mea whai hua me ngā mea pai. Ki te kore koe e mahi i tēnei, me mutu koe ka arotake.

Hei whakatutuki i te angitu, me whai whakaaro ki ngā āhuatanga matua e whai ake nei, ki te kore ēnei e kore e taea te angitu:

Ina ara ake koe i te ata, kaua e peke atu i te moenga tonu ka tīmata i ngā mahi o te rā

Whakamātauria, whakangāwaritia tō tinana katoa kia maha ngā wā kia hoki mārire mai ai tō kaha. I mua i te tīmatanga o tō mahi o ia rā, tangohia he wā hei whakaū i a koe anō koinei te rā pai rawa atu o tō ao. Whakamātauria koe anō ahakoa te aha, ka pēnei tonu tō rā. Mā te inoi me te whakaaroaro ka whakapakari i tō whakapono, ka hoatu hoki ki a koe te kaha e hiahiatia ana.

Whakangawaritia tō oranga

Kaua e whakawhirinaki ki ngā mea hanga a te tangata hei oranga ngākau. Ki te whakawhāiti koe i a koe ki ngā ahua poto noa, ka riri koe, ka pōhēhē, ka pōuri hoki. Kāore he take mō te piri tonu ki te pouaka whakaata, ki ngā huihuinga pō, me ngā hakari—kua noho ēnei hei tikanga pāpori kua mau. E ai ki tētahi—ā, he pono ana kupu—ehara i te mea ko tā tātou mahi te mea e whakamate i a tātou, engari ko te āhua o tā tātou whakapau i tō tātou wā waatea! Ka roa ake tō oranga, ā, ka nui ake tō koa ki te oranga mēnā ka whakangawari koe, ā, kāore e herea koe ki te haporī. Rapua ngā harikoa e kitea ana i roto i ngā mea iti.

Me whakapau kaha koe ki te whakaoti i te mahi kei a koe ki te pai rawa atu o tō kaha

Ki te kore koe e makona ki tō mahi o nāianei, kāore te manukanuka me te koretake o te mahi e

whakarerekē i tetahi mea. Ngāna ki te whakatata atu ki te āhuatanga me te waiaro pai, ahakoa he aha, ā, ka puta tētahi o ēnei mea e rua: ka kitea e koe kua ngaro i a koe tētahi whai wāhitanga nui, ka huaki ohorere rānei tētahi tatau hou, ka taea ai e koe te tomo me te kimi i tētahi mahi e pai ake ana mō ō hiahia me ō wawata.

He tukanga tonu te ora o te hoatu me te whiwhi

Kia taurite, kia kaua e nui atu i tāu e hoatu ana, kaua hoki e whakawhāiti i a koe ki te hoatu noa me te kore e tango

Whānuihia tō tirohanga

Whakaatuhia te hiahia ki ngā oranga me ngā mahi a ētahi atu. Tirohia ki tua atu i a koe anō—ki tō whānau, ki tua atu i tō whānau ki ō hoa, ki tua atu i ō hoa ki ngā tāngata katoa. Ka whakaū te pūtaiao he wāhanga koe nō te katoa, nō reira kaua e wareware ki tō tuakiri whānui.

Whakatauritehia tō oranga

Me uru te mahi, te okiokinga, te wā wātea, te ako, me te whakaaroaro i ia rā. He tangata koe, he tinana, he hinengaro, he wairua hoki. Whakatipua ēnei āhuatanga nui i roto i te huarahi taurite, ātaahua hoki, kia whiwhi ai koe i te hauora, te ora, me te mātauranga.

Kia tere te menemene, kia puhoi te pōuri, kia hihiko ki te āwhina, kia manawanui ki te tatari me te huri, kia mataara hoki ki ngā whai wāhitanga.

Tirohia te pūkete i te mutunga o te rā

Whakamihi atu ki a koe mō te ahunga whakamua kua oti i a koe. Kāore ngā mea e rerekē i te pō kotahi, nō reira kua e wehi ki te aro atu ki ngā hapa me te whakapau kaha ki te mahi pai ake āpōpō. I mua i tō haerenga ki te moe, tukua ō mahi ki te Atua, me te mōhio kāore ia e waiho i a koe, engari ka whakarato i ngā whai wāhitanga me ngā kuaha ki a koe, mena ka whakapau kaha koe, ka rapu i tana awhina me tana arataki.

Ina hinga koe i te hiamoe, ā, i mua i tō moe, kia mārama koe he pai ake āpōpō i tēnei rā, me te āwhina a te Atua.

Mena he kaiwhakamahere tupato koe, he kaihanga mohio hoki

Ki te piri koe ki ngā taipitopito o tō mahere

Kāore e taea te hinga!

Haere tonu, kia tau te rangimārie ki a koutou!

E te Kaiwhakatangitangi Atua Nui rawa atu, whakapūpūtia ki roto i te putorino o ngā whakapono katoa ngā rangi o tō kotahitanga whakamiharo, ā, tukua te puoro tapu kia kawē i ngā rangi pono o tō wairua, he nui te auahatanga me te auahatanga.

Kia taurite tātou ki a koe, kia whakakotahi hoki i ngā rangi o ō tātou ngākau ki te himene kotahi ka hikitia atu e mātou ki a koe. Kāore he atua engari ko te Atua!

E te Ariki, ka tukua atu e ahau tēnei inoi ki a koe: Ahakoa he nui, he iti rānei aku taonga, homai he kaha ki ahau kia whiwhi ai ahau i ngā mea katoa e hiahiatia ana e au i ia rā, i ia rā.

Ka whakahua anō ahau i aku inoi ngākau nui ki runga i te rōhari o te aroha, ko ōna titi e herea ana e te miro o te hiahia. Ngā Ingoa tapu: te Atua, te Wairua Ao, Brahma, te Matua i te Rangi, te Whaea Tapu—ko ōu ingoa tapu katoa.

I roto i tō whakaaturanga i te ao tūroa i runga i ngā atamira o ngā tau, kua miriona ngā putanga me ngā whakaahua kua riro i a koe, pērā i te maha o ngā ingoa kua riro i a koe, engari kotahi tonu tō āhua, kāore e rerekē, koia te harikoa mutunga kore!

E te Atua o te ture whānui, āwhina mai kia mau i ōku patunga me ōku mātā, i whānau mai i ngā aituā me ngā whakamātautau, hei mētara me hei tohu whiu i homai ki ahau e te ringa o tō tika atua, e kore nei e aro ki te kanohi.

Ngā whakaaro wairua

Mo te sage Paramhansa Yogananda

Mā te wairua o te aroaro atua i roto i te whakaaroaro ka whakakīia te hinengaro ki te rangimārie, ka whakakīia hoki te tinana ki te kaha ora.

Mā te whakawhitiwhiti wairua hōhonu, puku hoki, me te tuku whakaaro me te kare ā-roto ki te Atua, ka piki haere te harikoa o te tangata e rapu ana, ā, ko tēnei harikoa he tohu tūturu o te whakawhitiwhiti kōrero ki te Atua me te pā ki Tōna aroaro manaakitanga.

I kite ahau i a koe e ngaki ana i te oneone o tōku wairua ki te parau o ngā whakamātautau me ngā raruraru, e ruirui ana i ngā purapura o tōu whakaaro nui ki roto i ōna awaawa. I haere tonu taku whakamakuku i aua purapura, ā, i te whitinga mai o te rā o tōu aroha ki runga i a rātou, ka tupu, ka puāwai, ka hua mai he kotinga manaaki o te ngākau māhaki me te ngākau māhaki.

Ina mōhio te tangata ki te Atua, kāore ia e whakaaro he rerekē ētahi atu i a ia anō

Ahakoā ngā rerekētanga o ngā āhuatanga, ka mau tonu te taurite me te marino o te hunga whakaaro nui.

Ko te Atua te taonga nui rawa atu o te ao me te hua nui rawa atu o te ao

E te Ariki, mai i tēnei rā tonu ka whakapau kaha ahau ki te mōhio ki a Koe, ki te whakatata atu ki a Koe, ki te rongo hoki i Tōu aroha, me te kore e wareware, e wareware rānei ki aku mahi o te ao, ā, ka

oti i ahau aku mahi katoa hei whakahere parakore ki a Koe, ā, mā reira ka whiwhi ahau i Tōu manakohanga.

Ko te Atua te puna o te whakaaro nui me ngā whakaaweawe kanapa. Ko ia te kakara manaaki e puea ake ana i ngā ngākau pai katoa. Ko ia te māra o ngā rōhi rangi me ngā putiputi tomairangi o te whakaaro. Ko ia te aroha nui rawa atu e whakaaweawe ana, e whāngai ana i tō tātou aroha.

Kua whakakitea mai e te Atua ia ki ahau i ngā pae rangimārie, ā, kua pā mai ki ahau Tōna harikoa i roto i ngā pūtake o tōku wairua, ā, kua rongo ahau i Tōna reo i roto i tōku hinengaro kua oho ake, ā, me te mōhio katoa ka whiwhi ahau i Tōna māramatanga e horapa tonu ana i roto i ahau.

Ko te whakaaro te kaha tino ngāwari nā te mea koinei te wiri tino ngawari, tino mārama hoki o te hinengaro. Ka taea e koe te wawahi i ngā whakaaro ki ngā waeine tino iti, engari e kore rawa koe e tae ki te mutunga.

Kaua te tangata e here i a ia anō ki te whare herehere whaiti o te hiahia whaiaro, engari me whakauru atu i ētahi atu ki roto i ā rātou whakatutukitanga me te harikoa, kia noho hei taputapu mō te mahi a te Atua. Ina whakaaro tātou ki a tātou anō, me whakaaro tātou ki ētahi atu; ina rapu tātou i te rangimārie, me rapu hoki tātou i te rangimārie mō ētahi atu. Ko te hunga e mahi ana ki te kawē mai i te harikoa ki ētahi atu ka manaakitia, ka utua hoki e te Atua.

Tukua ahau kia whakaaro ki a koe kia waiho rā anō koe hei whakaaro kotahi māku

He moemoeā i roto i te moemoeā te ao e kitea ana e tātou. Ehara i te mea he pūngao "tio" noa iho te matū, engari he hinengaro ao "tio" anō hoki.

E te Ariki, āwhina mai i ahau, ārahi mai hoki i tōku māramatanga me tōku kaha kia taea ai e au te kawe mai i tōu māramatanga ki ngā hinengaro pōuri, kia mārama ai rātou, kia tiaho ai ki ngā hihi o tōu whakaaro nui. Ā, mā te mana o te murunga hara aroha, tukua ahau kia haere atu ki a koe me ōku teina me ōku tuākana katoa e hē ana i ngā ara o te pōuri.

Ko te tangata e hiahia ana ki te mōhio ki te Atua, me tino nui te aroha i roto i tōna ngākau, pērā i te tangata apo e aroha ana ki te moni, i te tangata aroha e ngākau nui ana ki tana e aroha nei, me te tangata e toremi ana e hiahia ana ki te manawa o te hau.

Ka memeha haere te harikoa o ngā taonga, engari ko te harikoa atua, e kore e taea te kōrero, e kore e memeha, e kore hoki e ngaro.

Tukua te hau o te aroha atua kia horahia ō ataata kanapa, kia peia atu ai e tōna māramatanga te pōuri i roto i ngā ngākau o ētahi atu.

Ko te tikanga, he nui ake te kaha hinengaro e hiahiatia ana e te aroha i te mauahara, engari he māmā ake te kite a te hunga whakaaro nui i te aroha i te mauahara nā te mea e kite ana rātou i ngā mea ora katoa hei wāhanga o te tangata teitei ake, ā, e pā tata ana ki te hinengaro o te ao.

Ko te rangimārie te rongoā mō ngā mate katoa, ā, ko te hunga e kī ana ō rātou ngākau i te aroha, e pai ana ki te ata noho, e koa ana ki te mahi i ngā mahi pai, e mōhio ana rātou ki te reka o te rangimārie, he mea nui tēnei, he pou taketake hoki mō te oranga harikoa katoa.

Hoatu te aroha ki te hunga ngākau mārō, te rangimārie ki te hunga e pāngia ana e te manukanuka me te pouri, te reka ki te hunga e pāngia ana e te riri pōuri, te hari ki te hunga e taimaha ana i te pouri me te mamae, kia waiho hoki hei tauira pai ki te hunga e hikoi ana i ngā ara o te he.

Kāore he mea nui atu i te pono me te ngākau pono ki te mahi tahi me ētahi atu. He ngāwari te kimi hoa mēnā kāore he ngākau pono, engari kāore e taea te pupuri hoa mēnā kāore he ngākau pono.

He āhua whakahirahira o te arotahi, ā, ina tae te kaiwhakaaroaro ki aua āhua, ka pā ki a ia ngā āhua whakamiharo o te harikoa wairua me ngā kitenga kororia, ā, ka karanga ia:

"Ko taku i rapu ai i ngā wāhi katoa, i kitea e au i roto i ahau, ā, e kite ana ahau i tōna māramatanga i muri i ngā pakitara o te pōuri, e rongo ana hoki i tōna aroaro i roto i te hōhonutanga o te wahangu."

He māra rōhi rangi te aroha atua me ngā whakaaro puāwai kanapa. E whāngai ana i tō tātou aroha, e whakahihiko ana i ō tātou kare ā-roto, e whakatutuki ana i ā tātou moemoeā harikoa.

E te Ariki, ahakoa ngā āhukatanga e pā mai ana ki ahau, e mōhio ana ahau koinei te taahiraa e whai ake

nei i roto i tōku tipu wairua. Ka manaaki ahau i ngā whakamātautau katoa nā te mea e mōhio ana ahau kei a au te hinengaro, te māramatanga, me te kaha ki te wikitoria [i ngā arai me ngā uauatanga e pā mai ana ki ahau].

Ahakoia kua mōhio ngā kaipūtaiao taiao inaianei he pūngao kua mau te matū, kua angitu ngā kaiako mārama ki te neke atu i te mātauranga ariā ki te tono mahi i roto i te ao whakahaere matū.

Ki te mea kua whakatau koe kia harikoa i roto i tōu ao, kāore he mea e kaha ki te tango i tō harikoa i a koe

Ka whakakīia te wairua o te tangata aroha e te aroha tapu ki te ataahua, ka kukume i te aro o te Ariki o te Ao, ā, ka kukume i Tōna aroha mutungakore.

E mōhio ana ahau ki ētahi kaipakihi rongonui, mātau hoki, e hiahia ana ki te mōhio ki te Atua, ki te whiwhi whakaaro nui, engari he mea here tonu tā rātou mahi me ā rātou herenga pāpori, ā, i a rātou e mahi ana i tēnā, ka whakarērea e rātou ngā mahi tino nui—tā rātou herenga ki te Atua, ngā akoranga paerua, me te oranga kāinga—ki runga i te aata o te moni me ngā herenga iti iho te uara, kāore i te tino nui.

Ko te Kaihanga o tātou e hiahia ana kia aroha tātou ki a la me te aroha parakore, me te aroha ohorere, ā, e kore tātou e mōhio ki te reka o te harikoa ki te kore tātou e tuku i tō tātou aroha ki te Atua.

Ka hinga i ahau te whakapehapeha ki te ngākau mahaki, te riri ki te aroha, te harikoa ki te marino, te hiahia whaiaro ki te atawhai, te kino ki te pai, te kuware ki te whakaaro nui, me te manukanuka ki te ata noho me te rangimārie.

Me tupu ake i roto i ō tātou ngākau he ngākau aroha hei whakamarie i ngā patunga o ētahi atu, hei tango atu hoki i te pouri me te mamae i roto i ō rātou ngākau.

I mea atu te kaiako a Paramahansa ki tētahi o ngā ākonga:

"Ka āwhina ōu tikanga pai i a koe i ngā āhuatanga noa, i ngā āhuatanga mōhio hoki, engari kāore pea e ranea hei ārahi i te huarahi o tō orange ina puta mai ngā raruraru, ina puta mai hoki te hiahia mō te mārama ā-roto. Mā te whakaaroaro hohonu, ka taea e koe te wehewehe i waenga i te tika me te hē, me te whakatau tika i ngā mea katoa, ahakoa ka pāngia koe e ngā āhuatanga rerekē."

Kāore e taea e tātou te ora me te kore te Atua mō tetahi hēkona noa iho. Ka pā mai ia ki a tātou i roto i ngā hau mārie, ka homai he ora ki a tātou mai i ngā hihi o te rā, ā, ka homai he kai e kainga ana e tātou. Kei roto ia i ngā ngākau o ētahi atu e karapoti nei i a tātou, ā, ko ia anake te tangata e taea e tātou te whakaaro ko ia tā tātou e aroha nei, ko ia tā tātou ake.

He kakara reka, he kakara ataahua tō te ngākau mahaki, e arohaina ai te tangata ngākau mahaki e te katoa.

Me whakangungu tātou i a tātou anō ki te whakaaro ki ngā mea nunui pēnei i te mutunga kore me te mutunga kore.

E whakakitea ana e te Atua āna mahi rangatira i roto i te ataahua o te hanganga, engari kāore ia e whakakite kei te huna ia, kei te huna hoki i roto i aua ataahua whakamiharo.

Ki te kaha tō hinengaro, ā, ka whakatōkia ki te oneone o te whakatau pakari, ā, ki te hohonu tō whakapono, ka taea e koe te whakatinana i ō whakaaro me te whakatutuki i ngā whakatutukitanga nunui i runga i te whenua.

Me whakangawari te ao, ā, me whakahaere ngā mea i runga i te ngāwari me te whakamarie. Kei roto i te harikoa te whai wā ki te whakaaroaro me te tiro tiro i a koe anō. Ngāna kia noho ko koe anake i ētahi wā, kia pārekareka ki te rangimārie o roto e puta mai ana i te marino me te ata noho.

He mana tō te kino; ki te whai koe i ōna ara, ka hinga koe i a ia. Ki te paheke koe, me hoki tonu koe ki ngā ara o te karakia me te tika.

Manakohia, e te Ariki, te hiahia o tōku wairua, me te aroha o ngā tau kua huna e ahau māu ki roto i te taonga o tōku ngākau.

I roto i te wāhi tapu o tōku rangimārie, i whakatōkia e au he māra māu, ā, i whakapaipaihia ki ngā rōhi o tōku aroha.

Me te ngākau hihiko, te hinengaro hihiri, me te wairua hiahia, ka whakatakotoria e au ki ngā waewae

**o tōu ao whānui ngā puawai katoa o ōku hiahia
wairua me te aroha atua.**

**Ka mihi atu ahau ki ia rā mā te whakaaro ki te
Atua me te whakaaroaro ki a ia**

**Ko ia whetu kanapa o te rangi, ko ia whakaaro

**Ki te katia e koe ngā kanohi o tō hinengaro, e
kore koe e kite i te rā kanapa o te harikoa i te pae

o tō hinengaro, ka ngana tonu te rā o te harikoa ki te
uru ki roto i ngā rūma kua kati o tō hinengaro.**

**Whakatuwheratia ngā matapihi o te rangimārie,
ā, ka kite koe i te kanapa ohorere o te harikoa i roto i**

a koe, nā te mea ka kitea ngā hihi o te wairua harikoa mēnā ka tahuri ō whakaaro ki roto.

Ka whakakorea e te whakaaroaro te kohu o te ao ina tīmata te piki ake o te mōhiotanga ki a ia anō ki ngā taumata teitei ake me ngā pae tawhiti o te oranga

Ko te hiahia ā-tinana te mea e akiakihia ana e ia kaihanga; ko te hiahia te whaea o te auahatanga. Waihoki, ko te hunga whakaaro nui i huri hei hunga rapu wairua nui - nā te hiahia - I kitea e rātou mēnā kāore he ngākau māhaki o roto, kāore he nui o te waimarie o waho e taea te kawē mai i te harikoa pumau.

Ka peia e te marama kotahi te pōuri o te pō. Waihoki, ko te wairua e whakamāramahia ana e te māramatanga me te mātauranga o te Atua, he wairua e ahu mai ana i te aroha atua, ka peia e ia te pōuri o ngā wairua o ētahi atu ki ngā wāhi katoa e haere ana, e hora ana i te māramatanga o te aroha, te māramatanga, me te rangimārie.

Ki te whai hoa, me whakaatu e tātou te aroha pono ki ētahi atu. Ko te hunga e whakatuwhera ana i te tatau aukume ki te whakahoahoa ka kukume mai i ngā wairua he rite tonu ngā wiri [ngā hiahia me ngā āhua]

Kei roto i te harikoa te pupuri i te māramatanga hinengaro i roto i ngā whakamātautau me ngā wheako o te ao e rua ngā āhuatanga o te ao.

Ina noho te ngākau ki tētahi, ka kukumea mai ngā āhuatanga katoa o taua tangata. Ko te tangata e whakaaro ana ki ngā tāngata pai, ka tukuna atu ō

rātou pai ki a ia, ā, ko te tangata e aro nui ana ki te whakahihiko i te tangata, ka tae mai ngā whakahihiko ki a ia, ā, ko te tangata e hono ana, ahakoa i roto i te whakaaro, ki te hunga he hinengaro ora, he tikanga pai, he whakaaro honore, ka uru atu ki ō rātou rangatiratanga me ō rātou tikanga pai, nā te mea ka kukume te hinengaro pērā i te aukume [ā, ka kukume te mea rite ki te mea rite ki te mea rite]

Ina taupokina te ngākau o te wairua e te waipuke o te aroha nui ki te Atua, kāore e taea e ngā kupu te whakaahua i te wheako. He mea ngaro tēnei aroha nō te wairua, he hononga hohonu ki te Atua, he rite ki te ahi tapu e kai ana i te pōuri o te tangata, e āhei ai te tangata e rapu ana ki te kite i te māramatanga o te Atua me te rongō i Tōna tata.

Kāore e taea e te kapu iti te pupuri i te moana i roto. Waihoki, ko te hinengaro tangata, e herea ana e ngā here tinana me te hinengaro o te tirohanga rauemi, kāore e taea te pupuri i te hinengaro ao, ahakoa te kaha o te hiahia. Heoi, mā te whakaaroaro hohonu me te pumau, ka taea te whakanui ake i te hinengaro tangata, ā, ka whānui ake tōna tirohanga ki te pā ki te hinengaro ao.

I tētahi wā, i whakatata mai tētahi tangata i Niu loka ki ahau [i muri tonu i taku otinga i tētahi o aku kauhau] ā, i tohe kia wehe atu ia i tōna tinana tinana ka haereere i roto i tōna tinana wairua. I mea atu ahau ki a ia, "Kāore au i te whakapono kei te whakaaro koe kei a koe taua pūkenga." Engari i tohe ia ki te whakamātautau i ahau, nō reira i whakaae ahau, me te mea, "Pai rawa, heke iho i roto i tō tinana wairua ka kōrero mai ki ahau he aha ngā mea kei roto

i te wharekai." I noho puku ia mō tētahi wā, kātahi ka mea, "He piana nui kei te kokonga matau." I mōhio ahau kei te whakaaro noa ia nā te mea he noa tana manawa me tana pā, nō reira i mea atu ahau, "Engari, ki taku whakaaro mēnā ka haere koe ki reira, ka kitea e koe ētahi wāhine e rua e noho ana i te taha o tētahi tēpu." I tawai ia ki taku whakaaro, nō reira i mea atu ahau, "Me haere tāua ki te wharekai ināianei." I tō mātou taenga atu, ka haere māua ki te kokonga i kōrerotia e ia, engari kāore he piana; engari, i kitea e māua ētahi wāhine e rua e noho ana i te taha o tētahi tēpu. I te mutunga, ka mōhio tō māua hoa kua mamingatia ia e ōna ake whakaaro pohehe.

Ko te whakapono ki te Atua me te rangimarie o roto te awhina me te tautoko nui rawa atu mo te tangata ki te pikau i nga taumahatanga o te ao

Me whakarongo tātou ki te reo o te Atua e tangi ana i roto i ngā whakaaro tika. He rite ngā whakaaro pai ki ngā akiaki a te Atua me ngā wairua anahera hei ārahi, hei āwhina i a tātou. Ko Hātana anō hoki, e ngana ana ki te pehi i te tangata mā roto i ana hāhā a Hātana, e puta mai ana hei whakaaro kino, hei whakaaro kino, hei kaupapa poke, kaua e whakaaetia kia noho ki te ao o te whakaaro, kia poke ai te wāhi o te hinengaro.

Ina puta te inoi a te kaitono mai i te hohonutanga o tōna ngākau, ka whakakīia āna kupu ki te aroha ki te Atua, ā, ka rongo ētahi atu i tōna pānga wairua, ka wheako hoki i te aroha atua i tō rātou aroaro. Heoi, ki te kore e kaha taua kaitono, tera pea ka tahaetia e te hunga e karapoti ana i a rātou taua aroha i a rātou. Ka puta tēnei ina tīmata rātou ki te whakamoemiti me te miharo ki tō rātou wairuatanga. Ki te riro rātou i te

whakaaro he nui rātou nā te mea ka taea e rātou te whakahihiko i ētahi atu, ka ngokingoki haere te ngoikore, ka mau te whakapehapeha i roto i ō rātou ngākau, ā, ka ngaro tō rātou aroha ki te Atua.

Ka whakapakaritia te hinengaro tangata mā te whawhai ki te mate me te wikitoria i ngā uauatanga Ko te mea e ngoikore ai te hinengaro he hoariri, ā, ko te mea e whakakaha ana i a ia he piringa rangimārie Kia anga atu ki ngā kaupapa o te ao me te maia me te manawanui Kua whakakitea mai e te Atua ki ahau he moemoeā ao tēnei ao. Ina ara ake tō tātou hinengaro wairua, ka mahara tātou ki ngā wheako o te ao he moemoeā poto noa iho o te harikoa me te pouri, ā, ka mōhio tātou he ora tonu tātou i roto i te Atua.

I mea te tangata whakaaro nui a Paramahansa ki tētahi o āna ākonga:

Whakawhanuitia ngā rohe o tō rangatiratanga aroha kia uru māriri ai tō whānau, ō hoa noho, tō haporī, tō whenua, ngā whenua katoa, me ngā mea ora katoa. Kia noho hei hoa ao whānui e pupū ana te ngākau aroha me te atawhai ki ngā mea hanga a te Atua, ā, horahia te aroha ki ngā wāhi katoa.

Ko te kaititiro o ngā ngākau e hiahia ana ki tētahi mea mai i a tātou engari ko ō tātou ngākau anake

Kaua te Atua e rapua mō te painga whaiaro, engari me rapu i te hiahia nui ki a ia, me te inoi ki a ia me te aroha parakore, te aroha pumau, me te aroha arotahi.

Ina rite te aroha o te tangata ki te Atua ki tōna piri ki tōna tinana mate, ka haere mai te Atua ki a ia

Ko te tangata kāore e hopu i tētahi pērara i roto i te ruku kotahi, e rua rānei, kaua e whakapae i te

moana, engari me whakapae i tana tikanga ruku me tana kore hohonu.

Ko te tangata e ruku hohonu ana ki te moana o te hinengaro ka kitea e ia te peara o te aroaro o te Atua.

Ko te rangimārie te inu rangi e ringihia ana mai i ngā ipu o te ata noho

I muri i ngā kapua hina o ngā pouri me ngā pōuri rangitahi, e tiaho tonu ana ngā hihi o ngā whakatutukitanga.

Ka puta te harikoa, te angitu, me te rangimārie o te hinengaro i te whakapau kaha ki te whakataurite mā te whakaaroaro me te inoi ki te hiahia o te Atua, arā, te kaha e whatu ana i te hanganga o te ora kia rite ki ngā kaha o te ao.

Ko te hihiri o te ao ko te mahi i ngā mahi pai, me te hora i te au o te aroha me te rangimārie.

He mea pumau tō āhua, nō reira kaua e whakararu i a koe anō ki ngā here o te ao me ngā here o te ao. Hurihia ngā pouri katoa mō ngā whai wāhitanga kua ngaro hei tumanako mō ngā whakatutukitanga hou ka kawea mai he ngākau māhaki me te harikoa ki a koe.

Whakangawaritia tō oranga kia nui ai te wā hei pārekareka ki ngā mea ahuareka o te ao

I roto i ia ngota o tēnei ao whakamiharo, ka mahi merekara te Atua, kāore e mutu.

Ko te Atua te māramatanga e whakakore tonu ana i te pōuri o te kuware. Ko ia te awa o te ora e whāngai ana i te oneone o ō tātou wairua.

Mā te whakaaro kotahi ka puta te kotahitanga me te whakaae i roto i tēnei ao e kī ana i ngā momo whakahē me ngā ngangau katoa.

Ko te hihiri ki te mahi i ngā mahi rangatira, ataahua hoki i roto i tō tātou kaha, koinei te kaha auaha i muri i ngā whakatutukitanga whai hua katoa. Ka whai tātou kia tino tika, nā te mea e hiahia ana ō tātou wairua ki te hono anō ki tōna āhua wairua me te kotahitanga nui ki tōna pūtake atua.

Kei konei tātou i tēnei rā, ā, āpōpō ka haere tātou, he atarangi noa iho i roto i te moemoeā o te ao whānui. Engari kei muri i te koretake o ēnei whakaahua poto nei ko te pono mutunga kore o te wairua.

Kāore te hunga whakaaro nui e hiahia kia ngohengohe koe ki a rātou, engari ki te whakaae koe ki tā rātou arataki, ka tino kōrerotia e rātou te pono me te mea pai mōu, me te pono me te kore whakaaro pākiki.

Kia rite koe ki te rākau ora e tupu ana, e whakaputa ana i ngā take me ngā manga hou. Ko te hunga ngākau kaha e mea ana:

"He hihi o te rā kei roto i ō tātou ao, ā, he wāhi anō hoki kei a tātou ki te mahi me te wetewete i ngā tumanako me ngā peka o ngā whakatutukitanga"

**Kāore he mea i tua atu i te pono me te ngākau
pono i roto i te mahi tahi me ētahi atu**

**Me whakapau kaha, kātahi ka okioki, ka wātea, ka
tuku i ngā mea kia haere i tō rātou ara tūturu, kua e
ngana ki te whakarerekē mā te kaha.**

**I mea atu a Kaiwhakaako Paramahansa, i a ia e
whakatenatena ana i tētahi o āna ākonga:**

**Ki te tae atu āu inoi ki te Atua, ahakoa he hohonu
ake āu hara i te moana pōuri, he teitei ake i ngā
maunga o Himalaya; ka murua e te Atua, ka ūkui atu
me te mea kāore i tupu, mena ka whakatau koe kia
kua e mahi anō. Ahakoa ka totohu koe mō tētahi wā i
raro i ngā paparanga pōuri, he mura ahi atua koe—he
mura mai i te rama mutunga kore, e kore e memeha,
e mate rānei. Ka taea e koe te huna i te mura, engari
e kore e taea e koe te tineia.**

**Mā te whakamahi i tō hiahia i runga i te ngākau
pono, i te ngākau mārie, i te kaha hoki, ka whakaoho i
ngā mana o te ao, ā, ka puta he urupare mai i te Ariki
o ngā Ao Tūroa.**

**He tokomaha te hunga kāore e whakapono he
mea tika kia tātarihia te āhua o te aroha. Ka tautuhia
e rātou ko te kare ā-roto e pā ana ki ō rātou
whanaunga, hoa, me ētahi atu e tino hiahia ana rātou
ki a rātou. Engari he nui atu i tērā te aroha. Ko te
huarahi anake e taea ai e au te whakaahua i te aroha
pono ki a koe ko te whakaahua i tōna pānga ki te
wairua. Ahakoa he iti noa te mura o te aroha atua, ka
whakakīia te tangata ki te harikoa nui, ā, he uaua ki
te pupuri. Ko te makona e kawea mai ana e te aroha
ehara i te kare o te aroha tonu, engari kei roto i te**

harikoa e kawea mai ana e ia. Ko te aroha pono ka homai he harikoa e kore e taea te whakaahua.

Me pupuri te kaha ora o te tinana mā te kai taurite, te hihiri, me te menemene. Ko te hunga e kitea ana te harikoa i roto i a rātou anō ka kitea kua whakakīia ō rātou tinana ki te hiko e ahu mai ana i te kaha ora, e hono tata ana ki te hiahia atua me te hinengaro whānui. He tino painga te menemene ki te hauora. Ka kukume mai i ngā wiri pai, ka whakatuwhera i ngā pae o te hihiri, ā, ka kawea mai he rangimārie o roto me te whakamarie hinengaro.

Kua wareware te ao katoa ki te tikanga tūturu o te kupu "aroha," ā, kua hē te whakamārama, kua hē hoki te whakamahinga. Pērā i te hinu e kitea ana i roto i ngā wāhanga katoa o te oriwa, pērā anō te aroha e horapa ana ki te ao katoa. Engari he tino uaua te whakamārama i te aroha, he rite ki te whakaahua i te reka me te kakara o te karaka. Me whakamātau koe i te karaka kia tino mārama ai koe ki tōna reka, ā, pērā anō hoki mō te aroha.

Kua pāngia te katoa e te aroha i roto i ō rātou ngākau, nō reira kua mārama rātou ki tōna āhua, engari kāore rātou e mōhio me pēhea te whakatipu, te pure, me te whakawhānui hei aroha atua. Kei roto i te nuinga o ngā ngākau te mura o te aroha atua mai i te tamarikitanga, engari ka ngaro pinepine nā te mea kāore te tangata e mōhio me pēhea te atawhai me te whakawhanake.

He kura wheako te ao, ā, kotahi te huarahi e anga katoa ana ki te ao: te Atua

Ko ngā āhuatanga hurihuri o te ao e huna ana i te ao tūturu Kei muri i ngā whakaahua nekehanga o ngā mea e kitea ana kāore i te tūturu te ao tūturu e huna ana i te tirohanga.

Ka puta ngā raruraru me ngā uauatanga i te kore mōhio o te tangata ki āna mahi o mua, i mahia i tētahi wā me tētahi wāhi motuhake. Ko ō rātou mamae o nāianeī i ahu mai i ngā whakaaro me ngā mahi i whakapuakina e rātou, i ahu mai i te oneone o ō rātou hinengaro, ka pihi ake hei tipu, ka hua mai he hua e whakaata ana i ngā āhuatanga o aua whakaaro me aua mahi.

Kāore ngā whakamātautau me ngā raruraru e tae mai hei wawahi i te tangata, hei whakararuraru rānei i tōna hiahia, engari hei mea i a ia kia maioha ki te Atua e tika ana kia maiohatia ia, kia whakaute hoki i Ana ture e whiwhi ai ia i te harikoa pono.

I mea atu te kaiako a Paramahansa ki tētahi rōpū ākonga:

Whakaharatauhia te toi o te noho i tēnei ao me te kore e ngaro tō rangimārie o roto, ka hikoi i te ara taurite kia tae atu ai ki te māra whakamiharo o te mōhiotanga whaiaro.

I roto i te ngākau mahaki ka kitea e tātou he awaawa o ngā moemoeā kua kapi i ngā putiputi kakara, puāwai o te mōhiotanga ki a tātou anō.

Kāore he mutunga o te ataahua o te Atua. He pai ki te pārekareka ki ngā rōhi me ngā putiputi, engari he nui atu i te pārekareka ki tō rātou ataahua te kite i te mata o te Atua i muri i tō rātou parakore me te ataahua. Ko te ahua e puta mai ana i te puoro, te

aroha ki te puoro tonu, kāore e taea te whakarite ki te reo auaha o te Atua e rere ana i roto i ōna rangi.

Ka kohikohi ngā wairua rangimārie i ngā wai o te whakaaro nui e rere ana i ngā puna tangata me ngā puna atua

E te Ariki, e mōhio ana ahau e whakarongo ana koe ki ngā kupu puku a tōku wairua, me ngā inoi a tōku ngākau ki a koe

Kia kaha tonu tātou ki te whakapaipai i ō tātou oranga i ngā huarahi katoa mā te awhi i te aroha, te pono, me te ngākau pono, me te titiro i ia rā ki roto i te whakaata o te whakaaroaro whaiaro me te tūhura i ngā hohonutanga o te wairua.

He rite te kore mōhio [ki ngā āhuatanga whakarihariha] ki te mākūkū, ki te rakuraku rānei. Ko te nui o tō tukunga atu ki te hiahia o te kiri ki te rakuraku hei whakakore i te kare whakarihariha, ka nui ake te hiahia ki te rakuraku, ā, ko te nui o tō kore aro ki taua kare ā-roto, me te kore e tuku atu ki roto, ka iti ake te whakararuraru i a koe.

Kaua e takahi i ngā tika o ētahi atu, kaua hoki e tango i ō rātou whenua, i te rangimārie, i te aroha, i te mana, i tētahi atu rānei o ā rātou taonga ā-tinana, ā-tinana rānei. Ki te kore koe e hiahia ki te tango i te mea ehara i a koe, ka tae mai ki a koe te mea e hiahiatia ana e koe. Ka puta tuatahi te tahae i roto i te hinengaro ina tīmata te tangata ki te hae ki ētahi atu. Me hutia ake ngā purapura o te hiahia kino i roto i te hinengaro.

I te putanga mai o ngā hiahia wairua, ka whiriwhiria e te tangata te whao o te whakaaro nui hei hanga ataahua i tōna ao.

Ina titiro tātou ki ngā mea ataahua katoa o te taiao, ka pā mai he kare ā-roto o te atawhai me te aroha i roto i a tātou

Me whakaaroarohia ngā taahiraa nui katoa o te ao i roto i te hohonu me te roa, me te arotake i roto i te ahi o ngā wheako o ia rā i raro i ngā āhuatanga rerekē.

Ko te hunga e whai rawa ana i a rātou anō, ko rātou te hunga e noho tika ana. Ka puta te harikoa i te whakaaro parakore me te mahi tika. Ki te harikoa koe i nāianei, ka harikoa koe i te heke mai, i konei me te ao e tū mai nei. Me kohikohi tātou i te waimarie mā te kohikohi i ngā hua o te whakaaro nui i te mea e whiti ana te rā o te whai wāhitanga. Ara, me hopu tātou i ngā whai wāhitanga i mua i te mutunga rawa.

Haere i ngā ara o te ora me te māia me te ngākau mārie, me te mōhio kei a koe te mana auaha mutunga kore, e tautoko ana i a koe.

E hiahia ana te katoa ki tētahi wā mokemoke me te okiokinga kia taea ai e rātou te aro atu ki ngā pēhanga e piki haere ana o te ao, ā, me whakaute te tangata i te mana motuhake o tētahi ki tētahi.

Kei muri i ngā atarangi katoa o te ora te māramatanga nui o te Atua

Kia mau ki te potae o te whakapono, kaua hoki e wehi i ngā āhuatanga kino o waho e pā kino ana ki te

kaipuke o tōu ao. Whakapono ko ngā "mea kāore e taea" e tumanakohia ana e koe ka tutuki i a koe me te awhina a te Atua, mā te kaha o te whakapono e tu atu ana ki ngā wero katoa.

Ina taea e koe te whakatutuki i te rangimarie i a koe anō, ka taea e koe te noho tahi me te katoa

Ehara tēnei ao i tō tātou kāinga; kei tērā taha tō tātou kāinga, i roto i te hinengaro o te Atua i te ao whānui.

He aha atu te mea whakahihiri atu i te noho i tētahi oranga hua e kī ana i te rangimarie, te aroha, me te hoatu noa?

Hongihia te hau hou o ngā whakaaro nui o ētahi atu, ā, kia whai hua mai i ō rātou tirohanga kanapa, pai hoki.

Ka pū te hari o tōku ngākau ina kite ahau i te hunga whakapono pono e hiahia ana ki te aroha o te Atua. I haere mai tātou ki tēnei ao hei kokoti i ngā hua o te aroha ki te Atua, me te mahi pono me te ngākau mahaki ki a Ia.

Noho i tēnei wā anake, kaua i te ao kei te heke mai. Me whakapau kaha i tēnei rā, kaua e titiro ki āpōpō.

I roto i te ana o te wahangu o roto ka kitea e koe te puna o te whakaaro nui

Kei te rae, i waenganui i ngā tukemata, te kuwaha ki te rangi. Ko tēnei pokapū i roto i te roro [te wāhi o

te kanohi wairua, te hinengaro wairua rānei] te tuaka o te hiahia. Ina arotahi koe i tō mana hinengaro ki tēnei pokapū, ā, ka āta akiaki i tō hiahia, ka tutuki tāu e hiahia ana (He maha ngā wā ka kite tātou i te tangata e ngana ana ki te maumahara ki tētahi mea, kāore i te mōhio, ka pā ki tēnei wāhi i tōna rae).

Nō reira, kua te tangata e whakamahi i tōna hiahia mō ngā mahi kino. Ko te hiahia kia whara tetahi i tetahi he mahi hē rawa atu tēnei i ngā mana kua homai e te Atua ki a tātou. Ki te kitea e koe tō hiahia e ārahi ana i a koe ki te hē, kati, nā te mea ko te haere tonu i taua huarahi ehara i te mea he moumou noa i te kaha wairua, engari ka ngaro anō hoki taua mana i a koe, ā, kāore e taea e koe te whakamahi ahakoa mō te pai.

Ahakoa kāore tātou i te tino herekore, kei a tātou te kī ki te herekore. Heoi, he tokomaha e noho pōrearea ana, e kore e whakamahi i tō rātou mātauranga i homai e te Atua me tō rātou hiahia herekore ki te whakatutuki i te mana whakahaere i a rātou anō.

Ko te hiahia ki te patu te mea e whakahaeretia ana e te taika, ā, kāore he kōwhiringa māna. Engari kei te tangata te mana whakatau me te mātauranga, e āhei ai rātou ki te whakapai tonu i tō rātou āhua me te whakaara ake i ō rātou paerewa, kua ki te noho hei herehere o ngā hiahia me ngā whanonga kino.

I tētahi wā, i a au e haere ana i runga tereina, he tino wera te rangi, ā, i rite te āhua o te hau ki te mea nō roto mai i te oumu. I pāngia katoatia ahau e te wera nui, engari i menemene ahau i roto i ahau nā te mea kua wehea tōku hinengaro mai i te whakaaro ki te wera, i te mea kua whakapono ahau ko te hiko

kotahi e hanga ana i te wera i roto i te oumu ka hanga i te hukapapa i roto i te pouaka whakamātao, ā, i taua wā tonu, i rite ahau ki te mea kua taupokina tōku tinana e te paparanga hukapapa.

Ina tukuna atu e au ngā ngaru o tōku aroha me ngā manaakitanga ki ētahi atu, kei te whakatuwhera ahau i tētahi kuaha mō te aroha atua kia tae mai ki ahau.

Ngāna kia whakakorea ngā mea whakarihariha o tō ao, kia manawanui rānei ki aua mea mēnā e tika ana, me te kore e tukua kia whakararuraru i a koe i te taha hinengaro.

Ki te taea e te tangata te noho ma, kāore he take kia noho paru tonu ia

Tērā pea he rite te aroha o te tangata ki te noho i roto i te whare iti ki te aroha o te tangata ki te noho i roto i te whare kingi

Ko te mea tino nui ki te whakatutuki i te angitu wairua ko te whakapau kaha

E rapu ana te ao i ngā taonga a te Atua, engari e rapu ana te hunga whakaaro nui i te Kaiwhakaora tonu

I te pō, ka tino wehe atu ahau i ngā tono o te ao, ā, ka tino wehe atu i a ia, ko tōku ake hiahia ka ārahi i ōku whakaaro, ka tohutohu i a rātou i ngā ara e hiahiatia ana kia tae rā anō ahau ki te whakatau tika me pēhea te whakatinana. Kātahi ka akiakihia e au tōku hiahia kia mahi i te mahi tika, ā, mā te āwhina a te Atua, ka angitu ahau. Pēnei, kua maha ngā wā kua whakamahia paitia e au tōku hiahia, engari ka taea

anake tēnei mā te whakamahi tonu me te whakamahi tonu.

Ko te ahua o ngā maunga i tāia ki te pae kikorangi, te mahi whakamiharo o te tinana tangata, ngā rōhi me te whāriki hiraka matomato, te rangatira o ngā wairua, te hiranga o ngā hinengaro, me te hohonu o te aroha, he whakamahara katoa ēnei ki te Atua ataahua, te pūtake o ngā rangatira me ngā rangatira katoa.

Ki te kore te tangata e mahi ki te whakawhanake i tōna āhua i roto i te huarahi taurite - te hinengaro, te rauemi, me te wairua - e kore rātou e reka i te harikoa pono. Mā te māramatanga wairua tātou e whakaoho ki te whakaaro nui, ā, he mea kuware te tuku i te whakapehapeha kia whakahaere i te whakaaro nui, te whakaaro tika, me te māramatanga; engari, me noho te whakatau whakamutunga ki te māramatanga me te hinengaro hinengaro.

Ki te whakakīia tō ngākau ki te aroha me te hiahia mō tētahi whakaaro mō te Atua, ā, ka puritia e koe ki roto i a koe, ka tae mai te Ariki o te Ao ki a koe, ka whakaae ki taua whakaaro nā te mea ka pā te hiahia atua ki te ngākau o te Atua.

Ina noho pūmau koe i roto i te Atua, ka taea e koe te pārekareka ki ngā mea katoa me te kore he herenga. Nō reira, he mea tino nui kia whakapau kaha koe ki te mōhio ki te Atua, ki te kore ka pouri pea koe i te ao, ka pakaru hoki ō tumanakohanga i te ara kino.

Ka pahemo tō tātou wā, ā, ko tā tātou e kite nei i nāiane i ka memeha haere, ka ngaro haere i tētahi rā. He pai te huringa mena kāore koe e tuku kia whara i a

koe, ā, ina mamae, he whakatūpato kia tukuna ngā hiahia ka mamae ai koe ki te kore e taea e koe te whakatutuki.

He hononga tata ngā mea katoa o te ao tūroa tetahi ki tetahi. Mā te whakamahi tika i te hinengaro tangata i homai nei e te Atua ki a tātou, ka mōhio tātou he hononga tō te ora katoa ki te Hinengaro Matua.

Ko te hanganga ā-tinana katoa e miharo ana te hinengaro tangata, he tohu whakahihiri noa iho tēnei mō ngā mea whakamiharo o te ao whānui.

Kaua tetahi mahi e mahia me te hinengaro pōhēhē, me te mea he huruhuru i te hau. Engari, me whakatutuki ngā mahi katoa i runga i te rangimārie o roto, o waho hoki, me te ata noho me te whakahaere i a koe anō, me te mātauranga me te arotahi nui.

Ki te whakatapua e koe tētahi wā i ia rā ki te whakaaroaro hōhonu ki te Atua me te inoi ki a Ia, ka whiwhi koe i te whakamarie nui me te harikoa pono.

Me waiho ia rā hei rā whakawhetai mō ngā taonga o te ora: te rā, te wai, ngā hua me ngā huawhenua reka, he taonga ā-korekore ēnei nā te Kaituku Nui rawa atu: te Atua.

He kīngi ahau mōku ake, ehara i te kīngi o ngā taonga, kāore āku mea, engari ko ahau te rangatira mō te rangatiratanga o tōku rangimārie, ā, kua karaunatia ahau ki te torona o te ngākau mārie mutunga kore.

Ina marino koe, ka rongo koe i te ao harikoa e pupuhi ana i roto i a koe

Kāore he tikanga o te aroha tangata ki te kore e ahu mai i te aroha mutunga kore o te Atua. Tērā pea ka hinga te aroha o te taitama me te wahine, engari i muri i tētahi wā, ka whakakapia e te ngangau me te mauahara. He koretake te aroha tangata, engari he tino tika, he mau tonu te aroha atua.

Ko te huarahi anake ki te wheako i te aroha atua ko te mahi i nga mea katoa hei whakamanawareka i te Atua, a ka kitea e koe ka haere mai te Atua ki a koe i nga huarahi kaore koe e whakaaro, a ka taupokina koe e tona hari, ka whiti tona marama ki runga ki a koe.

Ko taku hiahia he whakatū temepara mō te Atua i roto i ngā wairua o te tangata, kia kite hoki i tana ataata manaaki e tiaho ana i ō rātou mata. Ko te whakatutukitanga nui rawa atu o te ao ko te whakatapua e te tangata he temepara ki te Atua i roto i ō rātou wairua, ā, he mea ngāwari noa iho tēnei.

He tokomaha te hunga e haere mai ana ki ahau ki te kōrero mō ō rātou āwangawanga, ā, ka tono atu ahau kia marino rātou, kia whakaaroaro, kia kaua e whakaaro ki ētahi atu otinga kia rongo rā anō rātou i te rangimārie me te marino wairua. Ina marino te hinengaro, ā, he kaha te whakapono ki te Atua, ka puta ake ngā otinga mō ngā raruraru. Kāore te kore aro ki ngā raruraru e kī taurangi ana kia ngaro atu, kāore hoki te manukanuka ki aua raruraru e puta he hua pai. Whakaarohia kia marino rā anō koe, kātahi ka whakaarohia tō raruraru, ka inoi kaha ki te Atua

mō tāna āwhina. Arotahi ki te raruraru, ā, ka kitea e koe he otinga me te kore manukanuka, me te kore e kaha te mahi.

E te Ariki, whakatangihia āu rangi waiata ora tonu ki te putorino o tōku ao, kia manaakitia ai ahau e ngā wiri o āu rangi tapu.

He mea tino nui te whakahaere i ngā kare ā-roto kia harikoa ai, kia marino ai hoki te hinengaro. Kia kore ai he tangata e whakapataritari i a koe, e whakaara rānei i te hae i roto i a koe, ā, ka noho pūmau, ka whakahīhī koe i roto i a koe, ā, kāore he tangata e wero i a koe, e whakararuraru rānei i tō rangimārie.

Ko te ngākau mahaki te huarahi tino pono ki te whiwhi i te ua o te aroha o te Atua

I ētahi wā ka whakaaro te tangata kei tawhiti te Atua i a rātou, kei tētahi wāhi tawhiti o te ao tūroa, nō reira kāore rātou e karanga ki a Ia. Engari he tata atu Ia i te tata, he aroha nui atu i te aroha ki te hunga e whakaaro ana ki a Ia, e whakaaro ana hoki kei tata Ia ki a rātou.

wairua

Me whakaara ake te wairua

Mai i te moe o te ngoikore me ngā mekameka o te pōuri

Ā, tōna putanga mai ki te ao o te whakaaro nui, te
māramatanga, me te rangimārie

He maha ngā huarahi hei mahi i tēnei

Kei roto i ēnei ko te whakahaere i a ia anō

Kai tika

Te māia me te pumau ki ngā mātāpono

He āhua hinengaro pumau

Me te maia ki te aro atu ki ngā wero

Ā, hei whakaora i te hinengaro mai i ngā mea e
whakararuraru ana i ngā kare ā-roto

Te arotahi hinengaro ki ngā mea pai

I whakakahore ia kia hinga i roto i ngā pakanga o te ao

Nā te mea ka ngoikore te whakatau i te hinganga

Te whakahohe i ngā mana wairua mutunga kore

I homai e te Kaihanga ki te tangata
Me te whakaaroaro ki te Atua kia pā ra ano ki Tōna
aroaro

Ngā tohu tino tika mō te oranga o te Atua
Ko te hari e tupu ake ana i te whakaaroaro ki a ia

Ina wātea te hinengaro
Mai i te whakahāwea, te whakaaro pōuri, me te hē
Ā, ina memeha haere te whaiti o te hinengaro

Ina aroha tātou ki ētahi atu
Ki tā mātou whakaaro, ko ngā whare karakia, me ō rātou
,kanorau katoa

Ko ngā whare ēnei o te Atua

Te Kaiwhakaora o ngā mate me ngā āhuatanga katoa
Ka pārekareka anō rātou ki te hari o roto
Ko te ture o te nekehanga e ahu mai ana i te ture o te
take me te pānga, te ture rānei o te mahi me te tauhohenga
Ko te tangata i whānau mai he pai i tēnei ao, i pērā anō i
mua {nā ngā mahi a ō rātou ringa} Ā, ki te tohe rātou ki te
mahi i te pai, ka piki haere te pauna o te pai ki tō rātou taha
- "Ki te whai mea tetahi, ka hoatu anō ki a ia, ā, ka nui āna
".mea

Ko te hunga he iti noa iho ō rātou āhuatanga pai, tera
pea ka ngaro taua mea iti, nā te mea "ko te mea kāore i te
mea, ka tangohia i a rātou," nā te kaha o ngā hiahia kino e
.whakaeke ana, e pehia ana hoki rātou
Ko te tangata e hiahia ana ki te kino, kua mau tonu taua
hiahia kino i te ao o mua, ā, ka kaha ake pea ēnei hiahia
kino, ka whakahaere hoki i aua hiahia. Ko te hunga he hiahia
hē ō rātou, i pērā anō i mua, ā, ki te nui ake te pai i te kino,
ka peia atu e ngā āhuatanga pai ngā hiahia hē i roto i ō
.rātou wairua

Koinei te mahi tūturu o te ture take me te pānga
(karma). Heoi, kaua te tangata e māharahara, e mauheretia
rānei mēnā he āhua kino kei a ia e hiahia ana kia
whakakorea. Koinei te wā tika hei wikitoria i aua āhua mā te
.whakatipu i te whakatau o mua me te whakaaro tika

Ka taea e te tangata te wetekina i a ia anō i te mau o
ngā whanonga kino, me te waihanga i ngā whanonga pai i
roto i te whakaaro me te mahi, ka puta ai ngā hua e hiahiatia
.ana

Ahakoia te hohonu o ngā whanonga kino kua mau i roto i
te tangata, me mahara rātou nā rātou anō aua whanonga i
hanga mā te whakahoki i ngā whakaaro me ngā mahi
motuhake, ā, ka taea e rātou te whakakapi i aua whanonga
kino ki ngā whanonga pai mā te whakaaro pai me te
.whakaaro whai hua

He rerekē ngā āhua o te hinengaro tangata i ngā
whakaaro pai me ngā whakaaro kino. He pai ake te
moemoeā pai i te mamae i ngā moemoeā whakamataku. He
ngāwari, he tairongo hoki te hinengaro; ka taea e ia te tango
i te āhua e hiahiatia ana e ia, te moemoeā rānei i ngā
.moemoeā e pai ana ki a ia

Engari ko te raruraru o te tangata, ko tā rātou tuku i tō
rātou ao hinengaro—nā runga i tō rātou ake hiahia me te
whiriwhiri—kia whakahaerehia e ngā auheke me ngā aronga
hē i puta mai i ngā tikanga o mua. Nō reira, kei te oma tonu,
kei te ngaro haere ō rātou mana mohio, pērā i te
kaitiakitanga matatika kua whakatōkia ki muri i ngā pā o te
.mohio me te tirohanga

Ina pāngia te hunga kua haurangi i ngā tikanga kino e te

.tikanga kino

Kātahi, ki te mahi rātou ki te whakawhanake me te
poipoi i ngā tikanga pai mā te mahi i ngā huarahi noho
rangimarie, ka kitea anō e rātou te harikoa o roto, ā, ka koa
ki te rangimārie hei hua tūturu o te whakahaere i a ia anō
.me te whakatipu i ngā tikanga pai

Te whakahoahoa pono

Te tikanga o te whakawhitiwhiti pai

Ko tōna tikanga he whakapai ake i te wairua o ngā hoa
I ngā wā o te mamae
Me te ngākau aroha ki a rātou
I roto i ō rātou mamae me ō rātou pōuri
Me te tohutohu i a rātou
I roto i ngā āhuatanga tino kino
me te āwhina pūtea
I ngā wā tino matea
Ina pono te tangata ki a ia anō
me te hoa pono ki ētahi atu
Ka whai mana ia
Hei whakamātau i te wai reka o te whakahoahoa atua
Ina rongo ētahi atu i tō tātou aroha
Ka whānui taua aroha hei aroha whānui
E rere ana i roto i ngā ngākau katoa
He rite ki te pūoro manaaki o te ora
Te korenga e whakaatu i ngā kare ā-hoa
Ko te tikanga o tēnei ko te kore aro ki te ture o te
whakawhānui-ā-tangata
Mā roto i tēnei ka whānui haere ngā tirohanga a te
wairua
Hei pā ki te aroaro o te Atua
Ina whakatūria e tātou te whakawhirinaki
I roto i ngā ngākau o ētahi atu e whakaae ana
Ā, ka taea e tātou te whakawhānui ake i ngā rohe o tō
tātou aroha
Hei whakauru i ngā wāhanga nui ake o te taupori
Kātahi ka taea e tātou te whakawhānui ake i te
whānuitanga o tō tātou mōhiotanga
Ā, ko tōna whakarewatanga ki te paepae o te hinengaro
ao whānui
E rua ngā mea e hiahiatia ana e te katoa, kāore he
okotahi

He rerekē te āhua o te tangata i te tangata, i te
hinengaro, i te kare ā-roto, i ngā tūranga e takarohia ana e
rātou i te ao, i te mahi e mahia ana e rātou, me ngā hiahia e
puta ake ana i roto i a rātou. Engari kei raro i ēnei
rerekētanga katoa e rua ngā mea e hiahiatia ana e te
tangata katoa—kāore he okotahi—e hiahia ana, ā, e matea
.ana hoki e rātou

Ko ēnei mea e rua ko te herekoretanga mai i ngā momo
mamae me te hiahia katoa, me te whakatutukitanga o te
harikoa pumau tonu; te makona katoa rānei e uru ana ki te
.rangimārie, te aroha, te whakaaro nui, me te harikoa
E kore te tangata e kite i te rangimārie kia tae rā anō ki
te wā e tutuki ai i a rātou te ngākau māhaki e hiahiatia ana e
ō rātou ngākau, ā, e whaia ana e rātou mā ngā huarahi
.katoa. He mea nui tēnei hei mārāma ki te āhua o te tangata
Engari, e rapu ana te iwi i te ngākau hari i ngā wāhi hē,
.ā, kāore e kitea

E rapu ana rātou i tēnei i roto i te ao, me ngā mea o te
ao i roto i ngā taonga me ngā āhuatanga o waho, me ngā
whanaungatanga kāore i ahu mai i te māramatanga pakari
.me ngā turanga pakari

Nō reira, kāore e taea e te tangata te whiwhi i te harikoa
parakore mai i tētahi āhuatanga, mai i tētahi tangata rānei o
.tēnei ao, i runga i te āhua o te hanganga

Ko te hanganga e ahu mai ana i te mātāpono o te
takirua. Hei tauira, kāore e taea te whai i tētahi ahua i te tae
kotahi anake; me whai rerekētanga, me whai rerekētanga
rānei. Waihoki, kāore e taea te ngaro atu i ngā takirua i tēnei
.ao

I runga i ngā hiahia o te tangata, ko ngā mea pai anake
e hiahiatia ana e tātou katoa – ngā mea ahua, ngā mea
ataahua, me ngā mea pai – me te kore e aro ki ngā para, ki
ngā mea whakarihariha, me ērā atu mea kino. Engari kāore
.e taea tēnā

I tēnei ao takirua, kāore he harikoa mēnā kāore he
mamae, kāore he mārama mēnā kāore he pōuri, kāore he
pai mēnā kāore he kino, kāore he ora mēnā kāore he mate.
Kāore e taea te whiwhi i tētahi taha o te moni mēnā kāore
tētahi atu. Ko tā tātou e hiahia nui nei, kāore e kitea i roto i
.tētahi mea ka taea e te ao te tuku

Kei te tangata te kōwhiringa. Ka haere tonu rānei rātou
ki te rapu i tā rātou e rapu nei i te wāhi hē, ā, ka pāngia e te
?pouri, e te pōuri

Ka rapu te tangata me ō rātou kaha katoa me ō rātou
hiahia katoa, engari kāore i kitea e rātou tā rātou e rapu nei,
ka arahi ki te pouri me te ngakaukore. Heoi anō, ka arahi ki
te tipu haere o te mauahara, ka huri hei riri nui, ā, i te
mutunga ki ngā mahi tutu. Nō reira, ko te huarahi rapu hē
.kāore e arahi ki te harikoa e hiahiatia ana

E hiahia ana te Kaihanga Nui kia tino harikoa tātou, kia
tino tika, e kitea anake i roto i te hohonutanga o te wairua.
Nō reira, i hangaia ai e te Atua tēnei ao kia kore ai he mea i
roto e makona ai te ngākau o te tangata, e whakatutuki ai
hoki i ōna hiahia, engari me tahuri ki te pūtake o te harikoa,
.te harikoa, me te ngākau mārie, koinei anō hoki tōna pūtake
He pono, kei roto i te tangata te rangatiratanga o te
rangi

Taurite i roto i ngā pauna
He whakaaro pai te taurite e whakakotahi ana i ngā
whakaaro
Ngā rauemi, ngā hinengaro, ngā kare ā-roto, me ngā
wairua

I roto i te kotahitanga pai, he mea whai hua te āhua
Ka whakaoho i te whakaaro auaha, ka akiaki hoki i te
mahī whai hua

E hiahia ana tātou katoa kia hauora te tinana
Hauora, ā, ka matara atu i ngā arai me ngā momo
ngoikore katoa
E hiahia ana hoki tātou kia mataara ō tātou hinengaro

Ā, ko ō tātou kare ā-roto me ō tātou kare ā-roto e mahi
ana mā tātou, kua e mahi ki a tātou
Ko tā mātou hiahia kia whai wāhi atu tēnei ki te
whakapai ake i ō mātou whanaungatanga ki te hunga e
karapoti nei i a mātou

He rangimārie, he makona hoki, pērā i tā tātou e hiahia
ana

E pā ana ki te taha wairua o tō tātou oranga
Ka uaua pea ngā wā
He maha ngā pēhanga
Kei te piki haere ngā taumahatanga
Hei whakatutuki i te taurite i roto i ēnei āhuatanga
E hiahiatia ana he haumitanga o te kaha, te wā, me te
aro

Kāore e tutuki te taurite mā te wawata noa
Engari, me whakatutuki mā te whakamahere tūturu me
te whakapau kaha
He maha ngā āhuatanga o tō tātou ao e hiahia ana kia
taurite

He maha o rātou e ahua taupatupatu ana tetahi ki tetahi
Hei tauira, te kawenga ki te whānau
Te whiwhi oranga me te pupuri i te hauora
Me te pupuri i ngā mātāpono tuhituhi me ngā mātāpono
matatika

Me te whakahaere i te nui o ngā mōhiohio e tika ana
Te kawenga ki te hāpori
Haunga ngā tini herenga kē atu e hiahia ana ki tō tātou
wā me tō tātou kaha

He poto te wā mō tātou katoa
Engari me whakangawari ake tātou i ō tātou oranga kia
iti ake ai ō tātou raruraru

E hia te nui o te wā utu nui e maumauria ana ki te rapu i
?ngā taonga ā-iwi

Ki tā mātou whakaaro koia te mea pai rawa atu nā te
mea he mea hou, he mea nui hoki

Engari he utu tō tēnei hiahia nui, e ai ki tā Buddha i kī ai
"Ko te tangata e hiahia ana ki te whai kau, me tiaki e ia"
Ki te tātarihia e tātou ō tātou oranga, ka kitea e tātou he
.nui ngā "tāre" e aro nui ana tātou ki a rātou
Nā ngā pāpāho me ngā pānuitanga i whakatenatena mai
ki a mātou

He mea nui mō tō tātou whakamarie me tō tātou
harikoa

He mea whakamīharo, ko ngā mea hou e kiia nei he
mahi whakaora wā

Kua tahaetia te tangata o ēnei rā
Ngā mea i pai ai ia ki te wā waatea
Hei whakataurite i ngā āhuatanga taupatupatu o ō tātou
oranga

Me whai wāhi pumau tātou hei tohutoro
Kāore e rerekē i te wā, i te wāhi, i ngā āhuatanga rānei
Ka nui haere te uaua o te ao, ka nui haere te hiahia kia
mārama tātou

Ko te turanga anake ka taea te pupuri me te
whakawhirinaki atu

Ko ia te Atua Kaha Rawa, te tangata e takoto ana i muri
i te ora me ōna āhuatanga katoa me ōna whakaaturanga
Ko te poti whakaora tēnei i waenganui i te moana ngaru,
te moana pōrearea o te ao
He piringa haumaruru mai i ngā whiu o te ao me ngā
rarururu mamae

Ka whakawhirinaki te tangata ki a rātou anō
Nui atu i tō rātou whakawhirinaki ki te Atua
Ahakoa e tino mōhio ana rātou
I te mutunga ka
Kāore e taea e rātou te manawa
Te hikoi, te nekeneke rānei
Ki te kore te mana ārahi me te mana tika o te Atua

Kua rongoatia ki roto i te roro, te ngākau, me ngā pūtau
tinana

Nā te mea kua taunga rātou ki te whakawhirinaki ki te
kai

te hau me te hihi o te rā

Kua whakapono rātou ko ēnei āhuatanga o waho

Ka tautoko ia i a rātou, ka homai he ora ki a rātou

Engari he whakaaro pohehe tēnei

Nā te mea kotahi anake te kaha e whakawhirinaki ana

te tangata

Ko te Atua taua mana

Nā te mea ko te Atua te Runga Rawa, te Nui Rawa hoki

Ā, ko te mea teitei rawa atu kei te ora

I mau te wehi o te iwi i a ia

Ahakoia he wairua aroha, he ngākau māhaki, he atawhai,

he rangimārie

Kāore au e hiahia ki te whakatō i roto i ngā hinengaro o

te tangata he ahi mura, he ahi reinga

Nā te mea ko te Atua te mea e tino arohaina ana e te

ngākau me te wairua

Ko ia te mea ataahua, e kore nei e taea te whakarite

tōna ataahua ki tētahi atu mea

Ki te whakaarohia e tātou i tēnei ara

Ka tata tātou ki a ia, ā, ka tata hoki ia ki a tātou

Ā, ki te whakapau kaha tātou ki te whakatutuki i tēnā

Ka whakatuwherahia e ia ōna ringa ki a tātou me te

aroha me te ngākau aroha

Ā, ki te inoia e tātou me ō tātou ngākau katoa

I piki haere te hiahia ki a ia

Ka haere mai ia ki a tātou

Tino

-

I roto i ngā huarahi maha

E whakaatu mai ana te arorau i a tātou

Ko te Atua te take me te pūtake o tēnei oranga

Engari ko te tohu tuturu o te oranga o te Atua
Kāore e taea te toro atu
Mā te whakatau whakaaro nui anake
Ki te hiahia tātou ki te kimi i te Atua
- Koinei anake te kaupapa o tō tātou oranga -
Me haere tātou ki tua atu i
Te tukanga whakaaro noa
Nā te mea kei tua atu te Atua i te māramatanga o te
hinengaro
Kāore e taea te hopu i tōna mauri
Kei te aro tonu ahau ki aku whakaaro, ā, ake tonu atu
Me ngā hiahia rauemi
Te wāhi e akiia ana ia e ngā ngaru o te harikoa me te
mamae
E whakamamaetia ana ia e ngā kare ā-roto pōrearea
Ki te hiahia tātou kia eke ki tētahi taumata tiketike
Mai i te hinengaro me ngā tirohanga teitei
He mea tika kia tangohia te whakaaro
Mai i tana mahi porangi, nanakia
Mā te arotahi i te hinengaro me te whakaaroaro ki te
Atua
Kia marie te tupuhi o ngā whakaaro
Kia tau iho ai te rangimārie reka, manaakitanga ki te
wairua
Kātahi ka rongo te ākonga i te marino me te pono
Kei waho i te whānuitanga o te wheako noa
I te mea ka tuwhera tōna māramatanga, ka ara ake ōna
pūmanawa wairua
Ka kitea tika e ia
Kāore he māramatanga
Te aroaro atua manaakitanga
He maha ngā wā ka kore tātou e kite i ngā mea e tata
ana ki a tātou
Ka pā atu tātou i ngā taonga utu nui, kāore e mutu
Ā, ka haere tonu tā mātou whai i te whakaaro auaha

Ka ngana rānei tātou ki te hopu i ngā āniwaniwa
E rapu ana mātou i te haumarū i roto i te pōuri
Ahakoa e hiahia ana ō tātou wairua ki te māramatanga
Ka inu tātou i ngā moemoeā e kore e tineia ai tō tātou
matewai

Ahakoa e hiahia ana ō tātou wairua ki te pono tino pono
Kei te whaia e tātou tētahi matakite kāore nei i te tīariari
I te ngana ki te kimi okiokinga i raro i tōna atarangi
Mai i te wera o te ora me tōna raumati werawera
Ina tino hiahia tātou

He wāhi okiokinga o te rangimārie me te rangimarie
e huna ana i roto i ō tātou wairua
Kanorau kore-hototahi

Ko te mea e ki ana te ao
He aha te mea e whakawai ana, e kukume ana i a tātou
Kia arotahi tātou ki ngā taonga ā-tinana
He atarangi mātotoru noa iho
Mō ngā taonga onge e takoto ana
I roto i ngā maina o raro whenua
Me mahi tātou ki te whakamarie i te hinengaro

E whai tonu ana i ngā taonga o te ao
Ā, e anga whakamua ana tōna ara ki roto
Me whakataurite tātou i ō tātou whakaaro me ō tātou

Me ngā kōrero whakaora e ranea ana
I kitea i roto i a koe anō
Kātahi tātou ka kite i te rangimarie
I roto i ō tātou oranga me te taiao
Ki te whakataurite tātou i ō tātou tumanako me ō tātou

Me te rangimarie ā-roto i roto i a tātou
Ka rere haumarū tātou i te moana o te ora
Me te kore e wehi kei toremi
Nā te mea ko tō tātou noho tahi

He koti ora tēnei
Me ngā parirau o te whakawhirinaki ki te Atua
Ka rere tātou ki runga i te rangimārie
Tērā pea ētahi e whakaaro ana
I te mea kei a tātou te mana whiriwhiri"
Nā te aha rā i rerekē ai ngā hua i ō tātou
?tumanakohanga
:Ko te whakautu penei
Kua ngoikore te hiahia o te tangata
I ngaro tōna mōhiotanga ki ngā mana wairua
kei roto i tōna hinengaro
Engari ki te mahi ia ki te whakapakari i tōna hiahia
Mā te whakamahi i te mana whakahaere i a koe anō
Me te whakaaroaro ki te māramatanga atua i roto i a ia
Kua wetekina tōna hiahia
Ā, ina wetekina tana hiahia
Ka riro ia hei rangatira mō tōna ake aituā
Engari ki te kitea e ia kei te ora ia
I tētahi ara kāore tōna hinengaro e whakaae
E kore ia e whakawāteatia, e kore hoki e taea e ia te piki

ake

I runga i te arawhata o te whanaketanga
Me whakapau wā tātou
Hei mahi i aua mea
Ko tēhea e whai wāhi ana ki tō tātou harikoa
Ā, ka kawea mai he painga, he pai hoki ki a tātou
Kāore he tangata e taea te aukati i tā tātou hikoi
I te mea e mau tonu ana tō tātou whakaaro pumau
Te neke whakamua
Ka herea e te tangata ia ia anō
I roto i tētahi pūtau whaiti
Mai i te pae tawhiti
ngā whakaaro iti
ngā huringa wairua
ngā whanonga kino

Koia te take me whakangungu ia i a ia anō
Kia ngāwari ake, kia tuwhera ake, kia whakaae mai hoki
Me mahi tātou ki te pupuri i ō tātou hiahia kia iti iho i te
mana

Me te whakangungu i tō tātou hiahia ki te huarahi tika
Mā te mahi i ngā mea tino pai o te ao
Ā, kia nui ake tā tātou whakaaro ki te Atua
Ka horahia e mātou te wairua o te aroha, te rangimārie,
me te tuakana
I ngā kokonga katoa o tēnei ao
Te hunga he hinengaro kanapa

Kaiwhakaako Paramhansa Yogananda

Translation: Mahmoud Abbas Masoud

I te mea i haere mai tātou ki tēnei ao i tētahi
pūtake ngaro, he mea maori kia miharo tātou ki te
pūtake me te kaupapa o te ora. Ka rongo tātou, ka
pānui hoki mō tētahi Kaihanga o tēnei ao, engari
kāore tātou e mōhio me pēhea te whakatata atu ki a
ia. Ko tā tātou e mōhio ana ko te ao katoa e
whakapuaki ana i te noho o Tōna mātauranga atua.
Pērā i ngā wāhanga iti, tika o tētahi wati e miharo ai
tātou ki te kaihanga wati, ā, pērā i ngā mīhini nui,
uaua o tētahi wheketere e miharo ana, e whakaoho
ana i te whakamoemiti ki tā rātou kaihanga, waihoki
ina kite tātou i ngā mea whakamiharo o te taiao, ka
miharo tātou ki te mātauranga e huna ana i muri i a
rātou, ā, ka pātai tātou:

"Nā wai i hoatu tōna āhua kanapa, e anga atu ana
ki te rā ki te putiputi?"

Nō hea mai tōna kakara me tōna ataahua?

Ā, me pēhea rā te hanganga o ōna rau me te tino tika, me te tānga ki ngā tae whakamiharo, harikoa hoki?

I te pō, ka horahia e ngā whetū me te marama te mārama hiriwa ki a tātou, ka akiaki i a tātou ki te whakaaroaro ki te hinengaro e ārahi ana i ēnei tinana o te rangi i te wāhi hōhonu.

Kāore e ranea te mārama ngawari o te marama katoa mō ngā mahi o ia rā, nō reira, mā te hinengaro whakaaro nui, manawanui tātou e whakaoho kia okioki i te pō. Kātahi ka whiti te rā, ā, mā tōna māramatanga kanapa tātou e kite ai i te ao e karapoti nei i a tātou me te mārama me te marino, e āhei ai tātou ki te mahi i ngā mahi e puta mai ana ki a tātou.

E rua ngā huarahi hei whakatutuki i ō tātou hiahia: te tinana me te wairua. Hei tauira, ina heke te hauora, ka taea e tātou te haere ki te tākuta mō te maimoatanga. Engari ka tae mai te wā kāore e taea e te tākuta, e tetahi atu rānei te āwhina, ā, ka tahuri tātou ki te huarahi tuarua: ki te mana wairua i hanga ai tō tātou tinana, hinengaro, me te wairua. He iti te mana tinana, ā, ina kore e ranea, ka tahuri tātou ki te mana atua mutunga kore. E pā ana hoki tēnei ki ō tātou hiahia pūtea. Ina whakapau kaha tātou, ā, kāore anō kia ranea, ka tahuri tātou ki taua mana.

Ki te whakaaro o te katoa ko ō rātou raruraru te mea kino rawa atu. Ko ētahi ka nui ake te pēhanga i ētahi atu nā te mea he ngoikore tō rātou ātete. I runga i ngā rerekētanga o te kaha hinengaro o te tangata, he rerekē te nui o te kaha e pau ana i a rātou. Mena ka pāngia te tangata e tētahi raruraru tino uaua, ā, he ngoikore tōna hinengaro, e kore e taea e rātou te wikitoria. Ka taea e te hunga

hinengaro kaha te wikitoria i ō rātou uauatanga mā te wawahi i ngā arai me te whakangaeue i ō rātou turanga. Heoi anō, ahakoa te hunga kaha rawa atu, kua pāngia rātou e te hinganga. Ina pāngia tātou e ngā raruraru me ngā uauatanga maha, taumaha rawa, hinengaro, wairua hoki, ka kite tātou i te iti o te mana o te ora i roto i tēnei ao rauemi.

Kaua ā tātou mahi e arotahi ki te whakatutuki i te hauora me te haumaru pūtea anake, engari me te rapu hoki i te tikanga o te ora. He aha te kaupapa o te ora? Ina pāngia tātou e ngā uauatanga, ka tahuri tuatahi tātou ki te taiao, ka ngana ki te whakarerekē i ngā āhuatanga katoa e whakapono ana tātou ka puta he oranga. Engari ina tae tātou ki te mutunga kore, ka mea, "Kua rahua aku ngana katoa; he aha atu tāku e taea ai?" ka tīmata tātou ki te whakaaro nui ki te kimi i tētahi otinga whai hua mō tō tātou raruraru. Ā, ina hohonu rawa ō tātou whakaaro, ka kitea e tātou te whakautu i roto i a tātou anō. He momo inoi whakautua tēnei.

Inoi: He matea wairua

He matea wairua te inoi. Kāore te Atua i hanga i a tātou hei kai tono moni, nā te mea i hanga tātou e ia kia rite ki tōna āhua. E kī ana ngā Karaipiture Tapu i tēnei. Ko te kai tono moni e haere ana ki te whare o te tangata whai rawa, e tono ana i ngā mea atawhai, ka whiwhi ia i te wāhi o te kai tono moni. Engari ka taea e te tama te whiwhi i tetahi mea mai i tōna matua whai rawa. Nō reira, kaua tātou e mahi pērā i te kai tono moni.

Ko ētahi tāngata te āhua nei kei a rātou ngā mea katoa, ā, i whānau mai rātou ki te oranga me te whakamarie, ko ētahi ia te āhua nei e kukume ana i te

raruraru me te hinganga. Kei hea te āhua o te Atua i roto i a rātou? Kei roto i a tātou katoa te mana o te wairua atua. Engari me pēhea tātou e whakatipu ai i taua mana? Tērā pea kua ngākau pouri koe i mua nā te mea kāore āu inoi i whakautua, engari kaua e ngaro te tumanako me te whakapono. Kia mōhio ai koe mēnā he whai hua āu inoi, me whakapono koe ki te mana o te inoi i roto i a koe anō.

Tērā pea kāore ngā inoi a ētahi tāngata e whakautua nā te mea i whiriwhiri rātou ki te inoi. Waihoki, me mōhio te tangata ki te mea hei tono atu ki te Atua. Ahakoa ka inoi koe me tō ngākau katoa, me tō kaha katoa kia riro i a koe te whenua me ngā mea katoa i runga, e kore āu inoi e manakohia nā te mea he herenga ā-roto ngā inoi katoa e pā ana ki te ao tūroa, ā, me herenga. Engari he huarahi tika hei inoi. E kiia ana e iwa ngā ora o te ngeru, engari e iwa tekau mā iwa ngā ora o ngā uauatanga! Me kimi e koe he huarahi whai hua hei whakakore i te "ngeru o ngā uauatanga". Ko te mea ngaro o te inoi whai hua kei roto i te whakarerekē i te tūnga o te tangata mai i te kaitono ki te tangata whai tika. Ina tono koe ki te Atua mō tētahi mea o taua āhua wairua, ka whai mana, ka whai whakaaro nui hoki tō inoi.

Kei roto i te kaha o te ngākau te purapura o te angitu

He nui te matakū me te manukanuka o te nuinga o te tangata ina ngana ana ki te whakatutuki i tetahi mea nui ki a rātou. Kāore te mahi me te manukanuka me te manukanuka e kukume mai i te mana atua, engari ko te whakamahi marino me te pumau o te kaha o te hiahia ka wiri i ngā mana o te ao, ka puta mai he urupare mai i te Tino Mutunga Kore. Kei roto i

tō hiahia ngā purapura o te angitu mō ngā mea katoa e hiahia ana koe ki te whakatutuki. Ko te hiahia kua pakaru, kua kuruhia e ngā uauatanga ka pararutiki mō te wā poto. Engari ko te tangata pakari me te whakatau e mea ana, "Ahakoa ka haehaea tōku tinana, engari ka noho teitei tonu te upoko o tōku hiahia, ā, ka akiakihia e te whakatau," e whakaatu ana i te taumata teitei o te kaha o te hiahia.

Ko te kaha o te hiahia me tōna aronga tika ngā mea e whakaara ake ana i te mana o te tangata. Ina whakarērea e te tangata te whakamahi i te kaha o te hiahia, ka noho hei tangata noa, kāore e whai hua i roto i ngā kaupapa. He tokomaha e kī ana kaua e whakamahia tō tātou kaha o te hiahia ki te whakarerekē i ngā āhuatanga, i te wehi kei aukati i te mahere a te Atua. Engari he aha i homai ai e te Atua te kaha o te hiahia ki a tātou mēnā kāore ia i hiahia kia whakamahia e tātou? I tūtaki ahau ki tētahi tangata pakari i kī mai kāore ia i te whakapono ki te whakamahi i te kaha o te hiahia nā te mea ka whāngai i te whakaaro nui ki a ia anō. Ka whakahoki ahau, "Kei te whakamahi koe i tō kaha o te hiahia i tēnei wā, ā, he tino kaha, ki te ātete i ahau. Ka whakamahia e koe ki te kōrero, ki te tū, ki te hikoi, ki te kai, ki te haere ki ngā kiriata, tae noa ki te moe. Ko tāu e hiahia ana ko ngā mea katoa e mahia ana e koe. Ki te kore he kaha o te hiahia, ka noho koe hei karetao." He mahi mā te tangata te whakataurite i ō rātou hiahia, e whakahaerehia ana e ngā hiahia, ki te hiahia o te Atua. Nō reira, ina tukuna tonutia te inoi tika, ka noho hei kaha o te hiahia i roto i a ia anō.

Me whakapono koe ki te āheinga o te whiwhi i tāu e inoi nei. Ki te inoi koe kia whiwhi whare, ā, i taua wā anō ka mea tō hinengaro, "Me pēhea e taea ai e koe

te utu i tētahi whare, e te kuware?" kei te ngoikore tō hiahia ki tēnei momo whakaaro. Ina peia e koe te kupu "Kāore e taea e au" i tō hinengaro, ka whiwhi koe i te mana teitei ake. Ae, kāore ngā whare e taka mai i te rangi, ā, kia whiwhi whare ai koe, me whakamahi koe i te kaha o te hiahia me te mahi i ngā mahi whai hua hei whakatutuki i tāu whāinga. Ina tohe tonu koe, ā, e kore e whakaae ki te kore e angitu, ka taea e koe te whakaatu i tāu e wawata nei. Ā, ina whakamahi tonu koe i taua kaha o te hiahia mā roto i ō whakaaro me ō mahi, ka tutuki ō hiahia, ā, ka tae mai ki a koe ngā mea katoa e hiahia ana koe, e wawatahia ana e koe. Ina tohe tonu koe me te whakatau me te manawanui, ka puta te hua e hiahiatia ana i tētahi ara, ahakoa kāore te mea e hiahiatia ana e koe i tēnei ao. Kei roto i taua kaha o te hiahia te whakautu atua, nā te mea ko te pai o te hiahia nō te Atua. Ko te manawanui he hiahia atua.

Tahuna ngā purapura o ngā whakaaro kino

He ngoikore te ngākau o te tangata. Ina werohia, ina haehaetia hoki e ngā whakamātautau me ngā hinganga, ka ngaro tōna hononga ki te Kaihanga Mutunga Kore. Engari kei muri i te ngākau o te tangata ko te ngākau o te Atua, e kore nei e mōhio ki te ngoikore, ki te hinganga rānei. Ahakoa te mate, i roto i tōna kaha katoa, e kore e taea te wawahi, te aukati rānei i te ngākau o te Atua. Ka tino whakautua e te Atua taua inoi e akiakihia ana e te ngākau o te whakatau me te manawanui.

He mangere, he ngoikore te nuinga o te tangata, ahakoa te tinana, te hinengaro, ngā mea e rua rānei. E hiahia ana rātou ki te whakaaroaro engari ko te moe anake te mea e whakaarohia ana. Ina pā mai te

hiamoe ki a rātou, ka moe hōhonu rātou, ā, ko te mutunga tēnā o te inoi! I tēnei āhua, ka tanumia te kaha o te ngākau. Kī tonu te roro o te tangata noa i ngā purapura o te "Kāore e taea e au". I whānau mai i roto i tētahi whānau he āhukatanga me ētahi tikanga, ka awehia rātou e ēnei, ka whakapono kāore e taea e rātou tēnei, me tahu rānei ēnei purapura kino, ā, me whakakore atu tō rātou awe i te hinengaro. Kei a koe te mana ki te whakatutuki i tetahi mea e hiahiatia ana e koe. Kei roto i te ngākau o tō ngākau taua mana.

Me whai hoa pai te hunga e hiahia ana ki te whakawhanake i te kaha o te ngākau. Ki te hiahia koe kia noho hei tohunga pāngarau nui, ā, kāore ō hoa akomanga e pai ki te pāngarau, ka memeha haere tō hihiri. Engari ki te hono koe ki ngā tohunga pāngarau matatau, ka kaha ake tō kaha o te ngākau, ā, ka taea e koe te kī, "Ki te taea e ētahi atu te angitu, ka taea hoki e au."

Kaua e hohoro ki ngā mea nunui hei hanga i tō kaha hinengaro. Hei angitu, me whakamātautau tuatahi koe i tō kaha hinengaro ki ngā mea iti i whakaaro koe kāore e taea e koe. Ki te whakapau kaha koe, ka whai mai te angitu.

Kei te maumahara tonu ahau ki ngā whāinga katoa i kī mai ai ōku hoa me ētahi atu kāore rawa ahau e tutuki, engari i tutuki i ahau. Ka taea e ēnei tāngata whai whakaaro pai te whakararu nui i ō rātou whakaaro. Kia tiakina tātou e te Atua i a rātou me ā rātou tohutohu. Ko te whakahoahoa te mea nui rawa atu hei āwhina i te kaha o te hinengaro. Ko te haere ki ngā kanikani me te waipiro me te puoro nui, kaua ki te whakaaroaro i roto i te wāhi tapu o te wahangu, ka whakapoke i te hinengaro ki te puehu o ngā wiri o te

ao matotoru rawa atu, ā, he uaua ki te rukea atu. Ka kaha ake, ka ngoikore rānei te kaha o te hinengaro o te tangata i te awe o ō rātou hoa. He tino uaua te whakawhanake i te kaha o te hinengaro mā te mahi takitahi anake. Me whai tauira pai koe hei whai. Mena kei te hiahia koe kia noho hei kaipeita, kia noho karapotia e ngā peita pai, kia noho tahi me ngā kaipeita. Mena kei te hiahia koe kia noho hei tangata wairua, kia noho tahi me ngā tāngata wairua he rangatira te āhua.

He rerekētanga nui i waenga i te whakapono me te wheako. I ahu mai te whakapono i ngā mea kua rongo koe, kua pānui rānei, ā, kua whakaaetia hei pono taketake. Ko te wheako, i tētahi atu taha, ko ngā mea kua kite koe, kua mārama hoki. He pumau tonu te tino whakapono o te hunga kua wheako i te Atua. Ki te mea kāore anō koe kia whakamātau i te karaka, ka taea e koe te tinihanga i ōna āhuatanga. Engari ki te mea kua kai koe i te karaka i mua, e kore koe e tinihangatia, nā te mea kua whakamātau koe i te hua, ā, e mōhio pai ana koe ki taua mea.

Rapua te hunga e whakakaha ana i tō whakapono

Ko ngā whakaaro mō te Atua, te angitu, te whakaora, me ērā atu mea, kei roto katoa i tō hinengaro pērā i ngā kāpū hinengaro. Whakamātauria. Hei whakamātautau i ō whakaaro, me whakamahi koe i tō kaha hiahia ki te whakaora. Hei whakatipu i te kaha hiahia e tika ana, me hono koe ki te hunga he kaha te hiahia. Ki te hiahia koe ki te whakaora i runga i te hiahia o te Atua, rapua te hunga e whakakaha ana i tō whakapono, e whakakaha ana hoki i tō hiahia.

I haereerea e au te roa me te whānui o Īnia ki te rapu i tētahi tangata e mōhio pono ana ki te Atua, engari he onge. He rite tonu ngā whakapono o ia kaiako i tūtaki ahau ki a rātou. Engari i roto i ngā take wairua, i whakatau ahau kia kaua e makona ki ngā kupu noa iho mō te Atua. I hiahia ahau ki te wheako i a ia, me te tino rongo i Tōna aroaro. Kāore he tikanga o ngā mea i kōrerotia mai ki ahau mēnā kāore au i te māranga mā roto i aku ake wheako.

I tētahi wā, i a au e kōrero ana ki tētahi hoa mō ngā tāngata tapu o Īnia, he kaihekohoko taku hoa, ā, kāore ia i rite ki taku hihiri. Engari, i mea ia, "Ko te hunga katoa e kiia nei e koe he hunga tapu he hunga tinihanga, kāore e mōhio ki te Atua." Kāore au i tautohetohe ki a ia, engari i whakarerekē i te kaupapa, ā, ka tīmata māua te kōrero mō te umanga kaihekohoko. I muri i tana kōrero mai ki ahau mō te maha o ngā mea, ka mea mārie ahau, "E mōhio ana koe kāore he kaihekohoko pono i Calcutta, ā, he hunga teka katoa rātou?" Ka riri ia, ā, ka whakahoki riri mai, "Ā, he aha tāu e mōhio ana mō ngā kaihekohoko?" Ka whakahoki ahau, "Koinā tonu taku i kī ai. Ā, he aha tāu e mōhio ana mō ngā tāngata tapu?" Kāore ia i kōrero. Ka haere tonu ahau me te mārie me te atawhai, "Kāore au i te mōhio ki tetahi mea mō te kaihekohoko, ā, kāore koe i te mōhio ki tetahi mea mō ngā tāngata tapu."

Kua tae te mahi whakapono ki tētahi wāhi kāore e taea e te tini tāngata te whakamāori i ō rātou whakaaro wairua ki roto i ngā wheako o te ao. Kei te kōrero ahau i konei mai i aku ake wheako. Kāore au e hiahia ki te kōrero mō ngā mea e mōhiotia ana e au i runga i te hinengaro anake. He maha ngā tāngata e pānui ana i ētahi pukapuka mō te pono, ā, ka noho

motuhake ki a rātou anō, me te kore e whakapau kaha ki te hopu i te pono kei muri i ngā kupu. Kāore he painga o ngā kōrero kau me ngā kōrero takoto kau o ngā pono wairua ki a tātou, ā, kāore e waiho he whakaaro pai. Me wehewehe tātou i waenga i ngā kauwhau a te tangata me tōna kōrero orange. Ko te tangata e hiahia ana ki te whakaako i ētahi atu, me whakaatu tuatahi kua wheako rātou i ngā mea e akohia ana e rātou, ā, kua mārama ki ngā mea e kōrerohia ana e rātou.

(Ā, i kitea e au ko te tangata he hua noa iho nō āna mahi ake)

Ko te tangata e kaha ana ki te tohe, ka tika kia whiwhi i te kororia

Me te wawata nui, ka kake ia ki ngā teitei

Ko te mea i tino kitea te wawata, ko ia te mea i tino kitea.

Ko te hunga e hiahia ana ki te ahunga whakamua kua e whakaroa

Ā, ko te tangata i hiahia kia tomuri, kāore i haere mai.

Kia tau te rangimārie ki a koe

Te kaupapa matua me te wairua auaha

I a tātou e titiro ana ki ngā tini āhuatanga mutunga kore o tēnei ao, ki ngā mano tini o te tangata e tere haere ana i roto i ngā wāhanga o te ao, ka kī tonu tātou i te miharo, ka pātai ki a tātou anō mō te mea ngaro kei muri i tēnei āhuatanga rerekē.

He aha te whāinga matua o tā tātou haerenga? Ā, he aha te huarahi pai ki te whakatutuki i taua mea?

Ko te nuinga o tātou ka tere haere noa, kāore he kaupapa, kāore he aronga, pērā i ngā waka e tere ana ki te kore noa iho. I a tātou e whakaterere ana i ngā ara o te ao me te kore whakaaro, ka ngaro i a tātou te kaupapa o tā tātou haerenga. Kāore e tino mōhio ana tātou kei te takahi tātou i ngā rori piko e kore e ahu ki hea, i te ara tika rānei e ahu tika ana ki te ūnga e hiahiatia ana e tātou. Ā, me pēhea tātou e kitea ai tō tātou kaupapa mēnā kāore anō kia whakaarohia e tātou?

Ahakoia te kore e mōhio ki te kaupapa o te ao, he nui te kaha o te tangata ki te tautuhi me te whai i ā rātou whāinga, me te whakahaere tika i ō rātou taiao me ngā āhuatanga. Ā, he aha te kaha o te mahi auaha? He kaha auaha, he mura o te Kaihanga mutunga kore e noho ana i roto i a tātou katoa.

He rite ngā hinengaro o te nuinga o te tangata ki ngā miihini kotahi-hōiho! Ahakoia te nui o te pūmanawa kei roto i te hinengaro o ia tangata, he iti noa iho te hunga e whakamahi ana i taua mana kāore anō kia whakamahia. Ko ngā hiahia o te tangata he mea herea ki ngā mea e hiahiatia ana mō te oranga pēnei i te kai, te mahi, te whakangahau, te moe, me ērā atu mea.

E ai ki ngā tohunga hinengaro, kotahi te rerekētanga matua i waenganui i te tangata me te kararehe: o ngā mea ora katoa, ko te tangata anake te hunga e kata ana (haunga pea ngā makimaki me ngā haiena e ngengere ana). He pai te kata, ā, ki te kore te tangata e whakamahi i tēnei taonga, ka ngaro i a ia tētahi o ngā āhuatanga tino nui o te

whanaketanga tangata. Kaua tātou e rite ki te hunga e titiro ana ki te ao me te tirohanga pakari, te tirohanga nui, kāore e kata, kāore hoki e menemene, ā, nō reira, kāore e tino pārekareka ki te ao.

Haunga te kaha ahurei o te tangata ki te kata, kei te tangata tētahi atu kaha whakamiharo: ko tētahi o ngā mea nui rawa atu, ko te kaha ki te auaha, ki te auaha rānei. He aha tēnei kaha ngaro, ngaro? Ko te Hauāuru te whenua o te auahatanga pūtaiao mahi, ahumahi, me te whakamahi. Ko te Rawhiti te whenua o te māramatanga me te auahatanga wairua. Nō reira, ko te wairua o te kaupapa ko te kaha ki te auaha—ki te mahi i tētahi mea kāore anō kia mahia e tetahi i mua, i roto i ngā huarahi auaha.

Ko te wairua o te auahatanga ko te kaha auaha i ahu mai i te Kaihanga

I aha ngā tāngata ki tēnei taonga tapu? Tokohia e tino ngana ana ki te whakamahi i ō rātou pūmanawa auaha? Kua pahemo ngā wiki, ngā marama, me ngā tau, ā, kei te haere tonu, kāore e rerekē, nā te pakeke anake i whakarerekē. Ka tiaho te tangata auaha pērā i te meteor kanapa e rere ana i te wāhi, e hanga ana i tētahi mea mai i te kore, e taea ai te mea kāore e taea mā te mana auaha o te wairua teitei.

E toru ngā momo kaihanga:

He wāhanga tino motuhake, he wāhanga tino pai, he wāhanga tino rerekē; he wāhanga noa; me ngā wāhanga noa. Ā, he rau, he mano tini e taea te kī he kore noa iho.

Pātai atu ki a koe anō: "Kua ngana kē ahau ki te mahi i tētahi mea kāore anō kia mahia e tētahi atu i mua?"

Koinei te tīmatanga ki te whakaoho i te wairua o te kaupapa me te wetewete i te auahatanga huna.

Kaua e rite ki te hunga e whakapono ana kāore e taea e rātou te mahi rerekē i te mea noa, i te mea kua mōhiotia. He rite rātou ki te hunga e hiko ana i te moe. Nā ngā whakaaro i riro mai i ō rātou hinengaro huna i whakatenatena i a rātou he rite tonu te āhua o rātou katoa.

Kua tae te wā kia ara ake te tangata i tōna āhua kuware me te miharo, kia whakaū ai ki a ia anō kei a ia ngā taonga nui rawa atu o te tangata: te wairua auaha.

Kei ia tangata te mura o te pūmanawa whakamiharo, e āhei ai rātou ki te waihanga i tētahi mea kāore i kitea i mua. Heoi anō, he maha ngā wā kei raro te tangata i te awe aukume o tō rātou taiao, ā, kāore e ngana ki te wete i tōna kaha kukume. Ki te mea tetahi, "Kāore he painga o te whakamātau, kua oti kē," ka tukua e rātou kia taka ki te hinengaro o te ao kāore he kaha o te hiahia, ā, ka whakakore i te wawata. Koinei te take e hinga ai te tini o te tangata i te ao.

E pā ana hoki tēnei ki te taha wairua. He tokomaha kei te noho tonu i roto i ō rātou oranga ahakoa tō rātou kore e makona nā te whaiti o ō rātou hinengaro me te iti o ngā wheako, e wehi ana rātou kei whakaaro rerekē rātou i te āhua i whakatipuria ai rātou. Me urutau te tangata ki ngā whakamātautau o te ao i runga anō i ngā whakahau a tōna hinengaro

me ngā akiaki a tōna ngākau, kua hoki e mahi matapo me te kore whakaaro.

I mea mai taku kaiako whakaute, a Sri Yuktswarji, ki ahau:

"Ki te tino whakapono koe ki te Atua, ā, e hiahia ana koe ki tētahi mea, ka homai e te Atua taua mea ki a koe ahakoa kāore i te ao tūroa."

He whakapono pumau tōku ki te Atua, ki tōku ake hiahia hoki, ā, i kitea tonutia e au he huarahi hou e hangaia ana māku hei whiwhi i ngā mea i hiahiatia e au.

Kei te moe tonu te pūmanawa auaha i roto i te tangata, kāore anō kia whanaketia, kāore anō hoki kia whakamahia. He mea taketake tēnei mana, kei roto i ngā tāngata katoa, kāore he okotahi, engari kāore te tangata e whakamahi. Nō reira, me pēhea te whakaara ake i tēnei wairua auaha?

Mena kāore anō kia whakawhanakehia e koe ngā pūkenga whakaaro auaha hei hanga i tō ake ara, ka taea e koe te whakapai ake i tētahi mea kua mahia e tētahi atu i mua. Ko te whakapau kaha ki te whakapai ake i ngā auahatanga a ētahi atu te huarahi tino noa.

Ko te momo wairua auaha tuarua, waenga rānei, kei roto i te hunga e tito ana, e tito ana rānei i ngā mea hou, engari kāore he hiranga nui.

Ko te kounga whakamiharo o te wairua auaha te mea e āhei ai te rangatira ki te tū ki mua i te ao me te kanapa kanapa, pērā i ngā tino tangata nunui i whakaputa mai i ngā mea hou me ngā mea whai hua mō te ao, ngā mea kāore anō kia mahia e tetahi i mua. He wairua auaha pakari tō ēnei tino tangata, i

tautokona e te hiahia pumau ki te whakatutuki i ā rātou whāinga. I pai te Atua ki ēnei tino tangata nunui, i homai ai ki a rātou taua mana motuhake? I whiriwhiria rātou e te Atua kia whiwhi i taua kororia nui atu i ngā mea katoa? Kāore rawa. I whakamahia noa e rātou ā rātou taonga auaha hei whakaatu i te nui me te kororia e waiho ana mā ngā tāngata katoa, nā te mea i hangaia rātou i te ahua o te Atua, te pūtake o ngā auahatanga me ngā mahi auaha katoa.

Ko te hunga e hiahia ana ki te whakakororia i a rātou anō, ehara i te mea tino nui. Kua whakakakehia rātou e te whakapehapeha, e te whakapehapeha, e te whakahīhi i a rātou anō, ā, kāore e whiwhi tautoko mai i te Atua. Ko te hunga e aroha ana ki te hoatu, e whakatenatena ana i ētahi atu ki te whakaputa i ō rātou pūmanawa, ki te whakawhanake i ō rātou pūkenga, me te whakatipu i te whakapono ki a rātou anō, ko rātou te hunga tino nui.

Ko te nuinga o te hunga i tino rongonui i ārahitia i roto i te kore mōhio: i a rātou te pānga o te nui hei tūāpapa mō te hanganga o ō rātou oranga, ā, ka tino motuhake, ka tino hiranga i roto i te ao auaha.

Ki te mea kei a koe te kounga o te nui, ko te tikanga kua arahina koe e ngā mana o te hinengaro, nā tōna kaha i āhei ai koe ki te whakawhanake i ō kaha auaha mā te whakatuwhera i ngā hongere huna i roto i tō wairua me te hono atu ki te hinengaro katoa, te pūtake o ngā mea hou me ngā auahatanga katoa.

Ka taea hoki te whakaputa i te nui, arā, ka taea te whakatipu mā te whakawhanake i ngā pūkenga me te whakateretere i te tipu o te tangata. He ara hei whakanui i te tangata mā te whiwhi i tēnei mana whakamiharo, whakamiharo. Mā te mahi whakaaro

nui me te whakangungu tika, ka taea e te tangata te whakatipu i te wairua auaha me te whakaputa i tōna pūmanawa. Ko te hunga kua roa e whakapau kaha ana ko rātou ēnei e koa ana ki te whakatutukitanga o ō rātou tumanako me te whakatutukitanga o ā rātou moemoeā. Me hurahia ngā mana moe o roto, ā, me mahi kaha ki te wikitoria i ngā mea e ahua uaua ana, e kore e taea te wikitoria.

Me rite te tangata hihiri ki te whakamanawanui i ngā whakaaro kino me ngā whakahē a te ao kia angitu ai i roto i tētahi mara, ahakoa he rauemi, he hinengaro rānei. Me tūpato hoki ki ngā whakaaro whakahē a te hunga he iti te tirohanga. Mēnā e hiahia ana te tangata kia taketake, kia auaha, kia auaha hoki, ā, ki te hiahia te tangata ki te whakaaro me te kōrero rerekē, ahakoa he iti noa iho. Me mau tonu te hihiri, kaua rawa e tukua te hoha, te kore aro rānei kia uru ki roto i tōna ao.

Ko te hunga whai wairua auaha whakamiharo e horomia ana ngā uauatanga katoa, ngā raruraru me ngā arai, me te whakapono hohonu kei roto i a rātou te tika.

Me te ngākau pono, me te u tonu e ātete ana i te whakaroa me te hoki whakamuri, haere tonu me te manaakitanga a te Atua, me te mōhio ka pupuri te mana auaha mutunga kore i tō ringa, ka tautoko i a koe i te ara.

Tuatahi, me pā atu te tangata ki te mana mutunga kore. Ko tēnei mana tapu te pūtake o ngā mahi auaha me ngā mahi auaha katoa. Kia puta tēnei, ka kī te hinengaro mōhio me te hinengaro huna i te mana me te hiahia.

Mō ngā tau maha i wehi ahau i te ngaronga o te wairua auaha i whakatipuria e au i roto i ahau i raro i ngā āhuatanga uaua me ngā whakamātautau uaua. Engari inaianeī kua mōhio ahau kei roto i tōku wairua te ture mutunga kore. Ko taua ture tapu te pūtake o ngā pūtaiao katoa, ngā toi, me ngā mātauranga. Ā, ki te tautokona ahau e taua tautoko atua, e kore e taea e au te hinga.

Ki te hiahia koe ki te waihanga i tētahi mea whakamiharo, ātaahua hoki, noho puku, whakaaroaro hōhonu kia tae rā anō ki te wā e rongō ai koe i te mana auaha mutunga kore e noho ana i roto i a koe. Whakamātauria te mahi i tētahi mea hou. Engari kia tino mōhio kei te tautokona ō mahi e te mea nui rawa atu o te auahatanga, kei muri i ngā mea katoa e mahia ana e koe tēnei mea manaakitanga, ā, māna e whakatutuki ō tumanakohanga, e karaunatia hoki ō mahi ki te angitu.

E hiahia ana te Atua Kaha Rawa kia arahina tātou e te mana auaha mutunga kore o te wairua atua. Kua āraia e te tangata te puna o te mana auaha i roto i ō rātou wairua nā te mangere me te mangere, ā, me tango e rātou ngā arai me ngā paru katoa e aukati ana i ngā wai tapu kia rere noa ki ngā taha katoa. Me whai whakaaro pumau, me te hiahia kaha ki te mahi i te pai, kātahi ka tutuki ngā moemoeā, ka tutuki hoki ngā wawata rangatira.

Ko te nuinga o te tangata e makona ana ki te whakahoki noa i ngā whakaaro o ētahi atu, ā, kāore i te maha te puta ake i tētahi whakaaro taketake. He pai te whai hua mai i ngā whakaaro pai o ētahi atu, engari ko te kawenga o ia tangata ki te tāpiri i tētahi mea hou, ahakoa he whakaaro hinengaro, he mea ā-

tinana rānei, ki te taonga tuku iho o te ao, me te whakarei ake i te taonga o te mātauranga tangata. He āhuatanga ahurei, he pūkenga hōhonu hoki tō ia tangata e tatari ana kia kitea, kia whakahohehia.

I te tīmatanga, i whakaroa ahau ki te noho hei kaiako. He nui te whakapau kaha, ā, he nunui hoki ngā kawenga. Me noho te kaiako hei tangata ātete ohorere, nā te mea i te wā tonu ka pōuri, ka pōhēhē ia, kāore e taea e ia te āwhina i te hunga e rapu ana i tana awhina.

Me aroha te kaiako pono ki te katoa, me mahi ki a ia anō, me mārama ki te tangata, me te mōhio ki te Atua. I te kōrero mai a taku kaiārahi, a Seri Yokstuargi, ko taku tūranga i tēnei ao he kaiako wairua, ka tahuri ahau ki te Atua, ka whakawhirinaki ki a ia, ka inoi mō tāna āwhina me tana arataki.

I taku tīmatanga ki te tuku kauhau, i whakaaro ahau kia kaua aku kauhau e ahu mai i ngā pukapuka me ngā mātauranga ariā, engari i ahu mai i te hihiri o roto me ngā wheako whaiaro, me te mōhio pai ko te mana auaha e kore nei e mimiti tōna pūtake, e kore nei e mutu te rere, kei muri i ōku whakaaro me āku kupu.

Kua whakamahia hoki taua mana i roto i ngā āhuatanga maha hei āwhina i ētahi atu i roto i ā rātou mahi, me ngā huarahi maha atu anō hoki.

Kāore au i mea, "E te Ariki, meatia mai ki ahau"

Engari, i mea atu ahau: "E te Ariki, e hiahia ana ahau ki te mahi i tēnei, engari mā tōu arataki me ō manaakitanga anake ahau e inoi atu kia

whakaaweawe mai koe i ahau, kia pupuri mai hoki i tōku ringa"

Ka taea e koe te mahi i ngā mea iti i roto i tētahi huarahi tino ahurei Ka taea e koe te noho hei tino pai i roto i tō mara Kaua tātou e whai i ngā ara kua takahia paitia i ngā wā katoa; me hanga e tātou he ara hou mā tātou anō me ētahi atu Ka taea e te tangata te mahi i tētahi mea kāore anō kia mahia e tētahi atu i mua—he mea e hopu ana i ngā hinengaro, e miharo ana hoki te ao.

Ka taea e koe te whakaatu kei roto i a koe te wairua auaha atua, ā, e mahi ana i roto i a koe. Kua riro ngā mea o mua, ā, kua waiho hei hītori inaianei. Ahakoa he hohonu ō hapa pērā i te moana, he kaha rawa te mauri o te wairua, kāore e taea te horomia e rātou. Engari kāore he tikanga o tēnei pono mēnā ka mau tonu te tangata ki ōna whakaaro hē me āna mahi hē, me te kore e ngana nui ki te whakatika i tōna ara me te whakahou i a ia anō.

Engari e akiaki ana mātou i ngā kaitono pono, kia mau te whakatau pakari, kia u tonu hoki ki te haere tonu i te ara, me te kore e tukua ngā hapa o mua kia aukati i te ahunga whakamua, kia kore rānei ngā whakaaro iti e aukati i te hiahia.

Tērā pea ka pōuri te ao, ka pōuri te āhua; tērā pea ka ara ake ngā uauatanga, ā, tērā pea ka ngaro ngā whai wāhitanga i te mea kāore koe e mōhiotia. Engari kia tūpato ki te whakaae ki te korenga, ki te kī rānei ki a koe anō, "Kua mutu katoa ngā mea mōku, kua whakarērea ahau e te Atua." Nā te mea ki te pērā koe, ka whakangaromia koe e koe anō, ā, kāore he tangata e taea te āwhina i a koe i taua wā.

Tērā pea ka whakakahoretia koe e tō whānau, ka whakarērea koe e te waimarie, ka whakarērea koe e ō hoa, ā, ka whakatakoto whakaaro kino ngā mana o te tangata me te taiao ki a koe. Engari i te mea kei a koe te whakapono ki te Atua me te kaha o tō ngākau, ka taea e koe te ārai i ngā whakaekenga a te aituā, me te tū atu ki ngā uauatanga pērā i te toka pakari e pakaru ai ngā ngaru riri, me te hikoi me te hikoi pumau me te māhunga kia teitei, e tika ana mō ngā tāne me ngā wāhine rangatira.

Ahakoia ka hinga koe i ngā rau wā, ngana anō, me te whakatau ka taea e koe te wikitoria i ngā uauatanga, ka riro i a koe te karauna o te kororia. Kāore te pouri e pumau, ā, he whakamātautau rangitahi te pōuri. E hiahia ana te Atua kia toa koe, kia kore e taea te hinga, kia puta mai hoki te mana katoa i roto i a koe, kia taea ai e koe te whakatutuki i tō tūranga rangatira i runga i te atamira o te ao. Kia hihiri, ā, ka kitea e koe te pai, ā, kia mahara, "He pono, i roto i te uaua ka tae mai te ngāwari."

Kia whakapono ki te Atua, kia tumanako hoki ki Ana manaakitanga

I muri i te pō pouri rawa ka tae mai te ata me te māramatanga

Engari me pēhea e kitea ai e koe te tūranga e pai ana ki a koe i te ao? Mēnā e hiahia ana te katoa kia noho hei kīngi, hei perehitini hoki, ko wai hei pononga, hei kaiāwhina? He rite tonu te hiranga o te tūranga o te kīngi me te tūranga o te pononga i roto i te whakaari, mena ka angitu te mahi a ngā kaiwhakaari i ā rātou tūranga.

Nā konei i haere mai ai tātou ki tēnei ao me ngā rerekētanga, ngā hiahia, me ngā kare ā-roto ki ngā mahi me ngā whakangahau rerekē. I whakaarohia e te Atua kia waiho tēnei ao hei atamira mō tātou i a tātou e ngaro atu ana i tō tātou kāinga i te rangi. Engari ka wareware tātou ki te mahere a te kaiwhakahaere atua me te kaiwhakarite o tēnei atamira, ā, e hiahia ana tātou ki te mahi i ā tātou mahi i runga i tā tātou e whakaaro nei he tika, ehara i te mea e pai ai te Atua. Koia te take e puta mai ai tēnei pōrearea, me te horapa o te raruraru me te ngangau puta noa i te ao.

Ka hinga te tangata i runga i te atamira o te ao nā te mea ka ngana rātou ki te whakaari i ngā tūranga rerekē i ērā i whakaritea mō rātou. I ētahi wā, ka nui ake te aro me te whakamoemiti ki te tangata hangareka i te kīngi. Nō reira, ahakoa te iti o tō tūranga, mahia ki te pai o tō kaha me te hinengaro mārama, ā, ki te aroaro o te Atua, ka uru koe ki te hunga angitu.

He pai ngā whakaaro o te Atua mō tātou. Mēnā he pouri, he pōuri rānei ngā mahi a tātou, kua tātou e whakakeke ki te ao, engari me whakapakari i tō tātou whakapono ki te Atua (Ā, i runga i tēnei whakaaro, i mea te Poropiti, kia tau te rangimārie ki a ia :)

"Kāore te Atua e tuku iho i te mate, engari me tuku iho anō tōna rongoā." Nō reira, me inoi ki te Atua mō te mamae.

(E te wairua, kua e ngakaukore i te nui o te mamae)

Ā, e tino mohio ana ahau kei te wātea te whakaoranga mai i te Kaihanga, te Atua o ngā mea hanga katoa

**E hia ngā uauatanga kua tae mai, kua riro atu,
kātahi ka pahemo atu?**

I muri i tōna pānga ki te moni me te oranga)

Ngā Waiata Wairua

Ngā whakataukī, ngā rotarota, ngā tohutohu me ngā

Kaiwhakaako

Me ako tātou ki te atawhai i te tangata, nā te mea ko te
kimi i te harikoa mā te whakahari i ētahi atu te whāinga
pono a te hunga katoa e aroha ana ki te Atua, e whakapono
.ana ki a ia

He mea whakamiharo, he mea tino nui hoki te hari o
ētahi atu, hei whakatutuki i tō tātou ake hari, ā, he mahi
.whai hua anō hoki

Ko ētahi e whakaaro ana ki a rātou anō anake, e mea
ana, "Ko te mea nui ki ahau ko te harikoa." Engari, ko te
.hunga pēnei kāore e kitea te harikoa

Kāore e tika ana kia rapua te harikoa whaiaro me te
wareware i te harikoa me te oranga o ētahi atu

Ko te tangata e tahae pōrangi ana i te oranga o ētahi
atu, tera pea ia e whai rawa, engari e kore ia e harikoa, nā te
mea ka nui atu te kino o te mauahara o ētahi atu ki a ia i te
.paitini whakamate

:Ko tā te ture atua e whakahau nei

Ki te ngana tetahi ki te noho pai i runga i te
whakapaunga o ētahi atu, ka ngana aua tāngata ki te
whakapōuri i tō rātou ao. Engari ki te ngana rātou ki te
whakahari i ētahi atu, ahakoa ko rātou ake, ka whakaaro

ētahi ki tō rātou oranga me te harikoa. Ina whakaaro tātou ki
ō tātou ake matea nui, me whakaaro anō hoki tātou ki ngā
matea o ētahi atu. Ā, ina whakaatu tātou i te āwangawanga
.mō rātou, ka hiahia tātou kia ora rātou, kia harikoa hoki
Ko te tangata atawhai ka noho tahi me tōna whānau me
te ao e karapoti ana i a ia. Ko te tangata hiahia ki a ia anō ia,
ka tūtaki tonu ki ngā raruraru, ka hinga, ka ngaro te
.rangimārie o te hinengaro
Ina mōhio koe ko te Atua te rangimārie i roto i a koe, ka
mōhio koe ko ia te rangimārie me te rangimarie i roto i ngā
mea pai katoa o te ao hanga, ā, ka kite koe i a ia i roto i te
ataahua o te taiao, ka rongo i Tōna tata i roto i te
whakahoahoa pono, ā, ka rongo i Āna manaakitanga i roto i
ngā wawata rangatira me ngā kaupapa honore, kāore he
whāinga whaiaro. Ka rongo koe i Tōna aroaro i muri i ngā
.arai o te wahangu me ngā mea whakamiharo katoa
Patohia te tatau, ā, ka hurahia te arai, ā, ka kite koe i te
.kanohi tino kororia me tōna kororia katoa
Ki te aroha koe ki te Atua, ka rongo koe i Tōna aroha, ā,
kāore he mea kē atu e taea te tinihanga i a koe
Ka kukumea koe e ngā wheako ā-tinana nā te mea
kāore anō koe kia reka i te harikoa wairua, ā, ina reka koe i
.taua mea ka mōhio koe ki te rerekētanga
Kia wātea koe ki te whiriwhiri. Kaua e tukua tetahi mea
hei aukati i a koe, kaua hoki e tukua tetahi atu kia
.whakahaere i a koe, kia whakararuraru rānei i tō harikoa
He wāhanga motuhake koe nō te ao whānui, ā, me kimi
e koe taua tino pai kia wheako ai koe i te māramatanga
.harikoa me te reka o te aroha atua
Kāore e taea e te nuinga o te tangata te waihanga i te
taurite e tika ana i waenga i ō rātou oranga mahi me ō rātou
oranga wairua
E hiahia ana te tangata wairua ki te moni, ā, e kore e
taea e te tangata o te ao te noho harikoa me te kore te Atua

Ka mahi te tohunga wairua, ā, e mea ana āna kupu
huna: E homai ana e te Atua te kaha ki ahau, e homai ana
hoki te ngākau pono ki ahau, nō reira ka whakanuia e ia te
.kaha, ā, ka manaakitia e te Atua āna mahi

He mahi anō hoki tā te tangata o te ao, engari e mea
ana ia: Ko au anake te tangata e mahi ana i ēnei mea katoa,
ā, kāore he tangata e pai ake ana ki ahau, nō reira ka puta
mai he hua ohorere ki a ia anō, ka taka ki roto i ngā
.tūponotanga

Ko ngā mahi katoa, ahakoa mō ngā mahi ā-tinana, ā-
wairua rānei, me ahu mai i ngā mātāpono tika, me te
.whakahaere hoki i te hinengaro me te taurite o te whakaaro
Tahuri ki te Atua, mahara ki a Ia, me waiho Ia hei
pokapū o tō ao. Karanga atu ki a Ia, inoi kia ārahina koe e Ia,
kia whakaaturia mai hoki te mahi a Ana ture. Kia mahara ko
te whakaaroaro ki te Atua me te rongo i Tōna aroaro he pai
ake i te miriona tātaritanga me ngā whakamārama. Kōrero
atu ki a Ia kāore e taea e koe te whakaoti i ō raruraru i a koe
anō, ahakoa he tiriona whakaaro kei a koe, engari ka taea
ngā otinga mēnā ka tukuna e koe ki roto i Ona ringa. Inoi
tuatahi kia ārahina koe, kātahi ka whakaarohia mai i ngā
tirohanga maha kia kitea ai he otinga tika. Ka āwhina te Atua
i te hunga e āwhina ana i a rātou anō. Ina marino tō
hinengaro, ā, ka kī i te whakapono i muri i te inoi ki te Atua i
roto i te whakaaroaro, ka taea e koe te kite i te otinga tika
.mō tō raruraru me te āwhina me te ārahi a te Atua
Ina huri te whakapono o te tangata ki ngā pono me ngā
mea ka taea e te wairua hei mātauranga tūturu, ka nui ake
te angitu me te mātauranga o taua tangata i ngā tohunga
katoa o te ao. Ko te hunga nui kua mōhio ki te Atua, kāore e
pōhēhē, e raru rānei i te ruarua nā te mea kua pā ki a rātou
.te Pono, arā, ko te Atua

E te Ariki, i ahau e matapo ana, kāore i kitea e au he
tatau e anga atu ana ki a Koe. Nāu i whakaora ōku kanohi, ā,
inaiane kua kitea e au ngā tatau e tuwhera whānuitia ana i

ngā wāhi katoa—i roto i ngā ngākau o ngā putiputi, i roto i
ngā reo o ngā hoa, i roto hoki i ngā maharatanga o ngā
whakamātautau rangatira me te aroha. Ko ia manawa o taku
inoi ka whakatuwhera i tētahi ara hou ki te temepara o tō
.aroaro whānui

Kāore tōku hinengaro i herea ki tētahi pounamu iti ā-
tinana kua hiritia ki te kōka o te kuware. Kāore au e hikoi
ana i waenganui i tō moana rangi me te kore e pā ki ngā wai
o te moana. Kāore au e noho moe ana i roto i a koe, e te
Ariki, me te kore e mōhio ki a koe, e rongo rānei i tō aroaro.
.Kua rumakina tōku ao katoa ki roto i tō aroaro katoa
Ki te whakarite koe i ō mahi katoa ki te Atua, me te whai
i ngā ture o te ngākau pai, e kore koe e hinga, e hē rānei. Kia
mahara ko te aroha o te Atua e āwhina ana ki te muru i ngā
hara maha. Ki te tino aroha koe ki te Atua—ehara i te kare ā-
.roto anake, engari ko te aroha pono—ka whakawāteatia koe
Kaua tātou e inoi ki te Atua me te ngākau maroke, me
te whakaaro kopikopiko, nā te mea kāore e ranea ngā inoi
mahana hei whakaoho i te whakautu a te Atua. Ka tutuki
taua whakautu mā te inoi kaha, te ngākau pono e puta mai
.ana i ngā hohonutanga o te ngākau
Ki te kore te tangata e whakauru i te Atua ki roto i tōna
ao, ā, ki te kore hoki e waihanga i tētahi taurite whai hua, ka
pā mai ngā raruraru ki a ia ahakoa te āhua o tōna āhua
.noho

E te Ariki, ina angitu ahau i ngā whakamātautau me ngā
whakamātautau o te ao, ka mōhio ahau he manu ahau nō te
pararaiha e whakamoemiti ana, e waiata ana mō āu mahi
whakamiharo mutunga kore, ā, e horapa ana tōku wairua ki
.roto i ngā ngota katoa o te ao
Kua whakaarahia e au, kua whakawhānuihia hoki taku
aroha iti kia hanumi ki te wairua o te aroha whānui e ora ai,
.e neke ai ngā mea ora katoa

Mā te āwhina i ētahi atu kia angitu, ka tutuki i ahau te
tipu me te whai rawa mōku ake, ā, i roto i te whai rawa me
.te oranga o ētahi atu ka kitea e au tōku harikoa
I whakaaro ngā kaipūtaiao i mua he huānga kotahi te
wai, engari i whakaatuhia e ngā whakamātautau e honoa
ana ngā huānga e rua e kore e kitea, te hauwai me te hāora,
hei hanga i te wai matū. Waihoki, he pono whakamiharo ka
taea te hopu mā te wheako wairua. Ina noho puku tātou i
roto i te whakaaroaro, ā, ka tahuri ō tātou whakaaro ki roto,
ka kite tika tātou i te aroaro o te Atua, ā, he mea
whakamiharo tēnei nā te mea ehara ngā hua i te mea o
.waho engari ko roto
I te horapa o ngā hihi o te rā, ka horahia e au ngā hihi o
te tumanako ki roto i ngā ngākau o te hunga rawakore me te
hunga kua whakarērea, ā, ka tahuna ngā rama o te
whakatau me te whakapono ki a ia anō ki roto i ngā ngākau
.o te hunga e whakaaro ana he rahua rātou
I te ata noho o te pō, i te hōhonutanga o te wā, i roto i
ngā ngahere o te hinengaro, ā, i tawhiti atu i te hopunga o
ngā kare ā-roto, kōrero ki te Atua Aroha me te hiahia nui.
Whakaarohia tonutia ia, kōrero atu ki a ia i te reo o te
ngākau me te wairua. Ā, ina tukua e koe tō ngākau ki a ia, ka
haehaea ngā arai katoa e huna ana i a ia i a koe, ā, ka ngaro
ngā wehi me ngā mānukanuka, ka waiho ko tōna
.māramatanga me tōna hari nui rawa atu
He tokomaha e whakapono ana kei tētahi kokonga o te
wāhi te rangatiratanga o te Atua, kei tawhiti atu i ngā kohu
poke o te Ao, e kī ana i ngā wiri o te hara me te takahi ture.
Ka wareware rātou kei te tata rawa ngā ao whānui o te
wairua. Ina kati ngā kanohi o te hunga kua ahu whakamua ki
te taha wairua, ka ngaro te Ao whānui me ōna mea e kitea
ana, e kitea ana, i te mea ka puta ngā āhuatanga o te
mutunga kore i roto i ngā kitenga mutunga kore i mua i tō
.rātou tirohanga ā-roto

Me whakapau te wā e penapenahia ana e te hangarau ki
te ako hohonu ake i te ao. Ko ngā mahi whai hua me te moni
he huarahi hei whakatutuki i te oranga, engari kua te
tangata e tinihangatia e ngā taonga ā-tinana, kua hoki e
.tukua te apo matapo kia tango i te harikoa o te ora

whakaora mō ō tātou mamae me ō tātou raruraru katoa, te
otinga mō ō tātou raruraru katoa, me te whakatutuki i ō
tātou hiahia katoa. Ko ngā mea e hiahiatia ana e ō tātou
ngākau—te aroha, te rongonui, te whakaaro nui, me te hua—

Ahakoa kāore te rā o ngā whai wāhitanga pai e whiti mai

Nā te mea ko te Atua anake te tino pai o te ao, ka ngana

Kātahi ka tono te kaiwhakamahi i tētahi peihana miraka,

Te rā o te hinengaro ao

I puta tēnei tuhinga i te putanga tuatahi o te maheni
East and West i te tau 1925. I whakatūria tēnei maheni, i
muri mai ka mōhiotia ko te maheni Self-Knowledge, mō
tētahi kaupapa: kia tata ake ai ngā iwi, kia whakaatu hoki i
ngā āhuetanga me ngā āhuetanga ahurei o ngā iwi, kua whai
wāhi mai, ā, kei te whai wāhi tonu ki te hanga i te whare
.tangata nui i runga i tēnei aorangi o Papatūānuku
He maha ngā tau i mahi ai te kaiako nui ki te whakatipu
i te wairua aroha me te whanaungatanga i waenganui i te
tangata, me te whakatenatena i te whakawhitiwhiti wheako
me te mātauranga kia pai ake ai, kia ataahua ai, kia whai
tikanga ai te ao. I roto i tēnei whakaaro, i mea ia: "Ko tā
tātou hiahia ki te mātauranga me wareware tātou i ō tātou
rerekētanga iti, me te akiaki i a tātou kia koa ki te whakaae
ki ngā pono o ētahi atu. Kia rite te Rawhiti me te Hauāuru ki
te whakawhitiwhiti i ngā mea pai rawa atu a ō rātou iwi, he
tuakana, he teina hoki ngā tāngata katoa, ā, he tamariki
".tātou katoa nō te whenua kotahi o te ao whānui
I noho ahau i runga i tētahi puke iti, me ōku kanohi e
katia ana, e titiro ana ki te pōuriuri e taupoki ana i ahau. I te
tīmatanga, kāore he mea i kitea e au engari ko te pōuri
anake, heoi i te rapu ahau i tētahi mea kāore i te mōhiotia
.engari he mōhiotia, ā, i te wā kotahi e mōhiotia ana
I whakatuwherahia ōku kanohi, ā, i titiro atu ahau ki te
ao whakahīhī, harikoa, i whakapaipaihia ki te whānuitanga
mutunga kore o te māramatanga o te marama me ngā
whetū e kanapa ana i te whānuitanga o te wāhi, ngā mara
me ngā pukepuke e ataata ana me ngā tarutaru kakariki-
emerara he ngawari pērā i te weriweri, ngā pae maunga
kanapa, ngā ngaru e pakaru ana i runga i ngā moana
pōrearea, me ngā tāone e whakamanamana ana ki ngā
whakatutukitanga me ngā mahi auaha a te tangata. Heoi, ko
ngā mea katoa i kitea e au i te āhua nei i whakahe i ahau mō

te moumou taima ki te whakaaroaro, te whakapae i ahau he
.moemoeā, ngaro i roto i te ao wawata
I mea mai te ao ki ahau, "He aha koe i katia ai ō kanohi,
i tahuri ke ai i tōku ataahua i tō tirohanga, i noho ai i te pōuri
"?kau, i te pōuri kau kore

I hāhā ahau: "E te tangata whakaeke toa, me i kore te
ataahua o roto, kāore tō ataahua e whai kororia, kāore hoki
"!he kanapa

I te taenga mai o tēnei whakaaro ki roto i tōku
hinengaro, ka rongo ahau i tētahi karanga huna mai i tētahi
kokonga hōhonu o tōku wairua, ā, ka wiri ōku kare ā-roto, ka
.ora anō ngā pūtau o tōku tinana

I katia anō ōku kanohi kia kite i te moana pōuri. I titiro
matatau atu ahau ki roto i te ngākau o te pōuriuri, e rapu
ana i te hihi o te māramatanga—he māramatanga i mōhio
ahau kei reira, me rapu noa kia kitea rā anō. I te ohorere, ka
kite ahau i tētahi whakaaro ngoikore, tata kanapa e puta mai
ana i tētahi o ngā kokonga o taua rūma hohonu, ngaro. I
arotahi ahau ki taua whakaaro ngoikore, ā, ka tiaho ake, ka
.tiaho ake, ā, ka whakakitea tōna kororia huna

Ā, ka kitea e au ka taea e au te titiro atu i reira, ahakoa
kāore he kanohi, ka kite i ia whakaaro e tiaho ana me te mea
he uira e whiti ana, kātahi ka ngaro, e tiaho ana rānei me te
mea he kahui whetu nui e whiti ana e tuku ana i te marama
e puta whakarere ana, kātahi ka ngaro i te rangi o tōku
hinengaro. Ka taea e au te tatau i ia uira, i ia mura, ā, ka
mōhio ki te uara o te wā me te kaha o ia whakaaro. He

Te whakahaere i ngā au kino

Ka noho te tangata e inu nui ana i te waipiro hei tangata waranga, ā, ka arahi tēnei waranga ki tētahi āhuatanga kino, huna hoki. Mēnā kāore rātou e ngana ki te whakamutu i tā rātou inu, ka noho pea rātou hei tangata waipiro, ka pāngia e te hiahia nui ki te waipiro. He maha ngā wā ka pau te moni a ēnei tāngata pōuri ki te waipiro. He iti noa iho ā rātou kai, ā, te āhua nei ka whiwhi rātou i ētahi kai mai i te inu whakahaurangi tonu. I te mea ka mau tonu tēnei āhuatanga kino, ka ngaro i a rātou te kawenga mō ō rātou ake hauora me tō rātou tūranga i roto i ō rātou kāinga, i ō rātou haporī, me te ao whānui.

Ko te whakaahuatanga o mua mō ngā tāngata haurangi he tauira noa iho o taku e kī nei ko "ngā tāngata haurangi hinengaro". Ka taea te whakarōpū i ēnei tāngata haurangi hinengaro, hinengaro rānei i runga i ō rātou āhuatanga hinengaro, e mau tonu ana, e uaua ana hoki te whakatau, pērā i te riri, te matakū, te hiahia moepuku kore here, te pai ki te whara i ētahi atu, te petipeti, te tahae, te hae, te mauahara, te apo, te riri kino, te tinihanga, te wairangi, me te porangi.

Ina whakaatu te tangata i ngā pahūtanga rerekē o te riri, te wehi, te hae, tetahi atu rānei o ngā āhuatanga kua whakahuatia ake nei mai i te tamarikitanga, he tohu tēnei kua riro mai i a rātou ēnei whanonga hinengaro rerekē i te ao o mua. Ko ngā mātua e kite ana i tētahi o ēnei whanonga hinengaro kino i roto i ā rātou tamariki, ahakoa he tamariki tonu, me aro nui ki tēnei take, me te mahi i ngā mahi hei ārai i te tamaiti kei pāngia e te waranga hinengaro, ko te mea pai ko te whakanoho i a rātou ki tētahi taiao rerekē i raro i te manaaki a ngā kaiārahi wairua.

Mā te noho tahi pai me te taiao tautoko mō ngā tau maha, ka taea e te tangata haurangi hinengaro te wetekina i te mana whakamomori o āna mahi kino kua riro mai. I a ia e whiwhi ana i te tiaki hauora tika i roto i te taiao tautoko, me whakamōhio te tangata haurangi hinengaro ki ngā hua kino o āna mahi whakarihariha, ā, me whakatenatena kia whakaaroaro ki aua mahi, kia whakapau kaha hoki ki te karo i te whakaatu i ēnei whanonga whakarihariha me te whakangaro i raro i ngā āhuatanga katoa. Ko ia tauira o te whai i tētahi mahi kino hinengaro i riro mai i tētahi momo o mua ka whakapakari, ka whakau i roto i te hinengaro mohio tae noa ki te wā ka noho hei pononga te tangata ki roto i ngā tikanga katoa o te kupu.

Ko te tangata pukuriri, hiahia nui, apo rānei, ka wareware ki tōna tūranga, ka wareware ki tōna whanaungatanga ki te haporī, ka mahi i ngā hapa nui e whakangaro ana i tōna ake oranga me te oranga o ētahi atu. He tokomaha o ēnei tāngata mate hinengaro e whakapono ana mā te whakaatu i ō rātou whanonga hinengaro, ka tukuna e rātou he manawa, ka kitea he whakamarie. Heoi, ko te uru ki ngā kare kino he tikanga kino me ngā hua kino, nā te mea mā te whakaatu tonu i aua whanonga whakarihariha, ka noho te tangata hei tangata waranga hinengaro, ka waiho hei kata mā ētahi atu, i ngā wāhi katoa, i ngā wā katoa.

Ki te pāngia ngā tamariki e tētahi taiao paitini i a rātou e whanake tonu ana, e ngāwari ana hoki te whakarerekē i ō rātou hinengaro, ka whanakehia e rātou ngā āhuatanga kino, ki te kore e āraihia, ka arahi pea ki te mate hinengaro kino. Ko ngā mātua e kite ana i tētahi huringa ohorere o tā rātou tamaiti—pērā i tētahi tamaiti marino i mua, ka noho pōuri tonu

—me aro nui, me tautuhi me te aro ki ngā take o tō rātou pouri me te ngakaukore, me te kimi huarahi hou, whai hua hoki hei whakahaere i ō rātou kaha i roto i tētahi huarahi whai hua me te whai hua.

Ko te hunga e whakaatu ana i tētahi o ngā āhuatanga kua whakahuatia ake nei, he hunga haurangi hinengaro. Ka eke pōrearea, ka kore e whai kawenga, ka pakaru hoki tō rātou harikoa mā te tuku noa i a rātou ki ngā ia o ō rātou hiahia, me te whakaatu i ō rātou āhuatanga kino rawa atu.

Kāore he take o te riri, te whakatūpato, te whakapae rānei i te hunga haurangi hinengaro mō ā rātou whanonga tutu. Ko tō rātou āhua hinengaro he hua nō ā rātou whanonga kino tonu. Me atawhai rātou he hunga mate hinengaro e pāngia ana e ngā mate hinengaro uaua rawa.

Ko te whakawhiti hoa te rongoā tino whai hua mō tetahi momo haurangi hinengaro nui, nā te mea kua herea te hiahia o te tangata haurangi hinengaro e te tikanga, nō reira kāore he ātete ki te kino. Ko te rongoā tino tika ko te whakawhiti tika i a rātou ki tētahi taiao e mahi ana hei rongoā mō tō rātou āhua hinengaro paihana. Me whakanoho te tangata pukuriri - ki te taea - ki tētahi, ki ētahi atu rānei tāngata kāore e riri ahakoa i raro i ngā āhuatanga whakaohoho me te pukuriri. Me karapoti te tangata hiahia ki ngā tāngata whakahaere i a ia anō. Me hiahia te tahae ngaio ki tētahi rōpū o ngā tāngata pono. Ka taea te āwhina i te tangata matakū me te matakū mā te whakatenatena i a rātou ki te hono atu ki ngā tāngata toa me te pānui i ngā kōrero mō ngā toa. Ko te hunga he pukuriri me te kawa me noho tahi me te hunga harikoa me te atawhai.

Me mahara te tangata haurangi hinengaro ko te mate puku, te ngoikore rānei o te puku, me te kai

mīti, inā koa te mīti kau me te poaka, ka whakanui ake i te mate hinengaro, ka whakapūmau ake i roto i tōna roro. Mā te whakauru i te nui o ngā hua me ngā huawhenua ki roto i āna kai o ia rā, te nohopuku i te wai hua kotahi te rā i te wiki, me te whakauru i ngā nohopuku roa i ētahi wā, ka tino āwhina ki te whakarerekē i ngā rohe roro kei reira ngā whanonga kino e arohia ana.

Ka kino te pūnaha io me ngā pūtau roro i te nui rawa o te moepuku, ka whakawerawera i te riri o te tangata haurangi hinengaro. Hei tāpiri, ka ngoikore te kaha o te hiahia ki te moepuku. Nō reira, me ako ngā tāngata haurangi hinengaro katoa ki te whakahaere i ō rātou hiahia moepuku kia taea ai te whakamahi i te whakaaro pai i roto i ā rātou whanaungatanga marena, e ai ki te āhua.

He maha ngā wā ka kitea ko ngā kaiāwhina, ko ngā kaiwhakawhiwhi moni rānei o te whānau—ahakoa he pāpā, he tama rānei, ā, i ētahi hapori, he whaea, he tamāhine rānei—e whakaatu ana i te āhua o te inu waipiro nā te mea kei roto i tō rātou tūranga te mana whakahaere me te akiaki i ō rātou hiahia. Kaua ēnei kaitukino iti e tuku i ō rātou riri ki ngā mema o te whānau e hiahia ana, e whakawhirinaki ana hoki ki a rātou. Ki te pērā rātou, ka ngaro te whakaute me te manaaki o ō rātou whanaunga.

Ina whakaponu te rangatira whānau ka taea e ia te mahi i tana e pai ai i te kāinga, ka tīmata ia ki te whakaatu i ōna āhuatanga kino me ōna āhuatanga whakarihariha ahakoa i waho o te porowhita whānau. Ā tōna wā, ka taunga ia ki tēnei whanonga whakama, ā, ka mahi i runga i tēnā, i hea, i ngā wā katoa. Ki te kore ēnei rangatira e whakahaere i tō rātou hiahia ki te whakahaere i ā rātou e arohaina ana, ka āta noho pōturi haere ō rātou hinengaro, ka mahi koretake i te

taha o ngā kare ā-roto, ā, ka nui te raruraru mō te hunga e tata ana ki a rātou, te hunga e taunekeneke ana ki a rātou i ētahi wā, me rātou anō hoki.

Me rapu rongoā te hunga e whakapono ana he mate hinengaro rātou. Engari, me mutu te ngana ki te pangia ētahi atu. Whakaarohia kei te noho puku koe i te kāinga, e pānui pukapuka ana pea i te taha o te ahi, ka tomo ohorere mai tētahi mokomoko kakara kino ki roto i tō whare! He mea noa iho, ka puta he ngangau, ā, ka ngana koe me te hunga i tō taha ki te pei i te mokomoko, ka rumakina koe ki ngā matū kino. Nō reira, ka whara te whare me te mokomoko.

Waihoki, kāore e tika kia tomo te mokomoko tangata ki tētahi taiao kāore e hiahia ana ki tōna aroaro, nā te mea ka raru pea te hunga katoa e karapoti ana i a ia, ā, ka tūkinotia ia i te mutunga.

Kia mahara, e aku hoa, ko te mokomoko tangata, e mau ana i ngā wiri hinengaro o te āhua kino e whakaata ana i roto i tōna mata, e kitea ana hoki i roto i ōna kanohi, ka hanga he kino nui i roto i ngā taiao marino, rangimārie, me te ata noho. Kāore tēnei tangata e manakohia ana i hea atu.

He pai ake te huna i te āhua hinengaro i te tuku i a ia ki raro i tōna awe i waenga i te iwi. Ko te whakamā, ko te tuku noa rānei i ngā hiahia me ngā kare ā-roto o te tangata, te whenua momona e tipu ai, e puāwai ai ngā kare ā-roto i mua me muri i te whānautanga. Nō reira, me tino tūpato te hunga e pāngia ana e tēnei mate kia kaua e noho i roto i te taiao e whakatipu ana i ngā purapura hinengaro ā-roto o ngā whanonga kino, o ngā whanonga pukuriri rānei.

Ae, ina tūtaki koe ki tētahi e whakapatipati ana i a koe, e ataata rūpahu ana, "Kua roa tātou e kore e kite!" me te mea anō ki a ia anō, "Kia kanga te Atua i

te wā i huihui ai tāua," ka rongo koe i ōna kare ā-roto, ka pāngia koe e te whakarihariha ki a ia, ā, ka whakarihariha koe ki āna whakapatipati rūpahu.

Ko au nei, e hiahia ana ahau ki te mōhio ki tōku tūnga ki te hunga e pai ake ana ahau ki te pono, ahakoa te mamae, te kino rānei, i te tinihanga. Kāore he tangata e hiahia ana kia tohungia rātou e te nakahi tinihanga i raro i te putiputi ataata whero, i muri rānei i ngā kupu whakapatipati, whakamihi.

Ahakoa ērā mea katoa, he pai ake mō te tangata haurangi hinengaro kia noho hoa ki ētahi atu, ahakoa he whakaaturanga noa iho, kaua e pangia rātou e ngā paitini o tōna āhua kino.

Mā te whakahaere i a ia anō i ia rā, ahakoa i roto i ngā mea iti, ka āwhina i te tangata haurangi hinengaro kia mawhiti māriri atu i tana whai i ngā tikanga kino.

Kia tau te rangimārie ki a koe

Te mana o te arotahi

Kia aro mai te tangata rapu, me noho puku rātou, me arotahi ō rātou whakaaro ki tētahi hiahia e tika ana kia arotahihia kia mimiti rawatia ō rātou hinengaro me ō rātou whakaaro e taua whakaaro. Ina hono te hiahia o te tangata ki te hiahia atua e mōhio ana ki ngā mea katoa, ka taea te whakamahi angitu hei whakatutuki i te whāinga e hiahiatia ana. Kāore e taea te noho noa me te tatari kia taka te angitu ki roto i ō rātou uma. Ina whakatakoto koe i tō huarahi me te whakatau ki te neke whakamua, me whakahohe koe i tō hiahia me te whakapau kaha, ā, ka kitea e koe ka tae mai ngā āhuatanga katoa o te angitu ki a koe mai i te wāhi kāore koe i whakaaro. Kei roto i tō hiahia, e kī ana i te ia atua, te whakautu ki ō inoi. Ina

whakamahia e koe taua hiahia, ka whakatuwherahia e koe te matapihi e whiwhi ai koe i te whakautu ki ō inoi. Koinei taku ake wheako. I mua, i ngana ahau ki te mahi i ētahi mea hei whakamātautau i taku hiahia, engari ināianei kāore au e mahi i tēnā nā te mea kua mōhio kē ahau ki te mutunga: ka tutuki ngā mea katoa e hiahiatia ana e au.

I tētahi wā, he maha ngā tau ki muri, i kite ahau i tētahi o aku ākonga e kotiti ke ana. I te kitenga i ngā hua kino me ngā hua kino o āna mahi, ka ngana ahau ki te whakatenatena i a ia mā ngā huarahi katoa kia hoki whakamuri i tōna ara. Engari kāore i taea e au te āwhina i a ia, nā te mea kua whakatau ia ki te haere tonu i te ara o te kino. I te mutunga, ka mea ahau ki a au anō, "Nā te mea e hiahia ana ia ki te mahi i tēnei, ka waiho e ahau ia." Engari i hohoro te hoki mai o tōku aroha me tōku āwangawanga ki a ia, ā, ka noho ahau i raro i tētahi rākau paniana, ka whakaaro ki a ia. Me te ngākau nui, ka tukuna tonutia e ahau te karere hinengaro e whai ake nei ki a ia: "Kei te inoi atu ahau kia hoki mai koe." I te ahiahi, ka oho ake he kare ā-roto kaha i roto i ahau, i roto i te tinana me te hinengaro, kei te hoki mai ia. I puta whakarere mai te "tama kua ngaro", i te taenga mai ki te kāinga. I mihi mai ia ki ahau me te piko, ā, ka mea, "I te rā katoa, i ngā wāhi katoa i haere ahau, me ngā mea katoa i mahia e ahau, i kite ahau i tō kanohi. He aha te tikanga o tēnei?" I mea atu ahau, "Nā te Atua koe i karanga māku, Nāna te karanga, ehara i te mea nāku. Kāore taku hiahia i te hiahia whaiaro, engari i whakatau ahau kia kua e wehe atu i tēnei wāhi kia hoki mai rā anō koe." Ka taea e tēnei momo whakatau te whakaputa i ngā huringa nui ki te ao. He mana whakamiharo, he mana whakamiharo hoki!

Nō reira, he kaha, he hohonu hoki te pānga o te inoi hohonu. Ko te wā pai rawa atu mō te inoi ko te pō, ina iti noa ngā mea hei whakararuraru. Ki te kite koe he mea tika kia moe i te ahiahi, me mahi kia mataara tonu tō hinengaro, kia arotahi hoki i ngā inoi o te pō, kia noho tahi ai me te Atua. Tērā pea he uaua tēnei i te tīmatanga, engari ka māmā ake mā te whakapau kaha tonu, ā, ka miharo koe ki ngā hua whakamiharo ka tutuki i a koe. Ina whiwhi koe i tētahi hiahia ahurei, hihiri, ka tīmata te Atua ki te whakautu. Ā, ina pakaru te wā o te Atua Mutunga Kore, ka taupokina koe e te hari. Engari i te mea kei te pupuri tonu te tangata i tētahi hiahia whaiaro ki te whakamatau i te mana o ā rātou inoi ki ētahi atu, ki te huri rānei i aua inoi hei taonga hei whai hua, ka ngaro taua mana, ā, kāore te Atua e whakautu i a rātou, nā te mea kua whakatūria e rātou he arai i waenganui i a rātou me te Atua, e wehe atu ana i a rātou i a ia. Ka haere mai te Atua ki te tangata e rapu ana i a rātou ina pono, ina aroha rātou ki a ia mōna. Ina aro nui te tangata ki a ia anō, ā, ka tahuri ki te whakapehapeha me te whakapehapeha, e mōhio ana te Atua kāore rātou e hiahia ana ki a rātou engari e whai ana ki te whakakororia i tō rātou ake whakapehapeha, ā, e kore ia e whakaae ki tā rātou tonu.

Ko wai e u tonu me te whakaaro nui me te manawanui kia whakahokia mai rā anō e te Atua?

Ko te Atua te tino pūtake o te aroha, ko ia te pūtake o te aroha. Ki te mōhio koe ki te whakaaroaro me te whakaaro ki te hono atu ki a ia, ka whakautua e ia āu tonu aroha. Kāore he take ki te inoi kia tae atu ki a ia. Engari ko wai ka whakatapua te wā e tika ana? Ā, ko wai ka u tonu kia noho rā anō hei mura ahi o te arotahi hinengaro ki te whiwhi i Tāna whakautu?

Ki te mea he nama āu kāore e taea te utu, ki te hiahia rānei koe ki tētahi mahi, whakaaroaro tuatahi. I roto i te ata noho e whai ake nei i te whakaaroaro hohonu, arotahihia tō hinengaro me te whakatau pumau ki tō hiahia, engari kaua e aroturuki tonu i te putanga. Ki te whakato koe i tētahi kākano ki te oneone, ā, ka kerī tonu kia kite mēnā kei te tipu, e kore rawa e pihi. Waihoki, ki te titiro koe—i ia wā ka inoi koe—mō tētahi tohu kua whakamanahia e te Atua tō hiahia, e kore koe e whiwhi i tāu e hiahia ana. Me inoi tonu me te kore e aukati, waiho te toenga ki te Atua. Ko tāu mahi he kukume i te aro o te Atua ki tō hiahia, me te mahi i tō wāhanga ki te āwhina i a ia ki te whakatutuki i tō tumanako. Hei tauira, mēnā he mate kino, me mahi i ngā mea katoa e taea e koe hei whakatairanga i te whakaora. Engari kia tino mōhio kei roto i ngā ringa o te Atua te rongoā whakamutunga. Tukua tēnei whakaaro kia haere tahi me koe i roto i tō whakaaroaro i ia pō. Inoi me te whakatau nui me te whakawhirinaki tino, ā, i tētahi rā ka kitea e koe kua ngaro whakarere te mate.

Ka whiwhi tuatahi te hinengaro i ngā whakaaro, kātahi ka tukuna e te Atua te hinengaro ki tōna mana. Hei whakamutunga, ka tukuna e te roro te kaha ora hei whakaora. Kāore koe e mōhio ki te whānuitanga o te mana atua kei roto i tō hinengaro. Koia te kaiwhakahaere o ngā mahi katoa a te tinana. Ka taea e koe te rongoā i tētahi mate tinana mā te whakamahi i tēnei mana o te hinengaro. He mea nui kia mōhio tuatahi koe ki te tikanga tika o te whakaaroaro, kātahi ka taea e koe te whakamahi i te mana o te arotahi, i whakareihia e te mana atua, hei whakaora i te tinana, hei rongoā rānei i tētahi atu mate.

Ngāna ki te mahi i tētahi mea uaua i ia rā. Kia mau tonu te ngana, ahakoa e rima ngā wā ka hinga koe. Ina angitu koe, whakamahia tō kaha hiahia ki te whakatutuki i tētahi atu mea. Mā tēnei, ka taea e koe te whakatutuki i ngā mea nunui i te tere tere. Ko te kaha hiahia he whakaaturanga ora o te āhua o te Atua i roto i a koe. Kei roto i te kaha hiahia te mana mutunga kore: ko te mana kotahi e whakahaere ana i ngā kaha katoa o te taiao. Nā te mea kua hangaia koe i te āhua o te Atua, kei roto i ō ringaringa taua mana hei whakatutuki i tāu e hiahia ana: ka taea e koe te hanga i te rawa me te nui, me te huri i te mauahara hei aroha. Inoi ki te Atua kia āwhina i a koe ki te whakahaere i te tinana me te hinengaro, kātahi ka whiwhi koe i te whakautu a te Atua. E kite tonu ana ahau kua tutuki kē aku hiahia nui.

Ko te Atua tō tātou hiahia nui

Kei te rae, i waenganui i ngā tukemata, te kuwaha ki te rangi. Ko tēnei pokapū roro te nohoanga o te hiahia. Ina arotahi marie tō hinengaro ki tēnei pokapū me te hiahia, ka tutukihia te mea e hiahiatia ana e koe. Nō reira, kua rawa e whakamahia tō hiahia mō ngā mahi kino. Ko te hiahia ki te whara i tētahi atu tangata, te hiahia rānei kia whara taua tangata, he mahi hē rawa tēnei o te mana kua homai e te Atua ki a koe. Ki te kitea e koe tō hiahia e ārahi ana i a koe ki te hē, me mutu tonu. Nā te mea ko te haere tonu i taua huarahi ehara i te mea he moumou noa i te kaha tapu, engari ka ngaro anō hoki taua mana i a koe, ā, kāore e taea e koe te whakamahi ahakoa mō ngā mahi pai.

Tuatahi, me whai tikanga, me whai tika hoki ngā inoi. Kaua tātou e inoi ki te Atua mō ngā mea kāore e

taea, kāore hoki e tika ana i roto i te ao tūroa. Me tononoa tātou mō ā tātou matea nui. Me wehewehe anō hoki i waenga i ngā "matea nui" me ngā "matea kore-tino". Ko te huarahi pai ki te whakaora i a koe anō i ngā "matea kore-tino" ko te tirotiro me te tirotiro i aua matea i runga i te māramatanga o te whakaaro tika. Ko te moemoeā mō ngā whare nunui tētahi o aku mahi whakangahau i mua, engari kua memeha haere taua hiahia. He maha ngā hanganga pēnei kei a au, me ngā raruraru katoa e pā ana ki te whakatika me te tiaki. He kawenga taumaha te mana pupuri. Me whakarērea te hiahia ki te pupuri i ngā mea parakore, ā, me arotahi noa ki ngā matea tūturu.

Ko te hiahia nui o te tangata ko te Atua. Ina mōhio ia ki a ia, ka homai e ia ki a ia, ehara i te mea ko ana "hiahiatanga e tika ana" anake, engari ko ana "hiahiatanga kāore e tika ana"! Ka whakatutukihia e ia ngā hiahia katoa o tōna ngākau, pērā i tana whakatutuki i ana tumanako me ana moemoeā tino nui.

I ahau e tamariki ana i Īnia, i nui te hiahia ki te pupuri i tētahi pōni, engari kāore i whakaaetia e tōku whaea. I muri mai, i taku whakatūnga i te kura o aku tama tāne i Ranchi, i kawea mai e au tētahi hōiho uha hei whakamahi mā mātou. I tētahi ata, ka kite ahau kua whānau tana kuao, pērā i taku i hiahia ai i tōku tamarikitanga! He maha ngā wā kua pā mai ēnei momo whakamātautau ki ahau. I mua noa atu, i a au e haere ana ki Kashmir, ka kite ahau i tēnei whare (te tari matua o te mōhio ki a ia anō) i roto i tētahi moemoeā. I muri mai, ka kite ahau i tēnei wāhi, ā, ka mōhio tonu ahau ko te whare tonu i kitea e au i roto i te moemoeā, me te mōhio ko te Atua te mea i whakaaro kia nohoia e au.

Ina inoi hōhonu koe, ā, ka u tonu, ka tino harikoa koe, ka whakakī i tō ngākau me tō wairua

Kaua e makona, kaua hoki e whakapono kia tae rā anō koe ki taua hari, nā te mea ina rongo koe i taua harikoa nui i roto i tō ngākau, ka mōhio koe kua tae atu tāu inoi ki te Atua, ā, kei roto koe i Tōna hinengaro, ā, ka homai e tō Ariki ki a koe, ā, ka makona koe.

Kia homai e te Atua te angitu ki a koe. Kia tau te rangimārie ki a koe.

Ngā tikanga matua e whā

Ko te hononga i waenganui i te wairua me te tinana me te hinengaro te pūtake o ō tātou mamae katoa, ngā here, ngā here, ngā ngoikoretanga, me ngā ngoikoretanga. Nā tēnei hononga, ka pāngia tātou e te harikoa me te mamae me te koa, tae noa ki te taumata e kore ai e taea e tātou te pā ki te harikoa atua, ki te hinengaro rānei. Ko te whakapono, i roto i tōna uho, ko te karo tonu i te mamae me te whakatutuki i te harikoa parakore, i te Atua rānei. Pērā i te kore e kitea mārama te āhua tūturu o te rā i runga i te mata o te wai pōrearea, waihoki ko te āhua tūturu, harikoa o te wairua wairua (te whakaata o te wairua katoa) kāore e taea te mārama, te hopu rānei e ngā ngaru o te pōrearea me te manukanuka e puta mai ana i te hononga o te wairua ki ngā āhua hurihuri me te hurihuri o te tinana me

te hinengaro. Ā, pērā i te wai pōrearea e whakapohehe ana i
te āhua tūturu o te rā, waihoki ko te hinengaro pōrearea e
whakapohehe ana i te āhua harikoa tonu o te wairua o roto
.mā tēnei hononga, hononga rānei

Ko te whāinga o tēnei upoko he tūhura i ngā huarahi
māmā, tino tika, me te tino whai hua ka taea e te katoa te
mahi, hei whakaora i te wairua harikoa mutunga kore mai i
tōna hononga mamae ki te hinengaro me te tinana, kia ora
tonu ai i te mamae me te mamae, ā, kia ara ake ai ki te
.harikoa wairua, koinei te mauri o te whakapono

:E mea ana ngā pukapuka whakaaro nui o te Rawhiti

Me i taea e koe te ara ake i runga ake i te tinana, me te"

mōhio he wairua koe, ka whiwhi koe i te harikoa mutunga
"kore, ā, ka watea koe i ngā mamae katoa

E whā ngā ara whakapono matua, whānui hoki, ā, mā te
mahi o ia rā ka wātea te wairua i ngā here o te tinana me te
hinengaro. Kei roto i ēnei ara e whā ngā mahi whakapono
whaitake katoa i whakaakona, i tūtohutia rānei e ngā
.poropiti, e ngā hunga tapu, me ngā tohunga mārama
Ko ngā mahi whakapono ko ngā mea i whakatūria, i

whakaakona hoki e ngā poropiti i roto i te āhua o ngā
whakaakoranga rerekē. Ko te hunga he iti nei te
māramatanga kāore e mārama ki te hiranga tūturu o ēnei
whakaakoranga, e whakaae ana ki ō rātou tikanga papaku,
ā, e heke haere ana ki te taumata o ngā kawa, ngā hui, ngā
āhua, ngā tikanga tuku iho, me ngā mahi pakari. Koinei te
.pūtake o te ngākau nui ki ngā rōpū me ngā whakapono

Me mārama tātou kāore tātou i hangaia mō ngā ture me

ngā tikanga, engari kei roto ēnei ture mō tātou. Ka rerekē
haere i a tātou e rerekē ana, e whanake ana hoki, ā, ko tā
tātou mahi he piri ki te mauri o te ture, kaua ki tōna āhua o
.waho, nā te kuware me te ngākau nui

He rerekē ngā tikanga me ngā momo karakia i runga i

ngā kura whakaaro rerekē, engari kotahi te pūtake o ngā

kura whakaaro rerekē a ngā poropiti, engari kāore te nuinga
!o te iwi e mārama ki tēnā

Ka ngana ngā tāngata whakaaro nui ki te tautuhi i te
pono mutunga kore mā te whakamahi i ō rātou mana
hinengaro, engari ka hinga rātou i tā rātou mahi nā te mea
kāore e taea te hopu i te pono mutunga kore mā te
.mātauranga hinengaro anake

He rerekē te mātauranga i te mārama noa He mea
koretake te mārama ki te reka o te honi mēnā kāore anō kia
whakamātauria. Waihoki, ko te mātauranga whakapono e
puta mai ana i te hohonutanga o te wheako tangata. Koinei
te nuinga o te wā ka mahia e tātou ina ngana tātou ki te
mārama ki te Atua, ki ngā whakaakoranga whakapono, me
ngā tikanga matatika; he onge tā tātou rapu ki te mōhio ki
.ēnei mea mā roto i te wheako o roto, o te wairua

He mea pōuri te whakaaro o te hunga whai pūmanawa
hinengaro e āhei ana ki te whakamahi i ō rātou hinengaro ki
te hura i ngā pono o ngā pūtaiao taiao me ētahi atu mara o
te mātauranga, ā, e whakapono ana rātou ka taea e rātou te
hopu i ngā pono whakapono me ngā pono matatika teitei
rawa atu mā te whakaaro ā-tinana anake. Heoi anō, i te kore
e waiho hei puna āwhina, he maha tonu te mahi a ō rātou
hinengaro me ō rātou pūmanawa hinengaro hei arai, hei
.aukati i tō rātou māramatanga ki te mauri o te pono
Nā, kia tirohia tātou ngā ara whakapono e whā e tohu
:ana i te tipu wairua

Tuatahi: Te tikanga hinengaro – te tikanga noa, maori,
engari kāore e whai hua ana i runga i te tere o te tirohanga.
He mea maori, he mea noa hoki te whanaketanga me te tipu
o te hinengaro ki ngā mea ora katoa. Ko tō tātou mōhio ki a
tātou anō te mea e wehewehe ai tātou i ngā kararehe o raro
iho, he rerekē ngā taumata o te mōhio engari kāore i te
.mōhio ki a tātou anō

I ngā wāhanga me ngā tukanga o te whanaketanga me
te whanaketanga, ka kitea e tātou ka huri haere tēnei

hinengaro hei mōhio ki a ia anō. Mai i te hinengaro kararehe
ka puta te māramatanga o te tangata ki a ia anō, ā, ka
ngana haere te hinengaro ki te tuku i a ia anō me te mōhio
ki a ia anō mā roto i a ia anō. Nō reira, ka huri ki te
mōhiotanga ki a ia anō; nā te tikanga tūturu o te
whanaketanga tēnei whakawhiti. Ko te hinengaro tangata, e
hono ana ki ngā āhua tinana me ngā āhua hinengaro maha,
ka ngana haere, ā, ka hoki noa ki tōna āhua tūturu mā roto i
.a ia anō

Ko te whakawhanake i te whakaaro mohio tētahi o ngā
huarahi e whakaara ake ai te wairua i a ia anō, e
whakawātea ai i a ia anō i ngā here tinana me te hinengaro.
He mea maori te ngana a te wairua ki te hoki ki tōna ake
tūturutanga mā te whakawhanake i te whakaaro me te
.whakaaroaro. Koinei te ara o te ao

Ka whakaatuhia te wairua o te ao whānui i roto i ngā
wāhanga tipu rerekē: mai i te mea iti rawa ki te mea teitei
rawa. I roto i te kōhatu me te oneone, kāore he hinengaro,
he ora rānei e kitea ana e tātou, engari i roto i ngā rākau he
tipu tipu, arā, he huarahi ki te ora. Heoi, kāore he ora
herekore, he kore ārai, he tukanga whakaaro mohio rānei. I
roto i ngā kararehe, he ora me te mōhiotanga ki te ora. I roto
i te tangata—te tihi—he ora me te mōhiotanga ki a ia, hei
tāpiri atu ki te mōhiotanga whaiaro i roto i te wairua. Nō
reira, he mea maori ki te tangata te whakawhanake i a ia
anō mā te whakaaro, te tātari, me te whakaaroaro, mā te
ako hōhonu i ngā pukapuka, me te rangahau, te tūhura, te
tirotiro, te whakamātautau, me te ngana ki te tae atu ki te
.pūtake o ngā take me ngā pānga i roto i te ao tūroa

Ka hohonu ake te whakaaro o te tangata, ka nui ake
tana whakamahi i te tikanga i eke ai ia ki tōna taumata o
nāiane i roto i te tukanga pikinga ki te ao tūroa, ā, ka tata
.atu ia ki te Wairua Tapu

I te mea ka whakanuia ake tātou e te hinengaro i a
tātou anō ki runga ake i te tinana me ōna hiahia, mā te

whakamahi tika me te āta whakaaro i tēnei tikanga
hinengaro ka puta he hua motuhake me te tino pono. Ko te
whakangungu i te hinengaro mā te ako hohonu me te ako
pakari ki te whiwhi mātauranga i roto i tētahi mara
motuhake ka āwhina ki te whakapai ake i te mōhiotanga ki a
ia anō ki tētahi taumata, engari kāore—i runga i te hiranga—
i rite te hiranga ki te tukanga whakaaro e aro ana ki te neke
.atu i te tinana me te kite i te pono

I Īnia, ko te momo tikanga hinengaro teitei rawa e kiia
ana ko te Jnana Yoga, ko tōna tikanga ko te whakatutuki i te
whakaaro nui pono mā te maumahara me te māramatanga;
pērā i te wā e whakamahara tonu ana te tangata ki a ia anō:

"Ehara ahau i te tinana, ā, e kore e taea e ngā whakaahua

"poto o te ao te pā ki ahau, he wairua ahau

Heoi, ko te ngoikoretanga o tēnei tikanga he puhoi te

tukanga o te mōhio ki a ia anō, ā, ka roa pea te wā e
hiahiatia ana. Ahakoa ka tīmata te wairua ki te mōhio ki a ia
anō, ka noho tonu ia ki te aro nui ki ngā whakaaro hinengaro
poto, kore hononga. Ko te marino o te wairua, i tētahi atu
taha, ka hipa ake i te whakaaro nui, ka eke ki runga ake i
ngā kare ā-tinana, ahakoa—ina mōhiotia—ka horapa, ka
.taupokina aua kare ā-tinana

Tuarua: Te tikanga karakia - arā, ko te ngana ki te
arotahi i tō tātou hinengaro ki tētahi whakaaro, kua ki ngā
momo whakaaro me ngā mea rerekē (pērā i te tikanga
hinengaro)

Ko te tikanga karakia e kapi ana i ngā momo karakia
katoa, pērā i te inoi (me wetekina i ngā whakaaro o te ao
katoa). I roto i tēnei tikanga, me arotahi hohonu, me te
whakaute hoki te hinengaro o te wairua ki ngā mea katoa e
pai ana ki a ia kia arotahi: ahakoa he ariā motuhake mō te
.atuatanga, he oranga tino whānui rānei

Ko te mea nui kia arotahi te hinengaro o te tangata rapu
ki tētahi whakaaro karakia kotahi me te ngākau nui me te
hihiri. Mā tēnei tukanga, ka wetekina mārīre te wairua i ngā

mea whakararuraru hinengaro maha, ā, ka whiwhi i te wā
me te whai wāhi e tika ana mō te whakaaroaro hohonu ki
tōna mauri. Ina inoi tātou me te pono katoa mai i te
hohonutanga o ō tātou ngākau, ka wareware tātou i ngā
kare ā-tinana katoa, ā, ka maka atu i ngā whakaaro pokanoa
katoa e ngana ana ki te hopu i ō tātou aro me te whakakī i ō
.tātou hinengaro

Ka hohonu ake ā tātou inoi, ka nui ake tō tātou ngākau
māhaki. Koinei te mehua e ine ai tātou i tō tātou tata ki te
Atua, te hari nui rawa atu. Mā te waiho i ngā hiahia tinana ki
tahaki, me te whakahaere i ngā whakaaro whakararuraru,
whakararuraru, ka mārāma te hiranga o tēnei tikanga i tērā
.o mua

Heoi, he ngoikoretanga, he uauatanga hoki tō tēnei
tikanga, nā te piri roa me te mau tonu o te wairua ki te
tinana me tōna herenga ki a ia, ā, e ngana ana ki te
whakamātara i tōna hinengaro mai i te ao o ngā kare ā-
.tinana me ngā kare ā-hinengaro, engari kāore i te whai hua
Ahakoa te hiahia pono o te tangata ki te inoi, ki te
rumaki katoa rānei i a ia ki tētahi momo karakia, ka noho
ngoikore tonu tōna hinengaro ki te whakaekenga mai o ngā
kare ā-tinana kore here me ngā whakaaro poto e puta mai
ana i te mahara me te arotake. I roto i te inoi, he maha tonu
tā tātou āwangawanga ki te waihanga i ngā āhuatanga tika
mō te inoi, ki te tumanako rānei kia tangohia atu ngā
.mamae tinana

Ahakoa ā tātou mahi katoa, ko ā tātou tikanga kino, kua
noho hei āhua noa iho ki a tātou, e whakahaere ana i ngā
hiahia o te wairua, e whakawhāiti ana i ōna āheinga. Ahakoa
tō tātou hiahia pono, kei te raruraru tonu te hinengaro, ā, kei
te pōhēhē tonu, ā, e tika ana te kīwaha "kei hea tō
hinengaro, kei reira anō hoki tō ngākau". E tonoa ana tātou
kia inoi ki te Atua me ō tātou ngākau katoa, engari he maha
ngā wā ka inoi tātou me ō tātou ngākau e wiriwirihia ana e
.ngā awha o ngā whakaaro me ngā kare ā-roto

Tuatoru: Te Tikanga Whakaaroaro – He tikanga mahi
noa iho tēnei me tērā e whai ake nei, ā, he whakangungu
mahi anō hoki. He mea taunaki ēnei e ngā tohunga nui kua
mōhio ki te pono i roto i ō rātou oranga. I ako ahau i ēnei
.tikanga e rua mai i tētahi o ēnei rangatira wairua nui
Mā te mahi whakaaroaro kia noho hei tikanga pumau,
ka taea e tātou te whakaoho i tētahi āhua moe mātau. Ka
kitea tēnei āhua marino, ahuareka hoki i te wā e moe
hohonu ana tātou, e tata ana ki te kore mohio, i te wā rānei
e oho ake ana tātou i taua moe, e tata ana ki te āhua o te
.mohio

I tēnei āhua moe mātau, ka wetekina tātou i ngā
whakaaro o waho me ngā kare ā-tinana katoa, ā, ka taea e
te wairua te whakaaro mōna anō me te whakatata atu ki te
āhua harikoa i ia wā, i ia wā, e ai ki te hohonutanga o te
.whakaaroaro me te tere o te mahi
I tēnei āhua, kāore tātou e mōhio ki ngā raruraru tinana
me ngā raruraru hinengaro e whakakī ana i te hinengaro, ā,
e wātea ana hoki. Mā tēnei tukanga whakaaroaro, ka
whakahaerehia ngā okana o waho me ngā okana pūoro mā
.te whakamarie i ngā io tūao, pērā i te āhua o te moe
Ko tēnei āhua whakaaroaro te tuatahi, engari ehara i te
whakamutunga, o te whakaaroaro tuturu. I roto i te moe
(moe mōhio), ka ako tātou ki te whakahaere i ngā kare ā-
waho anake. Ko te rerekētanga anake ko te moe noa, ka
whakahaerea aunoatia ngā kare ā-roto, i roto i te
whakaaroaro, ka whakahaerea mā te kaha mōhio. Heoi, i
tēnei wāhanga tuatahi o te whakaaroaro, ka noho tonu te
wairua wairua ki te pokanoa mai i ngā mahi ā-roto o te
tinana pērā i ngā pukahukahu, te ngākau, me ētahi atu
okana e whakapono hē ana tātou kei tua atu i tā tātou mana
.whakahaere

Nō reira, me rapu tātou i tētahi ara pai ake i tēnei, nā te
mea ki te kore e taea e te wairua te whakakore i ngā kare ā-
tinana mā te hiahia, me ngā kare ā-roto hoki e puta ai ngā

whakaaro, ka noho ngoikore tonu ia ki ēnei raruraru me te kore e taea te whakahaere me te pehi i aua mea, me te kore .rānei e whai wāhi ki te mōhio ki a ia anō

Tuawhā: Te Tikanga Pūtaiao o te Yoga – I mea a Hato Paora, "Ka mate ahau i ia rā, i ia rā." Ko te tikanga o tēnei, i mōhio ia ki te whakahaere i ōna whekau o roto, me te whakawātea i tōna wairua mā te kaha o te tinana me te hinengaro. Ka pāngia te hunga noa, kāore i te whakangungua, e te āhua tata mate, ina whakawāteatia te .wairua mai i te tinana pirau

Mā te whakangungu tika me te whakamahi i tētahi tikanga mahi, ā-pūmau hoki, ka taea e te kaimahi te rongo i te wehenga o te wairua i te tinana, me te kore e pā ki te .mate whakamutunga

I konei ka whakaaturia e au he tirohanga whānui mō te tikanga me te ariā pūtaiao pakari e tū ana. Ko taku e tuku atu nei nō aku ake wheako, ā, ka taea te kī he tika whānui.

Ka taea hoki e au te kī me te whakaū ko te harikoa, ko tā tātou whāinga matua—e ai ki taku i whakamārama ai—ka kitea nuitia i roto i te mahi i tēnei tikanga. He pono, he tino pai te mahi tonu. Ka taea e au te whakaū he tino pai ake i te harikoa nui rawa atu e taea ana te whakatutuki mā roto i ngā kare e rima, i te hinengaro rānei. Kāore au e hiahia ki te tuku i tētahi taunakitanga mō te tika o tēnei tikanga i tua atu i ngā mea ka pā ki te tangata e mahi ana. Mā te manawanui me te auau o te mahi a te kaiwhaiwhai, ka kaha ake te .whakaaro kua mau rātou ki te hinengaro o te harikoa

Nā te mea he tino uaua, he tino pūmau hoki ngā whanonga kino, ka ara ake te mōhiotanga tinana i ia wā, i ia wā, ka whakaekea taua āhua o te marino me ōna maharatanga katoa. Heoi, mā te mahi auau me te roa, ka taea e tātou te whakamana i te kaiwhakamahi ka tae mai te wā ka kitea rātou i roto i te āhua o te harikoa wairua nui. Engari kaua tātou e ngana ki te whakaaro i ngā hua ka puta mai i te tikanga, kātahi ka whakarērea te mahi i muri i te

whakamātautau poto. Ko te angitu pono me te ahunga
.whakamua pono me whai i ngā kōrero nui e whai ake nei
Tuatahi: Kia aro nui ki te kaupapa e hiahia ana koe ki te
ako

Tuarua: He hiahia pono ki te ako me te wairua hihiko o
te uiui

Tuatoru: Te u tonu kia tutuki rā anō te whāinga e
hiahiatia ana

Ki te haere tātou i waenganui, ā, ka wareware i te
tikanga i muri i tētahi mahi māmā noa iho, e kore e puta te
.hua e tumanakohia ana e tātou

He mea pōuri rawa te whakapaunga a te tangata i te
nuinga o ō rātou wā ki te hoko i ngā mea e hiahiatia ana e te
ao, ki te whai wāhi atu rānei ki ngā kōrero ariā me ngā
tautohetohe hinengaro, engari he onge noa iho te ngana ki
te kimi me te wheako i ngā pono wairua e whakarei ana, e
whakakaha ana i te ao, ā, e hoatu ana hoki he tikanga ki a
ia. Kei te pukumahi ō rātou hinengaro ki ngā mea iti noa iho,
ki ngā āwangawanga koretake, me ngā hiahia nui, kaua ki te
.aro tika ki tēnei whāinga

Mō ngā tau maha kua mahi ahau i te tikanga kua
whakahuatia ake nei, ā, i ia wā ka mahi ahau, ka rongo ahau
i te harikoa nui, i te harikoa tonu rānei, e kore nei e mimiti te
.tere, e kore hoki e mutu te rere

Me maumahara tātou kua mauheretia te wairua wairua
e te tinana mō ngā tau maha, ā, mō ngā wā roa, ā, e kore
pea e wātea i roto i te rā kotahi. Kāore e taea e ngā mahi
poto, ā-wā poto, te hoatu i te harikoa wairua nui ki te
kaimahi, te whakamana rānei i te mana whakahaere i ngā
whekau o roto. Me mahi nui, āta whakaarohia hoki tēnei mō
.te wā roa

Heoi, mā te whakamahi tupato i ēnei tikanga ka taea te
whakaoho i te harikoa parakore. Ka tata atu te tangata ki
tēnei harikoa, ka nui ake tana whakamahi. Kāore tēnei āhua

i hangaia, i titoa rānei e te tangata; kei te noho maori, ā, me
.hura noa e tātou i roto i a tātou anō
Kia tau te rangimārie ki a koe

Te kaha o te hiahia me te awe o te taiao

**Ka puta ngā raruraru me ngā whakarihariha i te

i ahu mai i ngā whakaaro me ngā mahi i

rātou.**

**Kāore ngā whakamātautau me ngā raruraru e tae

E te Ariki, me inoi atu mātou kia whiti mai tō māramatanga ki ō mātou wairua

Ā, ringihia mai ō manaakitanga nui ki ō hunga aroha, me te hunga e rapu ana i tō awhina.

Ā, kia puritia e la ngā wairua o te pakanga, te tutu, me te mate kia matara atu i a tātou

Ā, whakatenatena mai i a mātou kia waiho te rangimārie hei whāinga mā mātou

Ā, ko te aroha tā tātou whakarato

Ko tā mātou whāinga he whakaoranga mai i ngā here herekore

I tukuna ki Encinitas, California - Pipiri 1940

**Ehara i te mea ko te pūmua mīti anake te puna
nui o te pūngao**

**He puna nui anō hoki ētahi o ngā tote kohuke e
kitea ana i roto i ngā huawhenua me ngā hua kāore i
tunua**

**Ahakoia he nui te pūngao e whakaratohia ana e te
nui o te mīti, ki te mea ko te mīti te kai matua mō te
wā roa, ka mutu te whakarato i taua pūngao. Hei
tāpiri, ko te kai nui rawa o te pūmua ka arahi ki te
paitini pūmua, he pūtake o te ngenge me te mate. I te
poto, he rite tonu te kino o te nui o te pūmua ki te iti
rawa.**

**Ki te hiahia koe ki te whakakore i te ngenge, ko
tētahi rongoā ko te kai tika. Ahakoia he pūngao
rangitahi te mīti, he maha ngā paitini ka uru mai ki
roto i te tinana. Mā te kai i ngā kai mata, kāore i
tunua, ka whakaiti i te ngenge, ā, ka waiho koe kia
pūmau te wairua.**

**He nui te pūngao e tukuna ana e ngā wai hua,
engari he nui ake te uara kai o ngā hua me ngā
huawhenua katoa. Heoi, kāore ētahi e hiahia ki te
whakapau i te wā ki te kai i tēnei momo.**

**Ka tangohia e te pūnaha nakunaku ngā matū ka
tohatoha ki ngā momo pūtau e tika ana puta noa i te
tinana**

He maha ngā huānga matū o te tinana, ā, me whakakī e te kai ngā ngoikoretanga o aua huānga i ia rā.

Me nui te pūmua, ngā huaora, ngā kohuke, ētahi ngako me ngā hinu i roto i ngā kai o ia rā, me te nui o ngā warowaihā tūturu e tika ana, me te whakaiti hoki i te nui o ngā māngaro kua whakamaroketia me te huka kua whakamaroketia.

He puna nui te pūngao ko te ranunga o te wai karaka me te aramona whenua, nā te mea he pai ake te nakunaku o ngā aramona ina konatunatua ki te wai karaka.

He mea nui anō hoki kia nui te inu wai. Mēnā kāore e wātea ana te wai kounga pai, he pai ngā wai hua hou, te wai kokonati, me te merengi hei tāpiringa, hei whakakapi wāhanga mō te wai parakore.

Ā tōna wā, ka nui ake te inu a te tangata i ngā wai hua me ngā wai huawhenua nā te mea he nui ngā painga hauora e puta mai ana i ēnei wai.

He kino ngā matatini whakaraerae me ngā matatini whakakake

He rite tonu te kino o te matatini o te whakaiti i a ia anō ki te matatini o te whakakake, nā te mea ko te tangata e whakaiti ana i a ia anō, e kore e taea e ia te whakaatu i te whakakake kei roto i a ia.

He wairua te tangata, ā, he mura tapu tōna, ā, he hē te whakaaro he iti ia, he whakaaro rānei kei runga ake ia i te katoa, me te mahi pērā i te tangata kāore he mana, kāore he takenga mai.

Ina whakaatu te tangata i te whakapehapeha, ka huna e te atarangi matotoru o te whakapehapeha te māramatanga o te Atua i roto i te wairua.

Nō reira, me karohia ngā pona e rua i te wā kotahi, nā te mea he arai ēnei ki te ahunga whakamua o te wairua.

Kia rongo tātou kei a tātou te Atua, e whakaaweawe ana, e ārahi ana i a tātou, ā, ko la te aroha nui rawa atu i roto i ō tātou oranga.

Ko te hunga e mōhio ana ki te Atua, e whakaaro ana he pononga rātou mā te katoa, ā, kāore e whakaaro he pai ake rātou i ētahi atu

E pā ana te matatini o te whakaiti i te ngākau ki te hunga he ngoikore ō rātou whakaaro me te ngoikore o te hinengaro huna, ko te matatini o te whakanui i te ngākau ka whānau mai i te whakapehapeha whakarihariha me te whakapehapeha rūpahu.

He kino ēnei pona e rua ki te tipu wairua, ā, e ahu mai ana i te mānukanuka me te kore aro ki te pono, kua i te māramatanga tika me te whakatau tika.

Me whakatipu te whakapono ki a ia anō mā te wikitoria i ngā ngoikoretanga tuku iho o te tangata. Ko te hunga e hiahia ana ki tēnei, me whai kia wheako i tōna reka mā roto i ngā whakatutukitanga tūturu i roto i ō rātou oranga, kia wātea ai rātou i ngā āhuatanga o te whakaiti me te whakapehapeha, me te āwhina a te Atua.

Te mea ngaro me te puna o te ora

E hia ngā hāora e hiahiatia ana e te tinana hei huri i te kai hei pūngao. Engari ko ngā mea katoa e whakaoho ana, e whakahohe ana i te hiahia ka whakaputa pūngao tonu.

Ka tangohia e te kaha o te ngākau te ora mai i ngā pūtau o te tinana, mai i te puna pūngao o te roro, te wāhi e rongoa ai te pūngao i tangohia mai i te kai.

Ka kukume mai hoki te hiahia i ngā mahi hou mai i te pūtake o te ao ki roto i te tinana mā te taurakira.

Nō reira, ko te mea ngaro ki te ora kei roto i te tiaki i te kaha o te tangata me te kawē mai i te kaha hou ki roto i te tinana mā te kaha o te ngākau.

Me pēhea te mahi i tēnā?

Tuatahi, me mahi te tangata i runga i te ngākau hihiko me te ngākau aroha. Mēnā he mea whai hua hei mahi, me mahi i runga i te ngākau hihiko me te ngākau aroha.

Ina mahi koe me te ngākau hihiko, ka nui ake tō pūngao nā te mea ehara i te mea kei te kōhi pūngao mai i ngā io o te roro anake, engari kei te kukume mai hoki i te rere nui o te pūngao o te ao ki roto i te tinana.

Ka ki tonu te wahine e taka kai reka ana mā tana hoa aroha i te harikoa me te ora, engari ki te akiakihia ia ki te tunu kai ahakoa kāore i te pai ki a ia, ka ngenge ia i te tīmatanga.

Nō reira, ka kawea mai e te kaha o te ngākau te kaha

kōrero poto:

I tētahi wā, i a au e kōrero ana ki tētahi hoa mō ngā tāngata tapu. He kaihekohoko taku hoa, ā, kāore ia i rite ki taku hihiri. Engari, i mea ia, "Ko te hunga katoa e kiia nei e koe he hunga tapu he hunga tinihanga, kāore e mōhio ki te Atua." Kāore au i tautohetohe ki a ia, engari i whakarerekē i te kaupapa, ā, ka tīmata māua te kōrero mō te umanga kaihekohoko. I muri i tana kōrero mai ki ahau mō te maha o ngā mea, ka mea mārie ahau, "E mōhio ana koe kāore he kaihekohoko pono kotahi, he hunga teka katoa rātou?" Ka riri ia, ā, ka whakahoki riri mai, "Ā, he aha tāu e mōhio ana mō ngā kaihekohoko?" Ka whakahoki ahau, "Koinā tonu taku i kī ai. Ā, he aha tāu e mōhio ana mō ngā tāngata tapu?" Kāore ia i kōrero. Ka haere tonu ahau me te mārie me te

I whakaaro te kaiako a Paramhansa ko Omar Khayyam tētahi o ngā tohunga matakite nui, he nui hoki tōna mōhio ki a ia anō, ā, i whakamahia e ia ngā tohu hei whakaatu i tōna wheako wairua me ōna wheako, ā, i hē te mārama ki a ia, ā, kāore ngā kairangahau i ruku hohonu ki te mārama ki tana rapunga whakaaro wairua i whakatakotoria e ia ki roto i ngā pūrākau.

He whakamārama mō ngā tikanga:

Ko te oko o te pō: te pōuri o te kuware e here ana i te wairua matekore i roto i te hinengaro tangata whaiti, iti

Te Hokinga Mai o te Tama Ngaro

**I tētahi wā, he maha ngā tau ki muri, i kite ahau i

whakarērea e ia tana mahi, engari kāore i taea e au te āwhina i a ia.

Nā te mea i whakaaro ia ki te haere i te ara o te kino

Hei whakamutunga, ka mea ahau ki a au anō:

"Nā te mea e hiahia ana ia ki tēnā, ka waiho e ahau ia"

Engari i hohoro te hoki mai o tōku aroha me tōku āwangawanga ki a ia, nō reira i noho ahau i raro i tētahi piki, ā, ka tīmata te whakaaro ki a ia

Me te hihiri nui, i tukuna tonutia atu e au tēnei karere hinengaro ki a ia:

"Kua tonu mai te Atua kia hurihia e koe tō whakaaro mō tāu e whakaaro nei ki te mahi"

I te ahiahi, ka puta he kare ā-roto kaha i roto i tōku tinana me tōku hinengaro, ā, ka whakapono ahau kei te hoki mai anō ia.

Kātahi ka puta te "tama kua ngaro", ā, i tōna hokinga ki te kāinga, ka piko ia ki a rātou, ka mea:

"I te roanga o te rā, i ngā wāhi katoa i haere atu ai ahau, ā, ahakoa pēhea taku mahi, i kite ahau i tō mata. He aha te tikanga o tēnā?"

I whakahoki ahau: "I karanga mai te Atua i a koe māku. Nāna tēnā karanga, ehara i taku."

Kāore i ahu mai tōku hiahia i te hiahia whaiaro, engari i whakatau ahau kia kaua e wehe atu

Ka noho tuwhera tonu tēnei wāhi tae noa ki tō hokinga mai

Ka taea e tēnei momo hoahoa te whakaputa i ngā huringa nui. He tino kaha whakamiharo!

Ina whakatakoto koe i tō huarahi, ā, ka whakatau koe ki te haere tonu i tō ara, me whakaoho e koe tō hiahia, me whakapau kaha hoki, ā, ka kitea e koe ka tae mai ngā āhuatanga katoa o te angitu ki a koe i te wāhi e mōhio ana koe, i te wāhi kāore koe e mōhio.

te ao. Engari ko tēnei waiaro e huna ana i te korenga
o te hinengaro.**

I raro i te koroka o te wairua teka

**Kua kitea e au he nui te hiahia o ngā kaiako nui ki
te ao engari kāore he here ki taua ao. Ina hoatu he
mea ataahua ki taku kaiako, ka tiakina e ia, ka tiakina
hoki, engari ki te pakaru, ki te pakaru rānei, ka kata
ia, ka mea, "Kua mutu taku hiahia ki taua mea nā te
mea i nui rawa te aro i tangohia." I wehea ia nā te
mea kāore ia i herea.**

He rite tonu ōku whakaaro ki te maioha ki ngā mea e homai ana e te Atua ki ahau, engari kāore au e ngaro i taua mea ahakoa ka ngaro i ahau.

I tētahi wā, i homai e tetahi ki ahau tētahi koti ataahua me tētahi pōtae, ā, he huīnga utu nui, i harikoa ahau ki te tiaki me te tiaki i a ia kei pakaru, kei paru hoki, tae noa ki te wā i hoha ai ahau ki a ia, ā, ka mea ahau: "Aue, e te Atua, kāore au e hiahia ki tēnei raruraru!"

I tētahi rā, i haere ahau ki tētahi whare i Los Angeles ki te tuku kauhau, ā, i taku taenga atu ka tīmata ki te tango i taku koti, ka rongo ahau i te reo atua e mea ana, "Tangohia ngā mea katoa kei roto i ngā pōke o te koti." Nō reira, i pera ahau.

I muri i te kauhau, ka hoki ahau ki te rūma rokiroki koti, ā, ka kitea kua ngaro te koti - kia tiakina koe e te Atua.

I tino pōuri ahau mō tēnā, nō reira ka mea mai tētahi, "Kaua e pōuri, ka hokona e mātou tētahi atu koti māu." Ka mea atu ahau, "Ehara i te mea nā te mea i ngaro te koti i ahau, engari nā te mea kāore te tangata nāna i tango te koti i tango i te pōtae e tino pai ana ki te koti."

Kaua e tukua ō tātou kare ā-roto kia whakahaere i a tātou. Me pēhea te harikoa o te tangata mēnā ko ōna kākahu me ōna taonga anake tana e aro nui ana?

Ehara tēnei i te kī kāore e mau kākahu ma, ātaahua, e horoi, e whakapaipai rānei i te whare, engari kaua e tino piripono, e aro nui rānei ki ēnei mea.

I tētahi wā i karangatia ahau ki tētahi pāti tina, ā, he tino ātaahua, he pai hoki te whakaritenga o ngā mea katoa, i tino pai ahau ki te tina, engari i tino matakū ō mātou kaihautū, i wehi kei kore ngā mea katoa e haere pērā i te whakamahere, ā, nō reira, i

whakakinohia e rātou te āhuarangi e tō rātou manukanuka.

Ko te hunga tino tairongo ka kite i te manukanuka me te kore whakamarie o ētahi atu. He aha te wehi me te āwangawanga? Me whakapau kaha tātou, kātahi ka okioki, ka tuku i ētahi atu kia okioki. Me tuku ngā mea kia haere noa i tō rātou ara maori, me te kore e akiaki, ā, ka kitea hoki e te hunga e karapoti ana i a tātou te rangimārie.

Ngā kotinga Parmenidean

Kei muri i te hiahia o te tangata te hiahia o te Atua me te kaupapa o te rere mutunga kore o te kaha o te ao.

Hei whakaatu i ngā mea pai katoa, i ngā mea whai hua hoki o te ao

Nā konei, ko te tangata e u tonu ana, e piripono ana ki te hiahia o te Atua, ka angitu ia i runga i te awhina a te Atua.

Ko te kaha o te ngākau nui he pūngao me te hiahia e anga ana ki te whakatutuki i tētahi whāinga motuhake

Kāore he mea e taea te mahi me te kore he kaha o te ngākau; ina hoki, ahakoa he kaupapa māmā noa iho, kāore e taea te waihanga i roto i te oranga o ia rā me te kore e whakamahia te kaha o te ngākau.

Ko te nuinga o te iwi e mahi ana i ngā mea kāore e tino hiahiatia ana, ā, kāore e arotahi ana i ā rātou mahi ki te huarahi whai hua.

He rerekē te hiahia i te hiahia, ahakoa ka taea e te hiahia te mahi hei whakakorikori i te hiahia

I te whakawhanake i te kaha o te ngākau, me whai i te whakatau me te whakamahi i te tirohanga, te māramatanga, me te whakaaro nui.

Whai muri i tēnei ka whakangungu me te whakamahi ā-hinengaro i te hiahia ki te whakatutuki i te whāinga e hiahiatia ana.

Me haere tonu te haerenga me te kaha kia tutuki rā anō te whāinga

Ina whakatau te tangata ki te whakatutuki i tētahi whāinga rangatira, kāore e tika kia mutu te ngana

Tērā pea ka tukua ia e ngā āhuatanga kino

Ina rite te hinengaro ki te hiahia me te whakaaro teitei ake, ā, ka arotahi te hiahia ki tētahi whakaaro motuhake, ka kī tonu te kaha o te hiahia i te mahi ao mutunga kore, mutunga kore.

Ko te hiahia o te tangata e whakahaerehia ana e te kuware me ngā hiahia ka puta te mamae me te raruraru ki tōna rangatira

Hei whakamātau i te harikoa pono, me hinga ngā hiahia pai i ngā hiahia kino, ā, me anga te hiahia ki te huarahi tika ki te pūtake o te pono me te pūtake o ngā pai katoa o te ao.

He aha te take me karo ai te tangata i te whakaatu teka? Nā te mea ka whakatipu te teka i te tinihanga me te tinihanga

Ko te tinihanga tētahi o ngā hara nui rawa atu i te aroaro o te Atua. Ko te whakapae teka i tētahi mō te painga whaiaro, mō te hiahia rānei ki te rapu utu, he momo oati teka. Mēnā ka whai te katoa i tēnei mahi, ka horapa te ngangau me te pōrearea i waenganui i te tangata.

Ko te whakarongo ki ngā kōrero teka mō tētahi atu tangata he tautoko i te kaiwhakaatu teka, he whai wāhi atu hoki ki tana whanonga whakama, ā, ko taua whakarongo me te tautoko ka huri hei pakanga kare ā-roto e haehae ana i te rangimārie o te wairua, e whakararuraru ana hoki i te marino o te ao.

Ahakoia he tika mō te wā poto, ka hoki whakamuri te mahi, ka puta he mamae me te mamae hinengaro e whakararuraru ana i te hinengaro me te patu i te hinengaro.

He kino, he kino hoki ngā hua o te hae, nā te mea ka pā mai he mamae whaiaro ki te tangata hae, nā te mea ka hoki mai anō ngā whakaaro me ngā kare ā-roto e tukuna ana e te tangata ki a ia.

Ko te tangata e aroha ana, e atawhai ana, ka whiwhi ia i te aroha me te atawhai, ko te tangata ia e tuku ana i ngā whakaaro apo, i te hiahia whaiaro me te hae, ka pā mai ēnei mea ki a ia anō.

He aha te take e kore ai e tahae te tangata?

Me pēhea rā te ao mēnā ka noho te katoa mā te tahae, te pahua, me te tango taonga? Mēnā koinā, ka mahia ngā hara tino whakarihariha me te tino whakarihariha. Ka nui te pakanga hei tiaki i ngā taonga me te whakahoki mai i ngā taonga i tahaetia.

He mahi whakahē te tahae i ngā tikanga pāpori, ā, e tango ana i ngā tika o ētahi atu, nō reira he takahi i ngā ture o te ao, ā, kāore i te hāpori ngā ratonga tika me ngā tikanga whai hua hei whakatau i ngā kaihara.

Ina mauheretia ngā tahae, ka kaha ake te mau o ā rātou tikanga tawhito, ā, ka riro mai hoki i a rātou ngā tikanga kino hou i a rātou e hono ana ki ētahi atu kaihara. Mēnā ka tupu tēnei, ka kino rawa atu tō rātou āhua i tō rātou tukunga i mua i te urunga ki te whare herehere.

E te Ariki, kia manaakitia mātou, kia kore ai mātou e rongo i te kino, e kite i te kino, e kōrero kino, e manawa kino rānei.

Kāore mātou e pā ki te kino, kāore hoki e rongo i te kino, kāore hoki e whakaaro ki te kino, kāore hoki e moemoeā kino

Ngā kaha e whakamahia ana e tātou i ia rā:

Ā tātou tirohanga ā-pūmanawa

- me ō tātou kare ā-roto

- me tō tātou mātauranga

He mea tango katoa tēnei mai i te Atua, ā, e kore e taea e tātou te ora i tētahi hēkona kotahi me te kore la

Heoi, i a tātou e whakamahi ana i Ana taonga, kāore tātou e whakaaro ki a la e tika ana, kāore hoki e hoatu e tātou ki a la te aro e tika ana māna.

Engari, ka whaia e tātou ngā ahuareka o te tinana me ngā wawata o te ao, kia rite ki te ao rauemi, kia hono katoa ai ki te ao tūroa.

Koinei te pūtake o ō tātou mamae me ō tātou mamae katoa

I hangaia tātou e te Atua i roto i tōna āhua, nō reira, e kore e taea e tātou te mōhio ki te reka o te hari pono ki te kore tātou e kite i tōna aroaro i roto i a tātou, e reka hoki i te wai o tōna hari i roto i ō tātou wairua.

Kāore hoki e taea e tātou te pupuri i te mana manaaki e tika ana hei whiwhi, mā te hiahia, i ngā mea e hiahiatia ana e tātou i ia rā

Ki te kore tātou e mōhio ko te Atua te pūtake o taua kaha, me whakawhirinaki tātou ki a la, me tahuri hoki ki a la

Me te ngākau whakawhetai mō ngā manaakitanga katoa e ringihia tonutia ana e ia ki runga i a tātou

Ki te mea he whakawhetai koutou, ka whakanuia e ahau tō koutou [pai]

Ina puea ake ō tātou ngākau i te whakawhetai ki te Kaiwhakaora Tino Atawhai, ka waiho hei temepara tapu mō Tōna aroaro whakakororia, ā, koinei te whakatutukitanga nui rawa atu ka taea e te tangata te whakatutuki, nā te mea ko te kaupapa o te ora kia

noho tahi te tangata me tōna Kaihanga, kia whakatata atu ki a ia, kia mōhio hoki ki a ia.

{Rapua te rangatiratanga o te Atua, me tana tika; a ka tāpirihia mai enei mea katoa ki a koutou}

Mā te maumahara tonu ki te Atua, me te whakaaro atawhai ki a ia, ka mōhio tātou ko ia tā tātou e aroha nei, ko tātou tāna i whiriwhiri ai, ā, he wāhi tō tātou ki roto i Ana taonga.

Te rangatiratanga o te harikoa, te aroha, te māramatanga, me te pai

Ina whakaaroaro tātou ki ngā manaakitanga nui a te Atua, ko te mea nui rawa atu ko te āheinga ki te whakamahi i te herekoretanga o te whiriwhiri i roto i te whai i te ara tika e arahi ana ki te whakatutuki i ngā kaupapa teitei ake, me te whakatutuki i te harikoa wairua, ka kī tonu ia rā i te harikoa o roto, ā, ka rongo tātou i te ia manaakitanga e rere ana ki roto i ō tātou oranga, nō reira ka whakakiia ō tātou ngākau e te whakawhetai, ā, ka whai tikanga te ao.

Ko te tangata, mā te whakaaroaro hohonu, ka kite i te ture atua e mahi ana i roto i te ara ngaro, e kore e mutu te whakamoemiti, te whakawhetai, me te whakaiti i a ia anō ki te aroaro o te Atua, te tangata e tika ana kia arohaina, kia whakamoemititia, kia whakawhetaitia hoki.

Kia maumahara tātou ki te Atua, te pūtake o ngā mea pai katoa o te ao, ā, kia whakakotahitia ō tātou maumaharatanga ki te aroha pono e puta mai ana i te hohonutanga o ō tātou ngākau.

Ki te Atua, nāna nei te ora e pupū ake nei, te aroha e whiti nei, me ngā manaakitanga e ringihia tonu nei

Kia maumahara aroha tātou ki te hunga katoa i tahu i te rama mō te tangata, i rui i ngā purapura pai ki te oneone o te ao, i hora i ngā whakaaro mārama, i

whakatenatena i ngā mahi pai me ngā whanonga rangatira.

Kia whakatuwheratia ō tātou ngākau ki te aroha, kia tahuri ō tātou hinengaro ki ngā whakaaweawe māramatanga, kia inoi hoki ki te Atua kia āwhina, kia ārahi hoki.

I roto i ā tātou whakaaro me ā tātou mahi

Ka pā te wehi ki te ngākau

He whare putunga nui te hinengaro tangata o te pūngao, o ngā mahi ora rānei

E whakamahia tonutia ana tēnei mahi mō ngā nekehanga uaua, te mahi a te ngākau, ngā pukahukahu, me te diaphragm, te pākia o ngā pūtau, ngā tauhohenga matū o te toto, me te mahi a ngā whekau tairongo nekeneke (ngā io).

Hei tāpiritanga, he nui te kaha ora e pau ana ki te whakaaro, ki te kare ā-roto, me te hiahia.

Ka ngoikore te mahi ora e te wehi, ā, ko tētahi o ngā hoariri nui o te hiahia kaha.

Ka pēhia, ka whakararuraruhia hoki e te wehi ngā mahi o te ora e rere tonu ana ki ngā io, ā, ka āhua rite ki te mea kua pararutiki, ka ngoikore te tinana, ā, ka tino heke te ora (he ārai io te wehi!)

Kāore te wehi e āwhina ki te whakakore i te pūtake o te wehi. Ka ngoikore te hiahia, ka akiaki i te roro ki te tuku tohu ārai ki ngā whekau o te tinana. Ka paitini te ngākau i te wehi, ka whakararu i te nakunaku, ā, ka puta he maha ngā mate tinana.

Ina arotahi tonu te aro ki te Atua, kāore koe e wehi i tetahi mea, ā, ka taea e koe te wikitoria i ngā arai me ngā aukati katoa.

Me te maia me te whakapono. Ko te "hiahia" he hiahia kore kaha, ko te "whakaaro" ia ko te whakatau ki te mahi i tetahi mea: ki te whakatutuki i tetahi hiahia. Engari ko te "hiahia" ka taea te whakapuaki

mā te kī: "Ka mahi tonu ahau kia tutuki ra ano taku e hiahia ai."

Ina whakangungu koe i tō kaha hiahia, ka taea e koe te tuku me te whakahaere i ngā kaha o te mahi nui, kaua e hiahia ki tētahi mea me te kore e mahi i ngā mea e tika ana hei whakatutuki.

Kaua e ngaro te tumanako, engari me mārama tātou kei te homai e te Atua he whai wāhitanga ki a tātou hei whakapai ake i ō tātou āhuatanga, hei whakaara ake i ō tātou whakaaro, hei waihanga i ngā mea hou, whai hua hoki mō tātou anō me ētahi atu i te ao.

Ki te kore tātou e harikoa ki tō tātou āhua noho, me tūhura tātou i ngā huarahi me ngā tikanga hou hei homai i te ngākau māhorahora me te whakamarie hinengaro ki a tātou.

Me whakaaro tātou ki te mahi i tētahi mea hei whakapai ake i ō tātou āhuatanga, hei whai tikanga, hei whai tikanga hoki mō ō tātou oranga, kātahi ka whakatinana i tēnā.

Ko te mea e hiahiatia ana kia tere ko te whakarerekētanga o te hinengaro, te whakarerekētanga rānei i tōna huarahi

Me whakatau tātou kia kaua e tukua ngā raruraru kia pā mai ki a tātou, kia kore ai e taurite, kia kaua hoki e tukua ngā mea manukanuka kia whakararuraru i ō tātou oranga, kia whakakī i ō tātou kare ā-roto, kia whakakino hoki i tō tātou āhuarangi.

Ā, kia kore ai tātou e pāngia e ngā tikanga kino me ngā āhua kino, ā, kia herekore tātou, kia kore e herea, pērā i ngā manu i te rangi.

Kāore he take kia noho pūmau, kia kore e rerekē te tangata. Me tango atu ngā arai o te mānukanuka i te mauri o te wairua kia tiaho ai me tōna parakore me

tōna kaha, kia whakakitea ai te kororia rangatira kua homai e te Atua ki te tangata.

E manaakitia ana ngā mahi pai, ngā wawata tika, me te whakapau kaha ki te angitū

Kei muri i ō tātou oranga te mana o te Wairua Tapu, ā, kei muri i ō tātou hiahia te moana nui o te Hiahia Atua.

He wāhanga nui tātou o taua moana mutunga kore. Ina tae atu tātou ki reira, ka kaukau i roto, ka whānui ake tō tātou hinengaro, ka rongo tātou i tō tātou whānui.

Mā te whakaaro ki taua mea ka tata ake tātou ki taua mea, ā, mā te whakaaroaro ka ārahi tātou ki taua mea

Mā te whakapau kaha tonu ki te whakataurite ki tēnei mea ka homai he mātauranga, he whakatau, he kaha ki a tātou.

Ka kawea mai e te whakarite i ia rā o te hinengaro te aroha atua me ngā manaakitanga o te rangi

E rere mai ana ki a tātou, kāore he aukati, ā, e homai ana ki a tātou he wāhi nui o ngā taonga o te moana.

He hinengaro atua kei roto i te tangata katoa, he hinengaro e tatari ana kia whai wāhi ki te whakapuaki i a ia anō.

Ā, kia puta atu i te rua whaiti, here hoki o te ego Pērā i te oho ake o te tangata i tētahi moemoeā whakamataku, ā, ka mōhio ia he moemoeā noa iho tāna i kite ai, waihoki ka akiaki te hinengaro atua i te tangata kia oho ake i te moemoeā o te moe me te pōhēhē ki tētahi mōhiotanga hou me te māramatanga tika mō te tikanga me te kaupapa o te ora.

Ki te hiahia tātou ki te wheako i te ata o te oho wairua, me te kite i ngā māramatanga o te tino mohio, me whakarongo tātou ki te reo o roto.

Ka aro atu tātou ki tāna akiaki. Me tango atu e tātou i te ara ngā kōhatu o te mānukanuka me ngā kōhatu o te kuware e aukati ana i te ahunga whakamua o te wairua, e whakararuraru ana hoki i tana nekehanga.

Ā, kia patuki tātou ki te ringa o te hiahia ki te tatau o te oho ake i te moe o te koretake, kia taea ai e tātou te manawa i ngā hau o te harikoa, kia kawea mai ai te hiko o te rangi ki ia whakaaro me ia kare ā-roto o tātou.

Ā, ko ia o ā mātou mahi

Ka inoi mātou ki te Atua Kaha Rawa kia whakatuwhera i ngā matapihi o te mōhiotanga i roto i ō mātou hinengaro, kia whakakīia mātou ki te māramatanga o te whakaaro nui, kia karapotia mātou e Tōna aroha, kia karapotia hoki mātou e Tōna aroha mutunga kore.

I roto i te hunga i haere mai ki ahau, tera ētahi i kōrerotia e au i te tīmatanga, he pono, kāore ō rātou whakaaro i te tika, ā, i tono atu ahau kia hurihia aua whakaaro.

Ko ētahi o rātou kāore i pai ki taku i kōrero ai, engari ko ētahi i aro mai, ā, i huri hei pai ake.

Kāore te tinihanga e arahi ki te putanga pai, ā, ahakoa te hunga whakaaro nui rawa atu, e kore e taea te huna i ngā mea e whakakitea ana e ō rātou kanohi.

Kua tuhia te hītori katoa o te tangata ki ōna kanohi

Ki te hiahia koe ki te mōhio ki te āhua tūturu o tētahi, inoi ki te Atua kia whakakitea mai e ia ki a koe tōna āhua tūturu.

Nā te mea kāore koe e hiahia kia mamingatia, ka rongo koe i tōna āhua tūturu i roto i tō ngākau, ā, e kore tō pūmanawa e hē.

Ina kōrero tātou ki tō tātou hoa, me titiro tika tātou ki ōna kanohi, me te kōrero me te māia, te tino mōhio, me te pono.

Ina ruru ringa tātou ki tētahi, me whakaatu e tātou ki a rātou te aukume o tō tātou aroha me te ngākau pono, ā, me ngana ki te āwhina i a rātou i ngā mea katoa e taea ana e tātou.

Me noho pai te tangata e rapu ana i te mātauranga, me mahi hoki ki te whakawhanake i tōna aukume wairua; kātahi ka hoatu e te Atua ki a ia te mana hei āwhina i ētahi atu, hei tuku hoki i ngā wiri manaaki ki a rātou.

Ahakoā haere ahau ki tua atu i ngā aorangi me ngā whetū tawhiti rawa, engari ka noho tonu ahau hei āu. Ahakoā haere mai, ahakoā haere atu ō akonga, ka haere tahi ahau me koe, ā, ka noho tonu ahau hei āu ake ake. Ahakoā ka whiua ahau e ngā ngaru o ngā tini whakapuakanga, ka noho mokemoke, ka noho mokemoke, engari ka noho tonu ahau hei āu.

E te ao e pukumahi ana ki āu kēmu, ka wareware pea koe, engari ka maumahara tonu ahau ki a koe. Tērā pea ka memeha haere tōku reo, ā, tērā pea ka hinga ahau.

Engari i roto i ngā kupu o tōku wairua ka hāhā ahau: "Ka noho tonu ahau hei āu"

Tērā pea ka haehaetia ahau e ngā whakamātautau, e ngā mate, me te mate, ā, ka wera hoki tōku tinana, engari i te mea kei te mau tonu te mārama o te tumanako i roto i tōku mahara

Titiro mai ki roto i ōku kanohi e mate ana, mā roto hoki i aua kanohi ka mea atu ahau ki a koe: "Ka aroha ahau ki a koe ake ake, ā, ka noho pono tonu ahau ki a koe!"

He pono taku kōrero ki a koe, ehara i te mea nā te tangata ahau i whakautu mai ki aku pātai katoa, engari nā te Atua, te pūtake o ngā atawhai katoa.

Ā, ko te pūtake o ngā mātauranga katoa o te ao whānui

Ko ia anake taku pūtake i roto i te ao, ā, ina kōrero ahau, ka tono ahau ki a ia kia whakakīia aku kupu ki tōna mana, ki tōna pono, ki tōna aroha, me tōna māramatanga. Ka rongo ahau i ngā ngaru o te hari e taupokina ana ahau e te mea e ringihia ana tōna aroha nui ki roto i te wairua, pērā i ngā hau mārīe i ngā rā wera, ā, ka ringihia tonutia i te ao, i te pō, i te wiki, i te tau, i te tau, nō reira kāore koe e mōhio kei hea te mutunga.

E whakaaro ana te tangata me aroha me te taonga e hiahiatia ana e rātou, engari kei muri i ia aroha me ia taonga

He aroha atua e kore e rerekē, he taonga wairua e kore e taea te ine e ngā taonga o te ao. Ko te tangata e mōhio ana ko te Atua te pūtake o te aroha, te harikoa, me te atawhai katoa, ka kitea e ia, ā, ka tino harikoa ia ki a ia.

Kei roto te rangimārie, te harikoa, me te whakahauora

Ina rongo te wairua i taua hononga wairua

E rere ana ngā awa o te harikoa ki a ia

E puta mai ana i te aroaro o te atua

Ko te Atua te pono tino nui i roto i a tātou

Ka kaha ake tā tātou aro atu ki ngā āhuatanga me ngā

Kāore he oranga nui

Engari ko ia anake i tēnei ao

mutunga kore
Ā, manaakitia rātou kia mōhio ai rātou – mā te

tātou taua mana; me hura noa e tātou**

Ka kitea e koe kei te mahi tēnei mana i ngā mea katoa hei whakapai ake i ō āhuatanga, hei whakangāwari ake hoki i ngā mea māu. Ina hono koe ki tēnei mana, ka pupuhi tō oranga me te kaha o te ao, ā, ka tino mārāma ake, ka arotahi ake, ka koi ake, ka hohonu ake ō whakaaro. Ka mōhio koe ko ō wairua he oko mō te pono ora o te Atua me Tōna whakaaro nui mutunga kore.

Ko te Atua te pūtake o te hauora, te rawaka, te whakaaro nui, me te hari mutunga kore. Ina hono atu tātou ki a Ia, ka tino tutuki, ka whai hua hoki ō tātou oranga.

Kāore e oti te ora me te kore Atua Me whakaaro tātou ki taua mana nui e homai nei ki a tātou te ora, te kaha, me te whakaaro nui.

Me inoi tātou kia rere mai tēnei pono ki roto i ō tātou hinengaro, tēnei kaha ki roto i ō tātou tinana, me tēnei hari mutunga kore ki roto i ō tātou wairua.

Kei muri i te pōuri o ngā kanohi kua kati ko ngā mana whakamiharo o te ao whānui, me ngā wairua pai katoa me ngā wairua rangatira

E te Ariki, whakamāramatia mai taku

Whakakīia taku oko hinengaro
Me te māramatanga me te mātauranga
Kia tiaho te māramatanga o tō aroha
I ngā ara o tōku ao
I roto i ngā moutere kikorangi
Mai i taku taupee, ka titiro atu ahau ki te
hauauru, ka rere i runga i ngā parirau o te whakaaro
ki ngā takutai o te pae tawhiti. I tōku matau me tōku**

maui, ka kite ahau i ngā pae maunga e rua kua huri hei tae papura ngaro.

I taku titiro anō, kua taupokina rātou e te ringa ngaro i roto i te arai kikorangi hohonu. I muri i ahau ko te tāone o Guadalajara, kua kaukau i te ahiahi. Kua kapi te rangi rawhiti i te māwhero ngawari. I taku titiro whakamua, ka kite ōku kanohi i tētahi tāone makutu o ngā moutere kikorangi e rere ana i roto i te roto koura.

I tēnei motu o ngā moutere kikorangi makutu, ka ara ake tētahi puke nui o te kōhatu kōhatu kikorangi, e karapotia ana e ngā kapua puia hina-mā e pupuhi ana i ngā geyser o te rangitoto whero-koura mura, e heke whakarara ana pērā i te āniwaniwa ki te roto marino. I taupokina ngā moutere kikorangi e ngā mura koura kaha i roto i ngā āputa marama e mura ana.

I whakaatahia te tihi kikorangi me tōna karauna mura, pērā i ngā māhanga i runga i te mata o taua roto koura marino. Ā, ki te taha matau rawa, i kanapa tētahi roto iti, marino, e takoto ana i te uma o tētahi o ngā moutere kikorangi, pērā i te marama katoa e kaukau ana i waenganui i ngā ngaru kapua.

I roa ahau e kopikopiko ana i te tāone o te tōnga o te rā me ngā kapua rite ki te mata o te rangi, e mānu ana i runga i te mata o te roto me tōna māramatanga koura ngawari, ā, he ataahua te ataahua o aua wai koura kua kapi i ngā tautau huka whero kua marara ki ngā taha katoa ki te taha o te mutunga kore.

I whakaaro ahau he wairua pai ngā mea ora o te māramatanga i runga i tēnei ao, ā, i muri i te angitu o ngā whakamātautau katoa o te ao, ka tukuna rātou kia ngahau, kia whakatinana hoki i ā rātou moemoeā kia rite ki tā rātou i hiahia ai.

I ia rā i te torengitanga o te rā, ka whakanuia e aua mea ā rātou moemoeā rangi i roto i ngā tāone tino ataahua e karapotia ana e ngā moana me ngā roto koura.

Kei reira, kei muri i te awhi o ngā pouri, kei tua atu i ngā mahanga o tēnei ao whenua me ōna aituā me ōna mamae katoa

I reira, i tua atu i ngā whakarihariha, ka hongī aua mea i ngā rama whero, ka inu i ngā hihi karaka, ka neke atu, ka whakatata mai, ka kopikopiko, ka kaukau i waenganui i ngā rama maha-tae.

I konei, ka tutuki tonu i aua mea ā rātou moemoeā, ka whakatinana i ā rātou wawata e ai ki tā rātou i hiahia ai, kātahi ka memeha atu, ka ngaro atu i tā rātou e pai ai.

I konei ia i pārekareka ai ki ngā taonga o te ngākau māhaki me te ngākau māhaki, ā, i whakamanahia hoki e ia ngā moemoeā a te hunga katoa i toro atu ki a ia i roto i tōna ao whakamiharo, makutu.

I konei, kāore ia i whakahaua kia tatari, kia hiahia pērā i te tangata kia tutuki ai āna moemoeā, kia tutuki ai hoki āna wawata, engari i moemoeā ia i runga i tana i hiahia ai, ā, i tutuki i a ia aua moemoeā me ngā wawata katoa nā tōna ake hiahia.

Ko taua tāone tōnga rā i roto i ngā Moutere o ngā Moemoeā tētahi o aku moemoeā i noho pūmau i roto i ngā kapiti o te hinengaro huna, ā, i tēnei rā kua tutuki i ngā huarahi katoa!

He pono, kua kite ahau i ngā taonga huna me ngā taonga o tōku wairua, ā, kua taupokina ahau e tō rātou māramatanga, ā, kua kanapa ahau i tō rātou kanapa!

**Paramehansiat: Ngā Āhuatanga o te Harikoa Atua
Ko te ngākau mahaki, e te Ariki, te ara tino pono**

**Kia whiwhi ai i te ua o tō atawhai atua
Ka whakawhirinaki ahau ki tōu tika atua, ki ngā
mātāpono o te pono**

**E mōhio ana koe kei te whakautu koe ki te
karanga o te aroha me ngā hiahia o te ngākau
I roto i te mahi tahi tata me tō hiahia whānui
Me tōku whakapono tino pono ki a koe
Ka whiwhi ahau i tāu āwhina, ā, ka tata ahau ki a
koe**

**I tēnei rā ka mahi ahau i taku kawenga ki a koe
Pērā i taku whakatutuki i aku kawenga ki te ao
E te Aroha Nui rawa atu
Ko koe te haruru etereti e haruru ana i ngā wāhi
tapu o ngā ngākau**

**Ā, ko koe te reo o ngā kare ā-roto e kore e taea e
ngā taringa te kōhi**

**He nui rawa atu te manaakitanga i tō aroha
Mai i ngā whakaaro katoa o te ao
Me ngā kororia katoa o te ao
Me tōku whakapono tino pono ki a koe**

**Ka kite ahau i ngā atarangi o te mate e memeha
haere ana, e ngaro atu ana, kāore he hokinga mai**

**Ka kite ahau i a koe, e te Ariki, i ngā matapihi o te
taiao me ngā tatau o te rangimārie**

Ringihia mai ō manaakitanga ki a mātou

**Ā, rumakina mātou ki roto i ngā ngaru o tōu kaha
o te ao tūroa**

**Kia matara atu i a tātou te hiahia whaiaro
E ārai ana i ngā wairua kia tata mai**

**Ā, ko tā rāua hui i ahu mai i te aroha ki te pai me
te māramatanga**

**Tukua ahau kia whakamakuku i ngā putiputi o aku

**Me ngā wai o te whakaaro ki a Koe, me te
whakaaroaro ki a Koe, e tōku Atua**

**Kia pihi ake ai ngā putiputi hou, kanapa hoki
Mai i te whakaaweawe, te rangimārie, me te
harikoa**

**Ko te huarahi anake hei karo i te mahi hē ko te

te mahi hē, kia whakatau ai koe kia kaua e mahi i
taua mahi hē.**

**Kāore te he e puta mai i te whawhai ki tētahi atu,
he tika. Ko te kuware te hoariri tūturu o te tangata, ā,
me pei atu i tēnei ao. Kei a tātou ngā mea katoa e
hiahiatia ana e tātou i tēnei ao hei arahi i tētahi wā o
te whai rawa, te harikoa, me te tika tino tika.**

**Ko te arai anake ko te hiahia o te tangata, e kore
ai e taea tēnei. Ko te mamae kino, koretake hoki, nā
te hiahia o te tangata me te whai i ōna ake painga,
me te kore whakaaro ki ētahi atu.**

**Ko te moni i taea te whakamahi hei whāngai me
te whakakakahu i te hunga rawakore, engari e

mai i te kuware, te pūtake o ngā raruraru o te ao.**

**E whakaaro ana te katoa kei te tika tā rātou mahi,
engari ki te whai noa rātou i ā rātou ake whāinga

harikoa me te harikoa o ētahi atu.**

**Ko te nui haere o taku kitenga i ngā aituā o te ao i

**Kei roto i te harikoa te whakahari i ētahi atu, ā, ki
te pērā te mahi a te katoa, ka harikoa te katoa**

**Ā, ka whiwhi te katoa i tā rātou wāhi o te hua o te
whenua**

I te mea i haere mai tātou ki tēnei ao kāore tātou i te mōhio nō hea mai, he mea maori kia whakaaroaro tātou mō te pūtake me te kaupapa o te ora.

Ka rongo, ka pānui hoki tātou mō te kaihanganga o tēnei ao, engari kāore tātou e mōhio me pēhea te whakapā atu ki a ia. Ko tā tātou e mōhio ana ko te ao whānui e whakapuaki ana i te noho o tōna hinengaro atua.

Pērā i ngā wāhanga me ngā taputapu iti, tino tika o tētahi wati iti e miharo ai tātou ki te kaihanganga wati, ā, pērā anō i ngā mīhini nunui, uaua hoki o tētahi wheketere e miharo ana, e miharo ana hoki tātou ki tā rātou kaihanganga, waihoki ina kite tātou i ngā mea whakamiharo o te taiao, ka miharo tātou ki te mohiotanga e huna ana i muri i a rātou, ā, ka pātai tātou: "Nā wai i homai he āhua kanapa ki te putiputi e anga atu ana ki te rā? Nō hea tōna kakara me tōna ataahua? Ā, me pēhea te hanga o ōna rau me te tino tino tika, me te tae ki ngā tae whakamiharo, harikoa?"

I te pō, ka titaritari ngā whetū me te marama i ō rātou marama hiriwa ki a tātou, ka whakaoho i a tātou ki te whakaaroaro ki te hinengaro e ārahi ana i ēnei tinana rangi i te whānuitanga o te wāhi. Kāore e ranea te marama ngawari o te marama mō ngā mahi o ia rā, nō reira he whakaaro nui, he ngākau ngawari ki te okioki i te pō. Kātahi ka whiti te rā, ko tōna māramatanga kanapa ka taea e tātou te kite i te ao e karapotiti nei i a tātou me te marama me te marino, ā, ka riro i a tātou te kawenga ki te whakatutuki i ō tātou hiahia.

E rua ngā huarahi hei whakatutuki i ō tātou hiahia: te ara tinana me te ara wairua. Hei tauira, ina heke te hauora, ka taea e tātou te haere ki te tākuta mō te maimoatanga. Engari ka tae mai te wā kāore e

taea e te tākuta, e tetahi atu rānei te āwhina, ā, ka tahuri tātou ki te ara tuarua; ki te mana wairua i hanga ai tō tātou tinana, hinengaro, me te wairua.

He iti te mana o te ao, ā, ina hinga tātou, ka tahuri tātou ki te mana mutunga kore o te Atua. E pā ana hoki tēnei ki ō tātou matea pūtea. Ina whakapau kaha tātou, ā, kāore tonu i te rawaka te whiwhinga, ka tahuri tātou ki taua mana.

Ki te whakaaro o te katoa ko ō rātou raruraru te mea kino rawa atu. Ko ētahi tāngata he nui ake te pēhanga i ētahi atu nā te mea he ngoikore tō rātou manawanui. Nā te rerekētanga o te kaha hinengaro o te tangata, he rerekē te nui o te kaha e pau ana i a rātou. Mena ka pāngia tetahi e te uaua nui, ā, he ngoikore tōna hinengaro, e kore e taea e rātou te wikitoria. Ka taea e te hunga hinengaro kaha te wikitoria i ō rātou uauatanga mā te wawahi i ngā arai me te whakangaeue i ō rātou turanga. Heoi, ahakoa te hunga kaha rawa atu, ka pāngia e te hinganga. Ina pāngia tātou e ngā raruraru me ngā uauatanga tinana, hinengaro, me te wairua, ka kite tātou i te iti o te kaha ora i roto i tēnei ao tūroa.

Kaua e whakatapua ā tātou mahi ki te whakatutuki i te hauora pai me te haumarutanga ā-tinana anake, engari me rapu hoki i te tikanga o te ora.

He aha te kaupapa o te ao? Ina pāngia tātou e ngā uauatanga, ka tahuri tuatahi tātou ki te taiao, ka ngana ki te whakarerekē i ngā āhuatanga katoa e whakapono ana tātou ka puta he orange. Engari ina tae tātou ki te mutunga kore, ka mea, "Kua rahua aku ngana katoa, he aha atu tāku e taea ai?" ka tīmata tātou ki te whakaaro nui ki te kimi i tētahi otinga whai hua mō tō tātou raruraru. Ā, ina hohonu rawa ō tātou

**whakaaro, ka kitea e tātou te whakautu i roto i a
tātou anō. He momo inoi tēnei kua whakautua.**

**I te marino o tōku wairua

Ka tino kitea e ia tōna ara ki a koe
I ngā wā onamata
I roto i te ngākau o te etere
I te wā i whānau mai ai tātou hei wairua
I moe katoa mātou
I raro i te paraikete o te aroha atua
Ā, i te whakaarahanga a te Atua i a tātou
I peia atu mātou i a ia
Pērā i te kōrero mō te tama maumau
Kua wareware tātou ki te hononga atua o te

Kua noho tātou ki tēnei ao
Ngā kaihaerere e whakawhiti ana i ngā kokonga o

Ka hiko tātou i ngā ara o te aituā
Kua tawhiti rawa tā mātou haere
Kua neke atu mātou i tawhiti atu i tō mātou
kāinga taketake
Heoi anō i ētahi wā
Ko ētahi wāhi, wheako, me ngā kanohi ka
whakaara ake i a tātou
Ngā maharatanga huna me ngā kare ā-roto
hohonu
Ka kōrero pōhiri mai ia ki a tātou
E rite ana mātou ki te mea kei te wheako hou
mātou i ngā mea katoa
Ngā mea i mōhiotia e tātou
Ka tūtaki tātou, ka hono atu ki te hunga e

Ā, ka whakakorea tō tātou pōuri
Ā, kia tau te rangimārie ki a tātou
me te tumanako
Me te hiahia ki te mahi i ngā mahi pai
I waenganui i te Piriniha me te Heremita Mārama
I tētahi wā, i haere tētahi rangatira nanakia ki te
hopu manu me āna pononga, he mea whakarite katoa,
he mea patu katoa. I haere rātou ki roto i te ngahere,
me te whakatangi i ngā pū me te patu i ngā pahu.**

**I muri i te whaiwhai manu, tia, me ngā taika
nanakia, ka mōhio te rangatira me tana tira kua ngaro
tō rātou ara.**

**He nui ā rātou kai engari kāore he wai. Ahakoa tā
rātou rapunga wai i roto i te ngahere, kāore i kitea.**

Kāore he piringa mō rātou i ngā whakaekenga a ngā kararehe nanakia o te pō, i te tere haere mai o te pō.

Ka ngaro te rā i te tirohanga, ā, ka tae te rangatira, te kaiārahi i te tira, ki tētahi whare tawhito, pakarukaru. I muri i tana hekenga iho i te hoiho, ka panaia e ia te tatau kua kore e kati, ā, ka tomo ki te whare. He pōuri katoa i roto engari he māramatanga iti i tētahi o ōna kokonga, ā, ka whakaaro ia me te pouri, "Kua whakarerea te whare."

Engari nā te tumanako i akiaki ia, ka karanga ia, "He rangimārie, kei konei tetahi?"

I tino ohorere ia, i te rongonga i tētahi reo marino e whakautu māriri ana ki a ia, e mea ana: "Āe, kei konei ahau. Kei te rapu wai koe?"

I titiro matatau te rangatira ki roto i te pōuri mō tētahi wā poto tae noa ki te kitenga atu i te wairua o te tangata, ā, i miharo ia i te mōhio o te tangata ki ōna whakaaro i mua i tōna tūtakitanga, i tōna mōhiotanga rānei ki a ia.

Ka pātai te rangatira ki tōna kaihautu, "Ko wai koe?" Ka whakahoki te kaihautu, "He tangata rawakore, he tangata tapu ki te Atua."

Ka tahuna e te moke te rama, ā, ka karanga te rangatira i tana tira, ā, nui atu tō rātou hari i te kitenga i te wai me te hua i taua ngahere tawhiti.

Ka pātai te rangatira ki te hermit, "Kāore koe i te wehi i ngā taika me ngā nakahi?"

Ka whakahoki te sheikh mokemoke: "Kāore rawa, ko ngā taika aku ngeru mōkai, ā, he rangimārie ki ahau ngā nakahi. He hoa tāua e okioki tonu ana i te rā o te aroha o te Atua e whiti ana ki ngā mea katoa o tēnei ao."

I te titiro matatau atu a te piriniha ki te moke, ka mau ia i te wehi i tana kitenga i ētahi neke e rua e iri ana i te kaki o te moke. I tana whakatata atu ki te

whakaū i tana i kite ai, ka whiowhio, ka ngokingoki ngā nakahi, ka whakakorikori i ō rātou mahunga, i te mea ka rongo rātou i te wiri o te wehi me te rapu utu e whanga ana i roto i te ngākau o te piriniha.

I tua atu, i taua wā tonu ka tomo tetahi o ngā taika o te ngahere ki te whare, ka takoto puku ki ngā waewae o te hermit. I muri i te whakamarie a te tangata a te Atua i a ia me te papaki i tōna māhunga, ka haere puku te taika, e anga atu ana ki te ngākau o te ngahere.

I whakaaro te rangatira whakakake i roto i a ia anō, "Me tika, he ngākau atawhai tēnei koroheke, nā te mea i tiaki ia i a tātou i ngā kararehe mohao me te matewai whakamate. Hei utu mō tāna mahi, māku ia e whai rawa." Kātahi ia ka kōrero ki te hermit, ka mea:

"E te Sheikh, e tiaho ana tō mata i te atawhai me te pono, ā, e mihi ana ahau ki ngā mea katoa i mahia e koe māku me tōku tira. Nō reira, e hiahia ana ahau ki te tuku atu ki a koe tētahi mea ngaro e whai rawa ai koe. Ko tēnei mea ngaro ka whakakitea e ahau mō te wā tuatahi, ā, ki a koe anake."

I muri tata iho i tana whakapuakitanga i ēnei kupu, ka tangohia e te rangatira tētahi kōhatu i raro i tōna kākahu, ā, ka haere tonu tana kōrero, me te mea:

"E hiahia ana ahau ki te tuku atu i tēnei taonga whānau ki a koe, arā, ko te Kōhatu a te Tohunga Whakaaro, ā, tera pea ka whai rawa koe mā te whakamahi. Ka hangaia e tēnei kōhatu te koura, ā, i hoatu ki tōku matua e tētahi o ngā tohunga matū nui. Kei a ia te kaha ki te huri i ngā mea katoa e pā ana ki a ia hei koura parakore. Ka taea e koe te whakamahi i tēnei kōhatu mō te tau katoa, ka huri i ngā kōhatu hei koura, kātahi ka hoko atu hei hoko i tētahi whare

kingi koura māu. Ka hoki mai ahau ki a koe i muri i te tau ki te toro atu ki a koe ki te tiki mai i taku kōhatu, e whakaaro ana ahau he nui ake te utu i tōku ora."

Kāore te moke i pai ki te whakaae ki taua kawenga, engari i runga i te akiaki tonu a te rangatira, ka whakaae ia ki te pupuri i te kōhatu a te tohunga whakaaro. I kite te rangatira i te moke e whakatakoto ana i te kōhatu i raro i tōna whitiki (te wāhi i whakatakotoria ai e te tangata ā rātou moni i te wehi kei tahaetia!), kātahi ka haere te rangatira.

I te tau i muri mai, ka hoki mai te rangatira me tana tira, me te tumanako ka kite i tētahi whare rangatira whakahīhi hei utu mō te whare tawhito. Engari i pouri ia i tana kitenga kei te tū tonu te whare, ā, kei te kino rawa atu i tōna āhua o mua. Nō reira, ka heke iho ia i tana hōiho, ka pana i te tatau, me te karanga nui: "Kei te ora tonu koe, e te moke?"

Ka whakahoki te moke me te reo kaha, hohonu: "Āe, whakamoemititia te Atua, e te Piriniha, Nau mai ki tōku kāinga iti."

I reira tonu, kāore he kupu whakataki, ka karanga te rangatira: "He aha te he o koe, e hoa? I aha koe ki te kōhatu a te tohunga whakaaro i waiho e ahau ki a koe? He aha koe te whakamahi ai hei whai rawa?"

I whakaaro te moke mō tētahi wā poto, kātahi ka whakahoki: "He aha tēnei kōhatu whakaaro e kōrero nei koe, ā, he aha te tikanga o tāu kīnga me whai rawa ahau? Ko te pono, kāore au e hiahia kia whai rawa atu i ahau ake nei."

Ka pā te matakū ki te pirinihi, i te whakaaro kua ngaro te kōhatu a te koroua i tōna kore aro ki taua kōhatu, ā, ka mea ia me te reo inoi: "Ko te kōhatu rapunga whakaaro utu nui i whakatakotoria e koe i te tau kua hipa? [Eddie, me tō whitiki], kōrero mai ki ahau i aha koe ki taua kōhatu?"

Ka whakahoki te moke: "Ae, kei te maumahara ahau ki tō kōhatu utu nui. I tētahi rā, i ahau e whakaaroaro hohonu ana ki te Atua i taku haerenga ki te kaukau i te awa, ā, ki taku whakaaro i paheke te kōhatu i ōku kākahu, ā, i horomia e te wai. Kia ora koe."

Ka karanga te rangatira me te reo nui, "Āe, tōku mate kore utu! Kua ngaro katoa i ahau!" ā, tata hemo i te miharo. Ka tauhiuhia e te moke te wai matao ki tōna mata, ā, ka whakaorangia ia, i te mea ka whakatata atu ngā tāngata a te rangatira ki te sheikh, e mura ana ō rātou kanohi i te mauahara, e ngana ana ki te whara i a ia. Engari ka kata te moke, ka mea, "E te Ariki, he rangatira tōku tūranga, kāore au i mōhio ka ara ake koe i tēnei ngangau mō te kōhatu. Haere mai tāua ki te awa, ā, ka rapua e au tō kōhatu, ka ngana ki te kimi."

Ka whakahoki te rangatira, "Kua porangi koe? Kei te hiahia koe ki te rapu i tētahi kōhatu i taka mai i a koe, ā, i kahakina atu e te ia i te tau kua pahure?"

Engari kāore te moke i aro ki āna kupu, ā, ka karanga atu ki a ia, ka mea: "E te Piriniha iti, kāore he take mō tēnei ngangau katoa. Taria kia rapua rā anō e tātou te kōhatu i te awa. Haere mai, koutou katoa."

Me te mea kei raro i te makutu, ka whakautu te piriniha me tana tira ki te aukume mārāma o te moke, ā, ka aru puku atu i a ia ki te awa. I reira, ka tono te moke ki te piriniha kia tangohia tana tauera i tana pōke, kia puritia ki ōna kokonga e whā, ka toua ki roto i te awa, me te inoi penei:

"E te Piriniha o ngā Piriniha, e te Kīngi o ngā Kīngi, e te Kaihanga o ngā Kōhatu a ngā Tohunga Whakaaro katoa, whakahokia mai taku kōhatu ki ahau"

Kātahi anō ka tangohia ake e te rangatira tana tauera i te wai, ka miharo ia i te kitenga atu i te rua tekau ngā kōhatu tohunga, he rite tonu te āhua ki te mea taketake i ngaro i a ia. I te whakamātautau i ia kōhatu, ka kitea e ia ka taea e ia kōhatu te huri i ngā kōhatu takutai noa hei koura. Kātahi ka herea e te rangatira ngā kōhatu ki roto i te tauera, ā, ka maka te paihere ki te awa.

Ka karanga te moke me tana tira ki a ia, "He aha koe i pena ai?" Engari ka titiro te rangatira ki te tangata a te Atua, ka piko ki tona aroaro me te whakaute, ka mea:

"E hiahia ana ahau, e te rangatira, kia whiwhi i tāu mea, i te tangata e whakaaro ana ki ngā kōhatu e hanga ana i te koura he kirikiri koretake."

Nō reira, ka whakarērea e te rangatira tōna rangatiratanga o te ao kia ako ai ia i te koroua whakaaro nui me pēhea te whiwhi i te rangatiratanga o te wairua, kāore nei e puritia e te wāhi, kāore hoki e taea te whakangaro.

Ko te akoranga o te kōrero, ahakoa te āhua o te taonga o te ao, he mea memeha noa iho, ā, me waiho ki muri i tēnei ao iti ina huri te tinana hei tūpāpaku makariri, mate.

Engari ko te whakamahi i te kōhatu a te tohunga whakaaro, e tohu ana i te kaha ki te kohikohi taonga memeha noa iho, me rite tātou ki te tangata whakahihi kua whakatapua tōna wā me tōna kaha ki te whiwhi taonga atua e kore e memeha, e kore e pirau.

Ko te tangata e mōhio ana ki te Atua, ka whiwhi ia i ngā taonga nui atu i ngā moemoeā, ā, ki te tika, ka whakarērea e ia ngā taonga ā-tinana me te mea he kōhatu, me te tumanako ka whiwhi i te taonga wairua, ka koa hoki ki ngā taonga pono.

Ko te marino te tikanga o ngā whakaaro whakamarie

Te whakamarie i te tinana me te whakahaere i ōna hiahia

Ko te tangata e taea ana tēnā, ka rongo ia i te rangimārīe whakahauora.

Ka rongo ia i ngā ngaru whakahirahira me ngā kare ā-roto mai i ngā ao kua whakapaipaihia

Ā, ko te tangata e ruku hohonu ana ki te ata noho, kātahi

Ka kitea e ia te rangatiratanga o te Atua i roto i a ia anō

pumautanga nā te mea he herenga kei raro i ngā tikanga.

Heoi, ko te aroha atua, he mutunga kore, he pumau, he pumau. Ki te pā ki tō ngākau, ka kitea tonutia e koe.

Ahakoā ngā āhuatanga katoa, ka rongo koe i tēnei hei puna tiaki me te puna whakamarie, ahakoā i waenganui i te uaua me te pōuri.

I waenganui i te mamae me ngā whakamātautau uaua

Ahakoā te whakarērea o koe e te katoa, e kore taua aroha tapu e whakarērea koe, e kore e tuku i a koe ki raro, e kore hoki e waiho i a koe kia noho hei taonga mā ngā manukanuka me ngā mānukanuka, nā te mea he mana tiaki, he mārama ārahi hoki i te rangi i waenganui i ngā piko me ngā takahurihuri o te ao.

Ina whakakīia te aroha tangata ki te aroha atua, ka parakore, ka mārama. Engari ki te wehea te awa, arā, te aroha tangata, mai i te puna, arā, te aroha atua, ka mutu te rere, ka ngaro ki roto i ngā onepū o te ao.

I te mea e hono ana te aroha tangata ki te aroha atua, ka whakangawari i te ngākau, ka whakahauora i te hinengaro, ka whakamakuku i ngā mārā o te wairua ki te wai o te ora.

Aroha: He whakaohoho i te hiahia

Ko ngā mea katoa e mahia ana e au, ka mahia e au me te aroha katoa i roto i tōku ngākau

Ki te whakamātau koe, ka kite koe kāore koe e ngenge ana

Nā te mea ko te aroha te mea whakaoho nui rawa atu o te hiahia, ā, he mana nui whakaharahara tō te hiahia i raro i te awe o te aroha ki te mahi i ngā mea e kore e taea e ētahi te whakaaro.

I tutuki te taonga wairua
Ā, ka whai rawa, ka whai hua katoa
I raro i tāu whakahau, i raro hoki i tāu mahi
Ko tōku ora te kaiwhakaatu mō tēnā
Ko wai ngā tāngata tino harikoa?
Me ako te tangata i te atawhai
Te kimi i te harikoa mā te whakahari i ētahi atu
He whāinga pono, he whāinga rangatira hoki tēnei
mā te hunga e aroha ana ki te Atua
He mea nui te whakahari i ētahi atu ki tō tātou
ake hari
He whakamātautau e kī ana i te ngākau māhaki
Ko ētahi e whakaaro ana ki ō rātou whānau
anake, kāore e aro ki ētahi atu
Ko ētahi e whakaaro ana ki a rātou anō anake,
kāore ki tētahi atu
Engari ko ēnei te hunga kāore e reka i te harikoa
Kāore i te tika te rapu i te harikoa whaiaro
Ā, kua e wareware ki te harikoa o ētahi atu
Te tangata e tango ana i te moni a ētahi atu māna
ake, me te kore he mamae o te hinengaro
Ahakoa ka whai rawa ia, e kore rawa ia e harikoa
ki tōna ao
Nā te mea ka karapotia ia e ō rātou whakaaro o te
riri me te kore harikoa, ā, ka tangohia atu i a ia te
rangimarie o te hinengaro.

**Ina ngana te tangata ki te whakahari i a ia anō i

Ina whakaaro tātou ki ō tātou ake hiahia
Me whai whakaaro hoki tātou ki ngā hiahia o ētahi
atu**

**Ina aro tātou ki ā rātou mahi, ka hiahia tātou ki te

Me tōna whānau me te ao huri noa i a ia
Ahakoa ko te tangata hiahia tonu ka raru tonu
Ka ngaro tōna rangimārie o te hinengaro
Ko te kōrero mō te tamaiti whanoke i huri i tōna
wairua**

**I a au e tirotiro ana i taku kura i Ranchi, Īnia, ka
kawea mai ki ahau tētahi tamaiti he pakeke ake i te
tau toharite o ngā ākonga. I kōrero ahau ki ōna mātua
nāna ia i kawea mai e whakaae ana ahau ki ngā tama
kei raro iho i te tekau mā rua tau te pakeke, engari ka
whakaaetia ia e ahau mēnā he pai ia.**

**I kōrero ahau ki te tamaiti me te ngākau pono, me
te mea atu ki a ia:**

**"E momi hikareti ana koe, engari kāore ō mātua e
hiahia kia momi hikareti koe. Kua angitu koe ki te
wawahi i te whakaaetanga a ō mātua, engari kāore
anō kia angitu koe ki te whakakore i tō pouri, ā, ka
nui haere tō pouri mēnā ka mau tonu koe ki tēnei
whanonga kino."**

**I pā aku kupu ki tōna pānga, ā ka tīmata ia te
tangi, me te mea, "Kei te patu tonu rātou i ahau"**

Nā reira ka mea atu ahau ki a ia: "Whakaarohia tāu i mea ai ki a koe anō! Ahakoa rā, ka whakaae ahau ki a koe hei ākonga i runga i tētahi tikanga: kia noho ahau hei hoa mōu, kua hei kaiwhakapae i a koe. Mēnā he pono tō whakatika i ō hapa, ka āwhina ahau i a koe, engari ki te teka koe ki ahau, kāore au e mahi i tetahi mea māu nā te mea ka whakangaro te teka i te whakahoahoa. Ka taea e koe te huna i te pono, engari kia tūpato ki te teka."

I whakaae ahau ki a ia hei ākonga, ā, i mea atu ahau ki a ia, "I ngā wā katoa ka hiahia koe ki te momi hikareti, ka kawea mai e ahau he hikareti māu"

I haere mai ia ki ahau i tētahi wā, ka mea mai: He kaha te hiahia ki te momi hikareti (he hiahia nui ki te mate)

I hoatu e ahau te moni ki a ia, ā, kāore ia i whakapono ki ōna kanohi. Ka mea ia, "Puritia te moni," ā, i tino rerekē tōna whakaaro.

I ata akiaki ahau i a ia kia haere ki te hoko tupeka, engari kāore ia i haere. Engari, ka mea ia:

"Kāore pea koe e whakapono mai ki ahau, engari kua kore rawa tōku hiahia ki te momi hikareti"

Nā te mea i pērā ai, me te whai mātauranga me te whakapai ake, ka noho ia hei tangata pai, ā, ka tino mārāma tōna wairua.

Hei whakamutunga, ka taea e au te whakaara i tōna hinengaro wairua

Ka kitea, ka rangona hoki ngā tohu o te mōhiotanga wairua mā te whakapau kaha ki te whakahē i te ia o ngā tikanga tawhito, he, ki te whakatutuki i te harikoa pono, pumau.

Tērā pea ka pānui, ka rongo rānei koe i tētahi e whai ana i tētahi mea, ā, ka ngana tonu tae noa ki te mutunga, engari he tokoiti noa iho te hunga e whakapau kaha tonu ana.

**Heoi, ka taea e te tangata te whakapau kaha kia
pai ake rā anō tōna āhua, ahakoa he hohonu ana hapa
pērā i te moana.**

**I whiti ko au anake i te takutai moana
Ā, ka kite ahau i ngā ngaru e pakaru ana e

marumaru e poipoi ana i ōku ringa atawhai ki ahau
He whakamarie me te āhua atawhai, rangatira
I rūrū ōna rau i te manawataki o te hau
I tae mai tētahi karere ngawari ki ahau, i mōhio
ahau nōu taua karere**

**I tahuri taku titiro ki te rangi mutunga kore
I roto i tōna ngākau pōuriuri, i ngana ahau, pērā i
te tamaiti, ki te titiro tahae atu ki a koe**

**I rapu noa ahau i tō tinana i huna i muri i ngā
puranga kapua, engari kāore i kitea**

**Me te rehu o te pahuka me ngā rau matomato, he
ngawari rawa hoki mō ōku kanohi ki te kite**

**He tino parakore tō reo, e kore e taea e ōku
taringa te whakarongo**

**Heoi, i mōhio ahau kei te tata rawa koe
Engari ko koe, e te wairua aroha, i paheke atu -
me te mea he kēmu huna-me-rapu -**

**I ia wā ka tata atu ahau ki a koe, e ngana ana ki
te hopu i a koe**

**I rapu ahau i a koe, ā, i rapu huarahi ki a koe
Mā te huna i te kuware tawhito pērā i te wā tonu
Hei whakamutunga, ka mutu taku rapu i a koe i
roto i te ngakau pouri me te kore tumanako**

**Āe, e te hunga mātau ki te karo i ō kaiwhai!
Kua ngaro ahau i roto i ngā arai o te wāhi
Ki te kore he tumanako ki te hopu i a koe, ki te
titiro atu rānei ki tō mata**

**Ā, hohoro tonu taku tahuritanga atu i a koe, ā,
kāore he kupu whakahoki mai i te moana pūkeru!**

**He hāhā noa iho i te rākau pai
Me te wahangu mai i te wāhi mutunga kore
Mai i ngā awaawa hohonu me ngā tihi maunga
I mamae katoa ahau i tēnei tae noa ki te
hohonutanga o tōku wairua**

**Pērā i te tamaiti kua mamae ōna kare ā-roto, ka
ngaro atu ahau, ā, ka mutu taku rapu i a koe**

**Engari i te ohorere, i te kore e tumanakohia
I totoro atu te ringa ngaro, ā, i tangohia te arai
matotoru**

**Nā wai koe i huna i ahau mō ngā tau maha, mō
ngā tau maha**

**Me te harikoa nui rawa atu
I tahuri ahau, ā, ka kite i te moana e kata ana,

Ka kitea e koe kei a koe tonu te Atua

E kore rawa ia e whakarērea i a koe

**Mā tana āwhina me tana manaaki, kāore he mea e
hiahiatia ana e koe**

**Whakawhirinaki ki te Atua, ā, ka tae mai tana
awhina ki a koe, ā, ka karapotia koe e tana manaaki**

**Kua e wareware kei te Atua tonu te pūtake o ō
tātou oranga**

**Ina mōhio tātou ko ō tātou hinengaro, ō tātou

**E whakawhirinaki ana rātou katoa ki te Atua, ā, e
ahu mai ana tō rātou kaha i a ia**

**Kātahi ka whiwhi tātou i ngā aratohu tika mai i a

**Ka mōhio tātou ko tō tātou oranga he kotahi ki
Tōna ora mutunga kore**

**Kī tonu te ao i ngā awa ā-taiao me ngā awa ā-
tangata, ā, ko te Atua te whakangungu rakau pakari**

**me te piringa haumaruru mai i ngā awa, ngā
awhiowhio, me ngā kino o tēnei ao.**

**Ahakoia kei hea te Atua, kāore he wehi, kāore he
pōuri. Ko te tangata whakapono pono e tū pakari ana,
e māia ana i roto i ngā pakanga o te ao me ngā
whakamātautau o ngā āhuatanga, me te tino mohio
kei a ia te Atua, e tiaki ana i a ia i te kino, ā, e kore
rawa e whakarērea ia ia mō tētahi wā poto. Nō reira,
ka ngaro te wehi i roto i tōna ngākau, ā, ka pūmau te
tino whakapono ki te tiakitanga.**

**Ko te kore wehi ko te whakapono ki te Atua me
tana tiaki, me te whakapono ki tana tika, ki tana
whakaaro nui, ki tana atawhai, ki tana aroha, me tona
aroaro i nga wahi katoa.**

**Ka tangohia e te wehi te kaha hinengaro o te

ngā manawataki tūturu o te ngākau. Hei tāpiri, ka
hangaia e te wehi ngā raruraru tinana, ā, ka pā mai
hoki ngā mate hinengaro.**

**Engari ko te tuku i te tangata ki te manukanuka
me te here hinengaro, me whakamanawanui ia kei
raro i te maru o te Atua, te Kaititiro, te Whakarongo,
kei roto i tōna pā kaha, ā, kei te karapotia ia e tōna
aroha me tōna manaaki.**

**Ahakoia kei roto i ngā ngahere o Āwherika te
tangata, kei runga i te papa pakanga, e pāngia ana e
te mate, e te rawakore rānei, me whakamanawanui
rātou i a rātou anō he kaha ake te ringa o te Atua i te
tūponotanga, ā, ka taea e ia te tiaki i te hunga e rapu
piringa ana ki a ia.**

**Kāore he huarahi whai hua ake hei tiaki i a koe
anō. Ae, me whakamahi te tangata i te arorau i roto i
ngā āhuatanga, me te whakawhirinaki katoa ki te
āwhina a te Atua. Kāore te whakapono e tohu i te
mangere, i te mahi kuware rānei i roto i ngā**

āhuatanga. Engari, ahakoa te aha ka puta, me whakamanawanui te tangata ko te Atua anake ka taea te āwhina i ngā wā uaua me ngā wā whakamātautau mena ka tahuri te tangata ki a ia me ōna ngākau katoa, wairua katoa, me ōna whakaaro katoa.

Kua taupokina te ao e te pōuri, ā, i ētahi wā ka ngoikore ngā waewae, ka whakaroa ki te neke whakamua. Me waiho e tātou te māramatanga o te Atua hei rama ārahi i a tātou e hikoi ana i ngā ara pōuri o te ao. Ko ia te marama katoa i ngā pō o te kuware me te pōuri, te rā o te kanapa i ngā hāora o te oho ake, te rama ārahi, me te Whetu Raki mō te hunga e whiti ana i ngā moana o te pōuri o te ao, e memeha haere ana.

Ka mau tonu ngā raruraru i te ao, nō reira, kei hea te tangata e rapu tohutohu ai? Kāore he painga o ōna ake whakaaro, e pāngia ana e ngā tikanga, ngā whakahāwea, ngā whakaaro kua whakaritea i mua, me ngā whakaaro whakahāwea, ā, kāore e taea e ngā awe o tōna taiao, whānau, whenua, ao rānei te whakarato i te tohutohu tika.

Nō reira, me tahuri te tangata ki te Atua, me whakarongo ki te reo marino, rangimārie e puta mai ana i te hohonutanga o te wairua, e rite ana ki te pono.

Te rerekētanga i waenga i te whakaaroaro hinengaro me te whakaaroaro wairua

Ki te whakarite te tangata i a ia anō me te mātauranga ariā

**Ka waiho hei taputapu hopu oro kawē
E kōrerotia ana e ia ngā whakatauki, e whakapuaki ana i ngā kupu whakahihi
Ki tā ētahi he tohunga mātau ia
Engari ko taua mōhiotanga**

**Kāore e whakakahangia e te kitenga tika o te
pono**

**Ā, kāore he whakatutukitanga wairua e taea te
whakarite ki tēnā**

**Ko tēnei momo mātauranga, ko tēnei momo
mātauranga rānei**

Kei te hono tonu te "ego" ki te hinengaro tairongo

He mea herea e ngā kare ā-tinana

**Kāore e taea e te mātauranga ariā te whiwhi
mātauranga atua**

He mea tika kia kaua e moumou taima utu nui

**I runga i ngā ariā kāore e taea te whakamahi i
roto i te ao tūturu**

**Ki te kore, ka kitea ia i waenganui i te ngahere
hinengaro matotoru**

**Kāore e taea te whiti atu i te whānuitanga o ngā
ariā**

**E kore tēnei tukanga e arahi ki te mōhio ki te
pono**

**Nā te mea kei tua atu te pono i ngā whakaaro me
ngā ariā**

He tokomaha e whai ana i tēnei tikanga

Ka herea rātou e ā rātou ake whakatau whaiaro

**Ki te whakamahia e te tangata ōna mana
hinengaro**

**Ki te whiwhi moni me ngā taonga, kāore he mea
kē atu**

Ka kukumea tōna hinengaro ki te ao tūroa

Ka raru i roto i ngā raruraru mutunga kore

Nō reira, e mea ana te hunga whakaaro nui

**Kaua te tangata e whakapau i ōna pūkenga
hinengaro katoa ki**

**Nā te Atua i homai ki a ia kia rapu i ngā mea
memeha noa iho**

Ki te kore, ka ngaro ia i roto i te arai o te ao tūroa

Ka hangaia e ia ngā here me ngā herenga kāore e hiahia ana e ia

Nō reira, me whakamahi ia i ōna pūmanawa hinengaro

I te whiwhi i ngā mea e hiahia ana mō te oranga

Me te whai kia whanakehia ōna āhuatanga matatika

Hei wehewehe i te tika me te hē, i te kino me te pai

Ā, ina whanake ia i tōna māramatanga wairua

Ka taea e ia te rongō i te Atua i roto i a ia

Me te tino mohio ki ngā pono wairua

E huna ana i muri i ngā arai o te mea matotoru

Ka kiia tēnei āhua ko te whakaaroaro wairua

Ko tētahi o ngā wāhanga tino nui o te tipu wairua

Ko te tikanga tēnei o te kōrero puku ki te Atua

Ka kite koe i tētahi huringa pai whakamiharo

Ka tino aroha koe ki tēnei

Ahakoā ā tātou āwangawanga

Me noho te Atua ki te tūranga tuatahi i roto i ō tātou oranga

Ina hiahia te tangata ki te mātaki i tētahi whakaaturanga

Ki te hoko kākahu hou, ki te hoko waka hou rānei

Kāore ianei i te pono kei te pukumahi tonu tōna hinengaro?

Mō ēnei take, me pēhea te whakatutuki, te whakatutuki rānei i aua mea?

Kāore ia e okioki kia tutuki rā anō ōna hiahia

Engari, ka mahi tonu ia me te kore e ngenge ki te whakatutuki i aua wawata

Nō reira, me aro nui te hinengaro o te tangata ki te whakaaro ki te Atua

Ā, ko reira ka hurihia ngā hiahia iti, iti katoa

**Ki te hiahia nui ki te rongō i te Atua me te kōrero
ki a ia**

**Ina hāhā te hinengaro ki te Atua i tētahi hāhā
ngākau nui, hihiri**

**E puea ake ana i te hohonutanga o te wairua e
matenui ana**

**Ka pā te karanga a te wairua ki te ngākau o te ao
tūroa**

**Ā, ka tae mai te whakautu, me te hari nui hoki
Mā te kōrero puku hinengaro ka whakatupu te
kaha o te ngākau**

**Kia whiwhi rā anō koe i te kaha e tika ana hei
whakatutuki i te whāinga e hiahiatia ana**

**Ina rite te hinengaro me te hiahia o te tangata ki
te Atua**

**Kua whakawhiwhia rātou ki te mana mutunga
kore**

**Nō reira, ko te whakaaro noa ki tētahi mea ka
ranea hei whakatutuki i taua mea**

**Nā te mea e mahi ana te ture atua hei painga mō
te hunga e whai ana i te hiahia nui rawa atu**

**Ngā whakatutukitanga whakahirahira katoa o
tōku ao**

**Ka tutuki mā te mana o te hinengaro i roto i te
mahi tahi me te Atua**

Ina rere te pūkaha atua

**Ko ngā mea katoa e hiahiatia ana e au ka tutuki,
kāore he okotahi**

**I te tuatahi ka puta mai he hoahoa ethereal, kāore
e kitea**

**Kātahi ka puta mai me te kaha e kore e taea te
ārai ki te whenua**

Te mea ngaro o te tipu

**Ka tipu ake tātou i roto i ia wheako e pā ana ki a
tātou, mena ka mōhio tātou ka taea e tātou te ako i**

ngā akoranga whai hua mai i aua wheako. He tikanga, he kaupapa hoki ō ngā mamae me ngā mamae katoa e pā ana ki a tātou.

Ahakoia te kaha o ngā whakamātautau, he rite tonu rātou ki te ahi e whakarewa ana i te rino, e huri ana hei maitai ataahua, pakari, ā, he maha ngā whakamahinga.

Ā, he mea whakamiharo te maitai o te whakaaro nui e tangohia ana e tātou mā roto i ngā ahi mura o ngā whakamātautau. Mā te ora tātou e pure mā te huri i ō tātou konganuku taketake hei huānga utu nui, kia taea ai e tātou te noho i tēnei ao hei wairua parakore pērā i ngā kohatu utu nui, hei pakeke pērā i te maitai, ā, i te wā kotahi he ngāwari, he piko hoki, me te kore e pakaru i raro i ngā pēhanga o ngā uauatanga me ngā whakamātautau uaua.

Ina kite tātou i ngā kanohi kua whakapōturitia e te riri, kua whara i te nanakia, ka hiahia tātou ki te whakakore i te kino i roto i ō tātou wairua—he wairua kāore i pāngia e tetahi mea engari ko ngā whakaaro kino me ngā mauahara hohonu e huna ana i te ahua tapu tapu i roto i a tātou, pērā i te pungarehu e whakapoke ana i te whakaata. Me whakaoho ake ngā mahi mamae a ētahi atu i roto i a tātou i te hiahia ki te whakapai ake i ō tātou ake whanonga me te whakahaere i a tātou anō, kia noho ai tātou hei rangatira mō ō tātou hiahia tutu, kaua hei pononga mā rātou.

He rongoā whakamiharo ngā kupu atawhai mō ngā mate maha, he mana aukume kaha, tata ki te makutu, e kawē mai ana i ngā manaakitanga me te taonga nui ki te hunga e kōrero ana. Ko te hunga e whakamahi ana i ngā kupu whakamarie, ngawari, ka rongo i te ia ngawari e rere ana i roto i a rātou, kāore e mutu, ka kī tonu rātou i te nui o te rangimarie. Nā te

mea e hono ana taua ia ki tōna pūtake teitei ake, e rere tonu ana, e toro atu ana ki ngā wairua i roto i te rangimarie. Ka taea e rātou te tuku i tēnei rerenga o te harikoa ki ngā wairua e hiahia ana ki te rangimārie.

I ia rā, ka titiro te tangata ki te whakaata kia kite i tōna mata nā te mea e hiahia ana ia kia puta tōna āhua pai ki te aroaro o ētahi atu. Heoi anō, he mea nui ake kia tū atu ia rā ki a ia anō, kia titiro ki te whakaata o te tātaritanga o roto kia kitea ai he aha kei muri i ngā āhua kanapa o te mata? Nā te mea ko ngā mea katoa e ātaahua ana ki waho, nō roto mai i te tangata, ā, kāore he mea e taea te whakakino i te whakaata o te wairua. He rite te parakore ki ngā whakapōrearea hinengaro pērā i te riri, te mauahara, te hae, me te mauahara. Ko te tangata e ngana ana ki te wetewete i a ia anō i ēnei matū e tauhou ana ki te āhua o te wairua, ka whiti te māramatanga o te ātaahua o roto mai i roto, ā, ka reka ki ngā mea e pā ana ki te tangata he wairua marino.

Mā te tātari ka kitea e tātou e toru ngā āhuatanga o ngā raruraru tangata: ko ētahi he raruraru me ngā mate e pā ana ki te tinana tangata, ko ētahi e pā ana ki te hinengaro, me te tuatoru o ngā wāhanga e aukati ana i ngā ara o te wairua.

Ko te mate, te koroheketanga, me te mate ngā uauatanga me ngā arai e pā ana ki te tinana. Heoi, ka whakaekea te hinengaro e ngā mate hinengaro mā te pouri, te wehi, te riri, ngā hiahia kua pehia, te mauahara, te mauahara, ngā kare ā-roto, te kirika me te whakaohohoio, me te mate pukupuku hinengaro e whakararuraru ana i ngā kaha hinengaro. Ko te mate tino morearea ia, heoi, ko te mate o te wairua, e whakaatuhia ana i roto i te kuware, e puta mai ai, e horapa ai ngā mate katoa.

Tangata whānui

**I whakaaweawetia e ngā whakaakoranga a te
Kaiwhakaako Paramhansa**

**I tērā taha o ngā moana e wehe ana
I tētahi kokonga tawhiti o te ao
I puta mai te tangata o te ao ki ahau
Me te kanapa nui
Ka whai i te whitinga me te kanapa o te rā
I waenganui o ngā ngahere tawhito tōna kāinga
I kite ahau i a ia e hiko ana i roto i ngā mania
koura o te whakaaro nui**

**Me te ora o te taitamarikitanga
Me te harikoa o ngā tamariki
E moemoeā ana ia mō te kanapa makutu o te
marama hou**

**Ka neke ia i waenga i ngā whare maha
Ka puta mai ia me te marama me te tere
Mai i ngā kūaha o ngā rautau me ngā tau
Mō tētahi wā poto ka puta mai te āhua rerekē
Kātahi ka ngaro atu ia
Kātahi ka puta anō
Te ātete ki te memeha me te ngaro
He rite ki te etere o ngā rangi mutunga kore
Ā, he maha ngā rama i whiti mai i tōna mata
Ka kōrerotia ngā kōrero mō te hiahia nui e mura
ana**

**Me ngā kare ā-roto e mura ana
Me te ataahua o te taitamarikitanga
Me te aroha taitamariki parakore
I puta mai ngā mura o te whakapono kanapa i
roto i ōna kanohi**

**Me te kanapa whero o te tumanako māia
Me te uira e kanapa ai ngā kanohi
Mō te pakari me te kaha
E whakamārama ana i ngā kokonga o te ao tūroa**

**Ka tae tōna whānuitanga ki ngā whetū tawhiti
rawa**

Auē te kororia e kore e taea te whakaaro!

**E puea ake ana i tō ngākau moana, e te tangata o
te ao tūroa**

**Kua roa ahau e titiro ana ki tō āhua kororia,
kanapa**

**I kite ahau i ngā toronga mutunga kore me ngā
mea ngaro**

**Me te mea nei i kite ahau i te wairua tangata e
whakaatuhia ana**

**I roto i tōna kororia me tōna ataahua katoa
Te Makasini Rawhiti-Hauauru**

He nui atu te pai i te kino o te ao

**Ina ngokingoki mai ngā feaa, me mahara tātou ki
te oranga o ngā tāngata nunui. He pono he tangata
tātou, engari kua homai e te Atua ki a tātou ngā mana
whakamiharo e kore nei e whakamahia e tātou, nō
reira he aha tātou ka wiri ai i te wehi i te
koroheketanga, i te mate, i te pouri?**

**Me mahi tātou i ngā mea katoa e taea ana e tātou
hei tiaki i te tinana, engari kua e tukua kia matakū,
kua hoki e huna i a tātou anō ki raro i ngā puranga o
te kuware. Ehara te tinana i te tangata katoa.**

**He nui ake te pai i te kino i tēnei ao nā te mea ko
te Atua te mana nui. Engari ina pā mai te kino ki a
tātou, ka whakaaro tātou kāore he mana o tātou ki te
whakahaere, ki te mawhiti rānei i tōna ringa.**

**E tūpono ana te pupuhi mai o ngā tupuhi kino,
engari ka taea e tātou te wikitoria i ōna pānga me te
ara ake i runga ake i aua mea**

Kāore i homai he ora ki a tātou kia whakangaromia e ia, engari kia whakatōkia ki roto i a tātou te mōhiotanga ki te ao mutunga kore, ā, me mahara tātou ki tēnei pono.

Ki te kore he herekore o te whakaaro, kāore e taea e te tangata te whakapuaki i a ia anō i roto i te huarahi parakore, ohorere, me te taiao. Kia maumahara he tino herekore koe. He herekore tonu te mana o te hiahia.

Ki te whakamahi tika koe i tō kaha hiahia, ka hangaia he karma hou māu, engari ko te nuinga o te iwi kāore e hiahia ki te huri, ki te whakapau kaha rānei, nō reira ka hinga rātou i te aroaro o ngā uauatanga, ā, kāore e taea te aro atu ki ngā wero.

Ehara i te herekore te mahi a te tangata i tāna e pai ai, nā te mea he herenga tōna e ōna hiahia, nō reira, kāore e taea te kī he herekore āna mahi.

Ko te tikanga o te herekoretanga pono ko te mahi i ngā mea katoa me te hiahia e arahina ana e te whakaaro nui. Ka taea e te tangata te whakahaere i ngā hua o ā rātou mahi o mua, ka whai tonu mai i a rātou, mena ka whakahohehia e rātou tō rātou hiahia, ka whakamahia mō ngā mahi pai, whai hua hoki.

Ki te whakahaere koe i ō mahi i runga i te whakaaro nui me te kaha o te wairua, ka ngoikore ngā mana o ō mahi hē o mua, ā, ka kaha ake ō tikanga pai.

Ka herea tātou e ngā tikanga kua whakatōkia ki roto i tētahi ara, ā, nō reira, kāore tātou e noho i roto i te herekoretanga tūturu.

E hiahia tonu ana tātou ki ngā mea kāore i a tātou, ā, ka piri ki ngā mea kāore e tino hiahiatia. Kia riro mai i a tātou tētahi mea, ka ngaro tō tātou mana whakatau mō tētahi wā poto. Pērā i te pononga a te hunga o te Rawhiti i ngā tikanga tawhito, waihoki ka pononga a te hunga o te Hauāuru i ngā tikanga hou. Ka hangaia e tātou tō tātou ake ao, ā, ka noho hei pononga māna.

He aha i whānau ai tētahi tamaiti ki roto i tētahi whānau kino, ā, i whānau tētahi ki roto i tētahi whānau pai? I whakamahia e ia o rātou tō rātou rangatiratanga ki te noho i tētahi ara i mua (i te ao o mua) ā, nā reira i puta mai ai aua āhuatanga ki a rātou anō i tēnei ao.

Kāore he herekoretanga pono ki te kore te Atua. Me whakaaro tonu tātou ki a ia. Ahakoa ō tātou āwangawanga me ō tātou whakaaro, me noho te Atua ki te tūranga tuatahi i roto i ō tātou ngākau.

Ā, ina tino hono tātou ki a ia, ka homai ki a tātou te kaha ki te whakatutuki i ngā mea me whakatutuki e tātou, i ngā wā katoa, me tana awhina tapu.

He tohutohu mō te ākonga

I pātai tētahi o ngā ākonga ki te kaiako a Paramhansa

Hei hoatu i ētahi tohutohu mō te whanaketanga i a ia anō, i mea ia

Ki te hiahia koe kia arohaina

Tīmata mā te aroha ki ētahi atu e hiahia ana ki tō aroha

Ā, ki te tumanako koe i ētahi atu

Kia pono, kia pono ki a koe

Kia pono, kia pono hoki ki a rātou

Ā, ki te hiahia koe kia kaua ētahi e mahi kino, e mahi tinihanga

Kaua e tukua te tinihanga kia uru ki roto i ō whakaaro

Kaua e mahi i tētahi ara e whara ai ētahi atu

Ki te hiahia koe kia aroha mai ētahi atu ki a koe

Tīmata mā te whakaatu i te aroha ki a rātou

Ina koa ki te hunga e karapoti ana i a koe

Ki te hiahia koe kia whakautehia koe e ētahi atu

Me whakaatu e koe te whakaute ki te hunga rangatahi me te hunga kaumātua i roto i a rātou

Ki te hiahia koe ki te rangimārie mai i ētahi atu

Me noho koe i te ao o te rangimarie

Ki te hiahia koe kia whakapono te iwi

Kia hihiri, kia tukua ētahi atu kia rongo

He tauira pai koe, ā, ka taea e rātou te whakawhirinaki me te whakawhirinaki ki a koe

I roto i te poto, ko ngā mea katoa e hiahia ana koe kia whakaaturia e ētahi atu

Ko tētahi o ngā painga o te pai

Whakaaturia i roto i tō oranga i te tuatahi

Ka kitea e koe he rite tonu te tauhohenga a te tangata ki a koe

**Mena ka taea e koe te tautuhi i ngā wāhi e
hiahiatia ana**

Hei whakawhanake, hei whakapai ake i tō oranga

**Me te kore e ngakaukore, e kore hoki e
whakawhanake i te matatini o te whakaiti i te
whakaaro**

**Ā, ki te mahi tonu koe ki te whakapai ake i tō
tuakiri**

**Kātahi ka nui ake te whai hua me te whai hua o te
wā e pau ana i a koe**

He aha mēnā i pau i a koe mō te hiahia

Kia whakapai ake te tangata i a rātou anō

Tō tauira pai me tō huarahi tika

He kaha ake ki te whakarerekē i ētahi atu

Mai i ō hiahia noa iho, i tō riri, me ō kupu

Kāore e taea te tatau i a Kashmir

Ko koe te pūtake o ngā mea pai katoa

Ā, ko te pūtake o te mana katoa

Manaakitia mātou, e te Ariki

**Kia whakakitea ai e mātou āu manaakitanga ki a
mātou**

I roto i tō tātou hauora

me ō tātou wawata hinengaro

I roto i ā tātou whakaaturanga wairua

Ko koe te tiaho i roto i ngā whetu

Pūngao i roto i ngā ngota

Me te atawhai i roto i ngā ngākau

Kei roto i te pono te ataahua

Kei roto i te pono te nui

Āwhina mai kia whakakaha ake anō mātou

Mā tō mana nui

Ki tō whakaaro nui mutunga kore

Me tō pono mutunga kore

Kia mōhio mātou ko koe te puna o te ora

me te taiao o te ora

**Ā, te pūtake o ngā māramatanga me ngā
mātauranga katoa**

Whakaorangia mātou i te kuware me ōna pānga

O ngā wehi me ngā āwangawanga

Kia horomia atu e te waipuke o tō whakaaro nui

**Ngā pakaru katoa me ngā whakangaromanga o ō
tātou oranga**

Haea ngā arai e huna ana i tōu mata i a mātou

Kia kite tātou i a koe me te māramatanga nui

Ngā rā tini i te pae tawhiti o ō tātou oranga

**Tukua mātou kia rongu i a koe hei kaha e
whakahoutia tonutia ana**

Ka whakaaweawe ō mātou whakaaro

Ā, whāngai i ō tātou wairua

E whāngai ana ō tātou tinana

Ā, ka tutuki ā mātou moemoeā

Āmene

Ko te nuinga o te iwi kāore e mōhio he aha

Mai i tō rātou aroaro i runga i tēnei whenua

E whakapono ana rātou ko te kaupapa o te ora

Koia te whakatutukitanga o ngā hiahia

Te whiwhi i ngā mea e hiahiatia ana mō te oranga

Te rapu i te ahuareka me te aroha tangata

Ā, tukua atu ki te kaikaranga whakamutunga i te mutunga

Ka tīmata te oranga o te tangata

Ngā kaihotaka me ngā hiahia motuhake

Me ngā hiahia kāore i tutuki i mua

Ā, ka ngana rātou - me te iti o te hiahia e toe ana ki a rātou -

Te whai i ngā hiahia me ngā mahi a tētahi atu

Ki te mea ka hono rātou ki ngā kaipakihi

E hiahia ana rātou kia rite ki a rātou

Ā, ki te hono atu rātou ki ngā kaitoi

Ko te toi te mea nui ki a rātou

E hiahia ana te Atua kia mahi pono tātou i tēnei

ao

**Kua homai e ia ki a tātou te hiakai e hiahia ana
kia mahi tātou kia ea ai taua hiakai**

Engari ko te rapu kai me te piringa

Te moni me te taonga, kāore he mea kē atu

**Ko tōna tikanga ka wareware te tangata ki te
pūtake o tōna harikoa**

He pono me mahi tātou

Hei whakatutuki i ā tātou hiahia

**Ā, kia kaha tātou ki te whakatutuki i ā tātou
whāinga tika**

Engari ko te mea tuatahi

Hei whakatuwhera i ō tātou ngākau ki te Atua

**Ka tono mātou kia arahina mai ia e mātou, kia
whakaaetia mai hoki e mātou i ngā mea katoa e
mahia ana e mātou**

Kātahi ka angitū tātou i te kura o te ora

Nā te mea ka whiwhi tātou i ā tātou tohutohu

Mai i te Kaiwhakahaere Nui me te Kaiwhakarite

Ko te tangata e mōhio ana ki tā tātou e hiahia ana

He aha te mea pai mō tātou?

Nō reira, me whakawhirinaki tātou ki a ia

Ka ngohengohe tātou ki Tōna whakaaro nui

**Ngā reta ki te kaiako Paramahansa mai i āna
ākonga**

**Kei te mau tonu te mahara ki taku haerenga atu
ki a koe**

I roto i te Pukapuka XIV o te maheni Inner Culture

**Ngā reta i tukuna mai e ō rātou kaituhi mai i ngā
whenua rerekē**

**Ka whakahuahia e mātou te kupu e whai ake nei
mai i reira:**

**E hiahia ana ahau ki te whakamōhio atu ki a koe,
mā taku pānui whakaaro nui i āu akoranga**

I whiwhi ahau i te māramatanga wairua

Ko te mea i rapua tonutia e au

**Nā āu akoranga i huaki ngā tatau o te harikoa
mōku**

*** * ***

**Ka whakaharatau ahau i ō whakapumautanga
wairua i ia rā, i ia rā**

**Ki taku titiro ka memeha haere ngā whakaaro
kino**

Kua memeha haere ngā wehi

Ka koa ahau ki ia wā o tōku ao

Ngā mihi nui mō tō āwhina

*** * ***

He maha ngā manaakitanga e riro mai ana i ahau

Mai i āu akoranga wairua

Kei te tino tatari ahau ki te pānui i ō whakaaro

**Ka whakapau kaha ahau ki te whakamahi i tēnei
ki tōku ao**

He ataahua āu akoranga, he whai hua hoki

**Ka kitea e au i roto i tō rapunga whakaaro

**He aha te mea e whakaohoho ana i te miharo me
